A Common Paper for Common People

## San Angelo College Here Saturday Night

The Clarendon Junior College Bulldogs will meet probably their toughest opponent of the season here Saturday night when the powerful San Angelo College Rams come to town for a Western Conference game. Game time is slated for eight o'clock. San Angelo has represented this region in the National Junior College Tournament four of the last five years. San Angelo was picked early in the season to finish second in the conference behind the Howard County Jayhawks. However, since Christmas the Jayhawks have lost two of their key players and the Rams seem to be in the number one spot at present. Howard County beat the Rams by one point in the San Antonio Tournament in December.

The Rams are led by a pair of 6-5 speedsters, Bruce Tibbits and Marion Pugh. They are both in the first five in scoring in the conference at the present time.

The Bulldogs are handicapped by a lack of height. Max Courtney, 6-8 center from Wellington, is by far the tallest Bulldog and he rarely plays more than half the game because of his consistent fouling. The Bulldog's other tall boy, LeRoy Garrett, 6-4 giant from Channing, ran into classroom difficulties and failed to pass the required hours the first semester and dropped out of school.

Coach Don Dorman will probably start Courtney, Alvin Scott, Bill Bentley, Jimmy Boyd and Randall Murry against the Rams Saturday night.

Next Tuesday night, Jan. 29, the Bulldogs will meet Frank Phillips College from Borger here.

## City Gas Company To Improve Facilities

The Leader received a phone call from D. I. Barnett, owner of the City Gas Co. last week end at which time Mr. Barnett stated that the Gas Co. was willing and anxious to put in a larger line to serve the west part of town just as soon as the weather permits.

Mr. Barnett stated that the numerous new homes in the west part of town had put an added load on present facilities and that this would be changed just as soon as a larger line could be laid. Due to the cut-offs and change over, it will be necessary for us to wait until warmer weather to do the job but we want our customers to know our facilities will be improved as soon as it is feasible to do so, Mr. Barnett added.

at the Leader

## Tracy Sanders Shows Grand Champion Steer At Amarillo Show

Tracy Sanders, Hedley 4-H Club member, won top honors at the Amarillo Fat Stock Show this week with his lightweight Hereford Steer that also won top honors at our local show Dec. 27. Sanders has been feeding under the supervision of County Agent Flip Breedlove who was on hand at the judging and the first to congratulate Tracy on his achievement.

David Mooring was among the top winners at the show also. His medium weight Angus placed first in his division. Others from the local area placing high at the show were Mike Martin who placed 4th and Don Mooring who placed 5th in the lightweight Hereford division. Susan McAnear placed 8th in the lightweight Angus division.

Tracy, the son of Mr. and Mrs. Sam Sanders, competed his Hereford steer against 174 entries.

## Horace Green Purchases High Ranking Bull

Horace Green, local Galloway Breeder, attended the Black Gold Sale at Denver January 14th and emerged with one of the highest ranking registered Galloway Bulls in the United States.

He accomplished the feat only after paying the second highest price ever paid for a Galloway bull in the United States. His bid was \$1975 for the 17 month old bull. The Galloway was purchased from the Cloverdale Farms of California and is out of imported stock from Scotland. Green purchased the bull to improve his herd of Galloways which numbers 85 at the present time.

A Galloway bull brought \$1,000 the highest price paid for any bull at the local sale here in December.

## RATTLER IS KILLED ON JA LEASE

A rattlesnake, apparently tired of the sub-freezing weather and wanting to soak up some of the warm sunshine Monday, was killed by Mrs. Jasper Snyder at the old Woodburn camp on the JA Ranch which is now leased by Richard and Gayle Adams. Mrs. Adams killed the snake in her back yard and said it seemed to be a bit cold but able to put up a fight. It had 6 rattlers and one button.

Generally rattlesnakes do not come out until warm weather but occasionally they are found sunning on a nice warm day during the cold weather period.

Donley County Leader \$8.00 Yr. in County.

## GRAND CHAMPION OF AMARILLO SHOW

Tracy Sanders of Hedley is shown with his Hereford Steer that took Grand Champion honors this week at the Amarillo Fat Stock Show.

## THE AMERICAN WAY OF LIFE!

(AN EDITORIAL)

We, here in the United States of America, still have a certain number of freedoms left, especially on a local level.

Among those freedoms is the right to call elections, abide by them or contest their legality when we feel a definite wrong has been committed.

In our particular case and of utmost concern in this locality, is the recent election to extend the boundary of our Junior College.

Under present laws governing Junior Colleges, it was necessary that more money should be raised on a local level. This needed to be done before a new year turned on the calendar or no evaluation could be set or taxes collected which might put our college in good standing whereby this valuable institution could continue giving educational hope to those who could not seek this higher degree of learning elsewhere.

Your County Board of Education was petitioned by a qualified number of voters in the proposed annexation area, to call an election which could decide the fate of Clarendon Junior College as this added territory was needed to increase the valuation. This election was held and the majority of voters favored the annexation. It is customary in most elections that everyone accept the majority vote of the people.

One night last week, a group of landowners of the new college district, who were dissatisfied with the outcome of the election, met at a local cafe. A large sum of money was pledged to secure the services of an Amarillo law firm to contest the election, and a suit was filed in District Court Friday afternoon.

It is understood that over \$9,000 was pledged and more would be forthcoming if necessary. It is also understood that even though the case might be lost, the group making up the money could eventually win by keeping the case in court long enough to close the college by lack of sufficient funds.

We also understand that a good portion of the money pledged was by persons or landowners living outside the newly created college district. It is also evident that these persons did not wish for their names to appear in connection with the case. We also understand that only possibly one name would have been necessary to file the suit but more of the persons on the local level were named on the instrument filed in district court.

Money speaks long and loud but it does not seem right for a minority of outsiders, with the cash, to dictate the future of our community, especially when those outsiders have been paying taxes on a much lower valuation than those who have been supporting our schools for many, many years.

We believe the majority of people in this community will stand up and fight for this institution which is more precious than money. It would be deplorable to see even one youngster deprived of a college education through the method mentioned above when that privilege is now available and should continue to be for years to come.

## Jaycees To Sell Poll Tax Saturday

With Poll Tax purchases still lagging, the Clarendon Jaycees will again sell Poll Tax receipts at the local Post Office Saturday of this week in an effort to bring the total up near what it should be. At last report Wednesday, only 521 receipts had been issued and only nine days left before the deadline.

If you have not purchased your poll tax, be sure to drop by the post office Saturday and help bring our total up to what it should be. It will take only a few minutes to write out the receipt and the cost is \$1.75.

## HOSPITAL NOTES

Patients as of Wed., Jan. 22: Elizabeth Barker, Mrs. V. W. Carpenter, Mrs. A. W. Simpson, Mrs. D. T. Smallwood, and Dorothy Richey.

Dismissals: Mrs. John Blocker, Rebecca Hannah, Mrs. Chauncey Hommel, Hattie Jones, R. C. Johnson, Mrs. E. B. Lofton, Sharon Shaw, Willie Sims, Mrs. D. C. Williams and Mrs. C. A. Wright.

## Bronchos To Play Memphis Here Friday Night

The Bronchos will take on the tall and talented Memphis Cyclones tomorrow night on the local court. Due to the fact that Memphis has no girls' team, the Bronchoettes will play an intersquad game which will begin at 6:30. The girls' teams will be divided up as evenly as possible, using "A" and "B" teamers in a mixture. Last week the Bronchoettes elected Janie Ivey, Mollie Floyd, and Sharon Williams as their captains. These are the only seniors out for basketball this year.

In conference play last Friday night at Wellington the local teams were as cold on the shooting percentages as they were on the trip home on the bus. The girls' team dropped their first conference loss to the Rockettes 39-42 and the Bronchos lost by a score of 43-47.

Next Tuesday night the local teams will travel to Canadian for a contest with the Wildcats.

## Legality of College Annexation Election Contested In Suit Here

### County Financial Report In This Issue

The annual statement of the County Clerk of Donley County reflecting the financial status of the county is being published in this issue of the Leader.

It was the decision of the Commissioners Court to run a very condensed statement this year instead of the usual form used in the past whereby some of the county business was listed in a clearer form and more detail.

You will note in the statement published in this issue of the Leader that five columns are listed with the headings: Fund, Balances 1-1-62, Receipts, Disbursements, Balances 12-31-62. Under these headings you can find the totals as specified but your guess is as good as ours as to how the money was actually spent. For example: Officers' Salary \$17,976.39. This figure probably doesn't include the total amount before deductions for withholding tax, etc., and just what officers received a part of the amount is not listed.

