MEETINGS ON 1942 AAA PROGRAM IN COUNTY CALLED

A series of agricultural meetings, with the dual purpose of explaining both the 1942 AAA program and the current Food For Defense campaign to Donley County farmers, will be held by County Agent H. M. Breedlove this week and next, he has announced.

Though the 1942 AAA Program does not involve many changes over the present AAA setup, Mr. Breedlove said that some important changes had been made which needed explaining to all farmers. Among these is a provision that 20 percent of crop acreage must be left out as soil conserving acreage, on which certain soil-conserving practices must be carried out to earn payments. Before farmers can earn full conservation payments, these practices must be carried out on all their soil-conserving acreage, he said.

Also to be discussed on each farm meeting program will be details of the new Food For Defense drive, under which the nation farmers will be asked to go the limit on producing farm products on their land. The campaign in Donley County is under the direction of a Defense Committee including Nolle Simmons as chairman, W. J. Griggs, J. E. Burch, Olie Hommel, Forrest Sawyer, and H. M. Breedlove.

Time and places for each community meeting, which Mr. Breedlove is urging every farmer to attend, are as follows:

- Ashtola, school house, 9:30 a. m., November 6 (today).
- Goldston, school house, 2:00 p. m., today.
- Clarendon, courthouse, 7:30 p. m., today.
- Giles, schoolhouse, 9:30 a. m., Friday.
- McKnight, schoolhouse, 2:00 p. m., Friday.
- Hedley, schoolhouse, 7:30 p. m., Friday.
- Jericho, schoolhouse, 9:30 a. m., Monday, November 10.
- Midway, schoolhouse, 2:00 p. m., Monday.
- Hudgins, schoolhouse, 7:30 p. m., Monday.
- Skillet, schoolhouse, 9:30 a. m., Tuesday, November 11.

U. S. ARMY AGENTS TO BUY HORSES HERE SATURDAY

An army remount purchasing board, headed by Major August W. Schermacher, will be at the J. H. McMurry ranch near Clarendon Saturday afternoon, for the purpose of purchasing horses for the army.

Persons who have horses which can meet the somewhat rigid army standards are asked to have them at the ranch after noon Saturday for inspection by the board.

The board will purchase only cavalry and heavy cavalry riding horses, coming within the following requirements: Kind—sturdy, symmetrically formed; reasonably well balanced; a good foot; closely ribbed; a short back suitable to take an army saddle; strong legs sufficiently well placed and directed to move him straight. Horses must be gentle and allow all four feet to be handled. Height—15 to 15.3 hands, and in full wear: up to 16 hands if mature. Weight—1000 to 1200 pounds, according to height. Sex—geldings, and a few mares of outstanding quality and excellence. Age—4 to 8 years old. Color—bay, brown, black, chestnut, very dark duns, and roans when of exceptional quality and substance. Three year olds will not be purchased.

Donley County's Red Cross Roll Call drive, aimed at a new high goal of 900 memberships this year, will be launched with appropriate fanfare Tuesday morning, when Roll Call officials and individual workers from all sections of the County will gather for a kick-off breakfast in the Clarendon Club Rooms.

Starting at nine o'clock, the breakfast will bring together some sixty Roll Call workers and their chief, Miss LaVerne McMurry, county Roll Call chairman, for a discussion of plans for this year's intensified campaign.

A message of encouragement and perhaps some tips on successful Red Cross campaigning will be brought to the group by Fancher Upshaw of Amarillo, prominent insurance man and civic worker, who is Potter County Red Cross chairman. Mr. Upshaw will be introduced by Sam M. Braswell, who will act as toastmaster during the brief program.

Principal business of the occasion will be handled by Miss McMurry, who will distribute materials to all workers, and outline in detail her plans for the membership drive. Each worker will have a certain section of the city or county to cover, and instructions for handling solicitation in these districts will be given by Miss McMurry.

Actual work on the drive for memberships will begin immediately after the kick-off breakfast, with officials and workers striving to reach the quota and go beyond with time to spare before November 30, date set for the Roll Call drive to be concluded.

FOOD STAMP PLAN BENEFITS TO 858 DONLEY PEOPLE

Expenditures for food in Clarendon and Donley County were increased \$2,045 during the month of October through the Government's food stamp program, it was revealed this week by L. J. Capplemann, Regional Director of the Surplus Marketing Administration for the thirteen Southern States.

This sum represented the amount of blue stamps issued by the Clarendon and Donley County Stamp Program office during the month. In addition, \$2,726 of orange stamps were purchased from the Government during the period, bringing the total amount available for food purchases due to the stamp program to \$4,771 for October.

Participating in the Clarendon and Donley County stamp program during the month were 217 cases, representing with their families, 858 persons. Those participating represented 71.5 percent of the 1,194 persons in the area eligible to receive stamps during October.

Since the stamp plan has been in operation, \$12,259.50 in blue stamps have been issued in Clarendon and Donley County, augmenting regular food expenditure for the area by that amount.

Amount of blue stamps issued per person during October averaged \$2.28.

UNION THANKSGIVING SERVICE TO BE HELD ON NOVEMBER 26

The annual Union Thanksgiving service in which members of all Clarendon churches join, will be held at the Presbyterian Church on the night of November 26. Rev. M. M. Miller announced this week. Rev. Frank H. Hutchins of the Episcopal Church will bring the message of the evening, with special music to be furnished by the MacDowell Club, Rev. Miller said. Full details of the program will be announced in a later issue of the News.

UNION ARMISTICE SERVICE TO BE HELD SUNDAY

A union church service, honoring Clarendon's war dead, will commemorate Armistice Day in Clarendon this year, officials of Aubyn E. Clark Post, American Legion, announced this week.

The services, at which members of all local churches will be welcome, will be held at the Methodist Church Sunday evening, November 9. Rev. J. O. Quattlebaum will bring a special message appropriate to the occasion, and special music will be directed by Rev. M. M. Miller, pastor of the Presbyterian Church. Other churches in the city will forego their Sunday evening services in order that members may attend the special service, which will start at 7:30 p. m.

No public ceremony has been planned by Legion officials for Armistice Day, next Tuesday. Local banks and the postoffice will close for a legal holiday, but the decision whether or not to suspend business for the day will rest with individual local merchants, it was said.

166 BALES GINNED HERE OF '41 CROP

Clarendon gins, showing a bit of activity for the first time this week, had ginned 166 bales this morning, a check of all three establishments showed.

Encouraged by continued fair weather, gingers reported that crop prospects, of sunshine continues, will be good for as long as freezing weather stays away from the fields. Much cotton still is not out of freeze danger, they said, and will not be for some days yet.

NEW FEDERAL TAXES GO INTO EFFECT ON TELEPHONE CALLS

Clarendon and Donley County subscribers to Southwestern Associated Telephone Company services were notified this week of new tax rates on local and long distance telephone services, which became effective on October 1.

On local phone service, a federal tax of six percent of the monthly charge went into effect for last month's service. Business telephone subscribers, for example, were billed for \$4.77, with 27c of that amount being a six percent levy on the regular rate of \$4.50 per month for a business connection.

On long distance calls, a graduated tax applies, starting with six percent on all calls costing less than 25 cents. On calls costing 25 to 50 cents, the tax is five cents, while calls costing 50 cents or more are taxed five cents for each fifty cents or fraction thereof. Report charges on calls not completed also are taxed six percent.

WTCC CONTINUES FIGHT FOR EQUAL FREIGHT RATES

RE-ELECTS STAFF AND PLANS FOR POST WAR ECONOMY

The annual fall convention of the West Texas Chamber of Commerce at Midland Monday and Tuesday of this week was a streamlined business session instead of the old-fashioned ballyhoo affair with lots of bands, parading delegations, etc., that made it famous for the past twenty odd years.

