DEAN HAWKINS

Hawkins Honored

Dean Hawkins, a reproduction physiologist from Colorado State University began work this semester work this semester as an assistant professor of animal and range science at New Mexico State University's College of Agriculture and Home Economics.

Hawkins will teach physiology of reproduction and animal physiology techniques. He also will continue his research in ovarian function in livestock.

The Clarendon native came to NMSU for a two year National Health Institute post doctoral position at CSU's animal reproduction and bio-technology lab, where he studies ovarian and anterior pituitary gland functions as they affected reproduction processes.

Hawkins is a 1980 graduate of Clarendon High School, a 1982 graduate of Clarendon College, a 1984 graduate of Texas Tech University. He completed his masters of science degree in animal reproduction from Texas Tech in 1986 and his doctoral degree in physiology of reproduction and growth from Texas A&M University in 1990.

While at Texas A&M, he received the 1990 Dr. A.M. "Tony" Sorenson Award for outstanding teaching and research by a Ph.D. candidate. He also was named outstanding agriculture senior and outstanding animal science at Texas Tech.

Hawkins is the son of Jerry and Glenda Hawkins of Clarendon.

Cotton Marketing Meeting Set

By Tim Trimble

The Donley County Extension Crops Committee is sponsoring Cotton Marketing meetings starting September 24th for local cotton producers. These meetings will be informal, coffee shop type meetings, which will be held the second and fourth Thursday of September and October at the Paymaster Gin, ADM in Lelia Lake. These meetings will include a teleconference with Dr. Carl Anderson, Extension Cotton Economist. Each meeting will start at 7:30 a.m. and last approximately 1/2 to 1 hour.

The Second meeting will be Thursday, September 24th at 7:30 a.m. at the Gin in Lelia Lake. Producers interested in learning more about marketing and that plan to attend one are more of the meetings need to come by the Extension Office to pickup a packet for prior review to the meetings. The packet will help producers understand terminology and basics which will be used at the meetings. At the meetings we will be discussing why the market is where it is, what is likely to happen in the future, hedging, puts and calls, and answering producer questions.

The dates for the meetings, which will all be at Lelia Lake, starting at 7:30 a.m. are: September 24, October 8 and 22. These dates are subject to change.

This is the start of an emphasis by the committee on marketing. Beginning in 1993 the committee plans to start a marketing club to help producers become familiar and more comfortable with the use of marketing techniques.

For more information contact the Donley County Extension Office.

Deadline Stated

The deadline for submitting material to *The Clarendon News* is 5:00 p.m. each Monday. Any ads or articles submitted after the deadline will be charged a minimum of a \$10 late fee. Material arriving after the deadline may or may not get into the paper.

1992-1993 HOMECOMING QUEEN CANDIDATES: Traci McKinley (Freshman), Jan Melton (Sophomore), Ashley Knorpp (Junior), Tessa Fletcher (Senior)

Crop Report

By Tim Trimble

The potential for a good cotton crop continues to increase with the mostly warm temperatures in September thus far. For the most part insect problems are still unusually light and have been most of the summer. Some Fields already have open cotton. Heat units for cotton planted between June 1 and June 15 ranges from 2150 to 2050. When cotton reaches 2300 heat units 95 percent of the bolls should be mature bolls.

Spanish peanut harvest has started in the county and by next week harvest should be in full swing. No report of yields.

Wheat is showing signs of moisture stress and some dryland foot rot has been noticed. A good general rain would help wheat conditions at this point.

Jobs Opening

"Good News for those who will be coming to Childress to interview for a job at the T.L. Roach, Jr. Prison Unit in Childress," said Dub Nelson, Executive Director of The Childress Chamber of Commerce who is co-hosting the event with The Criminal Justice Center of Amarillo College.

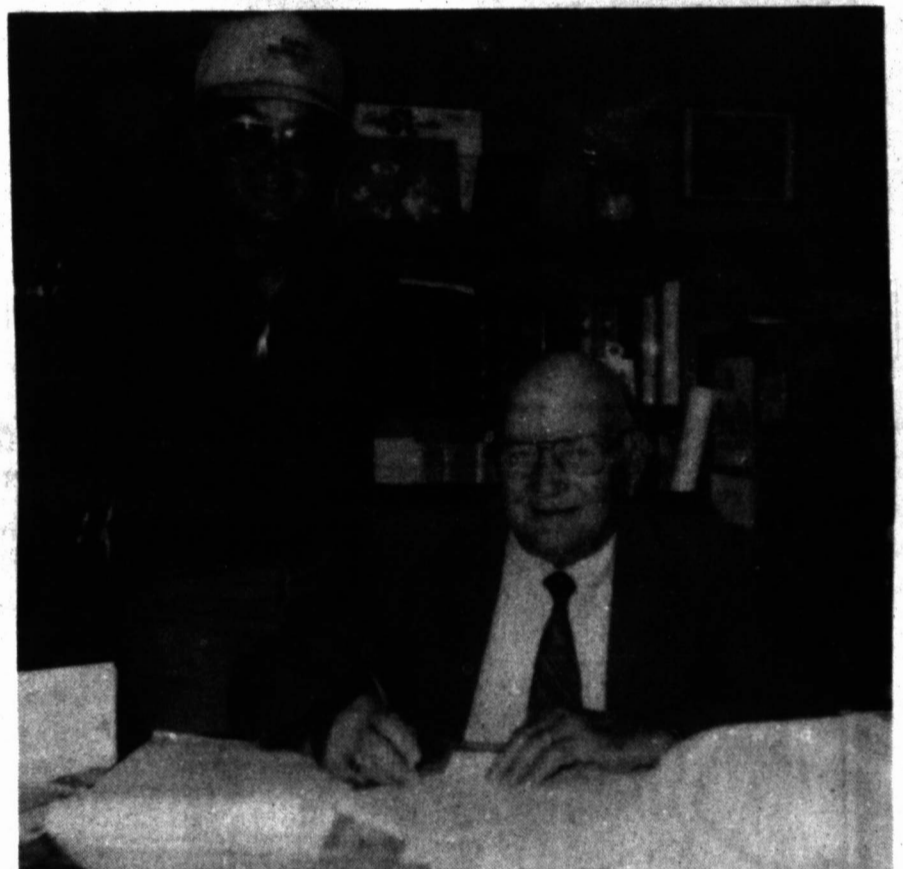

"According to Director Bob Russell who will be in charge of the program, an additional 10 people will be hired, bringing to 60 the number needed, rather than the original 50", Nelson continued, "and the training will be done in Childress rather than Amarillo. Plus the course will be at night and arranged so those accepted can keep their present job while preparing for their new job in Childress."

Director Russell announced other important changes, when he said, "our new salaries start in the \$18,600 range, and within 18 months, this should top out about \$23,500 annually. With fringe benefits or retirement pay, vacation time, and health insurance, the value increases make a very desirable job."

Lt. Mike Mahoney, Director of Personnel at the Childress unit, said, "There will be a special job application meeting at the City Auditorium in Childress on Tuesday, September 29th at 7:00 p.m. New hires will be based at the Childress prison."

