## Public Meeting Held

Fifty Clarendon residents and business people met at the Clarendon Community Center on Thursday, March 14th at 7:00 p.m. Debbie Howard chaired the meeting.

The group was concerned about cleaning up Clarendon and promoting local businesses. They said that the streets and highways were filthy, business buildings were run down and no one was doing much to improve business.

The meeting discussed the relative merits of forming a Downtown Merchants Association or working through the Chamber of Commerce. Those who attended expressed a variety of viewpoints in a frank, candid manner. One business person said that he had been in business for six months, and had yet to see the Mayor. Some-- though polite--were quite critical of the Chamber of Commerce. Several chamber members explained that the Chamber has very few funds and to few active members to do what needs to be done. The Chamber secretary himself suggested a number of improvements that were needed. Chamber members implored everyone to join and participate. (One does not have to own a business to belong to the organization.) They solicited comments and criticism. The Chamber Board was, in fact, acutely aware of many of the shortcomings even before the meeting.

Many of those who at first were critical of the Chamber agreed to join and work together for the benefit of the community as a whole. Some felt that a separate organization was preferable, but all voted unanimously to work together through the Chamber for the present.

The participants discovered that they were in almost total agreement on their goals. Virtually everyone wants a clean, thriving community. Virtually everyone agreed that the Chamber has not been able to do everything that needs to be done. And virtually everyone was open to new ideas and welcomed new workers.

In all probability not a single person who attended got everything that he or she wanted at the meeting. Yet there was a remarkable consensus on the results. The meeting was beneficial. Clarendon citizens can work together. The community can do what needs to be done.

## Town Meeting Set

Congress Bill Sarpalius will have a town hall meeting at 9:30 a.m. on Wednesday, March 27, at Clarendon College.

The congressman said the meeting is designed to give Donley County residents an opportunity to share their views and concerns with him and to give him a chance to answer their questions.

"We are living in momentous times," Sarpalius said. "Congress is going to make some extremely important decisions during the next two years, decisions that could have a big effect on people in Donley County and throughout the 13th Congressional District."

"I want to make sure our voices are heard in Washington, and that's where these town hall meetings can help. It gives everyone a chance to exchange ideas and to decide what is most important to us in our part of Texas. Our government really does work best when we work together."

"I look forward to seeing everyone in Clarendon on March 27," the congressman said.

HLS&R Calf Scramble, L. to R. Tim Trimble, Phillip Williams, Bert Schneider.

## Williams Gets Certificate

Phillip Williams, a 4-H student from Clarendon, Texas, during the March 2 performance of the 1991 Houston Livestock Show Rodeo was one of 28 determined contestants who was challenged to halter and maneuver one of only 14 unruly calves across the 2.75 acre Astrodomo floor into the winners' square.

In exchange for this effort Phillip receives an \$800 calf purchase certificate sponsored by L. C. (Bert) Schneider which will be used to purchase a registered dairy or beef heifer.

The scrambler is required to maintain monthly progress reports, monetary records and a scrapbook detailing the project. His effort will culminate in 1992 when the heifer will be returned to the Houston Show for a special showing competition with other 1991 scramble winners.

Working along with Phillip on this project will be Tim Trimble, his teacher/county extension agent who will supervise all work with the animal.

## ACR Changed

The Texas State ASC Committee today exempted Texas from the fifty percent cover crop requirement on Acreage Conservation Reserve (ACR) acres according to Jerry Harris, Chairman of the Texas State ASC Committee.

The Food, Agriculture, Conservation and Trade Act of 1990 required that half of the acreage set-aside under the commodity programs be planted to a cover crop. The legislation also allowed for the exemption of those areas determined to be arid by USDA.

The determination to exclude Texas was based on meteorological data that shows the line between non-arid and arid regions running from North Dakota through Texas. All states east of the line are not considered arid and must comply with the fifty percent cover requirement. Most states west of the line are considered arid and do not have to comply with the fifty percent cover requirement.

## City Receives Grant

The City of Clarendon has received a grant through the Texas Department of Commerce Community Development Fund for 10,150 linear feet of 6" water lines, 7 fire hydrants and 75 service connections and appurtenances at the following locations:

Goodnight Street from Barcus to Wood; McClelland Street from Barcus to Wood; Faker (SH 79) from 1/2 blk. S. of Barcus to 1/2 blk S. of Wood; Browning Street from Jackson to Carhart; Burkhead Street from Jackson to Carhart; Alley between Burkhead & Browning from Faker (SH 70) to Jackson;

Sponsors working with these enthusiastic youngsters are Gayle Hankins, Norma Jones, Jan Campbell, Helen Land, Renee' Duncan, Mary Beth Nelson, Tena Mooring, Carrol Duncan, Beth Sharp, Donna Black, Leta Olsen, Karen Simmons, and Helen Estlack.

