A Common Paper For Common People

THE VOTERS -----

The depression will likely force a lot of people to vote for their own interests this time instead of for the "other fellow."

SALES TALKS IN CLASSIFICATIONS ROTARY PROGRAM

Practically Every Line Of Endeavor is Heard At Luncheon Hour

Dr. B. L. Jenkins had charge of the program for Rotary's luncheon hour Friday in one of the "peppiest" meetings for some time.

Each member was taken by surprise and just as readily responded to the request to discuss the subject chosen for him or her by the program chairman.

C. C. Powell discussed loans in a limited manner owing to the shortage of funds and abundance of opportunity for making them. J. C. Estlack emphasized the market for advertising of the right kind and R. E. Drennon sold the school idea to every one present.

Dr. O. L. Jenkins illustrated the handicaps of the medical profession by telling a humorous joke. Cecil Alexander based his remarks on the necessity for buying abstracts and Denzel Davis spoke "lightly" of gas sales during the summer months.

Dr. J. W. Evans as a dentist spoke interestingly of the vicissitudes of his profession that grew humorous at times in making a point.

Robert S. Cope covered the ground thoroughly in mentioning the need of the well known cooling system so necessary through the summer, and readily purchased from his firm.

Arch Dyer knows bread and how it ought to be made. His "lecture" on bread making and the marketing end of the trade was most interesting.

Rotary Ann Rhoda Wiedman "sold dresses" like nobody's business. This was the most interesting talk of the lot because of the fact that few men are acquainted with the woman side of salesmanship.

A. T. Cole gave a comprehensive report on the State Democratic convention at Houston the previous week. In summing up the results, he said it was a "steam roller" affair arranged in advance, and a condition that did not in any sense meet with his approval. Judge Cole is a delegate to Chicago where the National Convention meets this month.

Taxpayer League is Formed In Armstrong County

In order to more thoroughly cooperate with their county officials, and to better inform the citizens of their county regarding county government expense, a number of leading citizens of Armstrong county organized a Taxpayers' League the past week.

Among those more prominently identified with the movement are J. T. Christian, B. H. Connor, H. A. Finley, J. M. Crain. It is the purpose of the League to make a careful study of county expense and inject more business methods wherever possible that the taxpayer may be saved any unnecessary outlay.

Mr. and Mrs. John R. Blocker have moved to their ranch for the summer.

Mrs. Horace Westmorland and children are visiting in the home of Mr. and Mrs. Tom Connally.

Lions Club Elects New Officers Tuesday

At the regular weekly luncheon hour Tuesday at noon, the members of the Lions club elected the new official family.

Those elected are, president, Ira Merchant; 1st vice, T. D. Nored; 2nd vice, J. T. Patman; 3rd vice, Odos Caraway; secretary, Eddie Teer; treasurer, A. A. Mayes; Lion Tamer, D. O. Stallings; Tail Twister, H. Mulkey; G. L. Boykin was elected a member of the Board.

Col Ernest Thompson of Amarillo and recently appointed to a place on the Railroad Commission, was present as a visitor. J. T. Patman presided at this meeting in the absence of the president who was attending the State Convention.

CANDIDATES GET ROYAL WELCOME AT BRAY SCHOOL

String Band Makes Music While Cream And Cake Is Served

Good fellowship and neighborly spirit prevailed Wednesday night when twenty candidates accepted the invitation of that community to appear on a speaking tour of the county.

A large number of local citizens were present including men, women and children each bent on showing every courtesy to the visitors. J. F. Stiles and his string band cheered the bashful candidates who were scheduled to present their claims for consideration to the various offices. The music was of that class that one can "feel it in the bones" and the players were repeatedly cheered.

County Commissioner J. Less Hawkins led on the speaking program and was followed by G. W. Beck, W. C. Bridges, strong contender for the honors in this campaign next presented his claims. Others to present their claims were Mrs. Nora McMurtry, J. B. Millsap and Sloan Baker in the race for county superintendent of schools.

W. A. Armstrong and Marvin Smith each spoke in behalf of their candidacy for the office of tax assessor.

R. Y. King and R. J. Dillard each made eloquent appeals for votes in a race for the office of county attorney.

The speakers representing that division known as county treasurer was ably represented by Mrs. Linnie Cauthen and Mrs. Richard Wilkerson.

Mrs. Bessie Smith spoke in behalf of her race for re-election to the office of county clerk, and was followed by her opponent, W. G. (Bill) Word.

Those in the race for the office of tax collector furnished no little amusement when A. N. Wood admitted Jack county as his birth place and M. W. Mosley was convicted of having originated in Arkansas. The ready wit and good humor was one of the enjoyable features of the evening.

Guy S. Pierce, present sheriff and the only candidate without an opponent, thanked the folks for kindly consideration and renewed his pledge of no special favors and a sane law enforcement during his next term as has been his practice during the present term.

Judge Alexander refused to speak in turn and S. W. Lowe took the floor to present his claims for election to the office of county judge pledging himself to an economical administration. He was followed by J. C. Estlack who explained his position on matters which he believed to be of vital interest to the taxpayers.

A. H. Baker, presented his claims for re-election in summing up the saving effected through his office in behalf of the taxpayers, and was followed by Walker Lane who recounted his qualifications and asked for that chance which he felt was due any young man in attempting to better his condition.

Mr. Howard, principal of the Bray school graciously presided as master of ceremonies in a manner pleasing to the speakers and the audience. J. F. Stiles spoke in behalf of the citizens in expressing the thanks of the community for the excellent meeting and the consideration shown them by the candidates.

Cream and cake of excellent quality was dispensed by the ladies who were ably assisted by Mr. Frank Jones and others. The demand was all that could be desired with the supply exhausted before the close of the meeting.

G. W. Antrobus returned home Monday from Jacksonville, Florida where he attended the Southern Baptist Convention.

Mr. and Mrs. R. E. Drennon and daughter are making their home at Norman, Oklahoma for the summer where Mr. Drennon is taking special work in the State University.

HEDLEY GAS CO. HEARING COMES UP THIS WEEK

Large Volume of Evidence Is Introduced Before Commission

Latin Stanberry is presiding at the hearing begun here Tuesday morning in which Hedley is seeking a lower gas rate. Col Ernest Thompson was disqualified when it was learned that his cousin, Mayor Louie A. Thompson of Hedley would likely be an interested party in the case.

A large amount of documentary evidence was being used by both sides during the hearing, and engineers of the Lone Star gas company as well as the Upham gas company were being questioned relative to the property investments of the companies.

Judge W. T. Link of Clarendon is representing Hedley and W. H. Parnell and Judge Penick of Wichita Falls the gas companies. The Northern Texas Utilities company was represented by Frank Coates of Houston.

The evidence gathered here will be taken to the head office of the Railroad Commission at Austin where it will be given close study. A decision will likely be rendered in from two to six months if this case does not differ from other and similar cases.

Attend Presbyterian Held At Happy Thursday

The annual meeting of the Dallas Presbyterian of District No. 6 was held at Happy on Thursday. Due to the illness of the chairman, Mrs. Holman Kennedy, the meeting was presided over by the retiring chairman, Mrs. W. G. Word of this city.

Officers of the Dallas Presbyterian present at this meeting were the president, Mrs. J. C. Oehler, and the vice president, Mrs. F. E. Chamberlain of Clarendon. The Sixth district includes all the Presbyterian churches of the Panhandle.

Others attending from Clarendon were Mesdames Heckle Starks, F. O. Wood, Melvin Cook, Homer Taylor, John Potts, Rev. and Mrs. Robt. S. McKee.

