WEST TEXAS GREAT SAYS VISITOR OF DISTANT ISLANDS

Autoist 10,000 Miles From Home Visits Here Over Night Tuesday

Autos from many states visit Donley county on through trips to and from the outer spaces of the Nation, but when a Stutz car bearing a Manila license from the Philippine Islands hove on to the streets Wednesday morning after the party had remained at the Auto over the night, localites of the little village began to take notice.

Mr. and Mrs. H. L. Heath were simply on their third tour round the earth traveling water lanes by boat and overland in the Stutz. Mr. Heath is president of the Manila Cordage Company with supply houses on both the Pacific and Atlantic coasts of the United States.

They landed at San Francisco and picked up a Leland Stanford graduate boy, D. C. Doane by name who also wished to see the world by the 'shofer' route. They were bound for Key West, thence to Cuba and later to New York before sailing to Europe.

Mr. Heath was formerly a newspaper man in the States and was a most affable gentleman willing to grant a pleasant interview with many interesting accounts of experience in many lands.

The Stutz had been giving trouble since leaving Frisco, and a number of mechanics had sought to find it. It remained for R. S. Moss to locate the trouble and send the visitor happy on his way with many compliments to the well-known mechanic of the little west Texas town who knows his "car stuff."

County Hospital Heavily Taxed This Week

More patients were being cared for in Adair Hospital the past week than for many months. Most all of the patients received there are "pay" patients, though some are forced to give notes due to the scarcity of money at this time. Still others are purely charity patients in which surgeons often contribute of their skill, and a most Christian-like act on the part of the surgeons and of the governing board of the hospital.

It became necessary Monday for the County Commissioners to transfer \$750 from the General Fund of the county to the Hospital Fund in order to care for the increased number of patients and the consequent increase in carrying expense.

Zack Aduddel of Brice suffered a paralytic stroke recently affecting the left side of his face seriously to the extent that he lost control of the muscles in his face on that side.

Mrs. Wm. Bush of McLean is visiting her niece, Mrs. O. F. Russell.

REV. CRIMM IS SPEAKER FRIDAY'S LUNCHEON HOUR

Rotarians Hear Discourse On Pertinent Topics Of The Day

Dr. J. W. Evans and R. E. Drennon had charge of the program for Rotary's luncheon hour Friday noon at Hotel Clarendon.

The principal speaker was Rev. E. B. Crimm, Baptist evangelist who is holding a revival here at this time. His principal topic was "Life's Investments" though he humorously stated that he had only three subjects: religion, politics and hound dogs.

His song director, Mr. Powell, also made an excellent talk and closed with an urgent invitation to visit the Gainesville Rotary club of which he was a member.

Further plans were made for the visit to Pampa when the local Rotarians will present a program for the Pampa club June 15th. The final arrangements are in charge of Robert S. Cope.

COMMISSIONERS STOP HARRANGUE ABOUT HIGHWAY

Purchase of Right-of-way Would Mean Increased Tax Rate is Cause

The highway issue for the present came to a show-down Tuesday, all four County Commissioners voting against it. It was shown that taxes would be greatly increased should a right-of-way be purchased.

A. L. Chase, Sam Braswell Sr., G. L. Boykin Secretary of the Chamber of Commerce spoke in behalf of the purchase of the road bed. J. R. Mace, pioneer citizen, retired farmer and large land holder of Lella Lake made an impassioned plea in behalf of the taxpayers stating that "if taxes were not reduced, we would reach a state of peonage."

The minutes of the Commissioners Court records the following relative to the right-of-way purchase, etc.:

"The Court having taken the proposition under advisement and also having been presented with a petition with approximately 480 names of property-paying voters of Donley county, asking the Court to purchase said right-of-way with County Warrants, provided it could be done without increasing taxes.

The Court having considered the matter from this angle and it appearing to the Court that in 1929 the Road & Bridge fund from all sources received approximately \$53,000.00; in 1930 approximately \$35,000.00; in 1931 approximately \$27,000.00. There is an indebtedness formerly incurred on said fund which requires approximately \$10,000.00 per year to pay, and it is easy to see that in the diminishing receipts and the fact that 22 cents out of every 30 cent levy of Road & Bridge funds have already been set apart to take care of indebtedness, and the absolute necessity for keeping up lateral roads and repairing culverts and bridges made it appear to the Court that they would be unwarranted in making such indebtedness and endeavoring to pay the same without increasing taxes.

Motion made by Sid E. Harris, and seconded by G. W. Beck that the proposition so made by the Highway Commission be rejected for the reasons above set out."

On the vote, the Commissioners voted unanimously against the purchase of the right-of-way or accepting the proposal of the State Highway Commission relative to highway construction as proposed.

Mrs. J. G. Jeffries and granddaughters Jean and Ruth McDonald and Mrs. E. G. Smith and son Phillip visited relatives at Childress Sunday.

Miss Bettie Walker, formerly with the Clarendon Motor Company, has accepted a stenographic position with the International Harvester company at Sweetwater.

Local Members to Attend Services at Memphis

Rev. Marshall Masters of the First Christian Church, at Iowa Park, Texas has an Evangelistic meeting at the Christian Church in Memphis Sunday. The members of the First Christian Church of Clarendon are invited to be present Thursday night and to furnish the music for the evening.

