LIBRARY NOTES

By Mrs. C. A. Burton

Reports from various hospital libraries under the Veterans' Administration attest to the value of reading to the patients—and this statement which enumerates quite a list of benefits closes with this statement: "It is felt that much has been accomplished where a patient has been pointed successfully to his local public library as

a source for continued reading after discharge from the veterans hospital."

The Book Club has given us two more books—"The Return" by Margaret Rhodes Peattie—a beautiful little war-time classic, and "Lady in Waiting" by Roy Gallagher—a laughable, human story.

W. L. White, author of "They Were Expendable," is finishing another book about his trip to Russia. His last book was "Queens Die Proudly"—the story of a Flying Fortress.

This picture was taken at a field hospital just behind our lines in Burma. The patient is one of our brave Chinese allies, Run Sha Lun. Operating, left to right, are Lt. Col. Phillip G. C. Bishop, East 73rd St., New York, and Maj. Roland W. Hipsley, 140 West 54th St., New York. Administering American blood plasma is T/S Elmer J. Lustjen, Cole Camp, Mo. Run Sha Lun caught a Jap shell fragment through the head, losing his eyesight. He also sustained wounds in the left thigh and forearm. Note the makeshift operating table of a stretcher set up on four tree branches. Our men and those of our Allies who fight beside them receive the best medical care in the world which is made possible by your purchase of War Bonds.

"Forever Amber," has an advance printing of 275,000 copies, and despite the Hays Office announcement that the historical novel about Charles II would not be acceptable as film fare, she has been offered \$100,000 for the movie rights.

original radio production of the year.

Lawrence Stallings, author of one of the greatest theatrical hits of World War I, "What Price Glory," has written a novel of this war about the Marine to be called "The Streets Are Guarded."

Gertrude Atherton, the California novelist whose stories many of you will remember, was 87 years old in October and has just finished a 100,000 word history of Northern California, and is hard at work on another book. She may be writing a war story, judging from her recent statements that "Germans are a nation of fools" because they have always wanted their thinking done at the top—and of Japan she continues, "They are barbarians, they don't belong on this planet at all."

Betty Smith, author of "A Tree Grows in Brooklyn" has completed 30,000 words on a new novel. She lives in Chapel Hill, North Carolina in a house she always wanted—and often wondered what a person would have to be to live in such a house. It is an old Southern mansion which she bought 15 minutes after it was put up for sale.

OPA TO HELP LOCATE CARS

Holders of certificates for the purchase of new cars can get help from the Office of Price Administration in locating that automobile, that Agency announces. Any certificate holder having difficulty in laying hands on a car is urged to write OPA, Inventory and Control Branch, Empire State Building, New York 1, N. Y. The

records of that office will be made available to assist the buyer in locating an automobile.

At the same time OPA will require all automobile dealers to post lists of their current inventory of 1942 cars held for sale and dealers who refuse to sell to a buyer who has the cash and required papers may be barred from dealing in any cars rationed now or in the future.

SULLIVAN-CONNALLY

Announcement has been made of the marriage of Miss Vashti Sullivan to Fred C. Connally. The ceremony took place in Dallas last Saturday morning.

The bride is a daughter of Mrs. Nellie Sullivan of San Antonio and the groom is the son of Mr. and Mrs. T. F. Connally of this city.

The couple will make their home here in Clarendon where the groom will be connected with his father in the grain business.

WIN ONE S. S. CLASS

Mrs. J. T. Patman entertained the members and guests of this class at her home Monday afternoon when they met in a business and social meeting. After the business meeting lovely refreshments were served to the following guests: Mrs. Annie Maud James, Mrs. Fred Connally; class members, Mesdames C. D. McDowell, Van Eaton, Lon Rundell, Geo. Palmer, Tom Connally, Bill Patman, H. W. Hanks, Will Johnson, A. A. Mayes, Weatherly and the hostess. The class presented Mrs. Palmer with a going-away gift.

1930 NEEDLE CLUB

Mrs. Nora Decker was hostess to the Needle Club at her home Tuesday afternoon. The usual work of knitting and sewing was enjoyed for several hours. At the social hour, Mrs. Decker served lovely refreshments to Mesdames Maggie Hunt, Ona Tatum, Mary Wallace, Dollie Wilson, Emma Ayers, Mildred Larimer, Edna Russell, Mozelle Wright and hostess Nora Decker. The club will meet at the home of Mrs. Russell, Nov. 21.

David Johnson of Amarillo spent the weekend at home here.

KAPPAS HAVE CHINESE PARTY

The members and pledges of the Kappa Kappa Sorority were entertained Wednesday afternoon with a Chinese party in the home of Marilyn Maher. The hostess wore the conventional Chinese costume; the guests removed their shoes upon entering and were seated on the floor.

Mary Ann Bromley related interesting Chinese customs. "The Changs of China" by Clark was reviewed by Mary Nell Hanks.

Chow min, rice cakes, and tea were served by the hostess. The pledges gave an informal demonstration by eating rice with chop sticks.

