Donley County Fat Stock Show Set For December 29th

The Donley County Fat Stock Show will be held in Clarendon on the twenty-ninth of December...

There will be a total of 45 club steers of both FFA and 4-H Clubs in the county show.

First Big Snow Nets Over Inch Moisture

The first big snow of the season began falling here last Friday and by Saturday afternoon had deposited some ten inches of snow...

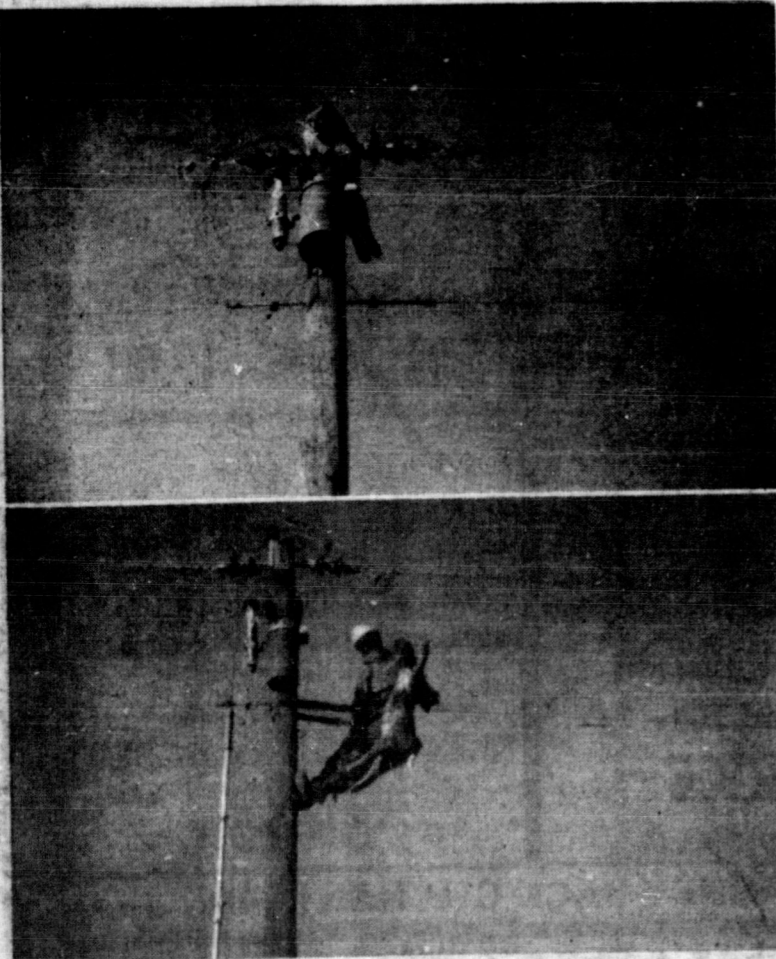

The snow was heavier to the east with the Lelia Lake area reporting 12 to 15 inches...

With the 1.15 inch moisture from the snow and a previous .17 inch this month, our year's total moisture has now passed the 40 inch mark...

The long range weather forecast is for more wet weather on the week end.

LEADER CLASSIFIEDS GET RESULTS

WILDCAT SHUTS POWER OFF - 2 WAYS

Power on the Greenbelt Electric Cooperative line southwest of Clarendon of the Walter Lowe place, went off early Monday morning of last week and the life of a Wildcat went with it.

Commissioners Court Endorses And Requests Alanreed Road

In the regular session of the Donley County Commissioners Court Monday, the court voted 3 to 1 to endorse and request the Texas Highway Commission to build the road from Alanreed to Lelia Lake.

Action of the court as entered in the court record was as follows: Motion by Jess Finley and seconded by H. L. Riley to endorse and request road from Lelia Lake to Alanreed.

Last Trade Day Drawing Dec. 24th

The Chamber of Commerce sponsored "Trade at Clarendon" drawing will end with the December 24th drawing, it was announced this week.

Remember, there will be a drawing this Saturday afternoon and again the last drawing on Christmas Eve, December 24th.

Colts Split Games With Lelia Lake

On Monday night, the Jr. High Fillies played the Bluebirds of Lelia Lake at Lelia Lake and defeated their hosts 36-33.

The Jr. High Boys were defeated by the Lelia Lake team 32-28. Scoring for the Colts were John Grady with 15, Cecil Jones 5, Bobby Cain and Freddie McAnear 3 each and Johnny Wozen-craft 2.

J. R. GILLHAM

Gillham To Head JC Ag. Teachers Group

For the first time in the history of Texas Junior College Teachers organization, there will be a division for the junior college agriculture teachers at the state meeting to be held in Dallas February 24th and 25th.

Gillham will serve as head of the group for the remainder of this year, and he will prepare the program for the sectional meetings at Dallas.

CHS Band To Present Annual Xmas Concert

The Clarendon High School Band will present their annual Christmas concert Monday, December 19 at 7 p.m. in the high school auditorium.

The program will consist of numbers presented by the band and chorus. Willard Edgett, band director, stated that the program would last approximately 50 minutes allowing those who wish, to attend the college basketball game between the Bulldogs and Lamar Jr. College of Lamar, Colo. Game time is 8 o'clock.

Christmas Cantata At Methodist Church This Sunday

The Choir of the First Methodist Church will present their annual Christmas Cantata this coming Sunday, December 18, at 4:30 p.m.

Title of the program is "Chimes of the Holy Night" by Fred B. Holton.

Quanah Firm Is Low Bidder On Housing Unit

At the opening of bids last Thursday, Barker Construction Co. of Quanah was the low bidder on the 16 housing units which are to be constructed here under the Government housing project.

Christmas Lighting Makes Beautiful Sight

Clarendon's Christmas street lights were a beautiful sight during the snow to anyone approaching our little city from any direction.

Numerous business firms have their windows and stores draped in Christmas dress and the big Santa in Bob Moss' window and the Santa on his reindeer in the Donley County State Bank attract the eyes of youngsters that pass by.

In driving over town, you can now see hundreds of beautiful Christmas trees in homes as most everyone has their tree up and lighted at now now.

Registered Beef Cattle Sale Big Success

The Rolling Plains Registered Beef Cattle Association annual sale held in Clarendon on the 8th of December at one p.m. was a big success stated W. H. Cooke, III, President of the Association.

John Knorrp, Sales Manager, completed all transactions right after the sale and all checks have been mailed to the consignors and all registration transfers have been sent in to the association.

The Clarendon Chamber of Commerce made a big hit with all bull consignors when they gave free meal tickets to all bull consignors at the sale.

The Angus division of the sale was first to sell and Fred Brown of Groom, Texas, sold his grand champion Angus bull for \$515.00.

The Hereford Division was next and Gene Floyd, Hedley 4-H Club boy had the grand champion sale bull. He sold for \$500.00 and Robert L. Newton of Lark, Texas, sold his reserve champion sale bull for \$560.00.

The Galloway division was last to sell and the champion Galloway bull was consigned by Prentis Hale of Cloverdale, California. He sold for \$320.00.

Breeders and consignors expressed their appreciation to the people of Clarendon and Donley County for the fine manner in which they were treated during the bull sale.

Mrs. R. M. Chunn has entered the Sanatorium at Carlsbad near San Angelo, Texas.

Episcopal Youth To Present Christmas Pageant December 18

Young people of St. John Baptist Episcopal Church will present a pageant, The Story of Christmas, Sunday at 6:30 p.m. in the church.

The public is invited to attend this traditional celebration of the Advent Season. An open house will be held in the Mission Hall following it.

Mrs. Charles C. Carman will sing a solo. Other soloists will be Lewis Foxhall, Roy Lynn Browning and David Hardin, who portray the Three Wise Men.

The role of Mary will be portrayed by Irene Foxhall, Joseph by Pat Slavin. The Messenger Angel will be Sharon Grady.

Angels in the tableau will be Shauna Hardin, Cheri Browning and Christ Craft.

