Tessa Fletcher Wins Contest

Tessa Fletcher, senior in Clarendon High School, was one of the top five winners this year in the Circle of Friends' Christmas Card Contest. Hundreds of cards are submitted from school students throughout the Panhandle. The winning cards are sold to benefit cancer patients with the expenses of coming to the Harrington Cancer Center in Amarillo for treatment.

The Circle of Friends is a volunteer organization comprised of more than 2,000 members in the Panhandle. It is dedicated to helping those who are in need, through raising funds and in other ways.

The cards will be sold throughout the month at both banks in Clarendon.

TESSA FLETCHER was one of the winners of the Circle of Friends' Christmas Card Contest.

The local community is proud of Tessa and her contribution.

College Hires New Employee

Clarendon College has hired Lissa Parish to fulfill the duties of the Director for Admission and Development. This newly created position will allow the college to enhance its student recruitment and development activities. In addition to her recruitment responsibilities, Parish will also coordinate and disseminate the college's public relations information.

Parish comes to the college from the Kansas Livestock Association where she was employed for the last four years. During her employment with KLA she served as the director of membership services and coordinated the association's special projects.

LISSA PARISH

Parish received her associates degree from Clarendon College in 1985 and graduated from Texas Tech with a bachelors degree in Agricultural Education with a specialization in agricultural communication.

Counties Declared Disaster Areas

Low-interest emergency loans are available to eligible farmers and ranchers in 47 Texas counties that were declared disaster areas due to heavy rains and hail from May 1 to July 30, Agriculture Commissioner Rick Perry said today.

U.S. Secretary of agriculture Edward Madigan declared 26 counties as primary disaster areas.

They are Bailey, Borden, Briscoe, Castro, Cochran, Cottle, Crosby, Dawson, Deaf Smith, Dickens, Floyd, Gaines, Garza, Hale, Hockley, Howard, Lamb, Lubbock, Lynn, Martin, Midland, Motley, Farmer, Swisher, Terry and Yoakum counties.

An additional 21 counties were declared contiguous disaster counties by Madigan.

They are Andrews, Armstrong, Childress, Crane, Donley, Ector, Foard, Glasscock, Hall, Hardeman, Kent, King, Mitchell, Oldham, Potter, Randall, Reagan, Scurry, Sterling, Stonewall and Upton counties.

These declarations allow family-size farm operators in both the primary and contiguous areas to apply for emergency assistance from the Farmers Home Administration.

To be designated as a primary disaster area, the Farmers Home Administration determines whether a sufficient number of farmers in each county suffered losses of 30 percent or more. The counties designated as contiguous disaster areas were declared so because they were adjacent to the primary disaster area, but did not have the same extent of losses.

Each loan application will be considered on its own merits, taking into account the extent of losses, security available, repayment ability and other requirements.

For more information, producers should contact the local FmHA county office.

Christmas Trees For Sale

Christmas time is almost here again and the Clarendon Student Council is ready and waiting for it.

This year, the Student Council is selling Christmas trees. These trees will be fresh cut from a tree farm in East Texas.

Christmas tree prices will range from a 4 ft. tree for \$17.00 to an 8 ft. tree for \$31.00. Sample tree can be seen at Security Abstract this week. These trees have a money back guarantee. Pick-up day will be December 5th in the High School parking lot from noon until 5:00 p.m.

Student Council will be selling coupons for the trees from November 16th to November 30th, or you can call any student council member or sponsor.

This year let's all get together and start the Christmas spirit early by purchasing one of these trees. You may call the school at 874-2181 or Mrs. Butts at 874-3829.

Town Meeting Scheduled
A town meeting has been scheduled Tuesday, November 17th at 7:00 p.m. at Clarendon High School Auditorium. Clarendon residents will have the opportunity to learn of some of the plans to encourage tourism development in the panhandle, as well as the latest information concerning Thunder Junction.