"Please bring copies, not originals, of your High School diploma or GED, your drivers license, and your social security card. Veterans should bring a copy of DD214. Without these copies, we cannot process the application", affirmed Lt. Mahoney.

The Law Enforcement Training Academy is offering a 150 hour course to prepare qualified individuals for these jobs in Childress. The fee for this course is Cont'd on p. 10.

COUNTY JUDGE CRYSTAL - signs proclamation for Farm and Ranch Safety and Health Week in Hall and Donley County, for week of September 20-26, 1992. Also pictured is Roy Lee Helms.

Essay Contest Coming

The *Clarendon News* would like to encourage Donley County students to develop their proficiency in reading and writing.

To further this end, the newspaper will sponsor an essay contest, with the prize of a \$25 savings bond for the best essay in each of two groups.

News Shorts

Jr. High Homecoming Party Set

Friday night, following the Homecoming game until midnight, P.T.A. will sponsor a Jr. High Party with eats, drinks, games and dance at JAMZ.

Admission is \$1.00 and the downstairs Pizza Buffet and Open Games are all only \$3.50.

Upstairs super dance music provided by disc jockey of KLSR of Memphis.

Something for Everyone! All for \$4.50! All for you!

Mexican Pile On Planned

The Clarendon Band Booster Club has scheduled a Mexican Pile On supper for September 25, 1992, from 5 p.m. to 7:30 p.m., in the High School Cafeteria. This is homecoming for the Broncos, so plan on eating and afterwards going to the game. Tickets purchased from Band students before Sept. 25th, will be \$3.50 for adults and \$2.50 for K-12. You may purchase your ticket at the door for \$4.00 adults and \$3.00 K-12.

Outing Scheduled

The Girl Scout Father Daughter outing is scheduled for Saturday, September 26, from 2:00 p.m. until 7:00 p.m. at the Bitter Creek Ranch. For additional information call Denise Bertrand at 874-2846 or Refugio Benavidez at 874-3104.

Horseshoe Clinic Scheduled

The Tri State Professional Horseshoes Association and Diamond Tool Co. is sponsoring a clinic at the Community Center, Saturday, September 26, 1992. Registration is at 7:00 a.m. to 8:00 a.m.. Don Smith of Clarendon will hold a Tax Seminar until 9:30 a.m.. At 10 a.m., Glen Pointer of Tuscola, Texas will conduct a clinic on the use and modification of Keg Shoes.

Anyone who shoes his own horses or pays someone to do it will greatly benefit from this clinic. If you need more information contact John Mangum at 874-2012.

Goodnight Reunion Set

The Goodnight Reunion will be held September 26, 1992, at the Claude Activity Center, beginning at 10 a.m.. All school exes and friends are invited to attend. Drinks, plates, and cups will be furnished. For more information contact F.B. and Verna Massie at 806-226-2681 or L.D. and Edith Winkcomplex at 806-622-1669.

Portrait Unveiling Scheduled

On Sunday, September 27, 1992, at 2:30 p.m., there will be an unveiling of the Stockton P. Donley portrait at the Old Court House in the court room.

Everyone in Donley County is invited to attend.

Rally Scheduled

The United Pentecostal Church will hold a "Youth Alive" rally October 2nd and 3rd at 7:00 p.m.

Lelia Lake Reunion Planned

The Lelia Lake Reunion will be Saturday, October 10, 1992. Registration will begin at 10 a.m. at the Bairfield Building at Clarendon College.

A catered lunch is being planned for 1 p.m. The cost of the meal will be \$7.00 per person, pay when you register. Forms are being mailed out and need to be completed and returned by October 1st.

Plan to attend and bring pictures old and new or anything you would like to share with friends and classmates. Don't forget October 10th.

WorkShop Scheduled

October 17, 1992 is the date for a genealogical workshop to be held in Clarendon, Texas sponsored by the Donley County Genealogical Society the time is from 8:30 a.m. - 4:00 p.m. Clarendon College Bairfield Building, off highway 287 West, is the place. Charges are a preregistered fee of \$10.00 due by September 15th and \$21.00 at the door.

Cost of the workshop includes one free inquiry per person, done via computer hookup with Salt Lake City. Also include is a one year subscription to The Genealogical Helper. The number for the workshop will be limited in order to allow the computer ques-

tions. Come and brown bag it or eat at anyone of the good places in Clarendon.

Send Preregistration fee to Donley County Genealogical Society, P.O. Box 116, Clarendon, Tx 79226.

Harvest Dinner Planned

The Rebekah Lodge of Clarendon is having a Harvest Supper on November 3rd, from 5 til 7, consisting of Turkey and Dressing and all the trimmings. Price of tickets are \$5.00 for adults.

Attention!

The WMU of the First Baptist Church have cleaned out their clothes closet completely. They have a complete different line of clothes, men, women and some childrens clothes. They are open every Monday at 2:00 p.m. Please come by the First Baptist Church at 301 Bugbee, in Clarendon and help them clean out their closet again.

Books Needed

The Clarendon Elementary School is in the process of establishing a library. They would like to suggest that in order to help start the new library, parents send a book in honor of their child's birthday. The book doesn't have to be fancy or expensive, just some-

thing the children would enjoy. The book will be read aloud to the class before being donated to the library. There will be a stamp put in these books with the child's name and their birthdate. If your child's birthday does not fall during the school year please visit with their teacher to arrange a good time for your child to bring their book. We would appreciate your support in establishing the library.

Class Reunion Planned

Clarendon High School Class of 1943 will be holding its 50th Class Reunion on August 6 and 7, 1993 in Amarillo. Headquarters will be the Fifth Seasons East.

Although the reunion is planned by members of the Class of 1943, an invitation is being extended to graduates of other years. Individuals wishing their names on the mailing list should contact Bill or Helen Lowe in Clarendon; or Jeane Bartlett, 61116 Gainsborough Road, Amarillo, Texas 79106.

Budget And Tax Rate Adopted

On August 17, 1992, following a public hearing, the Board of Directors of the Panhandle Ground Water District, adopted a budget of \$148,600 for the fiscal

Cont'd on p. 10.

Wage Complaints Filed

More than 33,000 wage complaints have been filed against Texas employers since the Texas Employment Commission took over enforcement of the Texas Payday Law in 1989, and that is just too many," TEC Commissioner Mary Scott Nabers said. "Obviously too many Texans don't understand the law."

Nabers said she believes that either Texas employers are unaware of the various aspects of the law or employees are confused about what the law provides. "Either way, the current statewide awareness campaign initiated by

the TEC should be helpful," she said.

The statewide campaign by the TEC labor law division started last month with a new toll-free information line: 1-800-TEC-WAGE. The labor law division's existing phone number (1-800-342-3836) will be phased out and permanently disconnected by the end of October 1992. The awareness campaign also provides a series of educational materials pertaining to the law for employers and employees.

