

Union Thanksgiving Service Next Wednesday Evening

Mrs. Joe Goldston Is President Of Clarendon's Little Theater Body

LITTLE THEATRE ORGANIZED HERE

PATHFINDERS BACKED BY BOOK CLUB AND LIONS IN MOVEMENT.

Sponsored by the Pathfinder Club of Clarendon, which secured the co-operation of the Book Club and the Lions Club in the movement, the Little Theatre of Clarendon was formally launched Monday evening of this week when the committee of fifteen directors from the three clubs elected officers, appointed committees and named a director for the initial term of one year.

MRS. FRANK A. STOCKING, Director

considered and after inviting all members of the three clubs listed above to become members, the limit of the number of members will be set in the by-laws of the organization to be adopted at a later date. It is thought that fifty or sixty will be the membership limit and a waiting list will be created just that number.

Under the plan of organization participation in the plays to be presented will not be limited to the membership, but the casting committee may draw from the citizenship of the community for the personnel of the casts. Neither are the members of the organization obliged to appear in the casts, although they are expected to answer any call of the casting committee. Membership fee was set at one dollar per year.

Mrs. Frank A. Stocking, the new director, who has had wide and varied experience with Little Theatre work, announces she has some plays on hand and by concurrence of the committee will begin work on the first presentation shortly after the first of December, with the expectation of staging the production within the first two weeks of 1930.

The Little Theatre of Clarendon is dedicated to the discovery and development of dramatic talent in this community and funds derived from its plays will be used to assist in buying a proper curtain for the stage at Clarendon Junior College and providing other needed stage equipment for that institution, where all its plays will be produced.

PATHFINDER CLUB

The Pathfinder Club will meet Friday, September 22nd in the John Bugbee home with Mrs. W. H. Patrick and H. T. Burton as hostesses. The hour of meeting has been set at 3:00 p. m.

U. J. Boston was a business visitor to Pampa Wednesday of this week.

Clarendon Men Named Delegates

During the sessions of the Northwest Texas Conference held last week at Pampa, two Clarendon men were honored by being named as delegates to the General Conference which meets next year. J. R. Porter was named delegate to this great meeting and Rev. W. M. Murrell was named alternate. It is seldom that two men from the same town are named to this place and Clarendon Methodists are well pleased with the results of the balloting in the neighboring city.

CLARENDON TO AGAIN TAKE AIR

CHAMBER OF COMMERCE ASKED TO TAKE STATION NOVEMBER 30TH.

The Clarendon Chamber of Commerce has been asked to take the air for a thirty minute period on the evening of November 30th and G. L. Boykin, Secretary of that body has the plans for the affair well in hand with the program practically complete. Due to the very limited period of time assigned, there will not be sufficient time to give all the details of the county, so a number of musical numbers are being planned with short and to-the-point speeches will be given while the performers are getting their second wind.

The Chamber of Commerce quartet, composed of Messrs. Boykin, Cope, Nored and Braswell, will have at least three numbers over the air and will be followed by a duo of saxophone solos by Gus Stephenson, the director of the Clarendon Municipal Band. Miss Fray Stallings has been asked to present a piano solo and will also accompany the singers and the quartet as they give their selections for the edification of the unseen audience.

ALL INDEBTEDNESS RAISED ON CHURCH

ENTIRE CHRISTIAN CHURCH INDEBTEDNESS PLEDGED FOR EARLY PAYMENT.

A campaign of nine years standing, dating from the fall of 1920, has been brought to a successful close with the final pledging of sufficient funds for the liquidation of all indebtedness of the First Christian Church of this city. A committee composed of Rev. W. H. Marler, W. L. Butler and Homer Mulkey has been working on this matter for the past few days and has succeeded in pledging a sum sufficient to meet all outstanding accounts of the church.

The body started with an indebtedness of \$6,500 to the Extension Board of the Church, in addition to a note at one of the local banks for \$800.00, this bringing the total indebtedness to \$7,300 in these two places. The indebtedness to the Board has been paid and the local note has been reduced to approximately \$500.00. This last named sum has been reduced to a minimum and the pledges will care for this final note.

In addition to paying these notes, the membership of the church has finished the interior of the basement, installed gas heating fixtures and has kept the church in good repair. The ladies of the church have played a great hand in raising the indebtedness of this organization, and are planning other dinners in the near future to care for their part of the pledges. They have served meals, held banquets and many other things to assist in making their part of the expense come to their required level.

Summer Plans for Caraway's Cafe Has New Floor

DEMONSTRATION CLUB LEADERS PLAN MUCH FOR COMING YEAR.

A meeting of the Home Demonstration Agents for the counties of Armstrong, Potter, Carson, and Donley, with Miss Minnie Mae Grubbs of the Extension Department of A. & M. College and Mr. Horsbrough, the horticulturist for that school, was held last week at Claude. These workers laid out to some extent the work of the clubs for these four counties for the coming twelve months period and some special lines of endeavor will be followed. According to reports from this meeting, the interest in gardens and yards for the coming year will be greater than any other items on the calendar. Recommendations were passed that the 4-H Club girls should plant at least four trees and one dozen berry vines in their yards during the coming summer. Miss Thompson states that she is planning to have this same work carried on among the women's clubs of Donley County for the next year.

In the work in the clubs for the next year, one special demonstration for each project is to be required from among the club members. Special report forms will be used for these ladies doing the work and it is thought that more widespread interest will be manifested from these efforts than in any others. Minimum requirements will be made and the clubs will work to this end, securing maximum results with the minimum of effort.

Odos Caraway returned to his home here Wednesday morning from a business trip to Oklahoma City, where he secured one of the late model Buicks for his personal use.

PALODURO PARK BODY ORGANIZED

REPRESENTATIVES OF PANHANDLE SECTION FORM PERMANENT GROUP.

Culminating a movement of many years' standing and one which has been intensive for the past few weeks, a mass meeting last Saturday at Amarillo launched a permanent organization for the creation of a state park in the Paloduro Canyon and set in motion machinery which will present the matter to the special session of the legislature in January.

As announced in last week's News Clarendon and Donley County is participating in the movement and has had representatives at every meeting in this section relative to the park project. Some fifty representatives from nearly all the interested counties were present and participated in the meeting last Saturday, which was presided over by George A. Sager of Memphis, temporary chairman. In the election of permanent officers, Sam M. Braswell of Clarendon was elected president of the association; Dr. J. W. Stevens of Tulsa, 1st Vice president; Mrs. J. L. Smith of Amarillo, 2nd vice president and O. V. Vernon of Amarillo as secretary, with Rolla Townsend as assistant secretary.

It was voted to name a legislative committee at the first meeting since the time is short before the convening of the special session of the legislature and a committee to secure options on the acreage in the Paloduro Canyon for the park site was also authorized.

James O. Guleke of Amarillo, is chairman of the legislative committee. Other members are Judge J. W. Crudginton, and Mrs. L. A. Wells, Amarillo; Judge J. R. Porter, Clarendon; Judge L. S. Kinder, Plainview; C. H. Walker, Pampa and T. J. Page, Claude.

W. H. Patrick, pioneer banker of Clarendon was named chairman of the land options committee. This committee will be empowered to secure options from parties owning land in the canyon in order that a definite proposal may

Workmen completed their task of placing a new oak floor in the Caraways Restaurant the fore part of this week. In addition to this, the partition that has extended into the dining room has been removed and more room has been given the patrons of this place of business. The entire interior of the restaurant is up for a general change, the color of the walls being changed and other improvements of a like nature planned to make this one of the most up-to-date eating houses of the city.

COUNTY RALLY PLANS COMPLETE

No changes have been made in the plans for the County-wide Rally Day of the Home Demonstration Club members of this county. Miss Thompson stated the latter part of last week that the only change made in the plans had been that she had decided to give a demonstration on the Living Room Contest, rather than to merely discuss the matter. Other parts of the program have been left unchanged and will be carried out as was seen in the last issue of the News.

Miss Elsie Phillips, County Home Demonstration Agent for Armstrong County, will judge the reports contest. Much interest is being shown in this section of the entertainment and the reports as given will show to a great extent what has been done by the clubs in the past year.

A great basket lunch will be served at the noon hour, the ladies being asked to bring "Pot Luck" lunches when they come to the meeting here. Committees from each of the twelve clubs will have this matter in hand that there will be no confusion when the serving of the meal takes place. Attendance is expected to be large at this time as a great many of the club families have their work well in hand for the year. The meeting will open at 9:00 o'clock in the morning on Friday, November 22nd and will be completed in sufficient time to allow the visitors to return to their homes for the evening.

ORPHANAGE GROUP IS ENJOYED IN PROGRAM

Twenty members of the Methodist Orphanage at Waco, accompanied by Mr. and Mrs. W. F. Barnett and the driver for their truck, were the guests of local people over Sunday evening, they coming here from a visit to Pampa, where they tendered a program at the Northwest Texas Conference. The party was made up entirely of girls, ranging from about six years of age or smaller to a few who were quite grown-up. The program as presented was made up of musical numbers, and other sorts of events that were very pleasing to the goody sized audience that made up the congregation for the evening.

HERE FROM GERMANY

Alfred Gotz, a cousin of Mrs. E. P. Shelton, was here the latter part of last week for a visit in the Shelton home. Mr. Gotz is a young man who lives in Dresden, Germany, and who was here on a visit. He was accompanied to this city by a brother of Mrs. Shelton, Mr. Gorrissen and family, the entire group leaving here Monday for Dallas, while here, Mr. Gotz was taken on a visit to the J. A. Ranch and found things there very interesting. He is much impressed with the United States.

Homer Mulkey left Sunday night for a business trip to Dallas, in the interests of the Motion Picture Theater Owners of the state.

be placed before the legislature. Other members of this committee are R. S. Greene, Memphis; J. W. McCreery, Canyon; L. A. Wells, Amarillo; Dr. W. A. Warner, Claude; M. T. Howard, Palo Duro and R. A. Underwood, Plainview.

NON-CONFERENCE TILTS FOR C.H.S.

PANHANDLE COMES HERE FRIDAY AND CANYON IS HERE THANKSGIVING.

The Bronchos will meet the Panhandle Panthers at three o'clock Friday in the College park. This will be a hard fought battle as the teams are well matched in size and experience. The Bronchos will be handicapped due to injuries received in the Memphis game last Thursday. On Thanksgiving the Bronchos will meet the strong Canyon high team here. Canyon defeated Memphis earlier in the season so a tough battle may be expected. Although these games are not conference affairs Coaches Hutton and Stockings are taking these games seriously.

Despite the fact that the Bronchos are out of the conference race they are still undefeated with the exception of the Memphis game last Thursday and the local fans will have a chance to see them in action two more times before the season ends. This is possibly the best team that Clarendon has seen since 1925 and the boys and the coaches are due no little credit as the Bronchos finished a mighty close second in the title race. Canyon was defeated only by two points by Hereford, possibly the strongest team in the district.

LIBRARY SHOWER BIRTHDAY PARTY

CITY LIBRARY BOARD INVITES CITIZENSHIP TO BIRTHDAY PARTY.

Clarendon's new city library is five years old the first Saturday in December—that is the age of the library projected by the Pathfinder Club, and it is five years old even if it is a new city institution. By order of the Library Board with Mayor H. W. Taylor as chairman, the Library will celebrate Saturday, Dec. 7th, as its birthday, with a birthday party and book shower. Committees have appointed to invite all the clubs of the city to co-operate in the informal party and plans are being laid to make it one of the outstanding social events of the season.

Since the library is in need of more books, fiction, history, arts, etc., a book shower will be a part of the entertainment features and every citizen is being urged to attend the party which will be held at the library rooms in the city building, and to bring one or more volumes of books suitable for library use.

The library now has eleven hundred volumes and has been in operation long enough to be well read by the library membership, and many hundreds of new books are needed according to Mrs. C. A. Burton, the librarian. Mayor Taylor asks that our readers mark their calendar on Saturday, Dec. 7th for the Birthday Party-Book Shower of the City Library. More detailed announcements of the hours and program will be given out next week.

FEDERATION TO MEET HERE 30TH

PROBABLE CONSUMMATION OF YEAR'S WORK WILL TAKE ATTENTION.

Mrs. J. A. Thompson, president of the Donley County Federation of Women's Clubs, has called a meeting of this body for Saturday, November 30th. This meeting was scheduled for the first Saturday in this month but was not held for the reason that sufficient publicity had not been given the matter and it has been postponed to the date mentioned above.

Mrs. Thompson urges that the ladies of the county who are interested in this group will be here in attendance on the meeting and that they have their reports and all business in their hands that the business may be handled with as much dispatch as possible. The meeting will be held in the Ladies Club Room in the basement of the City Hall and there is plenty of room to care for all who may care to attend.

Band Preparing Holiday Events

The Clarendon Municipal Band, under the direction of the late director, Gus Stephenson, is hard at work planning for the Holiday program. This program will be given further publicity at the time of its presentation and will be one of the events during the holidays. The content of the program will be announced at a later date.

In the reorganization of handling the band for the coming year, a new plan is being worked out, a committee being named from among the business men of the city and from the personnel of the band. Homer Mulkey has been accorded the honor of being chairman of this group and has named O. C. Watson, C. L. Benson, Jack B. Jones, Frank Whitlock and A. L. Chase to work with him from among the business men. The committee of five from the band is to be elected this evening at regular practice hour of that body.

Bon Ton Installs New Fountain

Installation was completed this week of a new fountain for the Bon Ton Confectionery. The new piece of equipment is eighteen feet in length and is beautifully fitted out in a dual tinted marble. The equipment is all electrically cooled and is as modern as any others in the city. Stools have been added to make the consumption of articles sold here more enjoyable.

FURNACE IS BURNED OUT IN CLARENDON MOTOR CO.

