

THE TEMPLE OF TRUTH

By the Apostle
HOT ZIKITY!
About the proudest moment of my life was when I heard that Gen. MacArthur had been placed in charge of the armed forces in

the Pacific southwest. No man in all history has exhibited the strategy and military skill as has Gen. MacArthur on Bataan Peninsula. No less credit is due his under officers and the fighting men, American, Philippine or others, in his charge. When the tide turns, as it definitely will soon, the Japs will fold up by the thousands. They simply cannot maintain their supply routes to the scattered areas to which they have

gone. It still looks like a war in the air in the main, with the water forces coming in for a goodly share. With one son in training, and four others registered for service as their turn comes, the old man just naturally wants to go along and help get the job done. There are a lot of husky fellows like myself who would much prefer to go whip the yellow bellies and let the flower of our manhood live their lives to

the fullest span as we have. Our days are not for long. The young man has years ahead of him if the enemy will let him live. Why, dad blame it, the folks down in Terry county in the Brownfield area, have wired our Texas senators and congressmen that they will furnish and equip men sufficient to put an end to the strikes by killing the trouble makers or leaders who cause the strikes. They think in terms of sweat and

blood, misery and disappointment among our boys "over there." The boys tell us, and we know it, that they can get the job done if our folks at home will get the chuck and war material to them. I'm for giving them anything in any quantity they want, and going over and help them too boot. And lots and lots of fathers are willing to do the same thing. And I know a lot of fellows in middle life who have no boys subject to military duty, or in the service, who are willing to go. Then when we think of the boys over there begging for something to do with, and we compare their plight and \$21 a month with the strikers back here who are withholding war material and demanding more pay in a day than the fighting man draws in a week or even a half month, it makes my blood boil. And while the trouble makers in the strike area are being given a course of rough treatment, the same penalty should be meted out to the profiteer and chisler. They, too, are enemies of your country and mine—the greatest that has ever existed in all history. We ought to, and will, protect it. We may get to the point when we have to demand that men do their duty in every position of trust, but American ideals must be preserved first at all costs.

HISTORY.
"How are you" is an American greeting, not an invitation to exploit your ills. That's why so many stick to the weather subject.
The proper measure of a man is the things that get his goat.
PILL-AGE.
With large number of doctors being taken into the service, we may have to resort to the age of "pink pills for the pale people" again. The days of sulphur and molasses, castor oil and pirooney were great, but what for?

HUDGINS
Mrs. S. M. Harp
Rev. Willard of Clarendon preached Sunday night. There was the usual crowd out for Sunday school Sunday.
We have changed our Bible study to Friday night. We invite all who will to come out and help us.
Mr. and Mrs. E. J. Thompson and son visited with Mrs. Cowan Sunday.
Bill and Geraldine Perdue spent from Friday until Sunday with Mr. and Mrs. J. C. Perdue and son of Lelia.
Mr. and Mrs. Wayne Ewing and family spent Sunday with Mr. Mrs. Jake Lagrone and family.
Sidney Harp spent Sunday with Bob Hudson.
Mr. and Mrs. John Perdue, Mary Nell, Uncle Tom Roy and Magdaline Talley took Sunday dinner with Mr. and Mrs. J. C. Perdue.
Mr. and Mrs. L. C. Tims, Velma and Clyde visited Mr. and Mrs. D. B. Perdue of Lelia.
Mr. and Mrs. L. O. Christie of Martin visited in this community Monday.
Mr. and Mrs. George Sheldon and William Willard spent Sunday in the N. C. Hudson home.
Mr. and Mrs. V. D. Roy, Miss Essie and Mrs. J. H. Wood and son spent Sunday with Mr. and Mrs. D. B. Perdue.
Rev. and Mrs. Willard and children of Clarendon took supper Sunday with Mr. and Mrs. O. L. Jacobs.
Mr. and Mrs. J. C. Perdue and son visited awhile Friday night with Mr. and Mrs. John Perdue and family.

Mrs. Carl Adams and daughter June, visited another daughter, Mr. and Mrs. D. E. Holt and son David at Lefors, Sunday.
Miss Ruth Donnell visited friends in Wichita Falls over the week end.

