

DISTRICT COURT TO OPEN MONDAY

SPRING TERM OF COURT
STARTS WITH FULL DOCKET.
ET. GRAND JURY CALLED.

The Spring term of District Court will open Monday, March 22 with a comparatively light ticket for the court to work with. The Grand Jury is promised a busy session with the number that is now being held in the County Jail and that are out on bond awaiting action by the Grand Jury.

The court is called to meet at ten o'clock Monday March 22 and will go to work on the following docket as soon as the court is convened:

Criminal Docket

State of Texas vs
Dee Bales, Manufacturing intoxicating liquor; Dee Bales, selling intoxicating liquor; R. G. Adamson, transporting liquor; R. G. Adamson, selling liquor; W. B. Lorry, selling liquor; W. B. Lorry, manufacturing liquor.

Civil Docket

C. J. Derrick vs C. D. McDowell, suit on contract; F. & M. Bank vs National Surety Co., suit on Indemnity B.; Maud Cockrell vs Claud Cockrell, divorce; Pearl Tarwater vs Donley County Bank.

Appearance

L. R. Watson vs Emma Watson, divorce; Texas Central Power Co. vs H. P. Wilson et al, injunction; Galbraith-Fox Lumber Co. vs Joe Warren et al, suit on note; Alliance Trust Co. vs S. H. Cannon et al, pass. of real estate; M. A. Dewell vs Lillian Dewell, divorce; R. H. Jones vs D. B. Leach et al, suit on notes; City of Clarendon vs O. L. Fink, injunction; L. H. Wood vs J. P. Rudd et al, damages; G. E. Allen vs unknown heirs of H. Taber, remove cloud; Wesley Knorrp vs J. T. Langford et al, foreclosure; L. E. Munice vs National Fire Insurance Co., et al, suit on insurance; W. R. Holder vs J. B. Box, foreclosure; Major S. Hicks vs Fannie Hicks, divorce.

Court convenes March 22nd, 1926, 10:00 a. m.

FIRST NATIONAL BANK PREPARES FOR SPRING

Painters and decorators have been busily engaged for the past few days in the business of re-decorating the interior and exterior of the banking home of the First National Bank. The interior of the building has been thoroughly gone over and the walls and ceiling have been done in a pleasing shade that adds much to the interior of the building. The furniture has been varnished and the interior has been completely refinished in preparation for the spring months just ahead. The exterior of the building is also receiving its due coat of paint and the other parts of the building are receiving their due share of attention.

DALLAS MAN IS ADDED TO LOCAL BUSINESS

Jas. W. Cannon, for the past six years bookkeeper and credit man for one of the largest shoe firms in the city of Dallas arrived in Clarendon the latter part of last week to take his place in the local firm of Wallace & Co. Mr. Cannon is a young man of great merit and comes to this city highly recommended for the place that he is to take here. He will handle the buying and the credit end of the business in both the Clarendon and McLean stores. He brings his family with him and plans to make his home here permanently.

WHITLOCK MAKES IMPROVEMENTS IN SHOP

Among the improvements that have been noted on Main street for the past week, the changes in the rear of Whitlock's Shop will come in for its due share of mention. One of the spaces for baths has been renovated and remodeled into one of the most complete places for a beauty parlor in the city. The interior has been refinished in a coat of white enamel and the fixtures for the pursuit of this lucrative business will be installed in a short time. The place will be occupied by Miss Pauline Pierce.

BAPTIST CHURCH NOTES

There will be a Church Conference following the morning service next Sunday, March 21st, for the purpose of considering a call of another pastor.

Mr. and Mrs. John Wise of Amarillo and Miss Agnes Charlton of Canyon visited in the home of their parents, Rev. and Mrs. F. T. Charlton of this city.

C. E. Morgette and family from Ponca City, Oklahoma, are visiting Mrs. Morgette's parents, Mr. and Mrs. C. B. Ingram.

DONLEY TAXES MAKE GREAT SUM

TAXES BETTER COLLECTED IN
COUNTY THAN FOR MANY
YEARS PAST.

Taxes paid into the office of the Tax Collector for the year 1925 were more than have been paid into the county for a number of years past. In addition to this, the taxes have been better paid than ever before in the history of the county, there remaining only a very few and scattered tracts of land in the county on which the taxes were not paid and a number of pieces of property in Clarendon. The sum of the entire delinquent list will be found to include a number of poll taxes on people who have moved out of the county and on those who were too old to be assessed.

The total amount of delinquent taxes on the entire county will not exceed \$2,000 for both State and County revenues.

State taxes collected will amount to the staggering total of \$50,727. This amount being paid into the treasurer of the state at Austin. County taxes were received to the amount of \$48,412.19, this amount being paid to the County Treasurer and placed on deposit in the county depository. Funds received from the registration of automobiles and trucks will amount to \$19,505.31 for the part of the State and \$7,212.57 for the part received by the county.

Taxes assessed for the county will amount to \$48,819.73 while those for the state will amount to \$52,338.57. There were a number of taxes that were placed on the supplementary rolls of the county. The total number of poll taxes paid will amount to more than 2,690.

FIRST CHRISTIAN CHURCH

Algie B. Crocker, pastor. Phone 549.
Sunday School every Sunday at 9:45. Preaching and communion at 11:00. Morning sermon, "Stepping Stones to Living Faith." This sermon will be illustrated from chart or black board and is worth your attending. Christian Endeavor meets at 6:30. Evening service at 7:30. Sermon, "Giving the Bible a Chance." Better go to Church Sunday.

LIONS ATTEND TO MUCH BUSINESS

MANY MATTERS OF VITAL INTEREST BROUGHT BEFORE LUNCHEON TUESDAY.

The Clarendon Lions had the best attendance registered here for a number of weeks when they met for their luncheon in the basement of the First Christian Church. The meal was such that the most critical member could say nothing about the excellence of the preparation, quantity and quality. The Ladies were at their best and the Lions and their visitors enjoyed the matter to the fullest extent.

Lion Mulkey reported for the program that will be given on Tuesday next. Four members of the club will speak on subjects that have a bearing on the manufacturing industry of the state and of Texas made products. The luncheon next Tuesday will be made entirely from products that were raised in Texas.

The Lions were asked for cars to furnish transportation for a part of the cast in the operetta that was presented in Hedley on that evening. The usual Lion response was received. The cars were furnished and the folk of the cast were enabled to make the trip in that manner.

Entertainment for the members of the Austin College Glee Club was secured and the matter of the sale of the tickets was announced. The Clarendon Municipal Band Uniform Fund is to receive the money that is made from the appearance of the boys in Clarendon. Each member was asked to sell tickets for the affair and each were given a set to dispose of in the usual manner.

The matter of the Moral Code for the youth of the country was again brought to the attention of the club and on due motion and second the matter was left in the hands of the Executive Committee for their action.

Two new Lion Cubs, Lions Craig and Kemp were called on for their cub speeches and responded as all true Lions learn to do. The fines against each of them were remitted as is the custom of the club on a similar occasion.

Rev. S. M. Mims, A. H. Moreman and Tom F. Connally were introduced as the visitors of the day. Each of them responded with a short talk that was much enjoyed by each one present for the day.

"HILLCROFT" IS NAME OF CLARENDON GOLF CLUB

It's the "Hillcroft Golf Club" of Clarendon, Texas, now if you please. This euphonious and sonorous title was officially adopted at a meeting of the directors of the Clarendon Golf Club, this morning in the directors room of the Donley County State Bank. A number of other items of routine were also attended to.

A committee composed of the greens committee and the president, was named to draft the by-laws and rules for the club on its new course and the greens committee was also instructed to employ suitable labor for the upkeep of the course.