Getting right down to business under the presidency of J. Thomas Davis, Dean of John Tarleton College at Stephenville, the business sessions functioned along the lines planned by the committee on work, headed by Judge J. D. Hamlin of Farwell, former president of the body.

Principal action of the convention centered on a revamped and renewed campaign for equal freight rates for West Texas and Texas, seeking to displace the discriminations that have existed against them for the past fifty odd years. Another important action was the setting up of a board to study and recommend a plan of action to forestall the economic difficulties certain to follow the present world war.

President Davis and all other officers were re-elected for another year, and a budget of five cents per capita was adopted as annual membership dues for member towns, of which there are 164 in West Texas and New Mexico.

Sam M. Braswell, director, and Lee Bell, member of the local public relations committee attended from Clarendon, the former being a member of the committee on work.

ADAIR HOSPITAL IS RE-OPENED UNDER NEW MANAGEMENT

Under a recently negotiated lease from the holding board, the Adair Hospital has been re-opened this week to the general public by the lessees, Drs. C. G. Stricklin, A. B. Goldston, and M. E. Borsook.

During the interim since the termination of a former contract with Donley County, the plant, equipment and staff has been improved and re-manned, according to Dr. Borsook, resident physician at the hospital. The nursing staff is under the direction of Miss A. Shennucker, R. N., graduate of St. Anthony's hospital in Amarillo, where she was in charge of the operating room. The medical board is composed of Dr. A. B. Goldston, FACS, Amarillo; Dr. C. G. Stricklin and Dr. M. E. Borsook, LMCC. Dr. T. H. Ellis is also connected with the hospital.

The hospital will be managed according to the standards for a grade "A" hospital set by the American Hospital Association and the American College of Surgeons, according to announcement of Dr. Borsook.

"GAY 90'S" TALES ENTERTAIN LIONS

Humorous stories of early days in Clarendon, as related by Lion Patrick, provided plenty of impromptu fun at the Lions Club luncheon in the Christian Church basement Tuesday noon.

Lion Patrick's recollections of scenes and happenings during the "Gay Nineties" period of Clarendon's history gave club members and visitors laughs in plenty and a humorous insight into a glittering day that is gone forever.

Visitors were Dexter Todd, and E. H. Lindberg of Amarillo.

BAPTIST CHURCH MEMBERS TO CALL PASTOR AT CONFERENCE SUNDAY

At the regular monthly conference of the First Baptist Church, Wednesday evening of this week, it was voted that the eleven o'clock preaching hour next Sunday morning, November 9 be devoted to prayer and that the church be in conference for the purpose of calling a pastor.

BRONCS, CYCLONES MEET IN ANNUAL GRUDGE BATTLE

Climaxing their 1941 football season, Clarendon's Bronchos will meet their annual grudge opponents, the Memphis Cyclones, at Broncho Stadium Friday night.

Last home game of the season for the Broncs, the battle will have no effect on the 3-A conference race, since both teams hold places near the bottom of league standings, but excitement in plenty will be waiting for fans of both teams.

Defeated in all but one start this year, the Cyclones will come to Clarendon gunning for their traditional rivals, and pointing for a victory to erase memories of two successive defeats in past seasons by the Broncs. Last year the Cyclones went under by a 6-0 margin on their home stadium while the year before saw them smothered here under a 55-0 point rampage by the Broncs.

Heartened by their victory over Lakeview last week, the Broncs have taken advantage of good practice weather this week to work up what they hope will be a crushing advantage over the visitors. For many fans the last they will see this season, and the team is anxious to give those fans and all their boosters a good show for their money and support.

Pre-game records, the home field advantage, and a high peak in team morale gives the Broncs a decided edge so far as most forecasters are concerned, but it is agreed that the Broncs will have a fight on their hands to stave off an upset of the dope bucket.

School officials this week announced a change in the usual game time, setting the opening gun for 7:30 p. m., instead of the regular 8 o'clock. School officials are urging local fans to turn out for the game and run attendance figures to a new high, as the unusually small number of home games has left a big gap to be filled in football finances for the year. A good crowd tomorrow night, besides giving welcome support to the team, would go far toward raising the athletic fund to the desired level. The Broncho Band will be on hand, as will a lively student body rooting section, and a good crowd of Memphians is expected to follow the Cyclones here to cheer them on.

As an added attraction, of particular interest to school students, the pre-game period will be the occasion for the crowning of the Broncho Football Queen, an annual student event. Identity of the Queen, to be selected by popular vote in the school student body, will not be divulged until time for the coronation.

RED CROSS PROGRAM TO BE HEARD SUNDAY ON KFPA, AMARILLO

How the 239 Red Cross chapters in Texas, with their years of peace-time experience, are adopting their services to fulfill civilian needs, will be dramatized on a special half-hour radio show at 7:45 o'clock Sunday night, November 9, to be broadcast by the 16 stations affiliated with the Texas State Network, it was announced this week.

The program will be available to Donley area listeners over station KFPA, Amarillo.

NEW FURNITURE STORE OPENING HERE UNDER MANAGEMENT OF L. T. WHITLOCK

L. T. "Heavy" Whitlock, a former Clarendon boy, was moving in stock and fixtures this week for the opening of a new furniture store, to be located in the old Utilities Company building on south Kearney Street.

Formerly associated with Montgomery Ward & Co. in several West Texas cities, Mr. Whitlock comes to Clarendon from Sweetwater. He plans opening of the store, handling new and used furniture, this week.

PLANS COMPLETED TO SOLICIT EACH COUNTY CITIZEN

LARGE WORKER GROUP WILL COVER ALL OF COUNTY

With the largest membership quota ever undertaken by Donley County as their goal, a large group of volunteer workers will blanket the county starting next Tuesday, as the Annual Red Cross Roll Call opens.

Headed by Miss LaVerne McMurry as county chairman, the workers will take on the task of securing 900 memberships in the American Red Cross, and Miss McMurry has set up a drive organization which should leave no Donley Countian unsolicited for membership.

Division chairman selected by Miss McMurry include Sam M. Braswell, Clarendon business district; Mrs. H. T. Burton, residence chairman; Rev. I. E. Biggs, Hedley chairman; H. T. Burton, Senior High and College Faculty chairman; R. E. Drunnam, College Student Body chairman; and McHenry Lane, Junior High and South Ward faculty chairman.

In the local business section, ten workers will be active, as follows: District 1, Joe Holland; District 2, Frank Witte; District 3, Geo. Norwood and Charles Lowry; District 4, Walter R. Knorr; District 5, Guy Wright; District 8, Ruth Palmer; District 9, Tom Connally; display leader, Clyde I. Price.

At Hedley, the drive will be supervised in the business district by C. L. Johnson and Harrison, with the P. T. A. under Mrs. Ray Moreman handling residence district solicitation. W. C. Payne of the Hedley school will be in charge of school faculty members.

Lella Lake business district heads are Vernon Bullard and Leroy McDaniels, while Mrs. E. H. Myers and Mrs. H. R. King will handle the residence group there.

Roll call work in county schools will be handled by the following faculty members: Giles, J. M. Baker and Mrs. Charles Bell; Goldston, Mr. and Mrs. C. W. Howard; Jericho, Mrs. Hazel Chilton; Bray, Mr. and Mrs. O. L. Davis; Skillet, Miss Margaret Weaver; Ashtola, Mr. and Mrs. Garland Clemons and Miss Nancy Miller; Martin, F. L. Behrens and Miss Lella Ruth Watt; Chamberlain, Mr. and Mrs. Milton Todd; Hudgins, Mrs. Wayne Ewing.

