GERMAN REDS EVICTED

DUSSELDORF, GERMANY — German police are ousting communists from their headquarters after the building had been requisitioned by British authorities for their troops.

Concert Association To Open Drive For Members Here On Monday

The Donley County Mutual Concert Association will launch its membership drive Monday, October 9th. The campaign will end as soon as 650 season memberships are sold. However, October 14th at 1:00 P. M. has been set as membership deadline. Adult season memberships will cost \$4.80 (tax included) and student memberships \$2.40 (tax included). Memberships are transferable.

At least three concerts by nationally established artists will be given during the 1950-51 season. Additional concerts may be scheduled depending on the size of the association's budget.

Assisting with the drive is Miss Barbara Pryor, representative of the Pryor-Menz Concert and Lecture Service, Council Bluffs, Iowa, the Donley County Mutual Concert Association will book artists through that office. Artists to perform in Clarendon will be subject to the approval of the association's Board of Directors, and will be selected at a meeting on Saturday, October 14th at the close of the drive.

Through the courtesy of Skeltons Clothing Store, space has been secured for the temporary headquarters. Office hours are from 9:00 A. M. to 6:00 P. M. The association's telephone number is 181.

The campaign will function with over 100 persons engaged in securing members. This group consists of division chairmen, Mrs. Jim McMurtry, Mrs. Johnnie Blocker, Mrs. Frank Phelan, Sr., Mrs. W. H. Skelton, Mrs. J. H. Howze, Miss Anna Moores, Mr. R. E. Drennan, Charles D. Murphy, and their captains and team workers. They will call at campaign headquarters on Thursday and Friday, to select from the association's prospect file those persons whom they can most easily contact. The membership drive begins with a kickoff dinner at the Lions Club Hall, Monday evening at 7:00 P. M. All division chairmen, team captains, and team workers will be guests of the association.

Because of interest in the concert series in neighboring communities, they are being offered memberships in the Donley County Mutual Concert Association.

Through association with Mutual Concerts, a number of the nation's top artists are available to the local association. Many will come directly from appearances on Broadway, and from engagements with outstanding symphony orchestras.

GOOD NEWS FOR K's
Enter your dog as soon as possible in the big dog show that the 5th grade is sponsoring Sunday October 15th at 4 o'clock p. m. in the College gym. We want entries of little dogs, big dogs, fuzzy dogs, slick haired dogs or just any kind of dog. Anyone is eligible to enter his pet dog.

One dollar prizes and red ribbons will be awarded to the smallest dog, the largest dog and the smartest dog, and the cutest dog. These dogs can be mongrels or a pedigreed dog. All pedigreed dogs will be judged and blue ribbons will be awarded to the best dog of each breed.

Entrance fees for the registration of each dog will be 25 cents. The 5th grade children will take your entries at the school ground during recess and the noon hour or you may register your dog with Mrs. Claude Moore, Mrs. Walter Knorpp or Mrs. Willard Hudson. Be sure and enter your dog as soon as possible and then watch your next week's issue of the Leader for further details. Don't miss it. It will be fun. It will be different. You will be entertained and we will get your money.

—Fifth Grade Sponsors.
Miss VaLois Stafford is visiting her parents at Del Rio.

HEADS N. Y. POLICE

NEW YORK, N. Y.—Acting mayor of New York City Vincent Impellitteri (left) pins police commissioner's badge on Thomas F. Murphy, U. S. attorney who prosecuted Alger Hiss. A huge police force shakeup and a full-scale drive on crime have been instituted.

First Bale Cotton Ginned Here Friday

W. H. Johnston, farmer in the Naylor community, brought in the first bale of cotton to be ginned here in Clarendon for the season last Friday. The bale weighed 497 pounds and was ginned from 1920 pounds of seed cotton. This first bale of cotton was ginned free by the E. F. Bert Smith Gin and in addition Mr. Johnston received \$140 in premium money donated by local business firms and individuals.

More cotton from this same community is expected this week and cotton pulling should be in full swing in general before many days pass if the weather behaves as it should.

DOLL SHOW TO BE OCTOBER 26

It was announced today that a Doll Show would be held again this year. The show is sponsored by the second grade rooms. Dolls will be on display from 1 until 5 o'clock the afternoon of Oct. 26 in the Elizabeth Stevens gym.

Anyone may enter dolls in the show free of charge. A small fee will be charged, however, to see the display. Ribbons will be given. Proceeds will go to the P. T. A.

IMPORTANT NOTICE TO FARMERS

Mr. Harry B. Nunn, U. S. Dept. of Labor, Wage and Hour Division, will be in Clarendon Tuesday night, October 10th at the District court room in the court house at 7:30 p. m. to discuss child labor in regard to agriculture. Every farmer in this area that is using or may use child labor is urged to be present as this is a very important matter concerning the farmer at this time. A number of farmers down state have already become implicated with this law.

FOOD SALE TO BE HELD

A food sale, sponsored by Mrs. Hendrix's second grade room, will be held Saturday, Oct. 7, at the Household Supply. Foods of all kinds will be featured such as fresh tomatoes, chickens, eggs, cakes, etc.

You are invited to come in and shop for those week end supplies.

Western Round-Up Slated For Sat. Nite

The Clarendon Athletic Club is sponsoring Ralph Newton's Western Round-up here at the local gym Saturday night, beginning at 8 p. m. The admission charge will be 40 cents for children and 85 cents for adults.

Guest stars on the program will be "T" Texas Tyler, in person, with Buddy Kendrick and his Stars of the West. Also Bud McCleskey, Jenny Foster, Gery Tollett and Buddy Smith.

The Athletic Club is trying to raise some much needed money, so here's your opportunity to enjoy some good entertainment and help the club at the same time.

Youth Center News (By Reporter)

The Mexican dinner held at the Youth Center Saturday night was a success from every standpoint. The food was delicious; a good attendance turned out; and enough money was made to finally pay for the air coolers.

Our thanks go to Marjorie Harlan who was responsible for the decorations, to the Donley County Leader for printing our tickets and to the grocery stores and Fred Russell, of the Donley County Consumers Lockers, for their donations. Several bought tickets though unable to attend. Our thanks also go to the hostesses and waitresses who did their job so well and to all the others who helped with the million little things necessary to make the dinner a success.

Most of all, our thanks to you, the public, for coming out.

Donley County Leader, \$2.50 a Year.

Farm Bureau to Start Membership Drive

The following is the schedule of our Donley County Farm Bureau membership drive campaign which will begin Tuesday, October 10th with the community named first, community chairman, present membership and the quota which we have set as our goal for each of the communities. At the present time Brice and Whitefish have no community chairman.

Ashtola—Leo Wallace, 7, 20; Chamberlain—Wallace Raney, 3, 10; Clarendon—Cap Morris, 90, 130; Brice, 2, 12; Giles—Rolla Kelly, 2, 12; Glenwood—Lester Shields, 3, 12; Goldston—Odel McBrayer, 7, 25; Hudgins—Coleman Shields, 8, 25; Hedley—Oscar Moore, 36, 60; Jericho—Arthur Brown, 5, 15; Lelia Lake—Luther Butler, 56, 70; Martin—Floyd Crofford, 4, 15; McKnight—Bill Clay, 2, 15; Midway—Will Chamberlain, 11, 20; Naylor—Bill Pickering, 12, 20; Skillet—George Preston, 4, 8; Sunnyview—Glen Williams, 8, 20; Whitefish, 4, 10; Windy Valley—Cap Anderson, 15, 25.

We plan to reach a membership of 500 or better this year. We now have about 300.

The organization is growing and will continue to do so, as the farmers realize the benefits it has, and will continue to accomplish.

Your membership fee is not a donation. It is an investment from which you are now receiving dividends, and they will continue to increase as the Farm Bureau gains strength in membership.

There are some of the above mentioned chairmen of the membership drive who have not been contacted. If we should fail to see you before, please be present at our Community Chairman meeting at the Lelia Lake School house, Monday night, Oct. 9, at 7:00 p. m.

Lee Shaller
Vice President
Donley Co. Farm Bureau

Notes from - - - CITY HALL

There have been several complaints the past few days in regard to speeding and reckless driving on our streets. There are several school zone slow and stop signs on intersections of our streets and there will be some more erected in the near future. Those signs were put there for your protection and we are asking you to comply with our traffic regulations in regard to same. We all know the meaning of each sign as we approach it and we are asking you to comply with the traffic regulations accordingly. The speed limit is 30 miles per hour anywhere in our city limits regardless of any signs, so be careful not to violate this. Our peace officers have expressed their willingness to cooperate with us in seeing that our traffic laws are complied with. Any violator will be given a traffic ticket subject to a fine. Let's try and observe these regulations for the safety of our neighbors and ourselves.