TEXAS WANTS 3,000 C C ENROLLEES
AUSTIN, March 18. — Among the government agencies born of the depression to be completely transformed by the war is the Civilian Conservation Corps. Private employment and the army have been responsible for closing camp after camp in Texas until the state now has only four remaining camps. The whole purpose of the program has been changed from aiding needy families and conservation of natural resources to training for defense industries, war production, and conservation work which is directly related to national war strength.
The CCC has a policy of continuous selection, and Texas is being called upon to fill a quota of 3,000. Boys who are 17 to 23½ years old, of good character and unemployed, are eligible for six months enlistment and may reenroll for as long as 24 months. The local county welfare office accepts applications. The CCC does not want boys who are needed in war industries or agricultural programs at home, for their selection would defeat the purposes of the present program. The Selective Service classification of a boy does not affect his eligibility, although boys expecting to be called momentarily will not be accepted.
"The CCC is now a 'Victory Program,'" J. S. Murchison, Director of CCC Selection for Texas, stated. "All enrollees will be more intensely trained than ever before and this service will aim to prepare these boys to cope effectively with the difficult work ahead."
Boys who enroll must agree to being sent to any camp in the continental United States. Texas enrollees are now serving in Arizona, California, Colorado, Nevada, New Mexico, Utah, and Wyoming, as well as in Texas. Camps that are not necessary for National Defense are being closed and their occupants transferred to camps participating in the training program.
"We need every eligible white and colored boy in the state to apply for this important service to our country," Mr. Murchison said. "Boys below draft age can make a valuable contribution to the war cause as members of the CCC."
Pay is \$30.00 per month—\$12.00 cash, \$8.00 placed in savings until discharged, and \$10.00 sent home if there are dependents, otherwise \$18.00 is placed in the savings account. Clothing, food, housing, and the best of medical attention are provided without charge.
To date over 150,000 Texas boys have been in the CCC, serving an average of ten months, returning to their parents, or dependents, approximately \$35,000,000, an average of about \$250 each. To care for Texas boys alone the government has spent approximately \$105,000,000. During the year July, 1940 to June, 1941, over \$3,500,000 in actual cash was sent home to the parents of Texas boys.
The CCC has an excellent health record. During the fiscal year 1941, with an average strength of 250,000 boys the death

rate, due to both diseases and injuries, was 2.09 per 1,000 men, or only 521 persons for the entire year. The number of enrollees, and former members, of the Corps who have been rejected because of physical defect by the Selective Draft, is relatively small.

TEXAS WANTS 3,000 C C ENROLLEES

AUSTIN, March 18. — Among the government agencies born of the depression to be completely transformed by the war is the Civilian Conservation Corps. Private employment and the army have been responsible for closing camp after camp in Texas until the state now has only four remaining camps. The whole purpose of the program has been changed from aiding needy families and conservation of natural resources to training for defense industries, war production, and conservation work which is directly related to national war strength.

PUBLICITY.
Several asked me why no news article was made of my confirmation as postmaster by the senate last week. It happened on Monday, the 9th, and I knew it a few hours afterward, and appreciate the honor and all that, but I have never "played to the grandstand." The fellow who blows and brags seldom accomplishes anything worth while. I'd feel much prouder of having the name of having given the folks the best service possible in the postoffice, than to have a lot of publicity. There is no honor in a position except as the one in authority brings honor to that office.

SUGGESTION.
Please pardon this suggestion, but it is for the benefit of a lot of folks who write letters that are often delayed. Write the box number on every letter you write, if you know the box number. When strange names come into the postoffice, the letter bearing that name is supposed to go to a guest in some home. They may be here for but a few days, and what a lot of time could be saved if that letter had the correct box number on it.

FOOL STUFF.
Let's get our minds off the more serious for a rest. Carter might have had plenty of oats, but Potts was also a great man, when you come to think about his record. There is Potts, Nevada, Pottsville, Arkansas, Pottstown, Penn., Potts Camp, Miss., and Chambersburg, Penn.

