Large Number Attend Homecoming Activities Here Saturday

Over four hundred ex-students and ex-teachers converged here Saturday to take part in Clarendon High School homecoming activities and register at the College Gym throughout the day.

While registering, exes were served coffee and donuts by the Student Council. Tours were made of the high school wing of the new school building and displays that were set up in the gym were viewed. Some individual classes met between 12 and 3 p.m.

Honored classes for the event were the classes of 1917 and 1927. Members of the 1917 class present were Mildred Martin of El Reno, Okla., Bill Clifford, Mr. and Mrs. B. L. Jenkins and Mable Richards McCausland of Amarillo, George Benson, Mrs. Dick Chunn, Harold Bugbee and Forest Sawyer, all of Clarendon. Part of those from a distance were entertained in the George Benson home at the noon hour Saturday. They were Mr. and Mrs. Bill Clifford, Mrs. McCausland and Mildred Martin.

Those present from the class of 1927 were Oleta Swinburn Goodman of Belen, N. M., Bessie Lee Clayton Norman of Amarillo, Phil Couch of Ft. Worth, Mable Mongole and Houston Bell of Clarendon.

At 3 p.m., the group assembled in the College Auditorium where R. E. Drennan led the group in singing old songs that were quite familiar to the majority present. T. J. Cope of Parnell took the honors of being the oldest graduate present, having graduated with the 1899 class. Mrs. M. C. Goodner was the ex-teacher present that had taught the longest and Mrs. David Spivey carried off honors of traveling the greatest distance, from Naples, Italy.

In the election of officers, Mrs. Jeannie McAnear Matthews of Amarillo was re-elected president; Genella Mooring Eads, vice

president; Doris Louise Smith Hays, secretary; Hubert Kidd, treasurer. It was voted to have homecoming in September again next year.

The exes enjoyed being together at a banquet held at 6 p.m. in the gym. They were entertained by the Pinkerton Trio and Mayor H. T. Burton welcomed the honored classes, ex-teachers etc. The honored classes were seated at the head table. The gym was beautifully decorated for the occasion and the food was served by Henry Daniels Catering Service of Amarillo.

The next portion of the program included the Broncho-Wellington Skyrocket ball game at 7:30. The Brones were faced by a group that was determined to spoil homecoming, but put on a real show in its last seconds of the game by scoring on a sensational pass from Robinson to Hermesmeier to go ahead 14-6 after being deadlocked at 6-6 for a good portion of the game.

At half-time, Miss Sue Yankee, daughter of L. E. Yankee, was crowned football queen in an impressive ceremony. Her attendants were Sharon Williams and Jamie Ross.

Following the football game, a dance was enjoyed in the college gym from 9:30 to 1:30. Music was furnished by Charlie Grimes orchestra of Amarillo.

The President, Mrs. Matthews, and others helping with the homecoming expressed their appreciation to the Methodist Church for making their nursery available, to Mrs. C. E. Underdown and her assistants in taking care of the nursery, to Marjorie Harlan for the flowers, Barrett's Portrait Salon for displays and taking pictures which will be available to exes at Barrett's studio, and all others who assisted in any way in making this the biggest and best high school homecoming yet.

CLARENDON HIGH SCHOOL BAND performs for the Homecoming crowd.

Burciago Receives 4-Year Sentence On Burglary Charge

Anno Burciago of Riverside, Calif. was given a four year sentence Tuesday by District Judge Luther Gribble.

Burciago was charged with the \$5,000.00 burglary of Butler Jewelry here on July 29th and another burglary of the Cook Grocery at Leila Lake. This was the second four year sentence he had received in this area. He was given the other sentence at Panhandle Sept. 11 on a charge of burglarizing a Groom Hardware store.

Burciago was indicted by the District Grand Jury here Monday and pleading guilty, waived the three day waiting period before the trial. The Grand Jury also indicted J. James on a forgery charge.

SCD TOUR SET FOR TODAY

County Agent Flip Breedlove is reminding everyone of the Soil Conservation District tour to be held this Thursday the fifth of October. The tour will meet at the SCD office at 1 p.m. and leave for the T. C. D'Spain place south of Alamed. They will also visit the Joe McMurtry place in the Spade Flat. Dams and waterways and other soil conservation practices will be viewed by the group.

JR. HIGH COLTS TO PLAY CANADIAN HERE TONIGHT

The Clarendon Jr. High Colts will play their third game of the season and their last scheduled game at the local stadium tonight at 6:30. Admission will be 50c for adults and 25c for students.

The Colts are being coached by Fred Hedgecock and Jack Hall, who report the boys showing lots of improvement but still in need of experience. To date they have lost games to White Deer 32-0 and McLean 20-0.

Members of the Colt squad are Rickey Adams, Tim Anderson, Robert Bell, Lonnie Blair, Tim Caldwell, Pete Campbell, Don Elliott, Dave Guill, Phil Hart, Glenn Hawley, Larry Helms, Henry Hermesmeier, Martin Hendrix, Mike Horton, Dewane Lamberson, Don Johnson, Jesse McCrary, Irvin Mears, Mike Mears, Louis Montana, David Mooring, Ray Pinkerton, Jimmy Riley, Mike Spier, John Sommers, John Spivey, David Stone, San Thompson, Richard Thornberry, Berry Tyler, Bobby Vinson, and Johnny Wozencraft. Managers are Pat Heath and David Hardin.

CLARENDON JR. COLLEGE NIGHT SCHOOL ANNOUNCES TYPING CLASS DEADLINE

The Clarendon Jr. College Night School Adult Education program is offering a class in typing this semester. Thursday night, October 5 is the deadline for enrollment in that class.

W. W. Pinkerton, head of the Business Department of the College, says there is room for 4 or 5 more students and urges all those who have wished to learn typing to meet the class tonight at 7:00.

BAND PARENTS MEETING SLATED FOR MONDAY OCT. 9

There will be a meeting of Band Parents organization Monday evening, October 9, in the Band Hall. All parents of High School band students are urged to attend. Meeting time has been set for 7:30 p.m.

RICHESON ATTENDING TRINITY UNIVERSITY

John Richerson, son of Mr. and Mrs. H. S. Richerson, is attending Trinity University at Hartford, Conn. He is majoring in Chemistry and is attending the university under a DuPont scholarship.

Fire Prevention Week October 8-14

Fire Marshall Geo. L. Green is asking everyone in the City of Clarendon to get behind Fire Prevention Week and take inventory of your own fire hazards and then get rid of them.

Fire Insurance premiums are based on the fire losses paid by the Insurance companies. Losses paid so far this year amount to \$17,153.57, Green stated.

He pointed out that those desiring to burn vacant lots, grass or trash should contact the local fire department or Fire Chief Carl Bennett and the fire truck will come out and stand by while the burning is taking place, thus avoiding a possibility of setting off a costly fire. All home owners are urged to write the fire department number on something near your phone so it will be handy and be sure you give your name and location in case you report a fire.

Residents should inspect all their gas connections, electrical wiring etc. for your own safety as well as the prevention of property loss. We will appreciate the cooperation of everyone from the little tot to mothers and dads in helping prevent costly fires and making this Fire Prevention Week more impressive to others, Green concluded.

ART COURSES TO BEGIN TUESDAY NIGHT

Dean Abel announces the beginning of two art classes next Tuesday night, October 10. Miss Ruth Richardson, County Superintendent of Donley County, who has taught art courses in Structural Art, Creative Hobbies, and Oil Paintings the last two years, will direct and instruct these courses.

Next Tuesday night is the last night for enrollment in the Creative Hobbies Courses which is numbered in the College Catalogue as Art 213. All persons, young and old, interested in this course report at 7:00 in Room 301 of the College Building. At the same time and in the same room, those interested in Oil Painting will make their initial enrollment.

Dean Abel suggests that any person teaching in Elementary Grades and responsible for classroom material and bulletin board, or Sunday School teachers in the Primary Departments, and Vacation Bible School Staff members may benefit immeasurably from the Creative Hobbies Course, Art 213.

DONLEY RECEIVES CANCER SOCIETY AWARDS

In the absence of Mrs. W. J. Lewis Jr., Donley County Chairman of The American Cancer Society, Mrs. Claude Moore and Mrs. W. J. Adams attended the District Annual meeting in Panama Tuesday.

Two awards were given to Donley County. The first award, with deep and abiding appreciation acknowledges and commends Donley County in exceeding their assigned quota during 1961. The second award, for exceeding quota for eleven consecutive years. The only county in the district to receive this honor.

A most interesting talk on Research was given by Dr. William W. Sullivan of Galveston, Texas, recipient of Inez Carter Fellowship.

LOCALS ATTENDING WORLD SERIES

Mr. and Mrs. C. A. Pitts and son, Don, left Saturday to attend the first two games of the World Series in Yankee Stadium. While they are away they plan a tour of the eastern states, New England, and parts of Canada.

LEADER CLASSIFIED ADS GET RESULTS

JAMES MOFFETT

JAMES MOFFETT ELECTED DISTRICT F.F.A. PRESIDENT

James Moffett, one of the outstanding members of Clarendon F.F.A. was elected president of the Greenbelt district in a meeting at Hedley this past week.

Moffett has been outstanding in Vo. Ag for the past three years. His Poland China Barrow won at the Tri-State Fair in Amarillo in 1960. He won a showmanship award at the Southwestern Exposition and Fat Stock Show in Fort Worth in 1961.

His freshman year, James had five barrows for a project. In the sophomore year he had eight barrows and one sow. This year, he has eleven barrows, three sows, two barbs, three commercial steers and plans to add more to this project.

Besides being outstanding in his project records, Moffett has a good record in leadership activities. During his freshman year he served on the Greenhand Quiz team and through his sophomore year was on the grass judging team. He has also been active on chapter committees and running the local chapter. He plays basketball and softball.

Boll Weevil School to Be Held At Hedley

County Agent Flip Breedlove of Donley County announced this morning that a big boll weevil school will be held at the Lions Club den at Hedley, Texas, on October 13 at 10:30 a.m. Mr. Garner, Extension entomologist of the Extension Service of Texas A&M College, will be the speaker and will give us all available information on the control of the boll weevil.

Breedlove says that this year was the first time in Donley County that the boll weevil has caused extensive cotton damage over large areas of the county. The boll weevil school is being held in connection with the Hedley Cotton Festival and a big crowd is expected to be in the Lions Den to hear Mr. Garner give us all the information on the boll weevil. Breedlove urged everyone interested in the county to attend and other counties are invited to the meeting.

