PIPE ORGAN RECITAL ON FRIDAY NIGHT

The new Hillgreen-Lane pipe organ which has been installed in the Methodist church will be formally opened on Friday night by R. Deane Shure, organist and choir director of the church.

This is unquestionably one of the finest, if not the largest pipe organ in the Panhandle of Texas. It contains eighteen stops, and sufficient mechanical accessories to enable the organist to arrange the stops, which are operated by oscillating tablets, for an entire church service, or a full evening of recital work, with scarcely any arranging left to be done by hand. The key action, stop action and control, are all operated electrically, and the design is the very latest in organ building. This instrument is a wonderful addition to musical Clarendon, and is another evidence that the community is growing along these lines. A large pipe organ has long been the dream of Clarendonites, and now that the instrument has been installed the citizens are called upon to help in a financial way, by contributing the price of a ticket, which is fifty cents, and attending the recital. Ticket solicitors will call upon the personnel of our little city in the next few days, and it is hoped that all will be willing to contribute in this small way, to a cause which is a pleasurable one, as well as one which will add immeasurably to the uplift of Clarendon.

Mr. Shure is perhaps better known in the east as an organist, than a pianist. He studied five consecutive years with Dr. George Andrews, the eminent organ teacher of America, and has held some of the most important organ posts in the east, including that of the Methodist church of Wiconisco, Pa., Congregational church of Bellevue, O., the Baptist church of Pella, Ia., as well as appearing in organ recitals in many of the states of the union. Before coming to Clarendon, Mr. Shure gave a recital in the People's tabernacle of Denver, Colo., and appeared many times, playing the large four manual Roosevelt organ in the concert hall at Oberlin, O.

The Clarendon organ was specially designed by Mr. Shure, and Mr. Will A. Watkin, of Dallas, Tex., with particular reference to church, concert, and teaching facilities. A more balanced collection of stops would be difficult to imagine, and a "Vox-Humana" is included, which stop is always enjoyed and appreciated by the music loving public, because of its imitation of the human voice.

The program which has been arranged for the opening will constitute such numbers as will demonstrate the remarkable resources of the organ. All conceivable combinations will be used, and the entire collection of colors will be clearly set forth enabling the audience to enjoy a recital which will be unique in the annals of Clarendon concerts. The program follows:

DONLEY COUNTY MEN REGISTERED TODAY

Today, Sept. 12, men between the ages of 18 and 45 inclusive are registering in Donley County as in the rest of the nation, except those who have previously registered.

According to estimates sent to the local board by the war department 852 men will be about the number of men Donley county will register. A. M. Beville of the local board says, however, that he expects the number to be in excess of that.

In Clarendon the registration booth is located in the old Red Cross rooms on Kearney street and under the direction of the local board, Judge Link, W. E. Bray, Fenn Bourland, Forrest Taylor and Jim Sherman did the clerical work of the registration. Donley county men are patriotic and all we have heard of presented themselves willingly for registration.

Mr. and Mrs. Frank Tupper Smith, of 612 South Pennsylvania, announce the birth of a little daughter, Katherine Therese, at Mercy Hospital on August 17th. Mrs. Smith was formerly Miss Katherine Zurich of Clayton, N. M., and both she and her husband are prominent in Denver social affairs.—Denver Post.

Mr. and Mrs. Carrol Jackson and niece Miss Otalee Raymond of Whitedeer spent Sunday with Dr. and Mrs. G. S. Jackson. Miss Raymond will enter college this year.

and Third Act from Lohengrin.
Godard-Barrett—Berceuse from Jocelyn.
Guilmant—Cradle Song and Prayer.
Wagner-Truette—Evening Star from Tanhauser.
Chopin—Morse—Funeral March from Sonata Op. 35.
Lemare—Andantino.
Improvisation on Hymn Tune.
Improvisation on Themes from Il Trovatore.
America (All singing.)

Tickets may be purchased from Mrs. J. S. Ulm in the town and from Miss Faun Crane at the college.

Members of the choir will please report for practice at 7 o'clock sharp in order that the rehearsal may be finished before the opening of the concert.

SENIOR PHILATHEAS

The senior Philatheas of the Baptist church were most royally entertained with a yarn party last Thursday afternoon from four to six by Mrs. George Ryan.