Homer Parsons was named as Caddy Master and he was instructed to require all caddies under age to file with him, written permission from parents or guardians, before permitting them to come on the links as caddies. Other regulations will also be enforced. The club grounds are now posted and on intrusions of others but members, their guests and caddies will be tolerated. New score cards with printed rules will be issued in a few days.

"Hillcroft Golf Club sounds up-town, does it not?"

A number of Clarendon DeMolays went to Amarillo last Tuesday to take part in the DeMolay celebration there. Among the High School boys that went were Wade Youngblood, Tommy Allison, and Paul Montgomery.

Dr. and Mrs. William Webb of Fort Worth announce the birth of a son, born Sunday, March 14th. Mrs. Webb was formerly Miss Olive Martin of this city.

Mrs. Fred Buntin is listed among those suffering from the influenza.

SLOVER RETURNS MONDAY NIGHT

COLLEGE PRESIDENT RETURNED TO HOME AFTER SERIOUS ILLNESS.

One of the miracles of the modern medical profession has been demonstrated during the past few weeks in the return of Dr. George S. Slover, President of Clarendon College to his home after what had been feared was his fatal illness. Dr. Slover returned home Monday evening of this week after a stay in the Harris Sanitarium in Fort Worth of some three weeks. A part of the time that he was in the hospital, bulletins were received daily from that city stating that it would be only a matter of hours until the end could be expected.

The entire student body of the college were at the depot in Clarendon when the train bearing Dr. Slover rolled into the city. A double line was formed and the car in which Dr. Slover was taken to his home rolled between the cheering lines of students. The sick man was able to walk from his place in the car to the waiting automobile and no assistance was required when he entered the machine that was to carry him to his home.

At last report received from the home of Dr. Slover, he is gaining in strength daily and will soon be up and about the work that he has been in for so long and that he loves so well.

BARTLETT BUILDING NEW BRICK

BARTLETT STATES NEW HUNDRED FOOT BUILDING
READY BY JUNE 1ST.

J. R. Bartlett announced the fore part of this week that construction would be started immediately on a new one hundred foot brick building between the building now occupied by his studio and shop and the post-office. The building is to be one of the most modern in the city, having a set of windows that will extend across the entire rear of the building and assuring plenty of light for the interior.

The estimated value of the building is to be \$8,000. The most modern style of construction will be observed in the building. Recessed show windows will give the occupant a space for display second to none in Clarendon. A balcony in the rear will be twenty feet deep and will make the building a great deal more spacious for the proper display of merchandise.

The work of actual construction is to start at once, part of the building material being already on the ground for the work to start. Wallace & Company of this city have leased the building and will move into their new quarters by June 1st or before if the building is ready for occupation.

The work on the site of the Pigely-Wiggly building is going forward rapidly, the concrete having been poured for the foundation and the brick being hauled for the walls. The contractor will be on the ground in a short time to do the brick work in the walls of the building. This place of business will be ready for the renters by May 1st.

The Shamburger Lumber Company is making additions to their yard in this city in the form of a carpenter shop that will be ready for use of the carpenters in a week or ten days. The frame work has been completed and will be ready for the roof and other work in a very short time.

PLANS BEING WORKED OUT FOR DOLLAR DAY

Secretary-Manager Holcomb of the Chamber of Commerce, working with the committee from the Chamber of Commerce on Trade Extension is at work on a plan that will mean quite a bit to the merchants of the city. A Dollar Day is being planned that will mean as much to the people of the county as to the business houses. The News is not at liberty to give full details on the movement since the plans are not yet quite completed. The days will be held in April, May, June and August if the present plans mature. Full details of the plan are to be announced in the News at a very near date.

Major T. Garrett left Friday for Fort Worth where he witnessed Charlie Paddock, "the human flash" in an exhibition dash at the Southwestern Exposition and Fat Stock Show against the winners of the 100-yard dash in the collegiate and interscholastic rankings. He was accompanied by Golder Russell and Earnest Kent, sprinters on the C. C. cinder squad.

Mr. and Mrs. D. A. Davis of Mobeetie were visitors in Clarendon Sunday with their daughter, Miss Opal and with their son, Marvin.

CLARENDON COLLEGE DAY SET FOR APRIL 18TH

Clarendon College day will be observed by four districts of the Northwest Texas Conference on April 18 when programs will be held in Clarendon, Amarillo, Plainview and Vernon for the purpose of presenting the needs of Clarendon College for a student body and a permanent endowment.

These programs will be carried out in accord with the plans made by the Endowment Commission of the Northwest Texas Conference which met in Abilene February 9. At this meeting of officials from all districts of the conference, plans were laid looking forward to the endowment of Clarendon College and McMurry College. The Commission is putting on a cultural campaign, sending literature over the conference to men who would be expected to contribute to the endowment.

One feature of the campaign is to set apart a Sunday during the month of April to be known as Clarendon College day in the four Districts named. In each town named above, the pastor is requested to preach a sermon on the needs of C. C. both for a student body and a permanent endowment. It is highly probable other numbers will be arranged to complete the program to be used in each town.

The immediate purpose of C. C. Day is to mold a sentiment looking to a great campaign in which those in charge expect to reach their goal of \$250,000.

W. H. Patrick president of the First National Bank of this city, returned last night from a short journey to Paris. The occasion for this trip was the birthday dinner given by J. J. Culbertson, a member of the board of the Federal Reserve Bank at Dallas.

DEMONSTRATION AGENT FOR CO.

COMMISSIONERS COURT VOTES
FUND FOR HOME DEMONSTRATION AGENT.

At the last regular meeting of the Commissioners Court for Donley County, there was passed, unanimously that Donley County should have a Home Demonstration agent for the year that is to come. The commissioners voted \$1,100 for the salary of the agent and the state will finish with the balance.

The County Clerk, as clerk of the court has been authorized to take up the matter with the proper authorities. To date, there has been nothing heard from the state department of this work, but Miss Hayden has been heard from in this section of the state and it is possible that she will be here the latter part of this week and will have some definite information as to the lady who will hold the position for the county.

Mrs. Sella Gentry and Mrs. George Ryan and daughter, Berkeley, who went to San Antonio some time ago for their health, are reported much improved and the party is expected to return about the fifteenth of next month.

Seth Peabody, a former student of Clarendon College, was in town for three days last week, renewing old acquaintances and visiting friends.

BIG SCOUT MEET HERE MARCH 25

HONOR COUNCIL TO MEET AND
PRESENT BIG PROGRAM TO
PUBLIC.

Tentative plans have been laid for the Clarendon troops of Boy Scouts to meet in their regular monthly Honor Council meeting on Thursday evening, March 25. The place of meeting has not been definitely settled, but will be announced in time to allow every one to attend the program.

The usual procedure of these meetings will be held with the exception of the examinations for the merit Badges. The examinations will be held before the time and only the presentation of the badges will be held at the time of the meeting. A program of work with demonstrations of the simpler operations will be also held at the time of the meeting as scheduled before.

The parents of the Scouts of the city are urged to attend this meeting that they may know what their boys are doing and what they are being taught in the scout work.

At the present time there are two troops in active work in the city with a third in process of organization. Charles Lowry and A. T. Holcomb are scoutmasters of the troops now functioning with Homer Mann as the master of the third troop now in process of formation.

Some discussion will also be made at the meeting next week that will concern the attendance of the Clarendon Scouts on the encampment near Claude this summer. It is hoped that Clarendon will be well represented at the encampment and present plans point to the best attendance yet recorded.

