Local Poultry Judging Team Wins 3rd Straight Contest At Tri-State Fair

CLARENDON TEAM COMPETES WITH 25 OTHERS

SILVER CUP BECOMES PERMANENT PROPERTY OF LOCAL BOYS

Clarendon's FFA poultry judging team won permanent possession of a large silver loving cup by winning the poultry judging contest Monday at the Tri-State Fair in Amarillo for the third consecutive year.

The silver cup is given by Hardeman-King Feed Mills to the team winning it three years in succession.

The local team competed with 25 teams representing Texas, Oklahoma and New Mexico. Tulla placed second in the contest and Panhandle third.

Bobbie Harold Smith, Woodie Spencer, and C. G. Kirkland, Clarendon team members finished third, fifth and sixth in individual rankings in the contest. Billy Thornberry was alternate for the local team.

Balley Estes was awarded a gold FFA Dairy Cattle judging medal for being high man in judging Jerseys at the annual Dairy Cattle judging contest. The local team ranked fourth in competition with 25 teams. Ray Robinson ranked as fourth individual of the contest, and Estes ranked sixth. Lee Christie was the other team member and Billy Smith the alternate for Clarendon.

The ranking in the contests was announced at the annual F. F. A. banquet held each year in connection with the affair. Bobbie Harold Smith and advisor J. R. Gillham attended the banquet.

MEMPHIS TAKES EARLY LEAD IN 3-A FOOTBALL

The Memphis Cyclones got the jump on other 3-A grid clubs last Friday night when they whipped the Lakewood Eagles, 12-0, and thereby clinched at least a league leadership tie until their next conference game on Oct. 4.

The loss put the usually low flying Eagles in their customary last notch positions but they have an opportunity for a pickup this week-end when they meet the untied Wheeler Mustangs.

In non-conference tussles, Lefors alone upheld the usually strong prestige of 3-A when they smothered the Dumas Demons, 25-13. The Pirates unleashed a versatile attack for their lopsided win and loom as a possible trouble maker in their freshman year of the loop. They'll get their baptism of conference fire when the possibly overrated Clarendon Bronchos visit them tomorrow night.

Down Chillicothe way the Wellington Skyrockets looked like a faulty shadow of their once great teams when they were annihilated, 41-6, in a warm-up game.

The crown defenders, Shamrock, showed a remarkable lack of scoring punch when they were stymied at least six times just short of pay dirt by the Canadian Wildcats who bagged the game, 13-0 for their first triumph over the greenclads in over a dozen years.

Edith Shelton left Wednesday morning for Canyon where she will attend WTSC this year.

D. I. Barnett of Miami, Texas owner of the City Gas Company was here on business the first part of the week.

Joe Mobley of Amarillo was here on business Monday.

LEGION ISSUES WARNING

Aubrey E. Clark Post No. 126 American Legion went on record Tuesday night in regular meeting to warn business men and individuals that they need not feel obligated to persons offering patriotic emblems or other merchandise for sale in the name of the local post without written authority from same.

Rayburn L. Smith,
Commander.

6-YEAR-OLD DISPROVES SUGAR-COATED SCHOOLING

Modern methods in teaching were disapproved by Guy Alden Wright, 6-year-old son of sheriff-elect Guy Wright, on his first day of school.

After sitting through a song or two and showing boredom at a kindergarten tale, Guy arose and, taking his teacher by the hand, asked, "When do we start teaching?"

MOTION PICTURES WILL FEATURE FLA MEET

A. C. Williams, President of the Federal Land Bank, will present motion pictures in natural colors showing agricultural practices in England, Norway, Sweden, Denmark, Holland, and Germany, at the annual meeting of the Clarendon National Farm Loan Association at Pastime Theatre. These pictures are to be a feature of the program, according to C. E. Killough, secretary-treasurer of the association, and will be free to everyone.

The pictures were taken by Mr. Williams, who made an extended cotton study tour of the countries of Northern Europe in company with a group of students from Texas A. & M. College. During the showing of the pictures, Mr. Williams will discuss agricultural methods in these foreign countries and explain a number of interesting scenes.

These pictures are both entertaining and educational. They will give many people their first view of foreign agriculture. They were taken in color and feature scenes that were selected on a tour of ten thousand miles.

Those attending the meeting will have an opportunity to compare the appearance of American cotton bales with those of other countries as they arrive in Liverpool and other cotton importing centers. They will see how the cotton is handled on the docks and in the warehouses and then processed in the mills and manufacturing plants, as well as interesting pictures of farming activities in foreign lands.

Everyone is invited to the meeting which starts at 10:00 o'clock Monday, September 30th.

Church Of Christ's Revival Meeting Is Successful

The Church of Christ's ten-day revival meeting which ended this past week was termed very successful by the Rev. Claude C. Smith, pastor, who said good interest prevailed throughout the session.

Mr. Smith reported six new additions to the church and good attendance every day.

Evangelist G. K. Wallace of Wichita, Kansas had charge of the revival.

Bronchos Will Open Grid Season Friday At Lefors

Clarendon High School Bronchos were working long hours this past week preparing for their season's opener and their first conference tilt with the Lefors Pirates at Lefors Friday night.

The Pirates, as yet an unknown quantity in District 3-A loom as a threat in the conference and serve notice as a possible apple cart spiller by beating the Dumas Demons, 25-13, last week.

Coaches Warden and James have their charges trained to a fine point and the Ponies are biting at their bits in impatience for the starting whistle.

Starters in the game are expected to be the following: McCrary at left end, Lumpkin at left tackle, Peabody at left guard, Goodman at center, Bulls at right guard, Wardlow at right

GILLHAM REVIEWS FFA WINNINGS AT TRI-STATE FAIR

CHS POULTRY JUDGING TEAM WINS SILVER CUP THIRD STRAIGHT YEAR

Members of the Clarendon Lions Club gave hearty applause Tuesday at their regular weekly luncheon at the Clarendon Hotel, when Lion John Gillham, vocational agriculture teacher of CHS, presented members of his winning poultry judging team at the Amarillo Tri-State Fair this week. Lion Gillham told of the careful preparation of the boys unused to competitive judging and how they worked night after night to be able to follow in the footsteps of CHS judging teams of former years who have made history and won honors for the local school. The winning of the poultry cup this year makes the third straight year the silver trophy has been won by Clarendon FFA teams, and as is the custom the cup thereby becomes the permanent property of CHS.

Members of the judging team were present and presented by John Gillham.

Lion Ray Robbins announced the need for cars to take the CHS band to Amarillo for Clarendon-Donley County Day Wednesday at the Tri-State Fair, and asked all possible cars to assemble at 8:30 Wednesday morning at the head of Kearney street in the business district.

Lion Burton announced the CHS-Lefors football game Friday night at Lefors, and asked for cars to take the team, the band and the Pep Squad to that city, leaving here at six o'clock.

Lion D. I. Barnett of Miami was a guest of the day, and was introduced by Lion Fred Cook. Lion Barnett expressed his thanks for the generous and friendly co-operation of the Clarendon people since his acquisition of the City Gas Company here, and extended his offer of aid to all worthy local causes.

Another good attendance was noted by the secretary.

Alsea Gas Station Is Purchased By L. B. Muldin

L. B. Muldin has recently taken over the Alsea service station and cafe, located at the edge of town on highway 287.

Mr. Muldin is retailing Conoco gasoline and oils, and featuring short orders and sandwiches at his cafe.

The new proprietor moved to Clarendon from Wellington and invites local citizens to drop in to his place of business and get acquainted.

CLARENDON MEN HEAR FBI MAN SPEAK

John Knorrpp, Guy Wright and R. Y. King attended a meeting at the federal building in Amarillo, Tuesday night and heard Federal Investigator Conroy speak.

MOSQUITO MENACE BRINGS ACTION BY MAYOR

Mayor Tom Connally moved this week to combat Clarendon's current mosquito menace.

Mr. Connally cautioned local citizens about having waste water lying about their yards, stating that the presence of waste material has a tendency to draw the biting insects.

LEGION ASKS LAW TO DEFEND U. S. FROM TRAITORS

Congress was bombarded this week with mail and telegraphic appeals from officials and citizens of the Texas Panhandle.

These appeals asked the congress to remain in session until proper and adequate laws are enacted to defend the nation from enemies within.

At a meeting in Pampa Sunday officials of the 18th district American Legion department adopted a resolution, copies of which were sent on to congress.

The resolution asks that naturalization laws be tightened so citizenship will not be so easy to obtain, that immigration laws be tightened so American jobs can be retained by American citizens; that laws governing deportation of aliens be made more definite, rigid and enforceable; that aliens convicted of espionage, sabotage, traffic in narcotics, narcotic addiction, or advocating any change in our form of government should be deported immediately; that the Communist party or any other political party which receives support from foreign sources be immediately outlawed, and that it should be made a penal offense for a citizen to advocate a change in our form of government by force, fraud or violence.

A committee composed of Lou Roberts, Borger, past state commander of the Texas American Legion; Louis Goodrich, Shamrock, and William Heske, Pampa, introduced the resolution at Sunday's district meeting near Miami, and it was unanimously adopted.

Copies of the resolution were sent to Congressman Marvin Jones at Washington.

Heske and Ray Barnes, commander of the Legion in Pampa, also sent copies of the resolution, and urged city and county officials, civic clubs, churches, patriotic groups, and other organizations to join in the appeal by sending a letter or short telegraphic appeal to Congressman Jones or any other national legislator.

Hospital News

An eight pound boy was born Tuesday morning at 6:30 a. m. to Mr. and Mrs. Bill Weatherly Mrs. Weatherly was discharged from the hospital Wednesday.

Donley County Day At Tri-State Fair Is Attended by Large Delegation

It was Donley County day Wednesday at the Tri-State fair in Amarillo and hundreds of Donley residents were on hand to make it a really successful event.

One of the largest delegations ever to make the fair trip was evident as a steady stream of cars poured out of Clarendon early Wednesday morning, Amarillo-bound.

One of the chief points of interest to the Donley Countians was the Donley County Booth in the agricultural building. Donley's booth was decorated with more blue ribbons than any other

booth in the building. The dairy cattle and swine judging, the poultry show, and merchant's building were other chief points of interest.

The Clarendon delegation congregated at the edge of Amarillo and was escorted into the city, then to the fair ground by special motorcycle police.

The band gave concerts both downtown and at the fair and made a special broadcast over KNGN about noon.

Most of the local citizens returned home late in the afternoon or that evening.

MATTRESS MAKING PROGRAM IN FULL SWING HERE

A total of 28 mattresses have been made up until Wednesday of this week under the mattress making program in Donley County, according to County Agent H. M. Breedlove.

The mattresses are being made in a building across the street from the courthouse and an average of six mattresses a day are being turned out.

