LIONS COMMITTEE IN ACTION ON COMMUNITY CENTER PLANS

The civic improvement committee of the Lions Club met the first of the week and started work on the plans for the Community Center project which the club voted to sponsor at last week's meeting.

The temporary plans of the committee are to incorporate in the project units as follows: an outdoor swimming pool, surface tennis courts, a building and arena for having stock show and county fair and a building to house public library, museum, club room, kitchen, recreational room and public rest rooms. The ground on which it is to be located is the block just south of the Piggly Wiggly grocery.

Any club, organization or individual interested in the planning of this project may submit their ideas as to what they think should be incorporated in the project by writing a letter to the committee, of which Mr. R. E. Drennan is chairman. All ideas will be given due consideration before the final plans are drawn. The committee would like to know what style of architecture you would like to have carried out for the main building.

Several programs have been outlined by which to raise money for the project and will be announced within the near future.

This is a project that should concern everyone in the community and which will, when finished, be of benefit to each individual in some way.

CAPT. KENNETH BROWN NOW IN TENNESSEE

Capt. Kenneth E. Brown, of Clarendon, who recently returned from a tour of combat duty in the Southwest Pacific theater, has been transferred to Stearns Army Air Field, Tenn., where he will be given an AAF Training Command course to qualify him as an instructor for B-24 Liberator bomber pilots. Capt. Brown, who attended Texas University, is the son of Mr. and Mrs. Frank Brown of near Clarendon.

Capt. Brown served for 1 1/2 years in the RAF. He then went to the Southwest Pacific. He wears the DFC and the Air Medal with 4 oak leaf clusters.

THREE MEN PASS PRE-INDUCTION PHYSICAL

The following men passed their pre-induction physical examination at Oklahoma City September 4th and are subject to call for regular induction after the 21 day limit. They are J. C. Perdue Jr., William Kenneth Jacobs and Billy Douglas Perdue.

They Call Him Tiny Huffman At Bryan Field

The following item is a reprint from the paper at Bryan Field, Texas which included a trick photographic picture that we were unable to reproduce without the original picture. Most everyone around here knows the height, width and overall size of Colie Huffman. The picture with the article had his head set on a tall and fairly slim body making him look like something that an opposing football team would not like to meet up with on the gridiron.

"Pvt. Coleman 'Tiny' Huffman lost some weight since last year when he was regular center on the Ducks. In fact Tiny now weighs less than 250 pounds. The army cut short Huffman's career at Texas Tech after his freshman year and Tiny now keeps up his poundage as a cook at the Consolidated Mess, and then turns out for football to keep his weight down."

Colie will be remembered here as letting very few men go by him at his center position and as back-up man.

BINGHAMS HAVE FAMILY REUNION SUNDAY

For the first time in over two years, Mr. and Mrs. R. C. Bingham had their three children home all at one time, last Sunday.

Lt. (jg) R. W. Bingham and wife of Vernon, Mrs. Chas. W. Vaughn of New York City and Hazel Bingham were the children present, and other guests were W. D. Dowd of Pampa, Norma Jean Spencer of Amarillo, Mr. and Mrs. Rufus Gamble and Phyllis Jean, and Mr. and Mrs. Harve Smith of Clarendon.

R. W. Bingham has just returned from active duty in the South Pacific where he has been for more than a year. He has been accredited with being in four major campaigns in that area and reports that the Islands are nothing to brag about as far as living conditions are concerned. He stated that it felt mighty good to be back on good American soil again.

Slow Rain Very Beneficial

A slow rain which began falling Monday of this week and continuing through Tuesday morning was regarded as very beneficial to late feed and cotton crops which with ample sunshine should make a greater yield before the first killing frost which usually comes between October 20th and November 1st.

A large number of farmers report an estimated bale to the acre on their cotton crop and probably a larger yield yet with the recent moisture.

The official weather station at the airport registered a total of .49 inch and a full inch was estimated over a large part of the county. It all came so slow and easy that not one drop was wasted, for it all soaked in as it fell.

The lowest temperature recorded this week was 51 this morning. Cooler weather is expected to remain with us and fairing weather is predicted with scattered thundershowers.

Jimmie Goodman Cables Parents Of His Safety

Mr. and Mrs. D. T. Goodman of this city, received a cable from their son S/Sgt. Jimmie Goodman Tuesday, stating that he was well and safe and that he hoped to see them in a few days.

Jimmie is apparently back with his bomber group in Italy after spending several months as a prisoner of the Romanian government.

Jimmy was shot down over that country on the 6th of May and was released a few days ago when the Romanian government turned against the Germans.

LARGEST NUMBER IN SEVERAL MONTHS REPORT FOR INDUCTION

The largest number of Donley County men to report for induction in several months reported for active duty at Oklahoma City September 1st.

Those going into the Navy were Frank Edward Cannon, John Francis Blocker Jr., Cecil Pete French and Orbie David Mayo.

Those reporting for duty with the Army were Wesley Hugh Watson, Joe Wood, Alton Allen Ward, Louis Clifton Selby, Hershel Eugene Brinson, K. J. Johnson Jr., Hubert Edgar Johnson, Doyle Melvin Davis, Leonard Lewis Vaughn, Aubrey Ray Brock, Carroll Eugene Kaika and Joel Allen Piunk.

J. L. Talley was up from the Windy Valley community Tuesday, reporting plenty of rain, good crops, and a prediction of acute labor shortage to gather this season's prospective bumper crops.

Services Held For Pioneer Lady

Funeral services were held for Mrs. E. H. Watt at the Methodist Church at Hedley last Friday afternoon with Rev. L. Guy Ament of Clarendon officiating, assisted by Rev. A. B. Cockrell.

Mrs. Watt, age 78, passed away last Thursday morning after a quite lengthy illness. She was listed among Donley County's early pioneers, having resided at Giles and in Donley county for over 49 years. She held the love and admiration of a host of friends and acquaintances over this section of the Panhandle, all of whom were saddened with her passing.

Survivors include her husband, E. H. Watt of Giles, one son, Fred Watt of Hedley; one daughter, Mrs. Ruby Glass of Giles; three sisters, Mrs. E. W. Bromley, Mrs. W. I. Raines and Mrs. W. D. Shelton. Also three grandchildren.

Pallbearers were Leon Reeves, Hobert Moffitt, Alva Simmons, Rosco Land, Ross Adamson and John Nash.

Honorary pallbearers were Will Noel, A. E. Ranson, Rev. H. T. Harris, Claud Nash, H. M. Horstler, M. L. Sims, Herman Kirkpatrick, R. O. Kelley, C. R. Hunsucker, C. E. Johnson, Ed Kinslow and Frank Kendall.

Burial was in Rowe Cemetery, Hedley, Texas with funeral arrangements under the direction of Womack Funeral Home.

CALVIN S. HOLLAND RECEIVES PROMOTION

Word has been received that Calvin S. Holland has been promoted from Corporal to Sergeant. Sgt. Holland is a son of Mr. and Mrs. W. C. Holland of Lelia Lake. He is now serving in the air force somewhere in the Southwest Pacific theater of war.

Cpl. Orville Scott Killed In Action

Word has been received by Mr. and Mrs. Oscar A. Scott from the War Department that their son, Cpl. Orville Franklin Scott, was killed in action on July 11. He was killed while driving supplies to the front lines.

Cpl. Scott received his training in Alabama and is the husband of the former Helen Whitty who is now living at Howland, Texas.

MRS. HARMON TO HAVE MUSIC CLASSES

Mrs. Page Harmon has announced this week that she will open a fall music class, giving private lessons in her home, three blocks South of the Junior College.

Mrs. Harmon is an experienced teacher and smaller children are given much attention.

Those interested are asked to call at her home any week day except on Tuesdays.

Donley N.F.L.A. to Meet Sept. 13th

With official notices already sent out to its near 300 members, the Donley County National Farm Loan Association is completing arrangements for its annual stockholders meeting in Clarendon Wednesday, September 13th, at the Association office. Mr. Rayburn L. Smith, Secretary-Treasurer said that the meeting will start at 2:30 p. m. President C. H. Buebe is in charge.

The program will include a report of the Association's operations and plans for the coming year.

Directors will be elected for terms expiring 1945, 1946 and 1947. Directors of the Association are: C. H. Bugbee, J. B. Masterson, R. W. Moore, A. T. Simmons, C. B. Morris.

A good attendance is expected to enjoy a pleasant social occasion, in addition to the regular business of the meeting.