Within the next few weeks, the Clarendon people will be asked to make their subscriptions for the Scout fund for the coming year. The Panhandle Council has outlined a program that calls for a great deal of work the coming year and more attention to the local work. The drive opens, Clarendon is to be asked for what is needed for the coming year and no one will be overworked in the matter. In a work so vital as this Scout work, every citizen should be interested and take an interest in what is being done for their boys.

COLLEGE SEASON PROMISES MUCH

TEAM TO BE STRONG
TENDER IN RACE OF PANHANDLE SCHOOL.

Coach H. T. Burton of the Clarendon College Bulldogs states that the baseball program for the season that opens in the near future is one that will mean a great deal to the fans of the city of Clarendon. A fourteen game schedule has been announced and will include Wayland Baptist College at Wayland, Goodwell Junior A. & M. College of Goodwell Oklahoma, The Canyon Buffaloes from the West Texas State Teachers College at Canyon and The Lubbock Tech.

The following schedule and dates have been announced for the college:

April 1-2 with Wayland here.
April 8-9 with Goodwell here.
April 15-16 with Wayland at Plainview.

April 19-20 with Canyon Buffaloes here.

April 28-29 with Lubbock Tech at Lubbock.

April 30 May 1 with Canyon at Canyon.

May 5-6 with Lubbock Tech here.

The players that are expected to be in camp when the season opens are such that they should strike terror to the hearts of the teams they will meet later in the season. Lee Powell, general utility man from the last year's team will fill the position of catcher for this year. His ability in this place is more than well deserved. Behrens of this city and Weathered of Kirkland will fill their places on the mound for the season. The ability of both these men are not to be doubted as they both displayed their talents in this place last season.

Mike Corbin will fill his position as shortstop and his voice may be heard at all times during the game. His heavy line is to be feared by all members of the opposing team who are the least bit timid in their approach. Clyde Pipkin will be at his place on the hot corner. Emmons from the Clarendon High School teams of the past number of years is the high point slugger on the team.

Other men are out to fill the vacant places on the diamond and Coach Burton states that the team will be in a position to do all that

KNOB KNOCKERS CAPTURED HERE

DEPUTY BARNETT STARTS
BALL TO ROLLING SATURDAY EVENING.

Assisted by City Marshall T. M. Pyle, Deputy Sheriff Barnett made one of the biggest hauls ever recorded for Donley County on last Saturday evening. The men who were captured Saturday evening were among the gang of thieves and hi-jackers who have been striking here and there in towns from Wichita Falls to Amarillo and leaving no traces of their activities after they have passed.

Deputy Barnett recognized the car last Saturday evening as they passed him on the street of Clarendon and summoned Mr. Pyle to assist him in following the car in question. The car was followed and the men were caught near the Kimbell Gin after they had stopped. The men did not resist arrest but submitted peacefully when they were caught. In the confessions secured from the three questioned it was stated that they had come to Clarendon for the purpose of getting the proceeds from the Pastime Theatre and from the Caraway's Restaurant in the city. The restaurant had been looked over and their plans were fairly well laid when they were seen by Mr. Barnett and their capture effected. The car was identified as the one which helped carry the safe from the Gasoline Alley Filling Station by the tires worn on the four wheels.

The men were searched and a number of bonafide burglar tools were removed from them and their car together with two thirty-eight caliber Colts revolvers loaded all round in preparation for a fight if one should arise.

Since the beginning of the work, six men have been apprehended and the investigation has been continued. Written confessions and pleas of guilty have been filed by five of the men in question. Three of them are being held in the county jail here and the others are scattered over the Panhandle in places that are easily available in case of necessity.

A great number of the peace officers of the Panhandle have been in the city for the past few days to help in the work of investigation. Chief of Police Clark Cain of Amarillo was the first to arrive on the scene, bringing a negro from Amarillo who identified the three in the car as the men who robbed a filling station in Amarillo recently.

Among those who have been in Clarendon for the past few days attending to matters pertaining to the investigation will be found: Burton Roach of Fort Worth, Special Agent for the Denver Road; Dunk Barkley, also agent for the Denver; Special Agent Hubbard from Amarillo, representing the Santa Fe; Sheriff Wiley Pollard of Potter County; Joe Merrick and Bill Huddleston, Sheriff and Chief Deputy from Hall County; Deputy Edmondson from Vernon; Chief of Police Clark Cain of Amarillo, Deputies from Wichita Falls and Electra and at the present time, a Ranger from the force of Texas.

The starting of the investigation may clear up a number of the recent robberies perpetrated in Amarillo and adjoining cities. The work is being continued and will possibly develop something larger than was hoped for when the first three men were apprehended here late Saturday.

CLARENDON BOYS TO GO TO AMARILLO FOR MEET

Saturday of this week, the Clarendon High School track team will meet the team from the Amarillo Schools in Amarillo. This information was forthcoming after the dates had been settled a short time ago between Clarendon, Claude and Amarillo. It is possible that the tennis teams from the Clarendon High School will also go to Amarillo to compete with the representatives of the Sandstorms. The meet will be held Saturday afternoon and it is possible that the tennis matches will be played Saturday morning.

HOME ECONOMICS CLASS EXHIBITS HANDIWORK

For the past few days, the South window in the Little Mercantile Company establishment has displayed dresses that have been made by the students in the Home Economics Class of the Clarendon High School during the past year. The articles of apparel in the window range from the most fancy to the plainest items of oster clothing and give the passer by some idea of the work that is being done in the school in this city. It will only be a short time until the annual contest of these students is held, the winners being allowed to take their places in the state contest.

a team is expected to do during the baseball season.

NOTICE—Any erroneous reflections upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of The News will be gladly corrected upon its being brought to the attention of the publisher.

In Clarendon we need some sort of ordinance or agreement that will keep this stream of street auctioneers and curb-merchants from beguiling the dimes from our citizenship to the detriment of the home-town merchant. It isn't fair to the men who pay the taxes that builds and protects our city, for these fly-by-night birds to come in here and sell shoddy seconds as first class goods and by word and inference "knock" our local stores. Let's stick together.

Talk about romance! There is no more interesting romance in the wide world than the romance of building and development in West Texas and the Panhandle. Every publication in and around this wonderful section is filled with stories of new building projects, farm development, commercial improvements and civic progress. Even then, much of it is overlooked, for a short journey will reveal the fact that no newspaper can assemble and chronicle the building and development in the smaller towns, the prosperous rural communities and the more remote farming sections. We are living in the greatest age the world ever knew and each succeeding year adds to its wonders and greatness. Romance—boundless and unchained! Let us live and enjoy the thrilling episodes of its unfolding pages.

TIPS FOR TIP-TOP DADS

Boys go where you go, not where you tell them to go. That's why the devil is so everlastingly busy.

A boy is like an iceberg, only a little of him shows; the real boy is out of sight waiting for some explorer.

Every boy needs plenty of Do's. Don'ts are the frost that nips many a promising crop in the bud.

All a boy's heroes aren't necessarily saints, but action must be their middle name in every case if he is to worship ardently.

Sermons that hike and play ball and go fishing and eat three real meals a day are the sort boys most enjoy.

A little real comradeship is worth a library full of exhortations to most boys. There may be sermons in stones; that's likely why boys insist on throwing them at every passing cat.

The things boys need most must be caught the same as measles and chicken pox. The sort of goodness that counts is invariably contagious. The inoculation is a he-man.

One Dad was too busy to give his boy any time, so the boy gave his Dad a "time" instead. Queer, isn't it?

A Dad is an admirable party to be a parent, but it can't be done by proxy, no matter how thick the check book.
 —Frank H. Cheley.

