### Exploring Possibility of Japanese Peace Treaty

HANEDA AIR FORCE BASE, JAPAN—General Douglas MacArthur (left), Ambassador-at-large John Foster Dulles (center) and Ambassador William J. Sebald, chief of diplomatic section, SCAP, are shown as they prepare to leave airport following arrival of Dulles, who is in Japan to hold exploratory talks on Japanese peace treaty.

### World Day of Prayer Friday, Feb. 9th

1951 Theme: "Perfect love casts out fear."—I John 4:18  
 For centuries women have prayed for a better world individually and in groups. The regular annual observance began in 1887 when the Presbyterian women of the United States gathered in their own communities on a specified date to pray for Home Missions. The response was so great that a day was set apart annually. In the early nineties, under the leadership of two outstanding Baptist women, a day was designated for united prayer for foreign missions. For many years home and foreign mission groups observed days of prayer separately, but in 1919 they came together. In 1920 the women of Canada joined them. The first Friday in Lent was chosen as the day of prayer for missions, home and foreign. Missionaries spread the idea of a day of prayer and at the request of many friends in other lands, it became a World Day of Prayer in 1927. Today the program is sent by request in advance to ninety-two countries. We believe in prayer. We know God answers prayer. We believe in a World Day of Prayer when women around the world unite hearts and wills in renewed dedication to our Maker. During this year, as perhaps never before, on February 9, 1951, we will earnestly pray that God will lead us out of chaos and frustration into the knowledge of His will for the world. We believe also that God expects us to so live and move and act that our prayers may be answered. He works in and through human beings. "Faith without works is dead." We must pray and work.

The United Council of Church Women invites and urges every woman in Clarendon to be in prayer on February 9th and to come and take part in the service to be held in the Christian Church at 2:30. Please come.  
 THE UNITED COUNCIL OF CHURCH WOMEN

### FORMER CLARENDON BOXER MAKING BID FOR 3rd CROWN

Kenneth Davis, former Clarendon youth, is still holding his own in the boxing field and is on his way to his third straight San Diego crown. Kenneth, sporting a string of nine consecutive K.O.'s flattened his quarter-final foe last Wednesday in a record 16 seconds. In the semi-final bout he chilled Ernest Juniaus, bluejacketed battler, in 1 minute and 16 seconds. His next bout was with Glenn Erwin who went down in 1 minute and 9 seconds. His next fight was due to come up in Los Angeles. Kenneth is the All-Navy featherweight king from Camp Pendleton, Calif.

### C. C. Speaker Puts Life In Annual Banquet Affair

Acclaimed to be one of the best speakers to ever speak before a Chamber of Commerce group in Clarendon, Joseph F. Leopold, Southwestern District Manager of the National Tax Equality Association of Dallas, fairly let the hammer down and told the group what the small business man needed to do to help keep our country from retreating further. "It's time to take a hand. The world is on fire. We've had a complacent attitude too long. I'm confused, angry and disturbed. But, mainly I'm confused. I'm like that guy who hadn't kissed his wife in six years but shot the guy who did," Leopold said. He pointed out that in the beginning the businessmen of America had a real stake in the country - "men who signed the Declaration of Independence were businessmen like you and me, but now we have let the country's government get in the hands of minority blocs." Leopold attacked the \$70 billion budget as unheard of and the present federal tax system as "rotten, unfair and corrupt." He bitterly assailed the tax-free operation of businesses by schools and churches, along with the permit of continued tax immunity for co-operations. He reported that in 1949, the productive wealth of the nation was assessed between \$542 and \$550 billion, yet that \$150 billion of that total was owned by tax-free agencies. "Write a letter to your congressmen and tell him what you think of this mess in your own language," he advised the group. "We have got to go to work. We have retrogressed, slipped governmentally. "Of all the democracies in the history of the world, and there have been some strong ones, all but one of them fell, not through the use of arms. They crumpled voting away their rights a nickel's worth at a time. "At heart, we are all Americans," Leopold declared. "Now, let's work at it for a while."

### FOUR TRANSIENTS CAUGHT STEALING GAS HERE

Four young men, ranging in age from 17 to 20, were placed in the local jail last Tuesday after they were caught in the act of draining gasoline from a Cudd Bros. truck which was on their parking lot near the State Highway Department building. Each of the four were charged with petty theft. William McCracken of Pueblo, Colo., one of the four, is being held for the F.B.I. on a charge of Mann Act. The others in the group were Jack Forney and Malcolm Price of Wichita, Kansas and John Wade of Louisiana. The four had been on a trip through Florida and apparently had practiced the same methods of getting their gasoline all along the line as they were doing here, the Sheriff stated.

### CELEBRATES 81st BIRTHDAY

F. L. Behrens, Sr., prominent retired farmer, celebrated his 81st birthday at his home here Sunday with seventeen of his family and their children present to make the day more enjoyable. Mrs. Behrens is 74. They have seven children, 20 grand children and 14 great grandchildren, all of which are still living. This is quite a record within itself. Mr. Behrens has been a resident of Donley County for the past 32 years and came to Dallas County in 1880.

### COTTON GINNING REPORT

According to W. M. Patman, Special Agent, the Census report shows that 4,630 bales of cotton were ginned in Donley County from the crop of 1950 prior to Jan. 16 as compared with 20,741 bales for the crop of 1949.

### Pioneer Lady Celebrates 93rd Birthday

Mrs. O. C. Hill was honored with Open House Sunday afternoon commemorating her 93rd birthday, Thursday, Jan. 25. Assisting with the house party were her granddaughter, Mrs. Royce Hall, and great granddaughter, Mrs. Basil Smith, also Mrs. Ruby Heathington. The house was decorated with numerous bouquets and potted plants sent by many friends and relatives. Frank Houdashell baked a beautiful birthday cake decorated with Sweet Peas and the wish, "Happy Birthday." Mrs. T. E. Naylor of Hedley also baked a birthday cake. In addition to the lovely flowers, cards and other gifts, 62 friends and relatives called during the afternoon. Mrs. Hill was born in Louisiana and moved to Texas with her mother, brothers and sister at the age of 10. They took a steamboat at New Orleans traveling up the Gulf Coast to Galveston. Their intentions were to move to Peoria, Ill. After talking with a cousin, they decided to settle in Texas. The family traveled by train to Bryan, Texas. An uncle met them there and helped them settle on a farm in Colwell County. Later moving to Burleson County and on to Milan County, finally locating near Dallas. Mrs. Hill, then Miss Rachel Lee Rutledge, met and married Mr. Hill while living near Dallas. Of their ten children, seven boys and three girls, only four are now living, three boys and one girl. The family moved to Donley County in 1901 and settled near the Collingsworth line. Some years later they moved near Dalhart. In March, 1924, they bought the home in Clarendon where Mrs. Hill now lives. Aunt Elizabeth or Aunt Betty, as Mrs. Hill is sometimes called, boasts of 47 grandchildren, 116 great grandchildren and 28 great grandchildren. Her philosophy of life is to "look on the bright side" and put your faith and trust in God. He will carry you thru your troubles and sorrows. We congratulate Mrs. Hill on reaching this milestone and hope she may have many more such birthdays.

### FIRST REAL WINTER FELT HERE THIS WEEK

The first real winter weather of the season has been felt here this week with the mercury staying below the freezing mark all week and the lowest temperature registered was a 7 degree below zero this morning. The average temperature has been between 10 and 15 degrees throughout the day time. The snow which started falling Tuesday night had not amounted to much moisture by late Wednesday afternoon as it was of a dry form and the type which blew into drifts very easily. Every bit of moisture helps and everyone is looking forward to greater quantities within the near future. Two feet of snow on the level wouldn't be so bad with the cold weather.

### Dr. S. H. Condron Dies At Canyon

Dr. Stuart H. Condron, former dean of the Old Clarendon College and also former head of the economics department at West Texas State College at Canyon, died at Canyon yesterday evening after a long illness. Dr. Condron was 61 years old. He left Clarendon in 1927 and went to WTSC at Canyon where he has made his home since that time. Funeral services will be held at 2 o'clock Friday afternoon in the Methodist Church at Canyon. Rev. Herschel Thurston will officiate. Burial will be in Dreamland Cemetery, Canyon. Survivors include the wife, Mrs. Mary Condron; a son, Stuart Condron, Jr., of Dawn; a daughter, Marilyn Condron, of Canyon; a sister, Mrs. Frank Bourland of Clarendon; and a brother, Elmo Condron of Austin.

