## Clarendon Boxing Team To Challenge Memphis Glove Toters Tonight

The Clarendon Boxing Team, under the direction of Coach J. L. Naylor, will venture to Memphis tonight to challenge the Memphis team as a result and reward of a long series of diligent workouts and intensive training. Coach Naylor has an invincible faith in his boys and expects them to really give the boys in Memphis some victorious competition.

Dr. O. R. Goodall, Mack Wilson, and Glenn Carlos will sit as judges, while Jack Boone is to act as referee to all the bouts. The tournament is to take place in the Memphis High School gymnasium at 8 o'clock with an admission charge of 15c for all students and 25c for adults. Ringside seats can be obtained for an additional 25c. Everyone is urged to attend and enjoy the entertainment.

The bouts as matched are as follows with the names of Memphis boys first:

Leroy Green vs. Jerry Morgan; Donald Corley vs. Billy Bob Adams; Herbert Stinnett vs. Edwin Thomas; Douglas Barber vs. Dudley Trustle; Elmo Sams vs. Jimmy Beard; Adair Gilbert vs. Melvin King; Dan McMillan vs. Bob Bentley; Weldon Jester vs. Raymond Adams; Jack Monzingo vs. Jiggs Mann; Benny Godfrey vs. Billy Chilton; Melvin Stewart vs. Jimmy Howze; Carlyle Young vs. Gene Bulman; A. C. Sams vs. Donald Beard.

### MRS. ALICE WILKINSON RECEIVES PURPLE HEART

Mrs. Mary Alice Wilkinson has received the Purple Heart, which was awarded to her husband, Pfc. Gwan H. Wilkinson for wounds he received on October 18 in Italy.

Pfc. Wilkinson was shot through his right hand, and was able to go back to his company on November 15 to continue his work in the Infantry as an automatic rifleman.

He is a member of the 339th "Polar Bear" Regiment. This regiment is in the 85th "Custer" Division, part of Lieut. General Lucian K. Truscott Jr.'s Fifth Army, which recently shattered the vitals of the vaunted Gothic Line.

Pfc. Wilkinson is a son of Mr. and Mrs. O. L. Wilkinson.

### APPRECIATIVE CROWD HEARS LEPER SPEAKER

A splendid meeting of church women was held in the Presbyterian church, Tuesday afternoon for the purpose of hearing Miss Dora Jane Armstrong of Dallas speak in behalf of leper work. Miss Armstrong's deep interest in this most worthy cause was keenly portrayed as she spoke to the group. Her talk was interesting, informative, and one that challenged church women to a greater responsibility in helping these unfortunate people.

A most appreciative group enjoyed a social hour during which delicious refreshments were served.

### SISTER OF LOCAL WOMAN RELEASED ON PHILIPPINES

Among the list of names released over the radio and newspapers, was Lt. Dorcas Easterling, who was freed recently when U. S. troops entered Manila. She was in the Santo Thomas Internment camp.

Lt. Easterling is a sister of Mrs. J. G. Stewart of this city. She left the States in August for the Philippines just before war was declared on December 7th. She was with the U. S. Army Nurses Corps and was on Corregidor when that bastion fell to the Japs.

Outside of the name being published, no other confirmation has been received regarding her release. Mrs. Stewart has felt all along that her sister was still alive and is very happy over the good news.

### CLYDE PUTMAN RECEIVES PROMOTION AND PURPLE HEART

Pvt. Clyde Putman, son of Mr. and Mrs. M. L. Putman, has been promoted to the rank of Sgt. and has also received the Purple Heart award as a result of wounds sustained before Christmas in the Philippine Islands.

S/SGT. ELDON C. HOLLAND

S/SGT. Eldon C. Holland, member of the 5th Air Force in Southwest Pacific, is here visiting his parents, Mr. and Mrs. W. C. Holland and other relatives on a three weeks furlough. Sgt. Holland is here after having completed 47 missions over enemy territory as a gunner on a Liberator Bomber. He has the Air Medal with two oak leaf clusters and also has one star for the New Guinea campaign.

After his furlough has expired, Sgt. Holland will go to Santa Anna, Calif. for reassignment.

### SERVICES HELD SATURDAY FOR PIONEER LADY

Funeral services were held last Saturday afternoon at the First Baptist Church in Goodnight for Mrs. Bessie R. Miller, with Rev. A. B. Mosley officiating, assisted by Rev. J. C. McKenzie of Amarillo.

Mrs. Miller, wife of the late Dr. Thomas B. Miller of Goodnight, died at the family home at Goodnight Friday morning. She was 80 years old and had been a resident of Goodnight for the past 40 years. Dr. Miller preceded her in death in 1926.

She is survived by eight children: Misses Mal and Mary and Joe and Amos of Goodnight; Tom and Gaither of Ft. Worth; Dr. Oscar of Ada, Okla.; and Miss Ella D. Miller of Conroe, La. Two sisters and one brother.