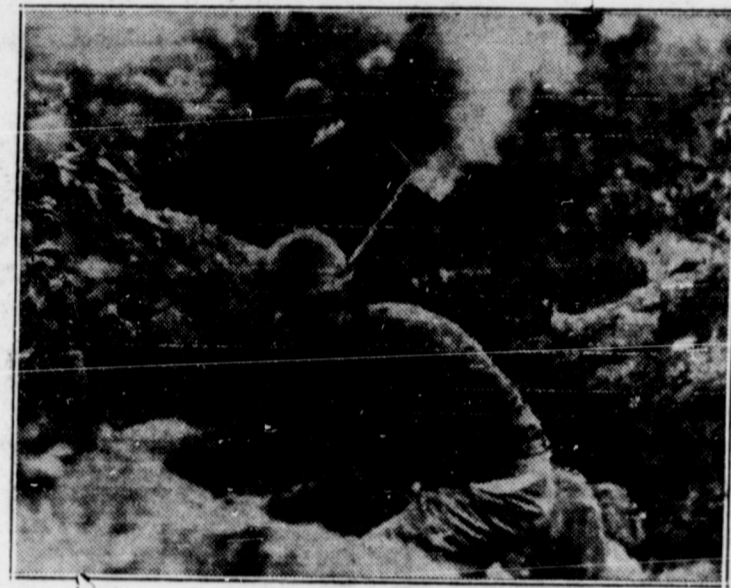

Thanks,
Major B. Hudson, Mayor.

ATTEND SCOUT MEETING
Mike McCully, Homer Estlack, Bud Anderson, Clyde Price and Rayburn Smith attended a specialized training course in scouting at Lake Marvin near Canadian last Sunday in order to further the scouting program here at home. Bud Anderson has been named new scout master of Troop 37 to replace Lee Bell who has been in charge of the troop the past year. Clyde Price is the assistant scout master.

There are two other troops here and all boys interested are invited to join the troop including their age bracket. The explorer scouts include those 14 to 18 years of age; troop 37 includes those 11 to 14 and the cub scouts includes those from 8 to 11 years of age.

Mrs. Bill Greene attended the Montgomery shower in Memphis Saturday afternoon.

Bronchos To Meet Skyrockets Here In 2nd Conference Tilt

ON EMBATTLED MUD FLATS IN KOREA—American mortar crew amid monsoon rains fires on Communist North Korean invaders near Cochiwon, Korea.

The Skyrockets from Wellington will be the visiting team here Friday night to tangle it up with the Bronchos in the second conference game of the season for the locals. This is expected to be a top notch game as both teams have tasted defeat and will be out to win if possible. The Wellington team is heavier than the Bronchos but most local fans believe the locals have the fighting spirit that will bring them through on top this week. It will be a hard game regardless and should have plenty of action throughout all four quarters.

Coach Tom Harrell reported that Mike Murff's shoulder was showing improvement and he would possibly be back in the line-up this week and the only other injury is Carlile with a bad hand. In all probability he will be able to play, Harrell added. If Murff is unable to start he will be replaced by Hearn at left end.

There has been some other shifting around in the line this week and the probable starting line up beginning at left end will be as follows: Murff, Risenhoover, Christie, Tatum, Jones, Pittman and Robertson. Mooring, Hall, Trussell and Carlile will make up the backfield.

The probable starting line-up for the Rockets starting at left end will be as follows: Fuson, Kent, Brock, Orr, Cooper, Graves and Johnson. In the backfield will be Woody, Copeland, Ingram and Gibson.

The game time is 8 p. m. at the local field so make your plans to be there and back the Bronchos all the way. The Band Parents organization will have their stand open early and will have plenty of hot dogs, hot coffee, cold drinks and other eats ready for those who wish to eat after they get to the game.

CUE AND CURTAIN CLUB TO SPONSOR STAGE SHOW

The Cue and Curtain Club announced this week that they had another treat in store for residents of this area. They are sponsoring the stage show "Hansel and Gretel" to be presented here October 23rd at the local gym at 1:30 p. m. Featured in the show will be the seven real live dwarfs that presented Snow White and the Seven Dwarfs here last year. More details about the show will appear in the Leader next week so be sure and watch for it and begin making your plans now to attend. It will be a treat you will never forget.

MAN RETURNS AFTER 48 YEARS TO SEE BIRTH PLACE

Captain J. S. Bentley of the Los Angeles Fire Department was a Clarendon visitor Wednesday on his way home from Detroit, Mich. Capt. Bentley stated that he was born here 48 years ago and was curious to see what the town looked like as he was only 6 months old at the time he left here.

Texas Farm Bureau In State-Wide Radio Broadcast, Oct. 10

The Texas Farm Bureau Federation will present its state-wide radio broadcast Tuesday morning, October 10th from 6:30 - 7:00 with Governor Allan Shivers to open the program with a talk to all farmers and ranchers of Texas, according to Holly Wood, president of Donley County Farm Bureau.

Governor Allan Shivers will open the 4th Annual Farm Bureau broadcast over the facilities of the Lone Star Network. Layne Beaty, farm editor of radio station WBAP, Fort Worth will be the Master of Ceremonies and interview E. F. Hornback, President of the Wise County Farm Bureau; Mrs. George Clark, Treasurer of the McLennan County Farm Bureau, and J. Walter Hammond, President of the Texas Farm Bureau Federation.

Stations carrying the broadcast are KTSA, San Antonio; KGNC, Amarillo; KTBB, Tyler; KFYO, Lubbock; KTBC, Austin; KTXL, San Angelo; and KROD, El Paso.

President Holly Wood urges all farmers in Donley County to "roll out" early on the morning of October 10th and tune in to their nearest station for the broadcast.

State Fire Instructor To Conduct School of Instruction Here

The Clarendon Volunteer fire department will have a Mr. Doc Bynam, State Fire instructor, here next week, who will put on a school of instruction one night each week for 5 weeks. This man is to train the fire department on how to handle all classes of fires and teach the latest methods of fighting fires, in order to keep down the insurance rates and keep the City key rate down to the lowest possible cost to the citizens of Clarendon.

Fire Chief Bennett and all the volunteer firemen expect to receive much benefit from this schooling and ask all the citizens for their cooperation in helping to make this fire department one of the best volunteer fire departments in the country.

Mrs. L. O. Dennis returned to her home in Memphis Tuesday after visiting in the home of her daughter, Mr. and Mrs. Dick Valance and family.

Mr. and Mrs. Wayne Ewing of Phillips visited relatives here the week end.

GABIE BETTS BURTON

Library Notes

By May L. Prewitt

A few copies of light fiction were donated recently—"Let Me Have Wings" by Margaret Wildemer and "Twenty-four Hours Leave" by Renee Shann. Then we purchased A. J. Cronin's recent book, "The Spanish Gardener." In the "Spanish Gardener" Dr. Cronin has portrayed a man at the mercy of his own vanity. This man's son is the victim of his doting parent until the Spanish Gardener opens new vistas of a freer, healthier, happy life. This story pictures several memorable characters, and is a book that most of the readers will enjoy thoroughly.

A fascinating book for fourth and fifth grade pupils is "Toughie" by Adele S. Burleson. This is an authentic story of Mr. and Mrs. Burleson and their three children in 1900. Toughie and her sisters are typical of the youngsters of this era and many of the episodes in the story could easily have happened this summer or any summer.

Some of the books that have been here indefinitely are excellent reading material, and there are a vast number on Texas, and others by Texas writers that you may have over looked.

Mr. and Mrs. Pete Borden and children and Mr. and Mrs. Slim Chenault visited Mr. and Mrs. Reed Earlington at Canadian Sunday.

HUDGINS

Mrs. Carl Barker

Mr. and Mrs. Otto Elliott and family visited Mr. and Mrs. Leon Foster Sunday afternoon.

Mr. and Mrs. D. R. Koontz and family spent Sunday with Mr. and Mrs. Clarence Reynolds of Goldston.

Billy Bradshaw of Clarendon visited Truett and Robert Koen Sunday night.