### FARM BUREAU DIRECTORS MEETING TUES. NIGHT

O. L. McBrayer, vice president of the Donley County Farm Bureau, announced yesterday that a directors meeting of the organization would be held next Tuesday night, Feb. 6th at the Lelia Lake School House. All directors are urged to be present as important matters are to be discussed, he added.

### LES BUTLER SLIGHTLY INJURED IN COLLISION NEAR GOODNIGHT

Les Butler, son of Mr. and Mrs. J. C. Butler, received minor injuries Tuesday shortly after noon when his vehicle collided with a pick-up that was turning around on the pavement just west of Goodnight. The driver of the pick-up was reported as Joe Miller of Goodnight. His injuries were reported more serious and both vehicles were badly damaged.

Mr. and Mrs. J. Perry King of Amarillo spent Saturday evening at the D. F. Wadsworth home.

### Grandchildren Greet Celebrated Grandfather

NEWBURGH, N. Y.—Photo shows Mrs. D. W. Eisenhower holding Barbara Anne, while Gen. Ike holds his namesake, Dwight D. Eisenhower 2nd. The photo was taken at Stewart Air Force base on the general's return from his European tour.

### Fire Destroys Ashtola Post Office And Grocery Store

Fire of undetermined origin completely destroyed the D. L. Vaughn Grocery and Ashtola Post office Tuesday evening around 6:30 o'clock. The local Fire Department answered the call but the structure was already falling in by the time they arrived. The fire also consumed Mr. Vaughn's garage which was built along the side of the building and his pick-up truck. No estimate of damage could be learned but it probably will run into the thousands of dollars. Mr. Vaughn's business was located northeast of the Ashtola Depot.

### Club Boys Looking Toward Donley Fat Stock Show

Club boys all over Donley County are working hard getting the final touches on their livestock for the 1951 Donley County Fat Stock Show. Tom Seay of Clarendon, Mr. Davis of Hedley, both Vocational teachers in charge of FFA boys and county agent H. M. Breedlove in charge of the 4-H Club boys in the county say that the livestock that will be displayed this year will be some of the best in years. The show board of Donley county has put \$335.00 in premium money for the show and the boys are sure working hard to win their share of the money. The show will be held in Clarendon February 23rd and then that evening all livestock will be loaded out for the Amarillo Fat Stock Show. Judges and the final premium list for all classes of livestock will be published next week.

### They'll Head New Price Stabilization Offices

WASHINGTON, D. C.—Price Administrator Michael V. DiSalle (right), took part in swearing-in ceremonies of thirteen officials who will open seven regional and district price stabilization offices. Fourteen regional and 42 district offices will ultimately be organized. Attorney General J. Howard McGrath (left) administers the oath.

OVERCOME BY FATIGUE, MARINES SLEEP IN THE SNOW—When U. N. forces, withdrawing from northeast Korea were halted on an icy trail in subzero temperatures by a Red Chinese roadblock, many of the men sank down in their tracks and slept until the weary march was resumed. Flucky Americans refused to call this a retreat, but fighting in another direction, and carried their dead and wounded.

FIGHTING HIS THIRD WAR—No ordinary soldier is M/Sgt. Arne Stenslie, 60 years old, of Devil's Lake, a member of the U. S. 23rd Infantry Regiment, 2nd Division, just now slugging it out in Korea. He is a veteran of World War I and World War II, and two tours of duty in Korea. He resigned his commission of major to return to his command in the ranks when hostilities broke out last June. Here the Sergeant is recounting some of his experiences to William H. Burson, a press correspondent from Atlanta, Ga., during a lull in the fighting in North Korea.

Mr. and Mrs. Joe Johnson of Lelia Lake have moved to the Goldston farm.

The people of Midway welcome these fine people to Midway. We feel sure they are going to be an asset to the community.

No Rings For Texas

"To know all is to understand all." This old saying is doubly true in these days, when it has never been harder to get accurate information on anything. The swirling mists of international and national politics leave the average man—meaning you and me—peering this way and that way, seeking the way out without a compass. The net result is to put us in a position like a bewildered bull, ready for someone to snap a ring in our nose and lead us off.

Nowhere does the carefully-laid mist cling thicker than around our children. They have been born and have grown up in an unending period of "emerg-

ency." Under the guise of "emergency" we and they have now for many years seen barages of sneers and heard billions of words directed against the two basic concepts which have heretofore served us as American compass points—Constitutional government and competitive enterprise.

If only scattered efforts are made to explain to our children—the voters of coming years—the derivations and functions of self-government, the theory and practice of free enterprise, how can we expect them to be on our side? The answer is simple. We can't. In two words—the schools.

There is no heavier responsibility the Texas Legislature will face on January 9 than closely examining what the public school children of our state are being taught—and are not being taught. What they are not being taught will probably be very revealing.

Let us hope our Legislature is far-sighted enough to correct this unhappy situation.

If our children do not have knowledge of free enterprise, they cannot be expected to un-

derstand it; and if they cannot understand it, they cannot be expected to want it.

We want no rings snapped in the noses of the children of Texas because of our failure to live up to our responsibilities.—William W. Boddie, Texas Manufacturers Association, Houston, Texas.

HUDGINS

Mrs. Carl Barker
Mr. and Mrs. Eldon Mays of Borger spent Sunday night with Mr. and Mrs. J. C. Shields.

Mr. and Mrs. W. P. Webb and family spent Sunday with Mr. and Mrs. Alton Webb.

Mr. and Mrs. L. O. Christie went to Shamrock Tuesday afternoon to visit Bobby Christie, a grandson who is in the hospital with a broken leg.

Gabie Betts Burton Library Notes

By May L. Prewitt

This week a friend of the Library gave us a number of grade text books that include science, literature, geography and a number of subjects. She also contributed 13 of Baum's Oz books. They're practically new, and the jackets are unsoiled. There were some Uncle Wiggly editions and several others that will be of great enjoyment to the little people. We have a Connie Blair Mystery "Puzzle In Purple" by Betsy Allen for the girls to read, "Room for One More" by Anna P. Rose. This woman and her husband had three youngsters of their own, and took in three foster children. Mrs. Rose is a Vassar graduate, and has been writing since she was ten years old. You will appreciate her book, then we received a Christmas story—small book—by Margaret Cousins, entitled "Uncle Edgar and the Reluctant Saint." Roy Bedichek's new book "Karan Kaway Country" was given in memory of Mr. Casey. Karan Kaway Country is a little known section of Marsh land along the Gulf of Texas, once inhabited by a giant tribe of godless Indians. The country is the natural habitat of marsh birds, coots and ducks, also four species of stately geese, numerous forms of aquatic life and many animals. This book is exceptionally well written, and quite a few of our readers will appreciate. Our Library is gradually securing a number of editions that will always be readable.

MARTIN

Mrs. J. H. Helton

Mr. and Mrs. Hadder and children of Roswell, N. M. spent the week end with Mr. and Mrs. Raymond and Mr. and Mrs. L. L. Waldrop. The Trustee meeting was with Mr. and Mrs. Pete Land Friday night. Those attending were Mrs. Robert Davis, Mrs. Ben Kyser, Mr. and Mrs. Raymond Waldrop, Mr. and Mrs. O. T. Hill. Mr. and Mrs. W. D. Higgins visited Friday with Mr. and Mrs. W. F. Barker. Mr. and Mrs. Raymond Waldrop and boys ate Sunday dinner with Mr. and Mrs. Guy Sibley. Those to spend Sunday night with Allene Mays were Charlene Johnson, Betty Sullivan, Frances Helton. Alice McCrary of Midway spent Saturday night and Sunday with Joanne Sibley. Mr. and Mrs. R. C. Rogers of Amarillo are the parents of a baby boy born Jan. 23. Name Robert Carol. Mrs. Rogers was Glenda Davis before marriage. Mrs. Sam Spradlin visited Mrs. J. H. Helton Wednesday afternoon.