568 Students Enroll Sept. 1

Supt. H. T. Burton announced today that 568 students had enrolled in the public schools the first of this week. 151 registered at Senior High School, 157 at the Jr. High and 260 at the South Ward. The total figure will probably increase before the end of the month as is the usual custom. The total figure for last year at the end of September was 612 students—156 in Senior High, 196 in Jr. High and 260 in the South Ward. The largest drop shown is in the Jr. High enrollment which was 29 under last year. The South Ward shows the same figure for both years, although the number last year was recorded at the end of the month instead of the first day of school.

Supt. Burton stated that all classes were now running as to regular schedule and that a very successful school year is in prospect.

ELDON C. HOLLAND DECORATED WITH AIR MEDAL

The following letter was received by Mr. and Mrs. W. C. Holland of Lelia Lake concerning the recent honor bestowed upon their son, Staff Sgt. Eldon C. Holland. Dear Mr. and Mrs. Holland:

Recently your son, Staff Sergeant Eldon C. Holland, was decorated with the Air Medal. It was an award made in recognition of courageous service to his combat organization, his fellow American airmen, his country, his home and to you.

He was cited for meritorious achievement while participating in aerial flights in the Southwest Pacific Area from April 3 to May 29, 1944.

Your son took part in sustained operational flight missions during which hostile contact was probable and expected. These flights included bombing missions against enemy installations, shipping and supply bases, and aided considerably in the recent successes in this theatre.

Almost every hour of every day your son, and the sons of other American mothers, are doing just such things as that here in the Southwest Pacific.

Theirs is a very real and very tangible contribution to victory and to peace.

I would like to tell you how genuinely proud I am to have men such as your son in my command, and how gratified I am to know that young Americans with such courage and resourcefulness are fighting our country's battle against the aggressor nations.

You, Mr. and Mrs. Holland, have every reason to share that pride and gratification.

Sincerely,
George C. Kenney,
Lieutenant General
Commander.

SAVE YOUR WASTE PAPER

Lions To Sponsor Waste Paper Drive

Members of the Clarendon Lions Club voted at their regular Tuesday meeting this week to sponsor a waste paper drive here in connection with the big national drive which is now in force all over the country.

Three collection depots have been selected which are the West Texas Utilities office, Pastime Theatre and the Donley County Leader office. Pick-up dates have been set for Tuesday of each week. If you have some paper you may call any of the three places above named any day of the week and your bundle will be picked up on the regular pick-up day. The committee in charge requests that you bundle and tie your papers together so that they can be handled more easily.

The money derived from the sale of the waste paper collected will be put into the pot which will go toward building our community center.

Ernest Taylor, agent for the Sproles Motor Freight lines, has volunteered to carry the waste paper to Amarillo free of charge which will allow a greater profit from the paper.

Besides the money question, there is a great paper shortage facing our country at this time and every ounce you can save and get together will help in the War effort as this paper is used for making shell cases and many other necessary items embracing our armed forces.

Let's everyone do our part and have a bundle ready for next Tuesday's pick-up. Just call and leave your name and where to pick up the paper, and don't forget, you will be helping again, when you do your bundle up. If you are driving down town, put your bundle in your car and leave it at any of the three places mentioned above and that will save a special trip out to your place by the pick-up crew.

Mrs. Mary Zeman To Give Food Demonstration

Charles Reed, Donley County Agent, through the cooperation of the Clarendon Home Demonstration Club, has obtained the services of Mrs. Mary C. Zeman, Emergency War Food Assistant, for food demonstrations.

Mrs. Zeman will demonstrate the proper method of killing, preparing, and canning poultry for home use.

A simple practical method of dry storage of dry beans, peas, carrots, beets, etc., will also be demonstrated.

The demonstration will be held at Clarendon Canning Center located in north east corner of basement at Junior High School on Friday, September 8th, at 2:30.

The Clarendon Home Demonstration Club and Mrs. Myrtle Lindsey, supervisor of Canning Center extends invitation to public to attend the free demonstration.

Malinda A. Cassell Buried Sunday

Funeral services were held at the First Baptist Church Sunday afternoon for Mrs. Malinda A. Cassell with Rev. Hal Upchurch officiating. Mrs. Cassell died last Friday at an Amarillo hospital following a long illness. She had lived in Donley county for 5 years before moving to Amarillo.

She is survived by one son, Capt. Thomas G. Cassell of the U. S. Army. Five brothers and two sisters; two nephews, Jim Robertson of Amarillo and Andrew Robertson of this city.

Pallbearers were Lee Leek, F. B. Thomas, A. L. Landers, Bob McGowan, Bill Adams and W. S. Carlisle.

Burial was in Citizens cemetery with Womack Funeral Home in charge of arrangements.

BRONCS SLATED TO SCRIMMAGE WITH WHITE DEER TONIGHT

LOCAL CHAPTER F.F.A. BOYS MEET WEDNESDAY NIGHT

Members of the local chapter of F.F.A. boys met Wednesday night in their first meeting of the club year 1944-45. The following officers were elected:

President, Junior Bulman; Vice-president, Charlie Sullivan; Secretary, Joe Lovell; Treasurer, Dania Howerton; reporter, Gene Adams; Watch dog, Charles Davis; Parliamentarian, J. B. Knight; Historian, Eugene Swinney; Song leader, C. A. Ellis.

Both Bulman and Sullivan have done outstanding project work through the F.F.A. and stand a good chance of receiving the Lone Star Farmer's Degree this year. These factors played a big part in selecting them as leaders.

Following the business meeting club members enjoyed a watermelon feast before attending the show, "Tender Comrade."

Local Ball Nine Loses to Memphis

By Doc Watson

In what was to have been a surprise benefit game with Memphis in an endeavor to "start the ball rolling" towards a beautiful new County Community Center, very recently sponsored by the local Lions Club, turned out disastrous in all directions. Not a Lion member put in an appearance at the game to take up the benefit collection and the local ball team fell 2 runs short in a belated ninth inning rally and ended up on the short end of a 10-3 count, thus bringing to Memphis for the third straight time.

The Memphis players were somewhat disappointed as well, for though their team had disbanded for the year, they were glad to reassemble to play this "to have been" benefit game.

Clarendon never gave this game up as lost and but for premature snuffings of rallies in the 6th and 7th innings, would undoubtedly have won; plus the fact that 1st string pitcher Bill Meador had to be relieved in the 7th inning due to being struck on the elbow of his pitching arm while at bat in the last of the 6th.

Clarendon played one of its best games of the season, nevertheless, and deserved to re-enter the victory column once again.

Next Sunday it is hoped that Childress AAF will put in a return appearance, and will be able to should the flying weather hold up. Last Sunday's game scheduled with them was called off at the last minute and Memphis gladly substituted.

McLean Army Camp has had to decline our invitation (but substituting a basketball game instead) Remaining games include a game at Amarillo and the final game of the season to be played with the local colored team. Should Childress appear this Sunday it is hoped a good turnout will be on hand. George McCleskey and Jack Killough are being contacted to coach the local team during its remaining home games.

LOCAL SOLDIER IS FIGHTING IN ITALY WITH VETERAN INFANTRY REGIMENT

Pvt. Billy W. May of Clarendon is fighting along the Arno River in Italy with the 133rd Infantry Regiment that has been a night-mare to battered German troops throughout the Fifth Army's Italian campaign. Bill is a rifleman and has been overseas nearly three years where the 133rd Infantry Regiment of the 34th "Red Bull" Division has piled up more hours in actual combat than many American divisions have time overseas.

Bill is a son of Mr. and Mrs. Clarence May of this city.

Rev. H. C. Gordon, a former pastor of the Methodist church here, is very ill at Burleson after a serious stroke over a week ago.

In order to give an inexperienced Broncho squad something to get them over their stage fright, and give them a little experience, coach Slick Naylor has arranged a scrimmage session with the White Deere team Thursday (tonight). If you want to help these boys out from the very beginning, go out to the College park tonight at 8:30 and look over the prospects. A number of spectators will help them with the stage fright problem as there are only seven out of the 28 reporting who have had experience.

In the training so far, the boys are hustling for positions on the main squad and are showing much enthusiasm. There are three positions that show to be weak at this time. Coach Naylor states that he needs two ends, two centers and two half backs. Outside of these positions, he reports a good supply of material.

With the exception of a few pads and jerseys, the boys have been issued new practice and playing suits which will be very beneficial in holding down unnecessary injuries among the players.

This scrimmage game tonight will give the boys some much needed experience in preparation for their game with Lakeview here two weeks from now on September 22nd.

Give these boys your moral support from the very beginning, for they at least expect to make the other teams in the district hustle before they relinquish the title to them this year.

ASSEMBLY OF GOD CHURCH HAS NEW PASTOR

Bro. H. W. Harris of Lawrence, Mo., has been called to pastor of the Assembly of God Church here.