"The outreach to workers and employers alike is necessary because so many Texans are not aware of the law and its provisions. For some time now the law has been misunderstood and this new program should resolve some of

the problems," Nabers said.

The Texas Payday Law was created in 1915 to resolve wage disputes between employees and employers. In 1989 the Texas Legislature transferred payday law enforcement responsibility to the TEC. Since then the labor law division has received 33,061 claims, and more than 12,000 of them were filed from July 1991 to July 1992.

The labor law division has collected a total of \$ 3.9 million in unpaid wages since 1989. In the past 12 months, more than 2,000 liens have been placed on employers' properties, and today, approximately \$ 1.3 million in wages have yet to be collected.

"These statistics indicate employers might not be fully aware of the state's payday law provisions," Nabers said. "There is an obvious need to educate everyone about the law to reduce the number of claims filed and to ensure that employees are treated fairly in respect to payroll issues."

Nabers said new brochures and informational material are available to employers and employees alike. One booklet titled *Survival Guide to the Texas Payday Law*, is designed to inform employers about the wage complaint process. It explains the law in simple terms and includes a step-by-step guide for dealing with wage complaints.

AMERICAN CANCER SOCIETY
Endometrial Risk
Certain conditions may place women at high risk for endometrial cancer: infertility, failure of ovulation, diabetes and obesity. Women who are having or have had estrogen therapy are also at high risk for the disease. The Society recommends that women at high risk should have an endometrial tissue sample taken at menopause.

MRS. JOHN CLARK III

Wedding Announced

Mary Nell McGarity and John Edward Clark III, were married on April 25, at 5:00 p.m. in the Presbyterian Church in Gonzales. The Rev. Owen McGarity Jr. (H.R.), former pastor of the congregation officiated at the double ring worship service. Mr. McGarity is now the supply pastor of the Luling Presbyterian Church.

Mrs. Tommy Wright of Gonzales was the organist and Father Carlos Valequez of Gonzales was the guest speaker. David Thomas, nephew of Mrs. McGarity played the trumpet. Soloists were Alverta McGarity, the brides aunt. Thomas McGarity, brother of the bride and Greg Reilly, brother-in-law of the groom played the guitars. Meghan Clark, niece of the groom lit the candles. Dr. Arthur McGarity brother of the bride ushered in the great aunts of the bride, Katylene Kendall and Ruth Stovall.

The bride was escorted by her father. She wore a satin bridal gown with a portrait neckline and short sleeves trimmed with venice lace, sequins, and pearls. She carried long stem roses, tulips, and irises tied with a satin bow.

Elizabeth McGarity Silva of Houston served as her sister's matron of honor. Bridesmaids were Ellen Eisenhlohr, Luise Welby, Sheryl Rodgers, Dorian Martin and Judy Reilly, sister of the groom. The flower girls were Kaitlin Clark, niece of the groom and

MEMBER 1992
TEXAS PRESS ASSOCIATION

Natalie Silva, niece of the bride. The ring bearer was Micajah McGarity, nephew of the bride.

Best man was Dr. Charles Clark, brother of the groom. Groomsmen were Martin Carney, Jerry Stuhlman, Pierre Donohue and Greg Loken.

Following a night in Austin, the couple left for a week's honeymoon in Hawaii.

The bride graduated from Clarendon High School in 1977, received a B.A. degree from Trinity University, and received a J.D. degree from the University of Texas School of Law, where she served on the Texas Law Review and was a member of the Order of Coif. She is now working as a trial attorney for the Department of Justice in Washington D.C. The groom received a B.A. degree from St. John Fisher College, Rochester, NY, and the M.E.D. degree from Hunter College, New York. He is now employed as a substance abuse counselor of Fairfax County, Va. The couple will make their home in Reston, Virginia.

Anniversary To Be Celebrated

In honor of the Fiftieth Wedding Anniversary of Mr. and Mrs. Earl Barker their children and grandchildren request the pleasure of your company at an Open House on Saturday, October 17, 1992 from 2:00 - 6:00 p.m. at the Groom Community Center, 103 Broadway, Groom, Texas. No gifts please.

Stimulant Medicines for ADHD Treatment

ADHD or attention-deficit hyperactivity disorder is a condition that affects approximately three percent of all children in the United States. According to an article in *Patient Care*, a child must display some difficulty with three dimensions of behavior in order for ADHD diagnosis to be made properly. These are hyperactivity, inattention, and impulsivity. All must be present for a minimum of six months and must have started before the child turned seven. Studies have not shown a direct relationship between hyperactivity and consumption of food additives or refined sugar. Some evidence suggests that there may be a genetic link between ADHD children and their parents. According to the *Patient Care* article, significant exposure to alcohol or cigarette smoke prior to birth may increase a child's risk for ADHD.

Stimulant medicines such as *methylphenidate*, *dextroamphetamine*, and *pemoline* have been used with success in many ADHD children. In some children these medicines have decreased impulsiveness and aggressiveness. Some children also have experienced an improvement in attention span, handwriting, and compliance with instructions from adults.

MIKE WANTS TO BE YOUR PHARMACIST

Senior Citizens News

By Nova Neuhaus

The kitchen staff is most appreciative of the nice supply of kitchen towels and hot pads that were donated by Verdie Tipton, Ann Bunyan and Ellie Wilkerson.

Big thanks to Bill and Nita Meadors for picking up a load of food items at the Food Bank in Amarillo recently.

On Wednesday, September 16th, the regular meeting of the Board of Directors was held. Accountant Phillip Wiggins presented the year-to-date financial report. Our funding for F/Y 1993 will be determined depending on the re-authorization of the Older Americans Act which is still being debated in Congress. The Vice-President, Elvis White appointed a nominating committee for candidates for the Board of Directors election to be held in November.

Rolinda Longan, LVN, from Shepard's Crook Home Health Care, held the Blood Sugar and Blood Pressure clinic for us last Tuesday, September 15th. We appreciate her doing this for us in Carmen's absence. Carmen will be back with us on Tuesday, October 6th for Blood Pressure Day.

The Golden Spread Hearing Aid Clinic was here last Thursday for Hearing Aid Service and testing.

On Sunday, September 20th, the RSVP Tri-County Volunteer Recognition Banquet was held in Borger at the 1st Methodist Church there. Darrel Harper drove the Van for us and took Ann Bunyan, Hazel Guy, Thelma Behrens, Eda Wallin, Lee Caskey, Verdie Tipton, Ellie Wilkerson, Marie McCracken and Nova Neuhaus. The Theme this year was "Volunteers: A Symphony of Service" honoring all RSVP members the past year. It was so colorful. The food was delicious which was prepared and served by the Methodist ladies. We were well entertained by the Living Proof Trip singing beautiful gospel songs. The guest speaker was most inspirational. Jim Holston, RSVP Director, from Amarillo presented all volunteers with Certificates. Hopefully more of our local RSVP members will be able to attend this annual event.

Reminder: Grammy & Pop from Silverton will be our entertainers for our Birthday/Anniversary Supper on Tuesday evening, September 29th at 6 p.m. You won't want to miss a great evening full of music and the Roarin' 20's show. Bring a friend and a dish and come join us.