Windbreaks Make Profit

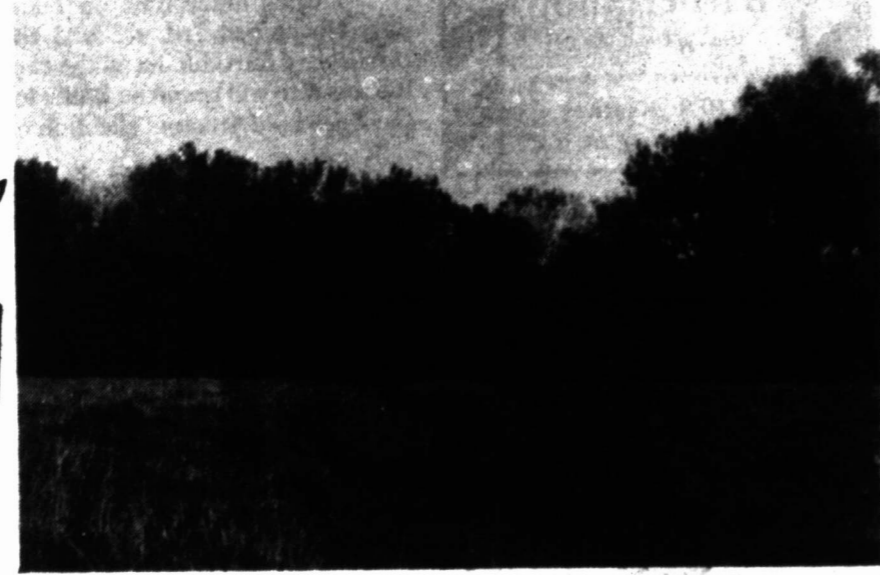

A windbreak on your land will mean money in your pocket, not only with increased crop profits, but also higher livestock gains and lower home heating costs.

Studies have shown that with the loss of one ton of topsoil the producers loses \$6.00 of fertilizer in that topsoil. These losses add up over a period of time especially if producers lose 10-30 tons per acre per year. (The average annual erosion rate in Donley County is 26 tons per acre.) An effective windbreak will negate these losses, keeping the topsoil for the crops.

Studies consistently have shown crop production increases of up to 44% in sheltered areas. These studies take into account the land taken up by the windbreaks and crop loss next to windbreaks. However, yields do increase. Crops subjected to hot winds will dry out, forcing plants to fight to survive. Sheltered crops are to survive and produce.

Windbreaks have a positive effect on livestock. Feedlot windbreaks increase temperatures during blizzards by insulating against the wind. Feed costs are reduced because animals do not use up so much energy maintaining body temperature.

For further information, please feel free to come by the Donley County Conservation Service at 4th & Sully, or give us a call at 874-3576. Remember, the best time to plant a windbreak was 20 years ago. The next best time to begin is today.

WINDBREAKS provide good shelter for wildlife of all types. As old shelterbelts decline, they should be renewed by planting new trees or by replacement. The Donley SCS Office provides free technical assistance and offers trees for such projects. Photo courtesy USDA Soil Conservation Service.

Veterans To Serve Breakfast

The VFW will serve breakfast, November 11, 1992, from 7 to 9:30 a.m. at the V.F.W. Hall. The public is invited to attend.

The Veterans will also put flags out at the cemetery.

Meeting Set

The Fun After Fifty's will meet Saturday, November 14, at the Senior Citizen Center. Bring a Covered Dish and join them for lunch.

Driving Safety Course Offered

A Drivers Safety Course will be held at Clarendon College on Saturday, November 14, 1992. It will meet from 8:00 a.m. to 5:00 p.m. in the Bairfield Activity Center. The fee is \$25.00. Please contact Clarendon College at 806-874-3571 for further information. Upon completion of this course, participants will be eligible for a 10% discount on their liability insurance or dismissal if a traffic violation. All dismissals of traffic violations must be approved by the appropriate Justice of Peace. This course is offered by Clarendon College and USA Training Company, Inc.

Anniversary To Be Celebrated

On Saturday, November 15, the First Christian Church will celebrate its one hundredth anniversary with morning services at the usual time, a carry-in dinner at noon, and in the afternoon singing and visiting. Friends and former members are invited to attend.

Panhandle History Buffs to Meet

The Amarillo Public library and the Texas Panhandle Railroad Historical Society will sponsor a seminar on the impact of the railroads on Panhandle settlement. The program will begin at 2:30 on Sunday, November 15, at the Amarillo Public Library, 413 East 4th. refreshments will be served. The speaker will be Mr. Dale Worley, author of *Iron Horses of the Santa Fe Trail*.