Mrs. Monica Harvey returned home Tuesday after a very pleasant visit with her son E. W. Harvey and family at Auburn, Nebraska.

J. H. Irwin of Taos, N. Mex visited in the Pink Rogers home Monday night.

JUDGE BISHOP GETS INTO RACE FOR CONGRESS

Widely Known Jurist Enters Race Against Marvin Jones At Last Minute

Friends of Judge Henry S. Bishop were taken by surprise Monday when with little formality he announced his candidacy for Congress from the 18th District which Marvin Jones has been representing for the past 16 years.

Judge Bishop has a wide acquaintance over the Panhandle due to the fact that he served this district as prosecuting attorney and later as judge for several years, and has resided in Amarillo for the past 30 years. Clarendon was included in his district until a few years ago. Since the division of the district, Judge Bishop has presided over the 47th District by choice of his people in several elections.

He has served 14 years as prosecuting attorney in the Panhandle, and 16 years as District Judge. He has been a resident of the Panhandle 39 years. His brother, Harry D. Bishop, is one of Jimmy Allred's ablest assistants in the office of Attorney General.

Judge Bishop is a genial character and makes friends readily. Those friends are now writing letters and working actively in the campaign that they believe will give Judge Bishop a seat in the national law-making body.

Marvin Jones, present incumbent, has served this district faithfully for the past 16 years. He is chairman of the Agricultural Committee of the House and has a long list of worth while accomplishments to his credit.

Mr. Jones numbers his friends by the thousands over his district and for this reason, the race is expected to become interesting if not strenuous. With this announcement, friends of Mr. Jones will come out of their lethargy finding an able opponent of their hero unexpectedly. Panhandle people will hear much of national issues during the remainder of the campaign.

Local Lions Attending State Convention

Sam Braswell Sr., G. L. Boykin, Ira Merchant and O. C. Watson of Clarendon attended the State Convention of the Lions Clubs held at Dallas and which closed Tuesday. The next meeting will be held at Lubbock.

Chas. H. Dean of Dimmitt and formerly of Clarendon won in the speakers contest for Texas and will enter the international contest

SPECIAL SERMON FOR ODD FELLOWS SUNDAY P. M.

Memorial Service at Church For Rebekas And Odd Fellows is Announced

The Independent Order of Odd Fellows and Rebekah lodges of Clarendon will hold their annual memorial service at the First Christian church next Sunday evening at 8:15. The pastor of the church, Rev. W. E. Ferrell, will deliver the message of the evening and his subject will be "The More Excellent Way."

Every member of these organizations is urged to be present and bring his or her friends. Special songs and music has been arranged and the message will be of inspiration and should be of interest to all who desire to know more about God and the way to eternal life.

Members of both organizations are requested to meet at the I. O. O. F. Hall at 3 p. m. Sunday, June 12th to join those who will go from there to the Odd Fellow cemetery for the purpose of decorating graves which will be located by a special committee.

Members and friends of both organizations are requested to be at the Hall promptly at 8 p. m. to join the members who will go from there directly to the First Christian church for the memorial service.

Christian Church to Begin Unique Revival

The First Christian Church will begin a unique revival next Sunday, which will continue for eight weeks, closing with a week of Evangelistic services, July 31st. This revival or campaign is for doubling church attendance at all services. Every Lord's Day, special programs will be presented, and at the Mid-Week meetings, "The Events in the Life of Christ," will be studied. The campaign will be given with a study of "the early church, and it's program," and every member is urged to be present for the "opening" lesson and the Communion Service. The morning subject will be: "The Day of Pentecost." The evening services will be in the form of a memorial service for the Independent Order of Oddfellows and Rebekas Lodge and the subject will be: "The More Excellent Way."

Miss Lalar Bell Wilkerson left Monday for Seymour where she will join Drew and Marguerite for the summer.

CANDIDATE FOR COUNTY OFFICE IN COMMUNITY MEET

Eighteen Candidates Tell Their Troubles, Hopes And Ambitions

Quite a number were present Tuesday evening at a political gathering at the Chamberlain schoolhouse when the citizens gathered to get a better idea of the various views of the large number of candidates.

Judge J. J. Alexander was the first of the eighteen speakers to express his views and present his claims for re-election. He was followed by Sam Lowe also a candidate for the same office and who pledged himself to an administration in the interest of the public without making any direct promises. J. C. Estlack, editor of the Donley County Leader was next to speak and explained his position on salary reduction in the office of county judge and how it may be accomplished.

Guy S. Pierce, present sheriff and candidate for re-election expressed his thanks to the people for their cooperation, and pledged them the same efforts toward a continuance of his policies if re-elected.

M. W. Mosley and A. N. Wood, both candidates for the office of tax collector summed up their races in a clear, concise manner.

As candidates for the office of district clerk, A. H. Baker read from memorandum savings effected by him in cooperation with other district and county officers, and Walker Lane stated his qualifications and other claims as the opposing candidate.

Mrs. Bessie Smith spoke in the interests of her candidacy for re-election to the office of county clerk and was followed by W. G. Word who modestly presented his claims for the same office, stating that he withdrew in the "run-off" in a previous race for the same office, but was in for the finish this time.

Mrs. Linnie Cauthen, present county treasurer, expressed her appreciation of the consideration shown her in her past campaigns, and asked for further consideration.

R. Y. King and R. J. Dillard, both candidates for the office of county attorney, were present to place their claims before the people. Mr. King stated some of the principles for which he had stood as county attorney, and pledged a continuance of same.

Both candidates for the office of tax assessor, W. A. Armstrong and Marvin Smith, made short talks and left it up to the voters to decide which should merit support.

J. B. Millsap and Sloan Baker spoke in the interest of their claims for support in their races for county superintendent of schools and were followed by Mrs. Nora McMurtry, present incumbent who read from notes detailing her accomplishments while in office following appointment.

J. H. Hurn as a candidate for the office of county commissioner, Precinct No. 2 related much of his previous administration of six years and asked for consideration of his claims after a skip of two terms.

Roy Beverly, present commissioner of this the Second county precinct, spoke of his efforts to effect savings in tax money with results, and pledged himself to further effort to secure a full dollar in value for every one expended if re-elected.

J. Less Hawkins, county commissioner of Precinct 3 being present, he acceded to the wishes of a number of friends and repeated calls and made a short talk in which he mentioned some of the accomplishments of the Board of Commissioners during his tenure of office.

R. W. Moore, prominent citizen of the Chamberlain community acted as chairman of the meeting and acquitted himself in a manner that was pleasing to the assembly, and fair in every detail to each of the candidates. The ice cream and cake sales totaled \$14.50 which

HAIL DESTROYS CROP STRIP OVER COUNTY SUNDAY

Hail, Wind And Rain Does Big Damage to Thousands Of Acres of Crops

An unusual amount of hail has accompanied rain periods over this section of the Panhandle since the opening of spring. Various sections of the county have been the recipients of damage though the loss was limited due to the earliness of the season.

One of the most disastrous hail storms in years crossed the county Sunday afternoon around five o'clock. This storm gathered northwest of Silvertown, crossed the deep canyons and took a northeast course. That strip of several miles in width included crops south of Ashtola.

Crops between Ashtola and Martin were destroyed along with the best garden prospect in years. Passing northeast, the strip included that section of farm land from the J. J. Goldston farm on the west to a mile or more east of the Jericho or No. 88 highway. Crops in this area were totally destroyed.

