

FIDDLING WHILE ROME BURNS.

If those representatives down at Austin would spend some time in an attempt to relieve the cotton growers, and less of the taxpayer's money in 'cussing' Louisiana, their chances for re-election would be much better.

A Common Paper For Common People

BAND TO LEAD DONLEY COUNTY'S CROWD TO FAIR

Motorcade to Leave City Hall At Eight O'Clock Thursday Morning of 24th

Thursday, September the 24th will be Donley county day at the Tri-State fair at Amarillo. Quite a number have announced their intention of joining in the motorcade that is to leave the City Hall at 8 o'clock that morning. It is planned to reach the fair grounds at ten or soon after that hour.

The band will broadcast a concert at five in the afternoon and the Municipal Junior College will broadcast a program in the evening near nine o'clock. Dean Clark of the college will be the announcer.

A large number of exhibits have been taken from this county to the fair and this fact alone will cause several to attend.

The Clarendon band under the direction of Gus B. Stevenson has been doing an extra amount of practice this week and will do some street parade practice here before the Saturday crowd to wear off any surmised embarrassment the members might have.

It is planned to head the celebration with the band. As to whether Donley's crowd will parade on the streets of Amarillo, has not as yet been announced. This custom of former years will likely be followed again this year.

Hedley High School Announces Banner Attendance Record

The enrollment of Hedley High School is the largest in the history of the school. The senior class consists of thirty-three students compared with twenty-six last year. Students are enrolled from McKinight, Windy Valley, Bray, Giles, Quail, Ring, Tell and Slidell.

A recent report from the Home Economics Division of the State Dept. of Education states that second year affiliation has been granted on Home Economics. The High School consists of the following teachers: W. C. Maxwell, Supt., W. C. Payne, Princ., R. F. Newman Coach, Mrs. Elva Davenport, English instructor, Miss Peggy Caldwell, Spanish, Miss Mabel Howell, Home Economics, and Mrs. W. C. Payne, girl physical education director.

Homer Bones was an Amarillo visitor Friday.

EBY STOCKING SPEAKS TO LIONS CLUB TUESDAY

Mrs. Richmond Bowlin Gives An Account of Her Recent Encounter in Full

A frequent guest of the Lions club up to the time of a severe accident in which she was badly injured by a bull, Mrs. Richmond Bowlin appeared before the members Tuesday in an entirely new role.

She detailed her narrow escape when attacked by the bull, but humorously stated that she got the best of him since she was able to get to town and the bull couldn't. Her narration brought forth cheers and her presence again was a source of much satisfaction to the Lions.

Captains in the attendance contest checked up and found the Buick one lap in the lead.

This Club also accepted a challenge from the Unitress club in an attendance contest on a percentage basis since the Childress club is the larger.

The principal speaker during this luncheon hour was Eby Stocking, a local product and who recently spent several months in Africa. His narrations were most explicit and interesting giving one a fair idea of the perils as well as the resources of that country.

M. M. Nobles and Rev. John Crow were guests of the Club and expressed their pleasure in having an opportunity of meeting with their fellows of joyous mood.

PETTY THIEVES BECOMING ACTIVE SHERIFF WARNS

Floating Population Credited With Number of Thefts Over The Past Ten Days

Petty thievery that had been on the increase for some days took on a sudden activity Friday night when a number of auto accessories were missed.

The matter was reported to the Sheriff's office Saturday morning and a part of the loot was located at the Ellis wrecking yard.

A part of the stolen goods was traced to the activities of two families by the name of Gilliam camped near the railroad. Becoming suspicious, they suddenly remembered a better climate to the west and were stopped by the sheriff at Claude who had been asked to pick them up.

These parties are alleged to have owned up to taking a tire and rim off the Allan Jeffries auto. The men also visited the garage of Ora Liesberg and removed a tire, rim, tube, 5 gallons of oil, chain and pinch bar, it is said.

They readily admitted the theft but as one man had a wife and four children, and the other a wife and two children, they were allowed to continue their way rather than put the county to the expense of feeding them.

They had in charge stolen stuff for which no owner was found. This list includes a number of small articles, one Federal double blue pennant 30x5.50-20 casing, one inner tube for same, one five gallon can of Diamond oil, one heavy truck jack, flash light and wrenches.

Purses, blankets and various other articles have been taken from cars on the street the past week and Sheriff Pierce warns the public to use more caution as he believes that the "stealing season" is just beginning to open. He is of the opinion that it will be much worse this winter, and advises the use of more locks and refrain from leaving articles in autos on the street.

Rural Grocery Advertising Pays Says J. L. Tims

In this age of modern merchandising, changes are constantly taking place. For some time J. L. Tims who operates a grocery at Ashtola, debated the question as to whether it would pay him to run specials similar to grocers in the larger towns.

After a trial he became a constant advertiser. In speaking of the matter in the Leader office Wednesday of this week, Mr. Tims stated that he was well pleased with the Leader advertising, and that his business had doubled since he began telling the folks about his prices through the Leader columns.

He stated that his customers reside in a district from Washburn to Quail. Being content with a small profit enables him to make a quick turnover and that means a fresh stock at all times. This fact appeals to his trade and has made the Tims Grocery name a household word over a large section.

Mrs. Dorr Ellis and son, Dorr Neal and Miss Jamie Mann of Amarillo spent the week end in the John Blocker home.

Retail Merchant's Regular Meeting Held Tuesday

Because of other attractions here Tuesday evening, the attendance at the regular monthly meeting of the members of the Retail Merchants Association was somewhat limited.

A report was made by E. P. Shelton relative to the meeting held in the afternoon to perfect a charity organization.

J. R. Porter consumed the greater part of the meeting time in complying with a request to discuss with the members the legal technicalities of a number of papers that enter into the daily affairs of the average business man.

Ralp Andis presided a part of the time and when compelled to retire, C. C. Powell acted as chairman the remainder of the meeting.

Back Yard Poultry Growing Pays Lady Nice Profit

What might be accomplished on a limited back yard space is best illustrated from an experience of Mrs. O. S. Anderson, a local lady of Clarendon this year.

She purchased chicks from the local hatchery, beginning her efforts at poultry production when the first hatch was brought off in February.

A brooder was made from scraps of material by her husband. Feeders and fountains were provided and other home-made conveniences arranged to facilitate the handling of chicks as they grew to the frying-size stage.

Up until the first of September, her profits on fryers alone after all expenses of cost and upkeep were deducted, amounts to a total of \$112.80.

Fryers consumed by the family were not taken into consideration in this account. At the same time fryers were being grown, egg sales were quite an item from a flock of hens.

This shows what may be accomplished by a town woman who has a limited equipment, and limited range upon which to run her poultry.

One Woman With 1200 Sailors Produces "Shipmates"

Robert Montgomery and Dorothy Jordan are the principals in an all star cast that will play "Shipmates" at the Pastime Theatre Monday and Tuesday, the 21st and 22nd.

This is the first benefit show of the season and the Club Room ladies and Pastime management feel that they have been fortunate in securing this excellent play—a sea story full of action and thrills.

The scenes in this play were filmed on the U. S. S. Colorado during Pacific Battle Fleet maneuvers. "Shipmates" is filled with color drudgery of the Navy presenting life aboard a man-of-war from reveille at 5:30 a.m. to taps at 9 p. m. This is one of the very few pictures made with the cooperation and approval of the United States Navy, and it is a good one.

MOVE IS MADE TO ORGANIZE ALL CHARITY BODIES

Representatives from Number Of Bodies Met at City Hall Tuesday Afternoon

Some time back a representative from each of the organizations of the town interested in charity work was selected to meet in a body to perfect methods of handling the charity work here this winter.

Representatives from the City, Lions and Rotary clubs, Legion and Chamber of Commerce held a meeting at the City Hall Tuesday afternoon presided over by Dr. B. L. Jenkins.

After some discussion as to the best plan to pursue, a committee composed of W. P. Cagle, H. Mulkey and C. C. Powell was appointed to draft a general plan and present such recommendations to the gathering.

The plan as suggested by the committee met with favor and is organizationally as follows: Each organization of the town wishing to share in charity work should have one representative, the several representatives to make up a board of directors. That this board should select three of their number to be known as an "administrative committee."

The name adopted at this meeting will be known as "Goodfellow United Charities."

Each representative at this gathering is to report the plan back to their particular organization for ratification. The next meeting will be held on Tuesday afternoon of next week at 4 p. m.

Suggestions made at this meeting that assistance be given only to regular residents of the town, met with popular approval. It was the opinion of these representatives that plans be made to permit charity subjects to help themselves by making such conditions possible rather than to make a "donation" as has been the practice

BRONCHOS LOSE TO HARVESTERS IN FRIDAY'S GAME

Were Outmatched in Weight And Experience But Make Fine Showing

The Bronchos surprised the football fans of this section by holding the strong class "A" team of Pampa to a 26 to 0 loss Friday. The Pampa Harvesters were doped to win by a score of 30 to 50 points, so by this dope the Bronchos showed up real well.

In the first quarter the Harvesters were completely played off of their feet by the fast Broncho team. The score at the end of the first quarter was 0 to 0 with the Bronchos furnishing the thrills. Reed's 26 yard run brought all of the fans to their feet. During the second quarter the Harvesters made two touchdowns and were given one when Pafford intercepted a pass that Nichlos was trying to ground and stepped across the goal line.

Several of the Bronchos received injuries in the early part of the game. Tony Watson went out early in the game with J. T. Easterling taking his place. Pete Easterling also was sent to the sideline with a knee injury. Bill Greene took his place at tackle and held the heavy Harvesters to small gains through his side of the line. At the half the score was 19 to 0 in Pampa's favor.

