Rep. Will Ehrle Reports Everything Ready For Water Hearing

Rep. Will Ehrle, in a phone conversation to the Leader Tuesday, reported that he had checked with the Water Development Board and the State Water Engineers Tuesday morning and that to date there was no opposition and everything was in fine shape for the hearing which will be held in Austin Monday, October 6th.

Rep. Ehrle said that he and Senator Andy Rogers wished to invite all boosters of the water project to be present for the meetings and that they would be on hand to lend any assistance that might be needed.

The various delegations representing the Greenbelt Water Authority will meet with the Water Development Board at 10 a. m. for approval and with the Water Engineers for a construction permit. After the permit is issued, the Water Authority will have to begin construction of the dam on Salt Fork within two years from the date the permit is granted or lose all rights to the water.

Local boosters are rounding up two cars to make the trip and we understand that two cars are planning to go from Hedley as well as representative groups from all the other towns interested in the project.

Wellington Here Tonight Jr. High Colts To Play

The Jr. High Colts will play the Wellington team here in Broncho Stadium tonight, Oct. 2nd with the game beginning at 6:30. They will enter the game with a one lost and a half game won record.

Last Thursday they journeyed to Casadian and tied the Kittens in a hard fought game 6-6. Canadian scored first shortly after the opening kick-off and the Colts came back with a drive that began with a fifty yard run by halfback Gary Campbell. Dwight McAnear, quarterback, carried over for the score. David Hudgins and John Cearley were outstanding in the backfield also.

Coach J. R. Williams announced a change in the Colt schedule and reported that the game with Claude would be played here October 23rd instead of at Claude.

Industrial Foundation Pledges Total \$25,700

Additional pledges to the Donley County Industrial Foundation have boosted the total money pledged toward construction of a building for an industry which would locate here to the sum of \$25,700.00, it was announced early this week.

The additional money was pledged by the following: John H. Jones, Fred's Electric Shop, A. R. Henson, Household Supply, William J. Lowe, Emmett O. Simmons, Farmers State Bank, and The Donley County State Bank.

Because of a shortage of workers, individuals other than local businessmen have not been contacted to date. Local citizens who are interested in getting industry in Clarendon, are urged to contact either C. A. Pitts or Carroll Knorpp to make their pledge.

No word has yet been received by the Foundation from the garment manufacturer who made the inquiry several weeks ago concerning the availability of labor, buildings, etc. in Clarendon.

Frank Phelan, Jr., President of the Foundation, was recently appointed a member of the Texas Industrial Commission, and will attend a meeting of that group in Austin on October 7, 1958. It is anticipated that more industrial prospects will be made available to our local Foundation at this meeting.

The application for a charter for the local Foundation has been filed with the Secretary of State, and approval of the charter is expected shortly.

1959 Oldsmobile On Display Friday

The new 1959 Oldsmobile will go on display at Estlack Machinery Company Friday, October 3rd.

Homer Estlack announced that he would have one of the "98" Series Models for inspection for local viewers on the above date. He reports a complete change in body style and numerous other mechanical changes.

Fire Prevention Week October 5 to 11

Fire losses in the United States last year exceeded the \$1-billion mark for the first time in our history.

Fire Prevention Week, this year, October 5-11, would, therefore, seem to warrant new and special attention from all of us. It deserves our unstinting support—both as a community service and as an active personal defense. Designed to spotlight the urgent need to protect life and property against one of man's oldest enemies, Fire Prevention Week focuses attention on the causes and effects of fire; reminds us that fires can be prevented.

An important weapon of this effort is the national Junior Fire Marshal program, sponsored locally by Mike McCully Insurance in cooperation with the elementary school and the fire department.

Launched in 1947 by the Hartford Fire Insurance Co., the Junior Fire Marshal program is a public service conducted within the schools. Traditionally, the Junior Fire Marshal Fire Prevention Week campaign centers around a home inspection report. The report, which appears in the fall issue of the Junior Fire Marshal magazine, will be distributed by the Mike McCully Insurance on Monday, October 6, to school children here.

To qualify as Junior Fire Marshals, pupils must complete a fire hazard check of their own homes, fill in the home report, have it signed by a parent, and turn it in to the office of Mike McCully at which time they will receive a Junior Fire Marshal Helmet.

The local Fire Department will be open for inspection for all individuals, school classes or otherwise, all next week.

College Evening School Proving Success

The first evening school ever attempted by Clarendon Junior College is getting off to a fast start and is termed successful by the officials of the college. Twelve classes were scheduled at the beginning and seven of these classes materialized with a present total of 58 people enrolled.

The regular day program so far has about the same number as last year. A total of 56 sophomores and 66 freshmen enrolled for an overall day total of 122.

Night school enrollments are distributed among seven classes: Typing and Mathematics being taught on Monday nights; Business Law, State and Federal Government being offered on Tuesday nights; Chemistry and Accounting meeting on Wednesday nights; and Art and Creative Hobbies temporarily assigned to Thursday nights.

Dean Abel has granted an additional week for late enrollments in some of the sections which have not enrolled the minimum required number. These include the Chemistry Class, the Accounting Class, Mathematics, Art, and Government. The Dean urges any person in the area who is interested in one or more of the above classes to contact him and get your enrollment and application for admission approved at once.

The Dean reports that not only are all the students working hard and in lengthy class sessions, but thoroughly enjoying the challenge that is before them, and that he feels that there are others that would like to join them before the closing of the enrollment in all classes.

LEGION MEETING ANNOUNCED

Commander Ray Moore announced that the regular monthly meeting of the American Legion would be held Tuesday, October 7th at 7:30. All members are urged to be present.

Plans Shaping Up For Hedley's Annual Cotton Festival

The nineteen girls competing for Cotton Festival Queen at Hedley will be on KGNC TV Channel 4 at Amarillo Saturday afternoon at 2 P. M. With them will be Festival Queen Mary Baker and the Cottonettes, an all girl quartette. They will also be on the stage at the Hedley Theatre Friday night.

Clifford Johnson reports that events are coming in fast for the Festival Friday and Saturday, October 10-11th and that the Friday and Saturday night programs are now full.

Starting at 7 P. M. Friday night will be the Old Fiddlers contest under the direction of Milt Mosley. Following will be Square dance exhibitions and the Grand March. Wallace Raney will be in charge of this. He has secured Oren Bailey's Square Dance band from Altus, Okla. for the music and Milton Beasley of Memphis to do the calling. Free street dancing will finish out the night and the program. J. B. Yates and his band will play both nights of the Festival.

Saturday night at 7:00 will be a Minstrel Show. The Queens coronation and command performance for the Queen will start at 8 P. M. Street dancing will round out the nights performance.

Events for the two days programs are coming in fast but still more are needed. A big crowd is expected and the Hedley people want them well entertained stated Clifford Johnson, Hedley Booster Club President.

Donley Swine Breeders Win at Amarillo

Donley County Swine breeders captured a number of the top spots at the Tri-State Fair last week. Milton Mann exhibited the 1st place fall Spotted Poland China female, the junior champion, and grand champion Spotted Poland China sow. W. S. Ballew swept the honors in the young breeding stock in the Hampshire breed. He exhibited the 1st place junior gilt and junior boar spring pig, 1st place senior spring pig and 1st senior spring boar, and 1st fall sow. His entries won junior champion sow, junior champion boar, and grand champion boar.

W. H. Cooke, III, exhibited the junior champion berkshire sow, the reserve grand champion berkshire sow, and third place senior fall boar pig, and third place junior yearling sow. Bobby Longan had the second place junior chester white gilt, and James Mahaffey exhibited the third and fourth fall duroc boars and sows. Lynn Rampy exhibited the second place berkshire fall boar and placed in each of the group classes.