Mr. and Mrs. Coleman Shields spent Tuesday night with relatives at Memphis.

Mr. and Mrs. Briggs of Lelia Lake visited Mr. and Mrs. J. C. Shields Wednesday night.

Cleta Koontz spent Wednesday night with Ann Elliott.

Mr. and Mrs. L. E. Tyler visited Mr. and Mrs. Barker Friday night.

Brother Martin of Amarillo spent Sunday with Mr. and Mrs. J. C. Shields.

Alton Webb is in an Amarillo hospital. His wife and Mr. and Mrs. W. P. Webb visited him Sunday.

Peggy and Mike Webb spent Sunday with Mr. and Mrs. Wayne Ivey.

Glenda Koontz visited Mr. and Mrs. Seth Swinney Monday night.

Don Barker of Lubbock visited home folks Saturday and Sunday.

Jerry Shields spent Sunday with Grady Wilkerson.

Guests in the Dennis Lindley home Sunday were Mr. and Mrs. J. O. Richey and family and Mrs. G. D. Cross.

Mr. and Mrs. J. C. Shields visited Mr. and Mrs. Arlie Wood Fri-

day night.

Mr. and Mrs. Barker spent Monday with Mr. and Mrs. Bill Mooring.

Mr. and Mrs. Price Webb spent Tuesday in Amarillo.

Doris, Sandra, Kenneth, Willard and Wesley Webb spent Sunday with Mr. and Mrs. Kirk McAnear of Goodnight.

Doris Webb spent Friday night with Nelda Henson of Clarendon. Clifton Williams made a business trip to Cement, Okla. last week.

Mr. and Mrs. J. D. Thomas are visiting Mr. and Mrs. Lewis Thomas at Ft. Worth this week.

Richard and Dolfia Sue Valance visited their grandmother, Mrs. L. O. Dennis at Memphis Saturday night. Cherry visited in the Alfred Estlack home as their parents had been called to Weatherford to be with Mr. Valance's mother.

Mrs. Lewis Youree and Mrs. Nelson Anderson visited Mrs. Youree's sister, Mrs. Winifred Middleton, at Memphis Sunday afternoon.

Mr. and Mrs. Perry Wood and Mr. and Mrs. Hence Dickson of Amarillo visited Miss Della Wood Sunday evening.

BUTANE & PROPANE GAS SERVICE

An announcement

by Henry J. Kaiser

Today, at your Kaiser-Frazer dealer, you will see what we believe to be the most important car that America has produced since the automobile became a necessity of daily living.

It fills the needs, the wants, the purchasing power of all America on no other car has done in the last ten years.

It is rugged. It has outstanding maneuverability, handles and parks easily, and is powered with our new Supersonic Engines which deliver up to 30 to 35 miles to the gallon.

The Henry J is the lowest-priced car in the low-price field. It has the full, generous proportions to which Americans are accustomed. We have given it the best combination of performance, comfort, styling, and economy of operation.

It is the car that you and every American family can afford to buy, to operate, to maintain...and be proud to own.

The Henry J...the lowest-priced car in the low price field.

The most important new car in America!

Here today...The

Henry J

Available in two models: Henry J (as illustrated above), Henry J DeLuxe (six-cylinder at additional cost).

Important because...It's Smart! Smart to look at... smart to own! Notice the extra-wide doors...front seat 58 inches wide...head room and leg room galore! And—look! The back of the rear seat folds forward, giving you 51 cubic feet of storage space, almost double that of the largest sedan trunk compartment!

Important because...It's Tough! Hunky, Double-Channel Frame, reinforced like a steel bridge! The rear axle Hypoid geared, as in most expensive cars. Extra-wide windshield and windows give you the largest vision area in any low-priced car...short turning radius permits the easiest parking.

Important because...It's Thrifty! You get 30 to 31 miles per gallon from the quiet, responsive Supersonic Engines. (Henry J—4 cylinders, Henry J DeLuxe—6 cylinders.)

Lower first cost...lower maintenance...lower repair bills...lower insurance...lower operating cost. Your savings, in just two years, can more than total the down payment on the Henry J.

Built to Better the Best on the Road!

Costs less to buy...less to drive...less to maintain!

DORCAS ALATHEAN S. S. CLASS

The Dorcas Alathean Sunday School class of the First Baptist Church had the installation of their new class officers last Thursday afternoon in the home of Mrs. Bill Lane. The home was beautifully decorated with a variety of beautiful flowers. Mrs. Paul Schull, the out-going president, called the class to order. Then Emma Ayers led the class in

a song, "Onward Christian Soldiers." Miss Jessie Cook led in prayer. A short business meeting was held, then Mrs. Schull turned the program over to Mrs. Crockett Taylor who brought the installation. As Mrs. Taylor called the new officers to the floor Mrs. Schull pinned a white and orchid (the class colors) dahlia on them. The officers for 1950-51 are: Miss Jessie Cook, teacher; Mrs. Crockett Taylor, asst. teacher;

Mrs. Joe Baten, president; Mrs. Truett Behrens, 1st vice; Mrs. U. Z. Patterson, 2nd vice; Miss Mona Churchman, 3rd vice; Mrs. Coley Huffman, secretary; Mrs. R. R. Dawkins, asst. secretary; Mrs. Regan Bain, Mrs. Clyde Wilson and Mrs. Paul Schull, group captains; Mrs. Paul Schull reporter. Mrs. Taylor closed the program with a prayer.

Mrs. Bill Lane presented Miss Jessie Cook, Mrs. Crockett Taylor and Mrs. Paul Schull with boxes of beautiful linen handkerchiefs. The hostess served a lovely plate of pineapple frozen salad, ritz crackers and coffee to sixteen members.

The hostesses were Mrs. Hubert Heatherly, Mrs. U. Z. Patterson, Mrs. Clyde Wilson, Mrs. Glen Adkins, Miss Mona Churchman, Mrs. Alvin Landers, Mrs. Bill Lane and Mrs. Paul Schull. —Reporter

HOME MAKER'S CIRCLE

The Home Maker's Circle met at the home of Mrs. Bob Moss for its regular monthly meeting, Wednesday, Sept. 27. Mrs. T. M. Caldwell, Jr. opened the program with a devotional. This was followed by the business meeting after which the group participated in a round-the-table recitation of our mission here and abroad. Mrs. William J. Lowe brought the Christian Home topic, "In Search of Serenity." The meeting was closed with a prayer by Mrs. Frank Phelan.

Refreshments were served to the following members: Mrs. Claude Moore, Mrs. Sam Lowry, Mrs. Mark Allen, Mrs. William J. Lowe, Mrs. Frank Phelan, Mrs. Homer Bones, Mrs. T. M. Caldwell, Jr., and Mrs. Bob Moss.

The next meeting, October 25, will be at Mrs. Claude Moore's home. —Reporter

SHOWER HONORS RECENT BRIDE

A shower was given in honor of Mrs. Ray Heckman, formerly Charlie Moore, Thursday afternoon from 3 until 5 o'clock in the home of Mrs. Bert Smith. Assisting hostesses were Mrs. Bert Smith, Jr. and Mrs. C. Huffman.

The bride's colors of white and blue were carried out in decoration. The serving table was centered with a bouquet of white and blue mums. Assisting with the serving were Mrs. Cora Lee Heckman, Sandra Shelton, Doris Louise Smith and Mary Ann Landers. Jo Ann Ritter registered the guests.

A large number of friends attended.

Mr. and Mrs. J. W. Wiley of Santa Ana, Calif. spent an evening this week with Mr. and Mrs. T. G. Wiley.

CUE AND CURTAIN CLUB

The Cue and Curtain Club met in the home of Sandra Shelton with Mary Edna Elmore as the co-hostess. The officers for the year are as follows: President, Doris Jean Wallace; Vice-President, Guy Alden Wright; Secretary, Inelle Cox; Treasurer, Bill Porter; Parliamentarian, Willetta Riney; Sgt. at arms, Bob Clifford; Corresponding Secretary, Romona Rhea; Reporter, Mary Ann Landers.

The year book was discussed and approved. There was a discussion on the play "Hansel and Gretel" and tickets for the play were distributed.

