Donley County Fair To Open Tomorrow

PLANS ALL SET FOR BIGGEST FAIR EVER HELD IN HISTORY OF COUNTY

ADDITION OF TENT WILL CARE FOR NEEDS OF EXHIBITORS AND WILL GIVE ROOM FOR AGRICULTURAL AND POULTRY PART OF FAIR. WOMEN'S AND MERCHANTS' DIVISION WILL BE HELD IN SCHOOL BUILDING.

The fair of 1927 was of sufficient size to warrant a program of expansion for the fair of this year. Fair officials recognized this and have made plans to care for all the exhibits that may be placed. A tent will care for all the agricultural and poultry divisions of the fair while the merchants will have their part of the fair in the Grammar School building. The women's department will also be contained in this building, where sufficient room has been prepared for the use of those who partake in this work.

General plans for the fair were made by the General Fair committee composed of J. T. Patman as Chairman, Odos Caraway, W. W. Taylor, H. J. Edington, Homer Mulkey and Sam M. Braswell. This committee has handled the situation from first to last and the success of the fair will be largely chargeable to their efforts to smooth the way for others to complete the plans.

The Poultry Division is headed by W. H. Youngblood, who has made all necessary arrangements to care for the showing of all the birds that will be brought into the fair. This portion of the exhibits will be found in the tent, along with the agricultural exhibits. Mr. Youngblood is assisted on his committee by Paul Shelton and L. A. Stroud, both experienced poultry men of the county.

Charles Speed is head of the department of Cotton and Grains and is ably seconded in his work in this department by H. C. Brumley and W. W. Taylor.

Fruits and Vegetables will be found under the guidance and leadership of H. J. Edington, assisted by O. C. Watson and Frank Whitlock.

In the Dairy Division of the Fair, the newest addition to the shows that will be found under the auspices of the organization this year, C. L. Knight is Superintendent and has complete charge of this part of the fair. Mr. Knight is well acquainted with the dairy stock end of the business, and will probably have some stock to show when the fair opens its doors.

The Community and Club exhibits of the Fair will be held under the direction of Miss Harvey Thompson, Home Demonstration Agent for Donley County. Miss Thompson reports that seven of the clubs of the county will have exhibits in the Fair. Of these

seven, six are to be community exhibits while the other one will merely be a club affair, put up by the Clarendon Home Demonstration Club. The six clubs which will have exhibits here as community exhibits are: Naylor, Ashton, Chamberlain, Jericho, Boydston and Lelia Lake.

In the work with the girls' clubs of the county, there is no place for the entrance of anything more than individual exhibits from the girls. In this department, there will be entrants from six of the clubs of the county, one of them being that of Nova Cook of Lelia Lake, who won first place in the State Contest held at College Station during the Short Course held there in the latter part of July.

A feature of the Fair that has been overlooked in the past will probably be that of the concession business. This highly entertaining and very diverting program is to be held by the Home Demonstration Clubs of the county in the form of side shows. This feature is to be presented only on Saturday, but the people of the city and county are urgently invited to see the mysteries the girls have planned for the diversion of the crowds that are certain to be here on the last day of the fair.

The Woman's Division of the Fair will be housed in the Grammar School Building and has been divided into a number of sections to facilitate handling. Mrs. Odos Caraway has charge of the needlework department, Mrs. J. W. Evans has the Fine Arts Department, Mrs. W. D. Van Eaton will superintend the Floral Department and Mrs. J. T. Sims will attend to the culinary arts section.

Even though no prizes have been posted for curios, relics and other items of general interest to the public, these are gladly received and will be shown to their very best advantage.

The tent is in its place and all booths have been prepared for the reception of the exhibits. These will all be in their places by six o'clock this evening and the Fair will be open for inspection in the morning as was scheduled.

1929 NUMBERS HERE FOR DONLEY AUTO OWNERS

The largest shipment of license plates ever received by officials of Donley county was received here the latter part of last week by the office of the Tax Collector for use on automobiles during the year 1929. The new numbers scale along the line a little further this year, starting with 313-451 and running to 315-950 for the passenger vehicles and 47-301 to 47-600 for the commercial cars of the county. The numbers will be pleasing in their color, being a dark brown with orange numbers. A little different style will be used this year, the numbers being a little longer than in the past and a trifle narrower than has been the custom. During the past twelve months, registrations of automobiles in the county have reached 2140 for passenger and pleasure cars and 305 for commercial vehicles. The number is expected to be larger than this for the next year, hence the large shipment of number plates.

EXHIBITS ARE READY FOR FAIR

BOOTH TO BE READY IN AMARILLO WHEN THE FAIR OPENS THERE SATURDAY

In addition to his numerous tasks coincident with preparing for the Donley County Fair, G. Lester Boykin of the Chamber of Commerce has gathered an exhibit that will be shown in the Tri-State Fair and Exposition opening Saturday in Amarillo. Last minute work is being attended and the showing will be in its place when the gates of the Fair are thrown open.

Extreme care has been shown in selecting the products that were put into the exhibit and those who have had most to do with this sort of work state that Donley County will be far up into the money class this year when the awards have all been made. Nature has smiled on the county this year and crops are here in abundance and of a quality that will make the other counties entering do all possible to keep Donley from copping one of the highest places in the entire field.

The score card has been filled and much credit is due the assistants who have done much to gather the exhibits for the Amarillo event. Mr. Boykin will be out of the city and will miss a great part of the Donley County event. During his absence the office will be handled by Miss Edith Speed.

The exhibit shown in Amarillo, augmented by prize winning exhibits from the Donley County event, will be taken to the Dallas Fair, where it will be shown with eight other counties under the banner of the Peace-Red River Valley Association.

GRAND JURY IS CALLED FOR OCTOBER TERM COURT

The Grand Jury for the October term of District Court was called the fore part of this week. This body will meet on Monday, October 15th, at 10:00 o'clock for their first sessions, less this body should uncover a great deal more work for the court, the docket will be one of the lightest that has been had in this county for years. The jury list follows: J. W. Rhoades, J. R. Dale, C. T. McMurtry, S. S. Carpenter, J. T. Bain, R. E. Mann, Claude Nash, A. B. Bynum, W. F. Walker, W. E. Ayers, A. E. Ranson, C. A. Crow, W. E. Hodges, M. L. Putman and J. T. Patman.

Miss Sara Thompson left Monday morning for Fort Worth, where she will be an instructor in the public schools of that city.

MISS SARA THOMPSON,
Home Demonstration

FEDERATION TO SPONSOR NURSE

**SPLENDID ATTENDANCE
SETS DATE FOR PICNIC.
PLACE TO BE NAMED.**

The Donley County Federation of Women's Clubs met for their second meeting last Saturday in the Courthouse with Mrs. James Trent presiding. The attendance for this event was excellent, it being by far the best that has ever been seen since the organization of the county-wide body.

An item that will be of interest to the major part of the county was brought up and discussed at this meeting, this being the securing of an itinerant nurse, supplied from the State Department of Health. This lady is to come to the county at some date in the near future and will spend some time in each community and town looking over the health conditions and making suggestions whereby the health of the county can be improved. This work is secured through co-operation with the county and there will be no expense attached to the county save for the entertainment of the visitor while she is here. Final plans will be laid the latter part of this week and the date for the appearance of the nurse will be made public as soon as it becomes known.

In view of the removal of Mrs. Dishman from Hedley to a point outside the county, Mrs. Simmons, also of Hedley, was elected to the place of First Vice President. The next meeting date will be the first Saturday in December and Ashton will be the scene of the meeting. A full attendance is urged at that time.

The first purely social of the Federation will be held on Friday of next week. The ladies will hold an annual picnic, this being the place of their first meeting. The place will be announced after the committee meets here the latter part of this week.

COL. AND MRS. GOODNIGHT BACK FROM N. M. TRIP

Col. and Mrs. Chas. Goodnight returned Wednesday noon from a two week's trip to Northern New Mexico and a visit with the Taos Indians at their Pueblo at Taos. While there Col. Goodnight met his old friend Chief Standing Deer of the tribe, and was the recipient of many gifts on his departure. Chief Standing Deer holds Col. Goodnight in high reverence on account of owing his life to the old pioneer on an occasion back in early frontier days, and an Indian never forgets.

CLARENDON DAY NEXT THURSDAY

Clarendon Day at the Tri-State Fair and Exposition in Amarillo has always been one that has drawn a great attendance from the people of this city and County. This year, the date has been set as Thursday, September 27th, and a great line of attractions are being offered the people to secure their attendance on that date.

Railroads are offering especially attractive rates for this date and this, coupled with the Free Gate offering, should make the people of this immediate section more than glad to attend the Fair on the designated date.

