## Wickard Steps Up '43 Hog Goals; Support Price to Average \$13.25

Pointing to new demands for pork products arising out of recent war developments, Secretary of Agriculture Claude R. Wickard today revised upward previously established 1943 hog goals and at the same time announced a program designed to support hog prices until September 30, 1944.

The revised 1943 goal calls for an increase of 15 percent over this year's record pig crop. On October 16 the Secretary asked farmers to increase their 1943 spring farrowing by 10 percent. If realized, the new goal will result in a 1943 pig crop, spring and fall farrowings combined, of 121 million head.

The secretary also announced that the purchasing program of the Agricultural Marketing Administration will be operated in such a manner as to insure a price level of \$13.25 average, Chicago basis, for Good and Choice grade butcher hogs weighing 240 to 270 pounds, until the fall of 1944.

In order to maintain this price level, the AMA purchase policy will be:

1. To pay ceiling prices for all pork products offered which meet

specifications, except that if pork processors appear to have reduced prices for live hogs unreasonably in view of such ceiling prices, or appear to be inflating margins unduly, the AMA price will be reduced appropriately.

2. In such instances AMA, in order to protect the Government's pledge to farmers in the interest of greater production, will buy live hogs at Chicago and arrange for their processing on a custom basis.

In making this announcement the Secretary said that while AMA was prepared to initiate a hog purchasing program he fully expected that such action would be unnecessary. He commented further:

"In view of the constantly increasing demands for pork products by Lend-Lease, the Armed Services and our own civilian workers, prices should stay above the \$13.25 Chicago level during the next two years without special Government action. There is a ready market at ceiling prices for the pork and lard that American farmers can market between now

and the fall of 1944. However, since we want no question of prices to exist in the minds of the hog farmers of whom we are making such tremendous demands, the Department of Agriculture is making guarantee.

"Pork and lard ceilings justify at any time during the year live hog prices at Chicago of \$13.25 or higher. Efficient packers will certainly be able to pay prices considerably above \$13.25.

"Commission men handling hogs for farmers as their market representatives are expected to keep these facts in mind in closing sales in the market place.

"It is true that price variations in the past have helped to regulate the flow of hogs onto the market. With a price support at the \$13.25 level I am sure that farmers will recognize the necessity of so handling their marketings as to avoid congestion at processing points. This will be an unusually difficult problem during the next 80 days and to help meet it the Department is setting up a marketing permit system. With a guaranteed price support farmers will gladly cooperate with any marketing program necessary to move his year's record runs thru processing plants in an orderly manner."

The Secretary also reiterated his earlier request that in 1943 hogs come to market at weights averaging 10 pounds heavier than this year's marketings and also that farrowings be so spaced as to bring the 1943 crop to market in an orderly fashion.

### CONSUMERS ASKED TO STORE PROPANE, BUTANE GAS

Farmers, business places and household consumers who use butane and propane gas are urged by WPB officials to put their empty storage capacity to use, if they have not already done so, as they will not be able to rely on regularity of deliveries during the winter. The public is asked to cooperate with the armed forces by filling all storage capacities, to avoid unnecessary interruptions of deliveries for military and industrial purposes.

Faith will not die as long as seed catalogues are printed.

## Each New Worker Must Have Security Account Number

The time of year has arrived when many boys and girls will be employed at odd jobs in different lines of work, and many merchants, 5 & 10c stores, drug stores, and cafes will be employing additional help, part time and full time, which means, according to Dewey Reed, Manager of the Amarillo Social Security Board Field Office, that each new worker so employed must have a Social Security account number.

"One of the reasons this is so essential is that it assures the worker that all wages received by him will be credited to his Old-Age and Survivors Insurance account which is kept by the Board according to the Social Security account number issued to the worker."

It was emphasized by Dewey Reed that unless the individual has a job in view he should not apply for a number. However, as soon as he has a job in sight or expects to go to work at an early date, he should go to the nearest Social Security Board field office and apply for a Social Security account number. If he lives some distance from the field office, the worker may go to the post office and secure Form SS-5, fill in the blanks, and send it to the Social Security Board and he will receive his account number by mail.

If he has lost his account number, he should use the same form to apply for a duplicate. Before going to work on a job, the number should be given to the employer. The Social Security Board Field Office in this area is located at Amarillo, Texas in the New Post Office Building.

In addition to issuing Social Security account numbers, the Field Office staff assists in the development of claims for Old-Age and Survivors Insurance aiding claimants in developing proof of birth, proof of age, etc. All workers are cautioned to be more careful of their account number cards and not lose them because of the delay and the difficulty involved in replacing them.

Since all offices are working with reduced staffs and will continue to do so in order to aid the war effort, the cooperation of everyone in this respect is urgently needed.

Texas' W. J. McDonald Observatory, with 82-inch reflection, is one of the largest in the United States.

The Area of Texas is 263,644 square miles of land and 3,695 square miles of inland water surface, according to a revised figure of the U. S. Bureau of Census issued April 11, 1941.

## May Slaughter Animals For Own Use

DALLAS, Dec. 2.—Farmers and others who slaughter animals for their own consumption are not subject to the OPA meat restriction order of October 1, but every person in the U. S. who slaughters and delivers to others even so much as one animal of the sort listed in the order is subject to the regulation's restrictions and to its penalties in case of violation, regional OPA officials warned today.

Animals covered by the order are cattle, sheep, lambs and hogs. Delivery of meat from these animals to civilians is limited so that there shall be enough for the fighting forces of the United States and its Allies.

