## CLARENDON'S CITY COMMISSION DECLINES GAS RATE COMPROMISE OFFER WEDNESDAY

### ERNEST O. THOMPSON MAKES OPENING ADDRESS FOR GOVERNORSHIP IN WACO

Favors Protection of Industries And Development of Natural Resources; Legitimate Business All Along the Line Should Be Encouraged

Though West Texas has seen little of Ernest O. Thompson during the past six years as he served on the State Railroad Commission, they have continued to hear much of his work and the excellent results obtained. The radio brought to our section Tuesday night Col. Thompson's opening address in his campaign for the governorship. He spoke from the courthouse in Waco.

Conservation of all Texas' vast natural resources, from the "first 12 inches of the soil" to the fish in the streams; a war on unemployment, in the form of an organized drive to bring new industries to Texas; no new taxes; state regulation of utilities with rates slashed to a fair level—these were the main points of Ernest Thompson's program for Texas, as outlined when the red-headed West Texan opened his campaign for governor.

Thompson pointed out that Texas has the raw materials, the fuel, the transportation facilities and the ports to become a great industrial state, if the people, led by the chief executive, make a real and determined effort to bring in new industries.

He, lauding President Roosevelt's attempts to help the farmer, Thompson said that "in administering the farm law and in the passage of any farm laws by the state, I favor the use of local committees to decide what should be done in each locality under the general law. I favor the establishment of a laboratory to develop new uses for cotton and will work to see that this laboratory is located in Texas."

He expressed himself in thorough accord with the present trend toward soil and water conservation and voiced the hope that this program "will finally result in contouring and terracing of every farm in Texas and at small cost to the owner and will build up for this and future generations."

Touching briefly on other phases of his comprehensive program, Thompson said he was opposed to the open saloon, sale by the drink, gambling in all forms and socialized medicine. He favors a three-member land board to care for school lands, state rather than federal control of child labor, and getting the insane out of jails into hospitals.

### Blizzard Works Victor Smith Nineteen Hours on Stretch

As the blizzard increased in intensity Thursday night, a highline pole capsized near Kirtland and our local highline out of commission. Drifts prevented repairs for nineteen hours. During this time, Victor L. Smith of the local Utilities force staid on the job in the local plant that the service be not interrupted. Nineteen hours, but Clarendon got the same efficient service, thanks to Victor Smith.

### MCMURRY SINGERS TO APPEAR HERE

Of very unusual interest to the music lovers of Clarendon and Donley County will be the appearance next Wednesday night of the McMurry College Chanters of Abilene, Texas, appearing at the First Methodist Church at 8 o'clock in a free program. There will be no admission charge, and every one is cordially invited.

This chorus consists of forty voices under the direction of Mrs. Gipsy Ted Sullivan Wiley, Dean of Fine Arts in McMurry College. Those who have heard the McMurry Chanters will know that they are perhaps unexcelled by any chorus in the south. Every music lover in the community should take advantage of this opportunity Wednesday night.

### RELATIVE RECEIVES 32nd CAKE

The thirty-second birthday cake sent Alfred Estlack left here Monday Carlsbad bound. Though he refuses to become more than 89, he frankly owns up to that age this April. He is the father of the editor of the Leader.

The Editor and Mrs. J. C. Estlack were married 32 years ago. Each year during that time, she has sent Mr. Alfred Estlack an angel food cake. Having spent the winter with another son, L. J. Estlack and family in Carlsbad, he sends greetings to his friends and announces that he is very much interested in world affairs as usual, and enjoying good health.

### School Trustees Sworn In And Officers Named

New members of the school board were sworn in last Saturday night and officers were elected for president, vice-president and secretary.

The new trustees are Allen Bryan, Van Kennedy and J. R. Porter, re-elected. O. C. Watson was named president of the board, Odos Caraway, vice-president and Van Kennedy secretary. Watson replaces F. E. Chamberlain and Kennedy fills the place of W. W. Taylor. Both Chamberlain and Taylor have been members of the board for a number of years.

It was also decided to change the meeting date from Saturday nights to the second Thursday in each month.

### Car Heavily Damaged By Fire Sunday Afternoon

Fire of an undetermined origin gutted an automobile owned by Paul Smith Sunday afternoon and halted a pleasure drive to Amarillo a few miles west of Claude. Smith said he and three other men were riding in the car when the blaze was discovered in the rear of the coach. Snow and dirt were used to fight the flames and the motor and tires were saved. Every inflammable part of the interior was consumed.

Others in the car were Albert Johnson, Ellis Roberts and Paul Turner.

### CLARENDON NETTERS WIN

Clarendon netters made a clean sweep of an inter-school tennis match by taking both doubles and singles sets from Memphis High School players, Tuesday afternoon in Memphis.

Neal Thompson and Billie Cooke took the doubles by 6-2; 6-2 and Cooke beat Jack Walker in the singles, 6-1; 4-6; 6-2.

### HEAR THOMPSON'S SPEECH

T. F. Connally, Bert Smith and A. A. Mayes were in Waco Tuesday night for the gubernatorial campaign opening speech of Col. E. O. Thompson.

Connally reported this morning that he witnessed one of the largest and most enthusiastic crowds he had ever seen at a political speaking.

### ATTEND MEDICAL MEET

Doctors M. L. and C. G. Stricklin and B. L. and Oscar Jenkins, attended the Panhandle District Medical Society meeting in Amarillo Tuesday and Wednesday. Dr. M. L. Stricklin also attended the Potter County Medical meeting in Amarillo Monday.

### LELIA SCHOOL TO PRESENT COMEDY

Play In Three Acts Includes Local Talent Only. This Is A Benefit Play

"Here Comes Charlie," a three-act farce-comedy, will be presented in the school auditorium by the Junior class of Lelia Lake High School, Friday, April 15, 8:00 p. m.

The play which will last approximately three hours, is filled with side-splitting laughs and entertaining situations. The plot is built around "Charlie," the hill-billy, ward of Larry Elliot, a socially prominent, a wealthy young man. In the end—but come see for yourself! You will be surprised! Members of the Home Economics class will style their tailored dresses between the second and third act. Musical entertainment will be given also.

The characters for "Here Comes Charlie" have been well cast.

