## GOV. FERGUSON IS IMPEACHED AND OFFICE BARRED

The last act of the impeachment proceeding against Governor James E. Ferguson of Texas was recorded on Tuesday, when the senate high court of impeachment pronounced judgement, removing Mr. Ferguson from office and disqualifying him from holding hereafter any office of "honor, trust or profit" in Texas, by a vote of 25 to 3.

An all-day fight was made in favor of a more moderate penalty. A minority report providing simply for removal from office with no disqualification from holding future office was tabled by a vote of 17 to 10.

A majority report offered by Senator Bailey, which would limit the disqualification to a term of five years, was defeated by a similar vote. An amendment which would have given to some future legislature the power to restore full citizenship was ruled out on a point of order. The court then adjourned sine die.

The verdict is effective immediately. Hobby is now governor instead of acting governor.

### RED CROSS NEWS

County Court being in session this week, the Red Cross work rooms were not available. The work will be resumed on the regular days next week—Tuesday, Thursday and Friday, from 2:30 to 6 p. m., as usual.

Bring Christmas Cheer Bags to court house Friday, 28th inst., 4 to 6 p. m. A committee will be in the hall at the top of the back staircase to receive them.

Mr. Whitfield Carhart was elected a member of the executive committee of the Donley County Chapter at the meeting of the committee on Tuesday last week.

Authority to form auxiliaries of the Donley County Chapter was granted to the Goldston neighborhood, Giles, Presbyterian ladies, and the Orthonian Literary Society of Clarendon College, at a meeting of the executive committee, on Friday of last week.

A letter received from National headquarters in regard to a shipment of surgical dressings and hospital garments made under the direction of what was then the auxiliary at large, states that these articles were entirely satisfactory. New rulings in the making of these supplies were also sent to the Chapter.

All members of the American Red Cross are urged to aid in every way possible in the second Liberty Loan campaign, which begins Oct. 1st and continues throughout the month. The chairmen of the Red Cross Chapters throughout the state have been made chairmen of Liberty Loan committees in their respective jurisdictions.

A refund of 25 per cent of the war funds collected during Red Cross Week, June 18 to 25, has been received by the Donley County Chapter to purchase materials for Red Cross supplies.

The Red Cross booth will be on the street next Saturday, as usual. Donations and memberships are solicited. Help your Red Cross, and do your "bit" for the good cause.

The ladies of the Eastern Star gave an equipment (\$20.00) for one soldier to the Red Cross Chapter this week.

Patrons of the Red Cross are asked to pay their subscriptions, now due.

## ATTENTION, MEMBERS OF THE PIG CLUB

All boys who are members of the Pig Club of Donley county are expected to bring in their pig and record book, Saturday, September 29, to Clarendon.

This contest will be held at the Fair Grounds, beginning at 1:30 o'clock, and it is earnestly desired that all the boys will be present.

Mr. and Mrs. L. L. Taylor motored to Jericho Sunday.

Have your eyes fitted with glasses and enjoy the long evenings by reading. We guarantee satisfaction. Goldston, jeweler and optician.

## DONLEY COUNTY BOY IN U-BOAT BATTLE

The following letter from Guy Pierce to his parents, Mr. and Mrs. S. A. Pierce, tells of his two visits to France and his participation in a battle with German submarines. So far as we know, this is the first Donley County boy to see battle service against the Germans. He is on the U. S. Transport Henderson.

U. S. N., Sept. 9, 1917.  
Dear Father and Mother and Sisters and Brothers:

Have just returned from my second trip to France. Sure glad to get in. It was stormy all the way across. Coming back we had quite a battle this time, off the coast of Brest, France. It lasted one hour and a half. There was a whole nest of subs waiting for us. We were fired at, and by zig-zagging quick we didn't get hit, the torpedo going astern of us about ten fathoms. There were five transports and eight torpedo boats, and we kept up a continual fire for one and one-half hours—some battle, believe me—but we escaped unhurt. We expected to get hit every minute. We sank two subs. We would fire at every little wake in the water, and we had to cool our guns several times, they got so hot. I am sight setter in a gun crew. I receive all orders from the spotting officer and set the sights. The scale runs up to 100, and ranges to 12,000 yards. I enjoy hearing the big guns bark and rare. We stayed five days in France this time. When we started back, one day off the coast, we ran into a storm that lasted four days. It is 40 feet from the main deck to the water's edge, and the big waves came over the deck. The whole four days we liked to have frozen to death. The ship rolled 35 degrees; that lacks five degrees turning over.