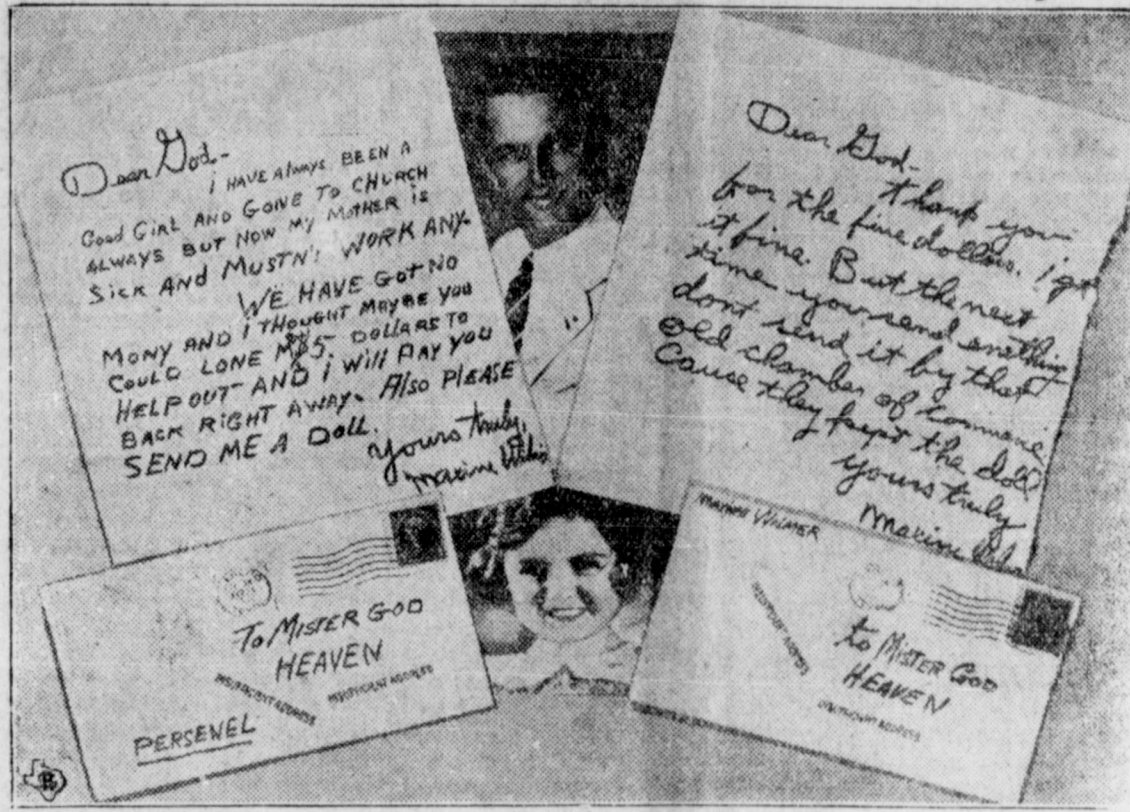

The invitation was accepted and a large number of the local members plan on attending the service as requested.

Memorial Service Monday At Methodist Church

Rev. W. E. Ferrell, pastor of the First Christian church, will be the principal speaker in a Memorial Day Service at the First Methodist church from 10 to 11 o'clock Monday.

The American Legion will be assisted by The Auxiliary ladies in properly decorating the graves of all ex-soldiers of all wars in the local cemetery.

Little Laredo Girl Writes to God and Plea Is Answered

Here is Maxine Wilmer (lower center) 11 year-old Laredo, Texas, girl and the letters which she wrote to God. Above is Malcolm Jones, president of the Laredo Chamber of Commerce, who played God for a day, with startling results. Maxine is still looking for her dolly in every mail.

Windy Valley School Gets Lighting System

With a beautiful brick school building in the center of a well-kept campus surrounded by shade trees properly placed, one may easily conclude why Windy Valley citizens are proud of their school which also serves as a community center and church for several denominations.

If a school building is any criterion by which to judge the character of the inhabitants surrounding it, and it certainly is, that community can boast of a class of citizens the equal of any rural community in the state.

Due to the efforts of A. H. Bowlin, H. W. Stogner, Dick Noble and Mesdames H. C. Shaw and E. Ethel Josey, funds were secured with which to install an up-to-date standard lighting equipment recently.

Mrs. Thomas Receives State Embalmer's License

Mrs. J. A. Thomas, wife of J. A. Thomas of the Buntin mortuary, received wire Saturday stating that she had successfully passed the examination of the State Board given at Dallas during the week.

Mrs. Thomas is a graduate of the Smith Brothers school of embalming at Dallas, the only one of its kind in the state.

J. L. Story Dies From Injuries Saturday

While attempting to board a passenger at Amarillo about 9 p. m. Thursday, J. L. Story fell beneath the wheels and suffered the loss of both legs. One just below the hip and the other above the knee.

He was rushed to a hospital where blood transfusions were made keeping him alive until early Saturday morning. Funeral services were conducted at Amarillo Monday.

Mr. Story conducted a "photo business here for a time" two years ago making a specialty of baby pictures. The family made many friends here. He is survived by his widow and six children.

County Council To Meet Saturday Afternoon

A meeting of the County Council of H. D. Clubs will be held in the Ladies Club Room at 2 p. m. Saturday, May 28th.

The Federated Clubs will meet in the Club Room on the same day at 3 p. m. Mrs. O. L. Fink, the president, requests that all club ladies be present to assist in disposing of matters of importance to the Federation.

Miss Elgin Patrick spent the week end with friends at Childress.

To Organize Shanks Clubs In Every County

A "Dave Shanks for Senator" club was organized at Perryton recently and it is being suggested that such a club be organized in each of the counties of the 31st Senatorial district.

In speaking of the organization of a club at Perryton, Van W. Stewart, president of the club said: "We need more county, state and national officers who are not afraid to take a stand on political questions and who have the courage of their convictions."

It is said that a club will be organized in Donley county in the near future. Mr. Shanks is a candidate for the place now held by Clint C. Small, formerly of Wellington, but who is making his home at Amarillo.

Severe Burns Result From Gas Spill Saturday

While working on his truck Saturday, Charley A. Fronbarger spilled gasoline over his left arm saturating the sleeve of his shirt.

He had forgotten all about the spill, and a few minutes later when he struck a match, his shirt became instantly ignited burning his arm severely before he could extinguish the flame. He is steadily improving from his painful experience.

HOUSTON UPTON MAY BE PAROLED BY STATE BOARD

Convicted Here in August Of 1922 For Murdering Gladys Solomon

Houston Upton, tried here on a change of venue from Floyd county on a charge of having murdered Gladys Solomon of Floyd county "on or about February 27, 1922", and given 99 years by a jury, is having papers prepared at the request of Stanhope Henry, member of the State Board of Pardons and Paroles seeking a parole.

The defense at the time of trial was "insanity." Upton was defended by A. B. Martin of Plainview, Kenneth Bain of Floydada and W. T. Link of Clarendon.

The prosecution was conducted by Judge A. J. Fires, assisted by Ethan A. Simpson and District Attorney Harwood Beville. Judge Henry S. Bishop was the presiding judge.

The jury trying the case was composed of J. C. Estlack as foreman, J. W. Gatewood, C. F. Weaver, J. M. Acord, R. F. Wiedman, W. A. Gentry, J. W. Bland, Fred Bullew, J. D. Pope, T. R. Adkins, W. A. Black and Ben Bentley.

The first ballot showed that one voted 2 years, one 20 years, one 50 years, five for 99 years and four demanded that the defendant be hanged. After deliberating and discussing the testimony more than two nights and one day, the jury, after countless ballots, finally agreed upon a sentence of 99 years. Those favoring hanging at the start, contended for a life sentence to preclude the possibility of a pardon or parole.

Houston Upton is alleged to have entered the room of a neighbor where his "sweetheart" and two other girls were sleeping near midnight. He was charged, with shooting to death two of the girls. The third girl who escaped death, was the state's leading witness in the prosecution.

After leaving the Solomon home, Upton removed his shoes and went to a school house a half mile away and attempted to suicide by shooting. He was critically injured from a bullet in his breast and was near death for several weeks.

A charge of murdering the other girl is yet pending against the defendant, he having been indicted shortly after the murder was committed.

An effort will be made, according to a letter received from Upton here this week, to get the officers of the court and the jury to sign a petition asking that he be paroled.

Those wishing to protest, should write the State Board of Pardons and Paroles, Austin, Texas. Due to the fact that Upton was not insane at the time of trial, and that he has shown no symptoms of insanity during the ten years that he has been on Harlem prison farm No. 2, there will likely be numerous protests made to the Board.

