The Print Shoppe will feature cards by Otho Stubbs

The Print Shoppe is proud to announce the addition of pen and ink drawings by Otho Stubbs of Turkey to their Christmas card line. Otho moved to a farm near Turkey in 1910. He's drawn as far back as he can remember and recalls that his first grade teacher said he's be an artist. He was fascinated by herds of cattle being driven to railroad shipping pens at Estelline and recreates them on canvas. As a young man he cowboied on the Matador, Mill Iron, Shoe Bar, LX, and Bell ranches, painting roundups and wild horse breakings. His love for horses makes them come alive on his canvas. He paints what he loves -- the colorful

Caprock, scenic canyons, and rugged breaks. At ease with his oils and sketch pad, Stubbs has been playing cowboy and Indians with his brush and palette for over 60 years.

Health problems sent Otho to live for a while in New Mexico and Arizona where he learned about the Southwestern Indian tribes' history, rituals, and costumes. Attached to the Fifth Armored Division during World War II, he continued his art, sketching combat scenes during rest periods while taking part in the Normandy Beach landing on D-Day and Battle of the Bulge. His keen observations and photographic memory captures historical scenes with reality, portraying details long forgotten by other people.

While studying at the Hill and Canyon School of Fine Arts in Santa Fe and with Emil Bistram at Taos, Otho searched for his individual style. Mr. Stubbs has had art shows

in Perryton, Quanah, and Turkey and exhibited at the High Plains Galleries in Amarillo, the Santa Fe Art Museum, and museums in Taos, Tucumcari, Eugene, Oregon, and Los Angeles, California. Stubbs estimates he's completed 900 paintings. His oils ranked among the top 40 in an exhibition representing western artists in Tulsa in 1954. He has illustrated several books for Nortex Press. Among them is Virginia Browder's "Donley County Land O Promise" and "Moods of the Prairie," a collection of poems written by Ed Eakin, former owner of The Clarendon Press. His pen and ink postcard of Bob Wills sold thousands of copies. He also brought several paintings to the Saints' Roost Museum open house last month.

Painting is only one of Otho's many talents. Examples of his carpentry, wood-carvings, tooled leather furniture, and amateur archeological finds -- bits and spurs and memorabilia of another day -- proliferate throughout his home. He enjoys sharing his collection of Indian artifacts, paintings, and his skillfully-mounted taxidermied wildlife with school classes, scout troops, or just anyone who wants to share a pleasurable time with him. He adds an individual finishing touch to his paintings by designing frames to complement his work. Otho is retired and lives with his wife Dr. Dora Crandall Stubbs in Turkey where he continues to paint. Dr. Stubbs practices at the Family Health Center. His pen and ink drawings may be seen at The Print Shoppe any weekday.

MARCUS SMITH

Broncos fall to White Deer 28-12

An improving Clarendon Bronco football team more than battled the fine White Deer team on even terms, but turnovers did the Broncos in as they lost 28-12. The Broncos out gained the Bucks 325 yard to 296 yards. The Bronco offense showed great balance with 179 yards rushing and 146 passing, but the inability to stop the Bucks when it needed to continued to hurt the Broncos.

The game started with the Bronco defense playing well as they sacked the Bucks quarterback three times in the first quarter. The third time the Bronco offense got the ball it went 45 yards for the go ahead touchdown in 7 plays. Leland Howell and James Ariola led the rushing in the drive but the big play was a pass from Howell to Randy Crump for 25 yards to the Bucks 4 yard line. Howell went in from the 2 yard line on the option play. Dan Nichols missed the point after to leave the score 6-0. The Bucks answered the score quickly as they hit on a 60 yard touchdown and added the point to end the first quarter with a 7-6 lead.

The second quarter saw both teams move the ball and the Bucks got on the board and went to the dressing room leading 14-6.

Randy Crump only had to punt once during the night and he boomed one 55 yards in the second quarter. This left Crump with a 45 yard average in district play.

The third quarter was all offense as the Bucks scored to up their advantage to 21-6. The Broncos then had one of their best drives of the year as they went 93 in 11 plays as Ariola and Marcus Smith ate up the yards on the ground and Howell hit Mark Luttrell who made a great catch for a 25 yard gain. The score came when Howell hit Clay Sharp over the middle for a 17 yard touchdown. The effort for 2 points fell short and the Broncos trailed 21-12 at the end of three quarters.

The fourth quarter saw a Bronco drive die on the Bucks 1 as the Broncos fumbled. White Deer scored to make the final score 28-12. Smith's running in the final quarter was outstanding as he gained 64

yards on 10 carries. He carried tacklers for yards each time he carried the ball.

Smith was named offensive player of the game. Howell hit 8 of 12 passes for 146 yards. Brent Hayworth was named defensive player of the week. Russell Alexander, Robert Youngblood, Howell, and Steven Phillips had good nights on defense.

Eleven Broncos ended their football careers for Clarendon. They were Leland Howell, Robert Youngblood, Russell Alexander, Randy Crump, Brent Hayworth, Dan Nichols, Don Brogdon, Mike Hook, David Porter, Richard Torres, and Mark Luttrell. Hook, Nichols, and Torres were unable to play because Friday because of injuries.

Troop 33 to hold Eagle Court of Honor

Troop 33 of Boy Scouts of America will hold an Eagle Court of Honor and Banquet for Roger Estlack and Jay Gage on Saturday, November 23, 1985, at the Clarendon College cafeteria at 7:00 p.m. The two young men will be presented the Eagle Award, scouting's highest rank.

All Cub Scouts of Pack 437 and Boy Scouts of Troop 33 will be guests and will also be given a Court of Honor.

Speaker for the evening will be Spencer Hayes, Eagle of 79, and Jim Simmons, Eagle of 69, will be the master of ceremonies. A number of other Eagles from Troop 33 are expected.

Parents and friends are invited to attend. Tickets are on sale until November 19. They can be purchased from Tommie Saye, Allen Estlack, James Thomas, Donnie Garman, and Terry Ashcraft.

County food show set

4-Hers will match foods-and-nutrition expertise against each other in the Donley County 4-H Food Show November 16, 1985.

About nineteen youth will compete in senior and junior divisions, according to Terry Floyd, County Extension Agent.

Entries will be on public display from 3:30 to 5 p.m. at the Clarendon School cafeteria in Clarendon.

Senior-division entrants are ages 14-19, while junior-division youth are ages 9-13.

For the contest, each 4-H entrant will compete in one of four classes, including main dish, side dish, breads and desserts, or snacks and beverages.

"Because the foods and nutrition program focuses on nutrition, each contestant will have to demonstrate what she or he knows about nutrition, meal planning, food buying and meal service, as well as preparation techniques," Mrs. Floyd explains.

Donley County 4-H Food Show is sponsored by the Texas Agricultural Extension Service, the Texas A&M University System and the Morrison Milling Company of Denton, Texas.

Chamberlain Center

Chamberlain Community Center will meet November 15 at 7 p.m. for their Thanksgiving Supper. All will be hosts and hostesses. Arr will be to bring a covered dish and dessert.

Museum benefit party Dec. 14th

Don't forget the annual Saints Roost Museum Benefit party Saturday, December 14 at the Community Center.

Ducks Unlimited sets banquet for Dec. 5th

The Clarendon Chapter of Ducks Unlimited has announced that its annual banquet will be held at the Clarendon Country Club on Thursday, December 5, at 7:00. Chapter Chairman Jimmy Garland feels the fund-raising function should be marked on the calendar by anyone who is interested in the future of North America's waterfowl.

"The Ducks Unlimited success story," said Garland, "is really starting to spread around. Banquets much like our chapter event held throughout the country last year contributed towards Ducks Unlimited's national fund-raising effort which raised \$38.2 million. But what's even more important to realize," said Garland "is that this national fund-raising total must increase this year if the North American waterfowl habitat race is to be won."

DU's sportsmen/conservationists founders discovered through surveys conducted forty-five years ago that seventy percent of North America's waterfowl production occurs in Canada. They figured out back in 1937 what holds true today. Since Federal duck stamp dollars cannot be spent beyond U.S. borders, sportsmen funds earmarked for waterfowl conservation are not getting to the places where the great percentage of production takes place. But through Ducks Unlimited's efforts, over \$237

million has been raised in the U.S. since 1937. And the Lion's share of every one of those dollars has been sent to DU Canada to reserve some 3.3 million acres of prime habitat encompassing over 2,400 wetland projects.

The only problem in all this is that biologists estimate millions of additional acres of habitat must be reserved in order to stabilize North America's waterfowl population. When you consider that habitat today is diminishing due to agricultural and development pressures, and that DU is the only nonprofit conservation organization involved in the Canadian waterfowl habitat race, you can begin to see the significance attached to the organization's fund-raising events.

Tickets, which are \$30.00 each, include a one-year DU membership, a subscription to the organization's magazine, and a steak dinner. To be eligible for a drawing for a Remington 1100 Special Field 12 gauge shotgun, tickets must be purchased by November 21. There will be drawings for door prizes including another shotgun, several prints of wildlife paintings, guns, knives, and assorted hunting gear will be auctioned off and given away.

For tickets and information contact Jimmy Garland, Jim Shelton, Todd Knorpp, Gary Hunt or Mike Butts.

School volunteer program to organize

With inflation and other problems facing families and schools today, there is a need for schools and PTA membership to work together. One of the best ways this can be accomplished is through a School Volunteer Program.