The storm continued across Gray and Wheeler counties into Oklahoma doing heavy damage in its wake.

Due to the fact that early planting of garden vegetables had been made for canning purposes, this loss is keenly felt. Planting of sweet potatoes had been made and it became necessary to purchase another supply of slips.

Farmers have spent a busy week replanting and otherwise repairing the damage. The moisture supply is ample for some time to come and the first plantings are already appearing above ground.

A two inch rain accompanied by a small amount of hail will necessitate replanting a large crop acreage in the Bray settlement. While the hail damage was small, the heavy downpour of rain washed crops badly on uneven land and in many instances filled up furrows between lister ridges on level ground.

The rain of Tuesday night covered the county adding to the moisture that was not needed due to previous rains of the week before in many places. Where rain or hail damage did not occur, crops are showing up in good shape.

Martin Community's School Bonds Carry

At a bond election held in the Martin community Saturday, citizens voted favoring the bond issue for the purpose of replacing the school building recently destroyed by fire.

The bond issue is for \$3500 which with the insurance on the building destroyed, will make it possible for the community to erect a nice brick building of three rooms with a basement for an auditorium. A saving has been effected by purchasing brick taken from the old boys' dormitory building at Clarendon.

Rotary Club Officers To Serve Next Term

Dr. Oscar L. Jenkins was chosen president of the Rotary club to serve the remainder of the year. Dr. J. W. Evans will become 1st vice president and D. R. Davis 2nd vice president. R. S. Cope will serve as secretary-treasurer. Dr. B. L. Jenkins and F. E. Chamberlain will serve on the Board of Directors.

The installation ceremonies will take place the first meeting in July at which time a special program will be presented if present plans are carried out.

Mr. and Mrs. A. D. Walker of Hobart, Oklahoma are visiting her daughters, Mr. and Mrs. L. D. Carlisle and Mr. and Mrs. C. Chas. F. Carlson and children.

Mr. and Mrs. A. D. Walker goes to the baseball fund, Chamberlain having one of the best teams in the county for which they expect to purchase a full equipment to further the excellent record already made.

West Texas Press Association

Higher Taxes.

Those who have been getting notice of a raise in valuation from the Equalization Board the past week can understand what higher taxes really means.

Making Graters.

Now that bunch up at Washington are making graters out of widows. When a congressman dies, they donate forty thousand dollars of the taxpayers' money to her in addition to giving her the husband's job.

It is not a question of whether she needs it, or that she deserves it any more than any other widow, but she just simply must become a grafter by an act of Congress.

Installment Taxes.

Down at McAllen in the Rio Grande valley, taxes have been "slow pay" as in many other sections due to the depression, and the authorities have hit upon an entirely new plan of collecting.

The taxpayer can arrange his payment along practically the same lines as he has been paying for ice boxes, autos and radios not to mention a lot of other things. It is possible under this arrangement to make weekly or monthly payments. This plan may be adopted by a number of other towns or counties since most people are more or less familiar with the "installment" payment plan. There is no promise "that it will pay for itself" so far as can be learned.

Holy Horrors!

The boys up at Washington have about balanced the budget by enacting an infamous tax law that includes a tax on checks and legal documents, telephones, your electric and gas bills, face powder, auto tires and most everything else.

It took a pretty smart bunch to finally discover that this nation could tax itself rich, or at least increase taxes until we recover from this depression. What difference would it make if the government owed a little bit? Every citizen almost in the Nation owes something and a tax increase is an insult to every respectable citizen of the Nation. Anybody hear of anybody's salary being reduced? Did anyone ever hear any of the political pets being weaned off from the government payroll?

High-Handed Crime.

Perhaps you know all about the citrus fruit fly, but do you know anything about the "corn borer"? Anyway, a few of these worms were found in corn stalks in Iowa and Illinois a few years ago and there went up a big howl.

Ever ready to seize an opportunity to supply jobs for political pets, some of our national lawmakers got busy at once and Congress appropriated \$18,750,000 designed to exterminate the little worms, though in fact it was to furnish jobs for political pets.

Getting started out on a spending rampage, 1700 men were employed to search autos for corn, and having found the corn, to search the corn for borer worms. The report handed in June 1st indicates that 16,002,720 autos were searched and that 730 worms were found.

Since 730 worms were forced to look Uncle Sams agricultural guardians in the face and meet death, what of the taxpayers? Dividing the sum appropriated by the number of worms found, it cost the taxpayers \$25684.93 per worm.

Despite all this high-jacking of the taxpayers, \$734,000 has been appropriated to continue the fight through 1932. HisT makes a total of \$19,484,300 appropriated to hunt down a worm that is far less dangerous than a cabbage worm.

And some times we wonder and speculate at the cost of government.

Politicians.

For many years this nation was so prosperous that the average citizen was content to mind his own affairs, and permit all sorts of professional, incompetent or grafting politicians to get into office and run the government of town, county, state and national just as they saw fit.

In the main, the crop of office seekers this year is little changed from the old line of job hunters and those who would promise anything to get a chance at the public feed trough. Only here and there do we find any men worth while volunteering for public office—men whose past records against increased tax methods are well known.

There is hope in that there is a gradual awakening to the fact that economy is being demanded, and that excessive taxes be reduced. High taxes and inefficiency in office has become a nightmare to many home owners and renters, as well as job seekers, each of whom realize that they must help pay the bill.

Audits and investigations, when honestly conducted, have convinced the voters that tax money has been brutally wasted in a great many counties of Texas. We say brutal because in many instances families have denied themselves the actual necessities of life in order to pay taxes, and a portion of this hard-earned money went into the pockets of office holders who were no better than a common crook.

THE WASTERS

We still ladle out \$25,000,000 a year to a neat little bureau named the Indian Bureau. Practically all the Indians are against the parental interference with their lives and for a good reason.

More than half the money spent by the bureau goes, not to the Indians, but to white bureaucrats. There are nearly 10,000 employees on the rolls, mainly in Washington, D. C.

One "commissioner" of the bureau gets \$9500 a year for making treaties with the Indians. Why it

Tickville Band to Convulse Editors

Here's the Tickville American Legion band of Ranger, Texas, the feature of the big barbecue for Texas editors to be held Thursday night at Camp Wolters, near Mineral Wells. All the boys are members of the Legion, and they guarantee to throw the editors into convulsions at their annual convention.

is still necessary to make treaties years after the Indian wars have closed, no one knows.

But it provides good soft jobs at public expense.—Editorial in Dallas Dispatch.

COUNTY AUDIT SOON

County officials have been working under a strain the past year, what with new legislative fee enactments and court procedure against officials who have made in correct charges for their services. Which is one reason, and an ample one in itself, for an audit of the various and sundry accounts to see that all are correct in every respect and to give every official an opportunity to correct mistakes while they are fresh. This audit is due to begin sometime in June.

If the contract made by the county commissioners for an audit is such that it will give a complete

picture of all the operations of all the offices, together with a complete statement of finances of the county, it will be a fine thing for all hands, including the taxpayers. However, there is hokum in the auditing business the same as in any other. It is to be hoped and it probably will be that way, that the county will not have paid for just a row of figures and a "balance sheet" when their \$300 is spent for the audit of the year 1931.