Quilt Club Meeting Held

Martin Club met in the home of Jo Shaller, September 17. A delicious meal was enjoyed at noon. One quilt was finished. Those present were Hazel Edens, Melba Riskey, Mary Lee Noble, Ann Bunyan, Verdie Tipton, Flossie Reynolds, Pauline Koontz, Eunice Leeper, Mary Banister, Barbara Helms, Host Jo Shaller, Guests Paula Hayworth, Tiny Alderson, Dottie Shanks.

Medical Center News

Residents of the Medical Center, staff, family, and friends enjoyed helping the residents celebrate their birthdays this month. Those celebrated were, Ellar Spruogen, Willie Brandon, Ruby White, Dorothy Hall, Stella "Birdie" King, Beula Maxey, Katie Phillips, and Ione Stanley. While the residents visited and enjoyed an assortment of cakes provided by family members, Mary Beth Nelson supplied entertainment for the party. She played a variety of beautiful songs on our piano. Mrs. Nelson has just recently rejoined us after having had surgery earlier this summer. She conducts our Music Therapy every Monday at 3:30 and the residents truly love her. We are happy and lucky to have her back and we appreciate the time she spends here volunteering. She puts a ray of sunshine in the lives of the residents.

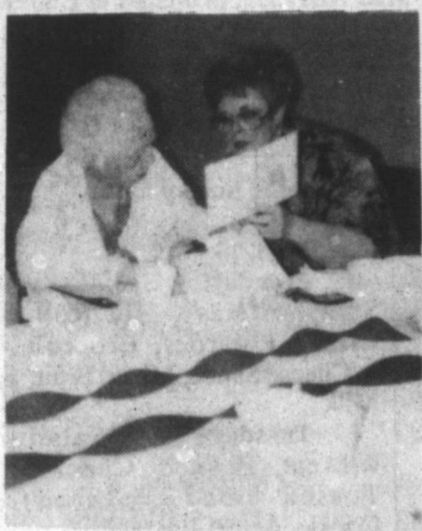

October is just around the corner and will be yet another busy, fun filled month for our residents. Besides our regular every day activities, plans for an Octoberfest Celebration and Halloween Party are under way. The Center is also making plans for the children in the community to come Halloween Night and Trick or Treat in the home. Residents will love to see

the children in their costumes. Be on the lookout for further advertisement of this event.

Activity Director, Tina Davis, would also like to tell the community she is presently attending the Activity Director Course offered by Amarillo College. She hopes to better herself in this field so she may make a bigger and better difference in the lives of her residents. Keeping the residents busy, happy and comfortable are her goals as well as being as good a friend to the residents as they have been to her.

One of our residents stated, "The old can learn from the young and the young from the old."

We appreciate our volunteers, community churches, friends and family who put in countless hours at the Medical Center. We couldn't make it without you.

STELLA "BIRDIE" KING, 103 years old with granddaughter Barbara Cosper. Birdie is their oldest resident

Public Notice

Southwestern Bell Telephone Company, in accordance with the rules of the Public Utility Commission of Texas (PUC), hereby gives notice of the Company's intent to implement a new schedule of telephone rates in Texas for optional Custom Calling Services and Touch-tone service, effective March 15, 1993, unless otherwise determined by the PUC.

These proposed rates will not increase or decrease the Company's overall revenues; the net effect will be neutral to the Company's annual revenues.

The Company proposes to decrease the rates for Touch-tone service for residential customers from \$1.00 to 68 cents, and also to reduce the Touch-tone rates for business customers from \$1.75 to \$1.70. In addition, the Touch-tone rates for business PBX trunks will be reduced from \$3.15 to \$2.16.

This proposal to decrease the rates for Touch-tone service does not change the commitment that the Company made in the Docket No. 8585 Stipulation to reduce the rates for Touch-tone service in 1993.

The Custom Calling Services affected by the Company's application are optional telephone service arrangements that provide the following features: Call Waiting, Call Forwarding, Three Way Calling, Speed Calling-8 and Speed Calling-30. Following are the feature combinations and their current and proposed rates.

One Feature per line	Residence		Business	
	Current Rate	Proposed Rate	Current Rate	Proposed Rate
Call Waiting	\$2.10	\$2.85	\$2.65	\$3.25
Call Forwarding	2.10	2.10	2.65	3.50
3-Way Calling	2.10	2.10	2.65	2.50
Speed Call-8	2.10	2.10	2.65	2.50
Two Features per line				
Call Waiting, Call Forwarding	3.75	4.25	4.75	6.00
Call Waiting, 3-Way Calling	3.70	4.25	4.75	4.75
Call Waiting, Speed Calling-8	3.70	4.25	4.75	4.75
Call Forwarding, 3-Way Calling	3.70	3.50	4.80	5.00
Call Forwarding, Speed Calling-8	3.70	3.50	4.75	5.00
3-Way Calling, Speed Calling-8	3.70	3.50	4.75	4.00
Three Features per line				
Call Waiting, Call Forwarding and 3-Way Calling	5.30	5.65	6.90	7.50
Call Waiting, Call Forwarding and Speed Calling-8	5.30	5.65	6.90	7.50
Call Waiting, 3-Way Calling and Speed Calling-8	5.30	5.65	6.90	6.25
Call Forwarding, 3-Way Calling and Speed Calling-8	5.30	4.90	6.90	6.50
Four Features per line				
Call Waiting, Call Forwarding, 3-Way Calling, Speed Calling-8	6.90	7.05	9.00	9.00
Speed Calling - 30 code capacity	3.20	3.20	4.25	3.20

Most of the Company's residence and business customers who subscribe to Custom Calling Features and Touch-tone service will be affected by the proposed rate restructuring.

It is expected that the restructuring of Custom Calling Features will result in a rate increase for approximately 2.9 million residence customers and 280,000 business customers. The reduction in rates for certain Custom Calling Services and Touch-tone Service will affect approximately 4.3 million residence customers and 1.7 million business customers.

This rate restructuring is expected to have a "revenue-neutral" effect on the Company's annual revenues. The proposed rate restructuring of Custom Calling Services will increase the Company's annual revenues by \$19.8 million; while the reduction in Touch-tone rates will decrease the Company's annual revenues by \$19.8 million.

This proceeding has been designated Docket No. 11382. Persons who wish to intervene or otherwise participate in this proceeding should notify the PUC as soon as possible. The deadline to intervene is October 30, 1992. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221, teletypewriter for the deaf.

Broncos Defeat The Irish

The Clarendon Broncos played Shamrock Irish Friday September 18 at Shamrock.

The Broncos scored early in the game with 10:05 left in the first quarter. Spencer Smith made a 16 yard touchdown run with Corey Field kicking the extra point. To add to the excitement of the early minutes Brice Fletcher made an 11 yard touchdown drive, that long with Corey Fields extra point bring the score to 14-0. Corey Fields added two additional touchdowns when Chad Campbell completed a 63 and 13 yard passes, both extra points were good. At the end of the first quarter the score was Clarendon 28, Shamrock 0.

