CLARENDON, DONLEY COUNTY, TEXAS, NOVEMBER 19, 1942

A Common Paper for Common People

Donley 4-H Club Boys Feeding Out Many Fine Beef Animals

Donley county 4-H Club boys will have good livestock to display in the Spring Show held in March of each year in Donley county, according to a statement by county agent H. M. Breedlove of the Texas A&M College Extension Service. Approximately 50 head of hogs and ten beef calves will be displayed by the club boys.

"The hogs for the spring show are the best that have ever been fed by my boys," Breedlove states, "and the calves are developing to be some of the best that we have had on feed at this time of the year. The boys will offer plenty of competition in the spring show, both at Clarendon and Amarillo.

"Some of the calves at this time are the best that we have ever had at this season of the year. The boys are working hard with their demonstrations, both for the reason of having them ready for the spring show and also to produce meat for the armed forces.

"Club members throughout the nation have done much to feed livestock as their demonstrations, and in this way put more fat beef available for the boys in the army and also to make more beef and pork available for the people at home.

"Every boy in the county should have a demonstration to work on, and the demonstration should be the one of demonstration that will do work while to the war effort. I ask that every boy who does not have some kind of a club demonstration to let me know what kind of demonstration that he is interested in working with and I will be glad to help him in his work.

"All 4-H club boys are busy with their demonstrations, but this is a chance for the boy who has not become a club boy to get lined up and start helping to produce feed for Victory. This will be one of the slogans of the Donley county 4-H club boys in 1943, 'Produce Feed for Victory.'

LEADER TO BE DAY EARLIER NEXT WEEK
Due to the fact that next Thursday, the 26th, is Thanksgiving day, your Donley County Leader will be out a day earlier. Our rural news writers will please get their news in a day earlier. Advertisers will greatly oblige by getting their copy ready a day earlier. All places of business in Clarendon are expected to close for the day, a few of them a part of the day, the Leader was informed today.

VISIT IN PLAINVIEW
Mr. and Mrs. Doss Palmer attended to business in Lubbock Tuesday. On the return trip, they stopped for a visit with his brother, Alfred Palmer and family at Plainview.

Vocational Agriculture Department Receives Needed Shop Equipment

The local Vocational agriculture department of the public school received approximately \$500 worth of wood, metal, and electric shop equipment this week. V. A. Instructor J. R. Gillham and a group of the future farmers made a trip to Canadian Wednesday to secure a major portion of the equipment.

The equipment will be used by the vocational agriculture classes and will also be used in conducting farm machinery repair and other similar courses this winter for Donley county farmers.

A jig saw and a large amount of other woodworking equipment, forges, wrenches, electric drills and valve grinders, and a large amount of automobile mechanics equipment were among the items received.

Lion Scrap Drive Shows Gain

Lee Bell, chairman of the local Lions Club scrap committee, announced today that the Lion scrap drive was gaining momentum, but that more scrap should be coming in earlier.

Mr. Bell suggests that school children and others bring their scrap in before show time Friday afternoon. Should everyone wait until time for the show, there will be much delay.

The picture featured at the Cozy Theatre Friday afternoon is "United We Stand." It is a picture that government officials have asked that everyone see, if possible. It is a resume of happenings since the last world war, and is very educational. In addition, "Russia Our Fighting Allies," a March of Time feature, will be shown.

The admission to this show is ten pounds of saleable scrap metal, rubber or kitchen fat and this scrap may be weighed in at any of the local schools or the Pastime Theatre before Friday afternoon, and at the Cozy Theatre before the show.

The drive is sponsored by the Clarendon Lions Club and all money received from the sale of the scrap will be used for local charity or to buy War Bonds.

The motion picture for the show will be furnished free by the Twentieth Century Fox film Co., and the H. Mulkey Estate will furnish the Cozy Theatre Friday afternoon without charge.

You are urged to turn in some scrap whether you can see the show or not.

ATTENDS MEETING
Rev. E. L. Moody attended the State Baptist Association at Fort Worth last week.

Union Thanksgiving Program To Be Held Wednesday, November 25th

Arrangements have been completed this week for the annual Union Thanksgiving program Wednesday night, November 25, at 8 p. m. at the First Christian Church.

Rev. G. T. Palmer, D.D., will be the principal speaker, delivering the special Thanksgiving sermon. The choral group of the McDowell Club will be in charge of the music.

The offering will be given to the China relief. The entire public is cordially invited to join with the members of the various churches in observing this annual custom in Clarendon.

3,910 BALES COTTON GINNED TO NOV. 1

The Department of Commerce has announced that Donley county farmers have ginned 3,910 bales of cotton as of November 1st. Only 500 bales were ginned at this date in 1941. It is estimated that this is about a third of the crop that will be ginned this year which is expected to reach around 14,000 bales.

ANNOUNCEMENT
Penhye Lynelle, an 8 lb. girl, was born Friday, November 13th, to Mr. and Mrs. J. C. McKinley Jr. at Amarillo. Mrs. McKinley will be remembered as the former Joyce Link, daughter of Mr. and Mrs. W. T. Link of Clarendon.

TO THE PRODUCERS OF DONLEY COUNTY.

Donley County ACA
Walter J. Flynt, Secretary

The election which was held on November 13, was not all that we had hoped it would be, due to everyone being so busy, but since there was such a small attendance we hope that it was at least representative, and that the ones that did not attend the election will be satisfied with the judgment of the ones that were there.

The report of the election is as follows, giving the name of the chairman first, other members next and the last as delegate to County Convention:

Community A—Haskell Hay, W. C. Higdon, Ernest Lamb, J. E. Kerbow.

Community B—W. A. Poovey, Geo. Bulman, Richard Cannon, W. A. Poovey.

Community C—R. O. Thomas, Melvin Rampy, V. V. Johnston, R. O. Thomas.

Community D—Carl Naylor, Newt Waldron, Donald Harlan, W. M. Pickering.

Community E—J. Holley Wood, Harvey Shaw, W. W. Raney, J. Holley Wood.

Community F—Held no election as there were not enough there, but will be held at a later date.

Community G—J. H. Alexander, Charlie Crow, Jay Hunt, J. H. Alexander.

Community H—Dewey Wood, Ted Glass, W. O. Hommel.

The Delegates to the county Convention was held at ten o'clock Saturday 14th, and the following were elected: County Committeemen and alternates: Chairman, Nolie Simmons; Vice-Chairman, Roy Jewell; regular members, W. M. Pickering, Ray alternate, R. O. Thomas, 2nd alternate, G. F. Leathers.

Operators will be reminded that Applications for Payment are ready to sign, and even though you have not earned your full soil building payment and your Application cannot be submitted until December 1, we are urging you to come in and sign, so that we may get your application off as soon after Dec. 1 as possible.

VISITS PARENTS HERE

Mr. and Mrs. B. L. Jenkins Jr. and son, Britt of Amarillo visited his parents, Mr. and Mrs. B. L. Jenkins, Sunday.

MOVED TO CLOVIS

Mr. and Mrs. Dexter Todd have moved their home to Clovis where Mr. Todd will be associated with a Funeral Home there.

THANKSGIVING PROCLAMATION

Whereas it has been the custom of the people of the United States to set aside one day in the year for Thanksgiving and prayer, it is especially fitting at this season that we all be called to worship.

Therefore, I, Mayor of the City of Clarendon, do hereby designate and set aside Thursday the 26th of Nov., 1942, as a day of Thanksgiving, and request every citizen of Clarendon and surrounding communities to cease from their labor and devote a portion of that day to offering thanks to Almighty God for the privileges of American citizenship, freedom, liberty, the right to worship, the right of expression, and especially thankful that we live in a land of plenty.

While we are giving thanks to Almighty God for his blessings, let us offer a prayer for those in foreign lands who are denied these privileges. Let us offer a fervent prayer for our boys in the training camps, and those over seas, who are fighting to preserve our liberty and perpetuate our way of life; and ask God to give our President and his aides, that wisdom that will enable them to direct this war so that peace and plenty will come to the people of the earth.

Let us especially pray that in the changing world that will follow the war, we may be prepared in mind and heart to render a greater service to humanity, to our country and our God.

This is my proclamation.

TOM F. CONNALLY,
Mayor

CHAS. LOWRY IS NEW POST COMMANDER AMERICAN LEGION

At a meeting of the Aubyn E. Clark Post 126 American Legion Tuesday night, Chas. Lowry was moved up to the official rank of Post Commander to fill the unexpired term of C. Huffman who recently resigned.

All other officers were moved up accordingly with Joe A. Holland being elected third Vice Commander to fill the vacancy that occurred in the shifting of officers.

FIRST LETTER TO SANTA ARRIVED THIS WEEK

Bobby, three year old son of Mr. and Mrs. Lee Bell, is not intending to be late in letting Santa know what he wants for Christmas. His being the first letter, we are publishing it ahead of time instead of waiting for our regular Christmas Edition.

Dear Santa Claus:
Come to see me and bring me some candy and tools. Is a sink and stove sissy? If they're not, I would like that too, and bring Hotcha some candy and tools, too.

Your friend,
Bobby Bell

Hedley Parent-Teacher Association Harvest Festival November 27th

The Hedley Parent-Teacher association has made all arrangements for their Harvest Festival to be held Friday, November 27 at 8 p. m. at the Hedley school auditorium. Everyone is invited to take in the affair and a grand time is guaranteed by those in charge.

The Harvest Festival General Committee, with Charles Rains as chairman, has appointed the following to be in charge of the various activities:

Bingo—Red Doherty, C. L. Johnson, W. L. Mosley, H. H. Hall, Hamburgers—Charles Rains, Ted Dudley.
Donations—Mesdames Ray Moreman, Chas. Rains, Snowden, W. L. Mosley.

Coffee and Pie—Mesdames Royce Hall, Jap Shaw, Ed Todd.
Cakes—Mesdames C. L. Johnson, Tom McDougah, Jess Beach.

Goal Pitching—Leon Reeves, J. W. Bradshaw.
Publicity—Miss Alice Bishop, Mrs. Myrtle Tinsley, Mrs. Mary Reast.

Queen Coronation—Mrs. Elvia Davenport, Miss Rita Zo Davis.
Fortunes—Mrs. Ruby Tidwell, Miss Loyd Richerson.

Soft Drinks—Mesdames Opal Murray, Barney Johnson.
Ring Pitching—C. O. Hill.
Popcorn and Peanuts—Mesdames T. J. Cherry, Bill Seales.

Minstrel—Mrs. L. A. Snowden, Mrs. Robt. Watkins.
General Cashier—Ray Moreman, C. R. Lemond.

Dry Goods Store To Open Soon

A two year lease was taken Tuesday on the store building of Mr. and Mrs. Will P. Chamberlain, formerly occupied by the Mellinger & Rosenwasser firm.

The party making the lease was Ben Saied of Sweetwater, Texas. Mr. Saied formerly conducted a drygoods store here some twelve years ago, afterwards moving to Wellington, and later to Sweetwater.

The Saied family will move here soon, and the store is scheduled to open with a complete stock between now and January 1st, Mr. Saied stated.

JOINS AIR CORPS

Jimmie Gene Thompson, son of Mrs. Margaret V. Thompson, was inducted into the Air Corps at Abilene last week. He will report for service the first of next week.

BACK ON VISIT

Mr. and Mrs. C. G. Speed of Dumas were Clarendon visitors Wednesday. Both Mr. and Mrs. Speed are employed at the Cactus Plant there.