Barcus Street from Jackson to Gorst; Wood Street from Jackson to Gorst; alley between Montgomery & Wood Street from Faker (SH 70) to Jackson.

In addition a 70,000 gallon standpipe with site fencing and appurtenances will be erected. This should greatly increase the water pressure throughout the city. The cost of the project will be \$224,000 with the Texas Department of Commerce funding \$194,700 of the cost and the City contributing \$29,300 which has been set aside for this purpose. The project was applied for in 1988 and again in 1989, but funding was not awarded to Clarendon until application was made the third time in 1990, and the City applying for grant funds. The contract between the City of Clarendon and the Texas Department of Commerce for this project has now been signed. Following the required Environmental Review, Plans and Specifications, Bid Advertisements and Awarding of Contracts for construction, actual construction is scheduled to begin in October 1991.

**TDA Predator Management Training Session Scheduled For Clarendon**

The Texas Department of Agriculture will conduct a Predator Management Training Program on Tuesday, March 26, 1991, at Clarendon College in Clarendon. The training session begins at 6 p.m., and lasts about three hours. The Texas Agricultural Extension Service is assisting TDA in conducting this training session.

All persons who want to use M-44 sodium cyanide to control coyotes, feral dogs, and foxes preying on livestock should attend the course. To continue using M-44 sodium cyanide, all M-44 applicators certified prior to April 18, 1988, must take this course and be recertified. The training leading to M-44 sodium cyanide certification is free. Proper certification to use M-44 sodium cyanide also requires possession of a private applicator license, or a commercial applicator license to purchase state-limited-use pesticides. Information on obtaining these types of licenses will be covered at the training session.

In addition to the predator management program on that day, the Texas Agricultural Extension

Service will conduct a private applicator training session at 9:00 a.m. on the morning of March 26, 1991, in the Ranch Operations Classroom at Clarendon College.

**Look Who's New**

Randy & Jana White are the proud parents of twin girls, Jenci Deann and Janae Dawn. They arrived March 4th and weighed 5' 11 1/2 oz. and 5' 12 1/2 oz. and were both 17" long. Big sister Kristin was ready to welcome them home.

MRS. JAMES MUSSER

## Wedding Vows Exchanged

Kristen Leigh Walker and James Raymond (Jim) Musser were united in marriage on Saturday, March 16, 1991, at Calvary Baptist Church in Canyon, Texas.

The bride is the daughter of Mr. and Mrs. Jeff L. Walker of Clarendon, Texas, and the granddaughter of Reverend and Mrs. Lester Blackberry of Clarendon, Texas, and Mr. and Mrs. J.L. Walker, Sr., of Snyder, Oklahoma. The groom is the son of Mr. and Mrs. Edgar R. Musser of Marengo, Illinois, and the grandson of Mrs. Cleo Musser of Groom, Texas.

Matron of Honor was Sheryl Robinson, sister of the bride, of Ames, Iowa. Bridal attendants were Janae Taliaferro of Fort Worth, Texas and Dondra James of Blair, Oklahoma.

Best man was Joe Musser, brother of the groom, of Canyon, Texas. Groomsman were Clay Robinson, brother-in-law of the bride, of Ames, Iowa, and Donna Edler of Fort Worth, Texas.

Ushers were Douglas Walker, brother of the bride, of Amarillo, Texas, Tom Musser of Lubbock, Texas, and Bill Musser of Prescott, Arizona, both brothers of the groom.

The welcome was given by Reverend Bob Musser of Fairview Heights, Illinois. Officiating at the ceremony was Reverend Doug Weiss, associate pastor of Common Ground, a Southern Baptist Church in Fort Worth, Texas.

Prelude and wedding instrumental music was presented by Jennifer Scoggin at the piano and Teryn Scoggin on flute, both of Pampa, Texas. Mrs. Scoggin also accompanied Laurie Wash of Waxahatchie, Texas, and Douglas Walker who sang several wedding selections.

Members of the houseparty were Annette Walker, sister-in-law of the bride, of Amarillo, Texas; Pamela Watson, cousin of the bride, of Amarillo, Texas; Donna Musser, sister-in-law of the groom, of Fairview Heights, Illinois; Delynn Dean, Fort Worth, Texas; Cheryl Sanders, Austin, Texas; and Penni Weatherly, Fort Worth, Texas.

