Spring Training Started Last Monday For 1944 Broncho Football Squad

Thirty youthful aspirants for the 1944 Broncho football team opened their spring training Monday under the direction of Superintendent Burton, who is aided by W. G. Adams and Russell McAnally. The future Bronchos will train until April 28th when they will meet in an intra-squad game to climax their spring training.

Coach "Slick" Naylor worked out with the boys Tuesday afternoon and will work with them each afternoon of their last week of spring training. Wednesday the boys were divided into two squads. One squad headed by Pete Bromley is composed of Robert Murri, Billy Blackmon, J. R. Morgan, Sullivan Cooper, H. R. Cowan, M. R. Jordan, Robert Naylor, Calvin Merchant, Charles Davis, Joe Lovell, W. C. Mann, Sidney Harp, Carl Bennett, and Curtis Thompson. The other group headed by W. S. Carlile is composed of Raymond Adams, Donald Beard, Carroll Brumley, Jr. Mann, Gene Harrison, Tom Goodner, Leroy Butler, Bob Bentley, George Bulman, W. R. Parker, Max Keys, Wendell Davis, and Harold Darby. These squads will practice as units and meet in an intra-squad regular game on April 28th.

Inter-Church Council Is Organized

Mrs. Millard Word has been elected President of the newly organized Inter-Church Council of Clarendon; its purpose shall be to bring the women of all churches of the city into closer fellowship; to promote spiritual and social welfare and to increase intelligent interest in the world-wide mission of the church. Any member of any church in Clarendon is eligible for membership to the Council. Regular meetings shall be held on each fifth Wednesday.

Mrs. E. C. Seaman, Past President of the State Council, and Mrs. H. W. Wiells, State Vice President and District President of the Council, assisted with the organization of the local group; however, the idea originated locally when a group of women from all the churches met to plan the Inter-racial program and the World Day of Prayer sponsored earlier in the year.

Already committees are working on projects for the group; it will be in constant activity in spite of the small number of yearly meetings. Mrs. Allen Jeffries is Chairman of the Major Social Relations and Community Social Issues and will be assisted in all projects by Mrs. Cal Merchant, Mrs. W. H. Patrick, Mrs. M. R. Allensworth, Mrs. Fred Buntin and Mrs. W. C. Gunter.

Mrs. Pete Kunz was elected Vice-President, Mrs. Allen Jeffries is Corresponding Secretary-Treasurer; Recording-Secretary and Chairman of the Telephoning Committee is Mrs. Frank Phelan. She will be assisted with telephoning duties by Mrs. Bob Head. Other officers elected were Mrs. Ed Dishman, Parliamentarian; Mrs. Johnnie Blocker, Publicity Secretary and Mrs. Cap Lane, Prayer Superintendent. Mrs. W. H. Patrick and Mrs. A. L. Chase will head the Finance Committee. Program Committee is composed of Mrs. Frank Hutchins, Mrs. Hanks, and Mrs. L. Guy Ament.

The next meeting will be held on the fifth Wednesday in May, the place of meeting to be announced later.

Mr. and Mrs. Van Kennedy and son Dick, Sybil Head, Juanita Carpenter and Chauncey Hommel went to the Country Club Sat. evening. A picnic supper and games were enjoyed.

Miss Ella Cross who is a WAC and stationed at Santa Fe, N. M., was visiting in Clarendon Wed.

DONLEY COUNTY MEN PASS PHYSICAL AT LUBBOCK

The following men passed their physical at Lubbock March 29th and are awaiting call for induction any time after the 21-day limit.

For the Navy—Claude Moore, Herbert Doss Brewer, J. H. Spier Jr., John Francis Blocker Jr., Jesse Ames Beach, Lavel Clayton Phillips, Wayland H. Bagwell, James Thomas Clayton, Virgil Douglas Malone, Slaton J. R. Christie, Sidney Oliver Powell, Thomas Haskell Ringwald, Joe Gulia Thomas, Neil Wayne Molder, James Hershel Swinney, Billy Jack Shelley, Ewing Gayle Pyeatt and Billy Jack Green.

Those who passed the Army physical were Wayne Brown, Alva Mitford Dennis, Herman Roy Dodson, John Christian Knorpp, Carl Milford Pittman, Albert Leo Grubbs and John Murray Peabody.

POSTAL RECEIPTS SHOW INCREASE

Postal receipts at the Clarendon post office show a gain of \$508.20 as compared with the first quarter of last year, postmaster J. C. Estlack announced today.

The postal receipts for the quarter closing March 31 were \$4,600.10.

The postal savings deposits total \$85,053.00 at this time. The increased rate in postage has not retarded the volume of mail, the postmaster stated, but has increased the volume in every department. At any rate, the volume has increased, no matter what the cause.

Ration Reminder

MEATS, FATS—Red stamps A8 through J8 are good indefinitely. Waste kitchen fats exchanged for two points and four cents a pound.

PROCESSED FRUITS, VEGETABLES—Blue stamps A8, thru K8 are good indefinitely.

SUGAR—Stamps 30 and 31 are good for five pounds indefinitely. Sugar stamp 40 is good for five pounds of canning sugar through February 28, next year.

GASOLINE—A-11 coupons are good through June 21.

TIRE INSPECTION DEADLINES—A-coupon holders, March 31; C-coupon holders, May 31; B-coupon holders, June 30.

SHOES—Stamp 18 in Book One is good through April 30. Airplane stamps 1 in Book Three is good indefinitely. Another shoe stamp to be good beginning May 1 will be announced soon.