I will tell you the truth; we catch the devil in the war zone. We stand watch, four hours on and four hours off, and work the four off. When we got to France it had been thirty-two hours since I had had any rest, not even to sit down. We are lucky any time out at sea to get three or four hours out of twenty-four, so you see, it is not child's play. Lots of the boys fall to pieces. You have got to have a constitution like iron. It is below zero at sea, and blows like the dickens all the time. You are wet half of the time, but you must stick to your gun. I don't know why it is, but I am getting fatter all the time, and salty as any sailor. When you stand four hours' watch there is a thick scum of salt all over your face, from the spray that is hitting you in the face.

They had a field day this trip and I won first on rope climbing, which was three dollars prize money, and third in potato race, \$1.00, and second in bag race, \$2.00, so I made six dollars—we had lots of fun.

I enjoy going to sea, even if we do catch the dickens. There was a petty officer told me that I would spend several four-year enlistments in the Navy. He said he never saw a fellow like me yet that didn't serve from 10 to 30 years in the service. I still like it and am getting hardened to the life. I may say "ship ahoy" and "aye, aye, life. Thank God, there isn't one drop of "slacker" blood in me. I can't sir" many a time. I would like to get on a torpedo boat on patrol duty in the war zone, but can't get a transfer off the "Henny."

You said in your letter that you was glad I was on a ship like this; you

don't think it as dangerous as some. Is is the most dangerous ship in the Navy, but that is what I like. We will be in more foreign active service than any ship. We go all the time.

Don't you worry about me making a failure. I am in the Navy to make good, and make good I will. I am here to stick till the war is over anyhow, and I may try to buy out, which will be an easy thing to do. I still have a "cow-punchin' hankering," and it comes pretty strong sometimes, but I may travel the seas the rest of my stand to look at a young fellow without a uniform any more. I am taking boxing lessons from an old sea-dog now. I will be a fighting son-of-a-gun when I get out of the Navy. There was a wealthy Frenchman that

took me and another sailor out to his ville-de-chant—that is, house—and gave us a fine French dinner. He had two pretty girls that could speak pretty good English. They sang and played the "chikru" (guitar). We sure had a time. They told us to come to see them every time we could, the girls especially. They sure treated us fine. I am sure glad the crops are good after all. Hope you get 50c for cotton. Tell everybody "hello," and to join Uncle Sam, for we are going to "get" the Germans. Tell them to come to the Navy. I. B. isn't big enough to join, for it is an awful hard life, but that suits me. We landed in the same place in France—St. Nazaire. Kisses to all. Your sailor lad. GUY.

### MASS MEETING

There will be a mass meeting at the Pastime Theatre Saturday morning at 10 o'clock, in the interest of the second Liberty Bond call.

Since the ladies are organized along the same line, they are especially invited.

Let all who can be present at this meeting. J. H. O'NEALL, County Judge.

Mr. and Mrs. Ed Womack, after a visit to J. M. Warren and wife, have returned to their home at Moran. They will stop at Camp Bowie and see the soldier boys.

## FERGUSON CANDIDATE IN SPITE OF VERDICT

Former Governor James E. Ferguson gave out a statement Tuesday styled "Some of the causes of my attempted impeachment," accompanied by a copy of a resignation dated Monday, in which he announces for a third term for governor. He takes the position that his resignation precedes the pronouncing of formal judgment, therefore, he was not governor when the judgment came and could not be impeached; also that disqualification can not apply to him and he announces for a third term.

