War Brought Closer to Home As Sugar Rationing Nears

Uncle Sam is going to have to tighten his belt this week, and begin to stir the sugar in his coffee, to be sure there will be enough sugar to go around in case we have to depend on our home-grown supply.

That is the reason school teachers in the Southwest—and throughout the land—are "going to school" themselves, to study the plan books giving them official instruction in the method of registering the trade on April 28 and 29 for sugar rationing, and the general public on May 4, 5, 6, and 7 for War Ration Book Number One.

Max L. McCullough, region director for the Office of Price Administration in Texas, Oklahoma and Louisiana, has advised members of the trade to obtain application forms without delay from local ration boards, for the commercial registration April 28 and 29 at high schools.

"Registration for the trade will involve establishments varying in size from the smallest county store to the largest super-market," he explained, "and they may vary in type from a boarding house or a home candy manufacturer to a fruit canning factory, soft drink

Miss Ruth Richerson, County School Superintendent, announced today that all schools of the county will close Monday, May 4, for the sugar rationing program, and everyone is urged to go to their respective school buildings to register on that date in order to save time for the school teachers and pupils, as reviewing and final exams come at this time.

Miss Richerson also announced a meeting of all persons handling the registration at the court house Saturday, April 25th at 2 o'clock. The purpose of the meeting is to further acquaint the registrars with the proper handling of the registration.

Of the group to register April 28-29, H. T. Burton has requested that they come and get the forms and be working on them, as they are quite complicated and will take some time to prepare. Those of this group will register at the High School building.

Further announcements concerning the May 4-7 registration will be released in next week's issue of the Leader.

bottler or a meat packer. Some of the information required may be rather technical for some of these, so it is important that they obtain application forms before hand, study them and fill them out. Then they will need only to go before a registrar on April 28 or 29 and sign the forms in the presence of a registrar, to obtain sugar purchase certificates."

Mr. McCullough emphasized that sugar rationing has become necessary because today we are receiving no sugar from the Philippines and very little from Hawaii, although in peacetime we imported 27 per cent of our supply from those areas; shipping from the West Indies, from which we usually obtain 35 per cent of our sugar stocks, is now uncertain. That leaves the 38 per cent we produce at home, which may have to be spread among all the people.

OPA has revealed that each individual will be allowed one pound of sugar with each of the first four stamps in War Ration Book One. However, the subsequent stamps may not obtain the same amount, because the ration of sugar may be changed from time to time according to the total supply in the country.

Each stamp will be good for the period announced by OPA, and under present plans, each ration stamp will be good for two weeks. Thus, as rationing begins on May 5, an individual may obtain half a pound of sugar per week.

HIGHWAY PATROLMAN TO BE HERE ALL DAY TUESDAY

Mr. White, state highway patrolman, has announced that he will be in Clarendon all day Tuesday henceforth, instead of Tuesday and Friday afternoons, to help those people wishing to make application for drivers license.

Drivers have until July 1st to renew their licenses, with the numbers from 900,000 to 1,500,000 to be renewed by that time or go through the drivers test.

CLARENDON LIONS OFF FOR PADUCAH

H. M. Lane, Lee Bell, J. R. Gillham, Sam Braswell, L. B. Penick, L. E. Thompson, and Chas. Lowry will represent the Clarendon Club tonight at Paducah in the annual spring Zone Meeting. The Clarendon Club along with Silverton, Turkey, Paducah, Childress, Matador and Floyd clubs, make up Zone Three, District 2-T, of the International Lions Club.

The last zone meeting of the group was held at Clarendon in March.

Scrap Iron Needed Now For Defense

It is necessary that all persons in Donley County having old scrap iron bring it in to the local dealer and sell it at once. County agent H. M. Breedlove is urging all of the old iron be sold at once so that it can go on to the factories and be made into war materials.

"We are receiving word every day," the county agent said, "from the department asking that we keep asking the farmers, ranchmen and other people in the county to sell this old iron at once. The country is needing this material for war materials, and it is a shame to let it lay around the place and not bring it in and let it go on to the factories. I hope that every person will give this his immediate attention and consider it his patriotic duty to bring in this old iron."

Program Now Completed For F. F. A. Father-Son-Business Men Banquet

Final plans for the fifth annual F.F.A. Father-Son-Business men banquet, J. R. Gillham, local F.F.A. adviser, announced today. Approximately 175 members and guests are expected to participate in the annual event. J. F. White, chapter president will serve as toastmaster.

The banquet will be served at the Methodist church at 8:30 p.m., and will be served by fifteen members of the advanced home economics girls as a favor to the business men and F.F.A. youths. A full menu featuring chicken, gravy, potatoes, beans, salad, rolls, cake, ice cream and coffee, will be served.

The principal address will be given by B. W. McGinnis, Assistant

DON GOIN IN HOSPITAL AT PEARL HARBOR

A card from Mrs. G. A. Goin of near Goodnight to the Leader states that her son, Jimmie Don Goin is in the Naval Hospital at Pearl Harbor with a broken right ankle received in battle some where in the Pacific. A report to his mother states that he is doing fine so far.

WATT HARDIN IS SERIOUSLY ILL

Watt Hardin is still reported in a serious condition today after having undergone an operation for a ruptured appendix Wednesday morning of last week.

The Leader joins with his many friends, wishing him a quick recovery.

War Bond Quota System Will Be Discussed Over Radio Tonight

The Donley County War Savings Committee, with Walter B. Knapp, as chairman, received word from official headquarters at Washington Wednesday that a special radio program would be broadcast tonight at 10 p.m., explaining the War Bond Quota System and the ten percent payroll savings plan.

Secretary of the Treasury, Henry Morgenthau, Jr., Secretary of Agriculture, Claude R. Wickard, and leaders of business and labor organizations will speak on

C.-C. ENTERTAINS BAND WITH PICNIC

The Chamber of Commerce entertained the members of the High School band with a picnic at the Country Club Saturday evening. Approximately forty-five band members were present to enjoy dancing and refreshments of sandwiches, cold drinks, cookies and ice cream.

Lee Bell, manager of the Pastime Theatre treated the band to the midnight show after the picnic.

Crop Prospects Best In Years

County agent H. M. Breedlove said this morning that the farmers of Donley county were in good shape for the listing of their land. Practically all of the farm land in the county has been listed and is ready for planting when the time arrives.

"We are getting a good season for the spring planting," Breedlove said, "and things look good at this time. However, it is a long step from the planting until harvest time. It is rather hard to make a prophecy this far ahead of time, but it looks good right now for the year. I have talked to farmers from all parts of the county as well as seeing their farms and the people seem to think that things are above normal at this time of the year."

If the weather is favorable this year, farmers in Donley will reach the goals set up for them in production by the United States Department of Agriculture for the war effort. These goals were set by each farmer as how much he could increase in livestock and other commodities on the farm.

"I believe that these goals are going to be reached," the county agent said.

BOB WEBSTER RETURNS TO CLARENDON

Bob Webster, formerly with the Buntin funeral home here, and at one time a partner with Hugh Eldridge in the laundry business a few years ago, has returned to Clarendon as an employee of the Buntin funeral home.