The local residence section has been divided into 40 districts for purposes of the Roll Call drive with the districts and chairmen as follows:

- District 1. Between 4th St. and 8th St. From Tobin St. to Reno St. Ruth McDonald.
- District 2. Between 5th St. and 7th St. from Reno St. to Chamberlain St., Avis Lee McElvany.
- District 3. Between 3rd and 6th from Chamberlain St. to Scott Avenue, Berkeley Ryan.
- District 4. Between 6th and 7th from Chamberlain St. to Lanham St., Mrs. George Bagby.
- District 5. Between 4th and 6th from Scott Avenue to Garrett St., Mrs. Jack Molesworth.
- District 6. Between 6th and 7th from Lanham St. to Garrett

The Weather

Clear skies, the best news Donley Countians have had this fall, were still to be seen over this area today, after the season's lowest temperature brought a moderately heavy frost last night. Weather observer Joe Goldston reported a new low temperature of 29 degrees, the aftermath of a light "norther" which struck Clarendon early Tuesday night. Today's forecast was for continued fair weather, with not much change in temperature.

THE BUSINESS THAT GOES OUT OF TOWN

The business that goes out of town that local labor could have supplied is like the termite that enters a building and gradually destroys it. The termite works slowly but surely. The loss of business that a town is entitled to, slowly but surely eats away the things that makes a town a good town. — Foard County News.

HOW TO GET AHEAD

Young people are constantly asking how they are to get ahead in the world. One fairly sure way is to try to do everything a little better than it was done before. The majority of the people are satisfied just to follow along the old rut, and do things as they were done before.

The young man in business who makes more effort than the average to learn about his goods, to talk well and give useful information on them, to know his customers personally and to help them get the best bargains, is headed for promotion. The world looks for such fellows, and likes to do business with them. — Quannah Tribune-Chief.

HITLER PLOWS WITH AMERICAN HEIFER

Bishop Holt of the Methodist Church has returned from a tour of denominational activities in South America. He writes to the Dallas News that throughout South America he found Nazi agents distributing the isolationist speeches of Wheeler, Lindbergh and the other rabid leaders. The Nazis are fighting the Good Neighbor policy of the President with words from these so-called leaders. Those who have been in South America are worried about the situation. Every time the President attempts to strengthen the bands of friendship between the continents, he is met with the devastating words of isolationists, which is the most effective Nazi propaganda. — Canyon News.

NAZI BOMBERS BARELY OUTSCORE TEXAS DRIVERS

Nazi bombers in England furnish the only killer competition for Texas automobiles that authorities have been able to learn about. The Texas State police find now that the Nazis are the least bit the best. Here's the record for September: Britons killed by the Nazi bombers, 100; Texans killed by autoists, 82. It is believed that automobiles have improved their technique in the month of October and also have the aid of the Russian blitzkrieg which has called for the attention of the Nazis. — Floydada Hesperian.

ONE MAN'S WAY

Thomas Drier, remembered by those advertising men of Texas who attended that famous Boston convention many years ago, has a formula for the advancing years. It should be taken each day, he says:

"To awaken each morning with a smile brightening my face, to greet the day with reverence, for the opportunities it contains; to approach my work with a clean mind; to hold ever before me, even in the doing of little things, the Ultimate Purpose toward which I am working; to meet men and women with laughter on my lips and love in my heart; to be gentle, kind and courteous through all the hours; to approach the night with weariness that woos sleep and the joy that

comes from work well done—this is how I desire to waste wisely my days."—CAPS and lower case.

HUMOR DOESN'T HURT

As the war goes on, we still hear funny stories about Hitler, Stalin, Churchill, and even Roosevelt.

One of the best we have heard recently was told by Roosevelt on Hitler. The President said that Hitler had gone to one of the few prominent Jews left in Germany and told him that he could stay there if he would disclose how Moses managed to make the waters of the Red Sea stand aside so that the children of Israel could cross.

The story, of course, is on the ridiculous side, but at least it gives us some diversion from the regular horror of war which we hear each day.

It is also comforting to know that the leader of our nation has the sense of humor which he has. Likewise we should be glad to know that the President has been able to maintain his sense of humor despite the burden which he carries.

There is certainly a time for all things, and one thing which will not hurt us now is a little humor mixed in with the everyday war news. All work and no play is pretty bad, just as is all worry and no laughs. — Memphis Democrat.

I GIVE YOU TEXAS by BOYCE HOUSE

Firsts:
My first "speech" was on a Sunday School program at Yule- tide, probably at the age of 6, and it was no such "kid stuff" as "Mary had a little lamb", either. No, sir, it was:
"If I had a dollar,
A great, big, round dollar,
That someone had given to me,
I'd jump up and down
And I'd certainly holler,
For I'd buy that whole Christmas tree."

My first dollar, by the way, was made soon after that great declamation by gathering a bucket of peaches from the trees in our back yard and trading around, selling them. A dollar (I thought) when I counted up and found I had actually sold \$1.05 worth of peaches. That was when one young salesman "called it a day."

And first time I ever saw my name in the paper was when I was recovering from a serious illness, not long after the peach-selling episode. In that particular issue of the paper, the editor told about Farmer Brown bringing in an extra large sweet potato and that item occupied six lines while the fact that I had been quite sick was given only three lines. It was a long time before I forgave the local Horace Greeley.

My Grandpa used to say, After you've done your best, the result—whether success or failure—is in a Higher Hand. But have you done your best?

To which his grandson adds, What is failure, anyway? Buckle wrote the history of civilization but he didn't tell us what civilization is. "What is truth?" asked jesting Pilate, and would not stay for an answer. What has seemed a failure at the moment has oft-times proved to be the turning point that led a man to great achievement. And what the world has called failure sometimes has proved, in the light of history, to have been grand success.

One of the chief objections advanced to another special session of the legislature is that, once the lawmakers meet, the

bars are down and any subject is liable to be legislated on, with consequent increases in taxes and regulations. Even at the recent special session called for just one purpose, the House passed some 30 bills on other subjects despite the fact that press and public were unanimous in insisting that nothing but the county road bond assumption problem be dealt with.

An old Quaker said to a friend, "Everybody is a liar except thee and me—and sometimes I have my doubts about thee."

A sailor, after placing some flowers on a grave in a cemetery, noticed an old Chinaman placing a bowl of rice on a nearby grave, and asked: "What time do you expect your friend to come up and eat that rice?"
The old Chinaman replied with a smile: "Same time your friend comes up to smell flowers."

With Texas the location of so many national defense industries—the bomber plant in Fort Worth and the airplane factory in Grand Prairie, to name only two—thought is being given by defense industry officials as to ways and means of preventing their workers from falling into the clutches of loan sharks. For loan sharks are enemies of national defense. Such is not their intention, for even a man who loans money at 400 per cent interest can have a spark of patriotism in his heart.

But J. L. Pritchett, manager of the Fort Worth Better Business Bureau, points out that one of the worst effects of falling into the coils of a loan shark is that a borrower who is unable to meet the payments begins to worry and his efficiency on the job is seriously reduced. National defense industry heads want to prevent such a condition among their workers and so credit unions (whereby workers in a plant pool their savings, and loans are made to individual members) will be encouraged.

Side Glances On Texas History

By CHARLES O. HUCKER, University of Texas Library

The Anahuac Incident: A Foretaste of '36

The fifteen years which preceded the actual hostilities of 1836 in Texas were dotted with uprisings of one sort or another which contributed to a developing state of unrest within and a developing state of apprehension without, in the Mexican interior. Several times there occurred full fledged "incidents" of protest in the colonies. Although most of them were dealt with severely by the Mexican government, one which strangely enough gained its approval was the well-known Anahuac incident of 1831.

The "villain" of this little drama was a gentleman by the name of Colonel John Davis Bradburn, and his, apparently, was the sole responsibility for the trouble. At least, that is the view expressed in the passionate little work called "Texas and the Texans" published in 1841 by Henry Stuart Foote, one of the most violently partisan historians in the University of Texas Library's unparalleled Texas Collection.