Bazaar Set

The United Methodist Church of Clarendon will have a Bazaar, Saturday, November 21 from 9 a.m. to 6 p.m. in the church's new Fellowship Hall. Booths featuring antiques, needlework, crafts, food, plants, children's items, etc. guarantee something for everyone.

Parade Coming

There will be a parade to celebrate turning on the lights on Monday, November 23 at 6:00 p.m. The parade will include many area residents in buggies or wagons, as well as old cars. Anyone who wants to participate should call Virginia Patten at 874-2425.

Merchants To Light Buildings

The Clarendon Merchants Association will light the fronts of the store buildings on Monday, November 23rd, at 6:00 p.m. Other activities have been planned. Watch for further details in next weeks paper.

Organizations Needed

All organizations who would like to participate in the decorating the Courthouse lawn, needs to be making plans now. Lights will be turned on November 23rd. If you have any questions please contact Denise Bertrand 874-2846 or Cheryl Pickard 874-2141.

Egg Cartons Needed

The High Plains Food Bank is in need of empty egg cartons to repackage the eggs that are donated to their organization. They can use either the one dozen or the 18-count size.

If you have any clean, empty egg cartons you would like to donate, please bring them by the Panhandle Community Services Office in the old courthouse in Clarendon, and they will see that they reach the Amarillo address.

LIONS CLUB District Governor Rick Garrett addressed the Clarendon Lions Club on their 70th Anniversary last week.

WTU Open House

Tired of the same old red and Green for Christmas? Come see what a little gold can do for your holiday season at West Texas Utilities as we celebrate a Renaissance Christmas. The latest in Christmas decorations and packaging will be available for public viewing at our Open House on Tuesday, November 17, 1992 from 10:00 a.m. to 3:00 p.m. at the local WTU office. While you are there, pick up your free Holiday Delights cookbook and complimentary gift, register for door prizes and enjoy a selection of refreshments.

Glamour Photography Session Planned

The Donley County Jr. Livestock Association will be sponsoring a "SuperShoot", glamorous type photography session, on November 18, at the Bairfield Building at Clarendon College.