It looks now like there is fair prospect to uniform the Clarendon Municipal Band in the next sixty days. This past week the Lions Club of our town voted to give the proceeds of the Austin College Glee Club program, Friday evening, to this fund, and with what little nest-egg the fund already has it ought not to be a very great task to dress our band out in neat, distinctive uniforms that they may the better represent Clarendon at home and abroad. It will be a pleasure to our citizenship to assist in this enterprise.

It never has been done—it never will be done—this thing of being prosperous on the farm while we buy meat and bread and stock feed from the stores. If farmers do not at least produce these things, along with milk, butter, poultry, eggs, vegetables and fruits, they can make more cotton than ever, sell it at a dollar a pound—and then go busted. Is there anybody who wants to dispute this proposition? Cotton at a dollar a pound might get us by—if the prices of all other things we need would remain at the level they have when cotton is 15 to 20 cents. But prices of other things we need just won't remain down when (and IF) cotton goes up.—Tyler Journal.

One of the most gratifying features of 1926, so far, has been the steady increase in new building here in Clarendon. In every part of the city, new and modern residences are being erected, while new business buildings are also under construction, and more are to be announced later. Only this week, a man who is closely in touch with the lumber and contracting interests of the city, said to this writer that this summer would see the greatest building boom Clarendon had ever known. Real estate sales and trades are almost daily occurrences now and every straw points to a great year of civic progress.

We read the other day of a fellow that did so much work for the advancement of his town and community that he woke up one morning and found himself unpopular. Yes, in every avenue of life, the guy that aggressively stays in the forefront has a bunch yapping at his heels. You see if he wasn't in front they wouldn't be at his heels. The sweet part of it is, though, that the worker and fighter nearly always has a philosophy of life that lifts him up and above the little mean digs and thrusts of jealousy. He smiles and laughs and enjoys the society of his fellows—and continues to work. Work is one of God's greatest blessings to humanity.

P. T. BARNUM'S TEN RULES

The late P. T. Barnum laid down the following ten rules for success: (1) Select the kind of business that suits your natural inclinations and temperament. (2) Let your pledged word ever be sacred. (3) Whatever you do, do with all your might. (4) Use no description of intoxicating drinks. (5) Let hope predominate, but be not too visionary. (6) Do not scatter your powers. (7) Engage proper employees. (8) Advertise your business; do not hide your light under a bushel. (9) Avoid extravagance; always live considerably within your income if you can do so without absolute starvation. (10) Do not depend upon others.—Selected.

THE BIG ADVERTISERS KNOW

Big business is turning more and more to the local papers of the nation as the best and most intimate media through which to advertise their wares. Only last week this writer had the opportunity to read a letter from one of the great clothing houses of America, insisting upon their local dealers carrying regular weekly space with the home paper, basing this advice upon their long and observant experience in every part of the country. One of the statements made was worthy of more than passing consideration. It was this—that at the local advertising rate, there was no other method of reaching the given number of readers at so low a cost. Occasionally a local business man will say that he believes the cost of newspaper advertising is too high, but he hasn't stopped to figure just what direct-by-mail advertising costs him. The postage, alone, costs more for the same number of prospective customers to be reached, than newspaper advertising, allowing for liberal space—not counting the first cost of preparing the letter or advertising matter to be mailed. Further, if one will notice the waste-basket at the postoffice, when such matter is put in the mails, it will be easy to note the volume of such matter thrown there by the non-interested addressee. Specialty or novelty advertising is a very expensive and speculative matter, insofar as results are concerned, and most of the great national users of advertising have tabooed it. Millions and multiplied millions are being spent every year for advertising, and more and more the smaller and more aggressive advertisers of our towns and cities are following the lead of the great national concerns and are using more newspaper advertising as the weeks come and go. The home-town newspaper is the best medium for reaching the people with any message—bar none.

"GO HOME AND COOK SUPPER"

Not so many moons ago a certain evangelist told a committee of women who came to "explain" about some gossip, to "go home and cook supper."

Aside from the merits of refusing to listen, to more gossip about gossip, there is a piece of fundamental advice bound up in the evangelist's reply that is needed all over this nation.

In the last few years there has been an almost unbelievable increase in the number of restaurants, cafes and "eating joints," that discovers a situation to the man in the street, which betokens a still greater desertion of the American home. For many years there has been growing up a complexity of business and social life that takes the average American family away from the family hearthstone by day and by night, the only time when the members of the home were together, being at meal time—sometimes.

This great increase in eating places came by reason of a demand created by people eating down town instead of going home, and this is true of women in almost as large ratio as men. The matter isn't one of sex, at all.

A gentleman who does a good bit of traveling about said the other day there was not the same good tables set in the homes of the people that generally obtained a few years ago. There may be some reason, then, in folks going to the restaurants to eat. The home table not being so attractive, doesn't hold the family like it once did.

If there were more effort in the kitchen and more time spent on preparation of tempting menus, it would likely stop so much eating down town. If such a course would cause the family to gather again at the family table with greater regularity and enthusiasm, then it would be worth to the nation all the time and effort spent in bringing it to pass.

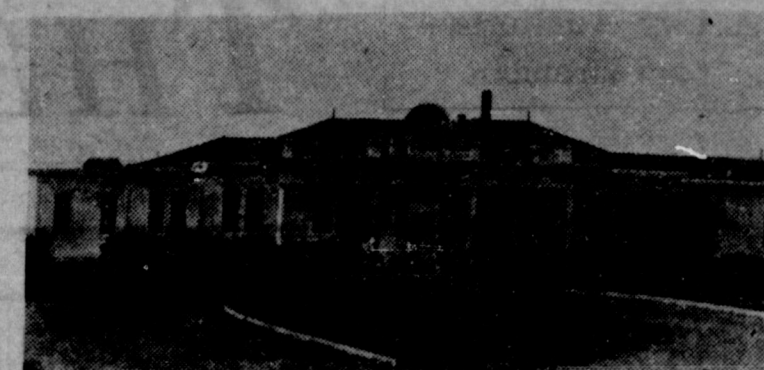

"Go home and cook supper," may be after all, one of the solutions to better and more normal home life in America.

TWO LOCAL MEN ADDED TO DRY GOODS COMPANY

The News was informed the fore part of this week of the addition of Messrs J. H. Harris and John Beverly to the firm of Wallace & Company of this city and McLean. Jas. W. Cannon of Dallas, former book-keeper and credit man for one of the largest shoe concerns in that city, is also lined up with this firm and has moved here to make his home. Plans are being made to increase the stock of goods in the store here and a move to larger quarters is contemplated as soon as the building can be completed. Some other changes are also planned for the company and will be announced at a later date.

NEWS PRINTS FOLDERS FOR CHAMBER OF COMMERCE

The News completed the latter part of last week, one of the best jobs of printing that has been completed here for quite a while. The folder is one which is to be distributed through the State by the West Texas Chamber of Commerce and by the local organization. Local members of the Chamber of Commerce will also aid in getting this bit of publicity scattered over the state where it will do the most good. The idea behind the entire matter is to get the oil men to leave their families in Clarendon where they can secure

an education and be out of the way of the influences of the oil fields, at the same time being close enough to attend to their business in the fields without the least inconvenience. Anyone who desires some of the folders to inclose in his outgoing mail will secure them by calling at the office of the Chamber of Commerce in the City Hall.

Forty Years Show More Progress Than Seven Thousand

More than five thousand years were required to evolve illumination from a burning fagot to a candle. The candle grew into a lamp in seventeen hundred more years. One hundred years after the lamp gas came. About seventy-five years later great improvement was made in gas lighting, and electricity arrived. Forty years after electricity was first used for lighting it reached its present amazing perfection.