Mr. and Mrs. Billy Jack Jordan and baby and friends of Amarillo ate Sunday supper in the W. L. Jordan home. Mr. and Mrs. Ray Robertson and children of Pampa spent Saturday night and Sunday in the home of her parents, Mr. and Mrs. W. L. Jordan. Mr. Crofford and Margie Nell have been down with the flu for the past week but are better at this writing also Mrs. Smith, Mrs. Crofford's mother. Mr. and Mrs. L. O. Christie visited Mrs. Christie's mother, Mrs. Jacobs in Amarillo Sunday. Mr. and Mrs. Hubert Martin visited in the L. O. Christie home Sunday evening. Mr. and Mrs. O. T. Hill and Ross visited Mr. and Mrs. Hill in Amarillo Sunday.

Here's a warming drawer to "warm a lady's heart"! Thermostat-controlled—just like an oven! Now if one dish is ready before the others, you can still serve them all piping hot! And it's big enough for dishes, platters and the food!

Cleaning-white oven—easiest-to-clean in the world! Rounded corners, removable racks and rack-guides give a surface as easy to clean as the inside of a mixing bowl! You'll find the oven a really even baker... and its handy-height broiler full-powered!

Just the lamp you've waited for! When down, this handy fluorescent lamp blends in beautifully with the modern lines of the range... slides up with finger-tip pressure when you want to see "what's cooking"! And it stays in any position!

Lightning-fast cooking units! In a mere matter of seconds these speed-packed units become red-hot! Each gives you seven speeds... certain ones heat only the center coils for small pans. Saves electricity! And, they clean themselves as you cook!

It works while you relax! Set the beautiful automatic control dial. Oven turns on... turns off... automatically!

## Miss Portia Hay Becomes Bride of Thomas Vandiver

Mr. and Mrs. R. A. Hay announce the marriage of their daughter, Portia, to Thomas K. Vandiver, son of Mrs. W. A. Cozart of Ft. Worth, Monday afternoon, January 22.

The impressive double ring ceremony was performed in the home of Rev. and Mrs. J. Perry King, in Amarillo, with Rev. King officiating.

Mrs. Jean Treadway, Matron of Honor, wore a street length dress of black and tan crepe, and black accessories complemented with a white gardenia corsage. Mr. Clyde Bowley was best man.

The bride wore a ballerina length dress of white Chantilly lace. Her finger tip veil fell from a tiara of seed pearls. She carried a white Bible, topped with a white orchid.

The bride's mother, Mrs. Hay, wore a black street length dress with Spanish tomato trim. The groom's mother, Mrs. W. A.

Cozart, wore a printed silk. Both wore black accessories.

Mrs. Vandiver is a graduate of both Clarendon High School and Clarendon Junior College. For the past 18 months she has been employed by Southwestern Drug Corp. in Amarillo. Mr. Vandiver attended Ft. Worth schools and is also in the employ of Southwestern Drug Corp., having been with them for the past 16 months. He also was a member of the Armed forces for 3 years during World War II.

Only the immediate families of the bride and groom attended the ceremony. They were Mr. and Mrs. R. A. Hay of Clarendon, Mrs. W. A. Cozart, Mrs. Eloise Johnson and Mr. and Mrs. Jerry Kauffman and son Jerry, all of Ft. Worth.

For her wedding trip the bride chose a navy blue suit complemented with grey accessories and an orchid corsage. After the trip to Ruidoso, Carlsbad Caverns and other points of interest in southwest Texas and New Mexico the couple are at home at 500 West 10th in Amarillo.

Judge and Mrs. Williams visited with his sister at Altus, Okla. over the week end.

Mr. and Mrs. R. A. Hay visited Sunday afternoon with Mr. and Mrs. Haskell Hay.

## DORCAS ALATHEAN S. S. CLASS

The Dorcas Alathean Sunday School class of the First Baptist Church held their monthly luncheon at the church Tuesday, Jan. 30 at twelve noon. Mrs. Joe Baten led in prayer and a delicious lunch was enjoyed by eighteen members.

After lunch a business meeting was opened by the class president, Mrs. Joe Baten who gave the class report for January. The class had five members who attended Sunday School every Sunday in January; they were: Mrs. Clyde Wilson, Mrs. Bill Riney, Mrs. Lena Smith, Miss Jessie Cook and Mona Churchman. The class voted to paint and redecorate their class room. Mrs. Baten appointed Mrs. Decker, Alta Adkins and Marie Patterson for the decorating committee. Meeting was closed by Mrs. Baten.

Group No. 1 was hostess for the luncheon. Those present from that group were: Mrs. Glenn Adkins, Mrs. Cecil Thomas, Mrs. Bill Riney, Mrs. Bob Hill, Mrs. Decker and Mrs. Paul Schull.

—Reporter.

## GABIE BETTS S. S. CLASS

The Gabie Betts Burton Sunday School Class of the Methodist church met in an all day quilting in the home of Mrs. W. H. Strawn on Thursday 25th with a covered dish luncheon. One quilt was completed. Those present were Mrs. J. R. Bulls, Mrs. A. L. Thornberry, Mrs. Will Jones, Mrs. C. E. Griggs, Mrs. Edwin Baley, Mrs. J. A. Howard, Mrs. Bell Davis, Mrs. Judson Cook and Mrs. W. H. Strawn. Mrs. R. T. Brown called in the afternoon.

## HOMEMAKERS' CIRCLE

The Homemakers' Circle met in the home of Mrs. Charlie Bennett, Wednesday afternoon, Jan. 24, for its monthly meeting. Mrs. Burl Rhea was welcomed into the group as a new member.

After the business session, Mrs. Mark Allen opened the program with a devotional. The Mission study topic, "Waiting for Korea's Doors to Open"; was brought by Mrs. Don Loyd. A Christian Home topic, "Children Learn Religion at Home," was given by Mrs. Horace Green. Another Christian Home topic, "Prejudice Begins at Home," was brought by Mrs. T. M. Caldwell, Jr. Mrs. Frank Phelan, Sr. gave the closing prayer.

Refreshments were served to the following members: Mesdames Don Loyd, Bob Moss, Homer Bones, Burrell Rhea, Horace Green, Bill Lowe, Bob Word, Sam Lowry, Frank Phelan, Sr., Mark Allen, Claude Moore, T. M. Caldwell, Jr. and the hostess, Mrs. Charlie Bennett.

The next meeting will be in Mrs. Sam Lowry's home on February 28. —Reporter.

## JR. H. D. CLUB

The Junior Home Demonstration Club met at Patching Club House, Thursday afternoon. Hostesses were Mrs. Henry Tatum and Mrs. Ralph Decker. Visiting was enjoyed throughout the afternoon.

Lovely refreshments were served to Mesdames Sadie Head, Beatrice Rodgers, Moselle Wright Ola Williams, Mary Pycatt, Klyda Fern Blackman, Gene Putman, Dolly Wilson, Oma Bentley, Wilma Spier by the hostesses Ona Tatum and Nora Decker.

## GOLDSTON QUILTING CLUB

The Goldston Quilting Club met with Connie Talley, Jan. 24. One quilt was finished.

Those present were Mrs. Joy Roberson, Geraldine, Edith and Nora Jackson, Mazie Eichelberger, May Pearl McDonald, Nora Smith; visitor, Mrs. Lois Putman and daughter.

The next quilting will be February 7, with Geraldine Jackson. —Reporter.

## MARTIN QUILTING CLUB

The Martin Quilting Club met with Alleen Talley Thursday, Jan. 25, with 14 members and one visitor present. Two quilts were completed.

Those attending were Della Barker, Gracie Crofford, Ruthie Gray, Blanche Higgins, Nola Hill, Bessie Helton, Ruby Jordan, Eunice Land, Lizzie Morrow, Melba Risley, Lois Stevenson, Lois Sibley, Margaret Waldrop and hostess Alleen Talley. One visitor, Alice Pittman.

Next meeting will be with Ruthie Gray, Feb. 8 at her home in Clarendon.

Mrs. William S. Greene visited Friday afternoon with her parents at Leslie, Texas.