### Characters

Nora Malone, cook at the Elliot home—Jo Nell Stogner; Tim McGrill, Nora's sweetheart—Edward Sneed; Mrs. Fanny Farnham; Larry's Aunt—Mary Jane Cook; Larry Elliot, a young business man—Roy Britt; Ted Hartly, his old time college pal—Henry Gerner; Vivian Smythe Kersey, Larry's fiancée—Mary Jo Johnston; Uncle Aleck Twigg, in charge of Charlie—Stanley LaFon; Charlie Hopps, Larry's Ward—Melba Bullard; Mrs. Caroline-Smythe Kersey, Vivian's mother—Juretta Howard; Mortimer Smythe Kersey—Vivian's brother—Bill Wiggins.

Come to the Lelia Lake school auditorium Friday night for an evening filled with fun and entertainment for everyone. Admission school children, 10c; adults, 15c.

### Panhandle Press Convention To Meet In Amarillo

Members of the Fourth Estate of three states will feel the thrills of fellowship at the Herring hotel in Amarillo Friday and Saturday. This is the 29th annual meet of the largest regional press association on the Globe and is attended by practically all of the fraternity in the Panhandle, many from western Oklahoma and northeastern New Mexico. The editor of the Leader, a director of the Association and former secretary and last year president, will appear on the program Friday morning.

### Brother of H. T. Burton Dies In Decatur Tuesday

Death halted a business trip to Austin this week for local school superintendent H. T. Burton when he was informed Tuesday afternoon that his brother, Alston Burton, had died at his home in Decatur. Burton had visited in Decatur earlier in the day and the death message reached him in Austin.

Funeral services were held at Decatur Wednesday afternoon at 3 o'clock.

### ODD FELLOWS TO OBSERVE ANOTHER ANNIVERSARY

Order Founded In Baltimore 119 Years Ago April 25

Each year the local lodge of Odd Fellows and Rebekahs have some for mof program to observe the anniversary date of the Orders. This year members and their families will celebrate with a varied program, and banquet.

The anniversary date is April 25th. This date is observed in all civilized lands where the Order has lodges.

A large quantity of expensive regalia was purchased by the local lodge this week from the defunct lodge at Claude. Coley Huffman and Jack Bailey, on the purchasing committee, brought the complete regalia for all degrees and other paraphernalia down Tuesday.

While the depression has had a devastating effect upon the membership number, the lodge continues among the strongest in the Panhandle. This applies to both Odd Fellows and Rebekahs alike.

### Range Changes For 1938 Are Explained At Meeting Tuesday

Water Well Drilling And Increased Grass Land Payments Head List

Drilling of water wells and an increase in payments for diversion of 25 per cent of producers grass land for 150 days, starting at a date to be set by the county committee, are the principal changes of the 1938 Federal range program, County Agent H. M. Breedlove told a group of ranchers at a meeting at the court house here Tuesday afternoon.

Breedlove said the payments will be 60 per cent of producers range building allowances.

The 1938 payments will be determined by taking the producers acres, multiplying them by 2 cents, then multiplying the grazing capacity by \$1 an acre. Breedlove stated.

### Moss Grants Continuance In Railroad Civil Cases

District Judge A. S. Moss Monday granted the Fort Worth and Denver railroad continuance in a civil suit in which the company is being asked for approximately \$20,000 for a grade crossing accident last year in which three persons were killed.

Moss postponed the action until the fall term of court here which will be in October.

The suit is an outgrowth of the deaths of J. M. Bozeman, James Bozeman and James Williams who died when the car in which they were riding was struck by a south bound passenger train near Martin last August.

### Trades Day To Start Here Saturday At 3 O'clock

Clarendon's first trades day in over two years will be held Saturday, April 16, according to an announcement by the association today.

The chief event will be held at 3 o'clock on one of the major blocks in the business district. The site will be alternated each week among the downtown blocks. Detailed explanation will be given Saturday.

### Fred Russell Opens Market In Exchange Grocery

Through the advertising columns of the Leader, Fred Russell announces the opening of another of his markets in the Farmers Exchange grocery this week. He has operated a market in the Piggly Wiggly for years, and in other towns of this section.

### Long Time Hedley Physician Is Buried

Services Are Held Saturday Afternoon For J. W. Webb

Funeral services for James William Webb, 55, long time Hedley physician who died in Arlington Friday following a long illness, were held at the First Methodist Church in Hedley Saturday afternoon at 3 o'clock. Rev. A. V. Hendricks, assisted Rev. E. J. Osborn and Rev. M. E. Wells, officiated.

Webb had been in the medical profession in Hedley since 1918 where he came from Ardmore, Oklahoma. He was married to Miss Lula Maud Gilliam in November, 1908 of Ardmore.

Besides his wife he is survived by seven children, Thersia, James, Vernon, Max, Gloria, Jane and Jonnie Lamberson; and two brothers and three sisters.

Burial was in the Rowe Cemetery of Hedley with the Masonic Lodge in charge.

### Baptist Minister Is Heard On Amarillo Program

Rev. J. Perry King was the principal speaker on the Workers Conference program of the Palo Duro Baptist Assn. in Amarillo Tuesday.

The meeting was held with the San Jacinto Baptist church. The local minister spoke on the subject of "titling," and received many compliments for the excellent presentation. He was accompanied by Mrs. King.

### F. F. A. BUYS SEED

Certified seed to be used in connection with crop projects has been purchased by F. F. A. members, according to J. R. Gilliam, advisor. Sixty day milo, Dwarf yellow milo and Quadron milo are among the varieties.

### BLIZZARD DRIVES MERCURY TO 21°

Stock Losses Are Reported; Wheat Slightly Damaged

The worst spring blizzard in 25 years held the entire Panhandle in its grip last week-end and dipped the mercury to 21 degrees in Clarendon, killing several head of cattle and slightly damaging wheat crops.

John S. Bugbee reported about 35 fat cows lost at his place west of town when they drifted into a fence. Cattlemen were of the opinion the stock, having shed their winter coats chilled rapidly although only minor losses were recorded in this section.

The wheat crops were expected to recover greatly, contrary to first reports of a heavy loss.

No Donley County families suffered intensively but several were caught away from home. Mrs. Homer McElvany, in company with her father, L. F. Trammell of Prague, were snow bound in a farm home a few miles west of Clinton, Oklahoma Thursday afternoon after their car stalled several hours out of Prague.

They were unable to reach a telephone until Saturday afternoon. Meanwhile Mr. McElvany had started a search and met the couple in Clinton.