An accident that might have been serious, but that carried little weight other than that of ruining their furnace, occurred the latter part of last week. The furnace was evidently left running with an insufficient supply of water and was filled while still hot, resulting in the scorching of the entire boiler. No damage was done other than this was found and the establishment has been without heat all of this week until gas could be piped in and stoves installed to take the place of the furnace heat.

BOARD OF STEWARDS ORGANIZED

METHODIST OFFICIALS PERFECT ORGANIZATION WEDNESDAY NIGHT.

Following a brief prayer meeting service Wednesday evening at the Methodist church a session of the board of stewards was held and official posts filled for the coming conference year. E. V. Quattlebaum was elected chairman of the board, Paul Shelton, vice-chairman, and G. Lester Boykin, secretary-treasurer. The question of salaries was presented and it was voted to set the pastor's salary at the same figure as last year—\$3600 per year. This automatically sets the presiding elder's salary, it being based on a percentage of the sum paid the pastor.

Additional radiation for the auditorium of the church was authorized and a committee composed of Messrs. Braswell, Hurn and Stallings was named to buy the equipment and direct the installation. On the matter of the budget for the year, a committee composed of Messrs. Boykin, Hurn and Braswell was named to study the needs of the year and bring in a tentative detailed budget for ratification or adjustment at a special meeting of the board Monday evening, Nov. 25th.

Rev. S. E. Allison, the pastor, and Presiding Elder Murrell, both expressed themselves as being delighted on being returned to their work here and complimented the local church on the splendid spirit of co-operation and progress manifest now and during the past year.

W. T. LINK'S MOTHER BURIED AT STAMFORD

Hon. and Mrs. W. T. Link and Miss Joyce returned Monday of this week from Stamford, where they had been on call of the death of his mother. Mrs. Link died on last Friday at her home in Lubbock, after a long siege of illness. Mrs. Link was an infrequent visitor to the home of her son in this city, having been here only a very few times. Burial was had in Stamford Sunday and the return trip was made direct from that city.

PROGRAM FOR THANKSGIVING

UNION SERVICES TO BE HELD IN PRESBYTERIAN CHURCH.

By agreement reached by the pastors of the various churches of Clarendon, the Thanksgiving service is to be held this year in the Presbyterian Church of this city, it having fallen to the place of this body to have the service. Services are rotated from one of the churches of the city to another, it being held last year in the Methodist Church.

The sermon for the occasion will be preached by Rev. W. H. Marler, as the newest arrived pastor in the city, he having been selected at a time when he held this position.

In order that the full day may be given over to those pursuits most suited to the various folk of the community, services will be held on Wednesday evening preceding the holiday next Thursday. The hour of 7:30 p. m. has been set for holding the service and special music is being planned for the occasion, an union choir being planned which will render the music for the union event. Practice will be held Sunday afternoon at the Presbyterian Church at 4 o'clock.

BRONCHOS TO BE FETED IN MEET

FOOTBALL BOYS TO RECEIVE CONGRATULATORY FEED FROM MEN.

A banquet honoring the Bronchos is to be tendered the boys in the First Christian Church this evening. The feed is being given the boys in view of the splendid season they completed in the conference games only losing the title game to their old rivals, the Memphis delegation.

No set program has been arranged for the event and it is thought that there will be very little entertainment offered during the course of the evening. The prime reason for giving this banquet is to get the boys thoroughly full for one time. A plate has been ordered from the ladies of the church that would please anyone and instructions have been given to bring the food to the table until everyone has had the opportunity to say he had sufficient for the time.

Originally, the feed was planned by a small group, but the idea expanded until many of the fans of the city have been included in the list of those who are giving the feed in honor of the boys. They are due some recognition from the city and this is the means taken to show that the business men are behind the boys in their efforts.

BOWLIN FAMILY RETURNS AFTER TWO MONTHS AWAY

Mr. and Mrs. Richmond Bowlin returned to their home here the latter part of last week from Dallas, where they have been for the past two months for the benefit of Mr. Bowlin's health. Mr. Bowlin had two severe operations and is reported to be recovering nicely from the effects of this session. The friends of the family will be glad to learn that they have returned to their home here.

Mr. and Mrs. Barcus Antrobus, Mrs. O. C. Watson and George Watson, left Tuesday morning for Dallas where they will stay for the next few days.

News Out Early For Thanksgiving

Complying with a custom of many years standing, the News will publish the issue for November 28th one day early next week, placing this edition in the postoffice on Wednesday afternoon instead of on Thursday. We are asking our advertisers, correspondents and other assistants to please observe this and render us their usual loyal co-operation in preparing their copy that it may be in the hands of the force not later than Tuesday afternoon.

We thank you!

PANHANDLE PRESS ASSOCIATION

The public debt will never be paid out of the income taxes of ignorant people.—The North Carolina Teacher.

Looks now like Texans are going to have to choose the lesser of evils in next year's gubernatorial campaign. Of course we've done it before, but it would be fine if we could escape such a situation occasionally.

Clarendon's much talked of Little Theatre has at last been organized and soon after the first of the New Year will present its first play. A most competent director has been secured and we look forward to a quality of dramatic art that will be complimentary to our city.

Our Clarendon Hi Bronchos didn't win the championship of the lower district, but they fought a clean, game fight and so far as we know have left good-will wherever they have played and with all their neighboring teams. It isn't whether they won or lost—and we all wanted them to win—"it's how did they play the game," that counts. Yeah, Bronchos!

It seems to us unlikely that farm lands will ever be cheaper than they are now. We know it seems hard for a family to pay for land under present conditions but it also seems hard to pay for an automobile—and yet people keep on buying cars. Where a landless family has an heroic and unyielding determination to become a home-owning family, it most likely can be done, if payments are distributed over a reasonable period of years. And we believe this fall is a good time to make the start toward land ownership. "It's a good time for a good farmer to buy good land."—The Progressive Farmer, Dallas.

Clarendon steadily grows more metropolitan. Now the city owns and operates a city library and all families of this community are eligible for membership at a nominal annual fee—too small to be considered when access to eleven hundred volumes of standard literature and fiction is considered. A reading citizenship is a happy, progressive citizenship and this administration of our city government is to be commended for its provisions along this line. It ought to be the ambition of every person in Clarendon that the city library shall enlarge its facilities and usefulness as the years come and go. Use the city library.

While the bulk of the business for the year in Clarendon and Donley County is now conducted on a cash basis, there are still some sizable accounts owing local merchants. Bills payable in the fall for merchandise makes it necessary that the merchant collect these outstanding accounts if he is to pay his bills and keep his credit intact. Everybody's credit can be kept intact and a desirable basis established for next year's business if a strong effort is made by all to pay what they owe. It is an endless chain of good-will and guarantee of good business in 1930. Let us all make a great effort to pay what we owe.

There is a movement on foot in Donley County which will do away with an evil fifty years old in Texas if it is consummated as its promoters hope it will be. We refer to the move to centralize the road work of the four commissioners' precincts of the county under a road superintendent, placing all road machinery and crews under his direction and holding him responsible for the working and maintenance of all county roads. Under the old system—and nobody living today is responsible—with the county maintaining four crews and many road overseers, a loose system of road work was inevitable and the loss motion cost the taxpayers lots of money every year. The News wishes success to this forward move of the county court of Donley County. It means saving thousands of dollars to our county, better roads, and more general satisfaction with the administration of our approximately forty thousand dollars road money each year. When Donley County adopts this business-like measure, other counties will adopt it. It means progress in good government.

Some fourteen counties of the Panhandle are naming their directors on the Paloduro Park Association, and the plans for presenting the matter to the special session of the legislature in January are being pushed. An option committee has been named, whose duty it is to secure options on acreage in the Paloduro Canyon for probable park sites. No definite location for the proposed park has yet been selected, and the size is yet undetermined, but there is a sentiment existing for a park of sixty to a hundred thousand acres. It is earnestly hoped that no land owner will seek to quote his land at a higher figure than the actual value of acreage in the canyon, and if enough options are secured the committee will be able, by the simple process of shifting the site from one property to another, to secure the most favorable price on the necessary acreage. Comment at the organization meeting in Amarillo indicates that any effort to elevate option prices beyond actual value will be regarded in the territory as an act not in accord with good citizenship and inimicable to the park project.

So many rummage sales in Clarendon this fall reminds up that down state three wives have donated their husbands to the rummage sales. Clarendon husbands take notice.

HAS CLARENDON A HOLE IN ITS HEEL?

How do you feel toward the man who wears good clothes, keeps his shoes shined and his hat cleaned, but always on whose abdominal covering, there is conspicuous evidence of many a slip between the cup and the lip; who always needs a shave, and for the years that you have known him never has had a manicure?

What is your reaction when you behold a lady walking down the street all dressed up in the finest raiment, with a hole in her heel? And what would you think if you saw some lady every day for a week, and every time that you saw her there was the same hole in the same heel of the same hose?

Whatever your reaction to such people, it is sure that you are not attracted to them. It is certain that contact with them does not fill you with joy and pleasure, nor create a desire to be intimately associated with them.

In people such as called slovenliness—or perhaps you have a better word for it; in communities it is "oppressive ugliness." Vacant store rooms with dirty, placarded and messed-up windows; broken, cob-webbed and paper-stuffed second story windows in the business district; vacant lots overgrown with weeds, cluttered with all sorts of rubbish and refuse; vacant houses with tumble-down buildings; dirty streets, highway entrances littered with nondescript road signs; open city dumps and other such things of repulsion are to a community what a soup-stained vest or a heelless stocking is to otherwise well-dressed people.

I know a town where, seven years ago, a store building in the heart of an attractive business district was gutted by fire. Weeds grow rampant through the brickbats within the confines of still-standing, smutted, charred half-walls.

Several years ago a school building surrounded by fine homes was condemned and abandoned. It still stands, dank and gruesome, its broken winows and rotted doorways yawning ghost-like, from under sagging roof and mildewed walls.

The city hall of a town was destroyed by storm some time ago. What was the basement of this building is now a catch-all—a dumping ground for street sweepings, tin cans, junk and corruption—a rodents' paradise of filth and hogwash in plain view of every passerby.

As you are affected by slovenliness in people, just so are the potential residential, commercial and industrial customers of your community affected by "oppressive ugliness."

Don't tolerate abominations that create "oppressive ugliness." They can be eliminated and it's your business and the business of every other citizen to see to it that they are eliminated, because it's costing you money by driving business out of Clarendon and keeping new business and new people from coming in.

FEW CHANGES MADE IN CLARENDON DISTRICT AT CONFERENCE.

Closing the year with a record that had never been equalled before in the history of the Northwest Texas Conference, the Clarendon District suffered fewer changes than has ever been the case before this time. Interest was high in the work of the conference and a most successful year was enjoyed by the entire district. A detailed report of the appointments is as follows:

W. M. Murrell, presiding elder, Alenreed-LeFors, C. R. Hardy; Clarendon, S. E. Allison; Claude, L. B. Smallwood; Dodsonville, J. S. Johnson; Dozier-Heald, A. J. Jones; Goodnight, G. H. Gattis; supply; Groom, John H. Crow;

Hedley, E. D. Landreth; Lakeview, J. R. Williamson; Lelia Lake, John D. Jenkins; McLean, B. W. Wilkins, Memphis; Plaska, C. C. Logan; Shamrock, R. N. Huckle; Wellington, E. B. Bowen; Wellington Circuit, C. F. Carmack; Wheeler, H. W. Barnett; Zyback, H. B. Standlee; missionary to Japan, Sam M. Hilburn.

THIS CHRISTMAS!

Give Mother What She Really Wants

THE entire family will benefit from this marvelous Christmas gift Mother receives this year.

—For, with the Hotpoint Electric Range she will eliminate hours of kitchen drudgery. She will have more time for rest and recreation — more time to spend with her family and friends. Don't let another year go by without presenting her with this "gift" of gifts.

—Mother will be so happy when she receives this wonderful Electric Maid. It is finished in white porcelain enamel and is equipped with Hotpoint Automatic Heat Control and Thermometer, the new Hi-Speed Calrod Unit, Thrift Cooker and patented smokeless broiler pan. It is the fastest, most economical electric range in the world . . . and as a gift, the most wonderful of all for Mother!

\$5.00 Down—17 Months to Pay!

More time for shopping. More time for carefree motor-ing. More time for outdoor pleasure. Golf while the meal cooks. No need to hurry from afternoon bridge.

SOCIETY

T. E. L. Class Meeting

The T. E. L. Class of the Baptist S. S. had an interesting meeting at the country home of Mrs. Bill Bromley Wednesday afternoon, November 13.

A short business session was held after which Mrs. W. B. Simms led the Mission study, "The Little Baptist."

A pleasant social hour was enjoyed during which the hostess served refreshments.

500 Club Entertained Friday Evening

Messrs. and Mmes. G. A. Ryan, and Odos Caraway entertained the 500 Club at the home of the former, Friday evening.

A lovely dinner was served after which a number of games of 500 were enjoyed in which Mr. and Mrs. J. T. Sims received high score. Mr. and Mrs. Robt. Bigger each drew consolation.

Those attending were: Messrs. and Mmes. F. E. Chamberlain, A. L. Chase, J. F. Bolcker, W. H. Patrick, J. T. Sims, R. L. Bigger, and Mrs. Jas. Trent.

Kill Kare Kneedle Klub

Mrs. Eva Draffen, assisted by her mother, Mrs. W. B. Simms, was hostess to the Kill Kare Kneedle Klub Thursday afternoon.

Cut flowers and pot plants were artistically combined to make a lovely setting for the occasion. Needle work and conversation formed the diversion of the afternoon.

A delicious salad course was served to the following: Mmes. Geo. Reed, W. A. Massie, W. C. Stewart, Buel Sanford, H. C. Bromley, W. A. Land, Joe Goldston, Cleo McCleskey.