In the last quarter Pampa scored one more touchdown to make the score 26 to 0 in their favor. Chastain, Harvester captain made all of the scores for Pampa. He ran the ball over and then kicked for the extra point.

Several of the substitutes saw service in this game. E. Watson took Behren's place in the third quarter. Jacks and Cross substituted for Waters and Watson in the last quarter. All of these subs showed the real old Broncho spirit and fight.

It was a real game with the Bronchos fighting an uphill battle with all the odds against them. The boys hated to taste defeat in their first game, but they are training harder this week ironing out the rough spots in their formations getting ready to bring back a victory from Floydada that the Bronchos of '26 left down there. Coaches Stocking and Hutton are planning to take as many men as possible to these out-of-town games. Let's be with the Bronchos tomorrow at Floydada.

The starting line-up for Friday will be the same as the one at Pampa with the exception of J. T. Easterling in Watson's place.

The line-up at Pampa: Nichlos, captain, Reed, Andis, McMahan, backfield; Behrens and Martin, ends; Pete Easterling and Morris, tackles; Tony Watson and Benson, guards; and Watters, center.

Winners in Audition Contest To Enter at Dallas

Miss Cecil Hukel, daughter of Elder and Mrs. D. L. Hukel of this city, was declared winner in the Atwater-Kent audition contest here at the home of Mrs. J. L. McMurtry Saturday evening.

Miss Hukel is teaching in her second term at Ashtola, and besides being a singer, is also popular with her pupils as a public school instructor.

The winner in the young men's entries was awarded to Coy Palmer of McLean. These winners will enter the state contest at Dallas the 25th, it is announced.

Several Contribute to Fair Exhibit at Amarillo

Among those to furnish specimens for the Tri-State fair from Donley county are R. T. Darnell, oats and barley; M. G. Cottingham, Alfalfa; V. V. Johnston, peas and peanuts; John Bugbee, Rye; M. W. Mosley and W. M. Pickering furnished milo maize.

Several others contributed but the list could not be had for publication. It is said that Donley's exhibit this season will be better than for several years. G. L. Boykin and T. R. Broun will go up Saturday to arrange the display.

Annual Meeting Panhandle Baptist Association

The annual meeting of the Panhandle Baptist Association was held at Estelline, beginning at 2:00 p. m., Monday afternoon, Sept. 14th with the meeting of the Association W. M. U. and Laymen's Organization, and closing Tuesday night.

Rev. B. N. Shepherd was re-elected moderator and Mr. Fred Landers re-elected clerk. Mr. O. C. Watson was elected president of the Association S. S., Miss Jessie Cook of Lelia Lake, of the B. Y. P. U., and Mrs. M. E. Wells of Hedley of the W. M. U.

Hedley was selected as the meeting place for next year. The next Worker's meeting will be at Memphis; the next S. S. and B. Y. P. U. Convention will be held at Lelia Lake.

The following Clarendon people attended the Association: Rev. and Mrs. B. N. Shepherd, Mr. and Mrs. W. R. Moore, Mesdames Wm. Gray, T. M. Couch, W. A. Simpson, Cap Lane, Mr. and Mrs. W. Z. Borron.

Out of association visitors were Dr. J. J. Kellam, of Dallas, who represented Buckner Orphans home, Rev. A. W. Aulick of Plainview, Rev. Hicks of Panhandle, Rev. Holt of Tell, Rev. Dyer of Goodnight.

Sorghum Mills Turning Out Good Products

Quite a number of Donley county folks are to enjoy a home product this season that has been neglected here for a number of years.

First-class sorghum is being made on the J. O. Thompson farm east of town, and at the Thomas farm south of town. John Bass is having a crew operate a mill on his farm northeast of Hedley.

The standard price seems to be around seventy-five cents a bucket and the demand has kept either mill from accumulating a surplus. Only regular sorghum varieties of cane planted expressly for that purpose is being used. Some of the mills are "custom making" this week.

PREPARE NOW OR GO HUNGRY LATER SAYS MAYOR CAGLE

Farmers Are Offering Right Kind of Help to Those In Need of Food Supply

When Rev. Herndon of Lelia tried to get several needy families to pick peas on the 'halves' the first of the week, he felt that he was doing some real missionary work. When he was promptly turned down by about five families who refused to work, he was not so sure of his efforts being appreciated.

The matter was discussed by Mayor Cagle Tuesday in which he emphatically stated that able bodied folks who refused to work now would likely find their names listed on some form of headbeat list this winter.

Mr. Wood out near the Ozier place is said to have several tons of blue hull peas which he wants gathered on shares. There is no good reason why any family cannot gather enough in one or two days to last them through the winter.

A number of other farmers have kindly made the same offer and a large number of folks have accepted the plan, among them some of the home owners of the town who did not lose an opportunity to take advantage of a good thing.

Those who refuse to help themselves now by gathering in food supplies, or by picking cotton, will have to look elsewhere for charity help this winter if present plans are carried out.

The best that will be offered according to statements of leading charity workers, is to offer bread stuff alone. They feel that every one has ample opportunity to work out a supply of other foods. Meal and whole wheat flour is all that will be on the charity list this winter it is announced.

Mr. and Mrs. A. F. Berg of Amarillo were guests of Miss Lela Lamson Sunday.

CHANGES BEING MADE IN UTILITY FORCE THIS WEEK

Illness And Other Calamities Make Some Changes Appear Necessary Here

That excellent official family and efficient working force of the offices and crew in the employ of the West Texas Utility company here appears to be operating under a 'hoodoo' of some kind.

No sooner is O. E. Harvey getting back on his pins again after a stretch in the hospital, than the manager, T. D. Nored is ordered to the hospital for treatment for an ulcerated stomach.

Mr. Nored is taking treatment in a hospital at Lawton. Chas. M. Lowery, manager at Hedley, has been pressed into service to do temporary double duty by taking over the management of the local office. He will make the trip up here each day and keep matters running in ship shape until Mr. Nored's return.

The next calamity to befall the local force is the transferring of Robert S. Cope to the office at Cisco. Just what will be his line, has not been learned. His legion of friends here feel that he will make a success of any work assigned him, and no man's leaving here ever occasioned more regret.

These changes made necessary, and the illness in the local force are a tratter of more than ordinary concern to citizens of Clarendon who feel a personal interest in the welfare of men who have earned the good will of the hundreds whom they have served.

Division manager Frank Houston of Childress spent the fore part of the week here helping to get matters lined up. He expects to spend as much time as is or may become necessary. "There will be no interruption of service and so far as that part of the work is concerned, the public cannot tell the difference," he said Tuesday.

Mrs. L. L. Swan is visiting relatives at Wellington, Kansas.

Robert Patton is Seriously Injured in California

Mrs. A. H. Baker of this city and Mrs. Marion Cox of Panhandle mother and sister respectively of the injured man, left immediately for California Tuesday upon receipt of a message appraising them of the accident.

Mr. Patton was in the employ of a refining company and an explosion early Tuesday blew steel and sand into his lungs and eyes and injured his hearing besides bruises and lacerations.

A telegram received by Mr. A. H. Baker, district clerk, Wednesday stated that it was thought his sight might be saved, that his lungs were clearing but the extent of the ear injuries could not be determined just yet.

Robert Patton has a number of friends in Clarendon and over the Panhandle where he grew to manhood, who will anxiously await a further message of his complete recovery.

Henry Williams made an inspection trip on the south plains the past week looking after his farming interests near Ropes and Lubbock. He reports crops good. He was accompanied by his son Chester.

Municipal Junior College Radio Program 24th

Dean Clark will become announcer in presenting a twenty minute program over the radio from Amarillo Thursday evening of the 24th at 8:30.

Miss Christine Stroder will contribute a piano solo. Band director Gus B. Stevenson will favor his radio audience with a saxophone solo or some other popular instrument. Mrs. G. L. Boykin one of the most skilled artists in the Panhandle, will favor with a violin solo. Miss Fray Stallings, another musician well known in Amarillo as well as Clarendon, will accompany on the piano for the last two on the program.

GOLF PLAYERS ANNOUNCE TWO COUNTY AFFAIR

Players From Five Towns Of Donley And Hall To Have Tournament

Announcement has been made of an Inter-County Golf Tournament to be held over the Clarendon and Memphis courses on successive Sundays beginning in Clarendon on Sunday, Sept. 20th. The clubs participating in the tournament will be Clarendon, Hedley, Memphis, Estelline and Turkey.

The play will be medal score for 54 holes, the first 27 holes to be played over the Clarendon course next Sunday. After this round of play, the players will be divided into four flights and the tournament continued over the Memphis course on Sept. 27th. Prizes will be awarded the first three men in each flight.

An interesting side attraction will be a match between an all Donley county team selected from the Clarendon and Hedley players and an all Hall county team composed of players from Memphis, Estelline and Turkey. Local fans are free to predict an easy victory for the Donley county boys.

More than 100 players are expected to enter the two days of play.

Cecil Smith and Ollie Hommel had business in Amarillo Tuesday.

Nathan Cox New Commander Local Legion Post

An election was held Tuesday evening by the members of the Aubyn E. Clark Post of the American Legion, and the newly elected officers assumed their duties following an impressive installation ceremony conducted by Dr. Mark Stricklin.

The new officers are: Nathan Cox, commander; H. R. Andis, 1st vice and Guy Pierce 2nd vice commanders; G. L. Boykin, adjutant; Tom Tucker, sergeant-at-arms; H. T. Burton, historian; Chas. B. Trent, liaison officer; C. J. Douglas, service officer; R. W. Moore, chaplain.