CONTRACT LET FOR 11.9 MILES OF CONSTRUCTION ON U.S. 287 IN DONLEY

A contract for 11.9 miles of construction on U.S. 287 in Donley County has been awarded to an Amarillo firm, it was announced in Austin this week by the State Highway Commission.

Cooper and Woodruff, Inc. submitted the low bid of \$519,102 on the project. Grading, structures, flexible base and asphalt concrete pavement from Armstrong County line to Clarendon, Texas, is expected to take 200 working days, according to Palmer Massey, District Highway Engineer at Childress.

C. B. Hudson, Resident Engineer at Clarendon will be in active charge of the project while it is under construction.

Bronchos Travel to Claude for Game Friday Night

Date Set for Annual Bull Sale

The Rolling Plains Registered Beef Cattle Association directors met in the office of Flip Breedlove on the night of Oct. 2. W. H. Cooke III, president of the organization, presided at the meeting. Plans were laid for the December 7th bull sale to be held in Clarendon. Walter Britten of College Station, Texas, will sell the Hereford bulls and Holland Jester of Ardmore, Okla., will sell the Galloway and Angus Bulls. Sale time was set at 12:30 p.m. on December 7th.

All bulls will be classified for sale order on December 6 and will be classified according to breeds. Each breed will sell separately. All bulls must be in the barn in Clarendon not later than noon on December 6 and can come in at any time before this date if they desire. A sifting committee will also view the bulls on Dec. 6 as the plan of the organization is to offer high quality bulls in the sale.

Secretary Breedlove is now taking entries for the bull sale. A fee of \$20.00 per head is charged for all bulls sold, and this covers all expense except your feed and bedding. At this time we have already turned in 37 Hereford bulls, 20 Angus bulls and 13 Galloway bulls making a total of 70 bulls, but we expect around 100 bulls or a few less in the sale.

Anyone wishing to enter bulls must contact H. M. Breedlove at Clarendon, Texas. All entries must be in by the 25th of October as the catalog will be printed at that time. Directors attending the meeting were W. H. Cooke, III, H. M. Breedlove, H. A. Green, L. R. Houston, Bill Bradley, L. A. Ford, Tommie Potts, R. Finch, B. Wheeler, Wade Watson, John Knorrp, and Geo. Saunders.

RELIANCE HOME OPEN HOUSE HERE SUNDAY

J. B. Melton, manager of the Foxworth Galbraith Lumber Co., here has announced an open house affair Sunday, October 8th from 1 to 6 p.m. for the showing of a new Reliance Home that has just been completed.

This new, three bedroom home, the second Reliance home to be built here was constructed for Mr. Melton as his own home and was built on location by local labor. It is located at 310 East 5th at the corner of Goodnight street.

Mr. Melton is inviting the public to come by and inspect this new type home Sunday afternoon. Full details regarding this open house may be found on the front page of the inside section of this issue of the Leader.

Coach Tom Jinks will take his Clarendon Bronchos to Claude Friday night for a battle with the Claude Mustangs. This will be the final non-conference game for the Bronchos and nothing could please them more than to go into conference play with a 4-2 record. Their record now stands at three wins and two defeats. They have defeated Silverton, Panhandle and Wellington and have suffered defeats at the hands of Stinnett and Groom.

The Mustangs have won only one game of four played this season. However, two of their defeats came at the hands of McLean and Gruver, two of the best Class A teams in the Panhandle.

Coach Jinks was pleased with the way the boys played against Wellington in last Saturday night's homecoming game, but warned that Claude had the type of team that could win this game if his boys should let down like they did before the Groom game.

As for a starting lineup, it will probably be the same that started the Wellington game which was Bill Hermesmeier and Leon Gibbs at ends, Charles Stout and David McBrayer at tackles, Billy Hearn and Frank Hermesmeier at guards and Mike Heath at center. Dwight McAnear will be at quarterback, Jim Robinson and Gary Campbell at halfbacks and Jerry Elmore at fullback.

Commissioners Make Change in Operation of Sheriff's Department

Donley County Commissioners announced a change in the operation of the Sheriff's Department that took effect Tuesday of this week.

The change was from mileage operation to county owned operation. The Court has purchased two 1961 6-cylinder Chevrolet Biscayne Tudor Sedans for use of the Sheriff's office at a cost to the County of \$3,950 plus whatever accessories will be put on the cars.

Up to the present time, the Sheriff and his deputies have furnished their own cars and received 8 cents per mile for operation of same.

The above change over was decided on as an economy measure, the court announced.

Sheriff Truett Behrens stated that he was undecided at present as to how and where the two units will be kept and used as operations of the office will be limited with two units to serve both Clarendon and Hedley. Heretofore, three units have been at the Sheriff's Departments disposal as the Sheriff and two Deputies have used their own cars.

As the weeks go by and new emergencies arise, Gov. Price Daniel finds more reasons for calling Texas Legislators back to Austin for another special session.

In addition to the Governor's unfinished program, Hurricane Carla has produced other reasons. It is definite now that the Governor will ask for more money for the Highway Patrol and for the National Guard. He had to advance money to the Guard from his emergency fund, to pay salaries and expenses of Guard units called up for hurricane duty.

Major General James E. Taylor, the state adjutant general, said that the 2,300 men and 800 vehicles called out for hurricane duty made up the largest peacetime operation in Guard history. After Governor Daniel's aerial tour of the hurricane-struck coastal area, he estimated that some 3,000 lives would have been lost had it not been for the organization of civil defense, coordinating with local groups, to evacuate the area.

He also estimated \$400,000,000 loss to public and private property.

"I can see now that we need to provide more money for the National Guard and we need to provide more Highway Patrolmen, too," said the Governor. "I am sure I will add those to the call for a special session."

Rep. C. W. Pearce Jr. of Temple proposed that the legislature permit cities and counties to issue bonds to make loans to disaster victims.

Speaker James A. Turman asked the House general investigating committee to start an inquiry into the payment of insurance claims as a result of Carla. He said many hurricane victims were surprised to learn that much of the damage was not covered by insurance. Adjusters held that their windstorm and hurricane policies did not include flood

damage even though caused by the hurricane.

Governor Daniel, irked over the adjusters' interpretations, urged policy holders not to be too hasty in settling their claims.

**Storm Crop Damage Extensive**  
The U. S. Department of Agriculture at Austin says the recent hurricane caused the most extensive wind and rain damage to crops, fields and pastures, ever experienced.

Of the prospective 100,000 bales of cotton in the fields, about \$11,000,000 worth was probably lost, the USDA said. Additional losses will result from grade reductions, the agency states.

**January Session Talked**  
Chances are that Governor Daniel will have legislators back in Austin during January.

Rep. Murray Watson of Mart suggests that Daniel set up a grass-roots committee of citizens to bring in proposals for removing inequities in the new sales tax law for action at the special session.

Comptroller Robert S. Calvert continues to explain the law. He ruled that the American Red Cross is exempt from the sales tax on its purchases, since it is an agency of the Federal government.

Calvert is studying a request from some large industrial firms that they be allowed to be "direct" payers of the tax. Theory is that life would be simpler if they could keep records and pay the tax once each quarter, instead of paying it hundreds of times a day in the normal course of business.

**Tax Dollar Analyzed**  
Texas Legislative council has taken a new look at where the State's tax dollar comes from and where it goes.

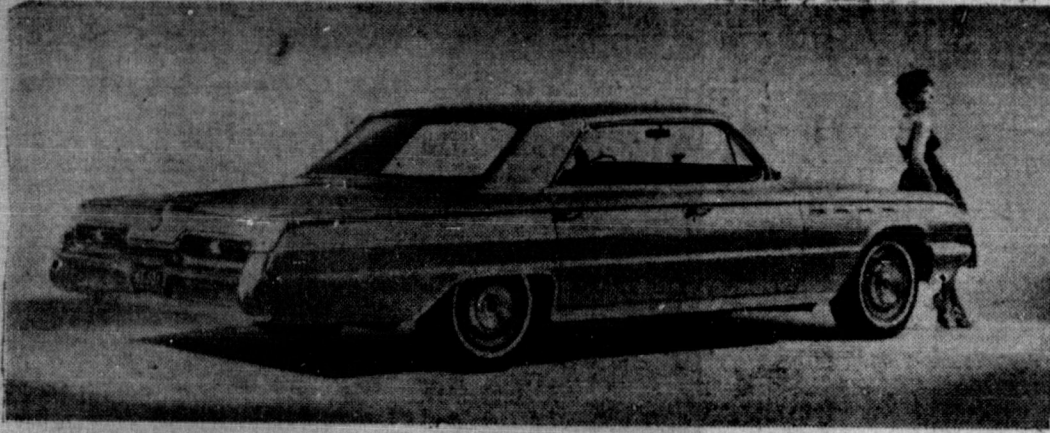

Study reveals that 52 per cent of it is derived from the several types of sales taxes levied in the state, including 15.8 per cent from the new 2% limited sales tax.

Oil and gas production and severance taxes account for 19.1% business taxes 11.4%, motor vehicle registration fees 9.5%, state property taxes 4.1%, inheritance tax 1.3%, others 2.6%.

Motorists get tapped for 33.9% of the tax dollar, including the motor fuel tax at 21.4%, the sales tax at 3%, and registration fees at 9.5%. Nine per cent comes from tobacco taxes and 2.2% from alcoholic beverage levies.

Our free public school system is taking 33.9% of the tax dollar. Highways and roads are next at

## Buick's New Electra 225 For 1962

The clean, uncluttered styling of Buick for 1962 is exemplified in the Electra 225 series with its sporty new roofline and its tailored rear decklid with the wind-split down the center. The long, sweeping lines of the front and rear fenders make the car look bigger without increasing its size. The new roofline with its wide, sloping rear pillars identify the Electra 225 series, one of the most luxurious cars in the fine car field. Passenger comfort has been improved for 1962 by the almost complete elimination of the transmission hump in the floor of the front passenger compartment. The Electra 225 is powered by a 401 cubic inch V-8 engine with four-barrel carburetor, coupled with Buick's smooth Turbine Drive transmission.

28.8% Public welfare gets 15.8%. Higher education comes in for 9.6%, while health, hospitals and special schools account for 4.5%.

**New Farm Roads Approved**  
A one year program calling for construction of 613 miles of new farm to market roads costing \$15,200,000 has been approved by the State Highway Commission.

This was approximately half of the usual program authorized by the Commission, as the result of Governor Daniel's veto of the \$15,000,000 for this purpose in the second half of the biennial appropriations bill.

Governor Daniel cut out the second year allocation in order that more flexibility might be attained in providing maintenance for the farm roads system.

