The bride's brother, Glenn Burnam, escorted his sister to the altar. She wore a ballerina length dress of imported lace with chiffon cummerbund. The dress was styled with scoop neckline and scallops marked the empire waistline and the hemline. She carried white carnations on a white Bible.

Mrs. Everett's gown was of powder blue silk shantung. The neckline was round in front and

formed a V in back. Skirt was pleated and a cummerbund was of matching fabric. Her bouquet was of white carnations.

When the couple left for their trip to Colorado, Mrs. Brown was wearing a brown sheath dress with matching jacket and bone accessories.

The bride is a graduate of Putnam High School and Hardin-Simmons University. She is employed by Shell Oil Co.

The bridegroom is a graduate of Cleveland High School, Cleveland, Okla., is employed by the Murphy Baxter Oil Co.

Mr. and Mrs. Burnam were hosts for the rehearsal dinner Saturday evening.

### Union Usuals and Unusuals

By Veda Yarbrough

Hi, neighbor. This is Sunday afternoon, hot and dry. We need rain.

Most farmers got their cotton plowed last week and it really is growing, so is feed.

We got our wheat combined the past week. It did very well considering the rats and rabbits lived off of it all time.

Burette Ramsey came home Wednesday afternoon from the hospital. He is doing fine, but of course, won't be able to work for some time.

## No rest for this Chevy... round the clock the engine never stops!

At Washington's bustling National Airport, Allied Aviation Fueling counts on its radio-equipped Chevy to get crews and tank trucks to the right planes at just the right time. Aside from occasional time out for the usual service, its Thrift-master 6-cylinder engine has been running 24 hours a day for the past 9 months!

Once you've got that kind of endurance working you don't worry much about lost job time. Breakdowns go out of style the day your Chevy goes into action.

The fact is, Chevrolet trucks are dead set on dropping the word "downtime" right out of the English language. And they just might, if precision engineering and top-quality materials have anything to say about it. Chevy trucks are put together to stay together—incorporating the most advanced chassis developments, the most efficient 6-cylinder and V8 engine designs. They're built to last, built to keep Chevrolet's hard-earned reputation for reliability flying high.

Going into the real heart of Chevrolet advantages is where your dealer comes in. He'll show you, in feature after feature, that you can't buy more truck dependability—in any weight class—at any price.

No job's too tough for a Chevrolet truck!

### Accident Toll Always Bothers Wardens

A game warden's life has its excitement and dangers and he is sometimes a man to be envied. But, according to the Director of Law Enforcement, Game and Fish Commission, many times this man to be envied has his moments of sorrow, moments that no one would want to share.

Each year hundreds of persons, including many innocent children, are victims of one type of accident or another. "Our lakes, streams, rivers, bays, and beaches take their toll of sportsmen, swimmers, and boatmen every year," said the Director, "usually because of carelessness."

Wardens stationed at or near these lakes and other waters many times aid in rescuing victims of accidents and carelessness. They also help in the search for the less fortunate with grappling hooks. "The lifeless body of a small child, who only the day before played in the school yard, is not a pretty sight," continued the Director, "but this is a sight seen often by wardens."

The Humble warden said, "It tears my heart out to see a drowned child without a preserver, a child that had faith in someone who was supposed to be looking after him."

### Clyde News

### Leila Lou Griggs and David Martin Collins Wed in First Methodist Church Sunday

First Methodist Church was the scene Sunday of the wedding of Leila Lou Griggs and David Collins of Slaton.

The bride is the daughter of Mr. and Mrs. W. B. Griggs. Parents of the bridegroom are Mr. and Mrs. Martin Collins of Slaton.

Officiating at the 4 p. m. double ring ceremony was Dr. Luther Kirk of Plainview. Wedding music was presented by Judi Hunt, organist, and Carolyn Duckett, soloist.

Given in marriage by her cousin, Robert Green, the bride wore a gown of re-embroidered lace and tulle over taffeta. The fitted bodice had a sabrina neckline and the bouffant skirt was fashioned of graduated ruffles accented with deep points of lace. She carried a white orchid on a white Bible.

Stella Griggs was maid of honor for her sister. Bridesmaids were Barbara Black of Abilene and Mrs. Sheryl Frazer of Fort Worth, cousin of the bride.

They wore gowns of pink cotton satin styled with embroidered bodices and carried bouquets of white carnations.

Candlelighters were Sally Green and Nancy Deal, both cousins of the bride.

Martin Collins was best man for his son. Ushers and groomsmen were Bill Lord of Lubbock, cousin of the bridegroom, and Carroll Lassiter of Sweetwater.