Lovely refreshments were served to Inelle Cox, Mary Edna Elmore, Sandra Shelton, Noma Lee Lewis, Doris Jean Wallace, Shirley Morris, Jerry Durham, Janice Bullock, Willetta Riney, Ramona Rhea, Mary Ann Landers, Dorris Knorpp, Jo Len Ballew, Cotton Hall, Sam Patterson, Bill Porter, Wayne Riley, Guy Alden Wright, Bob Clifford and the prospective new members, Jack Brooks, Jerry English and El Ray Pyeatt. —Reporter

KIL KARE KNEEDLE KLUB

Mrs. G. C. Heath entertained members of the club in her home Thursday afternoon. Boquets of dahlias were used in decoration. Needle work was done throughout the afternoon.

Members present were Mesdames Harry Brumley, R. R. Dawkins, R. O. Thomas, Major Hudson, Eugene Noland, Frank

Whitlock, A. O. Hefner, C. E. Lindsey, J. R. Bartlett, S. W. Lowe, Homer Mulkey, W. A. Land, and Misses Ida and Etta Harned.

THE MIDWAY CLUB

The Midway Club entertained their husbands Saturday evening with a progressive "42" party in the home of Mr. and Mrs. Will Chamberlain.

The house was made beautiful with flower arrangements in autumn colors. The score cards featured autumn color leaves and were made by the young daughters in the home.

Mr. and Mrs. W. M. Pickering were guests and presented with a gift by the club.

Cookies and Cokes were served to members present, Mr. and Mrs. Lloyd Moreland, Mr. and Mrs. W. C. Scott, Mr. and Mrs. Glen Williams, Mr. and Mrs. G. D. Hillis, Mr. and Mrs. Forrest McCrary, Mr. and Mrs. Leroy Luttrell, Judge and Mrs. Williams, Mr. and Mrs. Ed Mooring, Mr. and Mrs. Edwin Eanes, Mr. and Mrs. E. V. Quattlebaum, Mr. and Mrs. H. L. Shaller, Mrs. John Goldston, Gaynell Scott, Genella Mooring, Mrs. Butler, Evelyn, Betsy, and William Chamberlain and Mr. and Mrs. Will Chamberlain.

Mrs. Charline Denny and young son Knox of Las Alamos, N. M. and Mrs. Billie Jean Moore and son Terry of La Junta, Colo. are visiting their parents, Mr. and Mrs. Van Knox of Ashtola.

CLARENDON REBEKAH LODGE

Clarendon Rebekah Lodge met Tuesday night, Oct. 3rd with 20 members present. The meeting was held in due form with definite plans being made for our Stanley Party to be held Tuesday night, October 10th at 8:30. We urge every member to be present with her husband and guests for this party as it is being held to raise money for our lodge.

We had seventeen members to go to Memphis Lodge Monday night, and all reported a very enjoyable evening. We'd like to express our thanks to Memphis for initiating members for us.

Let's have at least twenty-five of our members out for Lodge and the Stanley Party next Tuesday night.

Those present were Mesdames Eula Butler, Stella Spurgeon, Sadie Head, Lora Johnson, Ola McBrayer, Ruby Smith, Bennie Crabtree, Bernice Womack, Evelyn Preacher, Minnie Belle Hicks, Ruby Fitzgerald, Eunice Land, Mary Belle DeBord, Edith Spivey, Lucille Swinney, Abbie Warner, Louise Payne, Ola Bradshaw, Joe Briggs, and Chloe Smith. —Reporter

WIN ONE CLASS

The Win One Class of the Methodist Sunday School met in its regular monthly session Monday with Mrs. Mayes, Mrs. Rhoades co-hostesses. The devotional "Our Brothers Over Seas" was given by Mrs. John Goldston. After reports from all chairmen

officers for the new year were elected: Mrs. Benson, President; Mrs. Bartlett, Vice-President; Secretary, Mrs. Green.

A salad plate was served to Mesdames Bourland, Green, W. W. Taylor, C. C. Powell, Payne, John Blocker, Sr., Charles McMurtry, Hillis, Morris, R. Y. King, John Goldston, Eva Rhode, and Mrs. Mayes. —Reported.

FHA NEWS

Future home makers met Wednesday noon in the Home Ec Department to have lunch together and elect new officers. Hostesses for the week were Cherry Vallance and Barbara Estlack.

New officers elected were as follows: President, Mary Ann Landers; Vice-President, Betty Jane Thompson; Sec'y, Jeanie Pittman; Treasurer, Cherry Vallance; Reporter, Barbara Smith; Corresponding Secretary, Patsy Estlack; Parliamentarian, Glenda Sue Davis; Sgt. at arms, Barbara Estlack; Historian, Sandra Shelton and Song Leader, Shirley Wilson. — Reported by Jeanie Pittman and Barbara Smith.

Geo. B. Bagby will leave Tuesday for Dallas to attend the State Fair of Texas and see the Ice Cycles of 1951 and the stage production of South Pacific.

Mr. and Mrs. Ralph Davis of Head Camp, Texas visited in the homes of Mr. and Mrs. A. J. Hicks and Mr. and Mrs. Norris Spurgeon Thursday and Friday.

The Quality Store

Announcing Change Of Ownership

MR. and MRS. GLENN HOGGATT

Have purchased the interests of Tyler Bros. in the

TYLER BROS. JEWELRY

Located in the Donley County State Bank Building, effective as of October 1, 1950. They invite your patronage and will welcome the opportunity to offer you Quality merchandise in the Jewelry line and dependable watch and jewelry repair service.

The business will be known in the future as **GLENN'S JEWELRY**.

APPRECIATION

We wish to thank our many friends and customers for their patronage and good will during the time we have been in business in Clarendon. In selling our business to Mr. Hoggatt we feel that he has had the training and is fully capable of giving you the very best in repair service connected with this type of business.

TYLER BROS.

We will retain our headquarters here with Mr. Hoggatt until November 1st for the convenience of those who have open accounts.

Scare buying and hoarding create artificial shortages that lead to higher prices. Be sensible in your food buying and you'll save many dollars. Here's what you can do to keep your food bills down. Buy only what you need. Buy the plentiful foods—turn thumbs down on foods that are priced too high. Buy all your food needs here where you'll always find the best buys of the week — every week! That's the sensible way to reduce your food bills — the sure way to save money.

BRONCHO MOTHERS MEET

Mothers of the Broncho team met Oct. 2, at 7:30 o'clock in the home of Mrs. Olin Bain.

A large number of the members and interested guests enjoyed the social and financial planning for the season. They voted to have a weiner roast picnic Oct. 16 at Mrs. Millard Word's ranch home. The whole team and coaches and their ladies are invited. All should be at the court house lawn at 5 o'clock and go to the ranch in a group. In case of rain they planned to go to the canteen instead.

Delicious refreshments of cook-

ies and hot chocolate were served to this large group of members.

Next meeting will be with Mrs. Henry Tatum, Nov. 6 at 7:30 p.m. This is the meeting that all members should attend. Please be there, for our team needs your support.

—Reporter

MARTIN QUILTING CLUB

The Martin Quilting Club met with Mrs. Emma Davis Sept. 27th with 13 members and 2 visitors. Two quilts were completed.

Members present were: Mrs. Margaret Waldrop, Lois Sibley, Rubye Jordan, Blanche Higgins, Alleen Talley, Lela Bulman, Lois Stevenson, Bessie Helton, Della Barker, Fannie Wilson, Eunice Land, Lizzie Morrow and hostess. Visitors were Mrs. A. Pittman

and W. E. Walls. The next quilting will be with Mrs. Rubye Jordan Oct. 12th.

—Reporter

CLUB HOUSE BOARD MEETS

The Club House Board met in Patching House Monday at 4 p.m. with the new president, Mrs. Pete Kunz in the chair.

The minutes of the previous meeting were read and approved and the treasurer reported all bills paid.

A committee was appointed to investigate the price of closing off the kitchen from the back stairway. An investigation concerning a more desirable heating system is also to be made.

After a general discussion every one agreed that a game tournament should be held sometime before Thanksgiving. It was also decided to hold Open House as soon as all draperies were up and the kitchen finished.

Mrs. Billie Greene and Mrs. M. C. Rampy reported that both these projects were in process at the present time.

Members present were Mesdames Barcus Antrobus, Billy Greene, Paul Laird, J. H. Howze, Pete Kunz, Frank Phelan, Jr., M. C. Rampy, Billy Weatherly.

1926 BOOK CLUB

Mrs. C. M. Lowry and Mrs. J. G. Stewart were hostesses to the 1926 Book Club Tuesday, October 3rd at Patching Club House.