Since 1949, under the Colson-Briscoe act \$15,000,000 annually have been earmarked for the construction of farm to market roads, causing all maintenance costs to come out of trunk highway funds.

While this arrangement was necessary for many years, to build up farm road mileage, the highway commission says the problem now is financing the maintenance of these roads. Therefore, at least a portion of the earmarked funds needs to go for this purpose.

Action on this matter is expected in the next special session of the legislature.

**Texas Gets Moon Rocket Lab**  
Selection of Texas as the site for a laboratory to develop the nation's first moon rocket was hailed by Governor Daniel as one of the most important signs pointing to future progress for the state.

"The Federal government's choice of Harris County for the \$600,000,000 space laboratory means that some of the world's most important work in the peaceful conquest of outer space will be undertaken at the location near Houston," said Daniel.

"It will attract scientific personnel and plants to the state and increase the importance of the Houston area as a center of civilian, military, space and medical research," he observed.

**Retail Sales Increase**  
Retail sales increased seven per cent during August, the Bureau of Business Research at UT re-

ported. The impending sales tax which went into effect September 1 was called a major factor in the increase. Namely, buying before the tax went into effect.

It was referred to as a "brisk rise" compared to the two per cent decline sales took during July.

Furniture and appliance stores led the field with a 23 per cent increase for August, where the usual increase from July to August is one per cent.

Apparel stores also increased, primarily with the back to school rush for clothes. Steady increases were forecast because of a Texas birth rate considerably higher than the national average.

Births in the first six months of this year totaled 121,796 compared with 115,730 during the first half of 1960.

**New Medical Science**  
Two University of Texas scientists are looking into a new branch of medical science through which it may some day be possible to determine in advance a person's susceptibility to certain diseases and ailments.

Drs. Robert J. Williams and Frank L. Seigel, reporting on the new science called "propetology"

### OIL IN THE COLD WAR

The awful question facing all humanity is whether there will be another all-out war, employing weapons of inconceivable destructive power. No one can answer that question. But it is certain that the cold war—which has become primarily an economic war—will continue.

A primary weapon in that war is oil. As Ernestine Adams writes

in the American Journal of Medicine, say the technique needs only to be developed, that it must be based on increased knowledge about individuality in the areas of anatomy, physiology and biochemistry.

Knowing in advance who might get what, the scientists say it may be possible to avoid such diseases as gout, arthritis, atherosclerosis, muscular dystrophy, multiple sclerosis, cardiac and circulatory diseases, cancer, allergies and numerous other types of diseases and ailments.

"There is probably no single disease among those mentioned which might not be prevented, at least to a substantial degree, if we knew what the roots of resistance are and took appropriate measures," they said.

in The Engineer: "There isn't much doubt about the Soviet's concern with oil. In July 1960 a Moscow journal stated: 'It should be borne in mind that oil concessions represent the foundation of the entire edifice of Western political influence in the (less developed) world, of all military bases and aggressive blocs. If this foundation cracks, the entire edifice may begin to totter and then come tumbling down.'"

Miss Adams adds: "Oil energy is the foundation of political confidence. Its power is used politically by the U.S. as well as by the Soviet. We've used it to good effect in every national crisis. We are using it now as an anchor for our allies."

isn't easy. To them costs—whether they involve oil or any other cold war commodity or service—are no problem. The goods can be sold at any price an all-powerful dictatorship decrees.

But the American oil industry, like that of other free nations, has one enormous advantage. It is found in the efficiency and vitality of the free enterprise system as opposed to the communist system. To quote Miss Adams once more, "Be glad of one thing—that there aren't 500,000 independents out on the steppes hunting for oil. If the Soviet were a free enterprise, capitalist country, we'd have been drowned in oil already."

## 1926 Book Club In Regular Meeting

Members of 1926 Book Club met Tuesday afternoon, October 3, for their regular meeting. Hostesses for the afternoon were Mrs. W. M. Crain and Miss Inez Blankenship. Arrangements of dahlia in assorted colors decorated the entertaining rooms and a bouquet of brown potted mums marked the president's table. Refreshments were served during the social hour.

Mrs. Nelson Seago, president, presided over the business session. Mrs. W. N. Poole led the reading of Club Collect in unison. A good and informative program was presented by Mrs. J. R. Brandon. Her topic was "The United Nations." She gave the history of the organization, its general structure, and its accomplishments.

Those present included Miss Inez Blankenship and Mesdames Nelson Seago, W. M. Crain, J. R. Brandon, C. E. Bairfield, Loyd Johnson, C. B. Morris, Frank White, Jr., E. S. Ballew, W. C. Thornberry, Homer Bones, Otis Taylor, L. N. Cox, and W. N. Poole. Rep.

### CLARENDON M.Y.F.

The Clarendon M.Y.F. met Sunday, Oct. 1, 1961 at 5:15 p.m. with 14 present. Hymns were practiced for the Sunday evening service at 7:00 p.m.

Dues were collected, and then the program given by James Bates, was entitled "Dare We Deny It?"

Volleyball was played, and refreshments were served by Mary Louise Caldwell. We were dismissed by the M.Y.F. benediction.

## BETA SIGMA PHI HOLDS MEXICAN SUPPER

Members of Beta Sigma Phi enjoyed a Mexican Supper at Patching Club House Thursday evening, September 28. All old members were invited guests. The serving table was laid with a brown linen cloth edged in lace and centered with a cornucopia filled with fresh fruit.

Members of the social committee, Frankie Henson, Ann Hommel, Betty Leathers, and Shirley Clifford, served as hostesses.

Following the meal a skit was presented telling of the history of the sorority. Mrs. C. B. Morris was narrator. Humorous take-offs concerning happenings through the years were presented by Quinn Draper, Shirley Clifford, and Jean Davis. This was Beta Sigma Phi's tenth year.

Guests for the evening were Mesdames Jane Bownds, Mary Kay Riley, Annesse Bennett, Lois Schollenbarger, Katherine Cain, and Pinkney Palmer of Goodnight. Others present included Shirley Clifford, Jean Davis, Pat Day, Quinn Draper, Bert Garland, Hazel Guy, Frankie Henson, Ann Hommel, Betty Leathers, Mary Neal Risley, and C. B. Morris. Rep.

## CHAMBERLAIN COMMUNITY CHICKEN BARBECUE

Everyone is invited to attend the chicken barbecue at the Chamberlain Community October 6. Bring a half-chicken per person at 1:00 o'clock to the Center, Friday, Oct. 6. Mrs. Dub Smith, Mrs. Harvey Shaw, Mrs. Wes Sullivan will be our hostesses. Flip Breedlove will barbecue our chickens. Bring your bread and a pie per family. Everyone come and fellowship with us. —Rep.

## LELIA LAKE WSCS TO GIVE BIBLE STUDY

The Lelia Lake Women's Society of Christian Science (WSCS) of the Methodist Church cordially invites anyone desiring to hear and learn, "The Meaning of Suffering" written by Ralph W. Sockman, a Bible study given by the group, to attend six sessions of the book. The first meeting will be in the home of Mrs. Will Mace on Friday night, Oct. 6, at 7 o'clock.

The sessions are as follows: Session I, The Source of Suffering; Session II, The Pain of Living; How to Face It; Session III, Physical and Mental Illness; Session IV, The Values of Suffering; Session V, Death; Session VI, The Fellowship of Suffering. There will be one session a week for six weeks. If you are unable to attend all sessions, then attend the ones you can. Anyone will be welcomed at any time. The book is easy to understand and you will be glad you learned about the meaning of suffering. Come and fellowship with us in this study. —Publicity Chairman

## KIL KARE KLUB MEETS IN HARNED HOME

Miss Etta Harned entertained the Kil Kare Klub in her home Thursday afternoon, September 28. Entertaining rooms were decorated with potted plants. Visiting was enjoyed throughout the afternoon.

Refreshments of lemon bisque, sandwiches, mints, tea and coffee were served to Mesdames Cap Lane, John Bass, Buel Sanford, Nolie Simmons, Homer Mulkey, S. W. Lowe, J. R. Bartlett, G. C. Heath, and Harry Brunley by the hostess, Miss Harned. Rep.

## FRESHMAN CLASS ELECTS OFFICERS

The Freshman Class of C.H.S. elected class officers in the first class meeting of the year. Officers elected are as follows: Lynn Bourland, president; Richard Dickson, vice-president; Jack Robinson, secretary; John Grady, treasurer; Ann Mills and Charlene Gray, student council; Sandy Deyhle, reporter.

Donley County Leader \$3.96 Yr. in County

**CLASS OF 1960-61** — Members of this class met at the home of Mrs. Bill Todd, class sponsor, Saturday afternoon. Left to right — Tom Jinks, class sponsor, and Mrs. Jinks, Janie Smith Tyra, Frances Wallace, Judy Thompson Kotara, Sarah Antrobus, Jackie McClellan, Frances Mann Kennard, Mrs. Todd and Neal Carter.

## PRESBYTERIAN WOMEN MEET AT CHURCH

Presbyterian Women met at the Church Wednesday afternoon. Meeting was opened with the reading of the hymn "More Love to Thee" in unison. The devotional thought for the afternoon was "Learning Christ." The Bible study for the afternoon was a continuation of the study of the book of John and was led by Mable Mongole. Meeting was closed with a scriptural benediction.

Present were Mesdames J. G. Stewart, Heckle Stark, George Green, Edna Smith, J. H. Howze, and Miss Mable Mongole. Rep.

## HUDGINS QUILTING CLUB

The club met Sept. 26 with Harlene Phillips as hostess at the club house.

Those enjoying the afternoon were Ruth Lindley, Ola Bradshaw, Cora Elliott, Mary Lee Nobles, Bessie Lane, Pauline Koonz, Martiel Webb, Belle Smallwood, Frankie McAnear, Dorothy Helms and hostess, Harlene Phillips and boys.

Our next meeting will be Oct. 10 with Ola Bradshaw as hostess in her home. —Rep.

## KAPPAS ENTERTAINED AT TEA IN WALLACE HOME

Mrs. Glenn Wallace entertained with a tea in her home Saturday afternoon, September 30, from 1:30 to 3 p.m. honoring members of the Kappas who were in Clarendon for the High School reunion. Visiting was the program for the afternoon.

The refreshment table was laid with a red linen cloth and centered with a white "K" and red carnations. Appointments were silver, Cookies, Cokes, and coffee were served.

Assisting with the party were Cherry Shadle, Patsy Robertson, and Barbara Edens. Thirty-two former Kappas attended. —Rep.

