FAMILY MISSING IN STORM, SEARCH ON

AUTOMOBILE CAUGHT IN HEADRISE EAST OF LELIA LAKE LAST NIGHT

Three lives are believed lost by drowning about 11:00 o'clock Wednesday night in a headrise of water that swept across highway 5 in the low place a short distance east of Lelia Lake.

The family, Mr. and Mrs. Bert Freeman and son, Junior, of Wichita Falls, according to driver's license records in the car, were driving toward Clarendon in a 1936 Plymouth sedan, when their car was stalled in the water covering the highway.

When their car stalled and feeling the impending danger, Mr. Freeman made his way to the nearby home of Elmer Kennedy, seeking shelter for his family. He returned to the car to take Mrs. Freeman and the son to the Kennedy home. When Mr. Kennedy arrived at the scene the car had been washed off into the bar pit and the people were missing.

Rescue workers from Clarendon and Lelia Lake searched diligently but at press time bodies of the missing have not been found. It is hoped that they will be found in safety some place where communication has been delayed.

Charley Boyd, Amarillo aviator, flew low over the watered territory this morning without finding trace of the missing people.

RAINFALLS DAMAGE CROPS, RAILROAD

3.85 INCHES OF RAINFALL IN CLARENDON; HEAVIER NEAR LELIA LAKE

Torrential rains in the county for the second time this week inflicted an unestimated amount of damage to cotton fields, highways and the railroad right-of-way.

The heaviest damage was in the Lelia Lake area, extending to Hedley.

Rainfall Wednesday night in the Lelia Lake area was estimated to have been over four inches. From four to five inches was reported Tuesday afternoon, washing out entire fields of cotton and also washing out a section of the railroad right-of-way near the Lelia Lake station. Two cars of ballast were required to repair the damage.

Twenty-five feet of the retarding dam located on the E. M. Ozier farm southwest of Clarendon was washed out in the heavy rain.

D. F. Wadsworth, local agent, said this morning that 3,000 feet of track was washed out in places between Lelia Lake and Hedley, where the heaviest rainfall both times this week occurred.

As a result of the high wind last night several railroad telegraph lines are down.

Trains were detoured around Clarendon Wednesday night, he said.

The rain Wednesday night, measuring 2.55 inches in Clarendon, was accompanied by an electrical storm. The rain here Tuesday afternoon measured 1.30 inch. A section of the drainage ditch crossing at the laundry was undermined and will require extensive repair work.

Trainmen Drown Wednesday Night

Two railroad employes of the Ft. Worth & Denver line operating between Wellington and Childress lost their lives Wednesday night when the engine of their freight train fell into Salt Fork between Wellington and Childress. High waters had damaged the bridge causing the wreck.

The dead, and who at noon today were still missing, are Marvin Griggs, engineer; and C. E. Burton, fireman.

Dick Brown, head brakeman, who was also riding in the engine, is in a Shamrock hospital after swimming the river for five miles before he made shore.

H. L. McKinney, brakeman, saw the danger in time to jump.

Texas Press Head

H. DESKINS WELLS

WELLINGTON MAN NEW PRESS HEAD

DESKINS WELLS, EDITOR OF WELLINGTON LEADER, ELECTED, PORT ARTHUR

A deserved honor came to West Texas and to a newspaper man of a neighboring city last Saturday, when the Texas Press Association in its annual convention at Port Arthur, elected H. Deskins Wells, President of the organization for the coming year. Lubbock was also named site for the 1939 convention.

Wells, prominent young publisher whose paper has won numerous awards for editorial and typographical merit, will serve with Sam Harben of Richardson, elected secretary for the 27th time; Ben Harigel of LaGrange, treasurer; and Walter Buckner of San Marcos, vice president.

The Beard award for the "best all-around weekly" went to Mrs. W. A. Salter, editor of the Kerrville Mountain Sun for the second time. The Mission Times drew the prize for the "best set ads."

A resolution advocating regulation of "so-called publicity" which has developed into "business" to the extent it has become detrimental to legitimate advertising was adopted by the convention.

Other resolutions adopted demanded prohibition of lottery advertisements over the radio, as in the newspapers; urged Texas legislation supporting full publicity to proceedings of tax collection and spending agencies of district county and city governments; reaffirmed opposition to the diversion of gasoline taxes for anything except highway work, and urged congressional policies which would revive export trade.

J. R. Brandon Heads Clarendon Masons

Installation ceremonies for newly elected officers of Clarendon Lodge No. 700, A. F. & A. M. will be held Friday, June 24, at the lodge hall, according to R. C. Weatherly, Secretary, and Joe Officers, elected last Friday night, are as follows:

J. R. Brandon, Worshipful Master; J. F. Hardin, Senior Warden; Joe Bownds, Junior Warden; W. H. Patrick, Treasurer; R. C. Weatherly, Secretary, and Joe Horn, Tiler.

Patrick and Weatherly were re-elected to the same offices as held the past year.

Heckle Stark is the retiring Worshipful Master.

Visiting Masons are invited to attend the ceremonies.

ATTEND PAROLE BOARD MEETING AT HUNTSVILLE

Mr. H. Mulkey and L. E. Thompson, members of the Donley County Parole Board, left this morning by automobile for Huntsville to attend a meeting of Texas parole boards called by Governor Allred.

The reunion scheduled for last Saturday of the McMurtry family, did not take place because of the sudden serious illness of W. J. McMurtry, Sr. of Archer City.

PROGRAM IS SET FOR CELEBRATION

EXTENSIVE PROGRAM THROUGHOUT DAY TO PROVIDE ENTERTAINMENT

The program for Clarendon's Fourth of July celebration was completed this week by the arrangements committee, under the direction of J. R. Gillham, secretary of the Clarendon Chamber of Commerce.

A good time for every citizen of Donley county, all visitors and visiting bands has been promised by the committee.

The program will get underway at 10:00 o'clock with a concert by the Clarendon High School band and Memphis' Gold Medal Band. Ray Robbins, C. H. S. band director will have charge of band concerts.

Group singers will vie for cash prizes in the singing contest to begin at 10:30. Sam M. Brasswell is chairman of the singing contest.

Following a trade league drawing at 1:10 p. m., visiting bands will be grouped for the mammoth parade which will begin at 1:30. Bands from Amarillo, Canyon, Memphis, Shamrock, Pampa, Childress, Wellington and McLean have been invited to participate in the affair.

At 3:00 a baseball game between Memphis and Crossroads, of the Hall County league will be held.

Old fiddlers will begin their contest with competition expected to be keen for the cash prizes. P. B. Gentry will have charge of the fiddling contest.

Band music will be heard by the Clarendon band and visiting bands at 7:15. The concert will continue until 8:45.

As an extra and unofficial part of the entertainment, a section of Kearney street will be cleared for the grand finale, a street dance, under the direction of Homer Mulkey.

To obtain cooperation and visitors from neighboring towns booster trips will be made Monday and Tuesday, June 27 and 28 to the areas west and east of Clarendon. The delegation, headed by Homer Mulkey, chairman, will go to Goodnight, Claude, Panhandle, Groom, McLean, Alanreed, Shamrock, Wellington, Childress, Memphis, Estelline, Hedley and Lelia Lake.

Arrangements for plenty of ice water will be made by Stanley Carlisle, R. E. Drennan and J. H. Miller. R. E. Drennan, R. T. Mrown, J. R. Gillham, H. A. Blanton and Nolie Simmons will handle the baseball game.

Railroad Joins Hopper Campaign

The Fort Worth & Denver railroad joined the campaign on grasshoppers in the Panhandle by spreading the sodium arsenite poisoning along the railroad right-of-way in Donley county Saturday.

The poison was spread by a special device, using approximately 4,500 pounds of the right-of-way between Ashola and the Donley-Hall county line.

The spreader continued into Hall and Childress counties, and is being used on other right-of-way in Childress county this week.

F. F. A. Boys To Make Annual Summer Trip

Plans are now being made by Clarendon F. F. A. Boys for their annual summer outing. The trip this year will be a ten-day stay in Yellowstone Park and other points of interest in Texas, Colorado, New Mexico, and Wyoming.

A special feature of the outing will be a trip to the summit of Pike's Peak.

The group composed of regular F. F. A. Members and boys who will be enrolled in vocational agriculture for the coming year will be eligible for the trip.

The boys, accompanied by J. R. Gillham, sponsor, will make the trip by truck and will camp out during the entire stay.