U. S. knitting is the popular pastime. The ladies brought their "yarn" along.

A delicious two course luncheon was served to the following:

Mesdames Headrick, Gray, Taylor, Brumley, Simpson, Lowe, Reeves, Zed Doshier, Kirk Doshier, Stricklin, Warren, Bourland, Finley, Bugbee, Gentry, Nunn, Tom Goldston, Joe Goldston, Misses Grace Bugbee and Ethel Gentry.

GOES TO NAVAL RANGE

C. H. Ingram, son of Mr. and Mrs. C. B. Ingram of this place, now gunner's mate on the Naval Rifle Range at Rumford, R. I., was here the past week visiting his wife and parents. He returned Wednesday to Rumford taking with him his wife, as they will be permanently located at that place for some time.

Mr. and Mrs. Leo Rippey are visiting here with the bride's parents, Mr. and Mrs. G. S. Patterson, before going to Atlanta, Ga., where Mr. Rippey is stationed at Camp Gordon, doing Y. M. C. A. work.

NEW PRINCIPAL IN CLARENDON SCHOOL

On account of Prof. Gilbert, principal elect being called to the colors a few days back, the board of trustees have elected Prof. C. W. Foote to fill the vacancy. Prof. Foote will have many duties of the superintendent as Supt. Silvey is not fully recovered from his illness. The new principal was superintendent at Claude a few years ago going from there to Chillicothe, where he was superintendent for three years. He is pretty well known here, having taught two summers in the College. Prof. Foote is a graduate of Denton State Normal and has had twelve years experience as superintendent.

His family will arrive in a few days and they will occupy the residence just across from the Presbyterian manse. We welcome these good people among us and bespeak for Prof. Foote a successful session.

DELPHIAN CLUB

Following is the program for the Delphian club Monday, Sept. 16, which meets with Mrs. W. H. Martin at 4 o'clock:

"Causes of the Peloponnesian War"—Mrs. Frank Letts.
"Progress of the war"—Mrs. Geo. Ryan.
"The Great Plague"—Mrs. A. T. C. Peace of Nicias—Mrs. C. Powell.
"Sicilian Exposition"—Miss Leta Warren.
"Spartan Supremacy"—Mrs. Tom Kennedy.
"Rise of Thebes"—Miss D. Laurel Beville.
"Phyllis of Macdon"—Miss Lucy Story.
"Alexander the Great"—Miss Lena Miller.

Messrs and Mesdames M. L. Kelly, Jr., and F. E. Chamberlain and children, motored to Memphis Sunday afternoon to visit Mr. and Mrs. M. S. Kelly, Sr.

Mrs. J. Tombs has gone to Austin to visit her son, Henry, who is in the mechanics' training school there.

Mr. and Mrs. John Lott left Tuesday night for Arkansas, where they will spend several weeks.

Mrs. Frank Sims of Panhandle brought her son, Miner, over the first of the week to enter school.

LARGE ENROLLMENT AT PUBLIC SCHOOL

With no outward display of ceremony the fall term of the Clarendon public school opened Monday morning at the high school and grammar school buildings.

A most efficient corps of teachers are in charge of the several rooms this year and under the able direction of Superintendent Silvey and Principal Foote a most successful year is anticipated. Superintendent Silvey reports a very heavy enrollment and says that the total number will without doubt exceed that of last season.

An article dealing with the prospects and aims of the faculty for the year will appear in these columns next week.

Miss Myrta Houk, teacher of music and elocution, is facing overflow classes, and expects to have the busiest school year she has had since being put in charge of that efficient department.

DRILL HAS BEGUN AT CLARENDON COLLEGE

Although the U. S. Officer to be detailed by the government has not yet arrived at Clarendon College to take charge of the S. A. T. C., there has been two companies formed and the boys are getting the rudiments of drill under the direction of several of the students who have had some military experience. The companies have paraded down town several afternoons and their measured tread to the roll of the drum is beginning to lend quite a martial air to our city again. The first since our volunteer company departed last fall. New boys are coming in every day to get this training at government expense and Clarendon College has the largest enrollment in her history.