Burial was in Goodnight cemetery under the direction of Buntin Funeral Home.

### NEW CONTINENTAL OIL AGENT HERE

Thomas D. Northcutt, who has had many years of experience in the oil business and is well known in this section of Texas, has been named Continental Oil Company's representative at Clarendon, according to an announcement by P. W. Riggins, division manager, Fort Worth.

Until recently Northcutt was employed by Weeks Insulating Company, Amarillo. He, Mrs. Northcutt, and their two children are moving from Amarillo to Clarendon to make their home.

Prior to his employment in Amarillo, the new Continental agent was in business for himself at Borger. He was born in Silverton and was graduated from high school there.

## WORLD DAY OF PRAYER

By Mrs. C. A. Burton

If ever the Christians of the world should unite in prayer that time is now. The world has never faced such chaos. Never has the need for the teachings of Christ in the world been so urgent.

So this call to a World Day of Prayer on the 16th of February will undoubtedly meet a great response.

It is under the auspices of the United Council of Church Women which means Christian women the world over, regardless of race or creed.

Since its beginning in 1887, when Presbyterian women gathered to pray for national missions, the days observance has grown, and today it includes fifty-one countries and 10,000 communities in the United States. There are absolutely no denominational lines—it is just a gathering of Christians at the foot of the Cross to implore God's blessings on a weary and worn world—and it is hoped that every woman in Clarendon who loves God will join in the service.

The meeting will be held at the Methodist Church, the devotional beginning at 12:30 noon. A covered dish luncheon will follow. At 2 p. m. the World Day of Prayer program will be given. The material used at this time was prepared by four English women in London, and will be used in meetings on this day all over the world.

### SHERIFF ISSUES WARNING TO CAR OWNERS

Sheriff Guy Wright issued a warning to car owners and operators this week, stating that it was unwise to leave keys in vehicle when left on the street or any other place. "There are a greater number of car and truck thefts reported each day now and this type of crime is expected to increase as time goes along," he added.

### STUDENTS IN RECITAL MONDAY NIGHT

Mrs. Allen Bryan will offer a group of students in a recital at the College Auditorium Monday night beginning at 8 o'clock.

Those playing: Louva Hunt, Joan Thompson, Donna Ree Bryan, Ochanita Heath, Delene Blair, Jaunelle Stevenson, Edith McCrary, Beverly Stricklin, Mary Nell Hanks, Cora Lee Muse, Malcolm Usrey, Lucille Wallace and Mary Ann Bromley.

The public is cordially invited.

### OPA AUTHORIZES RATION-FREE SHOE SALE

OPA has authorized a ration-free "odd lot" sale of men's and women's shoes, beginning February 19 and ending March 3rd.

The temporary ration holiday, OPA said, is to give consumers the benefit of extra shoe mileage that otherwise might remain on dealers' shelves, and to help dealers clear their stocks of the normal accumulation of odds and ends and broken sizes. Before rationing, such shoes were customarily disposed of in seasonal clearance sales, but under the ration program it has been found that this odd lot merchandise does not sell for stamps, even at reduced prices. Therefore it has been OPA's policy to declare stamp-free periods from time to time.

### PFC. H. B. HITT SENDS SOUVENIRS FROM GERMANY

Mrs. H. B. Hitt, daughter of Mr. and Mrs. C. C. Hearn of the Martin community, received another collection of souvenirs recently from her husband who is serving with the Third Army in Europe. The many things he has sent home include a German bayonet, Swastika flag, money, pictures, a helmet, watches, and numerous other small items taken from German dead and captured. Pfc. also has a large collection of items from Italy where he served with the Fifth Army. He also informed his wife that she would receive a Purple Heart and Bronze Star in the near future for wounds that she knew nothing about until he was completely recovered and back to the front fighting again.

Pfc. Hitt, son of Rev. H. B. Hitt of Ropesville, Texas and formerly pastor of the First Baptist Church in Lelia Lake, has been overseas since March of 1944. He served in the North African and Italian campaigns before he was sent to the Belgian front. Mrs. Hitt is employed in Amarillo at the present time.

### VISITING PARENTS

J. M. Risenhoover MM 3/c from overseas for 18 months and C. A. Risenhoover from San Diego are home on furlough visiting their parents, Mr. and Mrs. C. A. Risenhoover.

### C. B. HUDSON OPENS FIX-IT SHOP HERE

A new and much needed business has been opened here the past week with the firm name being the Fix-it Shop. C. B. Hudson is the owner and Homer Taylor is the shop foreman.

The new business is located in the south part of the Hudson & Taylor Paint Store building. They will specialize in fixing anything made from wood and other articles, also making inside wood work. Read their advertisement in this week's issue of the Leader and see what they have to offer.

