A Common Paper for Common People

Anniversary of Pearl Harbor Attack To Be Observed At College Auditorium Here

This Sunday afternoon a year ago, while the Sabbath message of "Peace on earth, good will toward men" still lingered in the minds of its people, our Nation was suddenly stunned by the awful news that Japan had attacked Pearl Harbor—that even then, at that moment, the terrible debacle was being flashed to the four corners of the earth.

And so with stout hearts and resolute determination, the people of the United States have girded themselves to meet the task, and are rededicating their time, efforts and money, every day, to keep faith with those brave men and women who died at Pearl Harbor.

Monday, December 7th marks the anniversary of the bombing of Pearl Harbor, and the people of Clarendon and Donley County will observe the occasion by buying War Stamps and Bonds, and rededicating themselves to the task of seeing that our boys in the armed forces shall continue to have plenty to eat and an abundance of war implements to fight with. The people at home must shoulder the burden of keeping the fighting fronts well supplied. To do this job, they must buy bonds and more bonds, with never a let up.

A patriotic program will be presented by school students at the College Auditorium Monday at 12 o'clock in remembrance of the bombing of Pearl Harbor. There will be plenty of bonds and stamps on hand, and everybody is expected to buy one of the two or both, regardless of whether they attend the program or not. Everyone is invited.

This week the United States Government begins the task of borrowing nine billion dollars from accumulated savings and idle funds in the next several weeks as an essential part of winning the war more quickly and more completely.

Your three Clarendon banks are sponsoring a large advertisement in this issue of the Leader, acquainting the public with this problem. This is all a big job, so why not start it off on the seventh with everyone buying a bond, or several bonds and at least a few stamps.

"Work - - fight - - sacrifice" is the battle cry of our people, and this spirit of determination will prevail as we observe this anniversary. The occasion should be characterized by a prayer of gratitude that we are still able to fight for our freedom—that we still have a chance to write the peace and make safe the Bill of Rights.

The treachery that befell Pearl Harbor on that beautiful Sabbath morning will never be forgotten, and the American people will still remember the peace gestures of Japan while she planned our demise. The past hangs heavy with treachery and nefarious acts, but the sneak attack on Pearl Harbor has set a precedent in the annals of history.

The American people have come a long way since that eventful day a year ago. The most peaceful place on earth has been converted into the greatest arsenal on earth. Billions of dollars have been expended and billions more must come from the people, if we are to keep up this terrific pace to defeat the enemy. In order to make this needed money available, the government is calling on the people to buy bonds and more bonds.

All of us can have a part in helping to win the war, whether we are in the front line trenches or holding down a job on the home front. The purchasing of war bonds and stamps is the one great item that is in reach of all classes, rich or poor, black or white—the person makes no difference—it is the end that counts. "Work - - fight - - sacrifice"—buy bonds and more bonds, and

keep the needed supplies flowing to our boys on the battle fronts. Let us rededicate our efforts on this occasion and buy war bonds and stamps that our fighting forces may destroy, forever, the enemy that threatens our democratic way of life.

Coffee Rationing Now In Effect

One pound of roasted coffee will be allowed between November 29 and January 3, 1943 for each consumer whose age is recorded as 15 years or more on his sugar ration book. Persons who have attained the age of fifteen years since the ration book was issued are not eligible to purchase coffee.

The coffee supply is going to be adequate to meet the ration demands of all consumer and institutional users during the first period, the Donley County Rationing Board emphasized, but the problem of distributing this supply to the stores during the first week or two will be relieved considerably if purchasers will start out by buying only the quantity needed immediately, such as one pound at a time for a family. Consumers who have coffee on hand also are asked not to buy any coffee until it is needed. This will help in the distribution.

Under the rationing regulation, coffee is defined as green or roasted coffee, whether packaged or not and whether in the bean or ground. It also will include coffee mixed with chicory, cereal, chickpeas or similar substitutes and coffee from which all or part of the caffeine has been removed still will be coffee.

All retailers and wholesalers must report to the local War Price and Rationing Board by December 21 the amount of each dealer's inventory at the start of rationing and the manner in which this quantity of coffee was obtained. Forms for such reports will be made available at the War Price and Rationing Board offices.

VISIT AT FT. SUMNER

Mr. and Mrs. Ralph Andis and son Billy Ralph were joined at Amarillo by Mr. and Mrs. Ben Andis and spent the weekend at Ft. Sumner, N. Mex. with their sister, Mrs. W. A. Fronabarger.

Methodist Meet At Memphis

The Methodist of the Clarendon District were called by the District Superintendent, Rev. G. T. Palmer, to meet in Memphis, Texas Friday, Nov. 27. The occasion was, the Annual Missionary Institute, the District Set-up, for Pastors and officials, and the Harvest-Day program of the Woman's Society of Christian Service.

Speakers for the Missionary Institute were, two returned Missionaries, Mrs. Caperton Pace from India, and Dr. Sam Hilburn from Japan. Conference speakers were Rev. Orion Carter of Childress and Rev. W. E. Hamilton of Lubbock.

District speakers were Sam M. Braswell, District Lay-Leader, and others for the pastors and laymen and Mrs. Floyd Thompson for the Women. Reports of the work were given by the various Societies over the District.

Those attending from Clarendon were Rev. and Mrs. G. T. Palmer, Rev. and Mrs. J. O. Quattlebaum, Sam M. Braswell and Mrs. Braswell Sr., Mrs. L. N. Cox, Mrs. J. H. Hurn, Mrs. A. L. Thornberry, Mrs. C. J. VanZandt, Mrs. M. R. Allensworth, Mrs. Lon Ruddle, Mrs. J. R. Bulls, Mrs. Pearl Beeman (Amarillo), Mrs. Mattie Hudson, Mrs. C. L. Benson Sr.

Local Officers Nab Two Men Near Brice

Sheriff Guy Wright and Patrolman Bill Abbott answered a call Monday to investigate two suspicious men in a car near Antelope Flat. They found the men in a cotton patch near the Mulberry bridge south of Brice. When they approached the car, the men fled but were caught in a short distance.

The men were first believed to be the bandits who robbed the Hale Center Bank last Friday, but after being taken to Plainview and viewed by the victims of the bank robbery, they were not definitely identified as the guilty parties.

The two men are now being held in the Potter County jail on a federal charge of transporting a stolen car across a state line. The car which they were driving was stolen in Clovis. They also robbed a store at Olton, taking three shotguns, two rifles, a quantity of ammunition, and three batteries. Part of this loot that was sold to negroes near Brice has been recovered by Sheriff Wright.