If you are interested enough and want to know how your tax dollar was spent, you will need to go to the court house to find out.

## Services Held Tues. For D. B. Leach

Funeral services were held Tuesday morning in the Hedley Methodist Church for Daniel Byron Leach with the pastor, Rev. Robert L. Gill officiating, assisted by Rev. Gene Grace. Graveside rites and burial were held Tuesday afternoon at the Plainview Cemetery, Plainview, Texas, with arrangements under the direction of Spicer Funeral Home, Memphis.

Mr. Leach, 79, a retired ranch worker, died at his home in Hedley Sunday. He had been a resident of Hedley most of the time for the past 48 years. He was a member of the Hedley Methodist Church and Masonic Lodge.

Survivors include his wife of Hedley; four daughters, Mrs. A. B. Spalding, Hedley, Mrs. J. B. Stafford, Silverton, Mrs. Jeff Wiggins, Pasadena, Texas, Mrs. Marvin Kinney, Amarillo; 14 grandchildren and 14 great-grandchildren.

Grandsons of Mr. Leach served as pallbearers.

## FORMER RESIDENT DIES AT AMARILLO

Funeral services were held at Amarillo Tuesday for Mrs. Myrtle Naylor, 52, former Clarendon resident with burial in Llano Cemetery.

Mrs. Naylor was the wife of E. T. Naylor and a sister-in-law of Odus Naylor, Elbon Naylor, Mrs. L. L. Wallace and Mrs. Dick Chunn of this city.

Other survivors include her husband; two sons, Billy J. and Alfred E. Naylor, her mother, a sister and three brothers.

Pallbearers were Jim Naylor, Bob Naylor, Dub Cleveland, Glenn Wallace, Gene White and George Bennett.

## MASONS' NIGHT ANNOUNCED BY O.E.S.

Clarendon Chapter No. 6, Order of the Eastern Star will have a called meeting on Thursday, January 31, at 7:00 p.m. for the purpose of entertaining Masons with a chili supper and a program.

All Masons and their wives are cordially invited to attend and all Eastern Star members are urged to be present.

### School Receives Nice Check From Gin And Farmers

J. R. Brandon, manager of the Paymaster Gin here, presented the local schools with a check in the amount of \$925.04 this week as a gift from the gin and all the farmers who have ginned at Paymaster this past season. Part of the money will be used for elementary room library books.

The unginnable boles of cotton are saved throughout the ginning season and allowed to dry to a ginning state at the end of the season. This was certainly a nice gift for the school and its benefits will be enjoyed by the students, Supt. K. D. Vaughan stated.

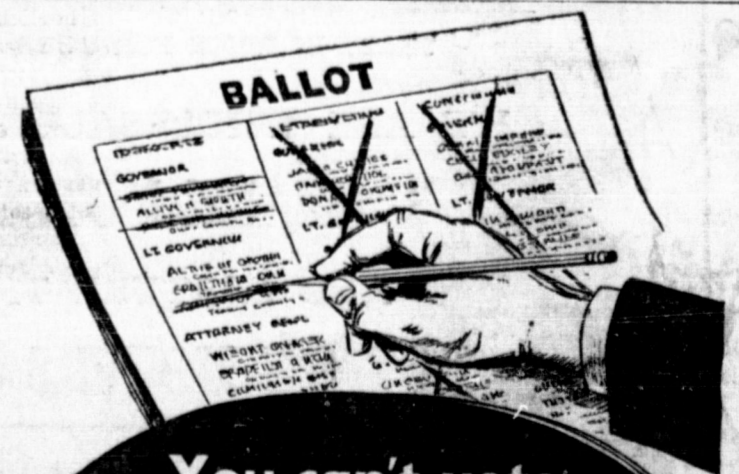

## Methodist Revival Now In Progress

A Revival which began Monday of this week at the First Methodist Church is now in progress with services being held twice daily. The morning service is set for 7:15 a.m. with coffee and doughnuts being served at 6:45 a.m. Evening services are at 7:30 p.m.

Rev. James Boswell of Hamlin is doing the preaching and Clyde Hudson is in charge of the singing. The public is cordially invited to attend these services which will continue through Sunday, January 27th.

## ENROLL FOR SQUARE DANCE LESSONS FRIDAY

The second lesson in a new series of Square Dance lessons for beginners will be held at Lions Club-Hall Friday night, January 25, at 7 p.m. Lessons will be for all age groups. Come and join the fun at Lions Hall. It isn't too late to join the class. Just be present Friday night.

**Press Names**

**Dan Blocker 1963 Texan Of The Year**

AUSTIN — Dan Blocker, a really "big" man, will be the recipient of the Texas Press Association's 1963 "Texan-of-the-Year" award.

Announcement of his selection has been made by George Baker, president of the newspaper association and publisher of the Fort Stockton Pioneer.

The presentation to Dan Blocker, 300-pound co-star of the NBC-TV show Bonanza, will be made at TPA's Mid-Winter Meeting at the El Tropicano Hotel in San Antonio on Saturday evening, January 26.

Blocker, known on TV as Hoss Cartwright, was born in Bowie County, Texas, on December 10, 1929. He grew up in the Texas Panhandle and received his education in Texas.

Weighing 14 pounds at birth, he pulled the scales to 105 pounds by the time he entered grade school. He became known among his friends as "The Big'n". At age 10 he worked alongside grown men at grain elevators and could whip any of the local toughs, regardless of their age.

Despite his extraordinary strength, Dan Blocker had other ideas than pushing his weight around as a strong man. When 12 years old he enrolled in the Texas Military Institute at San Antonio. At that time he weighed 200 pounds and stood six feet tall.

From the military institute he went to Hardin-Simmons University at Abilene for a semester, then to Sul Ross State College at Alpine, on a football scholarship, to major in physical education.

He changed his major to drama before he was graduated in 1950.

From Alpine he went to Boston for summer stock. Then, as did most young men of his time, Dan Blocker received greetings from The President and went overseas for a whirl at Korea.

When he finished his army hitch, he came home with the stripes of a first sergeant, to further impress Dolphia Parker, his college sweetheart. They were married on August 25, 1952. They now have four children, twin girls and two boys.

Blocker returned to Sul Ross shortly after his marriage to work on his master's degree. He left classes for one year to teach in the high school at Sonora. Upon receiving his Master's degree in drama and English, he taught school at Carlsbad, New Mexico.

In 1956, he went to Los Angeles for graduate work at UCLA. Almost immediately he was chosen for a feature role in a Gunsmoke episode, where he made more money in four days

than in a month of teaching. Since that time his rise to stardom has been rapid. He has played in many significant TV roles and today has top billing with Bonanza.

The Texas Press Association, on behalf of its 76 member dailies and 432 weeklies, has presented "Top Texan" awards on two previous occasions. In 1961 the honor went to Paul Richards of baseball fame, a native of Waxahachie, who at the time was manager of the top-ranking Baltimore Orioles. Last year the "Texan of the Year" award went to Van Cliburn, world renowned pianist from Kilgore, Texas.

Selection of the "Texan of the Year" is made from nominations by Texas editors and publishers. Nominees must be well known

Texans, outside the field of politics, now residing beyond the borders of the state, but bringing fame to the state by outstanding accomplishments in their chosen fields of behavior.

**WYNNE, ARK., PROGRESS:** "I see by the papers that the national deficit is now running at the rate of six billion dollars a year. You know, it takes a lot of patriotism to buy government bonds, investing in an organization that is losing money at the rate of \$500 million a month, \$16,666,666 a day or \$694,444 an hour. What I'd like for Christmas is for the Kennedy Boys to quit believing in Santa Claus."

# BLOWIN' Out the CORNERS

It has been said: Cheerfulness has a dual value in life. First it helps you, then it helps to help others — and it keeps on spreading out into the great throng of humanity, stirring the

hears of men as the gentle breeze stirs the leaves in the forest, returning to you in its endless course . . . And all the while it makes the heavy load lighter and the dark road brighter for all . . .

There's a character known as Gloomy Gus, And we dread to see his face. He can spoil the day for most of us, As he goes from place to place.

Like cheerfulness gloom is also catching and it keeps coming back to the one who gives out with it. There is the little old lady who could not enjoy her spell of good health because time had proven that it wouldn't last. The farmer who expected each dry spell to be the worst

in history, and each rainy time to spoil all the crops. He looks for bad prices, high costs, and no income for the year. So often it happens to him just that way.

As terrible as the presence of the gloomy one may be there is another character which can be just as dangerous to our well being. He is he one who never has a serious thought. A full stomach, a funny situation, and a dime in his pocket is all that he asks from life. He never expects the worst nor prepares for the best. He spends the money that he never makes . . .