In the Choir of Angels are Cheryl Hardin, Kattie Cooke, Cynthia Williams, Lissa Cooke, Cathy Craft.

Readers will be Frances Benedict, Emily Neece, Kenneth Price and Larry Neece.

Organist for the pageant is Mrs. William Cooke, III.

Local Youth To March In Inauguration Parade

Word has been received here that Pvt. George L. Mays, son of Mr. and Mrs. Marva Lee Mays, will be one of the soldiers to march in the Inauguration Day Parade in Washington, D.C., in January.

Mays volunteered for service May 20th. He is with the 82nd Airborne Division at Fort Bragg, North Carolina, where he received his certificate and wings November 10th.

GRANDSON DIES IN KANS.

Mr. and Mrs. R. L. Blair received word that their two-year-old grandson, Chris Braaten, son of Mr. and Mrs. Craig Braaten, had passed away Sunday in Wichita, Kansas.

Santa To Visit Youngsters Here Saturday Morning At 10 O'Clock

Services Held Sat. For R. R. Stevens

Funeral services were held Saturday afternoon in the Murphy Memorial Chapel for Roy Randolph Stevens with Rev. W. R. Lawrence officiating.

Mr. Stevens, 72, died here Thursday morning in the home of a sister, Miss Elizabeth Stevens. He had been a resident of Clarendon a long number of years.

He is survived by his wife, Mrs. Ethel Stevens of Hanover, Ontario, Canada; two daughters, Mrs. Shirley Cross of Hanover and Mrs. Ethel Fernandez of San Jose, Calif.; two sons, Wayne Stevens of West Point, N.Y. and Roy R. Stevens Jr. of Detroit, Mich.

Funeral services have been tentatively set for 10 o'clock Friday morning at the Murphy Memorial Chapel for Mrs. Hattie Mildred Mullens. Burial will be in Citizens Cemetery under the direction of Murphy Funeral Home.

W. M. Pickering Named Member of Draft Board

Clarendon has been informed that he has been appointed a member of local draft board No. 52 at Pampa.

Services Here Friday For Mrs. L. H. Mullens

Funeral services have been tentatively set for 10 o'clock Friday morning at the Murphy Memorial Chapel for Mrs. Hattie Mildred Mullens. Burial will be in Citizens Cemetery under the direction of Murphy Funeral Home.

Mrs. Mullens, 89, died in All Saints Hospital in Ft. Worth Tuesday. She had been a resident of Ft. Worth the past six months. She had been a long time resident of Clarendon prior to moving to Post with her daughter a few years ago.

She is survived by one daughter, Mrs. Maurine Lackey of Ft. Worth; one grandson, Jack Lackey of Ft. Worth; one sister, Mrs. Sallie McCullough of Paris, Texas, and two great-grandsons.

REGISTERED BEEF CATTLE SALE BIG SUCCESS

—picture courtesy Barrett's Portrait Salon

Pictured is one of the bulls that was sold here last Thursday as the second Registered Beef Cattle sale got under way with Col. Walter Britten on the stand in the background. We offer apologies to cattlemen interested in other breeds for not having pictures of each but this was the only picture suitable for a newspaper cut due to weather conditions and film trouble.

Mr. and Mrs. Ellis Chenault spent last week end in Canyon with their son, Wayne.

MACHINERY EFFICIENCY INCREASES FARM PROFITS

College Station — Machinery inefficiency can strike a devastating blow to farm profits. Cecil Parker, extension farm management specialist, says that every farmer should know the cost of owning and operating machinery. If he does not, he is in a poor position to determine how to increase his machinery efficiency, Parker continues.

Fixed costs, such as depreciation, interest on investment, insurance, taxes and housing may represent the largest expense associated with owning machinery. If the farm is large enough, how-

ever, these costs may be small on a per acre basis.

Repair and maintenance may also involve a large cash outlay. High cost here can be caused by poor quality machinery, abuse by the operator, operating over rough terrain or a combination of these, Parker explains.

The specialist says other factors which affect machinery efficiency are:

Substitution of machinery for labor. Whether or not substitution is wise depends on the relative effect on labor costs.

Return on investment. Capital invested in machinery and equipment may give a greater return if invested in some other phase of the farm business.

Availability. If machinery is not available when needed, lower yields and quality may result.

Farm size, type of work to be done and the possibility of hiring custom work.

In conclusion, Parker says that good farm machinery records are the only way to keep up with these costs and improve efficiency. He suggests consulting the local county agent on ways to increase farm profits by increasing machinery efficiency.

WESSON-AYERS

Mrs. Bill Brown of Lelia Lake announces the marriage of her daughter, Sue Wesson, to Mr. Dale Ayers, son of Mr. and Mrs. C. C. Ayers, also of Lelia Lake. The vows were exchanged Saturday, December 10th, at 5 p.m. in the home of the groom's grandparents, Mr. and Mrs. W. B. Ayers.

The newly weds are making their home in Clarendon at the Parsons Apartments. Mr. Ayers is principal of the Lelia Lake Jr. High School.

BETA SIGMA PHI HAS THURSDAY MEETING

Frankie Henson was hostess in her home Thursday evening, December 8, to members of Beta Sigma Phi-Mu Gamma Chapter for their regular meeting. Mary Neal Risley, president, presided.

During the business meeting it was decided to have the annual Christmas party at the Canteen December 22. Each member was asked to bring a can of food to this party to prepare a family Christmas basket. Members were also reminded to bring a gift for a Secret Pal.

A very interesting program was presented by Miss Ruth Richerson. Her subject was "Voice and Vocabulary."

Seventeen members were present. —Rep.

CHAMBERLAIN CLUB HAS MEETING

Mrs. Maude Self was hostess to the last meeting of the Chamberlain Club. The afternoon was spent quilting and visiting. Plans were made for the Christmas party at the next club meeting, Dec. 15. Each person is to bring lots of goodies and a gift for the exchange of presents. Don't forget to be there as this is our last meeting in 1960. —Rep.

GOOD NEIGHBORS CHRISTMAS PARTY

The Good Neighbors Club met in the lovely home of Eula Butler Monday afternoon, December 12, at 2 p.m. for a Christmas party. All of our members were present except for Alta Spradlin who was unable to be with us. Bessie Helton, Nova Barker, Ruby Jordan, Emma Davis, and Carrah Mixon gave an interesting Christmas program.

Many gifts were exchanged. All reported a nice time. We won't meet again until the second Friday in January.

The reporter wishes all a merry Christmas and a happy new year. —Rep.

HEDLEY FHA FORMAL INITIATION

The Hedley Chapter of Future Homemakers of America met in regular session Monday, December 3rd, at 6:30 p.m. The program for the night was the formal initiation of freshman members.

In the business session following the initiation ceremonies I-neda Shields was elected vice-president of the chapter to fill the vacancy created by the resignation of the former vice-president.

The F.H.A. beau was chosen by popular vote. He is Loyd Messer.

Several committees were appointed in regard to the Christmas party which will be held the night of December 23rd.

Mothers of chapter members were special guests for the evening.

Meeting adjourned and everyone enjoyed a session of singing Christmas carols until time to go to the FFA room to hear a very interesting and entertaining speaker, Brother Haddaway, from the Memphis Church of Christ.

ASHTOLA COMMUNITY CHRISTMAS PARTY

The supper, Xmas tree and program were a success Friday night despite the cold weather, and were held as scheduled.

The rooms of the Center were festive with seasonal decorations; and the thing that made it best of all, they were hand made by our ladies and children. The main center of attraction was the beautiful 10 ft. tree carted from the brakes by our men and trimmed to perfection with ornaments made mostly by hand and a glitter with lights; making it seem truly an old fashioned Christmas. The snow added just the touch needed to make it a real Xmas.