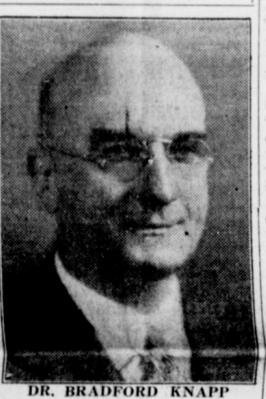

TEXAS TECH HEAD IS BURIED MONDAY

DR. BRADFORD KNAPP, WELL KNOWN TEXAS EDUCATOR HEART DISEASE VICTIM

Dr. Bradford Knapp, 67, president of Texas Technological College and outstanding in agricultural education circles, died Saturday of heart disease.

The educator had been in ill health for several months. He was the son of the late Dr. Seaman A. Knapp, known as the father of extension work in the United States. Throughout his life, deeply interested in agricultural work.

Mourning Leader

DR. BRADFORD KNAPP

He served as chief of the extension service for the United States Department of Agriculture in the South.

Dr. Knapp became president of Texas Technological College in 1932, when he resigned the presidency of Alabama Polytechnic Institute at Auburn, where he had been chief executive for four years.

Previously he had been president of Oklahoma A. & M. College at Stillwater from 1923 to 1928. Before he went to Stillwater he was dean of the College of Agriculture at the University of Arkansas.

He was associated with his father several years in agricultural work in the South. He served as assistant to his father during the elder Knapp's service as special agent in farmer's cooperative demonstration work in the bureau of plant industry of the United States Department of Agriculture, from 1909 to 1911.

After his father died in 1911 Dr. Knapp succeeded him in the position and later became chief of extension work in the South.

Dr. Knapp was the second president of Texas Tech, Dr. Paul W. Horn having served in that capacity from the opening of the college in 1925 until his death in 1932.

Mrs. Knapp and five children survive. They are: DeWitt Knapp of Lubbock; Dr. Roger Knapp of New Orleans; Bradford Knapp, Jr., Washington; Mrs. Irving Hurst, Oklahoma City; and Virginia Knapp, a senior in Texas Tech.

Funeral was at 10 a.m. Monday at Lubbock. The body lay in state at the college from 2 to 4 p. m. Sunday.

Meeting Today Projects Plans For Park Board

A meeting was held Thursday morning at ten o'clock at the Club Room to make plans for a permanent Park Board to sponsor and conduct development of the City Park east of the grammar school. Representatives from a number of clubs and other organizations in the city attended this meeting which was called by the Beaux Arth Club which has sponsored the park during this past year. The Art Club felt that it has undertaken a responsibility which is more than it can do and the City Park should be the concern and work of every organization in the city.

Mrs. C. C. Powell presided over the meeting at which it was decided to appoint a committee to perfect the organization of the permanent park board which will consist of representatives from each organization in the town. The executive committee will be the officers of the Board. Mrs. U. J. Boston, Rev. R. S. McKee and Frank White, Jr. were appointed to the committee to organize the board.

"FIGHT HOPPERS" IS AGENTS PLEA

148,000 POUNDS OF WET MIXTURE DISTRIBUTED FROM PLANT HERE

Farmers were again urged this week by County Agent H. M. Breedlove to cooperate in spreading grasshopper poison on their fields. The hoppers are becoming more numerous every day and harder to get under control, he said.

Up to Wednesday morning the Clarendon mixing plant has distributed 148,000 pounds, wet weight, of the poison mixture. The Hedley plant has distributed many tons in addition to the above.

The supply of poison ingredients is plentiful at the Clarendon plant and warehouse, and Breedlove stressed his appeal in saying that Donley county farmer demand for poison could amply be taken care of.

United and constant effort must be used to get rid of the grasshoppers it was pointed out. Four days is required to get maximum results from the poison, and by the time one infestation of grasshoppers have been killed, another has hatched out. It may be necessary to continue the fight on the hoppers until in the fall according to Breedlove.

Also, unless each farmer puts out poison, it will hinder the work. Grasshoppers from untreated land will spread to fields where poison has been put out, and force waiting out more poison, thus minimizing any results that may have been accomplished.

Poisoning of the main highway right-of-way has been made twice the county agent said, and poisoning the third time is now in progress. Approximately 3,500 pounds was used on the two spreadings.

County To Secure Road Right-Of-Way

At the regular meeting for June, Monday, the Donley county Commissioners Court voted to enter into negotiations for the purchase of 120-ft. right-of-way for the four-mile strip of farm-to-market hard surfaced highway authorized by the 1939 federal roads appropriations.

This is in confirmation of the promise the county made in 1937, when the state highway department officials explained the plan of certain farm-to-market road projects contemplated by the federal government.

Construction will be under the supervision and engineering of the highway department and Division engineer W. D. Van London of Amarillo has the detailed plans in hand for the construction, which will be by contract, just as soon as the funds are available following June 30th, close of the present fiscal year.

The paving project will be the first construction on the route of Highway 88 South from Clarendon to Turkey which designation was secured at the March sitting of the Texas Highway Commission. The Clarendon chamber of commerce highway committee was joined by various delegations from Perryton, Pampa, Turkey and South in the March hearing.

The four-mile project will total a little less than \$25,000, according to federal estimates. The route will join highway 5 one-block west of the Clarendon Gin, extending four miles on to present general location of the Brice road by the City Cemetery.

Mr. and Mrs. McHenry Lane left Wednesday for Boulder, Colo., where Mr. Lane will enter the University of Colorado for the summer.

Mr. Head, citizen of Donley county for 25 years, died early Wednesday morning in an Amarillo hospital after an illness of a week.

He was born Jan. 12, 1909 at Abilene.

Beside his wife, Mr. Head is survived by his father, D. R. Head, and a brother, Bob Head, both of Clarendon; his mother, Mrs. G. M. Millican and a sister, Dorothy Jean Head, both of Amarillo.

W. H. Patrick and Mrs. Harold D. Bubebe visited Saturday and Sunday with their daughter and sister, Mrs. Dick Marsh at Gorman, Kansas. Mrs. Patrick, who had been visiting there, returned with them as did little Miss Kay Marsh.

W. H. PATRICK

W. H. PATRICK IS LIONS CLUB HEAD

VETERAN BANKER COMES TO PRESIDENCY OF LOCAL CIVIC GROUP

Tuesday of this week was "election day" in the Clarendon Lions Club, and the list of officials proposed by the nominating committee, composed of the last three past-presidents, Lions Stallings, Caraway and Patman, was elected without opposition. The staff of officers named is as follows:

President, W. H. Patrick; 1st Vice-President, R. E. Drennan; 2nd Vice-President, P. B. Gentry; 3rd Vice-President, O. L. Jenkins; Secretary, R. S. McKee; Treasurer, A. A. Mayes; Lion Tamer, Allen Bryan; Tail Twister, H. M. Breedlove; Director, 1937-39, Walker Lane; Directors, 1938-40, L. E. Thompson and Frank Heath. Hold over Directors, McHenry Lane and H. T. Burton, retiring president.

Installation of the new administration will be held, Tuesday, June 28th, and the club voted to invite Past District Governor Ralph Randel of Panhandle to conduct the installation.

Lion V. L. Taylor appeared on the program for the day in a very interesting and instructive address on radio and television. The speaker declared that radio had become one of the leading industries of the nation, and that television was on its way to become a common factor in this country in the next few years. He said that the nation's bill for radio had already reached the stupendous total of \$9,000,000,000 per year.

Lion Braswell was named as official delegate for the Clarendon club to the Oakland, Calif., Convention of Lions International in July, on recommendation of the board of directors.

The program for next Tuesday will be a varied musical program with the best talent of the city taking part.

C. B. Head Rites Are Held Here Today

Funeral services for Clayton Bryan Head will be held this afternoon at the First Presbyterian Church at 2:00 o'clock. Rev. Robt. S. McKee, pastor of the church, will be in charge of services.

Burial will be in Citizens Cemetery.

Mr. Head, citizen of Donley county for 25 years, died early Wednesday morning in an Amarillo hospital after an illness of a week.

He was born Jan. 12, 1909 at Abilene.

Beside his wife, Mr. Head is survived by his father, D. R. Head, and a brother, Bob Head, both of Clarendon; his mother, Mrs. G. M. Millican and a sister, Dorothy Jean Head, both of Amarillo.