INCOME TAX—Declarations of estimated 1944 tax are due by April 15.

Attend School of Instruction Those attending the School of Instruction Wednesday at Paducah were Mrs. Ralph Andis, of Amarillo; Mesdames Chas. Bairfield, Joe Ritter, Earnest Hunt, Joe Bownds Van Kennedy.

Mrs. H. W. Hanks and Mrs. Hagler were in Amarillo shopping Wednesday.

Dairy Feed Payments

The following instructions were received in the County AAA Office from the state office. "DO NOT MAKE DAIRY FEED PAYMENT ON MARCH PRODUCTION. March and April production will be combined in one application for payment and all counties will be advised when to begin making these payments." Payments for February Sales and Productions are still being made at the County AAA Office. The price being six cents per pound for butter fat, and fifty cents per hundred weight for whole milk. Payment on February sales and production should be completed as soon as possible.

Protein Meal Deliveries in Texas

After April 1st in Texas, processors no longer will be required to obtain a statement from buyers approved by the county AAA Committee in order to deliver more than 500 pounds per month of protein meal to an individual.

The required statement regarding the use of more than 500 pounds of protein meal monthly in mixed feeds also will be eliminated. This situation has been effected by revocation of Director's Order No. 2 of Food Production Order 9, Revision 3, which was issued December 24, 1943. On that date, the 500-pound plus deliveries were prohibited in New Mexico and certain counties in West Texas, unless given special approval by County Agricultural Conservation Committees. On January 1, 1944 the area was extended to include Oklahoma and the entire State of Texas.

Requirements of the December order did not apply to set-aside protein meal or to soybean oil meal produced under contract for the Commodity Credit Corporation.

College Play Success

Clarendon Junior College's presentation of "Dude Ranch" proved to be an overwhelming success Tuesday night, drawing a crowd of better than 400 enthusiastic spectators. The play netted a neat profit which will be added to the Lions Club's contribution in improving the tennis courts on the school grounds.

The cast worked hard and cooperated splendidly in preparing for the event, and wishes to express its appreciation to the public for its attendance and approval in receipt of its efforts to bring them an evening of delightful entertainment.

HEDLEY JUNIOR CLASS TO PRESENT COMEDY TUESDAY NIGHT

The Junior Class of the Hedley High School will present a 3-act mystery comedy, "Scarlet Ghost" Tuesday night, April 11th at the Hedley High School Auditorium.

The curtain will go up at 8:30, and the price of admission is 10 and 25 cents. Proceeds from the play will be used by Juniors for the Junior-Senior banquet.

The play is ably directed by Mrs. Mary Sue Longan who states that members of the cast are working hard and long to give the audience some real entertainment.

If you love comedy with plenty of mystery, don't miss this play. Remember the date—this Tuesday, April 11th at 8:30.

W. CARROLL KNORPP ADDED TO SCHOOL BOARD

W. Carroll Knorpp was selected by Clarendon voters in Saturday's election to fill the vacancy left by Allen Bryan, old board member whose term expired this year and did not offer for re-election.

A total of three members were to be elected and the other two elected besides Knorpp were J. R. Porter and Van Kennedy.

Clarendon Clinic Hospital Notes

Medical: Martha Nichols. Mrs. Hal Upchurch and small son left Wednesday morning for Itasca, Texas for a visit with her mother, Mrs. J. C. Heath.

RATIONING AT A GLANCE

By PEPPY BLOCKER

The sugar supply situation remains "tight" although numerous reports and newspaper stories out of Washington, attributed to another agency in charge of production and supply, have left the impression, there would be a sugar surplus in 1944 of 1,300,000 tons. As a matter of fact, the supply for civilians this year is approximately 5,074,906 tons, or six percent less than the 5,400,000 tons consumed by them in 1943. The news stories telling of a 1,800,000 ton "surplus" should have stated that this was a carry-over from last year, but did not increase the current supply, which has been reduced by shortage of labor and equipment, war needs, lack of shipping facilities, and lend-lease. Local boards have been advised to hold down on canning sugar issuances as much as possible. People who won't actually use it for canning should and will get less.

Expiration dates have been removed from red and blue ration stamps in Book Four for the greater convenience of housewives, other shoppers, and storekeepers. On March 27th the red and blue stamps became good indefinitely. There is no change in the rate at which the stamps become valid. Three red stamps worth 30 points will become valid every second Sunday and five blue stamps worth 80 points on the first of each month.

Reports from various parts of the Region indicate that many persons are of the impression that when the "A" gasoline rations recently were reduced from three to two gallons per coupon they are to get only two gallons for each coupon. "A" coupons are still good for three gallons each, but the current "A-11" must last for a three-months' period, instead of the former two-months' period. Each "A" coupon ration is now for one and a half weeks, instead of one week.

Plant Exchange April 15th

As has been the custom in past years, the Les Beaux Arts Club will again sponsor a plant and flower exchange. The date of the exchange has been set for Saturday, April 15th, at which time anyone wishing to exchange plant flowers are asked to bring them and take part in the exchange which will be held in front of the Red Cross room.

This community service, sponsored by the Arts Club, gives flower lovers a chance to exchange for desired plants which otherwise they would be unable to obtain.

Services Held Today For T. N. Carter

Funeral services were held this afternoon at the First Baptist Church at Goodnight for Thomas Newland Carter with Rev. Mosley officiating.