Those attending were: Beverly Stricklin, Kathleen Grady, Ruth Patman, Betty Rhodes, Marilyn Bartlett, Klyda Wilson, Melba Ruth Grady, Dorothy Tatum, Helen Porter, Mary Ann Bromley, Edna Lou Lamberson, Betty Jean Brown, Mary Nell Hanks, Alma Jo Mosely, Jean Porter and Mrs. Rufus White.

JUNIOR BEAUX ARTS CLUB

The Junior Beaux Arts Club met in the home of Yvonne de Vlaming Thursday, Nov. 2, 1944, with Lucille Wallace co-hostess.

All business, both new and old, was attended to. Johnnie Johnson's withdrawal from the club was accepted and Faye Kidd was elected as reporter in her place. The programs for the following year were read by Miss Howren. La Voise Armstrong was elected librarian. The club decided to have a food sale just before Christmas and give the proceeds to the American Red Cross.

After the business was taken care of the program was based over to Peggy Wiedman, the chairman. The program was based on poems and songs of World

Wars I and II. Peggy read the poem "We Shall Not Sleep" by Lt. Col. John McCray during World War I. Marilyn Maher gave a talk on the change of poetry of World War II and she also read a selection of war poems by Jack Kerill. Katherine May led the group in the singing of some of the songs of World War I. Names and authors of songs of World War II were read and the group was directed in the singing of the songs by Cora Lee Muse.

The president took charge again and the meeting was adjourned to meet at Faye Kidd's home in December.

Lovely refreshments were served to Billie Howerton, LaVoise Armstrong, Cora Lee Muse, Elizabeth Mauldin, Peggy Wiedman, Katherine May, Faye Kidd, Pat Alverson, Marilyn Maher, Miss Howren, sponsor, and the hostesses Yvonne de Vlaming and Lucille Wallace.

1926 BOOK CLUB ELECTS OFFICERS

The 1926 Book Club met in the home of Mrs. Rolle Brumley Tuesday afternoon with Miss Maurice Berry assisting as hostess.

During the business session, the following new officers were elected:

President, Mrs. Rolle Brumley; Vice-President, Mrs. Bill Bromley; Recording Secretary, Mrs. Bill Thornberry; Corresponding Secretary, Mrs. Nellie Hoggatt; Treasurer, Mrs. Lloyd Shelton; Parliamentarian, Mrs. Chas. Lowry; Federation Counsellor, Mrs. Gordon Stewart.

Two short stories, given in an interesting manner by Mrs. Rayburn Smith and Mrs. J. R. Porter, furnished the program for the afternoon. Mrs. Smith kept the club spell-bound as she told "A Likely Exchange" by Jessamyn West. The setting is in Indiana with a Quaker background, but the climax is reached in an exciting horse race. Mrs. Porter gave an Indian story, "The Buck in the Brush" by Charles L. McNichols. This author writes of Indians of today. Having been reared on eleven different reservations, he is able to write authentically.

A delicious refreshment plate was served to Mrs. Joe Goldston, guest, and the following members: Mrs. C. E. Bairfield, Mrs. E. S. Ballew, Mrs. Bill Bromley, Mrs. L. N. Cox, Mrs. C. M. Lowry, Mrs. C. B. Morris, Mrs. Frank Phelan, Mrs. Lucille Folk, Mrs. J. R. Porter, Mrs. W. E. Ray, Mrs. L. T. Shelton, Mrs. Rayburn Smith, Mrs. W. C. Thornberry, Mrs. B. G. Watson, Mrs. Frank White Jr.

QUILTING CLUB

The Quilting Club met with Mrs. Charles Longan as hostess. They met and organized. Officers elected were president, Mrs. J. T. Sykes; vice-president, Mrs. Donald Harlan; Sec., & Treas., Mrs. Earnest Lamberson; Reporter, Mrs. A. B. Stephens. Mrs. Junior Spier and Mrs. Al Word were elected to be the membership committee.

A covered luncheon was served at the noon hour to those present: Mrs. J. T. Sykes, Mrs. Charles Blackburn, Mrs. Arthur Davis, Mrs. Earnest Lamberson, Mrs. Al Word, Mrs. Junior Spier, Mrs. Donald Harlan, and Mrs. Fred Easterling. Mrs. A. B. Stephens and the hostess, Mrs. Charles Longan.

One quilt was quilted and the next meeting will be with Mrs. Al Word on Nov. 14th.

—Club Reporter

ASHTOLA NEEDLE CLUB

The Ashtola Needle Club met Thursday, Nov. 2nd at the Club-room for an all day quilting. Two quilts were quilted.

Several came early and brought covered dishes and the ladies enjoyed quite a feast at the lunch hour.

Ten members and one visitor were present for the quilting. Ima Wallace was the visitor. Members present were as follows: Elizabeth Graham, Sue Rhoades, Johnny Poovey, Etta Watkins, Donne Henders, Anna Tomlinson, Vena Hudson, Julia Spranger and the hostesses Laura Mahaffey and Lillie Knox.