The bountiful basket supper, consisting of baked chicken and dressing, other meats, candied yams, green beans, salads of all descriptions and home baked pies and cakes, was laden on tables covered with white table cloths. The centerpiece were effectively arranged candelabra with red candles in a mound of greenery, pine cones, and ribbon. Potted red geraniums and poinsettia were placed also in center of the other serving tables. Individual card tables had pretty green miniature Xmas trees made with powdered sugar icing. Sprinkled with colored candies and glitter for their centerpiece.

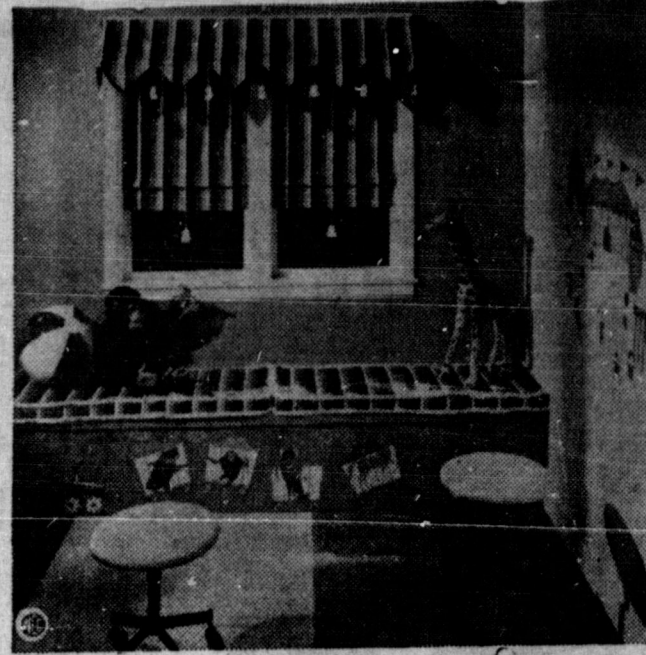

After the feast, Mrs. Van Knox, chairman, welcomed our guests. Mr. W. W. Pinkerton offered thanks before the meal in a humble and grateful prayer of thanksgiving invoking our Father's blessing upon our united community efforts.

Mrs. Glenn Wallace brought an inspiring reading entitled "The Innkeeper."

Mrs. Woodrow Pinkerton and Mrs. L. P. Moore sang three lovely songs about the Christ Child, and also sang "Winter Wonder Land."

Robin Green and Larry Green brought several accordion numbers which were enjoyed by all. Little Miss Linda Pinkerton sang "Little Son of Mary." Then numbers were drawn and the gift exchange was held.

Among our guests were Bob Johnston, the Galloway cattleman from Rosedale, Calif., a guest of the Horace Greens, and

CHILDREN PLAYING—Washable cotton in bold stripes is used for an awning canopy and roller shades with a circus air in this children's room. Fluffy white cotton pom-poms by Conso are used to accent the window canopy.

our new commissioner and wife, Mr. and Mrs. Geo. Bulman (whom we are always happy to have), Mr. and Mrs. Pete Land, Mr. and Mrs. Woodrow Pinkerton and Linda, Mr. and Mrs. Glenn Wallace, Mr. and Mrs. L. P. Moore, Teresa and Terry Moore, and Misses Beth Johnson and Linda Self. We welcome each of you to come again.

A merry Xmas to all and a happy New Year for more good times at our community center from your reporter, Viola Graham.

Our next meeting will be the night of Dec. 23rd. We will play 42. Everyone bring pie for your party for refreshments.

Dec. 17th (Sat.) we will have a bake sale. Everyone be planning to bake pies or cakes for this sale. We will be selling at both Junior's Food Store and Vallance Food Store; and invite everyone to buy our baked goods. —Rep.

If you're an average consumer, during your lifetime you'll eat the equivalent of 33 hogs, 10 lambs, 8 steers and 4 veal calves.

Fear disturbs the senses, and causes things to appear other than what they are. —Cervantes

JR. H. D. CLUB HOLDS CHRISTMAS PARTY

Members of the Junior Home Demonstration Club met Thursday evening at Patching Club House for their annual Christmas dinner and party. The traditional turkey and all of the trimmings were served. Table decorations carried out the Christmas theme using candles in the shape of angels.

Following the meal games of 42 were played and the fun and gaiety of the exchange of gifts piled high beneath the lighted Christmas tree was enjoyed by all.

Present were Mr. and Mrs. Johnnie Rex McClellan, Mr. and Mrs. Bobby Trout, Mr. and Mrs. Gordon Mann, Mr. and Mrs. Grady Henson, Mr. and Mrs. Bert DeBord, Mr. and Mrs. Henry Tatum, Mr. and Mrs. Carroll Lewis, Mr. and Mrs. Roy Crutchfield, Mr. and Mrs. Basil Smith, Mr. and Mrs. Bill Adams, Mrs. Dollie Wilson and Mrs. Nora Decker. —Rep.

It is preoccupation with possession, more than anything else, that prevents men from living freely and nobly. —Bertrand Russell

SR. H. D. CLUB ANNUAL DINNER TO BE HELD

The Senior Home Demonstration Club will hold its annual Christmas dinner and party in the home of Mrs. Bertha Benson Friday, December 16. All members are urged to come. Bring a covered dish and gift. There will be a Christmas program. —Rep.

DISTRICT SEW-IT-WITH-WOOL CONTEST

Miss Wilma Faye Mann, daughter of Mr. and Mrs. C. H. Mann of the Chamberlain Community, won top honors in the Senior Division of the "Sew-It-With-Wool" Contest which was held in the Homemaking Dept. of Texas Tech Saturday, December 10. She modeled a black flannel sheath style jumper with a contrasting white wool jersey blouse. The blouse featured a turtle neck and push-up sleeves. To complete this ensemble Wilma wore a black and white boucle weave tweed cardigan jacket which was lined in black flannel. The jacket could be worn reversible. Wilma chose black suede pumps and matching bag, a soft felt hat and wrist length black gloves to compliment the ensemble. A silver circle pin was her only ornament. Wilma will model this same woolen garment at the State Contest January 14. The H. E. Dept. of Texas Women's University will be hostess for this contest.

Misses Jackie McClellan, Donna Estlack, and Norma Self also modeled at Lubbock and rated high in both workmanship and modeling. Going with the county contestants were Frances Mann and Lynn Bourland who placed in the top 10 county contest. They were accompanied by Mr. and Mrs. E. W. Bourland, Harold Linley, and William Clark. —Rep.

In the cow country where ladies were scarce, the cowboys flocked to dances. Because there usually weren't enough ladies to go around, some of the men were picked to play the part of a female and dance lady fashion. The man so designated wore a handkerchief tied to his arms. This was called a "heifer brand." His reward was being allowed to sit with the ladies between dances.

Cub Scout News

We wish to invite the public to the monthly pack meeting of the Clarendon Cub Scouts tonight, Dec. 15th, at 7:30 p.m. in the First Christian Church here in Clarendon. This will be the boys' Christmas party and exchange tree. All guests are asked to bring a gift for each child that they bring, with the child's name on it. Our program will be as follows: lighting of candles by Den Chiefs, background music chimes; prayer by Rev. Paul Hancock, Ass't. Cubmaster. Paul will talk on the theme of Christmas. He will follow his talk with a Christmas song. Then the Money Tree will be presented to Mrs. Abel, cafeteria manager. Old Awards will be presented to those boys present and several new boys will receive awards of rank. As usual the attendance will be counted and Attendance Tail awarded.

After Santa arrives boys will give their gifts to their parents and the gifts under the tree will be passed out.

After the program the boys will go caroling for 30 minutes. We will return to the outside of the church so parents can pick up boys.

The proper memory for a politician is one that knows what to remember and what to forget. —John Morley

HEDLEY NEWS

Mabel Bridges

Hedley Community was saddened by the death of Mrs. Ela Culwell who passed away Sunday, Dec. 4, in Dallas at the home of her daughter, Mrs. Clyde Adams, where she was visiting. Funeral services were held Wednesday afternoon at 2 o'clock in Hedley Methodist Church with Rev. Amos Meadow of Borger and Rev. Wolf of Hedley in charge of services.