Although the snow continued from Thursday morning until early Friday morning, moisture here was negligible according to weatherman Joe Goldston who reported only .2 of an inch from the precipitation.

### COW T. B. TESTER HERE

J. O. Shannon, federal dairy tuberculosis expert for the federal government, is in Clarendon this week testing milk cows. Anyone wishing stock inspected is asked to call the county agent's office.

### DONLEY COUNTY FREIGHTER-TRAIL DRIVER FUNERAL SERVICES HELD WED.

J. L. Reid, 90-Year-Old Resident of Lelia Lake Dies at Home Of Daughter In Oklahoma City Saturday

J. L. Reid, 90, oldtime freighter, trail driver and Lelia Lake resident for 50-years, who died at the home of his daughter, Mrs. Katie Herwig at Oklahoma City, Saturday, was buried as he lived, without formality, Wednesday afternoon at Lelia Lake.

The body was brought overland to the First Methodist Church in Lelia Lake where services were conducted at 3 o'clock. Burial was in the Citizens Cemetery in Clarendon.

Born in Fairfax, Va., in April 1847 Reid drifted west to the Texas frontier as a boy. He first settled in Palo Pinto County in 1887, where he led the picturesque life of a western plainsman. He was a traildriver in his early life, driving cattle from Wise County to Baxter Springs, Kansas. After his freighting days, he moved to Donley County in 1887, coming from Vernon in a wagon, and filed on land where he made his home for over 50-years.

Besides Mrs. Herwig he is survived by another daughter, Mrs. Susie McFarland of Los Angeles and a son, Jack Reid of Lubbock.

### REFUSES 55 CENT RATE AT HEARING

Will Leave Decision To The Railroad Commission Mayor Tells Company

The City of Clarendon is not interested in a gas rate compromise with the City Gas Company, Mayor W. H. Patrick told the company's representative, W. H. Penix, at an open hearing on the question at the City Hall here yesterday afternoon.

The meeting was called at the request of the City Gas Company to petition for a 55 cent per thousand cubic feet compromise, in the five-year-old local rate case, which began with the passing of a city ordinance in 1933 reducing the rate from 70 cents to 50 cents per thousand cubic feet.

In rejecting the company's offer, Patrick said it was the wish of the city council to let the matter remain in the hands of the Texas Railroad Commission. He said any action taken by that body would be satisfactory.

"It would have been impossible for the city to have conducted the investigation in which the railroad commission used their auditors, engineers and legal talent," the Mayor declared, "and we feel that we should respect their efforts and await their decision on the recent hearing."

The mayor's statement followed a short private consultation of the city officials after judge Penix had addressed the assembly in an endeavor to show the ultimate loss of a long legal battle. Penix said that even after the decision of the railroad commission, "should they favor Clarendon" it may take years for an adjustment. He pointed out the Laredo case which, he stated, took about five years to obtain a supreme court ruling.

The attorney asked, in his speech why there was a joyful gathering at the court house to welcome the first natural gas in 1937, and a decided change in 1933 when the company had rendered the same service for five years.

At the conclusion of his argument, Penix answered questions from the spectators. He told the group that the 55 cent rate was for domestic consumers only and instead of a 10 per cent cut for promptness, one ninth of the amount of the bill would be charged for delinquency. The compromise would be retroactive as of July 1, 1936 he said but stated that "speaking for myself and not the company, I will do all in my power to get reimbursement for those paying 70 cents after July 1."

Asked for the company's valuation of the Clarendon plant, Penix replied that the figure was about \$65,000. He added that he could see no possibility in "getting by" on a 50 cent rate.

Answering a question as to the rate charged the local utilities for gas at the city gate, the lawyer asserted that formerly the company paid the United Gas Pipeline Company one-half of the collections but recently they were paying about 27 cents per thousand cubic feet. The railroad commission has recently ordered a 32 cent gate rate which may be enforced here, he said.

### CLARENDON H. S. IS HONORED AGAIN

Accepted To Membership Of Southern Association Of Colleges

Clarendon High School has again been honored by being accepted by the Central Reviewing commission of the Southern Association of Colleges, without reservation, according to a letter received by R. E. Drennan from J. W. O'Bannon, chairman of the state commission. O'Bannon complimented the high school staff and the school board upon the showing saying "This, it seems to me, is a very signal compliment to you and your associates in this work."

**LIFE IN THE NEWS.**  
 There's life in the news this week for the sick of body and spirit!  
 Fifteen years ago physicians warned Mrs. Pearl Caligari of San Francisco that the dread germs of sleeping sickness were spreading through her body. Recovery, they said, was impossible, but Mrs. Caligari refused to let her spirit perish. For fifteen years she kept repeating: "I'm going to get well! I'm going to get well!"  
 Today she rises at 5:30 a. m., does her housework, keeps busy all day, goes to the movies in the evening, and to bed at 11 p. m. Pronounced completely cured, her doctors say: "Very remarkable!"  
 Eighteen years ago Amos Morrison of Pennsylvania was blinded in a munitions explosion. After almost two decades of blindness, he can today see the color and light of the world. A will to see and a successful operation restored the sight of his unseeing eyes.  
 Twenty years ago Sylvia Davis of Kansas City entered this world a hopeless paralytic. In those years since her birth, she has fought for a normal life, fought to write and paint with pens and brushes held in her mouth, fought to win in the gamble of living. In a final spin of the wheel, Sylvia

gambled her very life in a delicate operation—and won. Today she stands an even chance to gain the use of her arms and legs.  
 Modern surgery has life for the sick of body, and there's a challenge to all of us in the fighting spirit that brought these three through the shadow of darkness into the brightness of normal life.

**Do you want to SAVE MONEY?**

The Standard Ford V-8, with 60-horsepower engine, gives you a lot of car for a little money.  
 300,000 new owners acclaimed the "thrifty 60" last year. Hundreds a day are buying it in 1938. Why?  
 Because it is priced low—includes essential equipment without extra charge—and goes farther between filling stations than any Ford car

ever built. Owners all over the country report averages of 22 to 27 miles on a single gallon of gasoline.  
 But economy isn't all the story by any means. The Standard "60" is built with the same precision as the De Luxe "85," and has the same 112-inch wheelbase chassis. It is easy to look at and ride in —as well as easy to buy and run. There's a Ford dealer near you.

