## Welcome O-T Singers -- Congratulations Fall Pig Show Sponsors

### 7,000 EXPECTED FOR TWO-DAY CONVENTION

THOUSANDS OF HARMONY LOVERS TO INVADE CITY SATURDAY AND SUNDAY

What promises to be the largest convention gathering in the history of Clarendon and Donley County comes to this city Saturday and Sunday, October 7-8, when the officials and members of the Oklahoma-Texas Singing Convention open their 11th annual convention Saturday morning at 10:30 o'clock.

The big district embraces thirty-six counties of Northwest Texas and Southwest Oklahoma, and is regarded as one of the most active singing organizations in the entire Southwest. Besides the staff of officers and directors there are five members of the executive committee from each county in the territory. A. B. Wills of Memphis, Texas, is the president, with E. J. Cooper, Texola, Okla., and J. I. Evans, Granite, Oklahoma, first and second vice-presidents respectively. Mrs. A. J. Byrum of Carter, Oklahoma, is the secretary-treasurer.

The program committee for the convention is composed of E. A. Cowley, Childress, Texas; Floyd Rice, Strong City, Oklahoma; Lester Smith, Quanah, Texas; Luis Rieber, Clinton, Oklahoma; Bub Hefner, Hedley, Texas; Sam C. Davis, Mayfield, Okla.

Working in conjunction with the officers of the Association, the Clarendon Chamber of Commerce has done a big job of preliminary detail work to insure the success of the two-day convention here, and Homer Mulkey has been named the general chairman of the host city. W. M. Patman will have charge of the assignment of rooms to the official delegates, who will be guided to their lodgings by the F.F.A. boys of Clarendon.

President Newt Waldron of the Donley County Singing Convention, is co-host with Clarendon to the District Convention, and will be on hand to assist in details of entertainment. Mr. Waldron is chiefly responsible for Clarendon being selected as the convention city, and is well known to the delegates over the territory.

All sessions of the convention will be held at the Methodist Church, with the exception of a brief early Sunday morning meeting of the officials, which will be held at the Pastime Theatre prior to the opening of the Sunday sessions at the Methodist Church at 10:00 a.m.

### Second Annual Clarendon College Exes Reunion To Be Held Nov. 10-11 With Add-Pan Debate Feature

The second annual reunion of Clarendon College Exes will be held here Friday and Saturday, November 10 and 11, it was decided at a meeting of the executive committee in a meeting here Tuesday night.

Highlighting a skeleton program outlined by the committee was the inclusion of a renewal of the Add and Pan debates. The debate was tentatively set for Saturday night as a climax of the reunion.

The business meeting was held following a dinner by Clyde I. Price, president of the association. Attending were Mr. and Mrs. C. C. Broughton and Leonard King of Childress, Mrs. Harold Patrick Bugbee and Dick Cooke all of Clarendon.

The program, set in order to obtain a working base for the reunion included registration and

open house Friday afternoon. Registration, visiting hours and chapel Saturday morning. Luncheon Saturday afternoon. Open house (reunion of college and town friends), Literary Society organizing, dinner and debate Saturday afternoon and night.

Mrs. C. C. Broughton and Mr. L. King were appointed to be in charge of society organizing and debates and Ralph E. Randel and Wayland (Red) Weathered were selected to prepare the chapel program.

It was also voted to appoint local committee chairman in several towns, at least in the immediate vicinity, including Childress, Wellington, Amarillo, Memphis, Pampa, Shamrock, etc. These chairmen will form town committees to aid in securing delegates, society organization and the general program.

### AUTOS MAY BE PARKED AROUND PLAYING FIELD AT COLLEGE PARK

Automobiles will again be admitted to College Park Friday night with parking allowed around the entire field, school officials announced today.

The boundary fence has been moved nearer the playing field on the north side to afford parking there and the south driveway has been leveled and widened so cars may park behind the stands.

### DONLEY ENTERS STATE FAIR AT DALLAS TODAY

#### GAME BOOTH, POULTRY TO FEATURE LOCAL CLUB BOY EXHIBITS

The Donley County game preservation booth was placed at the State Fair today by J. R. Gillham, secretary of the chamber of commerce, and Led Jay.

The educational portion of the exhibit is expected to attract a great deal of attention, and the agricultural products will compare favorably with those from any other county in the state. County Agent Breedlove assisted Gillham in preparing the material for the exhibit.

### F. F. A. YOUTHS TAKE LARGE POULTRY EXHIBIT TO FAIR

Two hundred and ten birds were entered in the Club division of the state fair this week by local F.F.A. members.

The winning birds in the club division will be entered in the open show.

### MRS. BILL RAY IN TEMPLE HOSPITAL RECOVERING FROM OPERATION

Mrs. Bill Ray underwent an appendectomy at a Temple hospital Monday, according to advices received here from Mr. Ray, who is at her bedside, and her condition is pronounced satisfactory.

Mr. Ray carried his wife to Temple for a check-up and had attempted to bring her home, but her condition became worse, and the operation was deemed necessary. If she continues to improve, Mr. Ray will probably return here the latter part of the week.

### GRASS, SHINGLES BURN AS FIRE DEPARTMENT GETS REGULAR ALARM

Grass, twigs and old shingles went up in smoke Thursday night as the Clarendon Fire Department got their regular weekly vacant lot alarm.

tor and his wife, Rev. and Mrs. H. C. Gordon, which presented fried chicken as the main item, and was thoroughly enjoyed by the officials, the district superintendent, and Dr. G. S. Hardy. A rising vote of thanks was given the hosts for their hospitality.

### Clarendon Is Football Minded As Bronchos Prepare For Crucial Game With Wheeler Mustangs

Clarendon is extremely football minded this week as the high school Bronchos go about their paces in preparing for the Wheeler Mustang game here Friday night that may go a long way in deciding the conference winner of district 3-A.

The Bronchos are determined to win this one and as far as the dope is concerned they have as good a chance as Wheeler. There's nothing to be gained from comparative scores with the exception that Wheeler took Lakeview 40 to 0 while Clarendon beat the Eagles 43 to 0.

On the other hand the Mustangs last week beat the Wellington Skyrocks and set themselves up as a favorite in district hopes.

### Hall County Gets Busy In Turkey Area On Right-of-Way Clearance Hiway 18 Turkey To Clarendon Route

Cheering news on the No. 18, North-South Highway in Hall County was announced by the Turkey Enterprise in last week's issue. The contract for right-of-way clearing and grubbing under a WPA grant brings the realization nearer of the North-South route of equal interest to Turkey and Clarendon people. The Enterprise story is as follows:

"Sixty WPA workers signed pay sheets Tuesday and began work Wednesday morning clearing and grubbing right-of-way for the designated North Road to Clarendon. Other road improvement projects in Precinct 4 scheduled to keep the entire crew busy for the next ten months, are guaranteed by a Federal WPA grant of \$32,739 plus a grant of \$11,946 from Hall County road funds, according to Pete Rice, project superintendent.

"Specifications for the North Road project call for clearing and grubbing a total of approximately twenty-seven miles of right-of-way in Hall County, varying in width from eight to four hundred feet, the right-of-way will contain 394 acres of land. To date, local officials have received no information regarding a similar project on a six mile section of the road lying in Briscoe County, but it is understood that application for such a project has been made.

"Supt. Rice announced that the \$44,000 grant includes \$5.99 per

man per month to be spent for materials and truck hire to be used in seven separate road improvement projects in this precinct. These projects call for: a wired sand fence to prevent drifting of sand onto the river road; brush jetties in the Little Red River to protect concrete bridge piers from flood erosion; rock wire post rebar in roadside ditches to prevent drainage erosion and damage to shoulders; concrete headwalls for a number of large culverts on county roads; two and a half miles of caliche resurfacing on the farm-to-market road from Jay Russell's farm to the Jim Eudy place; one mile of clay topping running south from the big bridge on the river road and channel excavation on Kent creek near the John Fuston place. Purpose of this project is to provide drainage at a dip in the adjoining road, Pete Rice said.

