1878 A COUNTY - WIDE PUBLICATION, SERVING DONLEY COUNTY and ITS TRADE TERRITORY 1953
New Series—Volume 24 Number 3 CLARENDON, DONLEY COUNTY, TEXAS, FEBRUARY 28, 1953 A Common Paper for Common People

American Red Cross Will Launch Annual Fund Campaign March 1st

The American Red Cross will launch its annual fund campaign March 1st for \$93,000,000, largest goal since World War II years. Donley County's quota for this drive has been set at \$1715, it was announced this week by Kelly Chamberlain, who will direct volunteers throughout the county in the canvass for funds.

"The increase in this year's goal," said Mr. Chamberlain, "is to expand the Red Cross defense blood collections for the production of gamma globulin, the new discovery which prevents paralysis from poliomyelitis. That's a worthwhile cause." Mr. Chamberlain went on, "but what interests me most is what Donley County gets out of this money it's being asked to contribute."

"When I was asked to act as fund chairman for this drive, I knew, just as everyone knows, that the American Red Cross is always there to help people in times of flood and disaster, but I had no idea about what the Red Cross does month after month right here in Donley County for people we all know. Whenever Johnnie comes home from overseas to visit that sick mother, you can bet that Lee Bell, home service chairman for the Red Cross, set the wheels in motion to get him here; or maybe the Jones family's farm home burned down, well, Mrs. W. J. Adams, county chairman, and Lee Bell round up food and clothes and anything else needed to help get that family back on its feet."

"I tell you," Mr. Chamberlain concluded, "the average person, like I, just doesn't realize what the Red Cross is doing all the time right around here. What this drive for funds boils down to is just people contributing money to help people, with the Red Cross acting as middleman."

Local businessmen have volunteered to solicit the business firms downtown and the group plans to fill its portion of the county quota during the first week in March. For the convenience of the housewives, it has been decided that there will be no house-to-house canvassing. Those wishing to contribute may mail their checks to Donley County Chapter, American Red Cross, City.

County workers who will collect funds in their parts of the county include Mrs. G. G. Henson, Ashtola; Mrs. C. P. Hamilton, Alanreed; Craig Johnson, Lelia Lake; Hobart Moffitt, Hedley; Mrs. D. B. Koen, Mrs. Edwin Eanes, Mrs. E. S. Ballew, and George Preston.

The national radio kick-off show for the fund drive to be aired Sunday evening from 6 to 6:30 over KGNC will star Shirley Booth, Academy Award nominee, in a script based on Korean experiences of Red Cross overseas workers. President Eisenhower, speaking tape-recorded from the White House, will urge support of the 1953 Red Cross fund campaign.

P. T. A. Will Sponsor a Church Attendance Contest With The Local School Children

(Reporter)

There are three institutions which help a child to form habits, characteristics, and personality that affect his entire life. These three are the home, the church, and the public school. Each one leans on the other and needs the help of the other two to make a good citizen. Our children are compelled by man-made law to go to public school, but God gives us our choice about attending His house to learn our moral laws. It is just as important that we grow spiritually as well as mentally or even physically, because our life on this earth is only temporary; while if we live a Christ-like life here our life is eternal after death. The P. T. A. realizes this fact and is going to challenge the children of the Elizabeth Stephens and Junior High Schools by sponsoring a contest. Each Monday the teacher will give a star to the ones who attended church school or church services the Sunday before. At the end of the month P. T. A. will have a nice surprise for the room with the highest percentage of attendance.

Statistics show that only fifty percent of our children are enrolled in church or church school. Only twenty-five percent attended regularly. Even a regular pupil is spending a small percent of his time in learning the Bible and worshipping in the church. Because God has given us our life and our time, why not spend a part of that time learning what He has done and still does for us, and how we can grow spiritually. A person who does not learn to love the church when a child finds it hard to do so after he is grown, and we cannot love the church by staying away from it. However it is hard to make a child feel the importance of going to church unless his parents are going too. Who is responsible for your child not being in his church on Sunday? Did you have your week so full of other things that you slept late on Sunday; did you go visiting; or did you catch up on your week's work? Let's put the church first in our lives and the world will be a better place in which to live.

Jr. High School To Sponsor Basketball Tournament Here March 5, 6 & 7th

The Clarendon Jr. High School will sponsor a basketball tournament in the College gym on March 5, 6 and 7th. Boys teams entered are Horace Mann of Amarillo, Northfield, Memphis, Estelline, Lelia Lake, Alanreed, Lakeview and Clarendon. Girls teams are Northfield, Lakeview, Alanreed, Memphis A, Clarendon, Estelline, Lelia Lake and Memphis B team.

CALVARY BAPTIST LADIES TO HOLD BAKE SALE SAT.

The ladies of the Calvary Baptist Church will hold a bake sale Saturday, February 28th at Junior's Food Market. The sale will start at 10 a. m. These ladies are inviting everyone to get their cakes and pies for the week end.

4-H & FFA Boys To Exhibit At Amarillo Fat Stock Show

This Friday 4-H and FFA boys in the county will leave for the Amarillo Fat Stock Show with their livestock. H. M. Breedlove, County Agent, and in charge of 4-H club work in the county says that all steers will leave for Amarillo immediately after noon this Friday, February 27th. The show opens Monday but steers will pass before the sifting committee on Sunday, and Saturday will be devoted to washing and fitting the steers for that occasion.

The judging of the hogs will be at ten o'clock Monday morning and the judging of the steers at ten o'clock on Tuesday morning. The sale of the hogs will be on Friday morning and this is for sheep also, the sale starting about nine thirty in the morning. The sale of the steers will start at noon on Friday.

Everyone is invited to attend the Amarillo show and come by and look over the Donley County exhibit. Tom Seay, Vocational teacher from Clarendon; Doyle Messer, Vocational teacher from Hedley and county agent H. M. Breedlove will be displaying livestock for Donley County.

Mr. and Mrs. Herman Mooring of Amarillo visited Sunday with his parents, Mr. and Mrs. Ed Mooring.

WALKER LANE

ERNEST A. TIPTON APPOINTED POSTAL CLERK HERE

According to a Civil Service report, Ernest A. Tipton has been appointed substitute clerk at the local Post Office. Joe Bownds, who has been serving in this capacity for quite some time, has been advanced to the position of regular clerk.

CORRECTION

An error appears in the West Texas Utilities Company advertisement on page ten of this issue of the Leader. The advertisement was made up in Dallas and the error slipped by proof readers. The advertisement lists a Frigidaire Electric Range for \$185.75. This price is incorrect and should read \$245.75, which is the correct price.

BAND STUDENTS ATTEND CONCERT

Clarendon Band students went to Memphis Monday afternoon where they attended a concert presented by the West Texas State College Band. The band is on tour and has presented or will present programs at some 16 High Schools over the Panhandle.

The concert Monday afternoon was most enjoyable. Selections were chosen from serious, lyric, show-off or solo, Latin, animal, and marching music.

Cars of students were taken by Bandmaster Graves, Jamie Pittman, Mrs. Homer Thomas, Mrs. Paul Schull and Mrs. G. W. Estlack with most band students attending.

Donley County Leader, \$2.50 year

Funeral Services Held Saturday For Walker Lane

Funeral services were conducted Saturday afternoon at the First Baptist Church for Walker Middleton Lane with Rev. Wm. A. Cockerell officiating, assisted by Rev. Howard E. Scott.