The Executive Committee is composed of C. Huffman, R. Y. King and E. R. Andis.

A membership drive has been started. The present membership totals 107. This Post has won a number of prizes for being the most active in this district.

QUATTLEBAUM IS SPEAKER ROTARY CLUB LUNCHEON

Report is Made on Progress Medical Examinations Of Rural Schools

During the Rotary luncheon hour Friday, Dr. B. L. Jenkins reported that medical examinations had been made in seven schools, and that the work would be continued possibly next week. This is one of the civic benefits being sponsored by the Rotary club at this time in cooperation with Drs. Jenkins.

Rev. J. Olin Quattlebaum, pastor of the Methodist church at Ralls and a member of the Rotary club there, was the principal speaker on the program.

He spoke of having spent some time here as a student in old Clarendon college and the friendships formed in his school days. Being a member of a 100% attendance club of the district, he stated that he would travel a hundred miles rather than break the record.

The committee on charity work reported that no meetings had been held with representatives from other civic organizations, but that the matter would be brought up during the week.

Several members spoke on the importance of a regular attendance and called attention to the six principals of Rotary in which punctual attendance is necessary if the aims are to be accomplished.

Minority Rules.

The "idle" may be in the majority, but the "idol" class continues to rule.

Colorful.

Very few would care to employ a green workman, a blue would be shunned but a red is out of the question.

Six Wonders.

The greatest inventions of all ages is said to be punkin pie, boiled custard, clabber cheese, 'lasses cake, potlikker and gourd dippers.

Fooled Again.

The farmer who was looking to the government for "farm relief" last year, is doing his best to keep "farm relief" from breaking him this year.

Credit Hoover.

After proposing to save the Europeans, President Hoover has now turned his attention to shortening the duck season. The walls of the middle class may possibly reach him by Christmas.

Matrimonial.

The young lady whose mother began housekeeping in a half dug-out in the Panhandle some years ago, today demands hard wood floors, electric refrigerators, hot and cold running water, collapsible car and portable parking space.

The People's Money.

A contract has been let for the erection of an American building in Paris, France to cost \$1,600,000. This building will be used to 'house' records only. Since the Wall street banks keep the same records, why squander all this money making a show in gay 'Paree'?

Sympathy.

When the depression arrived, a reduction of income tax was instantly set in motion. In fact some of the taxes collected for the year previous was refunded. If a man makes a million, he should be taxed \$999,000. Any man who cannot live on a hundred thousand dollars a year is not much of an American citizen nohow.

Dickens of a Mess.

With the conflicting interests of his big monied friends as compared with his duty to the big middle class of producers of his state, Governor Sterling is in one dickens of a mess.

Our prediction is that he is already sick of his job and will not disappoint any one by "choosing not to run" into defeat for a second term.

Three Ring Circus.

State Senators are up in the air. Legislators are just as hysterical lest they fail of re-election with the folks 'back home' demanding

that something be done. Both bunches are running wild-eyed over the Capitol campus while Governor Ross is in the kitchen washing and powdering 'Hooey' Long's baby. He never dreamed of becoming a wet nurse when he was bargaining for Clint Small's votes last year.

Watermelon Syrup.

A number are trying out the watermelon syrup recipe as published in the Leader last week. One may find an 'advantage' in this form of syrup in that it can be made just as well from melons that are not saleable as from the prime product.

Another advantage is that there is practically no expense to the syrup making process. It bids fair to be a strong competitor with trade brand syrups and even maple in many Donley county homes. Dig up that recipe from our last issue and paste it in your scrapbook.

The Big Three.

Men, money and machinery can do most anything except change human nature. We have plenty of idle men. This nation has more money than at any other time since

the landing of the Pilgrims. We have more machinery and the ability to produce an unlimited amount as needed.

Instead of attempting to remedy matters and get action on the "big three", leaders of this nation are apparently not concerned in anything except to increase taxes, the payment of which will fall on the back of the middle or producing class.

Political Hokus-Pokus.

Politicians who are today shedding crocodile tears because of the poverty stricken condition of their 'folks' back home are of two classes: ignoramuses and hypocrites. The ignoramus is too ignorant to know what to do to remedy matters. The other tribe knows what to do but because of 'other' connections, are afraid to do anything that will jeopardize the financial welfare of the wealthy.

For the present, those who propose a reduction in cotton acreage, know that such a law cannot be enforced, if they know anything. They are playing up to their voters back home.

Any kind of cotton reduction,

72 CHARGES FILED AGAINST MAN, SAME TRANSACTION

Austin, Sept. 6—The "horrible example" of the fee system, 37 bootleg indictments against a one-armed negro in a single transaction in Lee county, has been put into the shade by a case in Caldwell county.

Seventy-two charges and indictments were placed against a disabled World War veteran there, on embezzlement counts, all growing out of one transaction.

The man was committed to a hospital by a court in another county.

Now the district clerk of Judge M. C. Jeffrey's court at Lockhart will draw \$720 from the state treasury when he writes the word "dismissed" 72 times on his docket, across the cases against the man.

Total fees in the cases, all payable by the state, were estimated by two attorneys as probably ex-

ceeding \$2000, although the accused man was out of reach of trial on any of the charges.

Among other fees authorized and fixed by law was the sum of \$3 in each case to be paid the officer who made the arrest of the men 72 times all at once.

The indictments were returned before a new law was passed forbidding the trial of a person on more than five charges growing out of the same offense, but this law would not have permitted the compounding of charges or filing all the 72 counts.

All phases of the multiple-charge indictments were handled according to the exact terms of the law. No question is involved that any officer exceeded his lawful authority, even though the case set the record, so far as now known, in the compounding of complaints against a single individual.

THE BIGGEST PROBLEM

We feel that the biggest problem has been met and overcome since we have learned valuable lessons in thrift and economy.

Our surest, quickest and most substantial relief from this depression lies in an intensive live-at-home program by every home in the county.

DONLEY COUNTY STATE BANK

"Home of the Thrifty"

HAVE MONEY!

You Can Make Your Own Electric Rate

Your true electric rate is not the amount paid per kilowatt-hour for service used on the first or top step—but the net average cost per kilowatt-hour for all current consumed. Residential customers of the West Texas Utilities Company paid, during 1930, an average of only 6.5c per kilowatt-hour—and those customers using an electric range and electric refrigerator received service at an average rate of approximately 4c per kilowatt-hour!

The statement, then, that "you can make your own electric rate" is obviously true, for the more you take advantage of the many conveniences and comforts of electric service, the more inexpensive your service will become. The addition of new Electrical Servants will reduce your average cost per kilowatt-hour and bring you new comforts and conveniences worth far more than the slight cost of the additional service required.

The average residential customer now uses fifty kilowatt-hours per month. He could increase his service to three times that amount and only increase his total bill by approximately 10c a day.

Investigate the possibilities of complete household electrical! You will be surprised to find the equipment exceedingly modern, first cost, and the operating expense ridiculously low.

West Texas Utilities Company

*** TEMPLE OF TRUTH ***
By the Apostle

As an apostle of truth, the ramrod of this column ranks A-plus as an apostle of styles. If he goes in heavy for anything it is style. Right here he wants to announce that men's styles have been neglected.

The women have taken the bull by the horns, and have gathered up all the old derbies, stuck a dinky chicken feather through the brim on the 'off' side and has justified her actions by giving the rig a high-sounding name of Empress Eugenie. She actually wears it on her head, too.

The Apostle was humiliated Saturday when one of these women wearing a barnyard model hat actually "tipped" it to him as she passed. That's what he calls rubbing it in. They've been wearing our breeches more or less for several years, but aping our actions and hats of a style that was discarded with knee pants and silk socks, is going too far.

We men folks have got to hang together or hang separately. We've got to get hats with broader brims. They gobbled the chicken feathers but we still have the turkeys and geese to fall back on for a bigger feather. Our hats could be given the "Queen Elizabeth" name and style and if anything breaks a woman's heart, it is for some one else to ape her style and beat her at her own game.

If the women can go back to Empress Eugenie, we can go farther back to Queen Elizabeth and beat them. Now is the time for every patriotic man to come to the rescue of his down-trodden sex. We are no match for them where brains are required, so we have to beat them on style.

And another thing! We need paved roads. Not that we have to have them for our particular use, but because people from other sections of the state are shocked to humility when they sift along our highways and see common, everyday dust flying in the air. If we can't arrange to keep down the dust, they will quit coming. If they quit coming, we will be de-

nied any association with the more enlightened element of the great state of Texas.

Here is the plan as planned out by the Apostle and nobody else. Vote bonds to pave all our roads. As an extra inducement to get out the vote in favor of it, we propose to vote bonds to pay all our debts and enough extra to buy each voter a new car. What would we need with a paved highway unless we got a new car? How could we get a new car if we had no money and some brother ding-dongin' at us to pay our debts? Yes sir, pave the roads or highways all over the county, pay all debts, buy every voter a new car, all by voting bonds. Then when the bonds come due, declare them null and void and start all over again.

It takes brains to lead us out of this mess, and if that home brew holds out that is pictured before the Apostle at the top of this column, he will lead our people out of the wilderness and set them up on a par with all the best high-flyers of the state.

That's where Hall county fell down. They voted bonds to pave highways only, and now taxes are so high that the taxpayers can't own a car. Their debts were not included in the bond deal and now their credit is gone. As the high-flyers from down state sail over Hall county highways, they refuse to stop. Who wants to drink gyp water in Hall when they can get home brew in Donley? They cuss our roads but praise our brew.