RAIN AND MORE RAIN CONTINUES TO FALL

The first three months of the year yielded very little moisture, but the April showers are making up for lost time. So far this month the precipitation reads 2.58 inches with 1.28 of that amount falling since last Thursday.

This Thursday morning brought on the rain again, and it continues falling at press time.

Horses Should Be Vaccinated Says County Agent

County agent H. M. Breedlove is again urging that all persons with horses who intend to vaccinate against sleeping sickness to do so at once. The horses have to be vaccinated two times at intervals of seven days and it takes thirty days after the vaccination to set up an immunity, so in order to get the full protection it is best to vaccinate at this time of the year. The vaccine can be secured from the dealers in Clarendon.

"I have found that in most cases that people have waited until one of the horses gets sick before vaccinating and then vaccinate the whole bunch," Breedlove said. "It is best to prevent it before the disease strikes," he added.

NEW ARRIVAL

Mr. and Mrs. Alfred McMurtry announce the arrival of a 6½ lb. girl, born Wednesday morning, April 22. Mrs. McMurtry is in the Northwest Hospital at Amarillo. Both mother and babe are doing nicely.

Pie Supper Held At Midway For Navy Relief

One of the best pie suppers of the year was held at the Midway school house by the citizens of that community. The proceeds of the pie supper went to the Navy Relief Society.

The meeting was opened by Will Chamberlain, who acted as toastmaster for the occasion. Mr. Dave Johnson led in prayer for the opening ceremony. Mr. Chamberlain then called on district judge A. S. Moss for an address, who was followed by district attorney John Deaver. Mr. Chamberlain then called on Nellie Simmons, who is chairman of the Donley county Navy Relief drive to raise \$210 which is the county quota. Mr. Simmons explained how the money was to be used and who would benefit by the money. He expressed his appreciation of the wonderful cooperation of the people in Donley county for such a worthy cause.

Mrs. David Caraway was then called on as the honored guest to explain the situation at Pearl Harbor and how this money would benefit the families of those people whose husbands were killed in the raid. Mrs. Caraway is the daughter-in-law of Mr. Flem Caraway whose son has served in the navy for 19 years, and all were in Pearl Harbor at the time of the raid.

Mr. Chamberlain then called on H. M. Breedlove who served as auctioneer for the selling of the pies. Twenty-nine pies were sold for a total of \$48.60.

The next speaker was Walter Flynn who gave a short talk on the importance of the AAA farm program during this war effort. Mr. Chamberlain then asked if any of the candidates wanted to make a talk, but due to the late hour they all agreed to adjourn, and drink the coffee and eat the pie.

The ladies and men of the Midway community are to be complimented for the wonderful party and the good coffee which was served.

A good time was enjoyed by all as well as receiving some information that will give all something to think about in this war effort.

DISTRICT CONFERENCE AT WELLINGTON

Clarendon District Conference of the Methodist Church convened at Wellington Tuesday, April 21, with the Rev. G. T. Palmer, District Superintendent presiding. The attendance was one of the best in years, and the reports of every Pastoral charge were much better than in recent years. Clarendon First church reported 100% on finances to date, with other interesting features accomplished since Conference in November.

Those attending from Clarendon beside the District Supt., Rev. G. T. Palmer, and the Pastor, Rev. J. O. Quattlebaum, were Mr. and Mrs. M. R. Allensworth, Mr. and Mrs. J. H. Hurn, Mrs. Earl Lea and David Johnson.

LOCAL BAND TO COMPETE IN MUSIC FESTIVAL

Local band members have been working hard and looking forward to the Texas Region One Music Competition Festival at Amarillo this week end. Soloists will venture up today and the band as a whole will go up tomorrow to compete with the class C bands.

Twenty-five hundred boys and girls from the schools of the Panhandle will be in attendance, it is reported.

MRS. G. T. PALMER'S FATHER DIES

Rev. and Mrs. G. T. Palmer attended the funeral of Mrs. Palmer's father, W. E. George of Canadian, at Allison Saturday. He died Thursday in a hospital at Shattuck, Okla.

Mr. George was a pioneer of Hemphill County, and had lived there 60 years. He is survived by his widow and 9 children; 4 sons and 5 daughters.

IMPROVING

The many friends of Mrs. Glen White, who has been critically ill, will be glad to know that she is able to be up and is improving nicely at this time.

New City Commissioners Very Busy As Second Week Brings New Plans

The new City Commissioners, Bert Smith and G. E. Norwood tightened their belts and got down to work this week, having acquainted themselves with the duties of a commissioner during the first week in office.

One of their first items to consider was the parking problem in front of the Post Office. Starting Monday, April 27, five parking spaces directly in front of the office will be limited to five minute parking time between the hours of 7 a. m. and 7 p. m. Violators will be fined with each offense increasing the amount of the fine. The Commissioners state that this new ruling will be definitely enforced and that there will be no double parking allowed behind

AMARILLO YOUTH BURIED TUES.

Funeral services for Sydney J. Williams, 10-year old son of Mr. and Mrs. Walter W. Williams, were held in Amarillo Tuesday afternoon.

Besides the parents, survivors include a brother, Donald Winfred Williams, and the grandparents, Mr. and Mrs. S. A. Burden of Hedley.

DATE FOR CITY CLEAN-UP WEEK ANNOUNCED

City Commissioners G. E. Norwood and Bert Smith announced this week that the first week in May will be set aside as Clean-Up Week in Clarendon, and that everyone is requested to do their cleaning up and place the trash in boxes in the alley. The following week, city trucks will make the rounds and pick everything up. In case anyone is missed, they are requested to call the City Hall.

These spaces. This ruling was set out in order to relieve the congestion of traffic, and also to minimize the danger to school children crossing the street.

The Commissioners also stated that grading of all streets in town will be started at an early date to insure better drainage and smoother riding.

A comparative statement of the City's financial condition was released by the commissioners this week for publication so that the people may know what is taking place at the City Hall. In the future anyone who so desires, is invited to come up and look into the affairs of the city at any time, the commissioners stated.

THE BIG ONE THAT DIDN'T GET AWAY

Sometimes fishing with the hand is better than a hook, as was proven by Dr. B. E. Harris last week end near Electra when he and a brother-in-law caught nine fish, all by hand. The Doctor says that he caught the largest one weighing four pounds. The smallest one caught weighed 2 lbs.

So enthused was the Doctor over catching the fish that he lost his pocketbook while wading in the swift current. Supposing the purse was lost for good, he dismissed the incident entirely. However, strange things do happen, and the incident was not closed. He received the pocketbook through the mails Tuesday, the finder having turned it over to an uncle of Dr. Harris who immediately sent it on to Clarendon. The money was all there.

Dr. Harris was accompanied by Mrs. Harris and Mrs. D. B. Hood, the latter stopping off at Childress. As they went through Memphis they picked up Mrs. R. T. Jones, grandmother of Doctor Harris.