The Panhandle Press Association is scheduled to hold a series of extravaganzas, or what have you, Friday and Saturday, April 15-16 at the Herring hotel in Amarillo. All publishers and printers of the southwest are expected to attend, and the others are invited. This 29th annual convention promises to be a golly-whopper. And don't forget that we have the largest regional press association on the Globe, and one far more interesting than the average state press meet, Texas included.

Upon arrival the guests signed the bride's book.

The hostess, Irene Rhodes had charge of the program which was as follows:

"How to Preserve A Husband" by Mantle Graves.

A Bashful Bride—Ruth Warren. "If"—Pauline Carlisle.

Virginia Schull whistled "Let Me Call You Sweetheart."

Following the program, contest games were played with the prizes going to the honoree. After the games a large nest of Easter eggs bearing the names of all the guests was placed in the center of the floor, each guest finding the egg bearing her name. The bride-elect's egg was found atop a baby bed filled with gifts. The gifts were presented by Miss Johnnie Rhodes and Billie Lou Gilbert.

Refreshments were served to guests: honoree, Laura Black, Mesdames Eula Hay, Virginia Schull, Bill Rankin, Ruth Riley, Sam Lowe, W. A. Davis, H. J. Eddington, Jewell Stewart; Misses Fanny Perry, Addierene Pharr, Pauline Carlisle, Ruth Warren, Mantle Graves, Florence Ruch, Billie Lou Gilbert, Johnnie and Mattie Rhodes Shirley Mae West, Bertie Stewart.

Those sending gifts were Mesdames Hattie Palmer, Marie Patterson, Allene Estlack, A. H. Baker, W. L. Goldston, Luther Skelton, W. A. Land, Irene Cox, D. Smith, A. J. Parker, Dick Lanham, E. W. Adams, Roberta Jennings, Frankie McAnear; Misses Clynnell Gilbert, Hulda Jo Cauthen, Emma Ayers, Carrie Davis, Mildred Allen, Mary Ann and Patsy O'Connor of Denver, Colo.

**BIRTHDAY PARTY**

Mr. and Mrs. Harold Bugbee entertained with a birthday dinner, celebrating her mother's 59th birthday. Mrs. W. H. Patrick re-

ceived nice gifts and messages from her entire family which she enjoyed greatly.

## BIRTHDAY PARTY

Jimmy Frank Heath celebrated his 7th birthday Thursday afternoon at his home by entertaining a few of his friends and schoolmates.

Various indoor games were played and the opening of the nice gifts were a great pleasure to Jimmy Frank and also to the little guests.

The table was decorated in the Easter colors. The 7 candles on the lovely large birthday cake were lighted. Jimmy Frank made his wish and blew the candles while the children sang Happy Birthday to You. Mrs. Heath served ice cream, cake and chocolate, Easter eggs with Easter chickens for favors to the following guests:

J. M. Fowler, Bobbie Brown, Dean Wadsworth, Miller Morris, Jackie and Dewey Tom Heath, Billy Ray Hilliard, Geo. Lynn Hitt, Jean Bryan, Bumpy Word, Lama V Tatum, Alma Louise Murphy, Vivian Bones, Chauncey Hommel, Jimmy Dean Howze, Billy Phillips, Ed Thomas and Jimmy Frank Heath.

**MARY KUTCH BECOMES BRIDE OF B. A. LESLEY**

Miss Mary Winifred Kutch, daughter of Mr. and Mrs. J. A. Kutch of Lakeview, became the bride of B. A. Lesley of Childress on Thursday, March 31, with the County Judge of Childress County officiating.

The couple was attended by A. V. Greenroy of Estelline and Miss Mildred Nichols of Memphis.

Mr. Lesley is employed as master mechanic for the Fort Worth & Denver shops in Childress.

Mr. and Mrs. Lesley will make their home in Childress. Mrs. Lesley is the granddaughter of Mr. and Mrs. W. M. Hillyer of Memphis.

**JUNIOR BEAUX ARTS CLUB**

Mrs. Harold Bugbee was hostess to the Junior Beaux Arts Club, Thursday afternoon, April 7, at her lovely home.

The subject for the afternoon's study was "Southwestern Art in New Mexico" with Mrs. Rufus White as leader. Mrs. Harold Bugbee discussed "A visit with Taos

Artists", and Mrs. George Bagby gave brief sketches of "Taos Artists" themselves, Sharp, Duntin, Phillips, and Couse. Miss Margaret Cope discussed the "Santa Fe Artists", Cassidy and Dasburg. This was followed by Mrs. W. C. Stewart, guest, with a sketch of the life of Harold Bugbee, our own Clarendon Artist.

Lovely refreshments were served by Mrs. Bugbee and Mrs. Patrick to the following guests: Mrs. T. H. Ellis, Miss Maxine Ellis, Mrs. Sam Braswell, and Mrs. W. C. Stewart, and to the following members: Mrs. George Bagby, Miss Nell Cook, Miss Margaret Cope, Miss Peggy Word, Miss Myrtle Hall, Miss Howren, Mrs. Frank White, and Mrs. Rufus White.

**1912 NEEDLE CLUB**

Mrs. J. T. Sims entertained the needle club at her home Thursday afternoon. After several hours of crocheting and embroidery needle work a delicious plate refreshment was served to guests. Mrs. Carroll Knorrp and Mrs. H. F. Harter, Club members, mesdames A. L. Chase, B. L. Jenkins, A. A. Mayes, J. T. Patman and hostess. Mrs. Sims.

**MOTHERS CLUB MEETING TUESDAY AFTERNOON**

Mrs. George Norwood and Mrs. O. L. Jenkins were hostesses to the Mother's Club at the regular meeting in the Club Rooms Tuesday afternoon. Mrs. Nathan Cox was the program leader and gave a talk on "Developing Tastes for Reading in Your Child."

Mrs. Walter Lowe discussed American folk tales and American music with Douglas and Wayne Lowe giving a song.

A very interesting reading was given by Jack Clifford and a folk dance was presented by Lama V Tatum, Alma Louise Murphy, Dona Ree Bryan, Jackie Heath, Dean Wadsworth and Jimmie Dean Howze.

A delicious ice course was served to Mesdames Murphy, Landers, Howze, Douglas, Warner, Patman, Keys, Bownds, Wadsworth, Decker, Tatum, Hicks, Morris, Lowe, Bryan and Clifford and eleven children.