Cong. Walter Rogers To Speak To PTA October 16th

Congressman Walter Rogers will be the guest speaker for the local PTA on October 16th. This engagement was confirmed in a telephone conversation between Mrs. Fred Chamberlain Jr. and Cong. Rogers Tuesday.

The Congressman will speak to the PTA group at 7:30 p. m. on that date and the public is invited to meet Cong. Rogers at an informal get-together at Patching Club House from 5:30 to 7 p. m. that afternoon.

SWEET POTATO GROWERS ASSOCIATION TO MEET

It has been announced that The Donley County Sweet Potato Growers Association will meet tonight, Thursday, October 2nd at 7:30 in the County Agent's office. All persons interested in the Sweet Potato business is urged to attend.

Hedley Judging Team Leaves For Iowa

The State Championship Dairy Products judging team from the Hedley F.F.A. chapter, left Saturday, Sept. 27th for Waterloo, Iowa, where they will compete for National honors. Teams from 48 states, Porto Rico and Hawaii were scheduled to participate in the contest which was scheduled for Sept. 30th.

The team consists of Billy Wiggins, Douglas Owens and Leroy Pullum and the alternate, W. A. Jenkins Jr. The group was accompanied on the trip by their advisor, Doyle Messer.

New Post Office Hours Announced

Postmaster Ray Moore announced yesterday that permission from the Regional Office had been received whereby the local Post Office may have longer window hours.

Beginning Monday, October 6, at least one window will be open at 8 o'clock regardless of whether all mail is put up, so the new hours at the Post Office will be 8 a. m. to 5 p. m.

This service was curtailed in 1957 at which time the Regional Office placed the opening hour at 8:30 a. m.

F.F.A. Boys To Attend State Fair at Dallas

Approximately fifty members of the Clarendon Future Farmer Chapter plan to attend State F.F.A. Day at the State Fair, Saturday, October 4th. The group will leave by bus immediately after the Panhandle game Friday night and drive to Dallas, spend Saturday at the fair and return Sunday.

The group will have an opportunity to attend a special matinee of the ice show, the Notre Dame-SMU football game, and view the many departments at the fair. The boys will be guests of the State Fair for the noon meal Saturday. The trip is an annual event for members of the local chapter and is enjoyed by a large number of the local youths each year.

Mr. and Mrs. W. E. Hodges spent the week end with her daughters, Mrs. Davis and Mrs. Chaney, at Odessa.

BRONCS TO MEET PANHANDLE HERE FRIDAY NIGHT, 7:30

New Equipment Added At Adair Hospital Thru Memorial Fund

The Adair Hospital Memorial Fund recently purchased a new basal metabolism apparatus which was donated to and installed in the Adair Hospital.

The new equipment, acquired at a cost in excess of \$600.00, is a Liebel Flarsheim Basalmeter and replaces an outmoded unit which was previously used by the hospital laboratory. A distinctive feature of the new machine is direct reading of results, greatly reducing possibilities of error in calculations.

Announcement of the gift was made by Walter Taylor, officer of the Memorial Fund. The Fund was originated in 1956 in memory of J. R. Porter, who was Hospital Board President for many years. Since that time the Fund has been added to by various gifts, made in memoriam to friends of the hospital.

Former Resident Dies In Crash Near Littlefield

Ben Jordan, 23, of Friona, was injured fatally in a two-car collision near Littlefield Monday and his wife and two children, Beth 2, and Ben Jr., 11 months, escaped serious injury. Driver of the other car, Dale Wayne Rhodes, 17, of Littlefield, died in the accident also. Jordan is a former resident of Donley County and lived with his parents in the Martin community prior to moving to Friona in the early 40's.

Patrolmen said the accident occurred when Rhodes turned his head toward the back seat of his car where his passengers were "clowning". As he did so, his car crossed the center stripe of the highway and veered into the left side of the oncoming Jordan automobile.

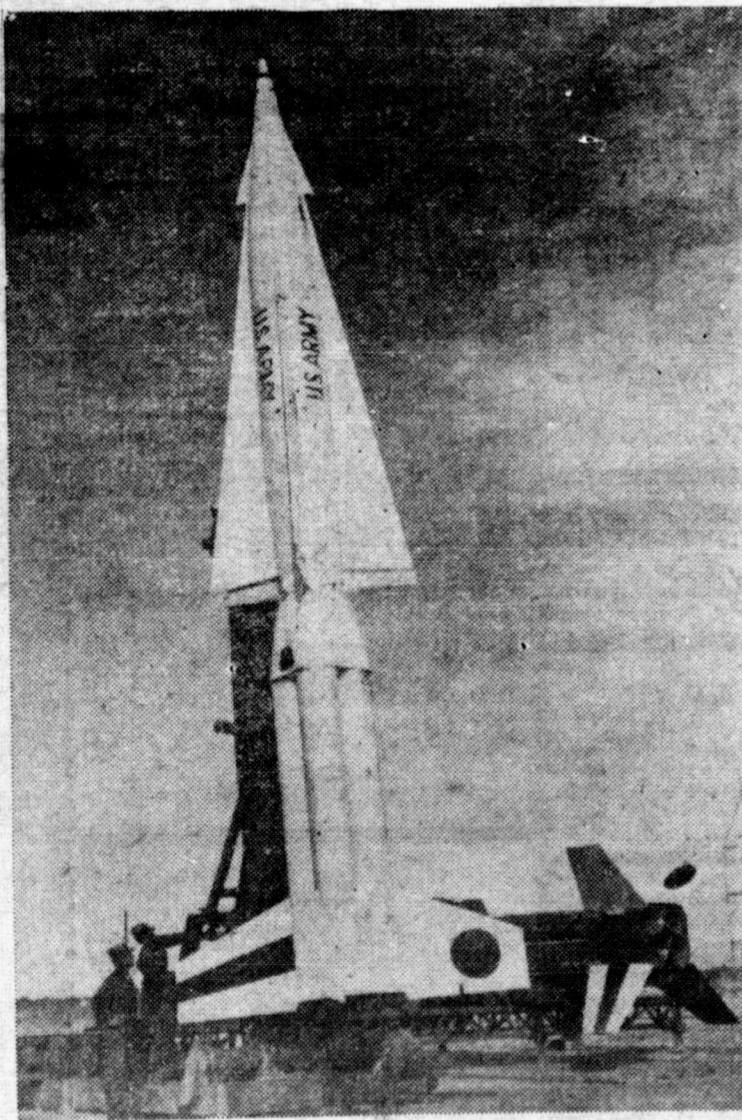

Funeral services for Ben Jordan were held Wednesday afternoon in Friona.

Among the survivors other than his wife and two children are his parents, Mr. and Mrs. Virgil Jordan of Friona and his grandmother, Mrs. J. H. Easterling of Clarendon.

Howdy, Pardner, Welcome to the Fair

"Big Tex," the towering 52-foot cowboy statue who rules as the symbol of the great State Fair of Texas, is ready to welcome some two-and-a-half million visitors to the giant exposition in Dallas, October 4 through 19.

NEWEST PLANE KILLER—Publicly triggered with deadly effect at White Sands Missile Range recently, the Army's Nike-Hercules has already, as of early July, begun to replace the Ajax at sites in the Chicago, New York, and Washington-Baltimore areas. Unlike Ajax, it can carry a nuclear warhead.

The Clarendon High School Bronchos will entertain the Panhandle Panthers here Friday night in the first District 2-A Conference game for both teams. Game time will be 7:30 instead of the usual eight o'clock starting time. All remaining games will begin at 7:30.