The men were taken to Amarillo where they were identified as William H. Bonds, an escaped life-terminator from the Texas prison, and Paul Bushner, former New Mexico convict.

M. S. PARSONS OPENS PRODUCE FIRM

M. S. Parsons, who has been buying produce in Clarendon for the most of the last 25 years, has reopened his produce business. This time he is located in the Trent building across the street east of the Ice Plant.

He has been in the business so long that he just can't stay out of it, and has his equipment all set up to handle any kind of produce that might show up.

Read his advertisement in this issue of the Leader and see what he proposes to do.

Truck & Pickup Owners Asked To Keep Records

County agent H. M. Breedlove of the Texas A&M College Extension Service advises that all truck and pickup owners should keep accurate records of all travel and the tons of material hauled each load. This should be in the records of the producer for each month from now until the war is over.

"Our office has been helping farmers and ranchers fill out their application for war necessity cards on trucks and pickups for their gasoline ration cards," the county agent stated. "The allotments of gasoline is set at the Detroit and Amarillo Offices of Transportation," he added.

The local board helps the farmers to fill out the forms and then they are forwarded to the central office. If all persons owning trucks and pickups keep this record of all mileage and trips made by the farmers or ranchers, this information will be of great value to him in making appeals or in making future applications for gasoline during the rationing periods.

FATHER-SON BANQUET TO BE HELD IN JANUARY

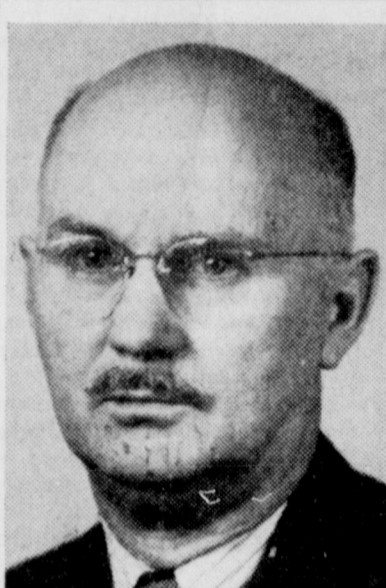

The annual Father-Son banquet which is usually held the latter part of November will be held some time in January this time, officials of the organization announced this week.

The reason for delay is because of the busy season and the shortage of help which would cause a large number to miss the affair.

A definite date will be set some time this month for the occasion.

FROM DALLAS

Mr. and Mrs. W. C. Stewart of Dallas visited friends in Clarendon over the week end on their way home from Panhandle where they had visited their daughter, Mr. and Mrs. Randel and family.

W. D. KIDD

Mr. W. D. Kidd, who for a number of years was associated with the funeral home of the late F. O. Moore in Henrietta, Texas, is now connected with the Buntin Funeral Home in our city. He comes highly recommended as a christian gentleman, who is always ready to take his place in all the worth while activities of the town and community. He stands ready to serve in every capacity of his work. When you need him, call on him.

Mr. Kidd will move his wife and four children to Clarendon at the mid-term of school.

Donley Co. Rationing Board Issues Statement to Truck-Pickup Owners

HAULING WHISKEY IS COSTLY AFFAIR TO CHILDRESS MAN

Albert Lee Adecox of Childress found that whiskey hauling was quite costly when he was picked up Saturday night by Sheriff Guy Wright. When he saw the officers following him, he started breaking the bottles in the front seat and was thoroughly saturated with the stuff. He is already under bond in Amarillo on a similar charge.

This made the 24th arrest of violators of the liquor laws for the month of November by local officers.

INSURANCE CO. CREDITS DONLEY COUNTY WITH BOND PURCHASE

Word was received here this morning that the Southwestern Life Insurance company has purchased \$4,000,000 worth of bonds December 1st. Of this amount, the company had Donley County credited with \$10,000 in bond purchases.

The company is represented here by Bill Patman.

The Donley County War Price and Rationing Board, announced today that the board may issue temporary gasoline rations to truck operators pending the issuance to them of ODT Certificates of War Necessity, or until December 31, while such certificates are being corrected.

Otherwise, the County War Price and Rationing Board must follow gasoline ration figures set by the Office of Defense Transportation, in "tailoring" transport mileage ration books.

The County War Price and Rationing Board administering the OPA program has no alternative but to accept the gasoline quota set on a Certificate of War Necessity issued by the ODT.

The Board would like to make it very plain that farmers and other operators of commercial vehicles who are now engaged in transporting farm commodities and supplies should make appeals through the County Agricultural Agent or directly to the County U. S. Department of Agriculture War Board. Under the procedure set up the USDA board will review the individual cases and send its recommendation to the ODT district office for correction.

Any such inequities cannot be remedied under the regulation by the Office of Price Administration or the OPA's County War Price and Rationing Board, but must be handled through the proper channels to the ODT, which set the gasoline rations for truck operators in issuing Certificates of War Necessity.

However the Board points out that temporary gasoline rations can be granted by the OPA's County War Price and Rationing Board to operators of commercial motor vehicles whose Certificates of War Necessity, because of clerical or other errors obvious on the face of the Certificates provide for less fuel than the operators should have been granted to conduct their operations under ODT regulations.

Such truck operators will be given sufficient gasoline rations for one month's operation upon presentation of such erroneous Certificates to the OPA War Price and Rationing Board. In the same manner operators of commercial vehicles whose applications for Certificates of War Necessity are on file but who have not yet received their Certificates, also may obtain temporary rations to enable them to operate through December 31.

The Board pointed out that any holder of such a temporary ration who is dissatisfied with the amount of gasoline that has been allowed him by the ODT on his Certificate of War Necessity should appeal to the nearest ODT District Office which can issue a corrected Certificate if proper consideration for making the correction is shown.

In any case corrections for increases in the amount of gasoline allowed a truck operator by the Certificate of War Necessity must be made by the proper ODT officials and cannot be made by the OPA's County War Price and Rationing Board.

It is not the function of the OPA or its agencies to question the mileage rationing figures set by the ODT. The Board is obliged to follow the figures set by the Office of Defense Transportation.

EARLY CLARENDON RESIDENT DIES IN FORT WORTH

Ed Hartzel, 81, retired engineer for the Ft. Worth & Denver, died in Ft. Worth Sunday night.

Mr. Hartzel was one of Clarendon's first residents. His home at that time was near the A. T. Jeffries home in north Clarendon. He was one of the very few who saw everything beautiful in life.