PTA is sponsoring a School Volunteer Program in cooperation with the Clarendon Public School System. Although this is a new concept within our system, these programs have been in existence for many years in hundreds of schools throughout the country and have proven beneficial to both student and school.

A School Volunteer Program should provide an opportunity for the volunteer and the teacher to work hand in hand to achieve the goal of providing the best learning experience for children in public schools.

Any person who is concerned with the quality of education and who wants to help children can be a school volunteer. The needs are many and varied. A few volunteer areas include typing, mimeographing, arranging bulletin boards or posters, helping with reading programs, working in the library or helping with lunch room duty. Some volunteer work must be accomplished during school hours. Other work may be accomplished at home in the evening.

If you would like to contribute your time and talent, please contact Diane Chamberlain, Volunteer Program Chairman at 2393. Membership to PTA is not essential.

Boys basketball starts practice

The Clarendon boys basketball teams started practice this week to prepare for the 1985-86 season. The Broncos open their season November 19 at Hedley and then play at Valley November 22. The varsity game will be played at 7:30 in Hedley and 8:00 at Valley High. The junior varsity opens its season at Valley High in a 4:00 game. The varsity will be led by seniors Randy Crump, Russell Alexander, and Brent Hayworth.

Calvary Baptist Church to host tri-state fellowship

Pastors from the tri-state region will meet Sunday, Monday and Tuesday at the Calvary Baptist church here in Clarendon for their monthly fellowship meetings.

Special guest speaker will include Mike Haley, pastor of the Hillcrest Bible Baptist Church in Arkansas City, Ks., Dale Bingham, pastor of the Grace Baptist Church, Amarillo, Jerry Clark, pastor of the Bible Baptist Church, Dumas, and Bud Ammerman, pastor of the Bible Baptist Temple of Amarillo. Also scheduled to speak is Derril Lawrence, field representative of the "Moral Majority of Texas Inc." Bro. Lawrence will be showing the anti-abortion film "The Silent Scream" Sunday morning at 10:00 a.m. Special music will be provided by the Singing Patriots from Baptist Bible College, Springfield, MO.

The public is invited and more information may be obtained by calling the church office at 874-3156.

Soil Conservation District taking orders for trees

Imagine tall green trees producing luxurious shady areas on hot summer days. Windbreaks that protect farmsteads and tender crops from cold winter winds and also strong spring winds that can damage growing crops. Trees that provide shelter and food for wildlife and livestock.

If you need trees to protect your crops on farmstead or to provide cover and shelter for livestock and wildlife the Donley County Soil Conservation District is now taking orders for trees. Our trees come from Texas Forest Service, Colorado Forest Service and improved pecan trees from Wheeler Soil and Water Conservation District.

If you are interested contact Janice Barbee, District Technician at 416 S. Kearney, Clarendon, Texas. The district has as its policy to collect 50% of cost of trees as down payment when trees are ordered. Trees will be delivered in March 1986.

Due to limited supplies of some species of trees orders need to be placed as early as possible to ensure getting the species that you want.

WISE UP
TO SMART
BUYS!

The Clarendon merchants are making an extra special effort to bring to the shoppers merchandise at exceptional good prices to help the consumer stretch their dollars and encourage them to shop their local merchants first.

These specials are quality merchandise and you must go into the participating stores and ask them to see their Indoor Specials. None of these specials are being advertised in the paper.

A few of the stores which are closed on Saturday are having their specials on Friday and some until noon on Saturday. All the other stores which are open on Saturday are having their sales on Saturday.

Remember: 1) this is first class quality merchandise. 2) these specials are unadvertised anywhere except inside the participating stores. 3) ask these merchants to see their

"unadvertised special." Shop Clarendon first.

Calvary Baptist to show film

Calvary Baptist Church will present the film "The Silent Scream," Sunday, November 17th at 10 a.m. at the church.

The film is a trimester suction abortion seen on an ultrasound screen from the victim's point of view. The film is described and explained by Bernard N. Nathanson, M.D.

This film is an educational film presented by the American Portrait Films.

Rev. Gary Pinion would like to extend a special invitation to everyone to see this film.

Beards were once subject to government control in Rumania. Those seeking to wear whiskers needed an official permit and had to pay a fee.

Some of the best teas grow at high altitudes, sometimes at over 6,000 feet.

ROGER ESTLACK

Estlack to receive Eagle Award

Roger Allen Estlack, the fifteen year old son of Mr. and Mrs. Allen Estlack of Clarendon, will be presented the Eagle Award at an Eagle Court of Honor on Saturday, November 23, 1985. The Eagle Award is the highest rank in scouting and is earned by less than two percent of the members of Boy Scouts of America.

Roger is a freshman at Clarendon High School and has been in scouting for seven years. He has served as Denner for Den 3 Cub Scouts, as Patrol Leader for the Falcon Patrol of Troop 33, Den Chief for Den 1 of Pack 437 Cub Scouts, and as Junior Counselor for the Atomic Energy Merit Badge Seminar sponsored by the Department of Atomic Energy. Currently he is the Den Chief for Den 4 Cub Scouts and Assistant Senior Patrol Leader for Troop 33.

This past summer Roger attended the National Scout Jamboree at Fort A.P. Hill, Virginia. Two weeks ago he participated at the Atomic Energy Merit Badge Trek to Albuquerque and Los Alamos.

For his Eagle Service Project, Roger directed the Falcon Patrol of Troop 33 in erecting chain link fence on the north and west sides of the Clarendon Elementary School playground.

Besides his scouting activities, Roger enjoys collecting comic books, plays in the Clarendon High School band, and is interested in space exploration. He is a member of the First United Methodist Church in Clarendon.

The Lion's Tale

By GENE ALDERSON

The Clarendon Lions Club met at its regular scheduled meeting Tuesday. We had David Smith, guest of Lion Don Smith, in attendance. A topic discussed was the completion of the front of Lion's Hall by Hammond Construction. Also several of the Lions volunteered to decorate the Community Christmas Tree sponsored by the Donley County-Clarendon Chamber of Commerce. The Lion's are also looking for volunteers among themselves to paint the front of the Hall. Anyone interested should contact Mark Winsor.

We would like to remind everyone that there will be no noon meeting November 12, 1985 as that is the night of the annual Lion's award banquet at 7:00 p.m. We hope that all the Lions and their wives will attend. Lion Jem Simmons has planned an excellent evening. Music will be provided by the Clarendon College Cowboy Band and District Governor Rex "Rocky" Lee will present the awards.

EMS Activity

11-06-85 Olace Hicks, 68 of Clarendon no transport from residence. Medical.

11-08-85 Standby at high school football game. No transport.

237 responses handled in 1985 to date.

Donations received: Mr. and Mrs. J.B. McDaniel in memory of Phyllis Richey, Troy Davis, and Homer Estlack.

Jaws of Life Donations

Mr. and Mrs. J.P. Rhode in memory of Nancy Selvidge.

EMS Association meeting

The Clarendon EMS Association will have its regular monthly meeting on Monday, November 18 at 7:30 p.m. at the fire station. Plans will be made for the Christmas party and some other important items will be discussed. It is important that as many members as possible attend this meeting so mark your calendars now.

CLARENDON GRADUATE AT ENMU -- Rodney Smith, a 1985 graduate of Clarendon High School, is playing tailback for the Eastern New Mexico University Greyhounds this season. Smith has been a

part-time starter for the Hounds, and has gained 123 yards and scored a touchdown in just two games. A 5-11, 175-pound freshman, Smith is averaging 6.0 yards per carry. ENMU is a member of the NCAA Division II Lone Star Conference.

Calvary Baptist Academy announces honor roll

The Calvary Baptist Academy announced those students who made the first quarter honor roll.

Those students making the "A" honor roll with overall grade averages of 95 and above were: Christina Guinn, Brandi Jaramillo, Johnny Mangum, Dorinda Plummer, Michael Pillard, Michelle Pillard, Brad Stewart, Scott Travis, Shawna Travis, Chry White.

Those making the "B" honor roll with an overall grade average of 90-94 were: David Crow, Jerry Crow, Ronald Crow, Brandy Guinn, Jenifer Pasco, Amber Pinion, Amy Pinion, Robert Plummer, Kimberly Stavenhagen, Todd Stavenhagen, B.J. White.

The Clarendon Press is published every Thursday at 106 S. Kearney and entered as Second Class Mail at the post office at Clarendon, Texas. J.C. and Helen Woody, publishers and editors.

Subscription rates: \$13.67 per year outside Donley County and \$10.51 per year in Donley County.

CHAMBER OF COMMERCE

Christmas Preview

Yes folks, it's Christmas time again. Seems like each year it comes around faster than the year before. The Chamber of Commerce has lots of activities planned to make this Christmas season ring with a little more spirit and brush away the baugh-humbugs from your mind.