VISITS PARENTS HERE

Mr. and Mrs. Ernest Kelly spent last week in the June Taylor home. Mrs. Kelly will be remembered here as Madelyn Taylor. At present she teaches at Lockney. Mr. Kelly is in the U. S. Service at Abilene.

Fall Fair Receives National Publicity

Pictures of winners at the recent Fall Show and a story of the show and sale are being run in current issues of a large number of leading farm magazines of the nation. Among the magazines carrying these pictures and stories are The Progressive Farmer, The Farm and Ranch, The Farmer Stockman, The Agricultural Readers Digest, The Hampshire Herdsman, The Swine World, The Chester White Journal, The Poland China Journal, and West Texas Today.

The strong support of the local merchants and the outstanding records developed by the Clarendon F.F.A. youths has brought probably a wider state and national publicity than any other organization or work in the entire county. During the past week, chapters were received from F.F.A. chapters in Illinois, Iowa, and Minnesota for copies of the program of work of the local chapter.

Gasoline Rationing Sign-ups Started This Morning

Gasoline Rationing Date Changed To December 1st

Official confirmation has been received from the State Director of the postponement of mileage registration, and the resetting of the dates for such registration to November 19, 20 and 21. The effective date of gasoline rationing is therefore changed to December 1, 1942. Dealers registration will take place December 1 and 2, instead of November 23 and 24th.

The above changed dates will not, however, effect the Tire Inspection Program, but certain changes in the issuance of copy books will be necessary. The approval of transportation rationing and the issuance of T-1 and T-2 books should require the Board to reduce the gallonage allowed by the Office of Defense Transportation for the period November 22 through December 31st by 20% to compensate for the period from November 22 to December 1, during which no rationing coupons will be necessary for the transfer of gasoline. The advancement of the effective date of the Mileage Rationing Regulations serves to give a bonus to basic "A" coupon book holders since the coupons covering the period from November 20 through November 30 are not to be torn from their books.

The delay in rationing until December 1 should allow practically every commercial vehicle to be covered by a certificate of War Necessity. Those who have applied for but not received certificates of war necessity by November 30, and have not been denied such certificates by the Office of Defense Transportation shall be granted temporary transportation ration.

BERT SMITH JR. MOVED TO OKLA. CITY

Bert Jr., son of Mr. and Mrs. Bert Smith, who was badly burned about six months ago, was moved from an Amarillo hospital to St. Anthony's hospital in Oklahoma City Tuesday in a Buntin ambulance.

The lad had been helping other boys paint the walls of the swimming pool at the Smith home at the time of the accident. He went into the wash house and applied gasoline to his lower body parts and limbs to remove paint since he had been working only in shorts. Fire from a hot water heater in the wash room ignited the gasoline resulting in critical burns.

He is said to be improving at this time and made the trip to Oklahoma just fine. A prominent Oklahoma City specialist is said to have taken his case in charge and lends much encouragement toward his faster recovery. Mr. and Mrs. Smith accompanied him in the ambulance.

CALLLED TO MEMPHIS

Mrs. R. E. Duncan was called to Memphis Wednesday afternoon to be with her sister, Miss Lena McLearn who underwent a major operation there.

VISITING DAUGHTER

Mr. and Mrs. Alexander of Wellington are visiting their daughter and husband, Mr. and Mrs. Charlie Bairfield.

SISTER OF R. E. DUNCAN DIES IN FT. WORTH

Word was received here yesterday that Mrs. Mollie McKinley, sister of R. E. Duncan, passed away at her home in Ft. Worth Wednesday morning. Her body will be brought to Memphis for burial Friday.

The M-System will be closed all day Friday, Mr. Duncan announced.

VISITING AT DALLAS

Dr. and Mrs. B. L. Jenkins left Monday for a visit with their son, Oscar Jenkins and family at Dallas.

Registration For Car Owners At Junior College Building

The Gas Rationing Sign-up began this morning at the College building at 8:30, and will continue through Friday and Saturday, November 20 and 21st.

You cannot register if you own more than five tires—one for each wheel on the ground and a spare. Persons with trailers are allowed one tire for each trailer wheel on the ground, but no spare for the trailer.

You cannot register unless you take along the receipt you received when you bought the license plate for your car. If the receipt has been lost you can obtain a

The registration on November 19, 20 and 21st in Clarendon will be at the Clarendon College in the Typewriting Room from 8:30 in the morning until 4 o'clock each day. Each person applying for a basic ration must have the serial number of the five tires that they have for their passenger car and also their 1942 Registration Receipt. Without this information you will be unable to receive a ration book.

duplicate from the tax office in the county in which your car is registered for license plates. Certificates of title and drivers' licenses won't work; you have to have that receipt or a duplicate.

Those conducting the registration at the College building will not register trucks, buses and fleets of trucks and automobiles (a fleet is composed of three or more cars owned by one person and operated for the same purpose). The school will not register you for supplemental gasoline ration—that is, any extra amount you may think you need. The registrars at the school can give you application forms for additional ration, but these forms must be filed with the rationing board.

Members of the Federated Clubs are asked to help in the registration for gasoline to be held at schools over the county Thursday, Friday and Saturday. Persons willing to help are asked to get in touch with Mrs. Frank White Jr., Mrs. J. H. Howze or Mrs. Frank Bourland. Mrs. Howze stated that Mr. Burton would give instructions as to filling out forms and other particulars.

BUILT BY INDIVIDUALS

The electric light and power industry has been continually among the fastest growing of all forms of enterprise. This statistical fact, dug up by the Brookings Institution, must come as a shock to those who have taken the claims of the power politicians at face value.

In the 60 years of its existence the electric industry has revolutionized human existence. Prior to 1900 it supplied lights. After the turn of the century, it entered full stride, bringing both light and power to factory and home. By 1914, the factories of this country had 3,885,000 horsepower of motors driven by purchased electricity. When World War II began in 1939, our private electric utilities were supplying 29,888,000 horsepower to our factories aside from a lighting service to American homes without counterpart anywhere in the world. We now use nearly two billion kilowatt-hours per year of power developed for American consumers by the private electric utility industry.

This is the answer of the power industry to those who claim it has failed in its trust. Its whole history has been one of efficient, continuous expansion which demonstrates more powerfully than words can express, the deeds that can be accomplished when the spirit and pioneering instinct of men are not dominated by government. We would be a beaten nation today if the advocates of socialized industry had accomplished their aims. This is not an

opinion. It is a fact, not even controverted by the magnificent performance of socialized Russia in stopping the German war machine; most of the technical achievements behind Russia—and Germany for that matter—were the creation of individual effort, not of socialized government.

Our certainty of winning the war is increasing by the hour. Why? Because individual effort is still the guiding light in our nation. Like our Flying Fortresses, the electric industry is a product of individual effort. Both will improve with time even more if we leave their future in the hands of truly free men such as those who created them.

PILLAR OF FREEDOM

According to one of the leading public opinion polls, only 41 per cent of the American people are definitely opposed to Socialism. Thirty-eight per cent definitely favored some form of collectivism and 34 per cent were not even sufficiently interested to express an opinion. And these are the same people whose best men are fighting a bloody global war to defeat Socialism! They are the same people who wave the flag with pounding hearts at pep meetings. They are the same people who man our lonely spotter posts or who carry on the tasks of civilian defense. And they are the same people that are working long hours in our war industries. Such confusion of ideals is beyond understanding.

The Saturday Evening Post

brutally sums up the situation: "For centuries, technological advancement has made the individual less and less capable of organizing and directing his own work. Hence, someone else must direct it. The only two agencies that can do this are (1) the private enterprisers, using free labor, and (2) the government, using Hitler's type of labor. We must choose between freedom and state control. Those who say that the people can collectively direct their own industrial efforts are either liars or fools."

The Post then observed that there is one rock of truth to which the common man can cling amid the involved political and economic issues surrounding him, one pillar of freedom which is the key to all freedom: "Economic freedom. The freedom to develop his productive abilities, sell them to the highest bidder and retain for himself and his family a fair share of the benefits. When this freedom is destroyed, the entire democratic structure goes with it."

It is time we kicked our pseudo liberals and "frontier thinkers" upstairs. They have no faith either in the American people or their institutions. And in this day wars are not won and freedom retained by people without faith in freedom.

THEY MIGHT BE ALIVE TODAY

Admiral Moreell, chief of the Navy's Bureau of Yards and Docks, in an address to the American Federation of Labor convention at Toronto, put the American workmen—and labor leaders—square on the spot.

Among other things, he told the workers that "you cannot have your cake and eat it too. You exist by virtue of the fact that this is a democratic country and, therefore, you have to preserve and protect democratic institutions. When the country is in peril, as it is today, all rules must be relaxed or waived completely. It is just as sensible for you fellows to take the position that a brick mason cannot, in time of emergency, help out with the placing of a steel beam, as it is for a marine to take the position that, because he is trained as a machine gunner, he cannot use a rifle or unload a landing boat. What a hell of a war this would be if such rules were applied to the boys on the firing line.

... no one can live without labor, but they certainly can live without labor unions. They are living without them in Germany and in Italy, and in Japan - and they will damn well live without them here if all of you don't get in there and pitch."

United States Civil Service Recruits Civilians With Special Skills

Federal offices in Washington, D. C., need teletype operators and office appliance repairmen, the U. S. Civil Service Commission announces. In addition, Federal laboratories throughout the United States are in need of Junior Chemists and Chemical Aids.

A LIVING SYMBOL

Families or parents who have men in military service have something to be thankful for that they probably do not fully appreciate as yet. Our military forces enjoy the most technically perfect, the most humane medical care ever conceived. The best men from the ranks of medicine are in uniform.

An incident that happened recently aboard a battleship "somewhere in the Pacific" may not prove unusual. An enlisted man was abruptly stricken with acute appendicitis. After a successful emergency operation in the ship's surgery, he found himself attended by his family doctor from his home town. The feeling of confidence and reassurance that flowed into the heart of the patient can well be imagined! Such incidents by repetition will become one of the biggest morale boosters both on the home front and the military front.

The doctor is a vital connecting link between the service men and the country for which they fight. And he takes far more into the Army with him than the skills of his profession. He takes with him the cream of American character instilled in him through years of study in our cultural and medical institutions. He is the best that our way of life can produce. He is a living symbol to the men at the front of the principles of integrity and decency that we are fighting to save.

Machinery Needed Now Gets First Call

College Station, Nov. 18—Quotas on some types of farm machinery and equipment will be announced within the next few days.

Plows, harrows and planting machinery and other types of equipment needed during the winter and spring will be covered in the first quotas, the Texas USDA War Board has announced.

When state quotas are received, county quotas will be established and sent to all parts of the state immediately, the board said in explaining that county quotas must be established before rationing committees can begin work since purchase certificates cannot be issued in excess of the machinery allotted to individual counties.

Although the state war board is responsible for the rationing of farm machinery, a working committee is being appointed for considering methods of making equitable distribution to Texas counties. The committee will include members who have comprehensive knowledge of farm machinery problems throughout the state.

REMEMBER PEARL HARBOR - BUY DEFENSE BONDS.

Operators of multiplex, simplex, or teletype machines may qualify for the Washington positions if they have had at least 2 weeks of appropriate training or experience and can type accurately by touch 35 words a minute on a communications machine. Positions pay \$1,440 and \$1,620 a year.

Office appliance repairmen with 1 year of experience maintaining, repairing, and overhauling typewriters, calculating machines, addressograph and graph-type machines, folding machines, teletype machines, or similar office equipment may qualify for Washington jobs that pay \$1,860 a year. Typewriter repairmen are especially needed.

