Qualification For Members Is Dedication

Roy Dyer, owner of Corral Restaurant, underwent surgery at Methodist Hospital Monday. He returned to his home Thursday morning and is reported in satisfactory condition.

Funeral services were held March 10 in Stephenville for C. A. Taylor, 85, of Stephenville, the father of A. G. Taylor, father of Muleshoe. He died Tuesday night after an illness of about six weeks. Burial was at Bronte, Texas.

Attending the services from Muleshoe were Mr. and Mrs. A. G. Taylor, and all of their children, Gus, Tommy, Mrs. Eugene Howard, Mrs. Joe Sowder and two children.

James Hilton Street, Muleshoe, son of Mr. and Mrs. M. C. Street, Route Five, is among the pledges of the 16 social fraternities at North Texas University, Denton.

Street, a junior government major, is a pledge of Kappa Alpha, national social fraternity.

Grandchildren of Mr. and Mrs. Dee Clements visited in their home last weekend. They were Kevin and Delane Clements, children of Mr. and Mrs. Olen Clements of Altavergue.

State Representative Bill Clayton, Springlake, is confined in the Littlefield Hospital and Clinic recuperating from influenza.

H.W. Garvin, of the Mapo Community, underwent open heart surgery at St. Luke's Hospital, Houston, February 13. He is now at home and reported recovering satisfactorily.

Senior Citizens of Muleshoe Area will hold their March meeting Tuesday at 2 p.m. in Fellowship Hall of United Methodist Church.

Members are urged to bring cards, and donations for game playing.

The hamburger supper held Tuesday evening by DeMolays at Masonic Hall netted about \$25.00 profit, with a good turn out, according to Alton Epling, chairman of the DeMolay Advisory Board.

Mrs. James Carter, of Tulsa, visited her parents, Mr. and Mrs. C. R. Farrell Tuesday through Friday this week.

Cindy Jo Black of Tulsa arrived in Muleshoe Wednesday night to visit her grandparents, Mr. and Mrs. Clyde Holt, Cindy, age five, is recovering from pneumonia.

Joe Bryant (Hoppy) Jennings, a Junior at Tech, is another of those making the Dean's List. He is the son of Mr. and Mrs. J. B. Jennings of the Lazbuddie community.

Miss Tamara Jennings, daughter of the J. B. Jennings, was home from Dallas for the weekend. She drove home with a friend but was forced to fly back because of the snow.

"Dedication" is a way of life to members of the Muleshoe Hospital Auxiliary. The first item in the auxiliary handbook gives that requirement for potential members. It reads: "To each member of the Muleshoe Hospital Auxiliary—women who believe that "service is the rent we pay for sharing a place in God's World," to women, who because of their interest in community and mankind, are willing to give SERVICE to promote the welfare of the hospital and patient."

In listing the "Purpose" of the Muleshoe Hospital Auxiliary, the book says: "To make life more significant through unselfish service to others. To bring home, hospital and church into closer relationship. To help create and maintain a cheerful atmosphere in the hospital."

Not everyone can become a member of the Hospital Auxiliary. The "Qualifications" are: The qualifications considered essential for membership in the Muleshoe Hospital Auxiliary are: A sincere desire to make life more significant through unselfish service to others; A cooperative spirit; Adaptability; Friendliness; A gracious manner and Complete Dependability.

For members of the Muleshoe Hospital Auxiliary, there is even a stricter code of ethics: Everything seen and heard in the hospital must be kept in strict confidence; Do not prescribe medicine, or treatment or discuss patient's illness; Do not administer medicine, food, or drink without obtaining permission; Accept supervision graciously; Abide by the rules and regulations Cont'd on Page 3, Col. 4

Summer Program Set For Migrant Students

Neal B. Dillman, Superintendent of Schools, has announced that a Texas Summer Child Migrant Program will be conducted by the Muleshoe Independent School District. Classes will be held in the Mary Deshazo Elementary School from 8 a.m. to 2 p.m., daily, Monday through Friday. The program will begin June 10 and will end August 5.

To participate in the program, students must be eligible for enrollment in the first grade in September, 1969. Or must be eligible

Eddie Faust At Meeting In Austin

Eddie Faust, administrator of West Plains Memorial Hospital and the Muleshoe Nursing Home is a voting delegate for the Texas Nursing Home Association. He will be among the 400 to 500 nursing home owners, administrators, staff and guests throughout the state who are expected to attend the 19th Annual Spring Meeting in Austin, March 22-25.

The meeting will be held at the Terrace Motor Hotel, according to James B. Baker of Lufkin, president of the Association.

Attention will be focused on Intermediate Care Implementation, a new level of care established in HR 12080, Social Security Amendments of 1967. The program became effective in Texas, January 1, 1969.

Other topics of interest will be Accident Prevention, The Five Meal A Day Institutional Feeding Plan, Public Relations, Kitchen Efficiency, Personnel Evaluation, Patient Rehabilitation, Infection Control and Sanitation and Geriatric Sex Problems.

Heading a list of speaker notables are Honorable Ben Barnes, Lieutenant Governor of Texas; Dr. Phillip A. Gates, Coordinator of Nursing Home Services, Texas State Department of Public Welfare; and J. Watt Hornburg, Director, Nursing and Convalescent Home Division, Texas State Department of Health. A graduate of the School of Banking of the South at Cont'd on Page 3, Col. 6

for any of the grades one through eight. Preschool participants must attain their sixth birthday on or before September 1, 1969. Dillman said, "The program is not intended to be operated like a regular term classroom. Emphasis will be placed on a multi-sensory approach, a strong program of oral language development, and much use of individualized instruction. The schedule will include oral language development, reading, social studies, science, arts and crafts, mathematics and recreation, possibly swimming.

Transportation will be provided for those students living far enough from school to need it. Each child will participate in at least two field trips and will receive breakfast, a hot lunch and a snack each day.