On the way home Sunday night they ran into a terrific rainstorm near Quanah. They were held up some time while the water receded from low road beds.

Sears Roebuck Includes Donley Co. In Company's Pig Program For 1942

County agent H. M. Breedlove announced this morning that Donley county had been included in the Sears Roebuck pig club for 1942. The company will present eight Donley county 4-H club boys with the gilt pigs and they will keep them until they are large enough to breed, and then the county will get a male for the service of all the gilts.

When the gilts have farrowed, the boys will give one pig at weaning time to another 4-H club boy who in turn will give one pig when his gilt has farrowed. This is a process of getting good hogs started in the county, and it will only take a short time until the county will have plenty of good gilts from all parts of the county.

A mass meeting of business men and local citizens was held at the American Legion Hall last Tuesday evening at five o'clock, for the discussion and laying of plans for a vigorous effort looking to securing for Clarendon of some government project or establishment connected with the war effort.

Mayor Tom F. Connally presided at the meeting and explained for what purpose the meeting was being held. He was followed in his remarks by Judge J. R. Porter, Sam M. Braswell and Bert Smith, all of whom having been interested in the proposed movement for some weeks past.

After some discussion there was a general sentiment to make a concerted effort along the indicated lines, and a steering committee of seven members were appointed, composed of W. H. Patrick, Fred Chamberlain, J. D. Swift, Sam M. Braswell, J. R. Porter, and City Commissioners Bert Smith and George Norwood, with Mayor Connally designated as chairman. A later motion named County Judge R. Y. King and County Commissioners as an advisory committee to work with the steering committee on matters involving the county.

It was decided to raise a fund of not less than \$1250 to prosecute the claims of Clarendon and Donley, with over one thousand dollars raised before adjournment. Many began paying their subscriptions after the meeting, and are still continuing to do so. Those who have not paid are asked to see some member of the steering committee at once. Something like \$1500 will probably be needed to forward the movement before final success is achieved.

All citizens who would like to see a government project located near Clarendon are invited to contribute to this fund.

A procurement committee to work under the direction of the steering committee was named, composed of Odos Caraway, chairman, and A. L. Chase. These two men are to name a third party to work with them. The duty of this three-man committee will be to assist in securing acreage or leases, according to the requirements of the government, when and if that stage of negotiations is reached.

Men 45-64 Years To Register

Approximately one and one-half times the number of men who were registered in the third registration will report next Monday, April 27, at the local Draft Board office, and possibly the high school building at Hedley to register. There will only be the two registration places and they will be open from 7 a. m. until 9 p. m.

This fourth registration calls upon all men who had attained their forty-fifth birthday on or before February 16, 1942, and have not attained their sixty-fifth birthday on April 27, 1942, to register as of their home address.

Donley County Farm Families Are Enthusiastic Over Prospects For Banner Crop Year

"It's spring again and in all sections of Donley County farm families on the program of the Farm Security Administration are enthusiastic about prospects of a good farm year for themselves and a good year to produce record food supplies for the United Nations," said John E. Burch, rehabilitation supervisor for this federal agency.

"Farm families cooperating with FSA," said Mr. Burch, "are showing more interest than ever before. They are talking about more milk from their cows, more chickens and bigger gardens because they realize how important food has become in the fight against the aggressor nations in this second world war."

The supervisor pointed out that the men folks, knowing that they cannot shoulder a gun in the fight for freedom, are doing the next best thing. Men, urged on by their wives, are taking more than a passing interest in the chickens, the garden, and in making their homes more pleasant and beauti-

ful. "I've noticed," he said, "the men are now saying 'our garden' and 'our chickens' rather than 'my wife's garden' and 'my wife's chickens'."

More about the farm woman's spring work in connection with the Food for Freedom program comes from Miss Vallie Harrell, home management supervisor. She reports that on the average the gardens on farms in Donley County will be much larger this year than ever before and that they will contain a greater variety of vegetables. She reports also that many of these farm women have completed plans for purchasing more jars in which to put up record food supplies which they expect to produce this year.

"Last year," said Miss Harrell, "the poultry flocks on farms where the families were cooperating with the FSA averaged about 200 birds. This year, it is believed that flocks will average 225 head, an average gain of approximately 12½ per cent."

"We have been told that the

large farms in America are producing the maximum amount of products, and that the majority of needed increase must come from the small farms throughout the United States. If this is true, then if all small farmers over the nation are planning to work as hard to produce more food as small farmers in Donley County, I know this country need have no fear of a food shortage," Miss Harrell declared.

So far a total of 122 loans amounting to \$47,000 have been made by the FSA in this county since last fall. There are 31 new families on the program this year. The FSA office, managed by Mr. Burch and Miss Harrell, are serving 142 families in Donley County.

GARDEN GLANCES
"America beautiful lies in the hands of the gardeners."

This is National Garden Week. Spring is indeed here at last and the gardens are beginning to show many signs of life and beauty.

Although the red buds and forsythia are about to say adieu, they have indeed been a joy to behold. Lilacs and spirea are now coming in for a share of their glory and iris and tulips vie for honors. Tulips are at the height of their glory in the yard of U. J. Boston who has some exceptional white specimens along with the other bright colored ones. Wesley Knorpp, C. T. McMurtry and Mrs. Mollie Gray each have quite an attractive array of bright colored tulips.

A rare treat is in store for the passerby if he will glance over the fence into the yard at the Harry Brumley home and see the magnificent white lilacs and looking closer he will see a very nice bed of Texas Blue Bonnets, a flower that is not grown very extensively in this part of the state.

The Shelton home, the Mrs. Lena Antrobus home and the John Blocker home and the new Womack Funeral home have been made more beautiful by the addition of a number of evergreen shrubs. These are not only an asset to the homes of the owners but to the City also.

Serving Texas Since 1882

Burlington Lines

The FORT WORTH and DENVER CITY Railway

THE Fort Worth and Denver City Railway has been serving Texas since 1882—sixty eventful years during which it has played an important part in the development of North Texas.

Indigenous to Texas, the Fort Worth and Denver City was organized and incorporated in 1873 by a group of pioneer residents of North Texas, including Major K. M. Van Zandt, an officer in the Confederate Army and subsequently Commander in Chief of the Confederate Veterans of the United States.

Operation of the railroad between Fort Worth and Wichita Falls began in 1882, Harrold was reached in 1885, and Quanah in 1886. In 1888 the Fort Worth and Denver City was joined with the Colorado and Southern Railway at Texline, establishing a new, direct transportation artery

between Texas and Colorado. Trackage rights were obtained in 1925 extending the railroad's operation to Dallas.

Since the turn of the Century, the Fort Worth and Denver City has acquired or constructed many additional lines serving North Texas, including the Wichita Valley Lines to Abilene, Spur and Waurika; the South Plains line to Lubbock and Dimmitt, and the Denver Northern from Childress to Pampa, a total of about 600 miles of railroad.

While the Fort Worth and Denver City Railway is proud of the part it has played in the development of Texas and the West, it is more interested, during these hours of crisis, in providing adequate and dependable transportation for the Army and Navy, and the civilian producers upon whom the country's fighting forces depend for supplies and equipment.

