CLARENDON, DONLEY COUNTY, TEXAS, MAY 8, 1941

A Common Paper for Common People

Donley County's Annual Super Dairy Show Opens Saturday

Howard Ferguson, Amarillo Dairy Specialist who has been superintendent of the dairy division of the Tri-State Fair for years, will judge the First Donley County Dairy Show, to be held here Saturday, May 10th, according to J. R. Gillham, local F.F.A. adviser. The show will open officially at 10 a. m. and all dairy cattle to be exhibited should be on hand at that time.

Fifteen dollars in cash will be awarded to the men, women, or children of Donley County who do the best job of judging four classes of four cattle each at 1 p. m. The contest is open to every citizen of Donley County and there is no charge for entering the contest. This event has proven very popular in other shows as it gives everyone in the county a chance to measure their skill in judging dairy cattle.

The show will not be judged by comparison but by classification. This will be of especial benefit to cattle owners as the classification is uniform in all shows and registered cattle breeders use the terms of classification in describing their cattle. The basis for classification is as follows:

Excellent—An animal that will in the opinion of the judge score a total of 90 points or more on the official scoreboard of their breed.

Very Good—score 85 to 90; Good Plus—score 80 to 85; Good—score 75 to 80; Fair—score 70 to 75; Poor—a cow that will score under 70.

All registered cattle associations recommend that cattle scoring under 70 not be registered. Only registered cattle will be allowed in the show. The thirty odd head of registered cattle owned by local F.F.A. members are expected to make up the greater portion of the show. Of especial interest in the show will be a number of excellent Jersey bulls owned by the F.F.A. boys and by farmers who have recently organized bull circles under the direction of H. M. Breedlove, County Agent.

There will be classes for registered cattle of all ages from baby calves to aged cows and bulls. Charles and William Sullivan, Pete Morrow, Frank Cannon, Ray Pittman, H. A. Harrison, Carl Morris, C. W. Howard, Calvin Naylor, F. S. Clark, J. R. Gillham, J. W. Sullivan, and a number of other Donley County cattle owners are expected to exhibit their cattle. Gillham stated today that he expected forty head of cattle to be on exhibit.

Small equal cash premiums will be paid for every head of cattle exhibited, and cattle will all be released by 3 p. m. Saturday.

VISITS COUSIN HERE AFTER 35 YEARS

Quite a surprise for Bob McGowan a few days ago when Will Harper and his family from Dallas dropped in to spend a few days with Mr. and Mrs. McGowan. Bob and Will are cousins, and had not met for thirty-five years. The Harpers live in Dallas.

City Patients Must Pay

At a meeting of the county commissioners here Monday, the Court went on record as not accepting any more indigent patients from within the City corporate limits at county expense. The order reads:

"Motion made by G. G. Reeves and seconded by J. H. Hermesmyer that Donley County will not take care of, or be responsible for indigent cases who reside inside of the City Limits of the City of Clarendon, Texas, and that this order is to become effective May 5, 1941."

"After a full discussion, the motion carried unanimously," the minutes of the Commissioners Court reads.

It is said that the City refused to further supply the Adair Hospital with free water after April 1, 1941, a custom followed for several years.

GONE TO AUSTIN

Mr. and Mrs. George Wayne Estlack and daughter Jacqueline are in Austin after a stop made with her sister and husband at Sweetwater, and his aunt at Bangs. They will spend several days with the Estlack brothers and their families in Austin.

MOTHER'S DAY SUNDAY MAY 11

This Sunday marks the thirty second anniversary of Mother's Day. Sunday the goddess of memory will be opened and we shall relive our childhood days. We shall think in terms of our mother's love and her devotion to us in the tender years of life.

The observance of Mother's Day is popular because it is in harmony with our best emotions. When on May 8, 1914, President Wilson signed the Act of Congress, sanctioning the observance of Mother's Day, he appointed it a day for the expression of our love and reverence for our mothers. The best expression we can give is to live in harmony with our mothers' hopes and prayers for us.

Some one has said: "Since God could not be everywhere in the flesh, He gave us our mothers."

The finest way we can honor our mothers is to attend church service this Sunday. The Christ and the Church have glorified motherhood. This Sunday all the Churches of Clarendon offer a welcome to worship with them.

Most churches will have a service honoring mothers. One of the churches—The First Christian Church will have a mother bring the morning message. Honor thy father and thy mother!