## SHOWER HONORS RECENT BRIDE

Mrs. Thomas K. Vandiver, the former Portia Hay, was honored with a miscellaneous shower given in the home of Mrs. Bill Greene Saturday afternoon from 3 to 5 o'clock. Hostesses were Mesdames Bill Greene, Ernest Hunt, Bob Head, Henry Tatum, Vada Carpenter, Curtis Mears, and Carl Pittman.

Mrs. R. A. Hay, Mrs. Thomas Vandiver and Mrs. Vada Carpenter formed the receiving line. The bride's chosen colors of gold and white were carried out in decoration. Favors were white miniature bells tied with gold ribbon. During the afternoon, Mrs. Bill Greene played several musical selections at the piano and solovox.

The table, covered with a lace cloth held a centerpiece of Johanna Hill rose buds with white and yellow carnations interspersed with small wedding bells. Cake and coffee were served. Mrs. Jimmy Jenkins poured the first hour with Miss Louva Hunt registering the guests, exchanging the second hour.

Approximately forty called through the afternoon and a number who were unable to attend sent gifts.

Mr. and Mrs. Vandiver were married January 22 and are at home at 500 W. Tenth in Amarillo. A shower in her honor was given in Amarillo Jan. 14.

## MRS. OSCAR THOMAS NAMED CHAIRMAN

Mrs. Oscar Thomas has been named Clarendon chairman for the Candlelighting party former students of Mary Hardin-Baylor College, Belton, will have Feb. 4, at the Federated Women's Clubhouse, 2001 Wolflin Circle, Amarillo.

These parties are being held throughout the world in celebration of the founding of this 106-year-old college for Women. Panhandle former students will meet at 3 o'clock, and the impressive candlelighting ceremony will be held at 3:30 o'clock.

Mrs. Thomas would be happy to have former students contact her and make reservations for the party.

## KIL KARE KNEEDLE KLUB

Mrs. A. O. Hefner entertained members of the Kil Kare Klub in the Jenkins-Hefner home Thursday afternoon, Jan. 25. Ivy and Rhododendrons were used in decoration. The usual fancy work and visiting were enjoyed throughout the afternoon.

A two course luncheon was served to one guest, Dr. Jenkins, and members Mesdames Sam Lowe, J. R. Bartlett, R. O. Thomas, Homer Mulkey, Frank White, Sr., E. H. Noland, R. R. Dawkins, Harry Brumley, Frank Whitlock, and Misses Ida and Etta Harned by the hostess, Mrs. A. O. Hefner.

The next meeting will be held in the home of Mrs. R. R. Dawkins with a covered dish luncheon being served at the noon hour.

## MISCELLANEOUS SHOWER

Mrs. Virgil Smith honored Mr. and Mrs. Margent Hurst Jr., who were married January 6, in Bowie, Texas, with a miscellaneous shower at 2:30 p. m. Sunday, January 28, in the Lelia Lake Methodist Church. Mrs. Hurst is the former Miss Adell Fox of Lelia Lake.

Miss Bobbie Seago, accompanied by Miss Billie Poole, sang "Always." Miss Seago also played several piano selections.

Games were played, and the bride and groom opened their beautiful gifts. Refreshments were served to approximately 50 guests. Many gifts were sent by those unable to attend. Co-hostesses were Miss Mattaline Bowling and Miss Juandell Brown.

Mr. and Mrs. Hurst are at home at 710 Halliday St., in Wichita Falls, Texas.

## PATHFINDER ANNIVERSARY LUNCHEON

Members of the Pathfinder Club held their Fortieth anniversary luncheon at Patching Club House, Friday, January 26. Hostesses were Mesdames C. Hudson, Ernest Hunt, J. H. Howze, and J. W. Murphy.

Pink Carnations combined with figurines showing the styles in dress 40 years ago were used in decoration. Salads were topped with the number 40.

A corsage was presented to Mrs. Sella Gentry, a charter member. Mrs. Mollie Grey also a charter member was unable to attend. There was no other program.

Lunch was served to one guest and members.

Donley County Leader, \$2.50 year

## CARD OF THANKS

The Dever family wishes to thank everyone for the kindness shown them during the recent illness of Mr. Dever.

Mrs. U. T. Dever & Children.

## McBRAYERS VISIT SON AT SAN ANTONIO

Mr. and Mrs. O. L. McBrayer returned home Tuesday night from San Antonio where they visited their son, Pvt. Lavon McBrayer who is stationed at Lackland Air Base. The McBrayers, along with numerous other parents were concerned over the report that their boys were living in tents at the base with no heating equipment of any kind. They found this to be true and reported that most of the boys had only four blankets to help keep them warm and most of them slept with their clothes on to supplement the small amount of bedding.

They left here Saturday night and returned Tuesday, coming through Waco where they visited relatives. Mr. McBrayer reported the driving hazardous as around 450 miles of his trip was on ice and snow.

Miss Louva Hunt spent Monday night with Mrs. Lama V. Jenkins in Amarillo.

A. W. Sorrell of Amarillo attended to business here Thurs.

Mr. and Mrs. J. L. McMurtry left Friday for Mineral Wells where they will remain for the next few weeks.

Mrs. Nelson Anderson was able to be brought home Friday from the Groom Hospital where she had undergone major surgery.

Little Robby Wiley, son of Mr. and Mrs. Troy Wiley, was brought home Friday from a Memphis hospital where he has been ill with Virus Pneumonia.

Mrs. U. G. Swinney and little daughter Dona Lee were brought home from the hospital at Groom Thursday.

Mrs. Foston Russell and children of Amarillo visited Friday in the home of Mrs. J. R. Cowan.

Donley County Leader, \$2.50 year

## Long-term Investment that pays daily dividends

THESE days thoughtful people turn their minds to the durability of things they purchase. But it's rare when doing your duty turns out to be the best way to satisfy your heart's desire. That's what's so marvelous about this '51 Buick. If you picked a car just for the lift it gives you—your pride in its power—or its generous comfort—you couldn't make a better choice. But make note of this: That gleaming new push-bar forefront, which greets your eye with flashing beauty, contains 25 grille bars made of stamped steel, individually mounted to "give" and come back unharmed. Combined with a massive, wrap-around bumper, fortified by two stalwart "bumper bombs" and two added uprights, it gives unsurpassed protection. Springs of stout spiraled steel on all four wheels let your wheels curtsy over bumps, while you ride level as a lance. But they also need no servicing, and breakage is virtually unknown. Buick's great-powered engine is a Fireball, wondrously lively and eager at the mere touch of your toe—but it also wrings extra power from every drop of fuel, and has the mechanical perfection

that comes only from years of experience with this basic design. Dynaflo Drive gives you effortless smoothness of control—but it also eliminates clutch repair bills, saves tires, eases strain on the whole driving mechanism, from engine to differential. The road-steady gait of a Buick assures relaxed security—and is also evidence that you have a durable, deep-silled, X-braced frame beneath you. However you check it, you'll discover this: The things that make you yearn for a Buick on first acquaintance, are the very same things that make Buick such a smart long-time buy. Better see your Buick dealer—soon.

**No other car provides all this:**  
 DYNAFLO DRIVE • FIREBALL POWER  
 4-WHEEL COIL SPRING • DUAL VENTILATION  
 PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE  
 WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING  
 BODY BY FISHER  
\*Standard on ROADMASTER, optional at extra cost on other Series

"SHIVERS ASK FREEDOM FIRES FOR LEGION"

"Fires of Freedom" will blaze December 7 in the American Legion's second annual "Operation Democracy" day proclaimed by Governor Allan Shivers, center above, with the American Legion's state commander Bill Elkins left and State Secretary John Ben Shepperd, the Legion's state Americanism chairman, right.

SOUTHWESTERN EXPOSITION AND FAT STOCK SHOW JAN. 26 - FEB. 4th.

FORT WORTH—The skill and daring which the Comanches and rustlers displayed when they made a raid and rode off on the settler's best horses will be reenacted in a new event in the rodeo of the Southwestern Exposition and Fat Stock Show, Jan. 26 through Feb. 4.