Some towns are economizing by cutting out the services of a city marshal whose principal duties are directing traffic. They place a painted barrel in the middle of the street crossings and get the same results. We need more painted barrel towns.

Gourd arrives!! No sooner was the Leader out last week carrying the Apostle's request for a gourd dipper than Sam Dale got busy fixing one up. He scalded, scraped and delivered a dandy gourd dipper and the Apostle wore butter-milk-whiskers Sunday for the first time in forty years. Thanks, Sam.

Ruf Webb out near Hudgins has corn growing on Johnson grass. He got the mixture this year and will have spuds growing on the roots next year. Just as soon as the Johnson grass sees that it can be of some use, it will all die. In that case, friend Webb is entitled to the silver percolator.

Of all the subscriptions donated to his friends by T. Jones during the past two years, not one has failed to renew. Pretty good record and we hope he reads this out in the wilds of northwestern New Mexico where he and the Missus are eating wild game to beat the band.

Jim Heckman puts out a new-

fanged mouse trap. A larger size for rats on the same pattern. He asked us to try one on a guarantee. Well, we caught 'em alright. In fact that trap has caught everything with hair all over it except the milk cow and the nannygoat. It works and is well worth the price. If it was better advertised, he would sell thousands of them. If you have mice or rats, see Jim and we will back his guarantee to get either variety.

The Good Woman took the Apostle out to the Hudgins country Sunday. We rowed around over some sand until we got down in Rabbit Hollow. There we found old man Jacobs. Mr. and Mrs. Jacobs have one of the best farms in the county. Their crop is as good as any in the county and possibly better because it has been grown on sandy valley land protected by terraces.

The county agent has done one thing. He has interested folks in terraces that has been worth thousands of dollars to them. Saw maize that looked perfect. Saw three different varieties of corn—all good. Saw kaffir that was more than perfect. In fact the Jacobs crop was great except his cotton has been cut short by dry weather.

We ate melons. The women folks had a good visit and we men folks talked politics and a lot of other things that got us nowhere. They have plenty of foods put up for winter, a bunch of good hogs, plenty of fine milk stock and will live on the fat of the land regardless of the depression.

Coming home we stopped in at the Hawley A. Harrison home. He has good crops of most everything. He and his good wife do team work. They can and otherwise store up for winter. They make the mil-cows pay the bill between crops. Eight head of hogs will furnish the meat crop. A Jersey steer will be canned and that means a lot to the enjoyment of the family.

We walked around and looked the place over. The most beautiful and the most valuable asset that came under our attention was the six youngsters in that home. Families of that size even, are rare in the homes of the younger couples now. Somehow there is a veneration of charm about a home where there is the ripple of childhood's happy laughter.

It took us back to the days when our youngsters were all small. It recalled anxious moments of long ago. There is a hallowed association through the years of rearing a family of children that one cannot realize until the time passes and we look back to it again. We sat there in a reverie and watched them play and romp and thought what a change a few years can make.

The old Apostle took upon his

knee a wee tot of about two years. She is a beautiful girl with a strong desire to talk. To a can-tankered old man her lipings were like angelic music and her innocent eyes like fresh blossoms in the morning of life. Only two classes of folks can really deeply appreciate the value of these gems of the crown of motherhood, and they are those who were never blessed with such bits of innocents, or those who have been forced to accompany them into the valley of the shadow of death and returned empty-handed.

Of course these parents are proud of their family of little folks, but they will never know what life really means to them now until in after years when the little folks have grown up, and left the parental home to found homes of their own.

Our boasted civilization has penalized large families, and yet homes with children are the happiest. Happy homes that live in the memories of our young folks are the most sacred institutions in the land. They are the foundations of religion, the mainstay of our schools and the dwelling places of God's noblest creations—our mothers.

Mark Putman came in recently and said it was getting so dry down his way that the fish were freckled. In fact he knew the fish were paying the turtles two-bits a head to boost them out of the mud-

holes to the big lake. They had beaten down paths until it looked like some one had been dragging saw logs.

That's all for this week except to remind our folks that some one may overlook that canned goods offer. Read the advertisement on another page and get the paper paid up. You will want something to read through the winter and we will hate awfully bad to see any names dropped from the list.

AMERICA'S ONLY REFINER OF GERM PROCESSED OIL OFFERS . . .

\$10,000 IN CASH PRIZES

FOR THE BEST ANSWERS EXPLAINING THE **MYSTERY OF THE "HIDDEN QUART"** AND TELLING HOW THIS QUART BENEFITS MOTORISTS

THE QUESTION
"What becomes of the 'hidden quart' and how does this quart benefit the motorist?"

Fact No. 1—Thousands of motorists and service station men have observed that after a car has been given its first fill of Conoco Germ Processed Motor Oil and is driven 200 to 350 miles, a look at the crankcase gauge shows that about one quart of oil is apparently missing . . . but

Fact No. 2—These same people have noticed that on the second and later fillings with Conoco Germ Processed Motor Oil, scarcely a drop of oil will disappear during the first 350 miles and practically none at 500 and up to 1,000 miles!

THE above facts have been checked by actual tests with cars that use six quarts of oil for the crankcase, cars in good mechanical condition and driven at ordinary rates of speed. These facts will also prove true for your car, in proportion to the amount of oil your crankcase usually holds, your car's mechanical condition and the speeds at which you drive.

What becomes of the "hidden quart"? The answer is easy if you study the Facts given above and keep in mind the things that only Conoco Germ Processed Motor Oil can do. The explanation of the whereabouts of the "hidden quart" is simple — no technical knowledge of motors or oil is necessary.

Remember — The "hidden quart" of Germ Processed Oil does not escape through leakage . . . does not burn up, wear out nor evaporate. It is "present but unaccounted for." Fact No. 2, given above, proves all this.

After you've found where the "hidden quart" goes, you can easily see the special benefits it gives the motorist—advantages that no other oil can give.

Ask at any Conoco Station or Conoco Dealer for free entry blank, which contains information about Conoco Germ Processed Motor Oil that may help you win. Conoco Station and Dealer employees will gladly answer your questions. Remember, you do not have to buy anything to enter this contest. . . Any Conoco Station or Conoco Dealer will give you, free of charge, a convenient Official Contest Entry Blank for writing your answer.

Answers written on one side only of any plain white paper will be accepted as accredited entries in the contest. But we recommend that you secure an Official Contest Entry Blank, which gives valuable information about Conoco Germ Processed Motor Oil and its operation in motors—clues about the "hidden quart" that may help you write an answer that will win a prize.

1926 BOOK CLUB
Mrs. Elba Ballew and Mrs. A. J. Bryan were joint hostesses in entertaining the members of the 1926 Book Club Tuesday afternoon at the Club Room.

A book written by Oskison entitled "A Texas Titan" was the subject for study at this meeting in which Mrs. R. S. Cope was leader.

Mrs. Fred Buntin gave a summary of the book after which a number contributed to the pleasure of the meeting in a form of round table discussion. Delicious refreshments were served.

This Club is planning a musical program to be presented at the College on October 6th, a further announcement of which will appear in the Leader.

Mrs. L. Ballew and Mrs. Tom Goldston were guests of the Club at this meeting.

Members present were Mesdames Bill Bromley, Rolfe Brumley, Elba Ballew, Sam Braswell, Jr., A. J. Bryan, G. L. Boykin, Fred Buntin, W. A. Clark, R. S. Cope, H. B. Naylor, Manley Ozier, Rayburn Smith, O. T. Smith, F. A. Stocking, J. E. Teer, H. D. Toomb, W. C. Thornberry, Ralph Bourland, Misses Pauline Fox, Temple Harris, Edgar Mae Mongole, Fray Stallings.

HEFFNER-SCOTT
Ray Heffner and Miss Zelma Scott were married at Hollis, Oklahoma the 9th of this month.

Ray is a son of Mr. and Mrs. A. O. Heffner and the bride is a daughter of Mr. and Mrs. Walter Scott, both families having resided in the Pleasant Valley community for a number of years.

Mr. and Mrs. Walter Scott entertained with a dinner Sunday in honor of the newlyweds. Guests were Mr. and Mrs. Preston and family of McLean, Mr. and Mrs. F. M. Barton and family and Verna Lusk of Clarendon, Mr. and Mrs. A. O. Heffner and family, Misses Lucile Pickering, Fanny Naylor and Edwin Eanes.

SUNDAY SCHOOL PARTY
Mrs. W. T. Hayter entertained her Sunday school class with a picnic Thursday at the Country Club. Swimming and games was followed with a real picnic lunch at noon, each member having provided a covered dish. Thirty-eight ladies were present.

HIGH LEAGUE PARTY
Members of the High League were entertained by Mrs. Sam Braswell at her home Thursday evening. Yard games were the principal amusement and water-melons were served to more than forty young people.

RHODIN CHASE ENTERTAINS
A number of young friends of Rhodin Chase became his guests at the Country Club Monday evening. Following a swim, they turned their attention to bridge and dancing. A picnic supper was a pleasing event of the evening.

Those present were Misses Pauline Shelton, Pauline Sanford, Elizabeth Kemp, Carol Holder, Jean Bourland, Jonnie De Latson, Dorothy Jo Taylor, Eunice Johnson, Mary Joe Chamberlain, Roberta Lafon.

Ely Stocking, Sam Cauthen, Bill Wood, Bill Word, Elbert Bowen, Fred Bourland, Carrol Hudson, Arthur Chase and the host, Rhodin Chase. The party was chaperoned by Mrs. A. L. Chase.

