VOL. 30, NO. 22.

CHAUTAUQUA CLOSED SATURDAY NIGHT—CONTRACT RE-NEWED FOR 1920 ATTRACTION

The Betty Potter Company and Helen Waggoner who opened the program Tuesday afternoon make a rare combination with their music, songs and readings. Right here it is not amiss to remark that Miss Waggoner gave the heaviest reading that most of us have ever heard on any platform, when she gave "Reprisal" a gripping story of French officers in occupation of German homes after the armistice, the discovery of one of the officers that he was in the home of the widow of the German officer who sought to despoil his own home, and was only defeated by the suicide of his wife. It was a study in psychology and the psychic powers of suggestion that few readers care to attempt.

At night these same artists gave a short music and reading program after which Betty Potter very charmingly introduced the speaker of the evening as the "handsomest, and best lecturer on any platform" and gave as her reason "because he is my husband", presenting Sgt. McBirnie. This pleasing young Irishman then appeared and launched into an hour and a half of the most vivid story telling, and most the most genuinely Irish wit, and the most sincere expression of the truth about war sensations that any audience ever listened to in the same period. He is an entire success by himself.

Wednesday came the Haydn quartette for the afternoon and the night assisted in the latter program by Mr. Lougher, a lecturer, criminologist and Red Cross worker of note. They were fully up to the standard of the other programs.

Thursday we had with us the Columbian Band which so delighted us last year and we all reveled in the music of this organization under the direction of Mr. Pistoia. Each one proved to be a master of his own instrument and their enthusiasm and pep was altogether pleasing. They gave solos, duets and vocalizations, and withal their ensemble was good; their "stunts" were equally well liked.

Charles H. Plattenburg, Cedar Rapids, Iowa, about loyalty to home town. His lecture was not for loyalty to the home town because it is the home town, but loyalty to the home town because the interest of every individual in a community are best served by every individual having the community instinct which begets what is known in athletics as "team-work."

Mr. Plattenburg showed the tremendous loss in population of the smaller communities and the enormous depreciations in real estate values resulting therefrom, were brought about by lack of civic pride, community loyalty and local co-operation; by the tremendous inroads made by the mail order houses and women from the smaller towns by the constant stream of young men to the great centers.

In his lecture Mr. Plattenburg told how these tendencies can be counteracted. His lecture is a general analysis of problems touching the interest of every man in every community, and perhaps the main reason for why he was enabled so to grasp his audience is to be found in his philosophy of life. He said, "As I grow older I find my faith in human nature growing deeper." Then he defined loyalty as meaning "full of faith." His was a lecture that provoked thought and mirth alike, the latter always being an addition to the first. His was a unique manner of presentation and we would rejoice in his return next year.

Chas. F. Horner is very glad to present to the Chautauqua patrons this year, one of the world's greatest exponents of magic art, Eugene Laurant, known as the man of many mysteries. Mr. Laurant has a medal awarded him by the American Society of Magicians for proficiency in magic art and if children were in a position to award medals, they would

award them by the carload, for Laurant holds a big place in the hearts of children, whom he loves so much. Laurant is an originator of many of his own tricks. He has his own workshop and in addition to being a wonderful magician, he has few equals as an entertainer. The variety of his entertainment made it one of the marked successes of the chautauqua.

On the fifth day of the Chautauqua, real Chautauqua history will be made, for that day is the day the Roach-Freeman and Williams Company will be here and everybody is going to have a lot of fun. Ada Roach sings and plays the accordion and does Irish impersonations. Ruth Freeman plays the violin and piano and sings. Her impersonations of the Swedish Immigrant girl who wants to vote, is numbered among the fond recollections of thousands of people in the United States who have heard her. Billy Williams was a "Gob" in the Navy—he belonged to the band. His catchy songs and the way he fits in the work of Ada Roach and Ruth Freeman make this company a notable aggregation of gloom chasers and mirth provokers and they beat any three-ring circus that you ever saw for real fun.

J. E. Aubrey talked about "The One Mile Town" at the Chautauqua. The thought embodied in this talk is the psychology of the plus elements in community development. Mr. Aubrey believes that the town which does just merely what it has to do or that which is customary is overlooking big possibilities. He believes that the towns that reach out after the possibilities are those that really are fulfilling their places in community development. He is a and an accomplished speaker on the platform with a wonderful grasp of man of wide Chautauqua experience organization and promotion problems. He is one of the big Rotarians of Texas and as a minister in one of the churches, built up a big membership through advertising. One of his advertisements was commented on by "Printer's Ink," a national advertising magazine as a model of modern promotion.

On the fifth day the real chautauqua history was made. On that day the Roach-Freeman and Williams company gave us their feast of comic songs, impersonations and general fun-making. Ada Roach sings, plays, impersonates, in fact she is an all-around comedienne. Ruth Freeman plays the violin and piano and sings. Her impersonation of the Swedish Immigrant girl who wants to vote,

is numbered among the fond recollections of thousands of people in the United States who have heard her. Billy Williams was a "Gob" in the Navy—he belonged to the band. His catchy songs and the way he fits in the work of Ada Roach and Ruth Freeman make this company a notable aggregation of gloom chasers and mirth provokers and they beat any three-ring circus that you ever saw for real fun. The crowd as a whole enjoyed the program very much.

OKLAHOMA AND TEXAS SOUTHERN RAILWAY

Austin, May 26.—Articles of incorporation of the Oklahoma & Texas Southern Railway company, with headquarters at Ranger, Eastland

county, were approved today by the attorney general's department; capital stock, \$200,000. Purpose, to construct and operate a railroad from Ranger, through Eastland, Stephens and Young counties, to the town of Newcastle, Young county, a distance of sixty-five miles. It is the ultimate purpose of this corporation to construct a railroad from Ardmore, Okla., to San Antonio. Incorporators, D. D. Avis, Wichita Falls; E. L. Richardson, Wichita Falls, and S. M. Porter, Montgomery county, Kansas, and others.

Prof. S. H. Condon and Francis Miller left this morning for Paducah, Prof. Condon to see about securing new pupils for C. C. "Choc" to see about securing old pupils.

PROHIBITION WINS IN STATE SUFFRAGE DEFEATED—DONLEY CO. GIVES MAJORITIES TO ALL

DONLEY CO. OIL PROSPECTS GROW IN INTEREST

Donley county has turned the wildcat loose, and at all drilling sites preparations are being made for a thorough test. At all places the work is progressing nicely and where nothing deters, everything is moving forward with all possible speed. Work on the test being put down by the Lelia Lake Oil Association has temporarily ceased because the casing is hung, but the tools for repairs are expected daily. Otherwise everything is most satisfactory.

The Buck Creek Company whose site is three miles east and four miles north of Hedley has the derrick timbers on the ground and building will commence sometime this week. An idea of the sort of test that they intend to make is gotten from the fact that the derrick will cost six thousand dollars. A standard rig of the California type is to be shipped from Ft. Worth immediately.

The materials for the derrick to be built by the Don-Lea company are all on hand and the derrick was commenced yesterday. They intend to make a thorough test and a twenty inch hole is to be drilled. At the Deep Lake test, which is near enough to be of great interest to our citizens, the work is progressing in a most satisfactory manner and the drilling is going forward without the slightest hindrance; and the indications are being carefully watched by others than those interested in the project.

Work all over the county is going forward with the determination that if there is any oil here it will be found, so that ours is not only to live in the best farming and stock raising section of the Panhandle but the oil center as well.

FORMER NEWS EMPLOYEE NOW HOME FROM FRANCE

Tuesday, Milton Moody, editor of the McLean News, passed through here on his return trip from France. Milton was not one of those to claim military exemption, although he could have gotten exemption, but when his time came, he left his paper in charge of his mother and went at his country's call. He served in the front line trenches for several weeks, and now he returns to his native land in the best of health, going back to take up his duties. He was formerly an employe of The News and while here was the guest of the News. We are always glad to welcome back such fellows, and now, that he returns to civilian life, he has our best wishes; may success such as he deserves be his.

In the election held last Saturday, Texas went dry by constitutional amendment by over 15,000 majority with the vote less than 250,000. Suffrage for women was defeated by over 6,000 majorities coming from north and south Texas alike without reference to prohibition sentiment. The governor's salary increase was defeated by over 30,000 votes, while the home ownership amendment was carried by about 15,000 majority.

Donley County cast about half her voting strength and all four amendments carried by about two to one except the prohibition measure which received in eight boxes covering over three-fourths of the vote a majority of four to one. The returns had not been canvassed up to the hour of going to press and The News is indebted to County Attorney Harwood Beville for the following vote on the prohibition and suffrage amendments:

	Pro. Anti Suff	Agn
Clarendon	161	41 152 63
Lelia Lake	64	7 24 63
Goldston	8	3 7 4
Skillet	5	1 5 1
Ashtola	15	3 11 7
Oiler	1	4 0 5
Wilson	1	8 3 6
Whitefish	2	2 2 2

Total 257 69 204 102
The News reprints from the Dallas News the following synopsis of the vote in the state as indicated by Wednesday's issue:

An avalanche of returns which came in Wednesday and night swept away a majority of over 3,000 in favor of the suffrage amendment and produced a majority of 5,640 against the measure, making it practically certain that it is defeated. This change was due in part to fuller returns from South Texas, but new returns from rural districts of Northern and Eastern Texas themselves were sufficient to have got the amendment on the losing side of the account.