Mrs. Culwell is a pioneer of Hedley having lived here for many years before moving to Childress in 1936. She moved to Olton in 1959. Mr. Culwell passed away April 2, 1960.

Mrs. Culwell was a devout Christian, she was always ready to help her neighbors in sickness. She lived a rich, full life. To know her was to love her. Her good life will bear influence for good even though she has gone to her reward.

Surviving are nine children, six daughters: Mrs. Jewell Adams, Dallas; Mrs. Fay Foster, Olton; Mrs. Blanche Armstrong, Long Beach, Calif.; Mrs. Jessie Mildred Lawrence, Wilcox, Ariz.;

Mrs. Neta Hilton, Mercedes; Mrs. Lometa Hawkins, Bethany, Okla.; three sons: Ray, Olton, Texas; Edgar, Venzuela; Paul, Littleton, Colo.; two sisters: Mrs. Jessie Stareth, Amarillo; Mrs. Noyie Tomberlin, Huntington Beach, Cal.; one brother: Bob Adamson, Laramie, Wyoming; 18 grandchildren and 5 great-grandchildren and a host of friends.

Pallbearers were Tommie Bain, Hobart Moffitt, Ray Moreman, Ned Grimsley, Ansil Adamson, Herman Kirkpatrick.

Visitors in the Roy Jewell home last week end were Paul Dishman, Dallas; Jones Felney, Dallas; John Boshart, Dallas.

Mr. and Mrs. Dick Shelton of Clarendon visited their aunt, Mrs. W. I. Rains, Tuesday afternoon.

Rev. Douglas of Olton attended the funeral of Mrs. Ela Culwell Wednesday. Quite a few friends from Olton were here for the services. Your reporter failed to get their names.

Recent visitors in the Jap Shaw home were their daughters, Mrs. Joan Taylor and children of El Paso and Mrs. Pat Patterson and children of Ropesville.

M. W. Mosley is spending some time in Glenrose, Tex., for his health.

Mesdames Oscar Alexander of

Albuquerque and Winton Benard of Cimmaron, N.M., are visiting their mother, Mrs. J. B. Masterson.

Mrs. Eva Hill Parker is doing fine after major surgery last week.

Mrs. J. B. Masterson is slowly improving. These ladies are in Odum Hospital in Memphis.

Herlie Moreman was carried to a specialist in Amarillo last week. He is home confined to his bed.

Mrs. R. L. Farris is not feeling so well. She is in Goodall's Hospital in Memphis.

L. Petty visited in Amarillo and Dumas last week.

Mr. and Mrs. D. L. Hickey have returned home from an extended visit in El Paso with their children.

Mrs. Chas. Tims has been ill in a Clarendon hospital. Last report she was at the home of her son, Leslie Tims, feeling some better.

There has been 12 inches of snow down our way. Traffic was hazardous, so everyone has been snowed in. News is scarce this week.

There are several good protections against temptation but the surest is cowardice.

—Mark Twain

DPS Releases Annual Christmas Holiday Accident Prediction

The Texas Department of Public Safety predicted today 176 persons will meet violent death in traffic, murder, and suicide, and other fatal accidents during the 10-day period embracing the Christmas-New Year holidays.

Col. Homer Garrison, Jr., department director, said experience in previous holiday periods and other statistical factors indicate 90 persons will be killed in traffic, there will be 46 homicides and suicides, and 40 persons will die in fires and other non-traffic accidents.

He announced that "Operation Deathwatch," a grim tabulation of holiday deaths, will be in effect from 12:01 A.M. Friday, December 23 to 11:59 P.M. Sunday, January 1.

"We hope our prediction is too high, and through the most concerted and coordinated effort in history this year, we will be doing everything in our power to hold down traffic deaths, particularly, during the holidays," Garrison said.

"Our Regional Commanders have been instructed to have every available man on duty and all radar units working during this period in an extra-special effort to maintain the existing reduction in traffic fatalities effected so far in 1960.

"We hope to wind up this year with approximately 170, or about seven per cent, less fatalities if we can hold the trend which has apparently been established.

"Operationally, department personnel will attempt to achieve the most effective enforcement

program possible during the period, and through a coordinated, state wide public information program an all-out effort will be made to keep the public advised of and aware of the special hazards of holiday driving and the need for legal driving at all times. Experience has shown without a doubt that in most fatal traffic accidents, at least one violation of the traffic laws is a causative factor."

Garrison said participants in this program include the Governor's Highway Safety Commission, the Department of Public Safety, the Texas Association of Broadcasters, the Texas Council of Safety Supervisors, the Oil Field Haulers Association, the Associated General Contractors, the outdoor advertising media, the Texas Highway Department, the Texas Safety Association, and the press, radio and television media.

N. K. Woerner, manager of the Statistical Services Section, said all indications are that Saturday, December 24 will be the high "motorcicle" day with Friday, December 23 and Sunday, December 25, he said, is expected to be third.

He reported that the last time Christmas and New Year's day fell on Sundays was in 1955. That year, in the 10-day period, there were 81 fatal accidents resulting in 102 motorcicles.

Last year for a 12-day period Wiener's section estimated 111 motorcicles, 47 suicides and homicides and 42 other accident deaths. Final count, perhaps as a result of the enforcement and information efforts, was 97 motorcicles, 47 suicides and homicides and 42 deaths in other accidents.

In 1959, according to the Tax Foundation, spending for public assistance was \$1 billion, of which 21 per cent was supplied by the states, 26 per cent by local government, and 13 per cent by the federal government. In 1959 the total was \$3.7 billion of which 36 per cent came from the states, 12 per cent from local government and 52 per cent from the federal government.

Words cannot adequately express our deep appreciation for the many kind and sympathetic acts that come to us at the time of our recent bereavement. Miss Elizabeth Stevens and the family of R. R. Stevens

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

WHITE HOUSE CONFERENCE ON AGING

A much heralded and long expected event will occur here in Washington on January 9, 1961, when the White House Conference on Aging convenes in Constitution Hall. With its announced theme of "Aging With A Future", the Conference will cul-

minate many months of hard work and research accomplished by dedicated persons all over the United States. Since the authorization for the Conference by Congress in 1958, much fruitful work has been done by communities, counties and by all of the States and Territories. Each of these States and Territories has conducted their own Conference on aging and named some 2,800 delegates to the January White House Conference. These delegates have made reports and recommendations which will form the basis of the studies undertaken at the Conference.

The inception of the White House Conference on Aging envisioned that it would provide a focal point for bringing together the problems, recommendations and resolves of an informed citizenry representing the grass roots all over the country. At the Governor's Conference on Aging in September, our own State of Texas made some 60 recommendations and named delegates to the White House Conference.

While it is to be hoped that the White House Conference will permit an exchange of ideas and of the aforementioned problems, recommendations and resolves, it

should not be expected that it will, in any manner, culminate in a solution of them. In my opinion these problems, like many others, should be approached at a local level with a solution arrived there if possible. Whatever the outcome of this Conference, one prime fact will be apparent—that our population lives longer than it once did. This is a pleasant truth, but has unquestionably altered our American society and must be dealt with intelligently. In 1900 there were only 3 million Americans over the age of 65. Today there are 16 million, and in 1970 there will be an

estimated 20 million. In Texas, there are an estimated 700,000 people 65 years of age or older, and it is expected this will increase to 1,200,000 by 1975. At the turn of the century, some 4% of the United States population had reached the age of 65 compared with 9% today. With our expanding population and our continuing advances in the field of medicine, these figures will undoubtedly increase.

These facts are inescapable as is our obligation as individuals to recognize them and to continue our age-old practice of making the Golden Years of our senior citizens useful and happy ones. It was pointed out by the keynoter at the Texas Conference in September that "We don't have a problem with the aged. Some of the aged have problems."