It makes one want to try a bit more to be middle of the road. To give and take a little off of the extremes life has to offer us . . .

Those who turn to a life of crime could well be said to have failed in their adjustment to the rules of life. Those who wind up in prison, which usually takes in most of them, can be called failures even in their profession of crime . . .

For gossip to succeed it has to be unreasonable enough to shock everyone, and reasonable enough that a few will believe it . . .

Folks put on their best to go to church — often our real need is to put off our real need . . .

Those who think they are "Cookin' on the front burner," often turn out to be half baked.

We could expect more from the new year if we didn't know that we still had our old self to contend with.

It could be said that the Lord helps those who help each other, as well as those who help themselves . . .

We may never get our chance to try and do the big things in life, but if try in a big way to do the little things we can make this old world a much better place in which to live.

One of the best compliments that could be said of a person is that he kept his tears to himself, and shared his laughter with the whole world.

### SOIL CONSERVATION DISTRICT NEWS

#### USDA Ready to Help Develop New Water-Based Recreation Areas:

Secretary of Agriculture Orville L. Freeman said today the U.S. Department of Agriculture was "ready to go ahead" with public recreational developments in watershed projects as authorized by the Food and Agriculture Act of 1962.

USDA was authorized to help create, enlarge, or improve bodies of water within watershed projects to provide for a full range of water-based sports, and to assist in developing recreational areas bordering the water.

"These developments will help meet the growing demand for new outdoor recreational facilities, and at the same time broaden the scope and local benefits of watershed projects," Secretary Freeman said.

The recreational facilities would lure outsiders to the area, and would provide the type recreation that industrialists seek for their employees in searching for new plant sites, Soil Conservation Service officials explained. On nearby land, private landowners could develop supporting recreational facilities, such as week end or summer guest cottages, hunting preserves, and ski slopes.

The development would bring town and country interests closer together, and thereby promote soil and water conservation activities which protect and improve farm and ranch lands, according to SCS. This, in turn, would contribute to an improved

agricultural economy.

"The Department is ready to help local watershed sponsors develop these recreational areas," Secretary Freeman pointed out. Funds are available under USDA's regular \$60.6 million watershed appropriation for fiscal year 1963. Construction could begin on the first of these projects early in 1963.

USDA was authorized to bear up to 50 percent of the cost of (1) land, easements and rights-of-way, (2) construction, and (3) minimum basic facilities needed for public access to and use of the recreational area. This cost-sharing and technical help would be provided through the Soil Conservation Service, which has leadership for USDA's watershed program.

Land bordering the water could be developed for picnicking, camping, hunting, or other outdoor uses. SCS would provide local sponsors with funds to cover up to half the land costs, and also would help local sponsors pay for the land inundated for recreational purposes.

Minimum basic facilities which could be cost-shared include: (1) boat docks and ramps, (2) beach development, (3) picnic tables and fireplaces, (4) parking lots, (5) public water supply, (6) sanitary facilities, including toilets and garbage disposal, (7) power facilities, (8) plantings and other shoreline or area improvements, (9) roads and trails, and (10) other similar or

related facilities needed for public health, safety, access to, and use of the recreational area.

Local sponsors could charge an admission fee to meet their annual operating and maintenance costs. Watershed residents also would derive other benefits from the development.

"There has been a dramatic increase in the Nation's need for additional recreation areas during the past decade," Secretary Freeman said. "City dwellers and suburbanites are seeking the outdoors as never before."

"At present, some 62 million acres of privately-owned land are being used for recreation. Estimates are that by 1980 we

will need 85 million acres for this purpose. Watershed projects can go a long way in helping fulfill his need."

### :- THANKS :-

We wish to express our thanks to the reception given our Open House. If you missed it we are truly sorry. Below is the list of winners and prizes:

1. H. B. Alverson, Pampa, Texas, Ladies' Watch
2. Mrs. C. C. Gillespie, Pampa, Texas, Storm Door
3. Lewis E. Pundt, Canadian, Texas, \$100. Certificate
4. Ray Boswell, Pampa, Texas, \$100. Certificate
5. Ward W. Elliott, Panhandle, Texas, \$100. Certificate
6. R. A. Ford, Gage, Okla., \$100. Certificate
7. W. H. Long, Borger, Texas, \$100. Certificate
8. M. J. Owen, Reydon, Okla., \$100. Certificate
9. Mrs. B. J. Burgin, Groom, Texas, \$100. Certificate
10. T. E. Haddox, Spearman, Texas, \$100. Certificate
11. Albert L. Stokes, Pampa, Texas, \$100. Certificate
12. W. C. Spearman, Spearman, Texas, \$100. Certificate
13. Mrs. Martin, Groom, Texas, Handmixer
14. Mrs. Hershel Heath, Clarendon, Texas, Kitchen Clock

If you haven't picked up your door prize that you won, please do so.

**TO THE PEOPLE OF THE 18th DISTRICT**

By Congressman Walter Rogers

**THE DEPLETION ALLOWANCE**

Percentage depletion allowance for oil and gas is going to be under fire again as the newly convened 88th Congress plunges into a variety of tax revision proposals. You should expect another determined effort this year to reduce the 38-year-old formula which established the depletion allowance for oil and gas at 27 1/2 percent.

Once again I will be among those Members of Congress working to keep the 37 1/2 percent allowance. I'm convinced this figure is vital to the continued vigor of an industry so im-

portant to our Panhandle economy and national security.

I expect bills to be introduced calling for a reduction in the oil and gas depletion allowance to 22 1/2 percent. Proposals in past sessions asking a cut to 15 percent were overwhelmingly defeated; in recognition of the fate of these past measures, opponents of the 27 1/2 percent allowance apparently again will aim at a more modest cut. A three-step cut to 20 percent was beaten two-to-one in the Senate early last fall. A new round may be expected.

The oil and gas depletion allowance is not a tax loophole. . . It does not permit a royalty owner or oil company to deduct 27 1/2 percent from its income tax. . . It does not represent cash; it is a deduction from taxable income in figuring tax liability. . . It is not applicable to all operations of the oil industry; it applies only to the field value of the crude oil and raw gas and only to the extent that it can be produced at a profit.

The purpose of the 1926 act establishing the oil and gas depletion allowance at 27 1/2 percent was to avoid crippling an industry by taking through income taxes the capital needed to stay in business. The act recognized that every barrel of oil found is one less barrel to be found; that every barrel re-

moved from an owner's land depletes the asset value of his land by one barrel. Later this same depletion principle was applied by tax laws, in varying percentages, to approximately 100 minerals and other natural resources taken from the earth.

A five-volume report, "Resources for Freedom," issued in 1952 by President Truman's non-partisan Materials Policy Commission, is the most comprehensive study made of our nation's natural resources. The committee formulated a natural resources policy for the United States, including a tax policy for mineral deposits. Its report has been, and no doubt will continue to be, an important factor in Congressional debates on the depletion allowance matter. In its recommendations to the President the commission gave full endorsement to the 27 1/2 percent depletion allowance for oil.

Despite this recommendation and the strong fact-based case for continuing the 27 1/2 percent allowance, you may expect new pressures this year as Congress takes up proposals for tax cuts and tax law revision - and searches the body of law for tax inequities. The oil and gas depletion allowance is threatened because in the minds of many citizens the oil industry is regarded as an extremely lucrative and unusually profitable busi-

ness. They overlook the high-risk position of the industry, its highly competitive nature, the dulling effect on domestic production caused by imports from abroad, the fact that earning rates are in line with other industries.

The First National City Bank of New York reported that oil company earnings, in the 30-year period from 1926 (the year the 27 1/2 percent formula took effect), averaged 9.5 percent of invested capital, compared with 10.6 percent for other manufacturing companies.

Oil is getting harder to find. Drilling costs are up. Wells are going deeper. In view of the industry's profit record, the 27 1/2 percent figure now more than ever does not appear too high in its purpose of encouraging new drilling. If the depletion allowance were done away with entirely, oil producers would have to find some other way to attract capital for exploration. In the end, the consumer might have to bear the load by paying higher prices for petroleum products.

I expect that again in this session, despite the press for sweeping tax law revision, Congress will be extremely cautious about making any tax structure change that would intimidate the quest for new oil and gas reserves.

**CHAMBERLAIN NEWS**

Mrs. A. O. Hott

Mr. and Mrs. H. A. Harrison returned home Tuesday after a few days stay with his uncle, T. H. Harrison at Stephenville. Mr. Harrison was not too well at that time.

Mr. and Mrs. A. O. Hott called on Mr. and Mrs. J. M. Graham Thursday afternoon. Mr. and Mrs. Graham lost their home by fire. But they also have so much to be thankful for. Their children were working so hard to prepare a home for them and it will be finished soon. What a blessing for them.