For the purposes of the summer program, the definition of a migrant is as follows:

"A migratory child of a migratory agricultural worker is a child who has moved with his family from one school district to another since January 1, 1967 in order that a parent or other member of his immediate family might secure employment in agriculture or in related food processing activities."

Any parent who wishes his child to participate in this program must complete, sign, and return the form furnished his school-aged child or obtain the form from the principal's office in either Mary Deshazo Elementary School or Richland Hills Elementary School. The form should be returned by March 24, 1969.

Hutton New Manager Chamber Commerce

Jerry Hutton has been named new manager of the Chamber of Commerce by the board of Directors. The new manager for the C of C was born in Littlefield and moved to southern Bailey County while still a young boy. In 1960, he and his parents, Mr. and Mrs. Horace Hutton, moved to Muleshoe where he attended Muleshoe High School. He graduated from high school in 1963. Following graduation, he attended West Texas State University until the

spring of 1967 when he moved to Friona and operated a Texaco Service Station. In September, 1967, Hutton and his wife, the former Pat Chitwood of Lazbuddie, moved to Muleshoe and opened a Texaco Service Station which he operated until accepting the Chamber of Commerce position. He is a member of the Muleshoe Jaycees, the Historical Society and the Church of Christ.

Mr. and Mrs. Hutton have two children: Traci Dee Anne, age three and Jerry Dwan II, eight months old. Hutton said, "I am real happy to be the new manager and if there is any way I can be of assistance to anyone, do not hesitate to call. I think that the people in Muleshoe and the Muleshoe area are great, and with everybody pulling together, Muleshoe has a great future ahead."

Five resignations were accepted at the Monday night meeting of the Muleshoe Independent School Board. Those who resigned included Mrs. Ruth Anne Ward, Mary Deshazo, moving to Dallas; Mrs. Royce Barnes, Mary Deshazo, for personal reasons; Mrs. Eloise Thompson, Mary Deshazo, moving to another city; J. B. Smith, Junior High School art teacher, for personal reasons and Mrs. Raymond Schroeder, Mary Deshazo, for personal reasons.

A drug, alcohol and marihuana abuse policy was accepted by the school and reads as follows: "SECTION 7.22 DRUG, ALCOHOL AND MARIHUANA ABUSE CHARGE

"Pupils who are charged with the narcotics, or alcohol or marihuana offense (i.e. illegal possession, use, or sale) may be suspended immediately by the principal by submitting to the Superintendent immediately in writing a statement of the suspension and reason for the suspension.

"If the pupil or his parent or guardian appeals to the decision of the administration, the Board of Trustees shall hold a hearing. After the hearing, the Board may reinstate the pupil, may continue the suspension indefinitely, or may expel the pupil. The suspension or expulsion will not extend beyond the current school year."

Teacher contracts for 1969-70 were also renewed. For high school those required include Bill Bickel, Vocational Agriculture; Elizabeth Black, Art; Burel Block, Foreign Language; Dee Miller, Business; R. K. Minckler, Auto Mechanics; Martha McCormick, Homemaking; Wanda Gramling, Homemaking; Eric Smith, Science; Lucy Faye Smith, English; Betty Jennings, Math; Judith Harlin, Library; Keith Bray, Vocational Agriculture and George Washington, History and P.E.

Junior High School personnel recontracted include LaVonne McKillip, Reading; Dorothy Beddingfield, history; A. L. Burchel, Math; Elaine Davis, Reading and Science; Brian Mason, Reading; C.E. Fox, Math; Kathleen Francis, English; John Arnold, Reading; Clarence Hawkins, Math; W. B. Slayden, Math; Judith Justice, Reading; J. B. Smith, Art; Jean Moore, English and P.E.; Ruth Page, Science; Leona Patterson, History; Georgia Pina, Reading; R. D. Rogers, History; Eva Dean Stephens, Special Education; Mary Scoggin, Science; and Aileen Stewart, English.

Local Ministers Will Sponsor Holy Week

Rev. Walter Bartholf, president of the Muleshoe Ministerial Alliance, announces community-wide Holy Week services to be held in the Muleshoe First United Methodist Church.

"For five days, March 31-April 4, each day at noon, the community is invited to join each other in a service of worship from 12:05 p.m. to 12:30 p.m.," said Rev. Bartholf, "and for a fellowship meal from 12:30 p.m. to 12:55 p.m."

"The Ministerial Alliance has accepted responsibility for developing the program for the weeks services and scheduling the speakers. The ministers of the churches in Muleshoe, will provide, from their ranks, those who will speak and have other responsibilities during this special week. The congregations of some of these churches will be involved in providing the meals," concluded the minister, "and we would like to take this opportunity to invite everyone in the community to join us in observing Holy Week."

License Tag Sale Lagging

With little more than a week left to purchase license tags for 1969, Bailey County Tax Assessor Jean Lovelady reports they are selling steadily, but slowly.

She reported that as of March 17, 1967 automobile licenses has been sold by her office, 948 truck tags and 210 miscellaneous license tags had sold.

Deadline for having your 1969 license on your vehicle is midnight, April 1.

Bill Loyd

Muleshoe State Bank Names President

A new president was elected by the Muleshoe State Bank board of directors last Wednesday.

The announcement comes from Chairman of the Board W. Q. Casey that Bill Loyd of the Plains State Bank, Plains, was elected president. He also announced at the same time, the resignation of J. P. Shelton, as executive vice president. Shelton's resignation is effective April 1.

Loyd is a native of Hubbard (Tex.) and began his banking career with the Security State Bank of McCamey. He is a former examiner for the State Banking Department and was employed with the West Texas State Bank at Snyder for three years. He served as vice president of the Citizens State Bank, Roby, for five and a half years and in 1957 was instrumental in the organization of the Plains State Bank, Plains. Loyd has served as president of that bank since its beginning.

STATE CAPITAL

Highlights AND Sidelights

by Wern Sanford

AUSTIN, Tex.--Thwarted in one effort to keep down the size of the 1970-71 tax bill by school fund diversion, Gov. Preston Smith took a new approach.