American Legion Musicians Broadcast Sunday

A musical program that brought many compliments was sponsored by the local Post of the American Legion in a broadcast over WDAG of Amarillo Sunday afternoon from 4 to 5 p. m.

The program consisted of a varied assortment of music made on stringed instruments by that famous quartet, Joe David, "Kutch" Decker, I. B. Pierce and Reid Aycock.

Judge Cole is National Democratic Delegate

Judge A. T. Cole of Clarendon has been elected one of the eight delegates from this, the 18th District, to attend the National Democratic Convention at Chicago next month.

He was selected to represent Donley county in the State Convention at Houston this week, he being the only one to attend such convention from this county so far as can be ascertained.

UNCLE BOB WILL CELEBRATE WITH BASEBALL GAME

Father and Eight Sons In Only Team of The Kind In America

Uncle Bob Clemmons will celebrate his 68th birthday again this year in a matched game of baseball as he did last, and win by an even bigger margin.

The game will be called at Alanreed on June 19th between the Clemmons family and the Alanreed Wild Cats.

This is the only affair of the kind in the United States so far as can be learned where a family makes up a team of real ball players and meets all comes outside the regular league boys.

The Clemmons family is well known for their skill and this will be a real contest. A large crowd is expected to be present to see "Uncle Bob" and his boys mop up in celebrating his 68th birthday.

The Clemmons lineup: Jake Clemmons, catcher; Vodie Clemmons, pitcher; John Clemmons, first base; Dudley Clemmons, second base; George Clemmons, third base; Vernon Clemmons, short stop; "Uncle Bob", right field; Donley Clemmons, center field; I. B. Clemmons, left field.

Dr. E. L. Jenkins made a professional call to Weatherford last of the week taking advantage of the opportunity to visit relatives and friends while there, and checking up on highway tactics that are interesting if you happen to ask him.

County Equalization Board Meets June 14th

Notices will be mailed out this week and next to taxpayers advising them that the County Commissioners will sit as a Board of Equalization on June 14th. Those who receive notices of a raise in taxes, may register a complaint and tell their side of the story.

At a meeting of the Commissioners this week, G. W. Beck made a motion that the rates be reduced 10 percent. This was seconded by J. Les Hawkins. Taxpayers will be assured of this reduction from the start.

Clarendon Band Attends Highway Convention

The members of the Clarendon band in their natty uniforms of purple and white directed by band master Gus B. Stevenson, saw all of the 66 Highway convention at Shamrock Monday.

The trip had been planned secretly in order to take the Convention by surprise, and surprise it did. The local boys strutted their stuff in making a lasting impression on the convention city by playing popular airs in the most approved manner.

PAINTINGS ARE VIEWED BY MANY OVER THE WEEK

Exhibit Open to Public Every Afternoon From Three to Six

The exhibit of paintings on view in the Ladies Club Room is drawing crowds each afternoon. It is a most interesting collection of original work of a number of Southern artists, and obtained by the Les Beaux Arts club for their pleasure and that of the entire community.

This exhibit is open each afternoon from three to six o'clock without any admission charge, and will continue through Friday of this week.

It is hoped that others will not let the opportunity escape them to see this wonderful exhibit of a collection of oil paintings, water colors and etchings.

The Les Beaux Arts club wishes to thank the other clubs of the city for their assistance in making this exhibit a wonderful success.

Analysis.

Since the state A & M college is equipped to analyze guano and bugs, wouldn't it be great if they could also analyze political candidates?

Ancient-Modern.

A local merchant tells us that he is not concerned about whether his customer's ancestors come across in the Mayflower as he is that they "come across" the first of the month.

Radicals.

Candidates, as well as individuals, are instantly branded as radicals by some when they dare protest against the present order of government. One may not enter a protest or criticize any action of any public official without being subject to criticism by a few misguided individuals who howl loudly but do not vote to their own best interests.

George Washington is America's greatest hero, because he won. Had he lost, he would have been branded as America's greatest traitor. Washington was regarded as an extreme "radical" by many of the colonists until the tide turned.

The Farmer.

No other class has been lied to and lied about; promised more and got less during the past few years than the American farmer.

He has been made the victim of more political and economic information, with its constant destruction of public confidence in everything he is and represents, than any other class of people of the Nation.

No greater insult was ever offered the farmer than to promise him the same consideration as other producers, and then forget him while extending millions of dollars in helping railroads, loan companies and insurance organizations to tide over a period of depression while the producer of "all wealth" was told to work out his own problems.

Skinning Taxpayers.

Senator George Purl of Dallas, a member of the Legislative investigating committee announces the discovery that it has been a practice of some county officers to file many cases of wife and child desertion, make arrests, hold habeas corpus hearings and then drop the cases, but that \$20 per case is paid by the state for each hearing.

In many liquor cases, the committee finds that officials file felony charges when misdemeanor charges only should have been made because the state government must pay fees in felony cases, and there are hundreds of such cases on the docket in this state, Mr. Purl explains. After many of the cases are filed, the cases are dropped, and no further effort made except to collect fees.

In liquor as well as other cases, Mr. Purl explains that often a single individual is charged with a number of offenses in a single case to further pad the fee costs.

State Expansion.

We hear much from politicians about "state expansion" and it is every word true—at the expense of the taxpayer.

Our State Capitol, the seventh largest building in the world, has every "nook and cranny" filled with bureaus and commissions. Even the corridors have been partitioned off for more offices of more bureaus and commissions.

The Capitol building covers three acres of ground, has eighteen acres of floor space and originally contained 258 rooms not counting the "stalls" that have been installed to take care of our increasing tax-eating bureaus.

And this is not all by any means. Near this seventh largest building is a commodious affair of nine

stories of modern architecture in which is stored the records of the Highway Department. Business is growing. You may not know it, but it is, and that at a rapid rate.

The last Legislature made an appropriation of \$500,000 for a "highway building" of eight stories. The Travis county courthouse, we are reliably informed, houses the banking department of the State, and the State game, fish and oyster commission headquarters.

We may be prosperous and don't know it. While the taxpayers pay the bill.

Swapping Out.

With our national law-making bodies attempting to pass new tax laws by which we are supposed to believe that we may tax ourselves rich, they are merely swapping the devil for a witch.

Any bond proposal or new tax law means nothing and any sensible man knows that fact without being reminded that the idea is absurd. Our greatest hope for relief will come within our own actions by trimming down government expenses from the president down to constable.

So long as the producers who feed the world are legislated against, just that long will we remain handicapped financially. More than sixty million of our inhabitants of this nation live on the farms. They are expected to feed the other forty-odd million by selling their products below cost of production. It simply won't work, and the sooner we realize that fact and begin to lift the burdens from the backs of the farmer, just that soon will the nation begin to recover from one of the most gigantic robberies in all history.

Quit And Come Home.

Disgusted with the dilatory tactics of national lawmakers, our congressman and senators are being besieged with telegrams and petitions asking them to "do something to cut taxes" or if unable to do so, "quit and come home."