There is no written test and no maximum age limit for any of these positions. Applications should be filed with the United States Civil Service Commission, Washington, D. C., and will be accepted until he needs of the service have been met.

Victory Leaders Called On

College Station, Nov. 18—Gov. Coke Stevenson, chairman of the National Defense Committee for Texas has requested the A&M College Extension Service to use the "human chain system of communication" in informing the state's rural families about the government's Share - the Meat campaign, according to Extension Director H. H. Williamson.

In this movement the Extension Service and the community and neighborhood Victory leaders will cooperate with the OGD and State and county nutrition committees.

Briefly, the Share-the-Meat program is a campaign for voluntarily dividing fairly the pork, beef, veal, lamb and mutton which is available for civilians after the needs of the armed services and lend-lease commitments have been met. The "sharing allowance" of two and one-half pounds per adult per week includes only the muscle meats, not fish, poultry, and the "variety meats" such as hearts, kidneys, livers, sweetbreads, and the like. Since October 1, Director Williamson explains, deliveries of

"muscle meats" for civilian consumption have been reduced considerably. That means homemakers who cannot shop early and "dingers-out" who get to restaurants late in the meal, may not be able to get their share of meat. "Although families who are heavy meat eaters are asked to limit their consumption, no one expects a person now eating less than two and one-half pounds to cut his consumption. Instead, he should eat his allowable for the sake of good health," Director Williamson says.

ODT MILEAGE RATIONING POSTPONED

Since nationwide mileage rationing has been postponed to December 1, ODT also has postponed its mileage rationing program for commercial motor vehicles from November 15 to December 1st. This will give commercial motor vehicle operators an additional 15 days in which to obtain their certificates of war necessity. District offices of ODT are remaining open from 8 a. m. to 8 p. m. to aid commercial motor vehicle operators in the last-minute rush to obtain certificates of war necessity. Offices will also remain open all day Sunday, November 22. Certificates are required to obtain gasoline ration books and for the purchase of gasoline, tires or repair parts.

Salute America's Automotive Mechanics!

They Serve America by Keeping Our Cars and Trucks Serving for Victory

Why America's Cars and Trucks Are VEHICLES OF VICTORY*

- Sole transportation for war workers in many communities.
- Sole transportation for war materials in many communities.
- Six out of every ten farms use one car or more.
- 67 per cent of all farm car mileage is necessity driving.
- Many war plants depend on trucks to haul all "Victory" freight.
- Trucks alone serve 54,000 communities not reached by railroads.

All signs tell you—**MORE PEOPLE GO TO CHEVROLET DEALERS FOR SERVICE**

The automotive mechanics of yesterday are the Victory Service Men of today. . . For it's up to them to maintain the motorized transportation system which carries men and materials to and from America's war plants, America's farms, America's other essential industries. . . They know their job, and they're doing their job! . . . Help them to keep your car or truck serving for Victory by getting skilled service now and regularly.

*All statements based on reports compiled by the Michigan State Highway Department and the Statistical Department of A. N. A.

THE TEMPLE OF TRUTH

By the Apostle
 PREACHER SAID IT.
 Real religion is defined by a prominent clergyman as follows: "Get religion like a Methodist. Experience it like a Baptist. Be sure of it like a Disciple. Stick to it like a Lutheran. Pay for it like a Presbyterian. Constitute it like a Congregationalist. Glorify it like a Jew. Be proud of it like an Episcopalian. Practice it like a Christian Scientist. Propagate it like a Roman Catholic. Work for it like a Salvation Army lassie, and enjoy it like a colored man."

QUOTE:
 Hastoon Yazzies second son

from the oldest has returned from Arkansas where he has been the past few years peddling sewing machines and holding revivals. Unquote.

GAY COUPLE.
 Mrs. Elizabeth King, aged 85, and William Donehue, aged 86, married Sunday. They became acquainted while attending dance parties at a roadhouse near Lake

Worth, and shuffleboard and bridge affairs in the big city of Ft. Worth.

SUGGESTION.
 If you grow tired of coffee, meat and sugar rationing, young man, you can sign up with the army where supplies are plentiful.

ANNOUNCEMENT.
 Love begins when she sinks in-

to your arms—and ends with her arms in the sink.

NEW STUFF.
 If you see "B.S." on a party invitation, don't think some one is fooling you. It simply means "Bring Sugar!"

HEARSAY.
 You have probably heard about the optician's daughter. Two glasses and she made a spectacle of herself.

ADVICE.
 Call a plane "she," but don't call a "she" plain.

WEAKLY POME.
 Mary had a little lamb, His hair was white as heck, And every where Mary went, The poor sap signed a check.

A RECIPE TO TRY.
 A dear old Quaker lady, distinguished for her youthful appearance, was asked what she used to preserve her charm. She replied sweetly, "I use for the lips, truth; for the voice, prayer; for the eyes, pity; for the hands, charity; for the figure uprightness, and for the heart, love."

OH, MY GOSH!
 Ringing in a rainstorm, a bar-knife, a fiddle bridge and the ingenuity of Ima Fizzle, you may read a new story about the success of a hussy on romantic Sheppard Field soon. Grab hold with both hands.

Now while that is soaking in, the old Apostle will sneak off and swig down another bottle of that prune juice. Look for the pea green bottle every time. The war may be saved by the use of cigarettes, according to latest radio advices, but the flu may be whipped inland, by great draughts of prune juice.

GOLDSTON

Beatrice Smith

Eulan Higdon returned to camp at Lubbock Monday morning after spending the weekend with his wife and parents.

Mr. and Mrs. Lester Shields and daughter visited her parents and family of Hedley, Sunday.

Ralph Stewart returned to camp Friday night after spending a few days here with relatives.

Mrs. M. F. Roberson and daughters visited in the Roy Roberson home Sunday.

Mr. and Mrs. Haskell Hay and son spent Sunday evening in the John Stewart home.

Mr. and Mrs. Muri Rattan visited Mr. and Mrs. Kerbow Sunday night.

Bernice and Annise Rattan spent Sunday with Jimmie Nell Parker.

Mr. and Mrs. Leroy Napier left for Lubbock Monday where he is stationed.

Goldston school is in progress once more after being dismissed four weeks for boll pulling.

We are glad to report that Mrs. Joe Dilli is getting along very well and is expected home sometime this week.

RED CROSS VOLUNTEER SERVICE

This prayer may be used daily for the duration of the war.

O God, the Father of us all, who hast made of one blood all nations of men, mercifully receive the prayers that we offer for our anxious and troubled world.

Send thy light into our darkness, and guide the nations as one family into the ways of peace.

Take away all prejudice, hatred, and fear.

Give grace to all who serve and suffer because of war.

Strengthen in us day by day the will to understand one another, and forgive us our trespasses, as we forgive them that trespass against us.

To those who by their counsels lead the peoples of the earth grant a right judgment, that so through them and us thy will be done.

Through Jesus Christ our Lord. Amen.

Knitting
 Mrs. B. L. Jenkins turned in a sweater. Bertha Mae Thomas turned in a helmet. Wristlets were turned in by Mrs. A. J. Sibley, Mrs. Nova McClure, Mrs. Kendall, Mrs. D. W. Wadsworth, and Mrs. Fred Swift.

Sewing
 The sewing committees are now cutting women's blouses. There are still a number of women's slips which we mention again this week, as we are anxious for some church organization or club which have not taken any sewing to please call for some garments to sew.

Mrs. Harry Ruddell has taken out twelve (12) more slips for the Presbyterian Circle, making a total of twenty four (24). Mrs. Ruddell also turned in twelve (12) pairs of pajamas completed by this circle.

Mrs. Bill Patman turned in twenty-four (24) children's blouses made by the Win-A-One Sunday School Class of the Methodist Church.

Mrs. Tullis Davis has made twelve (12) women's slips in one weeks time.

Mrs. Sweeney turned in nine (9) pairs of finished children's pajamas made by the Chamberlain Home Demonstration Club. With all the field work that these ladies are doing, they have completed twenty-four (24) pairs of children's pajamas in three weeks time.

We have had several calls for our used clothing for families whose homes have been destroyed by fire.

HOME SERVICE

Mrs. C. A. Burton
 A recent release from National Red Cross Headquarters urges the utmost caution of all workers as to the importance of safeguarding military information. The statement is made that the War and Navy Departments are concerned over the serious problem which has arisen in certain localities with regard to the centralization of information concerning service men. These departments are asking that collecting the names, branches of service, and addresses of service men in any one place, for however good a cause be discontinued.

Correspondence between soldiers and unknown civilians is discouraged, as is the sending of Christmas gifts indiscriminately, the space used for transportation is needed for vital material. Of course this does not mean correspondence with family or friends. The families of service men in

hospitals either in the homeland or abroad are assured that these men will be properly cared for at Christmas time, that it will be made a time of good cheer by the Red Cross and the Army or Navy.

In addition to the Army Post Offices at New York and San Francisco, heretofore designated as those to which mail for men in the military service outside the continental United States should be addressed, APO's have been established at Seattle, Washington; New Orleans, Louisiana; Miami, Florida; and Presque Isle, Maine. Notification of the location of his APO should be received from the man himself, however, before any change is made in the address for a particular soldier.

MIDWAY

Mrs. John Goldston

We hope every one will be lenient about our mistakes of names as well as facts. In gathering the news items over the telephone, sometimes the interference of our rural electric line with our telephones makes it impossible to be sure of every word, and sometimes it is guess work. But we take the chance on being right, so no one will be disappointed about their news item.

Corp. Marvin Jones of Lubbock is home on a 14 day furlough. He leaves for Lubbock next Monday.

The Misses Rhodes and Ben Chamberlain visited in the Jones home Sunday.

Mrs. Clifford Davis and son Billy of Amarillo spent the week end with relatives and friends here. They visited the John Goldstons Sunday afternoon, and spent Sat. night with the W. K. Davis'.

The Mmes. Waddells of Sunray and Mrs. Dunwoody visited Mrs. Edith Longan Sunday. These ladies will be remembered by the Misses Lamberson before their marriages.

J. A. Meaders, Miss Katie Meaders, Mrs. Glen Williams and Mary Williams made a trip to Amarillo Monday.

Jake Chamberlain and Curtis Vaughn of Ox Bow visited in the John Chamberlain home Saturday.

Little Patsy Hefner of Amarillo spent the past week with her grandparents, the Hefners.

Ray Hefner of Amarillo left for defense work this week, and Mrs. Hefner is spending the week with her parents, Mr. and Mrs. Scott.

Eldon Holland who is in training in the Air Corps in Lubbock has two weeks at home.

Mrs. Rhode and Mrs. Ruddell of Clarendon visited with Mrs. Will Chamberlain Sat. afternoon.

Betty John Goldston spent Sat. night with her aunt, Mrs. Tom Goldston.

Mr. and Mrs. Will Chamberlain and daughters visited his parents, Sunday.

Many states which are not considered as "forest states," nevertheless include large areas of forests. In Ohio, for example, it is estimated there are more than 3,000,000 acres of trees growing on general farms.

PATHFINDER CLUB

The artistic home of Mrs. J. W. Evans was the meeting place for the Pathfinders on Friday, Nov. 13th, with Mrs. Evans and Mrs. Oscar Thomas as hostesses.

The business meeting was brief. In the absence of Mrs. Ernest Hunt, recording secretary, Mrs. Lee Holland served in her place, and roll call was answered by 25 members. Two guests were present, both of whom were former Pathfinders—Mrs. Joe Cluck of Dalhart and Miss Mabel Mongole who is teaching at Alanreed.

Four new names were presented and elected to membership—Miss Mary Margaret House, Mrs. Walter Flynt, Mrs. Walker Lane, and Mrs. Dee Lowry.