This contest, announced today by President-Manager W. R. Watt, will be a wild horse race. It is much different from the event of the same designation which you may have seen at a few other rodeos where two men rope and hold a horse and throw a saddle on him for one to ride.

This is "sissy stuff" in comparison to the Cowtown version. Here's how it will go:

There will be a bunch of wild Mexican and Choctaw ponies in the arena. Twenty cowboys will run in, drive the mustangs into a corner and then climb aboard by grabbing a mane—there will be no saddle, no bridle; it will be Indian style. This is not a team or pair event but it's strictly every individual for himself and while a cowboy is trying to get a horse in position to get on, another cowboy may take advantage of the situation and climb on the horse himself.

After a contestant has succeeded in getting on an animal, he rides alongside of another horse

and jumps over to his back. The cowboy who changes from one horse to another the most times and puts on the best all-round riding exhibition will be the winner. That will give you a "rough" idea—and we do mean rough! It will be an event filled with action every moment.

The ponies for the wild horse race are already at the Stock Show grounds.

Milking Pays Way For Tech Students

LUBBOCK — Getting up at 4 A. M. on a frosty morning to milk old Bessy may not appeal to a lot of people, but several students at Texas Technological College do it to work their way through school.

Actually they're killing two birds, or cows, with one stone. They are Agriculture majors. Not only do they get paid for furnishing students with fresh milk, but they also get credit for studies on how to increase milk production.

A cow, or anybody else, isn't always contented at A. A. M. So the students have to cater to the sometimes cantankerous dispositions of the bovines at that hour. In some cases a rope, rather than

a personal appeal, calms the holsteins, short horns and Jerseys.

The students are Frank and Nolan Payn (cq) of Lampasas, James Homsley of Lubbock, James Rigsby of Canyon, Wendell Kearney of Sweetwater, Morris Collett of Spur, J. E. Layton of Enochs and Jack White of Paris.

Between classes, studying, and three milkings a day, these students put in a busy 24 hours.

The fresh milk goes to the Tech dairy where it is processed and delivered to Dairy Manufacturing. Ice cream and assorted dairy products are then made. Most of these products are sent to the Tech dormitories where final disposition is no problem.

Judge John S. Simmang Condemns Overloaded Vehicles On Highways

AUSTIN — John S. Simmang, Lee County Judge, in his keynote speech before the annual convention of the Texas County Judges and Commissioners, in Austin, late in November, warned that

the State and County roads in Texas are being destroyed faster than they can be rebuilt.

D. C. Greer, Texas State Highway Engineer, told the county officials that beginning in 1951, no expansion of the present highway system would be possible. "We must use all available funds to rebuild and preserve what we now have before we can plan new highways," he said.

Judge Simmang, a former President of the County Judges and Commissioners' Association of Texas, told the group it was mandatory that the Texas systems of roads be protected from the wanton destruction by only one per cent of the highway users.

"It should make the blood of every true and honest Texan boil," Judge Simmang said, "when you realize the damage caused by overloaded trucks is costing the tax payers of Texas millions of dollars each year."

In the closing business session of the convention, a strongly worded resolution condemning the practice of overloading

trucks on State and County roads was adopted. The convention went on record as opposing any increase in the present weight and size laws of vehicles using the highways. They urged the Legislature to require overloaded vehicles to reduce the excessive weight to the legal limit on the spot where apprehended and that a sufficient number of men be provided to protect the Texas road systems and to safeguard the lives and property of the motoring public.

Texas Tech Is World Crossroad

LUBBOCK — Texas Technological College is a potpourri of the world according to complete enrollment figures released today for the fall semester.

There are 254 countries in Texas. Of these 203 are represented at Tech. Lubbock county, with 1,657 students, has the largest group of the 5,475 enrolled at the co-educational College.

Out of the total enrollment, there are 35 states and 15 foreign

lands sending students to Tech. Perhaps the most outstanding fact revealed by the registration figures is the 2.8-to-1 ratio between men and women on the campus. There are 4,007 men students, and 1,468 women students enrolled for the fall semester.

There are 32 foreign students at Tech this year, 10 of whom are young women from Germany. Iran has three representatives this semester, while Hawaii, Burma, India, Mexico, Panama and Peru each has two. Countries represented by one student each are: Belgian Congo, Canada, China, Columbia, Honduras and Lebanon.

Twenty-three different religions and faiths are listed, including three Moslems and three Quakers. Baptists lead the list with 1,882, followed closely by the 1,569 Methodists. Some 432 students listed no religious preference.

Iva Jean McAnear spent Saturday night with Barbara McAnear at Goodnight.

**FARM NEWS**  
 From the County PMA Committee

**COTTON NEEDS**

President Truman, in his talk to the Nation in December, included cotton among the raw materials which are most important in our national preparedness. He urged cotton growers to produce more cotton in 1951 to help out in the defense of our Nation. B. F. Vance, State PMA Committee Chairman, commenting on the cotton situation this week said, "The Secretary of Agriculture has asked cotton farmers to produce at least 16 million bales of cotton in 1951."

"We know that our carryover of cotton next August, the beginning of the cotton marketing year, will be at minimum levels. We also know that according to most careful Government estimates, nearly 16 million bales of cotton will be needed for our own civilian and military uses and for needs in friendly foreign countries."

"This means that a 16-million bale crop in 1951 would add little or no cotton to our already small reserve. It was necessary to limit the amount of cotton going to some of our friendly foreign countries during the past year in order to meet our increased civilian and military needs and maintain a minimum working supply in this country."

"Farmers should make arrangements at once for planting seed, insecticides and fertilizers as the supply may be short at planting time."

"The price of the 1951 cotton crop will be supported at 90% of parity as of next July 15th."

The ten spot markets averaged 44.37 cents per pound on Thursday, January 11, 1951, for middling 15/16 inch cotton. This is a new record high.

An increase in the cost of living is not always caused by an increase in the price of farm commodities.

When the Government asks for more steel or copper or automobiles or trucks or guns or planes, it negotiates a contract that gives a fair return for high endeavor. Production starts quickest and

rolls fastest when the price is adequate. The same thing applies to the farmers of this Nation as well. Yet many say - do away with all agricultural price supports during the emergency.

**PRODUCTION**

All out production of cotton and feed grains looms up as the first signals of the Defense program. But every thinking farmer has figured out that Production must be balanced if it is to provide effectively for the meat, milk, eggs, and other required products. Most farmers are shrewd philosophers and will be thinking months ahead of actual farm planning. They will be grateful for the guidance that economists in Washington, D. C., working close to the military strategy program can give us, on what our Defense program will demand.

Another angle of the farm insight we think will be to measure the production program in terms of years—not just for 1951. As one farmer put it—"We may need all out production worse next year or the next, than now. So I'm not going to plow up all my

pasture land this year. I'm going to maintain a production program that fits my farm to make and keep it productive." Well said farmer friend, and may we add, use ACP practices to the limit, to help further that program.

**FAMILY REUNION**

Children of the late E. F. Bryan gathered for the week end in the home of Mr. and Mrs. Allen Bryan. Present for the occasion were Dr. and Mrs. Harry C. Bryan and daughter Pat of Colorado Springs, Colo., Mrs. Edith Bentley of Lakeland, Florida, Mrs. Hollye Guiberson of Dallas, Mrs. Floyd Keener of Vernon, Mrs. Glen Casey and son, Clifford of Amarillo and Mr. and Mrs. Allen Bryan's son, Gene, who is attending school at S.M.U. in Dallas.

Mr. and Mrs. Allen Bryan entertained with Open House Sunday afternoon. A number of former acquaintances and family friends called throughout the afternoon.

Donley County Leader, \$2.50 year

**CARRYING WOUNDED FROM FRONT LINES**—These entrapped Marines struggle down a road with a helpless litter patient to a cleared strip for air evacuation to hospitals in Japan. The highest number of patients to be evacuated in a single day was on December 5 when 1,550 casualties were flown from the battle area to a rear air base.

**PRESBYTERIAN CHURCH SERVICES SUNDAY**

Announcement has been made that church services will be held at the 11 o'clock hour at the Presbyterian Church Sunday morning. A student of the Presbyterian Seminary at Austin will preach. His name is not available at this time. Church members and the public are invited to attend.