**PATHFINDER CLUB HAS BIBLE STUDY**

Mrs. Joe Cluck and Mrs. Earnest Hunt were hostesses to the Pathfinder Club Friday, April 8 at 3:30 o'clock in the Club Room. Although the weather was bad, twenty-one members responded to roll call. In the business session, Mrs. B. L. Jenkins, incoming president was elected delegate to the District meeting to be held in Childress April 26-28. The Club voted to conduct the story telling hour again this summer and Mesdames H. T. Burton, Ralph Porter and Cap Morris were appointed as sponsors. The Calendar Committee read their report on next years course of study which was accepted. The annual Bible Study, with Mrs. Dishman as leader, was given under the topic "Jesus In Society." The following interesting program was given: International Good Will—Mrs. B. L. Jenkins; Jesus as a Guest—Mrs. W. C. Stewart; Jesus as a Host—Mrs. R. Y. King; Jesus the Modern Teacher—Mrs. Dishman; Trio, "The Gate of Life"—W. Rhys Herbert—Mesdames Landreth, Howze, Heath.

The Bible program is always one of the most interesting programs of the year. This one was unusually fine. All talks showed much study and were splendidly given. The talk by Mrs. Jenkins on International Good Will, deserved especial mention for its fine thoughts and unusual preparation. During the social hour the hostess served dainty refreshments. The Club will meet again April 22 for "A Day With American Heroes and Heroines."

**1937 BRIDGE CLUB**

Mr. and Mrs. Elmer Palmer were hosts to the 1937 Bridge Club at their home Tuesday evening.

The Easter motif was used throughout the evening.

Four tables of auction bridge were played with Price Whitlock winning high score prize for men. Mrs. Price Whitlock high for women and Mrs. Billie Johnson, consolation.

A lovely ice course refreshment was served following the games to guests, Messrs. and Mesdames G. W. Estlack, Leamon Wallace, Price Whitlock, Billie Johnson, Gilmer Ayers, A. D. Estlack, Willard Skelton.

**FRIENDSHIP CLUB**

This Club met in the home of Mrs. C. R. Skinner with Mrs. Allene Skinner as hostess.

The rooms were decorated with pot plants.

In the business meeting the club secretary wrote a letter to Cong. Marvin Jones asking that he be uncompromised to any more war,

with each member signing the letter.

Mrs. J. E. Mongole gave the scripture reading.

The afternoon was spent in piecing 30 blocks on a quilt for Mrs. Newton Smith.

A delicious salad course was served to members, Mesdames J. E. Mongole, J. A. Meaders, Glen Williams, Newton Smith, M. E. Thornton, C. R. Skinner, Tyree, Lindsey, J. D. Stocking, Miss Katie Meaders and hostess Allene Skinner. The next meeting will be with Mrs. J. D. Stocking, April 26th.

**INTERMEDIATES ENTERTAINED**

Rev. and Mrs. J. Perry King, Mr. and Mrs. Joe Goldston and Mrs. Ed Barnes were hosts Tuesday evening when they entertained the Intermediates Dept. of the B. T. S. with a party in the church parlor.

Various games were played until about 10 o'clock when refreshments were served to 20 guests.

**RHYTHMAIRES TO HOLD DANCE MAY 2nd**

Plans are going ahead for the next Rhythmaire Club Dance to be held on the 2nd day of May and all members of the Club are looking avidly forward to a fine time on that occasion. Club officials announced yesterday.

In view of the success of the last dance and the interest shown, steps have been taken to limit the Club Membership to 100 persons and guests to 20 persons. Since the Club is already comprised of 100 members a waiting list must be formed in order for new members to become eligible.

Members desiring to bring guests hereafter must take out and pay for guest tickets prior to the night of dance as no one will be admitted at the door unless he is in possession of the guest ticket as issued by the Club.

It was also decided by directors of the Club at their last meeting that all dues must be paid by the 15th of the month and those failing to comply must pay a penalty before receipts for the ensuing month will be issued.

Over crowded dance floor conditions lead to plans for limiting guests to the first twenty applicants for tickets, thereby assuring

the members against over-crowding the dance floor at any future date.

## GARDEN CLUB

The Garden Club met at the home of Mrs. A. L. Chase Monday afternoon at three thirty. As suggested at last meeting, the roll call was answered by useful garden hints from each member. Then Mrs. Walter Taylor gave an interesting paper on Bluebonnets of Texas, and terminated the discussion with an Indian Legend of the origin of the Bluebonnets. Mrs. Meridith Gentry has been quite successful in growing dahlias, so in an informal way she stated some practical facts in regard to dahlia culture that will be helpful to each club member.

The hostess then served dainty refreshment plates to the following members:

Mesdames Tom Goldston, George Ryan, Meridith Gentry, John Potts, Tom Connally, Walter Taylor, Ben Prewitt, Oscar Jenkins, Lee Bell, Cap Morris, Joe Goldston, D. O. Stallings, Cliff McDowell.

After refreshments were served, a visit was made thru the green house of the hostess. This was a colorful and lovely place to view after last week's damaging freeze of the lawns. Her rockery had some small blooming plants, and a stately hardy rose was gorgeous with its fifteen orange and yellow blooms. This rose is likely the only out door rose blooming in town.

## Patman Receives W. T. C. Scholarship

Awarded Alpha Chi Honor At Assembly Last Week

CANYON, April 14.—Ardis Patman of Clarendon was one of 15 students at West Texas State College who received scholastic symbols of outstanding scholarship and membership in Alpha Chi, at ceremonies held in assembly Tuesday morning. Dr. B. F. Pronabarger, head of the English department and sponsor of the local organization, presented the awards.

Ranking above all campus organizations in scholarship, the Alpha Chi average is 3.52 or almost "A". Membership in the organization may be secured only through application. The top ranking tenth of the sophomore, junior, and senior classes are eligible for membership, and good reputation and character are essential qualifications for membership.

Mr. and Mrs. J. A. Warren and L. C. Williams were called to Amarillo Saturday night to attend the infant son of Mr. and Mrs. Harry Moore, who is seriously ill. Mr. Warren and Mr. Williams returned home Monday, Mrs. Warren remaining up there.