"Arch Alexander of Quitaque, project time keeper, stated that most of the men employed on the caprock resurfacing project during the summer are enrolled on the present project.

"Wednesday afternoon Dr. H. Gilmore received a letter from Representative Marvin Jones stating that the appeal of last week for prompt action leading to construction of Highway 18 and similar projects in this area had been forwarded to the proper authorities by the Representative who expressed his personal approval of the program."

### 4-H AND F. F. A. BOYS TO SHOW 125 ANIMALS

ENTRIES AND QUALITY OF PIGS BREAK PREVIOUS RECORDS FOR EXHIBIT

With a record breaking entry list, the Donley County 4-H and F.F.A. Fall Pig Show will be held here Friday and Saturday. The location is on main street near the West Texas Utilities Company office.

Approximately 125 high quality animals will be exhibited and will compete for cash premiums, according to the sponsors, H. M. Breedlove and J. R. Gillham.

Although all entries must be on the grounds Friday afternoon, the show will in reality open Saturday morning with a pig judging contest participated in by Texas, Oklahoma and New Mexico schools. The judging will start at seven o'clock in the morning with Frank Ford, Carson County Agent, acting as official judge.

Charlie Lowry, Cap Morris, Homer Mulkey, Bert Smith, Allen Bryan and Ralph Andis compose the finance committee for the show, which is being sponsored by the local Lions club. Cash prizes will be paid on four classes making the same premium list as in the Swine division of the 1939 Spring stock show. The amount of the grand champion premium has not been determined.

Hampshires, winner of the majority of premiums in past years, are facing their strongest competition with excellent Poland Chinas, Spotted Poland Chinas, Durocs, and Chester Whites also entered. Approximately 100 of the prize winning pigs will be loaded out for the State Fair at Dallas late Saturday afternoon.

For the first time, a dairy division will be added to the fall show. This division will be limited this year to an exhibition of the three Registered Jersey bulls recently purchased by the F. F. A. members for bull circle purposes, but plans are being made for a detailed dairy show in 1940.

Invitations were recently mailed to over 40 Texas, Oklahoma, and New Mexico judging teams to participate in Clarendon's Hog judging contest to be held here Saturday, and responses indicate that approximately thirty teams will compete in the event. Among early entries in the event are Tucumcari, New Mexico; Erick, Oklahoma; Groom, Silverton, Claude, and Memphis, Texas.

Harold Leach, H. M. Breedlove and Bill Alexander will serve as judges in the contest. Horace Green, Ray Bulls, Frank Cannon, Carl Morris, and Junior Spier will serve as group leaders, Pete Morrow, Bailey Estes, Carlton Gordon, and Ray Robertson will act as clerks, and Howard Gibbs and Roy Bulls will act as place card carriers.

A registered Hampshire gilt will be awarded the high individual of the contest, a feeder pig to the high alternate and a banner to the winning team.

### Early-Day Resident Visits Clarendon Monday

Coming to Clarendon for the first time since he moved away from here with his parents back in 1901, John Hoffer, now of Dallas was an interested and interesting visitor here Monday.

Mr. Hoffer is the son of John Hoffer, who owned a mercantile business here from 1886 to 1901, moving to Fort Worth when he sold his business. The elder Hoffer built the residence now owned by Mrs. Sarah Stocking, and the younger Hoffer recalled Monday that they received \$1,500 for the home with a goodly acreage attached at that time.

Mr. Hoffer called pleasantly at The News office and complimented Clarendon on its progress through the years. He visited with Jerome Stocking, Fred Chamberlain and W. H. Patrick while here, they being a few remaining citizens he remembered from the days nearly forty years ago.

### BRONCS TROUNCE LAKEVIEW 43-0 HERE FRIDAY

After a first half that saw a scrappy but smaller Lakeview Eagle eleven completely outplay the Clarendon High School Bronchos in the way of battling, the Ponies came to life to club the invaders with six touchdowns in the third and fourth periods, and a 43 to 0 win.

The Bronchos sparked briefly during the game but in the main seemed to be playing on their 34 to 0 victory over the Quitaque reputation. Diminutive Waldron Melon played his best game of the year at the ball juggling position with Balls and Lumpkin standing out for their highlight performance. Mainstay Colie Huffman is supposed to be good always and measured up to that standard.

Mr. and Mrs. Dick Allen spent Saturday in Amarillo.

State. Then, from Strong City, Oklahoma will appear the Strong City Quartette, among the best in Oklahoma and also representing the Vaughan Music Co., as does the Baumgartner Bros. In addition there will be numerous other quartettes not so well publicized but in many instances just as good or better than the ones listed above. They will come from Texas, Oklahoma and Arkansas and all will be doing their share of tuncful entertaining of the huge crowds.

Saturday sessions will be held at 10:30 a.m., 2:00 p.m. and 7:30 p.m. At the evening session there will be formal opening of the convention, with Dean R. E. Drennan making the welcome address. Some visitor will be assigned the duty of making a proper response by President Wills.

Sunday morning the convention will open promptly at 10:00 o'clock, and at 11:00 Rev. H. C. Gordon, pastor of the host Church will conduct a twenty minute devotional program, and the meeting will continue until noon. After a short recess the afternoon session will begin at 1:00 o'clock and will continue to around four-thirty when adjournment will take place in time for most delegates and visitors to drive to their homes by bedtime.

Clarendon is preparing a whole-hearted Western welcome to the delegates and visitors and hopes that the 11th annual convention of the District Singers will prove one of the largest and most successful the organization has ever known.

### WATER RATES ARE REDUCED TO WARD OFF THE DROUTH

Reduced winter water rates in order to give Clarendon residents leeway to fight the current drouth were announced today by the city commission.

The winter rates will prevail until further notice and are \$1.50 for the first 3,000 gallons; next 2,000 gallons, 40 cents per thousand; next 25,000, 20 cents per 1,000 gallons; all excess, 15 cents per 1,000 gallons.

### Methodist Officials Launch Conference Year Closing

With the end of the present conference year only six weeks away, the board of stewards of the First Methodist Church, met in special session Monday evening in the dining room of the church, to hear the financial report of the organization and to lay plans for bringing the year to a successful culmination.

J. R. Porter, chairman of the saxonuqu puw papsad psooq were present with three exceptions. It developed that something like \$2,400 was required to pay all claims of the church in full, and the stewards pledged an early and earnest effort to secure the co-operation of the membership in liquidating the total.

In a short session of the quarterly conference, District Superintendent Geo. T. Palmer, held the annual election of the congregation delegate to the annual conference at Lubbock which opens November 16th. Judge J. R. Porter was elected, with Sam M. Braswell, alternate.

A feature of the evening was a dinner given the stewards in the church dining room, by the pastor and his wife, Rev. and Mrs. H. C. Gordon, which presented fried chicken as the main item, and was thoroughly enjoyed by the officials, the district superintendent, and Dr. G. S. Hardy. A rising vote of thanks was given the hosts for their hospitality.

## WELCOME TO THE SINGERS OF OKLAHOMA-TEXAS

Clarendon welcomes its visiting singers from the thirty-six counties of Southwest Oklahoma and the Panhandle of Texas, as it emanates from the seat of culture here in this area.

Such a large convention is an honor to a city below the metropolitan class, so Clarendon feels doubly honored in having won the honor of entertaining the good people who are within its gates for the two-day convention this week-end.

The News voices the hope that all our guests will come and go safely, and after having been with us for fellowship, harmony and inspiration, they may return to their homes happy in the remembrance of their visit to Clarendon, and with a good word for the citizenship who make Clarendon what she is.