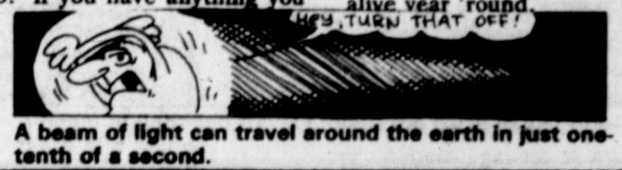

Kicking off the Christmas season will be the lighting of the Community Christmas Tree on the courthouse lawn. Lighting is being obtained on a donation basis. If you have any outdoor lights you would like to donate please bring them to West Texas Utilities. If you have any questions contact Jim Sharrar 874-2666 or Jerry Chambliss 874-3564. There will be refreshment stands set up serving free hot chocolate, hot coffee, hot cider, popcorn, baked goods and lots of other good stuff to keep you warm inside. Any club or organization wishing to participate by setting up one of these booths should contact Stacy Mooring at 874-3142. Santa Claus will be on hand with lots of things for the children. Alpha Upsilon Epsilon will be furnishing Santa and his helpers for this evening. Anyone wishing to help with the Santa should contact Judy Bland at 874-2445. There will be a drawing for door prizes which are being donated by area businesses. You will sign up that evening and must be present to win. Anyone wishing to make a door prize donation should contact Helen Woody at 874-2259. Door prizes will need to be wrapped and the business identified on the inside. The area churches will have a combined choir entertaining with all your favorite Christmas carols. Anyone needing further information should contact Bill Hodges 874-2321 or Paul Heil 874-3833. If you have anything you

would like to do for this festive evening please contact Patsy Leffew at 874-2421. We would like to see the clubs and organizations as well as businesses and individuals get involved in this worthwhile project. If you have a skit or program we will be glad to include you in this community service affair.

The late night shopping will be on the first three Thursdays in December. The dates are December 5, 12, and 19. The area businesses are in the process of lining up the activities for these evenings. Businesses having ideas or suggestions should contact Jim or Kathy McElroy 874-3443.

This year there are a couple of new things we have incorporated into our Christmas kickoff. There will be a contest for the best decorated businesses. There will be three plaques awarded to this category. The judging will be done during late night shoppers evening December 12. Entry forms are available by contacting the Chamber office 874-2421. There will also be a contest for the best decorated houses. This will be judged Tuesday evening, December 17. There will be three prizes for this category. Entry forms are available by contacting the Chamber of Commerce office 874-2421. Let's all get a big dose of Christmas spirit and get out the ladders and the lights and decorate our houses and yards. Get out and drive around and pick out your favorites.

Keep in mind this season that your area businesses are good people serving good neighbors, that's what community shopping is all about. Shop your local stores where you find a variety of merchandise and services and where the Christmas feelings are

A beam of light can travel around the earth in just one-tenth of a second.

NOW YOU CAN SELECT THE MATURITY DATE FOR YOUR C.D.

The choice is yours. Select two weeks from the date of deposit, or up to five years. New legislation pertaining to banks now allows you to select the exact date of maturity on Certificates of Deposit.

Minimum requirements are 14 days for deposits of \$100,000 or more and 32 days or longer on smaller deposits. (Penalty for early withdrawal.)

Obtain Money Market rates on CD's with a minimum deposit of \$1,000.

All deposits insured to \$100,000 by the FDIC and your money stays in Clarendon.

The Clarendon-Donley County Chamber of Commerce will be taking \$1.00 donations on this Texas Sesquicentennial Winchester Commemorative Carbine. The carbine is to be given away May 22, 1986 when the Wagon Train arrives. You do not have to be present to win. To purchase a donation ticket contact the Chamber of Commerce office 874-2421 or the Clarendon Press 874-2259.

This Model 94 Winchester Carbine in 38-55 caliber has an 18 1/2" barrel with gold plated barrel bands and receiver. The receiver is roll engraved with scenes from Texas history and from the present with

original engraving done by Genovelli of Italy, master engraver known worldwide for his unique skill. The rear-sight is partridge and the front sight is post. The Carbine style stock and fore-end are satin finished select walnut checkered with a unique spade pattern.

This Texas Sesquicentennial Winchester Commemorative Carbine is the first ever made in this caliber and barrel length even though the 38-55 was one of the original 94 calibers. The gold plated medallion embedded in the butt-stock shows the Winchester Wagon being pulled four-up by mules and has 1936-TEXAS-1986 and SESQUICENTENNIAL outlines

along with the Texas Sesquicentennial and The Texas Wagon Train logos.

Etched in gold on the barrel near the receiver is "1936-TEXAS-1986" adding to the collectability and value of this rifle.

The Texas Sesquicentennial Winchester Commemorative Carbine comes packaged in an art "sleeve" surrounding protective styrofoam. The art "sleeve" is reproduced from an original oil painting by Mr. B. Herd of Dallas, Texas and depicts events from Texas rich history and heritage.

Serial Numbers of the Texas Sesquicentennial Carbine are TEX-1

through TEX-15,000. A number of this issue have been reserved for presentation to various mayors, museums, and public officials as part of the Texas Sesquicentennial Celebration.

Production is strictly limited to figures stated and no more will ever be produced.

EXERCISES

wrap a fellow around her little finger to the extent that he is willing to limit his dates to her alone, she feels she has proved to one and all that she possess true feminine charms and wiles, that she is alluring and attractive.

Any thinking person can see that such motives for going steady are very immature to say the least. Young folks who find in themselves a driving need to prove such things are poorly adjusted and may even need psychiatric help. God has made in each of the sexes certain characteristics which are attractive to the opposite sex. Just by being what God made you, you can demonstrate the wisdom and careful planning of God in the matter of sexes.

There appears to be only one great advantage in going steady. That is a guaranteed date for dating functions. Of course this carries with it a side advantage or two. The girl who does not have to wait beside her telephone and chew her nails worrying whether someone will call and invite her to be his date. The fellow is spared the embarrassing predicament of asking for a date and being refused.

From this observation point and from discussion of the matter with a number of teens, themselves, it seems there are many more disadvantages than there are advantages to going steady. Then why does the fad continue? The answer is very simple. Teenagers are greatly influenced by what they think everyone else is doing. Among young people there is an abhorrence of being or appearing different. They do not want to be singled out. They

want to be like the rest of their crowd. That is why fads in hair styles and manner of dress sweep across the nation. A while ago it was "ponytails." Right now it is the "bouffante!" (It looks like her reprieve came through just as they threw the switch.) The fellows are no different. It used to be blue jeans and dirty bucks. Now it is skintight trousers and white tennis shoes, and hair down to the shoulders.

How often have parents of teenagers heard, "But Mom, (or Dad) everybody is going." They make it sound as though if they do not get permission to go they will be bucking the whole world. A little analysis will show that "everybody" is not going. But the teenage mind attempts to bring pressure through the sheer weight of numbers. The matter becomes earth-shaking in consequence to the teenager. Only great patience and understanding on the part of the parents coupled with a strong stand upon the Word of God will bring about a happy solution to teenage problems.

SPOTLIGHT On Teen's

By REV. TONY COLBURN

You must know the old story of the fellow who walked around the campus with the big sign on which he had printed the letters B.A.I.K. As he walked along, someone stopped him and asked, "What do the letters mean?" The boy replied, "They mean: Boy, am I confused?" His questioner said, "But confused isn't spelled with a K." The sign carrier observed, "You don't know how confused I am!"

Confusion reigns supreme when you ask many modern teens why they

go steady. If you hand them a piece of paper and a pencil and invite them to make a list of the advantages of the popular fad, in some cases you will draw a complete blank. Others will flounder around for reasons why they go steady and finally come up with the old standard, "Well, everybody does it."

Going steady seems to have become something of a status symbol among teenagers. If a fellow can persuade a girl to become his steady, he feels he has proven his virility and masculine sex appeal. If a girl can

Bible Readings For Bible Week

National Bible Week coincides with Thanksgiving, America's only non-sectarian religious holiday. It can be a perfect time to discover the wisdom, guidance and comfort to be found in the Bible. This year, National Bible Week falls between November 24 and December 1, 1985. The theme is "Bring your mind as well as you heart to the Bible." Knowledge—like faith—is a joyful possession. Favorite inspirational readings from the Old and New Testament are suggested by Rabbi David Stavsky, Beth Jacob Congregation of Columbus, Ohio and Rev. Rick Bradley, Lutheran Chaplain, Ohio State Univ., Columbus, Ohio for National Bible Week 1985, sponsored by the Laymen's National Bible Committee.

Sunday: Morning, Psalm 100; Evening, Philippians 4:4-6.

Monday: Morning, Genesis 28:15-22; Evening, Matthew 6:25-34.

Tuesday: Morning, Psalm 146; Evening, 1 Corinthians 13.

Wednesday: Morning, Ecclesiastes 3:1-8; Evening, Luke 17:11-19.

Thursday: Morning, Psalm 3; Evening, Ephesians 5:15-19.

Friday: Morning, Deuteronomy 28:2-14; Evening, 1 Thessalonians 5:11-16.

Saturday: Morning, Genesis 45:4-13; Evening, James 1:16-17.

Fuston's Big D, reserve champion Hereford

The Grand Champion Steer Auction brought a lot of money to a lot of Texas youth in October as 190 steers were sold by auctioneer Colonel Walter Britten of Bryan for a grand total premium of \$262,144. Judge Bill Able of Manhattan, Kansas named the winning Grand Champion Steer out of the 473 quality Texas steers that were paraded by anxious 4-H and FFA members in hopes of claiming the Grand Championship banner as their own.

Lesia Fuston's Reserve Champion Hereford was purchased by Rudolph's Market and Sausage Co. of Dallas for \$2,750. Lesia, Texas Hereford Queen, calls her steer Big D. This was Big D's first show, but Lesia has been raising and showing cattle for nine years.