Hedley Paving Begins Soon

The recent heavy rains has caused Hedley to go "paving" minded. The mud on the main business block is said to be growing deeper and deeper. Mayor Leon Reeves, one of the old-timers, allows as how the mud is now impossible, and something must be done about it. He has plenty of backers, too, as well as the city Council.

The WPA project in the making calls for \$2,000 on the part of Hedley. About \$1,600 has been raised by willing contributors. The other \$400 is expected to be in hand paid by other property owners by the end of the week.

The full main business block will be paved, it is announced. Strips of 24 feet in width will be paved on five adjoining blocks.

NO OPEN AIR SERVICES THIS SUMMER

At the final meeting of the Clarendon Ministerial Alliance, on Monday of this week, it was decided to abandon any attempt to continue the open air services which proved so successful during July and August of last year.

Those who favor continuance of these services regret the necessity for this action, and while assurances of support have come from many church members and from many others not connected with any religious organization, they feel that failure to enlist the support of all of the churches in the City would have a tendency to lead to that which the Alliance has sought to avoid—a conflict between churches.

FROM HAWAIIAN ISLANDS

Capt. Joe Bourland, one of Uncle Sam's submarine crews, stopped off to visit relatives and his father here a few days ago. He was on his way to the New York naval station.

HIGH WATER HINDERED TRAIN SCHEDULES

Though clear skies prevailed over our section after Monday, rain continued in the Wichita and Vernon area. The Denver continued to have trouble with her Pease river bridge approaches, the roadbed being replaced after the first of the rain period. The roadbed is soft and schedule slow.

Mail has been arriving here several hours late for several days due to the rain effect.

THREE LEAVE FOR ARMY SUNDAY MORNING

Three youths left here for Ft. Bliss Sunday by bus. They will train at El Paso a short time, and will then go to Camp Bowie at Brownwood, it is stated.

The young men are Clarence Edwin Davis, Fred William Springs and Winfred Wise.

Closing Programs Hedley Schools

The first of the programs incident to the closing of the Hedley school term will be the baccalaureate sermon by Rev. Rex Kendall at 11 a. m. Sunday, May 11th. This service will be conducted in the spacious school auditorium.

Rev. Kendall is a graduate of the Hedley schools, and a son of Mr. and Mrs. Frank Kendall there.

On Wednesday, May 14th the elementary school closing program will be presented at 8 p. m. More than a hundred and fifty pupils will take a part in the presentation of a pageant, "Texas, Our Texas." This is a thrilling, patriotic drama of more than usual interest right now.

The High School graduation exercises will be at 8 p. m. on Friday, May 16th. Rev. E. W. Henshaw, gifted speaker and rector of the Episcopal church here, will deliver the address that evening. Sixteen are to receive diplomas.

Supt. W. C. Payne closes his seventh year of successful guidance of the Hedley schools. He and his able corps of teachers have made an enviable record in that school-minded community.

Hospital Day Is May 12th

In keeping with the national Hospital Day observance May 12th, Adair hospital will be open to visitors and friends between the hours of 10 a. m. to 12, and from 2 to 4 p. m. on that day.

The Hospital Board extends a cordial invitation to the general public to visit Adair Hospital and learn more about the excellent facilities made available by the taxpayers and pay patrons of this county.

The Board feels confident that the advantages of Adair hospital are on a parity with those of any county hospital, and better than the average. There is said to be equipment to meet practically every emergency.

RICHARD COCKE STOPS HERE TUESDAY

Asst. Attorney General Richard H. Cocke of Austin stopped in Clarendon Tuesday forenoon to visit friends. He was returning to Austin after gathering evidence in an anti-trust suit that may involve a Panhandle company.

Richard Cocke is one of the liveliest and most talented men on the staff of Atty. General Jerry Mann, and formerly lived at Wellington where he received his primary education.

Comedy Benefit Play To Build Park Fund

A dramatic production, "All the Comforts of Home," by Wm. Gillette, was first produced March 3, 1890. Revived in all the sparkling spirit of those "Good Old Days," and proving that the laughs of fifty years ago still have what it takes to burst a corset string. If you haven't a corset string handy, bustle over anyway and enjoy a lot of grand unrestrained fun.

This play is being sponsored by the Park Board, and to be presented Thursday night, May 15th, 1941 at the College Auditorium.

Dramatic Personae and Cast: Alfred Hastings, Pettibone's nephew—Dick Shelton. Tom McDow, a protégé of Alfred's—Kenneth Brown.

Theodore Bender, Esq., a retired produce dealer—Walter Knorpp. Josephine Bender, his wife—Mrs. Joe Ritter.