SOME HOWDY-DO!
A fine way to build up civilian morale—one crowd bawling "pull yourself together," and another taking the girdles away from the gals. Durn them rubber-grabbing Japs anyhow.

A FEED for EVERY NEED
When you need any kind of feed for stock or poultry be sure to inspect our stock, for we guarantee it to be good.
Custom Grinding
We are equipped to do your grinding any way you want it done. Profit more by grinding.
Thomas Mill & Feed Store

Children of Farm Security Administration borrowers in Donley County are doing their part in the national food for Freedom Drive. They are producing pork, beef, and increasing the dairy products to help fill the family store room

and placing surplus on the market. Pictured above are some boys of Briscoe County who are carrying out similar projects. The top picture shows J. B. Brooks, and Troy Brooks with their flock. Al-

so in the picture are Claude Carpenter, Farm Security Supervisor and County Agent Lem Weaver. Denzel Roy Vaughn is shown at the lower left with his dairy heifer. The white face feeder is Virgil Patrick's.

Sixteen Million Bushels More

COLLEGE STATION — Texas farmers needs to produce an extra 16 million bushels of grain in 1942 to feed the expected increase in swine numbers.

This figure does not include the grain that will be needed to insure increased production of milk, eggs, and mutton, increased marketing of beef, and the usual feed for workstock.

Texas farmers apparently are not only going to meet the USDA War Board's call for marketing of 2,672,694 hogs in 1942—an increase of 842,638 over 1941—but are going to overshoot the goal by a considerable margin.

It is entirely probable that Texas will produce a million hogs above the 1941 figure, according to E. M. Regenbrecht, swine husbandman of the Texas A&M College Extension Service.

Approximately 16 bushels of grain are needed to bring a hog to market weight.

Texas has no great reserves of corn under the Ever-Normal Granary plan, as is the case in the corn-hog states. With the exception of 121,321 bushels of grain sorghums under the loan, Texas farmers will have to produce grain for hogs as they go.

Regenbrecht's estimate of an increased production of a million hogs is based on the AMS figures, which note that the 1941 fall pig crop was 22 percent larger than that of a year ago, that the number of sows and gilts on hand was increased by nearly 50 percent, and that the number of sows farrowing this spring is expected to be 47 percent over the number farrowing in the spring of 1941.

Physical Instructors Needed For Navy

Physical instructors and well qualified athletes with college degrees will be interviewed on March 30 and 31 at the Navy Recruiting Station in the Post Office building at Dallas by a representative of Commander J. J. Tunney, Director of the Physical Fitness Program of the United States Navy.

Accepted applicants will be enlisted as Chief Specialists with beginning pay of \$99.00, plus allowance of \$34.50 per month if they have dependents. After a six week vigorous course in naval indoctrination and training at Norfolk, Va., they will become full fledged physical instructors and be transferred to the various naval activities.

Applicants must be between the ages of 21 and 35 and have in their possession at time of interview a transcript of their college record, a birth certificate, a small photograph taken within the past week, and a discharge if they have had previous military service. Men without college training should not apply.

ASHTOLA

Mrs. W. B. Miller

The attendance at Sunday school last Sunday was larger than the past several weeks. We hope the crowd will be larger next Sunday.

Rev. R. L. Self went to Harrell Chapel near Memphis for his regular appointment Sunday. He was accompanied by Mr. Eulan Higdon.

Miss Charline Knox spent the week end with Miss Larue Shadle in the Martin community.

Mrs. Mary Graham Rush from Lubbock visited in the home of her parents, Mr. and Mrs. J. M. Graham over the week end.

Mr. and Mrs. Lee Bennett and Mrs. John Nichols from Newlin spent Sunday and Monday in the home of Mr. and Mrs. Goebel Barker.

Dr. and Mrs. Ingham from Canyon visited the first of the week

Science Preparing Substitutes For War Materials

AUSTIN, March 18.—Contributions of science in preparing substitutes for strategic raw materials were detailed before a University of Texas audience this week (Tuesday, March 17) by Dr. Harry N. Holmes, president of the American Chemical Society.