Other towns to have the same date with Clarendon are: Liberal, Kansas; Hartley, Channing, Dumas, Dalhart, Stratford, Ware, Texline, Clayton, New Mexico; Des Moines, New Mexico; Washburn, Claude, Goodnight, Clarendon, Hedley, Lelia Lake, Newlin, Memphis, Estelline, Childress, Kirkland, Quanah, Wellington, Paducah, Goodlet, Turkey, Quitaque, Matador, Roaring Springs, Romeo, Texhoma, Grayson, Hooker, Tyrone and Boise City, Oklahoma.

FRANK HARDIN FINDS DONLEY LOOKING FINE

Mr. and Mrs. Frank Hardin returned Sunday evening from Wellington, where they had been for a visit with relatives and friends and incidentally to see the Collingsworth County Fair. While in that county, Mr. Hardin looked over the crop prospects for Collingsworth and reports that Donley County looks mighty good to him. He reports that he does not have a fine crop, but that he has a good one. His past record with watermelons and cantaloupes will bear out the idea that there is little room for improvement when Mr. Hardin says he has a good crop.

Kenneth and Florence Fink and Sam Braswell, Jr., left Tuesday morning for Austin, where they will enter the University of Texas. Kenneth will enter on his second year's work while the other two of the party will enter the first year work in that school. The trip down was made by auto.

BOOSTER TRIPS WELL ATTENDED

Boosters from the Chamber of Commerce and from among the business men of the city, accompanied by the Clarendon Municipal Band, scoured the county the latter part of last week and the fore part of this, spreading the news of the Donley County Fair to the corners of the immediate section. Circulars and placards were left in each of the places visited and the idea of a Free Gate was stressed to the exclusion of all other work.

In these trips, the Clarendon Band took a major part, playing at all the places visited and leaving an air of satisfaction wherever they went. The first places to be visited were Giles, Hedley and Lelia Lake, which were seen on Thursday evening of last week. Next in line were Jericho and Goldston, visited Friday evening. Monday evening saw the boosters in Ashton and at Martin. Tuesday evening the good-will carriers made Naylor Schoolhouse their objective and the last trip was made to Brice.

The efforts of the committee, composed of L. O. Stillings and Tom F. Connally, working with E. M. Lindsey and G. L. Boykin, will mean that the attendance on the fair this year will eclipse the figure of ten thousand set up last year.

L. L. TAYLOR LEASES SHOP FROM W. T. JOHNSON

This issue of the News will carry the announcement of the leasing of the W. T. Johnson Blacksmith Shop in Clarendon by L. L. Taylor, also of this city. Mr. Taylor, commonly known to his friends as "Baldy," has been in the blacksmithing business in Clarendon far longer than he would admit, even to his closest friends. Mr. Taylor has full charge of the shop and invites his friends and patrons to visit him in his place of business. Mr. Johnson, the owner of the business has removed to a farm near Fort Worth, where he will make his home from this time forward. He expects to return here the early part of next year to his sale of attachments for cultivators and so-called devils.

Judge Wolf and son, Glenn, of Pampa were here Friday of last week for a visit in the Frank White home. Judge Wolf was en route to Glen Rose.

CLARENDON PEOPLE URGED TO VISIT FAIR ON DATE DESIGNATED.

J. T. PATMAN, Pres.,
Chamber of Commerce

FINE SPIRIT IS IN REVIVAL HERE

**CHURCH OF CHRIST IS SCENE
OF SERIES OF INSPIRATIONAL SERVICES.**

Under the leadership of Elder D. L. Hukel, the series of services under way at the Church of Christ are gaining in interest with each passing meeting. Elder Hukel is bringing a series of sermons to his hearers that are well worth going far to hear. He states in the beginning that he is a plain spoken man, but that he asks no man to take his word for what he says. His authority is founded on the Bible and he feels able to prove any assertion he may make by reading from the Book.

Attendance has been such that the church has been filled to the brim on more than one occasion. It was at first feared that the busy week to hand would forestall a great number being present, but Monday saw one of the best and most enthusiastic audiences that had ever been to hear Elder Hukel. The singing has been of excellent quality, led by the Elder Hukel and his family.

The subjects for the services for the remainder of the week have been announced as follows: Thursday night: "Man Must Be Something to Be Saved." Friday Night: "The Master Has Come and Callest For Thee." Saturday Night: "Which Side Are You On?" Sunday at 11 o'clock: "Love." Sunday Night: "It Is Finished."

Announcements as to the continuation of the services will be made Sunday.

CLARENDON METHODISTS IN DISTRICT MEET TUESDAY

A meeting of the pastors, laymen and presiding elders of the Clarendon District was held in Pampa Tuesday of this week at call from Bishop John M. Moore, presiding officer of this section of the Methodist Church. Bishop Moore stopped off here Tuesday morning and had breakfast in the home of Presiding Elder Murrell, after which the trip was made to Pampa for the meeting. Those making the visit to Pampa are: Rev. and Mrs. S. E. Allison, Rev. W. M. Murrell, L. A. Reavis, E. M. Ozier, Tom F. Connally, Rev. Ira Hart, and J. R. Porter.

Misses Lelia Mae Kerbow, Mildred Stewart and Nedra Cooper spent last week-end in Pampa.

SCOUT FUND IS WELL IN HAND

The work of raising a fund for connection with the Southeast Panhandle Council of Boy Scouts was attended the latter part of last week with an ease that has been a surprise to many people of the city. The committee took the list prepared for them and had little difficulty in securing a fair amount for the city of Clarendon.

The committee has turned to the treasurer of the organization the initial \$200 in cash that was secured in the few days work here. The remainder of the remainder of the amount was secured in pledges and at the present time will amount to near \$800 with a few more of the interested men in the city to be seen in this connection.

One difference is noted in the actions of Clarendon and that is found in the request that the funds be kept in Clarendon, handled by a local treasurer and monthly payments made to the treasurer of the council. This check is kept on the funds that they may not be expended in an untoward manner, or without the knowledge and co-operation of the people of Clarendon who had put their money into the work. The men here are sold on the proposition of scouting, but believe that they would have fared better in the old plan if they had used some such plan in the administration of the finances.

LOCAL RED CROSS SENDS PART TO FLORIDA RELIEF

Mrs. A. T. Jeffries, local Secretary of the American Red Cross, received a telegram from the central office of that organization Wednesday morning asking \$100 as Donley County's part in the relief of the disaster sufferers in the Florida and West Indies hurricane stricken section. Mrs. Jeffries stated that the money had been sent and that Donley County would be counted in on her share of the work in this connection.

Mr. and Mrs. S. H. Condon and son, of Canyon, were here the fore part of this week visiting friends and attending to business matters.

Kenneth Kerbow left Sunday evening for College Station, where he will enter A. & M. College for the coming term.

BRONCHOS PLAY HEDLEY FRIDAY

**FIRST GAME OF THE SEASON
TO BE SNAPPY AFFAIR.
BRONCHOS ARE GREEN.**

Prediction has it that the first of the football games for the season of 1928 will be a snappy affair with the Hedley High School coming to Clarendon with a team that has worked together during the past year. The Clarendon High School aggregation, according to the coaches in charge, are willing enough, but they lack the football playing experience that will come to them later when they play together for a longer period of time.

The game will be played in the college park and the Clarendon folk are earnestly invited to attend and see their football team in action. Incidentally, this is one of the features of the fair that has been overlooked and has come in since the entertainment plans for the event was completed.

Seriously speaking, the material presented for the High School team is better than it has been for a number of years. There is speed aplenty and there is sufficient weight to make a good defensive team. Some of the players have had experience in the lower grades of the school and are in a fair way to become stellar lights in the football world of Clarendon. The few letter men who remain on the team are of sufficient stability to give the team a backbone and Clarendon is looking to much from the Bronchos this year. The outlook is such that the local fans will not be disappointed.

E. J. EDINGTON,
Fruits and Vegetables

HILLCROFTERS WALLOW MEMPHIS VISITORS

Nine of eleven matches fell into the hands of the members of the Hillcroft Golf Club Sunday afternoon when the members of the Memphis club came to the city. The match was one that came in a rather unexpected manner, finding the Clarendon players rather unprepared for the event. The Memphis members were treated in a royal manner and their defeat was lessened to some extent by the manner in which the visitors were treated when the local men played them.

Mrs. W. J. Parsons and daughter, Mrs. R. J. Krutchmar, both of Amarillo, were visitors in Clarendon Wednesday, attending to business matters.

Mrs. Gore and children, Virgil and Dorothy, of Canyon, visited with Mrs. Eula Cox and Mr. and Mrs. Houston Miller the fore part of the week.