The former governor then called attention to his activities in securing tenant legislation; to his efforts to secure adequate support for the common schools; to his interest in textbook measures and the passage of the Gibson bill and a full-crew law, all of which, he alleged, brought down upon him the political enmity of various interests which combined to bring about his impeachment. Mr. Ferguson also reviewed briefly University affairs, along lines heretofore published, closing his statement with the announcement of his resignation filed with Secretary of State Sept. 24 in order "that I might be free to go to the people and lay in detail the facts to which I have referred herein in the full assurance and hope that I will be vindicated and returned to the governor's chair, once more to become their humble servant."

Mr. Ferguson's resignation as filed with the secretary of state follows:

To the Hon. Churchill J. Bartlett, Secretary of State of Texas: In order that I may have sufficient time and proper opportunity to present the merits of my candidacy for office of governor of Texas for a third term, and in order that there may be no interference with the right of the people to elect me to that office, which belongs to the people, I hereby tender this, my resignation as governor of Texas, same to take effect immediately.

I take this action only because I have been reliably informed that the senate of the state of Texas is attempting to pass some pretended and illegal order or judgment for the purpose of preventing the people of Texas from electing me governor for a third term and to prevent my holding said office by virtue of their election.

Witness my hand this the 24th day of September, A. D. 1917. JAMES E. FERGUSON.

## THE SING-SONG-SOCIAL LAST THURSDAY NIGHT UNQUALIFIED SUCCESS

It would be hard to imagine a more complete success on the first attempt than was the Sing-Song and Social last Thursday night on the Court House lawn for the benefit of the local Red Cross organization. Owing to the fact that there was a carnival in town, there was some deflection of the crowd, yet hundreds came, engaged in the singing and bought liberally of the numerous booths that invited the patronage of the attendants.

The songs were led by R. Deans Shure, director of the music department of Clarendon College, who led an orchestra as accompaniment from the band stand. The crowd was in a jovial and patriotic humor and sang with proper zest such songs as "America," "Star Spangled Banner," "Old Kentucky Home," "Juanita," "Dixie," "Old Black Joe," and other old time melodies.

The total receipts of the booths on the ground were just a little over \$127, which will be used in the work of mercy of the great Red Cross organization. More Sing Songs will probably be had next spring and summer.

### PART OF JA RANCH SOLD

A deal was closed last week whereby E. D. Harrell and J. B. Gamble buy between fifty and sixty sections of the JA ranch, across the canyons.

On the land bought is two camps, each purchaser getting one of these. Mr. Gamble gets the old camp, which has a great historical setting, and around which much of the early history of this section was enacted. It is the place that Mr. Adair and Col. Charles Goodnight first landed when they came into the Panhandle many years ago, and was their headquarters for many years. Both of these men had much to do with the early history of the Panhandle and both were true empire builders. Mr. Goodnight is still living on his ranch near Goodnight, where he settled after dissolving partnership with Mr. Adair.

The JA ranch, now owned by Mrs. Adair of London, originally consisted of 700 sections of land. This has been materially reduced in size during the past few years, Mrs. Adair selling off a number of smaller ranches and opening up a considerable section to farmers.

The 60 sections involved in this deal was known as the JJ ranch, being a distinctive branch of the JA and was the part upon which all of the pure bred and registered Herefords were kept. The JJ ranch was the breeding place for the bulls of the JA ranch and contained many of the finest animals ever brought to this section.

Mrs. R. P. Wilson, who has been visiting in Seattle, Wash., visited in Clarendon a few days the past week, with her brother, W. B. Sims, and family. She was accompanied to her home at Nashville, Tenn., by Miss Cassandra Sims, who attends school in that city this year.

Revival services will begin at the Methodist church Sunday at 11 a. m. and continue for ten or more days. Rev. Frank M. Neal of Amarillo, the conference evangelist for the Northwest Texas Conference, will do the preaching. Prof. Ed G. Phillips will conduct the music.