Mr. and Mrs. Ira Zell and Mr. and Mrs. G. D. Hillis visited Mr. and Mrs. Frank Hardin Wednesday night.

Thuron Holland called on Mr. H. A. Harrison and J. D. Jones Wednesday morning.

Mr. and Mrs. A. O. Hott visited Mr. and Mrs. Leroy Satterwhite Thursday afternoon.

Mr. and Mrs. Frank Hardin went to Amarillo Thursday to see their grandson, Joe Sykes, who is in Northwest Texas Hospital. They shopped some while there. Hope Joe is better by now.

Mr. and Mrs. Garth Carter and boys of Dumas, Mr. and Mrs. Abe Turner, Mike and Sharon of Haskell, Mrs. Gurvis Kennard and daughter all spent the week end with their parents, Mr. and Mrs. Henry Mann.

Wayne Lowe of Amarillo spent the week end with his mother, Mrs. Walter Lowe.

Mr. and Mrs. Ronnie Whisenant of Amarillo visited her parents, Mr. and Mrs. J. A. Ivey, Sunday. Mrs. Ivey went home with them to spend several days with her children.

Mr. and Mrs. Frank Hardin and Mr. and Mrs. D. G. Ballew visited Mr. and Mrs. Richard Dingler Tuesday night.

Mrs. Jeannie Merchant and

Mr. and Mrs. Frank Hardin visited Mr. and Mrs. Roy Ritter at Groom Sunday.

A. B. Ivey had business in Pampa Thursday.

Mr. E. S. Ballew visited his brother, Mr. and Mrs. D. G. Ballew, Saturday afternoon.

Mrs. Henry Mann and Mrs. Gurvis Kennard and baby visited Mr. and Mrs. M. D. Kennard in Lesley Thursday afternoon.

Mrs. Velma Heathington of Tulla spent Friday night with Mr. and Mrs. A. B. Ivey.

Mrs. Lois Robinson visited Mr. and Mrs. W. H. Gray Wednesday afternoon.

Mr. and Mrs. Richard Dingler visited Mr. and Mrs. D. G. Ballew Thursday night.

Mr. and Mrs. A. O. Hott had business in Memphis Monday afternoon.

Sgt. Hillary Williams of Pan-

ma City, Florida, is here visiting his wife and children in the home of her parents, Mr. and Mrs. C. T. Bates. Sgt. Williams is on his way to Japan.

Mr. and Mrs. Earl Talkington of Amarillo visited her parents, Mr. and Mrs. Leroy Satterwhite, Sunday.

Mr. and Mrs. Harley Logan and boys visited Mr. and Mrs. J. T. Stone and children Sunday night.

**GRASSROOTS OPINION**

CALUMET, MICH., NEWS: "Most householders, in these days of the High Cost of Living, have to strain to make ends meet, and many have found the only way to come out even at the end of the month is to operate on a budget. To set up their budget, they list all expenses and all income. Then they allocate some of the income for this expense, some for that expense. If there isn't enough income to take care of all expenses, they pare expenses here and there until it comes out right. Okay, so we didn't have to draw a picture. . . you knew this much all the time. The really funny, or pathetic, fact is that this simple, logical, sensible system does not lap over into the affairs of our government."

EXAMINED AND APPROVED in open Commissioners' Court this 18th day of January, 1963.

(SEAL)

/s/ R. E. Drennan County Judge, Donley County, Texas

AUSTIN — The ordeal of the "black beans" has been repeated in the Texas Senate, although without the usual dire consequences.

Texas' Constitution requires "choice by lots" every ten years to determine which members of the Senate shall begin the decennial with two year terms and which shall receive four year terms.

Among those whom the fate of the "black bean" drawing decreed must run again next spring,

**MOBIL TIPS**

"We Give S&H Green Stamps" 302 E. 2nd Ph. (74-2327)

if they are to remain more than two years in the Senate, were veterans George Moffett, Dorsey Hardeman, Charles F. Herring, Frank Owen III, Bruce A. Reagan and William T. Moore.

Other returning senators with half-term assignments were Galway Calhoun Jr., Martin Dies Jr., Abraham Kazen Jr., David Ratliff and A. R. Schwartz.

Freshmen senators who got the two-year terms were H. H. Blanchard, Don Kennard, Jack Strong and J. P. Word.

Returning senators who held onto four-year terms were A. M. Aikin Jr., Mrs. Neveille H. Colson, Tom Creighton, Louis Crump, Grady Hazlewood, Culp Krueger, George Parkhouse, William N. Patman, Andy Rogers and Franklin Spears.

New members drawing full terms were James S. Bates, Criss Coie, Ralph Hall, D. Roy Harrington, Walter Richter and Murray Watson.

However, there is a possibility that a constitutional amendment and new redistricting act may require election of all senators again next year.

**COIN TOSS CHOICE** — Selection of the president pro tempore of the Texas Senate was determined by the toss of a coin.

Senator Martin Dies, Jr., of Lufkin won over Senator Louis Crump of San Saba when the pair decided to flip a coin for the position, rather than to oppose each other.

Customarily, the selection is made on the basis of seniority.

In this instance, Dies and Crump had equal seniority.

**HOUSE RULES FIGHT** — Election of Speaker of the House Byron Tunnell, fourth-term representative from Tyler, took place at the opening of the 58th Legislature with only token opposition — nine votes cast for Rep. John Alaniz of San Antonio.

But the rules fight that followed Tunnell's ascension to the speaker's stand was a different story.

A group led by Rep. Bob Eckhardt of Houston sought to adopt the permanent rules of the 57th Legislature as the temporary rules of the 58th — a custom that has been followed by previous sessions.

The last session operated under temporary rules until its waning days. It then adopted its amended rules as its own permanent rules. Thus if the current session had followed suit, it would have necessarily adopted the changed rules, under which

**The OLD RANCHER**

SEEDING GRASS IS A RISKY BUSINESS UNLESS YOU'VE GOT PROTECTION.

**RANGE SEEDING**

Range seeding has become one of the major conservation practices in our county. It has many beneficial returns — both from a short and a long-time point of view. Tremendous gains can be obtained from grass under proper management. This involves proper range use, deferred grazing as needed, and reseeding to improve the composition present. Research has proven that better stands can be obtained by seeding into a protective cover. This cover will usually consist of rye, sorghum stubble, or johnsongrass. The cover must be prevented from maturing to avoid annual competition. This usually calls for either 1 or 2

mowings or light grazing. The cover should be maintained at about 6-12 inches for the best results.

Several hundred acres were seeded to grass in 1962 and many more acres are planned for seeding this spring. Most of the cropland converted back to grass is either very steep or too subject to wind erosion for farming. This shows that proper soil conservation is proving to be more economically feasible than incorrect farming application.

For information concerning seeding rates and cost-share for applying the practice, contact trained technicians in your local Soil Conservation Service Office.

no Legislature has operated, as its own.

It decided not to do so, by a vote of 108 to 39.

**HOUSE COMMITTEES NAMED** — Most members of the House of Representatives felt that House Speaker Byron Tunnell was "very fair" in his committee assignments.

Rep. John Allen of Longview, who made the nominating speech for the new Speaker, will head the committee on state affairs; Rep. Ben Barnes of DeLeon will be in charge of hiring and firing for the House as head of the rules committee.

Other choice chairmanships include: Rep. W. S. Healy, Jr., of Paducah, Appropriations; Rep. Menton J. Murray of Harlingen, Congressional and Legislative Redistricting; Rep. James Cotten of Weatherford, Constitutional Amendments; Rep. Jerry Butler of Kenedy, Labor; and Rep. George Cook of Odessa, Oil, Gas and Mining.

**FAMILY TRADITION** — When Senator Strong took the oath of office as senator from the second district, it marked the 40th anniversary of the day his father, James G. Strong of Carthage, was first sworn in to represent the same area.

The "elder" statesman in the Strong family and his wife were witnesses to the swearing-in ceremony for their 32-year-old son.

**"HOT CHECK" BILL PROPOSED** — A bill which would help small-town merchants with the problem of bad checks has been prepared by Sen. Bruce Reagan, who wants an act authorizing justice of the peace courts to try bad check cases up to \$25.

Under the present hot-check law, a merchant must travel to a county seat to file charges in a county court for a \$10 hot check. If Reagan's bill becomes law, the merchant could file a complaint in his local justice court.

Rep. George Richardson of Fort Worth is preparing a bill which would allow justice of peace to try cases involving hot checks of less than \$50. He feels that the peace court justices are closer to the people of their areas and can handle complaints quicker than district attorneys.