The Spanish lesson by Mrs. Thomas was interesting — we learned to introduce our friends in Spanish. The president, Mrs. J. H. Howze, had already called the house to order in Spanish.

Jean Porter gave a pleasing number—a saxophone solo, "Heat-sease."

The study for the afternoon was a continuation of Latin America—Argentina. Mrs. Edd Dishman, leader, gave an illuminative discussion of "Industry, Cattle and Politics," in the home of this South American neighbor who aspires to hold the same place in the Southern hemisphere which we hold in the northern. This was followed by "World and Hemisphere Relations" by Mrs. C. A. Burton, and then Miss Bettie Jane Smith brought a very interesting word picture of "The Argentinians Themselves."

After enjoying the refreshments served by the hostesses, the Club adjourned to meet with Mrs. U. J. Boston and Mrs. Marguerite Goodner in the Boston home on the 27th.

1930 NEEDLE CLUB

Mrs. Ona Tatum entertained this Club at her home Tuesday afternoon.

Conversation and needle work was the chief diversion of the afternoon.

A salad course refreshment was served to Mrs. Hattie Palmer, Nora Decker, Mabyn Andis, Francis Hilliard, Mozelle Wright, Bernice Abbot, Glynn Kirby, and to children, Billy Abbot and Betty Jean Decker and the hostess.

CLARENDON H. D. CLUB

The Clarendon H. D. Club will meet with Mrs. C. L. Benson Sr. Friday afternoon, Nov. 20th at 3 o'clock. Mrs. G. C. Heath will assist. All members are urged to be present.

Mr. and Mrs. A. G. Lane Jr. and daughter Pat of Phillips, spent the week end with his parents, Mr. and Mrs. A. G. Lane.

POOVEY-NELSON

Miss Helena Poovey and Pvt. T. A. Nelson were married in the parlor of the Presbyterian Manse November 14th at 6 p. m. with Rev. M. M. Miller performing the ceremony.

Mrs. Nelson is the daughter of Mr. and Mrs. W. A. Poovey of Ashtola. She is teaching in the Claude High School, and will continue her teaching for the present.

Pvt. Nelson is the son of Mr. and Mrs. T. A. Nelson Sr. also of Ashtola, and is located in Alaska with the U. S. Army. He will return to his post in the near future.

1926 BOOK CLUB

The 1926 Book Club met in the home of Mrs. Cap Morris with Lucile Polk serving as co-hostess. The rooms were beautifully decorated with bouquets of red chrysanthemums in pottery vases.

Mrs. Elba Ballew gave an excellent review of "Amazon Throne" written by Bertita Harding. Mrs. C. E. Bairfield gave a resume of the author's life and Miss Marguerite House entertained the members with an account of a personal encounter with Bertita Harding in a book shop in Ft. Worth.

Delicious refreshments were served to guests: Miss Ruth Donnell, Mrs. Marguerite Goodner, Miss Mary Howren, Mrs. J. H. Howze, Mrs. Alvin Landers, Mrs. W. C. Larimer, Mrs. Bill Riney, Miss Faye Rose, Miss Betty Jane Smith and to twenty-seven members.

The hostesses were assisted in serving by Miss Annie Ree Porter.

On Dec. 1st, the Book Club will observe their annual Guest Day. Mrs. Bob McDonald of Amarillo will be guest reviewer. The meeting will be held in the parlor of the Methodist Church.

CELEBRATES WEDDING ANNIVERSARY

Misses Edgar Mae and Mable Mongole honored their parents, Mr. and Mrs. J. E. Mongole with a turkey dinner Monday. The occasion celebrated the couple's 43rd Wedding Anniversary.

The house was decorated with fall flowers and pot plants. The center piece for the table was made up of autumn leaves and berries.

Those present were Mr. and Mrs. J. H. Howze and son, Jimmie Dean, Rev. and Mrs. M. M. Miller, Mr. and Mrs. W. A. Massie, Mr. and Mrs. J. E. Mongole and the hostesses, Misses Edgar Mae and Mable Mongole.

Miss Irene Rhodes underwent a tonsilectomy in Amarillo Tuesday. Dr. A. J. Striet performed the operation. She is doing fine at this time.

KILL KARE KNEEDLE KLUB

Met with Mrs. W. B. Sims and Mrs. Eva Draffin at their home Thursday afternoon.

Chrysanthemums and marigolds were used in room decorations.

The afternoon was spent in needle hand work and conversation. Also plans were made for the annual Christmas party which is to be Dec. 10, in the home of Mrs. H. C. Brumley.

Refreshments were served to guests, Mrs. Joe Cluck of Dalhart, Mrs. Joe Goldston; members, Mmes. H. C. Brumley, W. A. Massie, Frank White Sr., S. W. Lowe, Lon Rundell, W. A. Land, Eugene Noland, Buel Sanford, R. R. Dawkins, Misses Ida and Etta Harned and hostesses, Mmes. Draffin and Sims.

ASHTOLA NEEDLE CLUB

One of the most enjoyable meetings of the year for the Ashtola Needle Club was that held in Clarendon at the home of Mrs. W. T. Hayter last Thursday. Good will and good wishes prevailed, for it was the occasion for celebrating our club mother, Mrs. Lovell's birthday.

After a short business session, Mrs. Lovell and those present were ushered to the dining room where a large birthday cake, gaily lighted and decorated, surrounded by gifts, awaited the honoree. Following this, the "Pollyanna gifts" were distributed.

Delicious refreshments were served by the hostesses, Mrs. Graham and Mrs. Hayter to the following guests and club members:

Guests, Mesdames Lloyd Shelton, D. W. Tomlinson, D. Tomlinson, Myers, Members, Mesdames, E. Woody, W. L. Jones, George McKee, Swinburne, W. P. Holley, Hubert Rhoades, Lou McClellan, Dewey, Lovell, Rector, F. Brown, J. R. Brandon, W. A. Poovey, M. R. Word.

The Christmas meeting will be held Dec. 11 in the home of Mrs. Francis Brown.

Y. W. A. MEETS

The Blanche Groves Y.W.A. met Wednesday night, November 18, at the Baptist Church.

The program consisted of the following talks, "Thinking and Thanking," by Hazel Bingham; "Please and Thank You" by Hulda Jo Cauthen; "Things We Should Be Thankful to God For" by Lois Underdown and "Profitably Interned" by Louise Skinner.

Those present were Mrs. Joe Goldston, Maxine Robertson, Lois Underdown, Hulda Jo Cauthen, Hazel and Juanita Bingham, Lucille Wallace and Louise Skinner.

BIRTHDAY LUNCHEON

Miss Scharleen Pyeatt entertained a number of her friends with a one o'clock luncheon at the home of her parents Sunday, in celebration of her 11th birthday which was Friday, Nov. 13th.

Many lovely gifts were received by the honoree.

The afternoon was spent in playing and hiking.

Those present were Betty Jean Decker, Jaunita Carpenter, Ira Jean Estlack, Mary Ladell Cox, Mae Morris, Scharlee Pyeatt.

NEXT MEETING DATE FOR PATHFINDER CLUB

The Pathfinder Club will meet Nov. 27 in the home of Mrs. U. J. Boston. Mrs. Goodner and Mrs. Boston will be the hostesses with Mrs. Charlie Bairfield, leader.

McDOWELL CLUB

The McDowell Club will meet Tuesday in the home of Mrs. Allen Bryan.

COFFEE REGISTERING FOR INSTITUTIONAL USERS NOVEMBER 23-25

All restaurants, hotels and other institutions in Donley county will register for coffee at the Rationing Office at Clarendon on November 23, 24, 25. The first allotment period will be from November 22 to January 31, 1942. The coffee base for the institutional users will be the amount of coffee used during September and October, 1942. Consumers will not be able to buy coffee from November 22 through 28th to allow retailers to stock their shelves to have sufficient coffee on hand when rationing begins.

The first ration period for consumers will be from November 29 to January 3, 1943. Hoarding is out. Everyone will have to declare all coffee on hand when buying first amount of coffee.

Mrs. Faye Eggleston of Vernon will arrive today for a few days visit in the home of Mr. and Mrs. L. E. Thompson.

Church News

ASSEMBLY OF GOD CHURCH

J. J. Grubbs, Pastor
Sunday school—10 a. m.
Preaching—11 a. m. and 7:30 p. m.
Prayer meeting, Wednesday at 7:30 p. m.
We invite you to attend our services. Our Slogan: "Back to God and Bible."

EPISCOPAL CHURCH OF ST. JOHN BAPTIST

Rev. Frank E. Hutchins, M. A., Clergyman
Mr. Walter B. Knorpp, Lay Reader

Sunday, November 22—11:00 a. m.—Morning Prayer and Sermon—Mr. Knorpp.
Thursday, November 26—Thanksgiving Day—10:00 a. m.—Holy Communion.

FIRST CHRISTIAN CHURCH

L. Guy Ament, Pastor
The Sunday school meets at 9:45 a. m. You are wanted, and needed in the onward going of the work for the Lord.
Church services at 11 a. m. You will help by being present. The evening services at 7:30. Come with us and do your part or it won't be done. The Lord knows of your neglect and your faithfulness.

Ladies aid meets next Wednesday at 3 p. m. at the church.

Wednesday night, the 25th, the Union Thanksgiving service will be held in the Christian church. All the churches will cooperate in the service. The program will appear. We cordially invite every one to meet with us, and we are glad to be host to the town and community.

H. R. King, home on furlough, is visiting his parents this week.

AMERICAN LEGION TO HOLD CONVENTION AT WELLINGTON

The newly elected 18th District Commander of the American Legion, Department of Texas, Henry Teubel, of Tulia, Texas, has issued the call for the Fall Convention, to be held at Wellington, Texas, next Saturday and Sunday, November 21-22, 1942.

The purposes of this convention are to coordinate the activities of the Posts of the District; to receive the Post reports since the last District Convention; to plan the 1943 membership drive, and to transact such other business as may duly come before the convention.

SOLDIER STATIONED IN ALASKA VISITS RELATIVES HERE

Pvt. T. A. Nelson, son of Mr. and Mrs. T. A. Nelson of Ashtola, is visiting his parents and other relatives here this week. Pvt. Nelson has been stationed in Alaska since August 21, 1941, and has been in the service since October, 1940. He is connected with the Ordnance, light maintenance corps of the army. He reports that Alaska is a fine country but that the sun isn't seen quite often enough.

Miss Mable Mongole who teaches in the Alanreed school is visiting her parents, Mr. and Mrs. J. E. Mongole. School there has dismissed for three weeks.

Mrs. A. O. Hott and daughter Frances spent the first of the week visiting relatives at Grapevine, Texas, returning home Wednesday night.

Mr. and Mrs. Lee Bell and son Bobby visited her mother, Mrs. B. B. Phigpen in Childress Sunday night.

TAYLOR REUNION HELD SUNDAY

The children of Mrs. Guy Taylor of Lelia Lake, gathered at her home Sunday for a bountiful turkey dinner at the noon hour and a day of reuniting the family spirit.

Those present were Mrs. Guy Taylor, Mr. and Mrs. J. B. Jones of Amarillo, Mr. and Mrs. J. W. Scott of Morenci, Arizona; Miss Lama Taylor of Pampa, Ike Lister of Borger, Pvt. Glen Taylor Jones of Sheppard Field, Mr. and Mrs. Henry Tatum and children of Clarendon.

ON THE HOME FRONT

"Now we know where our rubber is going—it is attacking up and down the coast of Africa, carrying some of the finest fighting men in the world on their job of opening a second front."