**MUSEUM SIDELIGHTS**

The Donley County Museum continues to open its doors to the public each Monday afternoon. A stir of unusual interest was caused this week by the addition of an old Bible Commentary published in London in the year 1677, with the following front-page inscription: "The Works of The Pious and Profoundly-Learned Joseph Mede, D. D., Sometime Fellow of Christ's College in Cambridge." The publisher inscribed it to "His Most Gracious Majesty." This scribe, after a hurried search into English history, finds that "His Majesty" in 1677 was Charles II. Among the leaves of this worn, leather-bound volume are slips of paper upon which some one in years past has made notes in Latin, Greek, and old English, and one paper is folded in envelope fashion, and sealed with sealing-wax. This wonderful museum piece was loaned by Mr. W. A. Clark, former dean of our college.

With it, he also loaned a large, old-fashioned Bible, bound in tool-leather and re-inforced with metal clasps, and its pages illustrated with fine steel engravings. This, too, was published in London, and prefaced by the Rev. Robert Jamieson, D. D., a minister of Glasgow, Scotland. It perhaps dates back a hundred years. Book lovers are urged to visit the Museum and examine these treasures. Another new addition to the Museum is a small trunk loaned by Mr. Odos Caraway, once the pos-

**SMALL TWISTER DAMAGES STORE THIS AFTERNOON**

A twisting wind during the blinding hail and rain storm this afternoon damaged the Clarendon Food Store building when a front display window was shattered and a part of the fire wall was blown onto the roof.

A section about 30 feet long and 4 feet deep was torn away at the rear of the building. A small amount of stock was scattered on the floor.

**Grass For Football Field Being Planted This Week**

The 1938 Clarendon High School football team will tread on Bermuda grass turf in their games this fall, it was definitely learned when county machinery began preparing the College Field for planting this week.

The actual planting will be completed shortly and water for the field will be secured from the city under an arrangement whereby the first 20,000 gallons used will be free.

session of his small sister, Bonnie Caraway. It was given to the little girl in 1898.

Mrs. Bagby still wishes antique furnishings for the pioneer bedroom. Any loan in the way of furniture, rugs, or old-fashioned knick-knacks, will be gratefully received.

The Museum Board wishes to announce an open house at the Museum on the first Sunday afternoon in May. The public is cordially invited.

**Hoppers Preparing For Raid On Crops**

**Intensive Control Program Is Planned By Federal And State Entomologists**

COLLEGE STATION, April 13.—Grasshoppers are hatching in immense numbers in the southern-most of the 104 Texas counties expected to suffer a severe hopper infestation this Spring and Summer, R. R. Reppert, entomologist for the Texas A&M College Extension Service and state grasshopper control leader, has reported. They are hatching earlier than usual because of favorable weather, he said.

Federal entomologists and extension workers have completed preparations for an intensive control program. The federal part of the program will be administered from Minneapolis, Minn., with Dr.

County Agent H. M. Breedlove said today that hatching of grasshopper eggs had not been noticed in Donley County but 8 drums of poison was already enroute for the local fight against infestation.

Breedlove also stated that he was of the opinion that the recent freeze would not greatly affect the hopper plague.

W. E. Dove in charge. Federal materials for poison mash will be supplied on Reppert's direction, but farmers who receive such materials will be required to furnish an equal amount.

Six Federal workers also will assist the state grasshopper control committee, three of whom already are in the field. Arthur A. Miller is working in the Panhandle, J. W. Spicer in the Fort Worth area and Charles H. Gable in the Abilene section. Dr. William Dickison, Kelvin Dorward and Hugh L. Clearman will begin work within a few days.

The program within the counties will be under direction of county agricultural agents and farmer committees. Control of the hoppers is based upon use of a poison mash of bran and sodium arsenite. Well weathered sawdust adds to the effectiveness of the mash when it is available.

A Joke that Really Happened
A young mother after losing much sleep with her bottle baby, having over slept, awoke realizing it was past feeding time for the baby, hurriedly reached for the bottle of milk near the bed side, put in the water on the stove to warm for baby, it being the cold blizzard night she crept back in bed, to wait for it to warm. Her husband getting up later to give the bottle to the baby, found not the bottle of milk warmed, but the alarm clock.

Capt. Burr Leyson in his vision

of the future in air flight in the year of 1950 sees a huge plane that is nothing but one big "wing." Four motors drive it through the upper air; it is in shape of a wide "V" and carries 200 to 300 passengers. It has wheels 12 feet high and cruises at better than 300 miles an hour.

Captain Leyson says that "this is far from a fanciful vision, that the plane can be built today except for the fact that air travel demands is not sufficient."

Considering the history of aviation in the U. S. from the time of the first flight of the Wright Bros. to the present day of 350 miles per hour fighting planes, this seems easily possible.

Hints for the Easter Sunday dinner, that will please the children

also the oldest boy (father) decorate your main dish; baked ham, chicken, or beef roast with Easter lilies made out of the whites of boiled eggs with centers made of wedge shapes of carrots. For salad make nests of shredded lettuce filled with colored Easter egg made by filling egg shell, which have been opened on the small end and emptied; with jello of different colors, taking the shell off after chilling.

For dessert make nests of ice cream, whipped cream, or lime jello and fill with small eggs, shaped from apples, bananas, pineapple etc.

For vegetable salad, make nests of butter of whole green beans, filled with carrots, potatoes and beets cooked and cut in egg shape; roll the potato balls in parsley to give a speckled effect. Pass salad dressing in a chicken shaped dish.

Mr. and Mrs. Verna Lusk and baby of Clarendon visited her parents, Mr. and Mrs. Hefner Sunday. Mr. Lusk had arrived home late Saturday night from a 24 hour search for a storm stranded car, and occupants. Mrs. McElvany of Clarendon had left home Wednesday morning for Oklahoma City to bring her father home with her. She had left Oklahoma City for home Thursday and had become stranded in the snow storm near Clinton. She took refuge at a farm home, and had no way of getting in touch with her home. Mr. McElvany becoming alarmed after broadcasting, wiring, telephoning, etc. could not locate her, accompanied by Verna Lusk started out in a car Saturday morning in search of her. Phoning home during the day he located her from a telephone call she had been able to get thru Saturday. Mr. Lusk says some snow drifts were higher than houses in the road, and that only by detouring and going thru seemingly impossible places were they able to get there. They all arrived in Clarendon late Saturday night after a very strenuous drive.

The Midway Quilting club met last Thursday in the home of Mrs. Garland. A bountiful lunch was served at the lunch hour; two very beautiful quilts were quilted and hemmed. Polly Anna gifts were exchanged. This being the first meeting of the club for the club year. It was decided to discontinue the ten cents dues; to meet every two weeks on Wednesday; to have Polly Anna gifts only once a month. The club which began its work one year ago, has quilted 21 quilts. Every member brings a covered dish for lunch. Name of members are put on slips of paper and some guest draws a name for hostess for next meeting, at which time the club quilts for the hostess.