**INSURANCE LEGISLATION** — Sen. A. R. Schwartz hopes to find a solution to a problem

Schwartz's bill would require the State Board of Insurance to make insurance firms, instead of the homeowner, carry the burden of proof.

Another insurance bill is being drafted by Rep. Don Gladden of Fort Worth who will fight for legislation to protect persons injured in automobile accidents by uninsured motorists.

His bill calls for a special state fund to pay for personal injury costs incurred in accidents with uninsured drivers. Any car owner who couldn't prove ability to pay liability when he registered his car, would have to pay \$20 into the fund.

**"BIG - COLLEGE" VOTE WANTED** — Senator W. T. Moore of Bryan says he will introduce legislation requiring a vote of the people before a four year state-supported college can be created.

**70 MPH SPEED LIMIT** — Rep. Forrest Harding of San Angelo will introduce a bill to increase the maximum speed limit on Texas' highways to 70 miles per hour.

**"OLD FOLKS" MARCH** — Texas legislators have received a petition which says old folks of the state will camp on the Capitol lawn until they get higher pensions.

The printed petition was signed by Russell Jack Ballard. He identified himself as president of the Good Citizens League of Texas, Wichita Falls.

**CHILD CONTROL** — A House committee seeking economy in state government has recommended stricter regulation over state aid for illegitimate dependent children.

The Committee on Saving Taxes adopted a sub-committee report bearing this recommendation, after argument over whether such aid encourages illegitimacy.

**PHONE RATE FIGHT ENDS** — A phone rate dispute, between the City of Weslaco and General Telephone Company of the Southwest, ended in the Texas Supreme Court. Court upheld the city's right to set local rates and the phone company's right to set rates for long distance calls within Texas.

Controversy began three years ago when General Telephone sought an injunction to keep Weslaco's city commission from setting local rates which the firm considered too low; and to keep the city from establishing intrastate call rates on the same basis as that set by the Federal Communications Commission.

It often costs more to call someone in a city within the state than it does to call the same distance, or even farther, to someone in another state.

Supreme Court upheld a decision made by the 4th Court of Civil Appeals.

**SECURITIES** — State Securities Board says Texas made significant gains as a source of public investment funds in 1962.

In its annual report to Governor Daniel, the Board said the sharp decline in the stock market was no deterrent to public investment in funds which it regulates.

During the year the board granted 695 permits for the sale in Texas of securities valued at \$357,340,707.

On the policing side of the board's activities, it reported

that three applications, for permits to sell to the public securities valued at a total of \$745,000, were denied.

Report also noted that 22 applications representing \$22,417,826 were withdrawn.

More than \$445,000 in fees were collected during the year.

**GOOD NEIGHBOR** — Austin attorney J. Manley Head has stepped into the role of Texas' No. 1 "good neighbor."

The former legislator has been named chairman of the Texas Good Neighbor Commission.

Head served four years in the House of Representatives and in the Senate from 1936 to 1941. He is a former executive of the Texas Motor Bus Association.

**CHIROPRACTIC OFFICERS NAMED** — New officers of the State Board of Chiropractic Examiners have been elected.

Dr. G. M. Brassard of Beaumont was chosen as president and Dr. Walter H. Fischer of Temple has been named vice president.

**WATER STAFF** — Hydraulic engineer Lewis B. Seward has been added to the staff of the Texas Water Commission.

Chief Engineer John J. Vandertulip said that Seward will work with the water resources planning division.

**CONVICTION UPHELD** — Brady land promoter B. R. Sheffield has lost another round in his battle to shed his land scandal conviction.

Texas Court of Criminal Appeals has upheld his conviction on charges relating to the Texas veterans land scandals.

## SR. H.D. CLUB MEET HELD IN GREEN HOME

The Senior Home Demonstration Club met in the home of Mrs. G. L. Green Friday afternoon at 3 p.m. for the first meeting of the new year. Mrs. Bertha Benson read Club Collect and the Secretary's report was given. Roll Call was answered with a discussion of New Year's resolutions followed by the Penny Parade. Mrs. Clyde Butler presided.

A short program about New Year's was presented with several of the members taking part. Mrs. W. L. Jordan gave the closing prayer.

Refreshments of cherry cake topped with whipped cream, coffee and tea were served to the following members by the hostess, Mrs. G. L. Green: Mesdames O. C. Watson, Virgil Poole, Benjie Crabtree, Bertha Benson, J. H. Helton, Clyde Butler and W. L. Jordan.

The next meeting will be with Mrs. Virgil Poole the third Friday in February. —Rep.

## FAREWELL PARTY HONORS I. J. SELFS

Mr. and Mrs. I. J. Self who have moved to Wellington were honored with a farewell dinner and party in the home of Mrs. L. M. Smith and Cleatus. Hostesses were Mesdames Smith, B. M. Adams, B. B. Joiner, C. M. James and E. W. Anglin.

Twenty-two attended the party. After dinner was served games of "42" were played. Several didn't get to attend due to the bad weather.

The Selfs received a wonderful and useful gift for their home. We surely hate to lose these fine people from our community and hope they will visit us real often. —Rep.

## MIDWAY CLUB MEETS IN AYERS' HOME

The Midway Club met Thursday, January 17, in the home of Mrs. Grace Ayers. The group enjoyed a covered dish lunch and worked on one quilt.

Members present included Jewel Myers, Leona Scott, Louise Aten, Lillie Mae Carmicheal, Lucille Eans, Lloyd Hillis, Ellen Moreland, Beulah Sanders, Eddie Williams, Alice Wall, Elenora Stuckey, Mary Lee Longdon, and Grace Ayers.

The next meeting is scheduled for February 7 in the home of Lillie Mae Carmicheal. Everyone is requested to bring a covered dish. —Rep.

## CHAMBERLAIN CLUB MEETS AT CENTER

The Chamberlain Club met last time at the Community Center with Mary Myers as hostess. One quilt was almost finished.

Refreshments were served to Bradis Ballew, Eunice Mann, Laura Ivey, Clara May Carter, Ethel Dingler, Mabel Stone, Vivian Allen, Mary Mann, Earnestine Bates and one visitor, Mrs. Williams.

Next club meeting will be held Jan. 24. We will quilt. —Rep.

## MARTIN QUILTING CLUB MEETING

The Martin Quilting Club met in Mrs. Sallie Christie's home Thursday, Jan. 17, for the first meeting of the year.

Ten members and one guest, Mrs. Lois Hutchins, enjoyed a covered dish dinner. Two more members came in the afternoon. Two pollyanna gifts were received.

The next meeting will be Feb. 7 at the home of Lortha Reynolds. Everyone come. —Rep.

## NEW DELTA KAPPA CHAPTER IS ORGANIZED

Mrs. Velma Weaver, Alpha State Music Chairman of Delta Kappa Gamma Society, attended meetings of the society in Borger January 19, 1963.

A coffee was given at ten a.m. in the home of Mrs. Tavia Wienbrauer, 1036 Hedgecove for State officials and chapter officers. At noon all guests and members attended a luncheon in the banquet hall of Hotel Borger.

Following the luncheon six new members were initiated into Gamma Theta and Eta Alpha chapters. A new chapter was organized immediately after the initiation and officers of both chapters were installed. The membership of these chapters are women teachers of Hansford, Hutchinson, Lipscomb and Ochiltree Counties.

Miss Eula Lee Carter, Alpha State Honorary Founder and State Chairman on Organization and Expansion, Miss Phyllis Ellis, Alpha State Executive Secretary, both of Fort Worth, Miss Gladys Wallis, Co-Chairman of Committee on Research, of Amarillo and Mrs. Weaver were in charge of the initiation, organization and installation as representatives of Alpha State.

Mrs. Faye Pinkerton, Miss Ruth Richerson and Mrs. Weaver had breakfast with the State officials, Misses Carter and Ellis, at 6:30 a.m. at Lee's Cafe as a stop-over while enroute to Borger. —Rep.

## CLARENDON CHAPTER OF NATIONAL HONOR SOCIETY MEETS

The Clarendon Chapter of the National Honor Society met Tuesday, Jan. 22, to plan installation of new members. Installation was set for Feb. 13 at 1 p.m.

Madame Tussaud's in London contains wax effigies of most world personalities.

First bathtub in the U.S. was installed in 1842 by Adam Thompson in Cincinnati.

Nell Gwynne was an orange seller.

## BETROTHAL OF VICKI BARKER IS ANNOUNCED

The engagement of Vicki Barker to Carroll Wine was announced at a recent engagement party held in the home of the bride-elect's parents, Mr. and Mrs. Clyde D. Barker of Turlock, Calif., and formerly of Clarendon.