BIRTHDAY PARTY

Mrs. E. D. Koen entertained with a birthday party honoring her grandson Truett Koen on his 9th birthday at her home Monday afternoon. Each little guest brought a nice gift.

Games were played until Mrs. Koen served the lovely birthday cake and punch to Lewis Johnson, Hubert Kidd, Lois Ann Darby, Jerry Swinney, Jo Carrol and Glen Mace, Olen Jean Heckman, Bill Dale Hill, Chas. Anderson and Truett Koen.

BUSY WOMEN

This S. S. Class met in an all day business and social meeting in the Fellowship room at the Methodist Church Friday. A quilt was quilted and a covered dish luncheon was enjoyed at the noon hour. Quite a number were in attendance.

Church News

FIRST CHRISTIAN CHURCH L. Guy Ament, Pastor

The Fellowship Supper last Thursday night was considered by all a very splendid evening together and much good accomplished in a full understanding of our plans. Attendance was counted good.

Our services next Sunday will be at the 11 o'clock hour and the evening hour at 7:30. We had a record breaking attendance at the Bible school hour. May it be maintained with gains as we continue.

The Wednesday night service will be at 7:30, Bible study and devotional hour.

Thanksgiving Union services will be in the First Christian Church. Bro. Upchurch of the Baptist Church will deliver the sermon. May we make it a splendid service by all joining in the Thanksgiving spirit together.

Mr. and Mrs. Glen White of Shamrock were here to see the football game Friday evening.

RED CROSS VOLUNTEER SERVICE

Mrs. C. A. Burton American prisoners of war in Germany refer to themselves as Kriegies—an abbreviation of the German word meaning war prisoner—a word of sixteen letters which they found too hard to pronounce.

At one camp the American prisoners of war issue two newspapers, "The Kriegie Times" in the Center Compound at Stalag Luft III, and "The Circuit" from the South Compound of the same camp. Copies of both have been sent me through Home Service and I shall be glad to show them to you. Distribution in the prison camp is made by posting them on a bulletin board on the cookhouse wall. They are typewritten with the headlines lettered in.

From the editorial of "The Circuit" I quote: "Through these composite pages, we endeavor to bring you greetings from a community of Americans, and to show you the temper of our existence. It is not our wish to decry our position any further than to offer a smile for worried next of kin. Suffice it to say that speakers, musicians, writers, artists, actors, men who were none of these, but are learning to be—all are using these days to build a world of mind that embraces tolerance and ability to work together."

The paper contains notices of the various activities of the camp.

Both Protestant and Catholic services are held each Sunday. The Protestant chaplain is a Scotsman, captured while serving with the British paratroops in Africa. Besides the Sunday services he has a discussion group and Bible study class and teaches a session in psychology and philosophy. The Catholic Priest conducts a weekly ethics class besides the Sunday services.

Music ranks high in entertainment value for all POW's. There are bands and choruses, sing-songs and various types of musical instruments.

The cookhouse wall is by custom the bulletin board. Kriegies rely for their news on the German newspapers and a Reich loud speaker recently installed on the cookhouse wall. Since only a small number of the POW's can read German, important items are translated into English.

From the regular Prisoner of War Bulletin comes the news recent measures taken for the relief of American prisoners held by Japan include a weekly shipment of 80,000 multi-vitamin tablets and a plan to permit each American held by Japan to cable his family once at the expense of the U. S. government. The vitamin tablets are mailed in small four-pound packages. There is, as yet, no positive proof, that they are reaching their intended destination but their value would be so great that the risk is worth taking. There are approximately 45,000 American prisoners in Europe and some 1,000,000 Allied prisoners.

Mrs. T. Bugbee of San Berdino, Calif. is visiting her son, Tom Bugbee at Claude and relatives in Clarendon.

Rufus White has been transferred from Ft. Benjamin Harris to Ft. Sam Houston and says quite a few of the Clarendon boys are there, much to his enjoyment.

Frank White Sr. returned home Sunday from a visit with his son and wife, Mr. and Mrs. Harold White at Galveston.

Rev. and Mrs. Hanks left Wednesday for Sweetwater where they are attending the Northwest Texas Conference.

Rev. and Mrs. G. T. Palmer are attending the Northwest Texas Conference at Sweetwater this week.

Mrs. Sam Lowe and son Billy left Thursday morning for Dallas taking her mother, Mrs. Akins home and for a weekend visit.

Mrs. W. T. Lowe has gone to Wichita Falls for a two weeks visit with her daughter and family, Mr. and Mrs. Roy Broadway.

Mrs. Marjorie Harlan, who purchased the J. T. Hoy property on East 4th Street is completing arrangements this week for the opening of her Floral Shop.

Mr. and Mrs. A. B. Turner moved this week from their place on East 4th Street to Lee's Apartments.

Trotter Takes Up Extension Directorship

Donley County Agent, Charles Reed, received official notice that Dr. Ide P. Trotter was chosen director of Board of Directors, and assumed the duties of the office on November 1st. He is the sixth regular incumbent. He had served as professor and head of the Agronomy Department of A&M College since 1936.