He has made his home at Childress for many years and has been a frequent visitor in Clarendon, spending parts of several summers here.

He will be gone but never forgotten by those who knew him.

LOCAL CATTLE BUYER DIES MONDAY

B. B. Hill, prominent Clarendon cattle buyer for the past seven years, died at a local hospital Monday following a severe heart attack. His body lay in state at the Buntin Funeral Home until Tuesday night at which time it was shipped to Iowa City, Iowa for burial.

He is survived by four daughters, Billie, one of the daughters, lived with her father here and the others live in Iowa.

RETURNS HOME

Mrs. Earl Lea returned home Tuesday from a visit at Willspoint and her daughter, Mrs. Edgar Brittain and family at Ironton.

Boy 17, Caught For Robbery At Wichita

Elmer Smith, 17, who has been living on the Dave Turner farm near Alanreed, slipped in and took Mr. Turner's purse containing \$60 on Thanksgiving Day. He rode his bicycle across the Rowe ranch to Lelia Lake and expressed his bicycle to his home in south Texas, and then bought a ticket for himself to Wichita Falls.

Local officers picked up the trail of the youth and had officers at Wichita take him off the train when it arrived there. The youth is now serving a two year suspended sentence. He is being held in the local jail on \$1000 bond, awaiting the action of the Grand Jury which will meet next March.

Farm Workers Who Go To Arizona To Help With Cotton Harvesting Assured of Tires And Gasoline

PHOENIX, Arizona, Dec. 2.—Farm workers who go to Arizona to assist in harvesting the state's war-important long-staple cotton crop have been assured of gasoline and tires to enable them to return to their homes. The assurance was given by Governor Sidney P. Osborn, who cited bulletins of various federal agencies as the authority for his statement.

"I am informed by the Arizona Office of Price Administration," Governor Osborn said, "that every agricultural worker is assured that notwithstanding gas rationing, he will be supplied with sufficient gasoline to return home, wherever it may be, and also that the issuance of this permit will be good in all states through which one must pass to reach home. I am also assured that it carries the guarantee of whatever tire or tire replacements may be necessary to enable the workers to return home.

"No agricultural worker, wherever his home may be, need have fear that any governmental restriction will restrain him from returning to his home. On the other hand, he is assured that every facility will be afforded him and every assistance given," Governor Osborn concluded.

He said Bulletin C-50, dated July 10, 1942, and posted in every employment office in the United States, assures migratory workers sufficient gasoline to return to their homes after harvests have been completed.

Severe delays have been encountered in picking Arizona's important cotton crop because of shortages of manpower within the state. Movement of the crop is progressing, but additional pickers are badly needed, growers said. Scale of pay for pickers is considerably higher than in states producing shorter staple cotton.

Mr. and Mrs. Cap Lane and Mr. and Mrs. Walker Lane visited their daughter, Mr. and Mrs. Ray Wilson and small daughter at Paducah the week end.

Farmers To Receive Temporary Rations

College Station, Dec. 2.—Temporary transport rations are in store for owners of farm vehicles whose certificates of war necessity do not provide sufficient gasoline for 30 days essential operation.

Under an adjustment phase of the transportation program, the Texas USDA War Board announced this week that farm vehicle operators should make requests for additional gasoline to local War Price and Rationing Boards where obvious errors have been made in certificates.

The procedure for handling emergency cases was agreed upon by the Department of Agriculture and the Office of Price Administration.

The War Board explained that when allowances are corrected by the local War Price and Rationing Boards, operators will receive motor fuel rations for operation to December 31 and the amount of gasoline used will be deducted later from the total gallons of motor fuel allowed on a corrected certificate of war necessity.

County Farm Transportation Committees are scheduled to handle appeal cases from farmers for corrected certificates, the War Board said in explaining that regular ODT appeal forms would be sent to committees as soon as possible.

Temporary rations will take care of emergency cases and give committees sufficient time to consider appeals and make proper recommendations to ODT under regular appeal procedure, the Board pointed out.

CHILDREN SHOULD TAKE CARE OF TOYS

WPB warned the nation's children to take better care of their games and toys, with issuance of an order prohibiting manufacture of games or toys, or replacement parts, in which certain critical metals or other critical materials except joining hardware are used. The order, however, lifted the ban on use of rayon in toys and games.

Marketing Quotas And The War

College Station, Dec. 2.—Cotton marketing quotas play an important part in agriculture's wartime program, according to George Slaughter, Texas AAA committee chairman.

Marketing quotas are the only means of assuring planned production needed in our war effort, Slaughter declared, since they are, in effect, rationing of the needed agricultural production.

"Wartime production demands that we make the best possible use of our resources," the AAA official said. "Quotas are a method of making certain that all available land, labor, equipment, and fertilizer are used to the greatest advantage in the production of essential war crops."

Rejection of quotas by farmers voting in the nation-wide referendum Saturday, December 12, probably would result in additional acreage being planted to cotton when it should be planted to crops for which there is a greater need, Slaughter said.

Under the quota plan, the nation's farmers will produce all the cotton needed, he continued, while at the same time they will produce the other crops so vital to the war effort.

Marketing quotas have been in effect on cotton for the past five years, it is to be continued in 1943 two-thirds of the growers voting in the referendum must approve them.

Naval Officers Wanted Now

Oklahoma City, Dec. 2.—Naval officers sought in the Texas Panhandle.

Due to gas rationing and crowded transportation facilities, Lieut. Edward C. Lawson, officer in charge of naval officer procurement for Oklahoma and the Texas Panhandle, will be at the Hotel Kemp in Wichita Falls on December 7th and 8th and at the Hotel Herring in Amarillo on December 11th and 12th, the Navy Public Relations Office announced today.

Lieut. Lawson will be accompanied by a physician, pharmacist's mate and yeoman and will interview applicants from 9:30 a. m. to 6:00 p. m.

Physical examinations will follow the oral interview in event the applicant meets the Navy's high standard for officers. Only men qualified to be leaders will be considered, Lieut. Lawson said.

To qualify for a commission in the U. S. Naval Reserve an applicant must be able to meet the requirements in one of the following classifications: all types of engineers, doctors and dentists from 19 to 50 years of age; men between 21 and 39 with at least two years of college and good business experience for training and duty at sea; chaplains; freshmen and sophomore college students between 17 and 26 for enlistment in class V-1; junior, senior and graduate college men from 18 to 28 for enlistment in class V-7.