FILM VERSION WINS APPROVAL

SCORES RECEIVE ATTRACTIVE ATTENDANCE AWARDS AT DAILY SHOW

"Star in My Kitchen," the second annual Motion Picture Cooking School presented by The Clarendon News and 17 cooperating merchants and manufacturers drew an enthusiastic response from Donley county home makers during the three morning performances at the Pastime Theatre, Monday, Tuesday and Wednesday of this week.

Attendance at the cooking school showed an increase of 30 percent over the showing of "The Bride Wakes Up," last October.

As the crowds at each performance indicated, the homemakers and prospective homemakers of Clarendon and Donley county enjoyed going to school in a theatre where a clever film, "Star in My Kitchen," presented lessons in blending and mixing the ingredients for many recipes, in laundering fine fabrics and in planning healthful meals for growing children.

Throughout the film there was sparkling humor, suspense and the appeal of tender romance.

Many persons attended who did not register the second and third morning.

The simple, effective demonstrations flashed on the screen was easily followed by the audience at each performance. Close-up scenes were used to advantage in explaining cooking and homemaking details.

In connection with the show each guest was presented a printed recipe folder containing recipes demonstrated in the film; manufacturers' leaflets, and coupons for participating in four participating merchant's awards.

A feature of each performance was the awarding of attendance gifts which were presented through the courtesy of cooperating merchants and manufacturers.

THREE DEAD IN AMARILLO FIRE

27 MAKE ESCAPE AS FLAMES DESTROY 24-ROOM APARTMENT HOUSE

Three persons were killed early Tuesday morning when fire destroyed a 24-room, two story apartment house at Amarillo in which 30 persons were sleeping.

The dead: Mrs. C. W. James, 16, W. L. Thompson, Jr., 16, Donald Ray Thompson, 4.

Mrs. W. L. Thompson, mother of the two boys, jumped from a second story window with her seven months old baby. Both her legs were broken and the baby suffered critical injuries.

The father suffered bruises and severe burns.

The victims apparently died of suffocation. No others were injured seriously.

Gene Malone, 10-year-old boy, was the hero of the fire. He was awakened by the noise. Seeing the building was afire, he started yelling and alarmed the sleeping persons in time for them to escape.

Origin of the fire has not been determined.

More than 2,000 firemen were in the city for a state convention.

Henry Dwight Tomb Wins Band Contest

Henry Dwight Tomb, son of Mr. and Mrs. H. D. Tomb of Sweetwater and former residents of Clarendon, received a signal honor recently when he won first place with his snare drum solo in the district contest held at San Angelo. From the district he entered the national band contests held at Abilene, May 20, and his solo won first there.

Henry Dwight received his first training in the Clarendon band in which he was recognized as a talented and outstanding member. Since moving to Sweetwater, he has studied further and perfected his snare drum playing.

CRIME DEFEATS ITSELF

One big reason why "crime never pays" is that crime as it grows and develops, always manages to overdo until it defeats itself.

The present instance of kidnaping in the United States bears out what we have just said, for since kidnapers are not delivering their hostages after ransom is paid, it has become generally apparent that judgement and experience will halt further payments of ransom, even if the law does not do so, as is now universally demanded.

We all recognize that harried parents are willing to do anything possible to bring about the release of loved ones in the hands of desperate kidnapers, but since kidnapers have proven their fiendish extremity by killing the hostage either before or after the ransom money is paid, public opinion and friends' advice will act as a deterrent, even before the law against ransom becomes effective.

Crime always defeats itself. Crime does not pay. It is the duty of every good citizen to assist in making it even more unprofitable.

OVER \$5,000 INCOMES PAY LITTLE TAX

A recent survey reveals the rather astounding fact that if everyone had to turn over to the government all income in excess of \$5,000 a year, the sum collected would pay only about one fifth of the annual cost of government, federal, state and local. It points out that the great bulk of the tax bill must be paid by the small wage earner. He pays it in the form of "hidden taxes" without knowing it in most cases. Hidden taxes are a part of the cost of virtually everything that everybody buys—food, clothing, shelter—necessities as well as luxuries. For example, even the simplest item of everyday fare, a loaf of bread, is taxed 57 times, the survey shows. The loaf of bread for which Mrs. American housewife pays eight cents, could be bought for six cents if these hidden taxes were eliminated.

TRADE AT HOME POLICY NEEDED JUST NOW

There has never been a period in the history of the country when a rigid trade-at-home policy was needed so much as now. The summer months usually bring low-level business, and the summer of 1938 is not likely to be an exception. That is the reason why your town and my town needs all our trade, and needs it more than ever.

Let's give our home merchants the breaks for the next few months, because we owe them our business and The News promises that you will see such results in fellowship and local loyalty, that you will likely continue to be a consistent exponent of "trade-at-home."

A PHILOSOPHY WORTH WHILE

"No one is beat till he quits; no one is through till he stops. No matter how hard failure hits, no matter how often he drops, a fellow's not down till he lies in the dust and refuses to rise.

"Fate can slam him and bang him around, and batter his fame till he's sore, but she never can say that he's down while he bobs up serenely once more. A fellow's not dead till he dies, not beat till he no longer tries."

TIME FOR THE SOUL

A friend of mine, a distinguished explorer who spent a couple of years among the savages of the upper Amazon, once attempted a forced march through the jungle. The party made extraordinary speed for the first two days, but on the third morning, when it was time to start, my friend found all the natives sitting on their haunches, looking very solemn and making no preparation to leave.

"They are waiting," the chief explained to my friend. "They cannot move farther until their souls have caught up with their bodies."

I can think of no better illustration of our own plight today. Is there no way, so to say, of letting our souls catch up with our bodies? People used to, as we say, have time. Now no one has time. —James Truslow Adams.

NO NATIONAL STABILITY WITH WAR

"You cannot win national stability by war. You can not confirm democracy with hate. American plunges into Europe and Asia will not, unless experience lies, yield gains to the world or to the U. S. The one faint promise is that here in the U. S. a zone of sanity may be laid out, a bulwark for democracy in the midst of madness."—Hubert Herring.

The Republicans will gain about 100 seats in the House next November—going by a recent survey made by the Institute of Public Opinion. They will gain some seats in the Senate. But both branches will remain Democratic by heavy majorities. It is mathematically possible for the Republicans to gain control of the House—but no one thinks that can happen. It is mathematically impossible for them to gain control of the Senate.

As a result, more attention will be fixed on the Democratic primaries—to see how anti-New Deal candidates fare against pro-New Deal candidates. —Exchange.

IRRIGATION SYSTEM AT BRICE SUCCESS

PIONEER IRRIGATION FARMER TO INCREASE FACILITIES THIS YEAR

The Bitter Lake farm owned and operated by Mr. and Mrs. G. H. Crews near Brice and named for the large lake in the center of the farm, gives promise as the rose.

Mr. and Mrs. Crews, who shop and visit regularly in Clarendon each now past three-score and ten, manage this stock farm successfully with hired labor. The 294-acre farm utilizes both tractor and horse power in cultivation.

The home, a substantial white cottage is located in a black locust grove a short distance west of the lake.

The towering black locust, black walnut and cottonwood trees along the bank of the lake temper the heat laden winds of summer.

Irrigation has been the open sesame of the success of the Crews farm as water is reached at a depth of ten feet. A pump afforded irrigation for 40 acres from 1915 to 1925. During this 10-year period the farm produced on its cotton acreage, both irrigated and unirrigated, an average net profit of \$57.21. The highest average net profit per acre was during the prosperous year of 1920 when the farm returned a net profit from cotton of \$140 per acre.

This year finds Mr. Crews centering upon a more ambitious scheme of irrigation.

Bitter Creek, a small stream that runs through the north part of the farm has been diverted and will now irrigate 184 acres.

Although this stream came through the Crews land, it was necessary for Mr. Crews to apply for riparian rights in order to harness the stream for irrigation purposes. A tunnel 80 yards in length and some eight feet in width and slightly below the creek bed forms a conduit to bring the water into a 42-acre basin provided with a gate to release this water which is then carried through ditches, and by gravitation enters the contoured furrows to irrigate a greater portion of the farm.

The continued success of this farm is a testimonial to the indomitable energy and spirit of the owner.

STOCKMEN WARNED TO PREPARE FOR SCREW-WORMS

COLLEGE STATION—"Prepare for the screwworm in great numbers," R. R. Reppert, etomologist of the Extension Service of Texas A. and M. College, has warned Texas ranchmen.