She has other cattle which keeps her busy. Lesia is the Second Vice-President of the Donley 4-H Club and attends Clarendon High School where she is in the National Honor Society. Lesia is the 17 year old daughter of Mr. and Mrs. Denny Fuston.

Family Life Education Committee formed

Pregnant for the second time in her 17 short years, a teenage girl is being wheeled into the delivery room. She is crying, she hurts, and she is afraid. Once this delivery is over, the odds are she can look forward to a sick baby, no money and very little help. Statistics show that babies born to teenage mothers are twice as likely to die within the first year, mothers who give birth before age 18 are half as likely to graduate from high school, teenage marriages that result from a pregnancy are three times more likely to fail, and one-fourth of teenage mothers go on welfare in order to support their families.

These statistics reflect a national trend. The Clarendon area is no different, with one exception. Local figures show that the rate of teenage pregnancy in Donley County is higher than both the state and national average.

The Clarendon Family Life Education Committee is a newly organized group of concerned citizens interested in addressing some of these issues. This committee is comprised of individuals with strong affiliations to local social service agencies, schools, churches, and civic groups. Many of them are in a position to see the families that are suffering from the devastation of a teenage pregnancy and want to reverse the trend. "The time has come that we can no longer ignore the problem of adolescent pregnancy. It does not happen in some other town, to someone else's children, it affects us all. In Donley County, 19% of all births are to teenagers 18 years old and younger," said Maurine Butts, co-chairman of the committee. "Sometimes it is easy to look at statistics and just see numbers, but we have to remember that they represent people, families, no different than you or I, that have been caught up in a situation we can only hope we never have to face," said Cinda Courtney, member of FLEC.

One of the primary goals of this committee is the enhancement of family communication. Most parents truly want to be the primary source of information for their children, but how do they develop the skills? Hopefully, through the committee, many educational opportunities will open for parents, and parents and children together, so they can then share information along with the values and standards of their family. The committee would also like to address the importance of involving civic groups, churches, and schools in family life education. It takes whole communities, working together, to influence the behavior of its citizens.

 - 2-way picture speed search, pause/still picture (EP)
 - Auto rewind
 - Instant record
 - 12-function wireless TV/VCR remote control

THE SOUND OF THE FUTURE IS HERE TODAY ZENITH MTS STEREO TV

Local television stations WXXX and WXYZ are now broadcasting programs in stereo sound using the system that was developed by Zenith. Adopted as the industry standard, Zenith's Multi-channel Television Sound system (MTS) processes exciting stereo sound that "moves" with the action on the screen. It also processes simultaneously telecast second language translations or any other second audio (non-stereo) program being telecast.

Today, all new Zenith TVs have a Stereo Sound System to process Multi-channel Television (MTS) sound or are adaptable for such stereo sound. You can now enjoy both television viewing and listening to the fullest. It's your assurance that the Zenith you buy today is ready for today and tomorrow. Stop in your local Zenith dealer and listen to the new Zenith TV. Hear the sound of the future today.

ZENITH ADVANCED SYSTEM 3 BIG 27" TV

DIAGONAL

LARGER PICTURE, INCREDIBLE SHARPNESS PLUS FULL STEREO SOUND *the Smart Set*

Zenith's outstanding 27" picture provides an exciting new dimension in picture size and quality. Not only does it have 25 square inches more viewing area than a standard 25" diagonal screen, but it has an incredibly sharp picture as well.

- Zenith's Stereo Sound System processes Multi-channel Television Sound (MTS) telecasts. Also processes simultaneous second language translations or other 2nd audio programs. (When broadcast.)
- New "Picture Frame" styling features straight sides and square corners to maximize the viewing area.

- Chromastar Contrast Picture Tube:
- Reflection absorbing glass prevents color wash-out in adverse lighting conditions. The result? Striking contrast.
 - Trinitron Phosphors help retain the original color of each individual phosphor by reducing ambient room light reflections. Instead, more brilliant hues prevail.
 - Black Matrix separates each red, green and blue phosphor element with a band of solid black for more vivid color contrast.

See our complete selection today.

Smarter Than Ever.

Watt's Happening in Hedley

by Peggy Watt

Dean Hill came home Saturday from Fort Worth where she has been with her brother Windol Spier, who is in the hospital there. She stopped in Quanah and visited with Max and Neva Lewis on her way home.

Betty Dwight and Paul and Pam Dwight of Amarillo spent the weekend with James Edward and Timber-Lee Potts and James Lee.

Etta Mae Cherry is home from Amarillo where she spent the last four weeks taking medical treatments. She stayed with Lynn and Ginie Cherry and Teressa and Larry Carter of Canyon during the stay. When I talked to her Sunday she told me she was feeling better and was gaining strength daily. It's good to have her home.

Gene Sanders of Amarillo, Lisa and Renee Sanders of Childress, Delores Gourd and Duane of Amarillo and Radell and Elizabeth Sanders of Tulsa visited their mother D.K. and Beulah Hall Sunday.

James and Nonie Hartwell and Leroy and Opal Hartwell visited their mother Mrs. Nora Hartwell Sunday. Earlier in the week Mrs. Hartwell went to Amarillo with her daughter Arletta Cobb of Wellington.

Bob and Dolores Hodge have bought the building where Pie Adamson had her beauty shop and are remodeling it and are going to open a drug store and gift shop. I stopped by one day last week and talked to Mr. Hodge and he told me they hoped to be open before Christmas and would have a medium good selection of gifts and were planning to 'borrow' some drug supplies from son Jerry's pharmacies

to stock the store. He told me they planned to call the store 'The Hay Stack'. I personally think a drug store in Hedley will be highly successful because there are so many people in town who are hesitant to cross the highway to get the things they need at Can-Way. And I know for a fact that almost everyone in town takes some kind of medicine.

Pauline Kaufman and Dorothy Crawford spent the weekend in Amarillo with their children.

Drucilla McBrayer of Fort Worth and Haskell Foster and Glen of Valley Cottage, New York arrived Saturday for a visit with their parents, Mr. and Mrs. Leon Foster and sister, Jerry Holland. Glen had to return home Monday, but his father and aunt will remain for a longer visit. When I talked to Drucilla, she told me that Mr. and Mrs. Foster were both doing well. Johnny and Gail Hill, Karen and Lisa of Clarendon visited Sunday.

Bob Hoggard, Bill, Audra, and Candi visited with Bob's parents Clyde and Mildred Hoggard Sunday. J.C. Woody of Clarendon and his son Rick Woody of Skellytown stopped by Sunday afternoon. J.C. needed some hay for his horses.

Elmo Kennedy went to Amarillo last week for a check-up with his eye doctor. He got a good report and won't have to go back for six weeks.

Alfred and Viola Johnson had a house full of company over the weekend. Viola's sisters Bo and Ruth Noble of Dumas, Cora Belle Grover of Pauls Valley, Oklahoma, and Lizzie McLee of Maysville, Oklahoma were there. Nephew Jimmy

Paul Davis and Jeff of Oklahoma City came. Charlie and Eunice Johnson of White Deer came Sunday. When I talked to Viola they were all watching the Dallas Cowboys football game.

Betty Hoggatt went to Memphis last week for a check-up with the doctor. He told her to cancel the appointment she had at M.D. Anderson Hospital later this month. It's good to hear that she's doing so well.

Bub and Alma Lamberson, Randy and Donna Lamberson, Mikala and Ashley of Pampa spent the weekend with J.T. and Helen Lamberson. The men went quail hunting. When we saw them they had found a few birds. Helen went to Wheeler with her sister Betty Hix. They came home Sunday afternoon and Betty spent the night before returning home to Amarillo.

Ellen Fay Land went to Amarillo with her brother Zebbie Land one day last week. Ellen Fay told me she didn't have any business there, she just went along for the ride.

Carolyn Kirkland and Debbie of Amarillo visited with her parents Virgil and Opal McPherson last weekend.

Ethel Favor has returned home after spending some time in Tulsa, Oklahoma with her daughter Barbara Owens who has been in the hospital. Ethel's other daughter Alice Paschal of Amarillo went with her.

Bobby and Pat Roland spent the weekend with his parents Bob and Jessie Roland. Bob took Bobby to Giles to look at his livestock.

Mrs. Etta Hoggatt passed away in Azle, Texas last week. She was the step-mother of Bud Hoggatt. Funeral services were held there on Wednesday.

Eloise Spalding went to Lindsey, Oklahoma last week with Leona Taylor. She visited with her daughter and son-in-law Kathleen and Bob Pixley. Leona went on to Chickasaw for the fortieth wedding anniversary of her cousin J.C. and Mamie Nickle. Her cousin Mrs. Oleta Jordon of Lindsey accompanied her. From Chickasaw they went on to Duncan to visit her cousins Jessie Lindsey and Edith Lawrence. After spending the night in Lindsey they returned home Monday. Alfred and Cullen stayed home.

Juanita Waddell went to Memphis last week to see the doctor. She told me she was feeling better. Herlie and Biffie Grace Moreman visited with Cullen and Leona Taylor Sunday.

Jim Anna Holland of Clarendon, Mary Lou Skaggs of Amarillo and Jack and Ethelyn Spalding of Fort Worth visited with Alfred and Eloise Spalding over the weekend. Alfred and Jack are cousins.

Jack Stafford had artery surgery in St. Anthony's Hospital in Amarillo last week. He came home Thursday so I guess he's doing good. Marvin and Geneva Kenny of Burleson came to be with Jack and Jackie. Jackie and Geneva are sisters.