The Bronchos have gone down in defeat in each of their first four starts, while the Panthers have one win, one tie and two defeats. Since their opening 40 to 0 defeat at the hands of Gruver, the Panthers have been improving fast. In their second game they lost to Childress 14 to 12, then tied the powerful Stinnett Rattlers, 14 to 14, and last week defeated Sunray by a score of 34 to 13. The Bronchos, on the other hand, have lost four straight, having been blanked in their last three outings. Stinnett defeated the Bronchos in the first game 14 to 6, then Spearman handed them an 8 to 0 loss followed by an 18 to 0 shellacking at the hands of Gruver and then last week's 6 to 0 loss to Turkey.

The Bronchos have been playing good defensive ball all season but so far have failed to get their offense clicking. Inexperience tells the story when the going gets tough down around the enemy goal line. For this season, the young Bronchos have been stopped five times inside their opponents ten yard line.

Coach Tom Jinks has announced that the spirit of the boys this week is unusually high considering their four straight lickings. A few changes have been made in the line-up for this week's game which the coach feels will help the defense and he hopes will make the offense click. The probable starters at this time seem to be Wayne Mann and Charles Percival at ends; Ted Weatherly and Lynn Spier at tackles; Ronnie Tyra and Milton Mann at guards, and John Richerson at center. Neel Carter will get the call at quarterback with Dewey Wilson and Darrell Leflew at halves and John Morrow at fullback.

The two big changes in the line-up is the switching of Weatherly from halfback to tackle and inserting little Neel Carter in at quarterback. Weatherly manned a tackle post last season but was converted to a halfback at the beginning of this season. Morrow played quarterback the first game against Stinnett, but Leflew has been handling the signal-calling chores since that time. However, Carter, although small, is improving fast and has convinced the coach that he is ready. This will enable Coach Jinks to move Leflew, one of the better ball carriers on the squad, to a ball-carrying position.

Other players who are sure to see action Friday night include Bill Hermesmeyer, Jerry Gray, Bob Schull, Dennis Bradshaw, George Mays, Phillip Abel, Don Hudgins and James Kay.

Palmer Motor Co. Has New Personnel

Ray Palmer announced the addition of three men to his personnel this week.

T. H. Bass of Maysville, Okla. has joined his staff as manager of the Parts Department and Mack Butler of Borger and Frank Wooten of Dallas are his two new salesmen. All three men have been associated with Ford products for a long number of years, Palmer stated.

Just as soon as living quarters can be arranged, Wooten plans to move his family here from Dallas. Besides his wife, he has a daughter, Pat 18 and a son, Buddy 13. Mr. and Mrs. Butler have moved back to Clarendon also. Mack has been a resident here at various times for a long number of years.

Mrs. J. C. Ashcraft and Fern visited Monday morning with Mrs. M. W. Hatley.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

A complimentary copy of "The Word" which is a philosophy of works written by Edna Sarah Beardsley was received this week.

A friend gave us a copy of "In My Father's House" by Grace Nies Fletcher. This is a delightful story of a "Courageous American Minister" and his family. He lived close to God and brought faith to thousands. You will be happy to read it as its inspirational and promotes thought.

There are two copies of Miss Laura V. Hamner's "Light 'n Hitch" on our shelves. One was given in memory of Mr. Mitch Bell and the other in memory of Mr. J. H. Hurn. It has very attractive front pages and inside is a map of the Panhandle counties and the back is the various brands. Infact, you will find the entire copy typical and artistic in regard to the Panhandle. Read Lord Macconley's quotation on the title page. The print is a very clear type in brown tones.

"The Evidence of God In An Expanding Universe" by John Clover Monsma was given by the 1926 Book Club in memory of Mr. Hurn. The writer was train-

ed for the ministry and ordained.

He studied extensively in his post graduate studies, but almost immediately afterwards became an author and journalist. He has written for a large number of national magazines and daily newspapers, and for the past 20 years he has been broadcasting over a Chicago station.

For little people we have "Honey Bunch — Her First Trip on the Great Lakes." We have only a few of this series. Some enjoy them immensely.

The resolution of the Continental Congress in 1775, which authorized the original two battalions of Marines, further specified that the personnel selected be "good seaman or so acquainted with maritime affairs as to be able to serve to advantage at sea."

"The Dust Bowl has caught the attention of the whole Nation: Four million acres, an area two-thirds the State of Maryland, exclusively of its water surface, practically ruined - - 60 million more acres going. That is bad. It represents a waste so stupendous that the human mind is incapable of comprehending it. Yet water erosion has ruined eight Maryland - - and another 300 million acres have been in some part hurt."—Gerald W. Johnson in the Baltimore Evening Sun, 1936.

PLOWIN' Out the CORNERS

by Uncle Zeb

Just when we were thinking about the freedoms which we have given up in order that we might have more security, we ran across the following lines by Emerson.

"For what avail the plow or sail, Or land, or life, if freedom fail." Reckon what kind of expression Waldo would use if he were alive today?

The other night we were watching a fountain pen ad on TV and the sales talk was about a piggy bank refill. It seemed that soon as you used one end of the filler you unscrewed one from the other end and put it in front and there you were ready to go again. The only thing that seemed to complicate things for me was why it had to be divided in the first place. It could have been a big pig and been as long as both to begin with and you would have saved the change over.

Do you remember the following little poem? Perhaps you committed it to memory years ago.

"Hearts like doors, will open with ease

To very very little keys; And don't forget that two of these Are "Thank you sir" and "If you please."

Speaking of memorizing poems we wonder if students still have to do this in school. Personally we think that it was a good thing. We sure did dread it sometimes. I still remember the sweating we did over 28 lines from Chaucer or some other Englishman. Most of all I remember the poem IF by Kipling. It has brought me help many times.

Recently we visited the fair. The one they always say is big-

CHAMBERLAIN NEWS

Mrs. A. O. Hott

Mr. and Mrs. Robert Smith of Amarillo visited Mr. and Mrs. Alford Ivey and Janie Sunday.

Mr. and Mrs. D. B. Koen of Memphis visited Mr. and Mrs. D. R. Lindley Sunday afternoon. Mrs. R. M. Webb and Billy Waddell were dinner guests of Mr. and Mrs. Alton Webb Sunday.

Mr. and Mrs. Henry Mann and Mr. and Mrs. Richard Dingleger and better than ever this year. Usually, it is bigger but sometimes we almost want to argue with the better angle. Take for instance this year; the wife and I always visit the Art department.

Sometimes I wonder why, especially after this trip. Honestly, this modern art has me baffled. Makes us wonder what we humans are coming to. Really, we think we are a patient man and always try to see the other fellows view point, but this trip just about made us flip.

When music hit its low in rock 'n roll we held our peace. Let the boys and girls hop and pop if they want to after all it is good exercise. Maybe it keeps them from worse things. So we never for once complained. We just tuned in Perry Como or Bing or Lawrence Welk when we wanted music and let the young fry keep cooking on the so-called "Front burner".

Then, when the sack dresses hit a new high both in length and shape we almost kept quiet.

But, on this subject of Modern Art we are shook. Not so much because of the exhibit because we can stay away from those. But what perplexes us most is what goes into the thinking that makes we Americans go along with such thinking and doing.

Honest injun we looked and we looked and we couldn't make nothing else out of one but that someone kicked the paint bucket and spoiled the picture. Surely something must have been underneath someplace. Another looked like one had cleaned up about a dozen brushes all on the same sheet of paper. If they put some of this stuff in the World's Fair small wonder we got laughed at. I'm still bewildered.

1959 Oldsmobile To Go On Display Here October 3rd

Homer Estlack of Estlack Machinery Co. announced today that

the 1959 Oldsmobiles will go on display in his showroom at Clarendon, beginning Friday, October 3rd.

The 1959 Oldsmobile will feature two new family-size body styles, two completely new and more efficient Rocket engines, increased passenger and luggage

space, new Air-Scoop brakes on all four wheels and many other advancements, according to Jack F. Wolfram, general manager of Oldsmobile and vice president of General Motors.