The Bureau of Entomology and Plant Quarantine of the U. S. Department of Agriculture has forecast a severe infestation, probably worse than that of 1935, in many parts of the Southwest, especially Texas and Arizona.

WHERE DO FRECKLES GO WHEN OTHINE IS USED? It's Amazing to Many

For nearly 30 years Othine has been "chasing freckles" and lightening sun-tanned skin. Where do the freckles and tan go? They mildly flake away with the nightly use of this dainty cream. Satisfy yourself, as thousands do each year. The use of one jar must please you . . . or your money will be refunded. Your local druggist has Othine . . . or he will gladly get it for you.

The screwworm fly has started earlier than ever before. The infestation in extreme Southwest Texas had been held down by extreme dry weather during the first part of the season, but the weather in other parts of the state has favored the rapid development of the insect.

The best way to protect live stock from screwworms, Reppert points out, is to examine animals frequently so that wounds may be treated before they are seriously infested. Many ranchmen report that they have found it advisable to hold wounded or infested animals in small hospital traps, located on a high, open part of the range where flies are less abundant.

Reppert endorses the Bureau's recommendation for killing the maggots. The procedure is to treat the infested wound with 90 percent commercial benzol. The wound is then plugged with clean cotton saturated with benzol. Reinfestation is prevented by lightly covering the area around the wound with dehydrated pine-tar oil of 1.065 specific gravity.

The advantage of the benzol over most patented medicines lies in its low cost and in the fact that it does not cause shock to animal tissue. It does not deteriorate with age but is highly inflammable and will evaporate readily. It is this last property which makes it valuable in screwworm

"Doin' the College Swing"

Betty Grable and Jackie Coogan do the new dance which has taken the country by storm, the "College Swing," in the picture of the same name, opening next Wednesday, June 22, at the Pastime Theatre. The cast of this campus comedy is headed by George Burns and Gracie Allen, Bob Hope and Martha Raye.

control, for the maggots are killed not by the liquid but by the fumes.

Reppert also emphasized that the common pine-tar oil will often burn the animal while the dehydrated form will not.

STATE AAA COMMITTEE NAMED BY SECRETARY

COLLEGE STATION — The membership of the Texas Agricultural Conservation Committee and Advisory Board, which represents Texas farmers and ranchmen in their dealings with the AAA program, has been announced by Secretary of Agriculture H. A. Wallace, according to word received by E. N. Holmgren, administrative officer in charge of the state AAA office at Texas A. and M. College.

The committee and advisory board will consist of C. L. Thomas, Pampa; V. L. Cade, Slaton; J. H. Watson, New Castle; B. B. Ongle, Grandview; Donald L. Cothran, Caviness; Howard T. Kingsbery, Santa Anna; F. B. Seale, Benches; John Weatherly, Appleby; R. M. Korth, Ecleto; Geo. Slaughter, Wharton; A. E. Gates, Laredo; and H. H. Williamson, director of the Texas Extension Service.

Slaughter will serve as chairman of the committee. Every type and class of farming and ranching has representation on the board, Holmgren pointed out.

The committee, as in the past, will hold regular meetings at A. and M. College during the third week of each month, and also will be subject to called meetings.

As in 1937, the Wednesday after the third Monday of each month has been set aside to hear farmers and ranchmen who may wish to meet with the committee to state special cases or conditions.

NO WHEAT MARKETING QUOTAS FOR THIS YEAR

COLLEGE STATION — The wheat crop will not be subject to the marketing quota plan in 1938 according to Geo. Slaughter, Wharton, chairman of the Texas Agricultural Conservation Committee.

The new farm act set May 15 as the latest date for establishing a national wheat marketing quota, subject to a referendum by wheat growers, and also provides that no wheat can be in effect during the marketing year beginning July 1,

1938, unless provisions for parity payments have been made.

The Texas committee received word at its headquarters at Texas A. and M. College from AAA officials at Washington that the wheat marketing quota would have been proclaimed if parity payments had been provided for within the required time, Slaughter said.

The farm act provides that the wheat quota shall be proclaimed when the total supply of wheat will exceed the normal year's domestic consumption and exports by more than 35 per cent.

The Division of Crop Estimates has indicated that the probable production of winter wheat will be 754 million bushels and spring wheat around 200 million bushels.

The total supply of wheat is expected to be approximately 1,154,000,000 bushels. This amount would be 400 to 450 million bushels in excess of the normal year's domestic consumption and exports and about 200 million bushels in excess of the marketing quota level.

Wheat is the only crop for which marketing quotas this year depend upon provisions for parity payments, Slaughter pointed out. Marketing quotas are already in effect for cotton and for flue-cured burley, and the dark tobacco. The act provides that there shall be no marketing quota for rice this year.

THE AWFUL PRICE YOU PAY FOR BEING NERVOUS

Quivering nerves can make you old and haggard looking, cranky and hard to live with—can keep you awake nights and rob you of good health, good times and jobs.

What you should try is a particularly good women's tonic—and could you ask for anything whose benefits are better proved than that world-famous Lydia E. Pinkham's Vegetable Compound? Let its wholesome herbs and roots help Nature calm your shrieking nerves, tone up your system, give more energy and make life worth living again.

More than a million women have reported benefit—why not let Pinkham's Compound help YOU, too, to get "smiling thru" trying times like it has other grateful women, for the past 3 generations? IT MUST BE GOOD!

THE NEWS.

The Low Down FROM HICKORY GROVE

A congressman, he may be lacking in some ways, but when it comes to listening, he takes no back seat—he is a super-champion—he knows listening.

And voters who have been sitting around and let the Gov't take the roof off their house, they are waking up and sending messages and letters—and talking Turkey.

And if Congress will now get up some steam and start in and do away with some of the comedy already on the book, and omit any more new laws, we can stop wondering every night about what tomorrow will bring forth.

And if we just had the 10 commandments to go by, and nothing else, it would be great. And to study law, you would just read Deuteronomy. And partner, you don't need a lawyer to explain it, like the 3A, when even a Philadelphia lawyer can't figure it out.

And Deuteronomy, it is a book in the Bible, and is not some country in Africa or something to do with your appendix.

Things look better.

Yours, with the low down,
JO SERRA

Where are you going, is a question usually asked by friends almost every day. That is not an idle question if we would answer it seriously and in the light of present day trends. A young man was asked that question one day as he went out hopeful and respectable, with a high head, a proud walk and a pocket full of money into a far country. Oh, he said, I am going to have a good time. I am going to break the home ties, the church, the old fashioned idea of religion and explore new fields of thought, leaving God out. After living riotously for while, he found himself penniless, homeless, friendless, breadless and jobless; des-

Attitude of all that makes for manhood and happy living. One day a friend found him in the hog pen eating with the hogs and said, "Where are you going?" He said, "I'm going back home, where God, good friends and gladness abide." Any path that leads away from the home, the church and God, leads to stark loneliness, gnawing hunger, want and destitution; the hog pen. Where are you going? Oh I'm not going to church. I'm not going to Sunday School. I'm not going to Prayer Meeting. I'm going into a far country. Yes, and you will be coming back one day more helpless than when you went out. Don't fail God. Don't fail your home. Don't go back on your church.
The Baptist Church will be happy to minister in the regular services Sunday to all who come. J. Perry King, Pastor.

CHURCH OF CHRIST
H. V. Crumley, Minister

The sermon lesson for this Lord's Day will be "The Lord's Day." Is the Lord's Day the Sabbath? or is the Sabbath the Lord's Day? Many have a mistaken idea about the Lord's Day; what it is; how to keep it; why we keep it. The first day of the week is the only full day that we are asked or commanded to keep in honor of the Christ. Is it too much to give that day to his service, to prayer, to study of his word. Every Christian should hear this lesson given.

A. N. Wood Thanks Friends In Donley

The following letter has been received by the editor of The News from A. N. Wood, who is convalescing from a recent serious illness, thanking his many friends in Donley county who wrote him while he was in a California hospital:

"To all my friends and especially those who wrote me, I take this means of replying until I am able to write.

"I got word from more than twenty at one time while in the hospital, and maybe you think it didn't do me good!
"Am having a heck of a time but trying to grin through it all, but sometimes it is a pretty sickly grin. I am just beginning to sit up. As to when my side will heal, only time will tell. My doctor told me he never saw one that did not heal, but he could not tell how long it would take to heal.