THE TEMPLE OF TRUTH
By the Apostle

their heads together and shouted: "How many times do I have to tell you not to eat crackers in bed?"

PINLESS.
He is a smart man who has not let a woman pin anything on him since he was a baby.

INFORMATION.
On a service station sign on the river above Las Cruces appears

this sign: "Don't ask for information. If we knew anything, we wouldn't be here!"

WEAKLY POME.
Life is made up of roads; They start from where you are. Some roads are ending near, And some are ending far. The road you choose means much To others and to you. It isn't so much the road As where it's leading you.

APPEARANCE.
More men go crooked by dodging hard work than become bent by doing honest toil.

CONVENTION.
Meeting up with the higherups down at the Waco convention of postmasters was a real treat. It appeared to be a press convention with so many newspaper men in attendance. Good old Fred Massingill, publisher of both a daily

and weekly at Terrell, is secretary. Lots of postmasters were former newspaper men—and women. The Hon. Ambrose O'Connell, First Assistant Postmaster General was principal instructor. His advice, suggestions and talks were eagerly sketched down by the multitude of some four hundred present. Gov. Coke Stevenson made a big hit with his crowd. Both these men were banquet speakers. Mr. O'Connell is a farm raised boy grown older. The Governor is ranch raised. There was a total lack of "stiffness" about the whole affair.

From where I sit...

by Joe Marsh

VERY OFTEN these days, I get to thinking about the soldier boys at camp. And the sailors, too.

What worries me is... what happens when they get a day off after working their heads off all week? They go to town... and what then?

What happens? The answer is... mostly nothing! Because most towns near army camps just don't have nearly enough entertainment facilities to take care of the soldiers on leave. So the boys just stand around, leaning against lampposts or sitting on doorsteps. And sometimes, the local townfolk find themselves wondering what's changed the town... instead of pitching in to help the boys have a good time in decent surroundings.

In many towns, however, the situation is better. Many towns have nice, community places where a soldier can go sit down and "chew the fat" and enjoy some cake and milk, or maybe a good glass of beer. The boys like that. And they're not likely to get in trouble... because common sense tells you

nothing can be wrong about a couple of glasses of beer.

There's another reason, too. The beer industry is cooperating with the army and with the law-enforcement officers to help keep the places where beer is sold, clean and decent. The brewers don't want their beer sold to soldiers in places where bad conditions exist... and they're right.

Seems to me that we Americans ought to get together and do everything we can to make things pleasant for the boys who are in training. They're doing their duty... maybe we have some duties, too, in this direction.

There are lots of ways of helping. We ought to support them all. All of us have our part to play in winning this war... and making life a little easier for the boys in camp is something we all can do something about.

TRAIL BLAZERS.
The bomber routes of today were explored by the mail planes of the past several years. The principal routes, from America to England, and from Frisco to Australia are yet mail plane routes. The postal system is playing a bigger part in the war so far than any other governmental agency except the men in actual combat. The defense stamps and bonds you buy at your postoffice may be cashed any time you choose. Buy them and keep the boys "over there" well supplied with everything needed with which to win the war. More defense stamps were sold Tuesday than at any other time in the past several years. Children and grownups each bought them. The small boy or girl buying one 10-cent stamp is doing a greater part than many grown up folks who do nothing.

INSURANCE.
When you can insure the whole family for a mere few cents, read your policy carefully. No one can get something for nothing. There is plenty of misleading alleged insurance companies yelling over the radio and circularizing folks these days.

The boss says space is scarce. There is a big run of advertising this week. That's what it takes to pay the high prices of news print. See you later with more column stuff that may help you if nothing more than interest you.

LES BEAUX ART CLUB BENEFIT TEA

The silver tea which was sponsored by the Art Club met at the church parlor at the Methodist church Friday afternoon at 4:30. In the decorations, the color scheme was carried out in the purple and orchid.

Mrs. U. J. Boston, president, opened the meeting with a few words of welcome. Mrs. Frank White Jr. sang "Smilin' Through." The book, "Life of Leonardo de Vinci," by Antonio Ballingini, was reviewed by Mrs. Geo. Bagby. This was also the 20th anniversary, and the McDowell Club sang several patriotic songs.

Mmes. C. C. Powell, Frank Bourland, Glascoe, Frank White Jr., Allensworth were hostesses. Anna Moores Swift and Mrs. Frank White Jr. poured punch. They were assisted by Nelda Sue Burton, Anna Rhea Porter and Naomi Morris.

The donation went for the benefit of the Red Cross.

CLARENDON H. D. CLUB

Miss Ida Harned entertained this Club in her home Friday afternoon. The guests rooms were beautifully decorated with spring flowers of lilac, iris and spirea.

Mrs. O. C. Watson, president, opened the meeting. Mrs. Benson acted as secretary in the absence of Mrs. M. A. Hahn. The roll call was answered with sugarless recipes. Mrs. Estlack and Mrs. Anderson were program leaders. Subject: Defense—all round table discussion.

The Club will meet with Mrs. W. A. Davis May 1st.

The hostess, Miss Ida, assisted by her sister, Miss Etta, served a delicious refreshment plate of ice cream and cake to Mmes. G. A. Anderson, Lena Antrobus, C. L. Benson, Karl Adams, Clyde Butler, J. C. Estlack, Earl Lea, C. D. McDowell, W. D. Van Eaton, A. W. Simpson, O. C. Watson, Ed Speed, A. G. Lane, A. L. Chase, and Misses Ida and Etta Harned, and Bettie Jean Speed.

Following refreshments a flower exchange was held.

THURSDAY AND FRIDAY BRIDGE CLUBS

Mrs. Floyd Lumpkin entertained the members and guests of both clubs at her home Thursday afternoon. Lovely spring flowers of lilacs, spirea and tulips were used for decorations.

Games of bridge were played at 5 tables. Mrs. Harter and Mrs. Carroll Knorpp were awarded high for clubs, and Miss Anna Moores, guest prize.

Those playing were Mmes. Simmons Powell, Allen Bryan, J. T. Hoy, H. F. Harter, B. F. Kirtley, U. J. Boston, G. E. Norwood, H. M. Breedlove, Walter Knorpp, Carroll Knorpp, John Knorpp, Willard Skelton; Ernest Kent, C. L. Benson Jr., Gordon Stewart, John Blocker Jr., Forest Sawyer, and Misses Mary Cooke, Anna Moores, Birkley Ryan.

Tea guests were Mmes. Lloyd Benson, Hubert Campbell, Edith Maher, William Lewis Jr.

1926 BOOK CLUB

The 1926 Book Club met Tuesday in the home of Mrs. Nathan Cox with Mmes. C. B. Morris, Rayburn Smith and Frank White Jr., assisting. The rooms were beautifully decorated with spring flowers.