Mr. and Mrs. Billy Joe Percival of Grand Prairie attended the Clarendon High School reunion and visited his parents, Mr. and Mrs. Herman Percival and sister, Marie Morrow.

Mr. and Mrs. Dick Vallance and girls and Mr. and Mrs. Joe Shadle and children visited Mr. and Mrs. L. O. Dennis at Memphis Sunday.

## MIDWAY CLUB HAS SOCIAL AT LELIA LAKE, SEPT. 28

Members and guests of Midway Club met Thursday night, Sept. 28 at Lelia Lake where they enjoyed a supper and played 42 afterwards. Guests were Mr. and Mrs. Roscoe Land of Wellington, Mrs. Maude Palmer and Mr. H. R. King. Members present were: Mr. and Mrs. Loyd Moreland, Mr. and Mrs. Earl Myers and son, Glen, Mr. and Mrs. E. V. Quattlebaum, Mr. and Mrs. Nolie Simmons, Mr. and Mrs. W. C. Scott, Mr. and Mrs. Glen Williams, Mr. and Mrs. Albert Sanders, Mr. and Mrs. Clarence Ayers and two grandsons. Rep.

## GOLDSTON QUILTING CLUB

The Club met in an all day meeting with Nora Smith with a covered dish luncheon being enjoyed at the noon hour. In the afternoon cake and cold drinks were served to two guests, Wilma Bible of Berger and Quata Phil-

ips and to members, Sally Hatley, Connie Talley, Adgar Williams, Bonnie Davis, Joy Robertson, Minnie Roberson, Carrie Morgan, Irene Pritchard, Maudie James, Eleanor Martin, Ala McBrayer, Johnnie Bryson, and Blanche Gray by the hostess, Nora Smith. Carrie Morgan received a gift from her secret pal.

One quilt was completed and several blocks pieced on another quilt top. Next meeting will be with Sallie Hatley Oct. 12.

Mr. and Mrs. W. L. Jordan went to Amarillo thru the week end and visited their children, Mr. and Mrs. Perry Jordan and Mr. and Mrs. Billy Jack Jordan. They also visited with their new great grandson, son of Mr. and Mrs. Dudley Ray Robertson.

According to recent reports received here Millard Word is improving satisfactorily following surgery in Neblitt Hospital in Canyon.

## Bronchos Beat Wellington In 14 to 6 Thriller Here Saturday

The Clarendon Bronchos came to life in their homecoming game last Saturday night and outplayed and defeated a good Wellington team by a score of 14 to 6. It was a hard fought game all the way with the Bronchos breaking a 6-6 deadlock with 37 seconds to play when Jim Robinson hit Bill Hermesmyer with a pass in the end zone from 10 yards out.

The Bronchos drew first blood in the exciting game played before a near capacity homecoming crowd. Midway through the first quarter Robinson climaxed a 58 yard drive with a 12 yard scoring run around right end. The conversion was no good and the Bronchos were ahead, 6 to 0, until early in the second quarter when Wellington's Gary Holliman scored from one yard out. They also missed the extra points attempt and the game was knotted at 6-6 until the fading seconds of the game.

Late in the final period the Bronchos drove down to the Wellington four yard line. With four fresh downs to make the final four yards the Skyrocket line dug in and after three tries the Bronchos had been pushed back to their ten. On the fourth down try, with just 37 seconds left on the scoreboard clock, Quarterback Dwight McAnear started around his left end, handed the ball off to Robinson on what looked like a reverse end run, but the hard running halfback crossed up the Wellington defense by shooting a pass which Bill Hermesmyer caught in the end zone for the score. Jerry Elmore made the extra two points with a run through the left side of the line.

The Bronchos also had a big edge in the battle of the statistics. They made 14 first downs, completed eight of 13 passing attempts for 100 yards, and chalked up 166 yards rushing for a total of 266 yards from scrimmage. The Skyrockets, on the other hand, could make only seven first downs, made good on only one of four passing attempts for five yards and gained 105 yards rushing.

Robinson and McAnear were the bright spots in the Broncho offense and the two ends, Hermesmyer and Leon Gibbs, along with tackle Charles Stout, guard Billy Hearn and back Elmore stood out on defense. Robinson also played his usual good defensive game.

For the Skyrockets it was Holliman and Richard Mauldin on offense and Mauldin, Raymond Sanders, Herman Childress and Glen Thomas on the defensive that made things interesting for the Bronchos.

### SCHOOL CAFETERIA MENU

**October 9 thru October 13**  
**Monday:** Barbecue beef, creamed potatoes, green beans, apricots, hot rolls, butter, half-pint milk.  
**Tues.:** Salisbury steak, creamed peas, sliced tomatoes, fruit salad, hot rolls, butter, half-pint milk.

### FORMER RESIDENT TO BE BURIED HERE SATURDAY

Word has been received here that the body of Mrs. Lula A. Smith will arrive here Friday evening and graveside rites will be held in Citizens Cemetery at 2 p.m. with the Murphy Funeral Home in charge of arrangements. Mrs. Smith died Monday at Stockton, Calif. Her husband, Oscar Smith, was buried here in 1930.

### BOY SCOUT TROOP NO. 38 TO MEET MONDAY NIGHT

Troop No. 38 will meet at the Lions Club meeting room next Monday night at 8 p.m. Basil Smith is this unit's new Scoutmaster with Mike McCully and Lloyd McCord as his assistant Scoutmasters. All members are asked to be there and any boy 11 thru 14 who would like to join will be welcome.

E. H. Estlack and son, Dave, of Austin, spent the week end with his father, J. C. Estlack, and other relatives and attended Homecoming at Clarendon High School Saturday.

Mrs. Fred Bentley and son, George, of Amarillo visited Sunday in the home of her parents, Mr. and Mrs. G. L. Green.

—Photo Courtesy of Saye's Studio

**ATTENDANCE TAIL WINNERS** — Den No. 5 of the Cub Scouts was winner of the Attendance Tail at the monthly meeting last week. Front row, Timmy Rodgers, Ronnie Braddock and Jimmy Elliott; Back row, Steve Rodgers Jr., Bobby Sims and Jimmy McCrary.

### College Students Elect Student Body Officers

The Clarendon Junior College students elected their student body officers in an assembly last Friday. At the same time each class also elected their class officers.

Lanny Lewis of Wellington was elected President of the Student Body with Sandra Pinkerton of Clarendon, vice president, Linda Kay Hardin of Clarendon, secretary-treasurer and Sharron Hall of Pampa, reporter.

The sophomore class officers elected were, Kenneth Martindale of Samnorwood, president; Thomas Phelps of Quitaque, vice president; Betsy Chamberlain of Clarendon, secretary - treasurer and Jo Ann Wood of Clarendon, reporter.

Freshman class officers for the new year are Philip Abel of Clarendon, president; Neel Carter of Clarendon, vice president; Rita Jo Lewis of Pampa, secretary-treasurer and Jon Leggit of Hedley, reporter.

### AT HOME AGAIN

Mr. and Mrs. Robert Allison have just returned home after spending the past six months with their daughter, Lila, and family in Bethany, Conn. There they welcomed their new grandson, Bobby Simpson. Lila and family presented the Allisons with a '57 Country Sedan Station Wagon. While away they report a wonderful trip through New York, Pennsylvania, Chicago, and other points. They visited a son, Arlis Allison and family in Minneapolis, and Boyd Allison and family at Sherman, Texas where they enjoyed watching their grandson play football. They report being glad to be back home.

### ATTEND W.T.-TW GAME SATURDAY

Mr. and Mrs. Truett Behrens and daughter, Elaine, also Misses Delores Bohannon and Linda Smith, students at W.T. attended the West Texas-Texas Western football game at El Paso Saturday night.

### NEW ARRIVAL

Mr. and Mrs. Larry Hopkins of Iola, Kansas announce the arrival of a daughter, Tonya Leigh; the little miss weighed 6 lbs. 15 1/2 ozs. Grandparents are Mrs. H. E. Parker and Mr. and Mrs. M. F. Hopkins of Clarendon.

### CARDS OF THANKS

I take this means of thanking my friends and neighbors for the many nice cards, lovely flowers, and visits during my stay in the hospital. May God's richest blessings be yours.

Mrs. W. L. Jordan

We are truly grateful to friends who did so much for us during our recent sorrow.

May we take this means of saying thank you for the many comforting expressions of your friendship and sympathy.

Mrs. Jeff D. Harrison and family  
 Mrs. Liza Grooms  
 Mrs. Louella McPherson  
 Mrs. Emma Pond

WITH GRATEFUL HEARTS, we thank all those who did so much to help us in our time of grief. The kindness and thoughtfulness shown us was indeed helpful.

The M. A. Hart Family

### FORMER CLARENDON MAN JOINS FACULTY OF NORTH TEXAS STATE

Walter Mars Warner, son of Mr. and Mrs. H. T. Warner has joined the faculty of North Texas State University at Denton, Texas, as an instructor in the Science Department. There are 10 professors in this department under Dr. Sylvia who attended school here. Walter finished high school and two years of Junior College here in Clarendon.

He then served his military time in Japan and Korea. After returning by working and with the help of scholarships, he received his Bachelor of Science degree in biology at Midwestern University, June, 1957. He received his Master's Degree in Botany, June 7, 1959, at the Graduate College in Athens, Ohio. After teaching one year in the Wichita Falls High School, he went to the University of Arizona, in Tucson, Arizona, to work on his Ph.D. which he hopes to complete during the summer months.

Walter is married and has two children, Rowena and Haverda.

### HOSPITAL NOTES

Patients as of Wed., Oct. 4—Walter Guy, Mrs. S. D. Churchman, Homer Parsons and Mrs. George Thompson.

Dismissals — H. P. Aufill, Pete Campbell, E. C. Dewey, Clarence Mendenhall, Fannie Reynolds and W. L. Sickles.

Mrs. M. C. Goodner of Amarillo spent the day here Saturday and attended Homecoming.

### CONGRESS NEEDS HELP

Because Congress is not adequately equipped to carry out its "vital fiscal responsibilities, many millions of dollars have been appropriated in excess of actual requirements."

Thus writes Senator McClellan of Arkansas, in Tax Review. And he buttresses it with some striking facts. For instance, the Senate Committee on Appropriations, in the 84th Congress, held a total of 330 meetings and consumed an estimated 900 hours on appropriations measures alone. There simply isn't time for members of Congress to study and digest the endless stream of measures upon which they must vote. The consequence is that they are forced to rely upon outside advice, which may be bad as well as good.