Saturday Bridge Club entertained

Mrs. J. L. McMurtry charmingly entertained members of the Saturday Bridge Club November 16.

In the games of bridge Mrs. R. A. Chamberlain received high score prize and Mrs. Odos Caraway cut consolation.

At the conclusion of the playing a lovely luncheon was served in the dining room. A large bunch of yellow chrysanthemums formed the center piece of the table and Thanksgiving suggestions were carried out in the tallies, place cards, nut cups, etc.

Covers were laid for: Mmes. A. L. Chase, H. Glascoe, G. A. Ryan, A. R. Letts, W. H. Patrick, Odos Caraway, A. Chamberlain, Chas. McMurtry.

Thursday Bridge Club

Mrs. T. H. Ellis delightfully entertained members of the Thursday Bridge Club and a few guests Thursday afternoon.

The flurry of snow outside lent a zest to the playing within and several interesting games were played in which Miss Mary Cooke won high score.

A delicious refreshment course was served to the following: Mmes. H. Glascoe, L. L. Swan, Earl Alexander, Clyde Price, P. L. Chamberlain, Chas. Bell, W. C. McDonald and Breckenridge of Amarillo; Chas. Trent, Misses Mary Cooke, Anna Moores, Mae Lumpkin.

Mother's Study Club Meet

Mrs. H. T. Burton entertained the Mother's Study Club at the club rooms Friday afternoon.

There were about fourteen members present and an interesting lesson was led by Mrs. W. Taylor, assisted by Mmes. John Bass and J. R. Porter. Dainty refreshments were served at the close of the program.

Sunday School Class Entertained

The Young People's Sunday School Class of the Presbyterian Church was entertained on last Friday evening in the Mongole home with a Thanksgiving party. The home was tastefully decorated with all manner of things to make the Thanksgiving spirit seem nearer. Games of various sorts entertained the gathered guests for the majority of the evening and at a late hour delectable refreshments were served to the following: Misses Edgar Mae Mongole, Lelia Bell, Lillia Dell Slover and Messrs. Howard Stewart, Coit Stephenson, Paul Montgomery, Wm. Green, Erskine Butler, Will Chamberlain, Jack Bromley, Mr. and Mrs. J. E. Mongole, Rev. Robt. S. McKee and Mable Mongole.

Friday Afternoon Bridge Club

Mrs. M. P. Gentry was hostess to the Friday Afternoon Bridge Club November 15 and a number of guests.

At the conclusion of a number of interesting games Mrs. J. H. Morris was presented with club prize. Mrs. Earl Alexander received guest prize and Mrs. W. S. Bagby cut consolation.

A lovely two course luncheon was served to the following club members: Mmes. Sam Dyer, Chas. Trent, Dorr Ellis, P. L. Chamberlain, F. W. Taylor, P. B. Gentry, W. S. Bagby, H. Kennedy, J. H. Morris, C. E. Miller, O. L. Jenkins and Miss Mildred Martin and guests: Mmes. Kelly Chamberlain, Earl Alexander, Brice Kennedy, Forest Sawyer, Cleo Norwood, Chas. Bell, Roberta Ryan, Frank Stocking, Floyd Lumpkin, Ira Merchant, F. E. Chamberlain, Miss Mary Cooke, Anna Moores.

MANY FROM CLARENDON VISIT CONFERENCE

Clarendon was well represented at the final sessions of the Northwest Texas Conference held in the Methodist and other churches of Pampa on last Sunday. These were in addition to the pastors who were in attendance on the workings of the body for the entire week and indicated the interest manifest in the work of the church by the laymen. Miss Harvey Thompson, Archie Pool, Mr. and Mrs. Walter Hutchins, Mr. and Mrs. J. M. Newland, Mr. and Mrs. T. E. Trostle, W. A. Armstrong and family, Mr. and Mrs. B. B. Hudgins, Judge and Mrs. J. R. Porter, Mrs. M. M. Noble, Rev. and Mrs. J. H. Braswell, Mrs. Stegall and Sam M. Braswell were among those present with probably a great many more who were not seen or who made their visits to other churches in the city.

MISS MOORES SPEAKS AT SOUTH WARD SCHOOL

The children and teachers of the fourth and fifth grades had the pleasure of hearing Miss Anna Moores give a most interesting talk on Europe.

Each mind in the room followed her closely from the time she left Clarendon.

We sailed from New York and after an eleven days' voyage across the Atlantic anchored at Liverpool, England.

After a great visit in England we went to Scotland and Ireland. We then crossed the rough English Channel and disembarked at Holland. We traveled through Holland, Germany and into Italy, as far as Venice, by motor. There we were transferred to Gondolas. We sailed through the streets of water and enjoyed every minute of our stay in the land of song and pictures.

From Italy we went to Switzerland. There we saw the beautiful Alps mountains.

We found ourselves in France next. In gay Paris we had a great time. From there we visited the noted Cathedrals and battle grounds.

We sailed from France back home.

but every thing failed to help him until he began on Orgatone. He began picking up right off when he began taking Orgatone and his sluggish worn-out feelings soon disappeared. He has such a big appetite now that he can hardly get enough to eat and his digestion is fine. He has already gained in strength and says he never felt more peppy or better. He sleeps good every night and cheerful all the time. I'm certainly grateful for the happiness Orgatone has brought to my home by restoring my husband's health. I honestly believe it will help any body."

Genuine Orgatone is sold at Clarendon at Stocking's Drug Store who are direct laboratory agents.

READ THE WANT ADS.

A Great Discovery

When Pasteur discovered, in 1852, that the infection of wounds was caused by malignant bacteria, he performed a service of inestimable value to mankind. Since then medical science has been producing better and better antiseptics, to kill these germs that may enter the smallest cut and give us diseases such as typhoid, tuberculosis and lockjaw. Now, all you have to do to be sure that these dreadful germs will not infect a wound, is to wash that wound, however small, thoroughly with Liquid Borozone, the modern antiseptic. You can get Liquid Borozone, in a size to fit your needs and purse, from Douglas & Goldston Drug Co.

MRS. HAYES ONE OF THE PROUDEST WOMEN IN AMARILLO, SHE SAYS

"I'M CERTAINLY GRATEFUL FOR THE HAPPINESS ORGATONE HAS BROUGHT TO MY HOME.

"I am one of the proudest women in Amarillo, today, and I just want to tell the people it's all because of what this Orgatone has done for my husband," said Mrs. O. R. Hayes, of 119 N. E. Fifth Street, Amarillo, Texas.

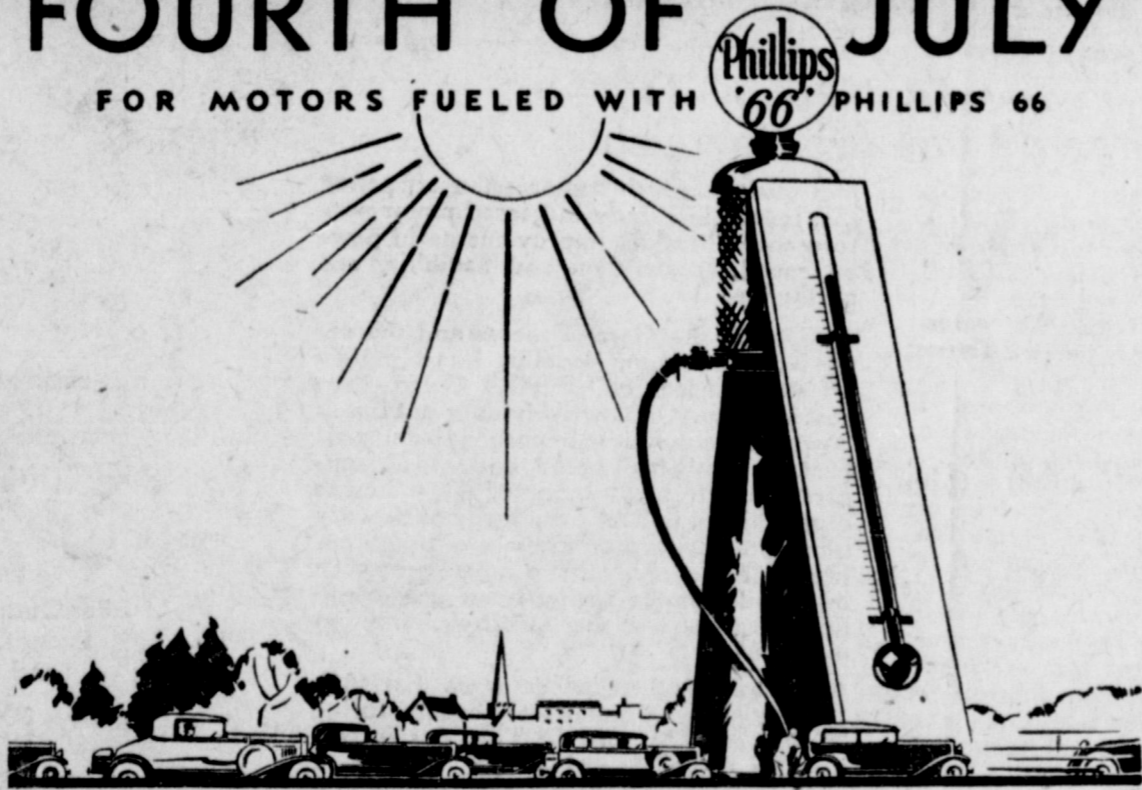

"He had suffered so much during the past four years," she continued, with stomach trouble that he had almost given up hope of ever finding anything to give him relief. His appetite was fairly good but what he did eat would just stay in his stomach and make gas and misery for him. Constipation bothered him continually and his liver was very sluggish. "He had tried many different kinds of medicines and treatments

Sore Gums Now Curable

You won't be ashamed to smile again after you use Leto's Pyorrhoea Remedy. This preparation is used and recommended by leading dentists and cannot fail to benefit you. Druggists return money if it fails. Clarendon Drug Store.

TODAY IS THE FOURTH OF JULY

FOR MOTORS FUELED WITH PHILLIPS 66

Let cold winds blow—it's always summer for the car that's fueled with Phillips 66. The volatility of this gasoline is scientifically controlled to fit the season and the climatic conditions of the locality in which you buy it. Your car is never handicapped by the weather. Starts instantly. Warms up fast. Accelerates quickly. Gives you satisfying power—exceptional mileage—at no extra cost. Enjoy year 'round Fourth of July performance. Switch to Phillips 66 or 66 Ethyl. For best results try a tankful.

Phill-up with **Phillips 66**

CONTROLLED VOLATILITY

WHEN THE THERMOMETER GOES DOWN THE VOLATILITY GOES UP. Gasoline must vaporize before it can be fired in the cylinders of your motor. Volatility refers to the ability of gasoline to vaporize. With volatility controlled, Phillips 66 vaporizes as quickly in cold as in warm weather.

SPORTS

Title Game Forfeited To Old Rivals As Playing Almost Ends

CLARENDON-MEMPHIS GAME FORFEITED IN LAST PERIOD. MEMPHIS WINS TITLE RIGHT TO PLAY FOR LOWER DISTRICT REPRESENTATION.

After three and one half quarters of football the Clarendon Hi Branches forfeited the title game at Memphis Thursday of last week. One of the largest aggregations ever gathered to witness a game in this immediate section was in the Park at Memphis to witness this go. Clarendon was represented by 400 or more and Estelle, Childress, Shanrock and other cities nearby were well represented at the gate. More than 1,500 were reported to be in the park when the game was played.

The forfeiture of this game gives Memphis the title to the Southern half of the District and puts them in position to play Pampa, which game will draw a wide attendance from all parts of the Panhandle section.

In this game as in others for the season, Billie Dillard and Phifer Estlack played stellar parts. Dillard suffered an injury, losing a tooth and suffering a badly sprained knee, while Estlack was accidentally hit in the back of the head and knocked out momentarily. None of the other members of the team were injured.

Following is the play by play record of the game:

FIRST QUARTER: Captain Noble lost the toss and chose to receive. Kunkler kicks off 50 yards to Dillard who returns 20. Dillard fails to gain thru the line. Biard nets 2 on weak side. Noble goes off tackle for three yards. Dillard punts 35 yards. Hammonds goes thru the line for 20 yards. Hammonds hits the line for one yard. Martindale gains one yard around end. Hammonds makes nine yard over guard. Hammonds hits the line for one yard. Phillips gains 5 yards around left end. Hammonds hits the line for one yard. The ball is on Clarendon's one inch line when Captain Noble calls time out. Hammonds fails to gain thru the line. Hammonds fails to gain thru the line. Hammonds goes thru the line for one inch and a touchdown. Kunkler fails to kick placement for extra point. Kunkler kicks off 60 yards to Dillard who returns 30. Dillard goes around the end for 5 yards. Biard fails to gain thru the line. Clarendon fails to complete pass. Dillard punts out of bounds on the 50 yard line. Martindale gains 4 and 8 yards around the end. Hammonds goes over guard for 1 and 10 yards. Martindale goes around end for seven yards. Memphis is off side and is penalized 5 yards. Walker goes over tackle for nine yards. Hammonds fails to gain thru the line. Hammonds goes over guard for 10 yards. Phillips goes around end for 3 yards for the second touchdown. Kunkler kicks placement for extra point. Kunkler kicks off 40 yards to Biard who returns 20 yards. Tucker hits the line for one yard. Dillard goes around end for 6 yards. Biard hits weak side for three yards. Dillard and Biard hit the line for three yards each. Noble gains 6 yards over tackle. Quarter ends with Clarendon's ball on the fifty yard line.