THE BEAUX ARTS CLUB

The first regular meeting of the Beaux Arts Club for the fall was held in the club rooms Saturday afternoon, with Mrs. Bourland and Mrs. Bigger as hostesses. During the business session, the resignation of Mrs. Swan as secretary was accepted, and Mrs. J. W. Evans was elected to fill the vacancy. Miss Katherine Ross was elected to membership in the club.

A most enjoyable program was given on the subject of Texas Wild Flowers. Mrs. C. C. Powell led with a resume of the work done by the city Beautiful Committee. Mrs. Walter Taylor gave a talk on the Texas Bluebonnet and the Spanish Dager, presenting interesting facts and legends of the flowers that were new to most of the hearers.

Mrs. Charles Trent followed with an instructive talk on the wild flowers of the Panhandle, having an attractive display of flowers present in illustration. Mrs. J. H. Headrick closed the program with an eloquent plea for the conservation of wild flowers.

The club decided to hold their annual flower show in the club rooms on Saturday afternoon, Oct. 3rd at which time they hope to receive displays from all persons who may have flowers suitable for exhibit.

1922 BRIDGE CLUB

The members of the 1922 Bridge Club were entertained by Mrs. T. H. Ellis at her home Tuesday afternoon, three tables being used.

Mrs. Chas. H. Bugbee was declared winner of high score, and Mrs. R. A. Chamberlain cut for consolation.

A lovely refreshment plate was served to the following members: Mesdames W. H. Cooke, Sella Gentry, James Trent, W. H. Martin, Odos Caraway, R. A. Chamberlain, Chas. H. Bugbee, L. S. Bagby, J. B. McClelland. Guests of the afternoon were Mrs. T. S. McClelland and Mrs. W. J. Lewis.

1930 NEEDLE CLUB

Mrs. Alvin Landers entertained the 1930 Needle Club at her home Tuesday afternoon. Fancy needle work and visiting were the main features of the afternoon.

A lovely iced course was served to Mesdames Vada Carpenter, Don Martin, Carl Tyree, Rhea Cocuh, Turner Kirby, Marvin Land, Clarence Whitlock, Carl Peabody.

KILL KARE KLUB

The beautiful home of Mrs. Harry Bromley was the scene of a lovely affair Thursday afternoon for guests and members of the Kill Kare Klub.

The hours were spent with needle work and visiting. Mrs. M. L. Stricklin was voted into the club.

Mrs. W. A. Massey was elected our new president.

Tasty refreshments were later served to the following: Mrs. W. Gray, Mrs. Bromley of Amarillo, Mrs. Reid, Mrs. B. N. Shepherd, Mrs. C. G. Stricklin, Mrs. Joe Goldston, Mrs. M. L. Stricklin. Members present were Mrs. G. H. McCleskey, Mrs. Sam Lowe, Mrs. Eva Draffen, Mrs. W. B. Sims, Mrs. Bill Greene, Mrs. W. A. Mosley, Mrs. E. H. Noland, Mrs. Buel Sanford, Mrs. Joe Fowler, Mrs. W. C. Stewart, Mrs. W. A. Land, Mrs. Van Kennedy, Mrs. F. L. Goldston and Mrs. Joe Cluck. Mrs. Joe Goldston assisted her mother in entertaining.

HIGH SCHOOL ECONOMIC CLASS

The Home Economic classes met Thursday and organized their club for the coming year.

The following officers were elected: Ruth Cauthen, president; Louise Smith, vice-president; Ruby Armstrong, Sec. Treas.; Herbert Carlson, reporter; Laverne Goldston, sergeant at-arms.

Plans for an educational and social program have not yet been completed.

NAYLOR C. H. D. CLUB

The Naylor Home Demonstration club met with Mrs. John Chamberlain Sept. 10th with five members, and one visitor present.

After a brief business session, the remainder of the afternoon was spent socially. The next meeting will be at the home of Mrs. M. L. Wood, Sept. the 24th.

MRS. KELLY CHAMBERLAIN ENTERTAINS

Members of the Contract Bridge Club spent a delightful afternoon Wednesday when Mrs. Kelly Chamberlain entertained with two tables.

Miss Anna Moores was awarded high score. Those present included Mesdames John Sims, Jr., T. H. Ellis, Chas. B. Trent, Earl Alexander, and Misses Anna Moores, Lorraine Patrick, Mary Cook. Guests were Misses Gertrude Pharr, Dorothy McCanne, Elgin Patrick, Mary Jo Chamberlain.

PICNIC PARTY GIVEN AT COUNTRY CLUB

Mrs. J. L. McMurtry and Mrs. F. E. Chamberlain arranged a bridge party and picnic supper Wednesday evening at the Country Club in honor of Mr. and Mrs. W. J. Lewis who are to leave soon for their winter home at Dallas.

Following a happy hour spent in disposing of the super in which each lady shared a part in contributing a covered dish, games of bridge were played in the spacious club rooms, Mr. and Mrs. Lewis were presented with a lovely gift.

In the games, Mrs. W. H. Patrick received high score for ladies and Mr. J. L. McMurtry was awarded high for gentlemen.

Those present were the honorees, Mr. and Mrs. W. J. Lewis, Messrs. and Mesdames John Blocker, W. H. Patrick, Odos Caraway, C. T. McMurtry, Geo. A. Ryan, J. L. Mc

Murtry, F. E. Chamberlain. Mesdames A. L. Chase, R. A. Chamberlain, W. H. Cook, Messrs. Wesley Knorpp, Bill and Allen Cooke.

ASHTOLA SCHOOL NEWS

CHAMBERLAIN

E. A. Millsap and family of Houston returned to their home Saturday after spending a few days in the home of his parents, Mr. and Mrs. A. L. Millsap.

Finas Dejournett and lady of Hale-Center visited in the Johnson home for the week end.

A few have begun to gather the fleecy staple.

Homer Newton and W. A. Hughes each made a trip to Amarillo this week with a load of vegetables and melons.

The citizens of this community are doing their dead level best to stem the tide of this Hoover prosperity. The families of Owen Hott, W. A. Hughes, D. N. Hudson, and V. V. Johnston have each stored away cellars between four and five hundred quarts of vegetables.

We think these families fairly represent what the community is doing in storing away food for the remainder of the Hoover days that are just around the corner. Let's be patient and endure it, for in the language of Will Rogers it will be 1933 before the Democrats will be able to help us.

Speaking of Hoover, a good man remarked in Clarendon Saturday that he voted for Herbert, but as his children are small he hopes that they will never learn of their daddy casting that ballot. But we have long been taught that even Belzebub (the devil) should have his dues, and honest, we did hear of one man that got out of a tight place by voting for Hoover.

The story goes that the poor fellow was traveling on foot through a deep forest in the good old state of Arkansas, and one of those food strangling rains that so frequently fall there overtook him.

There being no houses near he decided to crawl in a hollow log to protect himself from the downpour. As the rain continued the traveler fell asleep, and when he awoke to his great surprise he learned that the old log had swollen tight as tick's hatband and that he was stuck hard and fast, and try as may, he was unable to extract himself.

Well, the old boy thought of poor Floyd Collins who lost his life after days of suffering and anguish from being caught in a rock slide in a cave in Kentucky.

Realizing that he was slowly but surely eaking his way into the presence of Saint Peter, and naturally he began to think of a preparation to stand before that great tribunal.

As he hurriedly evinced his mistakes, the fact that he voted for Hoover was vividly staring him in the face, and he said that it made him feel so blamed little that he slid out of that log with room to spare.

McKNIGHT

Hooray! The McKnight Lions played their first game of basketball Friday with Windy Valley. They played a good hard game and came out victorious with a score of 16 to 14, after having played two extra quarters to play off a tie. The Pep Squad loyally did its part by keeping up a continuous roar of yells even though it was new and voices grew hoarse and rasping before the close of the last two quarters.

The Nazarene meeting, which began last Friday night, is being well attended. A large crowd was out Sunday night to hear Rev. Josey of Windy Valley who substituted for Rev. Busbee.

The people of the community are rejoicing over the safe return of Mrs. T. N. Meser, who has been critically ill in Temple. She reached home Sunday morning and is feeling quite well though still confined to her bed.

Miss Otha Lamberson entertained six of her friends with a slumber party Thursday night. The girls report an unusual number of thrilling escapades and scarry happenings. Those enjoying the good time and eats were Marie and Alta Gatewood, Miss Winnie Spears, Hattie Lee Walker, Olena Hickerston, Gladys McCrary and the Hostess, Otha Lamberson.

The latest arrival in the community came Sunday morning in the person of Miss Dorothy Faye Webb, daughter of Mr. and Mrs. Webb of Bray community. The mother and babe are with her parents, Mr. and Mrs. C. A. Waddell.

Mr. and Mrs. E. H. Estlack spent the week end in Shamrock with relatives, Mr. and Mrs. Ben A. Wooten.

Miss Marie Gatewood was quite ill Friday.

Mr. and Mrs. J. W. Gatewood

The Ashtola school started on a new time schedule Tuesday morning. Instead of taking up at 9:00 as usual, the school begins at 7:00. The class periods are shortened only five minutes. The High school and upper grades of the elementary grades are run without intermission until 12:20. At this time the school is dismissed for the day. It is hoped by this new plan that the farmers will be able to gather their crops and keep the children in school at the same time.

A new course offered in the Ashtola school is that of business science. The purpose of this course is to help the student find his place in life. In this course, various industries will be studied in view of finding their advantages and their disadvantages. One criticism of our public school system is that we turn out students who do not know what to do with themselves. It is hoped that this course will help remedy that defect.