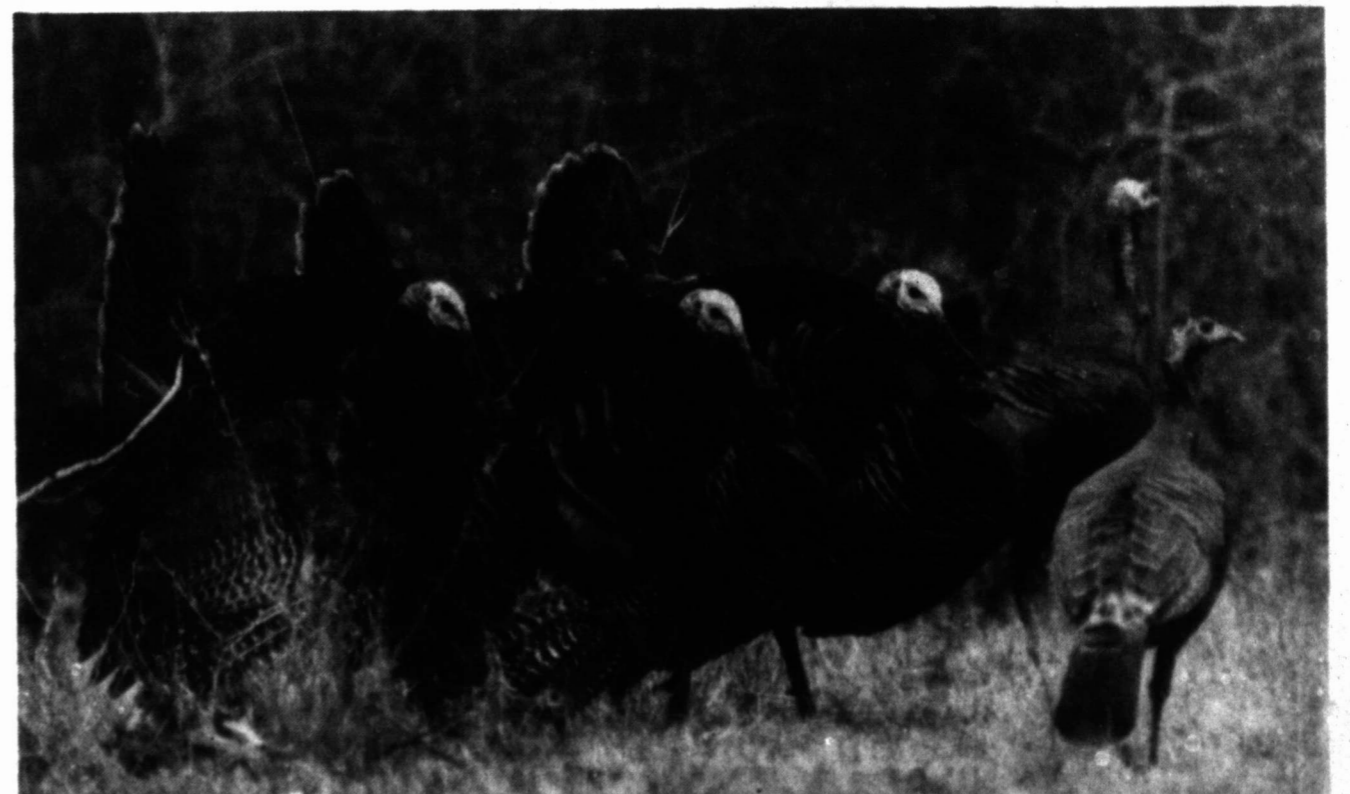

Coupons may be purchased from Hedley and Clarendon 4-H and FFA livestock showmen.

There are two types of coupons. The first is called "SuperShoot Total Sitting Coupon" and cost \$17.50. It includes: Photo session, hair and makeup consultations, choice of 1 outfit, and you get 1 before and 1 after.

The second "SuperShoot" coupon cost \$10.00 and is great for gags and younger children. All you do is: Arrive dressed in your favorite outfit with your hair and make-up done. You will receive 1 photo.

The coupons tell all about what you need to do or bring for your photo session. If you need more information call Kay Talley at 856-5426 or Mike Butts at 874-3554.

The proceeds from this "SuperShoot" will help insure a successful Donley County Jr. Stock Show and Sale.

TURKEY OUTLOOK PROMISING - Above average rains during the year and two to three consecutive years of good reproduction has helped the Rio Grande turkey population across the state. There should be a lot of turkeys available for Texas hunters and they should be in good physical shape. The north general whitetail season is Nov. 7-Jan. 3 and the south season is scheduled for Nov. 14-Jan. 10. A \$5 turkey stamp is required in addition to a valid Texas hunting license to hunt turkeys in Texas. Photo by TPWD

"If you are a farmer or a farm employee, Social Security has two publications that you should know about," says Jim Tolbot, Social Security manager in Amarillo. "They clarify the wage reporting responsibilities that employers of farmworkers have under Social Security and other programs of the federal Government and stress to farmworkers the importance of checking the accuracy of their wage records." The Publications are: A guide to Social Security for Farmers, Growers, and Crew Leaders (Publication number 05-10025), tells agricultural owners and contractors of farm labor how to report their employee's earnings and their own earnings to the government and explains the importance of accurate reporting. If You are a Farm Worker (Publication number 05-10074) explains that employers have a responsibility to withhold Social Security taxes from the workers' pay, match the amount that they withhold, and send the combined tax payment to Social Security and the Internal Revenue Service (IRS). It also tells farm workers how to check with Social Security to make sure their earnings are being reported properly by requesting a Personal Earning and Benefits Estimate Statement (PEBES). Social Security develops both booklets in

cooperation with the IRS and U.S. Department of Labor.

Every year, Social Security encounters problems reporting the wages of thousands of farm workers because employer reports contain inaccurate or incomplete information or because wage reporting doesn't occur at all. "Often, the problems are not uncovered until someone is filing for benefits," Talbot warned. "And then, the claims can be delayed or benefit payments will be less than they could be. The worst case is when workers learn they aren't entitled to any benefits after years of unreported work and unpaid Social Security Taxes."

Is He A Hero?

The Accident happened. Of that there is no question. Bobby Bouyea hurt his foot.

But now how the accident happened has some contradictory explanations.

According to Mr. Bouyea, he heard County Sheriff Jimmy Thompson scream for help as flames engulfed him in a lawn fire behind Mrs. Sneed's house. The Sheriff was fighting the fire with a garden hose that squirted just a tinkle of water.