SECOND QUARTER: Dillard fumbles and loses six yards. Tucker hits the line for four yards. Clarendon fails to complete pass. Dillard's punt is blocked by West who recovers. Martindale fails to gain around end. Clarendon is penalized 15 yards for holding. Walker gains 5 yards on spin. Phillips hits the line for 4 yards. Martindale goes around end for five yards. Hammonds hits the line for 3 yards. Phillips fails to gain thru the line. Memphis fails to complete pass over goal. Biard

hits the line for 2 yards. Dillard goes around end for 6 yards. Dillard punts 80 yards over goal. Walker hits the line for 4 yards. Martindale goes around end for 3 yards. Martindale punts 31 yards. Dillard goes around end for 9 yards. Tucker hits the line for 3 yards. Tucker hits the line for three yards. Biard gains four yards on weak side. Dillard goes around end for 10 yards. Noble hits the line for 2 yards. Biard fails to gain thru the line. Clarendon is penalized 11 yards for roughing. Dillard punts 60 yards. Martindale hits the line for five yards. Phillips fails to gain thru the line. Martindale punts 30 yards to Biard who returns 10 yards. Clarendon fails to complete two passes and is penalized 10 yards. Another pass is incomplete and Clarendon is penalized 10 yards. Dillard punts 75 yards over goal. Hammonds hits the line for five yards. The half ends with the ball in Memphis' possession.

THIRD QUARTER: Kunkler kicks off to Dillard who returns 20 yards. Dillard punts 80 yards over goal. Martindale gains 1 and 2 yards around end. Martindale's punt is blocked but he recovers. Martindale punts 30 yards. Dillard hits the line for 2 yards. Clarendon fails to complete pass. Dillard punts out of bounds on Memphis 15 yard line. Phillips goes around the end for 11 yards. Phillips is tackled for a two yard loss by Estlack. Phillips gains 2 yards around end. Martindale punts 30 yards. Dillard gains 3 yards thru the line. A pass from Biard to Dillard gains 4 yards. Biard fails to gain thru the line. Dillard punts 65 yards over goal. Martindale is tackled for a two yard loss. Hammonds hits the line for 15 yards. Hammonds goes over guard for five yards. Walker goes around the end for five yards. Hammonds goes five yards over guard. Memphis is penalized 15 yards for roughing. Martindale punts 30 yards. A pass is incomplete from Dillard to Behrens. Noble gains 7 yards on spread formation. Clarendon loses 3 yards on lateral pass when referee blows his whistle before the ball is dead. Clarendon fails to complete pass. Dillard punts 50 yards. Hammonds hits the line for three yards. Hammonds fails to

Donley Loses On Ginnings

For the first time since the cotton reports have been received on the 1929 crop, the ginnings from this county have shown a loss. Predictions have it that from this time forward the receipts and ginnings will fall behind although there yet remains a great acreage that has barely been touched. Inclement weather conditions have prevented the gathering of the crop and will probably assume a part of the responsibility for the loss. The county requires 11,435 bales ginned during 1928 and have registered 9,234 bales to the date of the report, November 1st.

With the exception of Collingsworth County, which shows a very small margin of gain, all the neighboring counties to Donley have registered a loss. Collingsworth has 21,611 bales to date this year and has reported 21,349 for 1928. Briscoe has reported 4,648 bales for 1929 and had reported 4,716 for the preceding year. Childress County has a big loss with 15,253 for 1929 and had 18,634 for 1928. Hall County has another large loss with 26,859 bales for the present year and

MARKET CHANGES SLIGHTLY DEMAND FAIR TO GOOD

The cotton market during the period November 9-15th was quite active with quotations Nov. 15 about unchanged to 1-16 cent lower than those Nov. 8th. On Nov. 12th prices reached the lowest level touched so far this season when the average price of middling at ten important markets stood at 16.18c. Foreign and domestic demand was said to have been fair to good during the past week with inquiries centered mostly on white grades from strict low middling to strict middling in the staple lengths 7-8 and 15-16 inches with some inquiries for longer lengths. Some reports said the producers were not as free sellers as they have been and were hauling their cotton from the gins to places of storage. According to the Weather Bureau in the western cotton belt the past week was cloudy and wet and very little cotton was picked. In the Northern portion of

had ginned 34,908 for the year 1928. Totals for the state show that a 700,000 bale loss has been shown for the past few months of the ginning season with 3,144,983 bales ginned this year against a total of 3,865,022 for 1928.

the belt East of the Mississippi River, especially the Atlantic areas, the week was most favorable. According to the Bureau of the Census domestic mill consumption for the month of October amounted to 640,798 bales which is a record for that month and compared with 616,238 for October a year ago. Cotton consumed during the three months ending Oct. 31st amounted to 1,744,560 bales compared with 1,634,885 for the corresponding period the previous season. Exports from August 1st to Nov. 15th were about 2.7 million bales compared with 3.1 million for the corresponding period last season. Quotations for middling spot cotton Nov. 15th Norfolk 17.31c, Augusta 16.88c, Savannah 16.90c, Montgomery 16.40c, New Orleans

17.12c, Memphis 16.30c, Little Rock 16.20c, Dallas 16c, Houston 16.90c and Galveston 17.05c. Average for the ten markets Nov. 15th, 16.71c compared with 16.70c Nov. 8th and 18.49c on the corresponding day last season. Reported sales of spot cotton in the ten markets for the week amounted to 164,475 bales against 175,921 last week and 242,880 for the same week last year. December future contracts for the week at New York declined 9 points to 17.28c, New Orleans 8 to 17.22c, and Chicago 9 to 17.30c. Certificated stock Nov. 15th New York 96,135 bales, New Orleans 491,333, Houston 1,007,099, Galveston 522,068.

Doctors Disagree

When children are irritable and peevish, grind their teeth and sleep restlessly, have digestive pains and disturbances, lack of appetite, and have itching eyes, nose and fingers, doctors will not always agree that they are suffering from worms. Many mothers, too, will not believe that their carefully brought up children can have worms. The fact remains that these symptoms will yield, in a great majority of cases, to a few doses of White's Cream Vermifuge, the sure expellant of round and pin worms. If your child has any of these symptoms, try this harmless, old fashioned remedy, which you can get at 35c per bottle from Douglas & Goldston Drug Co.

Announcing

a revolutionizing Motor Oil, a new principle and a Challenge

the Challenge

Several years ago, the exclusive North American patent rights on the Germ Process were acquired by this Company. It was evolved and patented by two British scientists after exhaustive chemical and physical laboratory tests.

Germ Process oils were revolutionary in that they met every requirement, through special characteristics, for each type of internal combustion motor. These scientists, by the Germ Process, eradicated the prevalent weaknesses existent in motor oils regardless of their base.

This Company has made innumerable laboratory and road tests, under every conceivable condition, over the past seven years, and we are now prepared to state definitely that your motor oil problem is solved by the Germ-Processed Motor Oils.

By comparison, our tests prove that the "Germ Essence" creates the only safe motor oil under all conditions and at all times operates at the highest obtainable efficiency. We are now prepared to meet any challenge of competitors. I confidently believe that Conoco Germ-Processed Paraffin Base Motor Oils are superior to any other motor oils made from any crude by any process.

More than twenty thousand outlets are now prepared to offer to the public such a motor oil for the discriminating buyer, and for a technical problem which has always been recognized but not solved until now.

J. M. Moran President,
CONTINENTAL OIL COMPANY

Here are our Claims for Conoco Germ-Processed Motor Oil— Check against the oil you are now using

1 Under the Germ patents . . . exclusive to CONOCO for North America . . . there is imparted to CONOCO Germ-Processed Motor Oil an "oiliness" which is responsible for its greater lubricating value, greater film strength, greater penetrativeness, greater adhesiveness, greater tenacity, greater permanence, greater stability, greater stamina and a more nearly perfect compression seal than any other oil on the American market. Because of this affinity for metal—this actually combining with the metal itself, CONOCO Germ-Processed Motor Oil never leaves the bearings. Where other oils drain out and leave the surface dry, Germ-Processed oil penetrates the metal surfaces, forming a film that adheres for months. This "carry-over" film—this always present film gives ample lubrication to all parts needing it when a cold motor is started, until such time as oil from the crank case can reach them.

2 This remarkable and exclusive feature of CONOCO Germ-Processed Motor Oil is reinforced by the fact that these oils are refined from only carefully selected paraffin base crudes by the most modern and scientific methods known to the petroleum technologist. Patented processes are used to remove all objectionable elements, leaving a perfectly balanced, stable product that is 100% lubricating oil. Thousands of tests demonstrate its remarkable resistance to corrosion. The majority of motor oils never receive this degree of refining. None ever exceed it.

3 Increased gasoline mileage and improved motor performance are realized through the use of this new oil. The exclusive CONOCO Germ Process so adds to the "oiliness" of this lubricant that metal-against-metal friction is eliminated, even in motor starting after all oil ordinarily would have drained from the motor into the crankcase. The perfect sealing qualities of the CONOCO fracture-proof

film insures a high compression efficiency that results in greatly increased motor performance. Marked improvements in power, speed, acceleration and flexibility are noticeable.

4 Due to the Germ Process and the select, premium, paraffin base crude stocks used, CONOCO Germ-Processed Motor Oil positively does not break down under the most intense cylinder wall heat. A climb, high speed, heavy load, temperature extremes—none of these strains cause this oil to heat sufficiently to actually burn, break down or evaporate to any appreciable degree. By comparison with many oils on the market, you may confidently expect a saving in oil consumption up to 50%.

5 Automotive engineers agree that 40% to 60% of all motor wear occurs during the starting period. This destructive wear is definitely reduced by the use of CONOCO Germ-Processed Motor Oil. Ordinary oil, thinned by heat and dilution, drains down past the piston rings when the motor is stopped, leaving little or no protective film. On starting the motor, a considerable time is required for the oil to reach all bearings and working surfaces. Under adverse conditions, such as winter temperatures, this time may be from 15 to 20 minutes or even longer.

Since CONOCO Germ-Processed Motor Oil never leaves the bearings and working surfaces, it is always there under any and all conditions to provide needed lubrication until the normal supply of oil arrives.

6 Unlike other oils, dilution does not impair the "oiliness" value of CONOCO Germ-Processed Motor Oil.

7 CONOCO Germ-Processed Motor Oil retains its fluidity at sub-zero temperatures. No practical-operating conditions in winter will affect its immediate lubricating value at the first touch of the electric starter.

ITEMS OF INTEREST IN DONLEY

HUDGINS

There was no preaching at Hudgins Sunday evening as Bro. Jenkins had gone to conference. We suppose there will be preaching the first Sunday evening if Bro. Jenkins don't come back we suppose the new preacher will be here by that time any way, so let every one come out to hear the preacher.

Every one is glad to see the sun shining to day after so much bad weather of snow and rain. They are trying to get the cotton out before it goes any lower in price.

Mr. and Mrs. Gib Tims and Mr. Willie Gray Tims and Mr. L. C. Tims spent part of last week out at Lubbock looking at the country.

Several from this community attended the funeral of Mr. Reeves at Hedley Saturday. He was a brother-in-law of Mr. Van Roy and Mrs. J. C. Perdue. We sympathize with them in their sorrow.

Mr. and Mrs. O. L. Jacobs and sons, Donnie and Alton and Mr. Claud Behringer attended the program at Clarendon Sunday night which was rendered by the orphans from Waco.

Mr. and Mrs. John Fowlkes spent the day Sunday with Mr. and Mrs. Bernice Christie.

Mrs. L. O. Christie is reported on the sick list this week.

picking done last week as it was cold most all week.

Mr. and Mrs. George Dilli of Allanreed attended the program here last Sunday afternoon.

Mr. and Mrs. Lovell of Clarendon visited at Mr. Grant's Sunday afternoon.

Mrs. Dyer was on the sick list last week but is better at this writing.

Howard Stewart of Clarendon, visited homefolks last Sunday.

We had two light snows last week. On Thursday morning and one Saturday morning.

Mrs. W. L. Goldston motored to Clarendon Monday afternoon.

Clarence Merrick and sister of Boydston attended the program here Sunday afternoon.

Mr. and Mrs. John Thomas who live south of Clarendon, were here for the program last Sunday.

Hedley were dinner guests Sunday of Mr. and Mrs. Tommy Brinn. In the afternoon all visited with Mr. and Mrs. J. W. Mann.

Pleasant Valley

Miss Oma Morris entertained with a party Saturday night. A large crowd and a fine time reported. There were several out from Clarendon.

Mr. and Mrs. Richard Cannon spent Sunday with Mr. and Mrs. Loyd Moreland.

Miss Nathel Lamberson spent the week-end with her sister in Clarendon.

Mr. and Mrs. Gaither, Mr. and Mrs. Longan and Miss Dolly Corder visited with Mr. and Mrs. I. Gaither at Floydada Sunday.

Grandma Marshall is visiting relatives at Wellington this week.

Mr. and Mrs. Lonnie Morris visited Mr. and Mrs. Lee Singletary in Clarendon Saturday night and Sunday.

Miss Marjorie Harlin entertained a number of her friends at dinner Sunday. Those present were: Misses Frances Parker, Marie and Ruth Cauthen, Francis Crabtree, Bonnie Hardin and Faye Hutton.

Bob Russell spent Saturday night with John F. Harlin.

GILES

Mr. and Mrs. P. C. Johnson of Hedley, visited in the E. H. Watt home Sunday.

Mr. and Mrs. Jim Howard of New Mexico, were guests of Mr. and Mrs. W. M. Bair of this place Sunday.

Mr. and Mrs. A. G. Huffmaster and little daughter, Berta Louise, visited Mr. and Mrs. Bill Huffmaster at Estaline Sunday.

Prof. Ben Thaxton and family of Wheeler, spent the past week end here in the A. E. Ranson home.

Mr. and Mrs. John Lemmons visited in the W. O. Cope home in Memphis Sunday afternoon.

G. L. Meredith was a visitor in Hedley Monday afternoon.

NAYLOR

Once again we are having bright sunny days, making us feel at home again and cotton pickers are busy.