Education Plans Made For Youths Under Eighteen

AUSTIN, Dec. 2.—Two proposals designed to give the masses of youth the benefits of a general education before reaching the draft age of eighteen years have been advanced by University of Texas President Homer P. Rainey.

Dr. Rainey first suggested that the three-months' summer vacation granted by high schools be eliminated in favor of a year-round program that would allow students to complete high school in three years instead of four. The second proposal was a plan to make junior colleges definitely a

part of the secondary education program and to adjust their schedules so that young men might complete their course of study before being called for military duty.

"Not only could the high school program be speeded up for all students, but exceptional students could be scientifically selected for still further acceleration," the University president declared.

"Readjustment of the junior high school, high school, and junior college units ought to result in the completion of a general education by the time a student has reached the draft age," Dr. Rainey asserted. "It should also provide at least 65 or 70 per cent of our youth with the technical and semi-professional training that they will need for their life's work."

Without some such measures as these, a war of three to five years' duration will produce a generation of American youth growing up without the benefits of higher education, Dr. Rainey declared.

Mr. and Mrs. O. W. Latson of Dallas came Thursday for a months visit while Mr. Latson will do some repair work.

Miss Mary Howren spent Thanksgiving day with her sister, Mrs. Bill Word at the JA ranch.

...y is only our saying grace at eternal goodness." quotation which me for the program given Friday afternoon pleasant living room of ston's home.

...re taking up the Thanksg program, Mrs. Thomas ducted another brief Spanish ession. She had taught us how to introduce our friends in Spanish, and now she taught us how to introduce ourselves and then she taught us how to make the lugubrious, too familiar statement, "Hay un tempestad de arena." Can you read it?

Because of illness, Mrs. Howze was absent and Mrs. John Bass, vice president, presided. Mrs. C. E. Bairfield was program leader. Mrs. C. D. McDowell gave an interesting discussion of "The First Thanksgiving," taking us away back beyond Pilgrim days, and on down the ages.

The charming, old, ever new story of "Priscilla Alden and Miles Standish" was given by Mrs. L. N. Cox—and again we questioned with Priscilla, "Why don't you speak for yourself, John," as we followed Longfellow's beautiful description of this land of our fathers in the long ago.

Then we enjoyed the quaint humor of James Whitcomb Riley's "When the Frost is on the Pumpkin," as given by Mrs. Bairfield.

The refreshments carried out the Thanksgiving theme—as served by the hostesses, Mrs. U. J. Boston and Mrs. Marguerite Goodner—to twenty-five members and the following guests: Misses Edgar May and Mabel Mongole, Miss Howren, Mrs. Chas. Lowry, Mrs. Rufus White, Mrs. Larimer, Mrs. Campbell of Fort Worth, Mrs. C. J. Van Zandt of Tulia, Mrs. J. W. Davidson of Bells, and Mrs. Sloan Miller of Bridgeport.

The next meeting will be on Dec. 11th with Mrs. Porter and Miss Berry at the Home Ec rooms at the College.

MRS. J. T. SIMS ENTERTAINS

Mrs. J. T. Sims entertained her family and friends Sunday with a real Thanksgiving dinner.

Those present were her son, Mr. and Mrs. John Sims and daughter Jean of Pampa and daughters, Mr. and Mrs. Jim Morris and son James and Mr. and Mrs. Louie B. Merrell of Memphis and Dr. and Mrs. M. H. Rhoades of Ashtola, Mrs. Sims and Miss Nettie Sims.

1926 BOOK CLUB

Mrs. Bob McDonald reviewed "There Is Today" by Josephine Lawrence for the members of the Book Club and their guests. The theme of Miss Lawrence's book is the much discussed question, "Should young people marry now or wait until the war is over?" The book is especially timely. Mrs. McDonald presented the review in a very charming manner.

Mrs. Frank White Jr., the Club president, presided at the meeting and she very graciously presented the speaker to her audience.

Miss Sue Burton pleased the group with a beautifully rendered piano solo.

The meeting was held in the parlor of the Methodist church. The rooms were artistically decorated with ferns and blooming plants. The tea table was laid with a lovely, cut-work linen cloth. The center piece was large white mums in a crystal bowl on a mirror reflector, flanked by tall white tapers in crystal holders.

The social committee, beautifully gowned in formal attire, served as hostesses. The guests were received by Mrs. M. R. Allensworth and Miss Maurice Berry. Mrs. Lloyd Shelton and Mrs. J. G. Stewart pinned corsages of Baby Breath and fern, tied with white ribbons, on each guest. Misses Annie Ree Porter and Sara Beth Lowry served as ushers.

Punch was served to approximately one hundred members and guests.

1922 BRIDGE CLUB

Mrs. T. H. Ellis entertained the Bridge Club at her home Tuesday afternoon. Games of bridge were played at two tables. Mrs. Caraway was winner of high score prize. Mrs. John Sims drew for consolation.

After several hours of games, the hostess, Mrs. Ellis, served a lovely two-course refreshment to Mmes. L. S. Bagby, J. T. Sims, Odie Caraway, R. A. Chamberlain, A. R. Letts, James Trent, Sella Gentry, John Blocker Sr.

MIDWAY QUILTING CLUB

Mrs. John Goldston was hostess to the Midway Quilting Club the past Thursday. A lovely Thanksgiving dinner was enjoyed. A silk quilt was quilted and a very enjoyable day was spent.

Members were Mrs. Bob Williams, Mrs. W. D. Higgins, Marguerite Cole, Thelma Jean Williams, Mrs. Everett Stevenson, Jaunelle Stevenson, Betty John Goldston and Bobby Cole and hostess, Mrs. Goldston.

HOLCOMB—RICHERSON

In a beautiful candle light, single ring ceremony, Miss Eva Mae Holcomb, daughter of Mrs. T. Holcomb, 3706 Cheyenne Terrace of Amarillo, Texas, became the bride of Major Glen Richerson, son of Mr. and Mrs. S. C. Richerson of Hedley, Texas, at 6:30 a. m., November 15, at the First Christian Church in Yuma, Arizona.

Attending the bride was Mrs. Florence Larson of San Diego, Calif., who wore a dress of blue jersey. Her corsage was of sweet-heart roses.

Naval Lt. S. G. Kenneth Larson of San Diego, Calif., served as best man.

Entering to the strains of Lohergren's Wedding March, played by the church organist, the bride wore a white satin dress with lace inserts in the front and back from the shoulders to the length of the train. The shirred bodice of the sweetheart neckline was embroidered in seed pearls. Her veil was held in place by tiers of matching lace and seed pearls. Her only jewelry was a cameo necklace given to her by her mother. For something blue she carried a sprinkling of corn flowers in her bouquet of pinks, gladioli and sat in white cannulas.