—Hesperian, Floydada

OUR WEEKLY CHURCH CHAT "The Covenants"

A covenant is a solemn agreement between two parties. There are many such covenants recorded in the Bible. Of those between God and man, there are two that stand out conspicuously and in contrast. They are called the "old" and "new" covenants. The old cov-

enants. The old covenant was that which God made with the Israelites when He led them forth from the land of Egypt into the wilderness. It was the outcome of a promise of God to Abraham. It was purely earthly, having to do with the possession of the land of Canaan and the increase and prosperity of the Israelites. The law with all of its commands and ceremonies, was included, and was to be obeyed as the grand condition of this covenant remaining in force.

But the Israelites broke away from the law of God and "continued not" in God's covenant. Having been broken, it could not be renewed. Therefore God made a "new covenant." When a man makes a new will, the former will becomes null and void. So God's "new covenant" "made the first old" and it therefore vanished away. (Heb. 8)

The "new covenant" is infinitely "better" than the old. Its peculiar features, as contrasted with the "old covenant" are as follows: It was made in Christ Jesus, who ratified it with His own blood; it is not confined to one nation, but it extended to "all nations" and every creature. It secures to all who embrace it and yield to its terms, the forgiveness of all sins, and peace with God. It confers upon all its subjects the noble status of "sons and daughters of the Lord God Almighty." And lastly, it secures for us "Eternal Life" and a crown "which is incorruptible, undefiled and that fadeth not away."

The "old" covenant was presented to the Israelites at Mount Sinai and lasted fifteen hundred and thirty years. The "new" covenant was given to the world on the

first Pentecost after the resurrection of Christ and last forever. Sunday morning our subject will be, "The Day of Pentecost" and we will present a lesson on the "new covenant and its rewards." Sunday night our subject will be, "The More Excellent Way." This will be a special sermon to the Oddfellow's lodge but all are invited to be present.

W. E. Ferrell, Minister, First Christian Church, Clarendon, Tex.

Mr. and Mrs. Dewey Herndon returned from Wichita Falls Monday where they had visited due to the illness of Mrs. Herndon's mother.

Mrs. W. H. Patrick and her house guest, Mrs. L. R. Hearne of Seattle, and John Bugbee were Amarillo visitors Monday.

Mr. and Mrs. W. H. Patrick, Mrs. L. R. Hearne and daughter Miss Mary Kate, Miss Lorraine Patrick and John and Tom Bugbee spent Sunday with Mr. and Mrs. W. H. Craven on the Craven ranch near Childress.

Mrs. A. H. Baker and Mrs. Henry Tice visited Mrs. Marion Cox at Panhandle over the week end.

PLANNING AHEAD

We note that some of our most successful farmers plan ahead to have a mid-season crop to go on the market during July and August. For several years the truck crops in Donley has meant much to us all.

The one crop idea has been discarded to the great good of every man who now diversifies his crop plantings and keeps a supply of cows, sows and hens.

Here's Simplified Cooking

Actually, cooking consists of only three fundamental operations: preparing the foods ... putting them in the oven ... and placing the meal on the table.

But so many more are required by old-fashioned methods! So much time is wasted on these unnecessary, tiresome tasks!

With a modern Electric Range, cooking is reduced to its three fundamentals. You merely prepare your meal, place it in the oven, set the Time and Heat Controls, and forget the actual cooking! All the work is done automatically ... requiring none of your time or attention—and leaving you free to enjoy happy leisure hours!

... And this Freedom is only one advantage of modern Electric Cookery! Foods look better, taste better and are more healthful. In fact, there are so many advantages you'll wonder how you managed with old-fashioned, inefficient methods!

Call us for an individual investigation of your use of electric service, to determine the cost of cooking by electricity in your home. You may be surprised to know that there are many cases where electric cookery actually decreases the total of electric and gas bills.

West Texas Utilities Company

TEMPLE OF TRUTH
By the Apostle

The College Hill widow says that the only person that she ever knew who was justified in sowing wild oats was a grass widow with hay fever.

W. M. Pickering is marketing a fine lot of cherries and of course the Apostle has enjoyed the cherry pies. If you don't want to pass up a good thing, phone the Pickering ranch right now.

The only time that a certain Dallas couple was seen to go out together at night was when they were blown through the roof by a gas explosion.

We need less fear and more cheer. Anybody know where there is some?

There is less waste to courtesy than any other every day thing lying around us ready to be used upon a moment's notice.

Yes, we "inhale", have halitosis and B. O. and BVD's and sometimes spit, even tho it is a "horrible" word.

The latest stunts for the hitchhikers to get a sure ride is to carry a bride, lister point or a gasoline can. The average motorist thinks that some one nearby needs a lift but learns later that the farmer-looking fellow is a professional tourist. A man from Amarillo to New Orleans and carried a plow point as his only weapon to catch rides.

F. D. Daggett of Ft. Worth spent some time in the Leader office Tuesday. Mr. Daggett is a farm raised boy and began working in a railroad office in 1893 at \$15 a week. Within six months he was "running" the "Sap" ticket office in an East Texas town. He is now general passenger agent for the Denver railroad at 57, and a mighty fine fellow.

Some women may not make a good wife, but they often make a good husband out of a very sorry man.

An amusing "accident" happened at Chamberlain school Tuesday night when a lady candidate was handing out her cards. Before leaving home she had written directions to her children on the back of a card. In some manner this particular card became mixed with others and when she handed it to a prospective voter he looked at the wrong side which read: "Peel the potatoes, wash the dishes, stay at home and be good."

There was something said in this column way back yonder about the women folks saving up their money a bit at a time with which to buy sealers and canning equipment. Well, they are now getting ready to make purchases and begin canning. The industrious women of the country are going to save the day despite all that the men can do.

GOLDSTON

Bro. Camel of McKnight filled his appointment here Sunday morning.

A destructive hail storm and a big rain swept through our community Sunday afternoon completely destroying all the crops. Every one will be forced to replant.

Mr. and Mrs. Resie Conner visited in the Myers home at Ashtola over the week-end.

R. V. Hatley, Nelson and ePry Seago visited friends at Hedley and Windy Valley Saturday nite.

Mr. and Mrs. John Hall entertained the young people with a party Saturday night.

Mr. and Mrs. L. H. Earthmon and daughter, Edith attended a B. Y. P. U. Convention at Naylor Sunday afternoon.

Loyd and Jack Robinson of Dallas are visiting in the S. J. Dyer home this week.

Mr. and Mrs. Neeley Hudson and little son, Allen Dwayne, and Mrs. Mattie Hudson all of Chamberlain visited in the H. M. Stewart home Saturday night and Sunday.

WEATHER WORRIES

It is surprising how rain, or even damp weather can affect clothing. The best fabric often shows the effect by needing a pressing to restore it to its natural appearance.

Spots of mud, if allowed to remain on the fabric too long, often makes a permanent spot that is difficult to remove. These spots often discolor or remove the original color.

You save by having your clothing cleaned immediately when needed.

- ... Is the refrigerator manufactured by a reliable company with proper experience in the electric refrigeration field?
- ... Is there plenty of food and shelf space?
- ... Is the cabinet itself well designed, sturdily built and properly insulated?
- ... Is there provision for the freezing of an adequate supply of ice cubes? (Quantity of ice rather than number of cubes, which may be of large or small size, should be taken into consideration).
- ... Will the refrigerator constantly maintain a proper temperature for the preservation of foods?