Mr. and Mrs. Richmond Bowlin came home Thursday from Fort Worth where Mr. Bowlin has been in All Saints Hospital since 12th of September. His many friends are glad to have him home.

While gone he had two operations, but is now in fine shape and hopes to be himself again soon.

Mr. and Mrs. Clayton Mann of Estaline, spent Sunday as guests of Clayton's parents, Mr. and Mrs. J. W. Mann.

Miss Lon Naylor of Amarillo, who has been house guest of her mother, Mrs. Fannie Naylor, returned home Thursday.

Mr. and Mrs. W. M. Pickering and son, Leslie, and daughter, Miss Lucille were Sunday guests of Mr. and Mrs. A. E. Tidrow.

Clarendon Now Has a City Library With Governing Board Of Citizens

ACCEPTANCE OF GIFT OF PATHFINDER LIBRARY AND APPOINTMENT OF LIBRARY BOARD ANNOUNCED BY MAYOR TAYLOR.

How many Clarendon people know that the city now owns a library? Mayor H. W. Taylor announced the culmination of plans next week whereby the city of Clarendon is the recipient of the Pathfinder Club Library, and which the city is now operating under a citizens Library Board composed of three ladies and three men, with the Mayor as ex-officio chairman. As provided by the action of the city commission in taking over the library, the board is appointed by the mayor and his first year as follows: Mesdames C. A. Burton, Paul Shelton and J. T. Sims; Messrs. W. H. Patrick and Sam M. Braswell.

The board held its first meeting Thursday afternoon of last week and elected Sam M. Braswell as secretary of the board. W. H. Patrick was elected treasurer.

Mrs. C. A. Burton was elected as librarian, she having been the librarian for the library since its inception five years ago. The library will continue to be opened on Saturday afternoon as before until the first of January, 1930, when the opening may be increased to twice a week, if the board deems advisable.

Inaugurated five years ago the Pathfinder Library has been open to the public during that period and has grown until now it has over eleven hundred volumes of fiction, history, art and other research works, and has become a valuable adjunct to the cultural life of this community.

For some years the library has been provided quarters in the municipal building and when the building was remodeled last year still better quarters and built in facilities were provided. Along in June of this year the Pathfinder Club voted to tender the library to the city with the provision that the city would set aside funds for operation and maintenance. The city commission voted to accept the tender of the library and appropriated twenty dollars a month for the upkeep and further voted to provide quarters, water, gas and lights.

Mayor Taylor feels that the city commission got a bargain for the citizenship of Clarendon in accepting the library and it is his expressed aim to see the institution grow and expand until it has many thousand volumes and is kept open every day in the week with a full time librarian, although this is some years in the future.

For the present membership is the library will continue at \$1.00 per year per family, with privileges of four books per family per week. A fine of five cents per book per week will be charged

for all books kept longer than the two weeks' period.

Yes, Clarendon has a city library, and the entire citizenship of the town and community is urged to avail themselves of its benefits.

Newcomb Pottery The first and perhaps the most notable appeal of Newcomb pottery as in its artistic quality. This is not surprising as this ware had its origin in a school of art and the very circumstances of its development have been guided by the desire to conform to the highest ideals of design and workmanship.

The land of the orange palm, the magnolia and the stately cypress, the oak and the yellow pine has furnished the rich material for decorations hitherto but little used in American art, was much as art study and its practice had been generally confined to northern latitudes. The general effect what might be called the standard recognizable color of Newcomb pottery is a combination of blue and green, although there are contrasting touches of yellow, pink and white.

The ware is hand thrown, which means much, if the potter is also an artist with hands and eyes trained to appreciate and follow the subtle, fluid curves, which are and always have been the distinguishing quality of really fine pottery.

The glaze of each pottery is distinctive and is impossible of duplication elsewhere except where the exact conditions can be duplicated. Hence each successful glaze is something to be studied and admired. The ceramic chemist at Newcomb has been peculiarly successful in the standard glaze which characterizes the ware. It is a semi-transparent matter glaze, through which the underpainting appears as through a morning mist. It has Newcomb college through its school of art, that was among the first to realize that courses of study should be added that would lead to the application of art to industrial need, and so the experiment of pottery making was undertaken.

To keep this on a going, and developing basis, it was necessary that the makers find it profitable and with this idea in mind, the college began paying for the product and assuming the responsibility of disposing of it. Thus in 1897 Newcomb pottery came into being to serve one of the

greatest present day needs in America—a better understanding of both the spiritual and economic value of beauty. Disinterested critics have pronounced it the best decorated of American pottery and the most American. It has received honors at all the international expositions since 1900. The important consideration is, however, that in this undertaking the public should see not a commercial enterprise, but a laboratory and studio experiment in bringing art and manufacture together on terms of mutual respect and independence.

Stop Your Swearing! Have you ever owned a pair of shoes whose outer edge cut a raw welt below your ankle bone? You had a right to swear! But unless the designers of your shoes are cut to accommodate the difference in position of the inner and outer ankle bones, you often suffer. All Smith Smart Shoes are made over*right and left patterns—a feature which assures better fit and admits of no rubbing nor gapping at the outer ankle bone.

SOCIETY

Methodist Missionary Society

The ladies of the Methodist Missionary Society met at the church in business session Wednesday afternoon.

Presbyterian Auxiliary

Ladies of the Presbyterian Auxiliary met at the church Wednesday afternoon in a study program. The books being studied are "Crowded Ways," "A Home Mission Lesson" and "Christ in the Common Life."

The Episcopal Auxiliary

The ladies of the Episcopal Auxiliary met in the home of Mrs. J. S. Fleming Wednesday afternoon. Mrs. R. L. Bigger led the lesson on "Christ in the Common Life."

1926 Book Club Enjoy Meeting

Mmes. G. L. Boykin and Chas. Barefield were hostesses to the 1926 Book Club Tuesday afternoon at the Club rooms. The lesson on "Past War White House Wives," was led by Mrs. Harris, assisted by Mrs. Rayburn Smith, Misses Mongole and Beck. Mrs. C. A. Burton met with the club, asking their co-operation and support of the county library. A committee was appointed for this purpose. The Little Theatre movement was discussed after which delightful refreshments were served by the hostesses.

Thursday Evening Bridge Club

Mr. and Mrs. W. S. Bagby entertained the Thursday Evening Bridge Club and other guests with an enjoyable party Tuesday evening at the home of Mr. and Mrs. M. P. Gentry. Carnations were used in the decorative scheme and a delicious dinner was served before the games began. Club prize was presented to Mr. and Mrs. P. B. Gentry and guest prize to Mmes. Roberta Ryan and P. L. Chamberlain. Those present were: Messrs. and Mmes. H. Kennedy, Sam Dyer, P. B. Gentry, M. P. Gentry, F. W. Taylor, C. E. Miller, Kelly Chamberlain, Chas. Bell, Dick Bell, Dorr Ellis, Frank Stocking, Ira Merchant, Mmes. Roberta Ryan and P. L. Chamberlain, Dr. and Mrs. O. L. Jenkins.

Mr. and Mrs. Louie Merrell Entertain

Mr. and Mrs. Louie Merrell entertained with a dinner bridge at their home in Ashtola Monday evening. Fall flowers in different hues attractively decorated the rooms.

A three course dinner was served by the glow of candles after which several games of bridge were enjoyed in which Mrs. Chas. Bell received ladies' high score prize. Mr. John Sims gentlemen's high score. Mrs. Clyde Price low for ladies and Mrs. Chas. Bell for gentlemen.

Those present were: Messrs. and Mmes. Elba Ballew, Chas. Bell, Clyde Price, Forest Sawyer, Dr. and Mrs. M. H. Rhoades, Miss Beulah Baird, Mr. John Sims, Jr.

Dinner Party Given Bonnie Nell Gordon

Misses Josie Mae Davis and Luree Burson entertained with a dinner party at the home of the latter, Saturday evening at 6:00 o'clock, honoring Miss Bonnie Nell Gordon of Pampa.

A delicious chicken dinner was served by Misses Margaret Jones and Sylvia Burson to the following guests: Misses Helen Riley, Maurine Vinson, Viola Jones, the hostesses, Josie Mae Davis, Luree Burson and the honoree, Bonnie Nell Gordon.

After the dinner Johnny Tucker, Reed Taylor, Fred Bourland, Tony Watson, Bill Word, L. W. Davis, Roy Heath and Milton Clements came and various games were enjoyed until a late hour. A slumber party was enjoyed by the girls after the departure of the boys.

1922 Bridge Club Entertained

Mrs. R. A. Chamberlain delightfully entertained members of the 1922 Bridge Club with a bridge luncheon Tuesday, November 19. A bountiful luncheon was served to the guests at the Clarendon Hotel. After which the hostess conducted the party to her home where a pleasant afternoon was spent playing bridge. Autumn leaves were the motif on both place cards and tallies.

In the games, Mrs. T. H. Ellis won high score Mrs. W. H. Cooke cut consolation and Mrs. W. H. Marth was presented with a low score prize.

Covers were laid for the following: Mmes. W. H. Martin, L. S. Bagby, L. L. Swan, Sella Gentry, T. H. Ellis, J. T. Sims, Odos Caraway, A. R. Letts, W. H. Cooke, G. A. Ryan, R. L. Bigger, A. L. Chase, Chas. Bugbee.

Mrs. Will Dubbs went to Fort Worth Monday morning to visit her daughter, Miss Angeline Dubbs, who is attending T. C. U.

Woman's Missionary Society

The Woman's Missionary Society of the Baptist Church met at the Church Wednesday afternoon.

The topic was, "The unchanged task in a changing world," which was led by Mrs. J. T. Warren.

Mmes. Wm. Gray, E. K. Tatum, Geo. McCleskey and W. C. Stewart each had parts on the program.

Mrs. Frank Simmons rendered a vocal solo, adding much to the meeting.

Mrs. Wm. Gray, president of the Women's work appointed her committees for the year.

The T. E. L. Circle served refreshments to the twenty-four members and one visitor present.

Christian Ladies Aid Met Wednesday

The Ladies Aid of the First Christian Church met at the home of Mrs. C. L. Knight Wednesday afternoon with 13 members present. The President, Mrs. O. D. Leisburg, presided over the business meeting, which was opened with prayer by Mrs. D. W. Clamplitt.

A song, "I walked with the King," was played on the victrola. Mrs. Tucker led the devotional the 7th chapter of Luke which proved very interesting and was read and discussed by all.

Mrs. Knight, assisted by Mrs. J. D. McAdams served delicious refreshments. The meeting was dismissed by repeating the Lord's prayer in concert.

Dinner Party Tuesday Evening

Mrs. W. H. Cooke, assisted by her daughter, Miss Mary Cooke entertained a few friends at dinner Saturday evening.

A beautiful red cyclamen formed the center piece of the table and tall taper shed a soft light over the scene.

Place cards in shades of yellow were used.

At the conclusion of the five course dinner a delicious evening was spent playing contract bridge in which Dr. and Mrs. T. H. Ellis received high score. Those present were Messrs. and Mmes. M. P. Gentry, Ira Merchant, Dr. and Mrs. T. H. Ellis.

Henry Wilder Honored With Party

Dr. and Mrs. H. L. Wilder entertained with an informal dance Saturday evening, honoring their son, Henry.

The guests arrived at the appointed hour and dancing was enjoyed for several hours. Dainty refreshments were served during the evening.

Those participating in this delightful occasion were: Misses Eunice Johnson, Mary Frances Caraway, Lodie Green, Melba Del Warner, Elizabeth Kemp; Messrs. Joe Noble, Robert Green, Benton Smith, Billie Word, Henry Wilder, Mrs. McMurtry of Canada, little Miss Ethel Wilder.

The infant son of Mr. and Mrs. Allen Bryan is confined in the hospital with pneumonia.

Les Beaux Arts Club

The Les Beaux Arts Club met at the club rooms Saturday, Nov. 9th with a good number in attendance. It had been arranged that Miss Kritzer would at this time make an exhibit of her pictures, but owing to the inclemency of the weather this had to be foregone and the regular program given on the history of Renaissance architecture in England and France. Miss Howren made a very interesting and instructive talk on the palace of Fontainebleau followed by Mrs. L. L. Swan on Tudor and Elizabethan style of homes. Mrs. Evans presented an interesting picture analysis of St. Genevieve watching over France. Mrs. Evans submitted a splendid report from the Finance Committee in connection with the pottery and picture sale to be held November 21, 22 and 23, while Miss May Lumpkin, chairman of "The City Beautiful" committee outlined the program for the successful carrying out the prospective bird contest. The eradicating of the weed nuisance on the vacant lots and the highways. The shrub and plant exchange and a flower show, the details of which will be worked out later.

The meeting was presided over by Mrs. Homer Glascoe in her wonted efficient manner and a pleasant social hour was enjoyed during which dainty refreshments were served.

The Alpha Delta Psi Literary Society met in its regular meeting Wednesday evening, with nineteen members and one visitor present. The following program was rendered:

Reach for a dollar instead of a cent—Benton Smith.

A fossil hunt—Joseph Brazil. Piano solo—Edna Gerlach. Saxophone solo—Billie Cristal.

The following members were appointed as a decoration committee: Bessie Lee Clayton, Frankye Ziegler, Jessie Swinburn and Gene Estlack.

The committee is to select new curtains for the society room.

After discussions on the by-laws and constitution of the society, the society adjourned to meet Wednesday evening, November 20, 1929.