The forty years that represent great progress are those just passed. Far more has been done in the development of public utility service in that space than was done in the seven thousand years that went before. They brought the telephone and the electric motor.

Public utility services are now essential services, and the subject of great study and constant endeavor to improve them and make them even more generally available.

The electrical industry is improving every year. Its importance to the people is increasing.

This company recognizes that its chief object is to supply this important service satisfactorily.

BOY SCOUT CORNER

S. H. CONDRON, Conducto-r

Scouts, what do you believe, and why? What things are you thinking about and what do you expect to become in life? This question does not have to be answered today but tomorrow will soon arrive and you will be that something. You must believe in something, so suppose we think of that thing you believe in and call it your creed. Once a boy said to himself, I am going to write down the things that I believe in. He lived out in the country—about once a week some neighbor boys came to see him, but otherwise he was busy with his farm duties. His father was a hard worker and the boy fell into the same habits. Here is what he wrote down:

I believe in myself.
I believe in my fellow scouts.
I believe in keeping my mind and body clean.
I believe in clean sports.
I believe in the great outdoors.
I believe in properly using my leisure hours.
I believe in work.
I believe in reading good literature.
I believe in education.
I believe in my country.
I believe in today and the promise of a brilliant tomorrow.
I believe in God.
Grade yourself on these points counting each to be worth 8 1-2 per cent, the some of them are of far greater value than others. But suppose that each one is of the same value. What will be your final grade? Write some others that you consider worth while things to believe in. Hand them to the editor of this corner. He wants to enlarge the number of worth while things which we should believe. Which do you consider most important? Why do you believe in them? Do you think believing in these will help you?

WHAT'S DOING IN WEST TEXAS

(West Texas Chamber of Commerce)

West Texas Chamber of Commerce The speaking contest on "My Town" to be held in Amarillo during the annual convention of the West Texas Chamber of Commerce to be held in June is attracting wide spread interest. Indications point to the greatest entry list of any public speaking contest ever held for Texas high school students and the most alluring prizes ever offered will attract the best talent in the state.

Each town affiliated with the West Texas Chamber of Commerce is entitled to enter one representative. This representative must be a bona fide high school student, under twenty-one year of age on Sept. 1, 1925 and an under graduate during the spring semester of the present school year. The contestant must present an eligibility certificate certified to by the school superintendent and in addition the contestant must have the official endorsement of the chamber of commerce secretary of his own town as the official representative of that town. Method of selecting the contestant is left entirely to the discretion of each town.

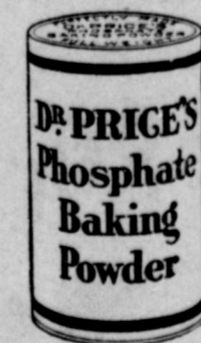

All contestants who enter will be given opportunity to speak in Amarillo. Such preliminaries as may be deemed necessary by the management will be held at Amarillo. Judges shall be selected on the basis of competency and neutrality. Speeches must not exceed five minutes in length and may be either memorized or spoken from notes. No speeches may be read from manuscript. Contestants are expected to prepare their own speeches.

Prizes offered are a silver loving cup, one hundred dollars in gold and a scholarship in Texas Tech as first prize. In addition it is expected that a free trip to Philadelphia on the special train to be run to the Sesqui-Centennial Exposition will be added. Arrangements for this cannot be made until the train is contracted for. Other cash prizes will be offered for winners of second and third prizes. Full rules will appear in the March issue of "West Texas Today" and a leaflet containing the rules and regulations is now being prepared for distribution from the Stamford office. The contest is under the direction of E. H. Whitehead, publicity manager of the West Texas Chamber of Commerce.

Buick is More Expensively Built But it Costs Less to Buy one

Buick is built more expensively than any other cars in or near the Buick price class.

"Expensively built" means that the different parts and units of the Buick motor car are the best that engineers can design. But, thanks to the large volume which public demand has given to Buick, and thanks also to production methods that are models of efficiency in an efficient industry, the Buick motor car can be sold to you at a very moderate price.

Many Buick features are duplicated only in America's highest priced motor cars.

Buick, for instance, uses the Torque Tube Drive to transmit the drive of the rear wheels to the chassis, instead of burdening the rear springs with this added duty. The highest priced car in America uses the torque tube. And so does Buick! The American public wants finer transportation and Buick provides it at lower cost. Consequently Buick is a very popular car. Come in and examine the Better Buicks.

the Better Buick

*One year after another for the last eight years, Buick has held top place in dollars and cents volume of business among all members of the National Automobile Chamber of Commerce.

Buick Motor Cars are now sold on the basis of Federal taxes effective midnight March 28th.

ANNUAL BENEFIT IS SUCCESS FRIDAY EVE

One of the most successful benefits that has been staged in the Pastime Theater for the past few weeks was that staged Friday evening of last week by the students of the Clarendon High School for their annual publication, "The Broncho". The picture was a scream from first to last and the skits that were given between the first and second shows were splendid beyond comparison. The first number was a declamation contest with Chief Justice Prentice, Tom Thumb and Mrs. Sarah Allen Good Enough as judges. Five speakers were heard, ranging from the first one who was very oratorical to the many degrees of giggling, stuttering and forgetful speakers. Speaker number one won the decision of the judges. The ukulele trio, presented by the Misses Frances and Lucille Park and Maureen Wood was very good and received an encore for their second number. The Girls' Choral Club under the direction of Miss Stewart was a decided hit and was recalled for their second number. The exact amount of the tickets sold was not determined, but it is understood that they made quite a nice amount and that the Annual Treasurer will be helped to a great extent by the receipts from the affair.

HIGH SCHOOL NOTES

At the meeting of the Parent-Teacher's Association Thursday afternoon several pupils participated in the program; the band also gave several selections.

Rev. Crocker of the First Christian Church was a welcome visitor at the chapel period Friday. He told us how and why we should study the Bible and cited many interesting facts concerning the Bible.

The General Literary Society met Friday afternoon. One of the best programs that has been arranged this year was rendered. Special music by the Glee Club was an enjoyable feature of the program. A good debate and several well delivered declamations completed the program.

The Benefit Show given Friday evening was a great success and we appreciate the courtesy extended by Mr. Mulkey. We are very proud of the students who took part in the special program. Misses Frances and Lucille Park and Maureen Wood are to be complimented on their musical ability.

The track team will journey to Amarillo Saturday, where they will meet the Amarillo track team. The boys are "coming out" each afternoon and working hard.

The High School will be represented in Tennis in Amarillo on Saturday.

The Volley Ball team is progressing rapidly and the regular team is to be chosen soon.

The Junior Class of Clarendon High School, together with several of the teachers, met at the home of Willie Mae Stewart on Saturday evening. In rooms decorated in Junior class colors, "42" and other games were played. Music and delightful refreshments completed the evening's entertainment.

The Seniors are planning a banquet which will be Saturday evening of this week. All Seniors are enthusiastic over their event and look forward to a great time.

The Literary Society voted funds from their treasury to buy new music. With Miss Stewart as leader we look forward to an interesting time learning to sing the music. Miss Stewart has organized a Glee Club and a Choral Club, each of which are doing splendid work.

MRS. STAPP TO PRESENT STUDENTS IN RECITAL

Mrs. Roscoe Stapp announces that her annual recital of the most advanced voice students in her class will be presented in the Baptist Church Auditorium on Monday evening, March 22. Miss Sara Thompson and Mrs. Rolle Brumley will be the two students who are to be presented this year and they are well fitted for the program that will be given on the date mentioned. Mrs. Boykin will assist on the program with selections on her violin. Accompanists for the program will be Misses Pounds and Stallings and Mrs. G. L. Boykin. The program as planned for Monday evening is as follows:

But the Lord is Mindful of His Own, Mendelssohn, from Saint Paul—Miss Thompson.