Wesley Mack Stewart spent the week end with his aunt, Mr. and Mrs. Ben Chamberlain at Claude.

## NOTICE TO THE PUBLIC

The Mayor and City Commissioners announce the following regulations regarding all City Water Bills and becomes effective as of February 10, 1945.

A ten percent penalty will be added to all City Water Bills not paid by the 10th of each month. If not paid by the 20th day of the same month, the water will be cut off and will not be turned on again until all bills and penalties have been paid.

TOM F. CONNALLY

Mayor of the City of Clarendon

## RATIONING AT A GLANCE

Phoebe Ann Buntin

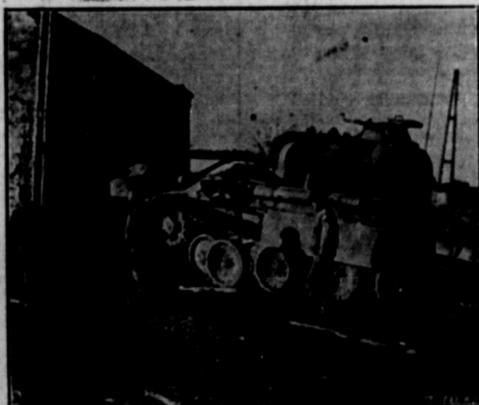

All operators of passenger cars with basic "A" rations must have "Mileage Rationing Records" to be eligible to apply for any gasoline rations. In the recent re-registering of the nation's 23,000,000 basic "A" ration holders, each registrant was issued one of these mileage record forms. The form replaced the old tire rationing record, on which was kept a list of all gasoline rations issued to the vehicles. Without this important record form, no motorist may be issued "B" or "C" supplemental rations or special or furlough rations. Information has been received from local War Price and Rationing Boards that many motorists did not understand the use of the record form and lost or destroyed theirs. In cases where a motorist was not issued a "Mileage Rationing Record" or it was lost or destroyed, he should apply immediately to his local Board for a duplicate.

We are now coming into the period when the non-highway issuance for farm use is heaviest. OPA officials have been much concerned over the fact that non-highway is constantly running over quota. The only way that a condition of this kind can be remedied is through the help and cooperation of the gasoline panel members and the applicants. All non-highway users are asked to estimate their needs as correctly as possible, in view of this situation.

The Local War Price & Rationing Board urges all farmers who will need new tractor tires for their 1945 crop to put in their application now. It is possible that some of these tires may be issued now and the load on any one month's quota will not be too heavy later in the season, when the quota might not be sufficient to meet the needs of all applicants.

### HAROLD B. JACKSON KILLED IN ACTION

The Leader has received word that Harold B. Jackson, one time resident of Clarendon, was killed in France January 13. He is a son of W. S. Jackson of Altus, Okla., and a nephew of Mrs. Fanny Wilson of this City.

### GOSSIP

Why was everyone teasing Wiley about a girl by the name of Georgie, Monday morning? Could the Lakeview tournament have something to do with it?

We wonder why Reba, Sylvia Faye and Veda Rae were peeved Monday morning. Was it because their boy friends caught them another girl, at the tournament?

Was Lois Marie glad or sad when she heard a certain sailor was coming to see her the 10th? We wonder.

Clarendon was highly represented at skating, Friday night.

Iva Dell and Veda Rae went to Borger, Sunday afternoon for a short visit with their friends.

Billie Ray Chenault from Amarillo spent the night with Iva Dell Saturday night.

The Ratten twins seem to be doing alright here lately.

Carrol Lane, you had better watch the one that went with Billy Phillips Wednesday night.

We hear that Joyce Jean and Earline didn't like Clarendon so well, because they were back in the halls of L.L. H.S. going to school last Wed. morning.

The Seniors received their 1945 class pictures Monday morning, and were very glad to get them.

Phalen seems to be doing OK lately, especially in his class work. We wonder if he has been getting any help. Oh! of course not.

I man in \$745 has them... but today  
we all must  
have 3 cars!

YOU can see in an instant why your one and only car really needs to be "triplets." Let's just check...

✓ You started with a pre-war car.

✓✓ It became your wartime car.

✓✓✓ But now it's still got to be your postwar car—because even if 1945 sees unbelievable new car output, the chances of getting delivery before 1946 or '47 are way against you.

That's why today the cry is, "Conserve your car!" But you want real sure help... And here's what Conoco N<sup>th</sup> motor oil will actually do for car life by surfacing your engine's insides with OIL-PLATING.

OIL-PLATING assures distinct extra defense—at trifling extra cost. Topping every advantage that an oil can get from Nature and latest refining, Conoco N<sup>th</sup> oil also brings its unprecedented man-made ingredient. And this bonds protective OIL-PLATING to the fine inner finish that's really the life of your engine!