FORTY-TWO CLUB IS ENTERTAINED

Mrs. J. L. McMurtry was hostess to the Forty-two club Friday afternoon, Sept. 6.

A delightful afternoon was spent at five-hundred.

At the conclusion of the games first prize was awarded to Mrs. Charles McMurtry and Mrs. C. W. Bennett drew consolation.

A delicious salad course was served Mesdames F. E. Chamberlain, A. L. Chase, C. W. Bennett, A. N. McCardell, W. C. McDonald, F. W. Taylor, Chas. Bugbee, A. R. Letts, J. G. Sims, F. B. Letts, Chas. McMurtry, H. Glascoe.

Miss Mildred Martin of Claude left Monday morning for Chicago, Ill., and Oberlin, O., where she will visit friends in Chicago for a few days and go to Oberlin where she will study music.

Miss Elizabeth Forrest leaves Saturday morning for Colorado Springs and Grand Junction, Colo., after visiting her aunt and uncle, Mr. and Mrs. Dan Bell, the past three months.

The Growth Of Our Grocery Business

The steady growth of our grocery and feed business can only be explained on the basis of the uniform satisfaction we have given our custom in the past years. Day in and day out we have striven to please the people who accord us their patronage and how well we have succeeded is attested by the large number of customers who have been steady patrons during our business life.

We Pay Good Prices for Produce We Sell Our Groceries Reasonably

We try to pay the top prices for your produce and we expect only a fair return on the goods we sell. We handle only the quality lines of foods and believe that we can come nearer giving satisfaction in our line than others not so experienced or so well established.

Your Family's Welfare

Depends on your ability to save more than your ability to earn more.

When trouble or adversity comes upon you, what you have earned does not count—it is what you have saved and for immediate use that is all important.

Saving money and planning for the future go hand in hand. You owe it to those dependant upon you to lay aside every available penny for that rainy day that is bound to come to all of us.

NEW SCHEDULE OF INCOME TAX LAW

Every person who is called upon to pay an income tax will find it easy to figure out how much he will have to pay under the new rates adopted by the Ways and Means Committee for the \$8,000,000,000.00 revenue bill. The corrections in the scale of rates were made recently and they are given herewith:

Some confusion has been caused by the publication of rates which were not those that the committee adopted, but the following rates for the super-taxes are correct.

On that portion of the income between \$5,000 and \$7,000, 2 per cent; \$7,500 to \$10,000, 3 per cent; \$10,000 to \$15,000, 7 per cent; \$15,000 to \$20,000, 10 per cent; \$20,000 to \$30,000, 15 per cent; \$30,000 to \$40,000, 20 per cent; \$40,000 to \$50,000, 25 per cent; \$50,000 to \$60,000, 32 per cent; \$60,000 to 70,000, 36 per cent; \$70,000 to \$80,000, 42 per cent; \$80,000 to \$90,000, 46 per cent; \$90,000 to \$100,000, 48 per cent.

The rates of incomes above \$100,000 have not been finally passed upon, but they will be fixed by the time the bill is ready for introduction in the House some time this week.

Under these rates, an income of \$100,000 a year will pay a total tax of \$29,215; an income of \$50,000 will pay \$12,615; an income of \$20,000 will pay \$2,575, and an income of \$10,000 will pay \$965.

A married man, without children, earning \$4,000 a year will pay \$120 to the government as a tax on his income. He will pay only under the normal tax rate of 12 per cent, which, in his case, would be only 4 per cent, because on all incomes up to \$4,000 only one-half of the normal rate, or 6 per cent, is to be collected.

The super-taxes do not begin until the \$5,000 incomes are reached. Hence to figure out what the total tax on a \$10,000 income for a married man, without children would be, the calculation would be accomplished

in this manner:

Six per cent on the first \$4,000 less the \$2,000 exemption, or \$2,000, making the tax \$120; 12 per cent on the amount above \$4,000 and not in excess of \$10,000 or \$6,000, \$720; 2 per cent on the amount of excess of \$5,000 and not over \$7,500, or \$2,500, \$50; 3 per cent on the amount in excess of \$7,500 and not over \$10,000, \$2,500, \$75; making a total of all these amounts of \$965.