Evangeline Bender, their daughter—Miss Rebecca Eanes. Mr. Egbert Pettibone, a peculiarly jealous man—Ernest Kent.

Rosabelle Pettibone, his second wife—Miss Vivian Taylor. Emily Pettibone, Pettibone's daughter—Miss Avis McElvany. Christopher Dabney, a broken-down music teacher—Rev. Maynard Miller.

Judson Langhorne, a young man of leisure—Ira Merchant. Fifi Oranski, from the Opera Comique—Miss Joan Thompson.

Augustus McNath, a friend of Pettibone's youth—Tom F. Connally. Victor Smythe, in love with Emily Pettibone—Isadore Mellinger.

Thompson, a shoe-dealer—John C. Knorpp. Katy, maid at Pettibone's—Miss Nettie Sims.

Gretchen, Fifi's maid—Mrs. Mike Stricklin. Battitt, merely a battitt—Clyde Slavin.

Trio—Mrs. Mike Stricklin, Miss Ruth Palmer, Mrs. Dick Shelton. Co-Directors: Mrs. John Knorpp and Mrs. Ira Merchant. Properties—Mrs. M. R. Allensworth.

Here's the show that helped Charley's aunt make the "gay nineties" gay! Adults 35 cents. All school children, 20 cents.

Clarendon needs the Park. You need your ticket for "All the Comforts of Home."

DOWN TO BRIDGEPORT

Mr. and Mrs. C. E. Bairfield spent the week end in Bridgeport with his sister, Mrs. Sloan Miller and family. They report plenty of moisture down that way.

War Department To Look Over Plains Area

A letter Tuesday from Cong. Gene Worley states that he, with other Texans, officials and otherwise, contacted officials of the War Department in Washington the past week relative to the location of defense locations in the Panhandle.

Mr. Worley stated that the War Department officials consented finally to make a survey of the entire Panhandle to determine if our section of the country could fit in with their plans.

"According to my information from the officials in the War Department the location of any particular unit, whether it be canneries, air schools, industrial plants, etc. depends on many factors. But it is my belief that the Panhandle, with all its resources, can qualify as well as many other sections of the Nation. We might not get anything at all, but I personally feel a great deal better in making the strongest efforts possible, than I would if we did not take any interest at all," Mr. Worley stated.

All of the area in the Panhandle will receive the same consideration. Individuals are requested to show the officials every advantage when the survey gets under way. Mr. Worley did not know when the survey would begin or end, but he will be glad to comply with any suggestions or requests in an effort to be as helpful as possible at any time.

Exhibits Draw Big Crowd

With practically no publicity except a mere announcement of the date, the school exhibits Friday drew a good attendance. The College put on a good showing of what is being accomplished in that department. The High School and Junior High were right in there with a fine exhibit of work done by the pupils.

The every-day person has no idea of the progress being made in schools until the exhibits are looked over. The South Ward school exhibit is treated in a special article because the younger ones need the encouragement they have earned. The older ones are just going ahead anyhow regardless of what the public thinks about it.

Clarendon's public school system measures right up to the standard of requirements. The students going from the local College into the higher schools of the state reflect credit upon the local institution. That fact is established by the teacher comment in other schools, Canyon and Austin as well as many other higher schools.

Great credit is due the local teachers in all departments from the Supt. on down. Clarendon still is a great school center, and ought to let the whole Panhandle know more about the wonderful advantages here.

MARTIN SCHOOL PROGRAM FRIDAY NIGHT

The Seventh grade of the Martin school will have their graduation exercises Friday night of this week, at 8:30. These exercises were scheduled for last Friday night, but postponed on account of the heavy rains.

Also on the same night, the Primary department, taught by Miss Nova Cook, will present a play, "Royal Tom Thumb Wedding." This presentation is not a part of the graduation exercises proper.

HERE FROM LOS ANGELES

Mrs. C. A. Jackson, who has been visiting her sister, Mrs. O. H. Tidwell, has returned to her home in Los Angeles, Calif. She was accompanied here by Mr. and Mrs. Clarence Tidwell of Los Angeles.

PIONEER SURGEON DIES WEDNESDAY

Dr. V. E. von Brunow, resident of Pampa for 39 years, died in a hospital there Wednesday afternoon. Dr. von Brunow served as postmaster of Pampa many years ago, and was republican county chairman for more than thirty years. He was an active physician and member of the Kiwanis club at the time of his death.