Mr. Lane, age 46, died Thursday afternoon in a Memphis hospital following a short illness. Walker had started his third term as County and District Clerk of Donley County this year. He had been connected with the clerks office since 1929 and served as District Clerk one term before the county and district clerk's offices were combined several years ago. Other county officials have said that Mr. Lane knew more about the complete functions of the court house than anyone else and his services in many capacities will certainly be missed by those who were associated with him at the court house and the public in general.

He was an elder in the Presbyterian Church and was quite active in all church activities as well as civic organizations.

Mr. Lane left one thing in particular that residents of Clarendon may hold in his memory. The plans for our City Park, which is a credit to any town, were drawn by Mr. Lane without charge.

Mr. Lane moved to Clarendon with his parents in 1917. He graduated from Clarendon High School and from Texas Tech, as an engineer, in 1930.

Survivors include his wife, Mrs. Dee Lane, a daughter, Patti Lucile; his parents, Mr. and Mrs. Cap Lane; one brother, Gordon Lane of Dallas, and one sister, Mrs. Fred Albright of Paducah.

Palbearers were Lee Bell, Guy Wright, W. B. Smith, Curtis Mears, Warren Hardin, Heckle Stark, Neal Bogard and Lee Shaller.

Elders of the Presbyterian Church and all Donley County officials served as Honorary palbearers.

Interment was in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of funeral arrangements.

Gym Is Packed For Basketball Game

The largest crowd to ever witness a basketball game in Clarendon was on hand Tuesday night to watch the Harlem Roadskins put on a real show in defeating the Household Supply Independent team. The game was a comical affair from start to finish with the colored boys really showing their ability of ball-handling and their ability to score at will. It was a grand game and the Senior Class is to be complimented on sponsoring the event.

DONLEY COUNTY SINGING ASS'N TO MEET SUNDAY

The Donley County Singing Association will meet Sunday afternoon at 2:30 in the Assembly of God Church. This Church is located across the street, east of the Lee Holland residence in the east part of town.

The Association meets each first Sunday afternoon for a program of singing and fellowship. Attendance was good at the last meeting with everyone reporting an enjoyable time and a good program.

Visitors are always welcome and for most meetings groups are present from various like organizations over the Panhandle. The public is extended a cordial invitation to attend.

Jr. High Girls Win First In Lakeview Tournament

The Clarendon Jr. High girls basketball team took top honors in the basketball tournament held at Lakeview the past week end to uphold their undefeated record for the year. In the first game they defeated Carey 45 to 14 and the final game they won a close one 25 to 22 over Memphis. The boys team lost their first game to Carey 46 to 30.

First Presentation Tonight Of South Sea Island Revue

This is the stage presentation that you have been waiting to see, and if you don't believe it's jam-packed with laughs, just be up at the College auditorium tonight at 8 o'clock, or just as a slight idea of what's in store for you, just look at the cast below.

The South Sea Island Revue will be presented two nights, tonight and tomorrow night. It is being presented by the local Lions club to raise money for

MONDAY—Pork sausage and gravy, fried potatoes, black-eyed peas, lettuce salad, hot rolls, milk, peanut butter and honey.

TUESDAY—Red beans, chesee, corn, spinach, corn bread, milk, fruit.

WEDNESDAY—Hamburgers, lima beans, lettuce, onions, pickles, buns, milk, pfe.

THURSDAY—Roast and gravy, cream potatoes, green beans, pickles, beets, bread, milk, cake.

FRIDAY—Turkey sandwiches, pickles, potato chips, lettuce, bread, milk, peanut butter, cookies.

The schedule for cup cake days at the cafeteria is as follows:

March 3rd—Mrs. A. D. Hendricks room; March 10th—Mrs. Carman Rhode's room; March 17—Mrs. Jim Guy's room; March 24th—Mrs. W. W. Sandifer's room and March 31st—Mrs. J. H. Headricks room.

Re-decoration Of Methodist Church Nearing Completion

An extensive re-decoration project, complete from light fixtures to carpeting of the main auditorium, is nearing completion at the First Methodist Church of Clarendon. Rev. I. E. Biggs, pastor, proudly states that over \$8,000 needed for the work has been paid for or pledged by different groups and members of the church.

Members are eagerly awaiting warm weather when the new air-conditioning unit will be installed. Air ducts have already been completed. Every room in the church has been painted and other improvements made. Plans are being made and will soon be underway for the building of new steps into the basement. The fellowship class, a young couples class, is sponsoring this improvement.

The main auditorium of the church has had the most improvement, all church members agree. New plastering was done and the walls are now several shades of mauve to blend with the new rose beige carpeting on the chancel and down the aisles. New light fixtures throughout the auditorium add to its modern and beautiful appearance. Floors have been stained to blend with the carpets. Old fashioned floor pans have been removed and the pews have been refinished.

Re-decoration of the interior of the church is an extension of a project started several years ago when a new roof was put on the church. To complete the new look of the church, all trees have been trimmed and pruned.

Services Held At Goodnight For R. L. Moss

Funeral services were held Friday afternoon at the Goodnight Baptist Church for Robert Lee Moss with Rev. P. A. Powell and Rev. C. T. Williams officiating.

Mr. Moss, age 85, died Wednesday afternoon in a Groom hospital. He was a retired farmer and had been a resident of Donley and Armstrong Counties since 1927. He was a long time member of the First Methodist Church.

He is survived by a daughter, Mrs. Nevada Dunn, Clarendon; three sons, J. D. Moss of Borger, A. M. and C. F. Moss of Clarendon; also 12 grandchildren and one great-grandchild.

Palbearers were A. J. Garland, Jack Eddings, Steve Donald, Jess Pool, Gayle Reed and W. W. Jones.

Burial was in the Goodnight Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

BROTHERHOOD OF FIRST BAPTIST CHURCH MEETS TONIGHT AT 7 O'CLOCK

The Brotherhood of the First Baptist Church meets tonight at 7:00 o'clock. Dick Vallance, the KP, says: "Sandwiches, coffee and doughnuts will be ready at 7:00. Come and get it." The program will follow the meal and P. C. Messer promises a good program.

All men of the community are invited to come and enjoy this period of fellowship and fun.

Snow Nets Total of .18 Inch

The snow which fell Monday night added another .18 inch of moisture to our skimpy total for the year and it was most welcome. What we needed was about two feet of snow on the level instead of the two inches. The snow fell beautifully, clinging to trees and everything else as it fell.

MOTHER OF LOCAL LADY DIES IN CALIFORNIA

Word was received here Sunday of the death of Mrs. J. G. Brown at Compton, Calif. Mrs. Brown, mother of Mrs. Bill Preacher of Clarendon, suffered a heart attack Sunday. Funeral arrangements could not be learned. Mr. and Mrs. Preacher and children left for California to attend the services.

POINTING OUT THE TROUBLE SPOTS—American Secretary of State, John Foster Dulles, at right, points out the European trouble zones to Senator Alexander Wiley (R., Wis.), left, chairman of the Senate Foreign Relations Committee; and Foreign Aid Chief Harold Stassen. Since his appointment to the cabinet post, Dulles has visited many of the countries which are united against the threat of Red aggression.

