Candidates Need to Sign Up

Anyone who wants to run for the board of alderman, hospital district board or school board should sign up between February 20 and March 20. Each of the entities will hold elections on May 4.

State law provides that anyone who wants to be a candidate should sign up not earlier than 45 days before the election date and not later than 30 days before the polls open.

Each of the governing bodies has two or three slots open. The boards of the college and county are not involved this year. Absentee voting will begin April 15 and run through April 30.

PTA Month Observed

February is PTA Month, and this time has been set aside to focus national and local attention on the importance of parent involvement in their children's education and lives.

Clarendon PTA is reminding parents, grandparents and other relatives that a child's education begins in the home. A concerned family is critical to a child's success in school. It doesn't take a lot of time or money to get involved in a child's education. A few minutes a day spent discussing what happened at school or helping with homework is a good start. Parents who care have children who care.

The local PTA is encouraging not only parents but everyone who cares about children to take a serious look at how they can help children succeed in school and in life.

Clarendon PTA hopes the citizens of this community will observe PTA month by getting involved in a child's life. To find out more information about PTA and how you can get involved with your child's education, contact Cinda Courtney at 874-2626.

1990-1991 BASKETBALL KING & QUEEN: Jonathan Stewart and Crystal Havens were introduced at the last home Basketball game, Feb. 5. Also introduced were the Seniors who were playing their last home game. Seniors were - Jonathan Stewart, Justin Ham, Randy Allen, Crystal Havens, Carrie Simpson and Triva Denney.

Boy Scouts Honor Estlack

Helen Estlack was one of five people to be honored with the Silver Beaver Award at the Golden Spread Council Annual Volunteer Appreciation Dinner held at St. Paul's United Methodist Church in Amarillo on Saturday, February 9, 1991.

The Silver Beaver Award is presented annually by the Boy Scouts of America to adults who have demonstrated outstanding service to boyhood throughout the BSA and other fields such as civic, religious, professional, educational, etc. It is the highest adult award that may be bestowed on the council level.

Each year the council selects three to five candidates, nominated by their peers, from the top 26 counties of the Texas and Oklahoma Panhandles to be presented to the National Court of Honor. With their approval, the officers of the National Council of the BSA then affix their signatures and the corporate seal to a certificate. This is presented along with a miniature Silver Beaver suspended by a blue, white, and blue ribbon to be worn around the neck.

Estlack began working with scouts as a merit badge counselor in 1965, and became involved with the Cub Scout program in 1979. She coached 24 boys to earn the Texas Medal between 1986 and 1989. She has been a member of the Santa Fe District Committee, was a Tiger Cubs organizer, and serves the district as Publicity Chairman. In 1986 she was on the Day Camp staff and in 1988 the Ladies Retreat staff. In 1986 she created the Texas Heritage award for the Adobe Walls Cub Scouts, and the patch for the award was adopted by the State for all Texas Cub Scouts. In 1987 she received the District Award of Merit, and she was presented with the God and Service Award in 1989.

Other recipients selected from the 2,300 volunteers in this council were Kathy and Ron Pckrul of Canyon; Russell Guthrie of Goodwell, OK; and Debbie Donnelly of Amarillo.

HELEN ESTLACK

Hawkins Receives PhD.

During the fall commencement ceremonies over 6,000 degrees were awarded at Texas A & M University. Dean Hawkins, of Clarendon, Texas was awarded the Ph. D. in Physiology of Reproduction. Dr. Hawkins dissertation was entitled "Anterior Pituitary Content and In Vitro Secretion of Heterogenous Isoforms of Bovine Luteinizing Hormone: Effects of Endocrine Milieu and In Vivo Progesterin Treatment." While at Texas A & M, Dr. Hawkins also conducted cooperative research at the King Ranch, Kingsville, Texas, and the Texas Experiment Station, Uvalde, Texas, involving serving capacity testing of bulls and its influence on conception rates. Dr. Hawkins was among the first to implement this type of fertility testing in Texas. While at A & M, Dr. Hawkins attended and presented his research findings at seven scientific meetings in six states. This summer he will present a research paper at the International Society for the Study of reproduction, Calgary, Canada.

