Veterans Plan Breakfast

VFW Post #7782 will be serving breakfast on Veterans' Day November 11, 1993 from 6:30 a.m. to 9 a.m.

The public is invited to attend.

Paper Observes Holiday

The Clarendon News will be closed Thursday, November 11, in observance of Veterans Day.

Fall Festival Carnival Set

The Clarendon PTA is sponsoring a fall festival carnival on Saturday, November 13th from 6-10 p.m. in the old gym. Activities are planned for all ages and all proceeds go towards purchasing playground equipment. Put your heart in PTA for all children.

Safety Course Offered

A Driver Safety Course will be held at Clarendon College on Saturday, November 13, 1993. It will meet from 9:00 a.m. to 4:00 p.m. in the Bairfield Activity Center. The fee is \$25.00. Please contact Clarendon College at 1-806-874-3571 for further information. Upon completion of this course, participants will be eligible for a 10% discount on their liability insurance or dismissal of a traffic violation. All dismissals of traffic violations must be approved by the appropriate Justice of Peace. This course is offered by Clarendon College and USA Training Company, Inc.

Concert Planned

The music department of Clarendon Jr. High will be presenting a choral concert on November 16, 1993. The concert will feature the 7th and 8th grade choirs. There will be one section of the program performed by a combined choir which will involve 46 students.

The concert will be held in the High School auditorium at 7:00 p.m., Tuesday evening, November 16.

Meeting Scheduled

Flavious Smith, an Amarillo Republican candidate for Congress, 13th District, will be at the First Bank and Trust in Clarendon, on Wednesday, November 17th from 12:30 - 2:00 p.m. Donley County residents are invited to attend.

Open House Planned

Thelma Rudder has recently opened Thelma's Shoppe at 928 West 5th in Clarendon, Texas. Her shop is located in the first house west of the Clarendon Schools, in a small house in the back.

She has just returned from market with ladies dresses, pant suits, skirts, blouses, sweaters, jackets, childrens clothes, jewelry, hair bows, hats for teenagers, gift items and other miscellaneous items.

Thelma's Shoppe will be having Open House, November 12 and November 13, from 9 a.m. to 11:30 p.m. and 1:00 p.m. to 5:30 p.m. Go by and register for gift certificates. Everyone is welcome.

Linda Heckman, Thelma's daughter, will be giving free Mary Kay facials. Please call 874-2649 for an appointment or just come on by.

THE TERRIFYING TEACHERS BEAT THE MOVIN' MAMAS in a 10 to 9 game on Monday night. The game was a fundraiser to purchase new playground equipment for the elementary school. In the picture above, both teams were scrambling for a rebound. Left-to-right are Mighty Medina Gribble (staff), Nimble Nita Ellis (mama), Marvelous Mary Jaramillo (staff), Krazy Kathy Campbell (mama), Tiger Theresa Shelton

Angel Tree Announced

Panhandle Community Services, Clarendon, is please to announce that they have their Angel Tree up and going for the 1993 Christmas season.

As most of you may remember, in 1992 Robbie Hill, Regional Manager, and Carlene Hollar, Center Coordinator, borrowed an idea from the Salvation Army and had their first Angel Tree, with names of boys, girls, men and women from the community on the tree. There are blue angels for boys, pink angels for girls, orchid angels for women, and green angels for men. As the angels are picked from the tree, the angel is replaced with a ball that says "I've gone home with the (name of person who took the name) family."

In cooperation with the Texas Department of Human Services worker Ronda Roper-Hutchins of Memphis, First Bank and Trust and Donley County State Bank have agreed to have Angel Trees in their facilities, containing the names of Donley County residents who are elderly and/or disabled.

If you would like to have your name placed on the tree at the local PCS Office, or if you know of anyone who might benefit from having their name placed on the tree, please go by their office, located in the old courthouse, or call Robbie or Carlene at 874-2573 and they'll be happy to help you. In addition to names, they also need sizes and ages for any children to be placed on the tree.

Those in the community who took names last year were very quick to reveal how much of a blessing it was to them to be able to

do for someone who was perhaps less fortunate than they were.

If you and your family prefer to provide Christmas for a child or children, visit the PCS office. Visit either bank or the PCS office if you are interested in providing holiday cheer for the elderly or disabled. Names will be available in the PCS office starting November 10.

Local Man Featured in Area Papers

A Clarendon resident has been featured recently in two area publications, the *Amarillo Daily News* and *Accent West*.