Songs My Mother Taught Me, Dovrak; Bless You, Novello; My Jean, Rome—Mrs. Brumley.

Gypsy Love Song, Victor Herbert; Where My Cavaron Has Rested, Lohr—Miss Thompson.

Violin, Adagio from Concerto No. 9, DeBarriot; Londerry Aire, Kreisler—Mrs. Boykin.

My Heart at Thy Sweet Voice, Saint Saens from Samson and Delilah; Still, Still with Thee, Ambrose—Mrs. Brumley.

Narcissus, Nevin; I Passed by Your Window, Brahe—Miss Thompson.

Piano, Impromptu, Reinhold—Miss Pounds.

Creole Swing Song, Denza Luegi—Miss Thompson and Mrs. Stapp.

My Love, He Comes on the Skee, Leichter; The Gypsy, Arditi; Fiddle and I, Goodeve—Mrs. Brumley.

Playmates, Anonymous—Billie Mae Stapp.

NOTICE

I have bought the Kandy Kitchen formerly owned by R. C. French and would appreciate the patronage of my friends and the public. Will keep fresh candies and popcorn at all times.
 E. A. Thompson.

Bobo McLean of Hereford was a Clarendon visitor over the last week end, visiting in the home of his mother, Mrs. A. W. McLean.

HIGHWAY OFFICIALS IN CLARENDON WEDNESDAY

Division engineer, L. O. Cox and road supervisor Burke Mathes were in conference with the City Council and the County Commissioners last Wednesday as to the extent of state aid in maintaining our highway in this county. Discussion took in the program of paving and highway improvement planned for Clarendon and Donley County this year and the visitors were so favorably impressed with road prospects in this county that their recommendations to the Highway Commission at Austin ask for an appropriation of state funds to the extent of \$43,000. If these recommendations are sanctioned, it will mean that Donley County has received more state aid this year than ever before. It was largely consideration for the increase maintenance cost of our highways with the coming into this ter-

ritory of the heavier traffic on oil materials from the Archer City and others pools that won for Donley County this amount of state support. The heavy oil trucks make road upkeep more difficult and are especially damaging to the lighter bridges.

The cordial relations that have existed between our local Commissioners' Court and the Highway Commission have played a large part in bringing to this county the beneficial results of friendly co-operation. Clarendon and surrounding territory are soon to expect a highway system to boast of and we owe much of our success in building up our roads to the co-operation of county officials and representatives of the State Highway Commission.

Miss Dolie Corder left Saturday night for Austin where she goes as a delegate from the Rebekah Lodge of this city to the assembly there.

of this section, is confined to his home with an attack of the influenza.

Earl McClain, young nephew of J. O. Quattlebaum, has been seriously ill for the past week and Mrs. Yarbery of Amarillo has been recalled to help the youngster in his game fight for recovery.

Major E. A. Simpson, who lately entered the law firm of Underwood, Johnson, Dooley and Simpson, was back in this city last Friday.

"THE HOUSE OF SERVICE"

NOTICE OF ELECTION OF CITY COMMISSIONERS

STATE OF TEXAS, COUNTY OF DONLEY, CITY OF CLARENDON.

Whereas, on Monday the 1st day of March, A. D. 1926, there was an order passed to hold an election on the first Tuesday in April the same being the 6th day of April, A. D. 1926, for the purpose of electing two Commissioners for the City of Clarendon, and said order provided that notice should be given as is provided by law.

Therefore, in accordance with said order and the Statutes and by virtue of the authority vested in me by same, I hereby give notice that on the first Tuesday in April, the same being the 6th day of April, A. D. 1926, there will be held in the city of Clarendon at the City Hall an election where at will be elected two Commissioners for the City of Clarendon, said election to be conducted in accordance with the law relating to the election of such officers, and W. P. Blake is named Presiding Judge, A. A. Mayes, Judge, and Jno. Beverly and E. A. Thompson, Clerks of said election and they will conduct the said election in accordance with law.

Wherefore, witness my hand and the seal of the City of Clarendon, this the 2nd day of March, A. D. 1926.

H. W. TAYLOR, Mayor.

ATTEST: Maude Clark Nelson, City Secretary. (12c)

WHY SUFFER SO?

Get Back Your Health as Other Clarendon Folks Have Done

Too many people suffer lame, aching backs, distressing kidney disorders and rheumatic aches and pains. Often this is due to faulty kidney action and there's danger of hardened arteries, dropsy, gravel or Bright's disease. Don't let weak kidneys wear you out. Use Doan's Pills before it is too late! Doan's are a stimulant diuretic to the kidneys. Doan's have helped thousands. Here is one of many Clarendon cases:

Mrs. E. C. Herd, P. O. Box 191, says: "My kidneys acted irregularly and this condition worried me. I began to take Doan's Pills and am glad to say Doan's soon rid me of the attack, as my kidneys were regulated and put in good order." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Herd had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

INCOME TAX

I wish to remind you once again that it is time for income tax reports. That the law requires all partnerships and corporations to return without regard to their loss or gain. Single persons exemption is \$1500.00, married \$3,500.00, rate 11-2 per cent. We have had seven years experience, are prepared to give you good service.

Don't forget we make abstracts also. (1fc) Clarendon Abstract Co.

Plenty of money at 7-7 1/2 and 8 per cent according to amount. See Leon O. Lewis. (20fc)

CITATION BY PUBLICATION

THE STATE OF TEXAS

Donley County, Greeting:

To the Sheriff or any Constable of

YOU ARE HEREBY COMMANDED

to summon unknown heirs of

Helen R. Tabor deceased, by making

publication of this Citation once in

each week for four successive weeks

previous to the return day hereof,

in some newspaper published in

your County, if there be a newspaper

published therein, but if not,

then in the nearest County where a

newspaper is published, to appear

at the next regular term of the

District Court of Donley County, to

be held at the Court House there-

of, in Clarendon, on the Fourth Mon-

day in March, A. D. 1926, the same

being the 22nd day of March, A. D.

1926, then and there to answer a

petition filed in said Court on the

17th day of February, A. D. 1926,

in a suit, numbered on the docket

of said Court as No. 1478, wherein

G. E. Allen, is Plaintiff, and un-

known heirs of Helen R. Tabor, de-

ceased are Defendants, and said

petition alleging that at some date

unknown to the plaintiff between

May 16th, 1903, and January 20th,

1914, Helen R. Tabor, a widow, by

her deed of general warranty con-

veyed Lot No. 5 in Block No. 49

of the original town of Clarendon,

in Donley County, Texas, according

to the recorded map or plat thereof

to W. I. Lane and Bessie Lane; that

such said deed was never recorded in

the deed records of Donley County,

Texas, by the said W. I. Lane and

that such deed is now lost and can-

not be found by this plaintiff; that

on January 20th, 1914, W. I. Lane,

and his wife, Bessie Lane, de-

ceased said Lot No. 5, in Block No.

49 to the plaintiff G. E. Allen; that

the plaintiff G. E. Allen has contin-

uously been in the possession of said

lot since the date last mentioned

above and has used and occupied

the same as his home since said

date.

Plaintiff alleges that the failure

to record said deed from Helen R.

Tabor to W. I. Lane constitutes a

cloud upon his title to said lot and

makes what is known as a hiatus in

the record title to said lot.

Plaintiff also pleads the three,

five and ten year statutes of limi-

tations, and asks that the Un-

known Heirs of Helen R. Tabor,

whom he alleges is now deceased,

be cited to appear and answer this

petition and asks that on a final

hearing he may judgment removing

the cloud cast upon his record title

to said Lot No. 5 in Block No. 49

by said hiatus, and asks for relief,

general and special, legal and equi-

table, such as he may be found to

be entitled to, either at law or in

equity.