The Palo Duro Literary Society

Owing to the cold weather on Wednesday evening, November 13, several members of the Palo Duro Literary Society were absent. Those who were there, however, were highly entertained with a special program, which though rather a contrast to the usual type of literary program, proved

FATHER TO MRS. J. W. WATTS BURIED SUNDAY

Mr. and Mrs. J. W. Watts returned to their home here Wednesday night from Stephenville, where they had been called on account of the serious illness and death of Mrs. Watt's father, E. Carneal. Mr. Carneal was stricken with pneumonia immediately following the death of his wife, and never recovered from the effects of the attack. Death came on Friday of last week and burial was had on Sunday. Mr. and Mrs. Watts remained for the settlement of the affairs and were consequently delayed until this week on returning to their home here.

to be very interesting to the new Clarendon Junior College students and rather amusing to the students who were members of this institution some two years ago.

It was through the kindness of Dean W. A. Clark, Jr., that the society members were given a record of school activities at the beginning of Clarendon Junior College by the showing of a motion picture which was taken at that time.

The remaining time was spent in practicing some songs, which the society members are trying to learn and the society adjourned to meet Wednesday, November 20, for which time a regular program has been planned.

NO COTTON LOANS FOR THIS SECTION

SHORT STAPLE IN DONLEY COUNTY PREVENTS GOVERNMENT COTTON LOANS

Funds provided under the so-called "farm relief" measures of the federal government to be loaned to farmers of the South on this year's cotton crop cannot directly benefit farmers of Donley County and the Panhandle where the staple is less than 7-8 inch in length. This means that there is no direct relief in sight for local farmers for practically all the staple of half-and-half and other like varieties raised here this year is less than the required standard, according to ginners, cotton buyers and farmers who have kept informed.

For a number of years the extension department of the A. & M. college in Texas, farm journals and others interested in the welfare of the cotton grower in the Southwest have urged the planting of the longer staple varieties and have declared that there would come a time when the short staple cotton would be a drug on the market. Such a condition with the drouthy season has just about arrived and today local cotton growers are suffering a penalty on account of the below standard staple in this vicinity.

The government is loaning approximately sixteen and a quarter cents on middling cotton of 7-8 inch staple and over, whereas the Panhandle farmer is receiving thirteen to fourteen cents per pound with very little competition for his product. In a few notable instances Donley County farmers have cashed in fifteen to twenty dollars a bale this year over the low price offered for the undesirable staples. Down in the Hedley country a few farmers through their gin organization have raised approximately two hundred bales of acala cotton and have sold from fifteen to near twenty dollars a bale over the short staples offered on that market. Here in Clarendon John T. Sims has sold his standard variety cotton of fifteen-sixteenths to one inch staple at a similar price based on the New York future market from which the spot market is based.

In a letter last week from a Bremen, Germany, cotton factor, to a Clarendon buyer, the writer goes on to express regret over the "black eye" West Texas is receiving this year from the short staple and low grade cotton and says—"This is a devil of a proposition and you people have got to get together over there and exert every effort toward inducing

Our All-Star Team

By Benton Smith
 The following is our pick of all sectional teams; at center is Estlack of Clarendon, at guards are Kunkler of Memphis and Newberry of Childress, at tackles are Knoll and Billy Holmes of Shamrock, at ends are Johnson of Childress and Behrens of Clarendon, in the backfield are Rowland of Wellington, Baccus of Estelline, Hammonds of Memphis, and Dillard of Clarendon.

Honorable mentions go to Nicholas, Noble, Watson, McCary, Blard and Helton of Clarendon, Coleman and Barkley of Childress, Martindale and Walker of Memphis. These players are picked for their steady playing rather than those who only break out occasionally with a star play.

Mr. and Mrs. Sherwood Spotts of Richardson visited in the Braswell home Saturday evening enroute home from the Methodist conference at Pampa. Mr. Spotts is a member of the firm of Harbans-Spotts, publishers of the Advocate, official organ of the church, having bought Mr. Braswell's interest in the publication some years ago. Mr. Spotts is a past president of the Texas Press Association, having published a daily at Bonham for many years.

Mr. and Mrs. Ralph Bourland of Quail, spent the past week-end here in the home of Mr. and Mrs. David Johnson.

Mr. and Mrs. Doss Palmer made a business trip to Amarillo Monday of this week.

The farmer to improve his staple. Otherwise they will certainly lose their pre-eminence in the cotton growing world. The first thing you know they will be competing with the Chinese and East Indian cottons.

Cotton growers associations, gin, cotton oil mills, chambers of commerce and others interested are laying plans for urging the planting of standard staple seeds in the coming year, and The News is informed that there will be some free seed to be distributed in small quantities to Donley County farmers.

This is a matter that The News has urged from time to time and since this year the government is loaning more money on standard staple cotton than the shorter staples can be sold for, it seems that the time is ripe in this section for the matter of better seedling for the 1930 crop. The fact that independent buyers have withdrawn from the Panhandle markets for the past few years is another indication of the trend of the market away from any short staple cotton at all.

W. H. PATRICK RETURNS FROM FUNERAL OF SISTER

W. H. Patrick returned last week from Staunton, Ill., where he attended the funeral of his sister, Miss Blanche Bernean Patrick, who died Nov. 5th in San Francisco, Cal. Miss Patrick had been in the nursing service of the United States Army for nearly twenty years, and had seen service in a number of the great army and navy hospitals of the nation.

An unusual feature of the occasion was the fact that the body was in charge of a nurse and escort from San Francisco and a military funeral was accorded the deceased with a citation from the army records read by the Staunton Post, American Legion who conducted the obsequies and fired a salute over the grave and sounded "taps". The funeral was held Sunday afternoon, Nov. 10th.
 Mr. Patrick is receiving the condolence of his friends here on the loss of his sister.

ITEMS OF INTEREST IN DONLEY

BRICE

M. Lanham called on Mr. and Mrs. W. A. Bailey Saturday night where they heard a fine radio program. Mrs. W. A. Bailey and children spent Sunday at Brice visiting her mother, Mrs. Jones and her sister and family, the Rev. and Mrs. Melton Evans. Also her aunt, Sallie Thomas, and son, Fred, of Odell Texas, who are at Brice to see Mrs. Jones, who is a sister of Mrs. Thomas.

MARTIN

Mrs. O. D. Hearne and Mrs. J. B. Turnbow spent Wednesday afternoon in the home of Mr. and Mrs. Chester Talley at Clarendon. Mr. and Mrs. M. L. Pittman, two sons, Brady and Luther Nyal, were all day visitors in Mr. and Mrs. Alvin Pittman's home Thursday.

SUNNY VIEW

The health of this section is fine, but all are having so much cold rainy weather farmers can't finish gathering. But at this writing it is clear and here's hoping we may have a lot of clear weather. Jack, the small son of Mr. and Mrs. Nelson Riley, was badly scalded on his shoulder when he over-turned a cup of boiling coffee Friday noon. He is feeling better and we hope he may soon recover from his burns.

A BANKING CONNECTION

Is something of which you may well be proud. It gives you a dignity that is not acquired in any other manner. A receipt is unnecessary when you pay your accounts by check. That is another reason why you should guard your bank account.

THE FIRST NATIONAL BANK

We would appreciate a visit from you.

nie Livingston spent Saturday night with Ina Fay Pittman. Ola Bell Cash spent Sunday afternoon with Mary Peabody.

Tina Pittman spent Saturday night and Sunday with Lois Strawn at Clarendon. Ewell Sibley spent Saturday night and Sunday with Earl Easterling. Mr. and Mrs. Sid Endsley and two daughters, Imogene and Dorothy Gene, and Inez Tidwell spent Sunday with the lady's parents, Mr. and Mrs. Tidwell.

Misses Lois LaFon, Winnie Livingston Brady, Mildred and Ina Fay Pittman were pleasant visitors in the Goldston community Sunday afternoon. J. T. Easterling spent Saturday night with Horton Sibley. Several from this community attended Mr. Reeves' funeral at Hedley.

Carl Pittman and Roberta Adkins were pleasant visitors in the Goldston community. Mr. and Mrs. Will Peabody and daughter, Mary, spent Sunday with Mr. and Mrs. T. R. Adkins. Mildred Pittman spent the week-end with her parents, Mr. and Mrs. M. L. Pittman.

Mr. and Mrs. A. J. Pool spent Sunday afternoon with Mr. and Mrs. Conda Jones. Mr. and Mrs. Ace Peabody's little baby has been very ill the past week but is improved at this writing. Mr. Russell of Clarendon, spent Sunday with his sister, Mrs. Ralph Nichols.

Ina Fay Pittman and Winnie Livingston spent Sunday with Lois LaFon. Mr. and Mrs. Oscar Kempson and Mrs. Hayter and daughters spent Sunday afternoon with Mr. and Mrs. Edding. Singing was well attended Sunday night. Mrs. Wallace Walling and children spent Sunday night with her sister, Mrs. Walter Morrow.

Mrs. J. R. Ayers was a pleasant visitor in Quail, Texas, Thursday. Mrs. Mason, who has been sick for several days is unimproved. Mr. and Mrs. Dave Livingston and two sons, Olie B. and D. H., spent Sunday afternoon with Mrs. Livingston's brother, Mr. U. G. Pittman.

Clyde and Luther Pittman spent Sunday with the Sullivan boys. Mrs. Virgil Jordan and little son, Marvin Roy, spent Saturday night with her mother, Mrs. J. H. Easterling. The forty-two party met with Mr. O. D. Hearne. Those who attended were: Messrs. Virgil Jordan, Alvin Pittman, A. J. Sibley, Charlie Hearne, Sam Tankersley, Sullivan, Fred Warren, J. H. Easterling, Audrey Talley.

Mr. and Mrs. A. J. Sibley and two sons, Horton and Glenn, and J. S. Easterling spent Sunday afternoon at Claude with Mr. and Mrs. Spencer Sibley. Miss Kate Talley spent Sunday afternoon with Mable Sibley. Mr. Connor of Sudan, Texas, spent the past week with his daughters, Mrs. Wallace Walling, and Mrs. Walter Morrow.

LELIA LAKE

Grandpa Kennedy and Rev. E. H. Kennedy have been on the sick list for several days but are reported better at this writing. Mr. and Mrs. H. R. King entertained a number of their friends with a Sunday turkey dinner November 17th and other good eats that goes with a turkey. The guests of honor were Master Lester Carroll Myers, who arrived at the home of Mr. and Mrs. Earl Myers on November 2, 1929. Other guests were: Mr. and Mrs. Earl Myers, Mr. and Mrs. L. B. Chunn and children of Clarendon and Misses Vera Brinson, Vera Garland and Miss Wilma King.

Mrs. Van Knox entertained the Study Club in her home last Tuesday afternoon. Better American homes was the subject for the afternoon. Mrs. Will Kennedy, assisted by Mmes. King and Darnell discussed the subject in a very interesting manner, after which Mrs. Knox served refreshments to Mmes. King, Darnell, Tomlinson, Lewis, Thompson, Bynum, Gurner, Wallace, Will Kennedy, Cottingham and McCauley.

Christmas Portraits LET STORY TAKE IT Quality Counts. Make appointments now. Portraits made in the home, the most congenial place. Office: In connection with The Hat Shoppe Clarendon Hotel Bldg. STORY-PHOTOGRAPHER -ONLY FOUR WEEKS LEFT-

Mr. and Mrs. W. W. Webb and little son, Carl, visited Mr. Webb of Clarendon Sunday afternoon.

There was a large crowd at Sunday school Sunday morning. Every one come again next Sunday. Miss Gertrude Barbee visited Mr. and Mrs. Cleo Aduddell Sunday. Those visiting in the May home Sunday afternoon were: Misses Gertrude Dingler, Lena Brogdon, Melba Johnston, Loma Ayres, Louise Hughes and Mr. Chester Brogdon, Bill Lane, Amos Yates and Howard Hughes.

Chamberlain Hi The P. T. A. will meet Friday night at seven o'clock. Every one is invited. The P. T. A. Program 1. The School Songs-The C. H. S. 2. Other songs-Primary room. 3. Month of pumpking pies-Francis Hott. 4. Thanksgiving-Velma Johnston. 5. A little Pilgrim -Jewel Ayres. 6. I'd do the best I can-Mary Randall. 7. The Chamberlain School spirit-Guess who? 8. The A. B. C. method -Laverne Johnston. 9. Mrs. Lofty and I-Louise Hughes. 10. My bean-Melba Johnston. 11. A Philosopher is robbed-Lonnie Smith. 12. Resolved that Lindbergh is a greater adventurer than Columbus-The Team. 13. Uh! Huh! not me-Glenna Ayres.

14. The man behind the smile-Lena Brogdon. We had a very interesting Science class, and in one lesson we learned that a man could get drunk on water-sure any one can get just as drunk on water as he can on land. Miss Alice Behringer, our last year's teacher, and her brother, Frank, were very delightful visitors here last week. We always enjoy visitors at any time. Jimmie, the professor, Hey you can't smoke in here. Chester, a student: I'm not smoking. Prof.: Well you have a cigarette in your moth. Chester: Yeah, you got pants on but you are not panting. The school library has in its possession a set of books of Knowledge and one volume is, "The Book of Texas." This one volume is more interesting than all of the others together.

The basketball teams are doing great. The ones on the boys team are the following: J. T. (Pat) Cearley, Woodrow Millsap, Chester Brogdon, Howard Hughes, Hartly Bates, Lonnie Smith and Maon (Moon) Johnston. The girls are: Marie May, Mary Bell Bates, Melba Johnston, Annie Marie Hardin, Cleo Foster, Lena Brogdon, Leota Rampy, Elsie May, Glenna Ayres and Louise Hughes. The Conser, native Scotch man says, "I'd give a thousand dollars to be one of those war millionaires." Teacher (in science class) Lonnie, what causes warm air? Lonnie: The difference in points of view. By-"Pep Anna."