Welcome singers, and may your singing be the joyful, care-free melody that comes from a sincere, happy heart and life.

## ATTEND THE FALL PIG SHOW HERE SATURDAY

Clarendon invites the citizenship of Donley and adjoining counties to attend the Fall Pig Show here Saturday.

The advancement of the hog breeding industry in this locality has been remarkable in the past several years, and the best way to understand just how much progress has been made is to come and inspect the entries from the pens of the young clubbers of this area.

What the boys are doing is one of the landmarks of Donley County progress in this era, and we owe it to them and to our personal interest in our county to encourage the boys by our presence and interest in their achievements.

## A NEIGHBORLY OFFER

In the present effort to care for the visiting delegates to the Oklahoma-Texas District Singing Convention, an offer has come to the chamber of commerce workers in charge of entertainment, which to The News is worthy of more than passing mention.

Several days back, a member of the singing group who lives at Hedley came to a Clarendon member of the local chamber of commerce to say that if not enough rooms were procured for taking care of the delegates on Saturday night, October 7th, that he would pledge a number of rooms at Hedley for those willing to drive there for the night's lodging.

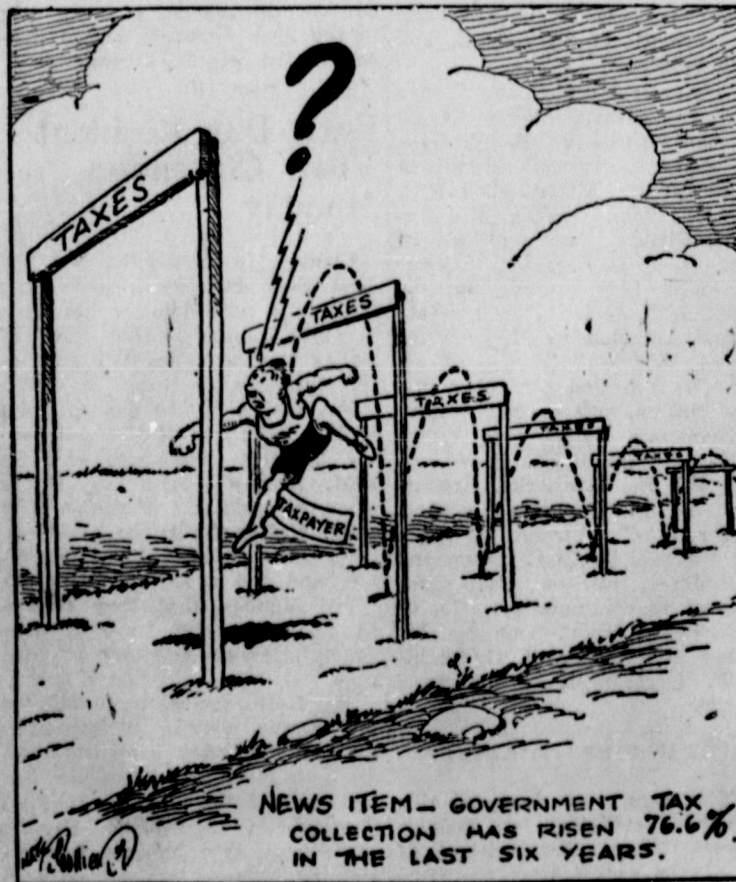

To us that appears a most thoughtful and neighborly offer, and one we must remember with the kindest feelings. Of course, Clarendon is very anxious that no official delegate will be without accommodations Saturday night—and we predict that all the needed rooms will be available when the time comes—for we would be ashamed to feel that our town had not done its best to take care of its guests.

We shall not forget this generous and neighborly offer from our sister city to the East of us. Thank you, Hedley—and maybe we can reciprocate before too many days pass.

## IN THIS MECHANICAL AGE

## TIME TO GO TO WAR!

It is time for America to go to war—but not in Europe. The battle field is right here—in your home and place of business. The enemy is fire.

It is no mean enemy. Each year it destroys property worth several hundred million dollars. It kills thousands of human beings. It destroys great numbers of jobs. It destroys hopes, ambitions, opportunities. It leaves behind scenes of smoking ruin as grim as if bombs had been the instruments of destruction. It strikes when we least expect it, and often where there is no defense.

This year, as in every year for two decades, a definite date has been set for declaring war against fire. The mobilization days are October 8 to 14. The occasion is Fire Prevention Week.

During that period every citizen in the land will be given an unrivaled opportunity to learn about fire, and how it may be prevented and controlled. This is no dry-as-dust subject. It will be taught to you vividly and dramatically. Approach it with an open, interested mind. Remember what you read and hear and see. For fire prevention is of the most direct importance to you. No one knows where fire will strike next—your home has as much chance to be the scene of ruin as anyone else's. Your town may witness a conflagration that will bring civic progress to an end.

There can never be too many soldiers in the fire-fighting army. Enlist for the duration of hostilities.

## HITLER IS ABOUT TO REMEMBER GOD

Ever since he came to power in Germany, Hitler has oppressed the churches and ignored God and religion, magnifying Nazi Kultur instead.

In recent weeks since the pressure of determined Democracies is upon him, Hitler has begun to mention God. Is he about to remember a Supreme Being?

## NOBODY'S BUSINESS by JULLIAN CAPERS JR.

AUSTIN — The difficulty with Gov. W. Lee O'Daniel's ambitious plan to raise \$2,300,000 for the old folks pensions by public subscription is practical, rather than legal. The Governor announced he has submitted the plan to the Attorney General for a ruling on its legality. The Governor has not published the details of his plan but presumably it entails the borrowing of \$2,300,000 to take up pension warrants now held by a syndicate of banks, which the State is pledged by law enacted by the last legislature, to begin retiring at the rate of \$200,000 a month in October. The lawyers think there is no way the state's credit could be pledged. A contribution to the fund, then, would literally be a gift.

## He Will Find Them Cold

Inasmuch as practically nobody in Texas has \$2,300,000 except the special interests which were so friendly to the Governor's plan to finance pensions with a sales tax upon the people at the regular session, to raise the money might prove an exceedingly difficult task. It is true that the sum represents only a small fraction of the actual cash savings which these special interests have affected in their tax bill by reason of the Governor's insistence upon a sales tax for pensions, which resulted in defeat of all tax legislation. It is probably true, also that the gratitude of the special interests toward a Governor who has seen eye to eye with them on a program of no taxation has been so warmly and frequently expressed, that Governor O'Daniel may think they would be willing, for his political sake, to donate \$2,300,000.

But \$2,300,000 is a lot of folding money. Those who have studied the operations in Austin of the special interests who dislike to pay taxes are unanimously of the opinion that Gov. O'Daniel will find them extremely warm when he is carrying the flag for their taxation program—and extremely cold and unappreciative when he starts talking about donating \$2,300,000 to the old folks or anybody else. These interests have always exercised a strikingly effective control over their generous impulses, and so far as anyone can see, they have not weakened noticeably in recent months.

## Solons Have Edge

The Governor has continued to resist the rising tide of pressure from old folks and legislators for a special session, and in this stand he has been warmly supported by the special interests,

chiefly because it would be impossible at a special session to submit a constitutional amendment that would protect the special interests, as contained in the famous SJR-12. If O'Daniel does not convene the Legislature, it appears the old folks are simply out of luck until January, 1941. The members of the House, who passed every tax bill introduced seriously, except SJR-12, have a pretty good political alibi. O'Daniel who first fostered a transaction tax, and then abandoned it for a sales tax, and insisted upon that and nothing else, is not in nearly such good political shape as the legislators are.