Bro. Harris has had years of experience in this work and expects to see the church grow and be an asset to the community.

The Sunday school and children's department have increased in numbers, and interest is running high in the "Booster's Band."

There is a revival in progress at the church this week. Interest and attendance are good. Preaching is held each evening at 8:30.

HOMER CORBIN BACK FROM OVERSEAS

Staff Sgt. Homer H. Corbin, returning from 24 months overseas with the Army Air Forces in the European theater of operations, has arrived at Fort Bliss, Texas, prior to visiting his mother, Mrs. W. H. Corbin at Clarendon.

Mitchell Given Life Sentence In Assault Case

A verdict of guilty was returned and a sentence of life imprisonment was assessed last Thursday against Daniel Webster Mitchell, 24-year-old Matador man, charged with criminal assault on Mrs. Harriett E. Johnston, 78-year old Lelia Lake woman, five miles east of here.

The jury composed of 11 farmers and one groceryman, deliberated only 40 minutes in reaching a verdict.

Seven defense witnesses testified, three of them were character witnesses and four of them testified they believed Mitchell insane.

The state presented seven witnesses, including Sheriff Guy Wright and Deputy Bud Godfrey of Memphis, who told of Mitchell's arrest in Memphis. Mrs. Johnston was the leading state witness.

Judge A. S. Moss of Memphis presided over the case and Dist. Attorney Sam Hamilton was prosecutor.

Mitchell appeared before Judge A. S. Moss this morning and his motion for a new trial was denied and he accepted sentence without an appeal. Judge Moss announced his sentence which read five years to life imprisonment with sentence beginning as of today.

"Books have a service to perform which cannot be taken from them by the newspapers or the radio or even the motion pic-

War-time books are still coming from the press in large numbers—most of them very timely, yet

many of them of only present day interest, so rapidly is the scene changing. And because of this many books of enduring interest are being reproduced.

Ernest Hemingway of "For Whom the Bell Tolls" fame will probably be ready with even a more sensational story when he comes out of the present war. As a war correspondent with the U. S. First Army, he will have graphic stories of the invasion. He had been injured in a black-out accident in London, but he left his hospital bed, over the protests of his doctors to get the story first-hand. Himself pulling out the remainder of the fifty-two stitches left by the doctors, he headed for the invasion beachhead in an attack transport. That night he was back in London with his story.

Martin Flavin, author of the 1944 Pulitzer Prize book "Journey in the Dark," has finished one-third of his new novel, "Passage East." He is working at his ranch in Carmel Valley where he has announced "no telegrams, no telephone"—that he may work in peace and haste.

The Stockholm press has announced that six Nobel prizes will be awarded for 1944—two for physics, two for chemistry, one for medicine and one for literature. None were awarded last year for physics or chemistry.

Dr. Wassell, whose story is told in the picture, "The Story of Dr. Wassell" is speaking in Amarillo this week. He is accompanied by his wife, who is writing a book called "Can You Take It?"

Mark Twain Exhibition held in the Detroit Public Library in May exhibited the original manuscript of "Tom Sawyer" which is valued at \$50,000. It was loaned by Georgetown University and the Buffalo Public Library loaned the original of "Huckleberry Finn."

War Plants Need More Men For Essential Work

"Need for manpower in the Nation's war plants makes it necessary that this community divide its manpower resources among its own essential civilian activities with our war plants that are turning out the ammunition, guns, ships, air craft, trucks, synthetic rubber, and high octane aviation gasoline that are so urgently needed by our fighting forces," stated F. A. Wells, Area Director for the War Manpower Commission in this area, today.

In a fast moving recruitment program designed to secure male workers for our own Panhandle war plants in and near Borger, hiring representatives of the L. O. Stoker Construction Company, who are engaged in the construction of high octane aviation gasoline refinery, the B. F. Goodrich Rubber Company, the Phillips High Octane Aviation Gasoline Refinery, and Phillips Butadiene Plant will be at the District Court room in Clarendon this Saturday, September 9th at 9 a. m. to 12 m. A representative of the United States Employment Service will also be with these hiring representatives to insure employers in this community that no worker engaged in an essential activity is hired away from them.

"It is not our intent," Wells stated, "to recruit men who are already employed in essential war activities, or workers who are sorely needed in essential civilian activities, but we do feel that there are several men in this vicinity who are not contributing as much to the war production program as they could be. We are also aware of the fact that lack of knowledge on the part of male workers of the seriousness of this need is the primary reason they are not yet in essential war activities."

A Switch in Time saved Mine...

My wife wasn't all joking.

She said that a real new car improvement would be to go easing sideways, right into a cramped parking space at the curb. I said yes—maybe in 1960. There's one swell improvement though, that's here already!—an OIL-PLATED engine! You get that immediately by switching to Conoco Nth motor oil. I don't say it's the only oil; they're not hiring me. But I had this engine OIL-PLATED around 1941. It's still running like a darby, using Conoco Nth oil all the while, to cut down damage from engine acids. If I know what I've read all through this War, the acids made by every engine are liable to cause corrosion inside. That's bad. But acids don't like OIL-PLATING—can't gnaw right through it. It's fastened real close or sort of plated onto working parts that you've got to protect till your new car comes. And even then you'll want the engine OIL-PLATED with Conoco Nth oil, the same as in the car you've got right now.

PROGNOSTICATION.

Plenty of turnip weather. And when sowing, don't overlook the fact that rape makes greens that survive the coldest weather longer than anything here. Not too late to plant collards, either. SUGGESTION.

The proper method of entertaining a person is to start the visitor talking and then pretend to be listening.

FOOLISHNESS.

I see by the paper that a Canadian cat has adopted two skunks. It reminds me of some talk of civilizing the Japs after the war.

A Fine Memorial Service!

... whether you pay \$100 or \$1,000!

Yes, everything complete regardless of what price memorial service the family selects. As servants of those in distress we know that this is the better, more kindly way. One call, day or night, places everything in capable hands.

William D. Scott Helps Bring Up War Supplies

A NINTH AIR FORCE SERVICE COMMAND UNIT, EUROPEAN THEATER OF OPERATIONS—When a recently captured German soldier in France said, "If we had that much stuff we wouldn't be prisoners", he told the story of allied supply that has rocked the Boche out of a hunk of Europe. It was further stated that recent captives have been amazed at the huge store of supplies the Americans have piled up in Normandy and Brittany, one report saying there was a vehicle for every five men on the continent.

The story of supply is one that is only beginning to be felt keenly by the retreating enemy in Europe. Writing a part of the chapter in the story are units of

the Quartermaster service like the one to which Private William D. Scott belongs. His unit of the Ninth Air Force Service Command is attached for service to a tactical group of the Ninth Air Force which sends two-engined bombers against special targets within occupied territory. Food, clothing, shelter, fuel, and automotive transportation come under his unit's array of service.

His service company is commanded by Lieutenant Robert L.

Ward, Jaeger, West Virginia and is a part of the group system of service and maintenance under the Ninth Air Force Service Command. Private Scott, son of Mr. and Mrs. O. A. Scott, Clarendon, is the husband of the former Effie Collier of this city. He entered service from Lubbock in October, 1942 and was formerly employed by the Douglas Aircraft Corporation in Long Beach, Calif.

School Time Is Here Again

Best wishes to the boys and girls of this community as another school year opens. An education is worth more to the individual than rubies or gold. So make the most of your opportunities.

We also extend a cordial welcome to members of the teaching staff, many of whom, no doubt, have passed up jobs and fat salaries in other fields to stick to their profession. More power to you—and may you enjoy a most successful school year.

LES BEAUX ART CLUB

Les Beaux Art Club opened its year of activities with a breakfast, Sept. 1 at 9:30 a. m. in the home of Mrs. C. T. McMurtry with Mrs. Homer Glascoe, Mrs. J. W. Evans, Mrs. John Blocker and Mrs. A. B. Turner assisting hostesses.

The tables were decorated with flowers of the club colors—gold and white. After a breakfast of orange juice, bacon, eggs, jelly, biscuits, sweet rolls and coffee the members retired to the living room where Mrs. C. C. Powell, retiring president, expressed her appreciation for the cooperation of the club during the past year and welcomed the new president, Mrs. M. R. Allensworth. Mrs. Allensworth gave an inspirational message and discussed plans for the ensuing year.

Mrs. George Bagby held a quiz and discussion on programs of previous meetings.

Those present were Mrs. M. R. Allensworth, Mrs. L. S. Bagby, Miss Anna Moores, Mrs. J. D. Swift, Mrs. C. C. Powell, Mrs. Walker Lane, Mrs. George Bagby, Mrs. U. J. Boston, Miss Mary Howen and the hostesses.