Herein Fail Not, and have before

said Court, at its aforesaid next

regular term, this writ with your

return thereon, showing how you have

executed the same.

Given Under My Hand and the

Seal of said Court, at its office in

Clarendon, Texas, this 17th day of

February, A. D. 1926.

F. G. WHITE, Clerk, District

Court Donley County, Texas.

Miss Lona McGinnis, working for

the West Texas Children's Aid and

Welfare Association of Abilene was

a Clarendon visitor the latter part

of last week. She stated that any-

one who are interested in helping

children would do well to write the

Association at Abilene.

NOTICE OF DISSOLUTION OF PARTNERSHIP WITH CONTINUANCE AS A CORPORATION

As contemplated by Article 1307

of the R C S of Texas 1925, Notice

is hereby given that the partner-

ship between H. T. Wallace, Jas.

W. Cannon, Geo. M. Reed, John

Beverly and J. H. Harris known as

WALLACE & COMPANY and doing

business as a mercantile establish-

ment with its office and principal

place of business at Clarendon,

Donley County, Texas; intends to dis-

solve said partnership relation and

to become incorporated under the

laws of the State of Texas regulat-

ing private corporations and con-

tinue in the same line of business as

heretofore done, with its principal

office and place of business at Clar-

endon, Donley County, Texas, with-

out changing its firm name.

WALLACE & COMPANY,

By H. T. Wallace. (14c)

NOTICE OF DISSOLUTION

TO WHOM IT MAY CONCERN:

This is notice to you as required

by law, that we, J. W. Martin and

J. T. Patman, doing business under

the firm name of CLARENDON

MOTOR COMPANY, has this day,

been dissolved by mutual consent.

We have sold our stock of Mer-

chandise and fixtures to George

Moffett, G. G. Kemp and J. A.

Pirtle who will continue the busi-

ness under the name of CLARENDON

MOTOR COMPANY.

All accounts and Notes due the

Clarendon Motor Co., prior to Feb.

15th, 1926, will be the property of

and payable to J. W. MARTIN and

J. T. PATMAN.

All accounts due by above said

firm made before Feb. 15th, 1926,

will be paid by the said Martin and

Patman. Signed this 23rd day

of Feb. 1926.

J. W. Martin,

J. T. Patman. (11pd)

CHRISTIAN ENDEAVOR

Subject: "What Does Jesus Mean

by Cross Bearing?"

Scripture Text: Matt 16:21-28;

John 10:11-16.

Leader—Roy Forbes.

Song—The Old Rugged Cross.

Prayer.

Scripture Reading—Leader.

How Can Christians by of Help

to each other in Bearing Difficul-

ties?—Merle Forbes.

Is it Possible to be a good Christian

without Self-denial?—J. K.

McClenny.

Debate: Resolved, "That it is a

sin to enjoy luxury while our money

is needed for preaching the gospel.

Affirmative—Roy Clampitt and

Pearl Dubbs; Negative—A. B.

Crocker and Mary McClenny.

WHAT GOES WITH YOUR MONEY?

At age 35, which is the average

age, a \$1,000.00 20-year, old line

policy will cost \$30.95. Its cash

value at end of 20 years is \$566.00.

A local Mutual Aid policy for

\$1,000.00 will cost about \$9.95 per

year, a difference in cost per year

of \$21.00.

Now place this \$21.00 each year

at 6 per cent compound interest and

at the end of 20 years you will have

in cash \$818.85 and still have your

Mutual Aid policy in full force.

Mutual Policy 6 per cent

Year—Cost Investment

1—\$9.95 \$22.26

2—9.95 45.86

3—9.95 70.87

4—9.95 97.37

5—9.95 125.47

6—9.95 155.27

7—9.95 186.83

8—9.95 220.31

9—9.95 255.80

10—9.95 293.41

11—9.95 333.27

12—9.95 375.52

13—9.95 420.31

14—9.95 467.79

15—9.95 518.13

16—9.95 571.47

17—9.95 628.02

18—9.95 687.96

19—9.95 751.40

20—9.95 818.85

\$1,000.00 still in force.

Possibly some may say a \$1,000

Local Mutual Aid policy can not be

kept up for \$9.95 per year.

We have one that up to our last

report to the Commission of Insur-

ance, January 1, 1926 it had paid

for both death and total and perma-

nent disability and the average cost

had been only \$9.70.

The above company has never

failed to pay its \$1,000.00 since we

filled it in 1921.

Study these figures and watch this

paper for the next few weeks. We

expect to tell you a little about these

two kinds of insurance, we feel that

the people should know.

Peoples Mutual, largest in our ter-

ritory.

EXPERT WATCH REPAIRING

Watches repaired at Stocking's Drug Store are turned out with the skill of a factory expert. Every pivot is polished, every plate is trued, every pinion is perfectly adjusted and the balanced wheel is timed just as it was when leaving the factory. Hugh E. Skiles, formerly a railroad watch inspector does the work in such a manner that the watch owner may rely on his timepiece.

STOCKING'S DRUG STORE
Let us inspect and regulate your watch free.

COLLEGE MUSICAL

Friday afternoon a studio recital was held in the Auditorium of the College. From many viewpoints this was the most successful of all recitals given by the music department. The students are approaching nearer and nearer the high ideals of Dean Morris and Mrs. Morris. Very careful preparation was very much in evidence. Better poise and greater ease in playing and singing were also to be noticed.

Piano, Luria di Lammermoor, Donizetti—Gertrude Osborne, Clarendon.

Piano, Romance, Schuman—Devilla Kelley, Clarendon.
Violin, Eglantine, Lierance—Dick Spiller, Clarendon.

Piano, Nocturne, Chopin—Viola Joss, Wheeler.

Voice, Celeste Aida, Verdi—Rossell Paige, Texline.

Piano, Romance, Sibelius—Angeline Dubbs, Clarendon.

Voice, Sing, Smile, Slumber, Gounod—Hazel Mullino, Clarendon.

Piano, Wedding Day, Grieg—Mary Kathrine Headrick, Clarendon.

Voice, (a) Pale Moon, Logan; (b) Nightingale, Nevin—Julia Dean, Clarendon.

Piano, Japanese Etude, Poldini, Julia Dean, Clarendon.

W. A. Pierce of the city of Hedley was a caller in the News office Monday of this week.

Rev. J. B. McCarley of the city of Pampa attended to business matters in Clarendon Monday of this week.

KEARNEY STREET PICK-UPS

"The Clarendon News is carrying as much educational news and general information as the big dailies of the state. I appreciate it"—Supt. Paul Morgan. Ever now and then, somebody breaks loose like that, and by heck, we appreciate it, too.

Last week's Star-Telegrams carried many pictures of prize bulls, winners down at the Fat Stock Show, which called to mind an incident when the Pickups man was a junior down at Polytechnic College in 1904. In company with another non-com of the school battalion he was out at the Fat Stock Show and was at one of the old shed rings when a S-T reporter was taking a picture of the grand prize bull of the show. To lend color to the picture—we hope that was it—the reporter asked the two sprouts to stand behind the bull as sort of a uniformed background. They didn't hesitate and the next day smeared it on the other students just a little when the picture showed up on the front page of the S-T. Of course there were a few cute remarks about it from the sharp tongued of the student body—but nobody didn't find a hang. The picture in prize-winning company showed for itself—didn't it?