CHEMICALS GIVE EFFECTIVE CONTROL OF MESQUITES

College Station — More and more farmers and ranchmen in Texas' "mesquite belt" are resorting to chemicals for control of pasture brush. Diesel oil or mixtures of diesel oil and 2,4,5-T have generally proven effective for controlling mesquite. As a result of this control, many landowners now have excellent pastures where there was only sparse grass before, says G. O. Hoffman, extension range specialist.

An example of the success accorded chemical treatment comes from Gonzales County Agent F. M. Stockton. He reports that grass recovery in areas sprayed has been exceptional this year. One of the local ranchers said of the spraying, "The amount of grass that came where there hadn't been grass for six or eight years is almost too good to believe."

J. C. Mayfield, a Val Verde county rancher, is another strong supporter of spraying. He treated an area of his ranch 15 months ago, and he says that the results already received made the application economical. "Once the leaves fell off the mesquite, the grass underneath jumped a foot," he explained.

Similar reports are coming in from all over the state, Hoffman continues. Some of these areas will need another application to

NIKE ZEUS REHEARSING—for its vital role in National Security. Modern Army's ZEUS, test fired in early February at White Sands Missile Range, New Mexico, is the only anti-intercontinental ballistic missile system presently under development.

kill regrowth, but the advantages realized from treatment will far outweigh the monetary outlay. The cost of spraying is usually less than \$5 per acre, and this is very economical when you consider that you get excellent weed control as well as brush control, the specialist points out.

Hoffman recommends that landowners interested in trying chemical brush control contact their local county agent. He can help with cost estimates and he can also supply valuable information on application methods.

"Remember," Hoffman concludes, "Less mesquite and brush means more grass, and more grass means more money in your pocket."

Essex Junction, Vt., List: "We like to think that there is still room for individual enterprise, not only in this country but in this wide, wide world. We like to think that we get a lot better government right here in Vermont than we get from Washing-

ton. And we like to think that perhaps some enlightened self-interest in our foreign affairs would get us a lot more friends in this world than our gigantic give-away has gotten for us in the post-war years."

Brake your speed so you won't break a heart.

The hand that lifts the cup that cheers, Is NOT the hand that should shift gears!

ALL OFFICES

In The Donley County Court House

WILL BE

CLOSED

FRIDAY NOON — DEC. 23rd

UNTIL TUESDAY MORNING, DEC. 27th

Law Enforcement Officials Will Be
On Duty As Usual.

FARM NEWS

from the County ASC Committee

196 Wheat

The ASC office was unable to start measuring wheat December 6th because of weather conditions. Mr. Shy Johnson, Performance Supervisor, and C. R. Long, reporter, will measure all of the wheat in the county. Producers without wheat allotments who have planted 15.0 acres of wheat should advise this office so that it may be measured. Your cooperation and assistance is always appreciated.

Notice — Change In Address Or Operators

If you have changed farms or your address for 1961, please notify this office.

Facts For Farmers

Releasing of Cotton Allotments; Farmers wishing to release cotton allotments they do not intend

to plant in 1961 should release it as soon as possible after 1961 allotment notice is received.

Additional Cotton Acreage: Application for additional acreage of cotton in 1961 which has been released by others may be made after the 1961 cotton allotment is received.

Cotton Pre-measurement Service
During the 1960 cotton allotment program year there were 149 overplanted cotton farms.

This is an expensive way of being sure you plant full allotment. It is also expensive to underplant your allotment by several acres as Donley County farmers did last year. Quite often several acres of allotment crops would have brought several hundred dollars more income if planted. For this reason, the ASC County Committee offers to pre-measure you cotton land before you plant, thus enabling you to know exactly how much seed and fertilizer to buy and at the same time be sure you have planted your full allotment. If you are interested in this service, please file your application soon after you receive your 1961 allotment to assure quicker service.

You will be advised of the charge for this service at a later date.

Mrs. A. G. Lane will have all her children home this coming Sunday for a holiday get-together. Planning to be here are Mr. and Mrs. Maurice Lane and family of Amarillo, Mr. and Mrs. A. G. Lane and son of Gruver, Mr. and Mrs. Dalton Ford and family of Battle Mountain, Nev., Mr. and Mrs. Roy Gammons of Ft. Worth.

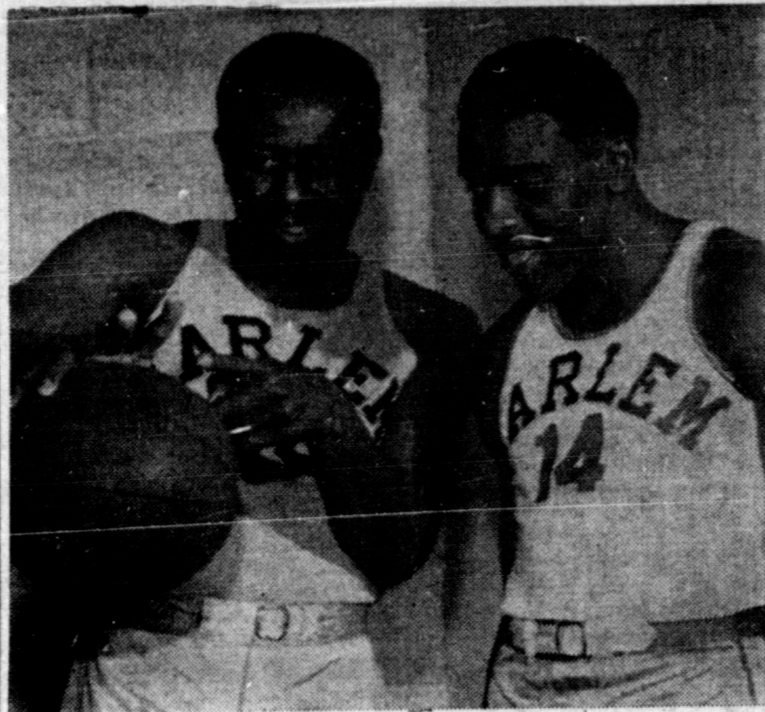

SCHOOL CAFETERIA MENU

Week of Dec. 19-21

Monday: Vegetable beef soup, peanut butter sandwich, cinnamon rolls, crackers, butter, milk.

Tuesday: Hamburger, lettuce, tomatoes, pickle relish and onions, blue plums, potato chips, butter, milk.

Wednesday: Turkey and dressing with giblet gravy, candied sweet potatoes, green beans, cranberry sauce, fruit jello, hot rolls, butter, milk.

Professional's basketball only father-son team, Reece (Goose) Tatum, Sr., and Reece Jr., will be seen in action Saturday night, Dec. 17, at Buffalo Fieldhouse in Canyon when the Harlem Stars play the New York Renaissance. Satchel Paige of baseball fame, will be one of the referees and half-time entertainment will feature top variety acts. Admission will be \$1.50 for adults, \$1 for students and 50 cents for children. West Texas State's Buffalo Club is sponsoring the attraction that starts at 8 p.m.

High School Teams Lose To Hedley

Both the boys' and girls' high school teams were at a disadvantage Tuesday night when they played Hedley on the small Hedley court and dropped both games. The boys were defeated 60-25 and the girls were defeated 60-44.

In the boys' game, Roland was high point man for Hedley with 34 points and Howard Tolley was high for Clarendon with 6 points. In the girls game, Susan Cox was high for Hedley with 42 points and Paula Adams was high for Clarendon with 25 points.

The game with White Deer scheduled for last Friday night was canceled due to the weather. Both teams will enter the Silverton tournament this week end with the boys playing Hereford B in their first game Thursday night and the girls meet Friona B Friday noon.

Hedley will be played here in the local gym next Tuesday night.

McPHERSON ACCEPTS JOB AS DEPUTY AT AMARILLO

Vergil McPherson of Hedley and former Deputy Sheriff under Bill Cornell, has accepted a position as Deputy Sheriff under Sheriff-elect Jim Line at Amarillo. He will assume his new duties January 1st.