Mr. Carter had been a resident of Goodnight for the past 24 years, and was 85 at the time of his death.

He is survived by his wife, five sons, Grady L. of Ft. Worth; Bailey F. of Pampa; Robert B. of Goodnight; Malcom J. of Sunray and James I. of the U. S. Army.

A Masonic service was held and burial was in Goodnight cemetery with Womack Funeral Home in charge.

T/Sgt. Wayne McElroy arrived last week and was joined by his wife and small son and has been visiting his parents, Mr. and Mrs. McElroy at Hollis, Okla.

Ennis Favors Announces For Re-Election

State Representative Ennis Favors this week authorized the Donley County Leader to announce his candidacy for reelection to the office of State Representative, 122nd District, composed of Collingsworth, Donley, Gray and Wheeler Counties, subject to the Democratic primary in July.

Mr. Favors is married and resides with his family in Pampa.

ENNIS FAVORS

He is Chairman of the Privilege, Suffrage and Election Committee and was co-author of the Secret Ballot during the last session of the Legislature.

Ennis Favors said, "The people of this District know my views and how I have stood in the past on issues, and should I be reelected I see no reason for a change."

"I feel that we must be more friendly and more ready to defend our Courts. It is not unusual now any day for an acquaintance to be hailed before some Bureaucrat, acting as the agent for some Board, in a Star Chamber proceeding conducted behind closed doors, not knowing what he is charged with, and therefore not prepared to make any defense, and this Bureaucrat feeling his importance, not answerable to the people because he was never elected, and operating under some rule, not a law, made and handed down by himself is quick to assume the role of Judge, Prosecutor and Jury and dish out what he determines to be speedy justice, usually assessing a penalty, and in most cases there is not even a perfunctory remedy or appeal. This is clearly a usurpation of the functions of our local courts, and should have never been taken from the courts, and it is our job to see that it is restored, otherwise, a small if not a large gestapo is developing before our very eyes."

"Due to the war it will be impossible to get around over the District as in the past, but this is no reason why politics should be overlooked for the duration. To my mind it is more important now than ever before that the people should remain politically alert. Our City, County and State Governments must more jealously assume and protect their constitutional rights to prevent more centralization of power in Washington, even in distance the farther away the Government is from the people the worse off we are. In other words, the father away our officials are the more difficult it is for us to keep up with them, and the less likely they are to remember the little things back home. We need fewer laws, less regulation and more local self government. It is our duty and we at home must safeguard the things our boys are fighting for over there."

CITY COMMISSIONERS RE-ELECTED

City Commissioners G. E. Norwood and Bert Smith were re-elected to serve the people of Clarendon again in an election held Tuesday of this week. They were unopposed in the election, and received a sizeable vote of approval for their manner in handling the City's business for the past two years.

RED CROSS NEARS SET QUOTA; ONLY \$47.00 NEEDED TO-DATE

DONLEY COUNTY MEN INDUCTED FOR SERVICE

The following men were inducted into the Navy at Lubbock on March 29th. Claudy Larry Lane, Kenneth Rex Reed, Leroy McKee, Lewis Cecil Youree, Dalton Howard Swinney, Charlie Boyd Sims, Frankie Hugh Rape and William Franklin Moreland. Gilbert Harold Lane was inducted at Dallas on Feb. 4th and Blaine Weldon Doherty in California in March.

Warren Hardin and Alton Redell Henson were inducted into the Army Air Corps at Lubbock on March 29.

The following were inducted into the Army at Fort Sill March 27th. Walter Hunnel Johnston, Amos Theodore McWethy, Jimmie D. Johnson, Herbert Eugene Elliott, Leroy Bertie Leathers and Lawrence Frank Hauck.

CLARENDON MEN AWARDED GOOD CONDUCT MEDALS

Recently awarded the Good Conduct Medal for more than a year's service were Corporals Clarence F. Whitlock, Alvin R. Robertson and Boner P. Howard, stationed at the Lubbock Army Air Field. These awards are made to enlisted men and women for exemplary behavior, efficiency and fidelity.

DONLEY COUNTY N.F.L.A. PAYS DIVIDEND

Members of the Donley County National Farm Loan Association received checks this week representing a 5% dividend on their capital stock owned.

The payment of this dividend is in keeping with the policies of this farmer and rancher owned cooperative organization.

The purpose of the Association is to furnish safe credit at the lowest possible cost, and the plan is designed to serve borrowers in good times as well as bad times.

The local secretary, Mr. Rayburn Smith is anxious to discuss the type of service available to those needing long term credit in the purchase or improvement of farm and ranch land.

FOOD STAMPS GOOD INDEFINITELY

From now on all food stamps will be good indefinitely, unless advance notice of expiration is given, the Office of Price Administration has announced. Housewives may budget their food purchases on the basis of three Red 10-point stamps every second Sunday and five Blue 10-point stamps the first of every month. To release cold storage space for other food, all frozen fruits and vegetables will not be rationed through April 29. Lard will remain unrationed, ready-to-eat hams will be one point lower, "dry-cured" hams are to be only one point above fresh hams, and other meat point values will remain almost unchanged. Food expected to be in good supply over most of the country during the next three months are potatoes, cabbage, spinach, lettuce and other leafy greens, carrots, beets, citrus fruits, canned green and wax beans, tomatoes and other fresh vegetables, frozen vegetables, shell eggs, fluid milk, bread, flour, noodles and spaghetti.