He succeeds to the position made vacant in August, 1943, with the termination of the directorship of H. H. Williamson, now agricultural consultant to the Office of Price Administration, Washington. James D. Prewit, selected last December by the College Board as vice director and state agent, became acting director at that time in place of George E. Adams, who had served in the same capacity after Mr. Williamson's services were terminated. Mr. Prewit remains as vice director and state agent.

Dr. Trotter announced that E. C. Martin, acting vice director and state agent since December would become assistant state agent "and assist me in correlating the work of our large and efficient staff of subject matter specialists." He added that Miss Maurine Hearn, vice director and state home demonstration agent, "will continue to assist me in the direction of the women's work throughout the state."

"The large opportunities and responsibilities which lie ahead are fully appreciated," Dr. Trotter said. He expressed "deep appreciation" for the privileges of "re-joining the forces which are carrying sound agricultural education to farm people." It is the plan, he said, "to continue to serve the agricultural interests of Texas with the complete existing organization and plans of work."

Dr. Trotter was born in Tennessee and received the B. A. degree from the Mississippi College, Clinton; a B.S. in agriculture from Mississippi A&M College, and the doctor of philosophy degree from the University of Wisconsin graduate school. He had 13 years experience as cotton and field crops specialist with the Missouri Extension Service before joining the Texas A&M College faculty.

Frankie Hommel is visiting homefolks this week. She is attending school at W.T.S.C.

Famed Rocket Gun Puzzles Germans

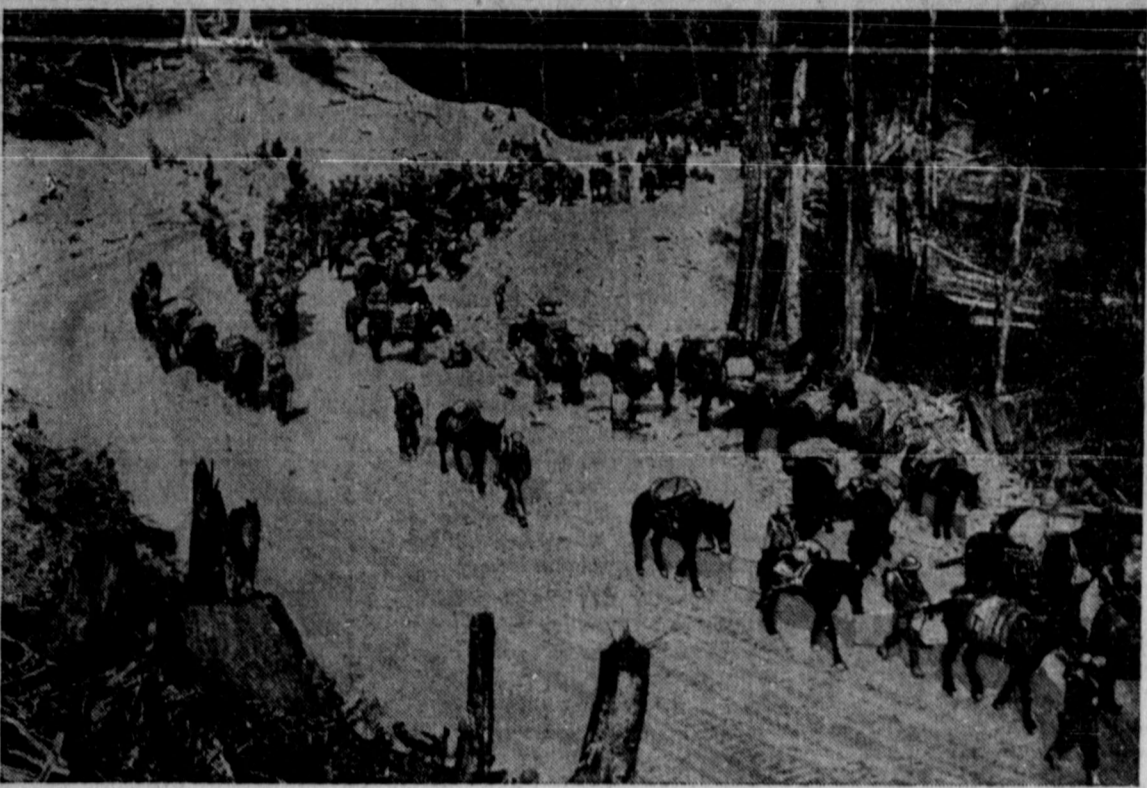

The first question asked by German prisoners who were captured in Southern France was: "What is that weapon you use that spurts flame from its rear?" "Evidently the German forces fighting in the South were green troops, for they spoke in reference to the Bazooka, the famed American rocket gun which has made history from Africa to India," said Captain R. M. Smith, commanding the Pantex Ordnance Plant, Amarillo, of which Certain-teed Products Corporation is prime contractor.

Designed originally as an anti-tank gun, the Bazooka has been used by front-line soldiers effectively against machine gun nests, pillboxes, and even fortified houses. It is handled by a two-man team, loader and gunner. It weighs little more than an ordinary rifle and can be used everywhere. The Germans fear it more than they fear our artillery, and some have referred to it as mobile cannon.