"Oldsmobile for 1959 represents the most outstanding product in Oldsmobile's history in styling, quality and value," Wolfram stated. "And our two new Holiday Scenicoupe and Holiday Sports Sedan, a four-door sedan and a convertible. In the Dynamic '88' series, in addition, there is a two-door sedan and a Fiesta station wagon. The Fiesta is also built in the Super '88' series.

All models are marked by their thin rooflines, with increased passenger compartment roominess and comfort. Shoulder room has been increased over four inches and yet the overall width of the car was increased less than an inch. Rear seat passengers have over an inch more leg room in the Dynamic '88' and Super '88' series. Trunk space has been increased up to 64 percent. In the '88', a new larger body, distinctively Oldsmobile, gives rear seat passengers 4 inches more leg room.

The trim, tasteful beauty of Oldsmobile's new "Linear Look" for 1959 is apparent at first glance from the completely redesigned body and wide-spaced four-beam headlamps set within a full-width grille of anodized aluminum.

For maximum protection, the rectangular patterned grille is deeply recessed under the hood and well behind the leading edge of the bumper. Oldsmobile identification appears in bold block letters across the center of the grille. The new, circular parking lamps are located between each

pair of headlamps which provide better lighting from their new wide-apart spacing and closer-to-the-road location. Sculptured twin booms sweep full-length along the body to give the car a look of mobility even when parked, and also serve as the key area for Oldsmobile's unique two-toning for 1959. Oldsmobile will offer 15 exciting exterior "Magic Mirror" color finishes for 1959. These exceptionally durable acrylic base paints, formerly optional at extra cost, are now standard finishes on all models.

Smart, new interiors including upholstery and appointments will complement Oldsmobile's new exterior styling which, as Wolfram said, "is entirely different than anything we've done in the past, with clean lines, yet still exciting, brilliant and distinctively Olds."

To match the spectacular advances in styling, Oldsmobile for 1959 has developed two of the most responsive and economical Rocket engines since the first high-compression Rocket was introduced by Oldsmobile in 1949. Both are smoother and quieter in operation with a new cylinder block, having longer cylinder bores, new reinforced aluminum pistons, connecting rods with greater bearing area, a larger intake valve and a more rigid crankshaft.

Equipped with a two-barrel carburetor, the new engine powering the Dynamic '88' series is rated at 270 horsepower with 390 lb. - Ft. of torque. The Super '88' and '98' series are powered by a new Rocket with four-barrel carburetion which develops 315 horsepower with 435 lb. - ft. torque.

District Scout Camporee Set For October 3-4th

Boy Scouts and Leaders of the Comanche District will participate in a Roundup Camporee which will be conducted on October 3, 4, 1958 on Gageby Creek in North Wheeler County. Scouts and Leaders from every Troop in the Comanche District are expected to participate. The new Scouts who are being brought into the Troops are especially invited.

Highlights of the Camporee will include such items as, A Grand, fun packed Wide Game, a Lost Boy Hike with First Aid problems in conjunction, Cooking demonstrations, Fire Building, Axemanship, Packing and Personal Equipment demonstrations, a Cooking Contest and as the final event a Big Campfire where the new Scouts will be welcomed into Scouting in the Adobe Walls Council.

The Roundup Camporee is being set up under the guidance and direction of Clyde Price Jr. of Clarendon, Camping and Activities Chairman of the Comanche District.

A Marine battalion accompanied George Washington on his crossing of the Delaware near Trenton, New Jersey and fought in the battle of Assanpink, January 2, 1777.

Four cooperators in the County Soil Conservation are planning to construct livestock ponds. These cooperators are Bill Reeves of M. T. C. D'Spain of Alanreed, Skelton of Clarendon, and ley R. Kelly of Claude Ponds are in various stages of construction. The building of ponds will bring the total number of ponds to over 550 in the district.

The primary purpose of construction is to provide for livestock. Additional benefit from the building of ponds be obtained in the form of erosion control, wildlife habitats, production, fire protection, farm roads or cattle crossing.

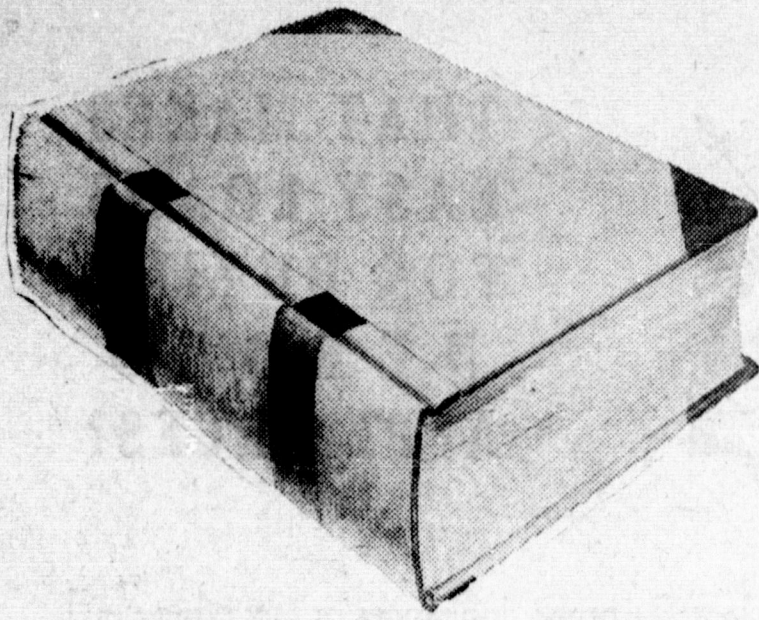

Most ponds being constructed in the District are being built with scrapers or bulldozers local contractors.

Richard Finch and Ed Dishman, local Soil Conservation Service technicians staked ponds for the cooperators.

The American Flag was raised over the Philippines detachment of Marines took possession of Cavite on 3, 1898.

PATHFINDER

Pathfinder convened Friday afternoon, September 26, at Patching Club House. Mrs. Bill Greene presided. In the business session Mrs. Berkeley SoRelle was elected to membership. It was agreed that Pathfinder would co-operate with the other clubs in sponsoring an autograph party for Laura V. Hamner.

Sandra Barnhill Johnson entertained with a piano solo, Clare De Lune, DeBussey. Bill Lowe was guest speaker for the afternoon and his subject was "Taxation." This was a most interesting and informative program.

The hostesses, Mrs. J. H. Howze and Mrs. Gary Barnhill served refreshments to Mesdames Lena Antrobus, George Benson, W. H. Cooke III, Ed Dishman, Bill Greene, Wm. S. Greene, Clyde Hudson, Bill Jones, C. B. Morris, Forrest Sawyer, Dick Shelton, Wm. J. Lowe, and W. T. Clifford. —Reporter.

BETA SIGMA PHI

Mu Gamma Chapter of Beta Sigma Phi met at Patching Club House Thursday evening, September 25, at 8 p. m. After the business session, Evelyn Yeates and Marilyn Simpson presented the program on "Oratory." Guest speaker was Jane Leathers.

The hostesses, Beth Bennett and Catherine Cain served pie and coffee or Coke. The raffle was won by Beth Bennett.

Attending were Beth Bennett, Jane Bownds, Catherine Cain, Pat Cornelius, Jo Ann Davis, Bert Garland, Annette Hardin, Frankie Henson, Ann Hommel, Ruth Hudson, Frances Long, Evelyn Mann, Mrs. C. B. Morris, Juanita Phelps, Mary Neal Riskey, Marilyn Simpson, Lee Tyler, Melba Vaughan, Evelyn Yeates, and our guest, —Reporter.

MARRIAGE ANNOUNCED

Mr. and Mrs. J. C. Heathington announce the recent marriage of their daughter, Nellie Jon, to Dan Calvin Baldwin, son of Mr. and Mrs. W. W. Baldwin of Plainview, Texas.