Terry Bernabe was featured for the software he wrote for United Parcel Service shippers.

The article in the *Amarillo* paper features a four column color picture of the programmer sitting at his computer.

Bernabe has worked for about 2.5 years on the program. It was recently approved by UPS National Headquarters for use by any of the thousands of shippers who use UPS. The program maintains a data base of customer information, so that a shipper does not have to re-enter the same information over and over again. It automatically calculates the cost of sending a package of a given weight from point A to point B.

List price for the software is \$799, although it will be available for a limited time at an introductory price. Bernabe says he is shipping out software packages daily—by UPS.

Disaster Area Named

In response to a request from Gov. Ann Richards, Secretary of Agriculture Mike Espy has declared Collingsworth County in the Texas Panhandle as a primary disaster area, and five others as contiguous disaster counties.

Gov. Richards' request came on the heels of excessive rain, flash flooding, hail, and high winds which affected the area on July 6.

The five contiguous counties are Childress, Donley, Gray, Hall and Wheeler. In addition, two Oklahoma counties contiguous to Col-

(mama), Terrible Terri Seale (staff), Grindin' Gina McKinney (staff), and Roarin' Rene Betts. None of the geriatric players suffered any permanent injury, although some were reportedly complaining of aches and pains after the event. Anyone who wishes to donate to the playground fund can contact the Elementary School Office or any of the PTA Officers.

Congress to Reorganize Agriculture Programs

A bill currently under consideration in Congress would reorganize the way all agriculture programs are administered and could have unforeseen consequences for residents of Donley County.

The bill is HR-3171, Department of Agriculture Reorganization Act of 1993. The Agriculture Committee is holding hearing on it at the present time. If it passes as presently structured it will make many changes in present policy.

A Farm Service Agency (FSA) will be established through the collocation of ASCS, FCIC and programs administered by FmHA except for the rural development program. The FSA will carry out programs relating to:

- Price and income support and other related programs
- Supervision of the Federal Crop Insurance Corporation
- Agricultural credit programs, formerly assigned to FmHA, and other lending programs for persons engaged in the production of agriculture.

Not included in the function of the Farm Service agency are Conservation Programs (ACP, CRP, ECP, etc.) which are to be assigned to the Natural Resources Conservation Service.

• ACP approval authority will be taken away from producer elected county committee.

In each county or area the Secretary may establish a county or area committee in which activities of the Farm Service Agency are carried out. The committee will consist of five members who are fairly representative of the farmers in the county or area. Three of the members shall be elected by the farmers in the county or area under such procedures as the Secretary may prescribe. Two members shall be appointed by the Secretary. The members shall service for terms not to exceed three years.

Area residents who would like more information, can contact Congressman Bill Sarpauius, 1223 Longworth Building OB, Washington, D.C. 20515, (202) 225-3707, Senator Phil Gramm, Room 370, Russell OB, Washington, D.C. 20510, (202) 224-2934, or Senator Kay Bailey Hutchison, Room 703, Hart OB, Washington, D.C. 20510, (202) 224-5922.

lingsworth also are eligible. They are Beckham and Harmon.

The declaration will make family-sized farm operators in the affected areas eligible for low-interest physical loss loan assistance from the Farmers Home Administration (FmHA). Local FmHA county offices can provide affected farmers with further information and assist them in completing applications for assistance.

Immunization Clinic Offered

Immunization clinics offering vaccines that give protection against several childhood diseases are scheduled for November. The

Light Up Clarendon

The Clarendon Merchants Association will again light up Clarendon for the Holiday Season. The Christmas lights are scheduled to be turned on, Monday, November 22, with stores staying open for late night shopping. Please help light up Clarendon! If you are interested in lighting up your homes or businesses, you may purchase lights at Henson's. Participating merchants are again planning on late night shopping, and spinning the wheel for prizes and bucks. More details will be given in a later issue. There will be a Merchants Association meeting, Monday, November 15th at 7 p.m., at the Burton Memorial Library to finalize plans for the upcoming holiday season.

Christmas Celebration Set

Once again the Girl Scouts are organizing the community Christmas celebration. The celebration will be held on the courthouse lawn on Monday, November 29 about dark. They would like to encourage more community participation. If your club, church or civic organization would like to put up decorations, sing, make contributions to those who are, please contact Debbie Hines or Denise Bertrand.