WIFE ATTENDS SCHOOL WHILE HUSBAND ON BATTLESHIP JOB

T. W. Hardisty is chief electrician on the new battleship North Carolina, christened in April, and now stationed in New York harbor. He married Miss Gertrude Wiedman a number of years ago.

While he was stationed in Honolulu, Mrs. Hardisty attended school to put her time to useful advantage. Since they have resided in New York City, Mrs. Hardisty has attended Columbia University from which she is to receive her Master's degree within a short time.

POEM WINS PRIZE

Mrs. Eunice Halbert of Crowell had the honor of winning the prize, "A Book of Best Loved American Poems," awarded at the Seventh District Convention of Federated Clubs, in Amarillo the past week for the best poem entered. Mrs. Halbert will be remembered by many as Miss Eunice Johnson of Clarendon. The poem was composed about her three year old son.

LOCAL JUDGING TEAMS WIN TOP HONORS TUESDAY

LOCAL F.F.A. YOUTHS WIN TOP HONORS IN AREA LEADERSHIP CONTESTS

Clarendon F.F.A. youths won top honors in the Area 1 Leadership Contests at Memphis in competition with the representatives from 31 other Panhandle schools when they won first place in two of the four events. Clarendon won the chapter conducting and news-writing contests for the fifth consecutive year. Perryton won the public speaking event and Quitaque the one act demonstration.

C. G. Kirkland, Clarendon news writer, and the chapter conducting team composed of Lee Christie, H. A. Harrison, Redell Henson, Ray Robertson, J. F. White, Charles Smith, Donald Thigpin, Frank Mahaffey, and Johnnie Beard, qualified for the state F.F.A. contests to be held in Marshall, July 16, 17 and 18. Slaton Mahaffey and adviser J. R. Gillham accompanied the group to Memphis.

HELP FATHER OBSERVE BIRTHDAY FRIDAY

Among those to help E. F. Bryan celebrate his 68th birthday at his home in Amarillo Friday were his sisters, Mrs. W. A. Land, Mrs. Buel Sanford, Mrs. Frank Whitlock, Mrs. Reagan Bryan and Mrs. C. E. Whitlock, a niece.

The ladies took a large beautiful birthday cake. Mr. Bryan received a large number of greetings, flowers and other remembrances from friends on that day from many different places, it was learned today.

"WET WEATHER" SALE WILL BE HELD AGAIN

Manager Alvin Landers of the Clarendon Food store is being accused of conducting a "wet weather" sale in observing the firm's fourth anniversary last Friday and Saturday.

A number did not get in on this deal on account of the rain. A number have asked Mr. Landers to continue the sale over next Friday and Saturday. The firm is doing just that. The same opportunity will be given Admission coffee purchasers to win a cash prize. Ask for your entry blank.

WENT TO CONVENTION

Sheriff and Mrs. Guy Wright and Mr. and Mrs. Heckel Stark attended the peace officers convention in Childress Monday.

ELERY WATSON STOPPED HERE TO VISIT

Fine old boy, that Elery Watson fellow. He dropped off here Saturday to see old friends. He has been stationed in Miami, Florida with the flying corps of Uncle Sam's crack sky-screamers. Elery is Honolulu bound, and really expects to get farther west into the Orient, if possible.

LIONS CLUB WILL PAY TRIBUTE TO MEMORY OF HOMER MULKEY

A plaque honoring the memory of Homer Mulkey will be dedicated at the City Park at 4:30 p. m. Sunday, May 11th. The plaque is a contribution of the Lions Club here of which Mr. Mulkey was an honored member from its beginning some twelve years ago.

The band will play appropriate numbers, Mr. Mulkey being a liberal supporter of the band through many years, and it was largely through his efforts that a high school band was organized and maintained.

J. O. Quattlebaum, Jr., pastor of the Methodist church, will deliver the invocation.

Mayor Tom F. Connally will make the introductory talk, and Sam Braswell will deliver the address of dedication of the plaque.

The public is cordially invited to attend this ceremony in memory of the one individual who did much for Clarendon and Donley county during his long residence here.

HERE FROM OREGON

Mrs. M. E. Barrigar of Portland, Oregon is visiting her niece, Mrs. Alvin Landers and family. She is on her way to visit a sister in New York City. Mrs. Barrigar is a sister of Dr. T. H. Ellis here, and C. H. Ellis of Lelia Lake.

GARDEN GLANCES
America beautiful lies in the hands of the gardeners.

With apologies to our Chamber of Commerce it must be admitted by all that the weather this past week was really "unusual", but it has brought to our gardens, flowers in abundance and a luxuriant growth of shrubbery.