Dean was also the recipient of the Dr. A.M. "Tony" Sorenson award for his achievements in research and teaching at A & M. Dean is a 1980 graduate of Clarendon High School and received his degree from Clarendon College in 1982. His B.S. and M.S. degrees were received from Texas Tech University in 1984 and 1986, respectively. He is the son of Jerry and Glenda Hawkins and presently is employed as a National Institute of Health postdoctoral fellow by the Physiology department of Colorado State University Veterinary Medicine School.

DEAN HAWKINS of Clarendon receives his hood as a part of the graduation ceremonies at Texas A&M University. Hawkins earned his Doctor of Philosophy [PhD].

Student Competes In Contest

Miss Amy Koontz a freshman at Clarendon High School, student of Miss Betty Veach. Bus. Ed. instructor, has been selected to compete in AEG Olympia National Scholastic Typing Contest. The typing competition will occur at the state and national level. Each participating school will select one student to represent it in the state championship. The typing test for this level of competition will be administered by designated business education teachers at each school. All official entrants will be awarded certificates of par-

ticipation. The winner from each state will receive an AEG Olympia electronic portable typewriter, a certificate of award and the opportunity to compete against other state champions in the national championship.

The competition for the national championship will take place in April at each contestants school and will be performed on AEG Olympia typewriters supplied by AEG Olympia. The test will include a timed writing and a timed production test of a standard business letter, a tabulation from rough draft, and a full-page memorandum.

George and Sue Howard. Additionally, as many as two youngsters from each of the 18 rodeo performances will be awarded "hard luck" certificates for their hearty efforts in attempting to catch a calf, resulting in 36 more certificates actually given.

An entertaining event whose net proceeds provide educational contributions to Texas students, the Houston Livestock Show and Rodeo ranks as the nation's largest donor of agricultural scholarships. Currently, more than 1,000 students are on Show-sponsored scholarships. The Show's educational commitment for the 1990-91 school year exceeds \$2 million.

Entries in both the open and junior entries combine with horse show entries to make the Houston Livestock Show the world's largest. Exhibitors participating from Clarendon are Chad Campbell, Melissa Campbell, D.J. Edwards, Jared Estes, Clint Green, Lindsay Green, Buddy Howard, Donny Howard, Mark Howard, and Elizabeth McAnear, all from Clarendon. Julie Floyd, and James Lee Potts, both from Hedley.

All net proceeds from the annual Houston Livestock Show and Rodeo provide funds for scholarships and research projects throughout the state. Currently, more than 1,000 students receive some form of Show-sponsored financial assistance, with 30 research projects funded. More than 9,000 volunteers ensure the success of each year's event.

ADDITIONAL EXEMPTIONS MAY LOWER YOUR TAXES

If you became 65 or disabled during 1990 you may qualify for additional property tax exemptions on your homestead. If you bought a different home during 1990 you will need to file a new homestead exemption application. Applications should be filed by May 1 and are available at the Appraisal District Office.

If you received a homestead exemption on your present home in 1990 you will not need to reapply for 1991. Farmers and ranchers who need to apply for productive valuation must do so by May 1. Applications are available at the Appraisal District Office.

By filing an affidavit, over-65 homeowners may be granted a deferral on their property taxes. For complete details contact the Appraisal District Office. Donley Appraisal District

The Lions Tale

by Gene Alderson

The Clarendon Lions Club held its regular meeting at noon on Tuesday Feb. 5th, 1991 at the Lions Hall. Lion Delbert Robertson led the prayer and we all enjoyed a delicious fried chicken dinner. Following the regular opening ceremony, Lontamer Henson introduced our guests. Boss Lion Bernabe announced that Lion Larry Hicks was the new chairman of our House Committee and that he, with the help of some of our members had sealed off some of the air leaks in our building in order to reduce our heating bill. This action was applauded by all of the members except (for some strange reason) Lion McKeever who is employed by our local gas company. Lion Sweetheart Jessie Adams expressed her appreciation to the club for the pin we gave her at Christmas. Lion Henson gave a bingo report. Program Chairman Smith introduced Kelvin Sharpp who is the new Academic Dean of Clarendon College. Mr Sharpp, who has taught math at Clarendon College for the past 6 1/2 years, gave a brief speech which served as our program and the meeting was adjourned.