Museum Party Planned

The Saints Roost Museum annual dance and drawing is scheduled for Saturday, December 4th at the Community Building in Clarendon. A tour of the museum prior to the dance will take place at 7:30 p.m. Refreshments will be served. Get your tickets at Henson's or from a museum director and be ready for the best party of the year.

This occasion might be more profitable for you than the lottery. A good meal will be served free of charge at the dance. Bring your friends and enjoy the festivities.

Workshop Planned

To be eligible for the Comprehensive Energy Assistance Program (CEAP) for the fiscal year 1994, Panhandle Community Services is requesting that each of their clients attend a Energy Conservation Workshop.

The workshop for Donley County residents will be held on Wednesday, November 17, 1993, at the Donley County Courthouse, upstairs in the courtroom, in Clarendon, Texas, beginning at 10:00 a.m.

There will be representatives from the various utility companies giving hints on how to conserve energy during the winter and summer months.

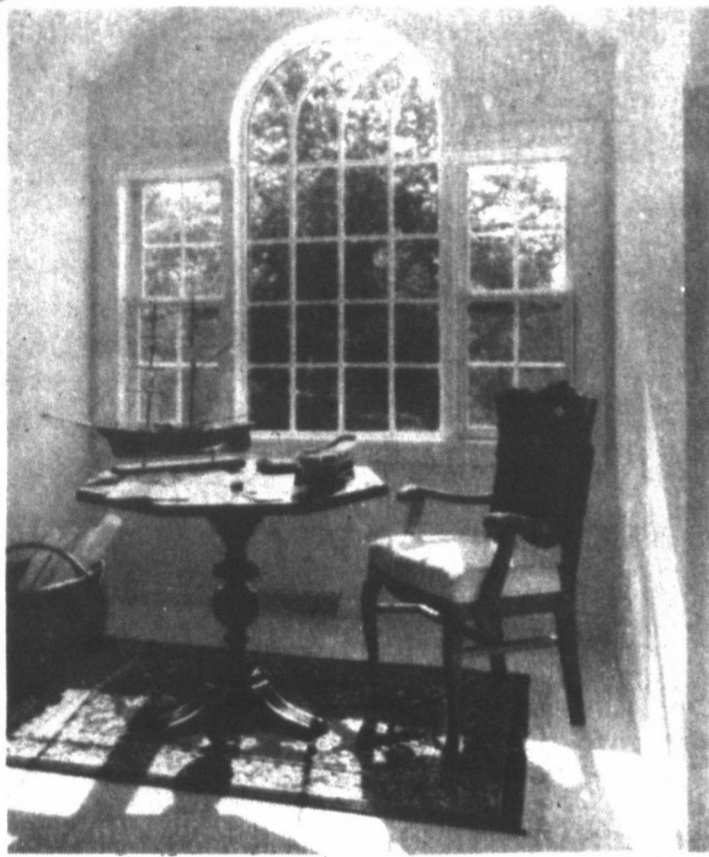

Free transportation will be offered for those clients needing a ride to the meeting. Please call 874-2573 or 874-2606 by 5:00 p.m. on Tuesday, November 16, 1993, if you will be needing a ride in order to attend.

clinic will be held November 15 from 9-12 and 1-4 p.m. at the Texas Department of Health office Medical Center, Highway 70 north. Protection is against Polio, Diphtheria, Lock Jaw (Tetanus), Whooping Cough (Pertussis), Measles, Rubella, Mumps, and HIB (Haemophilus Influenzae Type B).

The Texas Department of Health is charging money to help with the cost of keeping the clinic open. The amount of money charged will be based on family income and size, and the ability to pay.

Date Set For Jr. Livestock Show

The date for the Jr. Livestock show has been changed due to dates conflicting with the original date set. The Jr. Livestock Show will be January 8, 1993. The next meeting for the Jr. Livestock Association will be November 16th. All parents of the 4-H and FFA Livestock participants are urged to attend these meetings.

Wet Windows Could Mean Wall Damage

Those little beads of condensation gathering on the windows this winter may be trying to tell you something.

"Because window glass is denser and colder than surrounding walls, water vapor seeking cooler, drier outside air stops and condenses on the glass surface," said Mark Wilson, Sales Representative, Willard Boswell Company. "Window glass acts as an indicator, a warning of possible unseen damage inside the wall caused by excessive moisture."

Wilson said unless steps are taken to reduce moisture levels in

the home successive freezing and thawing of this moisture could cause deteriorating sidewall insulation, rotting wood structural members and blistering exterior paint.