In an effort to "balance the budget" recently, the great majority have been forced to listen to a lot of rot on the part of the small bunch of lawmakers about a "sales tax" and other taxes. In other words some of them refuse to cut expenses, but on the other hand, are seeking to increase the burdens of the average citizen by tax-

If baby has COLIC

At 7 in the night. Colic! No cause for alarm if Castoria is handy. This pure vegetable preparation brings quick comfort, and can never harm. It is the sensible thing when children are ailing. Whether it's the stomach, or the little bowels; colic or constipation; or diarrhea. When tiny tongues are crated, or the breath is bad. Whenever there's need of gentle regulation. Children love the taste of Castoria, and its mildness makes it safe for frequent use.

And a more liberal dose of Castoria is always better for growing children than strong medicine meant only for adult use.

Breaks Oil Ring

John E. Taylor, district attorney of Gregg county, believes that with the arrest of 18 men on 213 counts he has broken up a million dollar oil theft ring in the East Texas oil fields.

ing him more than ever before in the history of the nation.

Citizens are asking our lawmakers "why should not government salaries be cut in proportion to those who are carrying them on their backs?" They go even further in stating that "if the present representatives at Washington cannot do anything, they will elect others to take their places."

That's getting the job done. A full text of the telegram as sent from Amarillo, and printed in Sunday's News-Globe, was reprinted in last week's issue of the Leader. Right here may it be said to the credit of the News-Globe, that this article would never have appeared had that daily been controlled by a crooked corporation.

Donley Farmers.

As is the case over most of West Texas, Donley county has an intelligent class of farming citizens. They are going right ahead preparing for another big crop. He would be foolish to do otherwise.

While the men folks are growing all kinds of feed, cotton and in many instances a summer crop of "truck" for the plains market, the good women will again make use of the canner.

The industry of the women in storing up thousands of cans of foods last year, has meant a whole lot to the welfare and well-being of our citizens. This total will be enlarged on this season. There will be greater variety. If the County Commissioners purchase the canning equipments as planned, it will mean more to each neighborhood. More foods means a saving on

DEMAND

the household expenses. More feed means an opportunity market stock through the year. Our farmers have more cows, sows and hens than for several years. They are all on the job right now.

While it is true that no one expects to make any big money, there will be no serious hardships. The only calamity that could wreck the lives of our good citizens right now is for an orge of tax suits to be instituted. And that must not happen. Our people must have an opportunity to dig from under the storm first.

The Acid Test.

Thousands in Texas have paid a poll tax with no idea of voting for any one in particular perhaps, but they did have some in mind whom they expected to vote against.

The voting public will demand to know more facts this year possibly than ever before. The politician who has nothing to offer except that he "wants an office", will likely find himself handicapped.

Voters will want to know what he has done in the past toward economy in government if he is up for re-election. If he is a new candidate, the voters will want to know something about his past record on matters of vital interest to the welfare of the people, and they will want to know what he stands for now.

The stale jokes and back-slapping days have gone. The man who is taxburdened has lost interest in a personal side show stunt. The voter who looks upon his ragged children and recounts the toll of himself and family with no reward except a bare living, will want to ask questions and do some checking up on the man who would ask for his support.

The ballot is the only weapon left to the man or woman today who would like to have a change. Neither of them will likely want to vote for the man who did not become interested in their welfare until the campaign began.

Lesson in Taxes.

The thundering of the auctioneer's voice is mixed with the sobs of heart-broken citizens of Mississippi today where more than forty thousand good, honest, hard-working citizens were turned out homeless because of unpaid taxes during May.

One-fourth of the entire state went under the auctioneer's hammer. This land included 20 percent of the farms and 15 percent of the town property of the state. Of the land sold under the hammer, 4000,000 acres went to the state, and the remainder to insurance

companies, loan agencies and mortgage holders to protect loans.

The state already has taken over a million acres of land for unpaid taxes, and before another winter, it is estimated that the state will have acquired 2,000,000 acres.

The Clarion-Ledger published at Jackson sums up the causes as being extravagant waste in city, town, county, state and national government; bonding farming sections beyond their actual value; the low prices of farm products.

Historic plantations and modest homes have been sacrificed. Communism is being forced upon the citizens of Mississippi where one may only deal with the govern-

ment direct leaving no incentive for her people to attempt to acquire homes. Communism worse than Russia is rapidly displacing the good old American Constitution of our fathers guaranteeing to every citizen the "right of life, liberty and the pursuit of happiness."

In destroying the incentive of home ownership, the most sacred shrine of American liberty is being demolished and the greatest of all Divine laws offered up as a sacrifice to human greed of the few.

Texas may well profit from the horrible lesson of a sister state.

The towns and cities depend on the country districts. There is going to be no such thing as real prosperity in America with its farmers impoverished, tax-burdened or homeless and bankrupt. Buying power must be restored to the rural districts, and that can be done only by restoring to the producer his rights of a square deal.

Modern Electric Cookery Will Make Your Kitchen

Cooler . . . Cleaner . . . More Economical

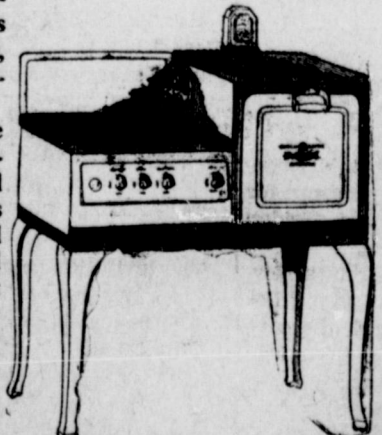

Electric Cookery means a cool, happy kitchen, because electric heat is "controlled." It is applied only to the bottom of the utensils, exactly as required. None is wasted to make your kitchen unbearably hot and disagreeable.

Your kitchen will be cleaner, too, for electricity is clean as sunshine. There's no soot, smoke or grease to soil walls and curtains or begrime pots and pans. Think of all the work you can eliminate by this one feature alone!

And the economy of Electric Cookery will gladden your heart and lower your budget! Electrically-cooked foods retain full bulk weight . . . meats do not shrink . . . vegetables do not boil away . . . and, due to a superior cooking principle, more inexpensive cuts of meat can be used with gratifying success. The Electric Range cooks foods with all the precious vitamins, essential minerals and delicious food-flavors sealed-in, too!

We will be delighted to demonstrate this modern automatic cook, and explain why it has been approved and endorsed throughout West Texas. Profit by Electric Cookery superlatives NOW!

Call us for an individual investigation of your use of electric services, to determine the cost of cooking by electricity in your home. You may be surprised to know that there are many cases where electric cookery actually decreases the total of electric and gas bills.

TEMPLE OF TRUTH
By the Apostle

The Apostle has reached the stage of down-right hard thinking. He has come to the conclusion that this old world has reached the stage to where it is as hard to borrow money as it is to pay it back.

While the Indians never had any bridges, paved highways, inspectors or a bunch of useless government employees, he also did not have to pay axes. It looks like we made a mistake in taking this country away from them from the looks of the mess we are in now. We ought to give it back to 'em.