Vows were exchanged at Abilene, Texas in the home of the Rev. and Mrs. John A. English. Rev. English, former minister of the First Methodist Church here, read the vows.

The couple are at home at 747 Mulberry St., Abilene, Texas, where Mr. Baldwin is employed as a geologist for John H. De Ford. Both are spring graduates of West Texas State College, Canyon, Texas.

JR. H. D. CLUB

The junior Home Demonstration Club met at Patching Club House Thursday afternoon, September 25, with the meeting called to order by the president, Gladys Blackburn. Wilma Spier led the club motto, pledge, and prayer.

The program was given by Sadie Head and was titled "Removal of Stains." Many helpful suggestions were given.

Refreshments were served by the hostesses Ona Tatum and Clara Finley. —Reporter.

LELIA LAKE M.Y.F.

We were opened with prayer by Jerry White. There were 8 present. Program was on "Pray for What Concerns You." We were dismissed by M.Y.F. Benediction. —Reporter.

MYSTIC WEAVERS CLUB

The Mystic Weavers Club of Lelia Lake will have the first meeting of the season on Oct. 8 with Mrs. D. M. Cook with sack lunch. —Reporter.

THE W.S.C.S. OF LELIA LAKE

The W.S.C.S. of Lelia Lake Methodist Church met in the parsonage Tuesday, Sept. 23 at 4 o'clock with Peggy McDonald as hostess. The meeting was opened with prayer by Mrs. Norma Chamberlain followed with a song led by Daisy White. Mrs. Will Mace gave the scripture lesson from Luke 10:25-37. The topic of the lesson was Christian Concerns of North American Neighbors taken from the program book. Mrs. J. B. McDaniel was in charge of program and introduced our study which will begin the next meeting Oct. 14. Alaska, Hawaii, Mexico and Canada will be the countries to be studied. All members are urged to attend these meetings and learn of our neighboring countries. Mrs. Butler gave a talk on Alaska; Mrs. Noble gave a talk on Hawaii, Mrs. Chamberlain on Mexico, and Mrs. McDaniel on Canada and the United States. Group was dismissed with W.S.C.S. benediction.

Refreshments of cookies and punch were served to the following members: Mrs. Lacy Noble, Peggy McDonald, Mrs. J. B. McDaniel, Mrs. Norma Chamberlain, Mrs. Daisy White, Mrs. Anita Thurman, Mrs. Rachel Butler, Mrs. Earl Myers, and Mrs. Will Mace. —Reporter.

PRESBYTERIAN WOMEN

Circle No. 2 of Presbyterian Women met Wednesday afternoon, September 24, in the home of Mrs. Ed Dishman. Lessons were brought by Mrs. D. E. Stevenson and Miss Mable Mongole.

Present were Mrs. Fred Chamberlain, Jr., Mrs. Kelly Chamberlain, Mrs. Ed Dishman, Mrs. C. L. Green, Mrs. D. E. Stevenson, Mrs. SoRelle, and Miss Mable Mongole. —Reporter.

MIDWAY CLUB

Our club will hold the first meeting with Marjouria Hensley October 7th. Bring a covered dish to this meeting. Pollyanna gifts will be exchanged. It will also be election of officers. Everyone try and be present.

Mr. and Mrs. W. E. Hodges visited Wednesday last with Charles Wood at Lubbock.

'THE MUSIC MAN' COMES TO THE FAIR

"The Music Man," starring Forrest Tucker and Joan Weldon, will be the Music Hall attraction during the 1958 State Fair of Texas, Oct. 4 through 19, in Dallas. The prize-winning Broadway smash hit musical comedy will have 24 performances during the State Fair.

LELIA LAKE SCHOOL NEWS

The Tri-State Fair at Amarillo was big news for students last week. Many were in attendance, and three vocational agriculture students and their instructor, Frank Claborn, stayed long enough to get pretty well acquainted. Lynn Rumpy showed the second-place Junior Spring Berkshire boar; won fifth place in get-of-sire; and fifth in produce-of-dam. Jerry Shields showed the tenth-place winner of Duroc Barrows. Bobby Reed was also in attendance with them. —M. R. Mathis

LEADER CLASSIFIEDS G-T RESULTS

J. F. Mann's Observe Golden Wedding Anniversary

On Sunday afternoon, September 28, Mr. and Mrs. J. F. Mann of Hedley observed their Golden Wedding anniversary. Long-time residents of Donley and Hall Counties, they were married in Hemming, Texas, Cook County in 1908.

The four tiered white and gold cake was topped with decoration symbolizing the occasion—bronzes, mums, silver and crystal appointments completed table decorations. Fall flowers were used throughout the house.

Registering the guests were Mrs. Henry Moore; displaying the gifts, Mrs. Ross Springer and Mrs. John Baird; and alternating in the serving of the cake, fruit punch and coffee were Mrs. J. C. Stepp, Mrs. Peggy DeBord, Mrs. R. C. Duggin, Mrs. Charlie Johnson, Mrs. Connie DeBord, and Mrs. Leonard Baggett.

In the receiving line along with Mr. and Mrs. Mann were four of their five children. They were Mrs. Royce Logan and Mr. J. P. Mann of Santa Maria, Calif.; Mrs. Loman Henry of Wrenatche, Washington; and Mr. Floyd Mann of Paris, Texas. Woodrow Mann, another son, stationed with the Marines in Cherry Point, N. C., was unable to attend but called during the receiving hours.

Only two of their 10 grandchildren were present, Mrs. Buddy Moryan and Mr. James Mann of Paris, Texas, and two great grandchildren, Michael and Mickey, children of Mrs. Moryan.

Three sisters of Mrs. Mann were present, Mrs. B. O. Yeakley and Mrs. Cora Herndon of Gainsville, Texas; and Mrs. Mary Cox of Morton, Texas. Other relatives in attendance were Mr. B. O. Yeakley of Gainsville; Mrs. Dean Mann Loerwald and daughter, Mr. and Mrs. Bill Block and son of Plainview; Mr. and Mrs. Fred Collett of Hereford; Mrs. James Mann and Mrs. Floyd Mann of Paris, Texas; Mrs. Truman Doss of Morton, Texas.

Approximately 150 guests attended. —Reporter.

Methodist Men's Club Entertains Teachers

The Methodist Men's Club entertained the teachers of the Clarendon Public Schools and Junior College at the First Methodist Church on Monday night of this week. The teachers were honored with a delicious meal which was followed by a program.

The program under the direction of Mrs. Frank Phelan, was opened with a welcome address by Mr. C. E. Bairfield, the president of the club, who in turn introduced Mr. W. W. Pinkerton, Superintendent of Schools and President of the College, who gave the response.

The program consisted of two piano solos by Robert Moss, one piano solo by Janice Smith, an accordion solo by Robin Green, a trombone solo by Philip Abel, two vocal solos by Wanda Ryan and two numbers by the Methodist Quartet.

Robert Moss played "In the Hall of the Mountain King" by Greig, and "Rhapsody" by Maxwell Eckstein. Janice Smith played "The Hungarian Market Place" by Louise Christian Weidman; Robin Green played "El Espoñala" and Philip Abel played "Romance." Wanda Ryan sang "If I Were the Only Girl," and "Toyland." The quartet, composed of Mrs. T. M. Caldwell, Jr., Mrs. Ray Moore, Clyde Hudson and Philip Abel, sang "At Jesus' Feet," and "Saved by Grace." Miss Mantie Graves accompanied Miss Ryan and Philip Abel at the piano and accompanied the quartet at the organ.

Rev. Conrad M. Ryan, pastor of the First Methodist Church, closed the program with words of appreciation for the teachers of the school system and also expressed his appreciation to the Men's Club and other members of the Church for their splendid job of preparing and serving the meal and to the program director and those who performed on the program for their job well done.