With durable OIL-PLATING, plus durable liquid oil film too, you have every defense against excess wear. And that's the basic defense against carbon, sludge, and battery drain. What's more, even corrosive engine acids—always present—can't freely bite into OIL-PLATED surfaces! So there you plainly get safety of every sort—simply by changing to N<sup>th</sup> oil at Your Mileage Merchant's Conoco station. Do it today. Continental Oil Company

NOTE: New car prices will be up. You'll want the best trade-in. Conoco N<sup>th</sup> oil helps keep your car shipshape.

# MOOS OF THE MOMENT

BY UNCLE BOB

of the Kraft Dairy Farm Service

Lack of the right kind of food can put a man or an animal in an awful run down condition and I've seen some sadly run down pastures which needed a well-balanced diet, too.

Grass responds to proper feeding better than most anything I know. Many demonstrations proving this have been set up in nearly every state. One of these took place in Wisconsin last year, sponsored by the College of Agriculture soils department.

It showed that as a result of spending \$36.00 on ammonium nitrate a dairyman got back \$272.94 in increased milk volume.

Liming frequently is the treatment most needed for pastures. A soil test is the first step to take in deciding how much lime and whether nitrogen, phosphate or potash are needed.

In addition to learning what is needed, you may save money by finding out one or another of those plant foods is not needed. Check with your county agent for this soil test.

USDA Farmers' Bulletin No. 1942 will give you some good suggestions on this subject and so will Circular 285 and Circular 289, both from the Extension Service, University of Missouri College of Agriculture, Columbia, Mo.

I bring up this subject now in the hope that you'll make your soil test and get your fertilizer ordered immediately so as to be sure and have it at hand when needed.

Some time ago, I called your attention to an article on proper milking methods, printed in the Kraftman. Reprints of this article are available and I'll be glad to send a copy. Write me at 500 Peshtigo Court, Chicago 90, Ill., and ask for "How to Milk a Cow—and Why."

I could lead up to my next subject by making some remark about this being an udder troublesome matter for dairy farmers, but I'll restrain myself.

The subject is mastitis and it's a big problem. One state estimates its dairymen lose ten million dollars a year because of mastitis.

Your cows should be tested regularly by a qualified veteri-

narian, to determine whether any animals are infected.

Mastitis can be detected in its early stages. It can be controlled. Neglect will cause more serious infection and may eventually mean complete loss of production.

The secret of controlling mastitis is correct milking procedures: (1) cleaning udders with a chlorine solution before milking, (2) milking clean cows first, mildly infected cows next and badly infected cows last, (3) in hand milking wash hands in sudsy water before each cow is milked, (4) don't let test cups crawl, (5) sterilize test cups before each cow is milked.

Circular 365, Extension Service, University of Missouri, Columbia, Mo., and USDA Farmers' Bulletin 1422 will be most helpful to you on this subject.

Maybe you've heard the one about the youngster who was a lot of trouble to his teachers. His mother explained that before the boy was born, she was deeply affected by reading Charles Dickens' "David Copperfield" and added, "Junior has been a little Dickens ever since."

I imagine it would be difficult to prove that point but here's a fact along the same line which has been proved—the care a cow gets at freshening time very largely will determine how productive she will be during her milking period.

Many cows will be freshening in coming weeks and I suggest you get a copy of a special circular "Care at Calving Time is Important" from the Extension Service, University of Wisconsin, Madison, Wis., for recommendations on handling.

It lays down some simple but effective rules which will do much to insure top condition of the cow. It suggests reducing grain feeding two weeks before calving; providing a suitable calving stall; giving the cow warm water and a warm bran mash immediately after the calf is born; bringing cows up to full feed gradually after calving.

NOTE: There usually is a 5c charge for pamphlets mailed to non-residents of a state, but possibly your own state has a free pamphlet on the same subject. Ask your county agent.

As a Nation we pause this month to honor two illustrious patriots—Abraham Lincoln, whose birthday anniversary is Feb. 12th—and George Washington, whose birth is observed on Feb. 22nd.

If Lincoln and Washington could give us a personal message this month it undoubtedly would urge us to go all-out for Victory --- to buy more War Bonds --- to accept sacrifices we are called upon to make willingly and without complaint.

Do YOU measure up to standards Lincoln and Washington might set were they alive in 1945?

## BOOK CLUB HOLDS ANNUAL HUSBAND'S PARTY

The members of the Book Club entertained their husbands and friends with a dinner party in the dining room of the Home Economics department of high school Tuesday evening.

Hostesses for this occasion were Mrs. Rolfe Brumley, Mrs. C. E. Bairfield, Mrs. Carl Bennett, Mrs. C. B. Morris, Mrs. Walter Clifford, Mrs. Bill Bromley, Mrs. J. R. Gillham and Dr. Laura Lowell.

The Valentine motif was used in the decorations. On the tables were red carnations and at each place was an attractive Valentine napkin. Red hearts were also placed at intervals along the table.