The bride is a graduate of Tell high school, and worked as bookkeeper in Taylor Appliance store in Memphis, Texas for several years. She is employed at present at the National Biscuit Co. in Amarillo.

A graduate of Hedley high school, the bridegroom was associated with the Womack Funeral Home in Memphis until recently when he joined the Armed Forces. He is now with the Hospital Corps of the United States Marines at Camp Elliott, San Diego, Calif.

WRIGHT—BROWN

At the home of her parents, Mr. and Mrs. Hector D. Wright, Miss Margaret Edith (Peggy) Wright became the bride of Lieutenant Kenneth E. Brown of the United States Army Air Corps, son of Mr. and Mrs. T. F. Brown of Clarendon. Rev. A. P. Menzies solemnized the marriage at eight o'clock in Ottawa, Canada on Saturday evening. Lieutenant Miles Benson was groomsmen.

Given in marriage by her father, the bride was gowned in a wedgewood blue crepe redingote ensemble. Her small hat of matching color had a shoulder-length veil and at her shoulder was a corsage bouquet of orchids.

Miss Jean Wright, who was her sister's only attendant, chose a grey crepe model fashioned on long torso lines with a pleated skirt. Completing her costume was a shoulder knot of Joanna Hill roses.

Following the reception which was held at the home of the bride's parents, the bridal couple left for New York and thence to Virginia where Lieutenant Brown is stationed at Langley Field. For traveling, Mrs. Brown wore a beige and brown wool dress topped by a beige box coat and complemented by dark brown suede accessories and a corsage bouquet of bronze chrysanthemums.

TURKEY DINNER ENJOYED

A turkey dinner with all the trimmings was enjoyed in the M. L. Putman home Sunday, honoring their son, Pfc. Clyde (Skinnie) Putman who is home on a 12-day furlough from Camp San Luis, Obispo, Calif.

Those enjoying the delightful dinner were, Mr. and Mrs. M. L. Putman, Mr. and Mrs. L. M. Putman, Mr. and Mrs. Bob Williams and daughter, Mr. and Mrs. M. B. Trout and family. Mr. and Mrs. Lois Putman and family, Mr. and Mrs. A. E. Williams and family, Mr. and Mrs. Allan Hardin, Estel Goodjoin and Guy Putman, all of Clarendon; Mr. and Mrs. J. H. Spier and son, Mr. and Mrs. Jack Holsenbeck of Sunray, Mrs. Gene Putman of Amarillo and J. W. McDonald of Flomot.

Geraldine Pratt who is librarian at Lefors spent Thanksgiving here with homefolks.

Mrs. Pete Engle of Abilene is visiting her sister, Mrs. Will Putman.

Mr. and Mrs. Lindsey Taylor and Mary Z. from Calif. spent the week end with his parents, Mr. and Mrs. L. L. Taylor. He is working again in the P. O. at Amarillo.

Maxine Ellis of Canyon spent Thanksgiving holidays with her parents, Dr. and Mrs. T. H. Ellis.

Mrs. Shorty Oller and two boys spent Thanksgiving visiting relatives at Ft. Worth.

ASSEMBLY OF GOD CHURCH

J. J. Grubbs, Pastor
Sunday school—10 a. m.
Prayer Meeting, Wed.—7:30 p. m.

We invite you to attend our services. You will find a friendly spirit to welcome you. Good singing and old time gospel preaching is what we have to offer you. That kind our forefathers believed in, lived to and died by.

While our President is calling for real men to build an army to preserve our freedom and liberty, our Lord is also calling for men who will stand for the right and work for the upbuilding of God's cause.

Come worship with us. Our slogan: "Back to God and Bible."

EPISCOPAL CHURCH OF ST. JOHN BAPTIST

L. Guy Ament, Pastor
Church services at 11 a. m. You are wanted and welcome. Bring your company with you. Tell your neighbor to come too.

Evening services at 7:30. Come with a song in your heart and a prayerful spirit. "Rejoice in the Lord."

Sunday school meets at 9:45 a. m. Come cold or hot. Do not mind the weather. Let us serve the Lord in sincerity.

Next Wednesday, 7:30, prayer meeting and Bible study. The last lesson on Revelation.

A. J. Howard of Amarillo has been visiting home folks.

GRAPEFRUIT VICTORY FOOD SPECIAL

Fresh grapefruit and tangerines will be the next Victory Food Special featured in this area from December 3 through December 12, Oscar J. Walker, announced today.

Because of this year's large citrus fruit crop and restrictions on tin for processing, the supply of fresh citrus fruit on consumer markets will be unusually plentiful. The Victory Food Special designation of grapefruit and tangerines is designed to focus consumer attention on the heavy production of citrus fruits and to help move the increased volume of these fresh fruits into the hands of consumers.

VISIT IN BUTLER HOME

Those spending the Thanksgiving holidays in the W. O. Butler home were Mrs. Katie Zachry and Oscar Butler of Pampa, Miss Marian Reichling of Benington, Vt., Eugene Butler of Camp Edwards and Louise Russell.

HOME ON VISIT

Pfc. Marvin Warren of Fort Lewis, Washington arrived Tuesday afternoon for a visit with his wife and many friends here in Clarendon.

FROM BRIDGEPORT

Dr. and Mrs. Sloan Miller and daughters Barbara Fay and Patsy of Bridgeport visited her brothers, Mr. and Mrs. Charley Bairfield and Clarence Bairfield, and cousins, Mrs. G. W. Estlack and Mrs. L. T. Whitlock. They returned home Sunday.

VISITS PARENTS

Jack Hayes, member of the Coast Artillery from Boston visited his parents, Mr. and Mrs. Elmer Hayes. He left this Thursday for Dallas for a few days visit before returning.

AN APPRECIATION

We wish to thank each and everyone of the business firms in Clarendon who contributed to our school lunch room. Each and every article was much appreciated by all the patrons of the Hudgins school.

ATTEND FUNERAL

Mr. and Mrs. Eugene H. Noland and Mrs. William J. Lewis Jr. attended the funeral of Mrs. C. P. Sloan at Pampa Tuesday. Mrs. Sloan is the mother of Mrs. Mel Davies who is well-known in Clarendon.

ON FURLOUGH

Bobby Skelton came Sunday on a 10-day furlough to visit with homefolks. He is from Brunswick, Ga., on St. Seamon Island as Coast Guard.