MRS. ANTROBUS ENTERTAINS WITH COFFEE

Mrs. Lena Antrobus entertained with a lovely coffee Monday afternoon complimenting Mrs. W. R. Silvey of Okla. City. After several hours of visiting, coffee and doughnuts were served to Mesdames W. R. Silvey, J. D. Stocking, Sella Gentry, A. A. Mayes, L. S. Bagby, J. T. Sims, J. T. Patman, Bill Patman, R. A. Chamberlain, O. C. Watson and Miss Mantie Graves and hostess, Mrs. Watson.

BIRTHDAY PARTY

Patricia Estlack, daughter of Mr. and Mrs. Alfred Estlack, celebrated her 10th birthday with a party at her home Tuesday, Sept. 5th. The children played a number of indoor games until the honoree opened her many nice gifts and the children sang "Happy Birthday" to her. Refreshments of ice cream and cake were served to Patricia Estlack, Biffie Blair, Anette Thomas, Doris Crawford, Don Thornberry, Sandra Shelton, Betty Ann Speed, Odell La Grone, Laquita Ayers, Jackie Estlack, Lola Mae Underdown, Barbara and Ira Jean Estlack, Inelle Cox, Mrs. J. C. Estlack and Mr. and Mrs. Alfred Estlack.

BOOK CLUB MEMBERS OPEN SEASON WITH GUEST REVIEWER

Members of the 1926 Book Club held their opening meeting of the fall club year in the Fellowship hall of the Methodist church, Tuesday afternoon.

Mrs. Chas. Lowry, president, called the house to order and cleverly introduced Mrs. Roscoe Bates of Dallas, guest reviewer for the afternoon.

Mrs. Bates very ably gave "Yankee From Olympus" by Catherine Drinker Bowen.

Following the review a social hour was enjoyed. Hostesses for the occasion were Mrs. Frank Phelan, Mrs. Bill Ray, Mrs. Elba Ballew, Mrs. J. R. Porter, and Mrs. Rayburn Smith.

Approximately 85 members and guests were present.

Mrs. W. R. Silvey of Okla. City is visiting Mrs. J. T. Sims and other friends.

KAPPA SORORITY

Sunday brought to a close a busy yet enjoyable "rush week" given for the new rushees by the members of the Kappa Kappa Sorority.

The first on the list of the week's activities was a card party given Monday evening with Ruth Patman and Kathleen Grady as hostesses. The rushees and members met at eight-thirty; the remainder of the evening was spent in playing various games. Delicious refreshments were served.

Tuesday, everyone had supper at Norwood's. After the supper, the members and guests went to the Pastime Theatre, then to Klyda Wilson's where a slumber party was given. Breakfast was served at eight o'clock Wednesday morning.

A picnic, which was enjoyed by all, was Wednesday evening's activity.

Dorothy Nell Kemp acted as hostess Thursday afternoon; a tea was given for the rushees, their guests, and members of the sorority. Mrs. Nathan Cox reviewed the book, "Winter Wheat" by Mildred Walker which was very interesting. Lovely refreshments were served.

Sunday everyone attended church services, morning services in the Methodist church, and evening services in the Baptist church.

BIRTHDAY PARTY

Mrs. J. T. Sykes honored her daughter, Winette, on her fifth birthday, with a party in the home of her grandparents. Mr. and Mrs. Frank Hardin, Friday afternoon, September 1st.

After the many lovely gifts were opened and admired, games were played that delighted all.

Refreshments were served to Nancy Adcock, Patsy and Jimmie Sykes of Canyon; Stock Richard Lamberson, Jimmie Smith, Mike and Richard Davis, Bobby, Gary and Johnnie Longan, Evelyn Louise, Elizabeth Ann and William Rhode Chamberlain, Joe Sykes and the honoree, Winette Sykes.

WIN ONE S. S. CLASS

This Class met Monday afternoon with Mrs. Hanks at the parsonage. Mrs. Lon Rundell and Mrs. John Goldston were hostesses in business and social meeting with 12 members present.

The president, Mrs. John Goldston, presided at business meeting. Officers for the coming year were elected: Teacher, Mrs. J. T. Patman; assisting teacher, Mrs. R. Y. King; president, Mrs. John Goldston, re-elected; vice president, Mrs. Walter Taylor; secretary, Mrs. Bartlett; treasurer, Mrs. Weatherly.

Pvt. Louis Wood of Camp Warren, Wyoming, his wife and family of Amarillo, spent the later part of the week with his parents, Mr. and Mrs. L. L. Wood and brother, Mr. and Mrs. Arlie Wood. His wife and family returned to Wyoming with him the last of the week.

A TRIBUTE TO A FRIEND

I am writing of a friend whom we have loved and lost.

We are prone to glorify and idealize their life. But in writing of our beloved friend, Mrs. E. H. Watt, too much cannot be said of a life so noble and true. She left us memories—precious memories, and I know her many friends will join this writer in paying loving tribute to her many virtues and loving deeds of kindness—her loving care of those who depended upon her.

Her devotion to her family, and fidelity to her friends, her helpfulness to the needy, and her faithfulness to her church, constitute a character we seldom see.

She was one whose life's real service was a dominant factor. There was always a warm hand-clasp and an encouraging smile for one who needed it.

She lived a christian life, and her place in church was never vacant, when it was at all possible for her to be there.

She was never known to join in adverse criticism of her church, lodge, or community club. These meant so much to her, and she loved and served them well.

She has passed to a higher life, and naturally we follow her with all human longing.

A home is left desolate. But through the darkness comes a voice telling of a heavenly home, and we know we can meet her there.

"When the work of life is over He giveth His beloved sleep."

Mrs. Jno. A. Lemmon

CARD OF THANKS
We wish to thank our many friends for their kind words of sympathy and thoughtful kindness in the death of our loved one. May God's blessings be with you always.

VISIT IN GERNER HOME

Visitors in the home of Mr. and Mrs. E. H. Gerner of Lelia Lake last week were two daughters-in-law of California, wives of two sons in the service. Mrs. Henry Gerner has returned to Calif., where she is employed in a war plant. Henry has been in England since last winter. Mrs. Ernest Gerner will make her home here in the Gerner home as Ernest is to be transferred from San Diego to another Naval base. Another son, Bill, also in the Navy, is somewhere in the Southwest Pacific.

Mrs. Otis Rolls and children returned home Monday from Borger where they had visited for some time with her husband's mother and family.

Mrs. Genoa Doshier is visiting relatives in Amarillo this week.

VISITS HOMEFOLKS

W. G. Adams who is stationed at Ft. Worth at TCU in the USNR V-12 spent the weekend with his parents, Mr. and Mrs. Bill Adams.

W. G. says that he always looks forward each week for his Donley County Leader.

Rev. and Mrs. E. L. Moody came up Tuesday from Wichita Falls, where they now reside.

Bro. Moody advised that he will be in a revival meeting for several days with the good folks down at Brice. Rev. Moody was former pastor of the First Baptist Church here and has many friends in these parts. He is now State Evangelist.

Stanley Carlile has resigned his position at the Davis Bumper to Bumper Service Station here, and is now employed at Pampa.

Reconditioning Service For Army Men

A brand-new Army medical service—unheard of in World War I—is responsible for the cheerful and optimistic spirits of servicemen who have been wounded or hospitalized for other reasons.

A University of Texas physical education class recently heard an Army doctor describe the Army's new reconditioning service—barely a year old—which seeks to restore every soldier to his military unit or to civilian life "mentally and physically prepared to take up his duties with maximum efficiency."

Lt. Col. R. L. Deter, reconditioning officer at Camp Swift, Texas, told the class that this program is now in effect in every U. S. Army hospital in the world over. Reconditioning is started within 48 hours after a soldier reaches the hospital, he said, "just as soon as a wounded man recovers from shock, or as soon as the cast hardens on a broken arm or leg."

The hospitalized soldier is kept busy throughout his waking hours, "so that there will be no lying in bed staring at the ceiling and feeling sorry for himself," Colonel Deter declared.

He takes physical exercise—to work his arms and torso, if he has a leg injury, or vice versa. He takes lessons in handcraft, hears

lectures on military subjects, is entertained with musical and other programs in the hospital ward, and often enrolls in correspondence lessons.

This program has been so successful that it has been possible to cut in half the period of hospitalization for certain types of diseases. It has "salvaged a tremendous number of men who otherwise would have been lost to future military service," Colonel Deter asserted.

Deter is in charge of the reconditioning program in the regional Hospital at Camp Swift, under the direction of Col. A. K. Brown, hospital commanding officer.