**Health Notes**

AUSTIN — Dr. Geo. W. Cox, State Health Officer, estimates that there are 500 million colds a year in the U.S.A. and they take an economic toll of two million dollars. This does not take into consideration the inconvenience suffered, or the fact that following or during a cold, other serious illness such as pneumonia, tuberculosis or mastoiditis gain a foothold. And the common cold is only one of the many winter enemies that encounters everyone from the crib to the coffin; some of the others are influenza, bronchitis, ear infections, sinusitis, and pneumonia. These are all respiratory diseases and they are caused by many different germs. Some of these germs are called bacteria, and some are called viruses.

Just because you have had a cold is no reason you won't catch another. Two out of three people have three colds a year, and two out of eight people have four colds a year. Wet feet, drafts, chilling, exposure to bad weather, etc., do not cause your cold but they do weaken the body's resistance to a cold. So we say that there are favorable conditions for germs, one is the strength and number of the germs, and the other is body resistance which includes undernourishment, fatigue, irritation of the nose and throat by air borne substances, or chilling of the body.

The best way to avoid catching cold is to:

1. Avoid people with colds as much as possible.
  2. Beware of fatigue, avoid overwork, get plenty of rest, exercise moderately out-of-doors.
  3. Keep feet warm and dry.
  4. Keep out of drafts.
  5. Eat a well balanced diet.
- If you have a cold, help yourself and others by staying home, eating light foods and calling your doctor if necessary.

**P. T. A. THANKS PUBLIC**

Officers and members of the P.T.A. would like to take this means of thanking the public for their help in making their program "Going Places" a success. Special thanks go to Mrs. Dee Williams for providing the music, to the entire cast, to the merchants who contributed advertising, to Skelton Bros. for the clothing modeled during the program, to the Donley County Leader for the publicity given the show, to L. L. Wallace for the use of his Public Address System, to Mr. Lee Bell and the Mulkey Theatre for the use of their spotlight and to all others who contributed in any way to the show. Your cooperation has certainly been appreciated.

Among those to attend the program sponsored by the Concert Bureau at the Community Building in Wellington Friday night were Mr. and Mrs. M. C. Rampy, Misses Ida and Etta Harned, Mr. and Mrs. Carl Allmond, Mr. and Mrs. Willard Skelton and Miss Pooe Ann Buntin.

**Help Save A Child's Life**

The bus committee of your local school board is attempting to make bus loading at the grade school and Jr. High school buildings safer. In the past individuals have made this a very dangerous undertaking by parking in front of the buildings until there is no room for a bus to pick up students.

The bus committee is asking that you leave the space between the curb and the street open in order that the busses may line up one behind the other and pick up the students. This will do away with the dangerous practice of dodging in and out between cars to get to the bus. We have had several narrow escapes and our luck may not last. Your cooperation is requested in this matter. Thanks.

**Farm Bureau Holds District Meeting In Amarillo**

In attendance at the District meeting of The Farm Bureau in Amarillo, Friday, Jan. 26th, were Lee Shaller, President; O. L. McBrayer, Vice Pres., Mr. and Mrs. B. F. Wolford, Service man; Mr. J. H. Wood, Mr. S. H. Mahaffey, and Mr. Leo Wallace, Directors of Donley County. Mr. Marvin Carter, organization director from the State office, Mr. Charley Cravy, area Service man, Mr. Stanley Garnet, District Chairman, and Mr. G. A. Dietz, assistant Director, and many of the Presidents and other officials of the various other counties of this District were present.

Mr. Garnet and Mr. Dietz were reinstalled, along with Mr. Upchurch of Randall County as District Secretary.

Mr. Garnet was in charge of the meeting. Mr. Carter gave a good talk on the importance of Farm Bureau, what it is doing and what it can do for us in the future.

Mr. Cravy gave a good report on the growth of the Service Department, and how we could assist in it, and how our Service men can improve the organization through its services; and how the Officers and Directors of the County organizations, can assist the Service-man in his work.

An open discussion was declared, and was interrupted by lunch, which was paid for from the District fund. The discussion was continued after lunch at which time it was learned that prices had been pegged as of Jan. 1st, on most items. Prices were set on hides as of their lowest point in November, which was their lowest point for the entire year. A protest was ensued and a resolution was passed to instruct Mr. Garnet to insist upon Mr. Hammond, President Texas Farm Bureau, to find out WHY hides were pegged on Nov. low? I was happy to have Mr. Carter verify the statement to the Texas Wheat Producers meeting on Monday, "That it was the policy of the Farm Bureau to assist in every way possible such Organizations as The Cotton Council, Wheat Producers, Citrus Growers, and all others interested in Agriculture." — Lee Shaller, President of Donley County Farm Bureau.

Dinner guests in the home of Mr. and Mrs. A. D. Estlack and girls Sunday were Mr. and Mrs. Billy Chilton, Mr. and Mrs. Homer Estlack and children and Mr. and Mrs. G. W. Estlack and Jackie.

I heard Dr. Wade Freeman tell this story to the effect that he would like to have a church that payed like a Presbyterian and prayed like a Baptist; of course the story could be turned around to fit most any denomination. Anyway, this is the way he told it; that you could go in a Presby-

terian's place of business and tell the brother the church was in a little difficulty and ask him to pray with you about it and he would say; "Brother, take this fifty dollars and take care of it yourself; we are paying you to do our praying for us" - That you could go in a Baptist's place of business and tell him that the church was in a little difficulty and ask him for Fifty Dollars and he would say; "Close the door and let's pray about this matter, my brother."

From the Texas Outlook I have just traded my old car in. A rattling relic of rusty tin. But I hope that the person who gets it Has a kind heart and loves it

and pets it. My preaching Uncle sends me this quote from Wilde about the much talked about cigarette: "A cigarette is a perfect type of a perfect pleasure; it is exquisite, and it leaves one completely un-satisfied."

New members to the ASRN Society include John Shaw of Washburn, Texas who still "Chaws" a little but otherwise Ain't Smoking Right Now, and Carl Hignett of Goodnight who has been clean off of them for three or four weeks. They were both recommended to me for memberships by some very reliable folks. Glad to have you both.

Had a card from Chas. Reed commenting on the quote from my column that was in the Magazine section of your paper a few weeks ago about my reference to Ink, Arkansas. Anyway, Farmer Chas. says we are helping to put the town on the map.

Do you think that we are living in the "End time", as it is foretold in the Bible, at this very time? Dr. E. F. Webber of Oklahoma City is on the radio over a network including one of the Amarillo stations at 8 o'clock each weekday morning. He is taking up the Book of Revelation verse by verse and going all the way through the Book. Regardless of the denomination we are, I think we might learn a lot from this study if we could follow it through with him. I do not even know the denomination that he agrees with, but he does seem to have a good interpretation of this strange book of the Bible; at least it seems so deep to me. Let me know whether you think he is on the right track or not; especially as regards Russia and the United Nations.

"All of God's providences are but His touches of the strings of the great instrument—the world."—Charnock.

### Nothing Better Than Good Food, Says Ohio Man

If a man isn't able to eat the foods he likes he's in mighty sorry shape—imagine going through life without being able to enjoy a fine big platter of bacon and eggs. That is the way Joseph N. Damillot, 3414 E. 5th Street, Dayton, Ohio, used to be, but since he has been taking HADACOL, he says he feels just fine and is able to enjoy lots and lots of fine foods. Mr. Damillot found that taking HADACOL helped his system overcome a deficiency of Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron. Here is Mr. Damillot's statement: "My first bottle of HADACOL convinced me that HADACOL was what I needed for the gas on my stomach at night. I could not keep food on my stomach, but after the first bottle I was going great. Now I eat bacon and eggs, and other foods that never would stay with me. I also can sleep well at night. Thanks to HADACOL, I will never be without it, and can recommend it to all who suffer with the above ailments that I had. I know because I have suffered for quite some time."

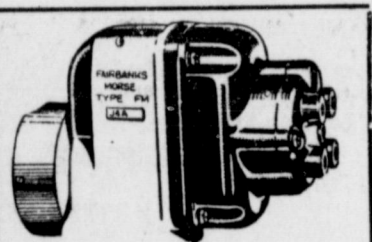

"A prayer, in its simplest definition, is mere a wish turned Godward."—Brooks.