McPherson has leased his service station at Hedley and plans to lease his motel there also.

HOSPITAL NOTES

Patients as of Wed., December 14th: C. C. Powell, Mrs. Pauline Sutton and baby boy, Mrs. Bill Porter and son, William Wade Porter, Mrs. J. F. Roberts, Fannie Reynolds, Mrs. W. W. Raney, Shelby Bell Sr., Mrs. W. L. Dabney, Julia Heuer, L. E. Thompson and Mary Johnston.
Dismissals: Margaret K. Dishman, Miss Mary Howren, Cecil Rich and Miss Judy Thompson.

Conference Basketball For Junior Colleges Getting Started

Defending champion Howard County, Odessa, Clarendon and Amarillo look like the teams to watch as members of the newly organized Western Junior College Athletic Conference swing into full action this week. Many teams have already started play.

Lions Enjoy Christmas Party Tues. Night

Members of the Clarendon Lions Club, their wives and guests enjoyed the annual Christmas party and dinner Tuesday night at the Lions Hall.

A very interesting and entertaining program was enjoyed by the group. The "Christ Embassadors" a quartet from Pampa sang several numbers. The quartet was composed of Jerry Barrett, Leroy Watson, Tommy Foster, Larry Taylor and their accompanist, Miss Carol McBroom. All are students of Pampa High School and three of the group are student ministers. This same group will be singing Christmas songs, etc., at Barrett's Portrait Studio here December 23rd.

L. L. Wallace showed colored picture slides of the trip to Lions International in Chicago this summer by Boss Lion and Mrs. Flip Breedlove and Mr. and Mrs. Wallace. The pictures were very colorful and interesting.

NEW RESIDENTS

Mr. and Mrs. Lawrence Price have moved to Clarendon from Estelline and are making their home in the Boston home next door to the J. D. Swift home. Mr. Price has purchased the old Raney place from his brother-in-law, Mutt Graham, and plans to build a new home within the near future. Mr. Price has oil interests at Kellerville but chose Clarendon for their permanent home. We wish to welcome these new residents to our little city and know they will enjoy making their home here.

Junior College Athletic Conference, plus one new member, New Mexico Military Institute. Other teams are Amarillo College, Frank Phillips of Borger, Clarendon Junior College, South Plains of Levelland, Lubbock Christian College, Howard County of Big Spring and Odessa.

Howard County lost most of its starters last year but returns seven lettermen plus some fine freshmen. Ronald Weaks, who came on strong late last season, may be one of the best boys ever to play for the Big Spring school and coach Buddy Travis has several tall freshmen including 6-8 Nelson Gilbreath from Sulphur Springs, 6-5, Elvis Spradling from Girard, Texas and 6-4 Clark Jennings from Tulia. Weaks is 6-4.

Amarillo has three returning starters and a letterman returning but doesn't have much height. Herbe Johnson, 6-2, center is expected to be one of the better boys in the conference and forwards Bill Bolk, 6-1, and Dick Vandenboom, 6-4 should be solid performers for the Badgers of Coach Bob Carter. The returning letterman is guard Richard Barker, 5-10, who will be a starter.

Like Amarillo, Odessa doesn't have much height but the Wranglers have some experienced players in Mike Shaddock.

6-2, Dave Kaminski, 6-2, Kenneth Morse, 6-1, Billy Lang, 6-1, and James Birdsong, a transfer from Texas Western.

Clarendon has plenty of experience returning with boys like John Alexander, 5-11, Dee Blevins, 6-5, Oscar Bronnman, 6-0, Jimmy Humphreys, 6-1 and Bobby Lesley, 6-1, still around.

Frank Phillips, second in the conference last year, has four returning lettermen but must rebuild with the services of Warren Tipton, leading scorer in the West Zone conference last year.

Lubbock Christian has several returning lettermen headed by Larry Rogers and Norman Preston and could be the darkhorse of the new conference.

South Plains has only two returning lettermen and only four players return to New Mexico Military Institute.

All the conference teams except Amarillo will be playing in the Odessa Tournament Thursday, Friday, and Saturday.

Only lack of imagination permits the pride of certain fools. True intelligence very readily conceives of an intelligence superior to its own; and that is why truly intelligent men are modest.

PLOWIN' Out the CORNERS

By Uncle Zeb

Two little fellows coming home from Sunday School were discussing the lesson.

"Say, do you believe all that stuff they told us about the devil?"

"No, don't let them kid you. That's the same old gag as Santa Claus—it's your old man."

We may fool our fellowman part of the time. We may fool ourselves into thinking that we do a good job of covering up our faults. But, likely as not we won't fool the small fry any. They usually accept us for our real value.

Someone has said that if a fellow is liked by the children in the neighborhood, and his dog comes running out to meet him we can mark it down that he is a pretty good fellow.

Love is said to be a universal language. Children and animals are more sensitive to its real sincere feeling than are most of us who are older.

The greatest blessing in life, especially as we grow older, is to be loved by the small fry and the young people. To have a little one look at us with loving trusting eyes is a thrill that can not be equalled. This experience gives a real purpose to life.

It does have its sobering effect. Makes us realize how careful we must be as to the things we do and say before those who are walking in our footsteps. Some little shaver is going to imitate the things we do, whether it be right or wrong.

McLean, Texas

It was a filling experience to visit with the McLean Lions Club. This was true both physically and mentally. The delicious meal was served by the ladies of the First Methodist Church, and featured one of our favorite foods baked ham. This took care of the physical part.

Mentally and even spiritually

We were thrilled as District Governor Ralph Thomas reviewed the past accomplishments of this hard working club. In addition to helping with most every worthwhile local project this group has sponsored some four new clubs in the area over the years.

In the printed program we noticed this bit of advice: Be Lazy And Love It.

"Be too lazy to frown, fidget, or worry.

Be too lazy to carry needless weight of grudges, prejudice and envy.

Be lazy and listen more than you talk, and see how much better you feel.

Be too lazy to quarrel over little things — let the other fellow think he's right when it really doesn't matter.

Be lazy and conserve your mental muscles for the things that count—never wrestle with the inevitable or insignificant."

We came home better off financially due to the fact that we were guests of County Agent Foster Whaley who paid our part of the damages to the meal. All in all it was a wonderful experience. We met everybody from old schoolmates, several friends we had lost track of, and must have met some 69 out of the 70 wide-awake members of the club.

Also from the printed program: "Next time you are tempted to start a heated argument remember; Anger is one letter short of Danger."

Sometimes we men need an ego-builder and other times we deserve a pride-buster to hit us. Not long ago we heard the following story that illustrates one side of the matter.

This fellow was sitting before the mirror admiring what he saw, and putting the finishing touches to the almost bald spot on the top of his head when the following conversation is said to have taken place.

"Honey," he said, "Do you have any idea just how many really important men there are in this old world?"

"No Dear," she answered, "But one thing is certain there is one less than you think."

This would be a real pride-buster and we admit that the poor man needed this preferred treatment. But, on the average, we believe that most of us, both men and women, need to be encouraged, even bragged on a bit now and then. Most folks like compliments even when the evidence may be weak. Few people appreciate criticism, and fewer still try to do better after receiving it. Likely as not they will spend the next hour trying to prove that the one giving out is not even up to their level.

A pat on the back is usually the best kind of encouragement. To have someone see a bit of good in what you are doing is almost sure to make anyone try to do better.

There is nothing which will take the fight out of man or

beast as quickly as being given a kick when we are already down. By the same token nothing will help us to arise like the outstretched hand of an understanding friend.

LIBRARY NOTES

EDITH BARNES

Oliver La Farge's book "Santa Fe" and a memorial fund have been given to the library in memory of Mr. Maurice Allensworth.

"The Day Christ Was Born" by Jim Bishop has been given in memory of Mrs. Lena Antrobus.