Carroll is the son of Mr. and Mrs. C. E. Wine of Modesto, California.

The bride-elect attended Clarendon grammar school. She attended junior high through her sophomore year in Indio, California. She was graduated from Turlock High School in 1961 where she was active in Commercial Club, Science Club, Future Teachers Club, Pep Club, and served as student body song leader. She participated in various student government activities. She attended Modesto Junior College where she was active in the Senior Phi Gamma Sorority. She is now employed by Stanislaus State College in Turlock as secretary to the College Counselor.

Carroll is a 1960 graduate of Downey High School, Modesto, and attended Modesto Junior College. He is presently serving in the United States Air Force and is in electronics school in Biloxi, Mississippi, home on leave from December 4-17.

The couple has not, as yet, announced a wedding date.

Donley County Leader 23.06 Yr. in County.

## YOUNG SEAMSTRESS — ELEVEN-YEAR OLD LAURA MARIE RIEDEL OF CASTRO VALLEY, CALIF., IS THE YOUNGEST NATIONAL FINALIST IN SINGER'S YOUNG STYLEMAKER CONTEST. HER WINNING ENTRY, A JACKET DRESS OF IRIDESCENT GREEN COTTON, WAS MADE FROM McCALL'S PATTERN 5825.

Eleven-year old Laura Marie Riedel of Castro Valley, Calif., is the youngest national finalist in Singer's Young Stylemaker Contest. Her winning entry, a jacket dress of iridescent green cotton, was made from McCall's Pattern 5825.

## FUTURE HOMEMAKERS OF AMERICA

Strengthening My Education for Future Roles, was the name of our program, Monday night, January 21, 1963, in the College Auditorium. Clydean Gilbreth told of a Speed Reading Course she took in ACC the summer before last. Dolfia Vallance and Jill Benson played a recording of Don Louie's "Talk With Teenagers," which was very enjoyable.

The following were chosen as our Queen and Princesses for our Sweetheart Banquet, February 9: Our Queen is Darlene Shields, the Princesses are Deanna McAnear, Jill Benson, Sharon Williams, Melissa Ann Patterson, Molly Floyd, Regina Borden, Audrey Shields, Sandy Deyhle, and Karen Hill.

The following were visitors: Mesdames Hill, Estes, Partain, Shields, Longan, Allen, and Gilbreth. —Rep.

Miss Carolyn Williams, daughter of Mr. and Mrs. Lee Leek, left Thursday night on her way to Paris Island, South Carolina, for her basic training in the Women's Marine Corp.

HIS AND HER RAINWEAR—All-weather car coats of sturdy cotton denim take on new comfort for winter wear. In look-alike styles for men and women, these coats are laminated with Scott Apparel Foam to provide insulation in all temperatures and to keep their crisp good looks. By Treemcoat.

CLASSIC — A style with universal appeal is the trench coat, shown here in combed-cotton poplin with a durable water-repellent finish. By Weatherbee, it comes in natural, black, gray, or blue.

Jeannette Rankin, was the first woman member of the U.S. House of Representatives—in 1916.

**HEDLEY NEWS**

Mabel Bridges

Cold weather has kept everyone home. Many cars would not start, and quite a few frozen water pipes have caused quite a lot of inconvenience to Hedley Community.

Mr. and Mrs. Gene Allison held Open House in their lovely new home in north Hedley Sunday afternoon. Over 100 guests visited this beautiful new home.

Mrs. W. I. Rains and Mabel Bridges visited Mrs. E. W. Bromley at her ranch near Clarendon Sunday afternoon. Happy to report Mrs. Bromley is improving after her illness.

Mr. and Mrs. Loyd D. Messer moved to Sunray Friday where they will make their home.

Mesdames Ray Moreman and Myrtella Deahl made a business trip to Amarillo Friday.

Mr. and Mrs. Gene Sanders of Plainview spent Friday with his parents, the Albert Sanders.

Mr. and Mrs. E. M. Glass made a business trip to Pampa Friday. Ike Rains attended the stock show in Amarillo Sunday.

Calvin Hays had a car accident near Spur, Texas, the last of the week. He received broken ribs and injured his back.

Mrs. Katherine Latimer and Vee of Memphis visited the lady's father, Clyde Grimsley, Sunday.

Visitors in Mrs. Roy Darnell's home over the week end were Mrs. Earl Myers of Lelia Lake, Mr. and Mrs. Robert Bailey and girls of Amarillo, Mr. and Mrs. O. S. Knoles of Borger.

Tracy Sanders had the Grand Champion Hereford Steer in the Amarillo Fat Stock Show. Tracy is a Hedley boy, son of Mr. and Mrs. Sam Sanders. Congratulations, Tracy.

Visitors in the Walter McCracken home Sunday were Mrs. Anna Mae Riddle, Ed and Bruce McCracken and son, Eddie Gene, all of Amarillo.

A. L. "Bud" Greer, 74, died in Rockport, Texas. Funeral was held in Kelso Chapel in Wellington. Bud was a World War I veteran. Surviving are two sis-

ters, Mrs. Wyrick and Mrs. Ethel Greer of Wellington; a brother, Will Breer of Texline.

Dee Leach, a long time resident of Hedley, passed away at his home in Hedley Sunday night, Jan. 20. Mr. Leach had been in falling health since a car accident several years back. Funeral was held Tuesday at 10:30 a.m. from Hedley Methodist church with Rev. Robert Gill in charge, assisted by Rev. Gene Grace of the Baptist Church. Burial was in Plainview. Dearest sympathy is extended to the family.

David Tate of Amarillo spent the week end with his grandparents, the Tom Tates and Graham Brinsons.

Susan Cox is home from State University at Austin between semesters.

**Sub-Freezing Weather Halts Cotton Gathering**

With only about 2 per cent of the cotton crop remaining to be harvested, the sub-freezing weather of the past week again stopped the gathering of the crop, says K. E. Voelkel, Officer in Charge of the Memphis Classing Office. Samples classed amounted to about 6,000 compared with over 23,000 the week before. The largest number of samples classed in a week this season was 33,000. To date a total of 200,482 samples was classed.

The Memphis Classing Office, which is a seasonal set-up, will close for the 1962-63 season on Wednesday, January 23. Samples shipped on or after that date will be classed by the parent office in Altus, Oklahoma.

White grades represented only about 3 per cent of the total classed this past week according to statistical estimates. Approximately 64 per cent averaged Light Spotted; 27 per cent Spotted; 4 per cent Tinged; and, 2 per cent Below Grade. The predominating grade was Strict Low Middling Light Spotted with 45 per cent. Grades were reduced because of the following reasons: 4 per cent because of Preparation and 26 per cent because of Grass and Bark.

The staple length averaged shorter than previous reports with 17 per cent 29/32 inch and 81 per cent 15/16 inch. About 22 per cent of the cotton classed was Wasty.

Micronaire averages showed 27 per cent reading 2.9 and lower; 36 per cent 3.0-3.4; 21 per cent 3.5-3.9; and, 16 per cent 4.0 and higher.

The average prices paid producers, mixed lots in warehouse, were: Middling Light Spotted 15/16-30.15; Strict Low Middling Light Spotted, 15/16-29.10 cents per pound.

We wish to thank everyone for the beautiful cards and flowers, the food and the ones that have paid on the TV set. We also want to express how much Dad has enjoyed your many visits. Thank you all for your thoughtfulness and consideration.

The Family of Fontayne Elmore

We can never see all of you to offer our sincerest gratitude for all the help we received in our loss by the fire that destroyed our home. So we wish to take this means to say "Thank You" for the many wonderful ways you have helped.

Our deepest thanks for the many many gifts, the food, the money, the kind deeds, blessed words of encouragement, to Billy Jack Land for his service at the scene of the fire, to all who came to help fight the fire, to Clydie Price for his thoughtful help, all who came with the fire truck; and especially to the fine people of our church, the Church of Christ, for their love offering; for the ladies who quilted, for each and every one of you we say Many Thanks, and wish God's richest blessings for all. It is our prayer that such destruction will never happen to any of you.

Mr. and Mrs. J. M. Graham and their children

**ART WORK SHOP TO BE HELD TUESDAY**

There will be an art work shop Tuesday, January 29, 1963, starting at 7 p.m., Room 109 (Art Room) at the College building.

Mr. Jerry Neal, Lubbock, will demonstrate refinishing old furniture by antiquing, marbelizing or wood graining the surface. Also, he will show how to finish plaster molds. Everyone is invited to attend.