Breedlove said that the Hedley mattress demonstration would get under way on Sept. 26.

List of supervisors for the coming week are:

Thursday, Sept. 19, Mrs. E. R. Myers, Mrs. H. R. King, Mrs. P. H. McElrath; Friday, Sept. 20, Mr. and Mrs. Jim Cannon, Mrs. W. B. Barker; Monday, Sept. 23, Mrs. W. A. Bailey, and Mrs. D. W. Tomlinson; Tuesday, Sept. 24, Mrs. Hubert Rhoades and Mrs. W. P. Holley; Wednesday, Sept. 25, Mrs. Offie Edgings and W. L. Jordan; Thursday, Sept. 26, Mrs. A. T. Tolbert and Mrs. A. C. Hill.

Benefit Showing Of Bagby's Picture Nets Band \$45

The showing of George Bagby's technicolor picture of Clarendon's July Fourth celebration enriched the Clarendon high school band treasury \$45 last Friday night.

The benefit show was held at the Cozy theatre and all proceeds went to the band.

Mr. Bagby donated the films and Homer Mulkey, theatre manager, turned over the theatre to the band.

DATES EXTENDED FOR STATE FAIR SCHOOL CONTESTS

DALLAS — Dates for entry of Texas Public Schools in the various activities at the State Fair of Texas, October 5 to 20, has been extended to October 1, Miss Edgar L. Wilson of the State Department of Education announces.

These contests already have attracted many entrants but all divisions still are open. Application for entries should be made to the School Division of the State Fair.

The program of activities follows:

Spelling Contest, Miss Leland Watkins, chairman; October 7, 7:30 p. m.

Rhythm Band Contest, Miss Christine Hewitt, chairman; October 11, 10 a. m.

Choral Club Singing Contest, A. M. Tate, chairman; October 18, 10 a. m.

Classroom Broadcast Demonstration, John W. Gunstream, director; October 11 and 18, 1 p. m.

Public Speaking Contest, Mrs. Arthur Maberry, chairman; October 17, 12:30 p. m.

Visual Education Demonstrations, C. R. Reagan and Arthur Maberry, directors; daily programs in the Educational Building.

Mr. and Mrs. T. J. Perkins of Quanah visited in the home of their daughter, Mr. and Mrs. A. J. Parker, here the first part of the week.

Mrs. L. L. Moreland was admitted to the Adair hospital Wednesday.

LOCAL F. F. A. AND 4-H CLUB BOYS TAKE HONORS

EXHIBITORS WIN \$250 IN SWINE SHOW AT TRI-STATE FAIR

A large share of the placings and honors in the annual Tri-State Fair Club Boys and Open Barrow Shows were won by local youths at the Tri-State Fair Monday at Amarillo.

Harlie Green showed the champion Spotted Poland China pig in both the open and club shows and Redell Henson showed the champion Poland China pig in both shows. First place light Poland China pig in both club and open division was shown by Redell I. Henson.

Other placings won by the local youths were second in club and third in open light Poland, sixth in open and third in club in light polands, sixth in club and open light Duroc, third, fifth, sixth, and seventh in club on heavy Durocs, and sixth in open on heavy Duros. Third in open and sixth club and open light Hampshires, and third and sixth open show on light Hampshires, second and open on light and heavy spotted Poland Chinas. First in heavy Chester Whites in open and club, third on Chester white pen, and first on Spotted Poland China pen, second heavy and second light Berkshires, second and seventh pen of three, and seventh on litter.

DOUGLAS TO OPEN BOWLING ALLEY MONDAY NIGHT

Clarendon bowlers will be on hand Monday night at 8 o'clock to welcome the formal opening of Doug's Recreation Alleys in the building formerly occupied by Bill's Alleys.

Mr. Douglas has put in new alleys, remodeled the interior of the building and installed new bowling equipment. He said that he had planned on opening Saturday but will be unable to do so until Monday evening.

Ladies are especially invited to attend the opening. Four ladies teams will be organized this fall and two afternoons a week will be set aside for instruction to women beginners.

Mr. Douglas extends a cordial welcome to everyone to attend the opening Monday.

SCHOOL STUDENTS TO GET ESSAY MONEY

DALLAS — Cash prizes are to be awarded Texas High School students for the best essays on "Texas Resources and What an Investment in Them Means to America." They will be limited to 750 words and must be in the hands of the publicity department of the State Fair by October 5. First prize is \$25, second prize, \$15 and third prize \$10. First prize winner will be given a free trip to the State Fair.

R. R. GILLS HAVE FAMILY REUNION

Mr. and Mrs. R. R. Gill had all their children present but one daughter of Pecos at a family reunion Sunday, Sept. 8, which lasted the one day.

Those present were Randolph Gill and wife of Watsonville, California, Mr. and Mrs. Buck Parker and family and Mr. and Mrs. Fred Heidon.

Mr. and Mrs. Carroll Knorrpp attended the Republican Convention and the Tri-State Fair in Amarillo Tuesday.

VISITS HERE

Mr. and Mrs. Whitfield Carhart were here the first part of the week visiting Mrs. Whitfield's mother, Mrs. R. A. Chamberlain. They were en route to their home in Greenville from Colorado where they have been vacationing.

Mr. and Mrs. L. T. Shelton and children, Douglas and Sandra, attended the horse races at Tucumcari, New Mexico, Wednesday afternoon.

Loan Cotton Classing Offices Set Up

All cotton placed under the 1940 Commodity Credit Corporation loan will be classified uniformly by Agricultural Marketing Service offices. Samples will be shipped to the central offices in

each of the zones indicated on this map. Information concerning the loan is available from county agents or the county offices of the Agricultural Adjustment Administration.

GOVERNOR REASSURED ON NATIONAL DEFENSE

Governor W. Lee O'Daniel reviewed the splendid returns from his recent appeal to Texans on mobilization of resources of the state for national defense in last Sunday's radio broadcast, and lauded the Lone Star folk on their hearty response to that appeal. In part the Governor said:

"The United States of America has lost battles—but never a war. It has known hardships—but never defeat. It has faced danger—but never lost courage.

"We have no cause to doubt this nation of ours—no cause to doubt its strength, its power, its ability to defend its heritage and build its future.

"Its people have been measured in the balance and have not been found wanting. They have faced the wilderness; they have fought for their freedom; they have defended their institutions; and they have built a nation which is the finest on earth.

"There has been no reason to doubt America, nor to question the patriotic impulses of its men and women.

"But if I HAD had any secret question in MY heart, any anxiety over our attitude as a people, any lack of faith in our determination to meet the tests of the new day with a courage remindful of Valley Forge and the Alamo, those doubts would have been dispelled quickly and completely during the past two weeks as I received from every corner of this—the largest state in the Union—and from other states as well, expressions of deep concern, pledges of personal service and sacrifice, assurance of unequivocal support in every step which your state government takes as it performs its functions in the present crisis."

HITLER'S STAR BEGINS TO WANE

To our way of thinking the star of Adolph Hitler began to wane in August 1940, and within sixty days more, will be so recognized the world over. His inability to smash England immediately after having taken France gave the belated defense program of Britain time to become highly effective, and the weeks stringing out into months have made it increasingly plain that Hitler can never conquer the British Lion—in fact the rising tide of Britain spirit and superior power in guns, ships, airplanes, will smash him to the gleeful accompaniment of cold, disease, starvation, and inner rioting.

This time the German threat to world peace and security will be wiped from the map. Democracy is fighting her last desperate victorious battle for the welfare of the human race.

THE INGREDIENTS OF GENIUS

Of particular interest to advertising people is this analysis of the creative instinct by Sir Joshua Reynolds, who says: "It is indisputably evident that a great part of every man's life must be employed in collecting materials for the exercise of genius. Invention, strictly speaking is little more than a new combination of those images which have been previously gathered and deposited in the memory; nothing can come of nothing; he who has laid up no materials can produce no combinations. The more extensive, therefore, your acquaintance is with the works of those who have excelled, the more extensive will be your powers of invention, and, what may appear still more like a paradox, the more original will be your conceptions."—CAPS and lower case.

OH, YEAM!

"I Socked Him Two or Three Times. Whatcha Goin' T' do?"

CONSCRIPTION BETTER EARLY THAN LATE

Peace-time draft of men for military service has been outside of American thinking from the beginning of the republic, and well it might still be if nations made formal declaration of war in these modern times. But fair dealings and courtesy no longer rules a great section of the world, and peace-loving countries must order their internal affairs to meet the change.

The News regrets the necessity that brought the recent draft bill, but we accept the mobilization and training of our young, unincumbered men, as one of the wisest moves the nation has made to keep the ravages of war away from our shores. Under the terms of the draft the participation of each community will be relatively small, and we believe the benefits to those drafted will be many, and maybe the nation will not be forced into war after all—world bullies noting that we are prepared.

It is far better that we have a draft early in these peace times, than to be forced to put on a pressure draft late in peace (?) times when the enemy is hammering at our gates.

Economic Highlights

Tax Bills of Every Individual. National and International Happenings That Affected the Dinner Pails, Dividend Checks and Problems Inseparable From Local Welfare.

One of the commentators recently wrote that of the destroyers-for-England deal had been made eight or ten months ago it would have literally caused riots in the streets, and brought the wrath of a large part of the nation down upon the President, his advisors and official family. Now, so greatly has the American people's attitude toward the European war changed, the trade went through almost undramatically. There was criticism of the President's method of consummating it, but almost no criticism of the motive — that of helping England. While, in theory, the deal was simply a business-like exchange whereby we got valuable air and naval bases in trade for ships which our Navy considers obsolete, in actual fact it was aggressively pro-British and anti-Nazi. It is generally believed that we could have gotten the bases without giving England the destroyers. The almost routine way in which this deal was made, in view of some commentators, illustrates how rapidly the United States has come to the brink of war.

It is certainly true that there is little talk now of American neutrality. We are violently partisan. Our status is simply one of non-belligerency, very similar to that of Italy before she joined arms with the Reich. According to the polls, about ninety-nine per cent of our people want England to win, and a substantial majority believe that we will be in danger of invasion if England loses. This Administration obviously believes that Hitler will attack us if he manages to destroy England this year — naval and military spokesmen, according to authoritative information, have said unofficially that the attack came next year. If England survives, the picture of course will be drastically changed. Then, think the authorities, we will be safe — time will be on our side, and we will be able to create an invincible military defense that will discourage any potential invader.

The talk that is going on in Washington is war talk. The shadow of war, and the possibility of our actual participation in war, dominates everything that the government does. Some of that talk deserves the thoughtful attention of every American. According to one school of thought — and it is an influential school

unemployment remains high. Reason: most of the unemployed are unskilled, or only semi-skilled. Industry's need is largely for highly skilled men. In some fields, there is a serious shortage of first class mechanics. Even a great rise in industrial output is not expected to solve the unemployment problem. Both Mr. Roosevelt and Mr. Willkie seem convinced that unemployment relief must remain a permanent governmental activity.