The life Eugene Manlove Rhodes, western writer, has been given as a memorial to Mr. Bill Word.

Mrs. Marguerite Goodner has sent her generous Christmas check for boys books to be bought for "The Tom Goodner Memorial Shelf."

Girls as well as boys are going to college in increasing numbers to prepare themselves for better income-producing jobs. "But very few of them are being adequately prepared for marriage, the most important career of all!"

Everyone interested in a better next generation should be working with every means at our disposal to correct this deficiency as quickly as possible.

"The Family Shelf" in the library has books for: teen-agers, about to be married, parents, their children from birth to teenage and married couples with

marriage problems. Of course most know that the better prepared a couple is, the fewer problems the rest of their lives.

In his best selling "The Waste Makers", Vance Packard quoted often from "Consumer Reports" the magazine. Not only is "The Waste Makers" in the library but "Consumer Reports" also.

Dr. Nicholas Dallis, a forty eight year old psychiatrist, gave up a \$50,000 a year medical practice for a less harried life in Arizona. His name will ring no bells for most but "Rex Morgan, M.D." and "Judge Parker" will for the comic page reader. They are both his brain children. Before you dismiss the comics as kid stuff remember that, "Pogo" and "Lil Abner" are satires and as such hold up some of our quirks and institutions to ridicule.

For those who saw "Born A Giant" on television, and would like to read more about Andrew and Rachel Jackson, there are

several books as well as two stories about them in "American Heritage" in the library.

Washington, Iowa, Journal: "American Farm Bureau Federation's secretary, Roger Fleming says, 'The trouble with all this credit, and the putting off of the day of payment is that we may get to be like the drunk who didn't like hang-overs, so he solved his problem by staying drunk all the time.'"

DO YOU KNOW

... American agriculture buys more petroleum products than any other single industry? Today there are more than 12 million trucks, cars and tractors on American farms and ranches... These farmers, ranchers and dairymen buy the equivalent of 15 billion gallons of crude petroleum each year—more than any other single industry—to keep this machinery running... Agriculture maintains its potent and vigorous role in the economy of our nation.

PROPER RANGE USE
Proper use — a name as old, nearly, as conservation. Proper use means grazing rangeland at a rate that will maintain enough cover for soil protection and also improve the range.

Its purpose is to maintain good grass growth. It also maintains high forage and litter yield so necessary for soil and water conservation.

Every cooperator with the Donley County Soil Conservation District has heard of the term and purpose of proper use at one time or another. With the high rainfall which fell during the last few years grass is looking good. But if the rainfall did happen to fall below normal and stock-

ing rates remained the same as now then the grass could be hurt. Every rancher or stock farmer that derives income from native grass realizes its value. And to maintain this grass it will have to be properly stocked to remain permanently productive.

Here are just some of the Donley County SCD cooperators that practice proper use as a regular part of their conservation plans — T. C. DeSpain, Joe McMurtry, Bitter Creek Ranch, Mrs. Griffin, T. L. Roath & Son. These and many more realize the value of proper use and practice it.

If interested more in proper use contact any member of the Donley County SCD board or any technician with the Soil Con-

sevation Service. Any of the above will be glad to give what information they have available concerning it.

CHAMBERLAIN NEWS

Mrs. A. O. Hott

There's not much new going around due to the weather. We can't say it's good because quite a few of the farmers have a lot of their year's earnings still in the fields, for which they have worked hard and earned little.

Price Webb called on his mother, Mrs. R. M. Webb, Sunday afternoon. Also Sandra Webb and her friend, Ellis Butler, of Lelia Lake visited her grandmother Sunday afternoon.

Hulda Cannon of Amarillo visited grandparents over the week end.

Mrs. Willard Edgett of Clarendon visited Mrs. Troy Broome Sunday.

Mr. and Mrs. Dub Smith visited Mr. and Mrs. Clyde Cilbreth Monday night.

Mr. and Mrs. Carl Barker visited Mr. and Mrs. A. O. Hott Thursday night.

Mr. and Mrs. D. G. Ballew visited Mr. and Mrs. Richard Dingler Saturday night.

Mrs. Ira Self, Mrs. D. G. Ballew and Mrs. C. L. Mann visited Mrs. Frank Hardin Thursday afternoon.

ASHTOLA NEWS

Mrs. Doyce Graham

Mr. and Mrs. Bert Ayers ate Snooks Andis of Amarillo called on Mr. and Mrs. A. O. Hott Thursday morning.

Mr. and Mrs. E. S. Ballew visited Mr. and Mrs. D. G. Ballew Sunday evening.

Mr. and Mrs. Warren Hardin and daughter visited Mr. and Mrs. Frank Hardin Sunday afternoon.

Mr. and Mrs. Richard Dingler visited Mr. and Mrs. D. G. Ballew Wednesday night.

Mrs. Vance Gray of Ashtola visited Mr. and Mrs. W. H. Gray last week.

Gurvis Kennard of Lesley spent Sunday in the Henry Mann home.

Wilma Mann, daughter of Mr. and Mrs. C. L. Mann and Frances Mann, daughter of Mr. and Mrs. Henry Mann, went to Lubbock Friday for the district "Sew It With Wool" Contest. Wilma won there. The young ladies returned home. Frances returned home Saturday night and Wilma Sunday.

Sunday dinner with Mr. and Mrs. Lee Roy Satterwhite. Bob Johnston of Rosedale, Calif., who brought the Galloway cattle to the sale was a house guest of Mr. and Mrs. Horace Green and children for several days.

Mrs. J. F. White of Phillips spent Monday with her parents, Mr. and Mrs. Lloyd Reid. They all visited Mr. and Mrs. H. M. Reid in Clarendon. Mrs. H. M. Reid has been ill, but is better.

Mr. and Mrs. J. T. Moreland and children of Amarillo spent the week end with Mr. and Mrs. M. L. Rattan.

Mr. and Mrs. S. H. Mahaffey ate Sunday dinner with Mr. and Mrs. L. R. Satterwhite.

Earl Butler of Borger visited Thursday with Mr. and Mrs. W. A. Poovey.

Mr. and Mrs. Leon Rhoades of Amarillo had Sunday dinner with Mr. and Mrs. John White.

Billy Lewis received painful injuries when he was kicked in the mouth by a horse. He is recovering satisfactorily. He is employed by JA Cattle Company.

Mrs. Ernest Lewis is still hospitalized in Groom Hospital from her fall from a horse several weeks ago.

I have appreciated all of you

helping me with my news items this year and ask your help again for the coming year. Since I am employed in town, would you please call me any night or Sunday afternoons and give me the names of your company or about your visits to people out of town? My phone number is 2134 and I

will appreciate it so much if you will call me. I sincerely wish for each of you a happy Christmas and a good year for 1961. I hope St. Nicholas brings you just what you want. Merry Xmas!!

CLARENDON

STATE CAPITAL
Highlights
AND Sidelights
by Vern Sanford
 TEXAS PRESS ASSOCIATION

AUSTIN — By the time Austin sweeps up the last of the holiday tinsel, it will be time to prepare for another round of festivities. Committees already are meeting to plan details of the inaugural events that will attract thousands of visitors to the Texas capital, come January 17.

Gov. Price Daniel will take the oath of office for his third term; Lt. Gov. Ben Ramsey, for his

sixth term. If weather permits an inaugural parade these two officials will ride at the head of it up Congress Avenue, to the Capitol grounds where the swearing-in ceremony will be held.

A reception and a half-dozen balls will fill out the day. For his past two inaugurations, Governor Daniel has held a prayer breakfast beforehand for state officials.

NO SPECIAL SESSION — Hagging and suspense over who will be Speaker of the House for the 57th Legislature will continue until January 10.

That is the first day of the regular session when House members, by secret ballot, will

elect the speaker from their membership.

Rep. James Cotten of Weatherford asked Governor Daniel to call lawmakers together this month. New members could be sworn in and a speaker elected in a one-day session, he said. This would give the speaker time to organize committees and be ready to go to work in January.