He called on Atty. Gen. Crawford Martin to rush an opinion as to whether income from state-owned submerged lands (bays, river banks etc.) can be used for current school spending.

Martin earlier held unconstitutional the governor's plan to get \$71.6 million in state land revenue bound for the sacrosanct permanent school fund for educational financing during the next two years. Only investment income from the permanent fund can now be spent.

Smith accepted Martin's original opinion, but noted

that revenue from submerged lands was not dedicated to the school fund by constitution but by statute in 1939 and 1941. So, if the Legislature can dedicate money from those oil-rich lands, Smith feels it can "undedicate" as well.

If 72 and a half per cent of the royalties involved were utilized, it would mean approximately \$52 million which the taxpayers would not have to produce to meet anticipated revenues needed to finance state government during the coming two years," Smith maintained.

He asked Martin for an early ruling in preparation for a supplemental message the governor will deliver to the Legislature, in which he will spell out alternative sources for the \$71.6

million item invalidated by the attorney general's March 3 opinion.

Smith first said he has two alternatives: budget-cutting or a reinforced revenue plan. He decided he didn't have much left to trim in his budget and settled on alternative money raisers.

LEGISLATURE ACTS -- Legislature finally reached its full complement, with the election of Rep. John H. Poerner of Hondo, a Republican, to fill the vacancy created by the death of Rep. D. C. Howard of Uvalde. And the lawmaking process continues.

Legislators have completed the governor's proposed constitutional amendment which raises benefits to injured workers from \$35 to a week maximum to \$49. Measure went to the governor for his signature following House passage 146 to 1. (Senate acted earlier.)

One of the session's most important measures, a proposed constitutional amendment raising the water bond ceiling to \$3.5 billion to finance the state's share of the \$10 billion Texas water plan, passed the House 131-15 and went to the Senate, in their liveliest action, both houses voted out a bill to provide maximum fines of \$200 and jail sentences up to six months for disruptive activities on school and college campuses. Bill went to conference committee for adjustment of differences.

Another bill cleared by both houses would permit Texas to buy rifles, shotguns and ammunition in adjoining states despite the federal gun law. Similar legislation is being considered in other states.

Senate passed a variety of bills including a Texas Meat Inspection Law (which is necessary to prevent federal regulation of meat), a trailer house uniform standards act, a 45-minute daily planning break for school teachers and extension of time for homecoming Vietnam servicemen (90 days after return) to renew their drivers' licenses.

House approved bills allowing persons between 19 and 21 to be licensed as cab drivers, protecting the rights of developers of new varieties of cotton, and requiring the labeling of eggs as to their state or country of origin.

BILLS INTRODUCED -- Legislators kept dropping more and more bills into both the House and Senate hoppers, including:

- * A bill to require tele-

phone companies to maintain a business office in every county seat where it provides telephone service.

* Creating of a 50-member Governor's Committee on Human Relations "to recommend programs of action designed and intended to promote and obtain a better understanding and relationship between the various groups."

* Establishing a Texas Board of Examiners in the Fitting and Dispensing of Hearing Aids to license and regulate all persons in that business.

* Allowing haulers of agricultural products to get a permit to operate without having to prove their service would fit the "public convenience and necessity," which other truckers must show.

* Creating the Legislative Modernization Committee to study and improve the legislative process.

* Closely regulating when and how and for what purpose state law-enforcement agencies can use electronic eavesdropping or bugging.

* Requiring all elections in Texas to be with the use of voting machines, which the state would furnish but which would be stored and maintained by the counties.

* Allowing school districts to increase the length of their school terms from nine to ten months.

* Increasing the penalty for the crimes of rape, armed robbery and murder.

Martin said legislation making air- and water pollution misdemeanor offenses is unconstitutional as applied to associations and firms in that the constitutional reference applied only to individuals and private corporations.

A variance by state agencies would be complete defense to prosecution.

BOLL WEEVIL BEATEN? -- If experimentation underway in Dickens, Motley, Briscoe and Hall counties proves successful, Agriculture Commissioner White says the dread boll weevil may become as extinct as the dinosaur.

High Plains cotton farmers are getting the help of an experimental boll weevil trap coupled with poisoned bait to eradicate the biggest trouble-maker in Texas agriculture history and one of the South's biggest economy-changers.

Experiment will be carried out April 1-June 30. Cotton plants used will be grown in Brownsville. Weevils used to bait thermal traps will be flown in weekly from Mississippi laboratories.

Nursery News

LANDSCAPING By A.L. Woodburn GARDEN CENTER NURSERY Clovis, N.M.

Can you afford to burn the dead grass on the lawn or yard? -- It doesn't take too long, matches are not too expensive, so "be my guest" so to speak -- but do not be disappointed if you should find that you also burn several good plants, trees, shrubs, and in some cases a person has taken his house, fence and/or other buildings.

To solve this situation we should go back to last summer to see why we wanted so much growth, True, we wanted the yard to look fresh and green. This is an area that lawn fertilizer people have done considerable work on, and to be honest, have only scratched the surface of what needs to be done.

Grass that has all the ingredients that it needs will look fresh and green. We are prone to want our yard to look perfect but are sometimes a little slow to furnish the grass every thing it needs. For example, a good blue grass -- but then we want a good blue grass yard anyway. This brings up a question of artificial situation in that we know full well that we do not have everything that blue grass needs. We have learned to control the soil elements and nutrient content. We might control the humidity just above the blades of grass but again the end would cost more than we would like to spend.

The second best is to hit upon a condition that we can live with and the grass will tolerate. Course most burned yards are of bermuda, because blue is not dormant and to burn it would kill it outright. The blue grass is used to explain the conditions of soil, fertility, humidity, and other conditions because it is somewhat more sensitive to these than the bermuda is.

Bermuda grass will give real good results without too much top growth if we will condition our soil, water properly, and use the plant food the grass needs to produce the effect we want. Bermuda planted for a forage crop for livestock would use a plant food high in nitrogen and balanced with some of the other elements. To cut down on the amount of hay produced we should cut down on the nitrogen and pay more attention to the other elements such as iron, sulfur, manganese, and some that maybe we do not know of yet.