Clarendon's only touchdown in the second quarter was scored by Corey Fields when he received a 60 yard pass from quarterback Chad Campbell, the extra point was good. The half time score was Clarendon 35, Shamrock 0.

Spencer Smith started the second half off with a bang when he made a 99 yard kickoff return. Corey Field kicked for the extra point which was good. Wesley Smith also scored in the third quarter with a one yard run and Corey Field's extra point kick was good for a score of 49-0.

Wesley Smith scored the last touchdown of the game with a 44 yard run in the fourth quarter, the extra point was good.

Corey Field furthered the Broncos led when he kicked a 20 yard field goal in the closing moments of the game. The Broncos dominated the entire game, with a big win over the Irish. The final score was Clarendon 58, Shamrock 0.

Rushing - Spencer Smith-59; Ricky Smith-52, Wesley Smith-139; Chad Campbell-14; Todd Lindley-5; Billy Wilson-17.

Passing - Chad Campbell-3-5-136.

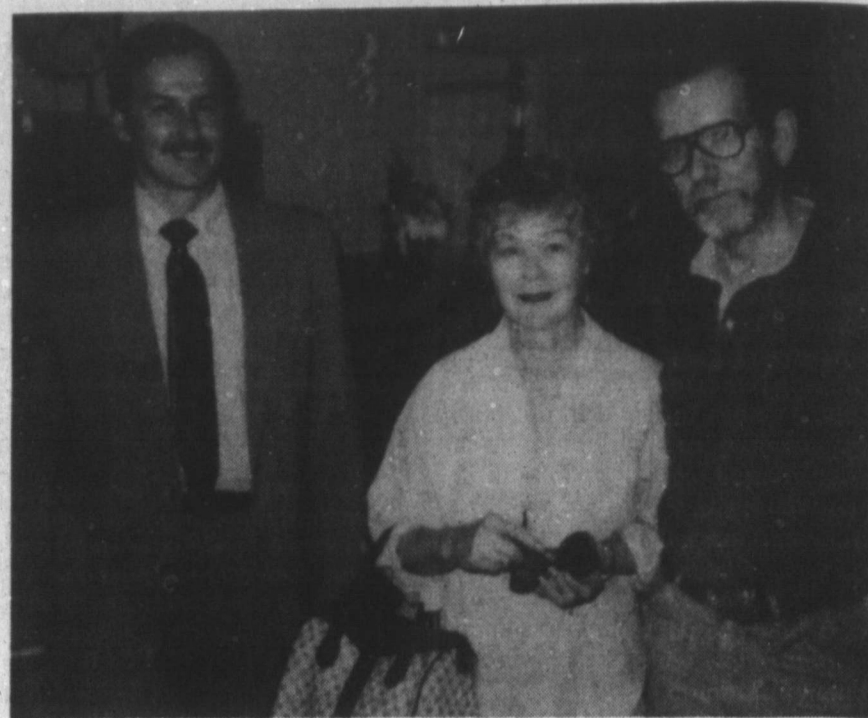

Receiving - Corey Field-3-136.

The Broncos will play White Deer for Homecoming Friday, September 25, at 8:00 p.m. at the Bronco stadium in Clarendon. Everyone come out and support the Broncos.

The Clarendon J.V. played Canadian Thursday, September 17. The J.V. Broncos lost 20-6, they played a very tough team the score was tied 6-6 at the end of the third quarter. Outstanding players on the J.V. team were: Robert Taylor, Chris Hollan, and Logan Mays. Photos unavailable.

The Junior High and J.V. Broncos will play Wheeler Thursday, September 24, at Bronco Stadium in Clarendon.

MR. KEPLEY, principal of Clarendon High School, proudly accepts two computers and scanner, which was given to the school district by Mr. and Mrs. Jim Douglas of Irving, Texas. Mr. Douglas graduated from Clarendon Junior College in 1946. This is the second time Mr. Douglas has donated computers to the school.

Public Notice

Southwestern Bell Telephone Company has asked the Public Utility Commission of Texas (PUC) for approval to offer new optional call management services called Caller Identification Service (Caller ID) and Anonymous Call Rejection (ACR).

Caller ID is a new optional phone service which allows subscribers to see the phone number and/or name of most local calls before they answer the phone. Caller ID also allows the recording of the date, time, name and/or phone number of calls. Currently, Caller ID would work only on most local calls, not long distance calls. It would also require that a separate display unit be connected to the telephone. These units that attach to the telephone will be available from various retail vendors, including Southwestern Bell, at a cost starting at approximately \$50.

Southwestern Bell is also proposing that all customers be able to "block," or stop their name/number from being transmitted and displayed on a Caller ID device, free of charge. You would have this option of "blocking" your name/number on each call free of charge. There would be no need to subscribe to this service. All customers would have this capability when Caller ID is introduced in their area.

If you want to block your name or number, you need only press *67 on your touch-tone pad (or dial 1167 from a rotary phone) before dialing the telephone number. The person you're calling would see displayed a message such as "private" or "anonymous" on their Caller ID display unit.

Southwestern Bell also proposes that qualified domestic violence and law enforcement groups have the option of free per-line blocking, or free per-call blocking.

Anonymous Call Rejection (ACR or "block the blocker") allows subscribers to automatically reject all calls that have been marked anonymous, or "blocked" by the person calling. It is not necessary to subscribe to Caller ID Name/Number to subscribe to ACR. With ACR, your telephone will not ring if the person calling you has "blocked" his/her name or number. The person calling whose identification is blocked will receive a message to hang up and call back with caller identification unblocked. Following are the proposed monthly rates for Caller ID and ACR.

	Residence	Business
Calling Number only	\$6.50	\$ 8.50
Calling Name only	\$6.50	\$ 8.50
Calling Name & Number	\$8.00	\$12.00
Anonymous Call Rejection	\$3/\$1**	\$3/\$1**

* These rates are in addition to the initial installation charges and monthly basic service rate. For residence customers, installation charges are \$2.70 per feature, with a maximum charge of \$5.40. For business customers, the charges are \$5.40 per feature, with a maximum charge of \$10.75.

** Anonymous Call Rejection is \$3 per month if purchased without Caller ID and is \$1 per month when purchased with Caller ID Name or Number.

This proceeding has been designated Docket No. 11362, and a hearing on the merits has been scheduled for November 16, 1992. The PUC has jurisdiction to consider this matter pursuant to Sections 16, 18, 37 and 38 of the Public Utility Regulatory Act (PURA). This application was filed pursuant to the provisions of the PUC's Substantive Rule 23.24. Among the issues that will be addressed in this proceeding is the legality of the Caller ID device and service under Texas wiretap laws.

Persons who wish to intervene or otherwise participate in these proceedings should notify the PUC as soon as possible. The deadline to intervene is October 26, 1992. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221 teletypewriter for the deaf.

Donations Needed

The Clarendon Student Council is hosting a Baby-Baby Aid for the babies and parents who were wiped out during Hurricane Andrew.