Colonel Bradburn was a little Mexican despot with a supremely dictatorial nature and little love for the colonists who in 1831 had charge of the customs along the eastern coast of Texas. It is typical of his attitude that in December of that year he arbitrarily imposed martial law upon the settlements within ten leagues of the Gulf.

Justice By The People

With their civil procedures thus inactive, the citizens of the Galveston Bay town of Anahuac took matters in their own hands when, according to Foote, "some worthless fellow supposed to be in the Mexican interest committed an act of disgusting immorality," and unhesitatingly adorned him with tar and feathers.
In retaliation Bradburn, "determined at once to repel an encroachment so serious upon his own prerogatives," arrested some of the most eminent citizens of the town, William B. Travis among them, and clapped them in jail; whereupon the settlers, gathering from fifty miles around into a little army of 150, demanded that they be released immediately or turned over to the civil authorities for constitutional trial.

When this demand produced nothing but abuse from the Colonel, the settlers proceeded to lay siege to Bradburn's fortress and within a couple of hours forced him into a concession. He would release his hostages, he promised, if they first would release the prisoners they had taken in the skirmish and retire six miles from town.

Treachery and Success

After the colonists, having agreed to these terms, had withdrawn from the town, however, "this faithless miscreant," Foote wrote, "recovering from his alarm, opened a treacherous fire upon a few of the citizens whom he found in sight and announced his determination to disregard

altogether his obligations in the premises."

This treachery, of course, only enraged the settlers more, but they lingered outside the town until recruits from nearby settlements swelled their number to 300. Then, just as they were about to storm Bradburn's stronghold, Colonel Piedras, the Mexican commandant at Nacogdoches, appeared on the scene and settled everything amicably. The Texas hostages were released and Bradburn was sent back into the Mexican interior.

"Nor did this wretch venture to present his accursed visage in Texas again," Foote summed up in a burst of eloquence, "until the bloody campaign of 1836, when he came like an evil spirit, hovering, with gloomy and malignant aspect, in the rear of Santa Anna's army, but taking good care that his corporeal frame should not be found at any time within musket-shot of his ancient Texan acquaintances."

"The editor of the Civilian bestows upon our article relative to the rearing of fowls, quite an ironical compliment, and says, 'on the subject of hens and chickens (we) are without a rival in the land.' In returning our thanks for his favorable notice of our humble efforts, we will assure him that our regard for the lower orders of bipeds is not confined to hens and chickens—we can derive pleasure from the cackling of a goose."

"Public Dinner—An invitation to a public dinner was tendered to Gen. Houston, by the citizens of San Augustine on the 30th ult., accompanied by a request that he would give his views on the Franco Texienne bill, and other important measures. He declined the acceptance of the dinner; but stated that he would address the citizens relative to the subjects proposed, on the 9th inst."

"The Editor of the Civilian in his patriotic zeal to quiet apprehensions abroad, relative to the threatened war of the Comanches, says 'Between six hundred and a thousand of these savages were destroyed last year.' We improve the opportunity to give him credit for fabricating the greatest lie (he will excuse us for using the term he has made so familiar,) that has been published since the election."

CANADIAN ATLANTIC CONVOY

Passed by Censor.

SINCE the outbreak of war, the Royal Canadian Navy which is owned and maintained by the Dominion wherever it is serving, has established an enviable record. It has conveyed ships carrying more than 27,000,000 deadweight tons; it has fought in the North Sea and it has captured several enemy vessels. At the declaration of war the strength of the Canadian Navy was about 3,600 men and 13 ships. To-

day, it musters more than 20,000 men and 200 vessels, including 13 destroyers, several of which were secured from the United States in the destroyer deal. By March, 1942, the Royal Canadian Navy, two of whose destroyers are pictured above, will be manned by some 27,000 men and the fleet will consist of more than 400 ships of various types. Many of Canada's seamen come from the prairie provinces.

DO YOU KNOW TEXAS?

By Garland Adair

A reader of this newspaper can get the answer to any question of fact about Texas by writing A. Garland Adair, Curator of Patriotic Exhibits, Texas Memorial Museum, Austin, Texas.

MEMORABLE PASSAGE: - - - "Some people keep their promise only when they promise nothing." - - - Joachim Besen.

Q. What is the highest town in Texas?

A. Alpine, county seat of Brewster county, is known as the "mile high city of Texas." Also out in that part of the Big Bend country, located in the Davis Mountains, is the highest post office in the state, Frijole, 5650 feet above sea level.

ELEEMOSYNARY INSTITUTIONS: - - A little-known grant of Texas' public dominion for educational purposes is that of 410,600 acres for four eleemosynary institutions including the State Insane Asylum, the Institute for the Blind, the Institute for the Deaf and Mute, the State Orphans Home. These lands were sold on the same terms and conditions as state school lands, Bascom Giles, Commissioner of the General Land Office, says, at from \$1 to \$2.50 an acre. Most of the land was surveyed in parts of the state suitable for farming, and it was bought by settlers who improved it, while the revenues went for the endowment of these institutions.

Q. Was there a battle at San Antonio other than the siege of the Alamo?

A. Yes In December, 1835, the Texas army under the command of General Milam laid siege to San Antonio de Bexar then held by the Mexicans. It was here that General Milam was killed before the Texans drove the Mexicans from the city.

QUERY: - - Will someone answer these questions for Mrs. F. G. Smith, 214 Craig Street, Hillsboro, Texas?

Q. What year did Captain Philpott and the fourth Aladama Regiment come to Texas. Was there or is there today a list of these men?

Buzzard on a rail: - - An old cattle brand bearing this name was registered by H. T. Collier in 1876, in Reeves county, H. J. Collier of Pecos, later owner of

the brand, came to Texas in 1884, and went to work for the "Hash Knife" outfit. He says that at that time the outfit had 4,000 head of cattle branded with the Buzzard on a Rail brand. In 1936, the second Mr. Collier had about 3,000 head of cattle branded with this historical old brand. There are a number of interesting and unusual branding irons on exhibit in the Pioneer Room of the Texas Memorial Museum, Austin.

Q. Please list the three largest cities in Texas with their population by the 1940 federal census.

A. Houston 384,514, Dallas 294,734, and San Antonio 253,854.

Blow Hot, Blow Cold: Highest temperature in Texas was 120 degrees in Seymour, Baylor county, August 12, 1936; lowest temperature ever registered in Texas was 23 degrees below zero at Tulla, Swisher county, February 12, 1899, and at Seminole, Gains county, February 8, 1933.

QUIZZ DEFENSE BOND

Q. I cannot find the word "Defense" anywhere on the Defense Savings Stamps I have bought. Are they merely Postal Savings Stamps, or does my money invested in these Stamps go into the Defense Program?

A. The money you use to purchase these Stamps goes definitely into the Defense Program. The Stamps bear the words "America on Guard," which indicates that they are an integral part of the Defense Program.

Q. What is the Treasury's purpose in putting Defense Savings Stamps on sale in retail stores throughout the Nation?

A. To make it as easy as possible for Americans everywhere to buy these Stamps, which, as everyone knows, may be exchanged at any post offices and banks for Defense Savings Bonds.

NOTE: To buy Defense Bonds and Stamps, go to the nearest post office, bank, or savings and loan association; or write to the Treasurer of the United States, Washington, D. C. Also Stamps now are on sale at most retail stores.

Mr. and Mrs. D. E. Holt and son, David, of LeFors spent the weekend here with her parents, Mr. and Mrs. Karl Adams.

STOPPING TO THINK

By C. B. Riddle

On the campus at Transylvania University, Lexington, Kentucky, is the grave of Constantine Samuel Rafinesque, whose 158th birthday was on October 22.