A negro poetry program "God's Trombones" by James Weldon Johnson was given. This is a book of negro folk sermons, written in verse but not in dialect. Three of these sermons were given. "Creation" was given by Mrs. John Knorpp. "Noah Built the Ark" by Mrs. E. S. Ballew; and "The Judgment Day" by Mrs. Ralph Porter. Mrs. C. E. Bairfield reading "Listen Lord" and Mrs. Frank White's negro spiritual "Golden Slippers" and "Swing Low Sweet Chariot" were other features of the program.

Home-made candy was served to the following members: Miss Maurice Berry, Mmes. Bairfield, Ballew, Bones, Knorpp, Lane, Lowry, Penick, Porter, Ray, Schull, Smithy, Thornberry, Antrobus, Clifford, Stewart, Gatlin, and guests, Mmes. Thompson, Douglas, McDowell, Carroll Knorpp, and Miss Charlotte Molesworth.

BIRTHDAY PARTY

Mrs. Will Johnson entertained with a birthday party, complimenting her grandson Albert Lewis Johnson on his 7th birthday Wednesday at her home. Johnnie Loraine Johnson assisted her in the entertaining. The children played various indoor games until refreshments of cake, ice cream and punch were served. Favors carrying out the patriotic color scheme were given.

Those present were Mrs. Elsie Johnson, mother of the honoree, Inelle Cox, Betty Speed, Biffie Blair, Cynthia Thornberry, Laquita Ayers, Jo Ann Swink, Joan Davis, Mike Thornberry, Robert Olin Bain, James Bryant, Dan Thornberry, Joe Lynn Ballew, Jesse Burch, Walter Warner, Albert Lewis Johnson.

Those sending gifts were Patricia Ann Estlack, Mrs. Roy Clayton.

WOMENS SOCIETY

Circle No. 1 of the Womens Society of Christian Service met in the home of Mrs. M. S. Parsons. Mrs. Lon Rundell presided. Sixteen members and 5 guests.

Devotional by Mrs. A. L. Thornberry. Mission study by Mrs. U. J. Boston. The hostess served lovely refreshments.

1930 NEEDLE CLUB

Mrs. Fred Russell entertained this club at her home Tuesday afternoon. The afternoon was spent in sewing, knitting and conversation.

A delicious salad course refreshment was served to guest, Mrs. Victor Smith, and members, Mmes. Mabynd Andis, Marie Patterson, Hattie Palmer, Nora Decker, Nina Armstrong, Bill Abbott, Josie Peabody, Mozelle Wright, Jennie Burch, Maggie Hunt, Francis Hilliard, and hostess, Mrs. Edna Russell.

CLARENDON GARDEN CLUB

Celebrating National Garden Week, the Garden Club staged a miniature flower show. The beauty of flowers and their value for morale was portrayed in an artistic and pleasing manner. This was a highlight of the Garden Club meeting in the home of Mrs. U. J. Boston, Monday, April 20.

Mrs. Joe Goldston told the Club of the "Outstanding things other garden clubs are doing."

"Preparation for Autumn Roses" was discussed by Mrs. J. L. McMurtry who climaxed her remarks by giving two original garden poems which were both lyrical and timely.

Mrs. Bill Bromley talked on the theme "Gladiolas, Glory of mid-summer."

The business was in charge of the president, Mrs. John Goldston. As this is National Garden Week the Club voted to begin the week by helping in a civic way to beautify.

The Club voted to purchase an evergreen shrub for the City Park. This will be purchased at once and placed in the park.

The Club is happy to welcome Mrs. Will Johnson and Mrs. Walker Lane as new members.

Hostesses, Mesdames Boston and Gene Nolan served a delicious ice course to guests, Mesdames M. R. Allensworth and Bill Thornberry; and members, Mesdames Rayburn Smith, Earl Lea, A. L. Chase, W. W. Taylor, C. D. McDowell, Frank Phelan, Bill Bromley, Harry Brumley, J. L. McMurtry, Joe Goldston, John Goldston.

RED CROSS VOLUNTEER SERVICE

First of all we wish to express our thanks and appreciation to Les Beaux Arts Club for the benefits derived from the silver tea held last Friday afternoon. The Club turned over \$31.50 to us and it will be kept here in this chapter and used in the Donley County production room.

The shipment for the April quota is being greatly delayed because all sweaters have not been turned in. Those sweaters must be in this month. If you are having trouble with your sweater, please report to the production room and get help on it. This does not apply to the olive drab sweaters but to the colored ones. And this is positively the dead line. They must be in this month.

Olive drab sweaters for the armed forces were taken out this week by Mrs. F. H. Hutchins, Mrs. F. L. Goldston, Mrs. Lewis Wells, Bertha Mae Thomas, Mrs. R. O. Thomas, Mrs. U. J. Boston, Mrs. B. F. Kirtley, Mrs. Harold Bugbee, Mrs. H. C. McMahan, Ruby Terry, Mrs. Clarence Pipes, Mrs. D. F. Wadsworth, Mrs. Clyde Douglas, Mrs. Henry Barker (Windy Valley), Ethyl Wilson (colored), and Tone Wall.

Women in the Ashtola community took ten sweaters.

Socks were turned in this week by Mrs. W. T. Clifford and Mrs. C. C. Powell. Mrs. Harvey Shaw turned in a number of knitted squares and Mrs. James Trent is busy again getting out another afagan.

Mrs. Carl Adkins has recently moved to Borger and her unfinished sweater was issued to Mrs. Sella Gentry to be finished.

Mrs. Gentry, by the way, is the first to turn in her olive drab sweater. She took it out Tuesday and checked it in Saturday afternoon, thereby setting a record that will be hard to beat.

The Martin community has so far turned in three quilts and are

working on their fourth.

We are still asking for donation of yarn to use in the knitting of the squares for the afagans. Scratch around and see if you can't find some stuck away someplace.

Mr. and Mrs. Joe Bownds and family of Leslie spent the week end with her parents, Mr. and Mrs. Jack Killough.

Laverne McMurtry attended Grand Opera at Dallas last week; also visited a friend, returning home Monday morning.

Mrs. Frank Decker of Childress visited her sister, Mrs. J. R. Bartlett Sunday and Sunday night, returning home Monday.

Mrs. Ralph Halbert and son Billy who visited last week with her parents, Mr. and Mrs. David Johnson, returned to her home at Crowell, Saturday.

Mrs. I. M. McCuam was taken home Sunday from Adair Hospital. She is recovering nicely from an appendectomy.

Mrs. Elvis Burch went to Canyon Friday after Phebe Ann Buntin and Frances Grady. They came home for the week end.

Mr. and Mrs. Hill of Wichita Falls spent the week end with her parents, Rev. and Mrs. E. L. Moody.

Mr. and Mrs. W. T. Lowe are visiting with their daughter and family, Mr. and Mrs. Roy Broadway at Borger this week.

O. C. Watson Jr. of Perryton made a brief visit with his parents here last week.

Pioneer Lady Has Many Visitors

The home of Mr. and Mrs. Cap Lane was the scene of a happy occasion Sunday, April 19 for Mrs. Dave Morris of Amarillo, formerly of Clarendon, who recently visited friends here before leaving for Galveston to make her home with her grand children.