The following list will show how the various taxes will be worked out in the case of a married man without children:

On an income of \$3,000 the normal tax will be 6 per cent on \$1,000, or \$60.

On \$4,000 the tax will be 6 per cent on \$2,000, or \$120.

On \$5,000, 6 per cent on \$2,000 and 12 per cent on \$1,000, or \$240.

On \$6,000, 6 per cent on \$2,000 and 12 per cent on \$2,000, with a super-tax of 2 per cent on \$1,000, or a total of \$380.

On \$8,000, 6 per cent on \$2,000, 12 per cent on \$4,000 and a super-tax of 3 per cent on \$500, or a total of \$765.

On \$10,000, 6 per cent on \$2,000, 12 per cent on \$6,000 and super-taxes of 2 per cent on \$2,500 and 3 per cent on \$2,500, or a total tax of \$965.

On \$20,000, 6 per cent on \$2,000, 12 per cent on \$16,000 and super-taxes of 3 per cent on \$2,500; 7 per cent on \$5,000, and 10 per cent on \$5,000, or \$2,575.

On \$50,000, 6 per cent on \$2,000, 12 per cent on \$46,000 and super-taxes of 2 per cent on \$2,500, 3 per cent on \$2,500, 7 per cent on \$5,000, 15 per cent on \$10,000 and 20 per cent on \$10,000 and 25 per cent on \$10,000, or a total tax of \$12,615.

A single man will have an exemption of \$1,000 as contrasted with the \$2,000 exemption allowed married men. For each child in a family there will be an additional exemption of \$200. So if a man with a \$4,000 income has two children, he will pay only \$1,600, rather than on \$2,000, while a single man with the same income will pay tax on \$3,000.

Clarendon is positively the best residence town in Texas. The most refined, cultured people, the best ideals and the broadest spirit of brotherhood and co-operation are incorporated in our citizenship and it does The news good to say so.

On account of the great overflow of young men members of the S. A. T. C. at Clarendon College it is going to be necessary to build barracks for their accommodation. Clarendon is behind the movement and ample finance will be furnished to do the building. Co-operation here brings things to pass.

One Mr. Joe R. Tucker, who has been linotype operator with The News for several months past, skipped out of town last Saturday night and left a number of debts as a parting remembrance with some of our people. The News has tried to help that young fellow and got stung in the effort, along with the others. This is to warn publishers against him. It is at your own risk if you allow him to stay in your office for even one day. So far as we know no one has ever employed him without being stung.

Governor Hobby is a newspaper man, Lieut. Gov. Johnson is a newspaper man, Comptroller Terrell is a newspaper man, and it is enough to make one who loves the fraternity, worry over the effect it may have on lots of other perfectly good newspaper men. Public office is all right for those who aspire in that direction, but we believe that a real honest-to-goodness newspaper man can do more good directing policies of his paper and trying to serve his community than he can in the narrow confines and limitations of public office. The people like us where we are not especially well known, all right, but don't do it boys. Stay with your job.

One of Clarendon's most progressive business men has suggested that as Texas has only one fair this year, being the Cotton Palace at Waco, we ought by all means to select and send down a comprehensive exhibit of Donley County's great agricultural products for the event. It is a very wise suggestion and especially so as Donley County so far outclasses other Panhandle counties in crops this year. Our county agent is just the man to make the proper selection of the products to properly show off what we have to offer the prospector and the live real estate men of this county will be certain to jump at the opportunity of sending along just the printed advertising necessary to make the exhibit pay big returns in attracting new settlers to our county. It means higher priced land, it means more citizens, it means more taxes for the county and it means more business for every town in the county. Farmers, pick up what you know is prize winning products and all the expense necessary to make the exhibit go will be easily and quickly provided.

Just how intense the American people are on the one great subject of winning the war is best attested by the general lack of interest in the outcome of the world's series baseball games which began last week and will finish this week, to decide the championship between the Boston Red Sox and the Chicago Cubs. The bulletins have held little interest for the public who want only late war news and the press reports of the big games have been relegated to the inside pages by the most metropolitan papers of the nation. When an American gives so little heed to the world's series, its time for his enemy to puzzle over what is coming to him.