The bride and female members of the wedding party were honored at a brunch hosted by Dee Ann Wilson at her home in Canyon on Saturday morning, preceding the wedding. The groom and male members of the wedding party were honored at a luncheon hosted by the groom's parents at the Calvary Baptist Church in Canyon, Texas, preceding the wedding. The groom's parents also hosted the rehearsal dinner on Friday evening, March 15, at the Railroad Crossing Restaurant in Canyon.

The bride is an honor graduate of both Clarendon High School and West Texas State University where she was a member of Kappa Delta Pi, and education honor society. Currently, she is teaching severely and profoundly handicapped in the Mansfield, Texas, school system and attending Southwestern Baptist Theological Seminary in Fort Worth. She is also working toward the completion of a master's degree in educational administration at the University of North Texas in Denton.

The groom also attended West Texas State University in Canyon where he was a member of the track and cross-country teams. He graduated with a B.S. degree in mathematics, and did some graduate work at West Texas State University. At the present time, Mr. Musser is working for the Y.M.C.A. and the school system in Fort Worth while doing further study at Texas Christian University. In addition, he is a home-group pastor at Common Ground, a Southern Baptist Church in Fort Worth.

The bride and groom will be at home in Fort Worth, Texas, following a wedding trip.

**Poison Prevention Week: March 17 - 23**

The theme for National Poison Prevention Week is "Children Act Fast - So Do Poisons." The theme is part of a campaign to alert the public to the problem of accidental poisonings among children.

According to the Poison Prevention Week Council, more than half a million children swallow some medicine or household chemical each year. While most recover, at least 30 children die annually in poisoning accidents. When young children are crawling, they can find poisonous products such as drain cleaners under the kitchen sink. As children get older and are able to stand, they may reach for medicines on counter tops or open medicine cabinets.

If chemicals or household products have been swallowed, offer a small amount of water to the child. Then call a hospital emergency room of the local poison control center for advice as to whether or not to make the victim vomit. Keep a one-ounce bottle of ipecac syrup on hand for each child or grandchild in the home.

Poison prevention starts with keeping poisons out of the reach of children. When these products are in use, children should be observed closely. Keep poisonous products in their original containers. Medicines are best stored in a locked cabinet or on a high shelf out of children's reach.

## CHARLES STANLEY ETERNAL SECURITY

CAN YOU BE SURE?

### Church Presents Series of Sermons

The First Baptist Church of Clarendon is presenting a series of 6 sermons by Dr. Charles Stanley, titled "Eternal Security: Can you be sure?" The sermons will be shown on Acts Network (Channel 8), March 25 through March 30 at 7:00 p.m. This series of sermons are shown with permission of In Touch Ministries of Atlanta, Georgia. They will be shown by First Baptist Church only one time this year, so plan ahead for the week of March 25-30, at 7 p.m. each night, Channel 8, so you won't miss a single one. Titles of sermons are as follows: March 25 - Where it all Begins. March 26 - Does it really matter? March 27 - You can be sure! Part 1 March 28 - You can be sure! Part 2 March 29 - Those solemn warnings. March 30 - What do we have to lose?

### The Lions Tale

by Gene Alderson

The Clarendon Lions Club held its regular meeting at noon on Tuesday, March 12, 1991 at the Lions Hall with 35 members and guests present. Lion Hicks led the prayer and a delicious fried chicken dinner was enjoyed by all. Boss Lion Bernabe called the meeting to order and led the Pledge of Allegiance. Lionamer Henson introduced our guests including Lynn Alderson, a student from College Station, guest of Gene Alderson. The Boss Lion called on Lion Todd Knorpp, President of the School Board, who introduced Jan Campbell, 5th grade teacher, and Beth Sharp, Junior High teacher, who are preparing their students for the upcoming District U.I.L. Speed Contest. Fifth and sixth graders reading poetry selections included Missie Butts, Korey Knorpp, Tarah Tamplen, Caleb Stroud, and Lisa Tull. Seventh and eighth grader Oral Prose readers included Jason Lee, April Hommel, Mandy Floyd and Lynn Hearn

### The New Commandment

Jesus told his followers, "A new commandment I give to you: love one another. As I have loved you, so you must love one another. All men will know you are my disciples if you love one another." [John 13:34-35] That passage contains the real solution to the problem of religious division, even though it may not be evident at first glance. In fact some people may protest, "Surely all the love in the world would not have prevented such-and-such a schism!" In fact, it is the only preventative.

The problem may lie in the fact that many Christians do not understand the word "love". The Biblical concept of love is not some gooey-sweet feeling. It is not some moon-struck emotion.