Bro. Neal is a preacher of rare ability, and one of our most successful revivalists. His success at other places inspires us to hope for the very best results here.

Prof. Phillips is one of our best chorus leaders, and a revival singer of large experience. Besides, he is one of the best personal workers in a revival.

A cordial invitation is extended to all to attend these services. The people of all the churches are especially invited to attend and enjoy these meetings. J. W. STORY, Pastor.

The proceeds from the "Sing-Song and Social" entertainment netted the Chapter \$127.80.

A vast fund, now aggregating a thousand million dollars, has been assembled by an Act of Congress to stand back of the farming and business interests of the country.

This fund is the Federal Reserve Banking System, of which we are a member, and it enables us better than ever before to supply our farmers with the credit and currency they need for producing crops and to protect them against disorganized markets.

#### KANSAS CITY STOCK MARKET

Kansas City Stock Yards, Sept. 24.—Cattle received today were 39,000 head, which, in connection with combined receipts at the five leading markets amounting to 123,000 head, 20,000 head more than on any day last fall, made a very weak feeling, sales mostly 25 lower. Hogs today 4000, nothing choice, top \$18.95, but choice hogs worth \$19.00. Sheep and lambs today 14,000, market slow and weak, receipts practically all feeders and breeders.

#### Beef Cattle

Strictly prime cattle are not affected by the outpouring of middle and low grade cattle today, and the quotation of \$17 or a little better still applies to top notch finished steers. Kansas grass beef steers range from \$9.50 to \$13 in most cases, Oklahoma \$7.50 to \$11.50, Texas \$10 to \$11.90, Northwest Nebraska \$10 to \$12, Colorado \$9 to \$11.25, Idaho and Oregon \$9 to \$11.50, odd head recently \$12.50, Utah \$9 to \$10.50. The entire range country is busy shipping, hence the extraordinary large supply offered today. Butcher grades sell at \$6 to \$10, veal calves up to \$13.25.

#### Stockers and Feeders

Shipments out last week were 24,000 head, rather light in view of the run of 81,000 cattle, prices firm at the start, but 25 to 40 lower at the finish, stock steers \$6.75 to \$10.50, feeders \$8.75 to \$11.50, choice fleshy feeders up to \$15. There is a good demand today, through prices are 10 to 25 lower.

#### Hogs

The top paid today, \$18.95, was not the limit of the market, choice hogs being worth \$19.00, medium weights \$18.90, lights \$18.80. Receipts at all points are very light, but extra strong competition centers at Kansas City, keeping prices here a little above competing points, and higher than Chicago, much of the time. A feature here is the big trade in immune stock hogs, and the keen demand for pigs on the yards from owners of immunizing plants, such pigs selling out of first hands at \$16.50 to \$17.25. Good corn weather strengthens the demand for immune shoats, except from some dry parts of Texas, few pigs are being offered for sale.

#### Sheep and Lambs

The market is off a dollar per cwt. since the middle of last week on lambs, not as much on breeding ewes. Some good feeding lambs sold at \$17.50 this morning, and some Arizonas were unsold at noon, held at \$17.25, ewe lambs \$17.50. Choice western fat lambs are worth around \$17.50, plain natives today \$16.90. A string of Montana breeding ewes, good mouths, sold this morning at \$16, feeding ewes worth \$10.50 to \$12.00.

# FOUR PERFORMANCES AT THE PASTIME THEATRE

Thos. H. Ince's Masterful Photo Drama

## "CIVILIZATION"

Friday and Saturday Sept. 28-29 Matinee and Night

"Civilization" is a \$1,000,000 production. In its creation 40,000 persons and 6,000 horses were employed in the mammoth war spectacles, and in the stricken nation's clamor for preparedness. The United States Navy co-operated extensively in the pictured slaughter of men and vessels at sea, this section of the greatest of all filmed dramas being created from a mimic battle that continued for 27 minutes. Every engine of modern warfare as employed in Europe today is shown, including 2,500 feet of submarine operations.