Mr. and Mrs. D. S. Smith spent the week end with Mr. and Mrs. Woodley Richerson at Phillips.

18 CHS Graduates Enter College This Fall

Clarendon High School is annually one of the top schools in the state as to the percentage of its graduates who attend college. This year is no exception as 18 of the 24 graduates of last spring, or 75%, have enrolled in college this fall. Ten have enrolled in Clarendon Junior College, two at West Texas State, and one each at Texas Tech, the University of Houston, Wayland College, Texas Christian University, North Texas State and North Texas Agricultural College at Arlington.

The valedictorian of last year's senior class, Beth Gillham, is attending Texas Tech where she is majoring in Home Economics. This semester she is taking three courses in the Home Economics Department along with chemistry and English.

Walter Knorpp attended Southern Methodist University this summer but has transferred to Texas Christian University at Ft. Worth this fall. Walt made almost a perfect score on his entrance mathematics examination at T.C.U. and was invited by the head of the mathematics department to take their mathematics course number 317-AI which is open only by invitation. This course consists of calculus, analytics, trigonometry and advanced algebra. He is majoring in business and is currently taking, in addition to the math course mentioned, English, a business course, geology, a course in religion and physical education.

Keith Hudson is attending the University of Houston where he is taking a pre-optometry course. Keith did quite well on his entrance examinations, scoring 98 in chemistry, 96 in mathematics,

85 in English and 76 in history. He is taking English, Algebra, psychology, chemistry, history and physical education.

Other students who are away from home going to school include Linda Lemons at Wayland College, Plainview; Don Taylor, North Texas Agricultural College at Arlington; Claude DeBord at North Texas State College at Denton, and Dianne Moore and Jerry Behrens, both at West Texas State College at Canyon. So far, no report has been received from these colleges concerning these students.

Graduates of last spring's class who are attending Clarendon Junior College include the salutatorian of the class, Clifford Beard, and Jimmy Graham, Jerry Tidrow, Glenn Reeves, James Mahaffey, James Graham, Elbert Swearingen, and Richard Vallance. Bob Bell is enrolled in the night school here at the college. All these students attending college here are doing well at this writing.

1958 Fall Membership Roundup For Scouts

Each Cub Scout, Boy Scout, Explorer Scout and Scout Leader of the Adobe Walls Council, and especially the Comanche District, are looking for a character known "Elusive Elmer". "Elusive Elmer" has been pictured as a fiery eyed steer wearing a broken down cowboy hat. In reality he is a boy between the ages of eight through sixteen who is not yet, but would like to be, a Cub Scout, Boy Scout or Explorer.

The 5,800th boy who joins a Scout Unit in the Adobe Walls Council between September 1 and December 15 will be given the distinction, and honored, as "Elusive Elmer". He will be presented with a complete Scout Uniform and will be the Guest of Honor at the next regular meeting of the Council Executive Board.

As further attractions to the Fall Membership Roundup, each boy who recruits another boy will receive the Roundup Patch which he wears on his Uniform. Each Cub Pack, Scout Troop and Explorer Post are also working towards awards for the Units. Each Unit that recruits as many as Five New Boys receives the large Unit Roundup Award. Each Unit that is able to recruit 20% of its September 1 membership receives a large 20%er Award.

Mr. and Mrs. Will Young of Waco spent Friday night in the home of Mr. and Mrs. F. E. Caraway. They were enroute home after a visit in Portland, Oregon. Mrs. Young is a cousin of the Cararays.

Saturday, Oct. 11 Will Be Annual Homecoming Celebration For WTSC

CANYON — Preparations are underway for West Texas State College's annual Homecoming celebration, which will be observed here Saturday, Oct. 11.

Most events will be similar to those held for the past few years at WT homecomings, with only a few changes in the calendar. The football game between WT's Buffaloes and the Texas Western Miners will climax the day's events at 8 p. m.

Planned this year are departmental open houses from 2 until 4 p. m., club and organization teas and smokers from 4 until 6 p. m., and a dance following the game, from 10:30 p. m. until 1 a. m.

Silver anniversary reunion of the Class of 1933 will be observed, with a special program for the class planned during the morning. An open house for class members is scheduled at 7:30 p. m. Oct. 10 at the Houston Bright home, with the reunion to be held in the Fine Arts Hall of the Panhandle-Plains Historical Museum, Saturday morning.

Ex-students will begin registering during the morning with the first affair at 11:40 a. m., when a business meeting of the WT Ex-Students Association will be held.

Instead of the parade through Canyon, as held previously, the campus will be decorated and organizations will entre stationery floats on the campus. Dormitories will also be decorated, with these groups competing again for a trophy, given by the WT Student Senate. The senate will also sponsor a trophy for best club float on the campus.

WT's barbecue, long a part of the traditional Homecoming program, will give way this year to meals in the college cafeteria, where a special Homecoming menu will be served from 11 a. m. until 6 p. m. Cafeteria manager Bob Clark plans chicken and ham.

The student body will begin observing Western Week Wednesday, Oct. 8, and western garb will be worn by students and faculty until Friday, day preceding Homecoming. Students will hold dances, pep rallies, bonfires, and the traditional Homecoming Assembly.

Theme for floats and decorations this year will be fantasy, and all will be on the campus for visitors to see during Homecoming Day. Buildings, administrative offices, and dormitories will be open for visitors from 2 until 4 p. m.

Closing out the day's events, the dance will be staged in the cafeteria, and music will be by The Collegians, WT dance band.

Turkey Stops Bronchos, 6-0

The hard-luck Clarendon Bronchos lost their fourth straight game of the season last Friday night against the Turkey Turks by a score of 6 to 0. It was the third blanking the young Bronchos have suffered this season.

The heavier and more experienced Turks pushed across their lone touchdown midway of the second quarter when Conroy Lacy, their hard driving fullback, went over from the one-yard line to climax a 64 yard drive. The Turks had made a first down on the Clarendon one and it took them three plays to go over. The Broncho line stopped the Turks on the three yard line in the first quarter.

The Bronchos came back the last half and badly outplayed their Class B opponents but could not score. They were stopped three times inside the Turkey ten-yard line, once getting down to the three.

The Clarendon boys were on the long end of all the statistics except the score. The Bronchos made 14 first downs to 10 for Turkey, gained a total of 282 yards rushing and passing to 146 for Turkey and led in 20-yard penetrations three to two. Dewey Wilson, scrapping little Broncho fullback, was the leading ground gainer with 92 yards, followed by quarterback Darrell Leflew with 48 and John Morrow with 41. Ted Weatherly added 15 yards to the cause. The Bronchos completed three of eight passes good for 86 yards and Turkey completed two of nine for 23 yards. The Bronchos put on a desperate passing attempt late in the fourth quarter with Neel Carter doing the throwing, several of his heaves barely missing their mark. John Richerson, Milton Mann, Jerry Gray, Leflew and Morrow did good work on defense. The Turkey attack was led by their veteran three-year quarterback, David Blume, and Lacy.

Next game for the Bronchos will be here at Broncho stadium this Friday night against the Panhandle Panthers. This will be the first District 2-A conference game for both teams.

HEDLEY NEWS

Mrs. Paul Duncan

Our community has received some good rains the past week.

The harvesting of crops has been stopped. Grain crops are good, cotton is open ready for gathering with weather permitting, everyone will be busy.

Your reporter has had a few days vacation, the reason for no Hedley news last week. Made me happy when I came home, so many asked WHY no news last week. They said we sure missed it. I'm home and ready to try to have news regularly.

Mr. and Mrs. Bill Scales visited a few days in Abilene with their children, the Kenneth Whisenants last week.