**COMPARE !
COMPARE !
COMPARE !
COMPARE !
COMPARE !**

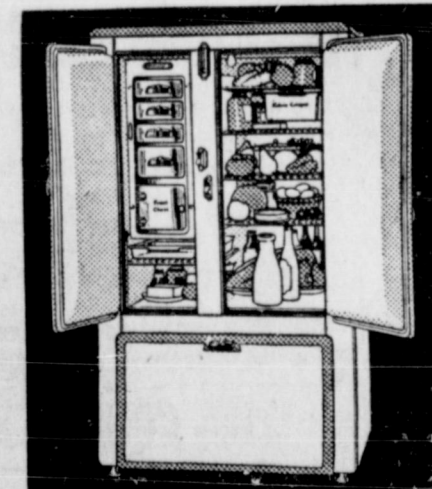

COMPARE !

- ... Can the freezing of ice cubes and desserts be speeded up when the need arises?
- ... Can this extra freezing speed for ice cubes be had without affecting the temperature on the food shelves? (Too low a temperature on the shelves will, of course, injure food).
- ... Is there a place to keep ice cream, meat, fish, game, "quick frosted" foods or an extra supply of ice cubes indefinitely at a below freezing temperature?
- ... Are these various temperatures (a. extra fast freezing; b. fast freezing; c. below freezing for storage; and d. normal food preservation temperature) automatically maintained without any attention from the owner?
- ... Does the refrigerating unit operate frequently or at infrequent intervals? (The fewer the "stops" and "starts" the longer the unit will last and the less it costs to run).
- ... How long will the cooling unit continue to cool the refrigerator even though the current is shut off? (Refrigeration should continue for 10 or 12 hours).
- ... Can the back parts of all shelves, even the lowest, be reached without kneeling or sitting down?
- ... Has provision been made for keeping vegetables fresh and crisp?
- ... Can the top of the refrigerator be used to "set" things down for a moment" while the contents of the cabinet are being re-arranged?
- ... Is the refrigerator so designed and finished as to add to the attractiveness of the kitchen?
- ... Has the experience of users over a considerable period of time shown that the refrigerator is long-lived and dependable?

NO ONE FEATURE JUSTIFIES THE PURCHASE OF ANY REFRIGERATOR. GET ALL THE FACTS, AND JUDGE ACCORDINGLY

It isn't a matter of shrewdness or experience. Thoroughness is the really important thing in selecting a refrigerator. Thoroughness in deciding what one wants in a refrigerator. Thoroughness in searching for the refrigerator that meets those wants.

That's the reason for this list of Vital Questions that we are printing . . . at the left . . . to help you investigate thoroughly. It contains, we believe, every essential and every desirable element in truly modern refrigeration. Not one of these points should be forgotten.

Consult it. Make mental notes. Take it with you when you shop for a refrigerator. Look for the answer to each question in every make. But we tell you in advance . . . only in Kelvinator will you find the complete, happy combination.

So all we ask of you is this . . . see Kelvinator before you buy . . . check point for point . . . and we feel sure we will soon welcome you as a Kelvinator owner.

Prices as low as \$164.50
Terms as low as \$7.50 per month

COLLIER-LATSON

A wedding of beauty and simplicity and of unusual interest was solemnized Sunday morning at 8:30 in the Methodist church when Miss Coye Latson of this city became the bride of Mr. Wynn Collier of Post, Texas.

The church was beautiful under the light of candles and the chandelier.

The altar and chancel were banked with ferns and baskets of pink larkspur tied with bows of blue tulle. On each side of the altar were tall candelabras containing five pink tapers each.

Miss Verna Latson entered from the choir room and lighted the candles, immediately followed by Miss Jonnie D. Latson to the organ. Miss Isabella Baley, life long friend of the bride, sang, "At Dawning," by Cadman.

To the strains of "Love's Delight," by Liebesfrend, the bride and groom entered from the lady's parlor, unattended and were met at the altar by Rev. E. B. Bowen who read the impressive ring ceremony, before a few close friends and relatives while at the organ Miss Jonnie D. played softly thru the ceremony.

The bride was dressed in a beautiful triple sheer crepe of blue trimmed with ecru lace, her accessories were of pink. On her arm was a lovely shower bouquet of roses and sweet peas.

The groom was handsome in a dark suit.

Returning to the home of the bride, a number of friends gathered for words of congratulations, and to see the happy couple off for the summer resort in New Mexico.

The bride wore a late model suit of sun beige with accessories to harmonize.

Her lovely bouquet thrown from the porch fell into the hands of Miss Isabella Baley.

Mrs. Collier has lived in Clarendon a number of years finishing school here, later attending Baylor for two seasons. For two years being with the faculty of the Post City schools where she has made a host of friends, as the ones she leaves in Clarendon.

Mr. Collier is a young and popular business man of Post, being associated with his father at the Collier drug co. of that city. He finished public school at that place later attended Baylor Medical college where he registered as a pharmacist.

Mr. and Mrs. Collier will make their home in Post.

GOODWILL CLUB

Mrs. J. R. Bain was hostess to the members of the Goodwill Club Thursday. Garden flowers were used in an artistic decoration where a pleasant afternoon was spent in doing the finer needle work and in neighborly chats.

A lovely refreshment was served to Mesdames Blasingame, Cy Johnson, Will Johnson, Blanche Odom, Don Martin, T. D. Nored, Henry Shoffitt, A. O. Yates, Fred Russell, Elmer Palmer, and Misses Emma Lee Johnson and Nell Cook.

Mrs. Elmer Palmer was voted a member of the Club at this meeting, the next meeting will be held at Hedley.

CRITES-TIDROW

At Hollis, Oklahoma on Friday, June 3rd Miss Rachel Tidrow became the bride of Dee Crites.

The bride is the eldest daughter of Mr. and Mrs. A. E. Tidrow of the Naylor community and one of the leading families of that section. She was graduated from the Memphis high school in the class of 1928 and spent two years at Canyon preparing herself for the profession of teaching. She has taught the past two years in the Windy Valley school where she made an enviable record as a teacher.

The bride-groom is a prosperous farmer of the Lelia Lake community where he is well known for his excellent qualities as an industrious young man of high standing. They will make their home near Lelia.

CLARENDON H. D. CLUB

Members of this club were entertained by Mrs. Lonnie Hahn Friday afternoon. Mrs. C. D. McDowell, vice president of the Club, presided.

Mrs. C. L. Benson was elected a delegate to the Short Course at College Station from the Club at this meeting, and plans were made to defray expenses.

"Planning and serving a meal" was the subject for study at this meeting.

Mrs. McDowell showed some of the canned goods that drew first prizes at the Fair last year, and gave a talk on canning vegetables and fruits for fair display.

Mrs. T. R. Brown gave a talk on "menus and balanced rations."

Mrs. J. M. Acord and Mrs. Lonnie Hahn each gave a demonstration of knowledge gained at the sewing school conducted here last week.

A delicious ice course was served to Mesdames Van Eaton, Ed Speed, Reavis, Estlack, Tomb, McDowell, Brown, Crabtree, Anderson Baker, Chase, Schull, Spitzer, Brady, Acord, Benson, Wiley Morris.

Guests of the Club were Mrs. Will Johnson and granddaughter, Johnnie Johnson.

MRS. A. R. LETTS ENTERTAINS

Members and guests of the 1912 Needle Club were entertained by Mrs. A. R. Letts at her home Thursday afternoon. Fancy needle work and pleasant conversation was enjoyed from three to six p.m.

A lovely two course refreshment was served to Mesdames John Fleming, L. L. Swan, L. S. Bagby, A. A. Mayes, H. C. Kerbow, A. L. Chase, R. A. Chamberlain, Sella Gentry, J. J. Patman, Minnie Dyer, E. L. Jenkins, F. C. Baldwin of Louisville, Ky.