This wonderful drama is worth going many miles to see. It is thrilling from start to finish, and gives the observer some idea of what is transpiring in the world war now in progress. The scenes portrayed, to be described in print would fill many large volumes. You should see it and get some idea of the realities that are transpiring daily on the high seas and the battle fields of Europe.

#### MUTILATED BELGIAN CHILDREN IN U. S.

The following article tells of the awful condition of little Belgian boys and girls who have recently landed in America to spend the remainder of their apparently wrecked lives in the "land of the free."

A few days ago nine cars loaded with mutilated Belgian children passed over the Union Pacific railroad to an improvised home. They were in charge of the Red Cross nurses.

At Cocatello, Idaho, a delegation with Dr. R. J. Skaaf was permitted to pass through the coaches and all came out weeping. Those poor little Belgian boys and girls had had their hands chopped off by the brutish Germans and the boys had been unsexed.

Germany is now clamoring for a status quo peace that declares the war a draw fight and puts everything back to where it was in July 1914, so that a few years later, after Germany recuperates, the war can be fought over again and more children have their hands chopped off by the brutish fiends, more Red Cross hospitals bombed, more nurses butchered, more women and children drowned and more maidens ravished under a free hand license from a carnal beast. Never. The Texas farmer was right when he declared he would rather his son go to heaven from the battlefields of France than to go to hell in America talking peace for the great red dragon that would come here to mutilate our children.—Idaho San Poll Eagle.

That "bear-fight" Ferguson invited Dr. Vinson to, didn't end in a dog-fall, at least.

The Lockney Beacon has just celebrated its sixteenth anniversary, and is beginning its new year in larger and better quarters and with more modern equipment. The Beacon's rays are growing stronger and we wish they may never be dimmed.

Sam Harben, capitalist-publisher of the Richardson Echo, accuses us of being "puffed up" over our new property, The Clarendon News. Well, yes, Sam, we plead guilty. It "jes nacherly" puffs up a central Texan to live out here anyway.

Jim Ferguson is lawless to the end. Even after his impeachment and disbarment from office, he issues a statement declaring that he is a candidate for a third term and will be elected. Whether governor or private citizen, "Jeems" is for "Jeems," whether it accords with law or not.

Since school has begun all autoists should drive with extreme caution in the neighborhood of the schools. Just a little caution may be the means of saving an accident liable to result in the loss of a young life and endless regret and self-reproach on the part of the driver. Better be careful than sorry.

Ferguson's boast that he "didn't have to answer," that he "was governor," had a different ring to it than his final plea for acquittal before the state senate. No man who holds public office can afford to assume the attitude that he owns the job. The people own all the jobs and their servants fall when they forget it.

The repeal of the law creating and locating the West Texas A. & M. takes that troubleome question out of its tangle for the present. Only a small minority of Texas citizens are satisfied with its location at Abilene under a clouded title, and by the time a new law can be enacted and another locating committee appointed Abilene and other towns have opportunity of strengthening their cause.

As further evidence that the cause of woman's suffrage is falling, like other fads, into disrepute, Mrs. Robert Lansing, wife of the Secretary of State, at Washington, has accepted the secretaryship of the national organization opposed to woman suffrage. Residents of Washington have been forced to view such a series of disgraceful and traitorous spectacles at the hands of those suffrage-located, female tomboys, that hundreds of leaders of this nation who formerly viewed suffrage for women with passive acquiescence, have now boldly and bluntly repudiated this illogical and inhuman propaganda.

A preacher, editor or teacher who fails occasionally to stir up some opposition falls woefully short of his mission in life. Now that doesn't mean to stir up strife for strife's sake, but that men in those three positions especially represent the higher and nobler elements of life and if they are true to what they profess and believe they are certain to rub the fur the wrong way now and then. We wouldn't give a hang for an editor that was so soft spoken and perched so securely on the fence that he never said anything that anyone could take offense at. It speaks well for an editor and his paper to have a certain class aching against him occasionally. Right always has the opposition of wrong and any member of the three named classes of men don't count for much unless wrong spots him.