Attend Conference

Mesdames Rolle Brumley, Alvin Landers and Lloyd Benson attended the 21st annual conference of the 8th district of Texas Congress of Parents and Teachers at the Pampa high school auditorium Tuesday. The main speaker was Dr. Wiggins, President of the School of Mines at El Paso. He spoke on the Four Freedoms and what they mean to the American people.

Pete Easterling returned today to a hospital at El Paso and will be there for a while.

In a final check-up this week of all contributions from all districts complete, county Red Cross Chairman Lee Bell, found that \$47 was still needed to put us over our quota of \$4,800.

There are undoubtedly a number of people who have not contributed and some that already have, that would like to bring this total up to par, and it won't hurt a bit to run it over a little, so if you can get your money in this week to Mr. Lee Bell at the Pastime Theatre, it will be greatly appreciated as a report should be sent in this week end, and we certainly don't want it to be short.

Mr. Bell wishes to thank each and every helper and donor that has helped to put this drive over. It is such cooperation as this that keeps the American way of life as it is today and as it shall be in the future.

The money you have given to the Red Cross will be used wisely and always in a helping way. Everyone should feel proud to have given to such a worthy organization.

Don't forget—let's put our quota over the "top-plus" by the end of this week.

Local Gilt Show Scheduled For April 15th

The first of a series of annual all-gilt shows for club youths in Donley County will be held April 15th. This show is being provided for the club boys by the chamber of commerce, Clarendon Lions Club, and the Donley County Show Board. Approximately 25 gilts will be exhibited in the show.

The boy exhibiting the champion gilt of the show will receive a registered Jersey heifer as his premium. Each of the other four breed champions will receive \$5 each, the next five best gilts will receive \$2 each, and the remainder of the creditable gilts will receive \$1 each.

There will be approximately 11 chester whites, 4 duros, 3 Poland Chinas, 2 Spotted Polands, and 5 berkshires exhibited in the show.

Each youth exhibiting gilts in the show has agreed to breed his gilt to a registered boar of the same breed, and to feed out at least one pig out of the first litter for the 1945 spring shows.

The youths will bring their gilts in on the morning of the 15th and fit them, and then will exhibit them on the afternoon of the 15th. The exhibit will be held on either the block south of the Clarendon Hotel or the block south of Piggly Wiggly.

Sgt. Harry Evans Home From Italy

S/Sgt. Harry Evans is at home visiting his parents, Mr. and Mrs. S. G. Evans at Ashtola.

Harry is a veteran of the African, Sicilian and Italian campaigns and has 83 flight missions to his credit, and is an aerial gunner on one of the big bombers. He has been in those theaters of war for the past 18 months and reports that he is overly happy to be at home. He has very little to say that is good about any of that country over there, and prefers the good old American soil to any that he has seen.

Sgt. Evans entered the service in August 1940 and has spent 18 months of that time overseas, arriving home March 18th. He has until April 16 to be at home before he is re-assigned.

Mrs. Martin Thornberry left Wednesday for Wichita Falls to spend the Easter holidays with her mother, Mrs. Dalton.

Sgt. James Pearson of Washington, D. C. is here on a 14-day furlough visiting friends and relatives, among them being his sister, Mr. and Mrs. Arlie Wood.

LIBRARY NOTES

By Mrs. C. A. Burton

Despite war time restrictions on paper and on labor—the making of books goes on with no diminishing interest. Many of them continue to be war stories or the more serious war books, but already one can see the trend toward lighter stories—toward the getting away from the gruesomeness of war.

"A Tree Grows in Brooklyn" continues to lead the best-sellers after many weeks with "The Robe" and "The Apostle" taking second and third place. The place

which these two books have held is highly significant at this time—a reaching out after the more real things of life in the midst of the turmoil and strife of the world today.

Another noticeable trend has been the number of books dealing with the Revolutionary War time in our country. Some of these are being unusually good.

The British Division of the Office of War Information has recently established an American Library in London, with Mrs. Evelyn Eteel Little as assistant director. Mrs. Little is on leave of absence from the position as librarian and professor of comparative literature at Mills College in California. In addition to this American Library in London the

O.W.I. British Division is establishing United States libraries in Sydney and Melbourne, Australia; Wellington, New Zealand; Johannesburg, Union of South Africa, and Bombay, India. These outpost libraries are designed to serve writers, the press, radio, American missions, education, scientific, and cultural institutions and organizations, and will assist in securing material about the U. S. Truly the world is becoming a neighborhood.

The Franklin Library in Mexico City and American libraries in several South American countries have already extended a friendly hand as good neighbors to these neighbors to the south. The Consul General at Sao Paulo reports that the Sao Paulo State Council of Libraries and Museums wishes to get in touch with American library organizations.

The Clara Barton Society, incorporated to honor "The Angel of the Battlefield" has proclaimed May 21 as Clara Barton Day to be celebrated throughout the nation. That day marks the anniversary of the incorporation of the American Red Cross in 1881. Clara Barton has been nominated for election to the Hall of Fame in 1945. A prize will be given each year to the high school pupil writing the best essay about her.

The Texas Library Association will hold an annual meeting this year although the 1943 convention was called off. The dates are April 19 and 20. Lectures and group meetings are planned, but there will not be the usual array of social functions. The theme will center about the idea of the library and post-war planning.

Cpl. Loyd Hahn who is stationed at Stewart, Florida in the Signal Air Corps, is home on furlough visiting his parents, Mr. and Mrs. E. P. Hahn.

BUT...