From The Chief's Desk

A near tragedy on a Muleshoe street last week brings to mind the importance of impressive local residents of the possible and potential danger when your child rides a bicycle on city streets.

All children should have a bicycle. This is not to say that they should be restricted to sidewalks and driveways...but is to say that at anytime your child rides his bicycle he or she should be cautioned about watching, and closely, where they are going.

Cars and trucks often cannot stop in time to avoid striking a child on a bicycle when it has darted out in front of them and often, they are not lucky enough to just have a broken bone.

Wind Erosion Conservation Stressed Now

Residue cover not only adds organic matters but also helps soil to absorb water more rapidly and thus reduces the total runoff.

This also reduces the amount lost by either wind or water erosion. One way to manage residue is to leave enough cover on the land and use implements which do not necessarily invert the soil but tucks the residue under just enough, to keep it from blowing. In most instances, use of sweep-type implement is best because it loosens the soil and ties down residue to form a protective cover.

Disk - type tools can be used to a limited extent, but usually they cover too much of the residue. For any assistance that the soil conservation district may give you feel free to call on any technician or your local supervisor.

Tax Man Sam Sez:

The good tax folks have a problem this year. IRS's change to computer operations requires that all income tax returns be sent to the IRS Service Center

Faust...

Donors from Arkansas, Louisiana, New Mexico and Oklahoma will meet with their counterparts from Texas in a special session March 23, TNHA President Baker stated that in the period between 1960 and 1965, nursing home facilities almost doubled in the state and that since 1960, more new homes were built in Texas than in any other state. Today, with almost 47,000 licensed beds, Texas ranks second in the nation in this category.

The Texas Nursing Home Association chartered by the State of Texas in 1951 has grown as the facilities have grown. Starting with a small but dedicated group of 15 charter members, it has matured to its present status as a well organized and respected united voice of the nursing home profession in Texas, with over 600 members.

in Austin, Texas this year. Many taxpayers don't believe their instructions. They don't believe the radio and television folks when they tell them to send their tax returns to Austin, and they don't believe the newspaper stories. Several thousand of these good folks have delayed their refund and the processing of their tax return. They mailed their tax returns to the District, Percentage-wise there aren't many of these folks. But, there is no point in their wasting their time and IRS time by sending their tax return to the wrong place. The thing to do is to send that form 1040 straight down to Austin so that computer can go right to work on it.

These men know cotton...

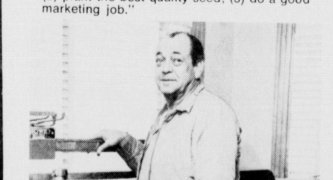

...and they know what Paymaster's Certified Lint Block Program means to all High Plains Cotton Growers.

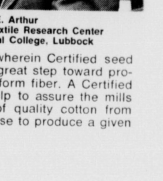

Dr. L. L. Ray, Associate Professor, Texas A & M University South Plains Research and Extension Center, Lubbock. "The Texas High Plains has made tremendous progress in upgrading the quality of cotton fiber. This was accomplished by planting better varieties, using better quality seed and fiber varieties, using lint blocks or similar programs. The program of this area is greatly improved and it has meant millions of dollars to growers. I am concerned that we do not lose ground. We must (1) plant varieties that will produce fiber the mills want and can use; (2) plant the best quality seed; (3) do a good marketing job."

Harry E. Arthur, Assistant Director, Textile Research Center, Texas Technological College, Lubbock. "A planting program wherein Certified seed is used is certainly a great step toward production of a more uniform fiber. A Certified lint program would help to assure the mills of a reliable supply of quality cotton from which they could choose to produce a given fabric."

Orville Bailey, Roundup Gin, Anton, Texas. "We've been in the Paymaster Certified Lint Block Program since the start," says Orville Bailey. "I recommend Paymaster Certified lint to growers... particularly this year. In my opinion, it's the leading cotton in this country... makes more per acre, semi-stormproof, stays in better, has good spinning qualities. Mills like it, so Paymaster Certified lint beats the market and brings a premium price. Believe me, Paymaster's Certified Lint Block Program is a good 'calling card' for a gin."

C. R. Hedges plans to plant practically all Paymaster Certified 111 this year. "We had bad weather last year," he says, "but even at that I got enough premium for my cotton to make it worth while to be in the Paymaster Certified Lint Block Program. The mills like Paymaster 111 because of its good spinning qualities. But even if there wasn't a premium price for Paymaster 111, I'd still plant it because of its dependable performance."

Tech Students Presented In Recital

Muleshoe Music Teachers Association presented two Texas Tech students in recital Monday night in the sanctuary of United Methodist Church.

John Hardy, Jr., a junior at Tech, played portions of his recital and accompanied Pablo Pedroza, tenor, who is a senior at Tech.

Hardy played Chopin's 'B Minor Sonata' and 'Proble de Bebe' by Villa Lobos, a suite in eight movements. As an encore he played 'Ocean Waves Etude, Opus 25, #12.

Pablo sang "The Hills of Grusia" a composition of Mendelkoff, the tenor aria from 'Tosca' by Puccini and 'E Luce Van E Stella'. As an encore he sang the theme song from 'Exodus'.

John Hardy, Jr. is a piano major. His teacher is Dr. Thomas Redcay, head of the Piano Department at Tech. Hardy has won Amarillo Young Soloists twice; twice piano and once in violin at the Midland-Odesa Young Artists, and many other honors. He plans to apply for a Fulbright Scholarship in Applied Piano for study in Europe. His home is Amarillo.

Pablo's family moved to Lubbock and after he graduated is planning to return to Mexico to establish a bilingual school. Pablo also plans to do graduate work.

Mrs. Gilbert Lamb expressed the feeling that the recital was "very well done - the caliber of the music excellent and their standard of performance far beyond the years of both."