Mrs. Bill Riney gave a short sketch of Robert Louis Stevenson's life and gave a very interesting review of his story "The Battle Imp."

Refreshments were served to twenty-four members.

JR. H. D. CLUB

The Junior Home Demonstration Club met Thursday, Sept. 28 at the club house with Ola Williams and Vivian Allen as hostesses. Future plans for the club were discussed during the business hour. Lovely refreshments were served to the following members: Marguerite Carpenter, Moselle Wright, Jean Putman, Rowena Posey, Oma Bentley, Wilma Spier, Ona Tatum, Nora Decker, Ruby Blackman, Nova Mears, Sadie Head and the hostesses.

Foreign Students at Wayland

PLAINVIEW—Attending Wayland College for the first time are nine students from foreign lands. Included in this number are Henry Roskam from Holland, Paulo Spurgeon de Paula from Brazil; Hiroshi Tanamachi from Japan; William Chang from China; and Abraham Paler from the Philippines.

From Hawaii are Sue Arashiro, Kikue Hiratani and Mr. and Mrs. Paul Gima. Most of these students will return to their native lands to do mission work.

SALE OF PLASKA METHODIST CHURCH

We are hereby giving notice that the Plaska Methodist church building, furniture and ground is to be sold Thursday, October 19, 1950 to the highest bidder. This property will be sold about 10:30 on the church site. If interested be present.

Yellowstone is the largest National Park in the United States.

Donley County Leader, \$2.50 year

Mr. and Mrs. L. L. Wood and Arlie visited Miss Della Wood Monday at noon.

Christmas vacations are over, which prompts us to remark that most boys like school best—closed.

REMEMBER WHEN

... cooking started at the woodpile

Oh happy day when natural gas replaced wood as fuel for cooking! Many callouses—and splinters—were collected chopping wood for those old fashioned stoves in the dear departed days. *Natural gas does the heavy work today.* Gleaming new automatic gas ranges make cooking a pleasure. See the modern, automatic GAS ranges now on display wherever good gas appliances are sold. They offer you cooking performance at its best. The turn of a knob gives you instant, controlled

heat... fast, clean, cool, efficient, and surprisingly low in cost. See the newer models today!

The companies in the natural gas business—the producers, pipe line companies and distributors, the appliance and equipment dealers—employ thousands of people in this area. Their payrolls find their way into the channels of trade, thus increasing the prosperity of people in all walks of life.

TEXAS RETAIL SALES FOR AUGUST 1950 PASSE SALES OF YEAR EARLIER

AUSTIN—Texas retail sales for August 1950 climbed 22 per cent from a year earlier, the University of Texas Bureau of Business Research reported.

Preliminary tabulations placed August sales at an estimated \$576 million, or 4 per cent below the all-time peak reached in July 1950.

August sales of durable goods stores fell 10 per cent from the previous month, while nondurable goods stores registered a 5-per-cent gain. From the same month a year ago, durable sales were up 32 per cent to outdistance the 11-per-cent increase for nondurable goods stores.

Household and appliance stores presented a 23-per-cent reduction in August sales from the previous month. Sales of motor vehicle dealers were off 16 per cent; farm implement dealers, 12 per cent; and hardware stores, 7 per cent.

Counter to the over-all monthly decline for durable goods stores, jewelry sales jumped 21 per cent from July. Lumber and building material dealers and furniture stores turned in smaller increases of 6 and 3 per cent, respectively.

Without exception all durable goods stores recorded higher sales in August 1950 than in the same month a year ago. Sales of lumber and building material dealers jumped 63 per cent; jewelry stores, 35 per cent; farm implement dealers, 32 per cent; furniture and household and appliance stores, 29 per cent; and motor vehicle dealers, 25 per cent.

Women's specialty shops, with a 19-per-cent gain, tallied the biggest July-to-August advance among nondurable goods stores. Florists and office, store, and school supply dealers showed increases of 18 per cent, and shoe stores reported a 15-per-cent upturn in their August sales. Smaller gains ranged from 2 to 12 per cent.

On the other hand, August sales of filling stations decreased 12 per cent from July; men's and boys' clothing stores, 7 per cent; country general stores, 3 per cent; grocery stores without meats, 1 per cent; and combination grocery stores reported a fractional decline.

Increases over August 1949 sales for nondurable goods stores varied from a 3-per-cent gain for women's specialty shops to a 20-per-cent climb for shoe stores.

MIDWAY

Mrs. John Goldston

Mr. and Mrs. W. M. Pickering arrived home last week. They are making their home in the Allison apartments.

Mr. and Mrs. Dickerson and Miss Naomi Mooring of Amarillo spent the past week end with their parents, Mr. and Mrs. Ed Mooring.

Mr. and Mrs. Hulet Swinney and Davis, Mr. and Mrs. Ed Mooring and Genella attended the ball game at Quanah last Friday night.

Mr. and Mrs. Watts of Dallas visited with their daughter, Mr. and Mrs. Harley Longan the latter part of the past week.

Mr. and Mrs. Don Tomlinson visited in the Longan home Sunday.

Mrs. Edith Longan visited with relatives in Floydada last week.

Mr. and Mrs. Bernie Wade of Hedley visited with Mr. and Mrs. Hamblen Sunday.

Mr. and Mrs. Dick Vallance returned home Monday from Weatherford, Texas where they had gone to be with his mother who is seriously ill.

Sadler's Wells Ballet At Dallas Nov. 25-27

DALLAS—Mail orders are now being accepted for tickets for the Sadler's Wells Ballet at the State Fair Auditorium Nov. 25-27. Four performances, including a Sunday matinee, will be the only Southwest appearance of the internationally-famed British ballet company, now on its second tour of the United States.

The company, headed by Margot Fonteyn, includes Moiria Shearer and Robert Hellmann, stars of "Red Shoes." Frederick Ashton and Michael Soper.

The performances will be: Saturday evening, Nov. 25, "Swan Lake" by Tchaikovsky. Sunday afternoon, Nov. 26, "Swan Lake." Sunday evening, Nov. 26, "Wedding Bouquet" by Frederick Ashton; "Les Patineurs" by Ashton; the Rose Adagio from "Sleeping Beauty" by Tchaikovsky, and "Facade" with Ashton's choreography to William Walton music. Monday evening, Nov. 27, "Checkmate" by Ninette de Valois; the Aurora Pas de Deux from "Sleeping Beauty"; "Facade", and "Dante Sonata."

Prices, including tax, are \$4.80 and \$4.20, lower floor; \$3.90, \$2.80, \$2.10 and \$1.20, balcony. Ticket orders should be addressed to the State Fair Auditorium, Dallas, and should be accompanied by a self-addressed stamped envelope.

V. V. Johnston returned to his home in El Paso Sunday after visiting in the home of his daughter, Mr. and Mrs. Lloyd Risley and family. He came with his son Wayne, of Amarillo, who also visited the Risleys Monday night.

Mrs. Geo. Green returned home Monday night from Trinidad, Texas where she has been with her son, William Green. William was burned severely several weeks ago and is reported to be improving at this time.

W. A. Grant of Amarillo and Mr. and Mrs. Clyde Hudson of Goodnight took dinner with Mr. and Mrs. G. R. Grant last Sunday in honor of Mr. Grant's 80th birthday.

Miss Ashcraft who stayed with Mrs. Littlefield at Goldston last week returned home last Saturday.

Quite a number from here attended singing at Martin Sunday afternoon.

Mr. and Mrs. Tick Barbee and boys and Mr. and Mrs. Lois Putman and girls visited Mr. and Mrs. J. H. Barbee and family at Lakeview Sunday.

Mr. and Mrs. Kenneth Woosley are visiting friends in Clarendon.

Mr. and Mrs. Henry Moore and Mr. and Mrs. Ross Springer of Hedley visited with Mr. and Mrs. V. S. Knox Sunday.

Miss Isabel Wright is in Saint Anthony's Hospital in Amarillo this week for surgery.

FARM NEWS
From the County PMA Committee

1951 PRACTICES

The practices of 1951 have been chosen. They are listed below. Be sure to look this over and pick out the ones that will benefit your farm.

- Pr. 2. Diversion Terraces.
- Pr. 5. Subsoiling to permit better water penetration (12 inches)
- Pr. 13. Deep-plowing of sandy cropland.
- Pr. 15. Constructing drainage ditches.
- Pr. 19. Wells for livestock water on noncrop pasture land.
- Pr. 22. Constructing earthen dams for livestock water.
- Pr. 25. Application of Superphosphate and Potash.
- Pr. 30. Winter Legumes.