Some people still cling to the idea that the war will soon be over and the Stars and Stripes will be floating in Berlin. There is not the slightest reason on which to base such an idea. Germany still has more resources and more equipment than the Confederacy had to begin with, and yet we battled against odds for four years. Remember that the odds are just now beginning to turn against Germany and many strong lines of defense are between the allied armies and Berlin. There is no question as to the final outcome of the war. The Stars and Stripes Union Jack and Tri-Color will most certainly float triumphantly over the wreck of the Hohenzollern dynasty, but the earliest we can expect that happy event is at the close of next summer's campaign. No, we must sacrifice, we must suffer, we must fight, before the silver plumed bird of victory perches again upon "Old Glory."

NEW PRESIDENT ELECTED FOR DENVER ROAD

C. M. Perkins of Chicago was elected president of the Fort Worth and Denver City Railway Monday morning by the directors meeting in Fort Worth in annual session. He succeeds Hale Holden, who resigned recently to become regional director of a number of lines out of Chicago.

D. B. Keeler, who for a number of years has been vice president of the road will continue in that capacity and will be the executive officer in Texas, in charge of all corporate matters. S. Kessler, for a number of years connected with the vice president's office, was made secretary-treasurer. He succeeds W. O. Hamilton, who is now acting Federal Treasurer of the United States Railway Administration.

NEW REFINERY NOW BEING ERRECTED IN NORTH FORT WORTH

The Southern Oil Refining Association, Ltd., on August 12th began the construction of their refinery at North Fort Worth. The plant is located right opposite the Texas Company's North Fort Worth pumping station and loading racks and across from the Magnolia Petroleum Company's big refinery.

The plant when completed will consist of two five hundred barrel units. The management expects to have the first unit in operation by November the first and the second unit completed and in operation by January first.

The officers of the Southern Oil Refining Association, Ltd., include banking and business interests and leading oil producers. Every feature of transportation and the sale of finished products have been provided for. The officers of the company are: W. W. Alexander, oil producer and investment banker of Ennis, Texas, President; Geo. W. Dawley, an experienced refiner and marketer of petroleum products, of Fort Worth, Texas, Secretary-Treasurer; Robt. J. Caldwell, president Ennis National Bank, Ennis, Texas, Judge J. C. Smith of Fort Worth, Tex., H. C. McCarter of the Planters Cotton Oil Company, Waxahachie, S. C. Harrell, president Citizens State Bank, Maypearl, Texas, K. G. Stroud, president First National Bank, Italy, are the board of advisors.

Mr. J. M. Erwin of Clarendon is interested in the proposition and is at this time offering some of the company's stock for sale.

COLLEGE CONSERVATORY NOTES

The College Conservatory enjoyed a very auspicious opening and the number of students enrolled during the first week passed the most sanguine expectations. Each department is well represented, and to state that the school of music is an established institution, is to state a fact authentically.

Miss Betts, who has established the Dunning system, is offering to Clarendon a system which is enjoyed by the cinetele of only the largest cities, and it is interesting to note that she is the only authorized teacher of this particular method in the near vicinity. The Dunning system for beginners, has long since been recognized as the most comprehensive course for beginners in existence, and Miss Betts was fortunate enough to study the work with Harriet Bacon McDonald who gave the course to a number of teachers in Oklahoma City during the past summer. The opening enrollment is most encouraging and the authorities are assured that when the patrons of Clarendon College become more familiar with the course, the class will be unusually well attended.

Miss Loeffler, who has been studying in Chicago, has enjoyed a truly successful opening, and the College Hill students have noticed that Chicago did not retain her "million-dollar" disposition, for she brought it with her, with interest.

Mrs. Adams, teacher of voice, reports a splendid opening, and she is busy organizing the Girls Glee club, anticipating a scholarly interpretation of "The Fishermans," by Smart, in the near future.

The department of organ has been added to the college work, and Mr. Shure's schedule was filled up during the first week. The choir has begun work, and after the splendid training they received under the able direction of Mr. Braswell during the past summer, Mr. Shure reports that he never found the singers in such fine shape in the fall, which is a compliment to Mr. Braswell, and a source of pleasure to the congregation. "Sampson," by Handel, is the oratorio which will be given by the choir this year. This is evidence that they have gone just one step upward in the climb to musical notoriety. The organ will be a wonderful asset to the music of the church this year, and no doubt will stimulate a spirit which will lead to unlimited possibilities in a musical way.