OIL-PLATING YOUR ENGINE
is like outdoing the future—today

The first changes in new cars might be "miracles"—or moderate. Regardless, no new engines will be free from corrosive acids, always "planted" inside by every engine's explosions—just as in your present car. The more it stands unused, the greater the risk from trapped acid. This stepped-up risk arrived with rationing. Yet even before, when steadier heat in unrationed driving ousted acids partly, the prudent motorist still took advantage of all the extra acid-resistance made possible by having his engine OIL-PLATED.

This big advancement—a safely OIL-PLATED engine—can be "standard equipment" in your own car right today, at the mere price of a Spring oil change.

Out with unfit Winter oil! Then change to Conoco Nth motor oil to have your engine automatically OIL-PLATED. The highly advanced synthetic in Conoco Nth oil—patented—seems like "magnetism" in causing inner engine surfaces to attract and hold a layer of OIL-PLATING... a corrosion-resisting shield between acids trapped inside and every surface that's OIL-PLATED.

Wouldn't that make you OIL-PLATE your Victory car? It can help you bridge the gap until then, too. Simply change to Conoco Nth for Spring at Your Mileage Merchant's Conoco station. Continental Oil Company

State School Land For Sale, May 2nd

Bascom Giles, Commissioner of the General Land Office, has announced the sale for May 2, 1944, of 225,000 acres of State School Land located in more than 75 Counties throughout the State.

One of the purposes of the sale is to convert property, now in the hands of the State, which, in some instances, produces small revenue, into private ownership for development so that it will be rendered for taxes which will be beneficial to the School and the Counties as well as the State.

The terms for sale of Public Free School Lands are most attractive. An initial payment of one-fifth is required, and the remainder may be carried over a period of 40 years in an on-or-before note. The State retains a free royalty of one-eighth of the gross production of sulphur, and one-sixteenth of oil, gas and other minerals.

Anyone interested may receive a list of the lands offered, together with instructions for bidding, by writing Bascom Giles, Commissioner of the General Land Office, Austin, Texas.

RECEPTION GIVEN AT BAPTIST CHURCH

The W. M. U. of the Baptist Church entertained with a reception at the Church parlors Thursday evening, March 30 at 8:30 p. m., formally introducing Rev. and Mrs. Hal Upchurch, new pastor of the church.

Mrs. Van Kennedy, president of the W. M. U. planned the reception and had charge of the entertainment.

Mrs. Cap Lane presided at the Register Book. In the receiving line were chairman of the board of Deacons, Mr. Sam Lowe and wife; Rev. and Mrs. Hal Upchurch; S. S. Supt. Alfred Estlack and wife.

The Young Matrons S. S. Class furnished corsages for Mrs. Upchurch and Mrs. H. T. Burton, teacher of the class. The Class also assisted in the serving.

Those pouring tea were Mrs. Margaret Frey, Mrs. L. T. Shelton, and Miss Anna Moores Swift.

Miss Anna Moores had charge of the program.

The program: Vocal duet—Garden of Prayer by Billy Jean Knox and Lois McCrary.

Piano solo—Edith Joyce McCrary.

Musical reading—by Mary Esther Hagler, accompanied by her mother, Mrs. Walter Hagler. Mary Esther also gave an encore number.

Vocal duet—by Billy Jean Knox and Lois McCrary, "Our Native Land", composed by Mrs. Millard Word, with Mrs. Word at the piano.

Piano solo—"Paradise" by Mrs. Millard Word.

Vocal Duet—by Arvazine Smith and Ruby Jo Kidd, accompanied by Ochanita Heath.

Approximately 150 guests registered and were served during the evening.

Pastors of the other churches were invited guests on this occasion.

SCOTT-O'NEAL

Second Class Seaman Willard O'Neal of Clarendon and Miss Iva Lou Scott of Memphis were united in marriage at Clovis, N. M. in the First Baptist Church March 23rd. They had a single ring ceremony. Attendants were cousins of the groom, Nora Lee Pierson and Walt O'Neal. They visited a few days with his parents, Mr. and Mrs. H. B. O'Neal at Clovis, N. M.

The bride was beautifully attired in a brown suit with aqua accessories.

Miss Scott was a graduate of Memphis High School in 1941. She has been employed in Amarillo for the past two years.

The groom joined the Navy in 1941. He had been employed in Amarillo the previous four years. He has been over seas the last 19 months, and will report back for duty April 9th in Camp Parks, California.

Mr. and Mrs. O'Neal are now visiting here with friends, Mr. and Mrs. Hubert Heatherly after spending a few days with the brides parents, Mr. and Mrs. A. T. Scott of Memphis, Tex.

ASHTOLA NEEDLE CLUB

Mrs. G. G. Henson and Mrs. Bert DeBord were hostesses to the Needle Club at the Club Room on Thursday afternoon. After a short business meeting, recipes were exchanged.

During the social hour refreshments were served to members, Mesdames V. S. Knox, J. M. Graham, Julia Springer, Mary Myers, Hubert Rhoades, H. S. Mahaffey, D. W. Tomlinson Sr., Lu McClellan, Joe Bownds, Clyde Hudson, Mattie Hudson and J. R. Brandon.

DANCE PARTY

Anna Ree Porter entertained the College Senior play cast and those who helped with the play at her home Tuesday evening with a game and dance party. Delicious refreshments were served.