Some funny things happen some times. Here's a lady writes in that they expect to move in July, and asks that we see that the Leader gets to them every week so that she will have something with which to pack her dishes.

And a merchant got tangled up in the cover and fell out of bed making a knot on his head. He asked us not to say anything about it. We won't because we don't believe he got the knot on his head that way anyhow.

Elephants walked on our streets recently and made forty dollars an hour carrying a sign on his back. A lot of these jobless fellows ought to have been elephants.

During the big rain at Hedley Saturday, a man said he watched water fall into a 2-inch bung of a barrel. He also noticed that both ends of the barrel were gone. It finally rained so hard that the water was going in the bung faster than it could get out at both ends and the barrel exploded. That was some rain, pardner.

A man walked out into a field in Donley county and told his neighbor that he was serving his people just right. It shocked the man that he fell off his lister because he had served on the school board ten years and that was the first time he had been told that he had done the right thing.

Clarendon Will Entertain Young People Next

Friday evening, May 20, some eighty-six people were the guests of the Plaska Methodist Church in a regular monthly meeting of the Methodist Young People of the Clarendon District. This meeting was of Zone No. 1 of which Goodnight, Clarendon, Hedley, Memphis Turkey, Plaska, Quitaque and Lakeview are the members.

The business meeting was held first with Miss Daisy Wells, Lakeview, vice-president in the chair. The problem of naming the new Zone came up for discussion. A committee was appointed to retire and select a name. The committee submitted the name "Greenbelt Union" for approval. This name was voted adopted until it should be the wish of the Zone to select a different name. The count of delegates showed that representatives from the different visiting towns were Lakeview, 28; Clarendon, 11; Memphis, 6; Hedley, 4. The invitation to go to Clarendon for the

next meeting will be held in June. Some of the representatives reported that they were planning on sending delegates to the Summer Assembly at Abilene May 30-June 3.

An inspiring program on the topic of "What is a Christian" was given by two of the visiting towns, Memphis and Clarendon.

After the program, games were played to better acquaint the young people with each other. Ladies of the Plaska church served refreshments to the young people.

BOND DEBTS BIG BURDEN

In this county the people are studying government and the cause of the high taxes that are miserably hard to pay with five and six cent cotton, 18 cents oats, 50 cent wheat and eggs \$1.49 cents per bushel or 6 cents per dozen; cow hides sell at one cent a pound and made into shoes cost \$10 per pound.

With four million dollars in road bonds, court house bonds, school bonds and city bonds it requires \$200,000 at 5 per cent to pay interest upon these Hunt County debts alone.

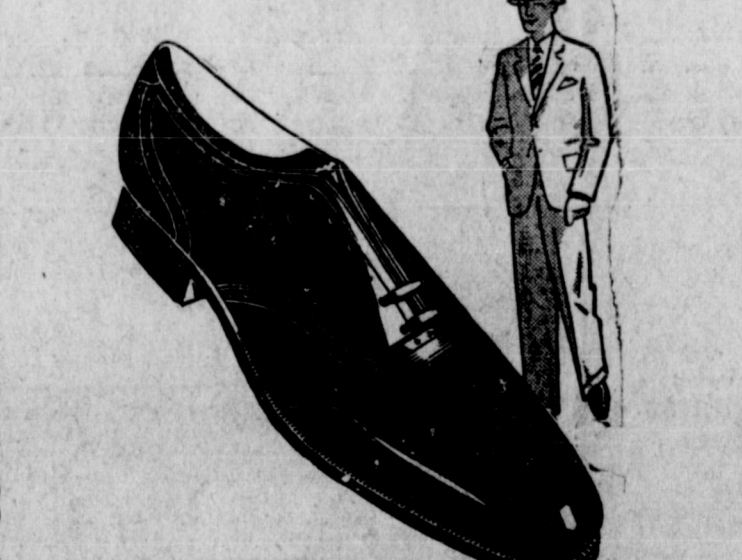

Mr. and Mrs. Cal Merchant, Mrs. J. B. Baird and Mrs. Hall visited in Pampa today.

J. L. Walker and H. Fitzgerald had business in Sweetwater the front end of the week.

Auxiliary Sponsors Poppy Sale Here Saturday

Do you remember the little red poppy you bought on the street last May? Perhaps it was just a mere trifle of the day and yet the little things in life which seem so insignificant, are often determining factors in our lives or the lives of others.

Would you think so small an object as a little red paper poppy carries the burdens of thousands of men in Government hospitals who are staging their greatest battle now, although the World War in which they served was over thirteen years ago.

Do you know that all through the winter months these men, many of whom receive no compensation are making the poppies bloom?

Yes, each day in the poppy work rooms, they are fashioning with clumsy and oft times trembling fingers the little red flower that symbolizes remembrances of those who gave so much for us.

Do you know too, that every penny received for these poppies marked with the tag "Veteran Made", and sold by the American Legion and its Auxiliary is used to help these needy veterans and their families?

Poppies grow—row on row In Flanders Field they never die Like you and I, they live for one. They raise their heads poppy red And they seem to say— This is the sod, that's blest by God— Let's Carry On Forever and a day.

Annual City Tournament Local Golfers

The annual City Golf Tournament got under way Sunday when twenty-six players qualified for positions. The number entered is considerably less than in former years but the interest in this annual event is at the usual high point.

Al Cooke, the long shooting left hander, won medalist honors with a par 72. His play was a little unsteady in the beginning and he went 3 over par on the first 5 holes, however he soon pulled himself together and finished the first round 2 over par for a 38. He did everything right on the second round and carded a brilliant 34, which is 2 under par.

Ira Merchant twice winner of the Championship Cup, played his usual consistent game and scored a 38-37 for second position. His play this season has not quite been up to the fine play he displayed last season when he won the Club Championship and battled his way to the finals in the Green Belt Tournament only to lose in the never to be forgotten match with "City" Walker of Quanah. Merchant is still capable of giving the best of them some real competition.

The other players making the Championship flight are W. H. Cooke and Meredith Gentry, Fred Buntin, and Tom F. Connally came next with 79's and A. N. Wood with an 81. W. A. Wilson and Dick Cooke, who were expected to be contenders for the title, failed to display their usual form and landed in the second flight.

In the first round of match play in the Championship flight, Ira Merchant won from Dude Gentry and W. H. Cooke won from Fred

Buntin. A. N. Wood defeated Meredith Gentry and Al Cooke downed Tom F. Connally. Merchant and W. H. Cooke will meet in the semi-finals this week as will Al Cooke and A. N. Wood.

Second Flight: Dick Cooke won from J. T. Patman and Carl Parsons defeated R. C. Weatherly. Bennett Kerbow won from Kinney Lane and W. A. Wilson from Geo. H. McCleskey. Dick Cooke will play Parsons and Kerbow play Wilson in the semi-finals.

Third Flight: Dick Allen won from Frank Stocking and U. J. Boston defeated Kelly Chamberlain. Mike Little downed Tom Murphey and Doss Palmer defeated Little. John Hutton won from Joe Goldstone. Semi-finals: Allen-Boston, Hutton-Palmer.