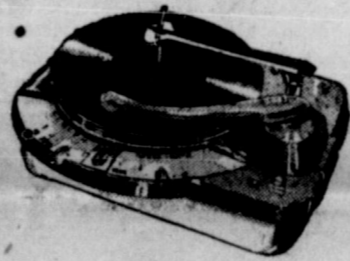

The Royalty Line

The Balfour TV, AM-FM radio, Cobra-Matic phonograph. Superb, ultra-modern cabinet of blonde Afara wood solids and veneers.

HERE'S COMPLETE HOME ENTERTAINMENT AT IT'S VERY BEST...

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt
This week we had a donation of usable books. We are delighted to receive all material, but can't use duplicates as we are limited in space. All our readable duplicates are sent to Veterans' Hospital, Amarillo, so material is utilized. We have had some good magazine help too.
The writer whose name I failed to give in discussing "The Mountains of Allah" was Paul Chavchavadze who was born in Russia and fled at the out break of the revolution. I mentioned his being a guest of Mr. Clyde Harris of Amarillo.
This week has been so unpleasant that our book issues have been for children, except a few grown ups ventured out.

Local GMC Dealer To Meet With Truck Officials

Mr. Homer Estlack, owner of the Estlack Machinery Co., leaves March 4th for Dallas for an important meeting with GMC Truck officials from Pontiac, Mich., to discuss new model GMC trucks and sales plans for 1953.
Information on new product developments in GMC Truck, new parts and service and other subjects will be covered in the meeting, which will start with luncheon at the Adolphus Hotel and carry on through the afternoon.
Last month GMC announced it has available the famed Hydra-Matic transmission in 19 models of the light truck line, and dealers in this zone are expected to hear about other sensational product developments at the meeting.

The Dark Can Kill You

America's millionth traffic victim has been dead a year. Yet auto wrecks go right on changing our country crossroads into killer corners.

Where's the villain?

Some say "more cars on the road these days." Some point to "reckless youths"... "lax laws"... "drunken driving"... "speeding."

But something else may be more to blame for auto accidents than any of these. Darkness. Plain old darkness.

Look at one case. In a Connecticut area 182 pedestrians were killed at night in two years—179 on poorly lighted streets.

Busy traffic centers are waking up fast, lighting their death-trap streets. Salt Lake City cut night deaths 92% in one area, Grand Rapids 78%, Bridgeport 93%.

Some small communities have been first to pick up the newest in lighting equipment. Oakwood, Ohio, has the largest installation of fluorescent street lamps in the country. And there's a broad-daylight look in Lyndonville, Vermont, even late at night. Fluorescent lighting as developed by General Electric has now been extended to street lighting.

Good street lighting has been a pet project of ours for years. General Electric engineers work with local officials on other community problems, too—traffic control, water shortage, waste disposal, farm and home modernization—wherever electricity can help progress. For progress is our most important product. General Electric Company, Department 2-123, Schenectady, N. Y.

You can put your confidence in—

GOLDSTON QUILTING CLUB

The Goldston Quilting Club met Monday, February 23 with Sarah Peggram. Two quilts were almost finished.

Visitors present were Corene Ashcraft and Judy, Roxie Littlefield and Keith Covington. Members present were Billie Ashcraft, Minnie Roberson, Connie Talley, Charlene Reynolds, Danny and Lynn, Joy Roberson, Daphne Sullivan, Sallie Hatley, May Pearl McDonald, Madeline Philley and Kay, Nora Smith, Patsy Reid, Geraldine Jackson, Tootsie Jackson, Vivian Godbey, Willie Putman, Adgar Williams, Katie Scoggins, Oddie Moss and hostess Sarah Peggram.

The next quilting will be Thursday, Feb. 26 with Billie Ashcraft. —Reporter.

MIDWAY QUILTING CLUB

The Midway Quilting Club met with Katie Bell Wells, Feb. 19. Visitors to enjoy the delicious noon day meal were Mrs. Sam Brown, Mrs. R. E. Mitchell of Wellington, Mrs. Jett Roberts, Mrs. Carl Stout, Mrs. George Creed, Mrs. Travis McGuire, Mrs. D. M. Jarrell, and Mrs. Clyde Brown of Swearingen. Members present were Allie Quattlebaum, Lucille Eanes, Sarah Shaller, Eddie Williams, Norma Chamberlain, Ellen Moreland, Loyd Hillis, Marjorie Hensley, Josie Simmons, Pearl Terry, Eula Butler and Jewel Sickle.

The next meeting will be with Beth Bennett, March 5th. —Reporter.

CHAMBERLAIN CLUB

The last meeting of the Chamberlain Club was with Mrs. H. A. Harrison, Sr. The afternoon was spent in visiting. The next meeting will be with Mrs. A. O. Holt on March 5th. —Reporter.

MARTIN QUILTING CLUB

The Martin Quilting Club met with Dorothy Sullivan February 20th with 11 members and two visitors.

We had a delicious noon day meal. Visitors were Mrs. Walter Hutchins and Mrs. Tom Sullivan of Clarendon. Members were Mrs. Melba Risley, Lizzie Morrow, Montie Kidd, Blanch Higgins, Margaret Waldrop, Nola Hill, Guinn Hill, Glenis Harmonson, Flossie Reynolds Velma Hearn. The next meeting will be with Mrs. R. O. Reynolds March 4th. Everyone come. —Reporter.

BIRTHDAY PARTY

Jeanette Tolleson was surprised Monday evening when friends gathered at the home of Jackie Estlack to help Jeanette celebrate her birthday and wish her "Many Happy Returns of the Day." The girls sang "Happy Birthday" and presented her with a gift. After refreshments of cake and Coke the group attended the picture show.

Those present were Jeanette Tolleson, Sandra Thornton, Wanda Lewis, Harlene Smith, Lucy Richardson, Paula Skelton, Joyce Crutchfield, Mary Morrow, and Jackie Estlack.

MOTHERS STUDY CLUB

Mothers Study Club met Tuesday afternoon at Patching Club House. Hostesses were Millie Hillman and Joan Gerner.

The business sessions was presided over by the president, Annesse Bennett. It was decided that the Clarendon Club would help young mothers of Memphis to organize a similar club there. These young mothers will be invited to attend the Clarendon meeting for the guest day program.

The program for the afternoon was presented by Jean Moore

and was entitled "As I Wait and Hope." Attending Tuesday afternoon were Carol Lane Phillips, Jean Moore, Jeanie McKee, Melba Ruth Vaughn, Allie Mae Maxey, Millie Hillman, Joan Gerner and Annesse Bennett.

GARDEN CLUB

The Garden Club met Thursday afternoon, February 19, in the home of Mrs. H. T. Warner. The new president, Mrs. Frank White, Jr. was in charge of the business.

Mrs. M. C. Rampy led the program giving an interesting article on the "Different Species of Mocking Birds and Their Habits," birds being the theme of the year's program.

Mrs. Pete Kunz gave a very interesting and informative discussion on soil fertilizer. She stressed the fact that nitrogen, phosphate and potash are necessary in a balanced fertilizer. A fertilizer having the correct amount of each, will give good wood, foliage, and bloom to plants. A well rotted barnyard fertilizer will supply these necessary elements. She stressed that humus was also a necessity, and if a commercial fertilizer is used, it consumes the humus in the soil which must be replaced by supplying leaves, peat moss, or growth of green cover crop with bone meal added, also a fertilizer.