EASTERLING-CHRISTIE

In a single ring ceremony performed in the First Baptist Church Saturday, March 25 at Amarillo, Miss Frances Easterling, daughter of Mr. and Mrs. H. C. Easterling, 205 Maryland Street, Amarillo, became the bride of Olen Lee Christie, son of Mr. and Mrs. L. O. Christie of Clarendon.

Dr. A. D. Foreman, Jr., pastor of the church, read the ceremony. Mrs. E. R. Perdue was matron of honor. E. R. Perdue, cousin of the bridegroom, served as best man. The bride wore a navy dress with black accessories. Her corsage was of white carnations.

Mrs. Christie is a graduate of Clarendon High School and is now employed by the Mark Galloway Drug Company. The bridegroom is a graduate of Clarendon High School and will receive his B. S. degree from West Texas State College this week. He plans to leave for service with the Navy soon. The couple is at home at 205 Maryland Street.

WIN ONE S. S. CLASS

The Win One Class of the Methodist Church met in a regular social, business session on Monday, April 3rd at 3:30 at the home of Mrs. Tom Connally with Mrs. Connally and Mrs. R. C. Weatherly as hostesses.

The devotional was given by Mrs. R. Y. King. The topic was "Study to show thyself approved unto God, a workman that needeth not to be ashamed."

The president, Mrs. John Goldston, presided and Mrs. Curry Powell read the minutes of the last meeting.

Mrs. J. R. Porter read a letter of thanks from little Eugenia Williams of the Orphanage at Waco. The class had recently sent money to purchase her spring clothing. Money was voted with which to purchase Eugenia a birthday gift on May 13.

The treasurer, Mrs. C. D. Mc-

Dowell reported \$62.00 proceeds from the Junior-Senior banquet sponsored by the Win-One class on March 24.

The next meeting will be held with Mrs. Will Johnson in May.

WORTH WHILE COMMENTS

BY COUNTY AGENT Charles O. Reed

The accomplishments of 1943 Victory Garden program constitute one of the important civilian contributions to war effort. Vegetables and fruits produced by civilian home gardens for home use was practical conservation food measure and saved many ration points and provided more balanced diet.

1944 Victory Garden program has set goal of 22,000,000 gardens, since production and conservation of food is goal instead of number of gardens, every effort should be made to raise garden. Insect pests are "5th columnists" to every garden. Printed below are rough pictures of the most common garden pests and methods of control.

Cut out these pictures and paste on piece of heavy card board to aid you in identifying these common garden insects, as most gar-

Your sacrifice

Dear Customer:

You have given up a lot of things because of the war. You can't do much driving. You can't buy tires like you used to. And the same goes for meat and butter and cars and electric iceboxes.

That's tough on you. You're "sacrificing"

Me, too. My gas business is down to a trickle. My tire business has practically folded up.

And on top of that, I'm short of help. That's why it sometimes takes me longer to serve you than it used to.

But I am more anxious than ever to inspect your tires and your battery. If anything, my lube jobs are more conscientious than before. That's my part in helping you Care for your car for your country.

I am working longer hours than any man should, and making less money than I did. So that's my "sacrifice".

But, brother, you and I are not making any sacrifice that even deserves to be mentioned in the same mouthful with the sacrifices of our fighting soldiers, sailors, and marines.

boys left the girls remained for a slumber party. They were unable to go to school the next day on account of the snow storm. They stayed Monday night, Tuesday, and Tuesday night. They all seemed to have enjoyed themselves very much. We don't know about Mrs. McElrath.

Fancher stayed with Lester Carrol Monday night, Tuesday, and Tuesday night, also. They didn't stay at home very much because they went to Catherine's and aggravated the girls that were down there. The girls tried to sleep but the boys wouldn't let them.

Jack said he really enjoyed the party Monday night. Ask June, maybe she did, too.

Two Clarendon Jr. College girls were at the party. They seemed to have had a very nice time, too.

Say, Lois Marie, how did you like to drive McElrath's model A? Very well don't you? How about you kids that rode with her, was she a good driver? Don't answer that.

Two girls were arguing as to who was going to Clarendon to skate with John, Monday night. To settle it neither went, because John and both girls went to the party.

Martha Ann went to Channing to spend the week end with her parents. How do you like Channing Martha, as well as you do Lelia Lake?

Clyde and Harold (and two girls) like to go to church. Especially when they get to go somewhere else after church is over. Don't you kids?

Say, Bobby (Who's the gal from Claude) that you skated with so much Saturday night? You couldn't have a date with her next Friday and Saturday, could you?

Why was Earnestine, Nova Lee, and Alice so quiet in Home Ec. Friday afternoon? It wasn't because the teacher made you all sit in three corners, without talking (for an hour), was it girls?

Say, Sylvia, there is a girl or two beating your time lately, isn't there?

Earnestine, Lois Marie, and Nova Lee seem to be learning something new every day. Girl's you never get too old to learn?

Lois Marie has been in the dumps ever since March 28. It couldn't be because a certain blonde from Clarendon, left for the Navy, could it, Lois Marie?

The Juniors were very happy Monday morning when they got

to school. Coach Naylor told them their Senior rings were in the Post Office. We don't blame them do you?

Everyone is expecting to have a very nice time at the tournament next Friday and Saturday at Lelia Lake. There are going to be eight teams there. It will start at 1 o'clock Friday (at noon).

"What I wouldn't give for some new track and a couple more trains!"

"You see, I've been adding to my railroad ever since I got it three years ago. Some of the first track I got is kind of bent and crooked in spots. A couple of my oldest trains aren't so good any more, either. Can't do anything about it now, though. They're not making any toy trains and track until the war is over."