Mrs. John Goldston will be hostess Wednesday 20th of April. Guest for the day was Mrs. Albert Reid of Ashtola. Members present were Ola Williams, Blanche Higgins, Edith Longan, Army Harlen, Ruth Derriek, Mary Harlen, Mrs. Tomlinson, Mrs. Bill Hardin, Nora Goldston, Lila Andis, Mrs. Clyde Butler, and hostess Mrs. Garland. A number of Midwayests enjoyed the singing at Sunnyview Sunday eve. Mr. and Mrs. Earthman of Alaneed assisted in the singing. Those attending reported an enjoyable evening of singing. Midway school bus failed to run

GARDEN GLANCES

"America beautiful lies in the hands of the gardeners."

The suggestions offered last week to gardeners seeking advanced spring beauty spots, were written before Old Man Winter made a belated visit, and left his path of destruction.

"Blooming trees, Oh, so pretty—April freeze What a pity!"

But the evergreens are remaining to add their grace and beauty in time of discouragement. Those at the Jim Patman home certainly intensify the attractiveness of the place. Other lawns that have been recently re-landscaped with shrubbery and numerous evergreens, are those of C. W. Bennett and Bert Smith. Extensive improvements are being made on the Smith lawn.

The First Christian Church has added six shapely evergreens and shrubbery to its well kept lawn this week. A variety of evergreens against the walls of the Baptist Church and those of the Methodist Church have added greatly to the attractiveness of the grounds.

Let us not be discouraged over the damage done by the cold of the past week and prepare to enjoy the second coming of spring.

Friday of which parents were all thankful as the day was so bad. This is the first time for our bus to be absent.

Chas. Longan, Allen Hardin, Jack Lamberson and J. T. Stone took their saddle horses over to the JA ranch in a pick-up Sunday and assisted the JA in a round up of some wild horses.

The house on the Sawyer farm, where Mr. and Mrs. Bruce Riley were living burned down Saturday morning. The young couple lost their radio and winch, one bed and other miscellaneous things. It was that that the fire started from a heater. Mr. and Mrs. Riley moved their things to his parents for the present.

 H. V. Crumley—Minister.  
 The mission of the church will be the sermon subject for this coming Lord Day. This is the third sermon in a series on this subject. The mission is a divine one. The Church is a divine institution. God gave a divine mission to a divine institution. No human organization can perform this divine mission and be pleasing in the sight of God, neither can the church as a divine institution perform any mission other than a divine one. You are invited to hear this subject discussed.

## "WELLS FARGO" IS TRAIL THEME OF NEW FILM

The historic Wells Fargo Trail—the lane which connected St. Louis with San Francisco in early gold days—and the men who made and maintained it in the face of Indians, bandits and Nature, forms the dramatic background for "Wells Fargo," the motion picture which opens Wednesday, April 20 at the Pastime Theatre for a 2-day showing.

Called by some "The Lifeline of Empire" because of the important part it played in welding together the sprawling nation as it existed in 1850-70, the story of the Wells Fargo Trail is one of the most dramatic and romantic in American history.

It came into being shortly after gold was discovered, when a swift and safe means had to be found to transport the gold from the mines and, equally important, to bring mail and news into the roaring mining camps. The firm of Wells, Fargo & Company, fore-runners of today's Railway Express Agency, was organized to fill this need.

Trails were cut, way stations for the changing and watering of horses, were established and a veritable army of heavily armed messengers was organized to protect the treasure. The roads had to be kept open in spite of the whims of weather.

The task of planning and opening the trails is handled in the picture by Joel McCrea. A man of vision and courage, he is forced to leave his wife, played by Frances Dee, as the trail takes him farther and farther west. Unable to understand her husband, a rift occurs. There are patch-ups and reconciliation but as time goes on—the story traces the fortunes of the family for two generations—a break finally occurs.

The climax is reached after the War Between the States when McCrea and Miss Dee are brought together again by their children, now grown to young manhood and womanhood.

The brilliant supporting cast of "Wells Fargo" is headed by Bob Burns in his first "straight" role. Others in the cast of over one hundred are Lloyd Nolan, Henry O'Neil, Porter Hall, Robert Cummings, Ralph Morgan, Mary Nash, John Mack Brown, Barlowe Borland and many others.

Mr. Crumley will be at Groom in the afternoon to preach there. All at Groom are invited to hear him.

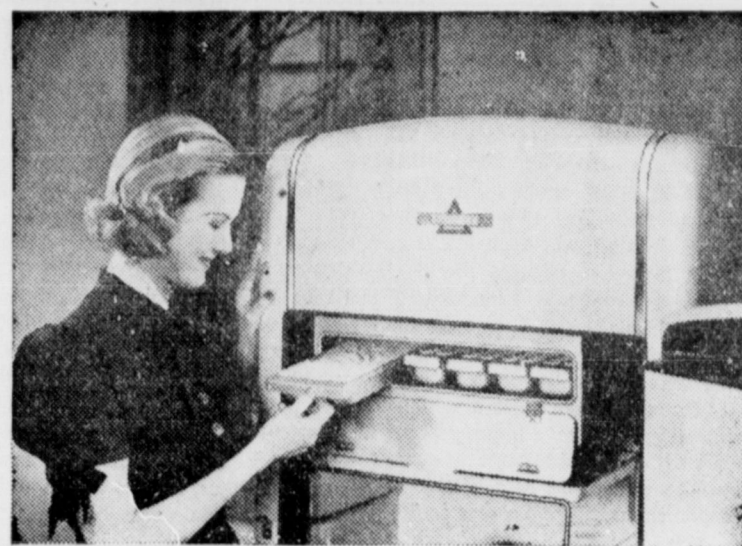

**AT FIRST METHODIST CHURCH**  
 E. D. Landreth, pastor

Easter, great singing by the choir and a chorus of canaries, the baptism of children, an inspirational Easter sermon, and a beautiful candle light communion service—these are some of the things happening at the Methodist Church next Sunday morning.