Love--in the Scriptures--is attitude and actions. Jesus illustrated that in numerous parables. But above all, he demonstrated it in his sacrificial life.

The apostle Paul wrote that God demonstrated his love for us in that "while we were yet sinners, Christ died for us!"

He did not wait for us to become perfect (which we could not do, anyway). His love took the initiative. It acted when we could not.

Jesus' love also demonstrated his attitude. "Love is kind; it does not envy...it is not proud...it keeps no record of wrongs"[1 Cor. 13: 4-5]. Indeed, the context of John 13:34-35 shows the Lord's attitude. Just before giving the New Commandment, Jesus had done the job that was usually reserved for the lowest slave in the household: he took a towel and washed his disciples' nasty, stinking feet. Was this what Paul was thinking about when he wrote, "Do nothing out of selfish ambition or vain conceit, but in humility consider others better than yourselves?"

Attitudes and actions. Can a Christian become alienated from a brother whom he sincerely considers to be better than himself? Can a disciple really judge and condemn a brother if he is sincerely serving him?

No brother or sister is ever perfect. But if we truly follow Jesus, we will respect and care for others just as Jesus did: before they are perfect; while they still have their problems and weaknesses. They may even be ignorant about some things. After all, that is how we are when Jesus accepts us.

If we truly love our brothers and sisters, we will happily teach them everything we know. We will willingly learn from them all we can. We will gently correct and readily listen to correction. In cases where problems are unresolved we will be patient, "counting others better than ourselves".

Where divisions in the Body of Christ persist, both sides have failed. Schism cannot exist when Jesus's followers respect each other and treat each other as God instructed.

That is why Jesus described loving each other as the criterion by which Christians could be distinguished as his apprentices.

## Public Notice

Southwestern Bell Telephone Company ("Southwestern Bell") submitted an application on January 4, 1991 to the Public Utility Commission of Texas ("Commission") requesting that the central office-based PBX/type service market be declared subject to significant competition pursuant to the Commission's Substantive Rule §23.27. If this proposal is approved, Southwestern Bell intends to provide service to this market segment via its PLEXAR-Custom service, which provides for contractual rates and charges to be based on an individual customer-specific basis.

PLEXAR-Custom is a central office-based service which provides switched voice and/or data communications similar to a customer-premises PBX. PLEXAR-Custom service is currently being provided on an individual customer-specific basis via Southwestern Bell's Customer Specific Pricing Plan Tariff for central office-based telecommunications systems of 200 stations or more. If Southwestern Bell's application is approved, the PLEXAR-Custom service tariff will be revised to also include central office-based telecommunications systems which require between 75 and 200 stations.

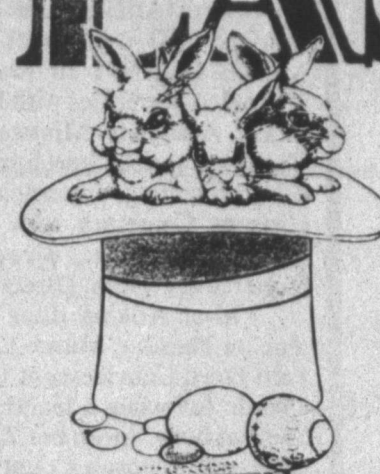

Centrex and Plexar-II services are currently priced according to a standard tariff regardless of the customer's geographic location in the state. If this application is approved, customers needing 75 to 200 stations will be able to obtain this service priced on an individual customer-specific basis rather than under a standard tariffed rate.

Southwestern Bell's application proposes that the service market for PBX/type systems of 75 stations up to 200 stations be declared subject to significant competition statewide in all of the exchange areas served by Southwestern Bell and in which the central office capability to provide the service exists and/or can readily be made available.

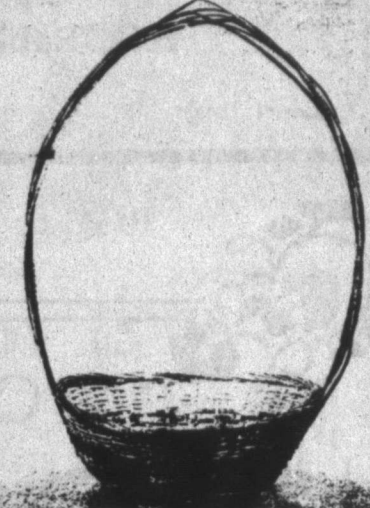

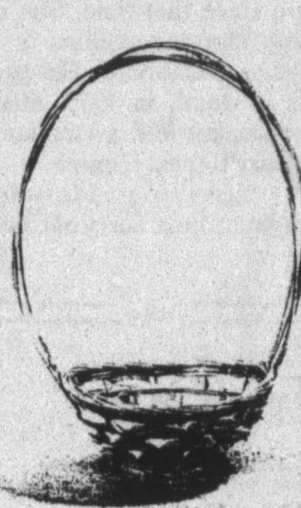

Persons who wish to intervene, protest, or comment on this application should notify the Public Utility Commission of Texas by June 21, 1991 at 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. You may also call the Commission's Public Information Office at (512) 458-0256, or (512) 458-0221, teletypewriter for the deaf. Please refer to this matter in all correspondence as Docket No. 9960.