COME TO THE COUNTY FAIR

The Clarendon News feels it is acting in the capacity of spokesman for the people of Clarendon and interested citizens all over Donley County when it issues a bold and broad invitation—a pressing invitation—for every man, woman and child within a fifty-mile radius of this city to attend one or both days of the Donley County Fair, Friday and Saturday of this week.

Clarendon is happy to be host to the people of this section interested in better farm products, better dairying and better poultry, for upon this large and honorable class depends the continued success of every other enterprise, commercial and civic. It is no trite saying to declare that the farmers are the backbone of the country. It is so everlastingly true that many fail to give it the full importance to which it is entitled. There would be no need to foster county fairs if such were not the case.

Clarendon business and professional men have contributed near a thousand dollars the past week to pay the premiums and incidental expense of putting on our county fair, and to provide funds to send our agricultural exhibits to the Tri-State Fair at Amarillo and the State Fair of Texas at Dallas. Near two million people will see our exhibits at the great fairs and will see and admire one of the finest showings of farm products ever to represent Donley County.

It is not enough that we send our exhibits away from home that others may see what we are achieving on Donley County farms. To foster the best methods of farming, better seeds, and all attendant improvements in allied farm industries, we must have annual showings here at home, where our farmers may compete with each other and learn from each other those things that make for still greater agricultural development in Donley County.

The Donley County Fair is OUR fair—it belongs to all citizens of Donley County, and The News would urge that every citizen take the few hours necessary to see all its exhibits here Friday and Saturday.

Come to the County Fair.

oOo

Many rumors, founded and unfounded, are going about the county relative to the proposed million dollar road bond issue. As yet there is nothing definite to give out and will not be until the commissioners court draws its order for the election. When that is done, every citizen will have full notice of the details through the newspapers, and a just and fair estimate of the proposal can be arrived at. Until that time The News hopes little attention will be paid any rumors. This newspaper promises to print every available detail about the proposed bond issue when it is available, which we hope for at no distant date. Let's get the facts before we repeat fly-by-night rumors.

MR. BOURLAND IS WRONG

Mr. Andy Bourland, president of the West Texas Chamber of Commerce, is out and out against a gasoline tax for highway purposes. He says, and rightly, that improved roads constitute the biggest problem in West Texas today. But he doesn't think the oil companies should stand all the expense of building them.

Mr. Bourland is wrong in assuming that the oil companies would stand the expense under the gasoline tax plan. The oil companies would not contribute one cent of the cost, unless they burn gasoline in autos and trucks, or purchase it at retail as other folks do.

We have a gasoline tax now, which was reduced on the first of September. The law should be amended by the Legislature in January so as to allow a four-cent tax on each gallon of gasoline retailed. Some states have a five-cent tax, and it is noticeable that those states are the ones that are building roads, as New Mexico, for instance.

Roads cannot be built without money, and it is proper and logical that those who use the roads should pay for them. Don't worry about the oil companies. They will pass the expense along to the fellow who buys at the filling station, and who runs his car over the road.

A property tax for roads isn't just. An automobile tax isn't right, for the fellow who runs his car one day in the year is penalized as much as the one who runs his car every day and thousands of miles. Furthermore, the tourist who lives in another state should help pay for the roads, if he runs his car on the highways in Texas. You can't reach him with an auto property tax. He will not object to paying twenty cents more for five gallons of gas if he gets it back in increased mileage and saving in wear and tear of his equipment.

It is regretted that the officials of the West Texas Chamber of Commerce have always taken a stand against a gasoline tax.—Dalhart Texan.

Having been present at the Pampa convention of the West Texas Chamber of Commerce and heard Mr. Ely's presentation of the so-called Sterling road plan, as well as Mr. Bourland's remarks along the same line, we would like to suggest that there is some misunderstanding of the position of the President of the West Texas Chamber of Commerce. Mr. Bourland favors the oil industry carrying its full part merely warns against any discrimination, saying that with no more study of the problem than he has had, he is rather of the opinion that the taxation should be more general. Mr. Bourland favors the oil industry carrying its full part of the load.

This writer regrets the circumstances which seem in the minds of many to point out the West Texas Chamber of Commerce as the open champion of the oil industry. The executive board authorized the creation of the oil and gas bureau of the organization in all good faith for the protection of one of the great industries in this region, and with utmost good-will and intent toward the land owners, the independents and the public. As a member of the executive committee we think we can safely say that the majority of the executive board will never condone any policy for the sole interests of the big companies, as against the best interests of the rest of us.

The Clarendon News doesn't share the views of Mr. Bourland, altogether, even if we do admit that the Sterling plan should be subjected to the closest scrutiny. We do not believe that it is a discrimination against the oil concerns to collect the entire tax from a sales tax on gasoline and oil, which the people pay. The oil companies have no complaint if the State of Texas adopts such a plan of raising the money, and we are in no sense a "corporation baiter." They are entitled to a fair deal, and that's all.

Let's be fair to Mr. Bourland. He shouldn't be misquoted, neither should the West Texas Chamber of Commerce be classed as looking at taxation through colored glasses furnished by the big companies.

DONLEY PLANS TO PAVE

To partially compensate for the news from Cooke County, where a road bond issue was defeated by a narrow margin, comes the word from Donley County, that a million dollar bond issue will be asked, to pave that county's portion of state and national highways.

Cooke County is already organizing for another attempt, and there is little doubt that the result will be a happier one next time. Donley County is likely to vote its bonds at the first try. Bonds already voted are bringing the pavement right to its door. From Wilbarger County northward, Hardeman, Childress and Hall have financed their paving and have the work well under way. When Donley County votes bonds, there will be but one gap between Amarillo and Fort Worth. Donley County needs good roads to go with the noteworthy agricultural progress it has been making in recent years, and we believe the taxpayers will recognize this need.—Wichita Falls Daily Times.

Solicitors for funds to assure Clarendon's membership in the Southeast Scout Council, say that a most heartening response was given them by the fathers of Clarendon. Upwards of a thousand dollars was subscribed, and there is renewed interest in the Scout work among our boys. Money won't do the job alone—it takes some personal interest, as well, and it seems that the personal interest is present and working. Scouting is on the upgrade in our community and we will profit in a moral and physical way, thereby.

Wise Democratic leaders in Texas aren't saying much about the determination of the majority of voters to defeat Al Smith this fall. They know that eighty or ninety percent of the conventions two years from now will be in the hands of Anti-Smith men and women, and they want to get along. It is easy to spot the wise ones.

We are proud of the wonderful crop prospects Donley County has for the harvest, but we sincerely hope that the rush of gathering cotton and feed will not take the public mind away from the dairy cow and the poultry yard. The lesson of 1927 should not be forgotten. If it is, we all suffer.

After reading the account of the "Battle of Dallas," at the state Democratic convention, there are several Anti-Smith delegates from Donley County glad they were not present. That pavement around fair park auditorium is hard, and the sun does bear down out in front.

It will pay "brass collared" Democrats and Anti-Smith Democrats to be reasonably choice in the names they call each other in the next few months. They have to live together after the November election, and will probably work together in Texas two years from now.

NEWS RECEIVES LETTER FROM MRS. HODGES

Mrs. M. Hodges, former resident of Clarendon, now living in Washington, D. C., writes an interesting letter from her home city. The letter is of interest to Clarendon people and we are reproducing it here. The letter follows:

"We are always looking forward to Monday morning for that is the day we get the Clarendon News and it is almost like seeing some one from home.

"We have seen many interesting things. A few Sundays ago we were driving over the City, but had seen most of the interesting things and drove out across the Potomac River a few miles into Alexandria, Virginia, and happened to drive by a little red brick church house and my son-in-law, Mr. Williams, said 'I suppose you would like to get out here and see where George Washington attended Church while he was President.' The people in Alexandria still have church there and while we were standing looking at the pews where he and Martha sat, the bell began to toll for church.

"The big town of Washington's day is one of the living links of 1928 with the American Revolution.

"The charm of the historic is about practically every store and building in the Virginia City on the Potomac. With proud disdain of modern advance, it remembers simply the days of old, the years of ancient times as it sits and dreams of its yesterdays. Modernity has not yet succeeded in marring its quaint beauty or replacing the colonial names of its streets with those more up-to-date but certainly less picturesque." Mrs. M. Hodges.

Fall Repairs

There are some things about the home or farm that have been put off until the fall months, some small items that need the attention of the hammer and a few nails or perhaps a little building material of some sort.

We can furnish you with the materials for any sort of building or repair operation you may find on your place.

When you are next in town, drop in and see the excellent line of materials we have to offer for this work.

Plans and materials are here in plenty for the man who is wanting to rebuild or put up a new home.

Wm. CAMERON & CO., Inc.