The totals of the four amendments are from 197 of the 248 organized counties and are as follows:

For Prohibition 96,425, against 84,930.
For suffrage 89,715, against 95,355.
For Governor's salary increase 75,794, against 103,624.
For home ownership 95,222, against 82,844.

It is evident that the total vote is considerably larger than the first estimate.

No returns have been received from fifty-one counties, a few of them of considerable voting strength. The list is as follows: Angelina, Archer, Bandera, Baylor, Borden, Burnet, Carson, Chambers, Coke, Comal, Comanche, Cottle, Delta, Dickens, Dimmit, Duval, Gaines, Glasscock, Hansford, Hartley, Hemphill, Hopkins, Hutchinson, Irion, Jeff Davis, Jim Wells, Kent, King, Lamp, Lipscomb, Live Oak, Mason, McMullen, Menard, Moore, Newton, Orange, Parmer, Presidio, Real, San Augustine, Schleicher, Sherman, Somervell, Starr, Stonewall, Sutton, Upton, Ward, Winkler and Zapata.

According to the history of last elections in these counties and the votes reported in the present election, suffrage probably will suffer losses where these counties have reported.

CLUB MEETING

The canning and poultry club girls of the Hackberry and Naylor schools held their regular club meeting at the home of Mr. T. L. Naylor last Monday. This meeting was attended by several club members and their mothers. The girls seem to be intensely and enthusiastically concerned over the results of the meeting.

This being an all day meeting, a most delicious lunch was served by Mrs. Naylor, which made the girls Palmer want to meet again. After the lesson was finished, ice cream and cake were served.

Vegetables Fruits

At this period every year a person's appetite begins to turn away from meats and other heavy foods, requiring something, something fresh something green.

See Our Vegetable and Fruit Counter Every Day in the Week

We have what you want—things that will tempt your early summer appetite and bring that table joy back again. Fresh vegetables of all kinds and the most appetizing fruits.

The Above Statement Is Correct. F. E. CHAMBERLAIN, Cashier

MEMORIAL SERVICE HELD AT THE BAPTIST CHURCH

According to the announcement of last week a memorial service was held Sunday afternoon at the Baptist Church at 3 o'clock. The service was dedicated to the memory of Juddie V. Dingle, Sgt. Aubyn Clark and Roy Boswell, all of this community, who gave their lives for the cause of humanity on the battlefields of France. Special music consisting of a male quartette and a solo as well as the final singing of "America" by the entire congregation were features of the service.

The address of the occasion was delivered by Rev. David M. Gardner, now of Memphis but former pastor of the Clarendon Baptist church, who spoke eloquently of his former association with the young men, of their splendid characteristics and of their supreme sacrifice in the interests of the whole human race. He cheered the hearts of the bereft families by his soothing words of comfort reinforced by precious passages of scrip-

ture and brought the entire congregation in full sympathy with his message. Something over three hundred were in attendance.

Mr. W. W. Massey returned Tuesday night from Texarkana and other points. At Texarkana he visited the Grand Conclave of the Knights Templar. Being gone somewhat more than a week, he had opportunity to notice the crops and general conditions of various portions of the state; he says that in some places the crops are fine, but that in many places the prospects are most discouraging. Donley county has better prospects than any place he visited, he says. He says that he told these people that unless their reaping was far better than present conditions gave promise of, they would have to come to Donley county this fall and eat kafir.

Mr. and Mrs. Peters of Goodnight are spending the week with Mr. and Mrs. Frank Colinson of this place.

NOTICE—Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of The News will be gladly corrected upon its being brought to the attention of the publisher.

Just for a joke the Panhandle Press Association elected the News editor as its secretary at the regular meeting at Vernon a few weeks ago on a "womans suffrage platform." We grinned and took the joke as it was intended, but by heck from the looks of the suffrage majority in the Panhandle, it may not have been as much of a joke as it seemed.

The D. C. P. C. Band will shortly begin a series of weekly concerts on the lawn at the courthouse which will continue during the summer. The band is doing great work and before the summer is past will be known as the finest musical organization in the Panhandle. There are few cities in Texas where there is so much talent as in Clarendon. Watch for the circulars announcing the concert.

Some of the Chautauqua programs were unsatisfactory with our people. There is one condition here that few towns may boast of; entertainments must be of a strict first-class or else they are not accepted in Clarendon. Our local talent is such that half-baked programs will not suffice. Musicians and readers of merit have learned that in Clarendon they must give of their best to audiences that demand and at the same time appreciate their efforts.

Following the lead of the national organization of army men, there are being organized all over the nation, city and county Chapters or Legions of the great organization. In a very few weeks there will be such a large number of army boys at home in Donley County The News believes that encouragement should be given them in perfecting a Donley County Chapter. Their strength in a body will be worth much to the cause of Democracy and Americanism and the News hopes that such an organization will be projected in the near future.

Clarendon Citizen, when you go away for your summer trip what are you going to tell the people in other sections of the country about Clarendon and Donley County? The News feels that there is no one who will not give their city and county the highest recommendation possible to give. Our city and our county without peers in the entire southwest and if we don't let the people know about it, then we alone are responsible for their ignorance. Clarendon and Donley County ought not to have to be "discovered" by prospectors. As we go about over the country this summer, Clarendon Citizen, let's spread the gospel of Queenly Clarendon and Peerless Donley.

The power of concerted action is always evident. By an oversight, committee of citizens who guaranteed the chautauqua programs for this year failed to have any clause inserted in the contract about the dating of the annual programs for this place with the result that the Reipath-Horner Co., brought their talent here immediately following the closing exercises of the College and the public school, with the result that our people were tired from the very first program, besides the fact that the public school were forced to cut their closing programs to an unsatisfactory minimum. Such a condition is not at all satisfactory for a town where schools are held in such importance as they are here. Effort was made to postpone the chautauqua for a few weeks, but this was refused and under the terms of the contract there was no recourse. This caused the committee to feel keenly the injustice of the situation and they unanimously resolved that they would sign no new contract for 1920 unless there was an explicit agreement that the Chautauqua would not appear here earlier than June 10th. After some hesitation this was made a part of the contract. A community can have anything it wants if it goes together and goes after it.

Daniel Webster said: "Sir, I say it is employment that makes the people happy. This great truth ought never to be forgotten. It ought to be placed upon the title page of every book on political economy intended for America. It ought to head the columns of every farmer's magazine and mechanic's magazine. It should be proclaimed everywhere that where there is work for the hands, there is work for the tooth; where there is employment there will be bread. And in a country like ours, above all others, will this truth hold good. If they can obtain fair compensation for their labor they will have good houses, good clothing, good food, and the means of educating their families. Labor will be cheerful and the people happy. The great intent of this great country is labor, labor, LABOR!"—Speech in 1837.

Last week on account of the Chautauqua and other press of business, The News was forced to leave out over forty inches of advertising, three columns of perfectly good gospel against woman suffrage, a reply to one of our former articles against that measure and what we considered a particularly brilliant answer to our opponent's sophistry. All this would have afforded one extra page but a newspaper cannot afford to run less than two extra pages—troubles come in pairs sometimes—so we had to forego the pleasure of giving the public this added "enlightenment." From the looks of the suffrage vote in Clarendon those items were badly needed, too.

Clarendon's annual clean-up day for 1919 must be more than the usual event, when just a little showing is made. Our town is broadening out into a larger and more complete municipal life and we must do everything one hundred percent and over. Let us begin now to get things ready for a clean-up day that will make our city the cleanest town in this part of Texas. After this clean-up day then we must have sentiment enough behind the movement that there shall not again be such necessity for a set "day." The best way after all, is to keep our town clean all the time—everyday a clean-up day.

Only twenty-two women qualified for voting in the primaries in Donley County this year. Not such a Yukon rush to get into politics when it costs something—last year it was free and only a third of the women were interested. New toys become commonplace when the paint is rubbed off. The women of Texas do not want suffrage, in spite of what the society "sisterin" say.

"ONLY SOPHISTRY"

In an article headed "Only Sophistry", Editor Loomis of the Canadian Record last week attempted to evade the results of his article condemning the action of the Panhandle Press Association in holding its meeting in Vernon, although Vernon is in the territory which comprises the P. P. A. Bro. Loomis says the News editor's article which held such a cut to be "unwise and unkind", didn't indicate that The News editor was as big an editor as he had considered him, going on to remark that writers and speakers always resorted to sophistry when they ran out of material. If we didn't know Bro. Loomis' habitual good humor we might conclude that he was really trying to hand us a package, but then if he meant it we console ourselves with the fact that we are not nearly so interested in being a "big editor" as we are in being correct in our statements and considerate of the feelings of others. As to the sophistry matter—well we have noted that some writers and speakers have contracted the habit of charging "sophistry" to any opponent whose argument they are unable to combat. If we were trying to be real naughty we might remark that his reply was "sophisticated sophistry, par excellence". Bro. Loomis goes further and says that it is all right if Galveston can secure the meetings of the P. P. A., or if Vernon can secure the Kansas Press meeting. This is not a very artful dodge of the question. Galveston is not in the bounds of the P. P. A. neither is Vernon in the bounds of the K. P. A. The News will ever contend that any city in the bounds of the P. P. A. has a perfect right to entertain the annual meeting if she can muster enough votes to win it. Democracy is just as much to be desired in the P. P. A. as in any other body.