A man who loves to do good things for others has found the secret of life. He will be a man of happy yesterdays and hopeful tomorrows.

As we read in the papers about this town getting this twenty million dollar plant and that town getting that army camp, and the Chamber of Commerces make their promises to help get them; we almost quake in our boots. It is war; death and destruction; and yet folks seem to gloat and brag of the profits and growth that will be brought to their town. They should remember this: they are all Blood dollars; paid for with the tears of our mothers and the blood of our boys, and no permanent good will come either to the town or to the ones who profit from such dollars. But man will never learn about war; death, destruction and hell for some makes riches, profits, and ultimate destruction for others.

The Price Control could be called Price Support, almost.

**JUNIOR BOYS WIN OVER CLARENDON**

The Lelia Lake Junior High boys defeated the Clarendon Junior High boys in an exciting game played Tuesday afternoon, January 23. The final score was 30 to 16.

Boyd White was the star for the Lelia team. He sank 18 shots, including several crabs and two beautiful long shots. Clyde Tims and Bobby Jones made six points each.

Don Tims, a former Lelia student, was high point-scorer for the Clarendon boys with 8 points. This was the first game for the Lelia boys.

**JUNIOR HIGH GIRLS DEFEAT CLARENDON 21-5**

The Lelia Lake Junior High girls defeated the Clarendon Junior High girls in a basketball game played Tuesday afternoon, January 23. The final score was 21 to 5.

Sue Seago and Bobbie May Richie were the star forwards for the Lelia Lake girls. Seago made 11 points while Richie made 8. The majority of the shots were crib shots. They didn't try many long shots due to lack of exper-

ience and strength. Sue Seago made a free shot in the first quarter. Earlene Stavenhagen made a field goal in the last quarter.

The Clarendon girls scored on a free shot by Brock, crib shot by Talley, and set shot by Brock.

This was the first official game the Lelia Lake girls had ever played.

**BASKETBALL PICTURES MADE FOR '51 ANNUAL**

Tommy Saye took basketball pictures for the annual Thursday, January 25. Individual pictures were taken of the A team, and group pictures of the B and A teams were made.

These pictures will be used for the 1950-51 Bluebird annual.

**BLUEBIRDS FAIL TO CATCH INSPIRED BOBWHITE TEAM**

The Lelia Lake Bluebirds fell behind in the opening minutes and simply never caught up when they played Quail Jan. 22. Quail, playing one of their best games, kept pulling away most of the game. In the final minutes Lelia Lake caught fire and finally pulled to within four points at

the end of the game. At the end of the first quarter the score was 8 to 3 in Quail's favor. In the second quarter Lelia Lake held their own as Wilkinson sunk three field goals, Ayers one, and White made three free throws. At the half it was 19 to 14 still in Quail's favor.

In the third quarter Quail rung up 14 points to Lelia Lake's 4 to go ahead 33 to 18. In the last quarter Lelia Lake, finally got going as Williams hit three field goals, White two, Wilkinson two and Vardeman one.

The final score was 38 to 34. High point man for Lelia Lake was Williams with 12 points. For Quail it was Fielding with 12 points.

**QUAIL GIRLS DEFEAT BLUEBIRDS BY 36-20**

The Lelia Lake Bluebirds were defeated by the Quail Bobwhites by a score of 36 to 20, Tuesday night, January 22.

The Quail girls gained the lead in the opening minutes and never gave it up. Except for a few scoring sprees the Lelia Lake fans had little to cheer about as the Quail girls had a comfortable 18 to 7 lead at half.

In the third quarter the Bluebirds played their best ball as they pulled up and made it 23 to 16 at the third quarter.

Bobbie Seago was high point girl for Lelia with 13 points. Jo White was high for Quail with 17 points.

**OBSERVATION REPORTS, MADE IN CHILD CARE COURSE**

As a conclusion of the Child

**THE DONLEY COUNTY LEADER**

Care Course in Home Ec. two observation reports are being made. One report is on different groups of first and second graders. The girls have taken scheduled visits out to their room.

They saw how the children reacted to singing, to art work, to their lessons, to washing their hands before lunch, their prayer, and then eating lunch. The children have also been watched at recesses and noon hours to see how well they play together.

The other report is on an individual child. It is either on a younger brother and sister or another child under school age. They are observed for how they get along with others, how they react to their members of the family, what they play with, what kind of language is spoken in their home, how they react to discipline, and whether they are selfish or not.

**FILMS SHOWN IN SCIENCE, HEALTH, AND GEOGRAPHY**

Films shown in the Lelia Lake School this past week were: "Sewage Disposal," and "Silver" in science by Mrs. Craig Johnson. "Tuberculosis" and "How It May Be Avoided," and "The Andes," were in health and geography. "Mexican Children" were shown in geography by Mrs. L. C. Myers.

**GIRLS AGAIN DEFEAT ROCKETS BY ONE POINT**

The Lelia Lake girls defeated the Wellington girls January 25 with a final score of 37-38.

The line-up for the Bluebirds was: Aten, Seago, Butler, Anderson, Christal, and Dodson.

The line-up for the Rockets was: M. Needham, V. Cook, G. Needham, T. Cook, M. Earter, and M. Black.

The score was tied or in a one to three-point lead for first the Rockets and then the Bluebirds during the entire game. Half time found the score at 18-18. The second half was a repeat of the first half.

The Bluebirds fouled wildly during the first half but did not foul off a player until the last few minutes of the game. Those receiving the total of five penalties were Marilyn Butler, Mary Dodson, and Romaine Anderson.

The high scoring girl for the Bluebirds was Seago with 21 points.

The high scoring girl for the Rockets was V. Cook with 16 points.

**WELLINGTON GIRLS LOSE TO BLUEBIRDS 28-29**

After a very close and exciting game the Lelia Lake Bluebirds girl's team came out on top of the Wellington girl's team by a score of 29 to 28, Jan. 19.

At the end of the first quarter it was 8 to 5 in favor of Wellington. In the second quarter the Wellington girls kept their lead 15 to 12. The Bluebirds came roaring back in the second half and caught them before the third quarter and made it 24 to 20 at the end of the third quarter.

The Wellington girls caught up again however and through the last three minutes the game got very exciting.

Bobbie Seago was high point girl for Lelia with 20 points. High point for Wellington was Cook with 10 points.

**BLUEBIRDS PULL INTO EARLY LEAD AND WIN**

The Lelia Lake Bluebirds defeated the Wellington Skyrockets by a score of 40 to 24, Jan. 19. The Bluebirds pulled into the lead early and were never reached. At the first quarter it was 7 to 6 in favor of the Skyrockets, but in the second quarter the Bluebirds pulled ahead and at the half it was 20 to 15 in Lelia Lake's favor.

The game was highlighted by some beautiful long shots by Wil-

kinson, Ayers and Monk of Lelia. High point man was Lelia was Wilkinson with 12 points. High man for Wellington was Wood with 8 points.

**ROCKETS SUFFER SECOND DEFEAT TO LELIA LAKE**

The Lelia Lake Bluebirds defeated Wellington Rockets, Jan. 25, with a final score of 42-40.

The line up for the Bluebirds was: Williams, White, Ayers, Monk, and Wilkinson.

The line up for the Rockets was: McCutche, Wood, T. Wood, Goson, and White.

The Rockets had scored 10 points before the Bluebirds found their luck and sunk their first basket. Beginning with this shot in the middle of the first quarter, the Bluebirds began to close the lead, but not until the first of the fourth quarter did Lelia Lake gain the lead. The entire fourth quarter was a thriller with Lelia Lake maintaining a narrow lead until the final whistle.

The high scoring man for the Bluebirds was Wilkinson with 29 points.

The high scoring man for the Rockets was Goson with 12 points.

**LAKEVIEW GIRLS PULL WITHIN ONE POINT OF WIN**

The Lelia Lake "B" team girls defeated the Lakeview "B" team Monday night, January 22, by a score of 22-21. Lelia Lake was ahead almost all the way until the last when Lakeview pulled to within one point of them.