The Low Down FROM HICKORY GROVE

Susie and I, we are getting ready to build a house. Two people in a big house rattle around like in a barn, so we decided on one that is kinda small — along simple lines. But our idea of simple architecture got us into difficulty. You can't find a simple design — you only find them chrome plated and ivory trimmed.

But we wanted something with less glare — so we had to skir-mish. And also we had to scare up more coin. And that is what I want to tell you about.

Down on the rolling Potomac they been saying that a banker is not such a hot citizen, but I dropped in at our bank anyway. And I sidled over and I says to the feller there, I am building a house and need 12 hundred dollars. And Mr. Paxton — he is the banker — he says, Come right in, and couldn't you see, he says, 24 hundred versus 12 hundred? It almost floored me. And also, he says, do you know anybody else, wanting money?

This talk about bankers being hard citizens is baloney — and not so. Anyway it is not so with Joe Paxton, here at our bank.

Yours with the low down,
JO SERRA.

10,000 Wheat Farmers Certain To Harvest Crops In 1941

COLLEGE STATION — More than 10,000 Texas wheat farmers are certain to harvest a crop in 1941.

For that many producers signed applications for all-risk wheat crop insurance before the August 31 deadline, insuring their crops against drought, wind, hail and all other unavoidable hazards.

Although the number of producers insuring their 1941 crops was slightly less than took out insurance on the current crop, the total coverage in bushels and acres will equal, and possibly surpass, the coverage for this year. E. R. Duke, state crop insurance supervisor with headquarters at Amarillo, reports. No compilation is available yet on the 1941 total coverage.

Meanwhile, indemnity payments on the 1940 insurance contracts are practically complete, the supervisor said.

"but one ISM in America—and that's AMERICANISM"

—Texas Press slogan.

Here's The Draft In A Nutshell

16,500,000 men 21 to 35 years old, inclusive, must register on Oct. 16 for military service, the President announced Monday.

75,000 are expected to be mustered into service in November for a year's training. A total of 460,000 conscripts are due to be in training early in January, 1941, others later. The bill places a 900,000 limit on the number of conscripts in the army at any one time.

Exemptions and deferments to be granted to men with dependents, ministers, theological students, men in essential occupations, certain government officers, aliens, the physically unfit and conscientious objectors. The latter are liable for non-combatant training.

\$400,000 CABLED BRITISH RAID VICTIMS

HALF MILLION GARMENTS, AMBULANCES AND OTHER EQUIPMENT READY

WASHINGTON, D. C. — To aid air raid victims in London and other British cities, the American Red Cross cabled 100,000 pounds (\$400,000) to its committee in London, Chairman Norman H. Davis announced.

In response to an urgent appeal from the Lord Mayor of London for funds to relieve the distress in London and immediate vicinity, the Red Cross instructed its London committee to turn over 50,000 pounds (\$200,000) of today's grant to the Lord Mayor's Fund. The committee will use the balance of the 100,000 pounds to provide relief to the victims of bombings in other British cities, Mr. Davis said.

Meanwhile the American Red Cross move swiftly to ship 500,000 articles of clothing and ambulances from its Jersey City, N. J., warehouse to meet growing needs among the civilian population.

Garments to be shipped include the following: for men and boys, trousers, 120,000; overcoats, 60,000; underwear, 60,000; for women and girls, underwear, 60,000; boys' and girls' shoes, 20,000; layettes for infants, 17,000; girls' dresses, 22,000; women's dresses, 17,000; boys' shirts, 6,500; men's socks, 15,000; men's sweaters, 15,000; knitted caps, 3,000; boys' sweaters, 40,000; women's sweaters, 4,000; hospital bed

shirts, 16,000; operating gowns, 7,500; convalescent robes, 8,000; surgical dressings, 1,500,000.

The following materials requested for immediate aid of the homeless also will be supplied: 10,000 boots and shoes and leather material for shoe repairs; 50,000 yards of woolen material for dressing gowns; 150,000 yards of material for underclothing; 10,000 yards of flannel for boys' shorts; 25,000 slickers for men, women and children; 5,000 overalls for men and 10,000 men's and boys' windbreakers.

JR. H. D. CLUB MEETS WITH MARY WALLACE

The Jr. Clarendon Home Demonstration Club met Thursday, Sept. 12, in their regular meeting in the home of Mary Wallace with Marie Patterson as co-hostess.

The meeting was called to order by President Mary Wallace and it was voted to quilt for Jenny Burch. Roll call was answered with the monthly report and the rest of the afternoon was spent in fancy work and conversation.

Refreshments were served to Mesdames Grace Ayers, Alice Bain, Ailene Bain, Mattie Ball, Jenny Burch, Lucille Ches-shir, Hattie Pa'mer, Virginia Schull, Mary K. Todd, Dolly Wilson, Mozelle Wright, Hazel Lusk and the hostesses.

The film was directed by Robert Z. Leonard and produced by Hunt Stromberg, who made "The Great Ziegfeld," "Maytime" and "The Firefly," among other hits.

Authority also was cabled for the purchase in London of twelve mobile canteen units of eight vehicles each for use in feeding civilians driven from their homes by air raids. In addition twenty-five station wagons for use as hospital auxiliary trucks, now are en route to England to be delivered to the British Red Cross.

Two Great Stars In Witty Comedy On Pastime Screen

Another famous romantic classic has been brought to the screen in "Pride and Prejudice," picturization of Jane Austen's gay comedy, starring Greer Garson and Laurence Olivier, which comes to the Pastime Theatre for an engagement of two days, Wednesday and Thursday, September 25-26.

Teaming two Academy Award nominees of last year, the amusing story deals with the romance of Elizabeth Bennett, eldest of five unwedded daughters living in a small provincial English town, and Darcy, handsome, wealthy young aristocrat, who comes to town as a visitor. Mrs. Bennett, the girls' fluttry mother has her cap set for any eligible bachelor who comes within her vision. Darcy falls in love with Elizabeth, but can't stand her family. But Darcy finds that family pride is not nearly so strong as love and in the end comes to the rescue when Elizabeth's sister Lydia, runs away with an adventurer, Wickham. This brings Elizabeth and Darcy together again.

One of the season's most notable supporting casts is featured in the film, headed by Edmund Gwenn and Mary Boland as Mr. and Mrs. Bennet, Edna May Oliver as the crochety Lady Catherine de Bourgh and Melville Cooper as her stuffy librarian, all highlight comedy roles. The sisters of Elizabeth are charming Maureen O'Sullivan as Jane, Ann Rutherford as Lydia Marsha Hunt as Mary and Heather Angel as Kitty. Others in the cast include Bruce Lester as Mr. Bingley, Frieda Inescort as Miss Bingley, Edward Ashley as Wickham, Karen Morley as Charlotte and E. E. Clive as Sir William Lucas.

The average salary of an air-line pilot is \$600 per month — of co-pilots, \$190 to \$350 per month. Aviation executives are largely drawn from the ranks of veteran pilots.

Where can a better opportunity be found?

Young men who meet these qualifications are invited to see or write Corporal Harvey M. Gist, the U. S. Army Recruiting Representative at Pampa, Texas.

Army Flying Cadets Assured Job After Graduation

Not only does the Army take care of the flying cadet during his months of training, and pay him \$75 per month in addition, says Corporal Gist, but it assures him a job for at least three years after graduation. Upon enlistment as a flying cadet, the applicant is required to complete another agreement with the Government, in addition to the one about remaining single during his course of instruction. He must agree to serve three years as a second lieutenant, Air Corps Reserve, on active duty with the Army Air Corps. During his three years active duty, the Air Corps Reserve officer receives a minimum salary of \$205.50 per month, in addition to his house.

If quarters are not furnished a cash allowance for rental suitable to his grade is added to the officer's pay. During this period, he serves with tactical units of the Air Corps, and has an opportunity to observe all phases of aviation at close range. During this period, also he builds up his flying time. A total of 1200 hours flying time qualifies the pilot for a rating from the Civil Aeronautics Authority as an airline transport pilot.

After seven months training as a flying cadet, and three years active duty as a second lieutenant, the Air Corps Reserve officer is promoted to the rank of first lieutenant, and released from his obligation to serve further with the Government. At that time he is paid the lump sum of \$500 in addition to any other pay or allowances that may be his due. A total of three years and seven months time has been required to obtain the most thorough flying training available at any price.

After release from the Army, the pilot is free to seek private employment in the field of aviation. Qualified pilots are everywhere in demand. Civilian airlines are growing, and the limit of their growth is not in sight.

Bachelors Wanted, As Flying Cadets In U. S. Army

Fort Sam Houston, San Antonio, Texas, September 11, 1940 (Special) — Bachelors wanted! One of the qualifications for enlistment in the Army as a flying cadet, according to Corporal Harvey M. Gist, the U. S. Army Recruiting Representative at Pampa, Texas, is that the applicant be unmarried. Not only must he be unmarried, but he must agree to remain unmarried during his period of training as a flying cadet—a period lasting just seven months.

Besides bachelorhood, other qualifications for enlistment as a flying cadet are not too rigid. Briefly, they are:

1. Age — 20 to 26 years inclusive. Applicant must have passed his 20th birthday and must not have reached age 27.

2. Education — Applicant must have earned at least half the credits required for a degree at a recognized college or university. If he has not earned such college credits, he can take an examination covering work of similar nature.

3. Physique — Of course it is necessary that the applicant be sound of wind and limb, and that he be a male citizen of the United States. Contrary to some reports, it is not necessary to be a superman in order to pass the physical examination for enlistment as a flying cadet.

ELECTRA MAN FINED IN J. P. COURT HERE

Joe Wilson of Electra was fined \$12 in Justice court here Saturday on a charge of drunkenness following an automobile accident on highway 18. Wilson's car overturned Saturday afternoon three miles south of Jericho, according to Sheriff Guy Pierce who arrested Wilson.

Thirty nine great rainstorms have occurred in Texas since 1891. Probably the greatest in Texas history occurred from September 6 to 10, 1920 at Taylor, where 17 inches were recorded the first day and 13 the second day, for a total of 30 inches in two days.

1. Age — 20 to 26 years inclusive. Applicant must have passed his 20th birthday and must not have reached age 27.

2. Education — Applicant must have earned at least half the credits required for a degree at a recognized college or university. If he has not earned such college credits, he can take an examination covering work of similar nature.

3. Physique — Of course it is necessary that the applicant be sound of wind and limb, and that he be a male citizen of the United States. Contrary to some reports, it is not necessary to be a superman in order to pass the physical examination for enlistment as a flying cadet.