Senator McClellan wants machinery which will enable Congress to analyze more thoroughly and screen more effectively spending requests. He proposes to accomplish this vital objective by establishing a Joint Committee on the Budget, composed of equal numbers of members from the Senate and House Appropriations Committee, staffed on a non-political basis by outstanding experts. These Committees, then, would have available essential information such as the Bureau of the Budget provides for the Executive Branch.

The Senator writes: "While the President is clearly authorized to propose it is equally clear that the responsibility to dispose rests with the Congress." The Constitution specifies that unequivocally. But Congress, in this incredibly complicated and pressured age, cannot dispose intelligently without far better sources of advice, information, and intelligence than it now possesses.

LEADER CLASSIFIED ADS GET RESULTS

### First Regular Meeting of Sims PTA Held Tuesday, Sept. 26

The first regular meeting of Sims P.T.A. was held Tuesday, September 26. The meeting was called to order by the President, Mrs. James Ashcraft, who then introduced Rev. Paul Hancock. Rev. Hancock led in prayer and gave a very interesting devotional on peace.

Mrs. Ashcraft introduced the P.T.A. officers for the year as follows: Vice-President, Rev. Baldwin Stribling; Secretary, Mrs. Chauncey Hommel; Treasurer, Mrs. Emmett Simmons; Finance and Membership, Mrs. Tommy Saye; Spiritual Growth and Development, Mrs. L. P. Moore; Historian, Mrs. John Lowrie; Parliamentarian, Mrs. Bill Greene, Jr.

Rev. Stribling, in revealing the program plans for the year stated that the P.T.A. programs this year are not being planned to entertain the parents but rather to inform, challenge, help make better parents, more enthused teachers and more effective administrators. He added that this would not be possible without the constructive, wholehearted support of both parents and teachers. Our children will profit from a successful P.T.A. year.

Mr. Cain was introduced by Mrs. Ashcraft and he, in turn, introduced the Grade School and Junior High Faculty.

The room count was won in Grade School by Mrs. Hendrix's second grade and in Junior High by Mrs. Donald's fifth grade. The teachers will be awarded a prize of \$1.00 each.

The general meeting was then dismissed and the parents went to the home rooms of their children. Upon entering the rooms they found that the teachers had very effectively prepared a class routine. As the routine was followed the teachers briefly explained the subjects being taught in their respective grades. The parents were encouraged to ask questions as they desired.

Each parent present felt that he had been well rewarded by attending this P.T.A. meeting and that those parents who were unable to attend had missed something worthwhile.

The price of treats sold on Treat Day, each Tuesday, is 5c each rather than 10c each as stated in the last article. —Rep.

Mr. and Mrs. Kenneth Sams and children of Ropesville visited her mother, Mrs. Allene Estlack and Danna and other relatives thru the week end.

Mr. and Mrs. Jerry Hawkins of Groom announce the arrival of a son October 2. The young man weighed 8 lbs. 12 ozs. and has been named Dean Earl. Grandparents are Mr. and Mrs. Pete Borden of Clarendon and Mr. and Mrs. C. W. Hawkins of Higgins.

Mr. and Mrs. George Thompson enjoyed having all of their children with them on Sunday. Here were Mr. and Mrs. Dennis Kotara of Groom, Mr. and Mrs. Odell Lagrone and family of Canyon, Mr. and Mrs. Chauncey Hommel and family of Clarendon, George Thompson of Lubbock and daughter Renae of Groom.

Mrs. Rose Boyd of San Angelo is visiting in the home of her brother and wife, Mr. and Mrs. J. C. Estlack.

Mr. and Mrs. Conner O'Neal of White Deer were guests Sunday in the home of Misses Edgar Mae and Mable Mongole.

Mr. and Mrs. B. L. Jenkins of Amarillo were week end guests in the home of Misses Edgar Mae and Mable Mongole.

**GOLDSTON NEWS**

Mrs. Roy Roberson

Mr. and Mrs. Jack Pritchard Sr. and Mr. and Mrs. Jerry Pritchard and children had the Pritchard reunion Sunday at the Goldston Community Center. Those present were Mr. Pritchard's parents, Mr. and Mrs. W. S. Pritchard and Mitchell, Mr. and Mrs. Bill Barbee, Mr. and Mrs. Lonzo Cartwright, Mrs. Fred Maxwell and Doug, all of Wellington, Mr. and Mrs. John Cartwright and Jeff, Mr. and Mrs. Jeffrey Carwell and Gregg, Mr. and Mrs. Gerald Ray and children, Mr. and Mrs. Jack Pritchard Jr. and girls, Mr. and Mrs. Clifford Pritchard and family all of Amarillo, Mr. and Mrs. Joe Pritchard and girls of McLean, Mr. Delton Pritchard of Grass Valley, Calif., Mr. and Mrs. Mack Kirk of Phoenix, Ariz., and Mr. and Mrs. Grady Phillips of Wellington visited in the afternoon. Everyone reported having a nice time.

Mr. and Mrs. Loyd Littlefield and boys took supper Saturday with Mrs. V. Littlefield and Bill and Mr. and Mrs. W. A. Jackson and Jimmy, Mr. and Mrs. J. C. Ashcraft and Fern visited Saturday night with Mrs. Littlefield and Bill.

Mrs. V. Littlefield and Bill took dinner Sunday with the Pritchards at the Community Center.

Mrs. Al Covington of Clovis, N. M. spent the week end with Mr. and Mrs. Roy Roberson, Pat and Minnie and attended the homecoming at Clarendon.

Mr. and Mrs. Mann Littlefield of Happy visited Sunday evening with Mrs. V. Littlefield and Bill.

Mrs. Roy Roberson and Minnie visited a while Friday evening with Mr. and Mrs. Leonard Dozier of Clarendon.

Donald Townsend of Ft. Worth visited Friday night with Mr. and Mrs. Roy Roberson and Minnie.

Mr. and Mrs. Roy Roberson and Minnie visited a while Tuesday evening with Mr. and Mrs. Vernon Davis.

Mr. and Mrs. Tom Roberson of Amarillo spent Sunday with Mr. and Mrs. Roy Roberson, Pat and Minnie.

Mr. and Mrs. Joe Lankford and children of Fritch visited with Mr. and Mrs. Jack Pritchard Sunday morning.

**SOIL CONSERVATION DISTRICT NEWS**

**Conservation Cropping System** A conservation cropping system may be defined as growing crops in combination with needed cultural and management practices. Good cropping systems usually include the use of rotations that contain grasses and legumes as well as cotton, grain sorghums etc. Crops should be planned for good economic returns to the farmer and also to provide good cover to protect the land from wind and water erosion. This can be accomplished by planting cover crops in the fall and by performing tillage so as to leave most of the crop residues on or near the soil surface through the critical erosion period or about April 1.

**BENEFITS:** 1. Meets the needs of the soil for improvement and maintenance.

**Swathing and Baling,** 25 cents per bale. **J. C. Holley,** Phone TR 4-2401. (28-tfc)

**Cub Scout News**

The Clarendon Cub Scouts had their monthly pack meeting at the First Christian Church, Thursday, September 28, 1961 at 7 o'clock. An enjoyable evening was had by all. The installation of the new Webelos boys was one of the highlights of the evening with Mr. Bill Greene Jr. serving as the new leader for this coming year.

A very interesting film was shown concerning the history and characteristics of the "white wing dove." The film was shown by Mr. Bland Draper. Approximately 75 boys and parents enjoyed the evening.

There will be a Dad's Meeting at the First Christian Church, Monday, October 9, 1961 at 7:30 p.m. All interested Dads are urged to be present for this meeting. The Clarendon Den is planning to re-charter at this meeting. There will be district officials present to give instructions for the coming year. There will also be a film shown. Refreshments will be served. **Cub Master Saye** said it was very important that all Dads be present.

Support your Soil Conservation District and call on your local Soil Conservation Service to help you develop and carry out a complete conservation plan for your farm or ranch.

**SCD Conservation Tour Today** Today is the day for the big conservation tour, sponsored by the Donley County Soil Conservation District. Tour time is 1:00 p.m., and the starting place is the Soil Conservation Service office in Clarendon. Everyone is invited to attend.

According to Cap Morris, this has been a good year for the application of conservation practices. Many cooperators have applied practices, and the purpose of the tour is to give everyone the opportunity of seeing some good conservation on the land. **T. C. D'Spain** and **Joe McMurtry** ranches will be visited, as well as other points of interest along the route.

The Webelos Scouts were presented with their Red Breast pennants during a candlelight ceremony. This was followed by a talk of instruction on how Webelos Scouts should conduct themselves given by the Clarendon Cub Master, Mr. Tommy Saye. The Webelos Den is a preparation period for the boys before they are graduated into the Boy Scouts.

The employee dials the quantity of parts which he has completed. At the touch of a transmit bar and at electronic speed, this information is conveyed to the computer and punched on paper tape. The procedure is repeated as the work moves from area to area, from shop to shop, until the finished goods arrive in stock. By the end of the last shift each day, all of the work in process has been accumulated at the data collection location on paper tape. This paper tape is then converted to punched card and fed into a computer which produces complete printed reports to control personnel at the start of each new work day.

The system is part of a planned program to increase efficiency by providing the production control, industrial engineering and accounting departments with instantaneous and more accurate knowledge of the location of parts and their status.

The transactor will also allow production control units to stop work on any part in the process of production, since the exact location of each part can be determined in minutes by interrogating the computer. With this capability, ultimate savings in labor and material will be greatly increased.

**Electronic Transactors Speed Data Collection**

A new industrial technique called "electronic data collection" has just about eliminated the old fashioned pencil at an aerospace company. The new technique will give management more information on the status of parts, faster and more accurately.

Heart of the system is an electronic transmitting device known as a transactor. The device eliminates the paper work and clerical operations between the factory and data processing center by gathering data at the source and transmitting speedily information that used to take hours, sometimes days to collect.

Instead of filling out daily time tickets recording every job worked, each employee supplies this information via the transactor, using punch cards. Three of these cards, operation card, and a "traveler" card, inserted into the transactor, supply information so rapidly that control reports can be completed the same day, if necessary.

Richard Vallance of Amarillo and Canyon spent the week end with his parents, Mr. and Mrs. Dick Vallance.

Mr. and Mrs. Dude Cornell visited Sunday night with Mr. and Mrs. Otto Elliott.

Dinner guests of Mr. and Mrs. Steve Reynolds Sunday were Mr. and Mrs. J. W. Sullivan and Mr. and Mrs. Clarence Reynolds.