Pvt. Haskell Toland and wife and children who is stationed at Childress are home on a 15-day furlough.

Names make news, in war as elsewhere. So here are capsule paragraphs about Texans on the fighting fronts:

Sgt. R. W. Fulks of Luling, Flying Fortress gunner, has been given the Distinguished Flying Cross for "extraordinary achievement" on bombing raids over Europe.

Sgt. Bill Robinson, Honey Grove, has the Air Medal with two Oak Leaf Clusters, won over Germany. But now he is a prisoner of war, having been shot down on a recent bombing flight. Like other Americans in the hands of the enemy, he will receive help from the home-folks, through War Prisoners Aid, a National War Fund agency which provides books, athletic equipment and

dozens of other morale-building items to the "barbed wire legion". Ed Schraeder of Mosheim, mortar expert, recently won promotion to staff sergeant on the battlefield in the Pacific.

Fighting in France is Lloyd Taylor of Ames, veteran of 20 month army service and seven months overseas.

"The Japs will stop at nothing short of death," warns Pfc. Judy Cox, Brownwood boy who has seen much fighting on Saipan. Back home to recover from wounds he tells of hundreds of Japs who killed themselves rather than surrender.

Capt. Freddie Hobrecht, Beeville airman, set some sort of a record recently when he bailed out of his riddled plane behind the German lines in France. Instead of becoming a Nazi prisoner, he made his way back to Allied lines, bringing a German prisoner with him. That's the Texas way of fighting!

Among Texans recovering from wounds received in France are these lads now at McCloskey General Hospital, Temple: Pfc. Gerónimo Saucedo, El Campo; S/Sgt.

Joshua Truitt, Center; Sgt. J. P. Suringer, Tenaha, and Lt. Henry Chaplan, Austin. Lt. Chaplan, who served in England and France, says robot bombs in flight "look like comets."

Pfc. Tom Kenworth, who lost a leg at St. Lo in France, says the fighting was so close that often they could hear the Jerries "hollering when our bullets hit them." Tom is from Waco.

And an Anson boy, also back home to recover from wounds, tells how a Nazi shell hit his unit, knocking him unconscious and killing six Americans. He is S/Sgt. Harry Frye.

Lt. Jim McPherson of Kerrville, 21-year old navigator of the Eighth Air Force, wears the Air Medal, as result of bombing raids on German war industries. Lt. Ed Nolte of New Braunfels has been awarded the DFC, as well as the Air Medal and three Oak Leaf Clusters.

Back home for a rest after 22 months service in the Asiatic theater, is Pfc. Joe Pyles of Mansfield.

And fighting the Japs in the Jungles of Assam are two Texas generals—Maj. Gen. Howard Davidson, commanding the Tenth Air Force, and Brig. Gen. Aubrey Moore, the Tenth's chief of staff. General Davidson's home is Wharfton. Both generals are graduates of Texas A&M.

And on the Texas home-front, plans are swiftly taking shape for the state-wide drive on behalf of

the National War Fund. Wayland D. Towner, general manager of the United War Chest of Texas, is now touring the state and meeting county leaders who will spearhead the drive for approximately \$5,000,000. "For Our Own and For Our Allies".

The Campaign will open on October 10.

If Her Piggy Bank Could Only Talk..

It would tell her Mummy how much each of those pennies it holds is worth electrically. Electrical servants work so perfectly for so little that they're a thousand times better than hired help. They make your toast, iron your clothes, give you music when you want it, and light your rooms cheerfully. Treat them right. They'll last longer.

There have been many cases of good bulls being sacrificed at too early an age, because some dairymen dislike to use an older animal, due to hazards involved in handling. Proper housing, proper management and exercise are the answers to this problem, says the University of Illinois Extension Service, in Circular 460.

It recommends housing the bull separately from the herd, and gives a floor plan for a bull shed. Plenty of space for exercise is needed, with a strong fence around the yard. Careful feeding, to keep the bull in top condition, without being fat, is an essential. When feeding legume hay, a grain mixture of three parts ground oats and one part wheat bran is preferred. Other feeding mixtures, when other roughage is used, are suggested in the circular.

Young bulls should be kept in service until their true worth can be determined, by the milk production records of the progeny. Handling the bull is more important as the age increases and this Illinois circular can serve as a good guide book.*

Even trade is fair exchange, so they say, but a man could get into a lot of trouble trying to swap a 40-year old wife for two twenties.

One of the interesting things about being a dairy farmer is the fact that you don't have much chance to get into a rut. Every changing season brings changes in the things a dairy farmer should be doing.

The annual change over from supplementary feeding for cows on pasture to barn feeding will be taking place shortly. It is time to start checking your feed supplies, to determine whether you have sufficient roughage, silage and grain to carry your cows through the winter, in top condition and at top production.

As in the case of feeding supplementary to pasturing, the amount of grain to feed your own herd is determined by (1) kind of roughage; (2) breed of cows; (3) rate of production and (4) protein content of feed mixture.

If you need a table which will show the correct mixture to feed, based on those four points, I suggest you write the Extension Service, University of Illinois, Urbana, Ill., and ask for a copy of Circular 502.* It has a section on barn feeding which will be a valuable aid in keeping your herd's milk volume at a peak.

Purdue University recently issued a new leaflet, No. 260, on

cleaning and sterilizing dairy utensils. It is well illustrated and merits a prominent place in your dairy file. It takes you through each step—rinsing with cold water, scrubbing, rinsing with hot water and sterilizing with a chlorine solution. A section is devoted to washing and sterilizing the milking machine. You can get a copy by writing the Extension Service at Lafayette, Indiana.*

If you really want to "know your oats", you'll do well to write to the U.S.D.A., Washington, D.C., for a copy of Farmers' Bulletin No. 1947. It is a complete discussion of disease resistant and hardy oats for Southern states.

The bulletin stresses the importance of increasing the acreage of oats in the South and Southwest in order to improve dairying in those regions. It recommends early enough fall seeding so that the young plants can get sufficient growth to withstand freezing.

The publication declares that fall-sown oats greatly outyield spring-sown varieties in most sections of the south. The Arkansas Experiment Station reported a 42% gain in yield of fall-sown over best varieties of spring-sown oats.

There are specific varieties of oats recommended for each state in the South and Southwest. Varieties approved may be different in different parts of certain states and the booklet gives this information. All it costs is a penny postcard to write and request a copy.

A fellow I know says he started tracing back his family tree but decided to quit when he found it seemed to get its start by grafting.

If good rope has become a knotty problem on your farm, you'll be able to get some good out of another U.S.D.A. publication, Farmers' Bulletin No. 1931. It tells you how to take care of rope, to make it give longer and better service.

This book shows how to repair broken strands, a problem which occurs frequently these days. It tells how to make several different splices and how to tie various kinds of knots.

There are plenty of uses for rope around any dairy farm and you should be able to get some valuable help from the information in this booklet.

*NOTE: There usually is a 5c charge for pamphlets mailed to non-residents of a state; but possibly your own state has a free pamphlet on the same subject. Ask your county agent.

Both are Phillips Research Laboratories

IN TIME OF PEACE hundreds of Phillips chemists and engineers devoted themselves, in the glass-bricked laboratory pictured above, to search for product betterment. Car-owners reaped the benefit in improved gasolines and lubricants, at prices which represented ever-increasing value for the money. IN TIME OF WAR, Phillips research activities are sharply focused on the requirements for victory, and the U. S. Armed Forces . . . and you, not as a car-owner but as citizen and taxpayer . . . reap the benefit in improved products, at prices which represent ever-increasing value for the money. The Phillips airplane pictured above, with its unique test and measuring devices, is also a laboratory . . . a flying laboratory for a Phillips pioneering research project. Phillips recently was first to conduct a flight test program to determine the anti-knock performance of aviation gasolines . . . not in earth-bound test motors . . . but in combat-type engines under actual flying conditions. PHILLIPS HIGH PLACE in the war production of butadiene for synthetic rubber, 100-octane aviation gasoline, and other petroleum chemicals, is the result of Phillips long years of peacetime research to extend the frontiers of knowledge concerning hydro-carbon chemistry. Who can predict what great new benefits will flow to motorists after victory, as the result of Phillips wartime exploration of the limitless possibilities of the chemical production of new and better things from petroleum gases as well as from petroleum! This much can be predicted with confidence: With the coming of peace, car-owners will be offered a vastly improved postwar Phillips 66 Gasoline. In the meantime, whenever you see the Phillips 66 Shield, let it remind you that Phillips great refineries are gigantic chemical plants pouring out weapons for victory. WAR TIME SAVINGS IS PART OF POST WAR PLANNING

One thing you will never be criticized for hoarding during War Times, is your purchasing power. Every dollar you save now—BY INVESTING IN WAR BONDS—can do double duty toward making possible the better world for which we are all fighting, after Victory is achieved.