To all but a few Americans Rafinesque's is meaningless, yet he gave to the world one of its finest insights into botany. Born in France and soon an orphan, Rafinesque came to Colonial America to engage in business. Having been attracted to flowers, trees and birds in his native land, the wilds of his adopted country lured him from a business pursuit.

Alone, Rafinesque tramped the hills, mountains and valleys of nearly a dozen states, gathering a wealth of knowledge of nature so widely used today. Being otherwise educated, and possessing such a vast knowledge of nature, Transylvania University appointed him professor of natural sciences, but the call of the great outdoors proved too strong. Again he became a student under the blue canopy, crossing the Alleghany mountains on foot, and exploring vast regions where no white man had ever set foot.

Rafinesque died in poverty in a Philadelphia rooming house, but surrounded by the largest botanical collection ever made by one man. His body was saved from the potter's field by a friend, and 75 years later Transylvania University removed his remains from Philadelphia and buried them on its campus, Rafinesque Hall, Mammoth Cave, Kentucky, also perpetuates his name.

But the life of this pioneer scientist was not to him a tragedy, for among his last notes he wrote: "Every pure botanist is a good man, a happy man."

INDIGESTION may affect the Heart

Gas trapped in the stomach or gut may set like a half-trigger on the heart. At the first sign of distress smart men and women depend on First-aid Tablets to get gas free. No laxative but made of the fast-acting medicine known for acid indigestion. If the FIRST-DOSE doesn't give relief—take another bottle to us and receive DOUBLE MONEY BACK. S.S.

Kearny Limp into Port

Torpedoed by a submarine, 350 miles southwest of Iceland, the crack destroyer Kearny limps into port, assisted by a sister ship. The Kearny was torpedoed while speeding to the rescue of a convoy which had sent distress signals while under attack from several German submarines, Secretary of the Navy Frank Knox revealed. Eleven lost their lives and 10 were injured in the blast. Bottom photo shows twisted wreckage on starboard side of Kearny.

Some folks got excited about the new installment plan buying regulations and made a big to-do over "last chances," etc. Now that the smoke has cleared away, the fact remains that Convenient Terms are still open to buyers who meet their obligations. One-fifth down is not an unreasonable amount to pay when you recall that . . . TEN YEARS AGO . . . An average refrigerator cost \$350. You had to pay \$75 to \$100 down and monthly payments of maybe \$20 to \$30. Today a better refrigerator of comparable size costs around \$165, sells for \$33 down with payments of less than \$8 a month on the balance. The 1941-42 electric refrigerators cost less than half as much as 10 years ago . . . and about ONE-FIFTH as much to operate!

BUTTER AND PORK ADDED TO BLUE STAMP FOODS

College Station, November 6—Butter and pork have been added to the list of foods obtainable nationally with food order stamps by public assistance families benefiting from the Department of Agriculture's food stamp plan. These additions will hold for November. Officials of the Surplus Marketing Administration say that adding these products to the list provides wider markets for farmers and makes important food commodities available to millions of low-income people.

How to Store Summer Bulbs and Tubers

The storing of bulbs and tubers, such as dahlias, canna and gladiolus, which must be lifted from the ground, is a problem with many gardeners whose homes have heated basements.
An unheated cellar with a dirt floor, which will keep apples and potatoes in good condition during the winter, will keep bulbs and tubers as well. There are three things to guard against in storing: excessive temperature, which will cause them to sprout; lack of humidity, which will dry them out; and lack of air, which will encourage mildew.

A temperature of 50 degrees or lower is ideal, but they will endure higher if the other factors are favorable. It is possible to keep them in a heated basement if they are protected by a covering of earth, sand or peat moss which is occasionally moistened.
Most dahlias growers have found peat moss the most satisfactory covering. Tubers may be placed in bushel baskets or large boxes, filled with peat moss, placed in the coolest corner of the basement, and if a little water is sprinkled on the moss once a week they will usually cover through the winter in perfect condition. Dahlia tubers need not be cleaned of dirt; it is better to allow some dirt to adhere to the tuber during the storage.
Canna tubers will do well with the same treatment. Gladiolus bulbs are even easier to keep in good condition. The principal causes of trouble with them are extreme humidity and poor ventilation. They should not be piled into a basket or box, nor inclosed in airtight bags which are open to the air. Mildew and bacterial rot are not produced by piling up and the exclusion of air.

Gladiolus bulbs should be clean and the tops pulled off for storage. Do not remove the husk, which protects the bulb.

Where named varieties are grown and it is desired to keep the bulbs of each variety separate the following is a good method for each variety: take a kraft paper bag of three-quarter size or larger, according to the number of bulbs grown. Dig the bulbs of one variety, pull off the tops, shake off the dirt, and place them with bulbets adhering in the bag, which is properly labeled. Do not close the mouth of the bag, but store the bags open to the air, and without piling them up. In the spring the bulbets may be separated and planted in the same row with the large bulbs, thus keeping all of each variety together.

MRS. R. L. BIGGER FUNERAL SERVICES HELD HERE SUNDAY

Last rites were said at the Episcopal Church of St. John the Baptist Sunday afternoon for Mrs. R. L. Bigger, who died in an Amarillo hospital Saturday following an illness of several weeks.

Born in Clay County, Texas, November 29, 1881, Mrs. Bigger moved to Old Clarendon with her parents, Mr. and Mrs. Shannon Attebery, in 1887. She was married October 3, 1900, to Robert L. Bigger. Mr. Bigger died in 1933. An active member of the Episcopal Church, Mrs. Bigger was a tireless worker in women's church work, in addition to other civic and business activities she carried on, especially in recent years since the death of her husband.

She is survived by her mother, Mrs. Shannon Attebery of Clarendon; two brothers, Clyde Attebery of Clarendon, and Paul Attebery of Seattle, Washington; an aunt, Mrs. Sella Gentry of Clarendon; and two nieces, Miss Willie Maude Pratt of Clarendon and Miss Geraldine Pratt, who teaches in the schools at Hereford.

Services at the church and at the graveside were read by Frank H. Hutchins, rector of the church. Interment was in Citizens Cemetery, with Buntin Funeral Home in charge of arrangements.

Pallbearers were C. C. Powell, Walter Taylor, Nathan Cox, Bill Ray, Carroll Knorpp, and Clyde Martin.

HUDGINS NEWS (By MRS. S. M. HARP)

There was a good crowd out for Sunday School and Preaching Sunday.

There were several from this community to attend the Singing at Martin Sunday afternoon.

Mr. and Mrs. Jim Awtill of Amarillo spent the weekend with her parents, Mr. and Mrs. J. L. Talley and family.

Miss Majorie Willard of Clarendon and Miss Irene Langford of Hedley spent the weekend with Miss Audrey Perdue.

Alton Webb took Sunday dinner in the Talley home.

Those to visit in the L. C. Tims home Sunday were Mr. and Mrs. Ed Talley and children of Hedley, Miss Essie Ray, Mr. and Mrs. John Perdue and Mary Nell Rev. and Mrs. Stonestiffer, and Mr. and Mrs. Perkins and F. T. Bill Perdue spent Sunday in the J. L. Talley home.

Mary Christie of Martin spent Wednesday night with her grandparents, Mr. and Mrs. O. L. Jacobs.

Mr. and Mrs. V. D. Roy entertained the young people with a party Friday night. All reported a real nice time.

Miss Fredia Putman of Martin spent Friday night with Miss Floree Talley.

Mr. and Mrs. Wayne Ewing and Sadie Beth visited a while at Brice Sunday evening.

Mr. and Mrs. Jeff Talley visited with Mr. and Mrs. J. L. Talley Sunday.

There is to be a pie supper at the school house Friday night, Nov. 7. The proceeds will go for the hot lunch for the school children and to buy song books for the Sunday School. We invite everyone to come and help us out.