## Davis Is Appointed

Frank Davis, Itasca grocer, who has sold lots of Gov. O'Daniel's flour during the past few years, is the new member of the Board of Control, succeeding Claude Teer. Davis is 37. He has a reputation as a successful business man and civic worker in his home community, and managed O'Daniel's campaign in his district last year. Davis is the third flour merchant to be appointed to remunerative posts by O'Daniel the other being Harry Knox, Adjutant General, and T. B. Hill of Austin, member of the Industrial Accident Board.

## Rules Humble Owes Tax

Comptroller George Sheppard has been advised by Attorney General Gerald Mann that Humble Oil & Refining Co., owes the State \$730,130 in delinquent chain store taxes, and instructed to collect it. Suit will be filed by

Mann if payment is not made, which it probably will not be. Mann contends Humble's operation of 250 gasoline stations is taxable under the chain store tax law; Humble contends the operation is exempt. Mann spent four months investigating, before ruling Humble owes the tax.

McDonald Observatory, built by the University of Texas and operated jointly with the University of Chicago, has been described by testing engineers as the most perfect astronomical laboratory in the world.

Today's popularity of Doan's Pills, after many years of worldwide use, surely must be accepted as evidence of satisfactory use. And, favorable public opinion supports that of the able physicians who test the value of Doan's under exacting laboratory conditions. If more people were aware of how the kidneys must constantly remove waste that cannot stay in the blood without injury to health, there would be better understanding of why the whole body suffers when kidneys lag, and diuretic medication would be more often employed. Burning, scanty or too frequent urination sometimes warn of disturbed kidney function. You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel weak, nervous, all played out. Use Doan's Pills. It is better to rely on a medicine that has won world-wide acclaim than on something less favorably known. Ask your neighbor!

**West Texas Utilities Company To Pay Homage To The Inventor of Electric Light, on October 31**

The electric industry—among the nation's youngest and most progressive—will join the country at large in paying homage to the inventor of electric light on October 31, according to Chas. Lowry, local manager of the West Texas Utilities, who cited statistics showing the economic importance of the industry after 60 years of existence.

It was October 21, 1879, that Thomas Alva Edison announced his invention on the electric light bulb. Three years later the first commercial, privately owned power plant was opened for public service in New York.

"The industry developed to its present stage of efficiency and service at low cost without subsidies from the government," Lowry recalled. "So many companies went broke trying to improve their service and grant low rates at the same time that the transmission line type of service was evolved whereby several owners might be served from a single large generating plant and thus reduce production costs for all."

"It was discovered that interconnections between these plants gave double assurance of uninterrupted service. If a plant was temporarily disrupted for any unforeseen reason, then electricity from another plant automatically was switched into the lines. Under this plan only a major catastrophe could shut off light and power for any length of time."

"The first transmission line in West Texas was constructed by the West Texas Utilities in 1914 between Abilene and Merkel, he said, and proved so beneficial in lowering production costs, and as a result rates could be lowered correspondingly, that other lines were constructed to surrounding towns which either had no electric service or small, isolated plants which gave poor service at high rates.

Benefits from the transmission line, he said, are indicated in a recent U. S. Bureau of Labor report which shows that a dollar today buys 70 per cent more electricity than in 1912. The report states that a dollar buys 20

per cent less food; 30 per cent less clothing and 15 per cent less shelter.

"Electric service", he added, "is about the only thing that has gone down." According to WPA social research report, only one and one-half cents out of every household dollar goes for electricity. Food takes 35c; housing 17c; clothing, 14c; recreation, 10c; fuel, 5c; household equipment, 4c; transportation, 4c; medical care, 4c; life insurance, 3c; and miscellaneous, 2c.

"While rates were dropping," he said, "taxes and operating costs have been rising. Taxes paid by electric companies, according to the Standard Trade and Securities Journal, have risen 66 2-3 per cent since 1929. Net income during the same period has dropped 30.2 per cent.

The West Texas Utilities, he revealed, last year paid \$489,983.21 in city, county, state and federal taxes—amounting to \$9.75 per residential customer. Savings to customers, through rate reductions made just within the last three years, total approximately \$150,000 a year—or about \$4 a customer.

The company provides jobs for 1,000 men and women each year and has an annual payroll exceeding \$1,300,000.

"Proof that Edison's discovery and the development of the electric industry has contributed much to progress and to raising the standard of living is found in the latest statistical yearbook of the League of Nations," Lowry declared. "This report shows that the average American uses three and one-half times more electricity than the average person in any other nation in the world. That is the primary reason why we live so much better than the Germans, Russians, Frenchmen and even the English."

Mr. and Mrs. Earl Lynn and son of Amarillo visited with Mrs. Lynn's parents, Mr. and Mrs. S. A. Pierce, Sunday.

Isadore Mellinger spent the week-end in Memphis.

**CLARENDON METHODIST CIRCUI**  
J. G. Walker, Pastor

Ashtola was a good place to be Sunday. The opening program of Sunday school by the young people was fine. The recitation period was well used. Close to seventy present. Most of them remained for preaching. We had a delightful service. Our evening service was preceded by the young people's service; and was a joy to us to see them making such earnest efforts. All seemed to enjoy the preaching.

Ashtola is well up on finances and we are looking for them to go over the top soon, especially by the Fourth Quarterly Conference which is to be at Lelia Lake Fourth Sunday, October 22. Let's all do it by that time and give the pastor a little time to rest before he must go to the Annual Conference November 15.

We go to McKnight next Sunday, 11 a.m. and Bray 8:00 p.m. We also give McKnight full day fifth Sunday, October 29. Seems that this conference year has been a short one; but twelve months make a year and soon they will all be past. This has been a pleasant year for the pastor. One of the busiest that we have ever spent in the pastorate; and in some measure it has been a success. Not by any means as successful as we desired. We shall not give up until the last day.

How is it with you? Have you been busy for the Lord? Are you going to be busy these last days to help us reach the goal desired? Much can be accomplished yet. If we close this year in a good way, the launching of the program for the coming year will be attended by greater power and chances for success multiplied. If you want a new preacher, help the old one prepare the way for his success; then ask for the new one. If you want the old one, the same preparation will be just as helpful to him as to the new. It will all be for the benefit of Clarendon Circuit.

**ONLY A MINUTE PART OF CATTLE MOVED BY RAIL**

**DISPLACEMENT OF TRAINS BY TRUCKS ACCELERATED DURING FIFTEEN YEARS**

AUSTIN — Only a minute portion of the live stock movement from Texas ranches to the Fort Worth market now goes by rail, Dr. F. A. Buechel, University of Texas business statistician, noted today in calling attention to the decline of intrastate rail and truck shipments last month. "This process of displacement

**WORLD SERIES TO BE BROADCAST BY KFDA**

**GAMES TO BE BROUGHT DIRECTLY FROM FIELD BY AMARILLO STATION**

Baseball fans in this area are invited to follow the play in the World Series over radio station KFDA, of Amarillo, on 1500 kilocycles. The games start at 12:15 P.M. daily, local time.

The Amarillo Station, through the Texas State Network and the Mutual Broadcasting System, is broadcasting the games between the New York Yankees and the Cincinnati Reds direct from the playing field. The Gillette Safety Razor Co., of Boston, is sponsoring the broadcasts, having paid \$100,000 for executive rights.

Red Barber and Bob Elson, well-known baseball announcers are handling the play-by-play descriptions. Barber is filling his fifth World Series assignment and Elson has covered every series broadcast since 1929.

The schedule follows: Wednesday and Thursday, at New York; Saturday, Sunday and Monday at Cincinnati; and Wednesday and Thursday at New York. However, sports experts predict the Yanks will sew up the Championship during the Cincinnati series.

A coast to coast network of 129 radio stations is broadcasting the games. KFDA is the only station in the Panhandle area carrying the games.