The spires with their graceful sprays of tiny white blossoms have added their beauty to many yards. We especially admired the flowering hedges in the Doss Palmer and Kelly Chamberlain yards, and the two immense spires at the Fred Cook's doorway.

There are several lawns that have snowball bushes—two of the most gorgeous ones can be seen at the Walter Taylor's and J. D. Swift's. Dominating the Chase's garden is a strikingly lovely rose in tints of red and gold. Have you seen the exquisite columbines in the Jim Patman's back yard? And at Mrs. Van Eaton's flaming poppies captivate the beholder.

Over the garden walls at the Brumley's I found hundreds of irises in many gay colors, a large bed of bluebonnets, and an apartment—"To rent for a song."

Gardening is an adventure for all ages. Won't you help make our town a garden spot?

Charley Bogard of Plains, Texas, is visiting relatives here.

Mrs. Gene Chamberlain of Memphis stopped for a visit in Clarendon Thurs., enroute home from the meeting of Seventh District Convention of Federated Clubs in Amarillo.

MONEY in the ground
Billions of barrels of Texas oil reserves mean money in the bank for you as a Texan.
On constant deposit in underground vaults, they assure continued wages for Texas workers, lease and royalty payments for Texas farmers and ranchers, and tax revenues for our State and local governments.
Nearly 11 billion barrels of known oil reserves are on tap in 161 counties of our State. Texas oil men are now searching for new fields in 90 additional counties. They discovered last year almost three times as much oil as they produced.
These oil reserves can be cashed only through their production and processing by Texas workers.
As a means of safeguarding this backlog of economic security, you as a Texas citizen can and should expect:
(a) Sound conservation practices, (b) A reasonable taxing policy by State and local governments to permit healthy development without loss of employment through abandonment of properties, (c) Increased use of this great fuel source through creation of new Texas industries.
These oil reserves provide security for you and every other Texan

WHOO-E-E!
Under the new tax act, the bankers will come in for some consideration. A 2-cent stamp will have to be placed on each check. That means that folks will check out in larger sums and pay cash. That also means that the bank clerks will have quite a bit less work. Did you ever stop to think what a lot of work the bank folks

do just to accomodate the small depositors?
BRANCHING OUT.
As a kid we sat on a hard bench for two hours at the big meetin' and did our best to help the congregation along with "Greenland's Icy Mountains to India's Coral Strands" without once thinking that those two places would become the limits of the defense zone of Uncle Sam during our time.
MORE TAXES YET!
In addition to taxes on practic-

ally everything, there will be a tax on clubs. I mean the organizations known as clubs. If there is an initiation, it will carry a tax, too. We are going to learn more about war the next few months. The only thing left off the list is a home made baby cradle. We don't use those any more since the smaller children have taken to the auto.

HIGH WATER.
The hogs sleeping in an East Texas courthouse were disturbed by high water the past week. Several said to have swum into farmer's wagons who then hauled them home without knowing anything about it until daylight.

Up around Dalhart the Texan tells about the folks fishing from their beds through windows without getting out of bed. Upon investigation it was found that the dry lake above Rita Blanca dam had filled up to twenty miles in width, and that a suspicious battleship was pawing around over the surface. John McCarty and Ed Bishop put out in a launch to investigate, and have not return-

ed to this late hour, according to reports. It is believed that both were taken prisoners.

Land Committee Tells Plans

The Donley County Land Use Planning Committee met in the office of the County Agent at 9:30 a. m. on the 26th of April, according to County Agent, H. M. Breedlove, who is Secretary of the Land Use Planning Committee. A general discussion was held of agricultural problems in Donley County and some of the proper ways to arrive at solutions in Donley County agricultural problems.

Also discussed was the health of the people of Donley County in regard to the National Defense of the nation. It was decided by the committee that the County Agent mail to all farmers of Donley County pamphlets showing good diets for the farmers to eat which would make their bodies strong. The committee was of the opinion

that there were people in the county who would be more physically able and healthier if they ate the correct kinds of foods and took better care of their bodies. All members of the committee voted to do individual work within their own communities and to help the county agent with this health program.

The Land Use Planning Committee also advised the County Agent that the grasshopper situation might develop some time during the Spring, and it was voted by all members to have the County Agent to make application for grasshopper poison and brand to be used in the fight against these grasshoppers, if such an emergency should arise.

G. G. Reeves, County Commissioner, gave a discussion of the Food Stamp Plan for Donley County and was very much interested in saying that all the persons who receive food stamps also received information on the proper kinds of foods to buy and eat in order to build up their bodies to a better physical condition.