First, the dollars you save now will enable you to buy many things you have denied yourself, once our factories turn from war production to production for peace. But second and more important, the dollars you save now to spend after the war, are going to help make jobs for the returning soldier.

LONG SLEEVE

THE TEMPLE OF TRUTH

By the Apostle

QUERY.

Is the old man's shortness of breath due to his running expenses?

GEOGRAPHICAL.

After this global war settles down, about the only thing the old timer will be able to recognize on the map will be the oceans.

MODERN.

Happy is the mosquito that can pass the screen test.

WESTERNER.

Having grown up in the old west, a local man tells me that he was trained to be polite to the

ladies at any and all times. This was universally true. Today he told me that the theory of politeness had never cost him anything so far except his seat in the bus.

QUESTIONABLE.

The real problem of your leisure is to keep other people from using it.

EFFEMINATE.

The girl who wears her dress shorter to make her look taller, also makes some of the men look longer.

UN-ROMANCED.

A late story going the rounds here this week has to do with a certain young woman of Amarillo, who, upon being hailed by a romantic male motorist, hands him a card which reads:

"Maybe the gas you waste in pursuit of lone women could have prevented one of our planes from making a forced landing behind enemy lines. My husband is serving in the armed forces. What are you doing—SKUNK?"

ASHTOLA

Mrs. Dick Tomlinson
Mr. and Mrs. Earl Cox had business in Groom Saturday.

Mr. and Mrs. Dexter Todd of Clovis, N. Mex. were guests of Mrs. Watt Hardin over the weekend.

Tate Poovey and family of Sisseton also Mr. and Mrs. Earl Butler of Borger visited in the W. A. Poovey home Sunday.

Fred Graham and family, Hubert Rhodes and family, and Doyce Graham and family of Clarendon spent Sunday in the J. M. Graham home.

Sgt. Keith Swinburne of Tennessee is here on a furlough as guest of his mother, Mrs. Mary Swinburn.

Mr. and Mrs. Myrl Holland of Amarillo were here Sunday visiting Myrl's mother, Mrs. Howard Holland.

Mrs. T. A. Nelson left Friday for Plainview where she will teach this term.

John Morris of Claude was a guest in the Louie Morris home Sunday.

Clarence Cobbs and family visited in the John Stewart home in Neaylor Sunday.
Mrs. Slim Hunsacker of Amarillo is visiting her mother, Mrs. Mary Allen.

A Fine Memorial Service!

... whether you pay \$100 or \$1,000!

Yes, everything complete regardless of what price memorial service the family selects. As servants of those in distress we know that this is the better, more kindly way. One call, day or night, places everything in capable hands.

JOIN GULF'S "Anti-Breakdown" Club TODAY!

BEFORE THIS WAR IS OVER, there may be only two kinds of people in America...

- those who can still get to work in automobiles,
- those who are forced to walk.

If you want to be in the fortunate group who will still be riding to work in automobiles, join Gulf's "Anti-Breakdown" Club today. How do you do it? Just come in for Gulf's **Protective Maintenance Plan!**

This plan was conceived by experts in car care. Gulf developed it because car maintenance is a most important civilian job.

Here's Gulf's Protective Maintenance Plan...

1 Guards 39 danger points!

GULF'S Protective Maintenance Plan includes Gulfex Registered Lubrication which reaches up to 39 vital points with six different Gulfex Lubricants that reduce wear, and lengthen your car's life.

2 Gives you a cleaner, smoother-running motor!

IT'S IMPORTANT to give your car a good motor oil. Gulf offers two outstanding oils: Gulfpride, "The World's Finest Motor Oil," and Gulfube, an extra-quality oil costing a few cents less.

3 Stretches precious gasoline coupons!

AIR-FILTER, spark-plug cleaning, and radiator flushing help stretch mileage. Clean air filters make gas burn more economically; clean plugs increase power; a clean radiator prevents overheating.

4 Get an appointment at your Gulf Station....

HELP YOUR Gulf Dealer do a thorough job—make an appointment in advance. Phone him at the station. Then you should encounter no delay in getting Gulf's Protective Maintenance Plan... 15 services in all!

MARTIN—JONES

Mr. and Mrs. C. W. Martin are announcing the marriage of their daughter, Fern, to Allen C. Jones Jr. of the U. S. Marine Corps, San Diego, Calif. Vows were exchanged in the First Baptist Church of San Diego, Calif., Sept. 2nd, by the pastor, Dr. John Bunyan Smith.

Mrs. Allen C. Jones of Edenburg, Texas, mother of the bridegroom, attended the couple.

The bride wore a white wool suit with black accessories. For something old she wore a gold locket given her by her mother.

Mrs. Jones attended school at Lelia Lake high school, Clarendon Junior College and received her B. S. degree from West Texas State College at Canyon, Texas in 1940. Mrs. Jones taught three years in public schools of Hutchinson County at Plemons and Berger before going to Clovis, N. Mex., where she was employed by Hill Lines, Inc. as bookkeeper.

The bridegroom attended school at Cisco high school and school of New Mexico. He was employed by Hill Lines, Inc. in Albuquerque of Clovis at the time he enlisted in the Marine Corps.

Mrs. Jones returned to 910 Tyler, Amarillo, where she will make her home. She is employed by Leeway Lines, Inc. as bookkeeper.

ALPHA KAPPA DELTA FRATERNITY

The Alpha Kappa Delta Fraternity met September 6, at the home of Tom Goodner. A business session was held with Bob Bentley, the president presiding. Pledges and rush week were discussed at the meeting. The meeting adjourned to meet with Manly Bryan for the first event of rush week which will be September 11.

Refreshments were served to the following members by the gracious host, Tom Goodner: Max Keys, Manly Bryan, Jimmy Douglas, James Palmer, Dick Reeves, and one guest, Wayne Donnell of Amarillo.

LOWRY—RHEA

Word was received here the latter part of last week of the marriage of Sara Beth Lowry and Flight Officer Max Rhea which occurred in Phoenix, Arizona, on September 2nd. The ceremony was performed by Dr. Richard N. Merrill, pastor, in the wedding chapel of the First Methodist Church of Phoenix.

Mrs. Rhea is the daughter of Mr. and Mrs. Chas. M. Lowry of Clarendon. She is a graduate of Clarendon High School and Clarendon Junior College, and has been a student at the University of Colorado the past two summers.

Flight Officer Rhea is the son of Mr. and Mrs. John Rhea of Palo Duro, and is also a graduate of the Clarendon Schools. He is now stationed at Luke Field in Phoenix, at which place he received his wings on Sept. 8th.

The young couple are now in Clarendon for a ten-day visit before returning to Phoenix.

LIBRARY NOTES

By Mrs. C. A. Burton

A new Cronin book is to come out soon, his first in three years—"The Green Years." It is to be published in November. His last, "The Keys of the Kingdom," was even more popular than "The Citadel" which everybody read.

During the last few months this country celebrated British, China and Russia book weeks. So popular were they that it is planned by the A.L.A. to have book weeks for other countries and this will be done soon. Lists of books about these countries, posters, films and radio recordings will be available.

Paper shortage becomes more acute. Publishers are planning condensed bookplates. Doubleday, Doran are putting Joe E. Brown's forthcoming book about his tour into two-thirds of the space ordinarily used.

Robert Andrews, author of "Windfall," the book from which the movie, "If I had a Million," was made, is writing another novel after 13 years. It will be called "The Stars Are Afire."

Roi Atley, winner of the Life-In-America award for his "New World A-Coming," is said to be the first Negro war correspondent to be given an over-seas assignment. He has gone to England and will round up material for a new book on the Negro question in other countries, on other continents. Before returning to the U.S. he expects to have a conference with the Pope and to see Russia, India, China and Africa.

To a squealing of bagpipes and a swirling of tartans the Scottish colony of New York City celebrated on July 22, the dedication of the Robert Burns House, a hotel for servicemen, and observed the 148th anniversary of the poet's death. The house is operated by the Thirsty Gildry, and provides bed and breakfast for more than 50 men a night at a charge of fifty cents each.

Gilbert Stewart, one of our boy-readers from Goldston has recently brought us several books which we appreciated. Contributions by our friends are always helpful.