Thus spoke Price Administrator Leon Henderson while visiting in Dallas last Friday.

"The rubber that attack rides on is rubber we DIDN'T use here," he declared. "The ultimate victory we shall attain is in the rubber that you and I and all civilians DON'T use. And that, simply, is the story of nationwide mileage rationing."

Although the price control and rationing boss said he anticipated fullest cooperation from everyone on the mileage rationing program, he sounded a warning to the few who are sitting up nights trying to figure a way of evading the regulations.

He said: "I want to say that the man who deliberately, for financial profit, engages in the business of violating the rationing rules, who bootlegs gasoline, or who

sells tires in a black market, is a saboteur as dangerous to our country as those German spies we recently executed for their projects to blow up our power plants and war industries.

"We have as great a duty to trap such criminals as we have to stop a murderer, for they sacrifice the lives of our own soldiers under fire for the dollars they can steal."

Nationwide mileage rationing is scheduled to get underway December 1st after a week's postponement due to unavoidable delays in the distribution of the necessary forms and rationing books. Registration is now underway in schoolhouses of the Southwest, where teachers and other school authorities are giving three days of their valuable time to the federal program. Another volunteer group—the local war price and rationing boards—launch into the heaviest part of the program as soon as registration is over—that of deciding who shall get supplemental rations. It will be a terrific task and one that cannot be handled without serious thought and long hours of labor. OPA officials urge all Southwesterners to recognize this fact and to help keep the load off the local boards.

OPA's mileage rationing program received a healthy shot in the arm during the past week with the announcement that through November 7, 1,483,800 idle passenger-type tires had been turned in to the Defense Supplies Corporation. These tires will be turned back into trade channels shortly where they will be rationed to the country's motorists on the basis of essential mileage. It is a major factor in the government's plan to keep all the nation's passenger automobiles rolling.

Mrs. Nettie Abram is visiting in Wichita Falls this week.

FOOD COSTS SHOW SLIGHT RISE

Food costs climbed an average of 2½ per cent in the six-state Dallas OPA region from September 15 to October 13. This information was contained in a report made to Region OPA Administrator Max L. McCullough by Dr. Arthur A. Smith, regional Bureau of Labor Statistics director. His report indicated that the greatest increase in food costs during the period occurred through price rises in eggs, dairy products, and fruits and vegetables, commodities which went under price control on October 5 by OPA order. Prices of canned fruits and vegetables also advanced as a result of OPA adjustments permitted for the new pack reaching market. The report showed the highest increase in food prices for the region at New Orleans, with a 4 per cent jump. Houston was near the bottom, with a 1.6 per cent increase.

Mrs. Charlie McMurtry and Miss Laverne McMurtry will leave Saturday for Washington where they will visit Mr. and Mrs. Clyde Slavin and daughter.

Navy Calls For Young Men

An earnest appeal to the youth of America is being made by the United States Navy.

Young men—and especially those just out of high school, are urgently needed to fill the numerous vacancies which exist in the Navy's numerous trade schools. Because of the increase in Navy personnel, men with specialized training, and qualified candidates for the specialized courses taught in the Navy are in great demand at the present time.

Boys, who only a few short months ago were attending high school and who now are anxious to either complete their education or learn some useful trade are especially invited to investigate the advantages offered by the Navy, and it is to such boys that the Navy offers the best training available.

Forty-nine different trades are taught in the Navy's schools, and each man is trained for a particular job. If the recruit is not sent to trade school immediately, he is furnished with prepared Navy courses, and studies under the able direction of the officers over him, at Naval bases or on board ship.

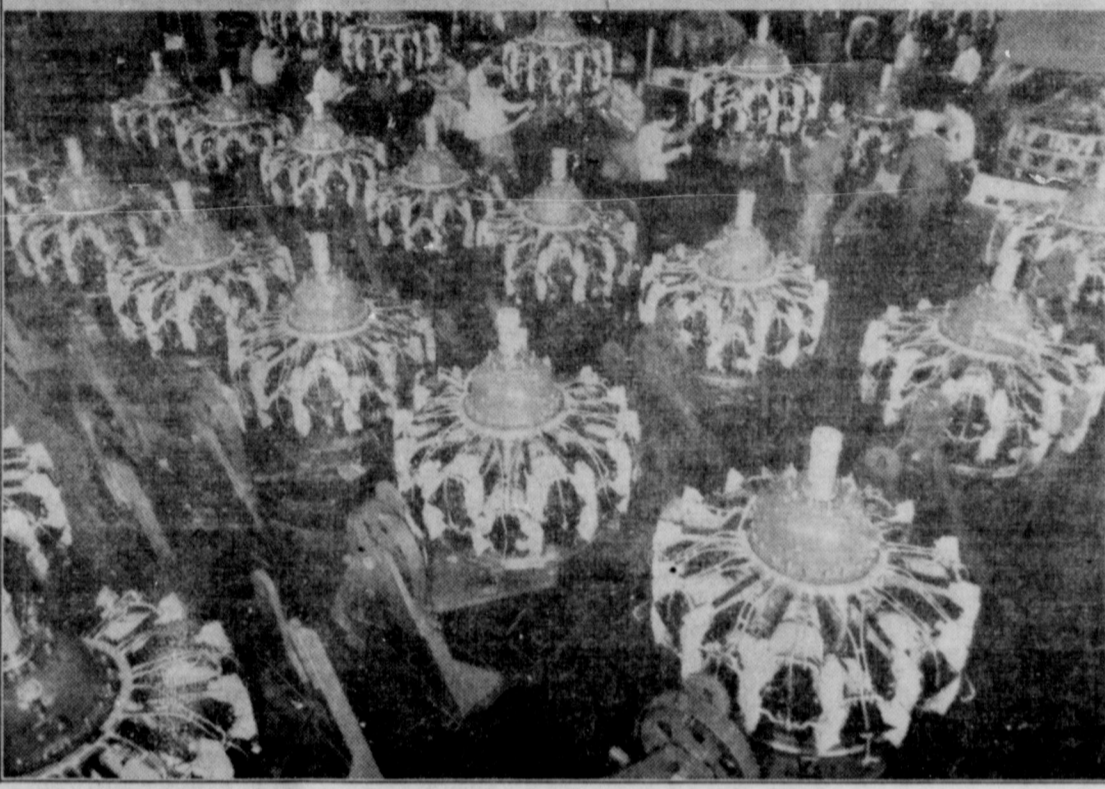

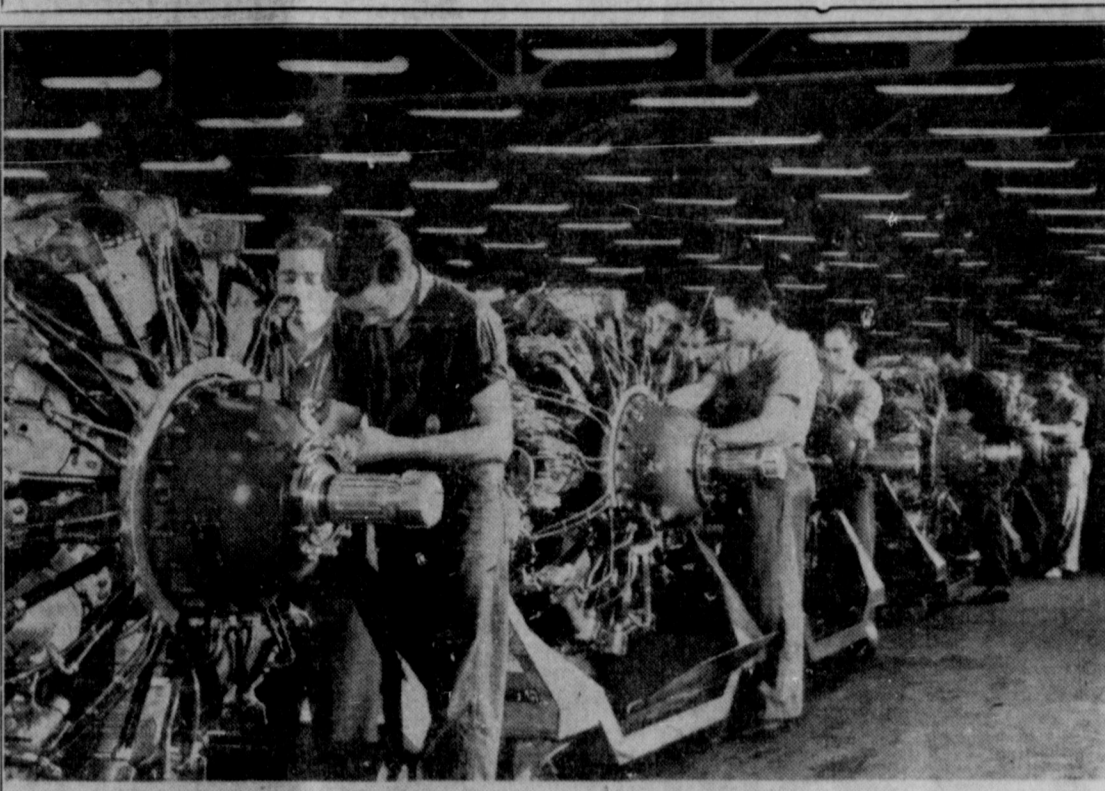

In the Navy's modern and completely-equipped training schools today are taught such subjects as radar (operation of special radio equipment), aerography, radio, music, machinery, electricity, telegraphy, metal working, and so forth.

Lieut. L. H. Ridout Jr., officer in charge of the North Texas Naval recruiting district, has urged that all young men faced with the prospect of being called into service in the near future investigate fully the Navy's plan for vocational training, at the nearest Navy recruiting station.

U. S. Navy recruiting stations near Clarendon are Amarillo, Childress and Lubbock.

Helen Louise Green of Dimmitt and Mrs. Claude McGowen of Canyon spent the week end in the G. L. Green home.

Power for the Wings of the United Nations

"Volume Production for Victory," Chevrolet's new war-time by-word, is illustrated in this view of the giant aviation engine plant where the nation's greatest volume producer of cars and trucks is applying automotive mass production to the manufacture of airplane engines. One of the great sources of supply for the Pratt & Whitney engine, Chevrolet is building toward peak volume output of this highly versatile motor, a great "standard" aircraft engine. Shown here are engineers and production men checking each engine prior to shipment to the various aviation companies Chevrolet supplies. Individually cradled on wheeled mounts (upper picture), these engines are nearing completion on one of the assembly lines at Chevrolet's aircraft engine plant. Here skilled workmen who once produced car and truck motors speed the flow of armament for the United Nations.

Proper Pruning For Shrubs

LUBBOCK, Nov. 18—Successful culture of shrubs depends a great deal on proper pruning, according to O. B. Howell, professor of horticulture at Texas Technological College. Shrubs, according to their time of blooming, are divided into two groups:

(1) Those which bloom in the spring or early summer and produce their flowers on growth which was formed during the previous year's growing season, and (2) the summer and fall blooming shrubs which produce blossoms on the current season's growth.

Shrubs which bloom early (type 1) should be pruned immediately after they have finished flowering. They are pruned by removing the old canes down close to the ground. An attempt is made at this time to shape the remaining branches by trimming them back to the desired height.

Type 2 is usually pruned during the winter or early spring before active growth starts. Pruning procedure is about the same as in type 1 except it is generally more severe. In either type, dead, dying diseased or broken branches are always removed.