**HEDLEY NEWS**

Mabel Bridges

After three weeks in the hospital your reporter was able to come home Thursday. Sorry to have missed sending Hedley News but hope to be able to send the news regular now.

Seems as if everyone is getting ready for the Cotton Festival. Plans are for the best one we have had. Some of the outstanding guests will be: Congressman Walter Rogers, Lions district governor, W. W. Didlake of Borger.

A complete report on all plans will be in next week's Leader. Make your plans to come to the 10th Cotton Festival in Hedley, October 13 and 14.

Mrs. J. B. Masterson left Sunday for Toas, New Mexico in response to a message that her son-in-law, Winton Benardine was seriously ill.

Mrs. Anna Mae Riddle of Amarillo spent the week end with her parents, Mr. and Mrs. Walter McCracken.

• Governor Price Daniel signs proclamation, proclaiming the week of October 8-14 Fire Prevention Week. Vernon B. Rucker of Killeen, President of the Fireman's and Fire Marshal's Association of Texas and William A. Harrison, Austin Commissioner State Board of Insurance, witnessed the signing.

Mr. Bill Scales was able to come home from a Memphis Hospital Saturday.

Mrs. R. M. Bradley spent first of week in Tulla with her mother.

Carl Gerlack of Houston and son, John of St. Charles, La., visited Mrs. Minnie Mann last week. We are happy to report Mrs. Mann is doing fine having had the cast taken off and will soon be walking.

Mrs. Chester Walker spent several days in Odum hospital last week receiving medical treatment.

Mrs. Zoe Chessher is doing nicely in Goodall Hospital after major surgery.

Mr. and Mrs. E. M. Glass spent the week end in Snyder, Texas with his brother, Mr. and Mrs. Joe Glass.

Mr. and Mrs. Collier Heater and J. W. of Dumas spent the week end with the Fred Watts.

Ike Rains made a business trip to Hollis, Friday.

Mrs. R. E. Butler has been ill in Groom Hospital. She is able to be home this week. Her daughter, Mr. and Mrs. Ed McCracken of Amarillo visited her Sunday.

Mr. and Mrs. Si Wood of Los Angeles, Calif., Mr. and Mrs. Robert Pickett and son, John, Mr. and Mrs. Foster Pickett and Cheryl

and Nicky, all of Amarillo. Mr. and Mrs. Willis Thomas and Lettie of Plainview visited their parents and grandparents, the J. B. Picketts Sunday.

**ASHTOLA NEWS**

Mrs. Doyce Graham

Mr. and Mrs. David Spivey, home on furlough, are visiting his parents, Mr. and Mrs. Claude Spivey and other relatives.

Mr. and Mrs. Lloyd Reid spent the week end with Mr. and Mrs. Bill Reid and children at Lamesa.

Mr. and Mrs. Bobby Johnson of Amarillo are the proud parents of a new baby daughter. Grandparents are Mr. and Mrs. W. H. Wilson here and Mr. and Mrs. Everett Johnson of Claude. Mr. and Mrs. W. H. Wilson went to Amarillo to see the young lady Friday.

Mr. and Mrs. Fred Mandrosky of Ft. Sumner, N.M. spent the week end with Mr. and Mrs. G. G. Henson.

Mr. and Mrs. J. M. Graham spent several days last week visiting their children at Elida, Friona, and Plainview. They returned home Sunday.

Mr. and Mrs. Dwayne Naylor and family of Thalia and Mr. and Mrs. Carl Morris and family of Wichita Falls spent the week end visiting Mr. and Mrs. Horace Green and other relatives.

Mr. and Mrs. Dane Perdue and family of Levelland and Mr. and Mrs. Ray Norman of Amarillo were week end visitors in the home of Mr. and Mrs. Slaton Mahaffey.

Mr. and Mrs. Slaton Mahaffey took Mrs. Della Mahaffey to Amarillo Friday to leave from there and go to her home in California after a visit of several months here with relatives and friends.

Mr. and Mrs. Mirza Crain visited Mr. and Mrs. Van Knox Saturday night.

Mr. and Mrs. Van Knox visited Mrs. Bessie Reynolds in Amarillo Sunday enjoying a family reunion in her home.

Mr. and Mrs. J. B. Lane took Debra and Mitchell Roehr to their home at Plainview Monday after they had been visiting here while Merle was ill. Merle was much improved and was able to discontinue his full time bed rest.

Mrs. Van Knox spent Thursday with Mrs. G. J. Hinders, and in the afternoon they visited Mrs. Clyde Hudson and Mrs. W. M. Boston.

Mr. and Mrs. Leland Lewis visited Mr. Word in the hospital at Canyon Sunday. He is much improved and plans to move to the home of a sister in a few days.

Mrs. Jeri Lewis and Mrs. W. W. Sursa visited Mr. and Mrs. U. Thomas at Childress Sunday.

**PROGRESS NOTED IN RURAL DEVELOPING PROGRAM**

Real progress is being made under the Rural Areas Development Program, states Dr. R. E. Patterson, dean of Agriculture, Texas A&M College and chairman of the State Resource Development Committee.

Long range Overall Economic Development Programs have been developed by local leaders in Houston, Morris and Red River counties and the Deep East Texas Development Association has submitted an area program which includes Angelina, Newton, Sabine, San Augustine and Shelby counties. The programs from these sources have been reviewed by members of the State Committee, State Technical Panel and have been approved by the Governor's approving agency—Texas Employment Commission. They have been sent to the USDA's Office of Rural Areas Development, Washington, D.C. also for review and approval, the state chairman said.

Local leaders, in developing long range programs, emphasized

the importance of balancing agriculture with community and industrial development, Dr. Patterson said. Their plans describe what local leaders would like their economy to be in the next 5 to 10 years and what is needed to achieve these objectives.

Dr. Patterson reminded that 47 Texas counties have been designated as eligible to receive financial assistance under the Area Redevelopment Act (P. L. 87-27) which is administered by the U. S. Department of Commerce. Specific project proposals have been submitted by several of the eligible counties, Dr. Patterson said. They include requests for loans and grants for water systems, sewerage plants, street improvement, expansion of existing industries, development of industrial parks, and recreational and health facilities.

Every Texas county is eligible to participate in the USDA's Rural Areas Development Program. Secretary Freeman has said it will receive No. 1 priority by the Department.

**BACK DOOR SPENDING**

The federal budgets are coming perilously close to the \$100 billion a year mark. One reason is what is known as "backdoor spending." This is a procedure by which a federal agency may obtain funds for a project or program without previous or later annual scrutiny by the appropriations committee of Congress.

A current example is found in the housing bills, which carry price-tags of close to six billion. As the Citizens Public Expenditure Survey points out, this is a type of spending "over which Congress has little or no say — except to pay the bills as they come due." And that amounts to an abandonment of one of the most important duties laid upon Congress by the Constitution.

If there ever was a time when every item of expenditure demanded the closest examination and control, this is it.

# FARM NEWS

from County ASCS Committee

## NEWLY ELECTED COUNTY COMMITTEE

The meeting of Delegates to the County Convention was held September 29. The following men were elected to serve on the County Committee for this year: 1. William H. Cooke III, Chairman; 2. Horace A. Green, Vice-Chairman; 3. Dennis R. Lindley, Regular Member; 4. Charlie C. Hearn, First Alternate; 5. John Friser III, Second Alternate. The County Committee will meet once every two weeks on Friday.

## OF INTEREST TO BARLEY PRODUCERS

To be eligible for price support on barley from the crop to be harvested in 1962, the following requirements must be met:

1. Divert at least 20 percent of the farm barley base and devote the diverted acreage to conservation uses.
  2. Produce an acreage of barley not more than 80 percent of the barley base for the farm.
  3. If the farm produces corn and/or grain sorghum, the farm must not produce an acreage of these crops greater than the farm base.
- If the producer fails to meet these cross compliance features, he is not eligible to earn payments for diversion of barley ac-

**HOMECOMING BANQUET** Saturday night in College Gym. You can see that Joe Shadle was enjoying himself with a busy left hand.

## ROAD SAMARITANS, SAFE DRIVING CLUB, HOLD MEET

The Safe-Driving Club of Clarendon known as "The Road Samaritans" held their weekly meeting Monday night, October 2, 1961 in their shop, which is the Charlie Speed building. A few weeks ago an article was in this paper concerning the organizing of this club. The club is well underway to being one of the largest and best clubs in Clarendon.

The principal idea behind this club is to promote safe driving. Not only are we going to promote safe driving among the teenagers, but adults as well. We have already cut down some of the speeding and loud pipes. We want the people of Donley County to join in and help us see that our county is made one of the safest concerning accidents on the road in the state and nation.

We are now going to let you, the people of Donley County help us elect our club sweetheart.

There are three candidates for the sweetheart. They are Agatha Wallin, Gay Watson and Paula Adams. Each candidate has three sponsors. These sponsors are different businessmen in Clarendon. They have boxes in their place of business for the girl they're sponsoring. So go into the different business places and vote for the girl of your choice.

As winter is approaching you are probably dreading the icy roads. Just remember this, don't panic while driving on ice or while driving anywhere. Just keep your head and you will save another person's life, as well as your own.

The sponsors for the Sweetheart candidates are as follows: Paula Adams - Clarendon Food.

Gay Watson - Vallance Foodliner, Lee's Cafe.

Agatha Wallin - City Cafe, Mut's Cafe, and Brad and Bill's Recreation Club.

reage to conserving uses. And participation in the special agricultural conservation program is necessary in order to be eligible for price support on the 1962 barley crop.

## 1962 WHEAT STABILIZATION PROGRAM

The 1962 Wheat Stabilization Program is now effective as a result of the approval of marketing quotas. The purpose of this program is to prevent a continual increase in the amount of Government stored and owned wheat by reducing production while providing farmers an opportunity to realize a higher net income. Producers, to be eligible for price support, must comply with the allotment(s) and devote the 10 per cent diverted allotment acreage to a conserving use. Producers may also divert an additional 30 per cent of the allotment and devote such acreage to a conserving use. Payments per acre will be made for the acreages diverted under both the 10 per cent and

30 per cent provisions.

**1961 FEED GRAIN PAYMENTS**  
1961 Feed Grain payments are being made. Please keep in mind that the diverted acreage must not be grazed or have a crop harvested from it in 1961. Spot checks will be made on these farms.

## CONSERVATION RESERVE

The 1961 annual payments for Conservation Reserve land will be made soon after October 1. If this is the last year of your contract, you are reminded there must be no grazing of the area until after December 31, 1961. Anyone who intends to plant a 1962 crop on this land may prepare the land prior to December 31 and may seed a crop if the crop for harvest in 1962 would be normally seeded in the fall of 1961.