When The 1st Rolls Around

Does the first of the month find you financially ready to meet all of your bills? Or is it the signal for you to slip your fingers through your hair and start doing some mental gymnastics trying to solve the problem of how to pay this person and that?

IF YOU ARE IN THE LATTER CLASS

It is time to start building a substantial bank account. Don't spend your money foolishly, bank every spare dollar and you'll be able to meet your bills promptly the first of every month.

This is a mighty convenient and pleasing place to do your banking business. Start an account here now and learn how much easier your financial problems can be solved in the future.

Miss Sara Thompson Is Honored With Lovely Shower

Perhaps one of the loveliest affairs of the kind ever enjoyed in the city was the toilet article shower given by Mrs. W. C. Stewart, honoring Miss Sara Thompson, Saturday afternoon.

After the guests arrived they were given paper and pencils and asked to write a note to Miss Thompson stating, on the envelope, the time of day it was to be opened Monday, the day of her departure.

Miss Anna Moores delighted her hearers with two vocal numbers, Miss Rita Foster gave two splendid readings and Miss Willie Mae Stewart beautifully sang.

The program was followed by a fishing contest at a beautiful artificial lake surrounded by greenery. Miniature ducks swam lazily about, but how queer—no fish were biting for any of the guests. Miss Thompson takes the rod and reel and the fish be-

come ravenous, biting as fast as the reel is cast and such beautiful and useful fish they proved to be, toilet articles of every description and size. Miss Thompson charmingly said "Thank you," and the guests were invited to the dining room where a lovely salad course was served by Misses Willie Mae and Mildred Stewart from a beautiful appointed tea-table.

The guest list: Mesdames Floyd Keener, J. F. Cauthen, E. R. Tatum, Sam Lowe, S. R. McClung, W. Z. Barron, A. I. Cole, M. E. Thornton, W. A. Massie, T. M. Couch, Jim Headrick, G. G. Kemp, W. O. Butler, Geo. McClesky, J. T. Warren, Wm. Gray, J. L. Allison, Frank Whitlock, W. A. Land, Buel Sanford, Allen Bryan, H. C. Brumley, and Joe Goldston.

Misses Sara Thompson, the honoree, Lottie Lane, Lillian Abbott, Rita Foster, Anna Moores, Temple Harris, Naom; Allison Elizabeth Stevens, Elizabeth Sawyer, and Ruth Warren.

Society

Parks-Hodges

The announcement is made of the marriage of Miss Enoree Hodges and Robert Parks, which was solemnized at the San Jacinto Methodist parsonage of Amarillo Tuesday, September 11, 6:30 o'clock. The ceremony was performed in the presence of a few intimate friends and relatives of the couple.

The bride, daughter of Mrs. Mollie Hodges of Washington, D. C., formerly of Clarendon, has spent the greater part of her life in Clarendon where she is well known and has a host of warm friends. She is a graduate of Clarendon High School and was a student of Clarendon College for a time. She is now an efficient employee of the Palmer-Riddle Motor Company.

Robert Parks, a student of Clarendon College and a star of the Bulldog team, is the son of Mr. and Mrs. J. P. Parks of this city. He was a student of Lubbock Tech during the 1927-28 school term, where he made many friends among the student body. Mr. and Mrs. Parks are now at home in Clarendon where they will make their home for the present.

Recent Bride Honored With Shower

On Friday evening at the home of Mrs. Jim Haile, Mrs. Robert Parks, recent bride, was honored with a miscellaneous shower by Mrs. Haile and Miss Dorothy White.

After the guests were seated a clamorous noise was heard outside near the back of the house and while the guests were at a wonder to know the cause, it continued and progressed around and toward the front. On making a wild dash to find the cause of the commotion the guests found two gaily clad clowns ringing bells and carrying a large tub filled with packages and loudly demanding that Mrs. Parks come forth to receive their burden.

After a few stunts by the clever clowns, Misses Dorothy White and Lynn Lafon, the packages were opened and duly admired by those present, were as follows: Mesdames Clarence Whitlock, Richard Bell, Carl W. Bennett, Jr., Emma Crabtree, J. W. Morrison and W. L. Ball; Misses Lotta Bourland, Eva Lee Morrison, Ella Clark, Lyn La Fon, Aileen Parks, Manette Chase,

Herloise Burrell, Martha Blackburn, Sybil Johnson and Obie Crabtree.

Ladies Aid in Weekly Meeting

Mrs. L. B. Cooper was hostess to the members of the Ladies Aid Society, Christian Church, Wednesday afternoon at her home.

Mrs. Eva Humphrey opened the meeting with an earnest prayer and conducted the lesson study on the 14th chapter of Matthew.

Mrs. W. T. Hayter presided over the business session after which delicious refreshments were served by the hostess.

American Legion Auxiliary Resumes Work

The American Legion Auxiliary resumed work Monday afternoon, after having been closed for the summer months, when they held a business meeting in the home of Mrs. C. G. Stricklin at which time it was decided to hold a rummage sale Saturday, September 22nd.

A dainty ice course was served by the hostess at the close.

1926 Book Club Meets

Mesdames Rolfe Brumley and Joe Goldston were hostesses to the members of the 1926 Book Club, at the home of Mr. H. C. Brumley, Tuesday afternoon.

During the business session Mrs. U. J. Boston and Miss Lotta Bourland were elected to membership.

"Modern Poets," was the study conducted by Mrs. Allen Bryan with Miss Naomi Allison, Miss Maye Lumpkin and Mrs. Loyd Stallings assisting.

A lovely salad course was served later, to the members and invited guests present.

Beginner Pupils Are Entertained Saturday

Mrs. Mary S. Colvin, superintendent of the Beginners' Department of the Baptist Sunday school, was hostess to the children of the department and their mothers with a social at the home of her daughter, Mrs. Cap Lane, Saturday afternoon.

While the children were entertained with games on the lawn the mothers and teachers of this department discussed the problems confronting those vitally interested in this group of children.

A lovely ice course was served late in the afternoon.

Thursday Afternoon Bridge Club Entertained

Mrs. Earl Alexander very charmingly entertained the Thursday Afternoon Bridge Club Thursday afternoon at her home.

The guests arrived at 3 o'clock and enjoyed an afternoon of bridge in rooms abloom with masses of garden flowers. Mrs. Park Chamberlain received the high score and Miss Beulah Baird received consolation.

A lovely refreshment course was served to: Mesdames M. H. Rhoades, T. H. Ellis, Park Chamberlain, Clyde Price, Louis Merrill, Richard Bell, Charles Trent, Carl W. Bennett, Jr.; Misses Anna Moores, Beulah Baird, Naomi Allison and Mary Cooke.

Mrs. Ellis Hostess to 1922 Bridge Club

Bridge was the pleasant diversion for several hours Tuesday afternoon when Mrs. T. H. Ellis entertained the members of the 1922 Bridge Club at her home.

Pretty Autumn flowers in all shades were used to adorn the rooms where the games were played. Mrs. Sella Gentry received club high score, Mrs. Homer Glascoe guest high score, and Mrs. Chas. Bugbee consolation.

A palatable two-course luncheon was served to: Mesdames Homer Glascoe, Jimmy D. Browder, James Trent, Geo. B. Bagby, W. H. Martin, J. I. Sims, W. H. Cooke, Sella Gentry, Charles Bugbee, R. A. Chamberlain, A. R. Letts, and Odos Caraway.

Mrs. Letitia Swearingen Is Honored With Two Very Delightful Affairs on Thursday

One of the charming affairs of the early social year was that given at the home of Mrs. George B. Bagby Thursday honoring Mrs. Letitia Swearingen of Childress.

If you are thinking of a permanent wave, we give the four best methods.

See us for prices For Marcells Finger Waves, Manicures, Shampoos and all facial and scalp treatments.

See operators,— Mrs. C. R. Mitchell Mrs. Lillian Beard MITCHELL'S Barber & Beauty Shop

who is visiting with friends in Clarendon.

The hostesses of this occasion were the members of a house party given by Mrs. Swearingen some time ago and included: Mesdames James Trent, A. L. Chase, R. A. Chamberlain, Homer Glascoe, Frank McCrary, Crockett Taylor, W. T. Hayter, B. L. Jenkins, W. H. Martin, James T. Patman and George B. Bagby.

The guests were: Mrs. Jimmy D. Browder, of Fort Worth; Mrs. A. R. Letts, Mrs. R. F. Morris, Mrs. Sella Gentry, Mrs. H. C. Kerbow, Mrs. Hasty, and Mrs. Swearingen, the honor guest.

A beautiful three-course luncheon was served at noon in the dining room, which was a bower of loveliness. The table was beautiful with a large basket filled with asters of varied hue, making the center and smaller baskets of asters on either end. Dainty place cards and other appointments were used.