The Baby-Baby Aid will be held Thursday during the J.V. game and during the Clarendon vs. Happy game, Friday October 2, or if you would like to donate something before, just contact any student council member, and give the things to them. The Student Council is asking you, the community, bring things such as diapers, baby formula, bottles, or any other non-perishable food that can be sent to Florida and Louisiana.

The Student Council has already contacted Happy and they have said that they would inform the school and community and would probably participate.

Please help these babies of this disaster, and bring at least one of these things to the games Thursday or Friday.

Anything that can be brought would be greatly appreciated.

Thank you!
Student Council Members

The Lions Tale

By Gene Alderson

The Clarendon Lions Club held its regular meeting at noon on Tuesday, September 15, 1992, at the Lions Hall with seventeen members and seven guests present. Tiny Bernabe came in time to play the piano for our singing. Following the meal, Boss Lion Tamplen called the meeting to order. After the regular opening ceremony, Liontamer Henson introduced our guests including Rick Kuell, Carolyn Moebius, Brent Doll, and Frank Conroy, auditors from Dallas, who were the guests of Lion Smith. A treasurer's report was given by Lion Bernabe.

Our program was given by Joel Zehr who is Head Basketball Coach and Girls Basketball Coach at Clarendon College.

Meeting adjourned.

ANNOUNCEMENT OF DIRECTOR ELECTION

An election of a soil and water conservation district director to serve in Zone 4 on the Donley County Soil & Water Conservation District is scheduled for October 5th in the Soil Conservation Office announced Dick Bode, chairman of the board. The election will be held at 7:30 p.m.. Bobby Boston is currently holding this position.

State law decrees that to be eligible to vote in a soil & water conservation district director election, a person must own agricultural land within the district where the election is being held. The person must also live in a county all or any part of which is in the district and the voter must be 18 years old.

Legal Qualifications state that a candidate for the office of a soil & water conservation district director must own land in the zone he represents and be actively engage in farming or ranching. Soil & water conservation district directors serve four year terms of office.

Zone 4 of the district includes the area east of F.M. 291 to its intersection with F.M. 1260; then south and west to its intersection with F.M. 1755; then south to its intersection with U.S. Highway 287; then north along S.H. 70.

The district board of directors coordinates the conservation efforts of various local, state and federal agencies and has the authority to enter into working agreements with these agencies to carry out its purposes.

Check It Out

by Mary Beth Nelson

When thinking about reference sections in a library, most of us probably think "encyclopedias", and tend to leave it at that. It's true the Burton Memorial Library keeps updated encyclopedias, but its reference section offers much more. In fact, after examining the reference section last week, it was evident that it would be necessary to devote more than one column to the variety of references which I found.

I was impressed with the SIRS collection of information. SIRS stands for Social Issues Resources Series. This series consists of re-prints from professional journals concerning important social issues confronting citizens today, and can be found in twenty-six gray and two red loose-leaf binders. The subjects are labeled on each binder, and there are several volumes dealing with each of the following issues: Alcohol; Crime; Drugs; Family; Mental Health; Pollution; Sexuality; Youth; and Third World. The two red binders are entitled Aids In Crisis. Included in the SIRS series is a Study Guide, and each article is indexed, making it convenient to locate a certain aspect of each subject. High School and College students, this is an excellent resource for those inevitable term papers that you will need to research, and it's free too! A person would have to subscribe to numerous publications to receive the wealth of material that can be used at the library just for the asking. What a valuable study tool. The library continually receive "updates" which are added to the SIRS collection. Because of the necessity to be informed of issues constantly facing today's rapidly changing society, the SIRS series is definitely beneficial to all community citizens as well as students.

Hopefully, you will read future columns for additional reference reviews in the City Library. Right now, congratulations are in order to fifth graders, Lindy Helms and Louie Jaramillo, bookmark winners in 1992 Bookmark Contest. This is a library highlight activity to which many of Clarendon's children look forward each spring and summer.

Also, other fifth grade news. If you haven't seen the lovely projects created by students in Mrs. Kelly's Social Studies class, give yourself another treat by going by to see these displays.

Book sales are continuing through September for the unbelievable price of 25 cents per pound. What a deal! You may find a book you've been wanting, but couldn't afford until now, so why not check it out when you come to examine the reference section and view the children's projects?

Help Fight Cancer

Clarendon, September 21, 1992 - Frank Hommel today called on all area residents to join St. Jude Children's Research Hospital's Saddle Up horse trail ride slated for October 17, 1992 at 9 a.m. at Caprock Canyon State Park.

Volunteer workers and riders are needed for this event to raise funds for the world famous research center in its battle against childhood cancer and other catastrophic childhood diseases. "We're looking for riders and helpers who will contribute their time and talent to help children live. We really need lots of riders, since they are the ones who can make this ride successful," Hommel said.

In the Saddle Up trail ride, horse riders ask sponsors to make a donation based on each mile completed on the 10 mile outing. All rider turning in money will receive a certificate. Those who raise \$30 will get a certificate and a special St. Jude T-shirt. When \$75 is raised, the rider receives a barrel tote bag as well as the certificate and T-shirt.