All semi-final matches will be played this week and the finals in all flights on Sunday. The officials of the Club have extended an invitation to all of those who are interested in these matches to come out and watch them played.

W. L. McConnell, district attorney of Panhandle, was a guest in the home of Mrs. J. D. Stocking Sunday.

Ed Boliver, publisher of the Hedley Informer, paid his respects to the Leader family Monday. Ed was up on one of his periodical business visits.

C. N. Plaster and daughters Mayme and Dora Maye of Canyon spent the week end with his sister, Mrs. A. N. Wood and family.

OUR WEEKLY CHURCH CHAT

"The Church's Greatest Mission"

Soul-winning is the church's greatest mission. For this task it was established at a great cost. When our Lord chose His first disciples, He sent them forth to be "fishers of men" (Matt. 4:19.) To His apostles He gave the great commission: "Go ye therefore and make disciples of all nations, baptizing them into the name of the Father, and of the Son and of the Holy Ghost" (Matt. 28:19). The early Christians, "that were scattered abroad went about preaching the word" (Act 8:4), so that, it is said, "that within one hundred years after the crucifixion, the number of Christians throughout the Roman Empire was held to amount to a tenth of the entire population.

This same work is committed to us. Soul-winning is the church's greatest mission, and when a church fail in this mission it fail in the one thing it was established to do. Yet this work is more often neglected than done. Many seem to be of the opinion that when they are converted, everything is completed or finished. In reality, their work has only commenced. Having experienced the Savior's redeeming love, the convert should long to get in personal touch with others and strive to lead them to Christ.

There would be more of this work done if the worth of a soul was considered. The soul of man is the most precious thing in the world according to Christ's estimation, "What will it profit a man to gain the world and lose his soul." The saving of souls therefore is the greatest work in the world.

To help you more fully to understand the importance of this mission, we will bring a message on "Soul-Winning Our Responsibility" next Sunday morning. We are all children of responsibility. We are not only responsible for our own souls, but are in a great measure responsible for the souls of others.

In the evening message, "The Great Arbitration Case" we will bring a message on the general Judgment, and show the need you will have for an arbitrator when you appear before God to be judged for eternity. You are invited to attend these services.

Weekly Poem

A PRAYER

Lord, strike the shackles from my feet,
And make me swift to run
With messages of hope and cheer
From morn till set of sun.

Anoint mine eyes, remove the scales,
And make me quick to see
The hunger of my fellow-men
For human sympathy.

Unstop my ears which now are deaf,
And make me keen to hear
The voice of misery and want
That rises sharp and clear.

From off Thine altar take a coal
And cleanse my lips with fire;
Consume the dross of idle words;
With truth my tongue inspire.

And grant an open mind to know
The truth that makes men free;
Adorn my life with Christ's sweet love
And let me work with Thee.

Farewell of the Editor-in-Chief

This will be the last issue of the "Zebra Foot Prints" and I will have to give up the place of editor-in-chief, but before I do this I wish to say that I have certainly enjoyed working with the paper and I think that I was honored to be put in this position.

I certainly could not have done as well with the paper as I have, had it not been for the co-operation of the pupils and teachers, especially Mrs. Thomasson, who was always ready and willing to help or offer suggestions. She was never too busy to help someone with an article. We appreciate this more than we will ever be able to tell her.

I also appreciate the co-operation the pupils have shown. I am sure that you pupils will continue the newspaper and have a better one next year. I will be watching for the paper next year.

Again I thank you.

Effie Dean Bullard

Sponsor's Note: We here wish to thank Mr. Estlack for his courtesy in printing our newspaper. We feel it has been a great help in our English work. The pupils have enjoyed their own newspaper. We appreciate the fact that you have made it possible for us.

Mrs. W. V. Thomasson

Message to Patrons

In closing out our year's school work, I wish to say a word of commendation to the school patrons for their co-operation and loyalty in all our school work. We have appreciated the fact that you have paid your taxes making possible our salaries and enabled us to meet our obligations. We feel that our school year has been a success, and your co-operation has helped to make it so.

We appreciate your friendly words of encouragement and commendation. We're glad so many have said "We're glad you're coming back." We look forward to a splendid year, next year and pledge our best effort.

Mr. W. V. Thomasson, in behalf of the faculty.

Seniors' Last Program

On Friday evening, May 20th, our Seniors made their last public appearance in their graduation exercises. The stage was beautifully decorated in blue, rose and gold in a balcony effect, with a profusion of pot flowers and roses.

The class, H. S. faculty and speaker entered to the strains of the professional played by Miss Margarite Christal. The following program was rendered:

- Invocation- Rev. H. H. Liles
- Announcements- Mr. Thomasson
- Salutatory address- Isabel Knox
- Reading "The Tapestry Weaver"- Wilma King
- Song, "Homeward Going"- Class
- Valedictory address- Gladys Humberd

Piano solo- Marguerite Christal
Address to Class- J. C. Estlack
Presentation of Diplomas and scholarships- W. V. Thomasson
Benediction- Mr. Joe Johnston
The address by Mr. Estlack was much enjoyed by all. Though his address was short, it was full of many good thoughts. The keynote of his advice to the graduates was service. He stressed the fact that true success in life is not in piling up worldly possessions; but when all is said and done, what any person really possesses and carries with him is the service he has rendered to others.

He reminded the graduates that their progress so far has been the result of the service of others. Their parents, school teachers and school board have made possible their progress, and they owe a debt of gratitude. This can be paid in no better way than by passing

it on to others. The surest way to do so is by holding firm to all the fundamentally right things.

As a climax, Mr. Estlack stressed that it is not necessary to be long-faced to do good. His reply for the blues "when blue, do something for some one else" sounded so plausible that all left with a determination to try it out.

Those graduating were: Oleta Camp, Athlee Dodson, Effie Dean Bullard, Isabel Knox, Pauline Darnell, Gladys Humberd, Leroy Leathers and C. A. Thomasson. Miss Gladys Humberd was honor graduate, with Miss Isabel Knox second. Leroy Leathers was first honor boy.

The class wishes to express its appreciation to those who helped with their programs. Especially do they thank their sponsor Miss Eula Bess Hill, Messes Marguerite Christal and Wilma King and Mr. J. C. Estlack for his splendid message of courage and optimism.

Seniors' Class Night

Tuesday night the Seniors began the programs of the week by presenting "At the Sight of a Gypsy", a one act play.

The play began at eight o'clock and as the curtain arose Madame Varnisky, the gypsy, played by Miss Hill, was seated in the fortune telling booth. The president, Leroy Leathers, talked to the gypsy in behalf of the class. She became interested and asked him to invite the class in to see her.

The class yell was given to Madame Varnisky and she called for an inventory. Athlee Dodson was ready to give it in full detail. Then the class motto was given in a poem by Oleta Camp. Effie Dean Bullard gave an explanation of the class flower. The class sang the class song and Pauline Darnell gave the talk of the colors of the class. A yell was given to the color Effie Dean Bullard gave the class will and it was astonishing to hear the things which the Seniors left to the Juniors and other classes of the school. Gladys Humberd gave the advice to the Juniors, and to our surprise the Juniors had a very prompt reply to the advice.