Ferguson got what he deserved, all right, but the sad feature of the case is the shameful notariety which is attached to his family for the remainder of their lives. They are innocent of any wrong doing, but must suffer with him. It's the old moral law; one cannot sin except others suffer with him—and the others are usually innocent.

The grand jury in Wilbarger county calls on the officers and people for a rigid enforcement of the Sunday laws. There is a growing sentiment for sabbath observance and we are glad that Clarendon garage men have agreed to close for nearly all the day on Sunday. This is a step in the right direction and when its benefits are tested we hope that they will stay closed all day on Sunday. Other business is in the same boat and it is hoped that officers will not have to force observance of our good laws.

It requires something like \$250 to properly exhibit Donley county's agricultural products at the State Fair at Dallas. This cost will include all freights, hauling, and incidental expense. Up to the present time County Agent Kennedy has collected some ribbon winning products, but has only a little over \$60 raised to defray the expense. This is to notify patriotic and loyal citizens of this county that you will be given an opportunity in the next few days of donating to this worthy fund. It means much to old Donley, and we must not fail in so good a work.

It is easy to hear any sort of rumor these days, but we think the most foolish one we have ever heard of is the one that the Government had been insisting on home canning of fruits and vegetables with the intent of later confiscating it to feed the soldiers. Why can't people understand that this Government is the fairest and most honest on the face of the earth and could not be guilty of such an act. The people have been urged to can everything possible in order that less would have to be bought at the stores, leaving a larger surplus on the market to be used by the Government in feeding her troops. Don't be afraid of the old U. S. A. If she takes anything you have, you'll get a fair price for it.

NOTICE TO DEBTORS  
This is due notice to all who know themselves to be indebted to me or the City Garage to call and settle at once, as I have sold same and the garage will now be conducted by Mr. L. C. Jones. If I am not in, Mr. Jones will have the accounts and is authorized to receive and receipt all money due me.  
If you have an account against me, present it on the first day of October and it will be paid.  
Thanking you for your patronage and asking a continuance of the same for Mr. Jones, I am,  
Yours sincerely,

### HAPPENINGS ON COLLEGE HILL

The high school football team came over Wednesday evening and played the college second team an interesting game, lasting three quarters. While errors were made on both sides, it was soon seen that both teams had some excellent players. The game ended with a score of 12 to 6 in favor of the high school. The stars for the high school were Mead, Hudgins and Bourland, for the College, R. Saunders, Doughty and Ray. If the high school keeps up its present efficiency, we are looking for two champion teams to have Clarendon as their home.

The K. O. Club had its first party of the year at the home of Rev. J. W. Story. There was never a dull moment during the time spent and all agreed that it was the happiest affair of their lives. The Club will long remember the generosity of Misses Beatrice and Lucy Story. Those present were Messrs. Rainey, Noble, Wilson, Scoggins, Young, Yarbrough, Dean, Thompson, Sanders, Cockran, Gribble, Condon, Boger, Neblett, Hilburn, Oxford, Clary, and Misses Dowell, Webb, Jones, Porter, B. Story, L. Story, Livingston, Avery, Noble, Hilburn, O. Hedrick, I. Headrick, Parmer, Crane, Carhart, and Mesdames Gribble and Boger.

The new furniture for the Boys' Hall has arrived and been installed. The new parlor has been fitted up with a number of chairs and settees of finish to match the interior woodwork. New tables and dressers have been installed in most of the rooms. This, together with the recent installation of steam heat makes the new hall beyond improvement.

Rev. Burton of the Baptist church held exercises last Saturday morning and gave an interesting talk on the subject that is new, yet as old as Adam, "Try, Try Again." It can never be repeated to us too much for it is something that is hard to over-do. We are resolved to attack our problems this year time after time until they are solved.