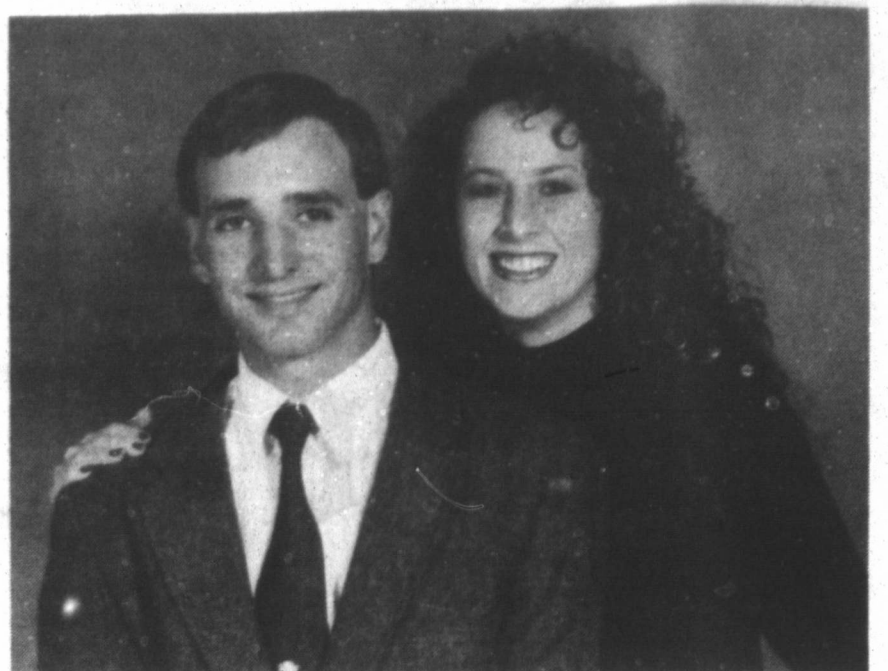

Without regard for his personal safety, Mr. Bouyea grabbed a fire extinguisher, and leaped the fence. In so doing, injured his foot. Despite his terrible injuries he saved the Sheriff from a fiery end and then extinguished the fire. Or at least that is one story. (Sheriff Thompson has a distinctly different account.)

However, some of the staff at Ruby's Place tell a different saga. According to these folks, Mr. Bouyea was sitting in a booth at the cafe with a beautiful young woman. He started playing "footsie" with her and she responded a little too vigorously. That resulted in serious injury to the side of Mr. Bouyea's foot. He may, or may not, have required the attention of Emergency Medical Services. (The staff at Ruby's are said to know the name of the lady in question.)

That makes at least three versions of the tale. There may be a dozen others.

Now can anyone tell what really happened?

Wallace Taylor Sides

Graveside services for Wallace Taylor Sides, age 67, were held at 10:00 a.m. on Monday November 9, 1992 in the Citizens Cemetery in Clarendon with Rev. Johnny Hoggatt, Pastor of the Martin Baptist Church, officiating. Interment was in Citizens Cemetery with arrangements under direction of Robertson Funeral Directors, Inc. of Clarendon.

Mr. Sides died Thursday, November 5, 1992 in St. Anthony's Hospice in Amarillo following a lengthy illness. He was born September 15, 1925 at Seymour, Texas and had lived in Amarillo most of his life before moving to Clarendon three years ago. He married Marie Wood on March 26, 1949 at Morton. He had been a truck driver for 11 years for Morrow-Thomas Hardware and had worked at Gibson's Discount Center for one year before his retirement in 1986. He was a member of the Martin Baptist Church in Clarendon.

Survivors include his wife, Marie Sides of Clarendon; one daughter, Uvonne George of Amarillo; one son, Leslie "Slim" Sides of Clarendon; two brothers, Harrell Sides of Amarillo, Welton Sides of Amarillo; and three grandchildren.

Casket bearers were Huey Lockerby, Lonny Lockerby, Jason Lockerby, Larry Taylor, Bill Stavenhagan, Billy Bob Hoggard, Jerry Meadows, John Molder, Gary Mays, Phillip Vargas, and Shawn Parkinson.

The family requests that memorials be to St. Anthony's Hospice; P.O. Box 950; Amarillo, Texas 79176-0950.

Crystal LaVeta (Holmes) Cruzan

Crystal LaVeta (Holmes) Cruzan, age 82, died November 2, 1992, at Bryan, Texas.