"A solution may be replacing older windows if they have damaged seals or deteriorated surfaces," said Wilson. "Today's quality wood windows have overcome many of the trouble spots that resulted in condensation on older windows. Because quality wood is a natural insulator, it can also increase the home's overall energy efficiency."

Wilson offered these simple checks to identify minor problems with existing windows: Wood surfaces should be finished with gloss paint or polyurethane varnish; breather holes in the edge of the sash should be clear of debris; and interior glass panels should be tightly clipped into place with gaskets flush against the sash.

Wilson said fortunately, most types of condensation are temporary and will disappear with time or simple interior humidity adjustments. However, if problems persist, homeowners should contact a contractor to help identify the problem and assist in selection of replacement windows. For free information about windows which help control condensation, call 1-800-847-3552.

Plan Ahead; Mail Early

Postal employees are often asked by customers how best to prepare parcels and letters for mailing.

When holiday messages or parcels are delayed or damaged, no one is happy. The odds favor time-

ly, safe delivery of holiday mail, and with a little extra care, customers can help the United States Postal Service complete its appointed rounds.

Mailing early is the best way to get important holiday cards and gifts to their destination on time. But there are several other mailing tips that will help speed your mail safely to delivery.

Customers really appreciate it when they receive advice on how to best mail their packages, letters and cards.

As a first step, customers should properly address cards and packages with the name, house number and street (or post office box number), and the city, state, and ZIP Code reserved for the last line. Including the apartment number is especially important during the holiday season.

Postal customers are reminded that some holiday greeting cards may not be acceptable for mailing at standard rates. Letter standards require that envelopes be at least 3 1/2 inches high and 5 inches long to meet minimum mailing standards. On the other hand, a surcharge must be paid on pieces which exceed any of the following dimensions - 6 1/2 inches high or 11 1/2 inches long or 1/4 inch thick.

Getting your cards, letters, and parcels delivered on time for the holiday season is our goal this year. With your help, our job becomes easier.

WET WINDOWS MEAN TROUBLE. Condensation inside windows can result in rotting windows and facings. It is also an indication that there is a large temperature difference between the inside and outside surfaces of the glass. Storm windows—either permanent glass type or "shrink to fit" plastic sheeting—will reduce condensation, but they will also cut down on the load on the heating and cooling systems.

Pathfinder Club Meets

by Naomi Green

Pathfinder Club met at Patching Club House October 8, 1993. Members introduced their guests. Roll call was answered with a memory of Halloween. The club collect was read and Jo Shaller read a note from Mable Mongole, honorary member. She complemented the club on the work being done at Patching Club House and sent a generous donation to the club.

A treasurers report by Tena Powell gave a balance of \$316.04.

The program was given by Rev. Mike Sutor. He told the background of how indians painted with sand on hogan floors as a part of the healing ceremonies. The paintings have come to be copied and are a part of our Southwestern art. He displayed some of his award winning pictures and showed us his collection of colored sand which is ground from rocks. Due to the interest in this program a workshop was set for Nov. 13 in the Burton Memorial Library.

Guests and members were invited to a Halloween decorated table for coffee, tea and desert by hostesses, Edna Dishman, Mary Jane Smith and Jo Shaller.

Guests present were: Viola Bones, Connie Clifford, La Trica Kent, Leona Musgrove, Helen Phelps, Virginia Christie, Vivian Allen and Mike Sutor. Members present were: Dorothy white, Sue Dunagan, Lucy Saye, Tena Powell, Jeralee Duval, Pauline Hardin, Naomi Green and previously mentioned hostess.

Obituary

Mrs. Roy Estherbel Clampitt

Mrs. Roy Estherbel Clampitt, formerly of Clarendon died in Dallas at the age of 94, a longtime member of 1st Christian Church in Clarendon. She was a former Junior's Sunday School teacher and past church organist. She was preceded in death by her husband, William LeRoy Clampitt in 1977.

Mrs. Clampitt is survived by one son, Harold Clampitt and wife Beverly of Dallas and two grandsons, David and Mark Clampitt both of Dallas. Services were held Saturday, November 6, 1993 at Eastwood Christian Church in Dallas with the Rev. Jeff Graf and Rev. Vic Cales officiating. Graveside services were held at 2:00 p.m. Monday, November 8, 1993 at Citizen's Cemetery in Clarendon, Texas with Rev. Wilbert Bernabe, Pastor of the First Christian Church in Claude officiating. Memorials may be made to the 1st Christian Church in Clarendon, Texas.