WIN ONE S. S. CLASS

The Win One Sunday school class of the Methodist church met at the ranch home of Mrs. J. A. Meaders Monday afternoon. Mrs. Bill Meaders and Miss Katie Meaders were hostesses.

Mrs. E. B. Bowen led in the devotional service, reading the 24th During the social hour a delicious refreshment was served to Mesdames A. A. Mayes, Victor Smith, R. Y. King, T. R. Brown, Edna Lott, Rayburn Smith, J. R. Porter, John Clark, Rich Holder, Lela Wilkerson, E. B. Bowen, J. T. Patman, Bill Thornberry, V. A. Kent, Miss Gladys Wright who was a guest.

BRIDE-ELECT SHOWERED

Honoring a life time friend and a popular bride of the month, Miss Isabella Baley, assisted by Miss Helen Baley, was hostess, to a number of friends, at the home of Mrs. O. W. Latson Thursday afternoon. Entertaining with a party and shower for Miss Coye Latson.

While Miss Latson was out driving, the guests arrived at the house; returning home she was met at the door by little Miss Kitty Ruth Baley and Bobbie Bentley presenting her with a huge laundry basket filled with lovely gifts for a bride.

The house was decorated with baskets of flowers. A bowl of cape jasmine and magnolia blossoms adorning the dining table.

After due inspection of the gifts, delicious ice cream and cake was served.

Guests invited included Mesdames F. L. Stallings, W. A. Simpson, Clarence Whitlock, E. M. Ozier, Manley Ozier, C. E. Merchant, Roy Ingram, Guy Pierce, Eula Cox, Nathan Cox, Dave Johnson, Ralph Bourland, C. A. Burton, E. O. McCanne, O. T. Smith, Murrell, J. H. Hurn, Bill Bentley, O. W. Latson, Edwin Baley, Misses Jonnie D. Latson, Lillian Murphey, Betty Weatherly, Eunice Johnson.

Miss Lotta Marie Walford and Herman Pool of Ranger were quietly married Saturday at the Church of Christ in Hollis, Okla. The beautiful ring ceremony was used by Bro. Carter, and the bride was dressed in white with corresponding accessories.

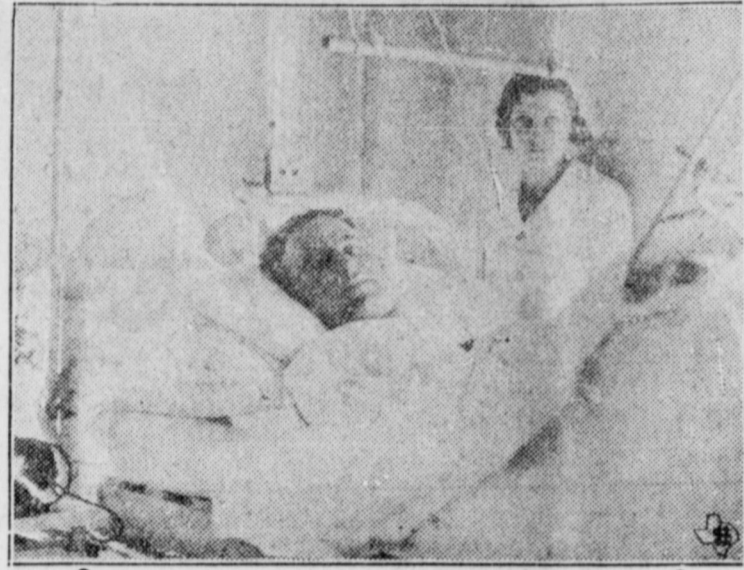

Miss Walford is the charming daughter of Mr. and Mrs. Frank Walford. She attended Abilene Christian College and taught expression the past year in the public schools of Ranger.

Herman Pool is a resident of Ranger and holds a position in that city, where Mr. and Mrs. Pool will make their home.

1926 BOOK CLUB

The members of this Club observed the annual six o'clock breakfast at the home of Mrs. Rolle Brumley this (Thursday) morning. Each member was accompanied

Goebel Recovers From Plane Crash

Here is Art Goebel, famed flyer whose leg was broken when his plane crashed at McKinney, Texas, last week. His mechanic, R. L. Riss, was killed in the crash. Goebel is shown here in the McKinney City hospital, where he is recuperating. His leg cannot be put in a cast for several days yet.

by an invited guest and the meal prepared out doors and served cafeteria style.

The out of town guest list included Mrs. C. C. Cottingham of Amarillo, Mrs. Alexander of Dallas, Mrs. Strickland of Amarillo, Miss Reeves of Hedley, Mrs. R. R. Earnett of Oklahoma City. And Mesdames Donald Ballew, O. T. Smith, Ralph Kerbow, Bill Bromley, Ed Teer, R. S. Cope, R. Wilkerson, Rayburn Smith, U. J. Boston, R. G. Dillard, W. W. Taylor, Harlan B. Naylor, Frank Heath, Van Allen Kent, Elba Ballew, W. C. Thornberry, H. T. Burton, B. G. Smith, Rolle Brumley, J. R. Porter, Tom Goldston, H. C. Brumley, Joe Goldston, Chas. B. Trent, and Misses Irma Lewis, Edgar Mae McMongole, Eva Lee Morrison, Lotta Bourland, Helen Martin.

FORUM ADELPHIAN

The Forum Adelpian held their regular meeting in the form of a picnic Monday evening. Seventeen members and guests motored to the country and hiked around until sundown when a large bon fire was built and a picnic lunch enjoyed.

A program was given in the form of a discussion of the "Life of Moses" led by Bill Word. Each meeting night some character of the Bible is discussed. At the next meeting, June 20, the story of Ruth will be discussed by the group with a leader.

Young people of any denomination are invited to come to these meetings held at the Presbyterian church under the sponsorship of Rev. Robt. S. McKee.

S. S. and B. T. S. CONVENTION

The Panhandle Association of S. S. and B. T. S. Convention met with the Clarendon Baptist Church Sunday afternoon, at 3:00 o'clock. A number of out of town representatives were present from Memphis, Estelline, Hedley, Lelia Lake, and Ashtola. The attendance banner was won by Ashtola for the third time in succession. This entitles them to keep this banner permanently.

An interesting program was rendered. The S. S. part featured the problem of absentees- the cause and remedy. The B. T. S. part provided for a representation of each department, primary through adult, with special emphasis on the various contests provided for the department at the State B. T. S. Convention.

THE MOST IMMORAL AGE

Mitchell Republican

The most immoral age, when was it? That's a question that probably will never be decided this side of judgment day. King Hammurabi of Babylon at one time lamented the immorality of his age. He thought it to be the most immoral in all history and he even went so far as to issue a royal decree, promulgating a moral code to keep the youth of the kingdom within bounds.

Every age and every land has faced the same problem and the same efforts have been made to combat the popularly called "crime wave and lax morals." But the world has gone on, new times have

STARTED CHICKS

Clarendon Hatchery
Phone-263

Lee Satterwhite
Candidate for
Railroad Commissioner

brought new modes of living and consequently new styles in crime. Today airplanes and automobiles are used in commission of crimes. Thus criminals are harder to catch because they can get away

quicker. Human life may even seem to be held of less value by some than formerly.

But the outlaws of the border days, the guerilla bands of the post-civil war days, the highway-men of the 18th century, the pirates who roamed the seas in the 16th century, the marauders of the 15th century, the orgies of the Roman empire of the early Egyptians, the debauches of Sodom and Gomorah, all these have little counterpart in modern life, have they?