The afternoon was spent with needlework and visiting. Iced watermelon was served late in the afternoon.

MEMPHIS ATTORNEY SITS ON BENCH IN JURY CASE

Robert Grundy of Memphis, was the acting County Judge in the jury trials of County Court this week. This change was effected through the disqualification of Judge Porter, who was unable to sit on the case in question. Robert Grundy is well known here and is one of the outstanding young attorneys of his home town of Memphis.

Mr. and Mrs. F. J. Hommel and family are visiting relatives in Ponca City, Oklahoma, and Dallas this week. While in Ponca City the Hommel family will visit the general offices of the Maryland Refining Company.

OUR WANT ADS. GET RESULTS

Years of Service in Model T Fords

Expenditure of few dollars may enable you to get thousands of miles from your old car

THE Model T Ford is still a great car. It led the motor industry for twenty years and it is used today by more people than any other automobile. More than eight million Model T Fords are in active service in city, town and country, and many of them can be driven for two, three and five years and even longer at very small up-keep expense.

The cost of Model T parts and of necessary labor is unusually low because of established Ford policies.

New fenders, for instance, cost from \$3.50 to \$5 each, with a labor charge of \$1 to \$2.50. Tuning up the motor and replacing commutator case, brush and vibrator points costs only \$1, with a small charge for material. Brake shoes can be installed and emergency brakes equalized for a labor charge of only \$1.25. A labor charge of \$4 to \$5 will cover the overhauling of the front axle, rebushing springs and spring perches, and straightening, aligning and adjusting wheels.

The labor charge for overhauling the average rear axle runs from \$5.75 to \$7. Grinding valves and cleaning carbon can be done for \$3 to \$4.

A set of four new pistons costs only \$7. For a labor charge of \$20 to \$25 you can have your motor and transmission completely overhauled. Parts are extra.

All of these prices are approximate, of course, because the cost of materials needed will depend on the condition of each car. They show, however, the low cost of putting the Model T Ford in shape for thousands of miles of additional service.

Bring your car to us, and have us estimate the cost of reconditioning your Model T. Ford. We will tell you, in advance, exactly how much the complete job will cost.

Clarendon Motor Co. Clarendon, Texas

For Ten Years

"Protecting Against"

Every squeak in a car is some part protesting against wearing out. It is a plea for lubricant. We have a systematic way to lubricate your car. Let us do this work regularly.

I have been lubricating motor cars in Clarendon and during that time have sold more gasoline and oil than any two stations in Clarendon.

WHY—Because I have always tried to give my customers the best I could buy.

Proper lubrication is the cheapest insurance against service expense. Even the finest car will not run well unless it is properly lubricated. Don't forget your motor is made of metal.

It needs the best of oil and I honestly believe that we are in a position to furnish you with the best money can buy in the different grades of Texaco. We have a grade for each and every car and they don't all come out of the same barrel.

OUT OF GAS? GOT A FLAT? CALL 25.

Mrs. Cluck Entertains For Her Daughter

Mrs. Joe Cluck delightfully entertained in honor of her daughter, Virginia, Saturday, this being Virginia's eleventh birthday. Anna Moores Swift, Dorothy Joe Ryan, Lee Christine Cousins, Frances Sanford and Elizabeth Kemp arrived in time for lunch, 12 o'clock, and found the table beautifully decorated with garden flowers and a huge white cake with eleven candles marking Virginia's place.

Games were enjoyed after lunch until matinee time and the young ladies, accompanied by Mrs. Cluck, enjoyed the showing of the picture.

Seven O'clock Breakfast Served at Country Club

On Saturday morning Mesdames W. H. Martin, Geo. B. Bagby and James Trent entertained with a 7 o'clock breakfast at the Country Club in honor of Mrs. Letitia Swearingen.

The ride out gave the ladies a ravenous appetite and the sumptuous breakfast served in the pergola, near the waters edge, was greatly enjoyed.

The ladies were entertained in the clubroom later with stunts, stories and the dancing of the "Old Virginia Reel."

Mrs. Boston Is Hostess to Kill Kare Klub

Mrs. U. J. Boston charmingly entertained the members of the Kill Kare Needle Klub Thursday afternoon at her home, where a profusion of dahlias and other garden flowers were used for decorations.

Fancy kneedle work and pleasant conversation made the afternoon hours pass swiftly with a lovely two-course luncheon being served at the close.

Those present: Mesdames W. A. Massie, J. G. Sherman, Tom Goldston, G. G. Kemp, S. W. Lowe, Floyd Keener, H. Mulkey, J. D. Swift, E. C. Herd, and Euel Sanford, club members.

Mesdames L. B. Cooper, J. H. Watts, Frank McCrary, Sam M. Braswell and John Bass, invited guests.

ESCAPED PRISONER FROM DONLEY IS RETURNED

The following item clipped from the Dallas Morning News of Monday, September 17th, will be of interest to Donley County citizens especially since the prisoner in question was one of two sentenced from this county on a charge of robbery with firearms. J. E. White and Hugh Glass were tried jointly on the above-named charges and each received a sentence of five years. White was only too glad to return to confinement after a short taste of the life across the border.

The item follows: Nuevo Laredo, Mexico, Sept. 16.—An escaped convict decided to go back to prison Saturday rather than to remain in the "dirty hole" here in which he was living.

J. E. White, who escaped from the Huntsville penitentiary Sept. 8, was arrested in a hotel here Saturday afternoon by Laredo detectives, who learned of his presence through a woman arrested for possession of narcotics. White willingly agreed to go to the Webb County jail on the other side of the Rio Grande because, he said, "I am tired of the dirty hole in which I am living."

He was sentenced from Clarendon, Donley County, for highway robbery. No charge had been made against the woman late Saturday.

Mr. G. Green of Coleman county visited last week with his cousin, Mrs. H. J. Derrick, whom he had not seen for 21 years.

College—High School Activities

Conducted by the students of Clarendon Junior College and Clarendon High School.

Alfred Estlack, Editor.
Slick Naylor, Sports Editor.
Benton Smith, Assistant Sports Editor.

With the beginning of the past week, the college and high school programs were perfected. Both the curricular and extra-curricular activities are now in full swing. According to H. T. Burton, Superintendent of Schools, chapel will be held twice a week, and the other three days will be devoted to club work. Both the college and high school students will have an opportunity to participate in these activities. Both the college and high school clubs offer a varied and interesting opportunity for student activity.

DRAMATIC CLUB OPEN HOUSE EVERY WEEK

The Dramatics Club, sponsored by Miss Rita Foster, has outlined an interesting and extensive program for the year. The club plans to give a three-act play once every month also. The club is particularly fortunate to have Miss Foster as its director. Miss Foster has recently returned from New York where she spent the summer studying dramatic work at Columbia University. The club has been organized for more than a week, and has already begun play practice. It plans to hold open house on next Tuesday night and present two very recent one-act plays: "The Play's the Thing," and the "Sprained Ankle."

PRESS CLUB TO DIRECT SCHOOL PUBLICITY

The Press Club plans to direct the publicity of the Clarendon Junior College by sending out a weekly news letter to the leading dailies of the state, and also to the papers of the Panhandle. It will also have news every week in The Clarendon News. Although organization of the Press Club has not been completed, and all plans have not been made for the work of the year, the members are working on the school news.

MISS MERRELL ORGANIZES GLEE CLUB

Under the direction of Miss Geneva Merrell, the boys' and girls' glee clubs have been organized. Miss Merrell has had much experience in glee club work, and she predicts a very successful season.

enson. Much interest is being evinced by the student body.

MR. LINDSEY SEES BRIGHT FUTURE FOR YEAR'S BAND

According to Mr. E. M. Lindsey, prospects for this year's band are bright. About fifteen students are represented in this work. The band has been organized for over a week, and has already made several booster trips in this section of the country. The band plans to play during the County Fair.

COLLEGE STUDES ORGANIZE

The college group effected definite organization last Thursday. At a general meeting of the college student body, the following officers were chosen: Richard Morris, president of the Students' Association, Leonard Darnell, vice-president, and Mary Jo Chamberlain, secretary and reporter. After general college elections, the Sophomores and Freshmen met separately and organized their respective classes. The Sophomores elected: Esther Morrison, president, Willie Mae Stewart, vice-president, and Alfred Estlack, secretary and treasurer. The Freshmen chose the following officers: Gwynn Youngblood, president; Lawson Vinson, vice-president, and Edna Butler secretary and reporter. Mr. Wells is Sponsor for the Freshmen.