Fishing Report

The Texas Parks and Wildlife have reported that the water at Lake Greenbelt is clear, 63 degrees, 4 feet low; crappie are good on minnows in 8-20 feet of water; white bass are good to 2 1/2 pounds in the schools over the birds on slabs and minnows; catfish are good to 7 pounds on various baits; walleye are fair and improving in 26 feet of water trolling.

LARGER SIZE TREES will be available this year from the Conservation District., including some fruit trees. The plants above are one-gallon and five-gallon sizes. These may be up to five or six feet tall.

Order Trees Now!

The Donley County Soil and Water Conservation District will be able to offer trees this year in one-gallon and five-gallon containers as well as the traditional "economy size". However, supplies of some of the smaller trees have already been exhausted, and there are limited numbers of some of the larger sizes available. Plants will be allotted on a "first come, first served" basis.

The Texas Forestry Service, Colorado Forestry Service and private Texas nurseries are providing plant material to the district. Prices for the trees are very reasonable.

For a list of trees, bushes and packets available, call the SCS Office at 874-3616. There are packages available to attract birds and wildlife as well as trees and bushes for conservation or scenic use. Plants are available to any or all Donley County residents.

The Lions Tale

by Gene Alderson

The Clarendon Lions Club held its regular meeting at noon on Tuesday, November 9, 1993 at the Lions Hall with fifteen members, 1 guest and piano player, Tiny Bernabe, in attendance.

Everyone enjoyed a delicious chicken fried steak dinner and following the regular opening ceremony, the meeting was called to order by Boss Lion Chambliss. Program chairman Smith announced the second of a two part program on Russia is scheduled to be presented on November 30th. A brief financial report was given by Lion Bernabe. He also presented information in regard to use of the Lions Hall and gave a bingo report. The club voted to increase the rent on the hall to \$50 which would include the use of the kitchen. Meeting adjourned.

Senior Citizens News

by Nova Neuhaus

The Center truly appreciates Jean Baten furnishing the pick-up and Bill and Nita Meador making the trip to pick up food items at the Food Bank in Amarillo on Monday, Nov. 1st. Thanks to Mary McAnear for coming down after hours to help as well as Karen Wortham and Don Wooten. It was a big load and with lots of help made the job much easier.

The highlight of the week was receiving the shipment of the new big round tables for the dining room. Everyone appreciated Bob Kidd for coming down to unpack and set up the tables and Bob McCombs's assistance in storing the long tables. The new arrangement now makes it less crowded and much easier to get around in the dining room. Again a special thanks to everyone who has been so supportive in the fund-raiser efforts to make it possible for us to

replace and add to our equipment. Please come by and see how nice and comfortable the room is now.

Another thanks to Bob Kidd and Bob McCombs for taking time to repair some of the cabinets in the serving area last week.

Thanks to Wanda Smith for making and donating the delicious pumpkin cake for the Friday noon drawing. Ralph Grady was the lucky winner of it.

On Tuesday, November 2nd, Carmen Wright was a busy lady for blood pressure clinic with forty-six folks having blood pressure reading done. Kimberly Care had good participation for the Blood Sugar Clinic also that day. Carmen will be back for blood pressure clinic on Tuesday, November 16th. The

Golden Spread Hearing Aid Clinic will be here on Thursday, November 18th from 10 a.m. until 12 noon.

PUTTING THE PEDAL TO THE METAL CAN HAVE A WHOLE NEW MEANING.

The shock, the anguish, the damage—the results of a crash far outweigh the time you save by driving too fast. It's a fact that your chances of seriously injuring someone increase the faster you go. And when you drive too fast for conditions, you make things even worse. A crash like this can happen in a heartbeat. And if it does, it will change your life forever.

SPEEDING GETS YOU NOWHERE FAST.
U.S. Department of Transportation

DIAL-A-RIDE Panhandle Transit

Do you live in Clarendon or Donley, Armstrong, Briscoe or Hall County?

If so, Dial-A-Ride is available to you!

-What is Dial-A-Ride?

Specialized "curb to curb" transportation service for the general public.

-Where can it take me?

It will take you anywhere you want to go in Clarendon, Donley, Armstrong, Briscoe, Hall County, or Amarillo.

-What if I am in a wheelchair?

Upon request, handicapped accessible vehicles are available, with drivers who are trained to transport persons with disabilities. Medical Transportation and approved Medicaid transportation takes priority over other types of trips.