## Hedley News

Steve Scott, son of former Hedley School Superintendent and Mrs. Vernon Scott, was injured while participating in Operation Desert Storm in the Persian Gulf area. Steve suffered back injuries when the armored vehicle in which he was riding apparently hit an enemy land mine. He was hospitalized in Kuwait, then transferred to a hospital in Saudi Arabia. The information officer who spoke to Omata indicated that he was doing well, although details of the incident, and of Steve's injuries, were very sketchy.

High winds and blowing dust plagued the area on Tuesday of last week. Wind gusts over fifty miles per hour were recorded in many areas of the Panhandle. This reporter saw a large irrigation rig which winds had deposited in the middle of the railroad tracks just west of Clarendon. On Saturday, the area received the first

measurable moisture in many days. Low clouds, fog, showers, and an occasional flash of lightning provided a welcome relief from the winds and dust, although most rain gauges around Hedley registered a quarter-inch or less. One lady in an Amarillo store was overheard to say that she had driven through a brief but heavy hail on her way into town Saturday afternoon.

Wheeler School observed Public School Week this past week. Thursday was Grandparents' Day, and Buford and Jerry Holland visited with Lynn Holland, and ate lunch in the cafeteria. They also visited Glyndol, Kathi, and Whitney.

Hedley High School students are entered in Interscholastic League events this week. Contests were scheduled for Shamrock on Tuesday, Miami on Thursday, and Borger on Friday. The baseball team will be playing in Borger on Saturday.

Bruce Howard, son of First Baptist Interim Pastor and Mrs. Jimmy Howard, preached and

provided special music at Sunday's services. He was assisted with the music by his wife and six children. The congregation enjoyed an old-fashioned singing Sunday evening, also led by Bruce Howard.

Jeff, Lori, and Courtney Hill from Whitharral visited with Jeff's parents, Mr. and Mrs. Junior Hill, this weekend.

Mr. and Mrs. Leon Ward, Amanda, and David, traveled to Lubbock this weekend to attend the wedding of Leon's sister Jean. Sherrie McDougal and Amanda provided music for the wedding.

Pauline Kaufman had as visitors Saturday evening two grandsons, Chip Knightstep of Amarillo and Jamie Knightstep of LaPorte, Texas. They were going to LaPorte from Amarillo for spring break.

Bill and Veda Waddell spent last week touring several places in South Texas. On the way home, they spent one night in Devine with Bill's sister and her husband, Mr. and Mrs. Willie Noblitt. On Sunday through Wednesday, Bill and Veda enjoyed some good preaching by Veda's son, Harold Elliott, at First Baptist Church in Clarendon.

Howard, Duane Garman, San Thompson, and Dickie Johnson.

Minutes of the February 12, 1991, meeting were read, and upon a motion by Alderman James Kuhn, seconded by Alderman Steve Smith, said minutes were approved. Motion carried.

Kay Howard of Gary R. Traylor and Associates discussed the scope of her firm's services and the upcoming Community Development grant project with the Board. Motion was made by Alderman James Kuhn, seconded by Alderman David Pitts to approve the contract with Gary R. Traylor and Associates for grant management services for the City's 1990 Community Development Program Grant. Motion carried.

Duane Garman discussed adopting the NFPA Life and Safety Code as the basis for the City's fire code. He will meet with the Board at a later time to discuss this further.

Motion was made by Alderman Steve Smith, seconded by Alderman McKinley Smith to pass a resolution endorsing the Pantex reconfiguration concept.

### RESOLUTION

WHEREAS, the Administration and Congress have directed that the nation's nuclear weapons complex be down-sized and economized without inhibiting the nation's ability to safely maintain and support its nuclear deterrent policy; and

WHEREAS, a paramount consideration of the Department of Energy in the reconfiguration of the existing nationwide complex will be the safety, environmental and health concerns of the citizens living in the areas which will be selected finally for expanded or continued operation; and

### MINUTES MARCH 12, 1991 7:00 P.M.