To the reformers of the day, this age may seem the most immoral of all ages. The youth of today may seem a bit too flaming. But there are those who hold just as strongly that the youth of today is no more boisterous than their boisterous sires who lived in the days when street brawls were common, when mourners at funerals were accustomed to get a little tipsy so they could weep the more readily, when every little town had its full quota of saloons and "rushing the growler" was too frequently the most popular American evening pastime.

W. L. Butler of Lelia Lake who has been suffering from heart trouble and complications for some time, is reported to be slowly convalescing.

MARTIN

This community received the largest rain we have had for several years. Washed out, hailed out, and covered up most of the crops in the country.

Mr. and Mrs. Aubrey Talley and daughter from Silverton spent the week end with Mr. and Mrs. C. J. Talley.

Miss Kate Talley left Monday morn for Canyon where she will attend school this summer.

Mr. and Mrs. Horce Wood and children from East Texas are spending a few days with the lady parents Mr. and Mrs. Dave Patterson.

Mr. and Mrs. W. E. Hodges, Mr. and Mrs. J. D. Wood and son spent Sunday with Mr. and Mrs. Buck Roberts.

Mr. and Mrs. J. O. Blankinship of Hedley spent Sat. night and Sunday with Mr. and Mrs. J. B. Turnbow.

Mr. and Mrs. Noel Harvey, Mr. and Mrs. Glen Adkins from Hedley spent Sunday with Mr. and Mrs. Will Peabody.

Mr. and Mrs. Alvin Pittman and children, Mr. and Mrs. Carl Pittman and daughter spent Sunday with Mr. and Mrs. U. G. Pittman.

Mr. and Mrs. Billy Christal of Lelia Lake, Mrs. A. A. Smith of Ashtola spent the week end with Mr. and Mrs. Self.

Mr. and Mrs. W. L. Lewis and children of Clarendon spent Sunday with the lady's parents Mr. and Mrs. A. J. Sibley.

Mr. and Mrs. Edd Harvey and children of Lubbock spent Thursday with Mr. and Mrs. Noel Harvey.

ASHTOLA

Sixty attended Sunday school here Sunday. B. Y. P. U. was rained out that evening.

Mrs. J. L. Tims entertained the last meeting of the Home Demonstration club. The lesson study subject was "the balanced meal" in which Miss Buttrill made an excellent talk.

The girls 4-H club met with Evelyn Dunning. The community is very proud of Lodema Mason for having won second place in the bedroom contest over the county.

Mrs. Whit Calcoete died at Ft. Worth following an operation Thursday. The services were conducted at the home of her parents, Mr. and Mrs. A. L. Wallace by Rev. L. A. Reavis and burial had at Clarendon Saturday. The entire community extends sincerest sympathies.

Grandma Blackburn of Dallas is visiting her daughter, Mrs. W. A. Poovey and will remain for an indefinite time.

Ashtola's B. Y. P. U. was awarded the banner for the third time Sunday when 34 from here attended the zone meeting at Clarendon Sunday.

John Dial of Lelia is our new depot agent. We welcome Mr. and Mrs. Dial and trust that their move will be pleasant and profitable. Mr. Hardie will be at Newlin.

Mrs. Lizzie Nix and grandson of Eldorado, Okla. are visiting her niece, Mrs. Dollie White and family.

Mr. and Mrs. Walter Gregg and children of Chamberlain are visiting his brother, Mr. and Mrs. Elsie Gregg and children.

Miss Cecil Hukel of Clarendon is visiting in the Lu McClellan home.

Hall and a blowing rain did great damage to crops here Sunday south of the railroad and replanting is necessary.

CHAMBERLAIN

A three inch rain fell here Sun. A good crowd was out to hear the candidates Tuesday night. There was lots of oratory on display, all the candidates were in good spirits and an all round goodfellowship meeting was experienced. R. W. Moore was chairman of the meeting and every thing moved smoothly. A neat sum was realized from refreshments. This will aid the baseball club who are thankful to the public for their cooperation.

Among the Hedley visitors were Mr. and Mrs. Less Hawkins and Mrs. Ainsley. Mr. Hawkins represents the Hedley section in the Commissioners court, and responded to repeated calls from the audience for a speech. He made a good talk on economy. His remarks were mingled with wit and humor that is characteristic of an east Texas Irishman.

Louise Hughes is spending a week visiting relatives in Amarillo

Leap-Year King

Believe it or not, this chap was crowned king of the Leap-Year dance held by coeds of the College of Mines, El Paso, and he seems to be enjoying his honor. He is Brooks Travis, husky athlete and a junior in the school.

V. V. Johnston sold a dozen porkers last week. The price paid was very low of course. It requires a lot of grit to produce hogs at the present price, but a strong determination accompanied by the Johnston smile will keep the wolf away inspite of Hoover and the special trust.

The Chamberlain Dramatic Club staged their late play "Ghost Chaser" in the Goldston Auditorium Friday night, notwithstanding a threatening cloud the house was full, and the kiddoes played in the true Chamberlain way. The response and expressions indicated they pleased their audience.

LELIA LAKE

Mrs. T. D. Nored and sons T. D. Jr. and Donald of Clarendon spent Thursday with Mrs. H. R. King.

Mr. and Mrs. Billie Christal spent Sunday with her parents, Mr. and Mrs. Self at Martin.

Mr. and Mrs. E. R. Myers visited with Mr. and Mrs. Albert Sanders of Goldston Monday.

Mr. and Mrs. W. V. McCauley and Mrs. Noble were Ashtola visitors Monday.

Mrs. Z. O. Batson of Memphis returned Saturday after a visit with her children here.

W. W. Jones and family spent last week end as guests of her parents at Vera.

The eldest son of Mrs. Loveless of Wichita was taken with infantile paralysis Monday while they were visiting with her sister, Mrs. B. Chenault. The child is in a serious condition now, but we hope for him a speedy recovery.

Mr. and Mrs. Lon Howard of Levelland came Wednesday for a visit with their parents.

Mr. and Mrs. Bert Smith returned home Friday from Amarillo where he has been under the care of a doctor.

J. D. Cook and family moved to Clarendon Tuesday where they will make their new home.

Leroy Howeth was operated on for appendicitis Saturday in the County Hospital at Clarendon.

Having closed her school, Miss Ieta Mace is now at home.

Rev. Allen, pastor of the local Baptist church and family of Clarendon are moving here.

Mrs. Edd McDaniel and boys spent Thursday at Leslie.

Misses Effie Dean and Melba Bullard returned Sunday from a week's visit with relatives at Memphis.

Mr. and Mrs. Milo Dotson and friends of Memphis visited in the W. A. Bullard home Sunday.

Mrs. Lester McKinney of Estelina was honor guest Wednesday when Mrs. E. R. Myers gave a three course luncheon in her honor

Those enjoying the affair were Mrs. Albert Tomlinson, Carrol Lewis, Elmer Kennedy, H. R. King, M. G. Cottingham, John Gerner, S. R. Tomlinson, the hostess and honoree, and Misses Wilma King.