Our north plains neighbor says that we cannot dispute his statement that it is a mistake to carry the meeting so far away from its members. We say that the meeting is not away from its membership so long as it is in the bounds of the territory set down in the constitution of the organization. Our state association finds it most profitable to go to the very outposts of the state for its meetings, thereby being just to those who live in the nether sections in their turn. Our friend also says that the meeting was a failure. Of this we are not able to judge since we have attended only two meetings in the two years we have been in the Panhandle. This, however—if the 1919 meeting was a failure then the 1918 meeting was also a failure for there was more practical discussion this year than last, and the entertainment was really better. Bro. Loomis further shows himself poorly informed by saying that none of his exchanges carried any report of the Vernon meeting. Without further comment on this unfortunate reference we refer him to such exchanges as this paper, the Clarendon News, the Hall County Herald, the Childress Post and Index, the Panhandle Herald, the Randall Co. News, The Amarillo News, the Quanah Tribune-Chief, the Foard County News, the Seymour Banner and of course the two Vernon papers, all of the issues of the week following and carrying very complimentary reports.

Now we hold no brief for Vernon or any other town except Clarendon, and when the association meets in Canadian, and we hope it shall some day, we will be just as ready and just as frank to say that it was "unwise and unkind" if some contemporary down in the south end of our territory should criticize the holding of the meeting in that progressive city that we hope to know more of.

Come on, Bro. Loomis, let's be fair to the towns in our territory or else amend our constitution to cut those border towns out entirely. They have no right inside if they have not full rights.

FARMER LAUDS NEW MEXICO

Clarendon, Texas, May 26, 1919. To The Clarendon News: Mr. Farmer, I would like to know why you want to stay in a country and rent land and be the other fellows Poodle dog and have no grass for your stock, when you can go to New Mexico and get land all the way from 160 to 320 acres. If single men go to New Mexico and take up land they have to stay on the land only six months out of each year for three years and then they can get a deed to the land. What is the use to live on here when you can live out a home in New Mexico? I have a little home out in New Mexico, three hundred acres in Roswell county, sixteen miles south of Willard. The land out in New Mexico is just like the land in Texas. There are wood, water, and grass, especially in there plenty of wood and grass. I have six months now until I must return. My place has a lake on it and I can lease it for \$150 or \$200 a year. The grass is from a foot to knee high and that beats it here. A half a mile east and three miles west of my place is wood. If you want to know why I went to New Mexico and got me a home, it is just because I got tired of renting in this country when I saw stock get fat on grass in New Mexico. I have a "home sweet home in New Mexico." Elton Wood, Rt. 1, Box 55, Clarendon, Texas.

NO TRAPPING

Positively no trapping in any of the JA pastures. If you want to avoid prosecution, observe the above. J. W. Kent, Superintendent.

For good laundering, Panhandle Steam Laundry of Amarillo, basket goes Monday and Wednesday of each week. McMillan and Johnson.

COLLEGE PROSPECTS MOST ENCOURAGING

The outlook for Clarendon College for the next session is very hopeful. More people seem to be looking this way either for school or for a home than in any previous year. The summer school under the direction of Miss McLean is progressing nicely and shows a growth over last summer. At present we plan to run a summer school 1920 offering courses in most all departments with most of the regular faculty in charge. The growth of the school and the summer school movement makes this necessary. This will mean that a large enrollment of students will be in our midst at all times of the year.

Mrs. Mary B. Adams is working in the interest of the school and meeting with most encouraging results. Mr. Condron will start this week on a trip up through the north plains as far as Hansford back by way of Dumas.

Canvassing is not an easy job. In a way it has been necessary to keep the school as full as it should be and it has brought many people to Clarendon who otherwise would never have lived here. More and more will come in the future. The people of Clarendon should realize that Clarendon College is a community affair and enterprise. Every citizen here owes a debt to it to assist in securing students. If you have friends living elsewhere will you please give us the names so we can mail them literature. Every student, every family brought to Clarendon not only brings a desirable addition to our community but a business asset as well. Understand, we do not mean that we bring people here to get what we can from them—No—but does it not follow as a logical sequence that the town is bettered by the addition of good people? Let's make our College next year the best attended school in the state. Many people have already phoned or talked to me about people who might attend school here next fall. I shall appreciate very much any aid in this line and will do all I can to secure such parties with your help. I ask your co-operation in this great community enterprise. This is directly in line with the splendid work of the D. C. P. C. and I assure you that this Club endorses the above statements.

Yours for a greater Clarendon and Clarendon College.
S. H. Condron.

"IN GOD'S FRONT LINE"

The time when we'll be homeward bound is not so far away, The lights of home grow nearer with the closing of each day, We'll soon be back in Dixie - that wonderful sunny clime, But a few of the boys aren't going home, they're somewhere up on the line. There was not a goodbye said—not even a shake of the hand, But they gave a smile that was worth while as they went into no man's land. That was the last we saw of them, they were marching towards the Rhine, That was where God took them—somewhere out on the line. When we muster out we'll miss them—miss the call of their name, But our thoughts will fill with a wonderful pride and never a tinge of shame, And when we hear the national air played for the final time, We'll wonder if they can hear it too—somewhere up on the line. Somewhere a grey-haired mother will sit in the twilight alone, Sadly and patiently waiting for a boy that will never come home. But the little gold star in the window makes her smile instead of pine, What a gift she gave to her country her boy somewhere on the line. And so in our journeying back again over the ocean's foam, Let's leave a place in our hearts and thoughts for the boys who can't come home, And some day across the great divide we'll go with passing of time, And again we'll meet those comrades somewhere in God's front line.—The Arrow Head.

There's no competition on insurance except in service, try mine. Geo. A. Ryan, Phone 454.

Famous Health Resort Treatment at Home

Nervous and Run-Down People Can Now Obtain Relief Without Going to Health Resort.

People used to travel to a popular health resort when they were nervous, this, weak, run-down and felt tired all the time. There they found a physician whose fame had spread far and wide for the remarkable success that he had in treating just that kind of people.

And the secret of his success was a tonic that he prepared for his patients according to his own formula, which taken according to his directions gained for him his popularity.

This same tonic is now obtainable by the public generally under the name of RICH-TONE with full directions on each bottle. If you suffer from bad health and need a building tonic, you need not travel to the health resort for you can take this treatment at home.

One well known lady who was under the care of three eminent physicians, and who had been in a sanitarium on several occasions and had been operated on without benefitting her general health, found it necessary to take only one bottle of Rich-Tone to find full relief.

There is POWER and PUNCH in GOOD HEALTH—it means a bright eye—alert look—snappy gait—that resilient step—that general make-good appearance so different from the men of one on the ragged edge of a declining constitution.

Men and women who wish to gain vigor and strength should commence this famous health resort treatment at once. It's only a dollar at

TIME TO RE-TIRE

No, it don't mean lights out, either.

With the opening up of the most glorious springtime America has ever witnessed, there comes the call of the road.

You know what it means. You want to get the car tuned up, shake off the cares of business, load the family on board and "hit the road" to visit dear ones far away—or else drive far into the mountain fastness for a real vacation.

You want to do that, but you don't dare do it without

CONFEDERATE VETERANS ENJOY A MAY DAY

At the call of Col. R. S. Kimberlin, the Confederate veterans met at the home of Mr. Smith last Saturday, the 24th of May, and had a most enjoyable time.

Col. Kimberlin, who has done so much for the Sam Lanham Camp, was in fine fettle and mixed and mingled with his old comrades in a very genial way. The Col. made a good talk to the camp.

The dinner was on a grand scale and everything good to eat was to be found on the table. In fact, the spread excelled anything the Camp had witnessed before. The Camp was brought under many obligations to Mr. Will Bell for furnishing ice

cream, which was enjoyed very much by the veterans. Thanks, Bro. Will, may your shadow never grow less, and may your skies ever be bright.

Dr. Burkhead was the orator of the day and spoke of the greatness of our country, defining our country as "An indestructible union of indestructible states."

The decoration of the veterans graves and the sermon by Dr. Burkhead at the graveyard Sunday afternoon were not had on account of the weather. God bless these noble veterans and fill their lives with peace and cowfrot.

Sam Lanham Camp.

J. W. Watts and family went to Amarillo Tuesday to be gone a day or two.

COLORED METHODISTS WILL HOLD RALLY AT THE COURTHOUSE JUNE 8th

Do you remember the Sing Song at the Courthouse. You know what a good time we had. Well we are going to have a better one, a bigger one under the auspices of the Colored Methodist church of Clarendon, Texas. Rev. C. N. N. Ferguson will deliver the main address. We will do the rest. Everyone invited, second Sunday in June at three o'clock in the afternoon. Free will offering will go for the purpose of repairing and papering our church property and installing electric lights for the added comfort of our congregation. J. D. Pickard, Pastor. R. J. Rucker, Presiding Elder.

YOUNG KINSMAN OF MRS. C. ADAIR WAS KILLED BY SHELL-FIRE

The News has been furnished with the data relative to the death of James Livingston Wadsworth, of Genesee, N. Y., relative of Mrs. Adair, owner of the JA Ranch, and near kinsman of Senator Wadsworth of New York. Appended to the account of his death is a letter from his colonel attesting to the high courage of the young man.

The first of Genesee's soldiers to fall in battle was reported on Sunday when Mrs. Henry V. Colt of this village received notification from Washington that her son, James Livingston Wadsworth, had been killed in action, July 15th. Private Wadsworth was a member of the "Fighting 69th" regiment of New York City, now the 165th Infantry. The outfit went to France last year as part of the Rainbow Division, Wadsworth going as mounted orderly of Major Donovan. It was in the early fighting in the spring and has been at the front in the present Marne-Aisne battle.