At the conclusion of the recital, the association held a short business meeting for the purpose of electing officers. Selected to guide the Association were: Mrs. Sam McKinstry, president; Mrs. T. Watson, vice president; Mrs. Elbert Hamilton, secretary; Mrs. Jimmy Milner, treasurer.

The next meeting is set for April 21st at which time two other music majors from Tech will perform - Miss Peggy Conroy, contralto, and Miss Susan Sorrels, pianist.

Officers will be installed at the same meeting.

There is to be a called meeting May 19, a breakfast meeting.

ISN'T THIS FINE?...Shown enjoying the new sofa in the teacher's lounge at Mary DeShazo School are Mrs. Jack Obenhaus and Mrs. Royce Barnes, teachers, and parents Mrs. Carl Bamert, Mrs. Bill Taylor and Mrs. D. C. DuBoise. The melon colored sectional recently was purchased by Parent-Teacher Association of the school so teachers might have a comfortable place to relax between classes.

Young Women Organize New Circle

An organizational meeting for young matrons of United Methodist Church to form a new Circle was held Tuesday, with Mrs. Ted Allen serving as Co-ordinator for the group. Mrs. Harold Allison, president of Women's Society of Christian Service of the church, was also present.

Others attending were Mrs. Larry Combs, Mrs. Jack Rennels, Mrs. Kenneth LaRue, Mrs. Robert Preston and Mrs. Buddy Black. Mrs. Eugene Howard was unable to be present due to the death of her grand father.

The young women felt they wanted to be a missionary circle, with emphasis on home missions. Therefore, they chose the name of 'Joyce Hill Circle' in honor of a young woman missionary of the United Methodist Church. They plan to work in the Methodist Mission at Muleshoe as needed.

Meeting times will be 1:30 p.m. the second and fourth Thursdays of each month, in addition to the meeting with other circles on first Tuesday of each month. Meeting places will be wherever the hostess wishes. There will be one business and one study meeting.

Mrs. Buddy Black was chosen a chairman of the new circle; Mrs. Rennels, vice chairman; Mrs. Kenneth LaRue, secretary - reporter and Mrs.

Eugene Howard, treasurer. A devotional chairman is to be announced.

The next meeting will be March 27 and anyone interested is urged to contact one of the women listed. Mrs. Allen will install the new officers at this meeting.

Mark Gardner Cited as Athlete, Scholar

Mark Gardner, grandson of Mrs. A. J. Gardner, must have left quite a mark at Richardson West Junior High where he is an eighth grader. A news report from Richardson laments the fact that Mark and his parents the Paul Gardners, will be moving soon to Philadelphia and New Jersey, where his father will take over a new job for his company.

The sports writer says Mark has quarterbacked his football team to a pair of undefeated seasons, seasons like 10-0 and 10-0-1. "As West coach Marcus Everett puts it, 'I don't know just what it is about Mark. He isn't fast and he doesn't have great quickness. He is just a great leader.'" The sports writer commented that after watching Mark 'all of these years', he agreed with Everett and only added that he is also a winner.

In the article the writer cites Mark as an above average student, saying he never missed being included on the A honor roll in spite of spending so much time at sports. Currently, as an eighth grader he is taking high school algebra and science and maintaining an "A" average in both.

Telling of Mark's star-studded years in early baseball, the writer says the departure of the Gardners will also be felt in Richardson by those whom Mark's father, Paul Gardner has coached.

Mark Gardner

His mother, Helen Holt Gardner, taught two years in Richardson high school and is one of the Eagles' most faithful and vociferous followers. The writer predicted Mark would be back in Texas when he "comes down to play in the Pennsylvania-Texas Big 33 Game."

FOOT NOTES
When you shop for shoes, put your largest foot forward. It is the best foot for measuring since this helps get a better fit. The difference between one shoe size and the next is a mere 1/16th of an inch.

Foot measurements frequently vary according to the time of the day. During the afternoon, the foot is about mid-point in size. This is the best time to shop for shoes.

As shoe styles change, so do sizes. Changing from a sedentary job to an active one can also cause a change in shoe size. When fitting shoes, try on both shoes and ask to walk on a hard surface floor - this will help you judge comfort.

Shoes, if they fit and are well made, put you in the mood for happy living and serve you well if treated kindly.

COMING EVENTS
A dinner honoring the Bailey County Commissioners Court and the Conservation Homemaker of the year will be held at Fellowship Hall of United Methodist Church Friday, March 28 at 7:30 p.m.

Bailey County club girls will participate in the District II 4-H Club Food Show on Saturday, March 28. This show will be held on Tech Campus at the Home Economics building.

Progress 4-H Horse project group will meet on Saturday night, March 29, at the Lariat Lutheran Church.

Jehovah's Witnesses Attend Meet

"Lawlessness and disorder have gone far beyond man's ability to correct as evidenced by the fact that people of all levels of society now live in fear behind locked doors of their own home," were the introductory remarks of Mr. L. M. Dugan who spoke before 620 delegates in Snyder where they were attending the main Bible lecture of their convention.

Entitled "Law and Order -- When and How", the subject presented to the area members of Jehovah's witnesses, was the highlight of their three-day convention with Dugan pointing to the lack of law and order today.

Pointing to the fact that law and order is possible, Dugan assured the audience that the Bible promises an eternity of peace, freedom from fear and real security for those who now demonstrate to God their desire for such conditions.

"Jehovah's witnesses invite those who desire law and order to study the Bible and learn the principles God requires of those who will be permitted to live in an eternity of law and order. It is with this assurance that each one of the Witnesses in attendance here at this assembly will return to their home communities to share such a promise with their neighbors," Dugan concluded.

Don't try to get ahead of everyone on the highway or you might be leading the procession, horizontally, before long.

Jerry Field

Mr. Jerry Field, a student at Wayland Baptist College, and Music and Youth Director at First Baptist Church, Springlake, Texas, is directing the revival music each night.