Edwin C. Hill and Lowell Thomas will handle the color commentaries on the first two games and Grantland Rice, Stan Lomax and Gabriel Heater will give the other pre-game descriptions of baseball's greatest show.

Freight rates on farm products advanced 11 per cent last year over 1937, even though the ICG authorized only a 5 per cent increase effective March, 1938. The increase was mainly due to selective increases made by the railroads in the summer of 1938 chiefly affecting livestock.

of rails by trucks has been going on for the past fifteen years at an accelerated rate," he commented.

Reports to the University Bureau of Business Research from the 1,500 railroad live stock shipping stations in Texas and the Fort Worth Stock yards indicate total August shipments slumped 22.5 per cent from the August 1938, movement. All classes totaled 5,096 cars in August.

Cattle shipments, 2,323 cars dropped 35.1 per cent. Sheep, 748 cars were down 30.3 per cent; hogs, 566 cars, declined 10 per cent; calves, 1,459 cars, increased 12.5 per cent.

## STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACTS OF CONGRESS OF MARCH 24, 1912, AND MARCH 3, 1933

OF THE CLARENDON NEWS, PUBLISHED WEEKLY, at CLARENDON, TEXAS, for October 1, 1939.

Before me, a notary public in and for the State and county aforesaid, personally appeared Sam M. Braswell, who, having been duly sworn according to law, deposes and says that he is the Editor-Publisher-Owner of the Clarendon News and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, as amended by the Act of March 3, 1933, embodied in section 537, Postal Laws and Regulations, printed in the reverse of this form, to-wit:

1. That the name and address of the publisher, editor, managing editor, and business manager is: Publisher Sam M. Braswell, Clarendon, Texas.

2. That the owner is: (If owned by a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding one per cent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a firm, company, or other unincorporated concern, its name and address, as well as those of each individual member, must be given.) Sam M. Braswell, Clarendon, Texas.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: Donley County State Bank, Clarendon, Texas. First National Bank, Clarendon, Texas. Signed: Sam M. Braswell, Publisher. Sworn to and subscribed before me this 23rd day of September, 1939. (SEAL) W. M. Patman. My commission Expires 6-1-41. 40-tfc

## HEDLEY

Miss Sally Page of Tolbert is visiting with her sister, Mrs. R. E. Newman. She plans to stay three weeks.

Miss Zella Grigsby spent the week-end with her parents at Quail.

The Good Will Club met with Mrs. J. B. Masterson last week with twelve members present. The evening was spent playing Forty-two. The next meeting will be with Mrs. M. W. Mosley, Tuesday October 10.

Hugh Brown of Clarendon visited in the J. B. Masterson home last week.

A large crowd enjoyed the Community Play Night, Friday night at the school.

The 1919 Study Club met last Wednesday afternoon in the home of Mrs. Ed Kinslow, with Mrs. Kinslow and Miss Alice Bishop as hostesses. The program was a discussion of the World's Fair and the Golden Gate Exposition, given by Mrs. Jones and Mrs. Alvie Simmons.

The Bridge Club met with Mrs. Ray Moreman Thursday afternoon.

Mrs. Tom McDougal left Saturday on a trip to Van Horn, Texas. She plans to visit the Carlsbad Caverns, also.

J. M. Morgan and son of Shamrock were in Hedley on business last Wednesday.

Mrs. Stella Workman of Bonham is visiting with her brother, J. F. Randall.

Mr. and Mrs. Dave Harrison and daughter, Inez were in Clarendon, Friday.

The Home Economics girls went to Quail Saturday to attend a Home Economics Area meeting.

Mrs. John Moreman has returned home after spending two weeks with her daughter, Mrs. Bill Ray in Clarendon. Mrs. Ray

has gone to Temple to go through the clinic.

Mrs. M. W. Mosley visited friends and relatives in Amarillo last week.

The Junior Class enjoyed a theatre party and picnic Saturday night.

Mr. and Mrs. Winfield Mosley spent the week end with the J. C. Longan family of the Naylor community.

Miss Mildred Culwell spent the week end in Hereford.

Mr. and Mrs. Joe Everett and children of McLean spent Sunday with his parents, Mr. and Mrs. Jim Everett.

Bill Jones and Dave Harrison were in Clarendon on business Saturday.

Dick Vallance made a trip to Colorado last week end.

## SKILLET NEWS

By Billy Faye Glass

Miss Betty Joe Folley visited Sara and Bonnie Preston, Sunday.

Rev. and Mrs. Stone of McLean visited Mr. and Mrs. L. Preston Sunday.

Nash Folley visited Billie Bob Davis Sunday.

Mr. and Mrs. Guss Hunter have returned home from a week's visit with relatives in eastern Oklahoma and Arkansas.

Mrs. Buck Glass and Miss Dotson visited in Clarendon Saturday.

Mr. and Mrs. N. R. Folley of Watkins were Sunday guests of Mr. and Mrs. L. P. Preston.

Mr. and Mrs. Herman Hunt and daughter Hermie Maye visited Mr. and Mrs. Ward Hunt of McLean Sunday.

Mr. and Mrs. Buck Glass and children and Miss Dotson spent Sunday with Mr. and Mrs. W. M. Rhodes.

Mr. and Mrs. Marshall Giesler have returned from a visit with her parents at Burkburnett.

Mr. and Mrs. Tom Burch and children, Inus, Dale, and Davie, and Miss Nola Burr, Shorty Burr and Audie Giesler visited in Pampa last Sunday.

Audie Giesler and Jimmie Lee Glass attended the ball game at White Deer Friday night.

Mr. and Mrs. O'Neale of Odesa and Mrs. O'Neale visited Mr. and Mrs. L. Giesler Friday.

Mrs. H. B. Line of Canyon City Colorado, visited friends and relatives here last week. She was formerly Miss Johnnie Stewart. Miss Irene Rhodes returned home with her for a few days' visit.

Congratulations . . . .

# SALUTE TO 4-H and F.F.A. BOYS

To our mind, one of the greatest advances made in the economic picture in Donley County, is that education and practice of the boys of the county in their pig-breeding and feeding branch of animal husbandry.

So on this occasion of the Fall Pig Show, we salute the boys who are doing their part in this fine advancement of Donley County, and who bid fair to bring our home county to a higher level in the years to come.

This Institution Is Pledged To The Assistance of Just This Kind of COUNTY DEVELOPMENT

## "REBECCA" REVIEWED FOR 1926 BOOK CLUB

"Rebecca" by Dathne du Maurier was reviewed in an interesting manner by Beatrice Antrobus, Tuesday afternoon at the regular meeting of the 1926 Book Club. The club room was decorated with fall flowers. Refreshments were served by the hostesses, Lena Morris and Lara Rundell, to the following members and one guest: Mary Allensworth, Beatrice Antrobus, Thelma Bairfield, Edith Ballew, Virginia Bryan, Evadne Cox, Jewell Grady, Jo Knorrp, Edythe Maher, Laura Penick, Lucille Polk, Jennie Dale Porter, Mildred Ritter, Lelia Mae Smithy, Mary Thornberry, Eunice Bunting, Janie Lowrey, and Mrs. Tom Tucker, guest.

## MISS OPAL COOPER OF WELLINGTON AND H. P. MANN OF CLARENDON WERE MARRIED IN ALTUS, OKLAHOMA, SATURDAY, SEPTEMBER 30.

Mr. and Mrs. Mann will live south of Clarendon where the groom is engaged in farming.

## MRS. BARCUS ANTROBUS TO TEMPLE FOR MEDICAL EXAMINATION

Mr. and Mrs. Barcus Antrobus left this week for Temple, where Mrs. Antrobus will undergo a medical examination at a well-known clinic in that city. Mr. Antrobus will remain with her until the ordeal is over.