Officials said that records of all slaughter for delivery to others must be kept and be available to inspectors of the OPA by everyone from the country butcher, or the farmer who slaughters meat for others, to the largest packing houses. False statements of the number of animals slaughtered and delivered, or other violations of the restriction order, subject offenders to fines up to \$10,000 or ten years in jail, or both.

Limits set by the order fall into two classes. The larger slaughterers—those who kill more than 500,000 pounds in a quarter—are limited in their civilian deliveries to the following percentages of the kinds of meat covered that they delivered to civilians in the corresponding quarters of 1941—beef, 70; pork, 75; lamb and mutton, 95; and veal, 100.

The other slaughterers, including everyone else, are limited to no more than the same amount of

each of the kinds of meat that they slaughtered and delivered to others in the corresponding quarter of 1941. Cutter and canner grades of beef are defined as a special kind, and here, too, "non-quota" slaughterers may not deliver more of this kind than they did in the same quarter of 1941.

### SANTA FE SYSTEM CARLOADINGS

The Santa Fe System carloadings for the week ending December 5, 1942, were 22,694 compared with 23,739 for the same week in 1941. Cars received from connections totaled 11,666 compared with 8,341 for the same week in 1941. Total cars moved were 34,360 compared with 32,080 for the same week in 1941. Santa Fe handled a total of 33,057 cars in the preceding week of this year.

## The 'lectric train that wasn't there

SOME things are hard to understand—even when you're grown up. But Jimmy will understand why there may not be a 'lectric train under the Christmas tree this year.

And grownups will understand why there isn't the usual supply of electric appliances which in the past have made such swell Christmas gifts.

It dates back to a Sunday morning—December 7, 1941.

Since then the wonderful electric train, with its light and whistle and all the bright shiny cars, has gone into guns, planes, tanks and ships.

And the factories that used to make electric refrigerators, stoves, sweepers, radios, irons and the like all are doing war work.

In our showrooms are a few small appliances that may be given as Christmas gifts. But, before buying, be reasonably sure they are needed.

• The electric power which drives tiny trains for boys like Jimmy also is helping to drive the massive machines that make tanks, guns, bombers and ships.

But we planned ahead, and made certain that West Texas had plenty of power. Today every war plant—and every home—in West Texas has ample electric light and power, whenever and wherever needed.

This great abundance of electric power, under the American system of free enterprise, means production—and production in this modern-day war means Victory. Then the real Christmas will come again... and Jimmy will get his 'lectric train!

## DORMAN—WORD

Announcement is being made of the marriage of Miss Amy Dorman of Silver City, N. M., to W. G. Word, Jr., petty officer, third class, stationed with the United States Navy at San Francisco.

The vows were said at 5 o'clock Friday afternoon at the Central Presbyterian Church, with Dr. R. Thomsen officiating.

Mrs. J. Francis Brown played the wedding music on the organ. The bride, who was given in marriage by her father, A. E. Dorman of Raton, N. M., wore a white jacket dress with black accessories, and a corsage of gardenias.

Mrs. Word is a teacher in the Silver City Schools and will resume her teaching, while her husband is on duty in San Francisco.

The couple spent several days in Amarillo and at the J. A. Ranch near Clarendon, on their honeymoon.

Mr. Word is a son of Mr. and Mrs. W. G. Word of the J. A. Ranch and a grandson of Mrs. C. T. Word and the late Judge C. T. Word of Amarillo. Before entering the navy last January, he was associated with a hardware firm in Silver City, and he also formerly was employed by the Amarillo Hardware Company.

The bride is a daughter of Mr. and Mrs. A. E. Dorman of Raton. The wedding ceremony was followed by a reception, attended by relatives and a few close friends.

## TURKEY DINNER GIVEN FOR BOARD OF STEWARDS AT METHODIST CHURCH

The Board of Stewards of the First Methodist Church held a first regular meeting of the new conference year Monday evening, December 7th at the Parsonage. In reorganizing the Board J. R. Porter was elected President; M. R. Allensworth, Vice-President; J. T. Patman, Treasurer; and W. R. Skelton, Secretary.

A delightful turkey dinner with all the trimmings was served to the Board members by Mrs. J. O. Quattlebaum, assisted by Mrs. G. T. Palmer.

Plans for the new year were discussed, and each member pledged his full effort to meet the adverse conditions that confront a successful church year under wartime conditions.

Those present were Rev. J. O. Quattlebaum, Rev. G. T. Palmer, J. R. Porter, J. T. Patman, S. M. Braswell, G. G. Reeves, M. R. Allensworth, C. B. Morris, Lee Holland, J. R. Gillham, W. R. Skelton, O. D. Lowry.

## HOTT—GREGORY

Mr. and Mrs. A. O. Hott announce the marriage of their daughter, Frances, to Mr. Glenn G. Gregory of Lubbock, Texas. The ceremony took place in the Rectory of the Church of Christ in Amarillo, Rev. Luther G. Roberts officiating.

Mr. and Mrs. Gregory have taken an apartment at the Herring Hotel, and after a short honeymoon to Old Mexico, will be at home to their friends.

## ART CLUBS HOLD JOINT MEETING

The Senior and Junior Art Clubs met in a joint Christmas meeting Friday afternoon in the basement of the Presbyterian Church. Mrs. M. M. Miller was hostess, assisted by Juanita Bingham and Margaret Wadsworth. Mrs. W. W. Taylor, V-Pres., presided in the absence of president, Mrs. Frank Bourland, the business meeting being omitted.

In the absence of program leader, Miss Mary Howren, Mrs. Geo. Bagby took charge as program leader. Leona Pearl McCraw gave a Christmas reading; Nelda Sue Burton rendered a piano solo. Mrs. Bagby, assisted by Mrs. Patrick, showed slide pictures of famous paintings relating to Christmas—Mrs. Bagby explaining each.