JAPANESE PRINTS Japanese color prints are properly wood engravings printed by hand from blocks of wood, usually cherry, on which the design was engraved after the artist had drawn it in black out line on thin paper. A separate block was engraved for each color, some prints requiring at many as 25 or 30 impressions. The wood of the cherry tree has a grain of peculiar evenness and hardness. It is worked plane wise to a surface parallel with the grain and not across it. Surfaces are gradually rounded off, where necessary to obtain printing. A soft and graduated mass of color that does not

Mr. Randall and children were visitors in the Barbee home Saturday night until bedtime. Willard Cook of the Sunnyview community spent Saturday night with Earl Webb. Pauline Brazill spent Friday night with her sister, Mrs. Emory Partain, of Clarendon. School reopened last Monday with a large per cent present. We all look forward to a good school. Mr. Dial Cearley took Mr. Shady Jackson to his home at Quail Sunday morning. Shady has been picking cotton for the Cearley's for the past few weeks. Mrs. Mary Webb left for a two weeks visit with her son, W. W. Webb. Misses Ruth Hardin and Nettie Mae Blackman took dinner with Miss Ruby Cearley Sunday. Mr. Pat Cearley visited Mr. Dan Brazill Sunday. Misses Pauline Foster and Willie Barbee took dinner with Gladys Sunday. Mr. and Mrs. Leon Foster visited their sister, Mrs. Mary Myers Sunday.

REV. W. M. MURRELL
Presiding Elder, Clarendon District

Presiding Elder Clarendon District Pleased With Year's Work

DISTRICT SETS RECORD NEVER REACHED BEFORE IN BEING FIRST TO MAKE REPORT OF ALL CLAIMS PAID IN FULL. NINETEEN YEARLY CONFERENCES WERE HELD TO SECURE THIS RESULT FOR THE FIRST TIME. GIVES CO-OPERATION CREDIT.

Rev. W. M. Murrell, Presiding Elder of the Clarendon District of the Northwest Texas Conference, set himself an enviable record the past week when the reports were called for and the Clarendon District was called off as being "Paid in Full." This is the first time in the history of the conference that such a statement has been made, it having been organized in Stamford in 1910. On the day following the recital of the report by Rev. Murrell, Rev. W. M. Pearce, Presiding Elder of the Amarillo District, also reported his District in full, but came in a second to the Clarendon division.

At the beginning of the Conference year, the pastors of the Clarendon District met on call of the Presiding Elder, organized themselves into a body and agreed to hold monthly meetings. They chose as their slogan the words, "Everything in Full," and as their motto, the words, "The Strong Must Help the Weak." Through the efforts of these pastors working in close co-operation with their Presiding Elder, the record was made and the Clarendon division was the first in nineteen years.

An interesting feature of the entire year is found in the fact that not only were the salaries of the pastors paid in full, but also the benevolences of the Church as placed on the various charges of the District. There have been instances in years past where the salaries were paid in full, but the places where everything has been paid had been found wanting. Rev. Murrell received the praise of the entire Conference for the work he had done and willingly passed the praise to the corps of workers who had assisted him in making the year's work a possibility.

Outstanding among the buildings erected for the year is the erection of the Methodist Church at Claude, which was put up at a total cost of \$21,000 and which is entirely paid for, including the furnishings. Numerous changes were made

in many of the charges, but this is the most outstanding effort of the year. Improvements and changes were made in almost all of the parsonages of the district and many of the churches received attention at the hands of the workmen.

The total number of additions to the church, has not been kept, but will be found in the Conference Journal, along with the total amounts raised for all purposes. The District has enjoyed one of the best years in the history of the Church and Rev. Murrell is receiving congratulations on every hand and is already planning the work for the coming year, to make it even better than it has been before this time.

TREATED GOITRE AT HOME

SIX ST. LOUIS LADIES USE COLORLESS LINIMENT SUCCESSFULLY.

MANY SMALL REAL ESTATE TRANSFERS

TWO TRANSFERS PER DAY FOR PAST WEEK IS GOOD INDICATION.

Despite the fact that crop conditions have not been all that they might have been, transfers of real estate in Donley County have taken a decided increase and an average of two transfers per day were recorded in the office of the County Clerk this past week. The amount involved in these transactions has been kept private in all cases although it is suggested that some sizeable sums were involved in a part of the trades.

Both city and farm property has been handled in these transactions, the largest plot of land being a little more than one quarter of a section bought by O. L. Jacobs from C. E. Killough and the smallest tract being 1-2 acres in the city of Hedley. Clarendon and Lelia Lake were also represented in the transactions although for the present, the city of Hedley seems to be attracting the greater part of the real estate trade for the moment.

A detailed list of the transfers is as follows:
Fred Ballew et ux to Mrs. Della W. Edington. Lot No. 12 and West 12 1-2 feet of lot No. 11 in Block No. 25, Grant's Addition, Clarendon.

Jessie F. Cook to L. E. McKinney. All of Block "1", Bullard's Addition, Lelia Lake.

Tressie Johnston to O. L. Jacobs. 17 acres in S. E. corner of Section No. 154.

C. E. Killough to O. L. Jacobs. 165 acres in Northwest corner of Section No. 154.

John H. Clark to Rayburn Smith. All of lots 3 and 4 in Block No. 194.

Ed Speed et ux to H. H. Taylor. Wichita County, 120 acres. Section No. 20, Block G-7.

George C. Hammock to J. H. Howard, 119 acres Section 56, Block C-6, Lelia Lake.

M. W. Mosley et ux to C. H. Holland. Part of Section 94, Block 20, Hedley.

A. L. Wall et ux to J. L. Holland. 1-2 acres Section 94, Block 20, Hedley.

Wesley Knorpp to Mona K. Chamberlain. All of lot No. 4 and 10 feet of lot No. 5, Block No. 150, Clarendon.

George C. Hammock to J. H. Howard, 119 acres Section 56, Block C-6, Lelia Lake.

M. W. Mosley et ux to C. H. Holland. Part of Section 94, Block 20, Hedley.

A. L. Wall et ux to J. L. Holland. 1-2 acres Section 94, Block 20, Hedley.

Wesley Knorpp to Mona K. Chamberlain. All of lot No. 4 and 10 feet of lot No. 5, Block No. 150, Clarendon.

George C. Hammock to J. H. Howard, 119 acres Section 56, Block C-6, Lelia Lake.

M. W. Mosley et ux to C. H. Holland. Part of Section 94, Block 20, Hedley.

A. L. Wall et ux to J. L. Holland. 1-2 acres Section 94, Block 20, Hedley.

Wesley Knorpp to Mona K. Chamberlain. All of lot No. 4 and 10 feet of lot No. 5, Block No. 150, Clarendon.

George C. Hammock to J. H. Howard, 119 acres Section 56, Block C-6, Lelia Lake.

M. W. Mosley et ux to C. H. Holland. Part of Section 94, Block 20, Hedley.

A. L. Wall et ux to J. L. Holland. 1-2 acres Section 94, Block 20, Hedley.

Wesley Knorpp to Mona K. Chamberlain. All of lot No. 4 and 10 feet of lot No. 5, Block No. 150, Clarendon.

George C. Hammock to J. H. Howard, 119 acres Section 56, Block C-6, Lelia Lake.

M. W. Mosley et ux to C. H. Holland. Part of Section 94, Block 20, Hedley.

A. L. Wall et ux to J. L. Holland. 1-2 acres Section 94, Block 20, Hedley.

Wesley Knorpp to Mona K. Chamberlain. All of lot No. 4 and 10 feet of lot No. 5, Block No. 150, Clarendon.

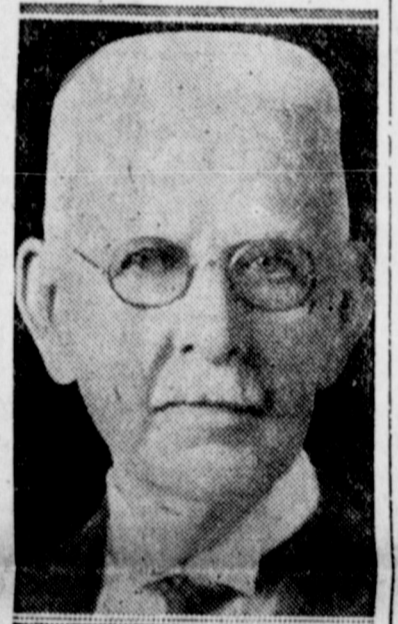

STUDENTS' RECITAL ENJOYED SUNDAY AFTERNOON

A goodly sized audience was present on last Sunday afternoon in the auditorium of the Methodist Church, where the students of the Amarillo College of Music were presented in recital by the local teacher, Miss Fray Stallings. The greater part of the program was given over to piano numbers although one student was presented in an organ number. The following program was presented:

- A Jolly Party - Grant-Schaffer
- Kathleen Oden
- The Fairy's Gift - Teller
- Joyce Smith
- The Elephants - Vandevere
- Kedron Evans
- Italian Songs - Tschalkowsky
- March - Engleman
- Betsy Parks
- Tyrolean Shepherd Boy - Oesten
- Geraldine Pratt
- Valse Arpeggio - Spialek
- Melba Del Warner
- Cantique D'Armour - Strang
- Andante in F - Shepherd
- (Pipe Organ)
- Jane Killough
- Somersaults - Blake
- Frances Sanford
- Etude Op. 63 - Streabogg
- Veil Dance - Wright
- Dorothea Watson
- Fun Elise - Beethoven
- Louise Smith
- Moon Shadows - Bliss
- Dorothy Jo Ryan
- Etude Op. 64 - Streabogg
- The Squirrels - Heller
- Wilma Dee Smith
- Idillio - Lack
- Delphia Bones

PRESIDENT FIRM PRAISES SARGON

"At the age of 79 I'm still active in business, and I attribute my splendid energy and vitality to Sargon. I believe it added years to my life."

DAVID S. BEEKMAN

"Before I took Sargon my health had been failing steadily for five years. What I ate soured almost as soon as it reached my stomach. My nerves were all to pieces and I hardly ever got a good night's sleep. I was continually bothered with constipation

and biliousness. I tried many medicines but kept losing weight and getting weaker every day. I thought I would have to give up my business, which would have cost me thousands of dollars.

"Six bottles of Sargon made me like a different man. If I have an ailment left I don't know it. My appetite is keen, all trace of stomach trouble is gone, and I sleep like a top. I've gained seven pounds and feel as well and strong as I did 25 years ago. I go to my office every morning ready for a real day's work. It's a pleasure to endorse this remarkable treatment."—David S. Beekman, President Beekman Steel Fence Co., San Francisco.

Douglas & Goldston Drug Co., Agents.

REV. SHEPHERD ACCEPTS CALL

WILL TAKE PLACE IN PULPIT HERE NEXT SUNDAY, NOVEMBER 24TH.

Rev. B. W. Shepherd of Tahoka is to be the new pastor of the Baptist Church of this city, according to advices from the membership of that body. Rev. Shepherd received a call to the local pastorate last week, but only notified the local church of his actions the latter part of the week.

Rev. Shepherd comes to Clarendon well recommended both as a pastor and as a citizen. The time he has been in Tahoka has been well spent and he has many friends in that city who extend him their best wishes in the new city of his choice.

Limestone County leads Texas in the number of farms, the Census Bureau showing 6,755 in 1925. Texas leads the states with 466,395 farms.

and biliousness. I tried many medicines but kept losing weight and getting weaker every day. I thought I would have to give up my business, which would have cost me thousands of dollars.

"Six bottles of Sargon made me like a different man. If I have an ailment left I don't know it. My appetite is keen, all trace of stomach trouble is gone, and I sleep like a top. Just like MONEY in the bank

Two major qualities of the Pontiac Big Six—its reliability and long life—offer motorists a definite cash advantage which is just like money in the bank. For they increase still further the demand for used Pontiacs—which means that the Pontiac Big Six you buy today will have a high resale value when you are ready to turn it in. . . . Investigate the features which contribute to this reliability and long life—such as the Harmonic Balancer, the adjustable pressure feed lubricating system, and the crankcase ventilation system. Come in today and let us show you all of the wonderful advantages offered by the Pontiac Big Six.

Pontiac Big Six, \$745 to \$895, f. o. b. Pontiac, Mich., plus delivery charges. Bumpers, spring covers and Lovejoy check absorbers regular equipment at slight extra cost. General Motors Time Payment Plan available at minimum rate.

Consider the delivered price as well as the list (f. o. b.) price when comparing automobile values. . . . Oakland-Pontiac delivered prices include only authorized charges for freight and delivery and the charge for any additional accessories or financing desired.

THE GOOBER GETS PRECEDENCE

Behold the humble peanut—the goober of every Southern urchin—joining the luxury class! Always before one of the most democratic of vegetables, class distinction entered its life with the duty on its Chinese brethren, imposed by decree of an eminent gentleman from Vermont who preferred whittling to eating peanuts, as a diversion. Now, under the rule of an eminent gentleman reputed to prefer peanuts to whittling, still greater distinction is heaped upon the goober. The Georgia product has successfully plead for recognition of its social status, and has been so far successful that it has reason to hope, although not grown on Peachtree Street, that its name will be entered on the Agricultural Social Register, the list of the favored of the Federal Farm Board entitled to free rides on the \$500,000,000 revolving fund.

A LIFE-GIVING LAW

Three years after the curtain had fallen on a world wide panorama of murder and destruction, our President set his signature to a piece of legislation intended solely to stay death and promote life—the Sheppard-Towner Act providing for Federal appropriations to carry on maternity and child welfare. The bill was automatically repealed on June 30 of this year, but its seven-year record stands as a remarkable program of quiet but effective constructiveness. A survey of this record of the year ending June 30, 1928 has just been published by the U. S. Department of Labor.

All but three states of the Union have cooperated with the Federal government in this work. By appropriating funds and establishing children's bureaus, corresponding to the bureau at Washington, state officials worked side by side with national aides. The aim was always to reach the mother, and through the mother the child. This was done through child conferences, maternity conferences, visits to private homes, and by encouraging queries and requests for aid. Examinations and advice were given freely. In the year 1928, 7,341 maternity and child health conferences were conducted by physicians in eight states. Hundreds of volunteer workers assisted the public officials in their tremendous task.