Bob and Sandy Stafford and John of Follett stopped to visit with his parents Jack and Jackie Stafford Sunday returning home from Lubbock where they watched the Tech football game. Their son Jay goes to school there. Tech won, of course.

Eloise Spalding took Edith Bain to the doctor in Memphis last week. The Hedley Eastern Star Chapter met last week. Bill and Tena Powell, Opal James, and Carol Grady came from Clarendon to help with the initiation of Opal Evans. In the absence of the Worthy Matron, Su-San Couch, Dorothy Brinson conducted the meeting. I was privileged to preside at the initiation ceremony of Opal Evans. Roy and Wanda Jeffery and Edna Rudy of Wellington were also there. We appreciate the visitors for their assistance.

On Thursday evening, Gail Johnson, Cindy Johnson, Ruth McLay, Dorothy Brinson, and I attended the O.E.S. meeting at Clarendon. We enjoyed the Thanksgiving supper at the meeting that followed.

The Deputy Grand Matron for Section 5 District 2, Mrs. Pauline Sarich, made her official visit to the Clarendon Chapter. We're looking forward to her visiting in Hedley Chapter in January.

I stopped by Walter Johnson's house a few days ago and found Kendra and Matt Martin 'Pa' sitting with Walter while Sis was at a Young Homemakers meeting and Marty was at work. There might be a little girl somewhere around that's cuter and sweeter than Kendra, but if there is I haven't seen her. Except LaRay Shaw of course. I'm prejudiced about LaRay though. Randy and Fred share a brother-in-law.

Jane Long and Opal Clendennen visited the nursing home in Memphis Saturday. They visited with all the Hedley people who live there. Ethel Kindslow is in the Hall County Hospital.

Anthony Jaramillo is in the hospital in Childress. He's the 16 month

old son of Raymond and Rosemary Jaramillo and the grandson of Oscar and Mary Feian.

The school is entering its 11th week of classes. The U.I.L. basketball games will be starting next week. The first game will be with Clarendon on November 19. The Owls will play on their home court. Several of the players are currently ineligible due to low grades in one or more subjects. Hopefully by the time of the second game, the players will have brought their grades up enough to be able to play. The Owls scrimmaged Claude Tuesday night. I didn't go to see them play but according to the coaches, Mr. Hill and Mr. Collins, they are playing good in the workouts.

We are hoping to have a basketball ad in the newspaper the way we did last year. If anyone is interested in helping sponsor the ad get in touch with me or let Mr. Hill or Mr. Collins know.

I stopped by Miss Springer's physical science class a few days ago and watched them making hydrogen. All the rest of the day I expected to hear a gigantic explosion and hear that they'd blown the school to smithereens.

The Jr. High teams will begin play on November 18 as they play Kelton at home.

HEDLEY SCHOOL MENU
November 18-22

Monday-Ravioli, cheese and crackers, corn, mixed vegetables, cobbler, milk.

Tuesday-Corn dogs, macaroni and tomatoes, salad, Jello, milk.

Wednesday-Fried chicken, dressing, hot rolls, yams, cranberry sauce, vanilla pudding and milk.

Thursday-Goulash, fried ome and green beans, chips, graham crackers, peanut butter and milk.

Friday-BBQ on bun, potato salad, pickles and onions, cookies and milk.

The Senior Citizens are busy these days. They enjoy fun and games each Monday evening and on Tuesday morning they have exercise classes. On Tuesday afternoon, they have knitting lessons, and on Tuesday evening, they have a musical. On Wednesday, they have games. I noticed several men playing dominoes on more than one afternoon. They play games on Thursday evening and on Friday they have exercise in the morning and hobbies in the afternoon. Last week, Mah-deene Debord and I brought our beads and started a Christmas decoration. Jane Long brought her crocheting. You are welcome to join any or all of the activities at the Senior Citizens Center. I'm not officially a senior citizen, but I enjoy joining them on their crafts. I might even try to learn to knit.

On November 23, the Senior Citizens will host a Thanksgiving dinner. They will turkey and dressing with all the trimmings. They will serve until everyone has had all they want or they run out of food whichever comes first. They proceeds will go toward the purchase of a van to be used to transport the senior citizens places they need to go. It will be used to take people to the doctor, take them to entertainment out of town, and other places. They might use it to bring people to the center at noon for meals served there. I'm not exactly sure what things the van will be used for but know it will be used for the benefit of the senior citizens of Hedley.

HEDLEY SENIOR CITIZENS MENU
November 18-22

Monday-Smothered liver with onions, macaroni and cheese, green beans, apple ring, roll, oleo, pineapple tidbits in pudding, milk, coffee, juice, tea.

Tuesday-BBQ weiners, kraut, pinto beans, carrot-cabbage-celery salad, corn muffin, oleo, fresh fruit cup, milk, coffee, juice, tea.

Wednesday-Chicken nuggets, broccoli casserole, mixed vegetables, tossed green salad, roll, oleo, peach cobbler, milk, tea, juice, coffee.

Thursday-Ham, navy beans, glazed sweet potatoes, pickled beets and onions, fresh tomatoes, corn muffin, oleo, yellow cake with pineapple topping, milk, coffee, tea, juice.

Friday-Steak with gravy, buttered corn, blackeyed peas, raw vegetable salad, roll, oleo, cherry cobbler, milk, tea, coffee, juices.

Junior Two
Food and Nutrition

By KIMBERLY ALTMAN
The Junior 4-H Food and Nutrition Group met Thursday, November 7, 1985 in the Methodist Church. We finished our menus and project forms. Afterwards we went to the courthouse to prepare the beans for the Bean Supper that was held before the Clarendon/White Deer football game Friday night.

Great American Smokeout greeting card offers smokers an easy option

For the first time in the nine-year history of the American Cancer Society's Great American Smokeout, you can offer your favorite smoker

encouragement to quit with a special Smokeout greeting card. The card opens with the line, "I'm expecting a little present from you..." on the cover. Inside, the sender chooses one "present" from among five he or she wants from the smoker. The purpose is to give the smoker an added incentive to give up cigarettes for the day, and the message is in keeping with the lighthearted, fun spirit of all Smokeout events.

The new greeting card is just one of many ways the Great American Smokeout is celebrated. You can obtain one of the cards at either Donley County or the First Bank & Trust. The Great American Smokeout is in its ninth year as a national event and is sponsored locally by the Youth Against Cancer (YAC) group, a division of the American Cancer Society.

DID YOU KNOW?

Eighteen years ago, eye-glass consumers got their first look at a new kind of glass lens that could change its tint in reaction to sunlight—sort of a combination eyeglass/sunglass. Here are some facts you may not know about the photochromic lens:

• The photochromic lens was 25 years in development. It reacts to sunlight by darkening and fades to a virtually clear lens when returning indoors, giving millions of eyewear consumers the benefit of multiple function in addition to vision correction.

• Photochromic lens glass is available in a variety of colors and tint ranges.

• Photochromic glass provides more than 93 percent ultra-violet ray absorption, according to the Glass Lens Council, as well as glare reduction—important features for today's action-oriented eyewear consumer.

• A photochromic glass lens can mean many things to many people: a moderate comfort tint, a general purpose "eyeglass to sunglasses" or a full-time sunglass.

• Photochromic glass lenses are available for both non-prescription and prescription eyewear needs. They also come in single vision and multifocal lens styles.

21 NOVEMBER 1985

Smokeout Day

DO IT!

Today is the day you've been planning for. You've done a lot of thinking about stopping smoking. Now you're ready to do it. Congratulations!

CLARENDON COLLEGE

Home of the Battlin' Bulldogs Lady Bulldogs place 3rd in South Plains Tourney

CC hosts Future Farmers

The campus of Clarendon College was invaded Saturday by a peaceful, but determined army of about 750 young people, most of whom were wearing blue corduroy jackets with a large colorful emblem on the back and a name on the left front. Forty-eight Future Farmers of America chapters in the Texas Panhandle were represented in the Leadership Conference for the three districts of Greenbelt, Top O' Texas, and Amarillo.

CC students participate behind the scenes at rodeo

The Old Timers Rodeo, sponsored by THE OUTFIT, was held in the Amarillo Civic Center November 6-9. While the rodeo is open only to entrants 40 years and older, seventeen Clarendon College students under the direction of Kelvin Sharp worked behind the scenes in their off time all week in various capacities. A genuine love of rodeoing couples with a sincere appreciation of the contributions of THE OUTFIT to our rodeo program motivated these young men to drive to Amarillo and set chutes, run the first go around of slack, sort stock, run set pens, strip bucking stock, and handle the multitude of errands necessary to any competition of this magnitude.

Clarendon College Menu

November 18-23
Monday: Lunch-tuna noodle casserole, grilled ham and cheese, asst. chips; dinner-mushroom steak, beef stew and biscuits, tri taters.
Tuesday: Lunch-Macaroni and cheese, BBQ beef sandwich, tater tots; dinner-baked ham, beef stroganoff, rice.
Wednesday: Lunch-Mexican buffet; dinner-breaded veal, Swedish meatballs, buttered noodles.
Thursday: Lunch-frank and beans, meatloaf sandwich, mashed potatoes; dinner-fried chicken, spaghetti meatsauce, baked potatoes.
Friday: Lunch-scalloped ham and potatoes, fishwich, asst. chips; dinner-ravioli, fish and chips.
Saturday: Lunch-corn dogs, dinner-roast beef dinner, mashed potatoes.
 Meals are served with salads, vegetables and dessert. Lunch is served weekdays 11:30-1:00, Saturday 12:00-1:00, \$3.25. Dinner is served weekdays 5:15-6:15, Saturday 5:00-6:00, \$3.50.