The delectable two-course chicken dinner was served buffet style. To emphasize the decorative scheme attractive red jello salad was served.

Later games of bridge and forty-two were played. Traveling prizes of a red carnation corsage for the women and a red boutonniere for the men were given in the forty-two games. Miss Berry won high score for the women and Mr. J. R. Porter won high for the men. In the games of bridge, Mr. and Mrs. Alfred McMurtry won high for men and women.

Members and guests attending were as follows: Messrs. and Mesdames J. R. Porter, Bill Bromley, Rolfe Brumley, C. B. Morris, Rayburn Smith, C. E. Bairfield, L. T. Shelton, Alfred McMurtry, Joe McMurtry, Joe Ritter, Carl Bennett, B. G. Watson, O. D. Lowry, L. N. Cox, Allen Bryan, Frank Phelan, Bill Ray; Misses Carrie

## PATHFINDER CLUB

On account of sickness, the Pathfinder Club will meet at the Methodist Church Friday. Mrs. McDowell and Mrs. C. B. Morris will be the hostesses.

## LOW-DOWN ON FOOD RATION STAMPS

A new policy of definite invalidation dates for Food ration stamps, with each series good for about four months, has been established, according to Opal L. Wood, District OPA Food Rationing Officer.

Continuing the present policy, a new series of red stamps for meat and dairy products and blue stamps for processed food will be validated each month. Instead of being good indefinitely, however, they will expire after about 16 weeks.

The same policy applies to expiration of sugar stamps. Stamp No. 34 will expire February 28. Stamp No. 35 is now valid with no expiration date set.

Red Stamps Q5, R5 and S5, which became valid December 3 will expire March 31. Blue stamps X5, Y5, Z5, A2 and B2 became valid December 1 and will expire March 31.

Chester Holland of the U. S. Coast Guard, who is stationed at Charleston, S. C. arrived Wednesday to spend a 21 day furlough with his parents, Mr. and Mrs. C. H. Holland. He has been in the service the past 3 years.

Mrs. A. D. Estlack returned home Thursday morning from Temple where she has been some four weeks with her sister, Mrs. Jack Murff who underwent a major operation. Mrs. Murff is doing fairly well at this time.

## -Bulbs-

Dahlia Bulbs and Canna Bulbs are scarce this year due to labor shortage. There will not be available from whole sale growers any Canna Bulbs until after the war.

I will have 40 dozen President (Red) Canna and about 30 dozen Hungarian (Pink) Canna at \$1.00 per dozen Jolivery April 1st.

Nice Dahlia Bulbs 25c and up. I will offer some very fine varieties at \$3.00 per dozen to eliminate time in labeling. Dahlia orders will be filled April 20th.

Those interested please write your order on card or by letter for my files. Sorry but can not fill all my old customers orders this year. If you wish any Gladiola Bulbs please state same.

## Church News

### THE METHODIST CHURCH

H. W. Hanks, Pastor

S. S. at 9:45. We are striving to increase our attendance upon all our services. Let each of the faithful ones ask someone to come. Let every member realize that no congregation is more spiritual than the members who make up its membership. May each of us have a set time for prayer each day. The only way we can have a better world is to have better people. So each member is needed in his or her place each service. God is depending upon each of us. May none of us fail Him. Next Sunday is laymen's day in our church. Judge Porter will be the speaker. The men are to have charge of the service, music and all. We would love to have one hundred men in that service. Come and bring the whole family. We are making good progress in raising the money for the Crusade. Of course we have not yet reached our goal. We do not plan to take any public offering. We are sure that each member wants to have a part in this worthwhile cause. So please see me or Judge Porter or brother J. T. Patman. Or send your check to J. T. Patman and mark it for the Crusade. We need at least two more families to pay one hundred dollars. We need 8 more families to pay fifty dollars. We need several to pay twenty-five dollars. We need several to pay ten dol-

lars. We need several to pay five dollars. Then let it be understood we want each one to pay whatever amount you can pay. If the amount is large, good. If it is small, fine. Just pray over this and do your prayerful best.

Then again, let me urge. Someone needs you. Someone is depending upon you. If you neglect your duty it could, and perhaps will, cause someone else to be for ever lost. So let each of us do our best for God and our loved ones.

### FIRST CHRISTIAN CHURCH

L. Guy Ament, Pastor

Last Sunday services were of interest and helpful in our on-ward going. Be of good courage. Be hopeful and helpful in your spirit. Next Sunday service at 11 a. m. and 7:30 p. m. Be with us in the worship. Sunday school meets at 10 a. m. and there is a class for you. We walk by faith. Remember our Bible study and prayer service next Wednesday night. All are invited and welcome.

**Your 1944 Income Tax**

By J. A. WARREN  
Income Tax Accountant,  
Clarendon, Texas  
(Series 7)

We shall depart in this article from Income Tax, in fact, to its closely affiliated ally, the 1945 WITHHOLDING TAX Requirements for Employers and Employees.