Discussion was also held in regard to the mattress and comfort program for Donley County and the County Agent reported that 1000 mattresses had been made and the Comfort Program would go into operation as soon as the material arrived. The Land Use Planning Committee was very well satisfied with the present mattress program and unanimously voiced their opinion of how it fitted into the National Defense Health Program.

were W. A. Poovey, G. F. Leathers, Jack Baily, Nolie Simmons, Roy Jewell, John E. Burch, Lois Waggoner, E. L. Lewis, John Tate, J. B. Masterson, G. G. Reeves, G. H. Hamil, Mr. Miller of the Shelterbelt, and County Agent, H. M. Breedlove, Secretary of the Committee.

LEGAL
STATE SOIL CONSERVATION BOARD OF TEXAS

NOTICE OF HEARING UPON ORGANIZATION OF PROPOSED DONLEY COUNTY SOIL CONSERVATION DISTRICT, EMBRACING LAND LYING IN DONLEY COUNTY, TEXAS.

WHEREAS, on the 22nd day of April, 1941 there was duly filed in the office of the State Soil Conservation Board, at Temple, Texas, a petition signed by fifty or a majority of land owners pursuant to the provisions of the State Soil Conservation Law, as enacted by the 46th Legislature, known as House Bill No. 20, requesting the establishment of Donley County Soil Conservation District; and

WHEREAS, the lands described by said petition, and other lands which will be considered for inclusion in said district, are located in Donley County, described substantially as follows:

All the lands lying in the County of Donley.
Now, therefore, notice is hereby

given that a public hearing will be held pursuant to the said petition, on the question of the desirability and necessity, in the interest of the public health, safety, and welfare, of the creation of such district; on the question of the appropriate boundaries to be assigned to such district; upon the propriety of the petition, and of all other proceedings taken under the said Act; and upon all questions relevant to such inquiries. The said public hearing will be held by the State Soil Conservation Board on the 19th day of May, 1941 beginning at 2 o'clock p. m., at Clarendon in the county of Donley.

All persons who shall hold title to any lands lying within the limits of the above described territory as owners, and all other interested parties, are invited to attend and will be given opportunity to be heard at the time (s) and place(s) hereinbefore specified.

State Soil Conservation Board
By V. C. Marshall,
Administrator.
Dated this the 1st day of May, 1941.

DEPENDABILITY

THE cyclone cellar is a familiar sight in certain parts of our country. The natives of these parts know they can depend on it to keep them safe from harm while the elements rage above.

Those whom we have served know that they can count on us to relieve them of all tedious details. We handle each service conscientiously and dependably.

A couple of bad eggs... but why blame the hen?

A bad egg does turn up once in a while... but that's not a sensible reason for destroying all the good eggs... or for taking it out on the hen.

Beer retailing in America is something like that. The vast majority of beer retail establishments are clean, law-abiding, wholesome places. And still there may be a few "bad egg" retailers who violate the law or permit anti-social conditions.

The brewing industry wants these undesirables eliminated entirely... to protect your right to drink good

beer... and our right to make it.

And also to protect the many benefits brought by the beer industry to Texas... such as the \$1,165 jobs created... and beer's \$22,076,182 annual payroll. Beer contributed \$2,273,968.64 last year in taxes to help pay the cost of government in this state.

You can help us in our program of law enforcement, if you will, by (1) patronizing only the legal and reputable places that sell beer and (2) by reporting any abuses to the proper law enforcement authorities.

BEER... a beverage of moderation

SCHOOL EXHIBIT ATTRACTS PARENTS AND FRIENDS

Proud papas and mammas paraded through the South Ward school building Friday proudly viewing the school exhibit in which their children shared a large part, ably directed by a most efficient corps of teachers.

This writer arrived too late to see the exhibit of the first graders. This was a keen disappointment since Miss Lucille Polk and Mrs. J. H. Headrick are capable of directing a fine exhibit, and certainly get results in their departments with their small charges.

In the second grade room, Miss Zela Cross had already gone since it was five o'clock, but we saw the interesting exhibit arranged all around the room walls as in other rooms. The clay modeling, pictures of birds and pictures teaching geography were most interesting.

Another room of second graders was yet to be seen, and Miss Elizabeth Stevens welcomed the writer and others at the door just at closing time. We were amused at a number of excellent pictures in free hand drawing from live objects which included rabbits, and one lone opossum. The first American immigrants were shown on the west wall in a picture scene some 20 feet in length. The various grades of development in America was shown with the immigrants gradually pushing out the buffalo and Indians. It was a relief to see the airplane and patriotic colors showing the teacher and pupil interest in America and her desire to instill in the pupils a high regard for their home land.