VISIT IN ELKINS HOME

Guests in the home of Mr. and Mrs. R. H. Elkins Sunday were Dr. and Mrs. J. H. Kelley, Mr. and Mrs. Robt. K. Elkins, Mr. and Mrs. Burdette Kiem and baby Paul Wayne, all of Pampa.

Mrs. C. E. Griggs of Etter, Texas is visiting in the home of Mrs. R. M. Morris this week.

Mrs. Hattie Palmer and Mrs. Doas Palmer were Amarillo visitors Monday.

Mrs. Phelan of Memphis is visiting her daughter and husband, Mr. and Mrs. Carl Allmond.

Ernest Hunt is absent from the Postoffice this week due to an attack of the flu.

Mrs. Newton Bentley and daughter Mary Helen, left Wednesday night for their home in Dallas after visiting her parents, Mr. and Mrs. G. L. Green.

Charlie McMurtry attended to business in Amarillo last Thurs.

Even in a state as populous as Massachusetts, full-grown and huge forests are growing on thousands of acres which once grew other crops for food. The replanting in trees was done almost entirely by Nature.

Personals

Mrs. Roy Reece and son Johnnie of Hillsboro visited her aunt, Mr. and Mrs. S. H. Lovell Sunday.

Pvt. T. A. Nelson and wife were Sunday visitors in the home of Mr. and Mrs. S. H. Lovell.

Mr. and Mrs. Leo Snoddy of Childress visited her parents, Mr. and Mrs. R. T. Brown Sunday.

Mr. and Mrs. D. E. Holt visited in the Karl Adams home Monday.

Mrs. E. B. Koen and son Delton attended to business in Wellington Saturday.

Mr. and Mrs. Karl Adams visited their daughter, Mr. and Mrs. D. E. Holt in Lefors Sunday.

Miss Leona Pearl McCraw spent the week end at home in Memphis.

Mr. and Mrs. C. W. Carey of White Deer visited Mrs. W. W. Jones Tuesday.

Rev. and Mrs. J. O. Quattlebaum went to Amarillo Wednesday morning to see their daughter, Mr. and Mrs. Dale Nix off by plane for their home in California.

Mr. and Mrs. Lawrence Hauck of Corpus Christi returned home this week after visiting her parents, Mr. and Mrs. Whitt.

Mrs. Durwood Jones, formerly Nell Cook, of San Francisco is visiting her parents here this week.

Miss Geraldine Pratt, Librarian in the Lefors school, spent the week end here.

Mr. and Mrs. Rex Reeves of Lefors spent the week end with her sister and husband, Mr. and Mrs. McHenry Lane.

McHenry Lane returned to Lubbock Sunday to report for duty after a week's furlough.

Rev. and Mrs. G. T. Palmer returned Sunday night from Sweetwater where they had attended the meeting of the Methodist Conference.

RATION BOOK HOLDERS WILL GET COFFEE

OPA region officials announced that consumers who have registered and secured War Ration Book No. 1 will not have to register again to get coffee when rationing begins on November 29. Stamps No. 17 through 28, used in reverse order, will be used to get coffee. Because of its position in the book, Stamp No. 27 will be detached for the first pound of coffee purchased. To consumers who still are unable to get sugar because of excess amounts on hand, local boards will issue ration books with the first sixteen stamps torn out, so that they may purchase coffee under rationing.

Mrs. Glen Hoggart was an Amarillo visitor Saturday.

WALLPAPER PRODUCTION CUT BY WPB

A drastic cut in wallpaper production, including reduction of the number of styles and colors, has been ordered by WPB. Under L-177, no manufacturer shall purchase or put in process paper stock in excess of 50 per cent of the total tonnage used by him for making wallpaper in the period July 1, 1941 to June 30, 1942. War-time restrictions on private house construction was one of the factors considered in determining the extent of the curtailment.

Mrs. Homer Mulkey will leave today to visit her brother, Charles Duke in Wichita Falls.

Donley County Leader, \$2 a year.

DON'T FORGET

The Boys who are Away!

Remember Them This Christmas

You're pretty proud of that boy of yours who's away at camp, aren't you? That's why you'll want to remember him with the nicest gift you can think of—something he can really use, something that he will surely appreciate. We've got dozens of just such items down here awaiting your inspection and his delight. We suggest you come down and look around—no obligation, of course.

Butter Is The "Safety Valve" of The Dairy Industry In War Program

Butter is proving second in importance only to milk in the all-out war effort of the dairy industry. Commonly referred to as the "safety valve" of the dairy industry, butter accounts for the utilization of 40 per cent of all of the milk produced in this country.

"Today, with indications pointing to limited supplies of edible fats, butter with its superior food values becomes even more important both to the food habits of consumers and to the economic welfare of producers," states Milton Hult, President of the National Dairy Council. "Research is demonstrating superior growth factors in the fats of milk which emphasize the importance of butter for both our fighting forces and civilian producers of war materials," he adds.

Dry skim milk is a natural by-product of butter manufacture. Since 100 pounds of milk of average butterfat content will make approximately nine pounds of dry skim milk and five pounds of butter, these two products provide a very highly concentrated method for shipping foods to the United Nations. In the past 15 months, 267 million pounds of dry skim milk have been purchased by Lend-Lease for the allied nations. Also, since the first of the year, more than 26 million pounds of butter have been purchased by Lend-Lease for the same purpose.

To the producer, satisfactory returns for butter are extremely important since they determine to a large degree his ability not only to produce butter but all other dairy products as well. Because such satisfactory returns are so

essential now in order to get the needed production of all dairy products required for the Government's food program, they are equally important to consumers. Milk not used in other forms usually finds its way into butter, according to Mr. Hult. Consequently the prices of other dairy products have always been based largely on butter values. That is the reason why producers regard butter as the "safety valve" of their industry.

Why Is Certain News Withheld?

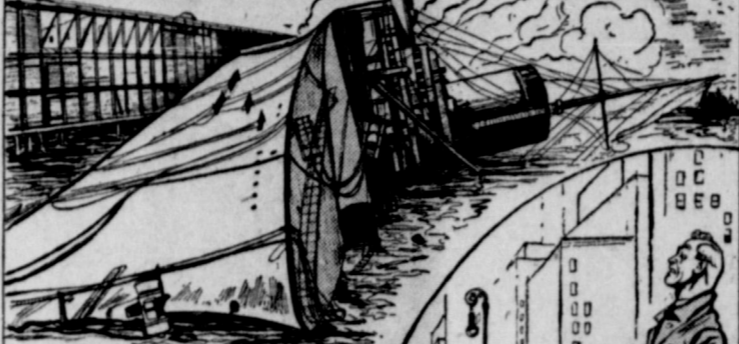

Some of the news is not published in newspapers nor broadcast by radio stations in these critical times. The reason is that editors and broadcasters are cooperating with the Government to deprive the enemy of certain information which would help him to kill Americans.

A Code of Wartime Practices for press and radio was drawn up by the Office of Censorship last January and has undergone revision from time to time in the light of experience. The preamble of the Code puts it this way:

"It is essential that certain basic facts be understood. The first of these facts is that the outcome of the war is a matter of vital personal concern to the future of every American citizen. The second is that the security of our armed forces and even of our homes and our liberties will be weakened in greater or less de-

gree by every disclosure of information which will help the enemy." The Code suggests that editors and broadcasters act as their own censors, applying the dictates of common sense. It is recommended that they ask themselves "Is this information I would like to have if I were the enemy?" and then act accordingly.

The Code lists certain classes of information which would be of obvious value in enemy hands. It does not deal with editorial opinion, or criticism of the Government, but is confined solely to the distribution of information.

The Wartime Code under which editors and broadcasters cooperate with the Government rests on an assumption that certain kinds of information should be published only when officially disclosed.

In other words, editors and broadcasters are asked to recognize that "business as usual" will not be in order during the war, but are assured at the same time that there will be no news or editorial blackout because official sources themselves will be making completely privileged disclosures as often as they may be made safely.

"It is the hope and expectation of the Office of Censorship" says the code, "that the columns of American publications will remain the freest in the world, and will tell the story of our national successes and shortcomings accurately and in much detail."

Many Texans to See Texas-Texas A&M Football Game

AUSTIN, Nov. 18—Postponement of gasoline rationing will give several thousand more Texans opportunity to see the Texas-Texas A&M football game here in Memorial Stadium Thanksgiving Day, Business Manager Ed Olle of the University of Texas athletic council declared Saturday.

"We expect a sellout now that there has been an extension in time for people to drive their cars," Olle declared. "This, you know, may be the last Texas-A&M game of this sort for some time and many fans are going to take this opportunity to see this classic once more before rationing keeps them from making such trips."

Liver Complaints

Slaves of the laxative habit are usually entirely unaware that within their bodies they have a plant which can manufacture a laxative that medicine has never equaled. That plant is the liver, and when it is in order it produces one and one-half pints daily.

This secretion is discharged into the stomach whenever food is there requiring digestion. If the liver is in order, digestion is good. If not, the trouble lies in the nerves actuating the liver, and spinal adjustments are needed to remove irritations from these nerves.—The Health Builder, Chiropractic Research. (Adv.)

Panhandle Area To Enlist Girls In WAAC

Lieutenant Rose L. Smothers, Women's Army Auxiliary Corps' recruiter, from the Lubbock Army Recruiting Station, is really busy these days. She is determined to enlist a platoon of fifty (50) girls from the Panhandle area. Lieutenant Smothers plans to call this the Panhandle Platoon and ship them in a group to Des Moines, Iowa or Daytona Beach, Florida, for training.

Special buses will be sent to various panhandle towns to bring the applicants to Lubbock for physical examinations on December 5th and 6th.

Mental examinations and interviews will be held in the following towns: Amarillo November 20, 21, 22 and December 2, 3, 4; Canyon December 1; Hereford November 23 and 24; Pampa November 27; Borger November 25, 26; Shamrock November 30; and Canadian November 28.

Applicants must be in good health and of excellent character and between the ages of 21 and 45. Papers required to complete enrollment are: birth certificate or affidavit in lieu thereof, two letters of recommendation from employers or others who may know her occupational background and if a federal employee, a release from employer.

Monthly pay in the WAAC ranges from \$50.00 per month to \$138.00 per month for non-commissioned auxiliaries. Meals and quarters, clothes and medical care are furnished by the Government. Women will be trained in more than forty kinds of jobs. When properly trained, an auxiliary will take over a soldier's job in order that he may be released for combat duty.

JIMMY GENE THOMPSON IS STUDENT ASSISTANT

AUSTIN, Nov. 15 — "Helping teacher" means more than dusting erasers for 224 University of Texas student assistants, who have an increasingly important job now that the war has depleted the University's regular faculty.

Student assistants teach no classes, but they do serve as tutors for students who need extra help after class hours. Their biggest jobs, however, are attending to routine office jobs, checking class rolls, and grading papers. Assistants in the science departments frequently coach students in laboratory work.

On the regular payroll of the University, student assistants receive from \$15 to \$50 monthly for their work, depending on the amount of time the job requires. Assistants are upperclassmen, selected on a basis of scholarship.

Jimmy Eugene Thompson, of Clarendon, is serving as a student assistant in the School of Law. Jimmy is a son of Mrs. Margaret V. Thompson, County Treasurer of Donley County.

LELIA LAKE

Frank Mace of Amarillo spent Saturday night and Sunday here with relatives.

Mr. and Mrs. J. C. Cates and children of Flomot were guests of her sister, Mr. and Mrs. Adell Williams last week end.

Elmer Chenault of Amarillo visited here with relatives Sunday.

Mr. and Mrs. Arthur Dutton spent Sunday in Wellington.