One of the greatest difficulties we experience in our tax service is the fact that employers and employees alike, often neglect to comply with the requirements of the Treasury's plain, emphatic instructions regarding the Withholding taxes.

First, it is required that all employees have their social security numbers before they begin work; Second it is required that they furnish their employer with Withholding Exemption Certificate Form W-4 Revised; and just as important as this is that all Employers have their Soc. Sec. and Withholding Tax numbers and Forms for remitting taxes withheld. When you become an Employer, you should immediately secure application for your Soc. Sec. number at the P.O. or Federal Office and immediately fill in, sign and send to Dallas Office.

Many do not do this, but wait and come to this office to have their Soc. Sec. and withheld taxes sent in. We do not have forms for this, neither can we obtain them.

It is your business to get these before time to make remittances. You cannot make these remittances as they should be made except on the proper forms. We cannot do this for you. Many seem surprised to find that we cannot just furnish any form they may need; read their minds as to the amounts of tax withheld and just pull all the needed information out of the skies.

It is going to be our policy in the future that, unless you do have your numbers and forms, to not undertake to use some makeshift forms for your remittances. You must do your part, or else it will be your funeral and not ours.

This office appreciates your business and will do all in our power to instruct and assist you in every way that is consistent, but there are some things you must do for yourself, so as stated, in the future, you must have the proper forms, or assume your own responsibility, until you do secure them. If you are late, then you can pay the penalty.

Now as to the manner of withholding rates, etc., please always refer to the Table WT-Revised, 1944. This is calculated by the Treasury Department and evidently must be correct. Forget about the percentage way you sometimes figured it for 1944. You don't understand it, so use the one named, which is already calculated. This table shows the proper amounts of withholding tax for any given salary, by the day, week, bi-weekly, semi-monthly and monthly. You might be a married person and by the

weekly scale, would be exempt from tax unless your earnings are say, \$12.00 per week, but if you earn that amount of money in two, or three days for example, then you may owe a tax, although you might work no more that week.

This table is grossly misunderstood and applied, so Employers and Employees alike should consult some one who knows, unless they are sure they do understand it.

Cpl. and Mrs. Dan Smith from Shreveport, La. and her mother, Mrs. W. K. Adams of Borger spent the weekend with her grandmother, Mrs. J. O. Thompson.

Mrs. Joe Terry and Mrs. Clyde Butler spent Friday in Amarillo. Louise Butler, who is nursing at the Northwest Texas Hospital, accompanied them home and spent the week end.

Mrs. W. T. Lowe returned home Thursday from a month's visit with her daughter, Mrs. Roy Broadway and family at Wichita Falls. She received medical treatment also while there.

Mrs. Clara Thomas of Nashville, Tenn. is visiting her sister, Mrs. A. A. Mayes.

Mrs. Essie Rush left for Ft. Worth Friday after a visit here with her mother, Mrs. A. H. Baker.

Mrs. W. D. Martin is visiting her daughter at Shamrock.

Just take a look through this long-range telescope and see yourself next spring! How's your tractor running? With you'd had it overhauled a few months ago? Well, there's still time. Between now and the day you want to take your equipment into the field we'll make the repairs you need. Our shop is loaded—it always is these days—but we'll schedule your work and get it out on time. Just tell us what needs to be done. You can be sure of this: Any job we do here is done right. Farm equipment is our business. We know it from the ground up. We're implement men and that means we can take your equipment and put them back in working order. You'll find a big stock of genuine IHC parts on hand here at all times. And from now on we'll have more new McCormick-Deering equipment, too. Let us know what you need.

### JR. HIGH

Gene Bryan is excellent at making faces. Get him to make some for you.

Layma Vee seems to be very popular in the hearts of young men. How do you do it Layma?

Mary Neal, what is the matter with you and Hardy Mack? Heart trouble? Yes, could be.

Mae Morris seems to be very happy! What's happened Mae? Why does that certain girl in 8 two watch that boy in 8 two so much? Could it be love?

Buster you don't seem to be making progress with that certain girl! Have you given it up?

Ira Jean is blue these days! Could it be because she has no special match for that torch?

Sam Patterson, Lloyd Hunt, Billie Jean Adkins, Lois Marie Hommel and Edwin Thomas were ill this week.

Frankie Harris made a trip with the band this week.

Bob White, a magician put on a show for Jr. High. It was interesting but hard to catch on to any of the tricks.

Patsy and Glenda Sue really had things in a mess last week. Did you get things ironed out, kids?

What is Alma looking forward to? Any way she makes three or four daily trips to the Post Office. The kids in the ninth grade are learning how to stick their feet in

peoples doors and say "please." Mr. Bob White of the Crowell Publishing Company met with the ninth grade Thursday and organized our magazine campaign. He then entertained us in the study hall with a few slight of hand tricks. He is a delightful entertainer and we always enjoy his visiting our school.