Pr. 31. Rye
Pr. 33. Increasing the total farm acreage of Biennial and Perennial legumes and grasses.
Pr. 42. Establishing or improving permanent pastures by seeding adapted pasture grasses, pasture legumes, or mixtures of grasses and legumes.
The 1951 program can begin as soon as the 1950 money has been earned. The 1950 budget will in all probability be exhausted by October 15, 1950.

**SAVE YOUR SOIL—
SAVE YOUR SOD**

The amount of vegetation protecting the surface of the soil makes a "whale of a difference" in the amount of runoff and the amount of topsoil carried with it. Using range land as an illustration to what happens during heavy rains, the range has been only moderately grazed and there is a good cover of growing plants together with a mat of decaying organic matter, there is little runoff and the loss of soil is at a minimum. The growing plants and the mulch formed by the decaying plant material protect the soil surface and soften the blow of the raindrops. The sponge-like surface takes up the water and keeps the soil from washing away.

Where vegetation is sparse and "grubbed" down, there is little protection. The soil surface is compact. It soaks up little water. Runoff is increased.

In one heavy rain as much as 100 tons of topsoil per acre can be moved down a hillside by splash erosion alone.

Both the Senate and the House have passed legislation to continue until December 31, 1952 the authority for the Agricultural Conservation Program. The bill has been sent to the President for his signature. This authorization is dependent upon annual appropriation of funds.

The August issue of the Federal Reserve Bulletin contains the following interesting information:

Over one-third of the farm operators had cash incomes in 1949 of less than \$1,000. About one-fourth had incomes

in excess of \$3,000. One in every four farm operators reported his income to be at least 25 percent smaller in 1949 than in the previous year.

Mr. Willis Thomas from Hedley is going to help us since Douglas Lowe has gone to the Navy. We feel sure that he will make a good Senior Field Officer as he has had experience in this field before.

Nearly 1200 Chest X-Rays Made Here

A few less than 1200 chest X-rays were made here last week by the State Health Department in their program to identify and control tuberculosis. This free service has been sponsored by the Health Department for several years and the number having X-rays made this year exceeded by four times the number taking advantage of this service on a previous visit. There are still a large number of people who did not take advantage of the service and it is hoped that they, too, will be included next year. An instance close to home proved the value of the free X-ray as the main purpose is to find those carrying the disease so that they will not infect others. A husky football player in a town a short distance from Clarendon had no idea that he had TB until he and his team mates had X-rays made by the Health Department. He was exposing his team mates every time he was around them but was completely ignorant of his condition.

Tigers Defeat Broncs 13-6

The Bronchos put up a valiant fight last Friday night against the McLean Tigers only to be defeated early in the fourth quarter when Tindall raced 90 yards to bring McLean's total to 13. The Tigers were unable to make but very little yardage through the Broncho line any time during the game and outside of their first quarter passing attack and their long run in the fourth quarter they were outplayed by the locals.

The scoring started about midway of the first quarter after McLean took over on their own 38 yard line and after three complete passes Watson went over from the 1 yd. line. Try for extra point was no good. They scored again in the fourth on the 90 yard run by Tindall and the extra point was good.

The Bronchos only tally came in the second quarter when Trussell took the ball on the first play, skirted left end for 48 yards and pay dirt.

effort to make the drive the success that it was. Among these were our Commissioners who acted as Chairmen in their respective precincts, Dr. Stewart who gave us a great deal of assistance in many ways, Dr. Cox, Mr. Alva Simmons and others of Hedley; Mrs. Colie Huffman who distributed the advertising over the county, The Donley County Leader for its cooperation in keeping the importance of this drive before the people, Mr. Homer Estlack who graciously provided us a place in which to carry out the purpose of the drive, Mr. Charles Lowry, manager of West Texas Utilities Co. for electric power, Mrs. Hubert Heatherly of Clarendon and quite a number of ladies who so faithfully stayed on the job and registered those who came to be X-rayed. We wish to thank every one who helped in any way, great or small. I think we can not over estimate the value of these Chest X-rays as they detect any abnormality in the chest region and not just TB alone. Gratiating as this drive was we should do even better next year. Thank you."

FISHERMEN RETURN MONDAY NIGHT FROM MEXICAN GULF

Another grand and glorious fishing trip came to an end Monday night when four local men returned home after a nine day outing at Guymas, Old Mexico. There were eight in the party to make the trip and the four from Clarendon were J. G. and T. W. McAnear, C. M. Aiken and Fletcher Curry. The others were from Amarillo. The group reported a catch of over 1000 lbs. The largest fish caught by any of the group exceeded 100 lbs., it was reported.

The game was a thriller from start to finish and all the way around was an evenly matched game. The Bronchos were outweighed by the visitors but that had very little effect on the locals.

The Lion's Roar

By Jack E. Gray
The Lions Club held its regular meeting Tuesday, October 3, and had a very large number of its members present.

We had a very large number of guests present and we wish to take this time to invite them back. Those present were: the Honorable Ben Guill, Congressman of the 18th Dist.; Miss Barbara Pryor of Council Bluffs, Iowa, who is here to help organize the Donley County Mutual Concert Association; Mrs. C. S. Williams, Jr.; Miss Rhoda Wiedman; Johnny Beard; Henry Mann; Mickgy Ledwick; and Frank Phelan, Sr.

Lion Bud Knorpp was in charge of the program and arranged for Mr. Guill to give us a very good talk on, "Price Support Program of our National Government", and "The International Situation." We would like to take this opportunity to thank Congressman Guill for the very good speech and also Lion Knorpp for arranging it.

Being no further business to come before the club, the members faced the Flag and sang one verse of "America" and adjourned.

Dr. and Mrs. J. G. Stewart were in Amarillo for the week end.

A day at sea is divided into six periods of four hours each.

Plowin' Out the Corners

in Uncle Zeb

Today I feel like the little boy that was asked to write a theme about a ball game. I feel like say-

ing: Rain, No Game. Anyway, I can't get my feeble mind off of this wheat sowing long enough to do any Plowin' Out The Corners.

Whether you agree with his party affiliations or not, we can not help but admire the way Rep. Ben Guill tells us where he stands. His position seems to be clear cut—No fence straddling, or pussy-footing. Wonder how long a fellow could stay that way in Washington.

Probably the greatest lesson that Jesus taught to man was in answer to man's plea "Teach us to pray." He proceeded to give us the perfect lesson in Christian attitude, and to emphasize our relationship to Our Father In Heaven. Denominations argue over the meaning of many scriptures in the Bible. Write books and spend hours trying to interpret the scriptures in such a way as to prove this or that which they so want to be right. But this model Prayer has never been drawn into the argument. It has remained through the ages one main and vital lesson that all Christians agree upon. Though written in plain and simple language, with no big words to argue over; it drives home the complete conditions by which a man must abide in the Christian Kingdom. Just to repeat over and over this great scripture will unfold great and vital messages to us as we

ponder the meanings of these words direct from Our Lord to us.

Would you like a beautiful hand-made billfold or belt? You could even have your name, or that of a friend placed on them. Anyway, our good friend Tom Henry Miller is doing this kind of work. Although a hopeless cripple and for many years confined to lying flat on his back in bed Tom Henry is an artist. Any work that he does with his hands is perfect. He will not stop short of that goal. The only thing that can out-do the work of his hands are the thoughts and attitudes of his heart and mind. He is an inspiration to visit with and talk to. Belts can be had from \$2.00 up and billfolds from \$3.50 up. The Claude Lions Club bought him the leather-craft set as a reward for some hand printing that he had done for them, and Miss Ida Lee Cope, prominent and popular

teacher in the Amarillo School system, taught him the trade. Send your order direct to Tom Henry Miller, Claude, Texas or % Uncle Zeb and we will be glad to be the middleman in the transaction. You couldn't find a better gift.

According to our Congressman: "If there is any doubt in the minds of people as to who is paying for the doles and controls that we get out of Washington; that doubt will be removed when they feel the effects of next years Tax Bill.

Company Budgets \$18 Million For "Oil For Farm" Research

As part of the oil industry's continuing contributions to better living, one oil company has planned 1950 research expenditures of about \$1.5 million a month, or \$18 million in one year. Principal effort will be in the development of new chemicals from petroleum, particularly insecticides and fungicides to improve farm productivity.