The newest version of the Bazooka, the M-9 Folding Bazooka, is normally carried as a two-piece unit and can be easily and quickly assembled for firing. It has a new stock and is somewhat longer than the M1A1. The two-piece model is easier to carry through jungle terrain or for dropping with paratroops.

In commenting on the Bazooka, Capt. Smith said, "It is a weapon when carried in the hands of a soldier, that can destroy any enemy tank on the battlefield today."

Up the Burma Road Go the Yanks

Here are some of our boys moving up the newly opened Burma road on their way to show the Nips what it's like to be up against the American Army. The Germans have already found out and now it's the Japs' turn to learn the hard way. Lend your dollars to Uncle Sam by buying more War Bonds so that the war in the Far East may be over that much sooner. From U. S. Treasury

Lon Rundell went to Wichita Falls Tuesday night on business.

Redell Henson is spending his furlough visiting homefolks.

Mr. and Mrs. Noel Harvey and son Gene of Petersburg, Texas, spent the week end here visiting with friends and relatives, before leaving for Hot Springs, N. M. where they plan to spend the winter.

Mr. and Mrs. J. P. Davis of Howe, Texas visited in the home of Mrs. C. C. Gilbert the first part of the week.

Mr. and Mrs. Lowry of Canyon spent the weekend visiting their son and family, Mr. and Mrs. D. Lowry.

CORRIDOR COMMENTS

Didn't we see Bert Barns with Delene Blair Hallowe'en? Could the old flame have come back to Bert?

Say, regarding a foursome going to Wheeler last Friday. Didn't they bring back some lovely souvenirs? Graham surely must have driven slowly. You should have seen him when he left town.

Why has T.U.D. suddenly turned "Republican" in civics class? Could she need a good grade? Well, teacher told her just where she stood.

Can't Barbara Bell stay out of the football fence?

Sue Smith seemed to be doing pretty well Hallowe'en night. Did you have a good time, Sue?

Why can't Allie Mae Goodman give up hope and stop chasing a certain football hero?

J. R. Morgan surely was blitzing around last Tuesday night.

Weren't there some certain people around the McClellan house Hallowe'en night? Harry was that you on the search? Did Bell get lost? Tell us the score.

Louise seemed to be having trouble Saturday night. She was seen talking to five different boys and had a date with two others.

What were LaVerne Darden and Billy Ray Graham doing riding around on the Memphis and Brice highway Hallowe'en night with Bell driving? After the Midnight show?

Why are two certain girls we know here looking forward to the Memphis game? Could it be because one of them has rated her car. Yes, that's exactly it.

Why was Faye Kidd so mad at her little sister Tuesday night? Could it be that Faye was stood up and he went with Ruby? I think they got together after the midnight show though and everything is alright again.

There are some certain girls around the Campus who are terribly blue. Seems some boys left last Tuesday to go to Oklahoma. Have you had a letter, girls?

What certain trombone player and what certain clarinet player serenaded what certain teacher Wednesday night?

Tommy Saye was very disappointed when he found that he could have gone to Wheeler. Too bad, Tom, maybe next time.

Betty was certainly in a daze last Wednesday morning. Was it Hallowe'en or Lee?

What were the kids in Treva Nell's car doing Hallowe'en night? Billye and Boo had a very guilty look on their face at the Hallowe'en midnight show. We wonder why?

Elise and Bobby Parker were seen together Sunday night. Did you have a good time?

By the way, Calvin was "stepping out" Sunday night also. The girl's name? You find out.

A boy from Goodnight was a little mixed up last Wednesday night. Two girls are too many for one night anyway.

Why was Melba Ruth's hair oily on one side Wednesday? Jack sure wears a lot of hair oil, etc. Everybody is happy. "Dot"

heard from Jack, "McB" from Jerry, and "Elise" from Bill.

Why did two certain Junior girls want "Bobby Parker's Fire-Heels" to play Goodnight last Monday night?

We hear "Little Spot" has a new class ring. Quite a collection, eh?

What do you think of all of the people that have been converted into Republicans?

Flash!! Saye catches all.

1918 Armistice 1944

Can you remember peacetime? Can you remember the noisy joy-filled throngs that celebrated the Armistice Day that ended World War I? We're celebrating that Armistice today—embroiled in World War II. And this is a different war: a peoples war in which every civilian wages a fight. This war is going to be a fight to the finish of totalitarian, fascist power-lusting. This war is going to end with a more glorious Armistice than the last—because when this war ends, liberty's torch will be flaming brightly, and she'll hold her head high—forever.

Notice Cotton Farmers

The last straw that broke the camel's back is a familiar fable to all of us.

The compresses in this area are requesting the cotton farmers and

gins to co-operate with the compress to reduce the number of large bales being sent to compress. Compress machinery was designed for 500 lb. bales which is U.S. standard weight. Compress machinery can handle bales ranging in weight from 400 to 600 lbs. but prefer the 500 lb. average bale.

gain this year the compresses have been receiving a large number of bales weighing over 600 lbs. with more breakdowns.