FUNERAL SERVICES SATURDAY FOR MRS. SCIVALLY

Funeral services were held from the Baptist Church here Saturday afternoon for Mrs. Walter S. Scivally, who died at her home here early Friday afternoon.

Mrs. Scivally was born in Nacoma, Texas, March 23, 1891. She had lived in Clarendon for the past 13 years.
Survivors include the husband; three sons, Paul and Doc Scivally of Clarendon, and Gerald Scivally of San Antonio; two daughters, Mrs. H. E. Sibley of Clarendon and Mrs. E. O. Barnes of Amarillo; a sister, Mrs. Dora Campbell of Amarillo; and two brothers, C. W. Hancock of Clovis, N. M., and W. A. Hancock of Graham.
Services were conducted by Rev. J. Perry King of Amarillo, former pastor of the church. Interment was in Citizens Cemetery, with Buntin Funeral Home in charge of arrangements. Pallbearers were Frank Lyle, Call Morris, Bill Jones, Jim Warren, Tom Lane and J. T. Easterling.

SERVICES HELD AT HEDLEY SATURDAY FOR T. M. CLAY

Funeral services were held at Hedley Saturday afternoon for Thomas Montgomery Clay, pioneer resident of Donley and Collingsworth counties, who died of a heart attack Friday afternoon.

Mr. Clay had resided in Donley and Collingsworth counties during the past 23 years.

Survivors include nine children, W. H. Clay of Hedley, Herbert Clay of Claude, Horace Clay of Quail, Ola Mae Smith of Wellington, Adelle Burdine of Neliese, New Mexico, Alta Tyler of Twin Lakes, Colorado, Lena Young of Littlefield, Shirley O'Haire of Tyler, Hamie Arnold of Plainview; two brothers; one sister, and 22 grandchildren.

Services at West Baptist Church in Hedley were conducted by Rev. V. A. Hansard. Interment was in Citizens Cemetery in Clarendon, with Womack Funeral Home in charge of arrangements.

Active pallbearers were Carl Barker, Clifford Johnson, P. L. Dishman, Ralph Bourland, Walter Starr, and Earl Watson. Honorary pallbearers were Mack Bourland, J. W. Noel, Paul Starr, Roy Super, Lewis Thompson, and Austin Rhodes. Flower bearers were Vandell Smith, Margie Burdine, Annetta Burdine, Oma Lee Hill, Modena Spier, Wauline Spier, Dorothy Dodson, Janice Hill, Pauline Cherry, and Alpha Neely.

CHANGE OF VENUE TO BE ORDERED FOR ADAMSON CASES, IS REPORT

A petit jury panel called to appear in District Court Monday of this week, for the trial of J. W. Adamson on one of eight charges alleging embezzlement of public funds, was dismissed Monday afternoon, on what was reported to have been a decision to order a change of venue in the cases.

Judge A. S. Moss, who was on the bench two weeks ago when a hung jury forced retrial on one of the cases against Mr. Adamson, was said to have ordered the change of venue to Childress County, where one or all the cases will be tried. District court opens its next term in Childress County the first week in January.

John Beverly of Pampa visited with relatives here Wednesday and Thursday.

Mr. and Mrs. J. R. Garrett and Mr. and Mrs. O. D. Kerr and family of Amarillo spent Sunday here with Mr. and Mrs. G. J. Teel.

MISS KATHLEEN RYAN AND BLACKBURN MONTGOMERY WED SUNDAY

The marriage of Miss Kathleen Ryan and George Blackburn Montgomery of Tulsa was solemnized in a single ring ceremony Sunday afternoon at 3 o'clock in the home of the officiating minister, the Rev. J. O. Quattlebaum, Jr. of the First Methodist Church.

The bride was attractively attired in a spice brown costume suit with finger-tip length jacket. She wore a large brimmed off-the-face hat of dark brown felt with brown suede bag and shoes. Her shoulder corsage was of small bronze rose buds.

Attending the couple were Mr. and Mrs. Jesse Mont Reid of Memphis. Mrs. Reid is a sister of the bride.

Mrs. Montgomery, who is the daughter of Mr. and Mrs. J. Earl Ryan of this city, is a graduate of the local high school and junior college. For the past year she has been employed by the Clarendon Abstract Company.

Mr. Montgomery, who is the son of Mr. and Mrs. J. B. Montgomery of Memphis, was graduated from Memphis high school and from the Spartan School of Aeronautics in Tulsa where he is now an instructor.

Immediately following the ceremony the couple left for their home in the El Patio Hotel in Tulsa.

Out-of-town guests for the wedding included the bridegroom's parents, Mr. and Mrs. J. P. Montgomery of Memphis, and Mr. and Mrs. George Wolters and Dorothy Jean Montgomery of Lubbock.

Joan Thompson, student at the University of Texas, was recently selected as one of 150 girls to attend the Naval Air Base graduation activities at Corpus Christi last weekend.

Estelle Thornberry and Phebe Ann Buntin of Canyon spent the weekend here with their parents.

J. WOODROW BULLS WEDS PAMPA GIRL OCTOBER 26.

At high noon on Sunday, October 26, Miss Louise Meador of Pampa, daughter of Mr. A. Y. Meador of Blooming Grove became the bride of James Woodrow Bulls in a quiet ceremony performed at the First Methodist Church of Woodward, Oklahoma. Dr. Eugene M. Antrim read the single ring ceremony.

The bride wore a wine velvet frock with blue accessories and wore a shoulder corsage of talisman roses. She was attended by Mrs. Tod Shy of Woodward who wore a gray tailored suit with a corsage of pink carnations.

Mr. Shy attended the bridegroom as best man.

Mrs. Bulls has been employed in the office of the Magnolia Petroleum company at Pampa. She was graduated from Pampa High School and attended West Texas State at Canyon.

Mr. Bulls, son of Mr. and Mrs. J. R. Bulls of this city, is a graduate of Clarendon High School and Junior College and the University of Texas where he was affiliated with Tau Beta Pi, honorary engineering fraternity.

Following his graduation, he was commissioned ensign in the naval reserve and since July has received special training in diesel engineering at Cornell University, Ithaca, N. Y.

The couple will be at home in Norfolk, Virginia where the bridegroom has been stationed.

Mantle Graves, Anna Moores, Mrs. Joe Ritter, Mrs. Simmons Powell, Mrs. Allen Bryan, Mrs. L. E. Thompson, Mrs. J. Gordon Stewart, and Mr. and Mrs. Pete Kuntz attended the first of a series of Panhandle Music Courses in Amarillo Friday night.

Mrs. Harold Bugbee attended the services at the Episcopal church in Shamrock Sunday afternoon. She accompanied Bishop Cecil Seaman of Amarillo who conducted the services.

Betrothal Of Miss Jacqueline Davis To Pat Slavin Revealed At Luncheon

The engagement of Miss Jacqueline Davis, daughter of Mr. and Mrs. L. E. Davis of Lubbock, and Pat Slavin, son of Mr. and Mrs. C. T. McMurtry of this city was announced at a luncheon Wednesday at Lubbock in the Hilton Hotel ballroom given by the bride-elect's mother.

The T-shaped table was lighted with white tapers and centered with azalea mums and gardenias, scattered down the board, interspersed with trailing greenery. The wedding date, November 29, was revealed on orchid match folders which were plate favors and lettered with "It's a Match Jackie and Pat".

The head of the table was centered with an arrangement of giant white and pale pink chrysanthemums and lighted with candles in crystal candelabra.

The honoree wore an orchid corsage and her mother and Mrs. McMurtry wore corsages of gardenias.

The list of thirty-five guests included Miss Laverne McMurtry of this city.

The couple will be married at 8 o'clock at the First Methodist Church in Lubbock. A reception will follow at the Hilton Hotel.