"He had the same experience in 1910 that I am having and his side was 10 months healing. So you see that I have a long road to travel before I am well again.
"I have a wonderful doctor and a friend on cancer and radium, in fact, treating cancer is about all he does, and he has made some wonderful cures.
"Well, here is hoping you will never be subjected to the suffering that is my lot at the present.
"Will close, with best wishes to all, and at least one big oil well for old Donley county.
Thank you,
A. N. Wood,

McLEAN WOMAN DIES IN BED

MOTHER OF CLARENDON CITIZEN FOUND DEAD BY NEIGHBORS SATURDAY

Funeral services were conducted at the Clarendon Church of Christ Monday for Mrs. Margaret M. Bullington, resident for the past 15 years of McLean.

H. V. Crumley, minister of the local Church of Christ, was in charge of the services.

Interment followed in Citizens Cemetery with the Buntin Funeral Home in charge of arrangements.

Pallbearers were J. Frank Heath, R. O. Thomas, Frank Thomas, J. T. Mayo, Ben Andis.

and Cecil Killough.
Mrs. Bullington, the mother of Mrs. Myrtle McClenny of Clarendon, was found dead in her home Saturday by neighbors who had not seen her about that day. A physician was called and after breaking in a door her body was found in bed. The time of death was paced at midnight Friday. She has been in ill health for some time.

Deceased was born May 15, 1877 in Alabama, the daughter of Mr. and Mrs. Nathan Patterson. She was a faithful member of the Church of Christ.

Besides Mrs. McClenny, she is survived by another daughter, Mrs. Pearl Price, Hobbs, N. M.; two sons, Ivy Stephens of Longview, Texas and Monte Stephens of Hobbs, N. M.; two sisters, Mrs. Della Tracy, Granbury; and Mrs. Mary Ray, Lefors. Several nephews, neices and grandchildren also survive.

SOCIETY

Garden Club Enjoys Breakfast Monday

The Garden Club met Monday morning at 8:15 in the home of Mrs. C. B. Morris with Mrs. Morris and Mrs. Lee Bell as hostesses. A delicious two-course breakfast was served by the hostesses assisted by Naomi Morris. The house was decorated with wild flowers, and a sprig of red honeysuckle was placed on each plate.

Following the breakfast, the president, Mrs. Joe Goldston presided over a brief business meeting. Roll call was answered with clippings from "The Diary of a Plain Dirt Gardener." Mrs. Tom Goldston gave a very interesting talk on "Recognizing and Transplanting Wild Flowers." She used a group of wild flowers which she had gathered on a trip to Wellington and legends of wild flowers including Indian and others to illustrate her talk. A round-table discussion by the members was held after this talk.

The group inspected the yard of Mrs. Morris and that of Mrs. Crockett Taylor before the meeting adjourned to meet on the 27th with Mrs. Ellis and Mrs. Potts as hostesses.

Those who enjoyed the morning were: Mesdames George Ryan, D. O. Stallings, W. T. Hayter, A. L. Chase, J. A. Potts, T. H. Ellis, S. M. Braswell, C. D. McDowell, H. C. Brumley, Tom Goldston, J. H. Howze, members and Mesdames Edd Dishman, John Molesworth, Tom Tucker, Crockett Taylor, and Miss Charlotte Molesworth, guests.

Misses Word, Ellis Give Musicales

Misses Mary Charlotte Word and Maxine Ellis, assisted by Mrs. Millard Word entertained with a musicale Saturday afternoon at the ranch home of the Words. The following program was very well rendered by the two young musicians:

Dark Eyes—Maxine Ellis and Mrs. Word.
Valse Coquette—Maxine Ellis.
Country Gardens—Maxine Ellis.
Dancing Doll—Mary Charlotte Word.

Old Refrain—Mary Charlotte Word.
Cavaleria Rusticana—Mary Charlotte Word and Mrs. Word.

White Daffodils—Maxine Ellis.
In a Monastery Garden—Mary Charlotte Word.

Schon Rose Marian—Mary Charlotte Word.
Clementi's Sonatino—Maxine Ellis.

Sweet Jasmines—Maxine Ellis and Mrs. Word.
March of the Marionettes—Maxine Ellis.

Punch was served to the following guests: Mesdames W. H. Martin, Minnie Dyer, J. H. Howze, A. L. Chase, Arthur Letts, James Trent, W. C. McDonald, Dr. and Mrs. T. H. Ellis, Rev. and Mrs. N. C. Smith, Jean and Ruth McDonald, and Della Beth Cordell of Childress.

Mr. and Mrs. G. H. Ballew announce the birth of a daughter, June 10.

Mrs. Brumley Hostess To Kill Kare Klub

Mrs. H. C. Brumley was the delightful hostess last Thursday afternoon to the Kill Kare Klub.

Vases of regal lillies and dahlias decorated the entertaining rooms.

Fancy needle work and visiting occupied the guests during the afternoon with the hostess serving a dainty refreshment course to Mesdames Lee Bell, Geo. McClesky, Bill Ray, Crockett Taylor, and Joe Goldston, guests and to Mesdames Sam Lowe, J. H. Harris, W. B. Sims, J. R. Bartlett, Homer Mulkey, Eva Draffen, and the hostess, members.

1937 Contract Club Meets With Whitlocks

The 1937 Contract Club was entertained by Mr. and Mrs. Price Whitlock Thursday night in the home of Mrs. R. L. Bigger. Five tables of bridge were enjoyed during the evening. G. W. Estlack had high score for men and Mrs. Bill Johnson high for ladies. Garden flowers were used throughout for decoration.

Delicious refreshments were served to the following: Messrs. and Mesdames L. L. Wallace, Elmer Palmer, Gilmer Ayers, Alfred Estlack, G. W. Estlack, Willard Skelton, members; and guests, Messrs. and Mesdames Bill Johnson, Verna Lusk, Miss Geraldine Pratt and Ardis Patman.

Mrs. McClelland Hostess To 1922 Club

Mrs. J. B. McClelland was hostess to the 1922 Bridge Club Tuesday. Luncheon was served at the home of Mrs. Bigger, then the party went to Mrs. McClelland's to play bridge. In the three tables of bridge, Mrs. R. A. Chamberlain had high for club members and Mrs. J. L. McMurtry high for guests. Mrs. Sella Gentry cut high for consolation, and Mrs. George Ryan had low score.

Those who enjoyed the afternoon were: Mesdames James Trent, Arthur Letts, W. H. Cooke, R. A. Chamberlain, Odos Caraway, Sella Gentry, T. H. Ellis, members; and Mesdames R. L. Bigger, George Ryan, N. C. Smith, J. L. McMurtry, W. H. Patrick, guests.

Surface Tanks In County Are Filled

Recent rains in the county have filled practically all of the 85 surface tanks constructed under the government dam program, in Donley county during the past year, according to H. M. Breedlove, county agent; and Joe McMurtry, range inspector for the soil conservation program.

A survey of the county reveals that there is an abundant supply of water in the tanks and grass is in better shape than at the same time last year, they said.

J. Frank Heath was attending to business in Amarillo Wednesday.

Allen Bryan of this city and his father, E. F. Bryan of Amarillo, were business visitors in Vernon Tuesday.

Famous family flies for eleven years

The famous Hutchinson family is a flying family if there ever was one. Four of them, Lieutenant-Colonel George R. Hutchinson, Mrs. Hutchinson, Janet Lee and Kathryn—have been traveling for the past eleven years in their own airplane.

They have visited practically every continent on the map. Labrador, Newfoundland, Greenland, Iceland, Europe, Mexico and Central America have been covered in the past few years, not to mention the entire United States and Canada.

Like so many other great Americans the Hutchinson family cast their votes for Quaker Oats. Col. Hutchinson says, "Quaker Oats is a great breakfast for active, energetic people. I've had it for years. Recommend it because it keeps your nerves healthy and aids digestion." Mrs. Hutchinson says, "I've given my family Quaker Oats for years. To an active family Quaker Oats offers a wealth of nourishment and food-energy. It contains also an abundance of precious Vitamin B, the vitamin that braces up nerves and appetite."

Sunday Morning is Pancake Morning

For millions of families Sunday morning means more than getting an extra wink of sleep. It means they will awake to the tantalizing aroma of pancakes baking on the griddle.