RESOLUTION ADOPTED BY THE BOARD OF TRUSTEES OF THE CLARENDON INDEPENDENT SCHOOL DISTRICT

SEPT. 10, 1944

Millionth Benefit In Force

With "social security" benefit rolls just past the million mark, James L. Farmer, Acting Manager of the Amarillo field office of the Social Security Board yesterday asserted that his office is handling a greatly increased work-load in all old-age and survivors insurance activities and has 785 benefits in force for \$11,840.77 a month.

Mr. Farmer's office serves 26 Panhandle counties. The monthly benefits in the Amarillo office area are distributed as follows: 246 retired workers, age 65 or over, receiving \$4973.02 a month; 56 wives, age 65 or over, of retired workers, receiving \$585.14 a month; 104 young widows with children under 18, receiving \$1,863.25 a month; 362 children of deceased or retired workers, receiving \$4159.05 a month; 17 widows, 65 or over, of insured workers, receiving \$260.31 a month. Monthly benefits are paid also to aged dependent parents of fully insured workers who leave no wife or child.

Benefits to young widows with children are of especial importance in keeping families together when the father dies, Mr. Farmer said. They give the citizens of tomorrow the chance to grow up in normal home surroundings, with a mother's care," he added. "Without them, many homes would be broken up and the children separated from their mothers and their brothers and sisters. They supplement life insurance or savings, and the mother can take a job without sacrificing the monthly payments to the children, though she does give up her benefits for each month in which she earns more than \$14.99 in covered employment.

"Though most mothers prefer to remain with their children while they are young, some find it necessary to supplement social security with earnings. The mother, of course, can go off and on the benefit rolls as often as necessary, insofar as working or not working, is concerned. She usually will make more in covered employment than her benefit amount and, if she works in noncovered employment, she stays on the benefit rolls while working."

It is significant also, Mr. Farmer said, that approximately one of every five retired workers has a wife who is also drawing benefits—half as much each month as her husband.

Wives, widows and children outnumber the retired workers on the benefit rolls, which Mr. Farmer said, emphasizes the family value of this Federal insurance program.

Benefit payments in the Nation have passed an annual rate of \$220,000,000 and the volume will increase steadily as more workers die or grow old and retire.

Every field office of the Social Security Board is glad to give full advice and necessary assistance to every person who thinks he or she may be eligible to receive bene-

fits, Mr. Farmer said, and he urged anyone who is in doubt to inquire at the nearest office of the Board.

Two events, particularly, should suggest an immediate contact with the social security office, the manager said. These are: When a worker who has been employed in private industry or commerce reaches age 65, whether or not he plans to retire, and when any member of the family dies after working in private industry or commerce.

"Families who follow that advice will play safe and not risk the loss of any benefits that may be coming to them," Mr. Farmer said.

Mrs. David Johnson and grandson Hardy Bourland and Miss Ruth Richerson spent the week end in Amarillo.

Mrs. W. R. Silvey left Friday for a visit at Amarillo on her way home at Okla. City, after visiting relatives and friends here.

S/Sgt. Ray Palmer of Camp Bowie at Brownwood was home on a 3 day leave over the weekend.

Cpl. John Eudy from Los Vegas, Nevada is home on a 10 day leave on his way to Tampa, Florida. He will leave Sunday.

Mrs. J. F. Jones is home from the hospital. Her sister, Mrs. Nat Jones of Ashtola is spending a few days with her.

A Matter of Strategy

The mountaineer walked into a doctor's office and told the doctor that he wanted him to see what he could do about patching up his son-in-law's ear—saying, "I shot a hole in it yesterday."

The doctor reprimanded him severely. The idea! Shooting his son-in-law!

The mountaineer replied, "Waal you see, he wasn't my sin-in-law yesterday."

A sweet young thing was watching some soldiers drill. A rifle volley rang out. With a scream the lovely young lady shrank back—into the arms of a young soldier.

"Oh!" she exclaimed, blushing, "I was so frightened by the rifles. Won't you please forgive me?"

"It's all right," the soldier assured her. "Let's go over and watch the artillery."

Rev. W. P. Yarborough has returned to Tulsa after holding a meeting here at the Methodist Church last week.

Mr. and Mrs. Frank White Sr. returned home Wednesday from a visit at Amarillo the first of the week.

Mrs. H. L. Riley, Mrs. N. N. McCrary, Mrs. Hattie Palmer, Mrs. Dorothy Logsdon and Pete Riley visited H. L. Riley Jr. at Amarillo Field hospital Sunday. H. L. was returned to Longview Monday by plane where he will receive treatment for his broken leg.

CORRIDOR COMMENTS

We have a new band sensation. She has never read a note of music, but now she is beating out the "boogie" on the bass drum.

One of the college chemistry students made a brilliant deduction; she doesn't know anything about anything and is afraid she will have to do something.

Billye Neil, what were you doing in History class the sixth period? Could you have been on a ferris wheel?

Treva Nell Trussell, Laura Ruth La Grone, and Tom Goodner took two steps in one and are now Seniors.

A new Senior boy is taking advantage of the man power shortage. He already has four girls on the string and is still going strong.

Georgia Belle McNeal is taking her first course in typing; at the end of the class she trudges up the

aisle carrying her typewriter. When asked why, she says, "Do you mean to tell me that I can't take this home?"

Jr. Mann woke up this morning and discovered he was old enough to shave. He has six whiskers.

A shapely blond in shorthand is having a hard time with her "curves."

Phyllis Gamble is also in the first year typing class. She typed faithfully the whole period, and then discovered she had not put any paper in the machine.

Why are two Clarendon girls anxious for the Bronchos to play the Memphis Cyclones?

"Prof" was going to give us some more news, but he is still waiting for an inspiration.

CHAPEL PROGRAM

Chapel program, Friday, was opened by the student body sing-

ing the National Anthem. Then the audience promptly followed Mr. Drennan's instructions and "raised the roof" with the singing of "Battle Hymn of the Republic." The Rev. Hanks gave the invocation, and introduced the guest speaker, the Rev. Yarborough. His subject was "The Temple of Life," which was very interesting and inspirational to the pupils.

The Rev. Yarborough is pastor of the Methodist church at Tullia, and has been holding a revival meeting at the First Methodist church here the past week.

SOPHS TAKE OVER SENIOR HIGH

The Sophs came to school Monday very much surprised at the way Senior High acted. They no longer had to be extremely quiet in the halls. They no longer had to be dismissed when the bell rang. They no longer had to march in line from one class to the other. They could be seen standing around in the halls with a dazed expression, wondering what to do next and where to go; but as Sam Lowry said, "I reckon it's all right."

The Sophs soon worked out

their schedules and found the correct rooms, sometime with hesitation and sometime without. They have now settled down and are acting as others act. From time to time several members of the Soph class have expressed their opinions as to how they like Senior High. Nita Heath said, "I love it." Rube Jo Kidd said, "It's as good a place as any." Wanda Cornell said, "Boy, it's swell!"

BRONCHOS vs. BUCKS

A skirmish game was played here Thursday, Sept. 6th, between the Clarendon Bronchos and the Whitedeer Bucks. The game started at 8:30 with a burst of music by the high school band. The Bucks had the ball at the beginning of the game. The score was 20 to 12 with Whitedeer's three touchdowns and two points for kicking the goal to our two touchdowns. Our boys played an excellent game, although it was only a scrimmage game.

Geo. Bulman had a slight shoulder injury, but the game was not rough though everyone played hard. Our boys are in high spirits for their first matched game of the season with Lakeview, Sept. 22nd, which we know they will win.

"AND SO WE YELL"

The Clarendon Pep Squad met yesterday afternoon, September 6th, to organize. Mr. Younger is to be the leader and sponsor and was present at the meeting at that time. At the meeting the members voted for a new "Band Majorette" since Annie Ree is not here this year. Edith McCrary was elected to fill the vacancy. Kathleen Grady and Edna Lou Lamberson are to twirl beside Edith. The girls decided to order white coveralls with maroon on the back for the uniforms. The group is to meet the seventh period to practice. Klyda Wilson, Alma Jo Mosely, and Treva Nell Trussell are the leaders.

Mr. Younger, band leader and sponsor of the pep-squad, wants to express his sincere thanks to all students in the band and the pep-squad for their cooperation Thursday night at the football game.

SOUTH WARD

Miss McGowan's room has thirty pupils. They are studying their pets.

Mrs. Headrick's room has thirty pupils this year.

Miss Stevens has two grades this year. They are all doing fine work. The third grade section is trying to keep up with Mrs. Prewitt's room.

Miss Mongole's room has 29 enrolled.

Mrs. Bain's room has 24 hard-working pupils.

Mrs. Mears has group tables and chairs for her pupils this year instead of desks. Small cabinets house their supplies.

LIBRARY RULES

Reference books, such as encyclopedias and dictionaries, are to be used only in the library.