Signs along rural roads to be registered

Mr. Lewis H. White, District Engineer of the Childress District of the State Department of Highways and Public Transportation, announced that the owner of each off-premise advertising sign which was erected before September 1, 1985 along a road outside an incorporated city or town in Texas is required by recent legislation to register the sign by December 30, 1985 or remove the sign. The new law is known as House Bill 1330 and refers to an off-premise sign as a sign which advertises a service or product not principally sold on the premises where the sign is located. Mr. White stated that forms are available in the Childress District Office for use in registering a sign and that a form would be sent upon request. He also said that a \$25 nonrefundable fee is required with the filing of the registration application.

Mr. White pointed out that there are only two exceptions to the State registration requirement. If the sign was allowed under the Highway Beautification provisions of the Texas Litter Abatement Act or if the sign is in the extraterritorial jurisdiction of a city or town which is controlling signs in such extraterritorial jurisdiction, the sign does not have to be registered with the State.

In enacting House Bill 1330, the Legislature also authorized the State Department of Highways and Public Transportation to regulate on-premise and off-premise signs which are erected after September 1, 1985. A permit for each sign is now required. Permit application forms are also available in the Childress District Office, Mr. White said.

The Childress District Office is located at 1700 Ave F, Northwest, Childress Texas and the telephone number is 817-937-2571.

they did not particularly like but plan to profit from. Both Bulldog teams' next game will be November 18 against Western Oklahoma State at Altus.

Clarendon College supports Smokeout

Clarendon College is supporting the Cancer Society's Great American Smoke-out on November 21. Posters, buttons, and other reminders will be appearing during the coming week encouraging smokers to cease and desist and asking nonsmokers to adopt a smoker for that day to provide moral support in an effort to stop smoking.

College drama dept. to present California Suite

The Theater Department of the Clarendon College Fine Arts Center is proud to present its fall production, California Suite, under the direction of Leslie Schnauer, chairman of the Fine Arts Department.

California Suite is an adult comedy by Neil Simon and consists of four one acts. Two of these one acts, "Visitor from Philadelphia" and "Visitor from Chicago" will be presented. In "Visitor from Philadelphia" a wife, played by Valerie Camilli of Felt, Oklahoma, arrives at the hotel suite before her husband, LeRoss Apple of Kenton, Oklahoma, can get rid of his unexpected female guest, Bunny played by Susan Hull of Hollis, Oklahoma. This leads to some hilarious moments as the husband tries to hide his mystery lady. In "Visitor from Chicago" two married couples are in their third week of vacationing together and tempers are getting short. The couples are played by Benjamin Clifford of Clarendon, Valerie Camilli, Brad Powell of Hurst, Texas and Susan Hull. The vacation explodes leaving everyone in the audience laughing and everyone on stage in need of separate vacations.

Performances will be given November 14, 15, and 16 at the Clarendon Country Club. Dinner will

be served at 7 p.m., and the show will start at 8. Admission will be \$9.50 per person for the play and the steak supper, or \$2.50 per person for the play only. All performances will be open to the general public. Call and make reservations now at 806-

874-2863. There will also be a special performance Monday the 18th of November at 8 p.m. in the Clarendon College Theatre. Admission will be \$1.00 for students and \$2.00 for adults. Make your plans now to attend.

Ashtola - Martin News
by Naomi Green

Saturday Mr. and Mrs. Glen Helton and Mr. and Mrs. Buddy Brunson of Amarillo were guests in Veda Elliott's home.
Sunday Mr. and Mrs. Darrell Leffew and Veda Elliott went to Lubbock to hear the University Singers and Orchestra perform at the First Baptist Church. Terry Leffew and Sharon Patterson had parts in the program.
Mary Green was in Amarillo Friday for business and visited with

Katherine at St. Anthony's Hospital. Bernice Campbell of Terrell, Texas was brought to Pampa Friday for graveside rites at Fairview Cemetery. She was the mother of Glenda Patterson. The Pattersons and their daughters and grandchildren, Cindy Seamore, Michael and Chris and Joy Howard and Melissa and Christy of Borger attended the service at 2 p.m.
Brodus and Ruth Ann Spivey of Austin brought a friend John Ludlum and came to visit the Claude Spiveys Thursday.
David and Della Spivey of Grand Prairie were in Clarendon for the weekend and visited her mother Della Allen and his parents the Claude Spiveys.
Charles Dunn took David, Clint

and Lindsay to lunch in Amarillo Saturday and to the hospital to visit Katherine. Naomi went up for a visit in the afternoon and returned with the boys and Lindsay.
Monday was Doss Finley's birthday which he celebrated with calls from all of his family. He does not care to say how old he is but we all wish him many happy returns of the day and just as many more birthdays.
Larry Gray of Earth came Saturday to visit Vance, Ismanell and Buster Gray. Jerry and Gloria Gray and Amy of Canyon joined the family for visiting Sunday.
LaRue Pittman of Amarillo visited with her parents the Tom Shadles over the weekend.
Delmer and Pauline Koontz spent the weekend in Albuquerque with their daughter and her husband Mr. and Mrs. Gary Rogers.
Marie McCracken is spending some time in Tulsa, Oklahoma with her daughter and her husband Wallace and Pat Cox.
Dana Perdue and Karen Alexander of Elkhart, Kansas visited with Dane and Edna Perdue this weekend. Kathryn and Tyler Scott of Amarillo also came to visit.
Melba and Lloyd Risley attended their supper club at the Lacy Noble home Thursday night.
Mr. and Mrs. Lloyd Risley had business in Amarillo Monday. They reported just a few snowflakes and very cold around noon.
Ruth and Benny Clay are the proud grandparents of another boy born Friday, November 8 in Livermore, California. He weighed 7 pounds 9 ounces and will be welcomed by parents Wayne and Nancy Clay and brother Michael.
Mr. and Ms. Vestal Bennett of Warshburn and Mr. and Mrs. Jimmy Bennett of Amarillo were guests Saturday in the Bill Bennett home.

deep into Clarendon territory before the Bronco defense stiffened and blocked the Bucks field goal attempt. The Bucks scored in the second quarter to lead at halftime 7-0.
In the second half the Broncos defense came alive shutting down the White Deer offense while controlling the ball on offense. White Deer intercepted a Clarendon pass inside the White Deer five yard line that stopped a Bronco drive. Several plays later the Bucks fumbled and Arthur Harris recovered at the two. Two plays later Todd Phillips scored the touchdown. Brad Shadle ran the ball in on the two point conversion giving the Broncos the lead 8-7. The Bronco defense stopped the Bucks offense and the Broncos again drove the ball with Todd Phillips scoring again. Brad Shadle made the two point conversion that gave the Broncos the final score 16-7. Wes Hatley made three of four passes to Brad Shadle and Jake LaGrone. Brad Shadle ran for 67 yards on 16 carries.
"The boys realized at halftime that the Bucks were not going to give us the game and then we played well," said Coach Loveless. The defensive team members that played well were Walt Thompson, Chris Ward, Michael Moore, Jake LaGrone, Monte Hollar, Todd Phillips, Arthur Harris, Shawn Hermesmyer, Richard Graham, Wes Hatley, Billy Wiggs, Craig Wright, Brad Shadle, Danny Gaines, Jason Klinnert, Randy Gaines, Danny McCampbell, Jason Green, Jason May and Derek Howard.
The Bronco offense started slowly but in the second half played well against the aggressive Buck defense. "The Bronco offensive line did a really good job when we got inside their ten yard line," said Coach Loveless and Coach Williams.
The coaches were very proud of these young men for their hard work and determination throughout the 1985 season. The coaches want to thank the cheerleaders, Lindy Bowling, Lisa Burch, Kristal Hill, and Tiffany Smith, for their support and the managers, Todd McAnear and Russell McAnear and Jeff Henson, who were unable to play in the last game.

Congressman Beau Boulter
Reports from Washington

TRADE, AGRICULTURE & THE DEFICIT: THE IMPORTANT ISSUES AHEAD

With less than four months left to go in the first session of the 99th Congress, we in the House and Senate are left with many important issues to address. Four of the most critical issues that I will be voting on before the end of the year are these:

Trade Legislation: Recent news reports and political activities indicate the protectionist sentiment is reaching an all time high. Undeniably, it is totally unfair for any country to close its markets to our goods while we freely open our markets to their products. We simply cannot allow any trading partner to take unfair advantage of us in that way. Those countries must open up their markets to our goods. We must resist a protectionist binge, which would only harm our own export industries, especially agriculture.

Domestically, however, we have got to get the value of the dollar, which is grossly inflated on international markets, down to a competitive rate. When we realize that since 1981 the value of the dollar has increased 63% against the guilder of the Netherlands, we can get a very clear idea of how serious the dollar situation is.

Farm Bill: As I write this column, the House is preparing to start consideration of a comprehensive farm bill. My greatest concern with this legislation is that it be geared toward providing farmers with income protection as we move into a transition period for agriculture. It must also move us away from some of the major policy mistakes we have made in the past.