Mrs. Kunz also gave some interesting facts about growing plants under plastic. Her talk was ably given and enjoyed by all the members.

After the program the hostesses served a delicious luncheon plate to members: Mesdames Frank White, Jr., Joe Goldston, Walter Taylor, J. H. Howze, M. C. Rampy, A. L. Chase, J. R. Porter, Bill Green, Pete Kunz, Bob Head, John Goldston, Lee Holland, Rayburn Smith, Frank Phelan, Sr., O. C. Watson, and the hostesses, Mrs. H. T. Warner and Mrs. Will Johnson.

PRESBYTERIAN WOMEN

Women of the Presbyterian Church held their circle meeting Wednesday afternoon, February 18, in the home of Mrs. Guy Wright with Mrs. Millard Word co-hostess.

The meeting was called to

Help with her homework should be easy to get for Mrs. Roger Stark, economics major at the University of Connecticut. The reason is that her husband is also her professor, and a rehash of classroom work is all part of the job to him. He says, "She's a good student."

MUSIC PUPILS ENJOY VALENTINE PARTY

The smaller group of Mrs. Page Harmon's music pupils enjoyed a musical Valentine party at her home Saturday morning, Feb. 14.

Musical games were enjoyed. Life of Steven F. Foster was given by Lynn Spier, Clayton Farris and Marsha Ann Franklin. Piano numbers composed by Steven F. Foster were then played by other pupils. Mike Spier, 3 years old, was the youngest present. He played 3 short pieces.

Mrs. Roy Farris had charge of the Valentine box, after which Valentine cookies, candy bars and Cokes were served.

RELATIVES VISIT IN MOORING HOME

Mrs. Ed Mooring, who has recently returned from a check-up at Houston, was taken to Arfarrillo last week for treatments. She returned home Saturday.

Relatives visiting in the Mooring home the past week were a brother and wife, Mr. and Mrs. Charley Young of Borger, Mr. and Mrs. Elmer of Lamesa, and Mrs. Mattie Lane of Deming, N. Mex. Miss Naomi Mooring, who has been in the employ of Kerr Paper Company in Amarillo, and Mrs. Mattie Lane are remaining with Mrs. Mooring.

CARD OF THANKS

I wish to take this means of thanking the ones that remembered me in their prayers and for the lovely flowers and cards and dishes of food during my illness. May God bless each one.

Mrs. L. L. Wood

ENTERS NURSE'S TRAINING

Mary Jo Hester, daughter of Mr. and Mrs. Jean Hester, has gone to Waco where she will enter Nurse's Training at St. Anthony's Hospital. Her mother, Mrs. Hester, and brother, Rogers Hester of Amarillo accompanied her to Waco Sunday.

Mrs. John Jones was returned to the Groom Hospital Sunday for treatment. She had been home only a few days having undergone surgery there some 10 days ago. She is improving at this time.

Senator Rogers' Economic Index Proposal

Legislation to relieve one of the primary objections to the Gilmer-Aikin laws' "Economic Index" was introduced this week by Senator Andy Rogers of Childress.

The Economic Index is a very intricate part of the Gilmer-Aikin school laws which determines how much money each county receives from the State for education purposes. This involves taking a total wealth and income evaluation of each school district and county in Texas to find the amount the local areas must combine with the State contribution to meet educational expenses.

At present, the total wealth and income of Texas counties is evaluated every fourth year; this evaluation is used for the four years following to determine how much the local population must contribute.

Senate Bill 163 by Rogers would replace the present every-fourth year evaluation with a three-year average of county income. This proposal is brought about primarily because of fluctuation in agricultural income.

At present, the Economic Index is based upon each county's economic situation of 1949, which was one of the wealthiest farm years in recent West Texas history. West Texans are still contributing school money in proportion to their 1949 incomes.

"Naturally, the generally good crops and high prices of 1949 were not accurate indications of the amount each county could afford to contribute during 1951 and '52," Rogers said.

"This has thrown an extremely heavy burden on local tax-payers during bad years," he continued. "By placing the Economic Index on a three-year-average basis, we hope to arrive at a more sound factor of contribution."

Mrs. A. P. Todd and her son, Dr. Byron Todd of El Monte, Calif. visited Thursday with Mrs. R. T. Dyess and family in Pampa.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

Up to this date there have been over 3,000 bills introduced in the House of Representatives and approximately 875 in the Senate during this session of Congress. However, so far, very few bills have come to the floor of either the House or the Senate for consideration. The committees have been organized, and hearings on legislative proposals which have been given priority are now well underway. Following is a brief account of the hearings which are being held by some of the committees.

WAYS AND MEANS: This is the House committee which has jurisdiction of the tax bills. This committee has scheduled a meeting for February 16th for the purpose of voting on H. R. 1, introduced by Congressman Reed, of New York, who is Chairman of the Committee. His bill would reduce income taxes a maximum of 5 1/2% this year and 11% annually thereafter. It is very probable that the Committee will approve H. R. 1. However, when the bill is approved by the Ways and Means Committee, it will next have to be cleared by the Rules Committee, and the Chairman of the latter committee, Congressman Allen of Illinois, is reported as having stated that his commit-

tee will hold up any tax-reduction legislation until at least May 1st. Under the House rules, the Rules Committee, by a majority vote, can delay or kill a bill by refusing to clear it for floor debate.

HOUSE JUDICIARY COMMITTEE:

This committee is scheduled to commence hearings on February 17th on the Tidelands question. Among those who will appear at these hearings are the Attorney General, the Secretary of Interior and the Secretary of the Navy, who will represent the Department of Defense. As you know, the post of Secretary of the Navy is held by the Honorable R. B. Anderson, of Vernon, Texas.

SENATE BANKING AND CURRENCY COMMITTEE:

The Senate Banking and Currency Committee is to begin hearings on February 24th on the question of extending economic controls. Senator Capehart, of Indiana, the Chairman of this committee, has introduced a bill, S. 753, to authorize standby controls on wages, price, rent, production and credit. His bill would authorize the controls to be put into effect if an emergency should cause "serious economic dislocations threatening the national security and welfare." So far, the House Banking and Currency Committee has not scheduled any hearings on the extension of controls.

The HOUSE COMMITTEE ON EDUCATION AND LABOR has been hearing Members of the House who have introduced bills in this session proposing amendments and revisions of the Taft-Hartley Act. So far, the committee has heard Congressman Lucas of Texas, Byrd of West Virginia, and Keating of New York. On

HUT NUTSON'S AMARILLO DAILY NEWS PUBLIC RELATION FEATURE

February the 17th this committee plans to continue with three days of meetings in order to hear other congressional proposals to revise the Taft-Hartley Act.

The SENATE COMMITTEE ON LABOR AND PUBLIC WELFARE has announced that it is its present intention to begin hearings on amendments to the Taft-Hartley Act during the first week in March. This committee has requested those individuals and groups who desire to propose amendments to the act to send their proposals to the committee by February 20th in order that study may be given to such proposals before the hearings begin.

HOUSE INTERIOR AND INSULAR AFFAIRS COMMITTEE:
This committee, of which I am a member, has scheduled a meeting for February 17th to consider several public lands bills which passed the House during the last Congress but which were not passed by the Senate.