Ceiling Prices, Hogs
OPA announced effective October 30, 1944 ceiling prices on hogs weighing less than 240 lbs. has been raised to 270 lbs. for ceiling price 14.75 per cwt., Chicago basis.

WEEKLY CROP LETTER

Donley County Agent, Charles Reed has received the following report for the week ending October 27.

Labor for feed harvest and tractor drivers is still in demand in the Panhandle Wheat area. Counties wanting this type of labor are: Hartley, Ochiltree, Sherman, Gray, Randall, Hemphill, Hutchinson, Oldham, Briscoe, Castro, Hale, Parmer and Swisher. Service men are harvesting feed in Dallam, Armstrong, and Potter counties.

All counties in the High Plains Cotton Area need cotton pullers. This need varies from 400 in Hockley County to 3500 in Lamb County.

Cotton pullers are urgently needed in all of the major cotton producing counties of the Rolling Plains Area. Pulling is near the peak in Hall County. Cotton will be sledged in Collingsworth County if additional labor does not come in.

Cotton pickers are still needed in all of the North Texas blackland counties, and in most of the central part of this area. However, the situation is much better with 70 percent of the Dallas, 60 percent of the Ellis and 75 percent of the Lamar county crop picked. In the central part of the blackland, Bell county reports 70 per cent and Falls county 40 per cent of the cotton crop picked. Labor is needed in several counties for feed harvest.

Rice harvest has passed the peak in Orange county. Jefferson county needs additional rice harvest labor. Cotton pickers and pecan harvesters are wanted in Wharton county.

Tomato harvest is under way in Webb and Zapata counties. A shortage of irrigators exists in Zavala county.

TICKET TO KANSAS CITY LEFT HERE FOR SOLDIER USE

If you know of a soldier that is going to Kansas City and can use a ticket, he can get one here at the Leader office.

Cpl. Chester A. Myers of Ash-tola received a change in orders while at home and had no use for the ticket, so he left it with us in case some soldier was going that way and could save that much money.

There's a Shortage of Copies of The Dallas Morning News—But NOT of Our Desire to Serve!

The crucial shortage of newsprint paper has forced a curtailment of the supply of copies of The Dallas Morning News to our dealers in this county. Only a small part of regular shipments is possible until we are permitted by Government Authority to increase our consumption of newsprint.

Distribution for the present will be made from drug stores and newstands, unless your agent can arrange otherwise.

We realize, with deep regret, that some of our old-time readers are not able to get copies of The News. We trust they will understand and bear with us while we're making every effort to restore service.

In the meantime, although many patrons will not have The News delivered to them temporarily, their names are still on The Dallas News' Big Book and we look forward to serving them again.

Thank you.

A FAMILIAR FIGHTER AND ITS SUCCESSOR

This high altitude photograph shows a comparison between two Army fighters in the Cobra series. At the top is the well-known P-39 Airacobra, manufactured by Bell Aircraft Corporation, and in the foreground is the newly announced Kingcobra. The new Army fighter has improved altitude characteristics, combat radius and rate of climb.

M/SGT. MARCUS PUTMAN NOW IN FRANCE

Following allied ground forces in the race toward Germany, Havoc light bombers, the Ninth Air Force weapon of ground support and medium bombardment, have moved to France. With them went the aligned units of the Ninth Air Force Service Command. The Service Group under command of Lt. Colonel Ray Fisher, Karlsas City, combined in maintenance and supply of a tactical organization of the two-engine aircraft, moved from the United Kingdom with ton upon ton of heavy equipment, all of which is designed to sustain Havoc missions now into the heart of the Reich.

Master Sgt. Marcus Putman, Bayside, Texas, son of Mr. and Mrs. Marcus Putman of Clarendon, is a member of the service unit now in France. His training in service and maintenance, combining technical and tactical experience has gone into the group which has been commanded by numerous superior headquarters and recommended for the battle

star as having participated in the assault of Europe.

United Council of Church Women Give Report On Clothing Drive

The Emergency Clothing Drive for the relief of the destitute in war-torn countries, sponsored by the United Nations Relief Administration closed two weeks ago. Churches of all denominations took part in this most worthy project and the United Council of Church Women worked as an organized unit, in its behalf; and throughout the country were responsible for splendid contributions. The Church Council of Clarendon and many friends sent a total of 715 garments, weighing 661 lbs. Every garment was examined and packed according to the regulations specified. Those garments which could not be used (shoes in particular) were turned over to the Red Cross Emergency Relief, so any one and every one contributing shared in helping someone unfortunate.

Deep appreciation for the splendid interest and response is expressed by Mrs. Millard Word, president of the Council, and especially to the students of Clarendon High School and Junior College, to Mr. Frank Phelan who offered his pickup for his company

workers, Mr. Allmond and Mr. Bingham, and Rev. Ellis who tied all the 22 cartons, and for each council member who helped with the sorting and packing, and to all connected in any way towards making this drive a success.