## 1930 NEEDLE CLUB MET TUESDAY

The 1930 Needle Club met Tuesday afternoon in regular session with Mrs. Nadine Whitlock as hostess. Needle work and conversation were enjoyed during the afternoon. Pollyana gifts were exchanged. Lovely refreshments were served to one guest, Mrs. Frank Whitlock, and members, Mesdames Betsy Landers, Josie Peabody, Ellen Bryan, Gracie Ayers, Ona Tatum, Glenn Kirby, Alice Bain, Frances Hilliard, Hazel Lusk, Nora Decker, Mozelle Wright, Margaret Carpenter, and the hostess, Nadine Whitlock.

## KILL KARE CLUB MEETS WITH MRS. LOWE

The Kill Kare Kneadie Klub met Thursday afternoon in regular session with Mrs. Sam Lowe as hostess. The house was beautifully decorated with Mexican poinsettias.

In a short business meeting, the old officers retired and the new officers were installed. Mrs. J. K. Bartlett is the new president. Needle work and conversation were enjoyed during the afternoon.

Lovely refreshments were served to Mrs. Henry Williams and Mrs. B. L. Jenkins, guests, and members Mesdames J. R. Bartlett, H. C. Brumley, J. P. King, R. R. Duncan, Buel Sanford, W. B. Sims, W. A. Massie, Eva Draffen, Lon Rundell, and Misses Etta and Ida Harned, and the hostess, Mrs. Sam Lowe.

## WEEK OF PRAYER AND TRAINING SCHOOL AT BAPTIST CHURCH

An all-church week of prayer under the direction of the WMS is in progress at the First Baptist Church. The enrollment and interest is unusually good. The programs each evening deal with some phase of State Mission work as fostered by the Texas Baptist Convention. The enrollment in this all-state undertaking among Texas Baptist reached 75 in the Wednesday evening service in the local church.

Mrs. George Chamlee, a state worker among the young people will conduct a Training Service school each evening next week in the Church. Mrs. Chamlee will speak at the evening preaching service hour Sunday.

## MISS JOYCE TINSLEY AND EDWARD BOLIVER MARRIED AT HEDLEY

In an impressive ring ceremony, Miss Joyce Tinsley became the bride of Edward Boliver, Thursday evening, September 28. The wedding was performed at the Hedley Baptist Parsonage with Rev. M. E. Wells officiating. The couple was attended by Mr. and Mrs. O. H. Tinsley, Mrs. Ed C. Boliver, Miss Pauline Boliver and Lloyd Leggett.

Immediately after the ceremony, the group returned to the Boliver home, where the bride cut the lovely wedding cake. Cake and punch were served to those present.

The bride is the lovely daughter of Mr. and Mrs. O. H. Tinsley of Hedley. She attended the Hedley schools, graduating in 1934. Last spring she received her Bachelor of Arts Degree from Texas State College for Women at Denton. The groom attended the Hedley schools, graduating in 1930. He is the editor of the Hedley In-

## ALEC LIGERTWOOD OF YORKSHIRE, ENGLAND WRITES FRIENDS

Alec Ligertwood, former Clarendon resident, but now of Boro-bridge, Yorkshire, England, had planned to visit this country again, but a man by the name of Hitler seems to have disarranged his plans, according to a letter received from him here this week by his old friend, W. H. Patrick.

Mr. Ligertwood tells of the transformation of the peaceful countryside into an armed camp with sand bags around public buildings and utility apparatus. Speaking of Hitler, he says "I bet he won't get it all his own way". The writer closes his friendly note to the Patrick family with "Yours still smiling".

Mr. Ligertwood visited Clarendon some six years ago, and is anxious to visit here again when war conditions will permit.

## HURNS BACK FROM 4,000 MILE TRIP TO PACIFIC

Mr. and Mrs. J. H. Hurn, accompanied by their daughter's family, County Agent and Mrs. VanZandt of Ozona, returned Thursday evening of last week from a 4,000-mile trip to the West Coast, where they visited the Exposition at San Francisco. They made the trip via Denver and Salt Lake City on the out-bound trip, returning by the Boulder Dam-Grand Canyon route.

Mr. Hurn says they were fortunate in escaping the record-breaking heat period on the Coast, and also the terrific rains that followed. No accidents marred the trip—not even a puncture.

## FIRST PRESBYTERIAN CHURCH

Sunday School at 9:45, please be on time on account of a congregational meeting.

The session has called a congregational meeting to complete sale of old Manse and authorize sale of note. Also to discuss further the purchase of new Manse.

Roy L. Clayton, Clerk of Session.

Mrs. H. M. Hitt of Lubbock visited in the T. H. Stewart home here this week. Mrs. Hitt is Mrs. Sewart's mother.

former, having assumed that responsibility at an early age, and has been very successful for one so young.

The Possible Effects of The European War On The United States

During these days we often hear the remark that if America minds her own business, the present European war will not affect her. This policy of keeping aloof of Europe is a very sensible one, but the latter part of the statement has no foundation.

If the war does continue, the first consequence felt in the United States will be economic changes. Already the price of sugar has leaped up, the prices of other foods may follow the same example unless something is done about it.

Two economic changes in the United States, however, may be in favor of the citizens. If the present neutrality law were amended in certain respects, the South could overcome much of its financial distress by selling its surplus cotton to the warring nations.

Another growing influence that the war is now having on the United States is the establishment of closer relations between nations of the Western Hemisphere.

All of the foregoing possible influences coming from the European war have been those that may result even if the United States remains neutral.

It can be readily seen, therefore, that the European war will have effects on neutral countries, but these effects will be much milder than those on belligerent nations.

QUICK RELIEF FROM STOMACH ULCERS... DOUGLAS & GOLDSTON

BRONCHO RANGE

Another victory for the Bronchos. The third victory this year. Are we going places this year or not. Well it looks that way. The game Friday nite was a close game the first half, but when the second half came on, did we go places! The game Friday nite was 43-0 in favor of the Bronchos.

COLTS

The Maverick Club of Amarillo defeated our boys 18 to 0. They made all of their scores the first half. On an average the Maverick boys were heavier than the colts.

Their positions are: L.E. — Thompson
L.T. — Reeves
L.G. — Adams
C. — Cornell
R.G. — Bromely
R.T. — Smith
R.E. — Kirtley
Q. — Johnson
L.H. — Ryan
R.H. — Allison

JUNIOR HIGH NEWS

Mr. Lane announced Monday morning for everyone in the Jr. high to bring one or more coat hangers. We are going to put them on our new coat and hat racks.

SENIORS

We kinda sorta thought that last week when we said Seniors were everything but dignified that the sponsors of the Broncho Range would let us run a gossip column, but I am afraid we will have to be dignified or else.

WHO'S WHO IN JUNIOR HI

Peggy Jean Rampsy
Age 13
Height: 5 ft. 3 1/2 in.
Eyes: Blue
Hobby: Swimming
Pet Peeve: June Mask
Ambition: Secretary
Favorite Song: "Under the Double Eagle"

Favorite Song: Beer Barrel Polka.

SOPHOMORE

An unusually large Sophomore class consisting of 87 students, has been showing the upper classmen this year just what can be accomplished in school.

Spanish has proved to be one of the most popular subjects this year. There are seventeen enrolled in the class taught by Miss Cope. At present they are studying the novel "Fortuna" and also grammatical constructions.

SOUTH WARD NEWS

Mrs. Headrick's room took their books home for the first time. They are very proud of themselves. Miss Pope's room is modeling clay animals.

Miss Mongole's and Mrs. Prewitt's rooms are starting on their boat poster. They are learning the names of different ships. They are including communication this.