CLARENDON GIRLS HONORED AT WEST TEXAS STATE

Two Clarendon girls, both ex-students of Clarendon high school and Junior College, received high acclaim recently at West Texas State College when they selected as outstanding personalities on the W. T. campus.

Ethelyn Drennan, daughter of Dean R. E. Drennan and vice-president of Cousins Hall, was elected by the members of the junior class as their candidate for Personality Queen of 1941 to be pictured in Le Mirage, W. T. yearbook.

Mary Charlotte Word, daughter of Mr. and Mrs. Millard Word of the S. J. Ranch, has been chosen by the Buffalo "T" Club as an attendant to their queen who will be crowned at the 1941 annual homecoming game on November 8.

Mrs. B. F. Kirtley spent Sunday in Vernon with Mr. and Mrs. Ed Teer.

PUBLIC HEALTH AND SAFETY THEME OF BOOK CLUB PROGRAM TUESDAY

At the Tuesday afternoon Book Club program, Mrs. Rayburn Smith and Mrs. Lester Schull gave interesting and instructive talks on Public Health and Safety.

Mrs. Smith chose as her subject, "Fit for the Job of Defense" and Mrs. Schull, "Modernizing Traffic Court Methods."

The play "Aria De Capo" by Millay, given as a radio broadcast, was an entertaining feature of the program. Taking part in the play were Mrs. McHenry Lane, Mrs. George Bagby, Mrs. Frank White, Jr., Mrs. J. R. Porter, and Miss Gladys Wallis.

During the business session new officers for the 1942-43 year were elected. Filling the presidency will be Mrs. Frank White, Jr. with Mrs. Don Grady as vice-president; Mrs. John Gilliam, secretary; Miss Gladys Wallis, corresponding secretary; Mrs. W. E. Ray, treasurer; Miss Maurice Berry, parliamentarian; and Mrs. Charles Lowry, Federation counselor.

Mrs. Don Grady and Miss Lucille Polk were hostesses to twenty-two club members and one guest, Mrs. Marguerite Goodner.

METHODIST FELLOWSHIP CLASS ENTERTAINS WITH SUPPER

The Fellowship Class of the Methodist Church entertained with a supper at the church Tuesday night bringing to a close a contest that has been conducted on a drive for new members. The losing team with Mrs. Roy Blackman acting as chairman, were hosts for the occasion.

Climaxing the evening's entertainment of various games, a delicious plate lunch was served to Mr. and Mrs. Joe Ritter, Mr. and Mrs. Roy Blackman, Mr. and Mrs. Amos Yates, Mr. and Mrs. Mattke, Mr. and Mrs. Shadder, Mr. and Mrs. Gordon Bain, Mr. and Mrs. Adkins, Mr. and Mrs. L. L. Wallace, Mrs. Baird, Mrs. George Eanes, Miss Lucille Polk, Miss Dee Polk, Lu McClellan, Walker Lane, Bill Johnson, Willard Skelton, and the class teacher, Mrs. John Bass, and Rev. and Mrs. J. O. Quattlebaum.

MISSIONARY NOTES

The Women's Society of Christian Services of the Methodist Church met in joint business session at the church Wednesday afternoon.

Mrs. Nathan Cox, chairman, was in charge of the business with Circle I conducting the program. Kitty Ruth Baley sang "Sweetly Silent Thought" accompanied at the piano by Betty Jo Bartlett, and a reading, "Ladies Aid" was given by Mrs. A. L. Thornberry.

Guest speaker for the afternoon was Mrs. Elmer Hightower of Memphis who chose as her topic of discussion "Peace After War."

The Society will hold a rummage sale downtown all day on Saturday.

BAPTIST YOUNG PEOPLE HAVE HALLOWEEN PARTY

The Young People's department of the Baptist Church entertained with a Halloween party at the church Thursday evening. Halloween decorations were cleverly carried out with orange and black balloons and crepe paper streamers. Eerie jack-o-lanterns were scattered throughout the room.

Various games of appropriate nature filled the evening with fortune telling as the highlight of entertainment.

Popecorn and hot chocolate were served to eighteen guests.

Parent Teachers' Hallowe'en Carnival Is Entertainment, Financial Success

"Completely successful" was the report of both patrons and sponsors this week on the Parent Teachers Association Hallowe'en Carnival, held last Friday night at the Junior High and South Ward school buildings.

From the standpoint of patrons, the affair offered all that could be desired in the way of fun, entertainment, and good eats, with a little Hallowe'en pagentry thrown in for good measure. Celebrants thronged the carnival hall in the South Ward building for two full hours early in the evening, then moved over to the Junior High auditorium for the coronation of Duffie Dee Blair, the Carnival Queen. Candidate from Mrs. Headrick's first grade room, young Miss Blair, daughter of Mr. and Mrs. Harry Blair, ascended to the throne by virtue of winning a popularity contest in which representatives of all grades and junior high school classes were entered. In a colorful ceremony, she was escorted to the throne for the coronation by four youthful attendants, with queen's race candidates from all grades and rooms acting as princesses. The coronation program and stage decorations were arranged by Mrs. McHenry Lane.

For the sponsors' part, P. T. A. officials this week reported that the carnival was a financial as well as an entertainment success, with gross proceeds totalling \$162. Because of the wholehearted and unselfish cooperation given the planners of the event by teachers, students, and school patrons in all school districts served by the local schools, practically all the proceeds will go into the organization treasury, there being but small expense. P. T. A. officials expressed also their appreciation for the hearty support given the event by Clarendon and Donley County people, without whose attendance success could not have been achieved. Encouraged by this year's success, the organization plans to make the Hallowe'en Carnival an annual event.

STUDENTS OF C. J. C.

Clarendon Junior College has an enviable record in regard to its former students who win recognition in later life. It is not the fault or lack of attention on the part of the faculty if every student in school does not turn out to be someone great or at least noted. The school is highly represented in W. T. S. C. at Canyon as indicated by the issue "The Prairie", the college newspaper. We are proud of the accomplishments made by our former, fellow school mates.

Ethelyn Drennan was elected by the Junior class as their candidate for personality queen of 1941 to go to the La Mirage yearbook.

Zackie Salmon seems to have an outstanding friend and admirer in the air corps. You remember Zackie. She is the cute little dark-headed girl from Brice.

Jean (Country Club) Taylor is in Canyon repeating the history her sister made before her. Oh what a family of romanticists. Students think hard and see if you can not remember that outstanding character of the Word family, Mary Charlotte. She was chosen by the Buffalo athlete along with other pretty co-eds of W. T. S. C. to be an attendant of their queen. This is a special attraction for the Homecoming game on November the eighth.

SUGGESTIONS FOR INVENTORS

Why doesn't some inventor invent more beautiful girls? Wouldn't it be wonderful if someone could invent a date for the dateless?

An inventor could make some money if he would invent a way to get around the income tax. (A helpful suggestion: Get married.)

How would you like to go to a movie where you had a private seat inclosed in a little room, and all you had to do was look through a small window and see the show? There would be nobody to bother you, no baby walls to listen to, and no one stepping on your feet. You could really have a swell time.

Here is an idea for a young inventor. Why not invent a car that does not use gas or oil, has an automatic radio that plays when your girl friend is in the mood, and when a tire goes flat changes by itself.

The inventor of the above might also invent a country lane that does not have any owls or bats flying about to disturb the other occupants of the lane. Also a big bright yellow moon could be placed just coming up over the tree tops.

Why doesn't someone invent an inventor to write this column? (Also we wonder who invented the column itself?)

A radio which automatically turns itself off when the listener falls asleep would be a big help. A device for getting chemistry problems would be wonderful. If you don't believe it ask any college chemistry student!

A patent medicine which will do what it says it will, would be a good invention. Device for signing excuses exactly like the students' parents would be welcome by all.