Mr. and Mrs. Acie Cleaton and children of Hollis, Okla., visited the week end with Mr. and Mrs. Jack Clifford and son and Mr. and Mrs. Lee Bell and family.

## TWO LOCAL SCOUTS RECEIVE RECOGNITION

Kenneth Price and Freddie McAnear attended the Order of the Arrow at Camp Ki-o-wah near Canadian this past week end. The Order of the Arrow is a National Honor Campers Organization which is affiliated with the Boy Scouts of America.

## SIDDLE STOCKHOLDER IN WEST GAS CO.

Mr. and Mrs. M. P. West are happy to advise the customers and friends of West Gas Co., formerly Noblitt Sales Co., that Virgil Siddle is now a stockholder in the company. Virgil went to work for Ray Noblitt after his discharge from the armed service in 1946. He continued with the new owners when they purchased the business in 1960.

Mr. and Mrs. West are proud to have a man of Virgil Siddle's calibre and ability as a stockholder. We feel that his friends will be happy to know that he has a definite part in the growth and success of West Gas Co. signed, Mr. and Mrs. M. P. West.

Both Freddie and Kenneth, through their experience and interest in camping gained this outstanding recognition. They join only six others from Clarendon who have membership in this Honor Campers Organization.

## DONLEY COUNTY GOLF CLUB MEETING OCT. 10

A general meeting of the Donley County Golf Club will be held Tuesday, October 10 at 7 p.m. in the home of E. A. Tipton. All members are urged to be present as new officials will be elected and other important business discussed.

**West Texas State Sets  
October 14 As Date  
for Homecoming**

Preparations have begun early on the campus of West Texas State College for the biggest annual celebration on the calendar, which for years has always been Homecoming. Date this year is Oct. 14.

The day designed to welcome back to the campus ex-students of WT, will feature the events

which have characterized WT Homecomings of many years. These are club reunions, a parade, barbecue, football game, and a dance.

Registration of exes will begin at 9 a.m. in the Student Union Building and continue until 3 p.m. Reunions of clubs are slated from noon until the parade starts at 3:30 p.m. Barbecue, catered again this year by Walter Jetton of Fort Worth, will be served from 4:30 until 6:30 p.m., and the football game, with the Buffaloes meeting the Arizona State Sun

Devils, will be a 7:30 p.m. The dance is to run from 10 p.m. until 1 a.m.

Tickets for the barbecue will cost \$1.25 each, and the meal will be served in old Buffalo Stadium. Should it rain on Homecoming Day, the barbecue will be served in the cafeteria.

The parade is expected to feature about two dozen floats from college organizations, a number of area high school bands, and several riding clubs of the region. This year a nationally known dance band, Charlie Spivak and

his orchestra, has been obtained for the Homecoming Dance, scheduled in the Ballroom of the Student Union Building. Admission will be \$1.50 a person, and the dance will start immediately after the football game.

WT students will begin the Homecoming celebration on Oct. 12 with their traditional Homecoming assembly program, which is highlighted by the crowning of the 1961 Homecoming Queen. Western Week, when all students and faculty don western wear, also starts that day.

**TO THE PEOPLE OF  
THE 18TH DISTRICT**

By Congressman Walter Rogers

**Speech of the President of Peru**

The President of Peru received more and louder applause from the House of Representatives than has any other visiting dignitary for a long time. The reason—he made a hard-hitting speech against Communism. Although it

was well understood by most of the Members of the Congress that he wanted and expected economic aid and assistance from the United States, it was clear from his words and his delivery that they were not prompted solely by the hope of some economic reward. Another visitor to this country who addressed the House of Representatives a few short weeks ago was President Ayub of Pakistan. He, too, made a hard-hitting speech against Communism. He, too, openly and

clearly stated that his country needed and wanted economic aid and assistance. It was also obvious in his speech that his opposition to Communism was not based upon hope of reward from an economic standpoint. The applause for both of these men was always loud and prolonged when they lambasted the Communist ideology. Perhaps that for President Prado of Peru was greater because his country is in our own hemisphere, although Pakistan is so located geographically that it could be easy and quick prey for the USSR.

President Prado probably received the greatest applause when he spoke the following two paragraphs:

"Now, with regard to non-intervention. This principle is being badly misrepresented by some who would invoke it to permit the destruction of the Inter-American system of free republics by an outside power — namely international Communism. The doctrine of non-intervention is designed to prevent interference by one nation in the foreign and domestic affairs of another, whether this interference be done through infiltration, through propaganda or through the abuse of diplomatic privileges.

"I can report to you that such interference occurred in my country on the part of one American nation which we regard as an agent of foreign ideologies. When such interference was proved we promptly broke off relations with that government — and they will remain broken off until that country is once again able to conduct itself as a free and self-governing American Republic. May that day come soon."

He did not need to name the country to which he was referring. Nor did he need to name the man responsible for the incident. I am sure that we will soon hear loud howls from Castro because of this speech.

Another excerpt from the speech that brought forth tremendous applause was the following:

"My ideological position from the time I first occupied the Presidency is positive, clear, and definitely anti-Communist. I have opposed and I now oppose this conception of the world which degrades man, deprives him of his liberty, submits him to the slavery of the state, robs him of a just wage, condemns him to the common and the anonymous, controls his thoughts, directs his culture and separates him from God. Communism is the negation of America, of its traditions and of its mission for the future. It must be driven out of the Americas!"

You will probably also be deeply interested in the fact that Peru has no diplomatic relations with the governments behind the Iron Curtain. President Prado in 1942 refused to exchange ambassadors with the Soviet Union although both countries were fighting on the same side against the Nazi-Fascist group.

I think that the visit of President Prado to the United States and his hard-hitting speech before the Congress will do much to help cement relations between all of the American States and to further block the insidious and devious schemes of Castro to jeopardize those relations.

**Saline Water**

This letter is being written just after I have returned from the White House. The President signed into law the bill that will enable this country to move with much greater speed and flexibility toward an early breakthrough in the problem of changing sea water into water that can be used for human consumption. Early success in this program could well be helpful in solving many of the world's problems and provide one of the greatest single steps toward peace. The President invited to participate in the ceremonies those of us who had worked with this measure in preparing and developing it, in holding hearings on it and in guiding it through the House of Representatives and the Senate.

 State draft quota for October, calling for 911 men, is 201 less than September call. State Selective Service Director Morris Schwartz reports 6,002 men will be given pre-induction examinations in October.

**A DEADLY TREND**  
 Something that was recently said by Rep. Cannon of Missouri, who holds the key position of Chairman of the House Appropriations Committee, should be read, pondered and remembered by everyone who is interested in the tax problem, the inflation problem—and, above all, the economic strength of this country on which its military strength so greatly depends.  
 Mr. Cannon: "Shortly . . . we will have a budget of \$100 billion a year."  
 "Now, of course, we are not taking in money enough to pay this. We are spending, and we economic destruction.

have been spending during this entire year, every hour, \$1 million more than we are taking in."  
 "I do not have to tell you what that is leading to."  
 "We already owe the greatest peacetime debt in history. We are now paying the highest rate of interest . . . This year we paid in interest alone \$9 billion. Just 21 years ago the entire federal budget was less than that."  
 "We have raised the public debt limit seven times since 1954."  
 This statement requires little comment. The ultimate result, unless relentless brakes are applied to all avoidable spending, will be this. We are spending, and we economic destruction.

**BLOWIN' Out the CORNERS**  
By Uncle Zeb

Being able to disagree without being disagreeable is said to be the goal of our desire to get along with people. Even though sometimes our motives may be selfish just about everyone wants

to make friends in the world. As the years go by it seems to become more difficult for folks to be an individual. To be able to disagree with the masses without being marked up or down as someone bad. This could well become a dangerous trend and lead to our downfall.

Often when there is a radical change in the trend of our government and some folks tend to object they are met with a well of ridicule. Talk of a two-party system will often lead to the expression that the opposition is un-southern or some like unpopular comparison.

In our service clubs, and perhaps even our church congregations we find severe criticism of those who take a stand against anything. They will be marked up as being against the program. Perhaps accused as not cooperating with the elected leaders and even being against God.

If we are to preserve democracy we need to get away from this line of thinking. Loyal opposition

is the lifeblood to any movement. In every directors meeting there is a need for at least one member who will point out the weak points in every project. This will save many serious blunders from ever happening.

The pages of our glorious history are filled with stories of those whose courage led them to take a stand against the popular side.

Love, according to the Apostle Paul is the greatest of all our graces. In our modern day hurry and scurry it is likely the least manifest. It is true that love not only doesn't show in our dealings with our fellowman but likely doesn't exist to any great degree.

It is so easy to love those who do like we want them to. If they agree with us there is no effort at all to having this affection, one toward another. But very often even for them to even believe in the opposing political party makes us bitter enemies.

In our communities we find folks downright disagreeable with their neighbors over some small disagreement. Everything from a dog fight to school district lines can cause folks to fall out. It is a healthy sign when folks differ but the trouble comes when they become difficult in their

getting along together as neighbors.

In the church it is so easy for each one to find the way that seemeth right to him and become so dogmatic in his stand that no one can stand with him. We have heard it called standing so straight that we bend over backwards. It helps to lean forward just a little—especially if our hand is outstretched.

If we love only those who are poured into a mold that we approve, then we are most likely to be a hermit. According to the Bible, if we love only those that love us we are no better than the heathen. The spirit of Him who created us brings a challenge that we do better than we would expect from the animals.

The Fair is always bigger and better . . . At least we hear this until we accept it as the truth. In many ways this is really true. No one would argue with the bigger angle. As to the better part, we might have to think awhile before we could readily see the proof.

But when we look at the agriculture exhibits and know that each variety has year by year been improved. Everything from pumpkins to grain sorghum certainly grows bigger and better each year.

The same is true with the livestock. The cattle breeders are continually on the alert in search of a better animal. In the horse division almost a miracle seems to have happened in the last few years.

Someone has said that the way

to forget all worries is to put on a pair of tight shoes and start walking. A good place to try this out would be up and down the midway. Even the shoes don't have to be tight for one's feet to take up all of their thoughts.

We got the biggest bang out of the educated collection of animals and fowls. We would never have believed that the humble chicken could have been taught such tricks. We had heard that a chicken's brain was very small. Now we hardly believe it. No wonder Mother Goose once wrote a story about Henny Penny and Ducky Daddles.