The tea table was covered with white linen cover with different colored stars for decoration. Mrs. Glascoe, representing the Senior Art Club, poured coffee, and Miss Anna Moores Swift, representing the Junior Art Club, poured tea.

Sandwiches, coffee, tea and candies were served to Mesdames Glascoe, W. W. Taylor, Walker Lane, W. H. Patrick, C. L. Benson Sr., Geo. Bagby, Frank White Jr. and son Frank and Mrs. M. M. Miller; and to Leona Pearl McCraw, Anna Rea Porter, Frankie Hommel, Sarah Beth Lowry, Nelda Sue Burton, Anna Moores Swift.

## JUNIOR VICTORY CLUB

Melba Ruth Grady was hostess to the Junior Victory Club at her home Sat. afternoon. The aim of these girls is to do something to help win the war and they are knitting, crocheting and sewing for the war work.

Dainty refreshments were served to Elise Norwood, Dorothy Nell Kemp, Elma Jo Mosley, June Atteberry, Ada Sue Smith, Georgia Belle McNeal, Mary Ann Bromley, Dorothy Jean Tatum.

The Club will meet Sat. afternoon with Bettie Jean Brown.

## MISSIONARY SOCIETY OF FIRST CHRISTIAN CHURCH

The Missionary Society of First Christian Church met in the home of Mrs. W. T. Hayter, Wednesday at 3 p. m.

The home was beautifully decorated for the Christmas holidays with evergreens, laurels of red and green festooned with mistletoe with a large beautifully decorated tree at the end of the entrance hall laden with lovely gifts for the guests, greeted everyone as we entered the brilliantly lighted home of our gracious hostess.

The Christmas spirit was felt and enjoyed by all. The meeting was called to order by the Pres., Mrs. L. Guy Ament, by singing our theme song, "Let the Beauty of Jesus be Seen in Me," and prayer by the Pastor, Bro. L. Guy Ament, after which a short business session.

The President turned the meeting over to Mrs. Tucker who led in a very interesting lesson on "The Missionary Message of the Bible—for All Mankind." Song "Joy to the World." Prayer by Mrs. Tucker.

We had as our guest, Mrs. Frank White Jr. who favored us at this time with a solo, singing in her sweet way, "Holy Night, Silent Night."

The leader was assisted in the lesson by a number of ladies reading scripture references on the subject.

After the lesson all enjoyed a social hour in singing Christmas songs. Just as we were singing "Jingle Bells," old Santa came in and gave each a gift from the tree, as we had drawn names.

Our hostess served a dainty refreshment plate to 26 guests: Mesdames Skinner, Tucker, McClenry, Clampitt, Shelly, Frank White Sr., Mulkey, Dozier, Humphrey, Frank White Jr., Anderson, Casey, Ament, Fronabarger, Albert Johnson, Butler, Johnston, Logan, Cottingham, Liesberg, Benson, Hayter, Jacobs and baby, Percival and the pastor, Bro. Ament.

All were very appreciative of the joy and happiness extended by our hostess. Many thanks and a Merry Christmas.

## Farm Machinery Rationing Change

COLLEGE STATION—Removal of a number of items from the list of "frozen" farm machinery has been announced by the Texas USDA War Board.

Included on the list of "thawed-out" machinery were such implements as poultry feeders, cattle stanchions and fittings, butter molds, hand water pumps, hand feed grinders and crushers, hand transplanters and hand sprayers. All but thirteen items in Schedule II of Temporary Rationing Order B were removed from the "frozen" list.

The board declared that distributors and manufacturers may now make or accept transfers of the released items and dealers may replenish their stocks provided they are within any WPB or OPA regulations, or the manufacturing quotas of Conservation Order L-170.

### ASSEMBLY OF GOD CHURCH

J. J. Grubbs, Pastor  
Sunday school—10 a. m.  
Prayer Meeting—11 a. m. and 7:30 p. m.  
Prayer Meeting, Wed.—7:30 p. m.

We invite you to attend our services. You will find a friendly spirit to welcome you. Good singing and old time gospel preaching is what we have to offer you. That kind our forefathers believed in, lived to and died by.

While our President is calling for real men to build an army to preserve our freedom and liberty, our Lord is also calling for men who will stand for the right and work for the upbuilding of God's cause.

Come worship with us. Our slogan: "Back to God and Bible."

### EPISCOPAL CHURCH OF ST. JOHN BAPTIST

Rev. Frank H. Hutchins, M. A., Clergyman  
Mr. Walter B. Knorpp, Lay Reader

Sunday, December 13—11 a. m. Morning Prayer and Sermon—Mr. Knorpp.

Visitors are welcome at all services.

### FIRST CHRISTIAN CHURCH

L. Guy Ament, Pastor  
Church services at 11 a. m. Let us make our Christmas a real spiritual help to everyone. Then at 7:30 our evening services. Make the day one to help us on to the higher conception of real worship.

Sunday school meets at 9:45 a. m. We are hoping that everyone will be in his place to carry on.

Next Wednesday evening at 7:30 prayer meeting and Bible study. We are studying the Prophecy of Daniel.

On Sunday night, Dec. 20th, we

will have the service "White Gifts for the King." Our offerings of toys, clothing or money will be sent to Juliette Fowler Homes of Dallas, Texas.

The Christmas tree for the Sunday school and church will be on Wednesday night, the 23rd. The program will be carried out at the tree. We invite our friends to join in with us at this time.

### IN AFRICA

Mess Sergeant Albert (Mugs) Johnson, son of Mr. and Mrs. Will Johnson who is on Aircraft P-38 plane, is in Bizerte and Tunis, North Africa.