Letters of gratitude on file in the Children's Bureau at Washington are ample testimony to the effectiveness of this humane undertaking. From the lonely cabin on the mountainside to the cluttered slums of big cities, Uncle Sam's faithful cohorts have made their presence felt and left their gifts of better understanding and happier living.

POST OFFICE DEPARTMENT BUCKS HUMAN NATURE

It is almost two full months before Santa Claus begins his long trek from the North Pole around the world. It isn't any too soon, however, for the Post Office Department, which is accustomed to furnish invaluable aid to the jolly old gentleman, to begin planning for the rush that starts well before December 25.

Instructions are already being sent postmasters throughout the country by Arch Coleman, First Assistant Postmaster General, to look to advance expansion and perfection of the various organizations at city postoffices to meet this annual emergency. Except for unusually severe snowstorms and similar conditions over which the Department has no control, there is no reason for irritating delays in handling mail during this period, it is stated.

Postal employees are to have the unusual treat of spending Christmas day with their families, as there will be no deliveries or window service on December 25. We will have the usual campaign through the press, radio, trade journals, and business and civic organizations to arouse the procrastinators to a sense of duty regarding their Christmas gifts. There will be, in fact all the urgency and admonitions that we have heard for years and

years past, and the cause will be as worthy as ever. Nevertheless, the realists are prophesying that just as many Christmas gifts will reach recipients after the appointed day. However—that won't be the fault of the Postoffice Department.

A SQUARE DEAL FOR THE REDSKIN

A refreshingly new point of view as to Indians, that of treating them as human beings, has just been enunciated by the Secretary of the Interior, Dr. Ray Lyman Wilbur. In a memorandum to the Commissioner of the Indian Service, in regard to the construction of certain roads through Indian reservations, Dr. Wilbur stated that he "would like to adopt the following policy."

"That no public roads shall be built across Indian reservations unless the Indians approve of their construction, except in such cases as the public interest would permit condemnation of property for road purposes.

"That no Indian funds be used for the construction of public roads on Indian reservations unless the Indians agree."

"It seems to me," Dr. Wilbur stated in closing, "that we must treat the Indian groups as owners of the property with the natural rights of ownership and deal with them accordingly."

After the tragic blot upon our history that is our Indian policy, every such sign of better understanding of our responsibility is more than welcome.

STICKUM WILL STICK 'EM

Our favorite complaint, the non-adhesiveness of postage stamps, may be forever removed from the correspondents' column of the Sunday papers. A grave and revered committee composed of representatives of the Post Office Department, the Bureau of Engraving and Printing, and the Bureau of Standards, is now engaged in the study of why so-called stickum does not stick 'em. They have now gotten as far as discovering that "patrons have applied too much moisture to the stamps." They are on the verge of deciding, also, that if the stamps, after printing, are allowed to dry before applying mucilage, the finished product is more disposed to collaborate with the envelope in furnishing transportation for the letter.

The efficacy of the correspondents' column as a means of correction for public evils has long been doubted; if we cease to find our postage stamps fluttering about in carefree curls when we supposed them anchored safely to our letters, we shall never doubt again.

NEW MEXICO EDUCATES AND TRANSPORTS

New Mexico, according to her public budget records for last year, stands among the first in allotment of funds for educational purposes, having devoted to that government expenditures, or about \$8,000,000. Road construction came next in the budget, with about 25 per cent of total expenditures devoted to roads and maintenance.

These statements were recently given out by the Governor of New Mexico, who expresses his pride in the fact that his state is among the first in the proportionate amount of appropriations made for education and means of transportation.

Just Like An Ostrich

A medical authority says that a person who tries to cover up skin blemishes and pimples with toilet creams and powders is just as foolish as an ostrich that buries its head in the sand to avoid danger. Skin eruptions are nature's warning that constipation is throwing poisons into your blood stream and weakening your whole constitution. Remove the constipated condition and you will strengthen your eyes, against disease and clear up your disfigured skin. The best way to do this is with a course of Herbine, the vegetable medicine that acts naturally and easily, which you can get at Douglas & Goldston Drug Co.

ENLARGE RED CROSS USEFULNESS

WILLIAM HOWARD TAFT Chief Justice of the Supreme Court of the United States.

Since the American Red Cross was reorganized nearly a quarter of a century ago under its present Congressional charter, its membership has grown one thousand fold. But its responsibilities have steadily increased with its growth and are now such as to warrant an even greater membership.

Although a semi-official arm of the government in disasters and war, the Red Cross is a popular society, which lives by memberships. Without members, it would cease to exist and its trained staff would no longer be available in emergencies.

The American people should be proud of the accomplishments of the American Red Cross at home and its leadership among the Red Cross societies of the world. But they should not be content to rest here. They should enlarge its sphere of usefulness to humanity with greater support than ever before.

(Signed) William H. Taft.

INDIANA MEMORIALIZES

Indiana's quiet but constant work on the 100 acres of the Lincoln Memorial tract in Spencer County, where the State will erect a memorial to Lincoln's mother, bids fair to produce one of the finest memorials in the country. Instead of elaborate formal landscaping and huge pieces of sculpture, the State is proceeding with the clearing of the site of the Lincoln cabin, and the little burying ground where his mother's body lies, and the placing of a handsome fence around the whole tract. The tract will then be carefully planted, in accordance with landscape plans drawn by Frederick Law Olmstead, using quantities of native trees and shrubs of the kinds that flourished in the original forests of that region, so that, when the trees have grown to maturity, the tract will have the aspect of a stretch of primeval forest.

THE STORY OF NORTH AMERICA

American archeology is very much the fashion and has been put on the front page with eclat by the modest but much-heralded flights of Colonel and Mrs. Lindbergh over the Maya regions of Mexico. The Smithsonian Institution, the Bureau of American Ethnology, and the Carnegie Institution of Washington—to name but three activities initiated in our capital—have all been busily exploring, excavating, and restoring prehistoric ruins in the South-West.

Other quiet students are working on the remains of the languages spoken by these peoples, also rummaging among old bits of prehistoric writings, digging out the meanings of hieroglyphics, and restoring to something like grammatical order the various scraps of words and phrases. One day the meanings of buildings, carvings, sign-writings and surviving oddments of spoken language will be fitted together like the pieces of a puzzle, and all will be able to read the story of North America, from centuries before Christ to Columbus.

MUCH BUILDING FORECASTS GOOD

LITTLE DELAY EXPERIENCED BY BUILDERS OF HOUSES.

Very little delay in operations has caused the city to progress rapidly in the building line. The most outstanding venture of the season is that of the Latson building at the intersection of Kearney and Second Streets. This structure has its walls as high as they are to go and this portion of them is complete with the exceptions of the stone trim. Work has progressed to a nice degree on the other parts of the buildings, the roof being placed and the windows installed. The corner portion of the building is to be rushed to completion at an early date as it is leased just as soon as the builder is in position to complete it.

Few other changes are in prospect in the business section of the city, with the possible exception of decorations of the interiors and repainting and re-arranging of the interiors of the places of business.

A change that has taken place in the past few weeks has been executed in the District Court room of the courthouse. The walls have been repainted and present a very pleasing appearance. It is the plan of the court to have other interior decoration work done in this building as soon as the present rush of business is out of the way.

Probably the outstanding residence in the process of erection is that four-room apartment house that is being erected by H. J. Edington on the pavement on East First Street. This building is well under way and will be ready for occupancy within the next few weeks. Mr. Edington is also having a home erected on the

Best Purgative for Colds

Relieves the congestion, reduces complications, hastens recovery.

farm near town and has it well on the way to completion.

The two homes that were recently completed by Messrs. Walter and Leonard Wilson have been occupied for some time. These are located only a short distance from the Methodist Church. Few other homes are planned for the near future, although some imposing new homes are planned for the coming few months.

A building project that would attract some interest is that which is planned by the Phillips Petroleum Corporation on the lot Northwest from the courthouse square. Tentative contracts were let on this structure some time past, but were cancelled when the company decided to postpone the erection of the station indefinitely.

Another project that will bring some excitement to the city is the proposed construction of the State Highway Department warehouse. A plot of ground has been leased for this purpose and erection of the building will be started in the very near future.

NEW RECORD IS SET FOR CORPORATION ORGANIZATION

Austin, Texas, Nov. 18—New corporations organized in Texas during October totaled 248, compared to 173 in September and 192 in October, 1928, according to Berward Nichols, editor of the Texas Business Review, issued monthly by the Bureau of Business Research at the University of Texas.

It is not necessary to skim jelly constantly while it is cooking. It is less wasteful to skim once, when the jelly is done, just before you pour it into glasses.

CLAY PRODUCTS AMOUNT TO HUGE SUM OF MONEY

Austin, Texas, Nov. 18—Production of the 66 plants in Texas manufacturing clay products during 1928 reached a volume amounting to \$6,500,000, according to statistics compiled by the Bureau of Economic Geology at the University of Texas. Brick products included common brick, face brick, brick building tiles of various kinds, vitrified brick, stone ware and pottery. Of these, common brick and face brick led in quantity of production, their combined value being \$3,736,632.

Fort Stockton—Work on the Fort Stockton Aviation field will begin at once. This motion was authorized at a recent meeting of the local Lion's Club, who is sponsoring this move. The selected ground is level and free from all obstructions that would make it hazardous for planes to land or take off, and as soon as the contemplated improvements are made the citizens of Fort Stockton will have reason enough to feel that they have one of the most ideal landing fields in this section.

Although turkey raising under suitable conditions is quite profitable, the number of turkeys in the country is much less than 30 years ago. During the last 15 years, however, there has been little change in the number raised, and interest in commercial turkey raising has recently increased.

FAMILY DOCTOR LEARNED THIS ABOUT CONSTIPATION

Dr. Caldwell loved people. His years of practice convinced him many were ruining their health by careless selection of laxatives. He determined to write a harmless prescription which would get at the cause of constipation, and correct it.

Today, the prescription he wrote in 1885 is the world's most popular laxative! He prescribed a mixture of herbs and other pure ingredients now known as Dr. Caldwell's Syrup Pepsin, in thousands of cases where bad breath, coated tongue, gas, headaches, biliousness and lack of appetite or energy showed the bowels of men, women and children were sluggish. It proved successful in even the most obstinate cases; old folks liked it for it never gripes; children liked its pleasant taste. All druggists today have Dr. Caldwell's Syrup Pepsin in bottles.

A FRIEND IN NEED

Your bank will often be found to be just that when you come to a time when you are in actual need. You may not need money—although that is sometimes a necessity—or you may need advice. We pride ourselves on being in a position to supply either.

BE SURE OF YOURSELF

FARMERS STATE BANK

Acidity

The common cause of digestive difficulties is excess acid. Soda cannot alter this condition, and it burns the stomach. Something that will neutralize the acidity is the sensible thing to take. That is why physicians tell the public to use Phillips Milk of Magnesia.

One spoonful of this delightful preparation can neutralize many times its volume in acid. It acts instantly; relief is quick, and very apparent. All gas is dispelled; all sourness is soon gone; the whole system is sweetened. Do try this perfect anti-acid, and remember it is just as good for children, too, and pleasant to take. Get the genuine—

PHILLIPS Milk of Magnesia

It May Be Urgent

When your Children Cry for It

Castoria is a comfort when Baby is fretful. No sooner taken than the little one is at ease. If restless, a few drops soon bring contentment. No harm done, for Castoria is a baby remedy, meant for babies. Perfectly safe to give the youngest infant; you have the doctors' word for that! It is a vegetable product and you could use it every day. But it's in an emergency that Castoria means most. Some night when constipation must be relieved—or colic pains—or other suffering. Never be without it; some mothers keep an extra bottle, unopened, to make sure there will always be Castoria in the house. It is effective for older children, too; read the book that comes with it.

To Identify Genuine Aspirin

The increasing use of Bayer Aspirin every year is proof that it has no ill effects. It is the accepted antidote for pain. It always helps; never harms; is safe to use freely as often as it is needed. Quick relief whenever you've a headache, or cold; or are suffering from neuralgia or neuritis. The distressing pains of rheumatism yield, too, if you'll only give these tablets a chance. But be sure to get genuine Aspirin. It has the Bayer Cross on every tablet. Look for the name Bayer on the box, and the word "genuine" printed in red. Proven directions inside.

For Economical Transportation

"EVERYBODY'S SIX"

Smart • Smooth • Safe • Dependable—and Priced Within the Reach of All!

THE new Chevrolet was designed and built to bring the advantages of six-cylinder performance within the reach of all those who can afford any automobile. For that reason it has met with sensational success—more than a million two hundred and fifty thousand on the road in less than nine months!

We cordially invite you to come in and see this remarkable car. Its smart Fisher bodies are styled in the latest mode—with tasteful mouldings, concave front pillars and oblong windows. Its great six-cylinder valve-in-head engine is smooth, powerful and unusually swift in acceleration. It is designed throughout for greater safety and dependability. And its low first cost, combined with its outstanding economy of operation, makes it truly "Everybody's Six."

Come in today for a demonstration!

The Roadster, \$525; The Phaeton, \$525; The Coach, \$595; The Coupe, \$595; The Sport Coupe, \$645; The Sedan, \$675; The Imperial Sedan, \$695; The Sedan Delivery, \$595; Light Delivery (Chassis only), \$490; 1 1/2 Ton Truck (Chassis only), \$545; 1 1/2 Ton Truck (Chassis with Cab), \$650. All prices f. o. b. factory, Flint, Michigan.

Consider the delivered price as well as the list (f. o. b.) price when comparing automobile values. Chevrolet delivered prices include only authorized charges for freight and delivery, and the charge for any additional accessories or financing desired.