NAVY TO RECRUIT AT AMARILLO ON SEPT. 25-26

Chief Printer Ray Lokey of the United States Navy recruiting Station, Wichita, Falls, was in Clarendon Monday in connection with advance publicity for a Navy recruiting party which will be in the postoffice at Amarillo, Sept. 25 and 26, 10 a. m. to 4 p. m., for the purpose of accepting applications for enlistment in the U. S. Navy and to furnish information and literature to all interested in the naval service.

A quota of 160 enlistments for the month of September has been assigned the Dallas Navy Recruiting District which includes this county.

Age limits for the first enlistment in the U. S. Navy are from 18 to 31 years. Proof of place and date of birth must be furnished. Parents' consent must be obtained for enlistment of those under 21 years of age. Men with criminal records or dependents are not accepted for en-

IN APPRECIATION
To all who were so kind and thoughtful to us during our recent bereavement, may we express our sincere gratitude and appreciation.

THE HARDY CHILDREN.

Mrs. Eva Draffen is spending this week in Amarillo visiting her sister, Mrs. L. Walker.

White men are enlisted as apprentice seamen and transferred to the U. S. Naval Training Station, San Diego, Calif., where they receive a period of training before further transfer to trade schools or ships of the U. S. Fleet.

Applications for commissioned rank in the Naval Reserve are being accepted from men between the ages of 19 and 27 who have two or more years college credits. Ex-navy men up to the age of 50 are also being enlisted in the Naval Reserve at rating in which discharged. All applications for enlistment in the Naval Reserve should be made direct to Navy Reserve Recruiting Station, Room 421, Post Office Bldg., Dallas.

PIONEER CHURCH LEADER DIES HERE FRIDAY

FUNERAL SERVICE FOR DR. HARDY HERE FRIDAY—BURIAL AT SWEETWATER

"A prince has fallen." Death came quietly to a pioneer minister and leader of the Methodist Church in West Texas, early Friday morning, when Dr. George Sam Hardy, passed away at the home of his daughter, Mrs. Mary Allensworth after a lingering illness of many months. Dr. Hardy was in his 79th year at the time of his death, and is mourned by the entire community here where he had lived for the past several years, and by thousands over the Panhandle and West Texas where he labored so conspicuously for his church.

Funeral services were held Friday afternoon at 4 o'clock in the Methodist Church conducted by Rev. E. D. Landreth, a former pastor, who now serves Lama. Assisting were Rev. Geo. T. Palmer, district superintendent of the Clarendon district; Rev. H. C. Gordon, local pastor, and Drs. W. M. Pearce, Pampa; and Will C. House, Amarillo. In the audience were many other brother preachers of the Methodist Church from over the Panhandle country, and ministers of other denominations.

Mrs. E. D. Landreth sang the old hymn, "I'm Going Home To Die No More," a great favorite of Dr. Hardy.

Rev. Landreth's tribute to the deceased was a most touching and intimate one, as from a son in the Gospel, and a friend to one held in highest veneration.

The body was returned to the Allensworth home where it lay in state until seven o'clock Saturday morning when the cortege departed overland for Sweetwater, where another service was held and the body laid beside that of his wife, who preceded him in death in 1915.

Pall bearers here were: Lee Holland, J. T. Patman, J. R. Porter, Sam M. Braswell, W. W. Taylor and Chas. Lowry. In charge of the lavish floral offering were Mesdames U. J. Boston, B. F. Kirtley, Powell, Thornberry, Thelma Bennett and Bess Srickland.

At the Sweetwater service Dr. J. O. Haynes was in charge, assisted by Revs. E. B. Bowen and Sam Young.

Dr. Hardy was born at Russellville, Ky., on Feb. 24, 1862, and lived there with his parents until 1882 when ill health brought him to Central Texas where he studied law while recovering his strength. He practiced law for two years at Burnett, Texas, and served an unexpired term as county attorney by appointment. He was elected mayor of Burnett and served until the Fall of 1887, when he joined the old Northwest Texas Conference of the Methodist Church at Fort Worth, having been licensed to preach in 1886.

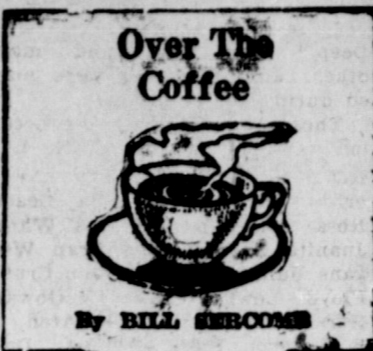

Then began a distinguished service to his Lord and his church which lasted forty-five years and carried him from points in Central Texas to the outposts of civilization in the Panhandle and West Texas territory. Dr. Hardy served pastorates and presiding-elderships at Margaret, Quanah and Childress, Clarendon, Plainview, Sweetwater, Chillicothe, Snyder and had a large and directing part in planning the extension of his church and Christianity in the vast region North of the T. & P. Railroad and West of the Santa Fe. He proved himself a church statesman and one of the wisest leaders it has known in the last fifty years.

Dr. Hardy served as pastor of the Clarendon Methodist Church, presiding elder of the Clarendon District, president of Clarendon College, and saw the territory embraced by the early-day Clarendon District formed into other strong districts like Amarillo, Perryton, Plainview and part of Lubbock. He was sent as a delegate to the General Conference of his church four times, twice as leader of the conference delegation. He was trustee of Clarendon College, Southwestern University, McMurry College and a member of the Founders Club of SMU.

In recognition of his long and distinguished service McMurry College awarded him the Doctor of Divinity degree many years ago. He was a great scholar and a wide general reader up to a few weeks before his death.

As a Christian he was a stalwart ever impressing his sincerity and bright faith upon those with whom he came in contact. He was a man of friendly contacts and numbered his friends by the thousands in all walks of life, young and old, alike.

Truly one of the great men of the formative days of this section of life, and has gone to receive a lavish welcome from the Hea-

Clarendon's High School Bronchos have been put on the spot. They've been picked as the ones to cop the 3-A district football crown.

There's nothing like being marked for a target and having everybody shooting at you, and that's exactly the way the Ponies fit into the grid picture.

What can they do about it? Nothing, but get in there and play football — and play like champions every time.

After what we've heard and read about other 3-A teams and prospects to date, we're riding with the Bronchos and staking our last lead nickel they'll be at the top of the heap when the work's all done this fall.

Norman Thomas, socialist candidate for president, scored Mr. Willkie's speech-making and said that neither he nor President Roosevelt could save the American democratic form of government. Looks like a job for Gracie Allen!

Willkie failed to impress this column with his speechmaking and we're inclined to believe Norman Thomas' statement that Willkie had more votes before he started speaking.

An Italian newspaper, Mussolini's mouthpiece, said this week that Hitler might put off his invasion of England until next year at a time when the sacrifice of lives would be lessened. We don't put any faith into what the Italians say, but we do think Adolph had better get going now before next year for twisting that Lion's tail then will be like wrestling with a 150-mile an hour hurricane.

The American Legion on the 18th district has gone on record of requesting Congress to stay in session until laws can be made to curb the activities of enemies working within the nation.

The Legion is right, America must do away with the danger that makes her an easy target for the enemy from without.

Mrs. S. L. Joekel and son, Sam Jr. and Robert Charles, spent Tuesday and Wednesday of last week visiting in the home of Mrs. Homer Glascoe en route from California to their home in Austin, Texas.

Mr. and Mrs. A. S. Talliferro of Dallas, spent the week-end with the latter's sister, Mrs. Dick Allen.

REV. G. S. HARDY, D. D.
A Tribute By
J. Sam Barcus
Archer City, Texas

Sam Hardy was my friend. Our friendship began in our early ministry when he was pastor at Quanah and Childress and I was pastor at Clarendon.

He baptized our daughter, Annie Edward. It was he that urged me to accept the presidency of Clarendon College. He was the one who took over the College when I was transferred during the school term to the Corsicana church. After his superannuation he often expressed the wish that I might transfer and come to Clarendon and be his pastor.

His was a many-sided ministry. He served on missions, stations, districts, and was college president and director of superannuate work. For more than half his ministry he was on districts. The bishops wanted him in the cabinet. He knew the preachers and the appointments of the conference and his judgment was sought and trusted.

I said in the opening sentence that Sam Hardy was my friend. I now say that he is my friend. On September 12, he reached the point where life lets go and life begins. He is now a member of that increasing group each one of which I name as "That friend of mine who lives with God."

Surviving him are Mrs. M. R. Allensworth, Clarendon; Mrs. Ben Smith, Plainview; Sam Hardy, Houston; and Louie Hardy, Stamford. Three brothers also survive; Rev. Ben Hardy, Tahoka; Chas. Hardy, Brownwood; Paul Hardy, Fort Worth.

To the family go the sincere condolence of thousands of friends.

SIX-MAN FOOTBALL SEASON TO OPEN AT GROOM

GROOM — The Groom Tigers open their 6-Man Football season at home against the hard hitting squad of Dodson, Friday night, Sept. 20th, at 8. After a practice scrimmage with Kelton last Friday the Tigers are ready to meet one of the strongest teams from District 5. The Tigers will be in excellent condition, excepting the loss of Ebey Clark due to injury last Friday.

The Dodson team, coached by Blake Lyde, former Buffalo captain, has already defeated the strong Williams high school, winner of District 5 last year. This makes the Dodson boys the favorite over Groom. Groom, winner of the Panhandle 6-Man League last year, will be playing with a first string made up of lettermen left over from last year. Only three starters were regulars from last year.

Coch Butch Clark's probable starters for the Dodson game will be: Troy Whately and Austin Crowell, ends; Joha Angel, center; John Townsend, quarter; Kenneth Black, half; and Jack Kuehler fullback. Reserves are: G. C. Whately, Tim Gibbens, Glen Whately, Kenneth Burns, Art Britten and Lighting Smith.

The Tiger 1940 schedule is: pt. 20 — Dodson at Groom. Oct. 26 — Price Memorial College at Groom.

Oct. 3 — Happy at Groom*
Oct. 11 — Dodson at Dodson.
Oct. 17 — Vega at Groom*
Oct. 25 — Adrian at Adrian*
Oct. 31 — Alarred at Groom.

*Conference games
All home games will be played under the lights of Fireman's Field at Groom. All, except the Dodson game, will be played on Thursday nights in order to permit the local fans to go to the games of the larger surrounding schools on the week-ends. Likewise, it is hoped that the fans from the surrounding towns will find it convenient to come to Groom on Thursday nights.

FORMER DONLEY TEACHER HEADS SHOW CASTING
LUBBOCK — Several hundred Texas Tech students and faculty members will take part in the Coronado Entrada which will be presented nightly at the South Plains Fair in Lubbock, September 30 through October 5.