Funeral services were held, Wednesday, November 4, 1992, at 2 p.m. at Carmichael-Whitley Colonial Chapel in Pampa, with Dr. Don Turner, associate pastor of First Baptist Church officiating. Burial was in Memory Gardens Cemetery by Carmichael-Whitley Funeral Directors of Pampa.

She was born November 2,

1910 in Durango, Colorado. She was married to D.J. Cruzan on April 20, 1930 in Chandler, Oklahoma. Mrs. Cruzan had been a resident of Pampa for 42 years, moving here from Guymon, Oklahoma. She was a homemaker and a member of the Seventh Day Advent Church. She taught painting at the Pampa Senior Citizens Center for many years.

Survivors include her husband D.J. Cruzan of the home; two daughters, Sara Jane Simmons of Piedmont, Oklahoma and Beverly Teel of Bryan, Texas; two sons, Davey Cruzan of Spring, and Dorsey James Cruzan, Jr., of Pampa; one sister, Ruth Poole of San Antonio; nine grandchildren including Jonny Brooks of the home; sixteen great-grandchildren.

Grant Received

The Don and Sybil Harrington Cancer Center along with the Texas Tech University Health Science Center has been approved to receive a \$60,000 grant from the Texas Cancer Council. The grant contract that began on September 1, 1992 is titled "West Texas Coalition for Cancer Control" and will focus as a planning grant for the establishment of a coalition with significant community involvement, to address all areas of cancer control, patient support and patient treatment.

"The overall goal of the project is to develop a cancer control network to address the needs of rural West Texas." Dr. James K. Luce, Interim President and Medical Director of the Harrington Cancer Center, stated about the grant. He continued, "The purpose of this project is to identify the existing cancer treatment, education, research and detection services available, assess the needs, and develop a regional cancer care plan." Dr. Luce also serves as the Project Director.

Amarillo, Lubbock, El Paso, and Odessa will serve as centers to assemble groups of concerned health providers and citizens who will study the impact of cancer in their individual areas.

The unique demographic attribute of this area put The Don and Sybil Harrington Cancer Center and the Texas Tech University Health Science Center in a perfect strategic position for the development of large scale programs to address the underserved population of West Texas' rural areas.

NEWS OF EDUCATION

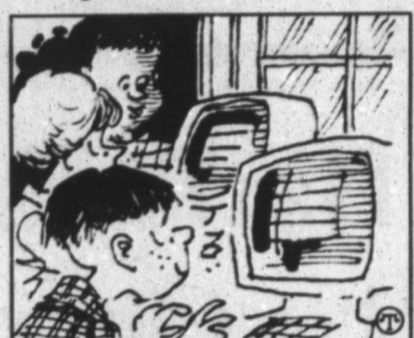

Reading Program Helps School Children Get Ready For World Of Tomorrow

The race toward educational excellence may be getting a big head start in Texas, where school children are learning to read and write at the same time of multi-media workstation they'll use at work when they graduate.

Put another way, the corporate workstation of tomorrow will look very much like the classroom technology these school children are learning today. The innovation, called *New Dimensions in the World of Reading*, is a reading program Simon & Schuster Education Group is offering to Texas schools.

By marrying the reading texts developed by Silver Burdett Ginn to classroom computers, Computer Curriculum Corporation creates a youngster's version of a multimedia workstation. In these workstations, video and sound presentations, graphics and animated cartoons all contribute to learning and enjoyment as students improve their skills in reading and writing.

"We are helping today's school children get ready for the world they will live in tomorrow," says CCC president Ron Fortune. "The kind of technology we are developing for the

Young students are improving their reading and writing skills thanks to a multi-media "textbook" that uses video, sound, graphics and animated presentations.

classroom is the same kind of technology people will be using in their homes and offices in a few years."

Each employee will have access to all of the information the company can collect on a subject, not just the facts needed to perform a particular task. The result of this program is that our children will become more productive employees, happier customers and create better acceptance of our nation's products and services all over the world.

Auditions To Be Held

High School and College band musicians, ages 14 to 21, in the Clarendon area are invited to join Lone Star Drum & Bugle Corps, which is based in Wichita Falls, Texas. The Corps will hold auditions at Henrietta High School in Henrietta, Texas beginning at 9 a.m. on Saturday and continuing through Sunday, November 28-29, 1992.