Surely no town the size of Clarendon can boast of finer equipment in the way of instruments and talented singers than this splendid institution.

Jim Story was here Wednesday from Slaton where he has been working for the Santa Fe, on his way to Cincinnati, O., to enter the engineering department of the B. & O.

Misses Marian Letts and Rose Muir will leave tonight for National Park seminary, Washington, D. C. They were accompanied by Mrs. A. R. Letts. They will spend several weeks in Louisville, Ky., with Mrs. Letts' mother and sister, Mesdames Winkler and Dorn.

A VISIT IN A HOSPITABLE HOME

Last Sunday the News editor and family in company with A. M. Beville and daughter, Miss DeLaurel, and Miss Myrta Houk

by special invitation enjoyed an old fashioned Sunday dinner in the truly hospitable home of Mr. and Mrs. Len Ballew. The dinner was wonderfully fashioned by the skillful hand of Mrs. Ballew, with all due respect for Mr. Hoover's regulations, and was just such a dinner as can only be provided from the larder and garden of a thorough going and prosperous Panhandle farmhouse.

In view of the performance of some of the guests, this writer is perfectly willing to pass over a detailed description of that hour of destruction wrought at the table. But it's like this, a person may never get a second invitation to dine, so when the opportunity presents itself it is proper to dine.

In the afternoon in company with our host and Mr. Beville, we had the pleasure of going over that splendid farm with its well prepared soil and fine crops. The June corn, the melon patch, the peas, the kaffir and the maize all spoke volubly of the wonderful productive ability of Donley County soil, and is ample reason for the great prosperity of our citizenship.

Mr. Ballew also has some very fine white faced cattle that would be just as much at home in a stock show as on his farm. A day spent amid such pleasant surroundings and with such hospitable people is a great tonic for any town man and all came away with a satisfied feeling that comes only after a bounteous meal in company with whole-souled, congenial people.

Mrs. J. J. Nash left Wednesday morning for Colorado to be with her husband who is threshing up there.

The Voices of the Orchestra

The myriad, melodious voices of the wonderfully modern orchestra yield the greatest witchery in music. The soft smoothness of the violins—the soulful cellos—the whining saxophones—the agile, dancing clarinets and flutes—the noble majesty of the French horns—the comical buffoonery of the oboes and bassoons—the martial fire of the trombones—the full-throated double-basses, and the cymbals, triangles and drums—all these and many others have their message for you in the modern orchestra. In marvelous reality you can hear and recognize each of their voices in the composite voice of

The NEW EDISON "The Phonograph with a Soul"

Their familiar, characteristic timbres come to you clear and clean, laughing, bantering one with the other, blending in the marvelous tone-pictures that the genius of the master-musicians calls forth. Yet so faithfully are they Re-Created that each stands alone—each voice has its story for you if you will but listen.

Come, and we will be glad to Re-Creat for you, whenever you wish to hear them, the great orchestral masterpieces.

THE CRIME OF THE AGES AND A COMPROMISE PEACE

Twelve million men, mostly young men, have been killed or permanently disabled in the German-made calamity from which humanity is now suffering.

The number exceeds by two million the population of Norway, Sweden and Denmark.

If all the men, age 21 and over, in the New England states and New York, New Jersey, Pennsylvania, Ohio, Indiana and Illinois were killed or permanently injured they would be about equal in number to the men all ready sacrificed in this manner to German's desire for world domination.

Over 134 billion dollars have been diverted from the constructive uses of peace to the destructive uses of war. No human mind can comprehend this sum. It would take 2,550 years to count it at the rate of one hundred one dollar bills per minute.

Concentrate for a few minutes upon the magnitude of this crime of the ages.

Picture the millions upon millions of people to whom it has brought hardship, hunger and pain. Think of the total sum of sorrow and grief that has come to the bereaved millions. Consider the moral and physical degradation which the war's pitiless poverty has wrought. And also, remember the wholesale destruction of property and art which it has taken the toil and sweat of generations to produce.

Visualize the battle-front where the precious blood of our own heroic sons is sinking into the sacred soil of France mingled with that of other free men who are offering up their lives for the honor of happiness of generations yet unborn.