Over 300 persons are in rehearsal at present, Miss Ruth Pirtle, head professor of speech at Tech and chairman of the casting committee said. Miss Pirtle is a former instructor in the Clarendon College. Lubbock is one of two Texas cities in which the \$200,000 pageant, sponsored by the U. S. Coronado Exposition Commission, is being presented this year.

The Lubbock presentation, the nineteenth production, concludes its appearance in three of the six states for which it was planned. Shows have been given in Texas, New Mexico and Arizona this summer and the pageant will be presented in Oklahoma, Colorado, and Kansas next season.

Parts of several of the 30 principal characters will be taken by local persons, Miss Pirtle said. All pantomime parts in the 18 scenes are played by local characters. These include Plains,

Pueblo, and Aztec Indians, ladies in waiting, foot soldiers, villagers, fiesta girls, and 50 riders. Costumes worth \$18,000 will be worn in the production.

These were designed by Lucy Bartin of the Traphagen School of Design in New York. Elaborate scenery and stage lighting will be manipulated by professional stage hands.

J. Doyle Settle, field representative for Texas Technological College, is general coordinator for the production. Other members of the casting committee are Miss Anna Jo Pendleton, Tech speech professor, Dr. W. C. Holden, dean of archeological and anthropological research, Mrs. Johnne G. Langford, head professor of physical education for women, Charles Maedgen, president of the Lubbock Community Workshop, and Jack Stone, scout executive. The pageant is sponsored locally by the West Texas Museum and the South Plains Fair associations.

New Wheat Contest Is Being Held At Tri-State Fair

AMARILLO — Through the cooperation of the Texas Wheat Improvement Association, a Special Wheat Milling and Baking Contest is being held in connection with the Tri-State Fair at Amarillo, Texas, on September 16-21. This contest is similar to contests previously held at Oklahoma and Kansas State Fairs as well as at the International Grain and Hay Show. The purpose of such a Contest is to stimulate interest in the utility value of wheat. The utility value is not portrayed by the external appearance of wheat and is only portrayed by actual milling and baking tests.

One gallon samples of hard red winter wheat grown in the 1939-40 crop season are entered in this Contest. The samples are entered under one of four variety classes; namely, Turkey type, Blackhull, Tenmarq, or miscellaneous variety class. The samples will be placed within each variety classification on external appearance within each variety classification will then be filed

and baked. The samples having the highest combined score will receive the first prize, etc.

SOCIETY

MISS JUNE POWER

NEW METHODIST SOCIETY IS ORGANIZED

The ladies of the Methodist Church met Wednesday, Sept. 11, in the Methodist Church for the purpose of organizing a new Christian Society called Women's Society of Christian Service.

The meeting was called to order by the Rev. H. C. Gordon, pastor of that church, and the song "Faith of My Father's" was sung, after which a temporary secretary was elected, Mrs. Carl Bennet, and a reading "The New Day" was given by Mrs. Elba Ballew. The secretary then read the purpose and plan of the new organization.

During the enrollment ceremony, the ladies were divided into six groups. Mrs. Nathan Cox seated at a table facing the audience, recorded the names of those who enrolled. As each group was brought forward for enrollment, a chorus composed of Jane Williams, Elizabeth Gordon, Ruth Palmer and Mrs. Clarence Whitlock sang hymns. As they enrolled each member was presented with a card which signified charter membership. Forty-five enrolled.

Officers elected were Mrs. Nathan Cox, president; Mrs. G. T. Palmer, vice-president; Mrs. Clarence Whitlock, recording secretary; Mrs. Joe Holland, treasurer; Mrs. Elba Ballew, secretary of study.

The names of the enrollees are: Circle I, Mrs. H. C. Gordon, Chairman; Mrs. Lon Rundell, vice-chairman; Mrs. U. J. Boston, study supt.; Mesdames J. H. Hurn, M. S. Parsons, Carrie SoRelle, Jessie Patchin, Cap Morris, E. Mozler, Griggs, Carrie Weidman, R. Y. King, W. C. Thornberry, A. L. Thornberry, Barcus Antrobus, Homer Bones, Dave Johnson, Blanton, Edwin Baley, W. H. Strawn, L. L. Taylor, Fred Johnson, W. A. Davis, J. A. Howard, Will Johnson, Haskell Kemp, A. L. Forch and Miss Elizabeth Gordon.

Circle II, Mesdames Cal Merchant, Clarence Whitlock, S. T.

Sayre, Joe Holland, W. C. Slater, Elba Ballew, H. T. Warner, G. W. Antrobus, Sam Braswell, C. W. Lowery, O. L. Fink, C. W. Bennett, Jr., J. W. Bulls, R. T. Brown, J. C. Estlack, J. M. Bass, F. G. Patching, Mary Stegall, Pauline Schull, Susan Dillard, W. D. Hudson, J. W. Jefferies, C. B. Ingram, Davis, Acord, Lydia Drew, and R. E. Morris.

Circle III: Mrs. T. H. Stewart, Jr., chairman; Mrs. Victor Smith, vice-chairman; Mesdames Jess Adamson, M. R. Allensworth, Charley Bairfield, C. A. Burton, Fred Buntin, W. T. Clifford, L. F. Bones, Harry Blair, L. Ballew, A. C. Donnell, Thomas Eanes, John Gillham, Tom Goldston, Halle, C. D. McDowell, J. T. Patman, Annie Park, L. B. Penick, Bill Ray, T. M. Roach, Paul Shelton, Lester Schull, Walter Wilson, Fontayne Elmore, Miss Anne Bobo, and Miss Lottie Lane.

1926 BOOK CLUB MEETS AT HOBBY BUFFET SUPPER

The 1926 Book Club met Tuesday night on September 17, in the Women's Club Room at 7:00 in the form of a Hobby Buffet Supper, with Mesdames Edith Ballew, Jo Knorpp, and Sammie Stewart as hostesses.

The program was opened by Mrs. Evadna Cox who gave a very interesting talk in "Federation Work, My Hobby" followed by each member in turn responding with her individual hobby. During the course of the evening various members displayed their hobbies such as metal work, wood carving, quilting, etc.

The meal which was furnished by the members who each brought a covered dish was then served to Mesdames Thelma Bairfield, Thelma Bennet, Virginia Bryan, Evadna Cox, Edith Ballew, Jo Knorpp, Janie Lowery, Edyth Maher, Lena Morris, Lau-

ra Penick, Jenny Dale Porter, Cloeal Ray, Luma Smith, Lella Mae Smithy, Sammie Stewart, Dorothy White and Miss Lucille Polk.

MRS. SILVEY ENTERTAINS OLD FRIENDS

Mrs. W. R. Silvey, an old time resident of Clarendon and now of Oklahoma City entertained a number of her friends here Monday evening, Sept. 9, with a theatre party at the Pastime Theatre.

After the show, Mrs. Silvey took her guests to Norwood's Pharmacy for refreshments. Those attending were Mesdames W. M. Patman, Lollie Bagby, E. W. Bromley and son, Jack, J. T. Patman, W. B. Sims, Eva Draffen, R. A. Chamberlain, Carroll Knorpp, John T. Sims, W. H. Patrick and Miss Nettie Sims. Others invited were Mrs. B. W. Chamberlain and Mrs. James Trent.

(Corrected from last week's issue.)

RANCH HOME IS SCENE OF STEAK FRY

Winks Adams gave a tempting steak fry at his ranch home last Thursday night for several of his Clarendon friends. Those present were the Mesdames Elizabeth Herndon, Beatrice Dickey, and Lucretia Maner, Earnest Kent, and Thompson Wright.

1930 NEEDLE CLUB MEETS WITH ALICE BAIN

The 1930 Needle Club met Tuesday afternoon, September 17, in the home of Mrs. Alice Bain. The afternoon was spent in the exchanging of polyania gifts and, conversation and fancy work.

The hostess served a salad course to two guests, Alene Bain and Mattie Ballew and to members, Nora Decker, Josie Peabody, Maggie Hunt, Mozelle Wright, Marie Patterson, Frances Hilliard, Marguerite Carpenter, Gracie Ayers and Ellen Bryan.

LEILA LAKE SOPHOMORES ENJOY PICNIC

The Sophomore Class of Leila Lake High School motored by car to the Finch Ranch seven miles south of Hedley for a picnic and watermelon feast Friday evening, Sept. 13. Games of "Flying Dutchman," "Three Deep," "Dare Base" and many other running games were played during the evening.

Those who enjoyed the occasion were Martin Ann Clark, Lois Reynolds, Frankie Wood, Katherine Grimsley, Geneva Leach, Rosa McGowan, Lou Ella White, Juanita Gregory, and Oran Wiggins, James Clark, Meldon Cruise, Floyd Lewis, Tom McGowan, Hershel Swinney, L. D. Aten, J. F. Johnson, S. L. Swinney, Dole Allen, Billie McGowan, and Edd Floyd.

Accompanying these youngsters were their sponsor Leroy McDaniels, and Miss Doris Davis and Leota Rampy as guest.

KILL KARE CLUB ELECTS NEW PRESIDENT

The members of the Kill Kare Klub were entertained Thursday afternoon, Sept. 12, in the home of Mrs. Sam W. Lowe.

During the course of the afternoon Mrs. Eugene Noland was elected for the clubs new president and was presented with a corsage and basket of pink daisies by the out-going president, Mrs. J. R. Bartlett.

Refreshments were served to three guests Mesdames W. R. Silvey of Oklahoma City, B. L. Jenkins, Sr., and Fred Cook, and members, Mesdames J. R. Bartlett, Eva Draffen, Lon Rundell, Homer Mulkey, Leck Goldston, W. A. Massey, Buel Sanford, Henry Williams, W. A. Land, and Misses Ida and Etta Harned.

Y. W. A. MEETS MONDAY AT BAPTIST CHURCH

The YWA met at the Baptist Church, Monday afternoon, Sept. 16. A devotional on prayer was given by Lorene Gunter.

The Y. W. A. planned to study a book "Stewardship in the Life of Women." All girls are urged to be present Monday at four o'clock p. m. when the Y. W. A. meets again.

B. P. R. CLUB ENJOYS STEAK FRY IN CITY PARK

Members of the B. P. R. Club had a picnic Tuesday evening, Sept. 17, in the nature of a steak fry in the City Park. No games of 42 were played according to the usual custom, but conversation and a business session completed the evening activities following the bountiful spread.

Mrs. J. R. Porter was elected president in the business session. Those present were Mr. and Mrs. C. C. Powell, Mr. and Mrs. H. T. Burton, Mr. and Mrs. Sam M. Brazwell, Mr. and Mrs. Louie Thompson and Mr. J. R. Porter.

PATRIOTIC PAGEANT AT PARK MONDAY NIGHT

A community pageant sponsored by the MacDowell Club entitled "America's Unfinished Battles" will be presented in the City Park on Monday evening at 7:15 p. m., Sept. 23rd.