COLLEGE SENIOR CLASS ORGANIZES

The Senior class of Clarendon Junior College organized with a considerable increase in enrollment over that of last year, and all prospects go to show that many new students will matriculate before another week has passed. There appears to be plenty of "pep" and ambition among the Senior students, and this will undoubtedly go far toward blending the students with such activities as well as will elevate the standard and spirit of the school. No single individual can feel entirely irresponsible for the success of the coming activities of the class, and for this reason, each member of the class is urged to do his utmost in whatever undertaking he may be called upon to do.

LITERARY SOCIETIES ELECT OFFICERS

Two very interesting literary societies are open to the college students. Mr. Farrow is sponsoring Alpha Delta Psi, and Miss Ineva Headrick is sponsoring Society Number Two. Literary Society Number Two organized Thursday, with an interested group who elected H. A. Blanton, president; John Blevins, vice-president; Jessie Burson, secretary, and Mary Jo Chamberlain, reporter. Committees were appointed to select a name for this society, and draft a constitution and by-laws. The club plans to have literary programs throughout the year. The college was divided into two factions to arouse interest, competition and activities. The societies each plan

for a room of their own, and vie with each other for pep and spirit and support of Clarendon Junior College.

Alpha Delta Psi met last Tuesday and elected the following officers: Loran Naylor, president; Alfred Estlack, vice-president, and Hazel Part, secretary. Short talks were made by Dean Cooper and Mr. Farrow, the sponsor. The year's program will be outlined at the next meeting.

PATRICK STARTS CHAPEL WORK FOR COLLEGE

Clarendon Junior College started the year's chapel work Tuesday by having our local banker, Mr. Patrick, speak on "Agricultural Economics." The faculty intends to have one speaker a week throughout the year. The speaker will be one of the local business men and will give the students the view of the business world.

Mr. Patrick's speech was interesting and educational. He stressed the disadvantages of the "one crop" farming. He pointed out how the farmers of today were living from a paper-sack and not from their own crops. He compared the advantages of modern transportation with the progress in farming and economical ways of manufacturing.

BULLDOGS LOOKING FINE

The prospects for a winning team look better each day at practice. Monday of this week the Doggies went through their first scrimmage with the High School Eleven. Coach Stocking has one of the heaviest lines that has worn the Green and White for many years. There are five old College players back for their positions in the line. They are: "Blocky" Parker, Bob Parks, Ernest Helton, "Red" Blevins, and "Doc" Naylor. Around these men a strong line is built with the aid of William Wilder, Jerry Hayter, and Ross Beville, all of whom are from the local High School.

Coach Stocking claims to have the fastest back field that has ever reported for practice. H. A. and "Slick" Naylor of the last year's squad; Darnell and Arnold from the local High School; and Mike Corbin, an old Bulldog, will carry the pigskin for the boys this year. With this material on hand and more in view, the Bulldogs plan an undefeated season. The season will open Thursday of this week with a game at Pampa with the Pampa High School. The entire College student body is planning to make this trip and give the Doggies a good start. Do your part by coming to all games. We will do our part on the field and we will put Clarendon Junior College on the map. "Slick" Naylor.

HIGH SCHOOL GIRLS' BASKETBALL ORGANIZES

The basketball girls organized last Tuesday afternoon, and elected Miss Lillian Abbott coach, and Marjorie McKillop, captain. A large number are coming out for practice, and a good team is expected. An invitation is extended to everyone to attend their games. Julia Taylor was elected girls' pep leader, and Elvis French was elected yell leader for the High School at assembly Tuesday morning. The pep squads will go to Pampa Thursday with the College team.

COLLEGE PEP MEET HELD FOR THURSDAY'S GAME

The college students met Monday morning to elect yell leaders. Gwynn Youngblood and Lois Alexander were chosen to lead the girls, and Law Vinson will lead the boys. Miss Youngblood is working up some new yells, and hopes to have them for distribution on Wednesday morning. The pep squads will go to Pampa, Thursday with the college team.

SENIORS HAVE HAY RIDE

The Senior Class met and decided to have a grand hay ride. The boys got together, provided the mules, wagons, and the watermelons. The hay had plenty of grass-burs and no one went to sleep. The girls brought the fruit, which was consumed as they rode. The class went to the river and enjoyed the watermelons. The ride was very peppy and it was decided that the class would "throw" another soon. Everyone had a "sticky" time. Phifer Estlack, Reporter.

HIGH SCHOOL TO PLAY HEDLEY HI FRIDAY

The maroon colors will be defended this year by a small, snappy team, averaging about 145 pounds, but all are in shape, and training hard. Four old men are back this year; Dillard and Noble for backfield, and Estlack and Smith for line. There is a promising "bunch" coming this year from the junior high school. In the backfield there is Dillard, Noble, Tucker, McCrary, Nicholas, and Baird. In the line there is Estlack, Smith, Easterling, Morris, C. Combest, F. Combest, Cornelius, Behrens, Carlson, Ziegler, Helton, Morgan, Adams, Gattis, Bourland and Carroll.

SENIORS TO SPONSOR PEP RALLY THURSDAY NIGHT

The Seniors are planning a big pep rally Thursday night at College Park, and all high school students are expected to be present. High school songs will be sung, and peppy yells will be

Product of PRECISION CONSTRUCTION

In America's Most Modern Plant

Today's Pontiac Six is built in America's most modern automobile plant—a vast daylight factory erected less than two years ago. Here are special machines, special processes and special methods of precision control far surpassing the accepted practice. Here are literally hundreds of inspectors enforcing the law of accuracy with an iron hand. Here every Pontiac Six is subjected to hundreds of separate inspections to make certain that every ultimate owner obtains a six which General Motors can be proud to sponsor—and which will deliver uniformly satisfactory service for many thousands of miles! See and drive today's Pontiac Six—the best built car of its price in the world!

Week after week and month after month the Bigger and Better Chevrolet has swept on to greater and greater heights of popularity—until today it stands acknowledged everywhere as first choice of the nation for 1928! Never has any Chevrolet enjoyed such overwhelming public acceptance—for never has any low-priced car provided such an outstanding combination of distinctive beauty, thrilling performance and amazing economy! Its beautiful bodies by Fisher—long, low and racy, and finished in colors that reveal to-day's mode for smartness and individuality—are far in advance of accepted standards in the field of low-priced cars. Inside

and out they prove anew that Fisher craftsmanship is a thing apart. But Chevrolet performance is no less impressive than Chevrolet beauty and style. Never before was a low-priced car so easy to handle—for the steering mechanism is fitted with ball bearings throughout... the clutch and gear-shift lever respond to the slightest touch... and big non-locking 4-wheel brakes give a measure of braking control that is more than equal to every occasion. Come in and see the car that has won the approval of more than three-quarters of a million buyers since January 1st. Learn for yourself why it is scoring the greatest success of this great automotive year!

NEWS' WEEKLY COTTON LETTER

PRICES LOWER; DE-
MAND NOT IMPROVED

The week of September 8th to
14th witnessed an erratic price
movement with final quotations
down about 1 5-8c per pound com-
pared with the previous week.
The rather severe decline was
partly attributed to an uneven de-
mand for spot cotton. A good
demand was reported in cer-
tain sections for immediate ship-
ments in shorter staple lengths,
but mills generally were interest-
ed in Fall shipments.

Basis for new crop cottons was
reported practically unchanged,
to somewhat easier. Prices paid,
September 14th on middling cot-
ton, 7-8 inch staple, were as fol-
lows: Norfolk, 17.56c; Augusta,
17.00c; Savannah, 17.00c; Mont-
gomery, 16.55c; New Orleans,
17.10c; Memphis, 16.50c; Little
Rock, 16.82c; Dallas, 16.30c;

Houston, 16.95c, and Galveston,
17.05c. The average price paid
in the ten designated markets on
September 14th was 16.88c com-
pared with 18.57c last week and
20.63c the same day a year ago.
Total sales of spot cotton on these
markets, for the week were 244-
835 bales compared with 204,893
bales the corresponding week,
1927.

October futures contracts for
the week at New York declined
160 points to 17.55c. At New
Orleans they declined 157 points
to 16.83c and Chicago was down
152 points to 16.94c. Certified
stocks on Sept. 14 were as fol-
lows: New York, 7,237; New Or-
leans, 3,028 bales; Houston, 1,613
bales and Galveston 1,049 bales.
Exports this season to September
14th were 557,731 bales compared
with 703,414 last season.

SHAMROCK SHIPMENT SHOW DIVERSE OPERATIONS

A few of the commodities ship-
ped from Shamrock in 1927 were
12 carloads of wheat, 93 cars of
corn, 185 cars of grain sorghums,
297 cars cattle, 79 cars hogs, 225
cars cottonmill mill products, and
28,500 bales of cotton—all grown
in Wheeler county.