VISIT PARENTS

Conservation Is Vital To War Production

College Station—If we are to meet 1943 food production goals, every bit of conservation work possible must be done.
 With that statement the Texas USDA War Board this week instructed county boards to undertake a program "to get the maximum amount of conservation with the least labor and equipment use and with a minimum of technical assistance."
 The simple conservation practice program will be designed in each county by county USDA war boards with the assistance of other agricultural workers in the county. Practices which will do the best possible conservation job necessary to keep the soil productive in each county will be recommended and encouraged by the board.
 "With agricultural production goals reaching so great a magnitude, too much emphasis cannot be placed on the necessity of maintaining and improving the greatest productive facility which the farmer has—the soil," the state board declared in its instructions to county boards.
 "To continue agricultural production on the high plane to which it is now geared means that the soil must be cared for just as a machine must be oiled and repaired from time to time. It is the responsibility of the agricultural agencies in the county to use their facilities to the utmost in rendering valuable assistance to the farmer in conserving his soil."
 An obstinate man does not hold opinions; the opinions hold him.

CIVIL SERVICE EXAMINATION

THE TEMPLE OF TRUTH
By the Apostle

HORSOLOGY.
With the horse on his way back, the dollar we formerly spent for gasoline may now be known as the "stable dollar."

FACTIOLOGY.
A girdle and the japs are a lot alike. They both sneak up the rear and it takes a hard Yank to put them in their places.

HOT ZIGGITY!
Never was life more interesting for grandma. She can't decide on whether to stay on her job at Pan-Tex or play tight guard with the Amarillo Sandies.

NOT SPEAKING.
A young couple very much in love but temperamental, worked in the same tool plant. One day the fellow got caught in one of those revolving machines and whirled through the air as it went round. His sweetie rushed over, switched the power off and caught him in her arms as he fell to the floor. "Oh George," she begged, "speak to me!" The old boy walled up his bloodshot eyes and looked in her face and said: "Why the hell should I? I passed you 436 times and you never spoke to me!"

And the boss says cut this short this time. Advertising takes up the space. There has been many times when the copy for this column ran along towards forty inches—dur-

Panhandle Navy Recruits Being Sent to Okla.

Transfer of Texas' 26 northernmost counties from the Dallas to the Oklahoma City Navy recruiting district has been completed and Panhandle Navy recruits are being sent to the Oklahoma capital for acceptance, the Navy has announced.

Result of an economy move to cut travel expenses of recruits to a main station for final physical examinations and enrollment, the transfer will bring into the Oklahoma district one of Texas' most productive recruiting areas, Lieut. F. F. Adam, officer in charge of the Oklahoma City recruiting district, said. Recruits from the Texas Panhandle, formerly were enrolled in Dallas.

Transfer of personnel and equipment to the new district was effected between Lieut. Adam and Lieut. L. H. Rideout, officer in charge of the Dallas recruiting district, in Amarillo during the early part of the week, it was announced. No changes in personnel at the sub-recruiting station at Amarillo or in the five part-time stations in the area will be necessary.

Earl Jones and family of Amarillo spent Sunday night with his parents, Mr. and Mrs. W. C. Jones.

Federal Agency Needs Wage Hour Inspectors

Persons with a knowledge of business methods and records, especially records relating to wages and hours, are needed, the United States Civil Service Commission announces, to become junior wage and hour inspectors in 12 geographical regions in the United States.

Positions paying \$2,300 a year are available for qualified persons with a legal or voting residence within the respective regions.

Applications must be filed with the Commission's Washington office by January 5, 1943.

Qualifications required are: either 2 years of responsible experience providing familiarity

with business methods and records, preferably records relating to wages and hours; or 4 years of study in a resident school of accountancy, a recognized law school, college, or university with at least 12 semester hours in courses such as labor economics, accounting, business organization, law statistics, etc.

There is no written test and no maximum age for these positions. Full information as to requirements and application forms may be obtained from Ernest Hunt, or Elmer G. Hayes, Secretary of the Board of U. S. Civil Service Examinations at the local postoffice.

Mrs. J. T. Shelton of Vega came Wednesday to visit with her sister, Mrs. E. M. Ozier.

Mrs. Althea Ellis and three children of Bivins Station, spent Thanksgiving with her parents, Mr. and Mrs. W. C. Jones.

RED CROSS VOLUNTEER SERVICE

Below is an editorial taken from The Volunteer, a paper published monthly by The Volunteer Special Services of the American Red Cross, Washington, D. C., Grace Hendrick Eustis, Editor.

We have been at war nearly a year. Your editor has asked me for some observations on Volunteer Special Services of the American Red Cross during that period.

First, may I express my pride in the volunteers working in the Red Cross, my pride in the spirit which they have shown, my pride in the sacrifices they have so willingly made, my pride in the caliber of their work and my special pride in their steadfastness of purpose. In every chapter, small and large, our roster of volunteers has more than doubled in the last year. According to our June 30, 1942 report, we are now a mighty army of 2,719,581.

We are a cross-section of American womanhood. Our members represent every field of endeavor and activity. If there is any chapter or branch where this is not true, then that chapter or

branch is completely out of step with this great army of women. Our contribution to victory in this war will be no mean one, but the more truly representative we are of every section of American life, the greater that contribution will be.

We have gone forward. We will continue to go forward. We have been trained by the Red Cross and we know that because of that we have a definite obligation, not only to the Red Cross but to our local communities, to give the benefit of our knowledge however we may be called upon in the hard days of reconstruction which will face this country.

The time may be close when many of us will be called upon to give another kind of service. The young women in this country may be conscripted. That means they will no longer be allowed to choose whether they want to work a little or whether they want to work long. Our armed forces, our industries, our factories will absorb many of those who are now volunteering. When that day comes, I know that the women who have been exempted because of age, physical limitations or family obligations will gladly redouble their efforts to take the places of those who will leave our ranks.

But what I am wondering is,

should young strong Red Cross volunteers wait for that time to come? Should they wait to be drafted?

PAULINE SABIN DAVIS National Director, Volunteer Special Services.

Knitting We are still asking for those having knitting to please turn it in by the 5th of December.

Wristlets were turned in this week by Mrs. Nettie Abrams (2), and Mrs. Frank Phelan.

A sleeveless sweater was turned in by Mrs. Lewis Wells.

We would like to mention again that in the helmets knitted for the armed forces, Mrs. Ernest Kent knitted nine (9), Mrs. Frank McClure, eight (8), Mrs. A. J. Sibley, seven (7), and Mrs. W. T. Clifford, six (6).