Entering the 4th grade room of Mrs. Harry Hart, we were taken in charge by a most interesting young lady, Donna Ree Bryan, who proved to be a capable "explainer" of the wonderful exhibit. Patriotism was rampant in this section. A train passing through a tunnel in the Alps-looking mountain was transporting a tank, searchlight apparatus and anti-aircraft gun each on separate flat cars on an electric train that made good speed over a real track. Special attention was given food values, sanitation and other home life features much needed in our every-day life. Flowers, birds and drawings with specimens of class work lined the walls. A very fine exhibit indeed.

Another 4th grade room, Mrs. L. B. Penick teacher, we were directed around the room by winsome Mary Dee Taylor, whose courtesy in showing and explaining this wonderful scene of artifacts of a busy world inside a school room really made us want to go back to school again. "Pioneer days and her ways" recalled old times as we passed by this portion of the exhibit. There was a galaxy of flowers and other pictures, health books and pottery. Just the things to teach youngsters by the easy and most interesting manner.

In the 5th grade room of Mrs. H. M. Lane we fell an innocent victim of two most efficient chaperones. Chief Sam Lowry escorted us a part of the way through the art gallery in his room, Melba Lee Pipes taking us over at the half-way point. Mrs. Lane has a rock exhibit, the only one to be seen. Soap modeled into many forms, health and food was paramount for much of the way, and a final finish with a complete exhibit of general class work that was most interesting indeed.

Miss Myrtle Hall had a series of canvas pictures done by the pupils that were marvelous. If you like embryo art that carries a punch, see them. Imogene Sloan was "escorted" in this room, pointing out and explaining with the tact of one well versed in her subjects. Quilt patterns on paper, Biblical pictures that carried a lesson, too. Fire posters, and geography taught by carving maps from wood. The JA ranch with two wagons, several horses and a herd of whiteface cattle caught our attention. Fine work, all done by the pupils. But those pictures in water color on cotton sack material persisted until we dreamed of art in every home. A credit to both teacher and pupil.

As we entered the third grade room of Miss Edgar Mae Mongole, affable Gene Bryan took us in charge. There's a man who has been around! Patriotic colors worked in through much of the exhibit let Americanism get in some good licks in a busy every-day life, and Miss Mongole had them. Class work, modeling and many fine features. The various races were illustrated on paper, giving their habits and customs. My escort, Master Gene, first learned that the Esquimaux invented Esquimaux pie! Or did they?

Mrs. B. T. Prewitt had no escort pupil due to the lateness of the hour. She answered our questions and spiders, worms and snakes gave us a creepy feeling. Pupils are taught to guard against danger. Fine thought there, Mrs. Prewitt. We never knew the "trap door" spider

existed in our section before. They do. Saw the first bird nest made of copper wire and horse hair. She had that too. One could see that this talented teacher was teaching her charges to appreciate natural resources of our own section. In addition, she included her class work, health and food exhibits in a most interesting manner. Pictures galore, and in this room, as in all the others, an older could see why our young of today enjoy going to school rather than having to be bribed or threatened as in our kid days more than forty years ago.

To those sincere teachers who guide the destiny of our young in the formative period, God bless you. Yours is a noble work involving much sacrifice and all too many of us fail to appreciate your noble profession, your achievements and the honor that is rightly yours.

To those happy youngsters who guided the old Apostle through the rooms with the childish enthusiasm of one who combines work with pleasure, may I thank you with all the sincerity of my heart. I shall see you again next year on this, our annual school visit occasion. It's one of the greatest joys of my life.

The Apostle.

Zane Grey Fans Are Legion

FAMED AS WEST'S GREAT STORY-TELLER

Out of Zanesville, Ohio, at the turn of the century, came a young man destined to become famous as a plainsman, sportsman and author, and whose rugged, virile writing was to be the favorite fiction of millions of Americans. Called "the most widely read author in his own country," Zane Grey represented more than that—he was a valve by which Americans from all walks of life let off steam—the medium of escape from everyday life.

His latest story, "Western Union," which has been called his greatest, has just been brought to the screen by 20th Century-Fox in vivid Technicolor with all its adventure, action and excitement intact. The impressive cast assembled to enact the colorful characters in "Western Union" includes Robert Young, Randolph Scott, Dean Jagger, Virginia Gilmore and a supporting troupe of thousands.