GOOD PROFIT IS MADE FROM FARM

FULL DIVERSIFICATION PRO-
GRAM NETS GOOD IN-
COME TO MEMPHIS MAN.

MEMPHIS, Texas, Sept. 13.—
J. T. Nelson, who lives 7 miles
southwest of Memphis, in Eli
Community, would not do without
a dairy herd as it has proven
a great help to him in his farm-
ing venture. Mr. Nelson bought
his present farm 11 years ago,
trading land in New Mexico, 90
miles west of Amarillo, represent-
ing \$7,000 value, and owing \$3,-
000 balance. He made the trade
with his father so there was no
pressure being brought to bear
to collect the \$3,000, the father
desiring to have only the inter-
est.

He first started in dairying that
spring, buying a bunch of heif-
ers, picking up 15 wherever he
could get them. All were Jer-
seys, however. He kept them un-
til next spring when they came
fresh, selling them for \$70 to
\$100 each, making about 200 per
cent on his investment. He milk-
ed those he had left and fed the
milk to the hogs, selling the in-
crease, keeping up this practice
for about three years. As they
kept his best heifers and began
shipping cream. He found that
the sale of pork and eggs, after
the skim milk was fed to hogs
and chickens paid the feed
bill and that the cream checks
made the family living expenses
and operated the car. This left
a net profit cotton crop.

Mr. Nelson could have paid out
the \$3,000 he owed on the farm
several years ago but his father
was in no hurry. So he spent
about that amount in improve-
ments, there being almost noth-
ing on the farm when he moved
out.

Furthermore, it was a John-
son grass farm. The year before
he bought it, 1500 bales of John-
son grass was harvested from the
farm.

Mr. Nelson figured it cost
him two or three thousand dol-
lars to get rid of the Johnson
grass, but it does not bother him
today. He let his dairy cows
help him kill it out. He would
fence off a tract of it and pas-
ture it down closely, then fence
off another section. He would
list the ground two or three times
in the winter and put it into cot-
ton in the spring, chopping out
the Johnson grass at cotton chop-
ping time.

Mr. Nelson has 80 acres of
cotton and the rest in such feeds
as maize, hegira and corn. He
has 20 acres in sudan grass. He
puts this tract in wheat in the
fall to provide green pasture for
his cows in winter. He never
harvests his wheat, only uses it
for pasture. Mr. Nelson rotates
his crops, sowing the cotton land
to feed and the feed land to cot-
ton alternately.

Last year he planted each third
row of feed to cowpeas but this
year he got such a poor stand of
feed he had to use the third rows
that he had left to plant feed in.

In speaking of his sudan tract,
Mr. Nelson said that he figured
that 10 acres of sudan would
equal 100 acres of native pas-
ture.

He now has 22 head of dairy
animals, 11 cows and nine of
them fresh at this time. He is
selling about \$20 worth of cream
per week. The skim milk is be-
ing fed to hogs and chickens.
The chickens will run about 50
eggs per day in the summer
months and in the spring will
run around 100 eggs per day.

Mrs. Nelson says that skim milk
is just the thing to feed chickens.
The eggs bring about 25c per
dozen average the year around.

In summing up, Mr. Nelson
said that they would make about
a dollar per day off the hens, or
about \$365 per year. They sell
only the old hens and replace
them with young stock for lay-
ing. Most of the fryers are eat-
en on the farm.

In addition to that, the farm
sells on an average about \$150
to \$200 worth of hogs per year, be-
sides having plenty of them left
butcher for home-cured meat.
The family has its own meat to
eat the year around, seldom buy-
ing any fresh meat to eat. It
takes about 10 hogs per year to
supply the family and perhaps a
few beeves.

There is also a garden tract
in which is raised beans, toma-
toes, peppers, cucumbers, okra,
etc. This supplies fresh stuff
for the table in the summer
months and the surplus has been
and will be canned for winter
use. The family has a steam
pressure canner and will put up
about 50 cans of corn, about 50
to 100 cans of tomatoes; about
50 quarts of peaches and 31 or
32 cans of cucumbers.

Mr. Nelson has 80 acres in
cotton on the home place and
30 acres in cotton on some rent-
ed land. This 110 acres of cot-
ton looks the best that it has
looked in his 11 years of farming
on the place. He expects to make
about 50 to 60 bales off of it
this year. Fifty bales would
bring \$5,000 at 20 cents per
pound for cotton. He will be out
in expenses about \$20 per bale
for picking, leaving him about
\$4,800 net profit to show for his
year's work, if everything turns
out like it seems now that it
will. Mr. Nelson, when asked
what he intended to do with his
money, said that with the \$700
he now had in the bank, he hoped
to pay off the mortgage on this
place or else buy more land.

Asked why his neighbors did
not follow his example and make
money with a dairy herd, Mr. Nel-
son came out point blank and
said that most of them were too
lazy. They had rather crank the
car and go to the picture show
instead of staying home to milk
a few cows.

Mr. Nelson said: "The way for
a farmer to make money now-a-
days is to diversify—make the liv-
ing at home and have the major
crop as a surplus. If the farm-
er fails to make a crop he does
not have to go to the bank and
borrow money to live for another
year."

FREE FAIR GATE TO DRAW CROWDS

FAIR OFFICIALS ESTIMATE
ATTENDANCE OF 300,000
VISITORS TO TRI-STATE
EXPOSITION.

Amarillo, Sept. 18.—With all
exhibit halls reported virtually
full or running over, with plans
and preparations days ahead of
previous years, indications are
that the big 1928 Tri-State expo-
sition with a free gate will open
on September 22 one of the great-
est fairs in the Southwest from
every standpoint.

All departments heads report
greater interest and a larger num-
ber and better class of entries
than ever before. Concession and
exhibit spaces are at a premium
and the fair association has ar-
ranged for one of the greatest en-
tertainment programs ever offered
in this section.

Leonard Stroud's rodeo will fur-
nish the major afternoon attrac-
tion. Schooley & Collins 1928
Winter garden revue will be the
feature evening offering. A group
of Toas Pueblo Indians, fireworks,
the Lackman-Carson carnival and

scores of other attractions are
scheduled.

Five football games, three of
them inter-sectional clashes, have
been arranged. Amarillo high
school meets Norman, and Okla-
homa City, Panhandle and Claude,
Tulia and Dalhart and Pampa and
Texasoma have gridiron tilts
scheduled.

Dr. S. P. Brooks, president of
Baylor University, will deliver the
principal address at the big relig-
ious service to be held Sunday
evening, September 23, at the
fair grandstand, with Amarillo
and Panhandle churches having
charge of the free program.

Amplifiers are being placed on
the stage in front of the grand-
stand so all attending can hear
without any trouble.
An attendance of 300,000 per-
sons is expected as a result of
the major entertainment attrac-
tions and the free gate from Sept.
22 to 29.

NEW EDUCATION BUILDING AT CANYON OPEN OCT. 19

The \$300,000 Education Build-
ing at the West Texas State
Teachers College is to have the
most modern of equipment for
the teaching of grade and high
school students. It is to be ded-
icated with a special ceremony
October 19.

ROAD OILING TO BE TRIED AT BIG SPRING

Plans are being made in Big
Spring to experiment with meth-
ods of oiling gravel road. If the
method proves practicable on a
short stretch its extensive use will
be considered.

Under New Management

I have leased the W. T.
Johnson Blacksmith Shop
for the coming twelve
months.

Get More Eggs Now!

BIG poultrymen, little poultrymen, are
finding that when it comes to getting
more eggs, day in and day out, you simply
can't beat Purina Poultry Chows.

Purina puts into hens the material from
which eggs are made. That's why Purina-
fed hens put more eggs in the nest. No
mystery about that.

Change to Purina today. Gather more eggs
while prices are high.

The NEW BUICK is the NEW STYLE

A triumph in individual beauty... a
refreshing and radical departure from
the tiresome commonplace... a new
style, a richer style, a more alluring
style than the world has ever known!

Only one completely
new motor car style in
the past twenty-four
months—only one
truly original and
beautiful development
in body design—and, as the whole
world realizes, it is the Silver Ann-
iversary Buick with Masterpiece
Bodies by Fisher!

Here is an entirely new scheme of
body lines and contours—arresting
new color combinations—match-
less new interiors—new appoint-
ments of comfort and convenience
unapproached by any other auto-
mobile of the day!
Here is a true distinction wedded

THE
SILVER
ANNIVERSARY
BUICK
With Masterpiece Bodies
by Fisher

to genuine good taste.
Here is a new style—
a richer style—a more
alluring style—than
the motor world has
ever known. And here,
too, is tremendous increase
in power, in flexibility, in responsive-
ness—so outstanding as to amaze
even those motorists who have
long been familiar with Buick's
superior performance.