Special emphasis during the week include a chuckwagon supper, Saturday March 29th at 6:00 P.M. and "High Attendance Day", Sunday, March 30. All the residents of Sandhill Country are invited to take part in this revival effort at Longview Baptist Church. CHRIST IS THE ONLY HOPE.

The problems of life are usually those matters which, after all, do not amount to very much.

Joe D. Vaughn At State Annual Law School

COLLEGE STATION -- Joe D. Vaughn of Muleshoe is one of 100 jurists and constables gathered at Texas A&M University for the state's annual Justices of the Peace and Constable School.

The select group is studying changes and procedures in the law, said Ira E. Scott, head of A&M's Police Training Division.

The program is sponsored by A&M's Engineering Extension Service's Police Training Division and the Texas Justice of the Peace and Constable Association. Included in this year's program is a discussion of new laws on driver licens-

ing and landlord-tenant relationships. Scott added such cases are usually processed by the justice court on a local basis.

Other discussions will center on misdemeanor and felony bonds, jury trial procedures in criminal and civil cases, peace bonds, laws of arrest, writs of sequestration, liquor control measures and the legal aspects of searches and seizures. Justices of the Peace take their role to the first magistrate appointed in 1327 in England. The jurists were formerly called "Conservators of the Peace."

FUTURE HOMEMAKERS of AMERICA

Better Home and Community Living

The winsome lass above, representing her more than 74,000 sister FHA'ers in Texas, is appearing on billboards all across the State in observance of National FHA Week, March 23-29, 1969. This salute to the contribution made by these young people to their homes and communities is sponsored by the Future Homemakers of America, Texas Association, and rural electric cooperatives. The Outdoor Companies of the State are donating the sign space for the showing.

ART OF SEWING...FHA members realize a healthy body and neat, smart appearance is a must in today's fast pace. As future homemakers, they will know the "Art of Sewing."

GOOD HOMEMAKERS...All good homemakers are good seamstresses, so these girls are learning under the supervision of the Home Economics teacher, Wanda Gramling.

FUTURE SEAMSTRESSES--These young seamstresses are learning the methods of making their own clothing, something they can use when they are homemakers.

LEARNING...Good homemakers must know the right way to laundry our many new fabrics of today. These FHA girls are striving to better equip themselves for their roles as tomorrow's homemakers.

A Very Special SALUTE TO THE FUTURE HOMEMAKERS OF AMERICA

We are justly proud of all the young people of Bailey County, and their capable leaders who are striving constantly toward the improvement of self, home, community and nation.

ADMIRATION...These future homemakers look with pride upon their cake taking accomplishment. Martha McCormick is their Home Economic teacher.

ART OF COOKING...They say the way to a "Man's Heart" is through his stomach. These FHA members are taking no chances, they are learning the "Art of Cooking."

FHA Chapters In Discussion On Area Meet

Reporter: Dellinda Henry
A meeting of the Rose and Rosebud Chapters of FHA was held Monday, March 17. The meeting was opened with the Opening Ritual led by Martha Jane Chapman. Cathy McCormick announced that there is to be a joint party consisting of the FHA and FFA Chapters on March 31. It will start at 7:30 and end at 10:00. The area meeting which is to be held March 21 and 22 was discussed more thoroughly. We will be staying at the Townhouse Motel in Lubbock. Also Friday night we will eat at the Zider Zee. The chapters practiced their songs. The meeting was adjourned.

Birds of Prey To be Given In Auditorium

Church Binder will present in the Muleshoe High School Auditorium, March 25, an assembly entitled Birds of Prey.

Birds of Prey is a program that will stimulate more scientific thinking. It will help students in respecting nature's balance of conservation.

Falconry is supposed to have originated in the Far East and spread west across Asia to Europe where it reached its peak of popularity in medieval times. It persisted longest in Scotland, where many Falconry terms originated, and in England where it is still widely practiced. Centuries ago, only Kings and Emperors were allowed to use Golden Eagles and Falcons in this ancient sport. Others and lesser folk used Hawks.

During the program, Mr. Binder will display live birds without cages. This, in itself, is a master feat as many hours must be consumed training each bird to react normally to an audience. Binder will explain fully how these birds are persecuted and how their protection can be encouraged.

Binder was trained in Falconry by the Internationally Famous John Hamlet

Senior Class Leaves Gift For High School

The Muleshoe High School graduating class of 1969 is proud to leave as their gift to the school a new PA system for the auditorium. The new PA system consists of 22 speakers in the auditorium and four new microphones and amplifiers.

DeMolay Week Celebrated In Muleshoe

This past week, March 17-22 has been DeMolay Week. DeMolay Chapters all over the nation and abroad participate in activities specially programmed for DeMolay Week.

The Muleshoe Chapter, Order of DeMolays has participated in this by initiating (Roger Williams, Gary Hooten, David Seymour, and Gary Harris) Monday night, by holding a hamburger supper Tuesday night for DeMolays, Rainbows, Eastern Stars, Masons, and DeMolays' parents. Friday night at 7:30 the DeMolays are holding a Sweetheart Banquet honoring our Sweetheart candidates Deborah Wagon, Karen St. Clair, and Marilyn Pool. This banquet will also honor our present Sweetheart Debbie Burrows.

Library News

We have been kept quite busy this past month helping young people get material for term themes. I think it is wonderful that the teachers are requiring more references, I understand in one school they are required to use 20. This means the student really has to dig into his subject, and should have an immense amount of knowledge about it when he actually writes the theme. It means for us, digging into every reference source available, books, magazines, pamphlets etc., then if we don't have enough locally we call Lubbock Public Library and turn in our order to them. It means that in a few days, the requested material comes in to be used by our patrons, then returned to the sending library, with only the return postage having to be paid by us, or the patron, if agreeable. This means that almost any book in print is available to any individual of our area, and we feel that it adds tremendously to our service to the community. If anyone needs material we don't have just ask us to order from the Texas Library Network.