Speaking before the Central Texas Section of the Society, Dr. Holmes—distinguished professor of chemistry at Oberlin College, gave special attention to the part being played by science in developing synthetic rubber, toluene, formaldehyde, chlorine, silk, aluminum, magnesium, mercury, manganese, chromium, steel, mica and cork.

"We are increasing our stock pile of these natural raw materials rapidly at present, but we began too late," Dr. Holmes declared. "Scientists had pointed out the threatened shortage but these warnings went unheeded, with the result we are now having to throw every ounce of scientific effort into development of acceptable substitutes."

CANVAS BIDS HEAVY

Some idea of the current demands on cotton industry by the war may be obtained from the fact that recently the Army asked that the cotton textile mills submit bids on 200,000,000 yards of cotton canvas. Ordinarily these mills which specialize in production of canvas would produce this amount in the space of a year. Bids, however, called for delivery before June.

J. C. Dawson of Childress visited with Mr. and Mrs. Quattlebaum last week.

Mr. and Mrs. Will Darden of Lorenzo and Mr. and Mrs. Sam Darden of Clarendon, and Mr. and Mrs. Loyd Moreland visited in the Longan home Sunday morning.

Tom Goldston of Clarendon, a brother to John Goldston was taken to the hospital in Amarillo Friday. Mr. and Mrs. Joe Goldston of Clarendon went up Sunday, Joe giving blood for a transfusion.

Mr. and Mrs. Gene Chamberlain and son and Mrs. Thomas Clayton and daughter visited relatives in Clarendon while Thursday enroute from Amarillo where they had been on a business trip.

Mr. and Mrs. Holland went to Amarillo Friday. Their boy had three calves in the Fat Stock show.

Jake Chamberlain was up from Oxbow Saturday.

Mrs. Hefner went to Amarillo Friday to consult an eye specialist and returned Saturday.

Mr. and Mrs. Gene Chamberlain and son of Memphis spent Sunday with his parents.

Dempsey Roberson left this week for Salt Lake City to work in the oil fields.

Mrs. W. D. Higgins and daughters, Margaret and Reba and Miss Martha Reamer visited in the Longan home Sunday morning.

Mrs. A. B. Stephens and baby are visiting a few days with her brother, J. C. Longan and family at Hedley.

Mr. and Mrs. Nelce Roberson and Mr. and Mrs. A. B. Stephens visited in the Potter home Sunday eve.

We've got Axis to grind. Buy Defense Bonds and Stamps.

MIDWAY

Mrs. John Goldston

Mr. J. A. Meaders had a very serious attack Friday morning. Two doctors were called. He had rallied, however, when the Drs. arrived, and is now improving.

Luis Stone and Doyle Koontz left last Thursday for army training.

Marvin Jones, who is in Lubbock in training spent the week end at home.

Mr. and Mrs. Clifford Davis of Amarillo were down Thursday and visited awhile with his parents. Mr. Davis has been transferred from his work in Amarillo

Let's explore the possibilities

IN TIMES OF PEACE the choice was yours. You could decide whether you wanted to trade-in your car every year or two . . . or whether to give it the kind of care which would make it last for many years.

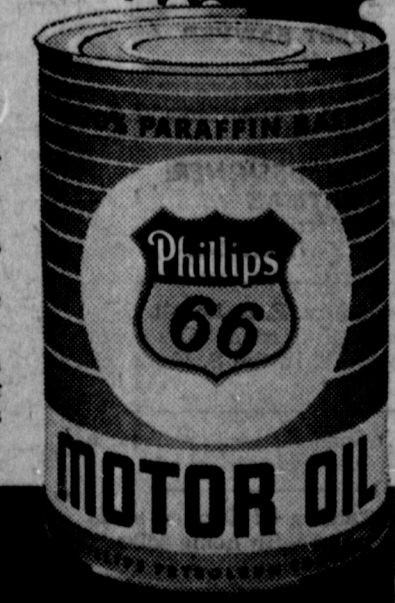

That choice exists no longer. Every patriotic citizen must make his car last longer.