The "grown up" railroads have their problems, too, Jimmy. It's no cinch to keep trains and track in tip-top shape during these days when there's so much traffic to handle. They need new track and new trains, too. But as long as other war requirements have had prior claims on needed materials, they've done an outstanding job with the limited rations allotted them.

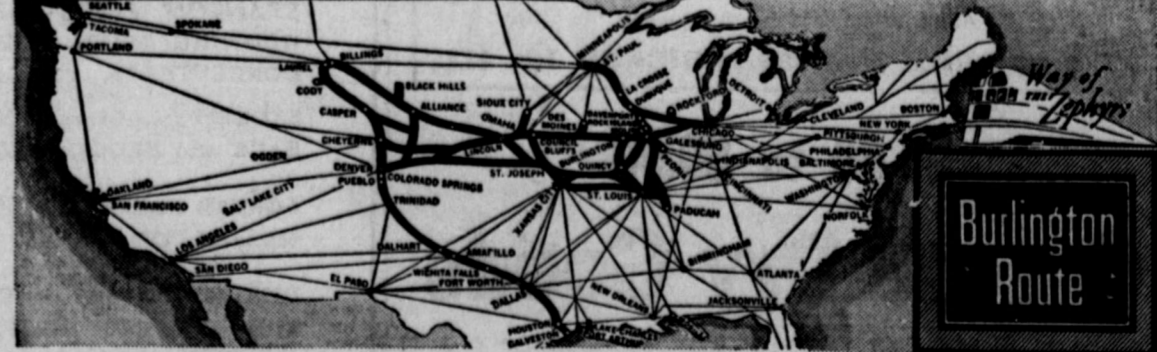

"Guess I'm pretty lucky, at that. Gosh, just think of the fix I'd be in now, if I hadn't added new stuff when I could get it."

Here, too, Jimmy. Between World War I and

II, the railroads spent ten and a half billions of dollars for equipment and improvements. That's why, today, they are able to handle the biggest job in transportation history.

"Dad and I have been working out new routes and connections for my railroad lately. We play like we have to get guns or tanks or soldiers somewhere in an awful hurry. Then we figure out the quickest way to get 'em there. Boy, do we make time!"

That's the game all the railroads are playing in dead earnest these days, Jimmy. They're handling both military and vital civilian transportation the best and quickest way they know how. They're one big team, all pulling together to keep America's transportation front the strongest in all the world. The FORT WORTH AND DENVER RAILWAY is proud to be on that team. Situated as it is—the direct rail line between Texas and Colorado—it is an essential link in transcontinental transportation.

LIBRARY NEWCOMERS

The March Book-of-the-Month Club selections have just arrived in the Clarendon Junior College Library.

"Now I Lay Me Down to Sleep," by Ludwig Bemelmans is a dual selection with "Crazy Weather," by Charles L. McNichols.

"Now I Lay Me Down to Sleep" is an extraordinary book which will amuse everyone. It is about what used to be called the gay world in Europe which has taken refuge in New York.

"Crazy Weather" is a unique and exciting novel which brings a fresh new quality to current fiction. It is a sort of Huck Finn-Tom Sawyer story of a Mojave Indian boy and his fourteen-year-old white friend in the Southwest.

WANT TO HAVE FUN?

If the answer to the above question is yes, and if you long for an evening of fun and solid laughter, get your tickets as soon as they are put on sale for the forthcoming performance of Peggy Fernway's new comedy entitled "The Girls Take Over" which is to be presented here on the evening of April 14 at the College Auditorium under the sponsorship of the Senior Class. "The Girls Take Over" is a comedy that is entirely different from anything this accomplished writer has ever attempted. This comedy is entirely abreast with the times. The scene is laid in a boarding-house in Washington and the comedy springs from the attempts of the various girls to get a boy friend to escort her places. With a supreme sense of character drawing, this gifted playwright has taken various types of girls and placed

them in situations that are hilariously funny. No, it isn't a war play. It's just fine, clean and wholesome fun that will furnish you and all of your friends with an evening of solid laughter. So don't forget the date April 14 and rest assured that you'll thoroughly enjoy every minute of "The Girls Take Over," for here is one comedy that is top-notch, topical and timely.

BANQUET FASHIONS

Because of shortage of space, it was impossible to describe all of the evening dresses of the girls at the Junior-Senior Banquet.

Arline Dozier wore a becoming rose taffeta with a corsage of white carnations.

Elizabeth Mauldin looked very charming in a white chiffon dress set off with a gardenia—and I don't think the flower came from Clarendon, either.

Lucille Wallace looked nice in a blue-violet faille dress.

Dorothy Jo Churchman looked cute in a pink taffeta waist and pink net skirt.

Pauline King came dressed in a pretty pink taffeta formal.

Jane Wright looked quite attractive in blue taffeta.

Sammy Tankersley appeared in a beautiful sky blue taffeta. The neckline was decorated with tiny pink bows.

Lona Belle Pierce wore blue lace. She wore a lovely corsage.

Doyce Barker wore a blue and white dotted swiss trimmed in baby blue ribbon.