"We are especially appreciative to the Donley County Leader," Mrs. Word stated, "in their cooperation in helping us reach people throughout the county."

MOST BOX MATCHES TO ARMED FORCES

Hold that light, mister, will continue to be the popular phrase in coming months, according to a War Production Board report which states that about 90 percent of all penny box matches and 25 per cent of all book matches produced in the next six months will be delivered to the armed forces. Although few penny box matches will be available to civilians during this period, matches of the household "strike anywhere" type will be produced in sufficient quantity to meet all civilian needs, WPB said.

"We hope it won't be long before Daddy comes home. Wouldn't that be good news? But to Daddy the best news will be that he'll get his old job back when he comes home. Then we'll all be happily united again."

Yes... every one of our men and women on leave with our fighting forces can come back to us. And that can't be too soon for us. It will be a happy day when they rejoin our organization, again helping to serve the peacetime natural gas needs of the Gulf South.

New Medical Examiner Appointed

Capt. F. C. Buffington has been appointed chief of the Flight Surgeon's examining unit at Patterson Field, Ill.

An aviation medical examiner who has been assigned to Station Hospital, Capt. Buffington succeeds Capt. Elias D. Peelle, who has left Fairfield Air Service Command for another assignment. In his new position Capt. Buffington supervises all physical examinations of officers and enlisted men for Headquarters, Air Service Command, FASC and the base.

Capt. Buffington came to Patterson Field in May of this year from Randolph Field, Texas, where he completed training in the School of Aviation Medicine. Prior to his studies there he was stationed at Jefferson Barracks, Mo.

The new appointee entered the army July 8, 1942. He was engaged in private practice in Norman, Okla., his home city, before that date. A graduate of the University of Oklahoma medical school, he interned at Wisconsin General Hospital, Madison, Wis. He is married to the former Eunice Griggs, formerly of Clarendon.

NOVEMBER TIRE QUOTA INCREASED

The November quota of new automobile tires allocated by the War Production Board will be 1,850,000 or 250,000 more than in October, it is announced by the Office of Price Administration and War Production Board. "As near as we can tell, this quota should satisfy normal November replacement needs of eligible "B" and "C" ration holders," Max McCullough, Deputy OPA Rationing Administrator said. He pointed out that the ration quota this month makes it "clear that recapping will still be necessary for most motorists if they are to keep their cars in operation." Unfilled "B" and "C" tire applications, needed increases in dealer inventories and a higher production rate are required before "A" ration holders can expect new tires.

PAPER SHORTAGE TO CONTINUE

The public can expect no relief from existing paper shortages until about the middle of 1945 because of the heavy wartime requirements of newsprint, magazines and book paper and the manpower shortages in this industry, the War Production Board reports.

26th ANNIVERSARY

1944

As we reach the twenty-sixth anniversary of Armistice Day our thoughts turn to the Unknown Soldier in Arlington Cemetery and the sacrifice he and thousands of other Americans of our generation made to beat back hordes of Germany making their bid for world domination under kaiserism.

Today, our sons are engaged in the business of meeting in the breach a new generation of that same ruthless foe, again seeking to bend to their will the freedom-loving nations of the world. The gangsters of Berlin and Tokyo would set the clock back a thousand years and condemn our children and our children's children to a servitude which would be unbelievable did not the peoples of Poland, Czecho-Slovakia, Manchuria and the Philippines, and other nations under the Axis heel provide the most heart-rendering of testimony.

Against this ruthless totalitarianism we of the United Nations have mustered the might of decent people everywhere in a grim determination to smash once and for all the recurring threat to all we have and are.

Both the Japs and Nazis have been catching it hot and heavy lately—and so many Texans are in the fight that even the enemy never knows when one will turn up. So many Texans are serving in the Royal Canadian Air Force (they joined before the U. S. entered the war) that some corres-

pondents refer to it as the "Royal Texas Air Force." Incidentally, Sgt. Steve Hourihan, son of Mr. and Mrs. J. T. Hourihan of Balmorhea, has set some sort of a record in this war. A mechanic and gunner aboard a B-24 Liberator flying from Southern Italy, he has completed 300 combat missions and helped drop more than 13,000 tons of bombs on the enemy. His group has two presidential citations.

J. W. Woodward of Athens has been returned to the U. S. after 18 months in the Southwest Pacific, where he was twice wounded and awarded the Purple Heart and Oak Leaf Cluster. Lt. Charles Brandon of Pecos, assistant operations officer of a B-24 Liberator

group in England, has completed 100 missions in only 140 days. That's flying! And word comes now that Pvt. Frank Lozano of Manor, who has been missing in action since July 31, is a prisoner of war in Germany.

Most American anti-aircraft units have had little actual fighting during the sweep across France into Germany, due to the fact that few Nazi planes dared oppose our air fighters, but the unit of Corp. Bill Ammons Jr., of Lefors, is an exception. That outfit has shot down several German planes, and is still on the move toward Berlin.