300 at Sunday school and a full house for the services is the goal. The decoration committee will not only have an abundance of flowers fitting the occasion, but will have secured and placed on the platform a half dozen singing birds which will join the choir and congregation in songs of praise to our God. Sunday evening a beautiful candle light communion service that you will enjoy, and that should give inspiration to our spiritual lives. The evening service will start at 8 o'clock.

The New Deal alphabetical agencies come and go in Washington, but when all is said and done, the most influential of all still seems to be FDR.—Worcester (Mass.) Evening Gazette.

There are upsets the world over. The Washington Zoo says that its four giraffes have gone through the winter without a sore throat, throwing at least a dozen hounourists out of work.—New York Sun.

### New Superfex Refrigerator On Display Here

Mr. Frank Heath of the Clarendon Furniture Company, local Superfex dealer, has announced that the complete new line of Superfex Oil-Burning Refrigerators is now on display here.

"During the ten years since Superfex pioneered the modern refrigerator field, its remarkable performance and almost indispensable usefulness have won for it the enthusiasm of several attempted imitations," Mr. Heath said.

"However, I really believe that the new 1938 model Superfex Refrigerators are the most economical, the most beautiful, and the most modern refrigerator the Superfex manufacturers have ever put on the market," Mr. Heath stated.

Everyone in Donley County has been invited to see the new refrigerator at the Clarendon Furniture Store. The features of the 1938 models are greater ice capacity, adjustable shelves, and convenience in arrangement.

### AT THE FIRST BAPTIST CHURCH

J. Perry King, Pastor

There is Always Worship Fellowship :: Service

There are many habits that are not commendable. All people regardless of social standing, intellectual ability, calling or profession have their good points and some that are not so good. The commendable ought always be commended. The good ought to be magnified and the bad minimized. The good ought to be exalted and the bad discounted. Look for the good qualities in your neighbour or friend, always remembering that he has to do the same on your behalf. There is room for improvement in every life. No one is an exception to this rule. Church going is a good habit. All agree to this. It is a habit that is calculated to lift up and encourage and exalt and build for better living. If you have the bad habit of not going to church the best way to break it is to drop it, and start going to the services of your church next Easter Sunday. People who are regular in their attendance believe you will enjoy it and that your outlook on life will be happier if you continue this commendable habit.

The First Baptist Church is happy to comply with many requests to have Mrs. McHenry Lane present, as a special feature for the evening service, The Prophet, by Kahlil Gibran. The morning service will be a regular Easter Sunday service with music and sermon in keeping with the occasion.

### KING WINS FIRST SKIRMISH IN GAS RATE TEST CASE INVOLVING 18 CENTS

Moss Orders Injunction Dissolved at Hearing Thursday; Company Will Appeal to Civil Court in Amarillo; "Will Not Compromise," City Council Says

An injunction order restraining the hearing in justice court here of a natural gas rate test case involving 18 cents filed by County Attorney R. Y. King against the City Gas company for alleged overcharge on a gas bill, was ordered dissolved Thursday afternoon by District Judge A. S. Moss who then ordered the case brought to trial.

Attorneys for the gas company said they would immediately appeal to the court of civil appeals in Amarillo.

King entered suit last fall to test the validity of the city franchise which called for a reduction of 10

cents per thousand cubic feet after a 10-year period of operation. The franchise was granted in June, 1927.

After the company's failure to recognize the reduction, King paid his residence bill on the old rate then filed suit for recovery on what he claimed was overcharge.

W. H. Penix, attorney for the gas company, obtained a court order enjoining the case coming to trial in justice court, claiming the matter was in the hands of the Texas Railroad Commission which was conducting a rate inquiry pertaining to a city ordinance passed in 1933 reducing the rate from 70 cents per thousand cubic feet to 50 cents per thousand cubic feet. Penix in his petition also alleged the city ordinance broke the 1927 franchise contract.

The ruling of the railroad commission on the recent city ordinance hearing here has not been announced.

Last week-end's offer from the City Gas Company of a 55 cent rate compromise will not be considered, according to W. T. Link, attorney for the city who said it was the council's opinion a reimbursement would be forthcoming to local consumers pending the findings of the railroad commission.

#### TEXACO TANK ROBBED

### F. F. A. DAIRY PRODUCTS TEAM FIRST AS VICTORY MARCH OF POULTRY TRIO SNAPPED AT AREA CONTESTS FRIDAY

The Clarendon F. F. A. dairy products judging team upheld the local organization's reputation by finishing first as the long string of the poultry judges victories were snapped and they finished in a bad ninth position in the Area 1 judging contests at Texas Tech Friday.

The dairy team members are Johnny Leathers, Harice Green and Maxchil Cole. Cole was high point man in judging milk and was awarded a medal for high point man of the contest. Green was fifth.

The group judging team of Earl Shannon, Ray Isham and Jelly McGowen finished fifth. Shannon and Isham placed fifth and eighth, respectively in the event to mark the only school to have two individuals of one team finishing under tenth.

In the dairy livestock division, Pete Morrow, Troy Rampy and Russell ranked seventh and the livestock team of Carl Morris, Odell Davis and Junior Spier ranked ninth.

Homer Speed led the team of poultry judges when he placed 1st in judging leghorns. Joe Williams and Beatty Hillman was the other team members.

Mr. and Mrs. Lloyd Hunter of Amarillo left Friday for Los Angeles, Calif., where Mr. Hunter will finish his course in the Diesel school of Engineering. Mrs. Hunter is the former Miss Evalyn Warren.

The Classified Column will sell it.

#### Memphis Seeks Gas Rate Reduction in Ordinance

MEMPHIS, April 13.—The City Council passed an ordinance last week, reducing the gas rate within the city from 75 cents per thousand cubic feet to 35 cents for the first 25,000 cubic feet of domestic gas used, and a lower rate for additional gas used.

On March 1 the City Council made application to the State Railroad Commission to reduce the Memphis rate, and the ordinance is a follow-up action of the application.

It was pointed out at the meeting that all of the C-to-G road was paved with the exception of 6 miles in New Mexico which is now under contract.

Elmer D. Elliott, Dalhart hotel man, was elected president of the organization and William L. Couey, Trinidad, D. E. Woodward, Raton and C. P. Dodson, Decatur were selected vice-presidents.

#### CHICKEN THEFT THWARTED

Elmer Kennedy of Lelia Lake frustrated a chicken theft Sunday night by firing two shots as the marauder left with a bag full of fowls. The chickens were dropped at the sound of the gun.

Kennedy told officers that he could identify the car and that he knew the numbers.