High point girls for Lelia Lake were Hill and Rampy with 8 each.

High point girl for Lakeview was Verden with 12.

**"B" TEAM MEMBERS WIN CLOSE CONTEST**

The Lelia Lake "B" team boys defeated the Lakeview "B" boys by a score of 22 to 14 in Lelia, Jan. 22. The game was close all the way.

High point man for Lelia Lake was Mac Stavenhagen with 10 points.

High point men for Lakeview were Clark, Lewis, and Denton all with 4 points each.

The man who likes a good cigar after a meal probably smokes about one a month, nowadays, and that providing he can find one.

the Railroads **RESPECT** ... What is the **TRUTH?**  
the Labor Unions **REPUDIATE** this agreement!  
At various states in the present dispute with the brotherhoods of railroad operating employees ... the railroads agreed to arbitrate. The union leaders refused. ... the railroads accepted the recommendations of President Truman's Emergency Board. The union leaders refused. ... the railroads accepted the White House proposal of August 19, 1950. The union leaders refused. Finally an Agreement was signed at the White House on December 21, 1950. Now the union leaders seek to repudiate the Agreement. The railroads stand ready to put the terms of this Agreement into effect immediately, with back pay at the rates and date indicated. The Agreement is given in full below.

MEMORANDUM OF AGREEMENT  
Washington, D. C.  
December 21, 1950  
1. Establish 40 hour week for yardmen with increase of 23 cents effective October 1, 1950, and additional 2 cents effective January 1, 1951.  
2. Set aside 40 hour week agreement until January 1, 1952, and establish 6 day work week for yardmen. Effective with the execution of the formal agreement, yardmen from the date of execution of the 7th day to be men required by the carrier to work on the 7th day to be paid overtime rates except engineers who shall receive straight time rates for the 7th day. This does not create guarantees where they do not now exist. On and after October 1, 1951, three months' notice to be given of desire to go on 40 hour week. Provide for consideration of availability of manpower and 4 cents per hour if and when the 40 hour week actually becomes effective.  
3. Settle rules for 40-hour week and 6 day week.  
4. Grant yard conductors and brakemen other rules such as daily earnings minimum, car retarder operators and footboard yardmasters as recommended by Emergency Board No. 81.  
5. Settle following rules:  
Initial Terminal Delay (Conductors and Trainmen)  
Interdivisional Runs  
Pooling Caboose (Conductors and Trainmen)  
Reporting for Duty  
More than One Class of Service  
Switching Limits  
Air Hose (Conductors and Trainmen)  
Western Differential and Double Header and Tonnage Limitation (Conductors and Trainmen, all Territories)  
6. Road men to receive 5 cents per hour increase effective October 1, 1950 and additional 5 cents per hour increase effective January 1, 1951.  
7. Quarterly adjustment of wages on basis of cost

of living index (1 point to equal 1¢ per hour. First adjustment April 1, 1951. Base to be 176).  
8. Agreement embodying principles applicable to yardmasters to be entered into for benefit of yardmasters.  
9. Effective October 1, 1950, the basic hours of dining car stewards shall be reduced from 225 to 205 hours per month; no penalty overtime to accrue until 240 hours have been worked, the hours between 205 and 240 to be paid for at the pro rata rate.  
Effective February 1, 1951, overtime at time and one-half shall accrue after 220 hours have been worked. The basic monthly salary to be paid for the 205-hour month shall be the same as that now paid for the 225-hour month. Except that four dollars and ten cents (\$4.10) shall be added to the present monthly rate effective January 1, 1951.  
10. In consideration of above, this agreement to be effective until October 1, 1953, and thereafter until changed or modified under provisions of Railway Labor Act. Moratorium on proposals for changes in wages or rules, until October 1, 1953, as follows:  
No proposals for changes in rates of pay, rules or working conditions will be initiated or progressed by the employees against any carrier or by any carrier against its employees, parties hereto, within a period of three years from October 1, 1950, except such proposals for changes in rules or working conditions which may have been initiated prior to June 1, 1950. Provided, however, that if as the result of government wage stabilization policy, workers generally have been permitted to receive so-called annual improvement increases, the parties may meet with Doctor Steelman on or after July 1, 1952, to discuss whether or not further wage adjustments for employees covered by this agreement are justified, in addition to increases received under the cost of living formula. At the request of either party for such a meeting Doctor Steelman shall fix the time and place for such meeting. Doctor Steelman and the parties may secure information from the wage stabilization authorities or other government agencies. If

the parties are unable to agree at such conferences whether or not further wage adjustments are justified they shall ask the President of the United States to appoint a referee who shall sit with them and consider all pertinent information, and decide promptly whether further wage increases are justified and, if so, what such increases should be, and the effective date thereof. The carrier representatives shall have one vote, the employee representatives shall have one vote and the referee shall have one vote.  
11. If the parties cannot agree on details of agreement or rules they shall be submitted to John R. Steelman for final decision.  
The usual protections for arbitrators, miscellaneous rates, special allowances, and existing money differentials above existing standard daily rates will be included in the formal agreement.  
\*\* The foregoing will not debar management and committees on individual railroads from mutually agreeing upon changes in rates, rules and working conditions of employees covered by this agreement.

## Better Texas Schools Cost Less Money Than In 1939-40

AUSTIN—One-half cent less of each state tax dollar went to support Texas' public-schools last year than in 1939-40 despite the tremendous strides made in the school system since the Gilmer-Aikin laws went into effect.

"Not only has Texas climbed from very low on the national ladder to near the top in public school education in the first year under the Gilmer-Aikin program, but the state accomplished what amounted to a near-revolution in education without taking a bigger bite out of each tax dollar," Dr. Mortimer Brown, president of the Texas State Teachers Association, pointed out here today.

"In 1939-40 the public school support totaled 30.31 cents of each state dollar expended. During the last school year the schools' share of that dollar was 29.67, or exactly .54 of a cent less.

"At the same time, enrollment greatly increased, the number of teachers employed went much higher and the average daily attendance skyrocketed.

"The average daily attendance jumped in one year 35,708 under the new school program. Too, it is pertinent to point out that every child in Texas is guaranteed the opportunity of having 175 days of actual instruction per year.

There are now 49,628 classroom teachers in Texas schools, Dr. Brown pointed out. That is 4,225 more than in 1939-40.

"That makes for better education of our children," Dr. Brown commented. "Classes are now smaller, allowing for more individual instruction.

"Too, there were only 156 supervisors, counselors and special services personnel, such as nurses, available in 1939-40. Now there are 2,181.

Charles H. Tennyson, executive secretary of the Teachers Association commented that until the Gilmer-Aikin program gave Texas a position near the top in the national education field, a proportionate share of the state dollar was not going to the schools.

"We are delighted to find that the vastly-improved school system, and I believe everyone will agree that our schools are far superior to those of such a short time ago as 1948-49, is taking less of the state dollar," he said.

The total cost of state government during the 1949-50 fiscal

year was \$527,252,453. Of that amount, \$156,430,559 went to the vast network of schools.

A total of \$145,350,068 was used by the per capita apportionment, the supplementing foundation program and ofr administration; Tennyson reported.

Textbook costs and distribu-

tion accounted for \$3,410,723. The free lunch program cost \$3,758,361. The State Commission for the blind used \$117,006. Vocational education cost \$3,794,401, of which \$2,018,657 was federal funds, Tennyson said.

New Ford Trucks for '51 bring you greater economy—better performance!

**NEW Economy.** Choose a V-8 or Six to match your power needs exactly. Four great economy engines . . . over 180 models with new features throughout. **NEW Cab Comfort.** Two new cabs: The 5-STAR; and the 5-STAR EXTRA. New wider rear cab windows give 50% more vision. **NEW Engine Performance.** New engineering advancements like new autothermic pistons, new chrome-plated top piston rings, new high-lift camshafts. **NEW Durability.** New transmissions and axle give even longer truck life.

**Ford Trucking Costs Less because—**  
**FORD TRUCKS LAST LONGER** See 'em today!  
 —latest registration data on 6,592,000 trucks. Life insurance experts prove Ford Trucks last longer!