A prominent citizen of Clarendon made a remark on Kearney Street the other day that carried a bouquet with it, which is deserved without a doubt. He said "Clarendon streets are better graded up and in better shape now than at any time in the history of the town and we've got to thank John Sims, street commissioner, for the good work. He has certainly done some creditable work, and lots of it for the money he has had to spend." Flowers for the living.

Judge W. T. Link: "I have heard talk of three new buildings in the business part of town, just across the street from the postoffice. It takes planning and some talk before any project is a reality, and we'll all be glad to see the new buildings begun."

W. T. Hayter: "Yes, we are getting some benefit from our proximity to the oil field now, as well as from good general conditions. I have had more business propositions made me in the past ten days than in the past five years." Pickups is picking up, now, ain't it?

The Clarendon crowd that went down to Hedley Tuesday night to put on Mrs. Stapp's operetta were royally treated, and a big house witnessed the performance. One Hedley man in the fourth row, said at the end of the first act—"I've got my money's worth already." He got twice his money's worth when the curtain was a little late in going down on the last scene, and the Big Injun Chief made such a fast getaway.

A Clarendon Gump says he can't hardly wait until the weather thaws out some of these candidates. He hasn't had a single free cigar nor cold drink nor steak smothered in onions, neither.

E. A. THOMPSON BUYS RETAIL CANDY KITCHEN

The friends of E. A. Thompson of this city will be glad to learn that he has recently purchased the retail store from Mr. R. C. French and that he will operate the business in the same location as before. Mr. Thompson is one of the oldest business men of the city, having been here for a number of years and his purchase of the little place of business is expected to mean a great deal to him. Mr. French states that he will spend all of his time on the wholesale end of the business, which has grown to quite a great extent during the past few months that he has been operating in the wholesale line.

Office supplies at the News office.

OUR SEC. SAYS

Through the mail last week came a number of blank applications from the Dallas News better cotton contest for those farmers who desire to do so may join the contest in producing more cotton on fewer acres.

It is a well known fact that cotton is no longer an experiment in the Texas Panhandle and more especially this county. The increase from 9,000 bales in 1916 to more than 22,000 bales in the 1925 crop is ample proof that the cotton crop is here to stay. There are many who are not interested in the matter of more cotton on fewer acres but for those who are interested, the local chamber of commerce is ready and willing to lend any support to those who wish to enter the Dallas News cotton contest during the year. The successes of farmers elsewhere is ample proof that it is not an experiment and a good showing could be made by any one who will join the contest and follow the instruction laid down. True it is that we do not have a county agent but such a condition need not keep anyone who desires to join from doing so. Blanks are available at the office of the secretary and at Watson & Antrobus hardware store for any farmers who wish to take advantage of the proposition and start immediately. Blanks may also be obtained from the office of the Dallas News at Dallas.

As close as Wellington the experiment has proved a success and it is sincerely hoped that someone in Donley county will take advantage of the situation and see what can be done in the county this year. Ideal conditions prevail in many parts of the county and success is sure to reward the farmer who makes this attempt.

Let's see what can be done for more cotton on fewer acres in Donley county this year.

TEXAS TALKS

WESLEY PEACOCK, PH. B.

MENTAL TESTS FOR CHILDREN

In many cities all children upon entering school undergo mental tests to determine not only what grades they should enter, but also how much class work they can do.

In many schools there are three officials to examine all pupils; a psychiatrist, or mental doctor, to determine whether the child is normal in its mental life; a welfare worker, to determine whether the child lives under normal social and home-life conditions, especially as to sufficiency of food, recreation, diet, and labor; a medical doctor, to determine whether the child enjoys normal digestion, good circulation of the blood, good teeth, and normal working of the glands of internal secretion.

These mental tests have been standardized by universities, and are now used in every state to determine not what a child has done, but what he can do, if he wants to. The tests are believed to measure indirectly the child's native capacity to do, to study, to learn; so that the teacher may diagnose a boy's case in school just as the family doctor may diagnose his case in bed. The difference is in the method employed. The teacher asks him not to stick out his tongue, but to answer certain simple questions not dependent upon schooling, but on general intelligence.

The French educator, Binet, about twenty-five years ago hit upon methods to determine the intelligence of children of defective minds, so that, when classified, they might be taught in special classes by sympathetic teachers trained in school room methods for retarded pupils. It was found that many dull pupils could do one grade in two years, instead of one grade in one year, or could carry special subjects for which they possessed an aptitude, leaving off others that were not needed. There is no longer any need of a child's burying his talent, as in the Bible story.

AUSTIN COLLEGE TRIP INCLUDES MANY TOWNS

Sherman, Texas, March 10.—The starting day for the Austin College Glee Club tour to include Clarendon and other west Texas cities was postponed from March 8 to Monday, March 15, on account of conflicting dates in some towns which had scheduled another organization touring that section.

Concerts have been scheduled by the following for the dates named: High School, Nocona, March 15; Municipal Junior College, Wichita Falls, March 16; The Texan, Quanah, March 17; High School, Memphis, March 18; Lions Club, Clarendon, March 19; High School, Tulia, March 20; Wayland College, Plainview, March 21 and 22; Texas Technological College, Lubbock, March 23; T. N. T. Club, Colorado, March 24; McMurray College, Abilene, March 25; High School, Mineral Wells, March 26; Radio broadcasting station WFAA, Dallas News and Dallas Journal, Dallas, March 27.

At most of these towns, Austin

Ready For Easter's Parade

THE joy of selecting the Easter wardrobe is doubled after viewing these gay new Frocks. Simplicity prevails—but what smart simplicity—achieved through the amazingly clever lines and enhanced by excellent material and workmanship. Spots of vivid color heighten the youthfulness and harmonize with spring.

Our new collection awaits your early inspection.

Last Call For The 1926 Directory

Soon after this paper goes to press, the first sections of the NEW TELEPHONE DIRECTORY will be put on the press and it will be too late for you to be listed in the new book. March 20th has been set as the last day for this work to be done and the printers will go to work on their book.

We have a plan whereby you can SAVE YOUR DEPOSIT FEE on your telephone. Call the chief operator or see some of the workers in the office and we will tell you of the plan.

Even if you think you will not need a telephone for the next few weeks or even months, tell us of the date you will need the service and we will place your name in the book with your number and save your friends trouble in finding you when your telephone is installed.

Remember, do this at once that you may not be disappointed when the book comes out. The printers promise that we may have the book ready for delivery by April 1. See us now.

Clarendon Telephone Co.
O. L. FINK, Supt.

College friends and ex-students will greet the club. Several of the places mentioned have been included on previous trips.

Carl Harris of Ashtola was in Clarendon the first of this week.

SCHOOLS RECEIVE FIVE DOLLARS ON APPORTIONMENT

The News is in receipt of a letter from the State Department of Education stating that to date, they had paid ten dollars of the state apportionment for each pupil in the state. A check from the State

surely for five dollars each student recently received raised the total to ten dollars for the years. The remaining four dollars will be received half in April and the other half before the first of August.

DOES IT PAY TO FEED PURINA FEEDS

Here is a statement from Mr. M. C. Reed of Clarendon: I have 20 Rhode Island Red pullets that were hatched in May. I commenced feeding them PURINA STARTENA. Then the BABY CHICK CHOW after they were a little older fed them PURINA HEN CHOW and CHICKEN CHOWDER. These pullets began laying in November and I have been getting from 16 to 20 eggs a day since they commenced laying. I feed them HEN CHOW and PURINA CHICKEN CHOWDER regularly. (Signed) M. C. REED.

If you want to grow strong healthy chicks and get results feed PURINA poultry feeds. Put up in no substitute. Ask for the feed in Checker board bags. For sale by Clarendon Grain Co.