Inheriting the Indian blood of his maternal ancestors and the backwoods tradition of his forefathers, it was little wonder that this man with a genius for story-telling found it hard to live in New York's narrow confines.

Grey's mind wandered to green fields and quiet woods where he could breathe clean fresh air and feel free to think of his beloved West.

Grey was a lonely man, which was perhaps the reason for his prolific writing. Though he was a graduate of the University of Pennsylvania where, parathetically, he was a great baseball pitcher, Zane never learned to live in a city. Lackawaxen, N. J., was as near to a metropolis as he cared to live.

He had a message to bring to the American public and with hard work, perseverance and powerful imagination he devoted his life to presenting that message in all its myriad forms. Grey's style of writing was simple, rigorous and vigorous. He felt that "romance is only another

name for idealism... the spirit, not the letter of life." And so he wrote, not so much for literal accuracy but for the effect of the story.

His stories made grand moving picture material as producers were quick to realize. Over a hundred of his stories and characters found their way to the screen, but of them all "Western Union" will undoubtedly stand out as his greatest effort.

20th Century-Fox chose Fritz Lang to direct "Western Union" and Robert Carson did the screen play. Harry Joe Brown was associate producer. Also featured are John Carradine, Slim Sumnerville, Chill Wills and Barton MacLane.

\$100.00 REWARD

\$50.00 for OLDEST Electric Bill

\$5 Each for the 10 Next Oldest

(All entries must be fifteen or more years old)

Nothing to Buy!

Just Send or Bring Us Your Old Bill — and 100-Word-or-less Letter Describing Electric Service at Time Bill was Paid

MAYBE you still have the first electric bill you ever paid! If so, you will recall that the service wasn't so good compared to present-day standards of efficiency and dependability.

If yours is the oldest we receive, it is worth \$50 to you. If it is one of the ten next oldest, we will pay you \$5 for it. *It must be for service in the home, dated 15 or more years ago, and must be accompanied by a letter, 100 words or less, telling something about the kind of service and the cost for the appliances and light you used at the time the bill was paid.*

Why Do We Want Old Bills?

So we can compare today's *improved service* and *lower cost* with yesterday's! We want to figure what the kilowatt-hours used at present-day low rates would have cost in the "good old days" when oil lamps were first being displaced by **BETTER LIGHT**.

We all know that not so many years ago elec-

tricity was on only part of each day and night; and that interruptions in small isolated oil engine plants were at times frequent. We all know, too, that the transmission line type of electricity has resulted in greatly lowered cost and improved service so that people today are using two or three, or even five times, as much for about the same or less money.

Look Through Your Old Receipts Today

This offer is good until June 15. But don't put it off—dig up that old bill today. If yours is one of the oldest eleven we receive, payment will be made as soon after June 15 as possible.

All **PRESENT** customers of the West Texas Utilities (excepting employees) are eligible. *The old bill may be for service rendered from a predecessor of the company in this community; that is, for any bill paid before the coming of West Texas Utilities cheap and dependable electric service.*

Mail or Deliver in Person Your Entry to Our Local Office

West Texas Utilities Company

Your tax dollars should be used for those items essential to national defense. Electric Service **NOW** is ample and sufficient to meet the emergency without government subsidies or expenditure of tax money for this purpose.

Band Contests Held In Waco

MARTIN
Geraldine Jordan

We have a good crowd present Sunday. We hope to see everybody out next Sunday for the Mother's Day program.

We had church services Sunday morning and evening by Bro. Bob Cooksey.

We are going to have dinner and singing at the school house Sunday and everyone is cordially invited.

Mr. and Mrs. George Bulman and family, Bro. Bob Cooksey, Howard Gibbs and Mr. and Mrs. W. L. Jordan and family in the J. C. Gibbs home.

Mrs. Hazel Lusk and son Bobbie spent Monday with her mother at Midway.

Fifteen cars and a pick-up were required to convey the High School band to Waco Wednesday, where a number of the local band members were to compete in a national contest today. Fifty-five members of the band were in the motorcade.

The state elimination contest was held in Amarillo in March. The national contest is being held in Waco.

Those driving cars were Mesdames Allen J. Bryan, Don Grady, F. E. Chamberlain, G. E. Norwood, J. Perry King, B. F. Kirtley, Carl Bennett, Craft, Ruth Kennedy, and C. J. Douglas, E. R. Andis, Ray Robbins, Cap B. Morris, Carl Bennett.