Since no car can ever be any younger than its motor, you must explore every possible way of saving wear and tear. So keep the following facts in mind when you are deciding which oil to use:

Phillips refines many oils, because car owners' requirements vary as much as their cars and their pocketbooks. But if you want our best oil, you need have no doubt, because Phillips frankly tells you that Phillips 66 Motor Oil is our finest quality . . . the highest grade and greatest value . . . among all the oils we offer.

Replacing winter-worn lubricant? Making the regular 1,000-mile change? Specify Phillips 66 Motor Oil.

BETTER BABY YOUR MOTOR

IS FOR LONG LIFE
Of freedom from care.
IT'S YOURS WITH SERVEL
'Cause there's nothing to wear!

STAYS SILENT . . . LASTS LONGER
... FREEZES WITH NO MOVING PARTS

Year after year Servel owners continue to enjoy advantages no other refrigerator can match: permanent silence . . . continued low operating costs . . . and long, dependable life.

**THE STATE OF TEXAS
COUNTY OF DONLEY**
TO Carl Schaffer defendant, and all other proper persons, including all record lien holders, owning or claiming, or both, any interest in the land or lots hereinafter described, same being delinquent for taxes to The City of Clarendon Plaintiff; and The State of Texas, County of Donley and Clarendon Independent School District of Donley County, Texas taxing units in said State herein implicated by plaintiff (and taxing units heretofore having intervened in this suit).

AND YOU ARE HEREBY COMMANDED to be and appear before the Honorable District Court of Donley County, Texas, at the next regular term thereof, to be held at the Courthouse of said County, in the city of Clarendon on the fourth Monday in March A. D., 1942, the same being the 23rd day of March A. D., 1942, to plead and answer plaintiff's petition, (together with pleas of intervention and claims of impleaded parties defendant) filed in said Court in a certain suit No. 2164, and then and there to show cause why judgment should not be rendered against you, and said (land and lots) sold under foreclosure of lien to satisfy the following taxes being delinquent on the said property, to-wit:

Taxing Unit, the City of Clarendon; to whom assessed, Carl Schaffer; description, Lot No. 3, Block No. 4, of the Miller addition to the Town of Clarendon; years delinquent, 1928 to 1941 inclusive, aggregating One Hundred Sixty Five & 18/100 Dollars, together with all interest, penalties and costs allowed by law.

And you are further commanded, as aforesaid, to take notice of, and plead and answer to, all claims and pleadings now on file or hereafter filed in said cause by the parties herein and such other taxing units that may be or become parties herein.

Given under my hand and seal

of said Court, at office in Clarendon, in the County of Donley, this 25th day of February, A. D., 1942.
(SEAL) Helen Wiedman,
Clerk, District Court,
Donley County, Texas.
(4-c)

THE STATE OF TEXAS
TO Tina Ruth Mabery defendant,
Greeting:

You are hereby commanded to appear before the Honorable District Court of Donley County at the Court House thereof, in Clarendon, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 13th day of April A. D. 1942, then and there to answer Plaintiff's Petition filed in said Court, on the 12th day of February A. D. 1942, in this cause, numbered 2157 in the docket of said court and styled R. O. Mabery Plaintiff, vs. Tina Ruth Mabery Defendant.

A brief statement of the nature of this suit is as follows, to-wit: Suit for Divorce, for custody of the two minor children and for a division of the property belonging to the community estate, including the South-west (SW 1/4) One fourth of Section No. 39, in Block C-6, Donley county, Texas, containing 160 acres of land more or less, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. Issued and given under my hand and the Seal of said Court, at office in Clarendon, Texas this the 24th day of February A. D. 1942.

Attest:
(SEAL) Helen Wiedman,
Clerk, District Court,
Donley County, Texas.
(4-c)

Donley County Leader, \$2 a year.

OUR DEMOCRACY — by Mat

MIGHTY INSPIRATION

NEVER HAVE WE HAD SO MUCH TO FIGHT FOR:

OUR DEMOCRACY— THE BIRTHRIGHT OF AMERICANS AND THE HOPE OF OPPRESSED PEOPLES EVERYWHERE.

OUR STANDARD OF LIVING— THE HIGHEST EVER ACHIEVED BY ANY NATION.

OUR SECURITY— OUR HOMES, OUR LIFE INSURANCE, OUR SAVINGS, OUR VAST NATURAL RESOURCES.