APPROPRIATIONS COMMITTEES:
The Appropriations Committees of both the House and the Senate are delaying hearings on the 1954 fiscal year appropriations until the new administration submits its proposed amendments to the budget which was submitted to Congress by the outgoing administration. March 2nd has been set as the deadline for department heads to submit their budget requirements to the Director of the Bureau of Budget.

Internal Revenue Information

About 170,000 persons who filed early tax returns have already received refunds. At the present time, returns are being processed as received and taxpayers usually get their refunds within two to four weeks after filing. The Director warns, however, that taxpayers who wait until the March 16 deadline for filing 1952 tax statements may expect a longer wait.

It is the policy of the Internal Revenue Service to issue refunds to those who are entitled to them as soon as possible, but in cases of extra delay, the Bureau pays interest on the amount due, Director Campbell said.

The Director also advises that taxpayers who change residence after filing their tax forms should notify the Director's office of their new addresses. Each year tens of thousands of refund checks are returned to Revenue offices, and over one million remained undelivered at the end of 1952. These checks, some issued ten years ago, average \$32.

The Director says that positive identification and claiming of old checks is difficult, and that taxpayers with claims should be able to supply information on the amount of refund and the taxable year involved.

Last year, the Bureau made refunds to 31 million taxpayers.

Mr. and Mrs. H. A. Harrison returned home Tuesday afternoon from Stephenville where they attended the Golden Wedding Celebration of his uncle, Mr. and Mrs. T. H. Harrison. They returned home by Celina where they visited an aunt, Mr. and Mrs. M. E. Moore.

Henry Edens was returned to his home Saturday after several days in an Amarillo hospital.

Mrs. Lee Bell and Mrs. Geo. Thompson and children were Amarillo visitors Saturday.

Donley County Leader, \$2.00 a Year.

Mr. and Mrs. Clyde W. Davis are the proud parents of a baby girl, Cynthia Ann, born February 20th in a Groom Hospital. Both mother and daughter are reported doing well.

J. G. McAnear, Bill Todd, and B. O. Shankles of Memphis were in Oklahoma City the first of last week where they attended a Serval meeting.

Dr. Byron Todd, pastor of the First Baptist Church at El Monte, Calif., came by plane Monday and visited last week with his mother, Mrs. A. P. Todd.

Mrs. W. H. Dickenson and baby, Gail, returned to her home in Brownfield Sunday after a two weeks visit in the home of her parents, Mr. and Mrs. Ed Mooring.

Mr. and Mrs. LaVern Goldston and children of McLean visited Sunday with his mother, Mrs. John Goldston.

Cpl. Robert E. Harrison called home Tuesday night from Dallas stating that he was enroute to Ft. Hood for discharge. He has been serving with the 22nd Inf. regiment in Giessen, Germany. Mr. and Mrs. H. A. Harrison left Wednesday morning for Ft. Hood to bring him home.

Mr. and Mrs. Emmett Simmons attended the Bankers Convention in Ft. Worth Monday.

Mrs. Claude Siddle and son, Joe Carroll of Dallas are visiting a few days with her parents, Mr. and Mrs. Regan Bryan.

CARD OF THANKS
I wish to take this opportunity of thanking each and everyone that remembered me with so many cards, and flowers during my recent illness. Each of you will always have a warm place in my heart and may God bless one and all.
Mr. L. L. Foster

Mr. and Mrs. Jess Whittington of Lakeview and Mr. and Mrs. Clarence McMillan of Plainview were guests Saturday night and Sunday in the home of Mr. and Mrs. Dewey Hendrix and Martin.

By VERN SANFORD
Texas Press Association

AUSTIN — Are Texas teachers going to get more money? The answer is maybe so. A bill to give them \$600 per year pay increase is now in legislative process. The bill, by Senator A. M. Aikin Jr. of Paris, easily passed its first test. The senate education committee approved it unanimously and moved it along to the senate floor. Teachers jammed the senate chamber for the committee hearing. Senator Aikin said the bill, if passed, would cost the state 32 to 35 million dollars a year. Those speaking for the bill included R. L. Proffer of Denton, former state senator and now president of the Texas State Teachers Association; Willie Kocurek, businessman and member of the Austin school board; and Mrs. Rae Files Still of Waxahachie, teacher and former member of the House of Representatives. There were no witnesses against the bill. If the Aikin bill passes, where will the money come from to pay the teachers? Governor Allan Shivers, who is writing a series of articles about teachers' pay, suggested the following solution: "1. Transfer part of the available school fund, which goes to all districts on a strict per capita basis regardless of need, over to the Gilmer-Aikin minimum foundation fund, which guarantees a decent standard to the less prosperous schools, and "2. Return to the original proposition of one local dollar for every three state dollars of Gilmer-Aikin support."

dent of the University of Texas, said in a speech that "salary-wise, this institution ranks at or near the bottom of the list of members of the Association of American Universities, and I think the citizenry and their elected representatives must be aroused to make concrete improvements." Texas eyes turned to Washington again as Governor Shivers went there seeking to get the tidelands returned to the state. The governor's visit was prior to hearings on tidelands legislation before the Senate interior committee and the House judiciary committee. "I hope legislation will be passed disposing of the overall tidelands question," Shivers said. Col. Homer Garrison, director of the Texas Department of Public Safety, wants the Legislature to give him 130 more patrolmen and to restore the narcotics division of six agents. "We can't police Texas with six men," Garrison admitted, "but we can pinpoint cases. And we can get results." The narcotics division has not functioned since 1939, when the last appropriation for it was made. The additional patrolmen would give Texas a total of 600, Garrison said, which is only about half the number set by various formulae. California has 1,800. The State Parks Board is fighting for authority to install additional cabins at Inks Lake, Possum Kingdom, and Lake Texoma. A bill by Representative Jack Fisk prohibits the board from issuing bonds to construct lodges consisting of more than 12 units. The House State Affairs committee has reported the bill favorably. A group of motor court operators is supporting the Fisk bill and contending that it is "socialistic" for the state to have lodges in its parks. The parks board retorted that "private capital will build the structures, private hotel companies will own the furnishings and pay taxes on them. The private operators will make payments to the state in lieu of rent and taxes on the buildings and land that will far surpass any amounts that taxes could amount to."

FARM NEWS From the County PMA Committee

In this week's News Article, we are going to discuss two practices. They run along the same line, and the producers will be able to compare the two legume practices. The first practice is Practice No. 30, "Growing a green manure or cover crop of summer legumes." The payment rate varies according to the type of cover crop planted.

SPECIFICATIONS FOR SUMMER LEGUMES

The crop must be seeded on cultivated land. A stand and growth that would justify har-

esting as a feed crop must be obtained. The crop must be left on the land or turned under. If turned under, it must be followed by a fall-sown crop where necessary to control erosion. Volunteer or second growth crops will not qualify. Legumes from which a commercial vegetable crop is harvested and soybeans or mung beans harvested for seed or oil will not qualify. Legumes, other than crotalaria, interplanted in the same row with or planted between normally spaced rows of another crop will not qualify.

Fertilizer and limestone should be applied where needed.

Practice 31, "Establishing a satisfactory cover of winter legumes seeded in the fall of 1953." The payment for this practice also varies according to the type of legume seeded.

SPECIFICATIONS FOR WINTER LEGUMES

This practice must be carried out in accordance with the specifications set forth below, or the ground must be uniformly covered with sufficient plants to produce a growth from which a reasonable tonnage of forage could be harvested.