CHAPEL
We were favored Friday by a program given by Miss Howren's Junior Arts Club.
After the students sang "The Star Spangled Banner," Mr. Drennan made the announcements, and the remainder of the program was then turned over to La Rue Shadle, president of the club.
The first number on the program was a piano solo, Chopin's "Valse in A Minor" which was played by Frankie Hommel. Dorothy Kennedy then played a lovely piano solo, "The Butterfly." Charline Knox then gave two clever monologues. Sue Burton played a brilliant piano solo.
The members of the cast of "Dude Ranch" gave interesting readings from their parts of the play.

Lincoln Ellsworth was the first man to fly across the Antarctic continent.

Thousands "got back in the harness"

FARM BOYS are apt to be husky fellows—good pilots and sailors and soldiers. Service stars hang in the windows of most farm homes. That complicates the problem of producing more food, particularly on dairy farms. Milk isn't reaped in a single harvest. Cows need individual care every morning, every night, every day of the week. So what has happened in the dairy regions all over the land?
Men and women, little boys and girls, are working harder. Thousands of old-timers, who thought their working days were over, have "got back in the harness".
In spite of difficulties, the Government's dairy goals must be met. More milk! And nutritious products of milk, such as cheese. Nearly 450 million pounds of cheese for our fighting men and fighting allies! Over 500 million more pounds for you and other civilians to eat! More than twice as much cheese as the nation could produce at the last war's end is needed now.
America's dairy farmers shoulder a tremendous load. Fortunately for the U. S. A. and for the world, they have the spirit to carry it.

KRAFT CHEESE COMPANY

Because of the tremendous demand, both military and civilian, you may not be able to get as much Kraft Cheese as you would like, or get your favorite varieties—Kraft American, Old English, Philadelphia, Brand Cream Cheese, Velveta, and so on. But you may be sure, as always, that any cheese or cheese food which bears the Kraft name represents the very highest standard of quality.

RED CROSS VOLUNTEER SERVICE

Anyone having any used clothing, bedding, dishes, or anything that is usable, please give it to the Red Cross for their Emergency Chest, as we are badly in need of such things. Only last week a family consisting of the Father, Mother, and eight children, living near Hedley lost everything when their home burned. Eight quilts, eight pair of pillow cases, three sheets, three gowns, and some more used clothing have been donated. We appreciate these very much but still need more, so please lets everyone look through your attics, basements and closets and find something to give for this cause. Remember the Production Room in the City Hall is open every Monday and Friday afternoon from three until five o'clock.

HOME SERVICE

Mrs. C. A. Burton
The United States Civil Service Commission and the War Manpower Commission are working together to see that complete information concerning employment opportunities in the Federal Service is brought to the attention of disabled veterans so that employment can be obtained immediately after discharged from the hospital. Such men are being discharged every day and are helping to meet the manpower shortage.

In a statement made in a recent pamphlet sent out it is reported by more than 100 employers of large corporations engaged in manufacturing war materials that absenteeism, labor turn-over and accident rates were lower among the physically handicapped than

among the able-bodied, and that the output was equal to or greater. The blind, the deaf, those with amputated limbs, with deformities of the spine, even persons with organic heart trouble and arrested tuberculosis are making successful workers. Reports show that more than 17,000 physically handicapped persons were judiciously placed in Federal establishments during the twelve months ending Sept. 30, 1943. The War and Navy Departments have instructed their field establishments to hire handicapped workers wherever possible.

The last Prisoner of War Bulletin was, as always, full of interest. The senior American Officer at the central compound Stalag Luft III wrote: "I join with the prisoners of war here in extending thanks to all of the American Red Cross. Your untiring efforts and many contributions have made the life of a prisoner of war bearable and worth living. None of us could, nor will we, forget." From another German Prisoner of War Camp comes this: "As I told you, I am going to school and doing a lot of reading. I am on the committee for a minstrel show we are arranging. We are making the costumes and it is quite a job. Last night some of the R.A.F. boys put on "A Midsummer Night's Dream" and it was really good. I am becoming quite adept at the culinary arts. Some of my best deserts are jelly roll and fruit tarts. We make flour from crackers."

Another boy writes: "I am learning to darn socks and sew like a veteran."

From Taiwan, Japan, a Colonel wrote his wife last May. He had been transferred from the Philippines to Taiwan. This letter was received in December. "I recently received two individual International Red Cross parcels, 15

items of food each, also additional amounts of corn beef, meat and vegetables, cocoa and sugar. I am extremely grateful." These were partly from the first Gripsholm shipment and partly from British Red Cross supplies shored with American prisoners.

From a lieutenant in the U. S. Navy Medical Corps at Shanghai War Prisoners Camp: "Fortunately I am able to carry on my profession. I now have a good operating room and equipment. We have recently installed an X-ray, fluoroscope and diathermy outfits. Time passes quickly and when I have time from work there is a good library available. I have had the opportunity of catching up on many classical and philosophical works I had planned to read ever since my college days. Have also been successful in getting a few medical books."

RECLASSIFICATIONS ORDERED

In an effort to assure a continuing supply of young men for the armed services without inducting those who are indispensable in war activities, the national selective service system has ordered preinduction physical examinations for all class II-A and II-B occupationally deferred registrants under 26 who have not been physically examined. Local boards have been ordered to review cases of registrants under 26 in classes III-A, II-A, II-B, II-C, and III-C before reconsidering registrants 26 through 37 years of age. Registrants under 26 in III-A, II-A, II-B and III-C are to be reviewed, and if such action is warranted are to be reclassified regardless of existing deferment termination dates. Registrants under 26 found unfit for military service or fit for limited military service only, may be reclassified into II-A or II-B provided they are contributing to war production or war supporting activities.