The pageant will be preceded by a short concert by the band and the band and MacDowell Club Chorus will give the music incidental to the action of the Pageant. The Reader will be Miss Anna Moores and she will represent America. Patriotism will be presented by Mrs. Geo. Bagby and service by Mrs. Nathan Cox. A large number of citizens are included in the cast and the community is cordially invited and urged to attend. The Pageant Committee form, the MacDowell Club are Mrs. Jim McMurtry and Mrs. Boston and are assisted by Band Director, Robbins in arranging the music. The audience will be asked to join with the Pageant cast in singing The Star Spangled Banner and God Bless America.

The MacDowell Club had chorus rehearsal at the home of Mrs. Jim McMurtry Monday afternoon at 5 p. m.

GARDEN CLUB GUEST OF MRS. U. J. BOSTON

The Garden Club members had their regular meeting Monday afternoon, September 16, 1940 with Mesdames Boston, Bromley and Noland as hostesses in the home of Mrs. U. J. Boston.

Bowls of pink roses and dahlias were used throughout the party rooms.

During the business session, Mrs. Lee Holland was elected president, Mrs. Marvin Warren was leader of the program conducting a clever tree contest.

A delightful story of "The Gale Trees" of New Harmony, was given by Mrs. George Ryan. Suggestions for useful tree pruning, was discussed by Mrs. Mae Pre-witt.

The hostesses served a dainty refreshment plate to eighteen members and Mesdames Hoy, John Bass and Frank White, Jr., as guests.

Mrs. W. R. Silvey, former Clarendon resident spent several days visiting here in the W. B. Sims home. She left Tuesday night to visit her daughter in Amarillo before returning to her home in Oklahoma City.

LIBRARY BOOKS BOUGHT FOR 1940

We have a number of new books in our library for the 1940-'41 school year. Several of these are biographical to some extent.

Richard Halliburton's, "His Story of His Life's Adventure" is an unusual form of autobiography taken from the letters which he wrote to his parents. "Polish Profile" by Princess Paul Sapieha is an intensely personal story of six years in the life of a young American woman told against the background of

away of life which has now ended. "Failure of a Mission" by Sir Neville Henderson, British Ambassador to Berlin from 1937 to 1939, reveals for the first time in dramatic detail the entire story of the coming of the Second World War. Emil Ludwig's "Roosevelt" is a penetrating study of the most controversial figure in American History since Lincoln.

Among our newest fiction we find the seventh and latest Jalna book, Mazo de la Roche's "Whiteoak Heritage," "Disputed Passage," with Lloyd C. Douglas as its author needs nothing more to recommend it as an excellent work of fiction. Those who like the ranch history of our State will enjoy "Cattle Kings of Texas" by L. C. Douglas.

Movie editions of the following novels are now in the library: "Escape," "Pride and Prejudice," "All This and Heaven, Too," and "My Son, My Son!"

"Choice Readings" by Cumneck is a good collection of poems and monologues for all occasions. "Famous Songs and Their Stories" by James J. Geller contains words and music for fifty five famous popular songs along with the stories of how they came

to be written. "Red Letter Days" by Elizabeth Sechrist is a book of holiday customs. New in our drama section are the following: "Footlights Up", by L. Housman! "Assembly Room Plays", by A. P. Sanford; "School Plays" by M. D. Barnum; and "Around the Calendar

Plays" by I. Moore. We also have two new reference books: 1940 World Almanac and 1940 Who's Who in America. Mr. and Mrs. Whitefield Carhart of Greenville are visiting in the F. E. Chamberlain home.

A GIRL'S IDEA OF FOOTBALL WORKOUT

If you've never seen the football boys in a workout you should!

Boys! Boys! Boys! Everywhere! Boys running around the field! Boys standing talking! Boys kicking the balls! Coach James arriving on the field and they all go in a huddle. Everyone is talking at once.

They're beginning to warm up. Everyone is jumping up and down. Coach included. More exercises and late ones coming on the field. They're all limbering their legs. Up again and want to start playing. They're down at the east end and start throwing passes. Coach Warden's late but he's coming in now. So they're really beginning their workout!

Tackling! Throwing passes! and a million other things it seems! They are really getting their training.

If they only do as well as the team did in '36! The score at the end of the season was 169 of the 46 of the out-of-town teams. And I'm sure this year will be near this so get ready to meet the "District Champions!" We're for them!

COLLEGE PRESENTS ASSEMBLY

On Friday 13, the assembly program was presented by the college.

After making a few announcements, Mr. Drennan led the group in singing "God Bless America" and "Battle Hymn of the Republic."

With Eugene Putman, college president, in charge of the following program was presented:

1. Fatal Quest — a melodrama by Freshman boys.
2. "Indian Love Call" and "Darkness on the Delta," piano solos by Von Bates.
3. "Beautiful Dreamer" — Violin solo — by Callie Mae Gunter.
4. "The Man Who Shot His Wife" — reading by Rebecca Eanes.
5. "Doll Dance," piano solo, Francis Hott.

Announcements by Mr. Burton and Mr. Drennan closed the assembly.

COLLEGE MEETING

A college meeting was called the fourth period Monday to decide on the sponsors for the college classes. Those nominated and voted on were Mr. Drennan, Miss Hall, Mr. Burton and Mr. Warden. Mr. Drennan and Mr. Warden were chosen as the sponsors. A motion was then made by Ruth McDonald to have a picnic. The motion carried unanimously and the date was set for Monday evening at five o'clock, to go to Lake McClellan. The president appointed a committee, consisting of Johnny Leathers, Millard Miller and O'Dell Davis to provide for the transportation. Bertha Mae Thomas, Mrs. Warden and Marie Watkins were appointed to see after the food. After the picnic had been fully discussed, the president dismissed the meeting.

PUBLIC SCHOOL MUSIC OFFERED

Public school music, one of the courses available to CJC students this year, is taught by Ray Robbins.

To give those who have never had any music a clear understanding of its rudiments, it is necessary to start with the most simple ideas of music. In the first few lessons some topics studied were rhythm and its two different times. A study of the lines and spaces in the three important clefs and time signatures of different types has been made.

This music course is very interesting and educational. It would be of great benefit to anyone interested in the origin of music.

SENIORS RECEIVE RINGS

The Senior Class received their class rings Monday. They are very proud of these rings and think they are the prettiest the

school has ever had.

There was a change in the rings for this is the first year they have ever had sets. Each senior had the choice of a ruby, onyx, sapphire, or solid gold ring. There were three weights so each one could have the right style of ring to fit his hand.

Premiums were received by those who made their order last spring. Different seniors ordered different styles, and all are very pretty.

The Senior class will present the assembly program Friday.

PEP SQUAD NEWS

The pep squad has been working on its yells. The girls also practiced marching and are looking forward to the game at LeFors.

New suits have arrived for the new members who will now be able to take part in the stunt.

There are about thirty members most of whom were in the pep club last year. With addition of the new girls, the club will retain its regular size.

Nina Sloan was elected to be stunt girl with Josie Davis.

HOME ECONOMICS SUMMER WORK COMPLETED

The summers work that was conducted by the Home Making Department has had its final checking. There were seventeen girls who finished the work.

This summer in our class projects, we made machine covers for six machines, a curtain for our Home Nursing room, and curtains for the supply room. Each girl had to learn the short cuts to machine sewing and various embroidery stitches which keep them in their home work.

Sewing and embroidery seem to be the popular advice for the Home Project. We had 86 garments made and one quilt appliqued. Some other girls took yard building or meal planning and preparation or various phases for caring for the home.

Each girl was required to make several book reviews on her particular project.

All students satisfactorily completing the course will receive credit.

HAVE YOU CHOSEN A PROFESSION?

By JACK SIMMONS

Believe it or not there are a few pupils in college who have decided definitely on their career. The most surprising profession was that chosen by Ruth Blackman. She, along with Millard Miller are preparing to practice medicine. In this same field O'Dell Davis and Weldon Warren are going to study pharmacy.

Every doctor has to have his nurse, so Ruby Blackman, Betty Jo Caraway, and Jo Beth Rampey have kindly consented.

As it is true of larger schools, so it is with Clarendon Junior College that the largest per cent of the pupils plan to teach. Billy Lou Gilbert, Pauline Riley and Edna Earle Alexander will teach Home Economics. Francis Hott, and Helena Poovey will teach Math. Callie Mae Gibbs prefer to teach in the grade school.

We are training only one business man that we know of and that is Dan Boston.

Last year we had about five or six preachers enrolled in college and high school, but Wayne Naylor is the only one this year. Wayne plans to take up mission work.

Since Johnny Leathers can raise those champion Herefords he has decided to teach other boys to do the same through the facilities of a county agents office in the near future.

An interesting career is that of Doris Merle Everett who is preparing to be a dietitian.

CLARENDON HIGH SCHOOL BAND

By Helen Porter
 The director of the Clarendon

High School Band is Mr. Ray Robbins. He has been here four years, and has made the band what it is today. When Mr. Robbins came here, there were five people in the band. He has gradually worked us up to fifty five members in the Senior Band. Our music, uniforms, and instruments.

In the whole organization of the band there are two bands. There is the Junior Band which has about thirty members. It also has nine different kinds of instruments. The Senior Band has about fifty five members, and it has thirteen different kinds of instruments.

We have plenty of activity. We go on a lot of trips. Most of them are football games, different kinds of celebrations, and then we have contests. The contest in Plainview is the most important thing of the year because that will tell you how good you are.

I get a lot out of the band. I learn to play my flute and learn about other instruments, too. I get acquainted with different types of music such as classical, popular, and novelty music. I also learn to appreciate good music. Then, on the trips I have taken — I have gone through many towns I had not have seen otherwise. Last, but not least, is character training. I have learned how to be "bossed" and all other things pertaining to that.

JUNIOR CLASS ORGANIZES

The first meeting of the Junior class was held Monday. The following officers were elected: Bacil Kirtley, president; Naomi Morris, vice president; Mariam Gordon, secretary and treasurer; Lesley Wardlow, reporter.

There are about 80 Juniors this year and we are going to make our classes the best Junior class ever known to CHS.

PEP ASSEMBLY FRIDAY FOR LEFORS GAME

Friday, at the third period, there will be a chapel program given by the senior class. The last half of the program will be a pep rally. The band is to play a number of selections consisting of swing and marches.

Some of the numbers will be "Woodpecker Song," "Oh Johnny, Oh," "God Bless America," "Marines March" and others. The pep squad will give a number of yells.

F. F. A. NEWS

On Monday the Greenhands spent most of our class period at Mr. Gillham's house guessing at the weight of hogs. Harold Donnell won a pop by guessing the exact weight of the hogs.