Mr. and Mrs. Arch Howard and daughters of Childress visited with relatives here Sunday.

Mr. and Mrs. Doyal Wood and children of Amarillo spent Sunday in the home of her parents.

Mr. and Mrs. Will McElroy visited with relatives in Childress Sunday.

Mrs. Quin Aten, Mrs. D. E. Leathers and Mrs. Frank Clark shopped in Amarillo Tuesday.

Wayne Smith of Tell visited here with friends Sunday.

Cpl. H. R. King of Army Air Corps and stationed at Minter Field in Bakersfield, Calif., arrived home Monday afternoon for a few days visit with home folks.

Mr. and Mrs. Lee Usery announce the birth of a son, Jesse Burton, Saturday morning. All are fine.

Mr. and Mrs. Brock announce the arrival of a daughter, Monday evening. Mrs. Brock is making her home with her mother, Mr. and Mrs. Charles Young while her husband is serving in our Coast Guard.

Old Age Assistance On Decrease

Austin, Nov. 16—The amount of assistance received by those on the Texas Old Age Assistance rolls reached its peak, \$3,708,631, in October, and then declined to \$3,602,322 in November, the State Department of Public Welfare announced today. The reason for the decrease was lack of funds, which necessitated proration beginning with the November checks. The

rolls continued to increase during October, changing from 180,291 to 181,554 recipients, a net gain of 1,263. Although each November check is for one dollar less than the amount which would be paid if sufficient funds were available, the average check for the current month is for \$19.84, only seventy-three cents less than the October average.

The number of blind persons receiving assistance in November is 3,879, an increase of 136 over October. The average Aid to Needy Blind grant is \$23.11, five cents more than the average October grant. Total cost of the payments is \$89,643 for the month.

Aid to Dependent Children cases increased to 22,501, making a net gain of 743 families. These 743 families represent 1,393 children added to the rolls, bringing the total number of children under fourteen who are benefited by the program up to 45,945. The average grant per family in November is only \$10.55, due to the fact that proration is now in effect and all checks are issued for \$10 less than the amounts which would otherwise be paid. Checks for the month total \$237,304.

Proration in the two programs became necessary, as the rolls grew, because of limitations on funds available for payment of grants. State law specifies a total appropriation of \$1,750,000 monthly in the Old Age Assistance fund.

The world's youngest owner of a "Seeing-Eye" dog, blind Todd Lowry, of Laredo, is registered as a freshman at the University of Texas this fall. Young Lowry is taking a pre-law course.

Date Extended On Victory Food Special

Domestic tree nuts, the Victory Food Special, will be extended an additional week, Mr. Joe H. Brown, Acting Area Supervisor announced today. The drive will last until November 28 instead of ending November 21 as originally planned.

"Various factors affecting the available supply of certain types of tree nuts have led the Agricultural Marketing Administration to extend the period of the drive in Texas," Mr. Brown explained.

"Homemakers will now have an additional week in which to take advantage of this Victory Food Special."

Mrs. Joe Cluck of Dalhart visited friends and relatives here the past week.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. DALE HILL, Mgr.

Army Booklet Acquaints Soldier With Protection For His Dependents

The War Department has announced publication of a booklet entitled "Personal Affairs of Military Personnel and Their Dependents." The purpose of the booklet is to acquaint every member of the Army with the provisions made under law, army regulations and instructions for the welfare, protection and security of their dependents.

Every member of the Army will have access to the 46 page booklet. The booklet was printed by the United States Government Printing Office. Dependents and members desiring copies of the booklet may secure them by writing the Superintendent of Documents, Washington, D. C. and enclosing ten cents (10c) to cover the cost of printing.

Among subjects covered in the booklet are transportation of dependents of military personnel; shipment of household goods; allowances and allotments; personnel reported missing; action, or captured by the enemy; joint bank accounts; power of attorney; wills; automobiles, estates; safety deposit boxes; medical attendance and hospital facilities for dependents of military personnel; chaplain services; military personnel and their dependents; burial if death occurs in the service; six month's pay gratuity, and arrears of pay—collection of accrued military pay if death occurs in service. In addition, the booklet deals with many

other phases of benefits, acst, relief, etc.

To assist military personnel in arranging their personal affairs, the booklet contains suggestions for necessary preparations. If the advice of legal counsel may be necessary, the booklet lists persons from whom such advice may be properly sought.

The booklet also lists the problems that may arise and tells what should be done to meet these problems.

Tree Nut Drive Extended

College Station, Nov. 18—Tree nuts, the current Victory Food Special drive will be extended in Texas until November 28, B. F. Vance, Chairman, Texas USDA War Board, said this week.

Vance said officials of the Agricultural Marketing Administration had informed him the drive was extended in Texas because shipping difficulties caused a slight delay in supplying retail food stores.

Homemakers using Victory Food Specials materially help the war effort because they are using food in temporary abundance thereby helping stabilize farm prices and at the same time making less abundant food available to our armed forces and the United Nations.

Voluntary Meat Rationing

San Antonio, Nov. 18—Two programs that civilians can use as weapons to help win the war at home were announced for the Eighth Region of Civilian Defense today by R. E. Smith, Regional Director. Government experts estimate that these two programs, if fully sponsored by the people, will be as effective in the fight against the Axis on the home front as Airacobras over Africa. They include voluntary meat rationing, and a new plan for all-out civilian war services, called the Block Plan.

In every city block or similar small geographical unit in this country, civilian war services under the Block Plan will be reorganized on the basis of all-out neighborhood participation. Thus, programs like meat rationing will be carried out by the simple process of neighbors working together. "Block Leaders" will be appointed, as their name implies, for qualities of leadership, to head unit organizations which will carry out civilian war services. These leaders will see to it that every family in their respective neighborhoods is enlisted in the bigger, more effective civilian army that is planned.

James M. Landis, National Director of the Office of Civilian Defense, today issued a statement showing how the Block Plan and meat rationing will be used together:

"Block Leaders will contribute directly to our national war program when they win the cooperation of their neighbors in the voluntary conservation of meat.

"Voluntary meat rationing should be clearly understood for exactly what it is—an immediate as well as a longer range plan to fulfill the needs of our armed forces, and, under lend-lease contract, those of our fighting Allies.

"It should be made clear that there is no shortage of meat in this country. More meat is being produced this year than ever before in our history, but the demands of war far exceed the demands of peace. We must supply our civilian population, our army, and, to a large extent the armies

Anzacs in New Guinea

Two troopers of the Australian Light Horse check experiences after a patrol deep into New Guinea's jungle-clad mountains. One wears in his hat plumes of the cassowary, big ostrich-like native bird. Mounted units gave Australians mobility where tanks cannot penetrate, and contributed to the successful counter-drive against the Japs, who infiltrated over the Owen Stanley Range, north of the Allied base at Port Moresby.

of our Allies. We are asked to limit ourselves voluntarily to two and one-half pounds of meat each week for each adult; not much less than the average American eats at present, but representing enough of a saving to assure full strength to the battalions of liberty and to help in some measure the hungry, uprooted millions of the earth.

"If one thing is sure in this war it is that food is going to count as a weapon for victory.

"We have got to have an economy of food. I ask most urgently that every Defense Council and every Block Leader get squarely behind the voluntary meat rationing campaign, so that every house wife will know the importance it holds for our success in the bitter struggle ahead. Bring the war into the American kitchen and take the kitchen straight into the war so that by planning, saving, and serving, every American can make this direct contribution to the winning of the war. This is a challenge that every Block Leader can accept, a job in which prompt action will bring an immediate response from every community in the nation."

Men 18-36 Years May Become Army Flyers

Lawton, Okla., Nov. 18—Cameron College has been allotted a monthly quota of 22 men between the ages of 18 and 36, inclusive, to train as future "grasshopper" pilots in the Field Artillery of Uncle Sam's Army.

These Civilian Pilot Training Courses for liaison pilots run for ten weeks. Room and board, insurance, and the physical examinations are furnished by the government.

After ten weeks training at Cameron the successful student enters on active duty in the army. For ten weeks he is paid \$50 a month while receiving advanced training. Then the successful trainee is made a staff sergeant with pay of \$144 per month and maintenance.

Applicants are required to pass mental examinations, the next to be held at 1 p. m. Thursday, Nov. 19, on the second floor of the Administration building, and on the first and third Thursday of each month thereafter.

Applications should be addressed to Mrs. Thelma Sherry Gordon, C.P.T. coordinator. The applicant may take the mental and physical exams immediately but delay actual entrance into training. He is not under obligation to enter training although he may pass the examination.

To be eligible, applicants must be between 18 and 36. Men between 18 and 27 years must first be rejected by the Air Corps, then pass a CAA mental and physical. Men between the ages of 27 and 37 need only to take the CAA mental and physical.

Definition Of A Passenger Car Is Clarified

Definition of a passenger car was clarified today by ODT officials, as business operators filed last-minute applications for certificates of War Necessity, required for commercial motor vehicles after November 15th.

"Owners of passenger cars are not eligible for Certificates unless the vehicle has undergone a genuine structural change, reasonably permanent in nature, which makes it likely that property, rather than passengers, will be carried," John C. Massenburg, regional manager for the division of motor transport, explained.

"Moreover, the owner must establish the fact that his business or occupation requires the use of a property-carrying vehicle rather than a passenger-carrying one, in order to qualify for a certificate."

Merely painting the windows of a vehicle, removing seat cushions or a door, or attaching a towing device to the axle, doesn't make it a commercial vehicle. Mr. Massenburg made it clear that if the vehicle is merely converted for the purpose of getting more gasoline or for the purpose of avoiding turning in idle tires under OPA regulations and there is no bona fide transportation of property intended, the application for a certificate will be denied by ODT.

Sheet Metal Workers Needed Now

Sheet metal workers take another spotlight in the war program with the cry for more skilled men "To Keep Em Flying" at the U. S. Naval Air Station, Corpus Christi, Texas.

Wages for this civilian employment with the Navy is \$9.12 a day. Recruiting began today through out Texas and Louisiana to find men with the minimum qualifications of two years experience in sheet metal trades or the equivalent in training, or four years experience as body and fender man in an auto repair shop. Paul H. Figgs, regional director, 10th U.S. Civil Service Region, announced.

"We must find these men immediately," Mr. Figg said, "Determine their eligibility by civil service standards and have them on the job in 10 days."

A written civil service examination will not be required. Applicants will be rated on the basis of experience or training.

Men with the prerequisite experience and not already engaged in war work of equal skill should file an application today with the local civil service secretary at any first or second class post office or with the regional director, Tenth Civil Service Region, Customhouse, New Orleans, La.

Army Signal Corps To Train WAACS As Radio Operators And Mechanics

The Army Signal Corps will soon begin training members of the Women's Army Auxiliary Corps as radio operators and mechanics. These women when trained will replace enlisted men in Army Air Forces Headquarters Companies, the War Department has announced.

The women will receive their training at the Midland Radio and Television Schools, Inc. in Kansas City, Missouri. Fifty-five student operators and twenty-eight student mechanics will be enrolled in the first class starting November 30, 1942. Classes of approximately the same number of students will be started once a month until the required number of radio specialists have been trained. Radio operators will receive thirteen weeks training and the mechanics eight weeks.

Students will be selected from the Women's Army Auxiliary Corps for the operators and mechanics courses during basic training at the Women's Army Auxiliary Corps Training Center in Fort Des Moines. Candidates will receive code aptitude tests and trade aptitude tests to determine their aptitude to radio work.

There was a good crowd out for Sunday school and singing. We were glad to have Mrs. Willard and children of Clarendon in our Sunday school Sunday.