Texts were bought by the students. The class is met as a regular one unit course and the credit offered is on unit. The class expects to go on a few field trips, inspecting various industries and business concerns.

The Ashtola Spanish club have started out with pep. In the club a study of Mexican, Spanish and other spanish speaking countries costumes and customs.

PLEASANT VALLEY

Rev. Ingram is holding a meeting here at the school house. Andrew Reavis has preached several good sermons and interest is increasing. Rev. Ingram will be given a 'pounding Thursday evening.

Mr. and Mrs. Stamer of Baird spent the week end with her sister, Mrs. Lamberson and family.

Jarrett Wilson of Los Angeles and Mrs. Marvin Jones of Dalhart and Mr. and Mrs. J. T. Wilson of Clarendon visited in the Roy Wilson home over the week end.

Miss Mary Boone of Palo Pinto visited in the Hugh Riley home the past week.

Our farmers are busy gathering cotton and putting up feed.

and daughter, Marie, accompanied by Mr. Cap Waddell and his mother, were business visitors in Clarendon Monday.

Cotton picking is in full swing this week and school will close Friday to enable the school children to help with this work.

The first bale of cotton that has been ginned here was brought in by Mr. Fortenberry Friday afternoon.

I AM STILL RICH

By Roy L. Smith in the Rotarian
We have passed through a panic, suffered from a crash on the stock market and are now more than half way through the depression and I am still rich.

It may be true that I have much less to live on than I had a year ago, but it is certainly true that I have just as much as ever to live for. The real values of life are unshaken and solid.

The stock crash cost us much that we never had—paper profits which never got nearer our pockets than the financial pages of the daily papers. The market failed but nothing else did. Prices went down but not one acre lost its fertility and all the electrons, protons, and ether waves went on working in their accustomed ways.

When the depression came I was compelled to take an invoice and soon discovered that I was still rich. All my capacity for the enjoyment of life was intact.

The depression has not lowered the value of a single friendship. Neighbors still greet us in the same old cordial way, business associates believe in us, and our sons hold us in high respect. The wife's welcome at the close of the day has not depreciated in the least and our daughters continue to lavish their affection upon us with the same old extravagance.

My faith in the goodness of the universe is unimpaired. By that faith I am emboldened as I face defeat and despair. The prayers my mother taught me and the faith in God instilled in me by a devout father remain as priceless treasures no depression can touch.

No nation becomes great by becoming rich. Neither does a man find enduring satisfaction in life by owning something—only by becoming something. The most degrading poverty is that which results from killing the spirit that the body may be served.

This depression has cost us some of the things we created but it has robbed us of none of our power to create. We may lose some beautiful things but we have lost no love of the beautiful.

It is a challenge, not a catastrophe. A generation that has conquered the air and sent giant planes circling the globe, which has plunged into the deeps and disappeared on the ocean's floor, which has climbed above the clouds and lived in the stratosphere, is now faced with the challenge to rise above its dependence on mere things and seek an emancipation of the spirit of man.

The last six months have been for many men a thrilling spiritual adventure through which they have discovered their real wealth. Hereft

CHAMBERLAIN SCHOOL NEWS

The teachers report the students doing the best work they have ever done.

Friday the 7th, 8th, 9th, and 10th grades enjoyed a half holiday visiting Mr. Knight's Dairy.

They saw the milking, cooling and bottling, and all were impressed with the sanitary method of handling the product. Mr. Knight gave them a treat of his milk chocolate that was very much enjoyed.

The boys carried 17 fine water-melons with them and they with the dairy force enjoyed a very social melon feast. All the teachers were present and each one reports the time well spent.

of dividends and profits they are discovering the sustaining powers of a strong religious faith, the abiding values of courage, heroism, honor, charity, and trustworthiness.

A financial crisis can wipe out profits and bring business to a standstill but character is beyond its reach. It can rob us of all we have but it cannot affect what we are.

The investments we made in ambitious youth, hospitals, crippled children's camps, colleges, and service institutions go on paying dividends. The deepest satisfactions of life—those which come from sharing and serving—remain secure.

I am still rich because I am independently rich—none of my wealth depends upon business conditions or market reports.

ACCIDENT IN RHYME

Most every day we read about some one who has his life knocked out, because, before the train goes by he tries to get across in high. He doesn't want to stop and wait until some passenger or freight has rumbled by and cleared the way, he hasn't got no time to stay and so he steps upon the gas, he won't wait for the train to pass. The chances are he learns too late it is safer far to stop and wait, the engines strikes and knocks him hence his auto's straddle of a fence, while he is lucky if, by heck, he hasn't got a broken neck.

When I come to a railroad track I look down it both ways and back

and if the limited's in sight I stop the motor and sit tight until the train has hurried by, for I ain't in a rush to die. A moment's waiting, more or less won't hurt me very much I guess. I'd rather be alive and late than knocked to pieces by a freight. I'd rather stand for some delay than to smear up the right of way. I'd rather wait awhile, by gee, than have a funeral with me the guest of honor, while, gee whiz, they say "how natural he is." When my time comes and life shall cease, I want to go all in one piece, so when the bell begins to ring, I stop my car and wait, by jing!

If baby has COLIC

A Ch' in the night, Colic! No cause for alarm if Castoria is handy. This pure vegetable preparation brings quick comfort, and can never harm. It is the sensible thing when children are ailing. Whether it's the stomach, or the little bowels; colic or constipation; or diarrhea. When tiny tongues are coated, or the breath is bad. Whenever there's a need of gentle regulation. Children love the taste of Castoria, and its mildness makes it safe for frequent use.

And a more liberal dose of Castoria is always better for growing children than strong medicine meant only for adult use.

Saturday Specials!

We have plenty of school supplies. Send the children in, we will take care of them.

CAR OWNERS DEMAND VALUES—not Claims!

6 CORD PLYS UNDER THE TREAD

MOTORISTS are finding the Greatest Values in Firestone Gum-Dipped Tires. Ever since Firestone and Firestone Dealers began advertising the true facts about tire quality and construction and actually demonstrating the Extra Values in Firestone Gum-Dipped Tires, distributors of special-brand mail-order tires have grown bolder and bolder with misleading claims and comparisons in the desperate effort to interest car-owners.

Car owners bought more Firestone Tires in May, June and July, than in any like period in history. This clearly shows that car owners are interested in Firestone Extra Values and are not interested in comparisons based on an almost obsolete tire size—confusing laboratory analyses—meaningless definitions—practical challenges with unfair claims of twenty-five per cent savings—and deceiving price comparisons.

Why risk a tire of unknown manufacture when you can get the Extra Quality, Extra Strength, and Extra Safety of the special patented construction features of Firestone Tires—Gum-Dipping, and Two Extra Cord Plys under the Tread?

You get these Extra Values—plus our Service and the DOUBLE GUARANTEE of Firestone and ourselves—at no more cost!

Drive in today.—We have sections cut from Firestone Tires, special-brand mail-order tires and others.—See the evidence.—Take nothing for granted.—Judge for Yourself.

SUNNYVIEW

Miss Eula Allen is teaching school again this term near Jericho. Her school began last Monday.

While running around the corner of the school room last Friday, little Pauline Riley happened to a very unusual and painful accident when she threw out her hand, her ring on her third finger hung on a nail, tearing the flesh from her finger. Her teacher took her home where her hand was dressed and she was back in school Monday.

Miss Eula Haley and Mr. and Mrs. Paul Smith were callers in the home of Mr. and Mrs. Will Haley Friday night.

Mr. and Mrs. Gus Rascoe of Memphis and Mr. and Mrs. Sam Roberts visited with Mr. and Mrs. Devortie Leathers Sunday afternoon.

Mr. and Mrs. Alfred Estlack called on her father, Mr. Hutto and sister, Miss Ethel Thursday night. Miss Kathleen Riley is spending a few days with relatives at Allared this week.

Mr. and Mrs. A. M. Lanham drove to Amarillo where they visited with their son Mr. and Mrs. D. Lanham also called on Mrs. J. H. Roberts while there.

Mr. and Mrs. Emmet Tims of Goodnight and Mr. and Mrs. Bill Knowles of Lelia Lake visited with Mr. and Mrs. Nelson Riley Sunday afternoon.

Mr. and Mrs. Heckle Starks and Mrs. Millard Starks were dinner guests of Mr. and Mrs. Neal Bogard Sunday.

Mr. Arthur Batson and son Earl of Amarillo spent Thursday night with his sister, Mr. and Mrs. Sam Roberts.

Mr. and Mrs. Baker of Clarendon called on Mr. and Mrs. Sam Roberts late Sunday afternoon.

Mr. and Mrs. T. T. Waggoner and family of Claude spent Sunday with Mr. and Mrs. F. L. Behrens.

Mr. and Mrs. Willie McNeely and sons Willie Jr. and John Albert and daughter of Italy, Texas spent Tuesday night with Mr. and Mrs. M. Starks and drove to Amarillo Wednesday to see their daughter and sister, Mrs. James Adams. They found her some better than she had been but yet very low.

MARTIN

Sunday school at the usual hour Sunday morning with good attendance.

Bro. Shepherd filled his regular appointment Sat. night. Singing Sunday evening was well attended. We were glad to have with us Sunday night Mr. and Mrs. R. A. Wooten of Goodnight, Mrs. Wooten being the song leader.

Some few are cutting feed, cotton is opening rapidly and several are picking.

Canning is keeping our folks busy. Everything that can be canned is being put up for future use.