### JOIN WAACS

Mable Johnson, Leon Casey and Jean Bell have joined the WAACS and will leave the first of their year for Florida.

Lon Rundell and Haskell Kemp were in Amarillo Tuesday on business.

### EMERGENCY GAS AVAILABLE TO PASSENGER CARS

To prevent public hardship in emergencies such as sickness or other emergency errands, Texas OPA Director Mark McGee directed local war price and rationing boards to permit sales of gasoline to passenger car owners on OPA certificates, Form R-555. Thousands of the forms are being printed and will be made available by local boards to filling stations in their jurisdiction.

**INTERCOSTAL NEURALGIA**

This is a painful condition localized in the spinal nerves, distributed to the tissues around the chest. The pain is sharp and stabbing, and radiates along the course of the nerves to the front of the body. The muscles are tense. Breathing is not affected.

The nerves involved emit from the spinal cord through openings formed between two vertebrae in the spine; these openings are known as intervertebral foramina. There is one of these on each side between every two vertebrae in the spine. The openings are formed by notches, so that each vertebrae contributes to form two openings on each side. If either of any two vertebrae get out of position, the size of the opening is changed and pressure is produced upon the nerve fibers which pass through it.

Pressure on a nerve causes improper function in the tissues or organs supplied by it. Impingement in the intervertebral foramina may affect a few or many nerve fibers which go to make up the nerve trunk at that point; so that an impingement at any given point might produce disorders at one or more of several points in the body, according to which particular fibers of that nerve trunk are involved. Some of the fibers of a nerve trunk pass to the surface of the body. Others in the same trunk pass to internal organs.

Intercostal neuralgia results from impingement of superficial nerve fibers, and the sensory function is involved. Chiropractic records show that this is a condition which usually yields rapidly to adjustments. The correction of the misaligned vertebrae removes pressure from the nerves and normal health follows.—The Health Builder Chiropractic Research. (Adv.)

**Sharing Meat At Butchering Time**

College Station — Butchering time has arrived and farmers are asking how to comply with the Share-the-Meat program when they have excess quantities of fresh meat.

Roy W. Snyder, animal industries specialist for the A&M College Extension Service, suggests an answer to this question.

First, he says, stagger butchering of hogs. Instead of butchering two or three at one time, butcher one, then wait a few weeks to butcher another.

Second, share fresh meat with neighbors at butchering time.

**Select Next Year's Breeding Turkeys**

Texas turkey growers should select breeders for next year before all of their better birds have been sold.

"It is only by selecting breeders now," says Geo. P. McCarthy, poultryman for the A&M College Extension Service, "that we can maintain the improvement which has been so pronounced during the past five or six years."

Turkey hens which are showing heavy fleshing, especially across the breast and thighs, and have developed fat and feathered out well, including pin feathers, should be kept back as breeders,

McCarthy explains. Producers should also be giving serious thought to buying toms to head up next year's breeding flocks. There is an excellent supply of good quality toms in Texas, especially in the broad-breast bronze strain, which may be bought from R. O. P. breeders. Growers buying hens or toms should see that they are pullorum-tested before putting them into breeding flocks.

McCarthy estimates this year's crop at 3,724,000 turkeys, explaining that "as a whole, their quality has been improved through better selection and better feeding."

Mr. and Mrs. H. T. Warner and son Walter who have been visiting in Clarendon, have returned to their home at Monahans, Texas.

# On Every Front

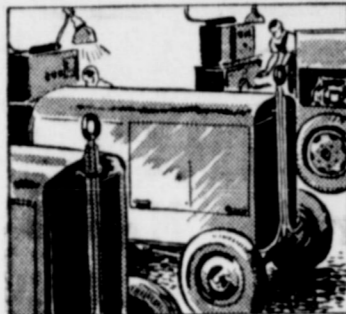

General Electric equipment is fighting with America's land army. From the rolling kitchen to the front line, electricity works for victory.

1. In the factory electricity stitches the seams of tank armor, and on the battlefield it controls the operation of these spearheads of modern combat.

2. In induction center and field hospital, the X ray helps safeguard the health of our fighting men, aiding in the diagnosis and treatment of disease.

3. Far from the usual power sources, mobile power plants supply electricity for 800,000,000 candlepower searchlights by which a newspaper can be read 12 miles away.

4. Blitz war requires swift communications! On the soldier's back, in field and sky, radio co-ordinates the striking force of American army planes, guns, and tanks.

General Electric believes that its first duty as a good citizen is to be a good soldier.

### ASHTOLA

Mrs. W. B. Miller

There was no Sunday school nor church service Sunday due to weather conditions.

We are sorry that Mr. J. M. Graham is still confined to the hospital with an infected arm; but last report he was improving.

Mr. Jesse Nelson who has recently been employed at Dumas is spending a few days here with his family.

Staff Sgt. H. W. Lovell, Jr. from Ft. Bliss is spending a few days here with his parents. Mr. and Mrs. H. W. Lovell Sr. and other relatives.

Mr. and Mrs. Ray Norman and two young sons from Amarillo spent Sunday in the home of Mr. and Mrs. H. S. Mahaffey.

Mrs. Hazel Humphrey from Dumas spent the week end in the home of her aunt, Mrs. Dolly White.

Mr. Russel Morris who had already volunteered for the Navy, left Friday morning for Amarillo, from where he expected to be sent for training.

Miss Christine Knox from Baylor hospital, Dallas spent from Thursday until Monday in the home of her parents, Mr. and Mrs. Van Knox. She was accompanied by Rev. Frank Baulk who is a student at Southwestern Baptist Theological Seminary, Ft. Worth.