Winter legume seed must be properly inoculated with fresh inoculants and seeded not later than the date established by the county committee (which in no case will be later than December 1, 1953.) Phosphate must be applied at a rate of not less than the equivalent of 200 pounds of 20 percent superphosphate per acre, except on land where there has been an application of phosphate within such time that the resid-

ual effects are still available, or except on land where a soil analysis shows phosphate is not needed. Potash must be applied in any area where there is a known deficiency of this element. Seed must be planted in amounts not less than the minimum seeding rate per acre established by the county committee. Austrian Winter peas or Dixie Wonder peas will not qualify if they are to be harvested for seed. Seed may be harvested from other eligible crops.

EMERGENCY HAY PROGRAM CONTINUES

An additional allocation of \$1.5 million from Federal Disaster Relief funds will make possible the continued operation of the emergency hay supply program. Secretary of Agriculture Ezra Taft Benson has announced. Added to earlier allocations, the total funds made available as disaster assistance under the program amount to \$9.5 million.

Orders had been placed under the earlier allocation for 524,000 tons of hay for shipments from northern supply States to designated drought States. The additional allocation is expected to complete the hay supply operation and make possible the minimum supplies needed to carry basic breeding stock until spring pastures are available.

The need for hay varies greatly in the different sections of the 11-State designated drought area, with the most serious continuing need indicated as generally in the southwestern sections of the area. The additional hay orders will be placed primarily for shipment to the regions of most drastic need. Agricultural Mobilization Committees will continue to handle operations under the emergency hay program.

REDEDICATION SERVICE AT METHODIST CHURCH

On the eve of the World Day of Prayer, a very impressive dedication service was held at the Methodist Church. Throughout the evening, a large number went to the candle-lit altar, partaking of the Lord's Supper and rededicating their lives to the Lord and giving a prayer for Peace in the World.

Chilli Dinner Held At Lions Club Hall For 4-H & FFA Boys

Last Wednesday night, February 18th, 4-H and FFA boys and their fathers and businessmen gathered at the Lions Club hall for a chilli dinner. There were sixty in attendance. H. M. Breedlove, county agent, Tom Seay and Sandy Sandifer cooked the chilli for the group.

After eating, Breedlove opened the program with a short talk to the club boys. He was followed by Doyle Messer, Vocational teacher from Hedley, and then Tom Seay, Vocational teacher from Clarendon. Mr. C. L. Lewis, president of the Show Board for Club boys in the county, made a talk on club work and how it had progressed in Donley County. Mr. Lewis and Curtis Mears, treasurer of the association, presented the ribbons to the winners of the Donley County Fat Stock Show held last month. Breedlove then showed three pictures to the group that were very interesting. Every one had a big time and decided to make the chilli dinner an annual affair for all club boys in the county.

FORMER RESIDENT HERE DIES AT SNYDER

It will be recalled by many that the Walter Grant family resided in the Midway community where he was employed by Pat Longan for some years.

For the past several years, Mr. Grant was employed in the oil field at Snyder. During that period he became owner of some land upon which oil was later developed giving the family many of the luxuries of life in the late years of the parents.

Mr. Grant passed away at Snyder a few days ago. He was a highly respected citizen in his home town just as he was when a resident of Donley County, and many here will regret that this good man passed away so soon after luck began to come to him who had worked hard for many years to accumulate something for the late years of life.

Bulldogs Finish Basketball Season

The Clarendon Junior College Bulldogs finished their current basketball schedule with their game at Odessa Saturday night. Out of their 20 game schedule they have won eleven and lost 9 games which is a pretty fair record considering the experienced opposition they have faced in practically every game. Coach Don Loyd's boys have made it interesting for their opposition in all games and the losses have not been by long scores.

They played three games last week, winning over Frank Phillips of Borger Tuesday night 77-68. Thursday night they lost to Amarillo 56 to 74 and to Odessa 51 to 64.

During the entire season the Bulldogs had a total of 1,370 points to their opponents 1,373. Garland Fielding was high point man for the entire season with 250 and a game average of 12.5 points. Tommie Messer was second with 220 points and a game average of 11. Other squad members, their totals and average are as follows: Dale Bradley, 185, 9.3; Melade DeGash, 170, 8.9; Don Dorman, 152, 8; Kenneth Richardson, 116, 6.9; George Stephens, 91, 4.6; Gerald Payne, 53, 5.3; Jolly Grubbs, 49, 3.3; Duane Reynolds, 30, 1.8; Jack Neely, 17, 1.3; Ronnie Gowdy, 15, 2.1; Rowlyn Thornton, 13, 1.6; Charles Coney, 6, 3; Toots Walker, 3, 1.5; Bill Alexander 0, Joe Brown, 0. Part of these players played in all 20 games; others played in 2 or more games.

Mrs. Odell LaGrone and Mike of Amarillo are visiting a few days this week in the home of her parents, Mr. and Mrs. Geo. Thompson.

FATHER OF LOCAL LADY DIES AT GAINESVILLE

Funeral services for William Wesley Rudd of Gainesville, Texas, were conducted at 3:00 o'clock P. M. Friday, February 20, in the Vernie Keel Funeral Chapel at Gainesville. The Rev. J. R. Smallwood, pastor of Grand Avenue Baptist Church officiated, assisted by Elder J. H. Chism. Interment was in Fairview Cemetery.

Mr. Rudd, who was 86 years old, died Thursday morning at his home in Gainesville after a lengthy illness. He was a pioneer Cooke County resident, having lived there more than 60 years.

Survivors are his wife, Mrs. Annie Thornbrough Rudd; a daughter, Mrs. R. C. Bingham of Clarendon; two sons, J. R. Rudd of Borger and C. W. Rudd of Gainesville; two sisters; seven grand children and four great-grandchildren.

Pallbearers were Rush George,

W. C. Brownlow, Lyndan Foster and Billy Mack Rudd of Gainesville, and Troy Guy and Haskell Phelps of Clarendon.

PLOWIN' Out the CORNERS

by Uncle Zeb

This week we had a nice letter from the Scotchman; the sage of Washburn, and as usual he gives us some good food for thought. He tells us among other things that he is still able to cook and eat three "Square meals" a day, and then he asks us what is meant by "A square meal." According to Uncle Bob a round meal would be a better name; what with cookies, pies, cakes and all of those all around round goodies. But a square meal,

where did that originate? Someone has that it is this way: "I had a square meal and all four corners are hurting me." Could that have been the origin? Uncle Bob asks; "Does it mean everything from soup to nuts" May someone can help us out.

Uncle Bob also includes the wish that we will have more rain and less wind now that the Republicans are back in, but he also includes the prediction that we will probably have wind whether or no, and how right he has been the last few days. As someone has said this is sure no weather for any easterner; this is real he-man West Texas Vitamin K special weather. Only a "Died in the wool", "Teeth and toe-nail", stout-hearted West Texas native could thrive on this diet. You simply have to have some "Grit in your craw" to take it. Did I say have to have, or soon will have?

Perhaps many of you read the little story in the paper this week about the group of boys from Boys Ranch, who upon returning from a visit into town to see a very sick buddy in one of the hospitals called 100 of the boys together along with their chaplain at twelve o'clock midnight to hold prayer services for their friends recovery. According to the article around forty of these boys gave their own prayers aloud during the meeting. This sort of thing just kinda puts some of us grown-ups to shame. It not only sort of touches our heart, but it also gives us a new hope in the future of our world. Our prayers and our wishes go out to these fine boys in their problem.