And when those pancakes come 'hot off the griddle' the meal maker can be sure they'll be tender, fluffy and savory. Because modern day pancake ready-mix takes the guesswork out of pancake making. According to directions on the Aunt Jemima package you just add milk or water—stir—bake—and serve. These modern pancakes do away with all the fuss and bothersome ingredients, but they still have that good old-fashioned tastiness.

HAM PANCAKES

And to satisfy that "meat for breakfast" hunger there's nothing better than Ham

Pancakes made from the following ingredients:

1 cup Aunt Jemima Pancake Ready-Mix
1/4 cups water, or milk
1/2 cup baked ham, minced
Mix and bake according to package directions. This recipe makes eight cakes.

CREPE PANCAKES

Crepe Pancakes are surprisingly good and always call for an encore. If you like them French style and tissue thin, tip the pan as you add the batter so as to produce the thinnest possible coating over the bottom of the pan. Then bake to a golden brown. The following ingredients will make ten or twelve cakes:

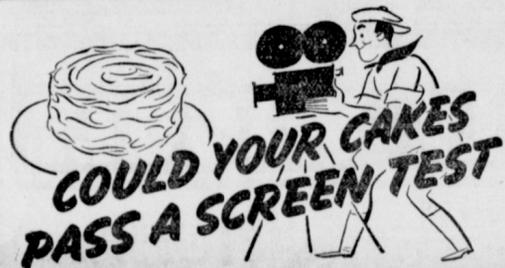

1 cup Aunt Jemima Pancake Ready-Mix
1/2 cups milk
Mix and bake according to general directions and serve rolled, either plain or with a powdered sugar and jelly filling.

Mrs. Beedy and Mr. and Mrs. Ralph Zachary of Floydada were visitors in the J. E. Mongole home Sunday.

Mrs. Earl Alexander of Glade-water, a former Clarendon resident, was a guest of Miss Mary Cooke Friday and Saturday.

Mr. and Mrs. R. V. Payne and daughter of Turkey were guests of Mr. and Mrs. F. E. Chamberlain over the week-end.

Elmer Joe Hayes returned Saturday from Dallas where he went on vacation.

... like the Sno Sheen cakes in the Motion Picture Cooking School?

When a cake appears in the movies, it has to be beautiful! It mustn't show any defects when it looms up large on the screen; must be so tempting that the audience will long to taste it.

Cakes made with Sno Sheen Cake Flour please the most critical eye. And their perfect appearance is an assurance that they are wonderfully light—wonderfully delicate in texture. They're as good to eat as they are to look at!

Your cakes, too, will be a delight to the eye and to the palate if you use Sno Sheen—the super-fine cake flour that's featured in the Motion Picture Cooking School. Try a package—and you'll want to use it regularly for all your fine cakes!

Pillsbury's SNO SHEEN Cake Flour

IT TAKES A STAR TO PLAY THE LEAD in the Motion Picture Cooking School!

The story of "Star in My Kitchen" wouldn't ring true if flour of uncertain quality were used in the baking scenes. It takes a flour like Pillsbury's Best to assure the fine baking results that give point to the story.

And in your own kitchen, it's just as important to use fine flour if you want your baking to turn out perfectly—every time.

Pillsbury's Best gives superior results because the wheats that go into it are tested and blended with scientific precision—and because its quality never varies.

Why take chances when Pillsbury's Best Flour costs so little more per recipe? Ask your grocer for Pillsbury's Best!

The New York Herald Tribune's

Dick Merrill Makes Ocean-Flight Historic

The Ace of Ace flyers is Dick Merrill, the only man in history to ever complete two round-trip flights across the Atlantic ocean. And he holds the record for the fastest two-way journey ever completed over the Atlantic.

Merrill returned to America from his Coronation flight to England in less than five days after he had first taken off at Floyd Bennett Field in New York. His 3,600 mile eastward trip had been covered in 21 hours and 2 minutes with an average speed of 170 miles per hour, and his average speed for the return flight home was 144 miles per hour. His flight covered a total distance of approximately 7,000 miles in less than five days.

It was Merrill's second round-trip ocean crossing in less than a year, and was the first commercial flight ever made across the Atlantic. As representative of a newspaper syndicate, he procured and returned to America pictures of the colorful Coronation.

It is interesting to note that Pilot Dick Merrill chooses breakfast of Great Americans, Quaker Oats. Active people who need great reserves choose vitamin foods. Quaker Oats, which is rich in Vitamin B, is splendid for combating nervousness, indigestion and poor appetite.

prizes of \$250 each for the two best books published between January and June in connection with the second annual children's Spring Book Festival, went to John R. Tunis for "Iron Duke" and J. R. R. Tolkien for "The Hobbit."

The Atlantic Monthly Press announces its fifth \$5,000 non-fiction contest, with May 1, 1939 as the closing date. "Old Jules" by Marie Sandos won the last award, a biography of her father.

Fellowships for the Middlebury College Bread Loaf Writer's Conference this August has been awarded to Harriet Hassell, Chas. Ford, Josephine Niggli, Wellington Roe, Arthur B. Tourtello and Theodore Straus.

Margaret Ayer Barnes and Edward Sheldon were awarded \$587,604.37 as damages by the Metro-Goldwyn Pictures Corporation for plagiarism in the play "Letty Lind." The case had been appealed, but the decision was sustained by the U. S. Circuit Court of Appeals. Margaret Ayer Barnes' books are quite popular with our readers—"Westward Passage," "Within This Present" and "Edna His Wife."

In the reports from the libraries of twenty-seven cities for May, we find "The Citadel" still leading and "Northwest Passage" second, while "Gone with the Wind" still comes as near the top as fourth. But in the Booksellers' reports, Biston gives "Lisa Vale" by Oliver Higgins Prouty first place; Chicago gives "The Yearling" by Marjorie Kinnan Rawlings first; New York the same; San Francisco, "The Mortal Storm" first. Each still gives "The Citadel" from second to fourth place. But in non-fiction each reports "The Importance of Living" by Lin Yutang first. The influence of the movies is held responsible for the fact that the five most popular children's books are "Tom Sawyer" by Mark Twain; "Snow White and the Seven Dwarfs" by the Brothers Grimm; "Rebecca of Sunnybrook Farm" by Kate Douglas Wiggin; "Ferdinand" by Munro Leaf; "Roller Skates" by Ruth Sawyer.

Emil Ludwig is a Jewish-German by birth. By the time he was 20 years old he had written 12 plays, six of which had been staged. Although he was primarily a lawyer and a merchant until he

was 25 years old, he was intensely interested in outstanding people. This early interest has resulted in his outstanding biographies of Bismark, Napoleon, Lincoln, Michelangelo, Rembrandt, and he is now working on the biography of Franklin D. Roosevelt. His present day success is "The Nile" which has been a best seller since its publication. While working on this book he became interested in Cleopatra and that biography resulted.

Don't forget that we have magazines at bargain prices. They will add much pleasure to your summer reading. See them.

Salad Bowls Bring the Garden to the Table!

There was a time when every hostess worthy of the name tried to disguise the natural beauty of her garden vegetables when they came to the table. Cut and diced, and smothered in all sorts of strange ways, they were never allowed full expression of their own naturally graceful and delicious selves.

Today all that is changed, and the handsomest of our salads are the most natural appearing. The salad bowl, offering us a wide variety of the best the garden has to offer, is perhaps the happiest expression of this simple beauty in salad-making.

In the salad bowl, with its ample surface, we find green beans, ruddy carrots, blushing tomatoes, tender peas, spicy radishes and floweret of raw cauliflower mingling in a happy community of garden-goodness. Each of these garden favorites may be placed in a separate nest of crisp lettuce—or all of the ingredients may be tossed lightly together in a bowl garnished with watercress. But anyone who has ever prepared or tasted

a salad bowl agrees that this particular kind of salad has a charm all its own.

There are no hard and fast rules about the proper making or arrangement for a salad bowl. Let the imagination, and the wealth of the garden, decide. But an excellent rule to remember is that the choice of dressing for these fresh spring beauties is all-important. To enhance each separate flavor of the vegetables, and dress the salad as it properly deserves, "Miracle Whip" Salad dressing is the ideal choice. Because it is neither too sharp nor too mild, but blends with a wide variety of flavors, it is perfectly suited to the vegetable salad. Made with pure vinegar, choice eggs, oil and a happy blend of spices, "Miracle Whip" combines the best features of both old-fashioned boiled dressing and mayonnaise.