Isabel Knox gave the pedigree of the class and before she completed her speech C. A. Thomasson the grumbler, interrupted her. He began to tell all the faults of the class, teachers, and trustees. The President tried to make him close his speech but C. A. was determined to finish. At the close of his speech Leroy Leathers played the violin to justify his rights. Madame Varnisky gave the future of each member of the class. A farewell song ended the program. The program was enjoyed by all and we wish to express our appreciation to the audience for their wonderful attention.

Grammar School Program

A program was presented Wednesday night, May 18 at the Lelia Lake High School.

The first number was an operatta "Molly Be Jolly" presented by the grammar students coached by Miss Eula Bess Hill and Miss Vera Garland.

Betty Jo and Peggy Jean Webb presented a very interesting dialogue, "Today and Yesterday".

The last number a negro minstrel, was presented by the sixth grade boys coached by Mr. Robert Weatherly.

The most important characters in the operatta were:

- Laura Mae Gerner- Mollie
- Jonnie Leathers- Ralph
- Melba Bullard- Helen
- Jack Boyce- Stewart
- Jack Espy- Ned
- H. R. King- Bill
- Jessie Joy Tomlinson- Alice
- Warren Hardin- Aunt Hilda

Oldest Grad

Mrs. T. J. White, of Coleman, Texas, graduated from Baylor university 58 years ago, yet will not receive her diploma until this June. Mrs. White was Miss Willie Graves, and finished Baylor in 1874. At that time no degrees were granted, and now, at age 75, she is returning to get her B. A. degree this year. She is a daughter of Henry Lee Graves, first president of Baylor, in 1847.

Joe Williams- Miss Barrymore
Jane Williams- Mrs. Green
The characters in the negro minstrel were:
Arule Dodson- president
Edward McDaniel- secretary
J. S. Reynolds- The boy who committed suicide
Millard Cruise- Furnished much comedy
The program was very much enjoyed by all.

Senior Class Luncheon

The Seniors held their class luncheon Sunday in the home of Miss Pauline Darnell.

A profusion of pink roses bloomed throughout the rooms, diffusing the air with their sweet fragrance.

The table was covered with a cloth of conventional white and centered with a gorgeous low spreading bowl of choice pink roses, the selected class flower. Flanking the flower bowl and matching it, were candle holders bearing lighted tapers in the class colors of blue and gold.

A delicious three course luncheon was served, covers being laid for seniors, Gladys Humberd, Isabel Knox, Leroy Leathers, Effie Dean Bullard, Athalee Dodson, C. A. Thomasson, Oleta Camp and Pauline Darnell. Teachers, Mr. and Mrs. W. V. Thomasson, Miss Eula Bess Hill, Mr. Dave Waldron, and Rev. B. N. Shephard of Clarendon, who delivered the baccalaureate sermon.

Blanch Tomlinson (Editors Note: In behalf of the senior class we wish to thank Mr. and Mrs. Darnell for the kindness shown us and also Mrs. Blanch Tomlinson for her help. We will remember this event as one we hold dear of our school days.)

Seventh Grade Graduation Exercise

The seventh grade of the Lelia Lake school presented the program Thursday evening in the H. S. auditorium. The program was enjoyed by a large crowd.

The program was in the form of a play named "Graduation at Lelia."
The ones who took special parts were:

Valedictorian speech- Bobby Leathers

Salutatorian Speech- Bernice Self

Giftorian Speech- Vernelle Leathers
Class Prophecy- Marie Howard
Class Will- Ruth Robertson
Class History or Album- Winston Nippert

Piano Solo- Frances Johnston
Reading- La Nelle Lewis

Most of the parts in the play were those of the class graduates themselves. Four character parts were:

Sam- Negro janitor- Winston Nippert
Nora- Irish assistant- Othel Walling
Jerry- chore boy- Pat oMore
Sallie- class mascot- Rosa Lee Green

Much amusement was furnished by Sam-Winston Nippert. He proved himself quite an actor.

Those receiving diplomas were: J. F. Floyd, Winston Nippert, La Nelle Lewis, George Eller, Bobby Leathers, Marie Howard, Vernelle Leathers, Elsie Sisson, Maxine Tomlinson, Bernice Self, Ruth Robertson, Bertha Lu Howeth, Basel Richardson, and Francis Johnston.

A CLEAN RECORD OF SAVING

The best record a man may make in establishing his credit with this or any other bank, is the habit of saving.

It requires foresight and courage, it is true. But without these traits of character, one is handicapped through life.

Begin saving now. Add to your bank account bit by bit if necessary and enjoy that feeling of snug security when need arises.

Fifty and Fit

A MAN is as old—or as young—as his organs.

At fifty, you can be in your prime.

Why go along with "fairly good health" when you might be enjoying vigor you haven't felt for years?

There's a simple little thing anyone can do to keep the vital organs stimulated, and feel fit all the time. People don't realize how sluggish they've grown until they've tried it. The stimulant that will stir your system to new life is Dr. Caldwell's syrup pepsin. It will make a most amazing difference in many ways.

This famous doctor's prescription is a delicious syrup made with fresh herbs, active senna, and pure pepsin. It starts its good work with the

first spoonful. That's all you need to drive away the dullness and headache of a bilious spell, and rid the system of that slow poison that saps your strength. It's better than a tonic for tired bowels, and unlike habit-forming laxatives you can take it freely or give it to any child. And it isn't expensive.

Get some syrup pepsin today, and take a little tonight. Don't wait until you're sick to give your system this wonderful help. You can avoid those spells of biliousness or constipation. A spoonful every now and then is better than constant worry about the condition of your bowels, or fear of auto-intoxication as you grow older. Dr. Caldwell's syrup pepsin protects the system. All druggists keep this preparation.

Every housewife who has the best interests of her children at heart guards them against fly infection.

No trouble to make an estimate.

Eggs! Eggs! EGGS!!!

Quite a number of our farmer friends have requested us to renew the egg campaign at this time that they might get even with the Leader on subscription.

This campaign will be limited as to time.

Eight dozen eggs pays for a new or renewal subscription limited to one year.

Subscriptions outside the county due to a high postage rate, may be paid for with 12 dozen eggs.

Only fresh hen eggs will be accepted as we can dispose of no other kind.

Bring in your eggs any time. This offer is made to egg producers only.

If you are behind on your subscription, take advantage of this offer right now before the offer is withdrawn.

SEWING SCHOOL FOR CLUB LADIES IN FULL SWING

Representatives Are From Eleven Clubs For Two Day Sessions

Fourteen years ago our women were busy sewing garments for our army boys. Today they are sewing peace-time garments in the American Legion hall. The song of the Singers is in the air and everywhere as women learn newer and better methods. Learning the practical things that make life happier and that which brings more satisfaction to the individual homemaker.