WITH ALL THESE BLESSINGS WE FACE THE FUTURE COURAGEOUSLY.

NEVER HAVE WE HAD SO MUCH TO DO WITH:

BETTER METHODS OF MASS PRODUCTION— NEW WAYS OF DEVELOPING NATURAL RESOURCES— TREMENDOUS ADVANCES IN RESEARCH— MORE AND MORE MECHANICS AND SKILLED WORKERS— BETTER HEALTH AND MEDICAL CARE.

AND ABOVE ALL: THE HIGH RESOLVE AND ALL-OUT EFFORT OF EACH ONE OF US — THAT THIS HERITAGE SHALL BE PRESERVED.

Your Child's Health Should Be Conserved

AUSTIN—In his recent May Day Child Health Day proclamation, President Roosevelt stressed the vital importance of the health of children to the strength of our nation. He urged that all Americans exert every effort at this time to conserve child health, not only through the application of positive health measures, but also by reducing the incidence of the more devastating childhood diseases.

Doctor Geo. W. Cox, State Health Officer, today issued an urgent appeal to all Texans to cooperate whole-heartedly in this health conservation program. "While it is true that science has had at hand for years the means to reduce almost to the

vanishing point the incidence of diphtheria and smallpox," Doctor Cox stated, "nevertheless the actual control of these two diseases is largely in the hands of parents."

Children should receive toxoid treatment between the ages of six and nine, he declared, and pointed out that the necessity for immunization at this early age is based upon the fact that nearly two-thirds of all diphtheria deaths occur in children under six years of age.

"I can not emphasize too strongly that to deprive your children of the protection that science has made available amounts almost, if not altogether, to criminal negligence," Doctor Cox warned. "The family physician and the public health workers can only point the way and urge action, but the essential factor still lacking in most diphtheria illnesses and deaths is parental cooperation."

Dehydrated foods may mean the difference between boys in the front trenches getting plenty of food and not getting fed at all, Luis Bartlett, University of Texas mechanical engineer, told the state's dietetic association meeting at Austin. Dehydrated foods weigh less and hence are more readily transported, he pointed out.

The Rattan twins spent Sunday night with Jimmy Nell Parker. Mr. and Mrs. Dunn and children visited with Mr. and Mrs. Fred Patterson and children.

Procedure to Follow In Obtaining Your Birth Record

Many inquiries have been received recently in regard to the procedure which should be followed by individuals in establishing their proof of age. These individuals inquired for the purpose of securing such information for ready reference when the time comes for them to file claim for Federal old-age and survivors insurance benefits, according to Reed, manager of the Amarillo office of the Social Security Board.

"While it is a fact that one year, one month, or even one day may make a difference in one's old-age insurance benefits, the task of establishing a birth record is not as difficult as many people believe," Reed stated.

It was further emphasized that the Social Security Board must have in its possession proof of date of birth before a claim may be accepted for old-age and survivors insurance. Following are some of the proofs acceptable to the Social Security Board:

(1) A copy of the public record of birth or a statement as to the date of birth shown by such record, duly certified; or

(2) A copy of a church record of infant baptism or a statement as to the date of birth shown by such record, duly certified; or

(3) A written notification from the Bureau of the Census or other public agency that a described record of birth has been established at a public registry of vital statistics.

If none of the evidence described in items (1), (2), or (3) is obtainable, the reason therefore should be stated and the applicant may submit:

(4) A statement of the physician or midwife or other individual who attended at the time of the birth of such applicant; or

(5) A certification, upon the approved form, that there exists a Bible or other family record showing the age of the applicant or of such other individual, as stated on such form; or if such proof cannot be obtained,

(6) Other evidence of probative value. If the applicant for benefits is residing in the United States, but was born in another country, and none of the evidence described in items (1), (2), or (3) is available in the United States, the applicant may submit an immigration or naturalization record, or other evidence of probative value, which shows the date and place of birth.

To stimulate improvements of training of Texas youth at the junior college level, the General Education Board has given the University of Texas a special grant of \$2,000 to finance a workshop in junior college education.