But Governor Daniel said that any legislature meeting this year would be the 56th Legislature, which could not elect a speaker for the 57th Legislature.

Reps. Wade Spilman of McAllen and James Turman of Gober are candidates for speaker. Both, reportedly, are "ahead".

Spilman, in a recent letter to House members, announced addition of two more pledges to him. He said, "A majority of the members have committed their vote to me for Speaker." Jim Turman says the same thing. So, the big question still is: How will the members vote?

SAFETY DRIVE LAUNCHED — This year's campaign for careful driving during the holidays was launched on "Safety Sunday," December 11.

Many organizations, including the Texas Press Association, will help in the annual drive to cut the Christmas - through - New Year's accident toll.

"Safety Sunday," said the governor in his proclamation of the special day, it "to awaken the conscience of every driver to the understanding that negligence at the wheel is a transgression of God's own command, 'Thou shalt not kill.'"

In past years, the governor noted, the all-out campaigns have resulted in the death toll's falling below Department of Public Safety predictions.

Last year the DPS predicted 111 deaths. When the holiday season ended only 91 had died, for a total of 20 lives saved.

PROGRAM FOR AGED — Enactment of medical care for the aged and an increase in state pensions are among recommendations of a joint legislative committee to study problems of the aging.

Committee announced it would work for a constitutional amendment to raise by \$10,000,000 a year the ceiling on old age assistance. It also urged that the next Legislature pass laws to put into effect a program to provide state help for the medical expenses of needy oldsters.

Transfer of senile, but not mentally ill, patients from the mental hospitals to nursing home care was recommended.

Sen. Crawford Martin of Hillsboro, is chairman of the committee, and Rep. Howard Green of Fort Worth, is vice-chairman.

VET BOND SALE CANCELED — Veterans Land Board has set aside plans to hold a bond sale this month because of criticism from Land Commissioner - Elect Jerry Sadler.

Board announced its decision "with regret," declaring that the veterans waiting to buy land would be the losers.

No bonds have been sold since June, 1958, because the state

ceiling on interest was too low to attract buyers. Board said it felt the people were expressing their desire to get the program in full operation again when they approved a constitutional amendment in November to raise the interest ceiling.

Sadler had protested the sale. He said he felt the bonds could be sold at a more favorable rate next year after a change in the national administration.

LAM SITE RECOMMENDED — Millican, in Brazos County, has been recommended to the State Board of Water Engineers as the site for a proposed reservoir on the Lower Navasota River.

An engineering firm made the recommendation after a study contracted by the Brazos River Authority, the towns of Bryan, College Station and Navasota and several industrial firms.

Statistics for the proposed water project are staggering. It would yield in the neighborhood of 200,000,000 gallons of water a day, cost an estimated \$44,000,000. It would not be completed until about 1970 and paid for in 2020.

PARR LOSES OUT — Texas Supreme Court refused to review a lower court ruling that blocked George Parr's fight to become Duval County's Democratic Party chairman.

Parr won a district court order for a re-count, but the San Antonio Court of Civil Appeals overturned the decision. Supreme Court refused to step in, noting that the Election Code said it had no jurisdiction to review election contests.

It was another setback for the Duke of Duval, once credited with the power to decide how any political race in the county would go.

SHORT SHORTS — State's general revenue fund is going deeper into the hole, sinking to a deficit of \$76,724,78 on the state treasurer's last report. Deficit increased \$10,000,000 in three weeks. On the plus side, the state has received a check for \$636,547.92 as its share of income from the sale of 119,400,000 board feet of lumber and other uses of the Texas national forests. Money will be divided among the 11 East Texas counties in which the forests are located.

The fundamental cause of trouble in the world today is that the stupid are cocksure while the intelligent are full of doubt.

—Bertrand Russell

STORM WARNINGS GO UP

There seems to be a point beyond which people simply will not be taxed, and when a tax reaches that point it becomes self-defeating."

That statement comes from an article in a magazine published by the Sun Oil Company. It is substantiated by all manner of historical examples. In 18th-century France a tax was placed on fireplaces — so people stopped building fireplaces. In 17th-century Holland a house tax was based on the number and sizes of windows — so windowless houses became the vogue. England's Parliament once imposed a tax on horses — so farmers took to riding cows.

The present outstanding example would seem to be the gasoline tax, which now totals about 50 per cent if the retail value of the fuel — a percentage which isn't borne by even such luxuries as mink coats and diamonds, much less any other absolute necessity. As the article puts the case, "While it is too early to reach any categorical conclusions, we wonder if the storm warnings aren't going up, whether motorists haven't become fed up paying \$3 for \$2 worth of gasoline and whether we aren't now facing the first signs of a con-

sumer revolt which could mean that any further increases in gasoline taxes actually will bring event less revenues."

The signs are certainly there. According to the New York Times, if the trend to smaller cars continues at the present rate, gasoline tax revenues by 1964 will be \$548 million below what they could ordinarily be expected to total. Here's a case of tax extremism in which everyone is the loser.

Senator Byrd recently pointed out that gasoline taxes now total almost 50 per cent of the retail price of the fuel. He added "Highway users are paying these tremendous sums to build a network of modern, high-speed state and Federal highways. I am not altogether convinced that they are getting their money's worth. I am, in fact, gravely suspicious that some of their money is being wasted in gingerbread design and extravagances and, what is worse, some of it disappearing in loose administrative practices, irregularities and profiteering. And the costs, far from going down or even remaining the same, keep going up and up."

GEORGE'S WIFE
By "Sarah"

Looks like from here that our new President-elect will be all but plowed under, with all the help and suggestions he is getting, before he even officially takes office.

He only had half the country for him in the first place, he is heading toward making another fourth mad at him, by discontinuing their jobs and using the money for foreign aid or under-developed countries somewhere. He can fix them with his unemployment aid though I guess.

Mr. Goodwin Bray and son, David, of Dallas spent the week end with his mother, Mrs. W. E. Bray.

Mr. and Mrs. Harold McDonald and Debbie spent Sunday with Mr. and Mrs. W. H. McDonald.

Mr. and Mrs. R. D. Finley visited Sunday evening with Mr. and Mrs. Pete Darnell of Clarendon.

Mr and Mrs. Loyd Littlefield and boys had supper Monday with Mrs. V. Littlefield and Bill.

Mr. and Mrs. Jack Pritchard played 42 with Mrs. V. Littlefield and Bill Sunday night.

Bill Littlefield and Mr. Jack Pritchard was in Pampa Wednesday on business.

If he hires only one head for all the armed services, he sure ought to take turns with each branch of service, and have one of their men one year each, because we can't imagine peaceful coexistence between all these branches of service.

If he goes before Congress with his suggestion to change the set-up of many federal regulatory agencies as well as other independent Commissions and agencies, which they created over the years in the first place, he may have rough sledding getting it done. Congress takes the position that agencies while designed as independent, are primarily the creatures of the National Legislative body and if they have any answering to do to anyone, it is to the Congress and not the President.

Also he has become quite coil to copying up to farmers, because farmer showed little enthusiasm for his brand of farm laws. He is getting help in at least shifting the farm problem. The Corn Belt Economists who came up with the conservation reserve plan to take the rest of the country out of agriculture are now advancing subsequent steps by having the government buy your legal right to raise crops with their "regional farm adjustment." The corn belt is in it hardly at all, of the 28 million acres now in soil bank, 28 Great Plains States mostly, with 1/4 of it in Texas. All they really want is greater participation somewhere else.

his same type shenanigan goes on when there is votes, legislation, or when we plan our allotment of cotton. All we release in our States, goes to Arizona and California. So let's fool them and hold all our allotment this time.

Great Falls, Mont., Leader. "An official of one of the two companies in the United States — and the world — which manufactures voting machines says that Josef Stalin considered buying some of the machines at one time. But the deal fell through — probably because the old Russian strongman liked to do his own lever pulling."