Mr. Homer Mulkey's giving a free picture show ticket to the boy and girl in each room who improves the most in their writing, in a six weeks time. The following have made the greatest improvement; Myrna McDonald and Bert Barnes, from Mrs. Hart's room, Wanda Rose Cornell and Billy Ray Davenport, from Mrs. Penick's room, Jimmie Douglas and Treva Nell Trussell from Mrs. Lane's room; Hubert Moffet and Nola B. Blanks from Miss Hall's room; Richard Van Kennedy and Alma Louise Murphy from Mrs. Prewitt's room; Elizabeth Melton and Ralph Nichols from Miss Mongole's room; James Owens and Mary Ladelle Cox from Miss Stevens room; Julia Rodgers and Park Combest from Miss Cross' room; Gene Green and Emma Pearl Hommel and Arnold Gatfield from Miss Headrick's room.

Miss Stevens' room is studying fire prevention. They are putting on plays to illustrate what they learn.

SENIORS

WHOOSH!

Jo Word and H. R. King seem to be doing pretty good. John Jay seems to be giving Doris quite a rush.

James Earl Hott wants someone to introduce him to Marilyn Sawyer, and pretty quick.

Ralph Grady and Marie Watkins make a swell couple. Ralph thinks so anyway.

Bud Hermesmyer advises all boys to watch the road instead of their lovely companion when driving fast.

Estelle Thornberry wants to know what happened to her boy friend. She is growing lonely.

The teachers report that studying is almost past in this school. What is happening to us? Oscar Butler is the only exception of the report.

PERSONALITIES

Mildred Phelps
Height — 5 feet 7 inches
Weight — 118
Eyes — Green
Hair — Red
Complexion — Fair
Smile — Pleasing.

One of the outstanding members of the Senior class is Mildred Phelps. She is one of the most likeable persons in Clarendon Senior High School. Mildred is the kind of person that will really go places in later years.

Elmer Joe Hayes
Height — 5', 11"
Weight — 178
Complexion — Olive
Eyes — Green
Hair — Dark, curly.

This year Elmer Joe is a senior in High School. He is well liked by everyone. Everytime you meet him you can count on a friendly smile. This has been one of the many aids of adding friends to his long list. Joe's hobby is looking for a certain red-headed girl. (\*Notice above). Joe owns a green '39 Plymouth.

BAND NEWS

This past Friday the band played a short pep concert at Chapel, and the pep squad gave a number of yells. Both the band and the pep squad assembled on the stage. The concert consisted mostly of marches.

The band and pep squad wore their uniforms Friday afternoon to promote the spirit of the football game. Among the usual uniforms were three new drum majorettes uniforms. They were worn by Annie Ree Porter, Pat Grady, and Margaret Wadsworth.

Friday night the band and pep squad formed a big T at the half. The band played the "Eyes of Texas".

The band elected Madeline Kelley "band sweetheart" this past week. She will be given a symbol of her position at the game Friday night when the band will present a heart to her.

COLLEGE FRESHMEN HAVE CLASS MEETING

The first College Freshman Class meeting was held Tuesday afternoon, October 3. After order had been called the officers for the year were elected as follows:

President, Neel Thompson
Vice-President, Joe Williams
Sec. and Treas. Mrs. Warden Reporters, Margaret Hill and Laverne Goodman.
Sargent at Arms, Fred Chamberlain.
After the election of the of-

STUDENTS FIND BIOLOGY IMPORTANT

Someone has asked these questions, "Why study biology? Why is it so important? Why is it important to students in Clarendon Junior College and High school? It would take much more space than I am allotted to adequately answer all those questions, but it would be well to mention just a few topics that deal expeditiously with biology.

The science of biology includes many subsciences. From the point of view of the kinds of organisms studied, biology may be divided into botany, which deals with plants; and zoology, which deals with animals. Each of these has several branches, thus you see the importance of biology in the breath scope.

Biology is the study of living things; are we not living things? De we not necessarily study people and their reactions to certain conditions? What is more important to anyone than knowing how to get along with people? Biology plays its part in this knowledge as well as psychology.

Biology is of prime importance in Agriculture. Plants, animals, germs, diseases, soil and climatic conditions and their effects practically make agriculture, if one has the knowledge of each of their reactions under certain conditions.

One of the most important problems facing the government and people of the United States has been conservation. Conservation is necessary, not only that the natural resources may be available, but because their depletion has far reaching effects on climate and society. Effective conservation can be carried out only after detailed biological surveys and extensive studies of the principles involved have been made by expert biologists.

It is scarcely necessary to stress the interdependence of biology and medicine. Everyone understands its importance here, I think, as well as the large part it plays in public health.

There are many more fields I could discuss of equal importance that depend on biological data but I think to mention them would be sufficient. Do you think of the biological data that had to be compiled before the park was built that you see from your window? Do you think of the part biology played when you are enjoying canned oysters or other deep sea fish? In short do you think of the large share Biology and its subdivisions have on your every day life?

WHO'S WHO IN JUNIOR HI

Pet Peeve — A turquoise ring.
Ambition — Jilter.
Favorite Song — "It Makes No Difference Now".

Farmers have until December 31 to complete requirements for earning full soil-building allowances under the 1939 AAA program.

Officers plans were discussed for the initiation of the Freshmen. Plans were also discussed for the organization of a certain Club and the publication of a monthly college and High School newspaper.

President Neel Thompson then appointed a program committee consisting of Rebecca Eanes, Fred Chamberlain, and Raymond Hay to make plans for a party for the College, Wednesday night, October 11.

Mrs. R. V. Payne of Plainview is here visiting her mother, Mrs. P. E. Chamberlain. Mrs. A. C. Hartzog of Bovina, is visiting here with her daughter, Mrs. Thomas Perkins.

TEXAS EGG SHIPMENT DOWN FOR MONTH OF SEPTEMBER

AUSTIN — American breakfast tables served only half as many Texas-laid eggs last month as in August, 1938, if rail shipments of this product of the poultry yard is an indication, University of Texas economists pointed out today.

Only sixteen cars of eggs, 50 per cent less than August last year, moved from Texas farms to interstate points, and only one

car was brought in from other states compared with four cars last year, University Bureau of Business Research officials said. Poultry shipments likewise dropped sharply only fourteen cars moving in interstate commerce compared with nineteen last year.

Tenants, including share-croppers, operated 42 per cent of all the farms in the nation in 1935 as compared with 25 per cent in 1880.

Marguerite Cook Goodner Wins Wide Acclaim For Thesis On Roadside Resturant Names

Editor's Note: Marguerite Cook Goodner, teacher in the Clarendon schools, has received wide acclaim for a thesis written while a graduate student at Southern Methodist University, Dallas. The article has been printed in leading newspapers throughout the United States under an Associated Press byline.

The Thesis follows: THE MOTOR CAR took eating to the roadside and the country, which in turn created a type of diner-out unknown to the elegant gourmets of Delmonico's, Sherry's and Rector's. The high-way Hofbraus also seems to have given birth to a new breed of Mine Host—an unconscious psychologist endeavoring to prove that a catchy name for his place is more persuasive to the customers than the correct texture of the waffle, tenderness of the drumsticks, or the right content of the gravy.

Marguerite Cook Goodner, a graduate student at Southern Methodist University, found through a study of 4,000 names of eating places for those who eat as they wheel in 15 Texas cities that the owners use the wiles of psychology in attracting patrons. A survey of such eating places in Amarillo, Austin, Beaumont, Brownsville, Corpus Christi, Dallas, Galveston, Houston, Waco, Lubbock, San Antonio, San Angelo, Tyler and Laredo, shows that the owners believe perhaps the name of an establishment is as important as its comfort, service and attractiveness in getting the paying customers within the doors.

Names of Owners, the survey shows, lead the list of classifications with 34 per cent. This pride of ownership is revealed in the naming of cafes from Amarillo, where 27 per cent of titles listed bear the owner's name, to Brownsville where 18 per cent name the owners.