Proper Use of Inhalers in Asthma Treatment

Asthma is a common lung condition that affects more than 9 million Americans (about four percent of the population). According to a recent issue of the *Mayo Clinic Proceedings*, asthma is the most common chronic condition treated by pediatricians and the leading cause of childhood disability. Medically, asthma is a narrowing or obstruction of the small air passages in the lungs. Typically, asthma causes chest tightness, breathlessness, wheezing, and coughing.

Prescription medicines given by way of a metered-dose inhaler have been found to be effective in treating asthma. Such medicines include *albuterol*, *terbutaline*, and *metaproterenol*. Some studies have shown that very few patients actually use metered dose inhalers correctly. The most common problem relates to inhaling and holding the breath for the proper amount of time. The correct procedure, according to most references is: remove the inhaler cap; shake the inhaler container; hold the container upright; tilt the head back slightly; inhale and exhale through the mouth or nose normally; seal the lips on the inhaler mouthpiece; breathe in slowly and deeply through the mouth to activate the inhaler; hold the breath for 10 seconds; exhale slowly through the nose; use one puff of medication; wait 30 to 60 seconds before administering another puff.

State Department of Highways and Public Transportation

Public Hearing Notice

Pursuant to the Administrative Procedure and Texas Register Act, Texas Civil Statutes, Article 6252-13a, & 5, the State Department of Highways and Public Transportation will hold a series of five public hearings on proposed new §§11.80-11.90, concerning Environmental and Public Involvement for Highway Improvement Projects. Notice of the proposed adoption of the new sections and their text were published in the December 14, 1990 issue of the Texas Register (15 TexReg 7160).

The dates, places, and location for the respective hearings are as follows: Thursday, February 7, 1991, Memorial High School, 935 Echo Lane, Houston; Thursday, February 14, 1991, Holiday Inn Center, 6201 E. Highway 80, Odessa; Tuesday, February 19, 1991, Corpus Christi Marriott, 707 N. Shoreline Drive, Corpus Christi; Thursday, February 21, 1991, Holiday Inn DFW North, 4441 Highway 114 and Esters Blvd., Irving; and Monday, February 25, 1991, Radisson Hotel, 700 San Jacinto St., Austin. The Austin public hearing was originally scheduled to be held at Camp Mabry, however, due to the current crisis in the Middle East, it has been closed to civilians.

Each hearing will convene at 7:00 p.m. Those desiring to make oral comments or presentations may register starting at 6:30 p.m. Any interested person may appear and offer comments, either orally or in writing, however, questioning of those making presentations will be reserved exclusively to the presiding officer as may be necessary to ensure a complete record. While any person with pertinent comments will be granted an opportunity to present them during the course of the hearing, the presiding officer reserves the right to restrict testimony in terms of time and repetitive comment. Organizations,

associations, or groups are encouraged to present their commonly held views, and same or similar comments, through a representative member where possible. Comments on the proposed text should include appropriate citations to sections, subsections, paragraphs, etc., for proper reference. Any suggestions or requests for alternative language or other revisions in the proposed text should be submitted in written form.

To assure that all persons who have registered to speak are afforded an opportunity to do so and to avoid undue hardship or inconvenience of conducting the proceedings beyond an unreasonable hour, the presiding officer may recess the hearing and reconvene at 7:00 p.m. the following evening at a location to be announced upon recess, for the limited purpose of receiving those remaining comments.

Written comments may also be submitted to William A. Lancaster, P.E., Chief Engineer, Highway Design Division, 11th and Brazos Streets, Austin, Texas 78701. Copies of the proposed rules are available from the department's district offices in each of the named cities and from Mr. Lancaster. The deadline for submitting all comments is 5:00 p.m. on March 31, 1991. 4-3tc