"Granny", as she is affectionately called by her friends, recently celebrated her 95th birthday in Amarillo, and graciously welcomed all who called during the afternoon.

Mrs. Morris' wealth of experience and her useful life in Kentucky where she was born, and in different sections of Texas, especially Amarillo where she has resided most of the time since 1903, makes her a favorite among younger people. Her wisdom, courage, and fortitude are her outstanding characteristics, which are found so often in the lives of mothers and fathers of the pioneer days.

Mr. and Mrs. A. W. Simpson assisted in receiving the guests.

Those calling to see "Granny" were Miss Anna Moores, Mrs. Sam Lowe and son Billy, Mrs. C. Phelps and daughter Mildred; and Mmes. J. D. Swift, Ernest Kent, Mollie Gray, A. T. Cole, Barrett, Ray, Vinson, Crockett Taylor, M. C. Reed, Ed Barnes, Curtis Thompson, G. C. Heath, Melvin Cook, Carrie SoRelle, Morris, W. H. Martin, Lon Woods, Hattie Wallace, Will Johnson, A. C. Donnell, W. T. Lowe;

And Mr. and Mrs. G. G. Reeves and Don, Mr. and Mrs. G. H. McCleskey, Mr. and Mrs. J. Chilton, Rev. E. L. Moody, Mr. and Mrs. Walker M. Lane, Misses Emma Sheffield, Lorene Gunter.

David Johnson filled the pulpit at Ashtola Sunday as layman speaker in the absence of Rev. Vernon Willard.

Mr. and Mrs. Dale McLean of Perryton left Tuesday for their home after visiting Mr. and Mrs. Vada Carpenter.

Youngsters Have The Choice

A War Department announcement will be welcome news to the young men of 18 and 29 years who wish to get in the Army and have a favorite branch in which they wish to serve.

The West Texas Recruiting & Induction District has been allotted quotas of enlistments for the Air Corps, the Armored Forces, the Coast Artillery Corps, Cavalry, Field Artillery, Engineers, Signal Corps, and Infantry, exclusively for men who are not yet 20.

Enlistments of men who are 20 and over, and are therefore of draft age, are welcome in the Army of the United States. Unassigned. Their preferences are followed in assignment whenever possible. But only men of 18 and 19 years of age are allowed the preference of enlisting direct into the branch in which they wish to serve. 18 and 19 year old men should see the Army Recruiting Service today.

Mr. and Mrs. Jack Molesworth and children are now at home in the H. C. Brumley apartments.

Mack Bourland visited his sisters, Mrs. Oscar Jenkins and Miss Annie Bourland at Dallas the week end.

Mr. and Mrs. Haskel Toland returned to their home at Quanah Sunday after visiting with their parents, Mr. and Mrs. C. C. Powell.

Mr. and Mrs. A. L. Chase spent the week end with their daughter, Mr. and Mrs. Keith Stegall and family at Kings Mill.

Mr. Henry Hinkle of Roysie City is visiting his brother, D. W. Hinkle and family.

Mr. and Mrs. L. D. Hunter visited Mrs. Hunter's parents, Mr. and Mrs. J. A. Warren, Sunday.

Mr. and Mrs. Harry Tyler spent Sunday with Mrs. Tyler's parents, Mr. and Mrs. Ed Speed.

Willis Long of Amarillo visited his parents, Mr. and Mrs. J. A. Long, of Ashtola over the week end.

Mrs. J. T. Warren of Memphis is visiting friends here.

Mrs. Will Johnson visited her sister, Mrs. Russell Clark and daughter Mabel in Amarillo, the past week end.

WTCC Enters Plea For Increased Cotton Acreage Allotment To West Texas For War Purposes

The West Texas chamber of commerce is asking the U. S. department of agriculture to allot, on or before June 1, the then unplanted cotton acreage of the 1942 national allotment to those territories which, after that date, can still successfully plant and produce cotton. By such a reallocation formula, said a WTCC petition sent to Secretary Claude R. Wickard, West Texas, latest of all planting territories and ideally suited to cotton production, can meet the agriculture department's urging for full planting of allotted acreage to meet war needs for increased fibre and oils.

This year's national acreage allotment has been set at 27,400,000 acres. The petition by the regional chamber pointed out that invariably final plantings in the belt have been far under the allotments, due to unseasonable weather, diversion of cotton lands to other crops, and other factors. Last year the falling off totalled 4,200,000 acres, more than doubling that of 1940.

In West Texas, said the petition, cotton of the 1941 crop was planted as late as July 1, and the region went on to produce 60 percent of the entire state's 2,555,611 bales ginned prior to March 15, 1942. It was asserted that of 19 million available cotton acres in West

Texas, and with only 4,355,341 acres allotted for this year, "there remain available over 14 million acres now devoted to feed and grain crops and to retired land, with which to take up this year's unplanted cotton acreage without taking from any farmer anywhere any allotment which he wants and to which he is entitled." If there is a need of increased staple cotton fibre and of vegetable oils, stressed the petition, "West Texas has the facilities and land to achieve these goals."

Should the petition be granted and the additional acreage allotted, it is estimated that West Texas' cotton income this year would be increased \$100,000,000.

PRISON LABOR TO HELP

Plans for utilizing the fully equipped shops and skilled labor of prison industries in war production have been announced. State governments and federal procurement agencies will cooperate in carrying out the program. Prison cotton looms in the nation have an annual capacity of seven million pounds. Use of the full capacity for manufacture of cotton duck for war needs of the government could release some of the facilities of normal industry for civilian needs.

Ross Bell Announces For Chief Justice

The Leader has been authorized to announce the candidacy of J. Ross Bell of Childress County for the office of Chief Justice, Court of Civil Appeals of the seventh supreme judicial district. Mr. Bell is announcing his candidacy for this office as Judge J. R. Jackson, present incumbent is retiring at the end of his present term. This district comprises forty-six counties of Northwest Texas.

Mr. Bell served as District Attorney of the old 50th Judicial District which was comprised of Baylor, Knox, King, Cottle, Motley and Dickens counties, and has practiced law in this Supreme Judicial District for the past thirty years, and enjoys a wide acquaintance over the Panhandle. Mr. Bell stated that he would get around to see as many voters as possible and would appreciate their consideration.

Mr. Bell was in Clarendon Monday making the rounds and getting his campaign underway.

ASHTOLA

Mrs. W. B. Miller

The attendance for Sunday school last Sunday showed a slight increase. We hope that more of our people will be out next Sunday.

Mr. Dave Johnson from Clarendon made an interesting talk on "The Duty of Laymen" which was enjoyed by the congregation. Ashtola community was asked to contribute \$9 for the Navy Club which was recently organized, and more than the amount was raised Sunday morning at the Sunday school hour. The young people of the community were to have carried a

program to Martin Sunday evening but their plan failed due to weather conditions.

Miss Helena Poovey from W.T. S.C. at Canyon spent the week end with her parents, Mr. and Mrs. W. A. Poovey.