I get to thinking sometimes that most of us go rushing about here and there and many times don't know exactly what we want and are determined not to stop

until we get it. Just a sort of a never ending search for some long sought peace of mind that seems to always be around the next corner or over the next hill. Perhaps its only myself that acts this way so much of the time. Guess I must be the world's most restless.

Heard on the radio: "A pat on the back is a real character builder; provided it is administered soon enough, often enough, and low enough." At least this was the opinion of most of our grandpappys.

Last week we dropped by the courthouse at Clarendon and met a lot of the folks working there and just visiting around the lobby. We enjoyed the few minutes an awful lot and were so pleased to know that all of those that we met were our regular readers. However there was a sadness about most everyone due to the death of their well-loved fellow worker and friend, county clerk Walker Lane. It will be a great consolation to his loved ones as they remember the strong bonds of love between this public official and folks whom he served. I guess that it is things such as this that keep on reminding us to try more than ever to make friends and be a friend.

Mrs. Boone sends me the following little verse that sort of seems to fit in here as a scrap book selection. It is by John Oxenham.

"Not for a single day
Can I discern my way,
But this I know,
Who gives the day,

A. H. MOORE

Will show the way,
So I securely go."

Who Will Teach Your Child in 1960?

A projected estimate of the scholastic population for 1959-60 shows that Texas will have at least 1,950,000 children attending school by that time. That is an increase of more than 325,000 over the present scholastic population.

According to these estimates, by 1960 Texas will need 11,000 more teachers than we have now. Will the schools be able to hire that many additional teachers during the next eight years?

The answer to that question should shock the citizenship of Texas into action, for the truth is that the state might have even fewer teachers in 1960 than it has in 1952 unless the material rewards of the profession are increased.

More than 4000 teachers left the profession during the 1951-52 school year. At the same time, the state's population growth created the need for an additional 1000 teachers, raising to 5000 the total number of replacements needed.

Texas colleges graduated only 4000 students in 1952 who could be certified to teach. Approximately one-half of those were lured away from the profession, primarily by the much higher salaries offered by industry. The schools were able to hire only

about 2000 new college graduates. What sort of beginning salary did the teaching profession offer these college-trained youngsters? The beginning teacher with a bachelor's degree is assured \$2403 a year. If the teacher is single, \$332 of that goes for federal income tax. An additional 5 per cent, or \$120, is deducted for teacher retirement, leaving \$1951 in take-home pay.

The purchasing power of this take-home pay is slightly more than 50 cents on the dollar. That means the beginning teacher, going to work at the minimum salary, has less than \$1000 in actual buying power in terms of the 1935-39 dollar.

The pay of the average Texas teacher shows why many are leaving the profession.

The average 1951-52 teacher's salary provided by the Minimum

Foundation Program was \$2860 based upon training and experience. The income tax reduced that amount by \$438 and retirement deductions amounted to \$143. That left a take-home pay of \$2279 which has a purchasing power of \$1150 in terms of the 1935-39 dollar.

Who will teach Texas children in 1960 if the teaching profession is able to attract only 2000 qualified college graduates each year and continue to lose 5000 experienced teachers annually?

The Legislature of Texas should seriously consider the answer to this major question.

Television treat—the BUICK CIRCUS HOUR—every fourth Tuesday.

THE GREATEST BUICK IN 50 GREAT YEARS

THE getaway of any 1953 Buick—SPECIAL, SUPER or ROADMASTER—is, in one word, dazzling.

Two things account for this. First: increased horsepower and compression ratios. Second: Buick's new Twin-Turbine Dynaflo Drive.*

In every SUPER and ROADMASTER for 1953

is a new kind of V8 Engine—the first Fireball V8—and the world's most advanced V8, first in any passenger car to reach 8.5 to 1 compression. In every SPECIAL is a newly designed F-263 Fireball 8 Engine with the highest horsepower and compression ever offered in this Series.

To get fullest benefit from these brilliant engines, Buick engineers designed a new Dynaflo with two turbines instead of one.

Result: flash-fast getaway—less sound—and improved efficiency—added to the infinite smoothness of this power transfer. Getaway

that brings the 1953 Buick SPECIAL up to 30 mph in fewer seconds than the mighty 1952 ROADMASTER.

But these Golden Anniversary Buicks put you way ahead in more than time and distance.

You're way out front in style, in comfort, in ride, in handling ease—and, very definitely, in value.

We'd like to prove that to you—while you're sampling any one of the greatest Buicks in fifty great years. Why not drop in this week?

*Standard on Roadmaster, optional at extra cost on other Series.

Gov. Shivers Says School Teachers Need More Pay

FINDING THE MONEY IS THE BIG PROBLEM

(NOTE: The Governor of Texas says our school teachers must have a cost-of-living increase in pay. The problem is finding the money. His plan, as presented to the Legislature recently, will be outlined in a series of articles of which this is the last.)

By ALLAN SHIVERS
Governor of Texas

Is \$600 a proper pay raise for our Texas teachers?

That is the amount they are asking as their first base pay raise since 1949. It would be an increase of about 25 per cent.

There is nothing more important in the view of our parents than the training of our children. I doubt that any competent teacher is ever really overpaid — or expects to be.

But, just as the 1949 salary scale for teachers is too low now, the \$45 million ceiling contribution of local school districts to the minimum foundation program is no longer what it should be.

The State, instead of paying three dollars to one local dollar as under the original Gilmer-Aikin scale, is now making up the difference between one local 1949

dollar and as many 1953 dollars as are needed. In other words, all of the increase in demand upon the minimum foundation fund must be met by the State.

That can't go on without running the risk of increased State control of the public schools.

And, what is perhaps even more important, it can't go on without running the risk of a possible ceiling on State spending to maintain the minimum foundation program.

I mean by this that the Legislature at some time in the foreseeable future might decide that the State should fix a maximum guarantee for its own responsibility in the program.

What would that mean? It would mean that the major burden of the steadily advancing costs of the Gilmer-Aikin program eventually could come to bear directly upon the local districts. It would be the opposite of the present situation. This is not my suggestion, but it is a very definite possibility.

As I have told many of my teacher friends, and as I have said in previous articles of this series, I am not against the idea of a \$600 raise.

As Governor I have to remember, however, that an increase of this size would cost the State more than 33 million dollars per year. And, as we consider the many imperative needs throughout the State, we are forced to decide what we can afford—and what we should do for others, as well as for the public school teachers.

What about a raise for State senior and junior college teachers?

What of the nurses and other vital workers in our State hospitals?

Can we afford to forget our State law enforcement officers and our prison guards?

What about our thousands of other loyal State employees? What can we do about larger State pensions for the old people of Texas?

There are many such deserving groups — none more deserving than our public school teachers, and yet none should be overlooked.

For all of these people, as well as for the rest of our citizens, it is important to keep our State financially sound. If that is not done, eight million Texans will reap the whirlwind.

For the immediate relief of our teachers I have proposed a plan by which they could receive a substantial raise without the necessity of increasing State taxes.

Two steps are involved: (1) shifting of part of the per capita available school fund over to the Gilmer-Aikin fund so that the needy school districts can get more State assistance and the prosperous districts will not grow all the richer on State money, and (2) placing a fair share of the cost of the minimum foundation program on the local districts instead of leaving the local contributions at the 1949 level while the State pays more and more with each passing year.