The reception was held in the church fellowship hall, with Mrs. George Lee Lambert, cousin of the bride, presiding at the bride's book.

For a wedding trip to New Mexico, the bride wore a blue suit with white accessories and a white orchid corsage.

The couple are at home at 1226 N. 18th in Abilene. A graduate of Baird High School, the bride is a Junior in Hendrick Memorial Hospital School for Nursing. The bridegroom, a graduate of Slaton High School, is a laboratory technician at Hendrick Memorial Hospital and attends McMurry College.

**SWEET AND SOUR**  
(Continued from Page 1)

And that Pollock gal - Patty, is back in town -- Pat is house guest of Tod and Joan (Larry too) Newton and Baird's young set welcome a favorite friend.

Mrs. Rosa Ryan had cause for some happy smiles because what's nicer than a visit from children and grandchildren? Rosalie and Wendell Farmer and their precous youngsters, Phyllis, Dub, Sharon Lee and Clark were here from Atlanta, Ga., and Mr. and Mrs. Joe Ryan, Cheryl and Karen Sue were here from Pecos.

Alice Crutchfield went visiting this week and it amounts to quite a trip too, all the way to Omaha, Nebraska, to see George and Mildred Crutchfield, Belinda and Diane. Mrs. Crutchfield accompanied her daughter, Alene Jackson and Joan and the three planned to arrive in Omaha in time for Belinda Crutchfield's thirteenth birthday on June 18.

Sallie Eastham entertained guests over the week end, Agnes Eastham, Morris and Carol Eastham, Jerry and Tonya, all of Fort Worth.

We bid a sad farewell to Bill and Loretta Alexander and chil-

dren, Jimmy, Jan and Terry, the Alexanders are moving to Abilene and we feel the loss of this family who took so much interest in their town and added valuable assistance civily and socially.

Baird welcomed in a new family this week, Mr. and Mrs. Fox and family who have purchased the N. H. Peterson Cafe on Market Street. The Fox family now have their home in Baird and son Kenneth will add to the Freshmen ranks in High School this September.

We had a wonderful card this week from that old Displaced Texan, Pat Sims. Pat and the youngsters landed safe and sound in Germany and is learning the ways of cobblestone streets and housekeeping castle style. Its a great experience and Pat is seeing the scenic beauties of the old world but there are times when that gal would trade it all for one good look at a Texas prickley pear or a clump of bear grass.

Mrs. Alice Gilmore, Felton, Marie, Barbara McBride and son Buddy, visited Mrs. Gilmore's mother and family in Snyder last week.

Raymond and Shirley Allman are home after spending a week with their parents, the C. A. Allmans in Odessa.

The Home Making Girls of Baird HI had a rollicking good time last week when their teacher, Bertha Byrd, took the group to Abilene for an afternoon picnic.

The Girl Scouts would remind you that Friday afternoon, from 5:00 to 7:00 p. m., a veterinarian from Abilene will be at the Fire Station to vaccinate dogs against rabies -- It's part of a program the girls and the City of Baird are sponsoring to protect county youngsters and also the pets.

Rabies, even one case, is something no community can afford, and when the danger can be safely eliminated it just adds up to good common sense to join in the campaign to eradicate the disease.

You've heard about those "sights for sore eyes" -- well, we saw two of 'em last week. Doc Griggs was in town Saturday, looking just plain wonderful. If he's not the toughest old soldier who ever won a battle, he'll do till one comes along, and it makes you respect a man's courage who can battle for recovery the way Doc did and come out the winner. The other heart-leaping sight was Harold Miller -- out with son Hal for hamburgers after the Little League ball game. Harold did some tall

and fancy fencing with serious illness and came out in the winner's circle.

The loud hurrahs around our homestead on Cherry Street are all because Light-of-our-Life Linda broke into print Sunday with a fourth page spread in the Ft. Worth Press. Parental pride took over and we bought up every available copy of said paper and appreciated ever and ever so much you folks saying you noticed the article too.

Mrs. L. B. Lewis attended the convention of the Texas Federation of Business and Professional Women's Clubs at Tyler held Friday through Sunday. Mrs. Lewis past president of the Baird B. & P. Women's club, was a delegate from this club and also acted as floor teller during the general business meeting. Mr. Lewis accompanied his wife to Tyler.

**CARD OF THANKS**  
I want to thank all of my wonderful friends for their prayers and many acts of kindness shown me during my recent illness. For the beautiful flowers, visits, food, cards, telephone calls and good wishes, I am grateful.