Dorothy Hudson spent Sunday night with Joyce West.

Junior Mann spent Saturday night and Sunday with Bill Perdue.

Hasey and Erwin Foster spent Saturday night in the Jack Foster home.

Mr. and Mrs. John Perdue, Geraldine and Bill and Junior Mann called in the Langford home Sunday afternoon.

Mrs. Ida Whitt called on Mrs. Harp Sunday afternoon.

Mr. and Mrs. Jack Foster and children spent Sunday with Mr. and Mrs. Leon Foster and family.

Mr. and Mrs. D. L. Jacobs and son of Dumas and Mrs. D. H. Perdue of Amarillo spent most of last week in this community.

Mr. and Mrs. K. T. Smith and children of Lakeview called in the Bob McCoy home.

Mrs. Virgil Yates and son of Amarillo spent last week in the J. L. Talley home.

Mr. and Mrs. T. A. Dorsett and daughter spent Saturday night and Sunday with Mr. and Mrs. Bob McCoy.

Rudolph Perdue spent the week end visiting his parents, Mr. and Mrs. D. H. Perdue of Amarillo.

Mr. and Mrs. Jimmy Allee and children spent Saturday night and Sunday in the J. L. Talley home.

Mary Nell and Dane Perdue and Charsley Ann Whitt spent Sunday with Velma and Dan Tims.

Mr. and Mrs. O. L. Jacobs called in the L. O. Christie home of Martin Sunday afternoon.

Mr. and Mrs. Jimmy Afill and daughter visited in this community Sunday.

Cotton Crop Insurance Pays Off

College Station, Nov. 14—All risk cotton crop insurance is paying off for some Texas cotton farmers this year.

Already, approximately 4,636,604 pounds of indemnity cotton have been claimed on 1,346 insurance contracts. Major causes for losses in Texas this year are hail, flood and insects.

According to Donald L. Cottrill, state insurance supervisor, yields and rates under the 1943 program have been completed for all Texas counties and will be available to producers within a few weeks, however, signing of applications will not get underway in many counties until after January 1, 1943.

Under the 1943 program individual contracts will be signed in counties under the supervision of local AAA committees, he explained.

Offered for the first time in 1942, Texas farmers led the nation in Federal all-risk crop insurance when 54,252 units were guaranteed 338,306 bales on 1,488,690 acres.

Either 50 or 75 percent of the average cotton yield may be insured against all unavoidable hazards.

"Lady, we won't let you go back to this!"

INFORMATION

You: No? Well, I understand that the factories which used to make washing machines now have turned to war work—

Reddy: True!

You: ... and so what are we going to do when our present machine wears out?

Reddy: That's just the point! We're going to help keep 'em in good working condition—

You: But new parts are hard to get, too!

Reddy: Yes. That makes it doubly important that we take good care of the things we have.

You: But suppose my machine breaks down?

Reddy: Well, Lady, the point is, make repairs before it breaks down! Check up on your washing machine—and all other appliances—now before some essential part gives way. Call your electric fix-it man. Let him go over your appliances carefully. Then he should make repairs that will prevent breakdowns.

You: Thank you, Reddy. But suppose I can't find a repair man—many of them are in the Army, you know.

Reddy: In that case call the West Texas Utilities. Our service department has arranged to help out in emergencies!

NOTE—Remittance by check or money order is advised for safety.

"SHARE THE MEAT PROGRAM" TO AID CITIZENS IN RATIONING THE NATION'S MEAT SUPPLY

According to county agent H. M. Breedlove of the Texas A&M College Extension Service, all community Victory leaders will assist in getting information to the farmers and ranchers in Donley county in regard to the "Share the Meat Program."

Briefly, "Share the Meat Program" is a campaign for voluntary dividing the pork, beef veal, lamb and mutton which is available for civilians after the needs for the armed forces and Lend-lease commitments have been met. The "sharing the meat program" of the allowance of two and one-half pounds per adult per week includes only the muscle meats, not the fish, poultry, and the variety meats, such as hearts, kidneys, livers, sweetbreads, and the like. Since October 1st, county agent H. M. Breedlove explains that the deliveries of "muscle meats" for civilian consumption have been reduced considerably. That means homemakers who cannot shop early and those persons who eat at restaurants and are not there early will not be able to get their share of the meat. Families who are heavy meat eaters are asked to reduce on the meat eating. It is by no means the idea of the government to stop the eating of meat in the counties, but for every person to have his allowance, and he should eat at least this amount for the sake of good health.

Community Victory leaders will help families to have the information that they need in the new program that is necessary for the winning of the war. "Share the Meat Program" will be successful and will work out fine after the people become adjusted to this kind of eating. "Information will be going to farmers at different times in regard to this program," the county agent advised.

Maurice Lane returned to Lubbock Sunday after a weeks furlough.

Lt. Andrew L. Jay Home On Visit

Lt. Andrew L. Jay is visiting his mother, Mrs. Andrew L. Jay and friends here after spending three months at Camp Lee, Virginia where he received his commission as a 2nd Lieutenant.

Lieut. Jay enlisted in the army July 20, 1940, and had been stationed at Ft. Bliss, El Paso for over two years before going to the officers training school in Virginia. During this time he had advanced to the rank of Sergeant, and was connected with Troop B, 16th Q. M. Squadron. He entered the officers Candidate School, quartermaster Corps August 17, and was commissioned a 2nd Lt. on Friday, November 13th.

Lieut. Jay has been assigned to the Q.M.C. Co. M. 47th Q.M. Regt. (T) Ft. Huachuca, Arizona, and will report at his station there the last of this month.

Lieut. Jay is the first of the three men of the Jay family to receive a commission. His father, Pvt. Andrew Jay, is stationed at Dalhart, Texas, and a brother, John Jay, is in the Army Air Corps and is in training in Florida.

Clarendon is proud of Lieut. Jay and joins his mother in the happy knowledge that a small town youth has made good, and will continue to make good as an officer of Uncle Sam's army.

BREAKS HIP

Mrs. Hunt, mother of Ernest and John Hunt, received a broken hip last Thursday afternoon while walking in her yard. At the present time, she is reported to be improving satisfactorily.

ANNOUNCEMENT

Mr. and Mrs. C. L. Mann are the proud parents of a baby girl, Wilma Faye, born Tuesday, November 10th.

Quattlebaum Is Returned To Pastorate

The annual conference of North-west Texas Methodists closed at Sweetwater Sunday.

Rev. J. O. Quattlebaum Jr. is returned to pastor the Clarendon church. This fact will be most pleasing to the many friends of the minister and his family. His ministry here has been most successful, and his personal popularity among the masses exceeded by no other pastor serving the Methodist church of Clarendon.

Rev. G. T. Palmer is again returned as superintendent due to his excellent service to his church. Other appointments by Bishop Ivan Lee Holt:

Alanreed-Heald, Alton Vaughn; Briscoe-Allison, to be supplied; Clarendon, J. O. Quattlebaum; Clarendon circuit, Vernon Willard; Dodson circuit, W. B. Gillam; Hedley, C. R. Lemond; Keller-ville-Plainview, to be supplied; Lakeview circuit, C. C. Hardaway; Lefors, N. S. Daniels; McLean, R. S. Watkins; Memphis, E. L. Yeatts; Mobeetie, J. N. Tinkle; Pampa, First, E. B. Bower; Pampa McCullough, R. L. Gilpin; Pampa, Harrah, E. L. Naugle; Quitaque, M. G. Brotherton; Shamrock, M. B. Norwood; Shamrock circuit, F. R. Pickens; Turkey, W. M. Culwell; Wellington, Hubert Thompson; Wellington circuit, H. R. Bennett; Wheeler, J. W. Rosenberg; chaplains, U. S. Army, A. C. Haynes, G. E. Tyson, Newton Starnes, W. T. Blaylock.

ANNOUNCEMENT

Born to Mr. and Mrs. Lawrence Heckman, Nov. 16, a baby girl, weight 8 lbs. The little lady has been given the name, Patsy Ann. Mrs. Heckman is the former Wanda Lee Stapp.

RETURN HOME

Rev. and Mrs. J. O. Quattlebaum returned home Tuesday. Rev. Quattlebaum attended the Methodist Conference at Sweetwater and Mrs. Quattlebaum visited in Amarillo and Canadian.

E. M. Ozier Dies This Morning

E. M. Ozier, prominent retired Donley county farmer, passed away at Adair Hospital at four o'clock this morning, following a very short illness. Mr. Ozier had been a resident of Donley county for the past 35 years. During this time he was engaged in several lines of business along with his farming interests. He was a member of the Methodist church and the K. P. Lodge.

Funeral services have been set for Friday afternoon, November 20 at three o'clock at the Methodist church with Rev. J. O. Quattlebaum Jr., officiating. Pallbearers will be J. D. Swift, Frank Bourland, J. H. Hurn, Tom Cannally, Charley Murphy and Jerome Stocking.

Interment will be in Citizens cemetery with Buntin Funeral Home in charge of funeral arrangements. Survivors include his wife, two sons, M. S. and E. B. Ozier of Amarillo; a daughter, Mrs. M. D. Stephens of Wichita Falls; a sister Mrs. Alice McKay of Dallas; three brothers, J. M. of Temple, Albert of Henderson, Tenn., and E. T. Ozier of Crockett, Texas.

Mrs. Wade Hilliard and son, Dan are visiting in Amarillo, this week.

Gene Worley Says United States On Road To Victory

"We're not losing the war in the Pacific," Rep. Gene Worley, who has just returned from the Pacific Southwest, said on a nation-wide broadcast early this week.

Mr. Worley is Congressman from this district and has just recently returned from 8 months of duty with the United States Navy as lieutenant commander in the Pacific. President Roosevelt recalled him to Washington only recently.

Cong. Worley had a first hand view of American losses in the Pacific and declares that more losses must be expected before final victory comes. He believes that Japan is less able to withstand future losses than this country. Although the situation was still serious in the Pacific, he predicted the outcome in optimistic terms.

"By 1943, we will be adding carriers to our fleet at the rate of one a month," he predicted.

LEAVE FOR WACO

Rev. and Mrs. G. T. Palmer left Tuesday for Waco where they will attend the meeting of the Board of Trustees of the Waco Orphans Home.

Chamber of Commerce Membership Drive Scheduled Week of Nov. 23

The annual chamber of commerce membership drive will open Nov. 23rd with special emphasis on the securing of a large number of farmer members. The present directors in their regular business meeting Monday night outlined their plans for the annual drive and set the second week in January as the date for the annual membership banquet. R. E. Drennan, J. R. Porter, and Sam Braswell were appointed to serve as a committee to arrange the program for the annual event.

The local chamber officials indicated that through a number of farmer members and directors, that they felt the local organization would more nearly meet the demands of our agricultural community. Four new directors are to be elected at the annual banquet with only three holdovers.

The local chamber has been criticized unjustly many times by people not knowing the true circumstances of not helping the farmer and agriculture, and through the securing of a large number of farmer members and their representation on the board this situation should cease to exist.

Membership cards and placards for 1943 are being prepared and will be ready for distribution to

new and old members during the campaign. Every new member will join with the present membership in maintaining the High School band, the high school vocational agriculture department, The Clarendon Future Farmer Chapter and Club work, representation in the West Texas Chamber of Commerce, the food stamp office, representation in highway and other similar civic problems, and many other similar activities of the local organization.

VISITS RELATIVES

Filo Alden of Ft. Leonard Wood, Missouri, is visiting his parents, Mr. and Mrs. Alden and sister and family, Mr. and Mrs. Guy Wright.