Mr. and Mrs. Guy Kuykendall and family moved last week to the house formerly occupied by the Dawkins family near the Armstrong-Donley county line.

Mr. and Mrs. Dawkins and family recently moved to a farm near Claude.

Miss Sammie Jean Allen from Amarillo, Mr. and Mrs. Elmer Hunsucker from Washburn and Mr. and Mrs. Harlan Gore and family from Goodnight spent the week-end in the home of Mr. and Mrs. A. L. Allen.

Mr. and Mrs. H. S. Mahaffey and family visited in the homes of Mr. and Mrs. Joe Jones, and Mr. and Mrs. Otis Naylor of the Sunnyside community Sunday afternoon.

Mr. and Mrs. W. A. Poovey attended the funeral of Mr. Charlie Walling which was held at Clarendon, Sunday afternoon.

Mr. Walling was a resident of Ashtola some year ago. He was a resident of Amarillo at the time of his death.

Mrs. J. R. Brandon was on the sick list first of the week.

Ted Tomlinson from Midway spent one night last week with James Reid Lovell.

Mr. and Mrs. Jack Killough and Mr. and Mrs. Joe Bownds and children spent Sunday at Childress visiting Mrs. Killough's mother, Mrs. Bellah.

Bible Briefs

BY M. F. MANCHESTER

OLD and NEW TESTAMENTS:

Many folks think that the Old Testament is still in force, and that if one keeps the commandments of the same; he will be saved in the end. This idea is wrong as shown by the scriptures.

New: The True:

Heb. 8:1:2 "We have such an high priest, who is set on the right hand of the majesty in the heavens; a minister of the sanctuary, and of the true tabernacle, which the Lord pitched and not man".

Old: Figure of True:

"For Christ is not entered into the holy places made with hands, which are the figures of the true; but into heaven itself".

New: Makes Perfect:

Heb. 7:18:19 "For there is verily a disannulling of the commandment going before for the weakness and unprofitableness thereof. For the law (Old Testament) made nothing perfect, but the bringing in of a better hope did; by the which we draw nigh unto God".

Old: Sealed by Blood of Animals:

Heb. 9:18:20 "Whereupon neither the first Testament was dedicated without blood".

New: Blood of Christ:

Heb. 9:12 "Neither by the blood of goats and calves, but by his own blood he entered in once into the holy place, having obtained eternal redemption for us".

Old: Taken Away:

Heb. 10:9 "Then said he, Lo, I come to do they will O God. He taketh the first, that he may establish the second".

No friends, we cannot be saved by trying to live by the Old Testament, which was fulfilled when Christ died.

To be forgiven of our sins in this life, and to enjoy the promise of life in the other world, we must obey the New Testament.

Youths Urged To Enlist Before May 1st

College graduates wishing to enlist in Class V-7 for training to become commissioned officers in the U. S. Naval Reserve must do so before May 1, Navy recruiting officers at Dallas announced today.

For approximately two years, unmarried college graduates between the ages of 19 and 28 years have been enlisted in Class V-7, U. S. Naval Reserve, and those successfully completing a four months course of training are commissioned as deck or engineering officers.

After May 1 only college students who have previously been enlisted in Class V-1 Accredited College Program of the Naval Reserve will be accepted in Class V-7.

To enlist in Class V-1, U. S. Naval Reserve, applicants must be between the ages of 17 and 20 years, physically qualified, unmarried and enrolled in an accredited college. Otherwise qualified high school seniors may enlist in Class V-1 by furnishing certificate of admission to an accredited college. Application for enlistment may be made at any U. S. Navy recruiting station.

Those enlisted in Class V-1 will, under certain conditions, be permitted to remain in an inactive

status until completion of college work necessary for degree. Those completing college work are eligible for active duty training to become deck or engineering officers in the U. S. Naval Reserve. After completion of two years accredited college work, qualified men are eligible for immediate training to become pilots with commissioned rank in the U. S. Naval Reserve.

TRACTOR TIRES SCARCE

Farm tractors originally equipped with steel wheels, and later fitted with rubber tires, will have to go back to steel wheels whenever they are locally available. The OPA has instructed the local ration board to issue no certificate for tractor tires unless no substitute wheels can be secured.

An unusual kind of guard (without a gun) is constantly on "watch" over your Dependable Natural Gas Service.

Quietly through every night and every day, the load dispatchers of this Company and associated Companies marshal the Gas reserves throughout the System to meet the demands of this area, whether for a gigantic war plant or for domestic needs.

Nerve center of more than 3,300 miles of telephone and telegraph lines and more than 6,000 miles of pipe lines, the load dispatchers are only a small part of the more than 3,000 skilled, experienced employees whose duty it is to keep the Gulf South's Natural Gas Service **DEPENDABLE**.

This dependability of Natural Gas is what makes it such a valuable fuel for industry, either for war or peacetime production, and it has meant much in creating greater payrolls and greater war production for the Gulf South.

Skilled Men Are Wanted In Navy

Recently announced government restrictions on construction not essential to the nation's war effort has resulted in a considerable increase in applications of skilled men for enlistment in naval construction battalions, Navy recruiters at Amarillo announced today.

Men enlisted in construction battalions, recruiting officers said, enjoy the distinction of being in a military organization of practically "all sergeants and no privates" as more than 90 per cent are enlisted as petty officers with beginning monthly pay ranging from \$60.00 to \$99.00, plus board, lodging, medical and dental attention when needed. When serving outside continental limits of the U. S., 20 percent is added to pay. Married men in the \$72.00, or above, pay grade receive an additional \$34.50 per month as housing allowance.

Although enlisted primarily for work with tools of their trade, Naval Construction Battalion men are taught to handle defensive weapons before being sent to overseas duty. Proud of their ability to fight as well as build, they have adopted as their emblem a flying bee, fighting mad. On its head it sports a sailor hat; in its forehead or leg it clutches a spitting "Tommy gun;" in its a-

midship hand, a wrench, and in its aft hand a carpenter's hammer. On the arms are rating badges of Navy petty officers.

Applications are being accepted daily at all Navy recruiting stations. Applicants are required to bring with them letters of recommendation from former employers, or other proof of experience at their trade.

Naval Construction Corps officers will be in Dallas April 20-21 and again on April 28-29 to interview applicants and determine pay ratings of those who have previously passed physical examination at Navy recruiting stations. They will also be at Amarillo on April 22 and 30. Applicants not satisfied with pay rating determined by interviewing officer will be under no obligation to enlist, recruiting officers said.

NO SHORT SKIRTS

It's good news for the women and girls of America this week that the WPB has assured them there will be no extremes in dress styles during this year, as there were during the last one.

Guarding against radical fashion changes, the WPB issued an order stabilizing for the duration the present length and fullness of skirts. There won't be short, tight ones, or long, full skirts and sleeves that would waste millions of yards of material.

Since most clothes for spring and summer already are made, the order doesn't affect them. However, the restrictions apply to

woolen garments, in time to apply them to most clothes for next fall and winter. By the time the restriction applies to cotton, rayon and other materials on June 19, clothes for this summer will have been completed. Restrictions on retailers stocks become effective on August 17.