The Martin Home Demonstration club met with Mrs. J. D. Wood at her home Friday afternoon of the 11th. After a short business session Miss Buttrill gave a demonstration in making watermelon products. Those present were Mesdames J. E. Baker, Edwin Baley, Walter Hutchins, W. E. Hodges, Buck Roberts, J. C. Wood, Virgil Jordan, J. A. Pool, H. B. Catlett, Helton, Lee Wood, Miss Della Wood, Miss Polly Sowell and Miss Martha Buttrill.

Born to Mr. and Mrs. Hollis Hef-

ner Sunday morning, an 8 1/2 lb. boy.

Mr. and Mrs. Oswell Jones spent Sat. night and Sunday at Hedley with Mrs. Mace uncle, Mr. and Mrs. John Mace.

Mr. and Mrs. Aubrey Talley and daughter returned to their home at Silverton Sunday after spending several days with relatives here.

Mr. and Mrs. Melton Adkins from Thalia, Texas, Mr. and Mrs. J. T. Baker of Denton, Texas, spent a few days last week visiting with Mr. and Mrs. T. R. Adkins.

Mr. and Mrs. Conda Jones spent Sunday afternoon with Mr. and Mrs. Walter Morrow.

Mr. and Mrs. Bert Adkins and daughter and Mr. and Mrs. Hugh Anderson spent Sunday with Mr. and Mrs. Sid Endsley.

WINDY VALLEY

Rev. Roby Josey preached Sunday following the Sunday school that was well attended.

Mr. and Mrs. Geo. Ellers and family visited in the E. N. Cole home Sunday.

Mrs. Elsie Bullard of Lelia Lake visited her parents, Mr. and Mrs. M. A. Josey Saturday night.

Bro. Dawson of Hedley will preach at the school house next Sunday at 4 p. m.

Miss Jewell Morgan, who is attending school at Hedley, spent the week end with homefolks.

Mr. and Mrs. Finney Tarver and children of Estelline spent Friday here at the home of her parents, Mr. and Mrs. W. B. Morgan.

The Baptist revival has increased interest here with a number of conversions and several additions. The Sunday school has been reorganized with J. S. Harlan, superintendent and L. O. Christie as assistant. The teachers are Mrs. D. B. Perdue, Miss Pearl Christie, Mrs. L. C. Tims, Miss Inez Skinner,

and Miss Connie Perdue was elected secretary.

Every one is invited to attend both Sunday schools. The Baptist Sunday school will be in session at 10 a. m. and the union at 3 p. m. each Sunday.

Mr. and Mrs. Kavanaugh and Patsy are to make their home at Greenville for the next six weeks where he will attend school.

Cliff Cleeman of Quanah is visiting his uncle, Jim Mann and family.

Odus Owens and Miss Nettie Lyons were married in Hollis Friday. They were accompanied by Mr. and Mrs. Virgil Reeves. The bride is a daughter of Mr. and Mrs. O. S. Lyons of this community where she has resided for five years. They will make their home near Hedley where the groom is engaged in farming.

We extend congratulations and best wishes to this worthy young couple and wish them much joy and happiness.

ASHTOLA

The young people reorganized the League Sunday night, the local school teachers taking a prominent part. It is hoped to make it one of the best Leagues in the district.

Mr. and Mrs. A. A. Smith of the Martin community spent Sunday in the A. L. Wallace home.

Mr. B. L. Collier spent the past week with her mother at Estelline. At a farmers' meeting Monday night it was decided to open cotton picking at 40 cents a hundred.

Mr. and Mrs. Whit Calcote and babe have returned from a visit with his parents at Plainview.

Mr. B. L. Collier is improving from a serious illness that called to his bedside Wednesday. Mr. and Mrs. Earl Billingley of Farwell and Mr. and Mrs. Bob Perry and family of Clovia.

Our school enrollment this term is larger than last and it appears that more interest is being taken. A shower bath has been provided near the teacherage for the benefit of the ball players. The night ball court is proving very popular.

Farmers who become blue over the price of cotton think of what their wives have stored away for winter and think things are not so bad after all. Canning continues with hundreds of jars and cans of peas, beans, tomatoes, corn, etc.

Mr. and Mrs. Louie Nicholas and babe spent the week at Lubbock.

SMITH

The W. C. D. club met Wednesday afternoon in the home of Mrs. Clyde Roden with ten members present. Miss Buttrill was with us and gave a very interesting demonstration using watermelon rines as a bases. Those present were Mesdames Wes Mabry, Henry Scott, Burly Brown, Frank Jack-

son, Berl Smith, Sloan Baker, Jess Grimes, Clyde Roden and Misses Buttrill, Mary Lee Mabry, Mildred and Madge Brown.

The young people of the community spent a very enjoyable evening Sat. in the home of Mr. and Mrs. Jess Grimes.

Miss Ara Faye Womack spent Sat. night and Sunday visiting with her sister, Mrs. S. Baker.

Miss Mildred Baker returned from Lubbock Sat. where she had been for a weeks visit with friends.

Farmers of the community are all busy now with their cotton.

Mr. Shipman lost his home Thursday morning by fire. The origin was unknown. They saved nearly all their household goods. The community extends their sympathy but are glad no one was injured in any way.

Quite a number attended the singing convention at Brice Sun. Inez Crow escaped what might have been a serious accident Thurs. when the steering wheel of the car locked and she went into the ditch. She was rather shaken up and

bruised but no serious injury was done.

Rev. Wilburn preached Sunday. Sunday school is still at 3:30. Come and visit us.

NAYLOR

Miss Rachel Tidrow, who teaches in the Windy Valley school is home since school closed for cotton picking.

Misses Minnie and Lou Naylor and Mr. and Mrs. Rich Bowlin visited in the Wayne Bowlin home at Hedley Sunday.

Mr. and Mrs. H. B. Naylor and children visited his mother, Mrs. Fanny Naylor Sunday afternoon, the occasion being her birthday. Ice cream and cake were served.

Mrs. Williams of Wellington is visiting her granddaughter, Mrs. Floy Crawford this week.

DEATH menaces Children

LET'S SAVE THEM

Every day you meet more cars displaying this emblem — which shows how the League is growing. Get your emblem here.

public opinion against him. He killed 32,500 people last year.

Help us cheat the death toll this year. Do your part by joining in this great national crusade against recklessness, the Silvertown Safety League.

Come here to League Headquarters and sign the Safe Drivers' pledge.

Your family will be safer. Other children will be safer. Don't delay!

It costs nothing to join the League. It may save a life. Join now. This nation-wide battle for safety needs you.

The greatest tragedy of automobile accidents is that they fall so frequently on the innocent—on children. Young lives snuffed out because of careless, reckless driving.

Death rides with the careless driver and the mounting toll of fatal accidents have aroused

We make a generous trade-in allowance for your old, doubtful tires—start riding on safety-tested Silvertowns today!

MY PLEDGE AS A MEMBER
 THE SILVERTOWN SAFETY LEAGUE
 I AGREE...

1. To drive at speeds in keeping with the safety of others as well as myself.
2. To keep on the right side of the road, except when passing.
3. To pass only when I know there are ample time and space—never on blind curves or when nearing the crest of a hill.
4. To go through intersections only when I have the right of way.
5. To observe all traffic signals.
6. To give signals myself that can be clearly seen and understood, before turning or stopping in traffic.
7. To drive only when in full possession of my faculties.
8. To keep my brakes, lights, and horn in good condition.
9. To operate my car on tires which assure a positive grip on the road—safe traction—and freedom from hazardous tire failures.

These rules have proved their ability to prevent accidents in 5,000,000 miles of safe driving.

AIR CONTAINERS—taking the place of old-fashioned inner tubes—seal punctures on running wheels. (A) Cross section deflated. (B) Cross section inflated. Compression of rubber beneath cord insert prevents escape of air if a puncture occurs.

"A COMMON PAPER FOR COMMON PEOPLE"

AMARILLO FAIR TO BE HOST TO BANDS GALORE

New Mexico Indian Group To Be New Feature For Exposition

Amarillo, Texas, Sept. 17—More than 25 bands, representing cities and towns of the Panhandle-Plains and New Mexico, already are making arrangements to attend the Tri-State Fair, September 21 to 26, at least one day, and Mason King, trade extension director of the Amarillo Chamber of Commerce, this week is making a tour of the Panhandle to invite others.

A feature of the fair, started last year, is that of broadcasting music by the various bands over Amarillo's two radio stations, WDAG and KGRS.

Although various towns are assigned special days at the fair, many fall on the same date, creating keen competition between bands and delegations.

Of unusual interest this year will be the Indian delegation to be brought here from Albuquerque, N. M., on New Mexico Day, Friday, September 25. This aggregation of Indians, taken from the cast of the "First American", Albuquerque's Indian spectacle, will bring its own band.

With early entries in the various departments piling up fast, all amusement features arranged, including Leonard Stroud's rodeo for each afternoon before the grandstand, and general plans running smoothly, Wilbur C. Hawk, president of the fair associations, predicts a record crowd will pass through the now famous free gate during the six-day exposition.

Pathfinders Announce First Meeting September 25th

The Leader is requested to announce the first meeting of the season of the Pathfinder Club on Friday, September 25th. The meeting will be held in the Club Room.

Hostesses for this meeting will be Mrs. J. R. Porter and Mrs. B. G. Smith. All members are urged to be present and score a 100% attendance for the year.

Plainview National Bank Failed to Open Monday

With assets said to be double the amount of liabilities, the National Bank of Plainview and the last to survive the depression, failed to open for business Monday morning according to reports that reached here the same day.

Loans total around \$1,775,000. Deposits about \$2,400,000. Capital stock \$125,000. Reports from there Wednesday stated that reorganization would be possible at an early date.