Reserved books may be borrowed for one period, or at the close of school, and should be returned before the first class the following school day. Five cents a period is charged for each reserved book kept overtime.

All other books may be kept for two weeks and may be renewed once for the same period. A fine of two cents a day will be charged on these books if kept overtime.

No book will be issued to any person owing a fine.

Combines and Boll Pullers
The officials of Extension Service College Station, have set up organization to aid in transferring surplus labor and combines from areas of surplus to areas of most critical needs.

D. A. Adam, has set up office at Plainview to aid in distribution of labor and combines to urgent areas. The grain sorghum harvest is beginning on south plains and will be in full blast by Sept. 15. The early grain sorghums were damaged by drought and is only making 600 to 900 lbs. per acre. Later plantings should yield 1500 lbs. General price ranges for combining is \$2.00 to \$3.50 per acre depending on condition of crop and yield. Mr. Adams estimates that in addition to combines and available labor in this area that the following outside additional labor and equipment is required:

Combines—Large 170, medium 400, small 200.
Labor—year-round hands, 50; combine men, 318; truck drivers, 200.
Trucks—733.
Tractor drivers—550.
Farm hands—6800.

cotton harvesting is starting making 175 lbs. to 200 lbs. per acre (lint). According to report prices paid boll pullers is \$1.25 to \$1.50 per hundred.

Cotton harvest is expected to start on South Plains area about September 20 and reach peak about October 20 to Nov. 1st. Rains have delayed cotton harvest in central Texas. Reports received indicate Central Texas cotton crop curtailed by summer drought. Most counties report no trouble in getting hands for harvest.

In order for Mr. Adam to send combines, field hands, or cotton pullers to Donley county, a bona fide written request or application must be filed through County Agent's office at Clarendon. Mr. Adam will try to fill county requests according to needs and available supply of labor and combines that can be voluntarily requested to come into a county.

PUBLIC URGED TO MAKE APPLICATION FOR "A" RENEWALS

Motorists who have not yet made application for renewal of their "A" gasoline ration book are urged to do so immediately so that they will receive their new book before the coupons become valid September 22, the District Office of Price Administration said today.

Ely Fonville, Dist. Rationing Executive, also announced that effective Sept. 15, the requirement that tire inspection records be presented when making application for gasoline or tire replacements is revoked. Drivers will not need their tire inspection records after they receive their new "A" books.

Each motorist will receive a new Mileage Rationing Record, which will thereafter serve as the record of gasoline rations issued, he said in explanation.

OLD TIMER IS DOWN FROM AMARILLO

Here the week end was none other than Jack Twyman, one of the few old ranch hands of this section, and one of the best known of all the older fellows.

Jack came to this section from central Texas in 1896. He continued to make this section headquarters until about 1924. Since that time he has been looking after his property interests in Amarillo. Jack says that he liked the old Amarillo much better than the big city of today. "Why, I don't know half the people I meet up there now," Jack stated by way of explanation.

USED CAR DEALERS MUST FILE CERTIFICATE OF TRANSFER

On and after September 12, 1944, dealers as well as all other sellers, must file a certificate of transfer with their local War Price and Rationing Boards reporting their purchases of used cars, the District Office of Price Administration has announced. Dealers, and other sellers generally engaged in the business of selling used cars, will also be required to file with their local boards, not later than September 21, an inventory report of all used cars in their stocks on September 11.

GUESTS IN MARTIN HOME

Mr. and Mrs. C. W. Martin had as their guests Sunday, their daughter, Mrs. Allen C. Jones Jr. of Amarillo and son, Cpl. Doyle Martin of Lubbock Army Air Field, also Mr. and Mrs. W. O. Puett of Amarillo, Mrs. W. D. Martin. Mrs. Puett is a sister of Mr. C. W. Martin and daughter of Mrs. W. D. Martin.

VISITING PARENTS

Lt. Wesley H. Strawn, wife and baby arrived Wednesday to visit his parents, Mr. and Mrs. W. H. Strawn. Lieut. Strawn has been on combat duty in the Southwest Pacific and will report to Sana Monica, Calif., Sept. 26th for reassignment.

ATTENDS LUNCHEON

While in Dallas last week, Mrs. Isabelle Sigler attended a luncheon at Hotel Adolphus, given for the wives of officers of the 357th, 358th, and 359th Regiments of the 90th Division. Mrs. Sigler was a house guest of Mrs. O. R. Riechelt while in Dallas.

RATIONING OF COAL AND WOOD HEATING STOVES TO END OCTOBER 15

Rationing of coal and wood heating and cooking stoves to consumers will end October 15, the War Production Board and Office of Price Administration have announced jointly.

OPA Rationing Executive Ely Fonville stated that oil and gas stoves will remain rationed.

Current inventories of the coal and wood stoves, plus anticipated production, are expected to be able to keep up with unrationed demand after October 15.

RED CROSS VOLUNTEER SERVICE

Those taking out articles this week were: Mrs. J. C. Estlack, 24 soap bags; Mrs. Pete Borden, 10 soap bags; and Mrs. B. F. Smith, 6 kits.

Those turning in work were: Mrs. Carl Pittman, 12 soap bags and 12 housewives; Mrs. Dave Johnson, 6 kits, Mrs. Charles Lowry, 20 housewives made by her Missionary Circle; Mrs. Frank McClure, 7 housewives and 11 kits; Mrs. Rayburn Smith, 25 soap bags; Mrs. B. F. Kirtley and Mrs. F. H. Lumpkin, 70 soap bags; Mrs. Claude Darden, 2 kits; Mrs. Mike Thornberry, 6 housewives; Mrs. George Green, 10 soap bags; Mrs. F. H. Lumpkin, 15 soap bags; Mrs. George Norwood, 33 housewives, 20 soap bags, and 5 kits; Mrs. M. R. Allensworth, 5 housewives; Mrs. B. N. Head, 30 housewives, made by her Sunday school class of the First Baptist Church; Mrs. W. A. Land, 30 housewives, made by her Sunday School Class; Jeanie Porter, 10 housewives; and the Lelia Lake Community, 117 soap bags and 39 kits.

We want to thank Mrs. J. E. Ryan for sewing the labels on 39 kits. Also, we want to thank Mrs. Bill Patman for winding the thread for the 288 Navy kits.

HOME SERVICE

Mrs. C. A. Burton
We still find some of our people not knowing that Home Service stands ready to help them work out their problems in connection with servicemen. Home Service is the link between the family and the soldier. When he needs an

emergency furlough, Home Service helps him get it. When papers need to be filled for allowances and allotments, Home Service has the papers and is ready to help. When any kind of emergency comes for the family or the soldier, Home Service is ready to give assistance.

A rehabilitation center where blinded servicemen of all branches of the service may receive extensive training to fit them for successful civilian lives was opened in July at Avon, Connecticut, the War Department announced. It is known as the Old Farm Convalescent Hospital, and all blinded servicemen will be sent there after they have received treatment in service hospitals, but prior to discharge from the service. Training will be given to determine as far as possible the occupational field in which the man may best succeed. Up to the last of June there were only 185 blind casualties from all branches of the service.

The War Department has announced that no military personnel may marry in any area outside the U. S., which means any dependency or territory of the U. S. or the Panama Canal Zone or in any foreign country or territory thereof, without the approval of the Commander of the U. S. Army Forces stationed in that area. When leave or furloughs are granted which include authority to visit areas outside the U. S. military personnel will be informed of this prohibition.

Requests for discharge by Marine Corps personnel on the basis of being thirty-eight years old or over are being given consideration, but this applies only to the Marine Corps.

Geo. Watson and Victor Smith left Tuesday for Lubbock where they will attend Texas Tech College this school term.

Miss Cora Ferris who spent the summer at Terrell, Texas is now home with her sister, Mrs. T. Jones.

Sgt. Robt. Summers from Camp Livingston, La. is home on a furlough. He is to report in Calif. in a few days. He and his mother, Mrs. R. A. Summers and his sister, Geraldine visited his brothers Ralph and Chas. and families at Amarillo over the week end.

Mr. V. E. Waldrop and family of Borger, visited in the homes of Mrs. A. L. Whitsell, and Mrs. Dewey Duncan, Friday and Sat. Mr. Waldrop has bought a home in Clarendon and will move with his family here about Oct. 1st.

S/Sgt. P. H. and Mrs. Jackson of Childress and Mr. and Mrs. Jewel Miller and Alfred and Patsy of Electra were week end guests at the Bill Morrow home in the south part of town.

Pfc. Haskel Phelps of Dalhart spent the week end visiting his mother, Mrs. Phelps.