Private Wadsworth was nearing his twenty-first birthday. He saw service on the Mexican border with Troop M in 1915-'16 and later transferred to the New York regiment. He was the first Genesee representative to get to France and into the big fight, as he is the first to be placed on the greater honor roll.

That James Livingston Wadsworth would make a good showing for himself, his family and his home town, could have been foretold not only from acquaintance with the young man himself, but also by reason of his splendid lineage. He represents the fourth generation of Wadsworths to fight his country's battles. And other branches of the family have also been prominent in military honors of the nation as far back as colonial times when it was a Wadsworth who preserved Connecticut's famous royal charter. His father, Lieutenant James S. Wadsworth is at present in France as an officer in the 27th Division; his grandfather, Colonel Craig W. Wadsworth, saw service at the battle of the Wilderness in the Civil war; and his great-grandfather, Brigadier General James S. Wadsworth, died of wounds received at the battle of the Wilderness after taking a prominent part at Gettysburg and seeing service at Manassas, Fredericksburg and Chancellorsville.

Major General William Wadsworth was the first of the family to represent this county in his country's service, in the War of 1812 when he took part in the battle of Queens-town. General J. S. Wadsworth was his nephew. The latter's three sons were engaged in saving the United States from disunion in '61-'65—Col. Charles F., at Port Hudson and in the cane brakes of Louisiana; and Craig W., as stated above; and Major James W. Wadsworth, Sr., as aide to General Warren's staff.

The latter's son, Senator James W. Wadsworth, Jr., enlisted at the time of the Spanish-American War and was in Porto Rico and in the Philippines. The late Major W. Austin Wadsworth was connected with the quartermaster's department in the Philippines during our military troubles there.

Another of the "fighting" Wadsworths is Craig W. Wadsworth, an uncle of the young soldier who has just given his life for democracy in France. He was a corporal in the Spanish-American War and was under fire at San Juan.

Private James Livingston Wadsworth will always have a place in the history of the county as the first Genesee soldier to make the supreme sacrifice in the holiest cause ever man could fight in. And in making the sacrifice he has lived up to the high standards of patriotic service for which the Wadsworth name stands.

4 Royal Crest, Bath.

Dear Mrs. Colt: I was with your boy when he died about 10 o'clock July 15th, during the great attack (German) on the Champagne front. Until several days ago he had been on duty with Major Donovan who will also write to you of his fine service.

He came to my headquarters detachment of dispatch riders and was on hazardous and exciting duty night and day, for which he was just suited. On the afternoon of the fifteenth I sent him with an important dispatch through a heavy gas and H. E. barrage to my front line and on his return he was chased and fired by Boche fliers. He reported back aglow with proper pride and excitement when I gave him my praise and thanks.

I then went into my dugout, he remaining above ground for a cup of coffee with several of his comrades, when a 77 high explosive shell struck in the midst. He was struck in the forehead, and was brought to the aid post in my abri, where he was given the best of care, surgical and nursing, until his death several hours later. Father McDonald, one of the chaplains, and I were with him and I hoped we might have a message for you. But he never regained consciousness. He was buried here just outside the abri, early the following morning, near the northern edge of the camp du Chalons, and with military honors; Father McDonald, Captain Walsh and myself being present. The grave is marked and its location recorded officially, as indicated on the accompanying sketch, about thirty kilometers N. E. of Chalons and about half way between Mourmelon le Grand and Suippe.

As his colonel, I express both my sorrow and my pride, and as old friend of his father and mother, I give you my heartfelt sympathy.

Very sincerely yours, Frank McCoy, Col. 165th Infantry.

Better be safe than sorry, insure that crop today. Geo. A. Ryan.

OFFICIAL PUBLICATION

A RESOLUTION

Ordering a public hearing and that notice thereof be given to property owners and others interested in street improvements to be constructed on the streets hereinafter named; approving plans and statement of the consulting engineer of the city of Clarendon and estimates of special assessments to be made and levied and for other purposes.

I, A. W. McLean, city secretary of the City of Clarendon, Texas, in pursuance of the hereinafter set out resolution, do hereby give notice by publication of same, of the matters and things therein contained, which resolution is as follows, to-wit:

Resolution of the City Council of the City of Clarendon, Texas, determining the necessity of levying an assessment against the property and the owners thereof, abutting upon streets hereinafter named for a part of the cost of improving said streets, fixing a time for the hearing of the owners of said property concerning the same, and directing the City Secretary to give notice of said hearing as required by Section VIII of Chapter 11, Title 22 of the Revised Statutes of Texas, as passed by the Thirty-first Legislature.

WHEREAS, the City Council has heretofore by resolution ordered the improvement of Kearney Street bounded on the North by the Fort Worth and Denver City Railroad Track, and on the South by the North Boundary Line of Third Street. First Street bounded on the West by the West Boundary Line of Sully Street and on the East by the West Boundary Line of the Alley between Kearney and Gorst Streets. Second Street bounded on the West by the West Boundary Line of Sully Street and on the East by the West Boundary Line of the Alley between Kearney and Gorst Streets. Sully Street bounded on the North by the North Boundary Line of First Street and on the South by the South Boundary Line of Third Street, by paving the same with a four inch base of hydraulic Portland cement concrete with a sand cushion and with a wearing surface of three inch vertical fiber brick grouted with an asphaltic grout filler and the building of curbs on either side of said Streets when found necessary, in accordance with the terms of said resolution; and

WHEREAS, in accordance with Section II of a resolution entitled "A resolution to carry into effect Chapter 11, of Title 22 of the Revised Statutes of Texas" after advertising for bids, the said work of improving said streets between said points above named has been let to The Panhandle Construction Company, of Plainview, Texas; and

WHEREAS, a contract has been entered into between the said City and the said Panhandle Construction Company on the 5th day of May, A. D. 1919, for the performance of said work; and

WHEREAS, the said Panhandle Construction Company has duly given bond for the performance of said work, and for the maintenance of same, and the Consulting Engineer of the City of Clarendon has in accordance with Section I of said resolution, filed his report with the City Council as to the cost of said improvements, and as to all other matters required by the City Council.

NOW THEREFORE, Be it resolved by the City Council of the City of Clarendon:

That the report or statement filed by the Consulting Engineer, having been duly examined, is hereby approved; and

Be it further resolved that part of the cost of said improvements shall be assessed against the abutting property upon the streets so to be improved and the owners thereof, and that the total cost of said improvements shall be paid and defrayed as follows:

(a) The City of Clarendon shall pay only an amount equal to one-third (1-3) of the total cost of grading, paving, gutters and that part of storm sewers directly serving the paving district, together with catch basins and manholes, and

(b) After deducting the city's proportion of one-third of the cost, the total remaining cost of such improvements shall be paid by the owners of property abutting upon said streets named to be improved in the following manner: The owners of the property abutting upon said streets named to be improved shall pay the whole cost of installing concrete curb in front of their respective property.

An amount equal to two-thirds of the whole cost of said improvements shall be paid by said property owners and shall also be assessed against them and their respective parcels of land abutting upon said streets, and said assessment shall be made against the owners of property abutting upon said streets to be improved and their property in accordance with Article 1011, Revised Statutes of Texas, and the ordinances of the City of Clarendon after the hearing herein mentioned; and

That said cost which may be assessed against such property or its owners shall be in accordance with the "Front Foot Plan," in proportion as the frontage of the property of each owner is to the total frontage of the property on said street to be improved, but that no assessment shall be made against any of said property or its owners in excess of special benefits in enhanced value to said property caused by said improvements, nor until after the hearing hereinafter mentioned.

That the part of said cost to be paid by said property owners and assessed against them and their property abutting upon said street shall be in four installments, the first shall be one-third of the total cost payable by said owner, and due and payable within thirty days after the completion and acceptance of the work by the City, one-third of the remaining portion of said cost payable by said owner shall be due one year from said date of completion and acceptance, one-third of the remaining portion of said cost payable by said owner shall be due two years from said date of completion and acceptance, one-third of the remaining portion of said cost payable by said owner shall be due three years from said date of completion and acceptance with interest at the rate of seven percent per annum, provided that any property owner may pay, before maturity by payment of principle and accrued interest; and

WHEREAS, according to the report or statement of the said Consulting Engineer hereby approved by the City Council the total estimated cost of such improvements is \$47,015.99 and the proportion and amount of such cost to be assessed against the abutting property and its owners is as follows:

For Paving, including gutters and grading\$30,018.39
For Curbs 1,988.41
City's one-third 15,009.19
That the amount per front foot assessed against each owner is as follows,...

WHEREAS, according to the said report, the names of the owners of said property and the description of their property and the amounts contemplated to be assessed against each lot or parcel and its owner are as follows, to-wit:

Be it further resolved that the remaining portion of the whole cost of making said improvements, to-wit, that portion remaining after deduction of the amounts herein named to be paid by the City of Clarendon and hereinafter named to be assessed against the said owners and their property, shall be payable to the said contractor by said owners of abutting property respectively, as shall be agreed on between the said Contractor and the said respective owners, by private contract in writing, the terms and conditions of which shall be agreed to by the said Contractor and the owner, respectively.