The dime may not be as good as the dollar, but we bet it goes to church more often.

Donley County Leader, \$2.50 year

Research "Peps Up" Gasoline

Thanks to continued oil industry research and refining progress, the average regular grade gasoline being sold today exceeds in anti-knock qualities the best premium grade gasoline of 20 years ago. It is better, in fact, than the aviation fuel which carried Charles Lindbergh across the Atlantic in 1927.

They say you are an old timer if you can remember when a bureau was a piece of furniture.

Science says the moon affects the tide. Lovers maintain it affects the untied.

DCSB
"The Friendly Bank"

**Good Bank Credit is
A Priceless Possession**

Men and women of fine character and an unblemished credit record secure loans for many purposes promptly at this bank. In fact, the character of the borrower is more important to us than his financial standing. We welcome inquiries about loans, large and small, from persons of high standing whether they are regular patrons of this bank or not.

Bill Reid, son of Mr. and Mrs. Lloyd Reid, who entered service training the 18th of Sept. is now stationed at Ft. Lewis, Tacoma, Washington.
Mr. and Mrs. B. F. DeBord were in Memphis Monday night for Lodge initiation.
Mr. J. B. Deaton returned to his home in Claude Thursday.
Joe Tom Lovell is in Naval training center, Co. 50-425, San Diego, Calif.
Mrs. Warren Hardin had her tonsils removed Thursday in Dr. Stewart's office.
Lee Marshall of Littlefield came to Pinks last week while here for treatment from Dr. Witt.
Mrs. J. C. Sutton and sons of Martin visited Mr. and Mrs. Harold Graham Sunday.
Laura Mae Harp and Merle Thompson of Amarillo came Fri-

day to help Lucky Thompson celebrate his 7th birthday.
Mr. and Mrs. Garland Holland and family and Mr. Murle Holland and son of Amarillo spent the week end with their mother and family Mr. and Mrs. C. W. Martin.
Mrs. Leo Wallace and Patsy Darleen shopped in Amarillo Sat. Mr. and Mrs. Willard Cook and son of Borger spent the weekend with Mr. and Mrs. W. A. Poovey.
Mr. and Mrs. Carrol Tolleson of Wellington were weekend guests of the H. E. Tollesons.
Mr. and Mrs. W. A. Poovey made a business trip to Amarillo Monday.

Great Science Show to Be Free Attraction at State Fair of Texas
The greatest science show ever presented in the Southwest will be a free attraction of the 1950 State Fair of Texas, Oct. 7-22. Depicting advances since the turn of the century in atomic energy, electronics, aviation and other phases of science will be new exhibits from the American Museum of Atomic Energy including recent acquisitions from Brookhaven National Laboratory. These will be augmented by exhibits from America's industrial research laboratories.
The dramatic show will occupy 20,000 square feet of space in the new Science Building on the 187-acre, \$35,000,000 fair grounds.

The Science Show will set the pace for the Mid-Century theme of the 1950 State Fair—"A salute to the first half century, a preview of the second." The show will be opened with the explosion of an astonishingly realistic, simulated atom bomb. The now-familiar mushroom climbing into the sky will be the signal that the show is on.
Exactly how the miracles that resulted in the atom bomb were accomplished will be shown by mock-ups and authentic research tools.
Included will be a 250,000-volt Van de Graaff generator. A "live" model of an atomic pile the size of a small house will enable visitors to have their dimes irradiated harmlessly but "hot" enough to register on a Geiger counter.
One exhibit will demonstrate the use of radioisotopes or tracer atoms and radioactive phosphorus in agriculture.
David L. DeJarnette, curator of the American Museum of Atomic Energy at Oak Ridge, Tenn., is general superintendent of the show.
General Electric exhibits will include a pair of the almost unbelievable mechanical hands used to handle dangerous radioactive substances from safe distances, and a colorful display showing how atomic fission may be used in the future to generate electric power.
The large RCA display will show theatre-size television, the "sniperscope" which enables

soldiers to shoot accurately in pitch dark, the electron microscope which enlarges objects 50,000 times, and a studio in which visitors may see themselves on television.
Westinghouse will show apparatus used in early experiments with atomic energy, a cut-away jet airplane engine, and other exhibits.

"Petroleum Peggy Says" - - -
Every so often someone expresses the wish for old-fashioned bread "like mother used to make." To hear him reminisce, you'd think store-bought bread was a recent innovation.
Actually, public bakers date from the time of the Romans, who sometimes used convict labor for the job. In Turkey and Egypt, any baker who sold bad or short-weight bread was nailed by the ears to his shop door. Fortunately, modern baking companies have no such problems. But, as any housewife who has tried to produce even one loaf can imagine, baking millions of loaves of bread a day is a tremendous job.
The modern mechanized baker has mixing machines which handle enough dough for 1,000 loaves. The dough is mechanically kneaded, divided and formed into loaves. It is baked on conveyor belts which move through block-long ovens. One big trick in the

varied operations is to keep the dough from sticking to the mechanical hands and arms which process it.
This is done, not with flour as you would suppose, but with petroleum. White oil, a versatile, colorless, odorless and tasteless product refined from crude petroleum, keeps all molding pans, conveyor chutes, mixing arms and other units operating freely. With white oil as an anti-sticker, baking proceeds at the high speed necessary to put fresh loaves at the corner store each day.
Macaroni and spaghetti makers, and candy manufacturers too, rely on white oil to keep their products from sticking during processing. It is used in the mechanical packaging of food also. And the white oil has no effect at all on the finished product.

So, when we talk about the proverbial butcher, baker and candlestick maker, we had better make a place for the oil man, too.
The opportunist meets the wolf at the door and gets a hide for a new fur coat.
Thrifty growing timber is like a bank account—it is increasing every day.
She claimed he married her for her money - - and he claimed he earned it.
CAUTION: You'd better look close, now, before telling the wife she has wrinkles in her nose. She may not have any on!
The knot, or sea-mile, is about one and one-sixth land miles.

Holds Everything... on any hill!
No matter how steep the grade . . . you can park your Chrysler and it won't roll. With Chrysler's new "Easi-Lock" Parking Brake you have three times ordinary braking power. Yet only one-third the effort is required to pull it on with your finger tips. Nothing you've ever used equals its ease and sureness. No straining—yet once it's on, nothing can budge your car. It's just one more new advantage that puts Chrysler still further ahead in safety! Just one more good example of the built-in value all the way through that we believe will make you a Chrysler buyer for life. Come in today for the demonstration that will prove you can't beat Chrysler for extra money's worth through and through.

New Easi-Lock Parking Brake
...with 3 times ordinary braking power!
Amazing Chrysler engineering development. Only 1/3 the hand pull required. New internal expanding parking brake is self-energized to multiply effective braking power. Completely enclosed. Mounted on propeller shaft—Independent of wheel brakes—the safest, surest brake you've ever used

See it—drive it . . . there's built-in value all the way through!

Chrysler Driving Advantages:
Fluid Drive . . . automatic gear shifting with exclusive car control High Compression Spitfire Engine . . . extra power at all speeds. Superfinished parts for longer life. Chemically treated cylinder walls for far greater wear! Waterproof Ignition System . . . prevents stalling in flood or storm. Full Flow Oil Filter keeps oil clean longer.

Chrysler Comfort Advantages:
Chair Height Seats . . . no crouching on the floor . . . Functional Design . . . room for your head, legs, shoulders. Easy to enter and leave. Center-arm Steering . . . minimizes road shock, wheel fight. Rubber Body Mountings . . . Floating Power . . . eliminate vibration, help give softest, smoothest ride in history.

Chrysler Safety Advantages:
"Easi-Lock" Hand Brake . . . holds car parked on any hill. Safety Rim Wheels . . . won't throw tires after blowouts at normal speeds. Constant Speed Windshield Wipers . . . electrically operated—won't slow down when you step on gas. Safe Guard Hydraulic Brakes . . . exclusive balanced brake power, smoother stops, less pedal pressure.

No one objects to how much you say if you say it in a few words.

There are over ten and a half million acres of forest land in East Texas at present better adapted to timber growing than any other use.

Soldiers back from New Guinea report having seen tribes of wild women without tongues. No wonder they were wild!