Letters and packages were mailed at an increasing rate in Texas during October, the Bureau of Business Research at the University of Texas has revealed. Postal receipts in the state were 10.6 per cent higher than they were during October, 1941, and total receipts were \$1,897,111.

### THE TEMPLE OF TRUTH

By the Apostle

**SKILL.** Some stenographers are careless about spelling, but practically all of them are careful about figures.

**DISCOVERY.** A lady has finally found out where her husband spends his evenings. She staid at home that night and he was right at home on the job cleaning up the kitchen.

**TURNING POINT.** Many a man keeps his nose to the grindstone so that his wife can turn her nose up at her neighbors.

**SLICK THINGS.** Why can't some genius discover a hollow place to fit into the middle of a cake of soap so that no little slabber of it will be left to slip up on while stepping out of the bath tub?

**BUYING TIME.** More bonds have been bought in Donley county the past week than since the fracas back in 17-18. Thrift stamps went right along with them, too. Observing Pearl Harbor's first anniversary went over with a bang in all America.

**GIFTS.** Probably the most appreciated Christmas gift Hitler could give the German service men would be an order to stack arms.

**SPREAD JOY.** Are you writing that boy in the armed service of our country? Remember, he had rather get a letter from home than anything else, and it is so easy to give them to him. No matter if news is scarce, a letter from home means everything. Send the Leader along and help in two ways.

Good gosh! A man just phoned that he was headed up my way with a passel of spare ribs. See you next week.

### MIDWAY

Mrs. John Goldston

Mr. and Mrs. Clifford Davis and son Billy and Mr. and Mrs. Morris Blankhead and sons, Larry and Jimmy of Amarillo spent Sunday with the W. K. Davis'.

Mrs. Clifford Davis has just finished the Nurse's Aid course of American Red Cross, receiving her cap the past week. Mrs. Davis has had one hundred fifty hours training in St. Anthony hospital. She is one of a group of fifty women who vountarily took this work, preparing to do their part in winning this war.

Betty John Goldston spent the week end with Jauneta Bingham in Clarendon.

The W. K. Davis' had a letter from their son this week, saying he is now in New Guinea. He sent his mother and father \$400 for Christmas.

Mrse. "Red" McCrary visited relatives here the past week. Mr. McCrary has been called to the army and is to leave soon. Mrs. McCrary will make her home with her sister-in-law, Mrs. Hal Riley in Amarillo, Hal having been in the training for some time.

Mr. Hal Riley visited relatives and friends here the past week.

Mr. and Mrs. Edwin Eanes arrived Sunday from San Antonio where Mr. Eanes has been in training. Mr. Eanes went on to Lexington, Ky., Tuesday morning where he will continue his training for awhile. Mrs. Eanes is remaining with her parents, Mr. and Mrs. W. M. Pickering.

Mr. and Mrs. Chester Scott of Amarillo spent Sunday with his parents.

Mr. and Mrs. John F. Harlen of Amarillo spent Sunday with the Potters and Scotts.

Mr. and Mrs. Charles Longan visited Mrs. Longan over the week end.

Mr. and Mrs. J. T. Stone visited his mother in Clarendon, Monday.

**LAST WEEK'S NEWS** (Arrived too late for publication)

Mr. and Mrs. J. T. Stone who were recently married are now living on the Stone farm, Mrs. Jenny Stone having moved to Clarendon. She has an apartment in the Fanny Wilson home.

Mary Sue Stone of Memphis spent the week end with her mother.

Mr. and Mrs. Marvin Salmon of

Groom visited her parents the past week.

Clyde Putman of the army in California, visited his sister, Mrs. Bob Williams. A number of friends went to Lake McClellan to dance Sat. evening, honoring Clyde. Those from Midway to go were Mr. and Mrs. W. D. Higgins, Mr. and Mrs. Bob Williams, Mr. and Mrs. Arthur Davis, Marguerite Cole, Thelma Jean Williams and Herman Higgins.

Mrs. Gamble and daughter, Phyllis went to Wellington the past week.

Mrs. Arthur Seaton went to Groom Sunday evening to visit her daughter, Mr. and Mrs. Marvin Salmond.

Mr. and Mrs. Aubry Tompson have sold their crop and are leaving in the next few days for Portales, N. Mex. where they are to farm.

Mr. and Mrs. Swinney of Hedley who bought the crop have moved to the Tompson farm.

Miss Katie Meaders, Misses Virginia, Jane and Mary Williams and J. A. Meaders went to Amarillo Saturday.

Mr. and Mrs. C. F. Hefner and son Reck of Amarillo visited with the Hefners for dinner and supper Sunday.

Eldon Holland of Lubbock spent the Thanksgiving holidays with his parents.

D. W. Tomlinson spent the week end with his parents. Mrs. D. W. Tomlinson returned to Pampa with him.

Mr. and Mrs. Holley and daughter of White Deer visited with the Tomlinsons Sunday.

Mr. and Mrs. Whitt and daughter of Clarendon were guests in

the Jones home Saturday night. Corp. Marvin Jones of Lubbock visited his mother Saturday night and Sunday.

Mr. and Mrs. Jackson visited with Mr. and Mrs. Arthur Davis Sunday evening.

Mr. and Mrs. Ray Hefner left Saturday night for Kansas where Mr. Hefner will be in war work. Little Miss Hefner, the young daughter of Mr. and Mrs. Ray Hefner has spent the past two weeks with her grandparents, the Hefners. Mrs. Ray Hefner had also been visiting her parents, the Scotts and the Hefners the past two weeks.