Now, therefore, Be it further resolved that a hearing shall be given to the said owners or their agents or Attorneys, and all persons interested in the said matter, as to the said assessment, and as to the amount to be assessed against each owner and his property and as to the benefits to said property by reason of said improvements, or any other matter or thing connected herewith, which hearing shall be held in the City Hall in the City of Clarendon, Donley County, Texas on the 30th day of May A. D. 1919, at 2 p. m., at which time all said owners, their agents or Attorneys, or persons interested in said property, are notified to appear and be heard, at which hearing said owners or other persons may appear by counsel or in person, and may offer, and said hearing shall be adjourned from day to day until fully accomplished.

And the City Secretary of the City of Clarendon is hereby further ordered and directed to give notice of said hearing by mail to said owners, their agents or attorneys, a copy hereof, and by publication hereof, as required by Chapter 11, Title 22, of the Revised Statutes of the State of Texas; and

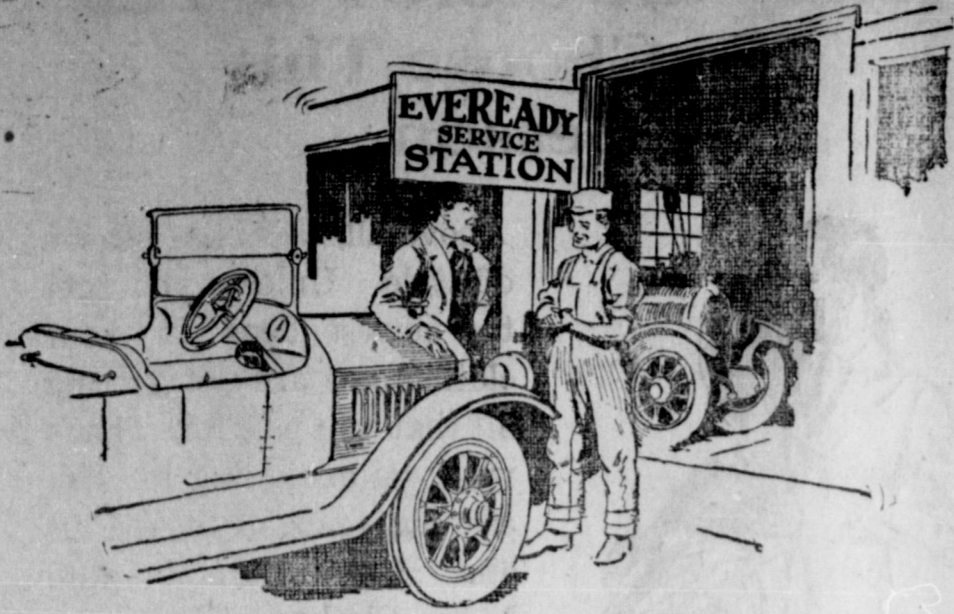

Be it further resolved, that this resolution shall take effect from and after its passage as in such cases made and provided.

Adopted May 5th, 1919. A. W. McLean, City Secretary.
Approved May 5th, 1919. O. C. Watson, Mayor.

817,000 CARS WERE SCRAPPED IN 1917
and most of them were only middle-aged

Keep the ol' hoss
in harness

TO chloroform a good horse just because he's hungry would be a foolish thing.

But thousands of people are apparently just as reckless—dumping good cars onto the scrapheap because of a battery hunger they do not understand.

As this is not the year for extravagant waste, it's up to you to keep the old car in commission. Feed her—and she'll respond. The Eveready Storage Battery is the tonic she needs. No indigestion—no ruinous sulphation—just the everlasting "go" that is her natural gait when you treat her right.

Come in and read the Eveready Storage Battery Guarantee
—a year and a half—and we're here to make it good

SAM J. LITTLE NOW
IN THE STATES

Mr. T. M. Little,
Clarendon, Texas:
Your letter of recent date came to hand yesterday, and was so glad to hear from you. I had just come over to Hot Springs from Camp Pike, Little Rock, Arkansas. I am stationed at Camp Pike temporarily and am now on furlough visiting friends here.

I was on the Atlantic fourteen days traveling on the Spanish steamship "Patricia de Satrustegui" sailing from Bordeaux, France, to New York City, almost touching at the Azores. I will return to Camp Pike at the end of ten days. You believe you can come to Hot Springs in August, I would be glad for you to arrange to come sooner, if you can. Am enjoying a course of baths here and they are fine since being in France twenty months, where bathing is not fashionable.

My general health is good, but am going to have a surgical operation performed on my nose and throat. This trouble was contracted in the damp, cloudy, cold and miserable climate of "Sunny France."

Am extremely glad to learn from your letter that crop prospects in the Panhandle are good. I traveled through the states of New York, New Jersey, Pennsylvania, Ohio, Indiana, Illinois, Missouri and Arkansas last week, and prospects are good all through the country. All the available foodstuffs are needed greatly throughout the Eastern Hemisphere, and also for America.

I am still in the Army, and do not as yet know when I shall be able to effect my discharge. For that reason it is difficult to tell when I can make a trip to Clarendon. However, my desire is to come to the Panhandle as well as other parts of Texas at the earliest practicable opportunity.

Continue to address me:
Sam J. Little,
Army Field Clerk, Box 315, Hot Springs, Arkansas.

COLLEGE ANNUAL REFLECTS
A SPIRIT OF OPTIMISM

It is with pleasure and satisfaction that we look through a copy of this year's Western, the annual published by the student's association of Clarendon College. The college's standard has always been high and this one is up to the standard, and the faculty and student body are to be congratulated upon the manner in which the whole is gotten up. Many original ideas as to the manner of presentation are in evidence.

The photographs are clear and well printed and the workmanship is up to the C. C. standard of quality first.

Humor is not lacking; the annual abounds in humorous snapshots and the humor of the printed page is in evidence as well. The cartoon work is excellent and the cartoonists and Art department deserve due credit.

All classes and societies are well represented even to the society "populists." The faculty are given their due place of prominence.

Withal we would not forget to give due praise to the staff. Charles Ferguson was editor, and Dewey Young was business manager and these, assisted by able helpers completed their work most successfully.

The policy of C. C. has been to have student publications gotten out by the student body with the most co-operation and at the same time the least actual supervision at the hands of the faculty possible. Altogether their efforts have been well worth while and we are glad to make mention of the fact.

PAVING PROGRESSES RAPIDLY

The rapid steps toward paved streets were consummated Tuesday afternoon upon the breaking of the ground on main street. The company that is to do the work has been busy making the necessary preparations that precede the actual paving, and now that these are finished, they are breaking the soil preparatory to lowering the streets. Messrs. Moxley and Dalrymple, foremen of the Panhandle Construction Company's force, state that the materials are fast arriving on hand and that the progress of the work from now on will depend on the clemency of the weather. Unless hindered by some unforeseen something they expect to be actively engaged in the paving within the next ten days.

Mayor Watson spent Tuesday in Amarillo studying the manner in which they made their construction, and consulting with authorities as to the most practicable arrangement of the lights and the most efficient method of parking.

In this Clarendon is acting wisely, for we want our improvements not only to be of the best type but to be made in the best way. Everybody get on the bandwagon and boost and watch our city grow.

PREACHERS OF ABILITY
NEEDED BY CHURCHES

"The day has passed when a preacher can prove himself fitted for his job simply because he knows how to handle a teacup and make pretty speeches to the ladies of his congregation," declared the pastor of a well-known Methodist church in a neighboring city recently. "The Centenary movement of the Methodist churches of this country, both North and South, means that the whole standard of our ministry has gone up."

"Pastor's souls are growing so their sermons are bigger and better than ever before. And the centenary program means an ever-increasing field of endeavor which will call for a continued growth of ability on the part of the ministry of the church. We've got to be big enough, not only to do our own job but to spill over the edge and help our brothers everywhere."

LOOK WHAT
WE OFFER

These prices will interest people who want to buy economically. They mean money saved to careful buyers and will increase our growing list of customers who know grocery values.

INTERESTING ITEMS ABOUT OURSELVES AND OUR CITY

Chas. H. Dean, Local Editor

Phone him your visits and visitors. No. 66 during business hours. All items appreciated and solicited.