Wednesday, Thursday, and Friday were spent tending to the chickens, getting them ready for the fair. On Wednesday and Thursday we washed and sunned chickens, and put the bands and their numbers on them Friday.

All the agriculture boys have hopes they'll win at the fair.

PRESS CLUB PLANS MONTHLY PAPER

Plans are under way for a monthly paper put out by the Broncho Press Club. This is to be in addition to the weekly sheet in this paper. The subscriptions are to sell for fifty cents per year. Or ten cents a copy.

The press club plans to mimeograph the papers. These papers are to be made up of the school activities.

BAND PRESENTS MOVIE

The Band presented Mr. Bagby's movie Friday night to a very large audience. We made approximately \$45.00 which will be very useful to us. We wish to express our appreciation to those who attended.

All the new High School Band members were very happy Mon-

GIRL'S COLUMN

Dates delectables

If you never know what to order on a date, and long for something new in drinks, try some of these.

If you want to go debutante order buttermilk and fritos.

You get the most for your nickel with a glass of root beer.

If you're the type, who does not mind being different you'll order sweet milk or hot tea instead of a coke sometime.

Black coffee will suffice if you are disgusted with your date.

For a definitely young dame! mood, order a chocolate ice cream soda.

If it's very late, have grapefruit juice and you won't have nightmares.

BIRTHDAY CLUB

We honor George Watson, Calvin Salmon, Claude Barker, and Agnes Chapman as members of this week's birthday club. It seems that many great men and women were born this month.

NEW PLAN FOR TARDIES

At the end of assembly last Friday, Mr. Burton announced that a new plan for treating habitual tardies would be started Monday the 16th of Sept.

During the rest of the school year, any student who has more than three tardies during a six weeks will stay in one hour after school for each tardy.

This plan resulted when various other methods failed to decrease the tardies which seemingly occurred in the same group of students.

day because their uniforms came in time for them to wear them to the Tri-State Fair Wednesday, Wednesday will be Clarendon day and the band is going to be a credit to Clarendon.

Texas Queen

Miss Araceli Sanchez, beautiful young lady of Latin-American descent, who competed in the Queen of Queens contest at the State fair of Texas last year, is entering the Starr county contest again this year. Miss Sanchez is a member of a prominent ranch family of Rio Grande City. She will be escorted about the fair grounds while in Dallas by Mrs. Paul T. Vickers of McAllen, who has charge of the Valley's regional agricultural exhibit.

The heroine of "Goodbye, Mr. Chips" and the star of "Wuthering Heights" join hands in the filmization of the laugh-splashed Jane Austen romance, "Pride and Prejudice," which heads the program on the Pastime screen Wednesday and Thursday, Sept. 25-26. In this scene from the picture Greer Carson rejects a proposal of marriage from Laurence Oliver.

CHEMISTRY CONSIDERS NEW STUDENTS

Welcome, dear Fish to college chemistry or the science which deals with the nature of matter and the changes which matter undergoes. Now a science is the systematic arrangement of observation and the conclusions de-

rived from them, and matter is anything that occupies space and has weight. (Students for example.)

Sounds interesting doesn't it? Have you learned a lot? From the blank look on that freckled

WHY SUFFER Functional FEMALE COMPLAINTS

Lydia E. Pinkham's Vegetable Compound Has Helped Thousands!

Few women today do not have some sign of functional trouble. Maybe you've noticed YOURSELF getting restless, moody, nervous, depressed, or your work too much for you. Then try Lydia E. Pinkham's Vegetable Compound to help quiet unstrung nerves, relieve monthly pain (cramps, backache, headache) and weak, dizzy, fainting spells due to functional disorders. For over 60 years Pinkham's Compound has helped hundreds of thousands of weak, rundown, nervous women. Try it!

TELL-TALE CRACK

When skin between your toes cracks... when toes itch or burn... or white blisters appear... those are signs that you may have caught a fungus infection called "Athlete's Foot." Don't temporize. Act before the fungus spreads. Drench foot with SOROTONE. It is a powerful yet harmless medicinal liquid. Laboratory tests show that SOROTONE kills on contact all the stubborn fungi usually responsible for Athlete's Foot. It helps to soothe and heal the broken tissue. And, except in aggravated cases which demand the attention of your physician, it quickly relieves the itching and the pain. Note trial offer.

Use Doan's Pills. It is better to rely on a medicine that has won world-wide acclaim than on something less favorably known. Ask your neighbor!

THIS BUSINESS OF Living BY SUSAN THAYER

A True Story

Reading history . . . hearing the stories handed down to your own family . . . listening on the radio to episodes from our past . . . have you ever wondered why we built this country so fast? Only a little more than a century and a half since we became a nation! Only 300 years since all there was of it were those few precarious settlements on the Atlantic seaboard! And now? We are the greatest nation in the world with power to lead that world, if we chose!

stimulating than that of the old so that men are necessarily active and intolerant of idleness? Have you ever thought that we are set apart between two great oceans or wonder why we have been so inventive and skillful with machinery? Today, as the old world seems to be destroying itself, the need for a strong, new world, equipped by Nature and her own self-selected people for complete self-sufficiency is apparent. The great role, for which we as a nation have been unconsciously preparing through all of the swift, full years of our history, is not revealed. The part calls for colossal strength, great wisdom, tolerance and hard, persistent work if we are to play it well and realize the destiny which our great past has made possible.

BRONCHOS VS. PIRATES

The Clarendon Bronchos will invade the seclusion of the Lefors Pirates at 8:00 to stamped for 60 thrill packed minutes. The spirit is high, not only among the players but among the entire student body and the citizens of Clarendon.

We have the best prospects that CHS has had in several years. A large part of the glory goes to Coach Warden who last year built the line that held our opponents to a total of only 32 points while they opened holes for a total of 212 points in our favor. To deceive some of the glory this coming season will be assistant Coach James, who, according to the Bronchos, knows his football. The Pirates have already tasted victory by defeating Dumas 25 to 13 last week. That will make them all the harder to stop. The students and the Bronchos know the only prediction can be the Bronchos all the way.

QUESTIONS OF THE WEEK - THE DRAFTBILL

Harold Donnel - 'I hope it doesn't get me.' Basil Smith - "Pretty good thing, but we need airplanes worse." Basil Kirtley - "How much do they pay?" Roy Morrison - "I'd rather be a sailor." G. G. Reeves - "It's all right if we select Wendell L. Wilkie." Ernest Thompson - "I wish I were twenty one." Billy Moreland - "It's O. K. because I am young." Heeln Porter - "Just so it doesn't get Harold." Iva Ruth Gibbs - "It looks like it will never end." Ralph Morrow - "Doesn't know yet." Millard Miller - "Now I can get away from that girl friend." Kitty Ruth Bailey - "Poor Carlton." Carl Hartzog - "It's all right." Gene Putman - "It picks up all the bums." Pearl Derrick - "Doesn't want Bud to go." Johnny Leathers - "I'm not old enough so it won't bother me." Mr. Gillham - "Necessary evil." Jessie Tomlinson - "I don't like it." Rebecca Eanes - "Too hard on the boy friends." Wilson Rector - "Good bye girls." June Miller - "I hope it does not get college boys." James Earl Hott - "It's a pity it can't take girls too." Madlyn Kelly - "I hope it gets Neel Thompson." Frances Phelps - "Do school teachers have to go?"

GRAMMATICAL ROMANCE

You see a girl walking down the street. Her beauty is singular. You ask a friend to present you. He does, and you become dative.

You walk home with her, talking of the future. By the time you reach her home, you are no longer objective about her, but are becoming possessive. Her mother is accusative and her father imperative. Tense with disappointment you leave, feeling that all hope is past.

QWERT YUIOP

PROFESSIONAL PEEPER Carl Morris only goes with M. F. W. on week-ends it seems. Wonder why? Clyde Benton moved down in Amarillo with 24.26 the other day. That was good, just ask him! Try being cute as Downa Smith and you'll be awfully cute. Friday night several things happened in Memphis, not to

Wheat Is Not Just Wheat How Wheat Varieties Differ in Baking Tests

AMARILLO, Spet. 14.—Wheat is not just wheat as most folks believe. There are many varieties. Farmers are learning that varieties vary tremendously in their milling and baking qualities. Farmers are learning that excellent quality varieties such as Kanred, Tenmaro, and Turkey command a preference on the market by grain buyers. Communities having large acreages of the excellent quality varieties consistently have a higher market demand for their wheat than communities having large

AMERICAN BOY IS COMPANION TO THOUSANDS

Hundreds of thousands of boys and young men read THE AMERICAN BOY Magazine every month and consider it more as a living companion than as a magazine. "It's as much a buddy to me as my neighborhood chum," writes one high school senior. "The AMERICAN BOY seems to understand a boy's problems and considers them in such a sympathetic and helpful way. It gives advice and entertaining reading on every subject in which a young fellow is interested. It is particularly helpful in sports. I made our school basketball team because of playing tips I read in THE AMERICAN BOY." Many famous athletes in all sports credit much of their success to helpful suggestions received from sports articles carried in THE AMERICAN BOY Magazine. Virtually every issue offers advice from a famous coach or player. Football, basketball, track, tennis, in fact every major sport is covered in fiction and fact articles. Teachers, librarians, parents and leaders of boys' clubs also recommend THE AMERICAN BOY enthusiastically. They have found that as a general rule regular readers of THE AMERICAN BOY advance more rapidly and develop more worthwhile characteristics than do boys who do not read it. Trained writers and artists, famous coaches and athletes, explorers, scientists and men successful in business and industry join with an experienced staff to produce in THE AMERICAN BOY, the sort of reading matter boys like best. THE AMERICAN BOY sells on most newsstands at 25c a copy. Subscription prices are \$2.00 for one year or \$3.50 for three years. Foreign and Canadian rates 50c a year extra. To subscribe simply send your name, address and remittance direct to THE AMERICAN BOY, 7430 Second Blvd., Detroit, Michigan.

ment that sock somebody on some body's chin or how. Betcha don't know what young lady chased a certain boy constantly at the Morris party! Sorry, we can't call names. See my lawyer for further information. Why June Melton! You and Marilyn Sawyer went a "court-ting" Sunday night! What? You won't tell me who with? I know anyway! Junior High and its lovely steps were plastered with the vegetables and watermelon. I didn't say a word! Roy Morrison has captured a whole bunch of gals hearts. Pretty serious trouble, don't you think. Shucks these modern girls seem to thrive much better without hearts, though. "Dude" and "Bear Tracks" took them home from the party at Morrises. Use your imagination and you'll know who "them" is.

acres of intermediate to poor quality varieties. Because poor quality varieties of wheat are beginning to creep into the wheat belt of Texas. The Texas Wheat Improvement Association was formed recently to encourage the production of only adapted high quality varieties of wheat to the end that Texas grown wheat will maintain its reputation of being equal in bread-making quality to any wheat grown anywhere in the world. Templeton or any one of the other personages. If it is not, you need not worry. Life has not even begun for those who are in high school. In the words of a distinguished English poet, "Life does not begin until the day of Commencement." Now it doesn't begin until college commencement. Let us view a few of the facts that make for success. First, one should be able to think, to read thoughtfully, and to speak fluently. He should train his mind thoroughly and he will have for what he is the most inter-

accomplished half of success. As one begins to train his or her mind, he will find out how much he really knows. Second, he should start training himself in. Do not get the idea that you should have a one-track mind. The more fields in which you delve the more in which you will become interested. Make use of the opportunities which you are offered now; take advantage of the excellent reading facilities which are provided you by this institution. You will find that life and school have more to offer than just burdens and hard lessons. Strive for the good of yourselves and your fellow man. Do not ever push a brother in the ditch for your own good for it will be to your disadvantage later.