### ATTEND BANQUET

Coach J. L. (Slick) Naylor and Bob Bentley of Clarendon attended the Annual All District 3-A Banquet at the Municipal Auditorium in Wellington, Texas on the night of January 30, 1945. This banquet was sponsored by the Wellington Rotary Club and the Wellington Kiwanis Club, given in honor of the Wellington Sky-rockets.

First on the program was a Sing Song led by S. R. Pinkston of Wellington, followed by Rev. Hubert Thompson giving the invocation. A delicious turkey dinner was served. After dinner there was a song by a sextet of young ladies. The toastmaster, Logan Cummings of Wellington, introduced all the guests and presented the all-district 3A teams of 1944. Dr. E. W. Jones of Wellington made a very good talk on sportmanship to the all-district teams. The toastmaster then introduced Coach Thurman Jones of Wichita Falls, Texas. Coach

Jones made a brief but enjoyable talk. Moving pictures of the 1944 games Vernon vs. Wichita Falls, Amarillo vs. San Angelo, and Wellington vs. Phillips were shown and the preceding two were described by Coach Jones. After the moving pictures the banquet was adjourned, and the toastmaster invited all who were present to come back to next year's banquet.

### FASHIONS

Ruth Patman has a darling yellow "Sloppy Joe" sweater. We know some girls who are going to swipe Jimmie Douglas' brown coat.

Ada Sue Smith has a new dress. It is tan with brown saddle stitching on it.

Alma Jo has a cute gray sweater she wears with a red "corn" necklace. Does she look cute? Yes.

"Dot" Kemp has a precious aqua coat with Mexican designs on it.

Lee Shelly certainly looks dressed up in that brown corduroy coat.

Kat Grady has a sweet white sweater that a certain boy gave her for Christmas.

Mary Christie has a darling black dress with sequins on it.

Jiggs Mann has a white sleeveless sweater that he wears with a plaid shirt.

Mary Ann Bromley is wearing a cute herringbone suit.

Barbara Bell has a lovely black eye she is wearing this week. It looks very becoming Barbara.

Helen Rhodes has a beautiful purple suit with small accordion pleats all the way around.

Erma Lee Elliott has a darling red checked dress with a square neck and a white belt.

Billie Jean Roberts has a pretty yellow sweater.

Edith Jo Beckett has a beautiful plaid shirt she wears with a green skirt.

### CHAPEL

We were appointed to cover chapel Friday which was a pleasant assignment indeed. Reports on the "A" and "B" basketball games, the volleyball games, and the band trip were given respectively by Gene Harrison, Jiggs Mann, Melba Grady and Jean Porter. Rev. John Ellis of the First Presbyterian Church gave a very instructive talk on "Going Forward." All in all it appears that chapel was a welcome diversion from our weekly routine.

### BAND TOUR

The C.H.S. Band left here Thursday morning, Feb. 1st at nine o'clock. They went in the Clarendon Jr. College bus with Mr. Drennan driving. They played at Goodnight, Panhandle, and White Deer. The concert played is as follows: "God Bless America," "His Honor," "Desert Song," "El Cabellero," "For Me and My Gal," "Beer Barrel Polka," "Booster," and "Star Spangled Banner." The "Hungry Seven" played "jazz." Upon arriving home the band played a few numbers on Main

Street.  
This tour was made for the purpose of better acquainting our school with others. It proved very effective.

### SOUTH WARD

Miss Stevens' room has a new book called, "American Wild Life Illustrated."  
Bernice Holman has pneumonia.

The second division of Miss Mongole's room has a new reader. The sixth grade is making cotton notebooks.

Mrs. Headrick's room is having a record party. The records are nursery rhymes.

The Bluebird Class in Miss McGowan's room has a new book.

## Our thanks to a Country Editor

YOU get a pretty good view of the world from a small-town newspaper office. Sometimes you see things that other folks overlook. For instance, this frank statement by the editor of *The Dierks (Arkansas) Banner*:

The Banner is one of the last papers in the country to raise its subscription price, many over the U. S. having done so a year or more ago. The cost of practically everything that goes into the production of a newspaper has advanced, except electricity used in running the machinery and lighting the plant. In normal times there was little if any profit in subscriptions at \$1.00 a year. If the information contained in even a newspaper pub-

We're grateful to the editor for pointing out a fact more and more people are realizing—that at a time when most things are scarce and expensive, electricity is still plentiful and cheap.

That just goes to show what companies like ours can do for you by hard work and experience and sound business management.