I am studying every issue with great interest and concern, and my commitment to the producers of the 13th District is to do my best to sup-

port a farm bill that will help reverse our sagging ag economy.

National Debt: A fitting tribute to the lack of fiscal responsibility exhibited by the Congress will be a vote to raise the national debt ceiling to \$2 trillion. We have heard a lot of talk here in Washington about the need to reduce federal spending, but there are far too few members of the House and Senate who are willing to actually bite the bullet, and get our fiscal house in order. As far as I'm concerned, the big spenders in Congress who created this staggering debt can be ones who vote to raise the debt ceiling. I will not vote to increase this ceiling unless the increase is part of a bill mandating a balanced budget within five years.

Appropriations Bills: Even though the difficult process of approving a 1986 budget has been completed, the House is now charged with approving individual spending bills that fit into the budget guidelines. While 9 of the 13 appropriations bills have been passed by the House, 4 remain and they include Foreign Assistance, Labor-Health and Human Services-Education, Military Construction, and Defense. As you could predict, these will not be easy spending plans to produce.

Again, these are only four of the issues that lay before the Congress. Another very important issue, which requires greater attention than I can afford it in this particular column, is TAX REFORM. I will address that topic in detail in the coming weeks.

I encourage each of you, if you have an opinion on these or any other issues, to feel free to write to me at 1427 Longworth House Office Building, Washington, D.C. 20515.

The new Hesston Buckles are here!

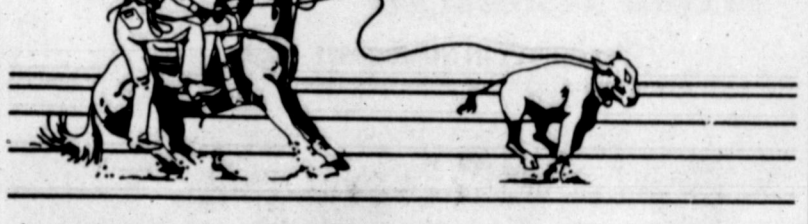

Standard Size \$9.00 ea.
Miniature \$7.00 ea.

JV closes season with win over White Deer

The Bronco junior varsity football team beat the White Deer Bucks 16-7 in Skellytown last Thursday. The victory was the third in a row and gave the Broncos a 2-1 district record, good for second in district, and a 3-5 for the season.
In the first half the Bronco defense was "asleep" waiting for the Bucks to fold up. The Bucks drove the ball

and Lindsay to lunch in Amarillo Saturday and to the hospital to visit Katherine. Naomi went up for a visit in the afternoon and returned with the boys and Lindsay.

Monday was Doss Finley's birthday which he celebrated with calls from all of his family. He does not care to say how old he is but we all wish him many happy returns of the day and just as many more birthdays.

TEXAS IN 1836

When Texas won its independence from Mexico on the battlefield of San Jacinto in 1836, the new republic's boundaries stretched farther west and north than today. After a decade as a nation, Texas joined the United States, and the U.S. paid Texas \$10 million to cede territory that later became parts of New Mexico, Oklahoma, Kansas, Colorado, and Wyoming.

With distinctive, gritty self-reliance, succeeding generations of Texans colonized a wilderness . . . molded America's greatest folk hero, the cowboy . . . founded ranches of empire size . . . established the nation's most famous force of law officers, the Texas Rangers . . . and brought in the first oil gushers the world had ever seen.

Today's Texans are still at it . . . forging ahead!

TAKE A DAY OFF...

... from smoking. Join the Great American Smokeout on Thursday, November 21. Millions of Americans across the country will make a fresh start and try not to smoke for 24 hours. How about you? Or, if you don't smoke, adopt a smoker for the day and promise to help that friend get through the 24 hours without a cigarette!

Alpha Upsilon Epsilon members attend convention

Ten members of Alpha Upsilon Epsilon attended Beta Sigma Phi's fall convention in Dumas Saturday, October 19.

We left Clarendon about 9:00 a.m. Saturday and stopped in Amarillo for a late breakfast. Then it was on to Dumas for the convention. We arrived at the The Dumas Inn Motel about 1:00 p.m. After getting settled in our rooms we went and registered for the convention. Other Beta Sigma Phi groups were selling chances on different things to be given away during the convention and of course we all had to buy chances on almost everything.

The group then went to WalMart to get a few miscellaneous items for our costumes. This year's convention theme was the Panhandle Pow Wow, and went as Custer and the Cavalry. Fuzz Mooring was Custer, and Connie McKinney was Indian Joe. Sandra Eads, Terry Floyd, Sandra Shields, Terri Floyd, Sandy Silger, Trish Floyd, Judy Bland and Stacy Mooring made up the Cavalry. We were a big hit and received ten dollar prize for best costumes.

We all had such a good time we can't wait until next year.

Senior Citizens News

Mr. Winter got close enough this weekend to blow a breath of cold air on us -- so let's prepare for real winter ahead and take care of us.

I missed the last two weeks of activities and owe a big thanks to a lot of people for doing a fine job handling game nights, the musical jam session and the October Birthday/Anniversary party. Thanks to all of you that helped in any way.

Nine musicians entertained twenty-seven guests at the jam session Friday, November 8th. They were Creed and Jake Smith, Hugh Neuhaus, Dee Williams, Carrol Thompson, Fred Fortenberry, Ray Anderson, Jerry Chambliss, and I played a little bit. We missed Truett Behrens and Jack Davidson. Hope they will be back next week.

Arts & Crafts has really been busy. They have made lots of articles for the Christmas in November Bazaar scheduled for Saturday, November 23rd at the community building. Several ladies who do not attend the group meetings have made and donated some lovely articles. If you would like to make your speciality and donate to the group, it would really be appreciated. The following members of the group would be

happy to pick up any items you have made. Just call Nova Neuhaus 874-3682, Pat McCombs 874-2861 or Ann Bunyan 874-2600. Donation tickets are still available for the quilt. The drawing for this quilt will be at the bazaar on November 23rd.

Yea -- the cookbooks have arrived -- this group is very proud of their "Donley County Senior Citizens Arts & Crafts" cookbook, which is a composition of their own local favorites, selling for only \$4.25 each. Contact any member for more information.

Thanks for October donations by Leslie Salmon, Fannie Wilson, Mr. and Mrs. Albert Moore, Bob and Pat McCombs and Barney and Jean Baten in memory of Dean West; Mr. and Mrs. Truett Behrens and Elaine, Mr. and Mrs. Marvin Jones, Mr. and Mrs. Albert Moore and Barney and Jean Baten in memory of E.A. (Tip) Tipton; love donation from Margaret Hillman.

Thanks to our wonderful volunteers. Those serving during October were Alta Adkins, Della Allen, Barney Baten, Thelma Behrens, Ann Bunyan, Norma Corgill, Mabel Elmore, Lillian Eudy, Carol Hill, Amy Lawson, Fred Russell, Clea Shults, Marie Sides, Ramona Slover and Don Wooten.

We will have our Thanksgiving dinner at the Center on Thursday, November 21st and will be closed on Thursday and Friday, November 28th and 29th. We have so much to

be thankful for. Let's don't forget to give thanks.

CALENDAR OF EVENTS

November 14-20
Thursday-Exercise 11 a.m., game night 6 p.m.
Friday-Exercise 11 a.m., musical jam session 7 p.m.
Monday-Exercise 11 a.m., dance practice 7-9 p.m.
Tuesday-Blood pressure clinic 9 a.m. to 1 p.m., exercise 11 a.m., dance 8-11 p.m., community building.
Wednesday-Hearing aid test and service 10 a.m.-12 noon, exercise 11 a.m., arts & crafts 1 p.m.

SENIOR CITIZENS MENU

November 14-20
Thursday-Fried chicken, cream potatoes with cream gravy, green beans, tossed salad, peach cobbler, hot rolls, milk, tea, coffee.
Friday-Fish sticks, cheese grits, stewed tomatoes, english pea salad, cake with topping, bread, milk, tea, coffee.
Monday-Swiss steak, kidney beans, buttered carrots, lime Jello on lettuce, pear halves, bread, milk, tea, coffee.
Tuesday-Pork roast, cream potatoes, mixed greens, beet salad, Jello with topping, dinner rolls, milk, tea, coffee.
Wednesday-Breaded fish, english peas, cream corn, coleslaw, apple cobbler, hushpuppies, milk, tea, coffee.

There are 336 dimples on an average golfball.

A flying fish can glide as far as 500 feet in the air on its greatly enlarged fins.

The word radar is an acronym for RADIO Detecting And Ranging.

FEDERAL EMERGENCY MANAGEMENT AGENCY FEDERAL INSURANCE ADMINISTRATION
Proposed Flood Elevation Determinations
AGENCY: Federal Emergency Management Agency
ACTION: Proposed rule.
SUMMARY:

Technical information or comments are solicited on the proposed base [100-year] flood elevations shown in your community's preliminary Flood Insurance Study and Flood Insurance Rate Map. These base [100-year] flood elevations are the basis for the flood plain management measures that the community is required to either adopt or show evidence of being already in effect in order to qualify or remain qualified or participation in the National Flood Insurance Program [NFIP].

Contact SCS for emergency tillage information

To protect our sandy soils in this county, farmers should consider interseeding wheat or rye in their cotton or using a cotton-milo-wheat rotation. However due to a lack of soil moisture or some other factor that does not let farmers use crop rotations, the use of emergency tillage to prevent soil loss should be considered.