Each of the cities has its own trend. Galveston avoids the use of catch phrases in connection with the name of the owner as only 27 such establishments used some word other than cafe. Catch phrases are more popular in San Antonio which has such names as Snak-Shak and Maple Dew. El Paso specializes in foreign names. Although the use of initials violates the laws of psychology as any combination of letters is basically lacking in power of suggestion, many places are known by this method, the survey shows. Mrs. Goodner found that an informality and simplicity of service were suggested by such nomenclature.

Not one of the 266 titles bearing a man's first name attempted to appeal either to culture or to leisure by using special titles with the name. Mrs. Goodner concluded that the greatest virtue and probably the underlying purpose in the operator's use of a first name in his titles lies in the opportunity it affords the customers to arrive at a friendly, personal relationship with the owner as there is something in the use of a man's first name that creates a bond of friendship and understanding.

Certain Christian names seem better adapted to use in cafe titles than others, because they have come to be associated with the industry through much usage

Gas Gas All Time ADLERIKA DOUGLAS & GOLDSTON

Farmers Are Invited To Vote On South-Wide Cotton Referendum

COLLEGE STATION — Faced with a tremendous cotton surplus, 800,000 Texas cotton farmers are invited to go to the polls, December 9 to cast their votes in a South-wide referendum to decide whether cotton marketing quotas will be in effect for 1940.

In setting a national marketing quota of approximately 12 million bales during the marketing year beginning August 1, 1940, Secretary of Agriculture Henry A. Wallace pointed out the quota was mandatory under the Agricultural Adjustment Act when total supplies reach 107 per cent of the normal supply. The supply of cotton on hand August 1 amounted to 25,500,000 bales, according to the Department of Agriculture, or 140 per cent of the "normal" supply of 18,200,000 bales.

Unless the cotton farmers themselves vote for continuance of quotas, they will not be in effect next year, Wallace said. The quota for 1940 is the same as for 1939 which was approved by 84.1 per cent of the producers in the referendum last year. Regardless of the outcome of the referendum, conservation phases of the Agricultural Conservation program will be continued.

Of the producers voting, at least 75 per cent must favor continuance of the marketing quota for it to remain in effect. "Marketing quotas are meant to supplement the conservation program by assuring farmers planting within their acreage allotments their efforts to adjust supplies will not be nullified by non-co-operators," George Slaughter, chairman of the State Agricultural Conservation committee, pointed out.

If marketing quotas are in effect, a non-co-operator will be required to pay a penalty of three cents per pound on all cotton sold in excess of the marketing quota set for his farm, Slaughter explained. Farmers planting within their acreage allotments will be able to market all their cotton without penalty.

In a recent opinion, Federal Judge James V. Allred of Houston declared marketing quotas were legal in the first suit to reach the courts testing their legality.

"INVITATION" CO-STARS DUNNE AND MacMURRAY

"Invitation to Happiness," the Irene Dunne-Fred MacMurray starring vehicle, opening next Wednesday and Thursday at the Pastime Theatre, is the dramatic conflict between a prizefighter and his wife who are both deeply in love with each other. The Spartan regimen of the ring prevents the fighter from living a full normal life. Most of the time he's away from home. And when the baby's born the father is miles away fighting another palooka.

The puglist is aware of this, yet he can't help himself. His heart is set on the championship. He feels life would be empty without that. The gap between husband and wife and between father and son grows wider and deeper. Tragedy seems inevitable. Others in the cast are Charlie Ruggles, William Collier, Sr., Billy Cook and Barion Martin. Claude Binyon scripted the screen play under the direction of Wesley Ruggles.

POSTAL RECEIPTS SHOW INCREASES

Postal receipts for August gained 1 per cent over last month and 7 per cent over August last year, The University of Texas Bureau of Business Research reported this week.

EVERY MINUTE A Home Burns Somewhere Are You Fully Covered? KELLY CHAMBERLAIN Capital Stock Companies Prompt Adjustments

from the flock is one means of insuring a continuous supply.

Because of precooling and subsequent temperature under pressure which is involved in the process of canning, a better quality product is obtained if older birds are used. The best chickens to put in jars or cans are plump hens—two years or a little older. Ordinarily the texture of the meat is firmer, the broth more concentrated, and the flavor more characteristic than that of the young birds.

Poultry products must be canned under steam pressure and tin or glass containers may be used in packing the meat. No. 1 tin cans have become quite popular as containers since they are adequate for one meal in an averaged sized family. Because of the difficulty of heat penetration and the lack of proper equipment in the home to process and cool the larger containers safely, quart glass jars and No. 3 tin cans are not recommended for either home or market.

HENS NOT LAYING MAY BE RIGHT FOR CANNING

CHICKEN DINNERS SHOULD NOT BE CONFINED TO SUMMER DAYS

COLLEGE STATION — Hens not laying enough to earn their "board and keep" may be just right for canning, suggests Grace I. Neely, specialist in food preservation for the A and M College Extension Service. Chicken dinners, she says, shouldn't be confined to summer days, and canning surplus birds

No man likes a dull, tired, cranky woman. All you may need is a good reliable tonic. If so try famous Lydia E. Pinkham's Vegetable Compound. Let it stimulate gastric juices to help digest and assimilate more whole some food which your body uses directly for energy—to help build up more physical resistance and thus help calm jittery nerves, lessen female functional distress and give you joyful bubbling energy that is reflected throughout your whole being. Over 1,000,000 women have reported marvelous benefits from Pinkham's Compound. Results should delight you! Telephone your druggist right now for a bottle.

**Steam Laundry Equipped With Naptha Still**

The Clarendon Steam Laundry announced this week the installation of one of the latest bits of equipment on the market. The company said they had installed a naptha still which removes all dirt and oil from the cleaning fluid. Despite regular filters found in most shops, the distillery supposedly eliminates an even greater amount. In the process of distilling the naptha it is also heated to 130 degrees thus killing every germ otherwise missed.

**INFANT SON OF FORMER CLARENDON RESIDENTS SUCCUMBS MONDAY**

Funeral services were held at the First Church of Christ in McKnight Tuesday afternoon for Thomas R. Milham, one-year old son of Mr. and Mrs. O. J. Milham formerly of Clarendon. The child died at the family home in McKnight Monday. In charge of the flowers were Inez Proctor, Ismanell Johnson, Wanell Tate, Nelda Messer, Lela Box and Elva Williams. Pallbearers were W. C. DeBord, G. D. Willingham, George Johnston and R. C. Duggins. Burial was in the McKnight cemetery with the Kelso-Womack Funeral Home of Hedley in charge.

Mrs. Jim Bourland and children of Pampa visited here this week.

**STUDY COURSE NOW BEING HELD BY LELIA BAPTISTS**

The First Baptist Church of Lelia Lake is now in a study course making their last study required to reach a standard Sunday School, the Rev. Vic. W. Allen said today. The attendance and interest has also increased during the study, Rev. Allen said. Rev. Allen also announces that a B.T.U. Study course will be held in the month of October, saying that 85 persons were enrolled in the B.T.U.

**FIRST BAPTIST CHURCH There Is Always Worship—Fellowship—Service**

The First Baptist Church extends a most cordial invitation to the singers of Texas and Oklahoma and the regions beyond who are to be guests of our city next Saturday and Sunday to worship with her at the eleven o'clock hour Sunday morning. After the Sunday School session a period of thirty or forty minutes will be given over to Congregational and quartet singing, followed by a twenty minute sermon by the pastor on "The Language of Song. The Christian religion is preeminently a singing religion. Your hearts will be stirred with the singing Sunday and we will do our best not to disappoint you in the message. Worship with us in a session that will be saturated with sermon and song calculated to satisfy the desire of the soul. J. Perry King, pastor.