By means of this order, the WPB hopes to make possible the production of at least 15 per cent more garments out of the same yardage of cloth.

Fix That Backache

Do the Muscles of your back tie up into knots? Do you have recurring pain in the back, or lumbago? The trouble is undoubtedly in the spine. Most frequently the lumbo-sacral joint or the sacro-iliac joint are displaced or out of kilter. The chiropractor is the expert in locating and removing the cause of a great majority of backaches. Countless times he has helped a disabled worker in returning to work.

The chiropractor is the mechanical engineer of your body. He locates structural defects of the spinal column and corrects by a special technique used by no other profession.

Ask for **FREE BOOKLET** ON "The Care and Use of Electric Appliances in the Home"

BE GOOD TO YOUR ELECTRIC APPLIACES AND THEY'LL BE GOOD TO YOU!

NEW METHODS of efficiency and economy are being worked out to provide an ample supply of light and power for military training camps and wartime industries in this West Texas country in addition to your home and business. But the factories that once turned out an abundance of electric appliances today have been converted to production of war materials. Since these appliances are vital in maintenance of civilian morale and in conserving time and energy for wartime work, it is essential that we all take steps to prolong the usefulness of the appliances now on hand. We are offering some suggestions to help you make them last.

How to take care of Your Electric Refrigerator

Some older models should be oiled every six months. Those with belts should be checked and new belts installed if needed. Condensers in all models should be cleaned once a year. Defrost at regular intervals, allowing the ice to melt rather than using an ice pick. (There's danger of punching a hole in the metal or freezing coil.) Close the door quickly after putting in or taking food out, using care NOT to touch rubber insulating seal around door with greasy hand. (Grease causes the rubber to deteriorate.) Let food cool before putting in refrigerator. Be sure that motor shipping bolts are fastened to prevent damage in transit when moving to new location. Be careful with ice trays—it's difficult to get new trays of any kind. Wash inside of refrigerator with baking soda and water whenever defrosting to prevent food odors.

How to take care of Your Electric Range and Small Appliances

Plan menus so that entire meals are cooked at the same time in oven or thrift cooker. In top-burner cooking turn burner to low as soon as boiling begins. Be sure to turn burners off when through using them. Don't allow liquids to boil over onto the cooking coil. (Metals in coils include copper and magnesium oxide and are hard to replace.) Wash outside of range with warm soapy water when cool. Food spilled over on surface cooking coils should be burned off. Wipe oven with damp cloth and remove food spillage after it cools.

Take good care of your small appliances because parts are becoming hard to replace. For example, the bristles in your sweeper come from China—or did. Not any more. And rubber belts and cords. You know about rubber and copper. Even electric elements in all appliances and switches for lamps are becoming scarce. So take care not to abuse them. All lamp and appliance cords should be handled a bit more carefully. Keep them off the floor if possible so they won't be trampled, knotted or kinked, causing the rubber insulation to break.

How to take care of Your Electric Washer

Don't overload the washer, or use it to wash out just a few small pieces unless necessary. Drain immediately after using. Rinse thoroughly. Rolls and frame of wringer should be wiped dry. Release pressure on rolls when not in use. Leave cover off tub until all dampness has evaporated. Cord should be wiped dry and carefully wound on hooks. In using wringer, take care that no objects are left in pockets or metal buckles are allowed to scar or nick the rubber rollers.

How to take care of Your Electric Water Heater

No special care is required for an electric hot water heater. If properly installed, you can forget it. It will take care of itself. But be sure the thermostat is set to give the correct temperature. Keep it in operation all the time. (Since it's automatic, turning it off and allowing the water in the tank to cool, then reheating it, uses more current than continuous operation.) If you live in a section where the water is extremely "hard," it occasionally may be wise to have the heating element taken out and the lime deposit removed. Other than this, there is nothing for you to do except don't waste hot water by letting it run down the sink.

What You Can Build

Under The New Government Building Order

REPAIRS AND MAINTENANCE

There are NO RESTRICTIONS on repairs and maintenance.

"REPAIRS" means the restoring to sound working condition of any building structure after wear or damage, but without changing the design.

"MAINTENANCE" means the upkeep of a building; structure; or project in sound working condition, without any change in design of structure.

Thus, anyone may do any repair or maintenance they desire on any existing building structures. This includes homes; farm or ranch buildings; store buildings; factories; theatres; warehouses; schools or other public buildings, etc. It includes all fencing, walks, out-buildings and appurtenances to such buildings or projects.

NEW CONSTRUCTION

"NEW CONSTRUCTION" includes, not only homes; ranch and farm buildings and improvements; commercial structures, etc., but also additions to or design changes in any existing structures of any type.

FOR FARMERS & RANCHERS

Any farmer or rancher can make additions to, or build new, any individual building, structure, project or improvement (other than his home) costing less than \$1000. Each individual project must cost less than \$1000 in any 12 month period. (But remember, repairs and maintenance are unlimited.)

FOR HOME OWNERS CITY AND RURAL

Construction of a new home or additions and design changes in existing homes must cost less than \$500 in any 12 month period. This applies to farm, ranch, and city homes. But "Defense Housing" is unrestricted. (But remember, repairs and maintenance are unlimited. This includes paint, wall paper, roof replacements, etc.)

FOR BUSINESS CONCERNS

Any industrial, commercial, or recreational business institution can add to, or build new, any structure or improvement costing less than \$5000 in any 12 month period. This same applies to schools and public institutions. (But remember, repairs and maintenance are unlimited.)

RESIDENTIAL REPLACEMENT

Residences damaged or destroyed by fire, flood, earthquake, storm, act of God or the public enemy since December 31, 1941, can be completely replaced. This applies to both city and rural homes.

SPECIAL PERMITS

Application for a Special Permit may be made by anyone desiring to make additions to existing structures or to build new ones where the cost is above the limits set forth above. Sufficient cause must be shown for such permit.

Here is a facsimile of the application for War Ration Book No. 1 which will be filled out for every person in Clarendon and Donley County during the National Registration Period, May 4, 5, 6, and 7. Registration of individuals and members of families will be by school teachers and their helpers in the elementary schools. All members of family units may be registered by any one member over 18 years old. Individuals who are not members of a family unit must register in person. One of the applications must be filled out for each member of the family and each individual, and each will

be issued a War Ration Book. Applicants for books are urged by the Office of Price Administration to study carefully the application above, and have the correct answers when they register. If the questions are answered promptly OPA estimates it will only take four minutes to fill out each form. Applicants should come prepared with a list of the members of their families, giving the exact name of each; an exact description of each member of the Family Unit, giving the height, weight, color of eyes, color of hair,

age and sex of each one. The person who registers for the Family Unit must state his or her exact relationship to each member of it. It is necessary to know to the pound just how much sugar is in the possession of the household. The amount of sugar will be divided by the number of people in the Family Units and stamps will be torn out by the registrar for all sugar in excess of two pounds per person. If more than four stamps have to be removed, issuance of the book will be withheld until later.