Last Saturday was the anniversary of Mrs. R. G. Boger's birthday. She received many surprises. Her husband and Mr. Gribble, unknown to her, prepared a little supper in her honor. The boys of the dormitory bought her a nice box of chocolates. All wished her many another happy birthday.

**THE FIRST NUMBER ON THE COLLEGE LYCEUM PROGRAM IS MISS ANNIE THERESE DEVAULT**

Probably no reader has aroused more genuine enthusiasm or given such deep enjoyment as Miss Devault with her appealing charm and rare versatility. With keen insight and sympathetic appreciation of the foibles, humors, joys and tragedies of everyday life, she has made human nature her study as well as books and plays. She truly reflects the inner life of the characters she depicts. Gifted with a voice of wonderful range, rich quality, and a dramatic instinct that makes her characters fairly live before her audiences, Miss Devault gives an evening's entertainment which critics are unanimous in pronouncing unique among Lyceum Events. Return engagements are an indication of Miss Devault's success, and in many cities her readings are annual events of general interest. Don't get in a rut and begin to stay away from the things you need. Buy a ticket to the Lyceum immediately.

### REMARKABLE SBMARINE VIEWS IN "CIVILIZATION"

Scenes Actually Taken in Government Undersea Craft by Special Permission

Thomas H. Ince's great film spectacle, which comes to the Pastime Friday and Saturday, Sept. 28-29, contains many remarkable photographic scenes showing warfare in three phases, in the air, on land and under the sea. There have been a number of successful war pictures showing battles on land, and even in the air, among them "The Birth of a Nation," but "CIVILIZATION" is the first film venture of pretentious type to show scenes under the sea. The principle episode in "Civilization" is a marvelous reproduction of the sinking of the Lusitania by a German submarine. This scene was made possible through the co-operation of the Navy Department in Washington, which permitted the use of one of the Government submarines anchored on the Pacific coast near Los Angeles. Thomas H. Ince, producer of "Civilization," purchased a huge freighter from one of the Pacific steamship lines, filled it with hundreds of men, women and children—all of them expert swimmers, and sunk the boat in mid-ocean. The illusion on the screen is perfect, as well as intensely dramatic. One sees all the horrors of the Lusitania tragedy which shocked the civilized world several years ago. Nothing like it has ever been attempted either on the stage or with the camera. This scene alone makes "Civilization" a remarkable attraction, although it is but one of the many similar episodes that are bound to make the most popular entertainment of its kind ever produced in Clarendon.

### PANHANDLE EXHIBITS WIN IN PEORIA FAIR

The Panhandle acquitted itself well at the International Soils Products Exposition at Peoria, Ill., by winning thirty-six blue or first-class prizes, twenty-eight red or second-class prizes, and fourteen white or third class prizes—a feat which was not duplicated by a single other sectional exhibit at the mammoth international gathering of members of the agricultural family. This infor-

mation was received in a telegram from Dr. O. H. Loyd, who, with Mr. Dammier, is in charge of the exhibit. The record made brings not only singular credit to the Panhandle of Texas as being the best agricultural producer in the world, but it helps to sustain the good agricultural reputation which Texas has borne until this year. It gives Texas added prestige and additional laurels. The Board of City Development at Amarillo received the following tele-

gram from Dr. Loyd Wednesday:

"Panhandle received following premiums at International Soil Products Exposition after complete announcement of award today, viz: Thirty-six blues, on wheat, emmer, beans, peanut, sorghum, peppers, watermelons, corn, kafir, dourro, onions feterita, sudan grass, pumpkin, squash, cucumbers and maize; twenty-eight reds on emmer, feterita, millet, onions, maize, collective fruit, wheat, beans, peanuts, sorghum, turnips, cauliflower, rutabaga, apples, plums, quinces, corn, rye, watermelons and alfalfa; fourteen whites, on beans, maize, apples, feterita, onions, egg-plant, potatoes; and the Panhandle booth more premiums than awarded any other state; congratulations to the people of the Panhandle."