Emergency tillage is tillage that ridges the soil by use of a lister, duck-foot chisels, or regular chisels. This operation brings clods to the surface and creates ridges that break up the flow of the wind across the soil. The ridges should be as perpendicular to the prevailing wind as possible. On some fields in this country it is not possible to run ridges perpendicular to the prevailing winds as the ridges would then be up and down slopes permitting soil to be lost due to water erosion.

If you would like more information on emergency tillage or on erosion control of any kind contact the Soil Conservation Service in Clarendon at 416 S. Kearney or call (806) 874-2339.

DATES:

The period for comment will be ninety (90) days following the second publication of this proposed rule in a newspaper of local circulation in the community.

ADDRESSES:

Study and maps showing the proposed base flood elevations and their delineation are available for review at the City Hall, Clarendon, Texas.

Send comments to: Honorable James L. Kuhn, Mayor of the City of Clarendon, Donley County, P.O. Box 1089, Clarendon, Texas 79226.

For further information contact: John L. Matticks, Acting Chief, Risk Studies Division, Federal Insurance Administration, Federal Emergency Management Agency, Washington, DC 20472, [202] 646-2767.

SUPPLEMENTARY INFORMATION

The Federal Emergency Management Agency gives notice of the proposed determinations of base [100-year] flood elevations, in accordance with Section 110 of the Flood Disaster Protection Act of 1973 [Pub. L. 93-234], 87 Stat. 980, which added Section 1363 to the National Flood Insurance Act of 1968 [Title XIII of the Housing and Urban Development Act of 1968 [Pub. L. 90-448]], 42 U.S.C. 4001-4128, and 44 CFR 67.4[a].

These elevations, together with the flood plain management measures required by Section 60.3 of the program regulations, are the minimum that are required. They should not be construed to mean the community must change any existing ordinances that are more stringent in their flood plain management requirements. The community may at any time enact stricter requirements on its own, or pursuant to policies established by other Federal, State, or regional entities. These proposed

elevations will also be used to calculate the appropriate flood insurance premium rates for new buildings and their contents and for the second layer of insurance on existing buildings and their contents.

Pursuant to the provisions of 5 USC 605[b], the Administrator, to whom authority has been delegated by the Director, Federal Emergency Management Agency, hereby certifies that the proposed flood elevation determinations, if promulgated, will not have a significant economic impact on a substantial number of small entities. A flood elevation determination under Section 1363 forms the basis for new local ordinances, which, if adopted by a local community, will govern future construction within the flood plain area. The elevation determinations, however, impose no restriction unless and until the local community voluntarily adopts flood plain ordinances in accord with these elevations. Even if ordinances are adopted in compliance with Federal standards, the elevations prescribe how high to build in the flood plain and do not prescribe development. Thus, this action only forms the basis for future local actions. It imposes no new requirements; of itself it has no economic impact.

Lessees and owners of real property in the City of Clarendon, Donley County, Texas, are encouraged to review the preliminary Flood Insurance Study and Flood Insurance Rate Map available at the address cited above. Proposed base flood elevations along flood sources studied in detail are shown on the flood profiles in the study. The flood sources studied in detail are:

RANGE OF BASE FLOOD ELEVATIONS

#DEPTH IN FEET ABOVE GROUND *ELEVATION IN FEET [NGVD]

ALCOHOL PLUS MEDICINES

When depressant medicines (those that cause drowsiness such as barbiturates, anti-histamines, and tranquilizers) are taken with beverage alcohol, increased drowsiness and decreased breathing may occur. Operating motor vehicles and machinery is dangerous. Death due to respiratory failure has occurred. Yet there are other medicine types that also should not be taken with alcohol.

Anticoagulants: Alcohol can both increase and decrease the "blood thinning" action in an unpredictable manner. Uncontrolled bleeding

or loss of medicine effectiveness may result. Sulfonamides: Alcohol taken with sulfonamides may result in severe headache, dizziness, nausea, vomiting, and flushing of the skin.

Phenytoin: Alcohol increases liver enzyme production. Seizures may occur due to rapid metabolism of this antiseizure medicine.

The list of medicines that should not be taken with alcohol grows longer each day. For information about the medicines you take, ask your pharmacist.

DR. CHARLES E. DEYHLE, Deyhle Veterinary Services, Inc., [second from right] and his son C.E. Deyhle Jr., [right] attended an October seminar at the Sheraton Hotel in Amarillo which was sponsored by Immuno Modulators Labs, Inc. (IML). IML is the maker of a new

product being marketed in Texas called Agriferon-C. Pictured with the Deyhles are, from the left, IML president Oliver Bright and Professional Hall of Fame member George Blanda. Agriferon-C is the first and only interferon-based product ever licensed in the United States, and the

first approved for use on cattle in Texas. It has been on the market since January of this year, and already the Texas Agricultural Experiment Station in Amarillo has reported consistent success in reducing the severity of shipping fever in cattle.

From The PEN of PASTOR PINION

PHILOSOPHY OF EDUCATION

There is much said today about our system of education. One can hardly pick up a newspaper that does not have at least one article on the Public Education System. Parents today are looking for a distinct alternative to the problems that are present in our public schools. Increasingly, parents, both Christian and unsave, are realizing that the public school system has changed; it's not the same as when they went to school.

The question then arises, what has made the difference? I believe that it lies in the "Philosophy of Education."

The right philosophy of education is vitally important to those of us who are in Christian education. Our choice of philosophy of education will spell the difference between right and wrong, success and failure in our schools.

It is of great importance that one understand the difference between the public school philosophy of education which is "progressive education," and the Christian school philosophy of education which is "traditional education." To help us in our understanding, we must first identify our terms.

Traditional education. The very mention of the phrase "traditional education" causes some to immediately conjure up a vision of a one-room schoolhouse, long wooden benches, a wood-burning stove, eight grades, one teacher, and an

outdoor toilet. Often as I speak in church, I'll ask, "How many of you attended a school like the one that I have just described?" I am always surprised at the large number of hands that are raised. I then proceed to tell these folks that they probably received a better education in their school with eight grades and only one teacher than most high school students are receiving today after twelve years of "enlightened" progressive education.

What made the difference? Why did they receive a good education in that one-room schoolhouse? Was it carpeted? Was it air-conditioned? Did the school provide educational gadgetry, reading machines, audio-visual aids, teacher's aids, state aid, federal aid, closed-circuit television? The answer of course is no. The key to their education was the teacher - a teacher who had an old-fashioned, authoritarian, traditional philosophy of education. While she was teaching the first graders, she knew what was going on in grades 2 through 8; and you'd better be down

to business and doing your work or else she knew the reason why!

The immediate response of some to traditional education as just described is that it is old-fashioned and that by today's standards, if it is old-fashioned it cannot be any good. To this I reply "Nonsense!" Truth and morality are also considered to be old-fashioned by today's standards, but that does not mean that they are not right.

Next week we will take a look at the philosophy of "Progressive Education."

The earth's surface holds 324 million cubic miles of water.

A humpback whale often travels more than 4,000 miles in a single year

EMS Association honors Dr. Hudson

At their regular monthly meeting on October 21, 1985, members of the Clarendon EMS Association honored Dr. Carl Hudson and his wife, Donna, with a going away dinner. The menu consisted of Mexican dishes and was held at the Clarendon fire station. At the conclusion of the dinner, Dr. Hudson was presented with a desk set by president of the EMS Association, Jim Sharrar who thanked Dr. Hudson for his friendship and service to the Association. Dr. Hudson then thanked the group for all they had meant to him.

He commended the group for the quality of care they provide and the dedication they have for the community. Fellowship and visiting followed the meeting and each one present individually wished Carl and Donna good luck in Borger and told them goodbye.

EMS Association members and their spouses who attended the party were Phillip and Fay Vargas, Jim and Venita Sharrar, Jim and JoDee

Mincey, Delbert Robertson, Steve and Wanda Smith, Mark and Lisa Winsor, Gerald and Becky Lane, Gary Mays, Connie McAnear, Pat and Edie Robertson, David and Connie Pitts, Mike and Neva Spier, and Donny Garman.

School Menu

November 18-22

Monday-Beef pot pie with vegetables, cream potatoes, cheese wedge, tossed salad, brownie and milk.

Tuesday-Beef stew with vegetables, cole slaw, cheese wedge, cornbread, peanut butter and honey on graham crackers, milk.

Wednesday-Turkey and dressing, gravy, mashed potatoes, cranberry sauce, green beans, hot rolls, fruit salad, milk.

Thursday-Spaghetti with meat sauce, hot rolls, english peas, applesauce, milk.

Friday-Chili burger on bun, tossed salad, french fries, grated cheese, cherry cobbler, milk.

Helpful Hints Facts From The Society Of American Florists

Q. What can I do about gerbera being prone to stem weakness?

A. To keep gerbera stems stiff and straight, be sure to recut stems and condition with floral preservative—and replenish solution every 1-2 days. Floral preservative can double the lasting quality.

Gerbera, also known as Transvaal Daisy, are large, daisy-like flowers available in a variety of vivid, intense colors including red, orange, yellow and white.

Always use fresh, tepid water and clean containers and never place flowers too close to heat, drafts or in direct sunlight.

Gerbera are available in almost every color imaginable. There is also a choice of single or double bloom varieties, as well as single blooms with black centers.

A bunch of gerbera and a few greens are simply irresistible and sure to brighten your home.