Our chuckle of the day came from the Gray County exhibit. It was a display on balanced farming practices, and County Agent Foster Whaley must surely be proud of their slogan, "Four Herefords to each oil well." Sounds like a winning combination . . .

**Legislature Amends Texas Motor Vehicle Registration Law**

The last regular session of the Texas Legislature amended the Texas Motor Vehicle Registration Law to allow farmers to register their farm trailers and farm semi-trailers for a \$5.00 fee providing the gross weight is not less than 4,000 or more than 10,000 pounds. Farm trailers weighing less than 4,000 pounds, gross weight, are still exempt from registration by statute. Those exceeding 10,000 pounds, gross weight, must register as a regular commercial trailer.

Captain J. L. Miller, License and Weight Service of the Department of Public Safety, advised however that any vehicle bearing the \$5.00 plate must not: (1) exceed 30 MPH, (2) be operated for hire, (3) have steel or metal wheels in contact with the pavement and it must be equipped with an adequate hitch to remain

secured to the towing vehicle and be operated and equipped in conformity with all other provisions of the law. Violation of any of the above sections of the law nullifies the \$5.00 registration fee and the trailer will be subject to the regular registration fees and penalties prescribed by law.

This does not change the existing law which requires that all trailers or semi-trailers having a registered or gross weight in excess of 3,000 pounds be equipped with clearance lamps, side marker lamps, and reflectors as well as a tail light and stop light, if the stop light on the towing vehicle is obscured.

Captain Miller further stated that all machinery type vehicles, other than machinery used solely for the purpose of drilling water wells and road construction machinery, must now be registered with regular license plates and title applied for. This includes oil field drilling and servicing machinery, regardless of whether such machinery is a unit within itself or is mounted on a conventional vehicle or chassis.

Water well drilling units and

road construction maintenance equipment are required to have either the \$5.00 registration plate or a regular registration plate, depending upon how the equipment is used.

Captain Miller suggested that anyone needing further information should contact their county tax assessor and collector.

Ford introduces for 1962 two distinguished new series: Galaxie & Galaxie/500

Enduring elegance... with the power to please

With Thunderbird styling . . . Thunderbird power . . . and quality craftsmanship that sets a new industry standard . . . the 1962 Ford Galaxies give you every essential feature of far costlier luxury cars.

Swift as a rumor, silent as a secret, Galaxie '62 has the timeless distinction and talent for travel of the Thunderbird that inspired it. Every quick quiet mile whispers: here is a new standard of quality. And every luxurious detail confirms it. This is the car that introduces twice-a-year maintenance. Routine service is

reduced to 30,000 miles on many items such as major lubrications, twice a year or 6,000 miles on the rest. We suggest you see the new Galaxie and Galaxie/500 (shown above) for yourself. We are confident you will agree: it's pointless to pay more—or settle for less.

**Galaxie by Ford**  
Its silence whispers quality

Now . . . twice-a-year maintenance reduces service to a minimum!

CLARENDON, TEXAS

**STATEMENT OF OWNERSHIP**

Management, circulation, etc., required by the Act of Congress of August 24, 1912, as amended by the Acts of March 3, 1933, July 2, 1946, and June 11, 1960, of the Donley County Leader published weekly at Clarendon, Texas, for September, 1961.

State of Texas  
County of Donley

Before me, a notary public in and for the state and county aforesaid personally appeared G. W. Estlack, who, having been duly sworn according to law, deposes and says that he is the Owner and Publisher of the Donley County Leader and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management of the aforesaid publication for the date shown in the above caption required by the Act of Congress of August 24, 1912, as amended by the Acts of March 3, 1933, July 2, 1946, and June 11, 1960.

That the owner and publisher is G. W. Estlack of Clarendon, Texas. That the editor is G. W. Estlack and that the business manager is G. W. Estlack of Clarendon, Texas.

That the mortgagee is J. C. Estlack, Clarendon, Texas.

That the average number of copies of each issue of this publication sold or distributed through the mails or otherwise, to paid subscribers during the twelve months preceding the date shown is 1835.

G. W. ESTLACK

Owner and Publisher Sworn to and subscribed before me this 20th day of September, 1961.

Walter B. Knorrp  
Notary Public.  
(My commission expires 6-1-63)

**NOTICE OF SALE — TEMPORARY NOTES HOUSING AUTHORITY OF THE CITY OF CLARENDON, TEXAS**

Sealed proposals will be received by the Housing Authority of the City of Clarendon, Texas (hereinafter called the "Local Authority") at 110 S. Kearney Street in the City of Clarendon, Texas, until, and publicly opened at, 11:00 o'clock A.M. (CST) on October 17, 1961, for the purchase of \$155,000.00 Temporary Notes (Second Series), being issued to aid in financing its low-rent housing project.

The notes will be dated November 8, 1961, will be payable to bearer on September 14, 1962, and will bear interest at the rate or rates per annum fixed in the proposal or proposals accepted for the purchase of such notes.

All proposals for the purchase of said notes shall be submitted in a form approved by the Local Authority. Copies of such form of proposals and information concerning the notes may be obtained from the Local Authority at the address indicated above.

**SANITARY STANDARDS HIGH FOR MILK**

Sanitary standards for the production of Grade A milk are much higher today than they were several years ago. These higher standards have been brought about by changes in methods of marketing Grade A milk, says A. M. Meekma, extension dairy specialist.

Today, most Grade A milk is cooled and stored on the farm in milk tanks. This milk is picked up every other day. If it goes directly to the bottling plant, some of it is two days old when bottled. Often, however, the milk goes from the farm to storage tanks of marketing associations, where it is held another day before it is sent to the bottling plant. Also, some milk may move to distant markets from these market-association storage tanks, thus adding another day for transit.

After bottling, the milk is usually moved directly to the home or to retail grocery stores. In many cases, it has been in the store for a day when picked up by the consumer. Many housewives keep this milk in the home refrigerator for several days.

Therefore, milk is from four to seven days old when it finally reaches the consumer, points out Meekma. Only a few years ago it was two days old at the most.

Because of this extended time, milk must be of exceptional quality when it leaves the farm if it is to be of high quality when it arrives at the retail store. Many milk marketing associations sell over wide areas of the country, and for this reason they insist that sanitary requirements be high and strictly enforced.

"Quality milk concerns the entire dairy industry," says Meekma. "Quality cannot be overlooked at any point as milk moves from the producer to the consumer. The dairy industry cannot afford to sell consumers an inferior product."

**FADING OUT COMMON LAWN TROUBLE**

Fading-out is a common summer disease of lawn grasses in all areas of Texas. It most often occurs on grasses that have suffered from lack of soil moisture in mid-summer followed by a heavy watering. Fading-out is sometimes called "melting out," "going out" or "gray leaf mold." Irregularly shaped dead areas occur in the lawn. Isolated, scattered sprigs of living grass are usually found in the disease areas. Leaves die back from the tip end. Runners or stems of the grass may have small dead spots. These spots may or may not enlarge and girdle the stem. Roots may be rotted.

The disease is caused by a complex of Helminthosporium, Curvularia and Fusarium species

of fungi. These soil molds are most active following a heavy rain or watering on grass that has previously been weakened by drought. There is an indication that soil nematodes may be associated with fading-out in some cases.

Fading-out is controlled by proper management of the lawn. Proper watering, fertilizing, mowing and aeration are important.

In lawn areas that respond slowly to proper management practices in the summer, zineb or captan fungicide drenches may prove helpful. Use the above fungicides at the rate of 2 to 4 pounds per 100 gallons of water. For small amounts of spray, use 1 1/2 to 3 tablespoons of 50 percent wettable captan or 1 1/3 to 2 2/3 tablespoons of 75 percent wettable zineb in one gallon of water. Wet the grass with the solution down to the soil line. Use a sprinkler can or hose on sprayer for small areas. Apply drench right after mowing. Also, drench the healthy grass beyond the diseased area to a width of several feet. If nematodes are a problem, drench with Nema X, Nemagon or Fumazone as the manufacturer directs.

Local county extension agents can supply additional information. Ask for a copy of B-203, "Home Lawns."

**CHEAP LAYING RATIONS MAY NOT BE ECONOMICAL**

Because of the trend toward larger production units and lower profit margins, egg producers are searching for methods of lowering production costs. Since the cost of feed accounts for over half of the cost of producing eggs, it is natural for producers to look here for means of economizing. The poultryman would be wise, however, to be very cautious about buying cheaper feeds, says Dr. C. W. Deyoe of the Texas A&M Poultry Science Department. A cheap feed may often result in lowered production and therefore, an increase rather than a decrease in the cost of producing a dozen eggs.

The only safe way to reduce feed costs, says Deyoe, is to feed the ration which is most economical while still meeting the laying bird's requirements for energy, protein, vitamins and minerals. Any feed which does not meet these requirements is not economical.

A feeding practice which may be more economical than feeding an all mash ration is the use of a protein concentrate which contains a high level of protein and the vitamins, minerals and other feed additives. This is then mixed with home grown or locally purchased grains to make up the complete ration. The manufacturer's directions for mixing the premix with grains must be followed in order to obtain the correct level of nutrients in the finished feed. If these directions are not followed, the best results from the finished feed cannot be expected, and it would be better to buy a complete laying mash from the feed supplier.

Protein is the most expensive ingredient in poultry rations. Thus, a saving in protein would result in a lower feed cost, points out Deyoe. Recent work at Texas A&M has indicated that proper amino acid supplementation of low protein diets lowers the feed cost of egg production with these diets and more than pays for the amino acids. It is very important, however, that the amino acid-protein balance be correct, because a poor quality protein with an imbalance of amino acids would be poorly utilized.

Proper care should also be taken to insure the laying diets contain the proper level of calcium. Egg shell quality suffers if the bird is not receiving sufficient calcium.

**DONLEY HAS EIGHT RURAL ACCIDENTS DURING AUGUST**

The Highway Patrol investigated 8 accidents on rural highways in Donley County during the month of August, according to Captain J. W. Blackwell, Highway Patrol Supervisor of this area.

These wrecks accounted for an estimated property damage of \$2,590.00.

The rural traffic accident summary for Donley County from January through August of 1961 shows a total of 25 crashes. As a result of these crashes there was one person killed and 11 persons injured. The estimated property damage amounted to \$9,717.00.

With the starting of school the Captain reminds all motorists of the State law regulating traffic in regard to school buses. "The driver of a vehicle upon a high-

way outside of the limits of any incorporated city or town upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle immediately before passing the school bus, but may proceed past such school bus at a speed which is prudent, not exceeding (10) miles per hour, with due caution for the safety of such children."