The following ladies are at the production room one afternoon each week to receive garments coming in: Mrs. Jack Molesworth, Mrs. Ed Dishman, Mrs. Geo. Norwood, Mrs. Johnny Blocker, Mrs. J. Gordon Stewart, Mrs. W. H. Riney and Misses Berkeley Ryan and Laverne McMurtry. Mrs. Frank McClure and Mrs. Kendall have also been helping.

Mrs. Dishman and Mrs. Norwood have not missed a week in almost a year.

We want to thank Vera Lewis for her faithful work in typing

this column each week for our newspapers.

Sewing Mrs. C. L. Benson took twenty-four (24) women's slips for the Home Demonstration Club to make.

Mrs. G. H. McCleskey turned in twelve (12) children's pajamas for the T.E.L. Class of the Baptist Church. These were made by the following ladies: Mrs. Grover Heath, Mrs. Eva Draffen, Mrs. Rufus Dawkins, Mrs. Clyde Butler, and Mrs. S. C. Bell.

The Red Cross Chapter from Hedley are doing splendid work there. Mrs. Clyde Bridges called for sixty (60) more garments this past week.

Most of us took Thanksgiving day as a holiday, but our faithful cutter, Mrs. John Potts, spent the entire afternoon at the production room cutting garments.

HOME SERVICE

Mrs. C. A. Burton The extension of relief to prisoners of war is a traditional Red Cross service which the American Red Cross regards as one of its primary obligations in time of war. The convention of Geneva of 1929 provides for the sending of food and clothing and other supplies and for the guarantee of safe delivery by the detaining power. Relief to prisoners of the United Nations in Europe has operated

regularly and more than half a million food parcels and large quantities of clothing and other relief supplies have been forwarded through the International Red Cross Committee for distribution in European prison camps during the last two years. This relief is being continued and American internees, both from the U.S. and the few from Central and South American countries, have received these regularly. But the situation with respect to American prisoners detained by Japan is quite different, and presents much graver problems, which have not yet been solved by the U.S. Government or the Red Cross.

Representatives from Japan attended the Geneva Convention and signed the agreement regarding treatment of prisoners of war. But Japan never formally ratified the treaty. However, in Feb., 1942, the Japanese government advised our government that Japan intended to abide by the Convention and apply its terms as far as possible to civilian internees.

By the terms of the Convention, information bureaus were to be established and lists of internees and prisoners of war submitted. Information has come that such a bureau was established in Tokio, but no lists have ever been given from the Philippines. Japan has not refused, she simply does not

give them. Nor has she agreed to the appointment of a delegate of the International Red Cross in the Philippines. Such delegates are authorized to visit in the camps, talk to the prisoners in private, endeavor to help with living conditions, distribute supplies, and make reports.

After failure of other efforts to send supplies, space was secured on the Gripsholm and large quantities of supplies of all kinds were sent and have been received in Japan, and it is thought they will be delivered to Manila through the Swiss delegates.

A ship was loaded with supplies at San Francisco in August and held ready for sailing for weeks, but Japan refused safe conduct, and the vessel was unloaded and returned to its Swedish owners. However, she agrees that exchange ships may carry relief supplies, and plans are being made for a much larger shipment on the Gripsholm on second voyage, yet it is recognized that these must be far from sufficient for the needs.

GRADE III TIRE CEILING SET

Retail and wholesale ceiling prices were announced by OPA for new passenger car tires of reclaimed rubber being produced under War Production Board restrictions. The maximum retail price for a six 6.00 x 16 tire is \$13.25. Only persons who obtain certificates from their local war price and rationing boards will be eligible to buy these tires. Dealers are required to attach to each casing a label showing the maximum retail price and indicating that it is a Grade III tire for rationing purposes.

Judge and Mrs. R. Y. King and two daughters and Mrs. Cap Morris and Mrs. Riney were Amarillo visitors Monday.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. WAAC Strength To Expand To 150,000

President Roosevelt has authorized the Women's Army Auxiliary Corps to recruit to the full strength of 150,000 as passed by Congress. This is an increase of six times the number originally planned.

New facilities and enlarged opportunities for training have been set up and will begin operations at once. The new training center at Daytona Beach, Florida will commence operations on December 1st.

Valuable service to the Army is being performed by the WAAC. The list of essential duties it is performing and will perform is growing constantly. Never before in the history of the nation have there been such opportunities for alert, patriotic women—opportunities to serve America in her time of need—opportunities for training, experience and advancement which will be helpful in a world at peace.

Every member of the WAAC is helping the nation directly, personally—her work behind the lines, both at home and abroad, releases a soldier for duty at the battlefield.

Women in the WAAC now receive the same pay as soldiers in the Army. Those desiring to serve their country in the Women's Army Auxiliary Corps may obtain complete information at the Lubbock Army Recruiting Station or any local Army Recruiting Office.

Longhorns To Play In Cotton Bowl

AUSTIN, Dec. 2.—D. X. Bible's Texas Longhorns, champions of the Southwest Conference for the first time in 12 years, return to practice sessions Monday, Nov. 30, after a layoff that followed their victory over Texas A&M here Thursday.

In preparation for their Jan. 1, 1943 appearance in the Cotton Bowl, first bowl game in U.T. annals, the Longhorns are expected to run through light drills for a week and start actual training for their Dallas engagement around December 6th.

The Longhorns voted to play in the Cotton Bowl immediately after their Thanksgiving Day victory which gave them the conference crown, first in D. X. Bible's six years as head coach. The vote was taken in record time, coming within six minutes after the game ended.

There are more than 160 public and college libraries in Texas.

THE MOST IMPORTANT ANNOUNCEMENT EVER MADE BY THE U. S. TREASURY DEPARTMENT

The 9 Billion Dollar Victory Loan Drive Is On!

This week the United States Government begins the task of borrowing nine billion dollars from accumulated savings and idle funds in the next several weeks as an essential part of winning the war more quickly and more completely

During these critical weeks you probably will be visited by a representative of one of the securities firms or banks which are contributing their time and effort—without compensation of any kind—to the Victory Fund Committee. He will explain to you, for instance, the benefits that you can obtain from the new Victory 2½'s—available for the first time. Welcome him as a war worker when he calls. If you miss him, ask your banker or securities dealer for full

particulars. There is no limit to the amount that you can purchase.

Today many American families are torn apart. Millions have left their homes or their jobs; thousands have given their lives and many more are prepared to do so.