-How much does it cost?

50¢ a one way trip in Clarendon, or
27.5¢ a mile outside Clarendon city limits. Minimum \$3.00 one way trip.

(Call office for information on reduced fees)

-Who do I call?

Call Panhandle Transit, 874-2573.

(Trip should be scheduled 24 hours in advance)

THE 1993-1994 BRONCO BAND at UIL Marching Contest.

Broncos Beat Panhandle

The Clarendon Broncos defeated Panhandle, Friday, November 5, 1993, by a score of 18 to 12. In winning this game they threw the District 2-2A play off picture into a three-way tie for second place seed. Canadian won the district title and Clarendon, Panhandle and Wheeler all wound up with 3-2 records. A coin was tossed to determine who would be the No. 2 seed with Wheeler winning the toss. They will advance in the No. 2 seed play off against Stratford Friday night. Canadian will play Spearman.

Chad Campbell scored the first points of the game in the 2nd quarter on a 6 yard run, kick failed. Then Campbell connected a pass to Todd Lindley who scored on a 14 yard run, kick failed.

The Broncos led the game at halftime 12-0. In the fourth quarter, Corey Fields scored on a 23 yard run to make the final score of the game.

The Panthers score 6 points in the 3rd quarter on a 23 yard run by Mark Land and 6 points in the 4th quarter on a three yard run by Keith Reining on pass from Brady Shadid (kick failed).

TERRIFIC TERRI FLOYD deftly dribbles the basketball down court and calls for her team mates to set up during the game between the Movin' Mamas and the Terrifying Teachers Monday night. Despite the Mamas' valiant effort, the Teachers won a decisive one-point victory. The game was colorful. The mean Mama's vow that they will wreak a terrible revenge next year. The money this year goes to buy playground equipment for the elementary students. If you would like to be a contributor, contact the PTA or the school.

Don't Miss the Holiday Season

It's never too EARLY to mail your Christmas cards and packages to/from military addresses overseas and to international addresses. So beat the last minute rush and bring your holiday packages to the U.S. Post Office or APO/FPO military post office by the suggested dates listed below.

Scholarship Deadline Set

High School students with a grade point average of "B" or better and who are U.S. Citizens interested in applying for \$1,000 college scholarship should request applications by December 15, 1993 from Education Communication Scholarship Foundation, 721 N. McKinley Road, P.O. Box 5012, Lake Forest II, 60045-5012. To receive an application, students should send a note stating their name, address, city, state, zip code, approximate grade point average and year of graduation. All requests for applications will be fulfilled on or about January 14, 1994. One hundred twenty-five winners will be selected on the basis of academic performance, involvement in extracurricular activities and some consideration for financial need. A total of \$125,000 will be awarded.

LARGER TREES are available this year through the Donley County Soil and Water Conservation District. Many trees are growing in one-gallon or five-gallon buckets. The inexpensive smaller sizes that have traditionally been offered will be available as well. Due to limited supplies of some varieties, district personnel recommend that Donley County residents order as early as possible. Evergreens, deciduous trees and a limited number of fruit trees will be offered. You can also order some types of shrubs, as well as windbreak material and wildlife packets. For more information, drop by the SCS office at 421 S. Sully or call 874-3575.

Ag News

By Zachary Wilcox, C.E. Agent-Ag.

Farmers and ranchers who haven't already culled open, late calving and poor performing cows should do so soon.

There's no need to put expensive winter feed into cows that are unproductive and inefficient. Culling the cow herd now will also help you more effectively plan on feed supplies for the winter months.

The culling process should also weed out unsound cows with bad eyes, udders or feet and legs.

Also, pregnancy testing cows this fall may be a more profitable tool than ever before. Since it's difficult for a cow to produce a calf large enough to pay her annual maintenance bill and leave some profit for the producer, an open cow is surely losing money. In addition cows calving late and during the summer months wean calves 30 to 90 pounds lighter than their herd mates which calve at earlier times. For this reason it's advisable to cull cows which will calve late next year and purchase pregnant replacements which will calve early.

Whoever does your pregnancy diagnosis will be able to estimate the calving date on each animal and make it easy to identify next year's late calving cows. Work toward a 60 day calving season or one that's certainly no longer than 90 days.

Remove barren and late calving cows from the herd will increase both the herd's reproductive potential and pounds of calf weaned.

If you would like additional information on this or any other subjects please contact the Extension office at 874-2141.