Capt. Irby Dyer of Monahans, a bomber pilot stationed in Italy, has won an unusual distinction. For several months he has worked in close collaboration with Yugoslav airmen. Now he has been made an honorary member of the Yugoslav Air Force, and wears the RYAF wings in addition to those given him by Uncle Sam. Dyer is a former Pecos attorney.

From Briggs, Texas, comes news that Mr. and Mrs. Kyle Smith have been notified that their son, Pvt. Floyd B. Smith, was slightly wounded in fighting inside Germany. But he expects to recover in time for the march into Berlin!

New Plasma Technique For Wounded

A new technique has been developed in combat areas whereby blood plasma is administered in four places in a man's body simultaneously, in order to get it into him quickly enough to save his life, it was reported in a General Electric Science Forum address here by Lieut. Allan A. Fisher, U. S. Navy surgeon assigned to the Schenectady Red Cross blood donor center.

"One bottle of plasma is fed into each arm and one bottle is fed to the patient in each leg," said Lt. Fisher. "That should give us some idea of the importance of speed in administering plasma."

"I know of many traumatic shock cases where if plasma is administered within 45 minutes a life is saved. An hour would be too late," he pointed out. Lt. Fisher has seen extensive combat service in the Mediterranean theater and wears the Purple Heart for a wound received in combat.

As many as 10 pints have been required to save the life of one man, according to Lt. Fisher.

"Cases using two and three pints are not at all uncommon," he explained. "As a matter of fact, because of this, new packages are being made up with full quarts of plasma rather than pints because a pint is so seldom enough to do the job."

LT. T. E. BONNET NOW CAPTAIN

Lt. T. E. Bonnet of Tulsa, Okla., has been promoted to the rank of captain at the Army Air Forces Tactical Center. This airbase is a combination of aerial college and demonstration course and it is here that new combat tactics are devised and countermeasures are developed against new enemy tactics.

Capt. Bonnet is assistant chief of the special services division at the Orlando, Florida base and directs AFTAC's War Information Center, which supplies military personnel with news and other material on current events. The WIC shows war films and arranges lectures by military personnel recently returned from overseas to relate their experience

Every 17 seconds (day and night) a vitally needed car is junked

THE DANGER LEVEL in number of automobiles in use is rapidly approaching. Out of 30,000,000 cars, 6,000,000 or one in every five have already disappeared from the highways. And of those remaining, more than 5,000 every day go to the scrap heap!

Says the Office of Defense Transportation: "Private automobiles must perform three-fourths of the essential local wartime transportation service. . . Street cars, buses, and rapid transit lines can haul only a small share, approximately 25 per cent of the essential load."

So Care For Your Car For Your Country by enlisting the aid of your Phillips 66 Service Man. He is ready and waiting to help you.

At least once a week, give him the opportunity of checking air

pressures . . . inspecting for nail holes, cuts, and bruises . . . examining tires so that he can warn you when re-capping is imperative.

At the same time, he will inspect the battery, air filter, and cooling system. And at regular intervals be sure to have him lubricate every friction point specified by the maker of your car . . . and make either the seasonal or the recommended every-sixty-day oil change.

Every Phillips 66 Service Man shares with you the responsibility of guarding that part of America's mileage which remains in your car and tires. So get Phillips Car-Saving and Tire-Saving Service at any Phillips 66 Shield . . . the sign of famous Phillips 66 Gasoline and Phillips 66 Motor Oil.

OPA CONSUMER NOTES

The basis for a nation-wide reduction of consumer prices on cooked corned beef expected to be at least 10 cents a pound and greater in some instances—was set by issuance of OPA specific dollar-and-cents ceilings for this product at the wholesale level.

Primost cheese prices at all levels of distribution will be three cents a pound higher after this week as a result of OPA action to relieve hardship suffered by man-

ufacturers under the previous price ceiling.

Ceiling prices of plug chewing tobacco have been increased by 20 per cent at all sales levels as a step to help manufacturers overcome the increased cost burden under which they operate.

TEXAS HOLDS FIRST POSITION AMONG BIG QUOTA STATES

Texas again held first position among all big quota states in the nation and moved up from sixth to fourth place among all states in the most recent weekly report of National War Fund collections, Wayland D. Towner, general manager of the United War Chest of Texas, announced Saturday.

The state standings are based upon the percentage of each state's war fund goal reached. Texas has led all big quota states since the annual campaign open-

ed on Oct. 10, and has steadily moved up in the "all states" list, Towner said.

On October 28, the date of the last report compiled by the National War Fund, Texans had contributed 87.05 per cent of the state goal of approximately \$5,000,000, Towner announced.

Have a "Coke" = Ahoy, mates

... or keeping up the good work

Faster and faster the ships go down the ways in the wartime shipbuilding program. From sunny California to the coast of Maine, workers have learned that the pause that refreshes helps everybody do more work and better work. Have a "Coke" says a hard-working shipbuilder to his mates. It's a little minute long enough for a big rest. Whether in a shipyard or in your own living room, Coca-Cola stands for the pause that refreshes,—has become a symbol of friendly relaxation.

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY MEMPHIS COCA-COLA BOTTLING COMPANY

"Coke" = Coca-Cola It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".