Rodney Baldwin spent Sunday in Memphis.
Miss Edith Peabody shopped in Amarillo Saturday.
Mrs. Talmage McLaney of Groom shopped here Friday.
J. W. Rodgers of Quanah visited friends here Thursday.
Mrs. W. M. Elliot of Brice was in town trading Saturday.
Mrs. W. L. Campbell of McLean was here shopping Friday.
S. A. Hatley of Brice was here attending business Saturday.
Mr. and Mrs. R. T. Darnell of Jericho traded here Friday.
Mrs. C. D. Ardery of Ashtola was among the shoppers here Friday.
Miss Ann Neeley of Temple is visiting her friend, Miss Mabel Richards of this city.
Miss Minnie Martin of Vernon is a visitor in the home of J. A. Awtrey this week.
Miss Jessie Ingram left Saturday to visit her sister Mrs. Gross at Chillicothe.
Dr. G. S. Slover came in Friday morning from a business trip to Wichita Falls.
Frank Whitlock returned from Dallas Friday night, where he has been for medical treatment.
Miss Nellie B. Richey of Hedley visited her friend, Miss Mary Helen Bain of this city this week.
C. B. Ingram returned Friday night from an extended trip over the eastern part of the Panhandle.
Mr. and Mrs. Roy Leveritt of Memphis visited with Mrs. B. F. Baldwin of this place Sunday.
Miss Mary Howren of Clarendon College returned Friday from an enjoyable visit at the Word ranch.
Misses Flora Connally and Myrta Houk visited in Amarillo with Miss Helen Powell of that city, last week.
Matt Noble and Warren Kennedy of Lelia Lake spent Saturday afternoon and Sunday here visiting with friends.
Miss Zoe Glenn, one of this year's C. C. faculty, left Monday for Amarillo, where she goes to visit her brother.
Mr. L. A. McCollister and family of Mangum, Oklahoma, were visitors at the home of J. B. Annis and family of this city this week.
Mrs. Cora Gross, wife of the superintendent of the Chillicothe schools, visited her parents, Mr. and Mrs. C. B. Ingram of this city last week.
Rev. D. M. Gardner, wife, daughter and sister-in-law of Memphis, were in our city Sunday. Rev. Gardner preaching the memorial sermon at the Baptist church.
Miss Arlie Baskin of Mobeetie, after an extended visit with the Harn family west of town, departed for her home Saturday accompanied by her friend, Miss Evadne Hurn.
J. M. Mims and family of Roswell, New Mexico left for their home Friday after a pleasant week's visit with the C. H. Dean family of this place. Mr. Mims was accompanied home by his mother, Mrs. Dean.
Mr. J. M. Warren, one of our prominent citizens together with his wife, daughter Miss Leta, and sons Harry and Monteith departed Friday for Brownwood and other South Texas points on an extended summer visit.
Mrs. Hart of San Deigo, California and daughter, Miss Estelle Warlick is here visiting her sister, Mrs. C. D. McDowell. Mrs. Hart expects her sons, Walter and John, to be discharged from the Navy ere long and to meet her here.
Charles Ferguson left Monday for Amarillo where he will spend his vacation farming. Charles was a junior in C. C. this year and was editor-in-chief of the Western, and in whatever position he was placed, he acquitted himself creditably.
Dewey Young, a member of the graduating class at C. C. this year, left his home at Wellington Saturday morning. Dewey was business manager of the Western this year and in that capacity discharged his duties most creditably as well as making an excellent record in his school work.
Fred Tucker one of this year's graduates at C. C. was through here the latter part of the week, together with his wife and children after a visit with relatives at Claude, bidding friends goodbye. He is leaving for his home at Comanche, Oklahoma. Fred has been in C. C. for the last several years, and while here has shown himself to be a Christian gentleman of such sterling qualities and a student of such grit that it is with greatest hesitancy that we give him up as a citizen, but wherever he shall go our best wishes are with him.
Friends are greeting August Taylor, another one of our boys to go over, do his bit and return safely, although he was wounded. "Dusty" was in the Champagne sector when in battle, being in France altogether almost ten months. He was wounded about noon, October 8th, by machine gun bullets, in the outskirts of St. Etienne. He saw all of our boys who are still over there for the last time before departing in February. He says they are looking well and longing for that homeward journey, which in speaking of himself he termed "the happiest trip of his life."

Mr. and Mrs. Henry Youngblood of Brice were in town trading this week.

Misses Ruby and Hallie Reavis of Lelia Lake were shopping in town Friday.

Dr. B. Younger departed Saturday night for Post Oak on a short business trip.

Dr. T. H. Ellis made a business trip to Amarillo the early part of this week.

Mrs. Nubel Ferguson of Amarillo is visiting her mother, Mrs. Mabel Hudgins.

Mrs. Slay of Groom visited Mrs. W. W. Massie of this city the latter part of the week.

Mr. and Mrs. D. R. Head are the proud parents of a daughter born Sunday night.

Truly Carpenter one of this year's C. C. graduates left for his home at Higgins Thursday.

Misses Floy Silvey and Lena Miller are visiting their friend, Miss Clarice Crozier of Memphis this week.

Rev. J. A. Maples returned Friday from Atlanta, Georgia, where he attended the Southern Baptist Convention.

Miss Mildred Ferguson of Amarillo visited her friend, Miss Ruth Silvey of this place, the latter part of last week.

C. C. Mitchell left Tuesday morning after a short visit with his children and other relatives in the G. M. Richards home.

Wilkes Bryant and wife of Wichita Falls visited his mother, Mrs. N. J. Nelson of this city during the first part of this week.

John Stephens, one of the C. C. students for the past session, departed for his home at Vernon Saturday morning.

Misses Mattie Ruth and Julia Dean are enjoying a visit at the home of their uncle and aunt, Mr. and Mrs. Harry Brumley of Lelia Lake.

Miss Carrie McFatter left for her home at Canadian Sunday night after a pleasant visit with her friend, Miss Mable Richards of this city.

Dee Baker, after a ten days vacation, returned from Amarillo and other points in the West Tuesday morning. He reports a very pleasant trip.

Misses Jessie and Fay Morrison are having a pleasant stay at home this week, having been at the Morrison ranch near Pampa for some time.

Miss Ada Weaver, accompanied by her friend, Miss Gladys Taylor, after a pleasant visit in the home of the latter at Lelia Lake was through here Friday enroute to her home at Brice.

Mr. E. A. Thompson returned Sunday from a three weeks' trip to Marlin and other points. He reports that the big trip and the fine time make him feel younger not in terms of weeks but in years.

Mrs. Mary B. Adams left Monday for Amarillo from where she will go across the North Plains as far as Higgins in the annual drive to secure a larger student body for a larger and better Clarendon College next year.

Rev. A. W. Hall returned Monday night from a trip over a part of his district in which he had been over to McLean and surrounding country. He reports that the mud is very disagreeable but that the crops are promising beyond belief.

Hope Hudgins returned Monday morning from Columbia, Tennessee where he attended a military school the past session. Hope says that he liked the work he was engaged in, and hopes to return this fall. His brother, D. W. will arrive in a few days.

Mrs. Simpson received a cablegram from her husband, Captain E. A. Simpson, announcing his sailing for the States. He is due to arrive in the states the 30th of this month and will reach Clarendon a few days later. We understand that he will resume the practice of law upon reaching home.

"There's a good Farmer!"

As you drive through the country it's easy to pick out the farmers who are progressive and prosperous. A shiftless man allows his buildings to become shabby and weather-beaten. The thrifty farmer keeps everything painted with

DEVOE Lead and Zinc Paint

The Guaranteed Fewer Gallons—Wears Longer

Of course, any paint you put on is better than no paint. But for long and satisfactory service we always recommend Devoe Lead and Zinc Paint because we can guarantee it to be absolutely pure. It contains no whitening, no silica, or any other worthless adulterants. That's why Devoe paint goes so much farther and lasts so much longer than ordinary paint.

Come in and let us show you why it's real economy for you to paint Devoe paint now. Ask for free booklet on painting—"Keep Appearances Up and Expenses Down."

PAINT DEVOE PAINT

Many Prominent Texas People Endorse Tanlac

List includes Sheriffs, Professional and Business Men, Ministers of the Gospel and Others—Wonderful results are Obtained by the Use of the "Master Medicine"—People Everywhere Praising Tanlac for the Good It Has Done Them.

That Texas is enthusiastic for Tanlac is shown by the large number of leading citizens of the State who have come out in unqualified indorsements of the wonderful medicine. Hundreds of thousands of people all over Texas are taking it and are unanimous in their praise for the wonderful results they have obtained through its use. County officials, as well as ministers of various denominations, and others occupying positions of trust and confidence, both in the public and civic life of Texas, are among those who have obtained relief through the use of Tanlac, and who gladly recommend it to their friends.

Following are a few of the hundreds of testimonials, given by Texas people of prominence, which have been received at the Tanlac office within the past few months.

Hon. Archie R. Anderson of Houston, Ex-Sheriff of Harris county, is one of the best known and most popular men in the state. For twelve years Deputy Sheriff of Harris county, he was then elected Chief of Police of Houston and, shortly thereafter, was elected Sheriff of Harris county, and re-elected to this office seven times, which position he held for fifteen consecutive years, when he voluntarily retired to private life, having held public office in the State for twenty-seven years. He is a leading citizen of Houston and a large property owner in that city. Says Mr. Anderson:

"Money couldn't buy the good Tanlac has done me. I was in a badly rundown condition, suffering terribly from indigestion, would blot up with gas soon after eating and was so miserable that I never felt like getting up in the morning. I suffered with neuralgia and was in a dreadful fix for four years. Since starting on Tanlac I am like a different person altogether. I sleep like a log, eat anything I want without suffering pain or inconvenience afterwards, and I never felt better in my life than I do now."

Judge and Confederate Veteran Judge G. W. Kyser, of 1204 West Ninth street, Austin, a well-known Confederate veteran who occupied the bench in Caldwell county for twenty years and, later, was Commissioner of Pensions under Gov. Colquitt, says:

"I suffered for years with rheumatic pains and constipation and got so I could hardly sleep. I had no energy and had terrible headaches. A few bottles of Tanlac put me in better shape than I have been in years. I eat heartily, sleep well, my rheumatic pains are all gone and I feel more active and energetic than I have in a long time."

Sheriff of Ector County Hon. S. A. Kelley, Sheriff and Tax Collector of Ector County, and living at Odessa, says: "I had no appetite, was rundown, had rheumatism, my back ached and my kidneys were out of order. Tanlac has done me a world of good in every way, and since taking it I feel more active and energetic than I have in a long time."

Deputy Sheriff of Bexar County Joe Chadwick, 125 Krenpham street, San Antonio, former Deputy Sheriff of Bexar County, says: "My wife suffered for ten years from a disordered stomach. Gas caused her heart to palpitate, she suffered awful pains and would get so nauseated that she couldn't retain what she had eaten. She began to improve as soon as she started on Tanlac, she is stronger and has more life and energy than before and says she feels more like working now than she has in a long time."

