### OBITUARY.

Amanda Selman Oldham was born July 13, 1824 in Hiles county, Miss, was married to Chas. Oldham Aug. 22, 1841; accepted Christ as her savior in 1842 and united with the Missionary Baptist Church. Moved to Cherokee County, Texas in 1851; moved to Callahan county in 1858 and united with the Baptist church at Clyde in 1865; died Dec. 15, 1900.

Grandma Oldham was loved by her many acquaintances, and though she had lived to walk upon the shore of "three score and ten" years, yet we could not feel that she had been with us long enough, but we make the Divine will our submission, and responsive to her death in our hearts is "Father thy will be done."

To us there is nothing more beautiful than to see an aged person striving in earth to throw the shells and pearls from the ocean of God's love upon the seashore of human life to be gathered up by seeking people.

Standing by ocean side and looking across the "deep" hearing "and to gather shells brought to the shore is a beautiful semblance of an aged person bringing "forth fruit in old age."

Grandma trusted to live in a home beyond the sky, made Christ's blood her warrant for possession, and now the graveyard has her body and God her soul that is wiser than the snow; but when we shall see her again "till be both soul and body alive together and Christ already in the cloud."

We "weep with those that weep."

BEN RICHARDS.

### YOZALIA GLEE CLUB.

The Yozalia Glee Club held its regular weekly meeting with Mrs. Gray last Saturday evening. An interesting musical program was rendered before the call for business. In addition to the music, special mention should be made of the dialogue between Miss Addie Day, representing the old "deaf woman" and Mr. Fred Lane as a "tramp." The Club adjourned to meet next Friday evening with Miss Ida Collier and celebrate George Washington's birthday. All present will appear in the costume of that day, and an appropriate program has been arranged for the evening.

Mrs. Fred Lane, Pres.  
Miss Ida Collier, Secy.

**THANKFUL TO Mrs. PINKHAM**  
Letters Proving Positively that there is No Medicine for Woman's Ills Equal to Lydia E. Pinkham's Vegetable Compound.

MRS. ANNIE THOMPSON

"I cannot say enough in regard to Lydia E. Pinkham's Vegetable Compound. It has done more good than all the doctors. I have been troubled with female weakness in its worst form for about ten years. I had hemorrhoids and was so weak that I could not do my housework.

"I was then sick five years ago with 'The Grippe' and had a relapse and was given up by the doctor and my friends. Change of life began to work on me. I slowed very badly. My stomach and lungs got so bad, I suffered terribly; the blood went up in my lungs and stomach and I vomited with my head out entirely. I cannot tell what I suffered by myself. My husband got me a bottle of Lydia E. Pinkham's Vegetable Compound, and before I had taken half of it I began to improve, and today I am another woman. Mrs. Pinkham's medicine has saved my life. I cannot praise it enough." M. A. DeLorenzo, Millport, N.Y.

**SMALLPOX.**  
The smallpox situation at Baird yesterday evening as we report to press was as follows: Statement from Dr. S. T. Fraser, health officer. Two cases at Mrs. Reno's, one case vereloid, John Huston and Mrs. Joe Allin. These three places are under quarantine, the latter being quarantined yesterday. All cases are doing well. Every case so far, unless it is the case of vereloid, is traceable to Mrs. Reno's, whose the disease first broke out. Every precaution is being used to prevent the disease spreading, though it is so mild people are not afraid of it. Better be careful, we have no assurance whatever that the disease will continue in such a mild form.