A separate bowl of "Miracle Whip" served beside the heaping salad bowl is your assurance of the success of this most popular member of the salad family.

A FLAVOR ALL OF ITS OWN!

NOBODY'S BUSINESS
BY JULIAN CAPERS JR.

AUSTIN—One of the most unusual contests for the governorship of Texas within the memory of political observers here is being enacted, and will reach its first climax on July 23. It is remarkable, first for the size of the field—the largest in history, with 14 applications filed when entries closed, and the prospect that 13 of these names will go on the ballot. It is likewise remarkable for the lack of division among the leading candidates upon issues, and for the singular lack of personalities or "mud-slinging" which has characterized the first month of active campaigning.

At this stage, political opinion generally holds to the belief that but three of the candidates—William McCraw, Ernest O. Thompson and Tom Hunter—have much possibility of going into the runoff. The first two named are regarded here as the best—almost certain bets—to go into the second

heat. But the last six weeks of campaigning, of course, can bring surprises and upsets, and with the queerly assorted variety of material that is entered, a dark-horse may nose out one or more of the favorites.

LOOKS BAD FOR VERNEST

"Vernest O. Thompson," or Vivian O. Thompson, or whatever finally turns out to be the real name of the Dallas entrant, was summoned this week to appear before the Democratic State Executive Committee at its Monday meeting and show cause why he shouldn't be ruled off the ballot for fraudulent filing, after Everett O. Looney, a committee member, filed protest against listing him as a candidate. In Dallas, his campaign manager said Thompson wouldn't appear. On the eve of the committee meeting, the temper of the committee was apparently somewhat nasty about the whole transaction, and it appeared "Vernest" would be ruled off the ballot in short order, if he doesn't appear to defend himself. The committee takes the position that the persons manipulating "Vernest" have tried to make a joke of the committee and the voters,

DOCTORS' WIVES USE SOAP THAT REMOVES GERMS AS WELL AS DIRT

Helps keep children healthy, they tell investigator

Doctors' wives are alert to the danger of germs on hands. A recent investigation among doctors' wives shows that many use Lifebuoy Health Soap for themselves and for their children. It is a well-known fact that Lifebuoy removes germs as well as dirt, and thus helps keep children healthy.

No doubt most of these women learned from their doctor-husbands that the germs of 27 or more diseases may be spread by busy, grimy little hands. What more natural, therefore, than their choice of Lifebuoy—a very sensible precaution! Every time youngsters wash with Lifebuoy they wash away many dangerous germs

that may be clinging to their hands. Mothers who understand the great menace of germs insist that their children wash their hands regularly with Lifebuoy, especially before meals.

Though popular as a health soap, Lifebuoy is famous for bath and complexion, too. More men, women and children in America bathe with Lifebuoy than any other bath or toilet soap. Lifebuoy contains a special purifying ingredient not present in any other popular toilet soap—that's why daily baths with Lifebuoy stop "B.O." as no ordinary soap can. Yet Lifebuoy is milder—over 20% milder by test than many leading "beauty" and "baby" soaps.

and the majority of the committee-men were frankly sore about it. (The Committee, Monday, did vote to exclude "Vernest O. Thompson" from the ticket.)

FEW ISSUES DEVELOPED

Ernest Thompson this week took cognizance, during a West Texas speaking tour, of the prompness with which McCraw has adopted the platform and issues which Thompson has espoused. He declared that he announced his platform first, and delivered his opening address at Waco first. Then, he charged, Mc-

Craw adopted his platform virtually word for word, and "made an opening speech so nearly like mine that when I listened on the radio, I thought I was hearing myself speak."

Thompson injected a real and new issue, when he came out for liberalization of the old age pension law, to the extent of eliminating the question of whether an old age pension applicant has children or other relatives able to support him or her, as a test for eligibility. He contended that the constant "prying" into the personal affairs of the aged peo-

ple by "white-collared army of case workers" was a greater hardship than not getting a pension, and declared that enough would be saved in pension administration costs by eliminating the necessity of "asking Grandma a lot of insulting questions" to pay the pensions of those who might be added to the rolls by eliminating the question of support by the children.

"My opponent has copied my platform and my opening speech and every other issue that I have advocated," Thompson declared. "Now let's see if he will dare go along with me and copy this issue."

McCRAW BIDS FOR FARM VOTE

McCraw, on a Valley tour, made a strong bid for the farmer vote in that rich agricultural area, by promising to "call in real farmers and ranchmen to sit around the council table" to discuss their problems when he is Governor. Thompson has been making a bid for the farm vote, with strong pledges for a constructive land conservation program, and McCraw's advisors obviously were seeking something to offset the Thompson rural strength.

Relative position of these two leading candidates appeared, according to best reports here, to be little changed during the week. McCraw was generally believed still in first place with Thompson forging steadily forward, and the Thompson statewide organization functioning smoothly and effectively, under excellent timing.

PRESS CONVENTION ELECTS

In Port Arthur, amid a flock of political candidates and their workers and press agents which almost outnumbered the delegates, the Texas Press Association concluded a successful 59th annual convention by electing Deskins Wells, brilliant young publisher of the Wellington Leader, president, Walter Buckner, of the San Marcos Record, was named vice-president and Uncle Ben Harigel of La Grange and Sam Harben, of Richardson, were renamed treasurer and secretary, respectively. Harben will serve his twenty-eighth term, having won over Garland Farmer, of Henderson, the first opponent he has ever had as secretary. Among resolutions adopted were those favoring paid advertising of governmental financial statements, and condemning the giving of free publicity space to competing advertising mediums including movies and radio. The Kerville Mountain Sun, published by Mrs. W. A. Salter, won the award as the best Texas Weekly, for the second time.

ALLRED ADDRESS CIO UNION

Austin observers believed the last possible barrier to the appointment of Gov. Allred as Federal Judge was removed this week when the Governor addressed the Oil and Gas Workers Union convention in Houston. The organization is affiliated with the CIO. Allred, more than a year ago, vigorously attacked the tactics of sit-down strikers in the East, and warned it wouldn't be tolerated in Texas. The CIO unions were the only ones ever to use the sit-down strike as an industrial weapon, and there were rumors here that John L. Lewis would personally protest Allred's appointment to the Federal bench.

FRIGIDAIRE GIVES ALL ADVANTAGES AND PROVES IT

To render assistance to the general public in obtaining information by which automatic home refrigerators may be judged, is the prime purpose in setting up a special demonstration and exhibit at Frigidaire dealers' stores. A factory representative has announced that all of the methods by which it is possible to save through the purchase of the right type of refrigerator will be outlined and explained in detail at the showrooms commencing immediately. The manufacturers of Frigidaire at Dayton, Ohio, it was stated, are sponsoring the move coast-to-coast for the purpose of eliminating confusion from refrigerator buying.

"It is to be remembered," said the spokesman "that these are not simply demonstrations of Frigidaire specialties. Of course, Frigidaire must meet each saving requirement before it can expect public confidence, but the purchaser, with the information gained, may check any refrigerator which he plans to buy. The information outlines the basic things in a refrigerator that most people want, but which in many cases, they simply take for granted they are getting."

"Our plan explains the various ways by which it is possible to lose or to save in buying a refrigerator and tells the buyer exactly how he can obtain proof that he will be without his having to take anyone's word for it. For instance, he should have low operating cost without sacrifice of any other refrigerator convenience. Our plan shows him how to obtain verification of salesmen's claims before he buys. Again, he may assume that an automatic refrigerator always provides correct temperatures for all foods, or perhaps makes ice cubes rapidly. By understanding how to check these things, he is in position to demand proof of the performance of any refrigerator before he spends his money.

"It is not sufficient that a refrigerator comply with only part of the possible advantages. The buyer is entitled to proof that all known advantages are met in a single refrigerator. Although it isn't easy for any one refrigerator to accomplish this, if the buyer will choose one that does meet such a condition and proves it, he will have a device that will give him many years of genuine satisfaction." Methods and apparatus by which such proof can be established beyond any doubt constitute the principal features of the special demonstration.

Fishermen Beware Is Warden's Advice

Since the opening of the season June 1 in Donley and six other Panhandle counties on the elusive bass and crappie, Clarendon followers of Isaac Walton have become special wards of Polly O'Neil, game warden in this area, who will be out visiting favorite angling spots to see that fishing laws are respected.