And then ask yourself what kind of a "peace" do we want?—temporary or permanent? A peace bought by barter or by victory?

Shall there be no restitution, no retribution, no punishment, no disarmament, no guarantee against a recurrence?

Or shall the outlaw be conquered, apprehended and restrained—and his power to renew his murderous career forever taken from him?

The insistent cry for a "compromise peace" from the friends of the enemy at home and abroad will gain in volume as the war goes on. Get your answer ready NOW.—Equitable Public Bulletin.

ASHTOLA NEWS

Will Pickering made a business trip to Clarendon Saturday.
Mrs. Harvey's father and mother were visiting at Mr. Harvey's this week.
C. L. Parsons' brother of Sherman stopped over Sunday to stay a few days with him, and while here they motored to Lelia Lake.
Bill Bates is here for a few days visiting friends. The crops look good to him, he says. I believe he wants to come back to Donley County.
The Methodist meeting closed Sunday after being in progress for one week, the Rev. Mr. Foote conducting the services and much interest being manifested. Much good was accomplished for the people of this community.
Dixie Scarbrough of Goodnight and Miss Jessie May Johnson of Ashtola were quietly married Sunday evening in Goodnight, the ceremony being performed by Rev. Mr. Reed of that place. The groom's parents are highly respected citizens and are held in high esteem in that community. The bride's parents have been living in Ashtola for several years and are widely known in Donley County and are highly respected. We wish them a long, happy and prosperous life in the journey which is before them.

NO TRESPASSING.

The public is hereby notified to keep out of the Bugbee pastures under lease to Benson and Singleton, as hunters, trappers, fishermen, picnickers wood haulers and others will be prosecuted according to law. Spd-1919. T. B. Preston, Mgr.

THIS MAN SAYS HIS WIFE WEIGHED ONLY SEVENTY-SIX POUNDS

After Suffering Twenty-five Years She Takes Tanlac And Gains Twenty-nine Pounds—Not Like Same Person

"My wife has gained twenty-nine pounds and now we just set back and talk about the happy days Tanlac has brought us," writes L. A. Beaty of Seimer, Tennessee in a letter dated July 18th, to the Tanlac offices.

"I just want to say that I have no doubt that Tanlac saved my wife's life," his letter continues, "and now the future looks as bright as silver dollars to us. Twenty-five years ago she was given up to die and I have been told every year since that time that she couldn't live. I have tried everything—traveled all over the country with her—and spent great sums of money, but nothing did her any good. She had run down to where she weighed only seventy-six pounds.

"I saw Tanlac advertised, bought it for her and she soon commenced to pick up, and now she weighs one hundred and five pounds,—has actually gained twenty-nine pounds. I wish you could have seen her before she took Tanlac and then see her now, you wouldn't take her for the same person. Before, she couldn't do anything, but now she does all her housework and tends to her flowers and a yard full of chickens besides.

"I can prove what I say is true by my county officials and lots of other good people. You may know it makes me feel good to see my wife well and enjoying life after suffering for years and I honestly believe that Tanlac is the best medicine on earth. I'm just a walking, talking booster for Tanlac because of what it has done for us and I have been the cause of many others taking it. Later on I may tell you how I happened an old friend's house and recommend it to him. He had given up, but he's O. K. today. This can be proven, too. Well, I could write columns and then not tell half. But let me say again I believe Tanlac is the greatest medicine on earth and I will answer anybody's letter and tell them just what I have written you."

Tanlac is sold in Clarendon by Stocking's Store; in Hedley by J. F. Tomlinson Drug Co., and in Jericho by O. C. Brown.

Notice Of Application For Probate Of Will

The State of Texas, To the Sheriff or any constable of Donley County—Greeting: You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of the notice in the County of Donley, State of Texas, and you shall cause to be printed at least once each week for the period of ten days exclusive of the first day of publication before the return day hereof:

Notice of Application for Probate of Will.

THE STATE OF TEXAS,
To all persons interested in the Estate of Jerome D. Stocking, deceased. Sarah M. Stocking has filed in the County Court of Donley County, an application for probate of the will of Jerome D. Stocking, deceased, which will be heard at the next term of said Court, commencing the 1st Monday in November, A. D. 1918, at the Court House thereof, in the town of Clarendon, Texas, at which time all persons interested in said Estate may appear and contest said application should they desire to do so.