Forget the sorrows of the past and be glad for the pleasures of today.

Donley County Leader, \$2.50 year

Scribe Fears No Platoons

AUSTIN — An Austin sports writer suggested a new angle to the furore over recent football rule changes voted by the NCAA. In his sports page column, Buster Haas wrote in the Austin American under the heading: "No Platoon System?"

"The prolonged hubbub about the long lost two-platoon system might yield to some haranguing about the grim spectre of the no-platoon system."

"While the two-platoon proponents point to the surplus of burly boys somebody ought to speak up for the deadly trend in manpower loss because of polio."

"This sinister disease has surged into the adult ranks in recent years. Football players have become prime targets. As Texans know, entire teams have been exposed, as were the North Carolina Tarheels the week after they played the Longhorns last fall."

"If the 1952 penetration should spread, the blow to athletics could be calamitous. We do know that the strong are vulnerable to this crippling ailment. We also know that the only hope is research into cure and prevention."

"These studies require great sums of money. This money has not been available from Texas which for years has exhausted all available funds for polio patient care alone."

"So, you sports, before we run head on into a no-platoon crisis, let's dig deep for the 1953 March of Dimes. Run this paralyzing deadhead clear off the field of play."

In just 7 days... you'll discover the

WONDERFUL DIFFERENCE

From where I sit... by Joe Marsh

Wrong "Train" of Thought

Most of us knew the streamliner stopped about four miles from town last Thursday — but we didn't know why...

Seems the train was hurrying along, then came the screeching of brakes — some fellow had pulled the Emergency Stop cord.

When the conductor asked him why he did it, he said, "The train was just going too fast—I wanted to get you to slow down."

From where I sit, that streamliner has been going at that speed for the past seven years with a perfect safety record and

the passengers have always been pleased. Now—along comes a fellow who wants the train to go at his speed. Some people are like that. Some still would begrudge another person's right to a temperate glass of beer even though that person wouldn't dream of flashing a "Stop" sign on their preference for, say, milk, coffee or tea. Respecting the rights of others is the only way we can keep "on the right track."

Joe Marsh

CHRYSLER'S NEW YORKER DE LUXE

Club Coupe

YOU WON'T FIND ITS EQUAL AT ANY PRICE TODAY...

You may have known fine cars before... but you could not have known the equal of this Chrysler New Yorker... because no such car ever existed before! Except for Chrysler's own Imperial, it is unequalled by any car at any price. In sheer Car Power it stands alone... its new-type V-8 engine is capable of delivering more thrust and drive to the rear wheels than any other kind of engine you can buy. Its full-time Power Steering... first in any passenger car... and Power Brakes give control and safety you've never felt before. Its new-type shock absorbers provide a noticeably better ride. Its outward grace and inner beauty are rare satisfactions in themselves. Your Chrysler dealer invites you to try the finest fine car in America — today!

ONE OF AMERICA'S FIRST FAMILY OF FINE CARS

TIME TO GET MOVING
Spring will Soon Be Here!

For many of us, time slips by before we realize it. And then—oh how we wished we had not put off necessary chores. One of these days your field work will start; will your John Deere Equipment be ready for the season ahead?
 Be sure all goes well this spring; give your John Deere Equipment a thorough going-over now. Look for worn parts and replace them with only genuine John Deere Parts. They are made of quality materials, fit properly and last longer.
 If servicing is required, you'll find our shop well equipped to handle your requirements. The combination of precision working tools, John Deere-approved servicing methods, and genuine John Deere parts is a combination no other shop in this community can offer. Let's talk over your servicing needs; come in soon.

Bennett Implement Co.
 JOHN DEERE TRACTORS & EQUIPMENT

BUY ONLY GENUINE JOHN DEERE PARTS - THEY FIT AND WEAR LIKE THE ORIGINALS!

It Seems LIKE MAGIC!

Here's the SECRET — Just shop with Baby Bond Merchants and SAVE those valuable Baby Bonds. Then . . . PRESTO — you can turn them into MONEY in the Bank for your child!

SAVE BABY BONDS!

ACT NOW—OPEN AN ACCOUNT FOR YOUR CHILD IN THE FIRST NATIONAL BANK.

Stop Taking Harsh Drugs for Constipation

End Chronic Dosing! Regain Normal Regularity This All-Vegetable Way!

Taking harsh drugs for constipation can punish you brutally! Their cramps and gripping disrupt normal bowel action, make you feel in need of repeated dosing.
 When you occasionally feel constipated, get gentle but sure relief. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. It's all-vegetable. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, oldest and one of the finest natural laxatives known to medicine.
 Dr. Caldwell's Senna Laxative tastes good, acts mildly, brings thorough relief comfortably. Helps you get regular, ends chronic dosing. Even relieves stomach sourness that constipation often brings.
 Try the new 25¢ size Dr. Caldwell's. Mopey back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

1953 Chevrolet Advance-Design Trucks are more truck for the money!

4 powerful reasons why you get more of what you want . . .

- more engine power
- more staying power
- more braking power
- more economy

Advanced Loadmaster engine—standard on 5000, 6000 Series and forward-control models, optional on 4000 Series heavy-duty trucks.
 Heavier, stronger, more durable frames increase rigidity, add to ruggedness and stamina of 1953 Chevrolet trucks.
 Trucks up to 4000 Series heavy-duty models have "Torque-Action" brakes. Series 4000 and above use "Torque-Action" brakes in front, "Twin-Action" in rear.
 New stamina plus extra gasoline economy in heavy-duty models with Loadmaster engine, reduces hauling costs per ton-mile.

CHEVROLET

(Continuation of standard equipment and trim illustrated is dependent on availability of material.)

BE FREE
OF ALL DEFROSTING WORK AND MESS

with Westinghouse **FROST-FREE***
100% Automatic Defrosting Refrigerator-Freezer

Model DFD-104
... of course, it's electric!

NO DEFROSTING to do in the Freeze Chest
Frost-Free defrosts automatically . . . so fast frozen foods stay firmly frozen. Nothing thaws!

NO DEFROSTING to do in the Food Compartment
There's no excess moisture to cause frost here. You get safe, steady cold that keeps bottles dry . . . plus moist cold in the Humidrawers.

NO DEFROST WATER TO EMPTY
Frost-Free automatically evaporates it . . . there are no jugs or pans to empty . . . ever!

YOU CAN BE SURE...IF IT'S Westinghouse

NO MATTER WHAT YOU SEE OR HEAR
Only Westinghouse **FROST-FREE***
gives you "NO DEFROSTING"
that's Completely Automatic

*T. M. U. S. PATENT
ISSUED No. 2,324,968
AND 2,459,175

There's still only one completely automatic refrigerator . . . only Westinghouse FROST-FREE has the magic button that COUNTS door openings to measure your actual defrosting needs in your kitchen. And, only FROST-FREE gives you all three benefits. Automatic defrosting exactly when and only when needed. No timers to set, nothing to touch or do. Automatic disposal of the frost water—no pans to empty, no floors to mop, no mess to clean! Defrosting so fast that even your ice cream and frozen fruits stay frozen! To get the best, look for the button . . . only the completely automatic Westinghouse FROST-FREE has it!

YOU CAN BE SURE...IF IT'S Westinghouse