But, the government, your government, is not asking you to give anything to this Nine Billion Dollar Drive. It is asking you to lend it all of the money you can possibly invest in what is the safest investment in the world—at a good rate of interest.

When the Victory Fund representative calls, please remember this: it is in your own interest, as well as that of your country, to listen to him—and to invest.

BUY THESE VICTORY 2½'S NOW

Twenty-six year 2½ per cent bonds due December 15, 1968, callable December 15, 1963. Issued in coupon or registered form at the option of the buyer. Commercial banks will not be permitted to hold these bonds until ten years after the date of issue. There is no limit on the amount any eligible investor may purchase. Interest is paid semi-annually, June 15 and Dec. 15. The bonds will be sold in denominations from \$500 to \$100,000. In the event of the death of a holder, the bonds may be redeemed at 100% and accrued interest for the purpose of satisfying federal estate taxes.

Two series of shorter term obligations: (a) 1½ per cent bonds due June 15, 1948, and (b) ½ per cent certificates of indebtedness due one year after issuance. These securities are open for subscription by banks, and also by all other classes of investors, whether private, corporate or institutional.

Other Treasury Securities offered to investors through the Victory Fund Committee are Treasury Tax Savings Notes A and C, and U. S. Savings Bonds, Series F and G.

Sheriff's Office Issues Warning

Deputy Sheriff Truett Behrens issued a warning today to those who are or might be shooting 22 rifles within the City limits. "It is dangerous and there's a pretty heavy penalty if caught or reported," he stated. Someone fired a shot that entered the W. A. Land apartment house this week. The slug entered at the side of a window, crossed over the end of a couch and landed on a bed. If someone had been sitting on that end of the couch, it might have been a different story. "Be careful, don't shoot any kind of gun where it might injure someone," he added.

FAMILY REUNION HELD IN CLYDE BUTLER HOME

Mr. and Mrs. Clyde Butler had all of their children home over the week end and held reunion Sunday, Dec. 29th. This was the first time in many years that all the children were able to be home at the same time. They had a family group picture made. Those at the reunion besides the father and mother were Mr. and Mrs. Earl Butler of Borger; Gene Butler and wife and son Glen Chester of Claude; J. Wilson Butler and wife and children Josephine and J. W. of Borger; Mr. and Mrs. Loren Rhoades and son Leon of Lefors; Joe Clyde Butler, now awaiting call to the Navy at Clarendon; Leslie Butler, now in army air Corps at Lubbock; Louise Butler, in nurses training in Amarillo; Leroy Butler, still at home.

TO THE PRODUCERS OF DONLEY COUNTY:

Walter J. Flynt, Secretary Donley County ACA

The greatest portion of the applications for payment are now signed, but we still have approximately 175 applications not yet signed. Since the greater part of the sign-up is over we are sending applications in for payment as fast as they can be checked out, which is from 50 to 100 per day. I am sure that producers would like to know something about the 1943 Program, so I should like to tell you what little I know at this time. We have no information as to what the payment on any special crop will be. The soil building allowance will be even greater than it was in 1942, the allowance per acre of cropland other than the cotton or wheat allotments being 75c instead of 70c as in 1942. The allowance for pasture, and orchards are the same as this year. Some of the practices have been increased in unit payment, and some new practices have been added. Terracing now pays 80c per 100 linear feet, and there is no limit on the amount to be earned by terracing. A Producer may be paid the full amount he has earned by terracing over and above the regular soil building allowance. This means that your regular soil building allowance will be set up, and the amount earned by terracing will be added to this amount. If you intend to do any terracing I believe this year will be the year to do it. Some of the new practices are: Construction of Diversion Terraces, Payment \$1.25 per 100 linear feet; Strip Cropping NOT on the contour, Payment 20c per acre; drilling of digging wells, payment \$2.00 per foot for 4 inch casing. Some of the practices have been increased in payment. Some of those that have been are: Construction of ditches for the diversion of floodwater, increased to 75c per 100 linear feet; Contour farming increased to 25c per acre; seeding close grown crops on contour, increased to 20c per acre. All green manure and cover crops, \$1.50 per acre. There are still several producers who have not come in to get their marketing cards. We should like to get rid of these as soon as possible.

Mrs. M. N. Parker Passes Away

Mrs. Jennie Parker, wife of M. N. Parker of Groom, passed away Tuesday night, Dec. 1st at 11:30 o'clock in a Del Rio Sanitarium. The body was brought to Groom for burial. Mrs. Parker is a daughter of Mrs. John Frazier of Groom. Mr. and Mrs. Parker lived here for a number of years, and their many friends and acquaintances will be grieved to learn of her death. Besides the husband, she leaves a son and daughter; her mother, Mrs. John Frazier Sr., and the following brothers and sisters: Mrs. J. W. Emery, Mrs. Ernest Inmon, Walter Frazier, all of Groom; William Frazier of Pampa; Mrs. J. T. Slay of Wellington.

Wood who live a few miles west of Clarendon.

DEADLINE SET TO APPLY FOR RATION BOOK ONE

Persons who do not have copies of ration book one must apply to their local war price and rationing boards before December 15, OPA officials announced. Book one, already used for rationing sugar, will also be used for coffee rationing, and in addition must be turned in about the first of the year in order to receive war ration book two. Boards were warned to examine closely all persons who claim never to have applied for book one.

PIONEER DAYS RECALLED IN MAGAZINE ARTICLE

Carolyn & Herbert Timmons, well known around these parts, relate an interesting story of hunting in the late Eighties, as told to them by their friend, that grand old-timer Fi McCracken. "Hunting Until the Herd Grew," which appears in the first January issue of Ranch Romances, is an authentic and exciting story of how Fi McCracken supported his family in those difficult pioneering days until his ranch began to bear its own fruit. You'll enjoy reading about this in the issue of Ranch Romances, on the newsstands from Dec. 4th to the 18th.

TRUCK OWNERS TO GET TEMPORARY GAS ALLOWANCE

Commercial vehicle owners who have applied for but have not received ODT certificates of war necessity may receive temporary transport rations of gasoline from their local war price and rationing boards. Gallonage thus issued will later be deducted from amounts allowed by the certificate of war necessity. Rations for use through December 31 may be obtained. ODT motor transport district offices will correct promptly any errors made in certificates already issued. Regional Manager John C. Massenburg announced. Where no errors were made, commercial vehicle operators must wait thirty days after issuance of the certificate to appeal for an adjustment.