Lone Star plans to field a seventy eight member corp, with 1 drum major, 30 brass players, 23 percussion and 24 color guard, and tour in competition in shows throughout Iowa, Wisconsin, Illinois, Oklahoma, Texas, Arkansas, Louisiana, and Mississippi during the 1993 Drum Corp International Summer Music Games.

For audition information, write to: Jeff Ashlock, Executive Director, Lone Star Drum & Bugle Corp, P.O. Box 2228, Wichita Falls, Tx 76307-2228 or call (817) 322-7777 after 5 p.m. CST.

The Lions Tale

By Gene Alderson

The Clarendon Lions Club held its regular meeting at noon on Tuesday, November 3, 1992 at the Lions Hall with fourteen members and 1 guest present. Following a delicious fried chicken dinner, Boss Lion Templen called the meeting to order. After the Pledge of Allegiance and the prayers, we watched the second of three 20 minute segments of a video entitled "Our Godly Heritage." The video stated that a court decision in 1796 affirmed that the United States of America was a Christian nation but that no one Christian denomination was to be recognized as the official state religion such as the Church of England. Subsequent decisions, reinforced by a quotation from a letter written by Thomas Jefferson who was one of our founding fathers, ruled that the First Amendment was to protect the church from the government. Then in 1947, the Supreme Court reversed itself and ruled that the First Amendment called for the separation of church and state. In 1962 the Court ruled that prayer in school was unconstitutional. In 1963 the Court ruled that bible

**TIPS ON STAYING
SAFE AND SOUND
WITH NATURAL GAS.**

For more than 80 years, Lone Star Gas has been providing safe, dependable energy to its customers. By following a few simple rules, you can help make sure you and your family stay safe and sound with natural gas:

- Always have qualified service people install, regularly check and maintain all gas heaters and appliances, following the manufacturer's instructions for installation, ventilation, and operation.
- Always use a gas appliance only for its intended purpose. An oven, for example, should not be used to heat a room.
- Always keep flammable materials and substances away from gas heaters and appliances. Remember, a pilot light is constantly burning.

IF YOU SMELL GAS

in your home, or know you have a gas leak, follow these rules:

- 1 Everyone should leave the house immediately, leaving the doors open for ventilation.
- 2 Do not switch anything electrical on or off.
- 3 Do not use your telephone (telephones use small amounts of electricity).

- 4 Do not strike a match or do anything else that might cause a spark.
- 5 Go to the nearest telephone and call Lone Star Gas Company. Wait until we have found the cause of the gas leak before returning to your home.

If you smell gas while you're outside, contact Lone Star Gas immediately.

CONTRACTORS, BEFORE YOU DIG, call your local Lone Star Gas Office, and we'll help you avoid any potential problems.

SAFETY TIPS. We've put together a brochure that includes safety tips designed to educate your whole family about the proper usage of natural gas. For a copy, or if you have any questions, call us at 1-800-545-3427.

Jobs To Benefit Rural Texas

Neal Son Johnson, State Director of the Farmers Home Administration (FmHA), said "I am pleased to announce that the Business Industry Division has assisted rural Texas businesses in creating 187 new jobs and maintaining 56 existing jobs in fiscal year 1992.

Check It Out

by Mary Beth Nelson

Are you ready to get involved in some good fiction, wonder stories with unforgettable characters in whose lives you can become absorbed? Are you looking for a new author whose storytelling is enticing as well as wholesome? Highly recommended Rosamunde Pilcher, Maeva Binchy, and Janette Oke are three that you just might be looking for.

Many of you are acquainted with Rosamunde Pilcher's Shell Seekers which sold over three million copies in the United States and Canada, and almost four million worldwide. This was quoted as being a "publishing phenomenon", and was on the best seller list for two years. She followed this novel with September, another best seller. Pilcher's writings take place in her native Scotland. In Burton Memorial Library, there are many of her other works, including two books of short stories, if you're lucky enough to catch them on the shelf. Mary Linn Bills, librarian, tells me they are checked out most of the time.

Taking place in Irish settings are best sellers, Light A Penny Candle and Echoes by Maeva Binchy. You'll find several other novels written in her appealing style.

