FROM THE HOLY LAND TO CLARENDON

A few years ago a number of selected people from this land went to the Holy Land to produce the film, "Jesus of Nazareth". Every scene was produced in the Holy Land where Jesus lived, worked, wept and died. The result was that to-day we can see this majestic picture and thru the medium of sound hear the grand Christian hyms of the Church.

The First Presbyterian and Christian Church Y.P.S. are bringing this film to Clarendon for one day-April 11th. That day is Good Friday in the Holy Week and this picture fits in beautifully to the Easter season.

Every cent that is realized from the showing of this picture will be used to send the young people to their Summer Conference at Ceta Glen Canyon this summer. "We appreciate the co-operation of the city of Clarendon in this project as well as Mrs. H. Mulkey and Mr. Lee Bell who are making it possible for this film to be shown in the Cozy Theatre," Rev. Cecil E. Harvey stated.

More and more, these days, your cancelled check takes the place of a receipted bill as evidence of payment. But some times a cancelled check is lost or mislaid or perhaps wilfully destroyed just when you need it most to prove a disputed item.

In such cases the new "RECORDAK" Service of the Farmers State Bank may save you considerable annoyance and perhaps actual loss.

Each check passing through our hands for payment is now recorded on a moving picture film. This permanent picture record of their checks is always available to our depositors.

"RECORDAK" protection and itemized monthly statements of your accounts are but some of the modern conveniences offered clients carrying accounts with this bank.