The people of the Glenwood community all met there on Thanksgiving and had an old time Thanksgiving supper and get together. Rev. Quattlebaum of Clarendon made a Thanksgiving address. Songs were sung and a really enjoyable time was spent, and a bountiful supper enjoyed. Mr. and Mrs. Glenn Wood of Amarillo and Rev. Quattlebaum were out-of-community guests.

Mr. and Mrs. Martin Mason of

Loveland and new baby spent the week end with her parents this week.

Mr. and Mrs. M. J. Cook and daughter of Ashtola visited in the Dick Tomlinson home Tuesday.

Mr. and Mrs. H. R. King visited with the Tomlinsons Friday.

Mr. and Mrs. Dick Tomlinson visited with Mrs. Jones Friday evening.

Lloyd Moreland, who is in the Clarendon Clinic, after having his leg broken in the explosion at the gin last week, is reported improving.

## GASOLINE RATIONING AND RAIL TRAVEL

UNDER ordinary circumstances, Burlington Lines would view the curtailment of intercity motoring necessitated by gasoline rationing as an opportunity to demonstrate to many confirmed motorists the speed, comfort and convenience of railroad travel.

Unfortunately, we may be prevented from doing this in full measure because:

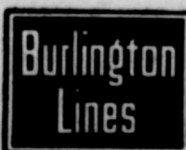

- 1 - A large part of our power and passenger equipment is assigned to the all-important job of transporting the armed forces.
- 2 - It is not possible at this time to build or buy new passenger equipment.
- 3 - Largely due to the foregoing, the Office of Defense Transportation has "frozen" the number of passenger trains which may be operated.

Nevertheless, Burlington Lines will devote every effort and resource toward providing the best possible passenger service "for the duration" for all patrons—both old and new—residing along its 11,000 miles of railroad in thirteen states.

Most effective use can be made of available trains and schedules if passengers will —

- ★ Travel during mid-week, whenever possible.
- ★ Purchase tickets and make Pullman reservations reasonably in advance.
- ★ Travel with no more baggage than necessary.
- ★ Consult local agent when planning trips.

Burlington Lines are grateful for past patronage, appreciate present patronage, and strive to warrant future patronage.

RED CROSS VOLUNTEER SERVICE

As the months of war go by we are coming to learn that every condition of our daily lives is affected by it.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

CREOMULSION for Coughs, Chest Colds, Bronchitis

wanted they can only be used where they are most needed and where they will do the most good.

In the knitting program for instance, the Army and Navy estimate what kind of knitted garments they will need and how many of each kind.

Miss Charlotte Molesworth, Chairman of Volunteer Service, received a letter this week saying that our chapter would receive 75 pounds of olive drab wool for knitted items for armed forces.

mufflers. A notice will appear in this column on the arrival of the yarn.

This week we are making a shipment to armed forces of helmets, wristlets and mufflers. The following received this week are the last of the knitted garments going in this shipment.

Mrs. Frank Phelan has been splendid in helping with our last minute rush garments. To her credit goes another helmet and wristlets. Mrs. Clarence Pipes, Mrs. Clyde Douglas and Claudia Lancaster (colored) turned in sleeveless sweaters.

Miss Jessie Cook of Ashtola turned in seven (7) helmets made by Mrs. Alma Gladney, Mrs. W. P. Holley, Mrs. J. R. Brandon, Mrs. M. H. Rhoades, Mrs. Thelma Gore, Mrs. J. M. Graham, and Miss Jessie Cook.

Sewing

Material for our kit bags for over-sea soldiers and housewife kits has arrived and the cutting committees will be getting these bags ready for distribution.

tion of Gift Shipments and parcels to prisoners of war and interned civilians. The government and the Red Cross together have been trying to work out plans by which some of the comforts of life might be sent to these persons.

Long lists of things which may be sent or given, yet it is interesting to see the things that are not permissible. A recent cablegram from the International Red Cross states that "nail files and scissors are not allowed in parcels from private senders."

Only one package may be sent to any individual in 60 days, and none can be sent to Japanese controlled territory. No medical supplies of any type except vitamin tablets in cardboard containers can be sent; no articles in glass containers; no articles in sealed tins; no written or printed matter of any kind.

When any soldier dies in line of duty, a death gratuity in amount equal to six months pay is sent to his dependents.

Mail for prisoners of war and internees or detained civilians is now sent via New York instead of via Chicago.

V-mail is urged. 150,000 V-mail letters that have been filmed weigh only 45 pounds and fill one sack, against a weight of 2,575 pounds and 37 sacks for the same number of one sheet letters.

The WAVES have free postage as same as soldiers or sailors, since they are component part of the Naval Reserve, but this privilege is not given the WAACS, since they are with, not in the Army. It is hoped this technicality may soon be changed.

FORMER CLARENDONITE WRITES LETTER

The following is a letter written by C. E. Griggs, former citizen of Clarendon but now living at Etter, Texas, to Marshall Morris who is with the Navy somewhere in the Southwest Pacific.

Dear Marshall and all other Clarendon and Donley County boys who have joined the fighting forces of Uncle Sam.

We want to tip our hats, yes and our hearts to you boys, for you are tops with us, and tops with all good people the world over, who are praying and fighting for freedom.

The Axis bandits have stretched the boundaries of HELL much too far.

Together, we, with you boys on the front lines, we, on the production line, and our friends on the home front, and again we will say, together we are going to push them back, and when we get through with them, HELL will be a "snug little place" just for them.

There is one request we would like to make of you boys—if you happen to bump into a certain paper hanger, will you PLEASE give him a little "PASTE"—just for us.