Preservation of game fish in Texas has been an important problem to all guardians of the statutes and especially to Will J. Tucker, executive secretary of the state game, fish and oyster commission. Dut to protective measures bass prospects for this year are the best in several years.

Even though there are few spots in Donley county the portly bass and he declared he didn't even know when he made his declaration, that the Oil and Gas workers were a CIO union. He praised their law-abiding record, and expressed complete friendship. Some effort had been made to withdraw the invitation to Allred to address the group prior to the address, but it is believed here the incident served to heal any possible breach between the Governor and the Texas CIO group.

Driving Hints For Summer Are Given

With vacation time approaching for thousands of Texans, state police this week issued rules for highway travelers to follow in order to lower summer traffic casualties.

In outlining the rules, officials of the safety department warned that many vacation itineraries demand hurried trips which often end in disaster. The rules are:

1. Get plenty of sleep and travel only reasonable distances each day.
2. Check your car for mechanical defects and use tires that are in good condition.
3. Never park on highways where your car will interfere with traffic movements.
4. Drive slowly that your car is always under control; as speed increases the severity of accidents. Pass other vehicles only when there is plenty of clearance and, when not passing, keep to the right.
5. Keep your driver's license with you.
6. Do not pick up hitch-hikers.

inhabits, anglers will be invading lakes and streams of nearby counties.

O'Neil says the fisherman better beware and consult the local laws in force where he fishes, regarding the size and number of fish that may be retained.

Wardens are alert to see that law violators do not offset their efforts to restore the state's once abundant fish supply.

Your Electric Servant

"Folks, I'm Reddy Kilowatt, Your Electrical Servant. I don't want a formal introduction. But I do want to get on such friendly terms with you that I can say, 'Howdy, Bill,' and 'Howdy, Mary.' I want you to invite me in, see? I won't be any trouble. In fact, I'll do all the work you've been doing. That's my specialty. While my name is new right here in West Texas, you've had the benefit of Electric Service all the time. My entrance into the picture merely gives personality and a warmer touch to it. Too, I can tell you more ways in which to use the West Texas Utilities Company. Make 'em work for you! Their rate of pay—well, let's say 'My Rate of Pay'—is so small you'll be positively flabbergasted at the work I do for a few pennies. I'll be with you from now on... in the papers, in the show windows, and—I hope—right in your home and business. You see, folks, I'm Your Electric Servant!"

Local Aggies Will Enter Hog Contest

A hog improvement contest being sponsored for 1938-1939 by the Texas Swine Breeder's Association for 4-H and F. F. A. chapters will be entered by the local F. F. A. group. The contest is based on the number of registered stock brought into or raised in the community by the competing members, and care of stock. Clarendon F. F. A. chapter members now have approximately 50 registered sows and gilts bred for fall pigs. Hampshires, Poland Chinas and Duroc Jerseys are the three breeds being featured. Registered Poland China and Duroc Jersey boars were recently secured through the cooperation of the Clarendon Lions Club.

Six Are Fined In Judge Davis Court

Week-end violations caused a rush of business for Justice of the Peace W. A. Davis, with charges being filed against six men. As a result of a fight in the downtown district Saturday afternoon D. L. Williamson was fined \$1.00 and costs by Judge Davis. The affray was with Boyd Payne. Officials of the sheriff's department interrupted a disturbance at Hedley Sunday afternoon and filed charges against five men in Judge Davis' court. O. H. Elliot was fined \$1.00 for being drunk; Raymond Tidwell \$5.00 for fighting; C. L. Peggram \$1.00, fighting; O. P. Talley \$1.00, drunk; and Jim Johnson, \$5.00, drunk.

PARKED TRUCK MYSTERY IS MYSTERY NO MORE

R. T. Brown, city marshal, was frustrated last Friday evening in an attempt to impound a panel body truck that had been parked on the south side of Thompson Br. s., Co., for three nights. Just as Brown was making an investigation, the owner of the truck, an Amarillo man, appeared on the scene. He proved his ownership of the truck and explained that motor trouble forced him to abandon it temporarily.

CHRISTIAN GROUP GOES TO CETA CHURCH CONFERENCE

A group of young people from Clarendon are attending the annual Summer Young People's Conference of the Christian Church at Ceta Canyon from June 13 to 19. Those from here are Ruby and Zoy Frohnbarger, Ruby Tucker and Earl Eudy. They were accompanied by Rev. and Mrs. R. E. Austin who are Dean of Men and Women respectively and will teach "Life Evaluation for boys and girls."

TWO FINED FOR SELLING LIQUOR TO STATE AGENTS

Fines of \$100 and costs were assessed against Joe Wardlow, white, and Dan Smith, negro, for liquor law violations last Friday by County Judge S. W. Lowe. Both plead guilty. Purchases were made by two state liquor agents who also filed the charges, court officials said.

"Reddy Kilowatt" To Entertain Kiddies

With the announcement in today's issue of The Clarendon News, introducing "Reddy Kilowatt," Chas. Lowry, local manager of the West Texas Utilities Company, made this explanation of the new addition to the company's staff: "For a number of years, we've been seeking some way in which electric service could be pictured to the public. Practically everyone knows about electricity. But to many persons it is a mysterious force which they believe comes out of the sky. In fact, however, it must be generated at a high voltage, then subdued and more or less served on a platter in homes and business where it may be safely used at a mere turn of a switch.

"In Reddy Kilowatt we believe we have a figure which illustrates electric service in an unmistakable manner—one which immediately suggests electric service."

In order to help acquaint WTU customers with "Reddy," Mr. Lowry said that free balloons bearing Reddy's picture and small pasteboard cutout figures of the little fellow will be presented to all children, accompanied by an adult, who visit the local office Friday.

"We preferred a character such as Reddy Kilowatt because we regard our service as friendly and helpful," Mr. Lowry said. "We felt that our sentiments could best be expressed by a real, life-like electric servant. That's how Reddy came into being. He typifies modern electric service as it is available in every home."

METHODIST WORKERS AT AMARILLO CONFERENCE

Mesdames J. R. Porter and Simmons Powell and Rev. and Mrs. E. D. Landreth attended the children's worker's conference held at the Polk Street Methodist Church in Amarillo Monday. The conference was presided over by Mrs. J. B. Martin of Amarillo, formerly Floy Silvey of Clarendon. Miss Mary Skinner of Nashville, Tenn., sponsor of children's work in the Methodist Church, gave the principal addresses of the day.

PLAN POULTRY SHOW ENTRIES

OVER 400 BIRDS WILL BE GROOMED FOR TRI-STATE POULTRY SHOW

Plans are being speedily shaped by farm boys of Donley county for exhibition of a large number of chickens in the poultry division of the Tri-State Fair this fall. The boy's stock of birds are being carefully fed with the expectation of carrying off the fourth consecutive prize in the county division. The major portion of the show chickens were brooded out as a part of the F. F. A. group poultry project this spring in which over 3,000 chicks were brooded.

Carl Morris will show Columbian Wyandotts; Horace Green, light Barred Rocks; Homer Speed, Columbian Plymouth Rocks; Russell Morris, White Orpingtons; Junior Speer, Rhode Island Whites; Herman Mooring, Blue Andalusians; Bill Alexander, Lamonas; Lee Phelan, Rose Comb Rhode Island Reds. Several other breeds will also be entered. Other poultry fanciers and the

breeds they will exhibit are as follows:
Gilbert Mann, Light Brown Leghorns; Mrs. R. M. Acord, Black Minorcas; Claude Primrose, White Langshans; C. J. Cobbs, Silver Laced Wyandottes; Will McDonald, Lamonas; Sam Tankersley, Partridge Rocks; E. V. Quattlebaum and J. L. Cobb, Single Comb Rhode Island Reds; Beatty Hillman, Black Langshan. Approximately 400 birds will be exhibited at the fair.

JUDGE PORTER GIVES LAYMAN'S DAY ADDRESS

Judge J. R. Porter was in Childress last Sunday where he was the speaker at a Layman's Day service for the First Methodist Church at the eleven o'clock hour.

Dr. A. L. Moore is pastor of the Childress church, and will be remembered here as pastor of the Methodist Church a number of years ago.

Mrs. Frankie Moore and children, Patty Jean and Wayne, are here visiting her sister, Mrs. J. L. McMurtry. J. L. McMurtry returned Saturday from Tucson, Arizona and will be here about a week on business.