**GRASSROOTS OPINION**

TELL CITY, IND., NEWS: "Assistant Secretary of Defense Arthur Sylvester frankly admitted that the Kennedy Administration engaged in an almost total management of the news during the Cuban crisis. Actually, instead of telling nothing they gave out misinformation and many newspapers over the country published these deliberate falsehoods. We who publish newspapers in the nation today are going to find it increasingly more difficult with each passing week to defend the free press. Publishers must summon up all their wisdom, watchfulness and courage for an all-out battle. We need the help of all Americans for it is they, more than the publishers and their newspapers, who will suffer as the free press disappears."

WANTED — Beauty Operator for new shop with new equipment. Call night or Sundays 874-3451. Bernese Morland. (52-c)

ANTIGO, WISC., DAILY JOURNAL: "A free competitive market for all transportation is not feared by the railroads, according to Clair M. Roddewig, president of the Association of Western Railways. Ton for ton and mile for mile, he says, the railroads are the most economical in utilization of such important resources as manpower and fuel. They are unexcelled as low cost all-purpose carriers."

**LISLE, ILL., ADVERTISER:**

... Dr. Paul Dudley White, a past president of the American Heart Association believes human beings need a mixture of both physical and mental stress to live a normal, healthy life. He has this to say . . . Forty hours of work per week is probably too little for healthy humans. We spend so much time trying to entertain ourselves in our leisure time that we are probably less culturally adapted than were our grandparents, who, fortunately for them, did not have automobiles and television — they walked, and read."

**NOTICE**

To Water Consumers in the City of Clarendon:  
Some people feel we should thaw their private lines and cut their water off at the meter. We have over 1,000 cutoffs which is to change meters only. The City is not obligated for your bursted pipes, although we do cut water off at the meter when a plumber is not available. There is a service charge of \$1.00 during working hours and \$2.50 after working hours, so if you call a plumber you save this service charge.

The City has an ordinance which requires each resident who has a water meter to have a private cut off.

Our men reading the meters are finding meter box lids removed a cutoff rods in the box. These lids being off will let the meter freeze and burst which has been done all along and these 3/4 meters cost \$30.00 each.

The City would like to make a suggestion to all water consumers in the event of a severe cold weather report. If any doubt of your water freezing, leave a small stream of cold water running about the size of an 8-penny nail and your water will not freeze.

CITY COMMISSION

- Girl Scout News -

One may notice that a Question mark is used as our Troop number. The reason for this is that we have, as yet, no number since we are a new troop and have not been given our

number. We have 11 enthusiastic members. The members are aged 11 and 12 and are in the 6th grade. Most all of the members were Brownies not long ago, and now we are in the intermediate group of the Girl Scouts of the U.S.A. There are many requirements for us to meet before we earn our various ranks and

badges. At present we are starting on our first task of earning our Second Class rank. This rank will take us a while to complete, for we are to do one activity from eleven fields that will include arts, music, sports, games, homemaking, out-of-doors skills, learning about nature around us, health-safety, literature-dramatics, and learning more about our Girl Scout organization. At our last meeting we discussed some of our plans about working on this rank requirement. The Girl Scouts have their own sincere Promise, Laws, slogan, and motto.

The 11 proud members of Troop 7 are Donna Bennett, Cathy Craft, Lanita Fedric, Sharon Grady, Cheryl Hardin, Kath McCrary, Kathy Mears, Janie Sue Noble, Donna Lee Swinney, Linda Vaughan, and Mary Ruth Wozencraft. We want to let you know of our progress and fun, so be looking for more news from Troop 7. We meet on Thursdays from 4 'til 5 and if any other 6th graders care to share our adventures, we welcome you.—Rep.

into the ground to the required depth. The height of the posts should not be more than 6" above the top of the net wire. Double sheep wire with a maximum size stay of 12" must be secured to the post from ground level to a height of 12-16". The wire should be placed on the side of the post facing downstream so that the pressure of the wire will be extended against the post. Wire should be secured at the top and bottom, to wooden post by staples and tie wire, and to metal post by tie wire. Steel pipe used for posts may need notching in order to facilitate fastening the net wire to the post.

For further information on net wire diversions contact your local Soil Conservation Service Office.

ASHTOLA NEWS

Mrs. Mary Crain has returned from a visit with her sister in Belen, N. M.

Mr. Mirza Crain's uncle, Henry Crain, died at Canyon last week. Mr. L. B. Mauldin passed away in Amarillo. Among survivors is L. B. Mauldin, Jr., brother-in-law of Hubert Rhoades.

A shower was given at Ashtola Community Center Friday for Mr. and Mrs. J. G. Graham, and they received many useful gifts from people all over the area. The women also quilted for them. Their children got them moved into the Groom house in Ashtola, and they are getting along fine. Mr. and Mrs. Donald Graham and Caroline of Halfway and Mr. and Mrs. Bill Graham of Seymour visited them during the week end.

Mr. and Mrs. Frank Mahaffey and Hugh went to Levelland Wednesday and spent the night in the Dane Perdue home, bringing Mrs. Slaton Mahaffey home Thursday after she had spent several days there, while Wynona was ill. Wynona is doing fine now.

Mr. and Mrs. Royce Roderick of Wichita Falls had dinner in the home of Mr. and Mrs. Leland Lewis Saturday.

Members of the Needle Club enjoyed the treat of having their meeting in the home of Mrs. W. A. Poovey in Clarendon Thursday.

Mr. and Mrs. J. F. Hill of Hedley visited Thursday with Mr. and Mrs. John Hill.

Mr. and Mrs. W. E. Hill of Hedley visited Sunday night with Mr. and Mrs. John Hill.

March of Dimes Scientists Find Armadillo Helpful in Twin Study

An oddball research animal that looks like a cross between an anteater and an armored tank is causing scientists to wonder if "identical" human twins are so identical after all.

The nine-banded armadillo, which is a native of Texas and points south, has several child-bearing characteristics that are similar to those of humans.

For this reason, Dr. Kurt Benirschke and colleagues at Dartmouth Medical College, Hanover, N. H., are using armadillos for studies of pregnancy and birth defects under a National Foundation-March of Dimes research grant.

It takes about the same length of time—nine months—for baby armadillos or baby humans to develop in the womb. And in both species, the placentas are structurally similar.

But a quirk of nature has made this odd mammal even more useful for medical research. It always has a litter of four. The four baby armadillos come from the same egg and are therefore always of the same sex.

What has this to do with human twins? For years, scientists have believed that identical twins—those who develop through division of the same egg—are exactly alike down to the very last gene. They've assumed that it was this genetic similarity that permits successful transplants of skin or of organs between identical twins.

If this theory were wholly correct, it should be easy to exchange skin grafts between identical young of the same armadillo litter since they all came from a single egg.

But Dr. Benirschke and his associates, Dr. Alastair H. Imre and Dr. John Anderson, have found that such grafts often fail to "take."

This paradox has led them to suspect that the answer to graft tolerance cannot be found solely in genetic makeup. The March of Dimes researchers think the key may lie, at least in part, in the relationship of the embryo to the placenta—the material which nourishes the unborn infant.

Each armadillo quadruplet has its own isolated segment of placenta. This means that each gets a slightly different supply of nutrients, hormones

Dr. Kurt Benirschke, March of Dimes grantee at Dartmouth Medical College, Hanover, N. H., studies the strange-looking armadillo.

and blood elements. While such differences are minute, they may be just enough to individualize each animal's development so he won't accept grafts any transplants from his own littermate.

Human twins, on the other hand, sometimes share a common placenta—each getting exactly the same nutrients for development. Thus they become favorable candidates for any necessary organ exchange or skin graft in later life.

If graft acceptance in twins is related to their sharing—or not sharing—the same placenta, some other puzzles of pregnancy may also be a little closer to solution.

Why, for example, doesn't a pregnant animal "reject" its own embryo, which is actually a "foreign" substance made up of cells quite different from her own?

stances? Could such a reaction lead to spontaneous abortion or a defect in the offspring? Or could it be that the exchange of substances through the placenta permits the mother to "accept" the embryo?

Does this exchange also make it possible for some mothers and children to tolerate each other's skin or organ grafts later in life?

These are questions which have stumped scientists for many years. The answers, though still to come, may throw a bright new light on many problems of pregnancy, the causes of certain birth defects, and the success or failure of organ transplants.

And it may be one of the nature's more incredible creatures—dasyurus novemcinctus (known familiarly as Mrs. Armadillo)—who will help turn the switch on this lamp of knowledge.

Bering Strait was named for Vita Bering, a Dane in the Russian Navy.

President Woodrow Wilson was a football coach at Princeton in 1890.