This is Mr. and Mrs. C. E. Griggs, saying so long and good luck, until we meet again. Yours truly, C. E. Griggs and Wife

Farmers To Have Plenty of Gas

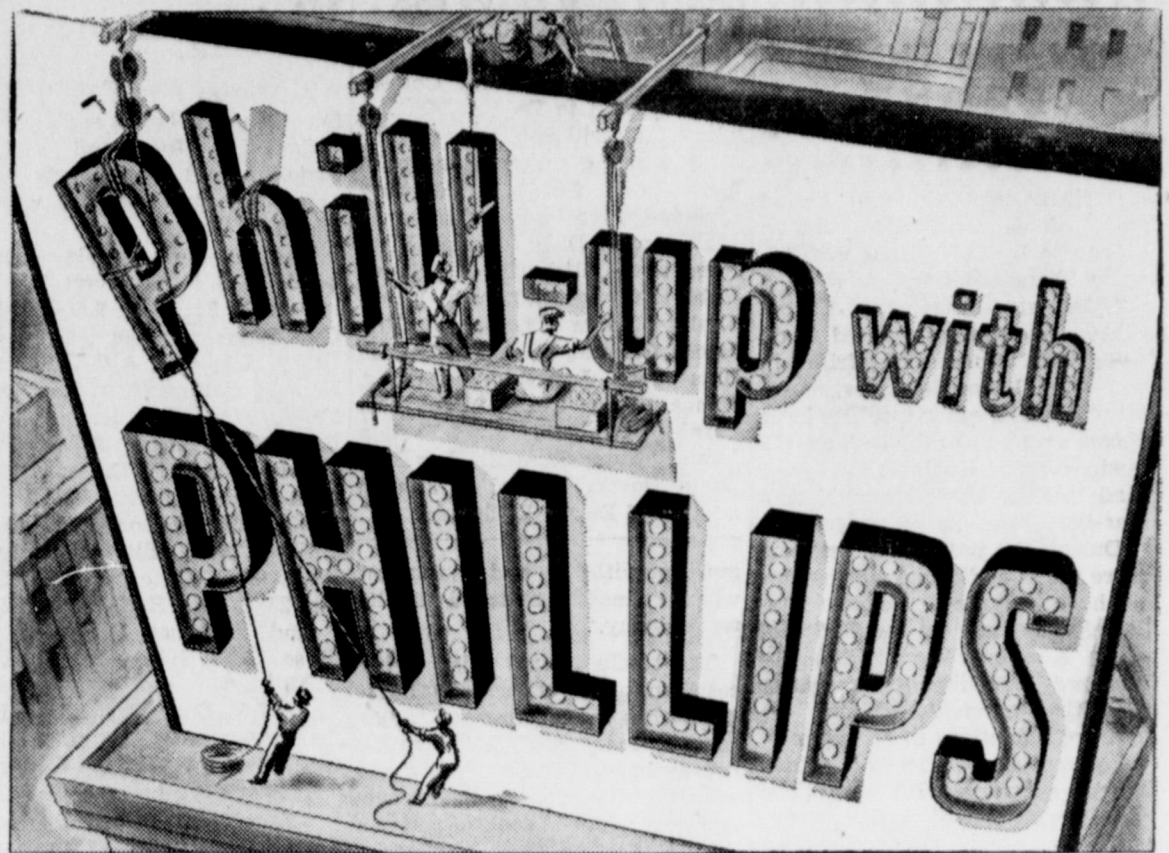

Washington, Dec. 8—A message to the farmers, stock raisers and dairymen of the United States was issued today by the office of Defense Transportation.

No farmer is to be put out of business as a result of the office of Defense Transportation's Certificate of War Necessity plan.

As long as the tires, spare parts and gasoline are available, the ODT will help every farmer get enough tires, spare parts and gasoline to carry on his necessary truck operations.

Any farmer who is dissatisfied with the amount of mileage and gasoline allowed in his Certificate of War Necessity for his truck or trucks should take the matter up immediately with his county agent, his county War Board or his County Farm Transportation Committee.

If the county agent, the county war board or the county farm Transportation committee is convinced that any farmer should have been granted more mileage and gasoline in his certificate of War Necessity he will recommend

WAR changes a famous slogan

FOR THE DURATION, a famous and friendly slogan goes into retirement.

With gasoline being rationed to lengthen the calendar life of your tires and thus conserve the Nation's wartime stock-pile of rubber, we no longer invite you to 'Phillips' with Phillips.

But you are still as welcome as ever at any Phillips 66 Service Station. The Phillips man is anxious to get and hold your business, even though your gasoline purchases are greatly reduced.

If anything, he is more anxious than ever to give you those pleasant, friendly services which make your car and your tires last longer and go farther. That is his way of showing his appreciation for your business. And more, he has pledged himself to "Keep 'em Rolling", as a patriotic duty.

In the meantime, hundreds of Phillips

research workers and many thousands of production employees are speeding up their good work for victory. With Phillips vast resources of raw materials, their efforts have made the company one of the largest suppliers of 100 octane aviation gasoline to the Army Air Corps, the Navy, and the United Nations' air forces; have made the company an important participant in the U. S. synthetic rubber program.

Remember these facts, and drive in where you see the Orange and Black 66 Shield. That's where you get Phillips 66 Poly Gas and Phillips 66 Motor Oil... two famous products which are everything you can expect in times like these, when the needs of Uncle Sam's fighting forces naturally come first.

P.S. In place of our slogan at the bottom of this advertisement, we have placed a slogan that is yours, ours, and every American's.

FOR VICTORY... Buy U.S. War Savings Bonds and Stamps

that a revised certificate be issued. This recommendation will be made to the ODT district manager serving the county in which the farmer lives.

All ODT district managers have been instructed from Washington to accept the recommendations of the County Farm Transportation Committees, unless such recommendations contain obvious errors.