J. W. Dunn of Memphis is visiting in the H. J. Eddington home.

Mrs. Irene Mitchell and son Marvin spent the week end at Hereford.

Joe Everett underwent an appendix operation in an Amarillo hospital the last of the week.

Miss Sue Alice Simpson visited with Mrs. L. S. Bagby the past week.

Mrs. Richard Bell and Miss Lotta Bourland returned from El Paso Tuesday after a delightful visit with Mrs. Carl Williams and her sisters.

Rev. J. O. Quattlebaum visited his daughter, Miss Mary Alice who is in school here, over the week end. Rev. Quattlebaum is pastor of the Methodist church at Ralls.

MURDER TRIAL IS UP FOR HEARING MONDAY EVENING

Bill Ray Charged with Murder Will be Tried at Methodist Church at 8 P. M.

Clarendon residents will not have to leave their own streets to see and hear a murder trial, for one is to take place at the Methodist church Monday evening beginning at 8 o'clock.

A well known young man by the name of Bill Ray is "charged" with the "murder" of Earl Wright. The whole setting will deal with the "killing" of a man by his friend, whom, it is shown, was under the influence of liquor at the time he struck the blow that snuffed out a life, left a widow and family of fatherless children.

The "trial" is being staged by a cooperation of the churches, Ministerial Alliance and the Anti-Saloon League with the object of pointing out a lesson in prohibition law enforcement.

The cast follows:
Judge _____ S. W. Lowe
Sheriff _____ Guy Pierce
Jack Stiles (bootlegger)—Sam Braswell.

Deputy Sheriff _____ H. T. Burton
Frank Lloyd (defendant)—Bill Ray.

Court Reporter—Roy Clampitt.

Mrs. French, star witness—Mrs. W. C. Stewart.

Mr. Cook, coroner—G. L. Boykin

Mrs. Lloyd, mother of defendant, Mrs. C. A. Burton.

Mrs. Wright, wife of deceased, Mrs. G. L. Boykin.

Counsel for Defense, Atticus Webb, Dallas.

Prosecuting Attorney, J. R. Porter.

The jury will be as follows: W. L. Clampitt, W. A. Armstrong, R. I. McGowan, Roy Clayton, D. O. Stallings, W. Z. Borron, W. M. Montgomery, J. H. Hurn, Tom Keener, E. V. Quattlebaum, O. C. Watson, Joe Goldston.

Everybody welcome. You are being urged by the Committee to be present and see this impressive drama.

Miss Delphia Bones visited with Miss Ruth Price at Amarillo Friday.

Mr. and Mrs. Perry Wood of near Channing spent the week end with relatives here.

D. C. Moore of Panhandle and formerly a merchant of Hedley, had business here Tuesday.

FOR INFORMATION TAX PAYERS, DONLEY CO.

Under S. B. No. 8, passed by the 42nd Legislature January 29, 1931, all 1930 Taxes will become delinquent with penalty October 16, 1931.

Under the New Law recently passed, the Tax Payer is allowed to November 30, 1931 to pay one half of his 1931 taxes. If one-half is paid by Nov. 30, 1931, then the balance is carried without interest or penalty until June 30, 1932. But if the one-half is not paid by Nov. 30th, then all taxes become delinquent with penalty February 1, as heretofore.

Poll taxes must be paid between October 1, 1931 and Jan. 31, 1932.

RARE BIRDS MAKE HOME AT LAKE NASWORTHY

A story in the San Angelo Standard-Times reports the arrival at Lake Nasworthy of four strange white birds, which have been identified as aigrettes—South American birds which are extremely rare on this continent.

Mr. and Mrs. H. F. Isler, of San Angelo, recognized the birds, having had several as pets during a ten-year stay in South America.

Clarence Piercy Grows Cane Nine Feet Tall

Nine foot cane is something to make the average citizen sit up and take notice this season. Clarence Piercy has about twenty acres on his place down in the J A pasture.

A sample was brought to the office of the Clarendon Implement company the first of the week. This cane is but a part of the 270 acre feed crop that is being bundled at this time, and which has been sold to the J A ranch people.

Wrestling Match Delayed Over The Week

Roy Welch of Borger was in town Tuesday and stated that he had not been able to get a man lined up for the scrimmage here this week.

He wants to get a man of his class, and in that determination, it may take another week of hunting over the southwest to find such a man as will give local fans all the enjoyment they have a right to expect.

Mrs. W. T. Link and Miss Joyce are spending some time on a visit with Mrs. Link's mother at Throckmorton. They expect to visit at other points before returning home.

Friends of Mrs. A. B. Blanton will be pleased to know that she has recovered from her recent illness to the extent of being able to be up again.

Those attending the district telephone picnic at the Wayside Inn Tuesday evening from here were Mr. and Mrs. Chas. Knox, Mrs. Earl Naylor and Miss Lela Lamon.

Mrs. Cal Merchant, who has been a patient at Adair hospital following an operation last week, has been removed to her home with every evidence of a quick recovery of her health.

J. M. Keffer, manager of telephone interests of the company in western Oklahoma, visited here Tuesday. He is relieving Carl Throop who is taking a vacation in Birmingham, Ala.

R. L. Elliott, district manager for the IHC machinery interests, spent the week here. While here he spent quite a bit of time with his boyhood chum, Geo. H. McCleskey, the two having lived on adjoining farms in Parker county years ago.

Water Trough Has Become Necessary Again

Due to the fact that a great many more teams are being used at this time, Mayor Cagle has arranged for the watering of such teams by having a water trough installed just south of the Bennett & Sims elevator.

No such convenience has existed here for a number of years since very few teams were being used. This arrangement is free and for the convenience of those who wish to water teams when remaining in town for a time.

THE STATE OF TEXAS

TO THE SHERIFF OR ANY CONSTABLE OF DONLEY COUNTY, GREETING:

You are hereby commanded to summon Nicholas Barrett, and the unknown heirs of Nicholas Barrett, by causing these to be published for the length of time, and in the manner in such newspaper published in this county, as is required by law, to be and appear before the Honorable District Court of Donley County, Texas, on the 19th day of October, 1931, the same being the third Monday in last said month, then and there to answer the petition of Andrew Jay and wife, Alice Jay, filed in said court on the 3rd day of September, 1931, in a cause wherein Andrew Jay and wife, Alice Jay, are plaintiffs, and Nicholas Barrett and his unknown heirs are defendants, in cause No. 1736, on the civil docket of said court.

The nature of plaintiffs' demand being in trespass to try title, for the recovery of the title and possession of lots Nos. 11 and 12, in block No. 89, in the original town of Clarendon, and alleging that the said Barrett conveyed said premises to the remote vendor of the plaintiffs in 1904, and vouching the five, ten and twenty five years statutes of limitation under recorded deeds and possession and continuous use of plaintiffs and their vendors.

HEREIN FAIL NOT to have you this writ before said court on the first day of the next term thereof, with your return thereon in writing, showing how you have executed the same.

Witness my hand and seal of said court at office in Clarendon, Texas, this 3rd day of September, 1931.

A. H. Baker
Clerk of the District Court in and for Donley County, Texas.

Young Ladies Will Attend School of Nursing

Three happy young ladies left here Sunday Houston bound where they are to begin study for the profession of nursing in Jefferson Davis hospital.

These girls, Misses Melba Dell Warner, Margaret Dillard and Ruth Nichols, each graduated from the local high school the past term. Buoyant with expectation, and happy in the thought of being of service to humanity when the training period is ended, the girls chose a profession in which they will reflect credit upon themselves, their parents and the local schools.

Firestone Dealers Have Good Business Over Month

In speaking of their Firestone sales the past month, the Hommel brothers, local agents, are jubilant. "We frequently sell entire sets and have sold several such sets the past week in addition to a large number of single tires" is the way Ollie Homel expressed his views of the matter Tuesday.

This firm has been doing a lot of cooperative advertising on Firestones and the extensive campaign has brought results beyond expectation. Since these advertisements have been run in the Leader, it offers further proof of the excellent coverage to be had by those who patronize the Leader as an advertising medium.

Little Miss Margaret Ann Jenkins, daughter of Dr. and Mrs. Oscar L. Jenkins has been quite ill during the past week, but is recovering nicely according to report today.

ASPIRIN

BEWARE OF IMITATIONS

DEMAND

LOOK for the name Bayer and the word genuine on the package as pictured above when you buy Aspirin. Then you'll know that you are getting the genuine Bayer product that thousands of physicians prescribe.

Bayer Aspirin is SAFE, as millions of users have proved. It does not depress the heart, and no harmful after-effects follow its use.

Bayer Aspirin is the universal antidote for pains of all kinds.

Headaches Neuritis
Colds Neuralgia
Sore Throat Lumbago
Rheumatism Toothache

Genuine Bayer Aspirin is sold at all druggists in boxes of 12 and in bottles of 24 and 100.

Aspirin is the trade-mark of Bayer manufacture of monoaceticacidester of salicylicacid.

Wake Up Your Liver Bile —Without Calomel

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes these good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist a substitute. See at all stores. © 1931, C. M. Co.

Rev. C. B. Ingram to Preach At Three Places Sunday

Rev. Ingram announces that he will preach at Martin preceding the Sunday school hour next Sunday, then at Ashtola immediately after Sunday school.

He expects to preach at Sunnyview at 3 p. m. the same day and assist in the organization of a Sunday school at that point in which surrounding communities have expressed a desire to share a part.

Misses Elma Smith and Irene McCormick were in Pampa Tuesday.

Jack Christian of Vernon spent the night Tuesday in the home of G. G. Kemp while on a business mission in Clarendon.