Junior Class Slave Sale To be in April

Debra Hayes
March 19th, the Junior Class met to elect slaves for the Slave Sale which is to be held April 25th. Profits from the sale will go to the Junior Class. Slaves elected are Gayetta Gable, Debi Rogers, John Woodard and Rick Eborer.

Plans for a bake sale were also discussed at the meeting. The bake sale will be held on April 2-3. Members of the class are asked to bring baked goods or \$2.50.

News of Servicemen

Jerry Embry David Carson

FAIRFIELD, Calif.—The 60th Supply Squadron at Travis, AFB, Calif., is the best in Military Airlift Command (MAC), and US Air Force Sergeant Jerry W. Embry, son of Mrs. Lucille Embry of 212 W. Grant, Morton, helped make it that way.

Sergeant Embry, a material specialist, played an important part in the base supply complex that is responsible for dispensing paper clips to delivering aircraft engines and fuel. As a result of the unit's efficiency, MAC officials have nominated the 60th for the Daedalian Supply Effectiveness Award -- the highest honor given an Air Force supply organization.

The Daedalian Foundation gives an engraved silver cup annually to promote supply effectiveness and efficiency. Official presentation to the winning unit will be made by the Air Force Chief of Staff, when the final competition ends at Air Force headquarters level.

The sergeant, a graduate of Morton High School, has completed a tour of duty in Vietnam.

His wife, Marda, is the daughter of Mrs. Irene McCullley of Dayton, Wash.

James Johnson

USS CORAL SEA at sea-Fireman Apprentice James E. Johnson, USN, of Farwell, is serving aboard the attack aircraft carrier USS Coral Sea in the Gulf of Tonkin.

This is the carrier's fourth consecutive combat tour off the coast of Vietnam. Coral Sea has operated from Yankee Station where its embarked Carrier Air Wing 15 has launched numerous air strikes over South Vietnam.

In 1965, Coral Sea became the first aircraft carrier to launch air strikes over North Vietnam.

PENSACOLA, Fla.—Navy Ensign David L. Carson, son of Mr. and Mrs. David H. Carson and husband of the former Miss Carolyn Herring all of Friona, was commissioned an Ensign in the Naval Reserve upon completion of a phase of training at the Naval Aviation Schools Command, Pensacola, Fla.

The course of instruction included naval history, world affairs, naval justice, naval leadership, naval orientation, physical fitness, swimming, pre-navigational seamanship, and military instruction.

He will now go onto his next phase of training under the Naval Aviation Program.

Juan Garza Bob Gilgard

USS HORNET at sea--Seaman Apprentice Juan L. Garza, USN, son of Mrs. Vella L. Garza of Sudan, and Seaman Apprentice Bob E. Gilgard, USN, son of Mrs. Doyle Collins of Route 2, Sudan, are serving aboard the anti-submarine support aircraft carrier USS Hornet.

Hornet is operating with the US Seventh Fleet in the Gulf of Tonkin, serving as flagship for Commander, Anti-Submarine Warfare Group Five.

The Long Beach, Calif.-based carrier supports the Seventh Fleet's anti-submarine warfare patrols off the coast of Vietnam.

J.R. Herrell

HAMPTON Va.—Sergeant J. R. Herrell, son of Mr. and Mrs. M. L. Herrell of Littlefield, has arrived for duty at Langley AFB, Va.

Sergeant Herrell, an aircraft hydraulic repairman, is assigned to a unit of the Tactical Air Command.

He previously served at Tan Son Nhut AB, Vietnam. The sergeant attended Littlefield High School.

D. Rhoades

RANTOUL, Ill.—Airman Daniel R. Rhoades, son of Mr. and Mrs. Dewey A. Coldiron, 301 Worth, Sudan, has been graduated from a US Air Force technical school at Chanute AFB, Ill.

He was trained as a jet engine mechanic and has been assigned to a unit of the Air Training Command at Laredo AFB.

Radney Fisher

USS LYMAN K. SWENSON at sea -- Navy Lieutenant (Junior grade) Radney L. Fisher, son of Mr. and Mrs. Lee R. Fisher of Sudan, is serving aboard the destroyer USS Lyman K. Swenson off the coast of Vietnam.

His ship will provide Search and Rescue operations to pilots that need assistance and perform various other duties such as surveillance of coastal waters in the Tonkin Gulf.

Crist Bowley

DENVER--Airman Crist R. Bowley, son of Young F. Bowley Jr., Bledsoe, has been graduated from a US Air Force technical school at Lowry AFB, Colo.

He was trained as a material specialist and has been assigned to a unit of the Strategic Air Command at Little Rock AFB, Ark.

The airman, a 1967 graduate of Bledsoe High School, attended South Plains Junior College, Levelland.

His wife, Nancy, is the daughter of Mr. and Mrs. Joel Ruiz, 1503 Avenue G, Rosenberg.

Hugh Young

DI AN, VIETNAM--Specialist Five Hugh E. Young, 23 son of Mr. and Mrs. Melvin L. Young, Wolfforth, received the Army Commendation Medal Feb. 15 while serving with the 1st Infantry Division near Di An, Vietnam.

Spec. Young earned the award for meritorious service as a fire direction control computer in Battery C, 8th Battalion of the division's 6th Artillery.

His wife, Patricia, lives in Muleshoe.