Farmers who have received certificates allowing them sufficient mileage and gasoline for a limited period are urged to delay filing appeals with their county farm transportation committees until those whose certificates obtain obvious errors have been taken care of.

If a certificate does not contain an obvious error, the farmer's office of Price Administration War Price and Rationing Board will grant him a gasoline ration in

an amount provided by the certificate. In accepting such a ration, the farmer does not forfeit his right to appeal for an additional gasoline allowance later. Appeals may be filed at any time.

CHRISTMAS TREES EXEMPTED FROM WAR REGULATIONS

OPA, ODT and WPB announced jointly that Christmas trees will be exempted from wartime orders affecting the production and sale of goods and services. WPB urges that producers of trees maintain good forestry practice and avoid employment of manpower that would otherwise be engaged in essential war work.

INCOME TAX NOTICE

We are again prepared to serve you as heretofore in your Income Tax preparation. Even more complicated this year, it will take more time and attention to prepare these reports to meet Uncle Sam's regulations.

Please cooperate with us by preparing your figures just as soon after the first of the year as is possible. By doing this, you will help yourselves, and aid us greatly, too. Remember, these figures must be for the calendar year, 1942.

See us for information, and secure one of our Information Sheets, prepared just for you, and which will be of great help, because it tells you just what to do.

Very truly, J. A. WARREN Income Tax Service since 1916. Clarendon, Texas

### ON THE HOME FRONT

Business establishments hailed many of the restrictions put on deliveries by the Office of Defense Transportation—it was a healthy sign that the United States Government wanted to do away with unnecessary "frills" in war-time. Labor shortages, smaller profits and other troubles have become major problems on the business front. Business men were glad to have U. S. approval of a war-time streamlined program.

During the past week, retailers were given additional suggestions on how to remove "excess baggage," this time by the Office of Price Administration. OPA authorized curtailment of many peacetime services without requiring reductions in ceiling prices. Except as specifically provided to the contrary, OPA authorized retailers to curtail or discontinue deliveries of reasonably carryable packages, except such emergency purchases as prescriptions and sickroom supplies.

Consumers may not like the inconveniences brought about by war, but the time for pinching off useless frills has come. It means a greater concentration on the job at hand—that of winning the war.

We have made great advances on some sectors of the Home Front this year—on others we have not done so well—and next year we'll have to do much better on them all. With the automobile and many other peacetime industries fully geared to war, production has mounted steadily until our war expenditures represent an output of ships, planes, tanks,

### DONLEY MEN LEAVE FOR FT. SILL MONDAY

The following Donley County men reported to Ft. Sill Monday where they will start their regular army training. They have been home on a furlough following their induction two weeks ago.

They were D. B. Thomas, F. V. Henderson, Richard A. Shaw, Hubert Cowan, Thomas Byron Shults, Judge Thompson, Roy James Carlisle, William Mauldin Holsenbeck, Joel Earl Easterling, James Glenn Churchman, Earl Franklin Graham, Murl Vernon Lynn, Fonston Russell, Alva Benjamin Dever, Manuel P. Juarez, and Lloyd Daniel Littlefield.

guns, munitions, and equipment which cannot be matched in the world today.

The battle against high living costs, in spite of occasional setbacks, has made progress. Price control measures have saved American families about eight and a half billion dollars this year, and next year—if we can hold our lines against high living costs—the saving to all of us should total fifteen and a half billions. But these tremendous savings can only be made possible by complete cooperation among the buying public, retailers, wholesalers, manufacturers and other producers, including farmers.

Food throughout the first year of the war has been ample, despite heavy shipments to our lend-lease allies, and the tremendous requirements of our armed forces. Up to November 29, sugar was the only food product actually rationed, although we had begun the voluntary share-the-meat program as a first step toward rationing of "red meats" early next year. Meat is such a vital part of military diet that severe penalties will be invoked against violators of the October 1 order limiting delivery for civilian use of meats from cattle, calves, sheep, lambs and hogs. The order applies to all slaughterers and butchers, and farmers who kill animals except for the use of themselves and their families.

### Necessity—

(Continued from Front page) on their trucks and pickups, this program can be closed by the first of the year.

Breedlove states that his office is not in charge of the program, but is merely helping the farmers and ranchers to fill out their war necessity cards.

"The cards are very complicated," Breedlove said, "and it takes a great deal of study to get them correct and all information from the central office is directed to the transportation committee of Donley county, and we are able to keep up with the latest information on the certificates of war necessity."

### Lost Leg in Philippines

ROCHESTER, N. Y.—Lieut. Bartholomeo Passanante, who lost a leg in the Battle of the Philippines, and Irene Dunne, motion picture star, discuss the urgency of buying War Bonds to help our fighting men, during a War Bond rally held here recently at the Eastman Theatre. Price of admission to the rally was paid in War Bonds, and \$209,000 was taken for the "performance," the biggest "one night box office" in the history of the city.

### Aircraft Instrument Mechanics Needed

Difficulty in filling essential war jobs as aircraft instrument mechanic, \$2200 a year, at the Amarillo Army Air Base resulted today in a widespread drive throughout the Panhandle to recruit men with four years experience in the assembly or maintenance of instruments used in aircraft or similar sensitive electrically or mechanically operated instruments, according to James H. Parks, secretary, board of U. S. civil service examiners, Amarillo, Texas.

Applicants with two years experience can qualify for the position of junior aircraft instrument mechanic, \$1800 a year.

Applications may be secured at any first or second class post office and should be filed immediately with the secretary, board of U. S. civil service examiners, 205 East Tenth Ave., Amarillo.