**WORTH WHILE COMMENTS**  
BY COUNTY AGENT  
Charles O. Reed  
**HOME ORCHARDS**  
Each spring many families plant new trees for home orchard, either to replace trees that are not profitable or as addition to orchard. Varieties that produce well in Donley County should be planted. Many varieties that do well in other states or in other parts of Texas may not be adapt-

ed to our conditions.  
**Sour Cherries:**  
These are the most dependable of all fruit trees for this area. Trees should be bought that are budded on Mahaleb root stock. Trees grow larger, more resistant to disease and adverse soil and weather conditions. Trees of 2 feet to 4 feet in height are ideal for planting and usually bear fruit the second or third year after planting. Varieties of sour cherries are Early Richmond, Montmorency, and English Morello. Fruit matures in late June or July.  
**Peaches:**  
Varieties recommended are:

Early Wheeler, cling, matures June 15.  
Early Rose, Cling, matures July 1.  
Fairs Beauty, Freestone, matures July 15.  
South Haven, Freestone.  
**Apples:**  
Golden Delicious, self pollinator.  
Red Delicious, needs pollinator, (1 King David to 10 Red Delicious trees)  
**Plums:**  
Saper, most universally accepted, consistent producer, resistant to disease and insects, purple skin and meat, matures July 1 to 15.  
American, good plum for home use.  
Wanita, red with yellow meat, poor eating quality, good for jelly.  
**Grapes:**  
Carmen, resistant to blight and disease, prolific and good producer, ready to harvest when turns black.  
**Strawberry:**  
Everbearing Mastodon.  
**Blackberry:**  
Early Wonder, (Dewberry and Blackberry cross.)

both the Army and Navy for whole blood shipments to battle areas in Europe and in the far East.  
Waterproof kits of emergency rations for shipwrecked victims are provided by Red Cross. Each kit contains water and concentrated food sufficient for four persons for twenty-four hours.  
Again Red Cross is warning that nothing that is sent to prison-

ers of war must contain any victory slogan. It seems that some cartons have been supplied to next-of-kin for shipping with printed slogans on them. These would not pass the censors. Any one securing them is asked to return them to Red Cross Area office and they will be replaced by plain ones.  
On December 7, the anniversary of Pearl Harbor, the twenty-millionth prisoner of war package came off the assembly lines at one of Red Cross packaging centers. These centers began work early in 1943. There are four assembly lines—at Philadelphia, New York City, St. Louis and Brooklyn. All are operated by women volunteer workers.  
From the Prisoner of War Bulletin page book which brings the flow of mail to and from P.O.-W. in Germany has been greatly hampered since the invasion, and particularly by the closing of the port of Marseille. Since early in November mail has been going, and substantial shipments have come from Mediterranean and northern Europe ports. However military operations in Germany must affect mail at the present time.

**LIBRARY NOTES**  
By Mrs. C. A. Burton  
Now that Archibald Mac Leish has been given another—if not higher—position, there is being much speculation as to who will succeed him as Librarian of the Congress. The president of the American Library Association says the Library of Congress is one of the great libraries of the world and that the librarian "should be a statesman-like leader in the world of knowledge and an expert in bringing together the materials of scholarship."  
A report from a library in another state says that several of Grace Livingston Hill's books that had been missing for about 5 years from a Free Library were returned in a round about way after a revival meeting in the town. Most libraries might be benefited in the same way—even ours.  
Edna Ferber has a new story, "Great Son," of which she said, "Here was something that cried aloud to be written—this was no time for fiction. I struggled against it—but ended by writing it."  
Upton Sinclair has finished his new 900 page book which brings his series of modern history novels up to the fall of France.  
Major Alexander de Seversky, author of "Victory Through Air Power," has made a movie for the Army, to be exhibited to soldiers who have been incapacitated—in which he shows himself with one wooden leg, flying a plane, swimming, dancing and bicycling. He had demonstrated his ability to do all these things before a group of soldiers who had lost a leg.  
Betty Smith, author of "A Tree Grows in Brooklyn" wrote her first short story, "The Cancellation," recently and sold it to Collier's.  
"A Texan in England" is the title of J. Frank Dobie's new book to be published in May. Mr. Dobie recently returned from an exchange professorship at Cambridge University, England. He stopped in Boston to confer with his publishers and is now at home in Texas.

**RED CROSS VOLUNTEER SERVICE**  
HOME SERVICE  
By Mrs. C. A. Burton  
From every returned serviceman comes upqualified praise of the Red Cross in every area of the world. An effort is made to supply every need so far as it is humanly possible. Information service is no small part of Home Service, as for instance, this week a message to a boy in the South Pacific to let him know the condition of a sick father and how the family was faring; another time statements as to a mother's condition to a son across the world; verification of the need for the extension of a furlough for a few more days that a soldier boy might help a widowed mother finish gathering the crop—these are a few of the services of Home Service.  
We hear constantly how donations of blood have saved lives on battle fields and in hospitals. Over ten million pints of blood have been donated since the war started, and during the past year the Red Cross has met the requests of