That is why America is according
the Silver Anniversary Buick the
most enthusiastic reception ever
enjoyed by any fine car. That is
why this beautiful new Buick has al-
ready become a country-wide vogue!

ODOS CARAWAY, Local Agent

WHEN BETTER AUTOMOBILES ARE BUILT... BUICK WILL BUILD THEM

Pellagra A Specialty

If you have any of the following
symptoms, I have the remedy, no mat-
ter what your trouble has been diag-
nosed: Nervousness, stomach trouble,
loss of weight, loss of sleep, sore
mouth, pains in the back and shoul-
ders, peculiar swimming in the head,
frothy like phlegm in throat, passing
mucous from the bowels, especially
after taking purgative, burning feet,
brown, rough or yellow skin, burning
or itching skin, rash on the hands,
face and arms resembling sunburn,
habitual constipation, (sometimes
alternating with diarrhoea) copper
or metallic taste, skin sensitive to
sun heat, forgetfulness, despondency
and thoughts that you might lose your
mind, gums a fiery red and falling
away from the teeth, general weakness
with loss of energy. If you have these
symptoms and have taken all kinds
of medicine and still sick, I especially
want you to write for my booklet,
Questionnaire and FREE Diagnosis.

MARTIN

The people of Martin community are proud of the lighting system recently installed in their church and school building.

Mr. and Mrs. Aubrey Talley visited her parents, Mr. and Mrs. E. A. Parsons, Thursday and Friday of last week.

A daughter was born to Mrs. P. O. Wood Tuesday morning of last week.

Mrs. Vestal Mosely and Mrs. Cora Allie visited last Saturday night and Sunday in the C. J. Talley home.

Vestal Mosely went to New Mexico last Saturday on business.

Mr. and Mrs. J. A. Pool visited in the Conda Jons home last Sunday.

OLD TRAIL DRIVERS MEET POSTPONED TO OCT. 18-20

In a letter to Col. Chas. Goodnight, Pres. Geo. W. Saunders of the Old Trail Drivers Association announces the postponement of the Reunion from Oct. 4-5-6, to Oct. 18-19-20. The Reunion will be held at San Antonio and the postponement is account of the American Legion convention in that city at a conflicting date.

JUNIOR HIGH P. T. A. TO MEET SEPTEMBER 27

The Parent Teacher Association of the Junior High School will have their first meeting of the year on Thursday, September 27th. The meeting will be held at 3:00 o'clock and all parents of the city are cordially invited to attend and take part in the work of the organization. A program of entertainment has been arranged and there will be a social hour after the program.

PRESBYTERIANS TO HOLD CONGREGATIONAL MEET

The entire membership of the Presbyterian Church is especially called to meet in the church at 11 o'clock Sunday morning. A congregational meeting has been called at this time for the reason that there are some matters of importance that must have the attention of the church. It is very important that all members of the church be present at this meeting.

LEAGUERS TO GROOM

A zone meeting composed of the towns in the North End of the district was held in Groom Tuesday evening with a splendid attendance.

About thirty of Clarendon's Epworth Leaguers made the trip and carried away the banner, which is given to the town having the largest representation.

Groom proved to be a gracious host. A splendid program was presented with a social hour following.

BAZAAR AND MARKET

The Busy Women's Sunday School Class of the Methodist Church will have a Thanksgiving Bazaar and Market Saturday, November 24th. Place to be announced later.

Mr. and Mrs. I. B. Pierce announce the arrival of a girl on Tuesday morning.

LIONS COMPETE IN ATTENDANCE

THREE CONTESTS ENTERED BY LIONS BEGINNING WITH TUESDAY MEETING

Three attendance contests were entered Tuesday of this week by the Clarendon Lions. Two of these are to be intensive eight weeks campaigns, one of them beginning with this week and running eight weeks and the other beginning in the spring and holding forth for a like period of time. The other is to be a contest for individual Lions, each one scoring 100 per cent to receive a Lions badge, especially designed, showing the feat accomplished in attending the club.

Reports from the Morgette case indicated that the operation had been performed in the Pedencheer sanitarium and that no further word had been received. The Peden case was also reported on, the statement being made that the child was already in Fort Worth under treatment. The committee on this case was continued on motion and second to keep check on matters in hand and keep the club informed as to further need in this connection.

Lion J. T. Patman, chairman of the Lions Scholarship committee asked two members on his committee since the others had removed from the city. Lions Douglas and Kemp were placed to work with Lion Patman, the club voting to allow them the privilege of selecting their applicant for the loan.

Lion Burton announced that to the time he had left the college this morning that 71 students had been enrolled in the school. He asked the co-operation of the Lions in further securing the attendance of students on the college from Clarendon. Lion Caraway told of the enthusiasm of the president of the school board, F. E. Chamberlain, after he had visited the Junior College in Wichita Falls and found that the enrollment here amounted to almost half their enrollment. The Wichita Falls Junior College has been in operation for the past five years and at present has only an enrollment of 185.

Lion Cooper corrected Lion Burton over the club had settled, stating that two more had been enrolled in the college bringing the total to 73. He further stated that two more were expected momentarily and that they hoped for 85 before the first term had ended.

To keep interest at its height in the college and High School, Lion Patrick urged that the business of the town attend all the entertainments of any nature held in the college auditorium. This, he said, would show that the business men of the town were at least interested in what the school was doing.

The question of a club entertainment for the faculty of the schools was raised and was referred to the Fellowship committee for their attention.

The application of T. D. Nored, Manager of the West Texas Utilities Company of this city and of L. H. Johnson were presented to the club, these two applicants being voted unanimously into the organization.

Guests for the day were: E. P. Carney of Brownwood and N. N. Martin of Denver, Colorado. Each expressed his being glad to be with the club and hoped to be able to return at some later date. Adjournment as usual.

UNCLAIMED LETTERS

Letters remaining unclaimed for at this office for the week ending Sept. 20, 1928, are as follows:

- Mr. Kenneth Brown.
- Mr. Geo. Baker.
- Mrs. Sara Coden.
- Miss Lillie Cary.
- Mr. Garland Cannon.
- Mr. Shelby S. Carpenter.
- Mr. Carl Carlson.

- Charles H. Bugbee, P. M.

Mr. and Mrs. M. L. Stout returned Sunday from a short vacation trip to Madill, Durant, and Ardmore, Oklahoma, their former homes. They state that Donley County looks better to them than ever before, and that even the water here tastes better than it had ever done in the past. They also report crop conditions here to be in better condition than in any part of the country traversed in their journeys.

Mr. and Mrs. H. W. Raney arrived here Sunday after a motor trip from their home in Albuquerque, New Mexico. They will be the house guests of the S. B. Arnold family for this week. Mrs. Raney is the daughter of Mr. and Mrs. S. B. Arnold.

Mrs. Eva Rhodes and son, J. P. motored to Amarillo Thursday.

PERSONALS

Mr. and Mrs. Frank Hardin and family visited the Collingsworth County fair the latter part of last week. Frank states that the exhibits found there made Donley County look mighty fine.

C. L. Hasie of Memphis, engineer for the Gray County road paving project, was in Clarendon Wednesday morning for a short business visit.

Mr. and Mrs. Bascom White left Tuesday for Detroit, Michigan, where they will spend a week or more inspecting the plant of the Chrysler Motor Company and allied lines.

Mr. and Mrs. Olin Walker of Amarillo spent last Sunday in the home of her parents, Mr. and Mrs. W. B. Sims.

Mr. and Mrs. W. R. Frazier and son, Edgar, of Estelline, were

week-end guests of their daughter, Mrs. Houston Miller.

Mrs. Grover Boswell and children of Byers arrived Saturday for a visit with her parents, Rev. and Mrs. W. M. Murrell.

Wesley Knorpp and son, Carroll, arrived in Clarendon Tuesday from a summer spent in California. Carroll left Wednesday evening for Austin, where he will enter the University of Texas for the coming term.

Edwin Patterson stopped in the home of his parents, Mr. and Mrs. G. S. Patterson, two days the fore part of this week.

Mr. and Mrs. Homer Glascoe will leave this evening for an extended visit to the former home of Mr. Glascoe in Southern Illinois. They expect to be out of the city for three or more weeks.

Mr. and Mrs. J. B. Williams arrived in the city the fore part of this week from Denison, and will make their home here from this time forward. Mr. Williams will be connected with the Greene Dry Goods Company of this city.

Attorney Harwood Beville attended to business matters in Amarillo Tuesday of this week.

Mrs. U. J. Boston and son, Dan, and Mrs. G. G. Kemp spent Friday in Hedley.