Herein Fail Not, But have you then and there before said Court this writ, with your return thereon endorsed showing how you have executed the same.

Given under my hand and the seal of said Court, August 27th, A. D. 1918.

J. J. ALEXANDER,
Clerk County Court, Donley County Texas,

Mrs. D. C. Sullivan and daughter left Sunday for Palm Beach, Cal., where they will spend the winter.

FIGURES ARE FACTS

Figures compiled by Tot, a weekly paper published by the soldiers at Fort Totten, on the soldier's chances of life make an encouraging exhibit. The summary is as follows:

"Has twenty-nine chances of coming home to one chance of being killed.

"Has twenty-eight chances of recovering from wounds to two chances of dying.

"Has only one chance in 500 of losing a limb.

"Will live five years longer because of military training.

"Is freer of disease in the army than in civil life.

"Has better medical care at the front than at home.

"In other wars from ten to fifteen men died from disease to one from bullets.

"This war is less wasteful of life than any other in history, although the contrary opinion prevails."

Americans have already got well away from the idea, so industriously cultivated by the pacifists, that going into military service meant going to a certain death, or at least, a permanent loss of health, says a Buffalo paper. The cheerful crowds of young men who have marched through Buffalo's streets for the last few nights, on their way to camp, were not thinking of death and wounds.

Neither were the cheering crowds of friends who bade them good bye. The boys nowadays are all being sent away with a smile. It is a smile of hope as well as of patriotism.

The soldier is willing to give his life for his country if that should be necessary, but he is not entering the service with the depressing thought that it is going to cost him his life. He is expecting to come home again and to share the honor with

K. C. STOCK MARKET

Kansas City Stock Yards, Sept. 9, 1918—Cattle supply today was the largest of the season, with 37,000 head, market generally 10 to 25c lower, no prime steers here. Hogs sold 15 to 25c higher, top, \$20.05, receipts, 10,000. Sheep and lambs sold 25c lower, best western lambs, \$17.00.

Beef Cattle

Steers sold around 25c lower last week, except the best fed steers which were firm, and made a new high record here at \$18.75; other sales of good fed steers from \$18.00 up. Good grass steers have some competition from feeder buyers and range from \$14.50 to \$17.00, medium weight grass steers, \$10.50 to \$14.00, common light southern steers down to \$7.00. This makes a range of prices on beef steers almost \$12.00 between the lowest and highest, which is the widest range ever known. Cow prices declined 25 to 40c, medium, \$7.50 to \$9.50, canners selling today around \$6.00. Calf receipts here last week were larger than in any previous week at this market, 15,766 head, but prices held up pretty well and are around steady today, veals, \$10 to \$13.50.

Stockers and Feeders

Country trade was good last week, shipments out 26,000 head, best grades steady, but others 25 to 40 cents lower. Prices are again lower today on most grades, feeders selling at \$10.50 to \$15.50, stock steers, \$7.50 to \$12.50.

Hogs

Kansas City prices were highest in the west last week, tops here selling higher than at either Chicago or St. Louis after the middle of the week, although the close was 25 to 40c below the highest point reached. Prices are up again today, order buyers and packer buyers both paying \$20.25 for best heavy and medium hogs. Top on light hogs was \$20 and bulk of sales ranged from \$19.20 to \$20. There is a good pig demand, and a great many stock pigs are coming, sales of desirable ones today ranging from \$16.50 to \$18.25. Average weight of all the hogs here last week was 169 pounds, the lightest in several years, indicating a large number of pigs and common hogs included.

Sheep and Lambs

All the markets had declines last week on both fat lambs and feeders. Sales are lower today, best western fat lambs at \$17, and natives \$16 to \$16.50, best feeding lambs, \$16.75, a large string of Arizonas today at \$16.25. Fat ewes sell at \$10 to \$12, wethers \$11.50 to \$13.00, feeding ewes, \$8 to \$9. Good runs are expected to continue and a tendency is toward more discrimination with a wider range of prices on the various grades more like it is in the cattle market.