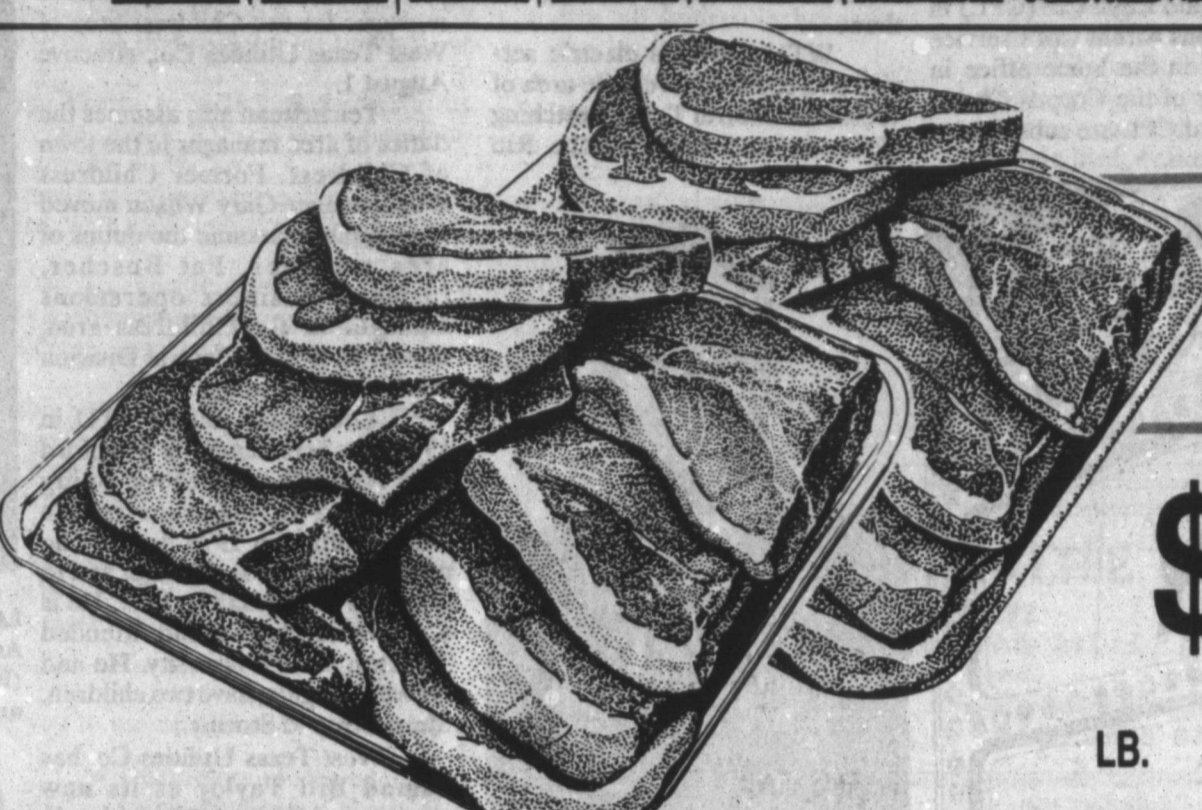

"The real prize, though, is the pride everyone can take in giving children a chance to live a normal life," Hommel said.

Contact Frank Hommel, (806) 874-2634 for details on riding or sponsoring a rider.

St. Jude Hospital was founded by Danny Thomas, and operates primarily from public support.

WTU Names Director

Billy G. Berny has been named director of Marketing Services for West Texas Utilities Co. (WTU). Berny replaces Bill Baxter, who retired from WTU July 1. WTU's Marketing Services department develops programs which help the company's customer use energy more efficiently. Berny began his career with Central Power and Light Co. (CPL) in 1979 and has worked in various marketing positions within CPL's service territory. He was residential marketing manager in the home office in Corpus Christi before being named area manager of the Corpus Christi Midtown office in November, 1991. Both WTU and CPL are subsidiaries of Dallas-based Central and South West Corporation.

Berny is a native of Edinburg and graduate of Donna High School. He holds a B.S. in agricultural education from Texas A & M University. He and his wife, Jan, have three children-daughters Donna and Melissa, and son Matthew.

WTU provides electric service to a 53,000-square-mile area of West and Central Texas stretching from the Red River to the Rio Grande.

BILLY G. BERNEY

WTU

WTU Names New Managers

Steve Teichelman has been named business operations manager for the Childress area of West Texas Utilities Co., effective August 1.

Teichelman also assumes the duties of area manager in the town of Childress. Former Childress area manager Gary Wilson moved to Quanah to assume the duties of area manager. Pat Buscher, formerly business operations manager in the Childress area, moved to WTU's Central Division marketing department.

Teichelman joined WTU in 1974 as a serviceman in Stamford and Aspermont before being promoted to manager in the Rankin office in 1978. In 1981 he moved to Anson as manager and to manager of Quanah in 1989. He is a native of Hamlin and attended Tarleton State University. He and his wife, Angela, have two children, Steve Coy and Stormy.

West Texas Utilities Co. has named Bill Taylor as its new manager of Division Marketing in its Northern Division, which includes the Childress area.

Taylor joined WTU as a stores helper in 1986. He moved to the Abilene District as energy efficiency representative. He was promoted to senior marketing consultant in 1991, a position he held until his new appointment.

Taylor, a native of Crowell, holds a B.S. degree from Tarleton State University. He and his wife, Donna, have one son, Jay, 8.

LOCAL ASCS STAFF with Presidential Counsellor - (Back Row) L-R: Andrew D. Thornberry, Renee Shields, Mary Martin and Earl Shields; (Front Row) L-R: Patsy Leffew, Secretary Clayton Yeutter, Irene Williams and Roy Lee Helms.

Local ASCS Staff Meets With Presidential Counsellor

Clayton Yeutter, Counsellor to the President for Domestic Policy, met with local employees of the Agricultural Stabilization and Conservation Service and agriculture leaders from across Texas. Mr. Yeutter coordinates all domestic policy activities for the President through the operations of a new Policy Coordinating Group (PCG). The PCG is the domestic equivalent of the National Security Council. Prior to coming to the PCG, Yeutter served as Secretary of Agriculture. While at Agriculture he was actively involved in farm legislation and in negotiations to open export markets for American farm products throughout the world.

Secretary Yeutter met with the group at the Texas State Conference of the Agricultural Stabilization and Conservation Service recently held in Lubbock, Texas. The training conference was designed to train local employees in program administration and to improve the effectiveness of the farmer-elected County Committee System.

Jerry D. Harris, Chairman of the Texas State ASC Committee, stated that Clayton Yeutter has consistently worked to expand the role of U.S. Agriculture in the world. Domestic policy involves agriculture in every way. Secretary Yeutter's visit with ASCS committees and employees demonstrates the place farm programs have in our domestic policy.

The Agricultural Stabilization and Conservation Service is the United States Department of Agriculture agency that administers farm programs passed by Congress. This includes programs that effect many local farmers and ranchers.

Chairman Harris noted that this meeting brought together local agriculture leaders and Administration policymakers for training and evaluation of the effectiveness of current programs. The conference helped find ways to improve the service provided through policy decisions and improve the knowledge of ASCS employees.

For Safety-Sake

By Lisa Hill and Christal Green

"If only." Two words. Two tiny, simple words. "If only he'd had a role bar on that tractor," a wife laments. "If only our boy hadn't been playing in the grain bin," a father cries. "If only, if only, if only..." Say it 1,000 times or more and you begin to grasp how much farm related fatalities cost our nation in one year alone.

President Bush has proclaimed that September 21-28, 1992, as National Farm Safety Week, the 49th annual observance.

You don't have to die. Know your machines limitations, know your physical limitations, use the buddy system, and use common sense. Hardly one farmer can say he hasn't done something that he knew wasn't safe when he did it, in the interest of saving some time or effort. For many families the moment of risk turns into a lifetime of heartache.

Please be careful - we need you! All the safety seminars, instruction manuals, and warning labels in the world can't influence a farmer as much as a simple, sincere plea from his young child or concerned wife. We, the Clarendon FFA Chapter suggest you sit down and write a letter to your busy farmer in your family. Tell him, how you feel about him and why it's important that he be especially careful this harvest season, and in the seasons to come. Words don't always come easy, so we have prepared a suggest letter. Just fill in the blanks and tear out the letter, and hand it to your loved one as he heads for the field.

Emergency Loans Available

Applications for emergency farm loans for losses caused by excessive rain and hail are being accepted at the Farmers Home Administration (FmHA) office located in Clarendon, FmHA County Supervisor Morgan said. Donley County is one of 24 in Texas recently named by Secretary of Agriculture Edward Madigan as eligible for loans to cover part of actual production losses resulting from the excessive rain and hail.