NOTICE AND INSTRUCTIONS TO BIDDERS.
 Date: March 4, 1969
 1. Sealed bids will be received by the Mayor and City Council; Bailey County, Texas, hereinafter referred to as the "Owner" for performance of the work set forth in the Plans and specifications (entitled a New City Hall for Muleshoe, Texas, on or before 2:00 o'clock p.m., Friday March 28, 1969, in the City of Muleshoe, Texas) at which time said bids will be publicly opened and read.
 2. All bids must be made on the blank form of proposal furnished in the Specifications.
 3. Each bid must be accompanied by a certified check or bidder's bond payable to the Owner for five percent of the total amount of the bid. A bid without the bid price has been compared, the Owner will return the check or bond of all except the three lowest responsible bidders. When the contract is awarded, the checks or bonds of the two remaining unsuccessful bidders will be returned. The check or bond of the successful bidder will be retained until the contract and surety bond have been executed and approved, after which it will be returned.
 4. A performance and payment bond in the amount of 100 percent of the contract price with a corporate surety approved by the Owner and Architect will be required for the faithful performance of the contract and the bidder shall state in the proposal the name and address of the surety or sureties who will sign this bond in case the contract is awarded to the bidder. A maintenance bond for the repair of all damage due to improper materials or workmanship for a period of one year after the acceptance of the work by the Owner will also be required.
 5. The party to whom the contract is awarded will be required forthwith to execute the contract and a performance and payment bond within ten calendar days from the date when the written notice of the award of the contract is mailed to the bidder at the address given in the proposal. If the bidder fails to do so, the Owner may at his option consider that the bidder has abandoned the certified check or bidder's bond accompanying the proposal shall become the property of the "Owner".
 6. The Owner reserves the right to reject any and all bids or to accept any bid. Contractors' proposals shall hold firm for thirty days. Mutually agreed upon extensions of time may be made, if necessary.
 7. Before the award of the contract, any bidder may be required to furnish evidence satisfactory to the Owner and Architect of the necessary facilities, ability, and pecuniary resources to fulfill the conditions of the said contract.
 8. Prior to signing the contract the Contractor shall submit on a form acceptable to the Owner and Architect, a detailed construction schedule for the project. This Construction Schedule shall start with the proposed date of signing the contract, and the completion date shall be the date specified in the contract.
 9. Bidders must satisfy themselves by personal examination of the location of the proposed work, by examination of the Plans and Specifications and requirements of the work.
 A. Should a bidder find discrepancies in or omissions from the plans, specifications, or other documents, or should he be in doubt as to their meaning, he should at once notify the Architect and obtain clarification prior to submitting any bid.
 B. Contract to be let will consist of:
 a. Turkey Building Contract.
 10. The Construction Contract and the Detailed Specifications contain the provisions required for the construction of the project. No information obtained from any officer, agent, or employee of the Owner on any such matters shall in any way affect the risk or obligation assumed by the Contractor or relieve him from fulfilling any of the conditions of the Contract.
 11. Proposals which are incomplete, unbalanced, conditional or obscure or which contain additions not called for, erasures, alterations or irregularities of any kind or which do not comply with the Notice and Instructions to Bidders may be rejected at the option of the Owner.
 12. A bidder may withdraw any proposal he has submitted at any time prior to the hour set for the closing of the bids provided the request for withdrawal is signed in a manner identical with the proposal being withdrawn. No withdrawal or modification will be permitted after the hour designated for closing the bids.
 13. Computations of quantities that will be the basis for payment estimates, both monthly and final, will be made by the Architect.
 14. The Owner will be responsible for payment in accordance with the terms of the Contract.
 The word "Contractor" means the person, firm or corporation to whom the award is made. Subcontractors as such will not be recognized.
 The word "Architect" refers to Bill W. Cantrell, Architects, Land Planners, designated by the Owner as its representative during the course of construction to make appropriate inspections and computations of payments.
 15. Plans and Specifications may be obtained from Bill W. Cantrell, Architects, Land Planners, Lubbock, Texas. A deposit of \$50.00 will be required for the Plans and Specifications. The \$50.00 will be returned to those returning them in good condition within ten days after the date of the bid opening.

Lazbuddie News
 By Mrs. C. A. Watson

Earl Prather, brother-in-law of the R. B. Seaton is steadily improving at his home in Dallas. Prather has miraculously improved since leaving the hospital February 7th. He plans to resume his work at his job in Dallas in the near future. Prather and Nancy Young and their son Steven Dillard Jr., have moved to the Lazbuddie area from Dallas. The Steve Youngs will farm. He is the son of Mr. and Mrs. J. B. Young, Jr. "Welcome home," Lazbuddie folks say, to the Steve Young family.

Mrs. T. D. Reed received a phone call Sunday from her son, Boots Reed, Pecos, Texas that he was presently in braces and would be taking treatments at a hospital near Alpine, Texas in the near future. Reed was hurt recently when a jack fell from his car while he was fixing a flat tire. He also informed his mother that Doyle, the Reed's son, was suffering with pneumonia and Mrs. Reed was undergoing observations in a clinic there. It seems the Boots Reed family are having their share of the trouble lately. It is hoped they will soon be on the well list again soon.

Mr. and Mrs. C. D. Gustin returned last week from Jacksboro and Fort Worth where they visited relatives for a two weeks vacation. The J. B. Jennings spent the past two weeks at DeKalb with their son and family on the Jennings ranch.

Birthday greetings were sent to Manuel Mendez, Jerry Don Glover, Ronnie Briggs, Gayton Templeton, Tom San Miguel, Rachel Moore, Jerry Barton, Jeffery Warren, Kenneth McGehee, Brenda Roberts, Geraldine Broadhurst, Charlotte Davis and Lissea Brown.

Mr. and Mrs. Owen Broyles accompanied by a group of friends from Friona and Clovis returned home just before the snow storm the past week after enjoying a fishing trip at Falcon Lake, Tex. Mrs. Broyles reports that they brought home a nice catch.

The Eugene Broyles family from Amarillo and the Jim Haggood family from this area are celebrating their 35th birthday.

Mr. and Mrs. L. N. Hardage attended the funeral of her brother, Barto Britton, at Seymour last week. Britton passed away Monday evening at 10 in an Oney hospital after several months illness. Services were held in the Seymour Church of Christ with interment in the Seymour cemetery.

Mrs. Charlie Watson and Mrs. Preston Gargale accompanied Mrs. J. L. Phipps, Mrs. Clint Garthright and Mrs. Orle Chandler all of Muleshoe to Friona Friday afternoon to visit Mrs. Bernice Gowens. Mrs. Gowens has been on the sick list for several days but is much improved at present.