Band Holds Weekly Rummage Sale

Because of the bad weather last Hallowe'en night the Clarendon High School band was not able to attend the game at Lakeview but they sent their moral support.

The band will be at the game Friday and encourage the Bronchos with their cheers and music. The performance to be given at the half was worked out Tuesday at the customary band period. The formation will be a star and the band will play the "Eyes of Texas."

For the past week the band has been planning to go to Canyon Saturday, November the eighth, and assist West Texas State College with their home coming. These plans will become a reality if the weather is satisfactory and the transportation can be provided.

This trip will not prevent the band from having the weekly rummage sale. Some of the band mothers have rallied ably and are to be on duty at the rummage sale that day. Last week the band made \$18.00 and they hope to make even more this week.

HOME ECONOMICS

The National Defense program is changing, greatly, the problems in Homemaking. Many new discoveries and inventions are being advertised to draw the attention from the old ones that require materials needed for defense.

Glass cooking utensils will be used to great extent in the near future in order to reserve the aluminum supply for more important uses. Glass has been used infrequently before, but never to the extent of everyday use.

Canned foods will scarcely be found on the grocery shelves in cans, but in glass, fibre or plastic containers. This change draws nearer as the need becomes greater for tin in the Defense Program.

There is no immediate alarm necessary as these products will not be inferior substitutes. In many instances the change is better and is very satisfying to the general public.

This change also affects clothing. Cotton is being substituted in many types of clothing. This reserves the silk and woolen materials for National provisions. Ladies were simply outraged at the thought of the extinction of silk hosiery. However, the matter was settled with a good substitution that is proving very satisfactory.

JUNIOR NEWS

Hello everybody, this is station J U N I O R from old C. H. S. bringing you the weekly news.

We have a new student in school. His name is Jack Brigance and he is from Pampa. He is a Junior. Everyone hopes that Jack will like Clarendon and Clarendon High School.

This week there is another personality of the Junior class. She is a very attractive girl, and really does catch all the boys' eyes. She came here from Martin and was stung girl for the pep squad last year. She has brown hair and blue eyes.

and ask, "Would you care to dance?" or "May I have this dance?" The young lady should reply, "Certainly," or "Yes", I'd love to very much," or say nothing at all, just turn to the man and start dancing with him.

3. If a young lady does not want to dance she should say, "Not just now I am very tired." Or she should invite him to join the group she is with. The only way she should flatly refuse is when the man is intoxicated or otherwise offending when the refusal is justifiable. If she is dancing she may not refuse to changing partners.

4. In cutting in a man should lay his hand on the gentleman's shoulder, and the latter should walk away politely. He may not cut back on the same man. He may "cut in" on a third man though. He should never continue to "cut in" on the same man when he is dancing with another girl.

BRONCHOS BREAK LOSING STREAK, WIN AT LAKEVIEW

Clarendon's Bronchos turned their losing tide into victory at the expense of the Lakeview Eagles at Lakeview Friday night, pushing through a yardage-gaining ground game and capitalizing on two good breaks to force into pay dirt four times. In four quarters of heads-up play, the Bronchos ran up 26 points, against a 7-point tally recorded by the Eagles.

The Bronchos scored in each period, starting off their winning march right in the first frame with a pass interception by Taylor on the Eagle 31. The Eagle forwards opened up after three tries by Bronco backs, and on the fourth Arlis Allison went through for the first score. Basil Smith, the Bronco able field general, converted for the extra point.

In the second quarter, the Bronchos went to work on weak spots in the Eagle line, and pushed downfield from the mid-way tripe to score again, with Smith carrying on the final plunge. Again, Smith's conversion attempt was good.

Following a lively half-time show by the Broncho band, the Bronchos went back to work, only to see a fumbled kickoff captured by Lakeview on the Bronco 21. A pass made the Eagles only touching down in short order, and their try for extra point was good.

The Bronchos came back strong on the next kickoff, taking the ball on their own 19 and holding it straight down the field to the final marker for their third score.

In the last period, another Eagle pass went astray, with Bill Thornberry breaking up the play and turning an interception into a 58-yard gallop for the climaxing score.

Encouraged by good football weather, a better crowd of Bronco fans than recent games had drawn were on hand to cheer

thir boys along, and the Broncho band under Hugh Harmon's direction did its share in providing music and pep between plays and at the half.

Mrs. Robert Linder and son who have been visiting here with her parents, Mr. and Mrs. C. C. Powell, returned to their home in Floydada Sunday.

FOR GOD AND COUNTRY

THE LEGION CARRIES ON:

The American Legion assembled in convention at Milwaukee on September 15 last. Uppermost in the minds of those assembled was a purpose to aid in promoting national unity. The decisions were reached by democratic processes and therefore represent the composite judgement of an organization which has the greatest record of any group in America for sound thinking upon matters which concern our Country's security. They expressed confidence in our Government, our President, our War and Navy Department and pledged their support of the American Legion. They approved and endorsed the policies of the President and Congress and urged all Americans to unite in support of our Government to the end that the American way of life may survive. **THE AMERICAN LEGION CARRIES ON.**

Old Beck's Collar

On the farm we learned that when Old Beck's collar pinches it rubs a sore spot and cuts down her pulling power.

Sometimes the financial collar of a man rubs a sore spot and cuts down his efficiency. Scattered obligations, high interest rates, installment purchases, the red tape of some lending agencies, are some places that make the collar pinch.

Maybe our Bank can make a better fitting collar by a re-financing plan. Come in if you have a money problem and we will talk it over.

Mr. and Mrs. Andrew Watkins and children of McLean spent Sunday here with Mrs. Watkins' parents, Mr. and Mrs. M. A. Hahn. recalled this week that Palo Duro Brown lived with his parents on the JA ranch in its early days, shortly after it was founded by Colonel Charles Goodnight. The family later moved to Old Clarendon, then to the new town, which Palo Duro left following the death of his parents, and about the time he reached manhood, to join the American Army in the Spanish-American War. After the war, young Brown stayed with the Army, serving in the Philippines for about 20 years before retiring. He then moved to Tokyo, to accept a position from a close friend, William Wrigley, as Tokyo managing director for the Wrigley Company. Several years ago he left the Wrigley Company to go in business for himself, dealing in machinery. A nephew of Mrs. Julia Beverly, Brown has kept in touch with Clarendon through correspondence with her during all his residence in the Orient. Early in October Mrs. Beverly received her last letter from Japan. It had been mailed in July, at which time Mr. Brown mentioned that he hoped to leave Japan but did not know whether it would be possible to get out to America. Press dispatches from Seattle quoted Mr. Brown as saying that he planned to remain there for the present, and might go to Washington later. His local relatives did not know this week whether the Browns would pay a visit to Donley County in the near future or not.

War Conditions Force Former Donley Man, Resident In Orient For Many Years, To Return To America

A Donley County native son, who left his home in Clarendon over 40 years ago to fight in the Spanish-American war, then made a career as an army man and business executive in the Orient, returned to his native land Saturday, when the Japanese liner Hikawa Maru docked at Seattle. The liner brought 156 Americans home from Japan, among them P. D. (Palo Duro) Brown, the native Donley Countian, his Japanese wife, and their five children. All were returning to America because of the precarious international situation and difficulty of living in the land of the Rising Sun since the freezing of American credit, and tightening of Japanese trade restrictions. Happy over their arrival in America, a new land for all but Mr. Brown, the Browns had to postpone their home-coming celebration for a few hours after the ship docked, while Mr. Brown made arrangements with the State Department for the admission of his wife, who is a Japanese citizen. A special permit had to be issued for her, and regulations requiring the posting of a bond before she could step on American soil. The Brown children, meanwhile, looked forward to seeing a country they knew rather well from their father's description and from their visits to moving pictures in Japan. Ranging in age from three to 18 years, they were all enthusiastic over their new home. Old-time Clarendon residents