Fort Worth Alderman Robert T. Kelley of Fort Worth, a well-known former alderman and for three years in charge of the county farm of Falls county, says:

"Eleven years ago I was a well and healthy man, then something went wrong, I lost my appetite and fell off in weight. My nerves were shattered, my whole body was racked with pain and I took to my bed, where I lay for several months almost helpless. I decided to try Tanlac and before I had finished my first bottle the pains began to leave me and as I kept it up I improved steadily, gaining twenty pounds in weight and now feel in better shape than I have in many years."

Pastor Baptist Church Rev. R. J. Taylor, pastor of the Baptist church at Franklin, Robertson county, says:

"My stomach was all out of order and I suffered with such severe headaches that I could hardly sleep. I had no appetite and would feel so weak and dizzy that I would almost collapse. My improvement since starting on Tanlac has been wonderful; I have already gained several pounds and can do my work now without tiring as I did before."

Methodist Minister Rev. James Hamilton, of Dallas, a retired Methodist minister and former missionary in Brazil, says: "After spending several years in Brazil my health broke down and I was compelled to give up my work. I came to Dallas eight years ago a complete nervous and physical wreck. I took several bottles of Tanlac and my health has been fully restored; I have gained considerably in weight and have a better appetite and digestion than I have had in seventeen years."

Austin Real Estate Man G. F. Hamilton, a well-known real estate man of Austin, says: "I suffered for eight or nine years from rheumatic pains and sciatica, and was also troubled with catarrh. My nerves were in an awful fix and I was badly rundown in every way. Tanlac has done me more good than anything I ever took and has made me feel more like my old self again; I want to be stirring and moving about

all the time."

Other Well-Known People

Among other prominent persons who gladly endorse Tanlac are Hon. Charles I. Lewis, Marion, Ark., Ex-Sheriff of Crittenden county, Ark.; Hon. J. D. Patton, Cabot, Ark., former deputy sheriff of Rains county Tex., and more recently holding the same office in Muskogee county, Okla.; Hon. Benjamin F. Whittington, Judge of the Ralston Court, South Omaha, Neb.; Hon. C. W. Mangum, Atlanta, Georgia, Ex-Sheriff of Fulton county, Ga.; James Taylor, Peoria, Ill., Special Investigator of Mines and Minerals for State of Illinois; E. J. Henry, President of the Hawkinsville Bank & Trust Co., Hawkinsville, Ga.; W. C. McElveen, Cashier Bank of Hornbeck, Hornbeck, La.; S. D. Rogers, Secretary and Treasurer Southern United States Co., Oklahoma City, Okla.; Rev. W. C. Norton, Pastor Wesley Memorial Church, Jacksonville, Fla.; Rev. A. J. Vallery, well-known minister and social worker of Memphis, Tenn.; Mrs. Martina Stone, not a temperance lecturer, Seattle, Wash.; Mme. Jean Mantelli, Portland, Ore., celebrated opera singer, late of the Metropolitan Opera Co., of New York, and many others too numerous to mention.

Tanlac is sold by leading druggists everywhere.

ESTRAY NOTICE

Taken up on the farm of the undersigned, living about six miles northwest from the town of Clarendon in the County of Donley, the following described animal known to be estray, viz:

One white face cow, no brands or marks. Appears to be about three years old. Was taken up by me on the 23rd day of June, 1918, from the right of way of the Denver Road; she broke into my farm.

If not legally proven by the owner thereof within Twenty Days from the date hereof I will proceed to Estray the same in accordance with law.

Clarendon, Texas, this 28th day of May, 1919.

—Rear First National Bank—

MISS THELMA WILSON

The death angel has again visited our midst and taken from us Thelma Wilson. She was born July 14, 1903, and died May 18, 1919. Age 15 years and 10 months and four days.

She professed faith in Christ four years ago and joined the Missionary Baptist Church of which she was a member until the end came. She attended Sunday school every Sunday as long as her health permitted and was always in her place. Her sweet smiling face will be missed by her teacher and classmates.

Thelma was the daughter of Mr. and Mrs. R. C. Wilson. She was left an orphan when one year old, and found a home with her grandfather, M. T. Haley, and Aunt, Miss Eula Haley. She moved with her grandfather and aunt from Collin county to Donley County seven years ago, and resided near Clarendon until she passed away. She leaves a grandfather, aunt, uncle, brother and sister to mourn her loss. A kind and devoted sister, daughter and niece has been taken, but sweet is the thought that we can go to her, and in heaven no sorrow nor death can come.

Another angel is added to the hosts of heaven. No more will her

sweet smiling face be seen in her home, for she has gone to that home from which none ever return, there to await our coming.

To the bereaved family, relatives and friends, we would extend our sympathy and say unto them, weep not for her, as those who have no hope, for our loss is her eternal gain. Her Sunday School Teacher.

Let McMillan and Johnson order your suit. You will get fit and satisfaction. Big reduction on lots of suits.

Tan-No-More THE SKIN BEAUTIFIER

The most scientific and most wonderful facial preparation of the modern age. It imparts to the skin a velvety softness and delicacy which is delightful in appearance and pleasing in effect. Used during the day it is a protection from the Sun and Wind. In the evening its use assures a faultless complexion. Tints: White and Flesh. All dealers, 25c, 50c and \$1.00, or sent post paid on receipt of price. Sample for the asking.

BAKER-WHEELER MANUFACTURING COMPANY DALLAS, TEXAS

NEW PERFECTION OIL COOK STOVES

"CANNING season, with its crowded kitchen hours, is just one of those times when busy housewives most appreciate the dependable New Perfection—the oil cook stove with the Long Blue Chimney Burners."

From New Perfection advertising—Successful Farming—May, 1919.

It drives a steady flow of clean intense heat directly against the utensil—no smoke or odor. Instead of one big sweltering fire, the New Perfection gives many different heats—ready instantly wherever you turn the flame—and the flame stays where set. Burners are brass and last for years.

Sold by all good dealers—ask your dealer to demonstrate this Long Blue Chimney Burner.

HOME DEMONSTRATION WORK

Extension work is that phase of instruction which is carried on among people who are not resident at an educational institution. It has been developed co-operatively by the Department of Agriculture and the Division of Extension of the Agricultural Colleges of the various states. Home Demonstration work, which has been developed especially for women and girls. The Home Demonstration Agent is employed to give practical demonstration in home economics to people throughout the country. The instruction is free.

This demonstration work can be more efficiently carried on through Women and Girl's Clubs. Among the problems to be taken up in the clubs are poultry management, selection, preservation and preparation of food, canning of fruits and vegetables, the farm water supply systems, household equipment and management, use of labor saving devices and machinery, control of insects and pests, etc. The Home Demonstration Club makes better homes. It brings about community improvement. It improves social conditions in the community. Club meetings are held monthly at the following places in the county: Clarendon, Hedley, Lelia Lake, Windy Valley, Martin, Naylor, Jericho, Chamberlain, Giles, Bary, Ashtola and Goldston. We urge all women and girls who live near these places to attend the Club meetings. Mrs. Chitwood, County Home Demonstration Agent. Miss Palmer, Asst. County Demonstration Agent.

Mrs. Goldston was a pleasant visitor. J. W. Helm made a business trip to Clarendon Tuesday. Miss Annie Hermesmeier visited friends in Groom Monday. Mr. and Mrs. Ronner Mace were visiting in Lelia Lake last week. Mr. S. T. Morgan and family moved to Wheeler, Texas, this week.

Lloyd Little of Clarendon spent the night in Jericho Saturday night. Mr. Grady Enochs and family moved out to the R. T. Darnell farm this week.

Mr. and Mrs. Finley of Clarendon were in Jericho Saturday afternoon, enroute to Shamrock, Texas.

Mrs. C. R. Slay of Groom was visiting her parents, Mr. and Mrs. J. W. Helm one day the past week.

The ball game between Hedley and Jericho on the Jericho diamond was rained out Saturday afternoon.

Mrs. Chitwood and her assistant, Miss Palmer, were in Jericho Saturday afternoon looking after the club work here.

Mrs. C. C. Slavin has returned to her home in Alareed after a pleasant visit with her brother, E. R. Reeves and family.

Mr. and Mrs. Whitlock and Mrs. Robert Rossen of Adair hospital were visiting at the Thos. O. Kirby home one day the past week.

Miss Maggie Hermesmeier and brother, Frank, have had as their guests this week, Miss Nell and Mr. Bill Roule of Groom.

F. G. McNeilly has returned to his business interests in Byers, Texas, after a pleasant visit with relatives and friends at Jericho.

Jericho has been visited by another big rain. The farmers will be unable to get into their fields for another week at least on this account.

Mr. and Mrs. R. T. Darnell have had as their guests this week, their sisters, Ethel and Edith and brother Louie Enochs, of Whitedeer and friend, Miss Ollie Thornton of Byers, Texas.

With shame we hand in a report of the election held here Saturday. Not an amendment carried. Five votes were polled for Woman Suffrage and five for Prohibition. If this isn't proof sufficient that we need woman suffrage, what is?

The Jericho ball team and quite a number of the citizens motored to Groom Saturday afternoon, May the 17th, for a return game with them. Our boys won by a score of 18 to 2. This is Jericho's third game of ball this season, one with Lelia Lake and two with Groom, winning each game.