NET WIRE DIVERSIONS

The purpose of this practice is to provide a means whereby runoff water concentrated in shallow grassed depressions can be diverted and spread over adjacent flat grassland without destroying existing vegetation adjacent to the spreading structure. It may also be used in combination with other water spreading practices.

The structures shall consist of sheep wire fastened to posts set on the contour or on a grade as technically determined. Wooden posts will be 3" in diameter at the smallest part and not more than 10' apart. The post should be in the ground at least 2 1/2 feet and well tramped. T-constructed metal posts or steel pipe 1 1/4" in diameter or larger may be used in place of wooden posts, provided they are driven

### Wheat Performance

We have begun measuring wheat and diverted acres. Mr. C. H. Long is helping us measure again this year.

Let us remind you to either go with the reporter or have your representative there to go with him to measure your land. If you are participating in the Wheat Stabilization Program, you must tell the reporter the percentage share each producer will have in the crop.

It is necessary that the diverted acres be designated at the time of performance.

**1963 Feed Grain Program**  
The sign-up period for the 1963 Feed Grain Program will be from February 1 through March 22, 1963. Notice of base acreage, yields and payment rates will be mailed to producers in the very near future.

**1963 ACP**  
Several producers have already taken advantage of the 1963 ACP Cost-share Program and are now carrying out their practices. A few of the practices being carried out are deep-plowing, constructing terraces, constructing dams, underground irrigation systems, and grass seeding.

Each individual is limited to \$1000.00 cost-share payment in Donley County this year. This is also the state limitation.

**Growers Without Allotments**  
Let us remind you once again that if you have planted any wheat without an allotment, you must come to the Donley County ASCS Office and report it so that it can be measured.

Alexander Hamilton was killed in a duel with Aaron Burr on Wee-hawken Heights, New Jersey, July 11, 1804.

The ghost of Anne Boleyn, one of Henry VIII's wives, is said to walk around the Bloody Tower of London.

Donley County Leader \$3.06 Yr. in County

## 2 Rural Accidents Investigated During Month Of December

The Highway Patrol investigated 2 rural accidents in Donley County during the month of December according to Sergeant J. W. Wilson, Patrol Supervisor of this area.

These wrecks accounted for one person injured and an estimated property damage of \$905.00.

The rural traffic accident summary for Donley County from January through December of 1962 shows a total of 34 crashes resulting in 2 persons killed, 23 injured. The estimated property damage amounted to \$21,195.00.

When the final reports are tabulated in March of 1963, it is estimated the death count will be approximately 4% above the 2314 killed in 1961. This increase should be a challenge for every individual to put forth his best defensive efforts to prevent accidents for the new year.

The Veteran Patrol Supervisor cautions all motorists to beware of icy patches at bridges, underpasses and in shadows. Reduce speed before you reach the slippery area.

### GROOM HOSPITAL CUILD TO SPONSOR SUPPER SATURDAY EVENING

Come to St. Mary's Hall in Groom for Chili, Stew, Pie, Coffee, etc. There will be entertainment for young and old. Serving begins at 5:30 p.m. and continues to 9 p.m. Saturday evening, January 26.

Proceeds will go toward purchasing a pacemaker heart machine to be used in our Groom Memorial Hospital. Everyone is invited. The supper will be sponsored by the Groom Memorial Hospital Guild.

## Bulldogs Fall To Decatur, 81-61

The tall Decatur Baptist College team tacked an 81 to 61 defeat on the Clarendon Junior College Bulldogs in a game played at Decatur last Saturday night.

The Bulldogs played well but could not match the superior height of the Indians. The Bulldogs pulled out to a 14 to 7 lead early in the game but the Indians caught fire and rolled to a 39 to 27 lead at halftime. In the second half the Bulldogs pulled to within six points at 49-43, but could never get any closer.

Three Bulldogs, Randall Murray, Jimmy Boyd and Alvin Scott tied for high point honors with 12 points each. Max Courtney made nine points and got 12 rebounds the first half but fouled out early in the second half. James Mogan, Decatur sharpshooter, led all scorers for the game with 25 points.

### SCHOOL CAFETERIA MENU

#### Week of Jan. 21-25

Monday: Steak fingers, creamed potatoes, green beans, stewed apricots, hot rolls and butter, ½ pint milk.

Tuesday: Hamburgers, lettuce and tomatoes, pickles and onions, potato chips, blue plums, cake with butter, ½ pint milk.

Thursday: Turkey, dressing and giblet gravy, creamed peas, celery stick, fruit jello and whip topping, hot rolls and butter, milk.

Friday: Brown beans and ham, macaroni and tomatoes, carrot sticks, sliced peaches and cake, cornbread and butter, milk.

## DAVID GOAD TO RECEIVE B.A. DEGREE

David Genoa Goad, son of Mr. and Mrs. J. L. Goad, Clarendon, is one of six mid-term graduates at Wayland Baptist College, Plainview.

Goad, who is receiving the B.A. degree with a major in speech and a minor in religion, serves as pastor of Trinity Baptist Church, Dickens, and as a bus driver for the Plainview Public School System in addition to participating in campus organizations at Wayland.

He has served as extension chairman of the Baptist Student Union Volunteer Mission Band and as program chairman of the Ministerial Alliance. Goad has also been a member of his dormitory court and was president of his residence hall.

A 1957 graduate of Lelia Lake High School, Goad is married to the former Martha Maye Rector of Plainview. He plans to enroll in Southwestern Baptist Theological Seminary, Fort Worth, this fall.

Graduation exercises for all students completing their courses of study at mid-term will be during the regularly scheduled ceremonies May 19-20.

### DEADLINE NEARS FOR ENTRANCE TO ACADEMY

WASHINGTON, D.C., Jan. 18 —Congressman Walter Rogers of Pampa announced today that Jan. 31 has been set as the deadline for accepting nominations of candidates for the U.S. Merchant Marine Academy.

Mr. Rogers is entitled by law to nominate 10 qualified applicants from the 28-county area of the 18th Congressional District. He announced he will receive applications for nominations up to the Jan. 31 deadline.

The Merchant Marine Academy one of the five federal academies, trains young men for careers as

officers in the nation's Merchant Marine. Its four-year college program leads to a BS degree, a U.S. Coast Guard license as a third officer or third assistant engineer in the Merchant Marine, and a commission in the Naval Reserve.

Successful nominees will attend the academy beginning with the school year opening this fall.

Congressman Rogers said prospective applicants seeking more detailed information about the program of the Merchant Marine should contact his office or write to the academy's training representative, Maritime Administration, P.O. Box 52948, New Orleans, La.

## High School Teams Split Pair With Lefors

The high school Bronchoettes took an easy 44-16 win from the Lefors girls last Tuesday night to put their conference standings at two wins with one loss.

Due to another knee injury sustained in the Wellington game, Dorothy Richey was out of the line-up again, but it is hoped that she may be able to play before the next meeting with Wellington, which will be February 5th on the local court.

Regina Borden, a sophomore was high scorer with 15 important points to be followed by Sharon Williams with 13 and Janette Rumpy with 6, Cheryl Fedric 4, Sandra Longan 3, Karen Hill 1, and Connie Martin playing forward for about one minute scored 2 points. The Bronchoettes guards, Mollie Floyd, Janie Ivey, Connie Martin, Ann Mills, Pat Banister and Melissa Patterson allowed the opponents only 2 field baskets for the entire contest.

The Bronchos enjoyed a first quarter lead but lost it in the second quarter and trailed 20-26 at halftime. After allowing the

Pirates to gain a 10 point lead on them the Bronchos fought back and threatened late in the fourth quarter, but were off their normally tough defense and shot a chilly percentage that caused them to end up on the short end of the scoreboard, 55 to 47.

## Cub Scout News

Tonight, Thursday, Jan. 24 there will be a meeting at the First Christian Church at 7:30 for all Den Mothers, their helpers and interested parents in planning for our Blue and Gold Banquet program.

The theme of your program is "Scouts Around the World." Ted McCoy, Scout Executive from Pampa will bring and show slides he made at the World Jamboree in Canada in 1955. Mothers of all Cub Scouts will be interested in attending this to get ideas for the son's costume for the banquet program.

The monthly pack meeting will be held Monday night, Jan. 28 at the First Christian Church at 7:30. Be sure and invite your friends and neighbors to come and stand up for your den. Den No. 7 has won the attendance banner for two times straight and one more time it will be theirs for keeps. So all you den work hard, invite people out and try to beat them.

Two dens will put on skits: Den 5, Mrs. Pointer and Hill from Lelia Lake and Den 7, Mrs. Barbee and Simmons. Information will be given about the Blue and Gold Banquet which will be February 22.