The telegram should bring joy to the heart of every person in the whole Panhandle, and especially to the citizens of the various co-operating counties, who sent to Peoria the all-Panhandle exhibit, under the joint auspices of the immigration bureau of the Board of City Development and the Panhandle-Plains Exhibit Association.—Amarillo News.

## The New Fashions

Are Going Out Briskly and Other New Fashions Come in to Take Their Place in the Style Show

Assortments are extensive and varied. We never had so many in any other style show—this accounts for the ease and satisfaction in choosing.

The Annex has long been the wonder of the retail ready-to-wear business throughout the Panhandle, the volume of business done is truly remarkable. As the volume increases assortments grow in proportion. So, today, patrons of the Annex will find more fine suits, coats and dresses than usually comes in a whole season—and still they come, more and more each day.

There are hundreds here ready now for you to step into, and at almost any price you want to pay.

There's the practical serge dress we hear so much about in scores of variations—serge and satin, serge and crepe Georgette dresses that appeal more particularly to certain tastes; there's the frock that is serge, all serge and nothing but serge, and there's one that seems to rejoice the more, the more it has of ornamentation.

In other words, serge frocks are legion and their ways are many and they are priced accommodatingly at the way from \$9.50 to \$49.50.

### Nearly all the Coats

Have large cape-like collars that may be muffled up close when desired. There are lots of fine black plush coats, some with fur collars, and there are more and more coats of pompom, Bolivia cloth, broadcloth, etc., and coat prices range from \$19.50 to \$98.50.

### Some New Millinery Fashions

For little folks have just come. Most of these are of velvet, all very interestingly fashioned for the little girl. Prices range from \$1.50 to \$4.95, with the majority of pretty styles around \$2.50.

### Beetroot Broadcloth

Another charming new shade very high in popular favor—\$2.50.

### Velvet Shapes \$2.45---Special

A big assortment of velvet shapes are on sale at \$2.45, and some of these are worth nearly double the sale price. Very little trimming is required to make really smart hats of these. See them in the Annex Monday.

### Ethiopian Brown Broadcloth

A very rich and popular color for suits, dresses and coats; 50 inches wide, at \$2.75.

### Taupe Broadcloth

A leading favorite with many, and takes well to lively bits of trimmings.

### Navy and Black Broadcloth

Beautiful chiffon weights in 50-54 inch cloths—\$1.50 to \$4.50 a yard.

Yet, they're MILD!

### "CIVILIZATION" COMES TO PASTIME THEATER SEPT. 28TH AND 29TH

Upon Thos. H. Ince, producer of the great film spectacle, "Civilization," which will be shown at The Pastime Friday and Saturday, Sept. 28 and 29, has been conferred a most unusual honor. President Wilson invited Mr. Ince to Shadow Lawn that he might personally congratulate him on his remarkable achievement in creating such a monumental work as "Civilization."

After Mr. Ince returned to New York, he received the following patriotic sentiment in the President's own handwriting:

The nations of the world must unite in joint guarantees that whatever is done that is likely to disturb the whole world's life must first be tested in the court of the whole world's opinion before it is attempted, and the United States must be ready to join in the guarantee and back it up by her whole force and influence. Settled and secure peace can be made sure of in no other way when the present war is over.

WOODROW WILSON.  
 Mr. Ince has added the President's message to "Civilization" in the form of an insert, and together with a portrait of Mr. Wilson, it will assuredly increase the widening interest now expressed in "Civilization" as one of the greatest object lessons in humanitarianism ever offered to the world.

Arthur Sims and J. C. Patterson have gone to Fort Worth and will be engaged in the moving picture business at Camp Bowie. The resignation of Mr. Sims at the post office has caused a change with that organization. Herbert Baker has been promoted to the place as assistant postmaster occupied by Mr. Sims, and George Clifford accepted the vacancy made by Mr. Baker.

M. E. Kizziar and son, Ernest, have returned to Roswell, N. M., on account of the illness of their daughter and sister. They have been visiting R. B. Kizziar and family.