Mrs. M. E. Helm entertained in honor of the ball team Saturday evening. A number of contests and games were enjoyed. J. L. Osborn having won the greatest number of points was presented a kewpie dressed in a Jericho ball suit. Our hostess served punch and cake throughout the evening. Those present were Misses Dessie and Hattie Ashmead, Ernestine Osborn, Ruby and Lillian Hunt, Annie Reeves and Mrs. M. E. Helm, Messrs. Elmer and Arthur Ashmead, Gilpin, Murray and Paul Reeves, J. L. Osborn, Jodie and Jimmie Helm and Mr. and Mrs. Ronner Mace.

Reporter.

FOR SALE OR RENT

We have some big reductions on made to measure suiting. These are real values. McMillan and Johnson.

IF YOU WANT A SQUARE DEAL

Investigate the proposition offered you by the

Donley-Park Oil Co.

PROVEN ACREAGE LOW CAPITALIZATION SHARES \$10.00 PAR A HOME COMPANY

The Donley-Park Oil Company is made up of local men who have acquired acreage in the new Iowa Park field and have organized a company for the purpose of development with the promotion game eliminated.

IOWA PARK CHAMPION

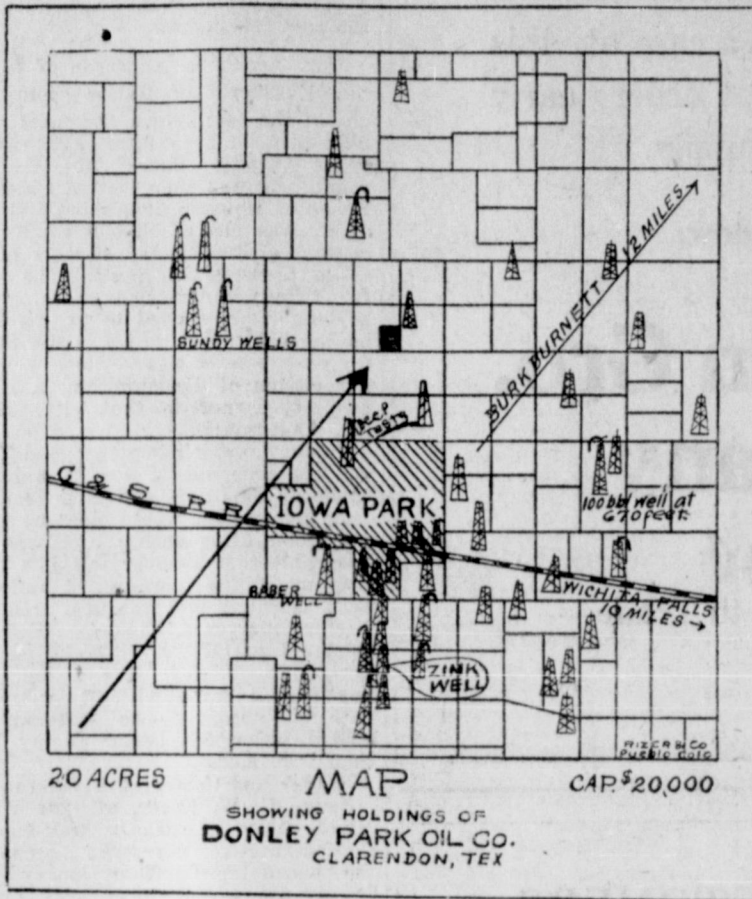

"Probably the most interesting development in the North Texas oil fields at the present time is the Iowa Park district", says Max Strumpf. "The field is as yet comparatively new, but oil in large quantities is being discovered and the field is broadening out in all directions until it begins to look as though the country surrounding the town of Iowa Park was destined to become one of the real oil centers of North Central Texas.

"Numerous wells in this particular field are now producing upward of more than a hundred barrels of oil a day from the different sands, ranging in depth from 160 to 1,300 ft. and many of the drilling wells are now nearing the oil sands and each day new wells are being drilled in until the increase in production in this field has gone far beyond the hopes of the most optimistic.

"The percentage of dry holes in this district is far below the average and in almost every instance oil is encountered in large quantities.

"I have been engaged in the contracting and drilling end of the game for a considerable time and have had occasion to visit the various oil fields of Kansas, Oklahoma and Texas, but nowhere, in my judgment, have I found anything which offers so great an opportunity for the conservative investor as does the Iowa Park district at this time.

"Many companies are interested and drilling on their holdings is now going forward at a rapid rate of progress. And in almost every instance they have been richly rewarded for their labors."—Fort Worth Record, Friday, April 11th.

Proven shallow production—three deep tests now drilling near our property—Figure for yourself what it is worth with the proven production and what it will mean to you to have a few shares with us—Consider what the finding of deep sand near us means with 20 acres capitalized at \$20,000. Quick action—low expense—big production—high priced oil, mean big dividends.

The square manner in which this company is being handled should appeal to you.

OUR HOLDINGS

Our holdings consist of 20 acres one mile north of Iowa Park, and just a fraction over a half mile from the "Twin Cities" deep test, which is now according to reports, drilling below 1400 feet and have passed thru two good sands, one the 700 foot sand which is being developed over the entire field and is producing as high as 100 barrels of oil daily, and the other at 1300 feet, which was reported good for 250 barrels.

BRICE NEWS

Clarence Richardson of Goldston is at Brice.

Otis Barnes of Donley county is in Brice today.

Brice is playing Lakeview a game of baseball today.

There has been a general epidemic of colds and grippe.

Mrs. Geo. Dickson has been quite ill, though reported recovering.

Grady Herd is the guest of his mother at the McMurry ranch.

W. H. Youngblood has been on the sick list, but is improved at present.

Miss Leo Johnson of the Chamberlain community was a recent visitor at Brice.

Messrs. Baldwin, Leel, Brown and Murff were viewing the oil field of Hall county recently.

Mrs. Maud Stallings of Claude is here for a visit with her parents, Dr. and Mrs. Richardson, this week.

J. C. Biggerstaff of Lodge is visiting relatives at Brice to attend the commencement exercises of the Brice school.

Private Zack Salmon of the Panther division came home as a casual last week, and all are delighted to have him home and looking fine.

R. H. White and wife are spending a few days with the Brice folks before leaving for Boulder, Colo., where Mr. White will study this summer.

Rain is the least needed thing in Brice right now. The farmers have planted their crops twice and the rain of the last few days will cause some of them to be planted again.

With the excellent small grain crop and oil prospects looming up and growing greater each hour seems like Hall county would soon come into the spotlight as a center of wealth.

Private James B. Davis, who left with our boys and transferred to the Rainbow Division and saw some of the thickest fighting of that famous Division, was wounded twice and stayed in hospitals in France from Nov. 7th till his division had gone to Germany. He then asked to be sent to his company, where he remained till the division came home. He received his discharge at Bowie and is now at home with his mother and father and brother, much to the delight of his many friends.

WINDY VALLEY WARBLERS

Had another big rain last week, crops looking fine.

S. J. Ayer has gone to Marlin for the benefit of his health.

Mrs. J. Phelan's sister and little child of Hulver, is her on a visit.

Dewey Bills of Lelia Lake spent Monday night in the J. J. Bills home.

Jim Stogner returned home last week from Dallas where he underwent an operation several weeks ago. We are glad to see him back.

The Panhandle Association met at the church Wednesday.

The canning club met at the school house last Friday night.

News reached here Monday that Daniel J. Bills had arrived overseas.

Mrs. Clay Inmon was a caller at the Phelan home Monday afternoon.

Mahon Ewing returned home last week from Plainview, where he attended school this term.

Miss Dewey Michem of Clarendon spent Saturday night and Sunday with her aunt, Mrs. Reg Hillman.

M. Hughes and family were visiting his father at Hudgins Tuesday.

Adeline and Cecilia Atteberry visited in Clarendon from Saturday till Monday, the guests of their grandparents.

Blue Eyed Sue.

If your eyes trouble you, see Mr. Spiller at Stocking's Drug Store. He is prepared to give you satisfaction.

Take your prescriptions to Mr. King at Stocking's Drug Store.

Now Is The Time To Plan

Before many months you will be ready to settle in your summer home. You want your recreation time to be free from the annoyance of troublesome details.

You want all the surroundings and conditions to work together to insure for your family the greatest possible comfort and enjoyment throughout the summer season. Let electricity play its part in making the summer months especially enjoyable.

It will light up your cottage, camp or houseboat, your porches and grounds, with brilliant electric light. It will furnish power for a dependable pressure water system. Hot and cold water for tub and shower may be had in abundance.

Electric fans will provide cooling breezes on sultry days and night. A refrigerating system, electrically operated, will make you independent of the ordinarily uncertain ice supply. The electric toaster, percolator, and the like, can have their place at the breakfast table.

If motion picture entertainment is desired, for the summer home or colony, you can present it, thanks to the fact that you have a Delco-Light plant put in, no difference where you may require it. Delco-Light makes doubly delightful the joys of vacation time. It enables you to enjoy the simple life of the fields and woods, without the sacrifice of the comforts that are a part of the modern city home.

It is simple, dependable, easy to operate. Let us show you the plant itself and explain how you can insure, for all your summer seasons, the greatest possible enjoyment for yourself and family.

Kemp & Cope
CLARENDON, TEXAS

Domestic Happiness

The first indication of domestic happiness is the love of one's home.

Money invested in a home brings a reward that cannot be measured in dollars and cents. There is a satisfaction in knowing that one has a home when possibly all other investments fail. It gives him a feeling of security and demands the recognition of his fellow men, because by building he shows his faith in the future of the community.