FARMERS OFFERED IMPROVED WATER SUPPLY PLAN

Provisions whereby water facilities may be improved or installed on farms and in farm homes in Donley County are now available through the water facility service of the Farm Security Administration and the Soil Conservation Service for the Salt Fork of Red River Waterhead.

The program is made possible through the combined efforts of the Soil Conservation Service and the Farm Security Administration and is open to any farmer living in the Water Shed of the Salt Fork of Red River, or of any of the tributaries of the Salt Fork.

Money for the improvement of the water facilities will be loaned by the Farm Security Administration at a rate of 3 per cent for a period of not more than 20 years. The only requirement made of the borrower is that he must enter into a soil conservation program with the Soil Conservation Service. The farmers in Donley County that now have working agreements with the Memphis CCC Camp are eligible borrowers without adding any further soil conservation work to their farming operations.

"Entering into this Conservation Program will in no way interfere with the AAA Conservation Program," according to Chester Hufstader of the Soil Conservation Service. "In fact our work here has been ap-

proved by the County Land Use Planning Board of Donley County."

The Conservation Program will be worked out to meet the needs of each individual farm under consideration and in general will include such practices as terracing, contour tillage, strip cropping, and controlled grazing. Water Facility Improvement will include the digging of wells and cisterns, the erection of windmills, overhead storage tanks, stock ponds, stock tanks at barnlots, water facilities in the farm home, including both kitchen and bathroom fixtures, and the building of septic tanks for sanitary sewerage disposal. It is probable that any other facility the farmer or farm family might have in mind whereby the water supply could serve more uses, would also be provided for under the Water Facility Program.

Under the present set-up, the money will be furnished the farmer through the Farm Security Administration for the water facility installation. Labor for these installations will be furnished by or under the supervision of the individual farmer. Engineering service for the running of terrace and contour lines will be furnished by the Soil Conservation Service while all work such as terrace construction will be the responsibility of the individual farmer.

Applications for water facility improvement are now being taken and may be made to Mr. John E. Burch, Farm Security Administration, Clarendon, Texas, Mr. H. M. Breedlove, County Agent, Clarendon, Texas, and Chester Hufstader, Soil Conservation Service, Wellington, Texas.

PIPE LINE FIRM PRESENTS SAFETY AWARD PLAQUE

QUANAH — Presentation of a Safety Award plaque was made to employees of the Wichita Falls district of United Gas Pipe Line company by N. C. McGowen, president, at a Victory barbecue Saturday at Lake Pauline. More than 500 persons were present.

The award represented first place in Group No. 2 of the company's annual "No Accident" contest and was won by the district for its record of 365 accident free days and 165,058 man hours worked without a disabling injury. Since winning the award the district went on to establish a new record of 619 days without a lost time accident.

In his talk to the group Mr. McGowen complimented them on their record, pointing out that although money could "cure" many things, it could never replace a limb or a life or compensate for pain and suffering. He thanked the wives of the employees for their interest in the safety program, saying that a happy home life was in a great measure responsible for the safety record of the district.

Robert Wetzel, district manager of United, accepted the trophy for his district and the response to Mr. McGowen's speech was made by Ward Clouton, pipe line superintendent. Cecil L. Hightower headed the meeting. Counties included in the Wichita Falls district are Archer, Childress, Collingsworth, Donley, Hardeman, Willbarger, Wheeler, Wichita and Young.

LIBRARY NOTES (By Mrs. C. A. Burton)

The tenth biennial conference of the Southwestern Library Association will be held at Albuquerque, N. Mex., beginning Oct. 2. This association includes Arizona, Arkansas, Louisiana, New Mexico, Oklahoma and Texas. The theme of the meeting will be "The Growth of the Southwest and its Place in the Americas of 1940." A most attractive program has been arranged covering almost every phase of library service.

Among the speakers will be Miss Essae M. Culver, former president of the Southwestern Association and now president of the American Library Association. Others will be Paul Horgan, librarian and author, of New Mexico Military Institute, Witter Bynner, poet of Santa Fe, and Fray Angelico Chaves, poet of Pena Blanca, N. M.

On the final day of the meeting the conference will adjourn to Santa Fe, where tours will be arranged to all points of interest.

The September A. L. A. Bulletin discusses the necessity for the employment of library service in connection with the enlargement of the defense program of the government. In 1917-19 the A. L. A. collected and spent between five and ten million dollars for library war service. When the war was over the Army and Navy took over the library equipment and personnel and have since maintained library service on a reduced scale. The experience of these years demonstrated that "libraries could assist in preparing men for military service; enable men to keep up their normal reading habits; help those who had not previously used libraries to acquire habits of reading and study; and in general help men to understand and appreciate American democracy and to prepare themselves to be better citizens—and thus help maintain morale." In view of all this plans are already underway for enlarged library service to meet the expanding defense program.

The reading public still watches eagerly the "Where Are They?" Column about authors. One of especial interest to me has been Sigrid Undset, the Norwegian Nobel Prize winner of 1928. Recently Mrs. Undest arrived in this country for a lecture tour. She fled from Norway to Sweden and across Russia to San Francisco, going from there to New York. Her 26-year-old son was among the Norwegian volunteers who died in guerrilla fighting. She was accompanied to the U. S. by her 21-year-old son.

We had only one of her books on our shelves, "The Snake Pit," but recently we bought her prize winner, "Kristin Labransdatten". Of this Contemporary Movements in European Literature said: "The first historical novel our 20th Century has yet produced; indeed it dwarfs most of the fiction of any kind that Europe has produced in the last twenty years." When the Book of the Month Club selected this they said of it: "We consider it the best book our judges have ever selected and it has been better received by our subscribers than any other book." The following was written before the invasion of Norway and before Sigrid Undset had been forced to leave this home as a refugee, but I'm

reproducing it that one may have the background of this author. "On the shore of a lake near Lillehammer stands a low rambling, timber house whose history dates back to the year 1,000. Inside it is furnished with Norse antiquities some of which are older than the house itself. On the ground floor in a study panelled in pine polished from centuries of use, at a desk upon which stands a photograph of Willa Cather, Sigrid Undset writes her novels. She lives quietly, often retiring to the mountains nearby to escape the crowds of visitors. She is intensely interested in the unfortunates of the world as proven by the fact that she donated her entire Nobel Prize award of \$40,000 to charity.

Continuing about authors: George Catlin, husband of Vera Brittain, author of "Testament of Youth" with which our readers are familiar, and himself an author, is acting as advisor on American relations to Arthur Greenwood, a member of the British war cabinet. A. D. Divine, who wrote "Wine of Good Hope" under the name "David Rome," was seriously wounded while on ship duty in the evacuation of Dunkirk. Margery Shop, English author of "The Nutmeg Tree," divides her time in England between "air work" and haymaking with a pony rake. Lancelot Hogben, humorist, mathematician, who is in the United States for awhile, was in Norway when the Nazis walked in. Sweden gave him shelter and by way of Russia, Siberia, Japan, the Pacific Ocean, and the United States. He has covered 29,000 miles of a 23,000 mile journey that in the end will land him in Aberdeen, just 300 miles from where he started. Robert W. Service, in Russia when the war started, fled to France and when the Nazis swept down the coast of Brittany he got passage for Canada. He lost a 40,000 word manuscript and left two finished novels in a deposit box in Nice. May Lamberton Becker, one of the best known of our own literary critics, took the advance royalties on her book, "Introducing Charles Dickens," and bought a four-stretcher ambulance for England.

An adobe house long occupied by Bancroft, the historian, is being converted into a community clubhouse at Spring Valley, California. This is the culmination of the effort of some years to preserve it as a landmark.

Lin Yutang is returning to this country soon with his family. They have been through forty air raids over in China. You will recall that his three books, "The Importance of Living," "My Country and My People," and "Moment in Peking" are on our shelves.

The manuscript of a book on Chiang Kai-Shek by Soen Hidius arrived in New York recently, having come from Stockholm by way of Riga, Moscow, Siberia, Vladivostok, Yokohama, Seattle, and thence across the United States. It arrived just in time for the autumn list of publications, brought directly by a friend of the authors.

Pat Logan was brought home from the Pampa hospital last Saturday by a Buntin Funeral Home ambulance.

Mr. and Mrs. Barcus Antrobus, Mrs. G. W. Antrobus and George Watson attended the Tri-State Fair in Amarillo Monday.

What "Making Things" Means

Where the hills divided and the valley widened we came upon another town. It was typical of New England, with square, white houses set in shady lawns along wide, quiet streets. But this town was more beautiful than the last ones we had driven through and there was a different air about it; something that told us that here people were not living upon past glories but were an active, useful part of Today although living in homes which spoke eloquently of a different age. The busy store along Main Street showed plainly that business was good.

"They must make something here," we told each other and turned to drive along the river looking for the factory or plant that was inevitable when we came upon towns like this. We found it, spreading its old brick walls along the river for at least a couple of blocks — a paper mill that had been turning out news print for more than a hundred years.

This explains everything. The size of the beautiful homes, which meant prosperity a century ago, as well as their present up-keep which means prosperity today. For on that 2,500 mile trip wherever we found an active factory we found contentment and prosperity. The houses in fresh coats of white paint with green shutters, the lawn smooth and green, the flower beds ablaze with color.

And why not? According to a study made recently by the National Association of Manufacturers, a typical factory means an investment of \$975,000 and an annual payroll of \$180,000 which is largely spent in the community itself.

Such a payroll supports 33 retail stores with sales of over half a million dollars a year. It accounts for 393 occupied and a school house of 22 rooms.

It means a livelihood, not only for the factory workers themselves and the storekeepers from whom they buy, but supports approximately 24 professional men and their families; doctors, dentists, lawyers, and ministers. It also means the support of the farmers of 6,600 acres. A community and a factory are interrelated — and as the factory prospers, so do the various individuals who make up that community.