Morgan said farmers may be eligible for loans of up to 80 percent of their actual losses or the operating loan needed to continue in business or \$ 500,000, whichever is less. For farmers unable to obtain credit from private commercial lenders, the interest is 4.5 percent.

"As a general rule, a farmer must have suffered at least a 30 percent loss of production to be eligible for an FmHA emergency loan," Morgan said. Farmers participating in the PIK or Federal Crop Insurance program will have to figure in proceeds from those programs in determining their loss.

"Applications for loans under this emergency designation will be accepted until May 10, 1993 but farmers should apply as soon as possible. Delays in applying could create backlogs in processing and possibly over into the new farming season," Morgan said.

FmHA is a credit agency of the U.S. Department of Agriculture. It is authorized to provide disaster emergency loans to recognized farmers who work at and rely on farming for a substantial part of their living. Eligibility is extended to individual farmers who are U.S. citizens and to farming partnerships, corporations or cooperatives in which the U.S. citizens hold a majority interest. The FmHA office in Clarendon is open from 8:00 a.m. to 5:00 p.m. Monday through Friday.

Christmas Jubilee Planned

The Progressive Extension Homemakers of Silverton, Texas will be sponsoring a Christmas Jubilee on November 21, 1992 at the Show Barn on the southeast side of Silverton from 10:00 a.m. to 5:00 p.m.

They are inviting all crafters to participate by display and sales of their craft items. The spacious booths will be \$5.00 each with tables and chairs available. For information or booth reservation, call 823-2131 EXT. 11 from 8:30 to 5:00, or 847-2654 (Leave a message if no answer.)

Dear _____
I'm writing this letter because sometimes you get so busy you may not hear my words. I guess this is the most hectic time of the year for us. It's also one of the most dangerous.

That's what this letter is about. I'm asking you to be careful. We both know farmers who were killed or injured because they side-stepped safety procedures. I don't want our family to be on that casualty list this fall - or ever.

With so much to do, it's tempting, I know, to finish those last few rows even though you're so tired you can't see straight. Or you may want to try to unclog a machine quickly without turning it off.

When you do something you know is risky - even once - then it's easier to do it a second time. And then a third. With each time, our family's chance of losing you grows greater.

I want you around, _____, to enjoy this beautiful land God has given us, to rejoice in our family's good times and to support each other during the bad ones. Don't let some fleeting, careless moment tear you from us.

I'm asking you to remember this letter every day when you head to the fields. If you start to do something you know is unsafe, think about what our lives would be like without you. Think about the future with us that you'll miss if you life is cut short. Are the extra minutes you'll save worth the price we might all pay?

I want you to share many more autumn harvests and spring plantings. So don't take it lightly when I tell you to please be careful-we need you. I'm counting on you to remember what's most important in life.

I love you _____
Here are some safety tips for you to use on your farm or when you visit a friends farm.

Checklist for Safety

Farm Machinery Use

- Are all tractors equipped with roll-over protective systems (roll bar, seatbelt)?

- Do tractors and towed implements have safety chains for road travel?

- Do you travel with the loaded bucket down on front-end loaders?

PROCLAMATION

By The

County Judge of _____ Donley _____ County

TO ALL TO WHOM THESE PRESENTS SHALL COME:

I, _____ W.R.Christal _____ County Judge of _____ Donley _____ County do hereby declare the week of September 20-26, 1992 as FARM AND RANCH SAFETY AND HEALTH WEEK in _____ Hall & Donley _____ County, for the following reasons:

WHEREAS, the President has proclaimed the 49th Annual National Farm Safety and Health Week and the Governor has proclaimed the same period as Texas Farm and Ranch Safety and Health Week; and

WHEREAS, the National Safety Council estimates indicate that in 1991 farm work accidents resulted in approximately 1,400 deaths and 140,000 disabling injuries. The death rate was 44 per 100,000 workers, having fallen slightly during the past decade, agriculture remains the highest of the major industries and four times their composite death rate. Many more farm and ranch residents and workers were killed or seriously injured in home, recreation and roadway accidents. An undetermined number of people involved in agricultural work suffered job-related illnesses known to cause disability or death; and

WHEREAS, during this week, a statewide farm and ranch accident prevention education campaign is being undertaken by the Texas Farm Bureau; the Texas Farm and Ranch Safety Council; the Texas Safety Association; the Texas Agricultural Extension Service and the 4-H Clubs; the Texas Education Agency through the Texas Future Farmers and Future Homemakers of America, the Young Farmers and Young Homemakers of America, the Young Farmers and Young Homemakers of Texas and the _____ Hall & Donley _____ County Farm Bureau with the theme, "Take Charge of Your Safety and Health", and

WHEREAS, accident prevention is often a matter of common sense; putting into practice basic safety rules like always wearing your safety belt; reading and following instructions in operator manuals and product labels; and many other simple sensible measures that involve little or no extra time, effort or expense.

THEREFORE, I urge all those who live and work on farms or ranches to take necessary precautions to protect their safety and health on the job and off. I also urge leaders in the agricultural community to bolster safety and health efforts in your area by example and by educational programs.

Signed _____ Christal _____ (County Judge)

FmHA Supports Farm Safety For "Just Kids"

In conjunction with National Farm Safety Week, September 20-26, 1992, the Farmers Home Administration (FmHA), an agency of the United States Department of Agriculture, has again selected the Farm Safety for "Just Kids" program as its public service project for 1992-1993, through its public service project for 1992-1993, through its Wellness Program's Public Safety Campaign, according to Jacqueline Morgan, FmHA County Supervisor for Clarendon, Claude and Wellington.

Farm safety for "Just Kids" is a non-profit organization dedicated to educating parents and children about farm injury prevention. This organization stresses raising awareness levels regarding on-farm hazards. Each year, farm accidents result in the death of 300 young people and 5,000 serious injuries. The primary age group effected is 5 to 14 years old.

Educational material, including a film, warning decals, and children's workbooks will be distributed by FmHA personnel throughout Texas. Over 13,000 FmHA employees nationwide will help spread the farm safety message to schools and the general public.

A Cornell University study reveals that children bear the brunt of farm accidents when the injury rate is adjusted to account for the time each worker is in the workplace. In 1988, 35.6 percent of farm accident victims were children ranging in age from 5 to 14 years. There are three factors today which may be aggravating the dangers for children: (1) Increased mechanization; (2) New safety hazards-50 percent of the ATV accidents (900 deaths over five years) have involved children; and (3) Stressful economic conditions.

"We believe Farmers Home Administration in Texas can make a tremendous contribution to this organization in reaching thousands otherwise been missed," Morgan said.

CHILD CARE in my home. Monday-Friday. Toni Bohlar (Snow Cone Lady) 874-2041. 39-1tc

Thank You

Dear friends and neighbors, a special thanks to all, who shared our sorrow in the loss of our loved one.

For all the calls, visits, cards, flowers, and food that was brought to the home and the church.

It is so nice to live in a town, where there is so much love and prayers shared by everyone.

May Gods Blessings be with each of you,
The Campbell family
Hazel
Gary, Bonnie & family