Janette Oke, born of Canadian parents in Champion, Alberta, has written a series of books which take place in the Canadian West. However, her settings are not limited to this area. There are four books which are combined into a series called Season Of The Heart. Another series called Love Come Softly contains eight novels. Other books plus a Devotional Series by the talented author are listed.

An understanding of human feelings seem to be portrayed by these novelists, and bring love, joy, and heartbreak into ordinary lives. Why not check them out?

Their Lives Are In Your Hands! Texas Coalition for Safety Belts

In Texas, loan guarantees for business and industry customers totaled almost four million dollars last fiscal year. One loan was obligated to a lumber manufacturing plant located in Liberty county creating 65 new positions and preserving 49 others. Another loan was completed in Wise County, which enabled the opening of a Medical Center, employing 27 people. Falls County was the beneficiary of a loan for a newly constructed restaurant which created 8 jobs. A loan guarantee was issued for a retail and wholesale fuel distributor in Crosby County which created two positions and maintained seven others. Starr County will have a super market under construction later this year with an FmHA loan guarantee of 1.2 million dollars and will employ approximately 85 employees.

Currently, preapplications for Business and Industry guarantees in Erath, Harrison and Swisher Counties are being reviewed for loans totaling 7.1 million dollars. Applications in Collins, Dawson, Hall, Harrison, and Matagora Counties are under review for loans totaling 7.7 million dollars. These new loans would create approximately 235 new jobs and preserve 160 existing jobs.

President Bush's budget, as recently passed by Congress, has allocated 100 million dollars nationally for loan guarantees to assist local lenders in meeting their local community's credit needs for the creation and preservation of jobs in rural America. "Texas Business and Industry Division looks forward to an initial allocation for fiscal year 1993 of approximately 4 million dollars to assist rural Texans preserve and create jobs," Johnson said.

Thank You

We would like to thank Joe Shadle and the Clarendon Fire Department for their quick response to our kitchen fire Wednesday. Thanks to your speedy help, we'll be back open by Monday, November 9th.

Also, to all our customers, thanks for your patience and concern. We will be open soon, cleaner and better than ever!

Thank You,

We would like to express our thanks to everyone for being so much help after our house burned. And especially to the fire department for being so quick to respond.

The Gary Moore family

Thank You,

I would like to thank all our dear friends in Clarendon for the many kindnesses shown to us in our time of sorrow. The calls, cards, flowers, and memorial donations and visits to our home was greatly appreciated.

We will always be eternally grateful to those we knew and loved.

PUBLIC NOTICE CONSTRUCTION PERMIT TO ALL INTERESTED PERSONS AND PARTIES:
You are hereby notified that PAYMASTER GIN ADM has applied for Texas Air Control Board (TACB) Permit No. 21830. This permit, if approved, will authorize construction of a COTTON GIN in LELIA LAKE, DONLEY COUNTY, Texas. The location of the existing facility is East Highway 287. This facility will emit the following air contaminants: particulate matter and unburned hydrocarbons.

A copy of all materials in the public file is available for inspection and reproduction at the TACB Lubbock Regional Office at 4630 50th Street, Suite 600, Lubbock, Texas 79414, telephone (806)796-3494, and at the TACB Central Office, 12124 Park 35 Circle, Austin, Texas 78753, telephone (512) 908-1000. Inquiries about the permit application should be directed to the TACB Permits Program in Austin or the TACB Lubbock Regional Office.

You may submit written comments concerning the permit application to the TACB Executive Director in Austin. All written comments received within 30 days after the second publication of this notice shall be considered by the Executive Director in determining whether to issue or not issue the permit. All written comments will be made available for public inspection at the TACB Central Office in Austin. This notice is to be published on Nov. 11 and Nov. 18.

Any person who may be affected by emissions of air contaminants from the proposed facility may request the Board to hold an informal public meeting and/or contested case hearing on the permit application pursuant to Section 382.056 (d) of the Texas Health and Safety Code. The Board is not required to hold a contested case hearing if the basis of a request is determined to be unreasonable. All requests for a contested case hearing must be received in writing within the 30-day comment period regardless of whether an informal public meeting has been held or scheduled on this matter.

Before a permit can be issued for this facility, the applicant must demonstrate that all emission sources are in compliance with all TACB Rules and Regulations and all applicable Federal Regulations. This includes the application of "best available control technology" to each new or modified emission source and compliance with all ambient air quality standards.