Mr. and Mrs. Billy Bridges of Amarillo spent Sunday with his mother and grandmother Rains. Mr. and Mrs. Dan Stewart and family of Artesia, N. M. and L. M. Shelton of Wichita spent last week end in the Jack Perkins home.

Mr. and Mrs. Johnny Myers and children and Mrs. Younger spent week end visiting in Ringgold with his mother, Mrs. Chas. Myers.

At the Appreciation Day drawing Saturday, Mesdames Clarence Stone, Ed Morton and Ruby McKee were the lucky ones.

Visiting their parents, Mr. and Mrs. Leeper over week end were Mr. and Mrs. Red Leeper of Pampa, Rev. and Mrs. Verrell Leeper, Dennis and Jennifer of Wellington.

Mr. and Mrs. D. B. Lindsey and Donna of Amarillo spent Sunday with her parents, the J. B. Mastersons.

Mr. and Mrs. Smith and family of Mirton are visiting the lady's parents, Mr. and Mrs. T. O. Whitwell.

Marie Butler is home from Groom hospital where she underwent surgery.

Mr. and Mrs. Geary Reckling and baby of Plainview spent week

LOST

LOST—Red male cocker Spaniel somewhere in Midway community. Mrs. J. T. Stone. Phone 940-K21. (35-p)

WATCH LOST

LOST—40 to 50 pound Hampshire pig. Reward. Notify Lloyd McCord.

LOST—Black Cardigan sweater north of Rexall Store. Finder please notify Mrs. H. R. Beck. (35-c)

end with the Loyd Baileys.

Mr. and Mrs. Jap Shaw visited their daughter, Mr. and Mrs. Kenneth Taylor and baby in El Paso last week.

Mr. and Mrs. Levi Brown returned home after visiting his sister, Mrs. Henry Nivens. The Browns live in Atlanta, Georgia.

Miss Eula Curd of Amarillo spent a few days with her sister, Mrs. Loyd Bailey last week.

Mr. and Mrs. Ned Grimsley visited their children in El Paso last week.

Mr. and Mrs. Chas. Rains spent Friday with Mrs. W. I. Rains and Ike. They have just returned from California visiting former Hedleyans, the Luther Mobblys.

Mr. and Mrs. Roy Jewel visited Mr. and Mrs. Frank Jewel in Whitesboro last week.

Mr. and Mrs. Tommy Moffitt, Dicky and Sandra spent week end in Amarillo.

Mrs. C. L. Johnson left Sunday to visit the Chas. Neal Johnsons in Matador; from there to market in interest of Johnsons Dry Goods.

Mr. and Mrs. James Ried and children of Amarillo spent week end with the Carl Rieds.

Mrs. Mary Harris is in Wichita visiting a sister who is ill.

Mrs. Ethel Kinslow is spending a few days in Hereford with the Bert Whittingtons.

Mesdames Claude Morton, J. K. Morton, W. McElwayne and Mrs. Frank of Amarillo visited Mrs. Ed Morton and Forest last week.

Foster Pickett of Amarillo has been in Hedley several days last week looking after his cattle.

Mr. and Mrs. J. S. Skaggs announce the arrival of a little daughter born Tuesday, Sept. 23. Congratulations.

Mr. and Mrs. Doyle Messer are the parents of a fine little son born Monday, Sept. 22, weight 9 lbs. Name Stewart Madden.

Roy Darnell underwent major surgery in Scott & White hospital in Temple last week. Glad to report he is doing nicely.

Mrs. Oscar Alexander of Albuquerque, N. M. spent a few days last week with her parents, Mr. and Mrs. J. B. Masterson.

Mr. and Mrs. Johnny Everett, Charlotte and Nancy of Amarillo visited their grandmother, Mrs. W. I. Rains Saturday.

Word has reached Hedley that Rev. Cecil Lisenbee, a former Baptist pastor here, who has suffered a long illness is very low in a Waco hospital with pneumonia.

Don't forget to come to Hedley for the seventh Cotton Festival Oct. 10 and 11th.

SEVENTH ANNUAL
HEDLEY COTTON FESTIVAL

AUSTIN—Teacher pay raises, an issue that has packed legislative galleries in past years, will probably return next session.

Base pay raises of almost \$600 a year will be recommended to the Legislature by the Hale-Aikin Committee. This group of 24 lawmakers and private citizens has spent almost two years in a massive study of ways to improve Texas' public school program.

Its recommendations, now being readied for final presentation, would, for the most part, involve extra spending running into the millions. Cost of moving up the floor on teacher salaries is estimated at \$70,000,000 a year.

Advocates say better salaries are necessary to attract and hold enough good teachers. But even within the committee there were objections.

Rep. L. DeWitt Hale of Corpus Christi, co-chairman, voted against the raise recommendation. We said this, plus other proposals would mean "about a quarter of a billion dollar tax bill."

Other committee members said they felt the problem was not a shortage of teachers, but unequal distribution. While small districts may have trouble filling faculties, they said, some cities have a sur-

plus. Many legislators, elected on "economy in government" platforms, can be expected to echo Hale's sentiments. Since a huge state deficit is foreseen without raising the cost of anything, the squeeze could be especially acute. Teachers, always a potent force because of their number, might be substantially reinforced by the current concern to "catch up with the Russians" in education. A head-on clash between these groups and the economy forces might well provide the flashiest fireworks of the next session.

NO THANKS

Another Hale-Aikin Committee suggestion: Texas should quit accepting federal money for the school lunch program and vocational education.

Federal funds now received are estimated at \$9,000,000 a year. Committee said local districts and parents should pay for these services.

It did recommend, however, that federal aid be continued to districts where military installations bring in a large non-tax-paying attendance.

Other committee recommendations.

1. State should quit levying property tax, leave this source to local districts.

2. Permanent School Fund should be kept as an endowment, not spent for current needs.

3. Counties, not state, should bear the cost of maintaining county school superintendents' offices.

BRIGHTER WEATHER

Texas Securities Board reviewed its first year as a separate state agency and declared the "investment climate" had improved under tougher regulation.

Securities Board was set up by the last Legislature by combin-

ing functions formerly handled partly by the Secretary of State's office, partly by the Insurance Department.

Texas' investment climate "was very poor" when the new law went into effect, said Board Chairman Maurice Bullock. Score for the "tightening-up" years: (1) a drop of 37 per cent in the number of licensed securities dealers, (2) investigation under way in 215 cases of possible securities law violation and (3) 75 cases referred to district attorneys over the state.

Bullock said the Board's aim was to weed out the wild promotion schemes so as to restore confidence in Texas securities, but not to be so zealous as to discourage legitimate offerings.

WATER NEEDS FORECAST

Demand for Texas surface water is expected to triple in the next 50 years. Prediction is by Harry P. Burleigh, area engineer for the U. S. Bureau of Reclamation.

Where will it all come from? Burleigh says enough water is now being wasted to meet that demand. Problem of saving it is up to engineers to solve. Needed is a simple, low-cost means of capturing run-off water now flowing into the Gulf of Mexico and delivering it to points where it is needed.

Burleigh was one of 10 speakers at a water conference sponsored by Texas A&M College. Gov. Price Daniel praised the recently adopted statewide water program and urged against sliding back into apathy as a result of recent drought-breaking rains.

Revision in the rate structure for city water users was proposed as one means of conservation. Lubbock hydrologist W. L. Broadhurst said that increasing the rate instead of decreasing it

as mire water is used would cut down household waste.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

NATIONAL DEFENSE EDUCATION BILL

As many of you know, one of the final acts passed by the 85th Congress was the National Defense Education Bill. This measure was highly controversial since some thought it might tend toward federal control in our educational process. The bill has been signed by the President, however, and whatever its merits or demerits, it is now public law.