Gates To Swing Open October 7 For 1950 State Fair of Texas

It won't be long now. The gates will swing open soon on the biggest and most spectacular exposition ever produced by any state fair anywhere, anytime. The 1950 State Fair of Texas, Oct. 7-22. All exhibit buildings on the 187-acre, \$35,000,000 showgrounds have been newly painted and being assembled inside are hundreds of thrilling new displays—a galaxy of exhibits the likes of which have never been seen at a State Fair before.

The fantastic new double ferris wheel thrill ride—the 90-foot-high Sky Wheels—was due to arrive some time during the week. It will be set up at the main entrance to the Midway amusement area.

Carnival attractions and side-shows—led by Sally Rand, famous fan and bubble dancer—will arrive next week.

Concessionaires are busy laying in supplies to feed hungry Fairgoers—who are expected to consume 140 boxes of fried chicken, 200,000 candied apples, two carloads of potatoes (600 sacks to the car), 50,000 cones of cotton candy, 2,225,000 hamburgers and hot dogs, 1,500,000 sacks of popcorn, 2,000,000 snow cones, 10,000,000 bottled drinks and 50,000 gallons of ice cream.

Entries in the Mid-Century

Livestock Exposition already total 3,851 with stacks of them still to be tabulated. This figure is 689 over the total for the 1949 State Fair.

A breakdown shows 530 head of cattle entered in the 1950 beef show, more than 400 head in the All-American Jersey Show alone, 197 entries in the Holstein-Friesian, Guernsey and Milking Short-horn shows, 364 head in the sheep and Angora goat shows, 668 in the swine shows, 1,667 head in the Junior Livestock Show. Horse show entries have not yet been counted.

In the Museum of Fine Arts, in the Museum, Museum of Natural History, Aquarium and Hall of State, special exhibits are being set up. One of the world's largest and most famous paintings—"Washington Crossing the Delaware"—has arrived at the Museum of Fine Arts and is being carefully uncrated for display at the Mid-Century Exposition.

You can always depend on a streetcar having seats vacant, when it's coming back from where you are going.

The modern mother is one who can hold safety pins in her mouth and puff on a cigarette at one and the same time.

The wife says that if it isn't the door bell or telephone that keeps her busy, it's the ring around the baby's neck or the bathtub.

Want to head the Hit Parade?
Better Buy Buick!
PERHAPS you've noticed that there seem to be a lot of these brawny beauties running around on America's highways—and it isn't just that boldly gleaming front-end that spreads this impression. It isn't just the fact that folks who own a Buick get such a bang out of it that they do a lot of driving. Back of all this is another fact. It's a fact that contains a broad hint to anyone who'd like to know what's what in motorcar buys. 1950 Buicks are breaking all past popularity records, as registered in sales.
So we suggest that you do some personal investigating. Find out, for example, how mas-
terful you feel, with Fireball power turning away the miles, at a polite touch of your toe on the gas treadle.
Find out how the jolts and jars seem to disappear, when you have big soft coil springs on all four wheels, and fat low-pressure tires on wide Safety-Ride rims.
Then there's Dynaflow Drive,* which Buick owners vote the biggest automotive hit that has come along in years.
With all this, there's room, and comfort, and road-hugging heft combined with a light and willing response to your hand on the wheel—and prices that start down with the sixes.
Seems like almost everyone wants to own one of these Buicks—and most people can. How about you? Isn't it a smart idea to see your Buick dealer now and get your name on his list?
*Only BUICK has Dynaflow—and with it goes HIGHER-COMPRESSION and with it goes FIREBALL-POWER in three engines. (New Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD front-end, taper-through fenders • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

FIRST SHOP PROJECTS NEAR COMPLETION

The shop class of Lelia Lake which is made up of junior and senior boys have nearly completed their first project, end tables. Wilcey White has already completed an end table, and all of the other boys are hoping to finish theirs soon.

Kenneth Wilkinson, and Benny Darnell, the only senior shop boys are making beds, under the guidance of Craig Johnson. They are doing quite well with their work according to Mr. Johnson.

The boys are hoping to have as good, or better display of furniture as they had the past year.

Ann Dishman and Joanne Christal attended a surprise party for Ted and Fred Thomas at Quail, Monday night.

Patsy Moss spent Monday night with Romaine Anderson.

Ann Dishman spent Wednesday night with Shirley Aten.

Jerrie King and several of her friends visited the fair in Amarillo, Friday.

Mary Dodson spent Monday night with Gaynell Scott.

Carolyn Alexander spent Monday night with Martha Jo and Bertha Faye Painter.

Wanda Sossaman spent Saturday with Eddean and Earline Callahan.

Keith Reed spent Tuesday night with J. L. Williams.

Bobbie Nell Seago spent Wednesday night with Romaine Anderson.

Arthur Shields visited his sister in Memphis Sunday.

Onita Rampy spent Monday night with Patsy Carter.

Nadine Williams spent Sunday afternoon with Gaynell Scott.

Jerrie Fay King had several of her ribs broken Saturday.

STUDENTS SEE MANY DIFFERENT TYPES OF FILM

The films shown this week in the Lelia Lake School are as follows: "Letter to Grandmother," "Kentucky Pioneers," "Abraham Lincoln," and "Getting Ready for Bed" in the social studies.

HOME EC. GIRLS LEARN ABOUT EGGS

The Home Economics I class has been studying about eggs this past week. They have studied the nutritive value and learned how to use T-4-L for athlete's foot because it has greater penetrating power.

to candle and grade eggs. They prepared scrambled and Swiss eggs. Eggs a la goldenrod, omelet, and poached eggs. This series of lessons is another step of preparing a complete breakfast.

BENNY DARNELL, THIS WEEK'S SENIOR

Benny Darnell was born in 1934 at Hedley, Texas. He started to school there in 1940. Benny continued going to school there until 1946. He then moved to Lelia Lake.

ANDERSON, ARMSTRONG WIN BEST COSTUME PRIZES

A costume party was given by the Sophomore class for the high school Monday night, September 25 and was sponsored by Mrs. Bill Lowe.

There were games played and the costumes were judged. The best costume for the girls was Romaine Anderson, who was dressed as Daisy Mae.

The best costume for the boys was Clarence Armstrong, who was dressed as Tarzan.

Refreshments of sandwiches and hot chocolate were served to about thirty-five people.

COACH SAYS BALL TEAMS PROGRESSING NICELY

The boys' and girls' basketball teams are progressing very well, says Coach Craig Johnson. The girls are looking forward to having a very good season. Prospects are better this year than they have been for several years.

Although the boys have lost three of their main players of last year's team, they look very promising. They are expecting

State Shows Big Gain In Use of Gas

EVANSVILLE, Ind.—A record increase in the use of gas as a fuel by home owners in Texas was disclosed in a survey of the nation's utility companies released recently.

While government census figures this year indicate a population increase for Texas of 19.7 per cent over 1940, W. Paul Jones, president of Servel, Inc., the nation's leading gas appliance and equipment manufacturer, pointed out that during the same period the number of gas users in the state rose from 652,500 in '40 to 1,081,300 in '50, or an increase of 65.7 per cent.

"This figure would have been still larger if the gas utility firms in the state had been able to fill the constantly increasing number of requests for the public for this fuel," Jones added.

He noted that central gas heating installations in the nation had increased 163 per cent in the last ten years, rising from 1,187,000 in 1940 to 3,119,000 today. Ten years ago, he said, gas was used in only 30 per cent of the nation's automatic home furnaces, while oil accounted for a fraction under 54 per cent and stokers for 16 per cent.

Today, Jones added, gas installations account for 35.5 per cent of the total—an increase of 5.5 per cent—while oil has dropped to 50.5 per cent and stokers to 14 per cent. The continuing expansion of the country's natural gas pipeline system, which now totals 282,000 miles, or 50,000 miles more than the nation's total rail mileage, will result in an even sharper increase in the trend toward the use of gas in homes, he predicted.

When some men discharge an obligation you can hear the report for hours.

NO MATTER WHO YOU ARE...

Reddy Kilowatt is right with you all the time. You probably don't think much about it, but he helps you work in a hundred ways, every day, at the flip of a switch.

Why waste YOUR time and energy in your home, on the farm, in the office, or plant? Reddy is on duty 24 hours a day. He never asks for a day off—even for holidays or Sundays. He's stronger than a horse and he travels with the speed of light! He's The Mighty Atom in Person!

He's the lowest priced servant in history with wages that average near three cents an hour!

That's Reddy Kilowatt Power for you!