Eleven clubs are represented in the sewing school today that began at 9 a. m. and will continue through tomorrow. Two ladies from each of the H. D. clubs of the county were selected to take the course on instruction. The ladies are to return to their clubs imparting the knowledge gained in this class work.

The following clubs and representatives are noted according to a list furnished the Leader by Miss Martha Buttrill, county H. D. agent:

- Smith: Mary Lou Mabry and Mrs. Clyde Roden.
- Ashtola: Mrs. Louie B. Merrell and Miss Jewell Smith.
- Chamberlain: Mrs. W. D. Brinson and Mrs. J. A. Hufstutler.
- Clarendon: Mrs. J. M. Acord and Mrs. Lonnie Hahn.
- Hedley: Mrs. John Aufil and Mrs. Ross Adamson.
- Jericho: Mrs. R. T. Darnell and Mrs. Elmer Ashmead.
- Lelia Lake: Mrs. H. R. King and Mrs. Ed McDaniel.
- Martin: Mrs. Edwin Bailey and Mrs. Dave Patterson.
- Naylor: Mrs. A. C. Scott and Miss Lucile Pickering.
- Whitefish: Mrs. Enloe Crisp and Mrs. Frank Crisp.

The Singer people are furnishing the machines and the material. The "pupils" are required to supply scissors only for their own use. Mrs. Ranyon of Amarillo, Mr. Buis of Childress and W. H. Miller of Clarendon are giving instructions in the use and care of the machines.

V. V. Johnston Makes Hogs Pay on His Farm

It might not have been due to the fact that he is a hog raiser altogether, but Mr. Johnston is about the only man in the county to build a new home this season.

He keeps around fifty head of porkers and has about that many now with several head ready for market.

In speaking of his methods of management, Mr. Johnston states that he has a green pasture through the winter months, sudan in the spring and "hogs down" corn and peas as a further pasture crop in the fall.

Besides his hogs, he also is an all-round diversifier and makes his farm pay from several angles by growing good crops each season and marketing as much as possible on four feet.

Greene Offers Big Saving Over Friday-Saturday

This issue carries a list of "dollar specials" in a half page advertisement of the Greene drygoods company. In addition to their regular bargains, they also offer something extra to lucky purchasers.

Look at their windows. More especially if you are looking for something that is yours without cost. The Leader family is especially invited to give these two bargain days close attention. We have never mis-led you in the past. You will thank us for this courtesy once you have investigated.

Look through the entire Leader. Read every advertisement. Many bargains are being offered. All honest goods sold at a fair rate.

Mrs. A. N. Wood and daughter Oleta, C. N. Plaster and daughters Mayme and Dora Maye left here Monday to visit with relatives at Frederick, Oklahoma.

Former Clarendon Woman Wins Pie Money

In a baking contest conducted by the Pampa News last week, Mrs. Clyde Atteberry received first prize on pie baking. The prize was \$5 in cash.

In the cake baking contest, Mrs. Atteberry received fourth prize of a sack of flour for having baked the best lemon layer cake.

HELP A VETERAN BY BUYING POPPY ON SALE SAT.

Memorial Flowers Are Source Of Income to Invalids Of Veteran's Home

To be out of a job these days is most trying, but the man who made the poppy you are to buy Saturday is out of a job and an invalid besides. These veterans make up these small emblems during the remainder of the year and look forward to "Poppy Day" with anxious anticipation to see what those more fortunate are going to do about his case when it is presented through the sale of the little red flower imitation.

Some of these "boys" are not eligible for government compensation, and often many of them receive a mere pittance. In behalf of these helpless men, the Ladies Auxiliary will offer for sale Saturday the only thing the veteran has to offer at this time to bring him a thin dime.

The money received goes toward the rehabilitation of the man who is down. The sale is sponsored by the Auxiliary and backed by the American Legion. The wearing of the flower pays a tribute to the heroic dead and the man who fought in defense of his nation.

Have you forgotten those fields—where poppies grow?

Have you forgotten the crosses—row on row?

Have you forgotten the torch which dead hands flung?

Have you forgotten the "blesse" no longer young?

Have you forgotten the symbol of poppies red?

Have you forgotten the broken, the maimed, the dead?

Have you forgotten that on some hospital bed,

Racked with pain, lies a soldier, who fought, who bled?

For whose comfort we're selling these poppies red?

No?—Then please buy a poppy!

Hommel Brothers Rushed On Opening Day

As another proof of the pulling power of Leader advertising, the new filling station formally opened by Hommel brothers, F. F. and W. O. Hommel Saturday, drew a large crowd keeping the entire force busy throughout the day and far into the night.

MEMORIAL DAY PROCLAMATION

WHEREAS the Congress of the United States of America set May 30th of each year as Decoration or Memorial Day, and we as red blooded Americans should all observe this day.

Now Therefore, I, as Mayor of the City of Clarendon, Texas, request our citizens, both young and old, all over this city, to observe this day as a Holiday, and decorate the graves of our heroes and loved ones, and leave a silent tear on their tomb in memory of their deeds and courage.

W. P. CAGLE, Mayor

Filling Station Changes Affects Two

Major E. Hudson and son Carrol Hudson are now operating the Sinclair filling station on the corner of Gorst and First in the rear of the Donley County State bank. He invites his friends and the general public to give him a chance to serve them with Sinclair products that are being advertised through the Leader.

The Benson brothers, C. L. Jr. and Loyd Benson purchased Mr. Hudson's interest in the station at the I. O. Noble garage and the young men are now operating this station on a partnership basis. Both are good hustlers and ready to serve the public in any capacity of filling station operators.

Report On Patients At Adair Hospital

Mrs. W. H. Grounds, who has been a patient for several days following a fall in which her hip was broken, has recovered sufficiently to be returned to her home.

E. Paul Shelton who was seriously ill for several days following an appendix operation, has recovered to the extent that he is now spending a part of the time in a wheel chair.

John Goldston of the Pleasant Valley community underwent an operation Wednesday night of this week. At this time, some 12 hours later, he is reported as doing as well as could be expected.

Mrs. W. A. Davis, whose arm was broken in an auto accident several days ago, and who spent some time at Adair hospital, was removed to her home last week and is showing a steady improvement.

Mrs. Holman Kennedy and Carol Holder are both doing fine at this time.

Trouble at Court House Thirty-Five Years

The same trouble has been going on at the Donley county court-house for the past 35 years, and maybe longer. The trouble bobs up again now and then in 1932.

In reading over the report of the Grand Jury, February 1897 term, they seem to have had quite a bit of concern about plaster falling from the ceiling in the District Court room, and recommended that the Commissioners have the plaster removed.

In passing their opinion on the jail, they pronounced "it as good as could be expected" but cautioned the jailer to be careful with a dilapidated stove lest the county "hoosegow" burn up.

No bills were returned against any one. Little was done to call for court action until people became more "civilized." Robert Sawyer was foreman of this jury and W. H. Cooke was county clerk at the time. H. H. Wallace was District Judge at the time.