I have received many inquiries concerning the provisions of this Act, and I feel it might be well to outline some of them to you. The program will be administered by the Commissioner of Education in the Department of Health, Education and Welfare, through the appropriate State Education Agencies. There are several provisions of interest, but the one on which most questions are currently being asked is the provision for student loans. These loans will be available to students for higher education and will be made by the educational institution itself, subject to the provisions of the law which, broadly, are:

The student must be acceptable to the college or school by virtue of completion of secondary work—in most cases a high school graduate. The student must show his actual need for the loan in order to pursue or complete his education. The loan may be used for any subject, but special consideration will be given to stu-

dents with a superior academic background who express a desire to teach in elementary or secondary schools, and to students whose academic background indicates a superior capacity or preparation in science, mathematics, engineering, or a modern foreign language. The student loan cannot exceed \$1,000.00 per year or \$5,000.00 total. Repayment of the loan at 3 percent interest must begin one year after separation from the accredited institution. Up to 50 percent of the loan and interest is cancelled if the student pursues a vocation of full-time teacher in a public elementary or secondary school in a state for as many as five years after being separated from the college or institution. The college will contribute 10 percent to the student loan fund, while the federal government will contribute 90 percent.

Any school is eligible to participate in the program, if that school is located in a state or territory of the United States; if they admit as regular students only graduates from secondary schools or the equivalent; if the school is legally authorized to provide a program of education beyond secondary education; if the school awards a bachelor's degree or provides at least a two-year program acceptable for full credit toward a bachelor's degree; if it is a public or other non-profit institution, and if it is properly accredited.

If any of you are interested in details of this program, I will be happy to supply any information I can or you can secure it from the school which you plan to attend, since the administration of the program will, for the most part, rest there.

The law also provides for a program of grants to state educational agencies to be used in local public elementary or secondary schools or junior colleges, for minor remodeling and acquisition of laboratory or other special equipment for science, mathematics, or modern foreign language teaching, as well as grants for expansion or improvement of supervisory or related services in secondary schools for science, mathematics and modern foreign languages. In addition, loans will be available to non-profit, private elementary and secondary schools for the same types of projects.

A program of National Defense Fellowships is also authorized for graduate students, particularly students interested in teaching in institutions of higher education.

There are other provisions of this new law, and I will be happy to answer any questions you might have relative to it. If you cannot get satisfactory information locally, let me know and I will try to find the answers to your questions.

In February of 1777, Robert Morris wrote to John Paul Jones, "I think you should carry with you as many Marines as possible for they will be useful and necessary in all your land excursions".

Statement of Ownership Management, circulation, etc., required by the Act of Congress of August 24, 1912, as amended by the Acts of March 3, 1933, and July 2, 1946, of the Donley County Leader published weekly at Clarendon, Texas for October 1958. State of Texas County of Donley.

Before me, a notary public in and for the state and county aforesaid personally appeared G. W. Estlack, who, having been duly sworn according to law, deposes and says that he is the business manager and co-publisher of the Donley County Leader, and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management of the aforesaid publication for the date shown in the above caption, required by the Act of Congress of August 24, 1912, as amended by the Acts of March 3, 1933 and July 2, 1946.

That the owners and publishers are A. D. Estlack and G. W. Estlack, both of Clarendon, Texas. That the editor is A. D. Estlack, managing Editor is G. W. Estlack and that the business manager is G. W. Estlack, both of whom reside in Clarendon, Texas.

That the mortgagee is J. C. Estlack, Clarendon, Texas.

That the average number of copies of each issue of this publication sold or distributed through the mails or otherwise, to paid subscribers during the twelve months preceding the date shown is 1825.

G. W. Estlack Business Manager Sworn to and subscribed before me this 29th day of Sept. 1958. Gene E. Steed My commission expires 6-1-59.

FARM NEWS

from the County ASC Committee

1958 ACREAGE RESERVE SOIL BANK

Payments to all Cotton and Wheat acreage reserve producers have been completed. The amount of funds paid to these producers totaled \$201,260.25. Acres under agreement - 8,954.2 acres.

These farmers are reminded that their agreements are in effect until December 31, 1958. Another inspection will be made in the near future to see that the land is free of weeds and is not being grazed.

CONSERVATION RESERVE SOIL BANK

There were 163 producers who filed a Form CSS-853 "Request for Establishment of Maximum Farm Payment Rates and Appli-

cation for Contract" in the Donley ASC office before September 26, 1958. Producers who filed an application will receive their payment rate within a few days. Remember October 17, 1958 is the last day to let the Donley ASC office know your plans for the 1959 program.

NEW COUNTY COMMITTEE

The meeting of the Delegates to the County Convention was held on Thursday, Sept. 25th. The following Delegates or alternate Delegates were present: Roy Roberson, "A" Community; Horace A. Green "B"; Dennis R. Lindley, "C"; J. B. McDaniels, "E"; Tommy W. Bain "F"; Harold L. White, "G"; and B. D. Rice "H". The following men were elected to serve as the County Committee for this next year: Wm. H. Cooke, III, Chairman; Horace A. Green, Vice Chairman; Joe B. Leonard, Member; Dennis R. Lindley, First Alternate; Andy Brown, Second Alternate.

Mr. Joe B. Leonard, elected as the regular member of the County Committee, resigned because of his farming interests and also because of the distance he would have to travel to make the meetings.

Because of Mr. Leonard's resignation these three men will serve as the County Committee for this next year: Wm. H. Cooke, III, Horace A. Green and Dennis R. Lindley. These newly elected committeemen met with the outgoing committee on Friday and pledged themselves to do the best they can to see that every farmer in Donley County is given fair and just treatment on every program handled by this office.

MISSIONARY BAPTIST CHURCH

Elder John W. Reynolds of Tyler, Texas will preach at the Missionary Baptist Church beginning at 7:30 P. M. this Friday evening and preach through Sunday evening. Morning services will begin at 10:30 Saturday morning and 11:00 o'clock Sunday morning. Each evening service will begin at 7:30. The public is invited to attend these services.

REBEKAH POT LUCK SUPPER OCT. 7

The Rebekah Lodge will hold another of their famous pot luck suppers Tuesday evening, Oct. 7th at the Lodge Hall with serving beginning at 6 o'clock. All you can eat for 75c.

CARD OF THANKS

I wish to thank my friends for the flowers, cards, food, visits and many other kindnesses during my recent illness and also the Doctors and Nurses for the fine care I received. May God bless each of you. Mrs. Ruby White

JERRY BEHRENS

Behrens To Play First Game With WT Freshmen Oct. 9

Canyon, Sept. 20—Jerry Behrens, former Clarendon griddier, is among the outstanding performers on the best freshman football team in West Texas State history.

Behrens and teammates will open the freshmen's 1958 schedule Thursday, Oct. 9, against Abilene Christian's B team at Buffalo Stadium. Kickoff time is 8 o'clock. The West Texas Frosh also have games scheduled later with Texas Tech and Hardin-Simmons.

Behrens, son of Mr. and Mrs. Truett Behrens of Clarendon, was all-district in high school. He also played in the Green Belt Bowl and in the Panhandle Grid Classic.

In high school, Behrens was a class officer for three years, was a member of the Student Council, and he won the American Legion Award.

ATTEND CANYON MEETING

Mrs. Velma Weaver and Mrs. Faye Pinkerton were in Canyon Saturday to attend the West Texas Music Alumni associational and organizational meeting, a newly organized branch of the West Texas Ex-Student Association.

Mrs. Frank Whitlock visited recently in the home of her daughter and family, Mr. and Mrs. George Garrison at Artesia, N. M., and Mr. and Mrs. Charles Soderberg and girls of Escondido, Calif. who were also visiting in Artesia.

Mr. and Mrs. Jack Eddings visited Saturday night with their daughter, Joyce, in Amarillo.