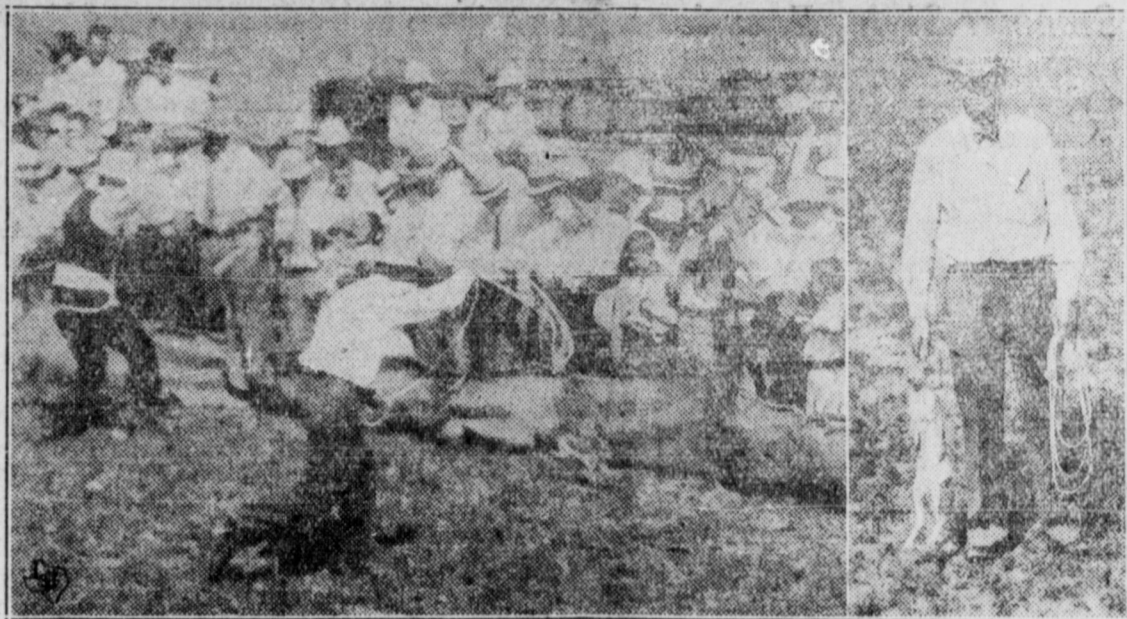

Pain Passes Off

When your head aches; when Neuralgia tortures you; when Muscular Pains make you miserable—take a Dr. Miles' Anti-Pain Pill.

Mr. Smith is one of millions who have found this easy way to prompt relief. He says—
"I keep Dr. Miles' Anti-Pain Pills in my pocket and when I get a dull heavy feeling in my head, I take a Dr. Miles' Anti-Pain Pill and the pain passes off."

DR. MILES' ANTI-PAIN PILLS

Rabbit Roping Ruckus at Odessa Proves "Cruelty to Cowboys"

When the American Legion post at Odessa, Texas, decided to include a Rabbit Roping contest in their recent rodeo, they didn't realize what a ruckus they were starting. Humane societies all over the country complained. The Legion was restrained from having the contest, but the Legion won a writ of injunction restraining the sheriff from stepping them when Judge Henry Webb ruled the jack-rabbit a rodent, on which humane laws do not apply. But when the contest was held, it turned out to be cruelty to cowboys and not to animals, because only 7 of the 105 cowboys entered could catch a rabbit, and no rabbits were hurt. The above two photos show the champion, Arden Ross, sheriff of Loving county, last stronghold of the Old West. Ross roped his rabbit in nine seconds, a record. One photo shows him in action, the other with his rabbit.

In Politics

Beauty and politics go hand in hand at the Texas State capitol, where 14-year-old Thelma Bills, is the first girl ever to hold position as page in the Senate. She has been "in politics" since she was 8, her mother, Mrs. Cora Bills, being an employee of the State Department.

Maxine Tomlinson, Eriene McKinney, and La Nelle Lewis.

A SUNDAY TRIP—IF

If there's gas within our gas tank and our starter's workin' right, and our spark plugs ain't as dirty as they seemed t'be last nite; if our batt'ry's only actin' like it had a spark o' sense and our brake will only hold us when we're headin' for the fence; if our carburetor's mixin' so we're hittin' on the four; if we ain't got too much oil so the smoke comes through the floor; if that rear-end right-side tire acts as if it might pull thru and the front one on the left side don't decide t' bust in two; if the tail-light and the front ones are a shinin' as they should and the darned old horn ain't stickin' but

COMING

DR. LITTLER
of Fort Worth, Texas
TO ANTRIO HOTEL
Clarendon, Texas
Wednesday, June 15th

ONE DAY ONLY
Hours 9:30 A. M. to 3:30 P. M.

Dr. Littler, specialist in stomach and intestinal diseases, is visiting many places in the state. He does not operate for chronic appendicitis, stomach ulcer, or tonsils. He treats small tumors, skin cancer, piles, facial blemishes and other skin growths, by the injection methods, and with no detention from business.

Dr. Littler is a graduate of a reputable school of medicine, and has served two years on The Texas Board of Health. He is an experienced practitioner in medicine and has had years of experience in diagnosing and treating special chronic diseases.

If ailing and not getting better, see him, as delay just prolongs your illness. Consultation and examination Free. Medicines and services, at reasonable cost, in cases accepted for treatment.

Married ladies should come with their husbands, and children with their parents. Remember the date **RED CROSS LABORATORY**, Box 405, Fort Worth, Texas.—Adv

is tootin' fairly good, then we'll take our hull darn family, if the weather man don't slip, and we'll hop inside our rattler and we'll take a Sunday trip. That is if, of course, all other things are breakin' right, you know, and if when we ast the missus, then the missus wants t' go!

Kenneth Fink returned from Austin Saturday where he has been a student in the State University the past few years. He was accompanied by his friend John Earl Barden who will vacation here.

Mrs. P. L. Chamberlain and little daughter, Donita, accompanied Mrs. Matt Bennett to Pampa where they spent the week end with Mrs. Dick Hughes and family. They expect to visit with Mrs. J. W. Johnson at Clovis before returning home.

Mr. and Mrs. Leonard Darnell of Dumas were guests of Mr. and Mrs. Duckett and "Slim" Tidwell over the week end.

"That's News to Me"

IT HAPPENS every day! Car owners are surprised to find that they do not have to pay one cent more to get the Extra Values in Firestone Tires.

We have a Firestone Tire to meet every price and driving demand—for every purse and purpose—and every Firestone Tire has Extra Strength and Extra Safety and gives Extra Service because of the Extra Values that are built into them—they cost no more than ordinary tires.

Come in. Compare sections cut from Firestone tires, special brand tires and others. See for yourself how Firestone gives you Extra Values at no extra cost. Whatever your requirements may be, we can save you money and serve you better.

Listen to the "VOICE OF FIRESTONE" Every Monday Night Over N. B. C. Nationwide Network

Extra VALUES

GUM-DIPPED CORDS
The Firestone patented Gum-Dipping process transforms the cotton cords into a strong, tough, sinewy unit. Liquid rubber penetrates every cord and coats every fiber, guarding against internal friction and heat, greatly increasing the strength of the cord body, and giving longer tire life.

TWO EXTRA GUM-DIPPED CORD PLIES UNDER THE TREAD

This is a patented construction, and the two extra Gum-Dipped cord plies are so placed that you get 56% stronger bond between tread and cord body, and test show 26% greater protection against punctures and blowouts. It sets a new standard for tire performance on high speed cars.

NON-SKID TREAD
Tough, live rubber specially compounded for long, slow wear. Scientifically designed non-skid gives greater traction and safe, quiet performance.

High Lights of GOLDSTON

Since school is out, this high school bunch of gangsters are restless. —Irene Rhodes curls her hair up like a six year old kid, and puts a straw hat on her top knot just like Nelson Seago's. —Dorothy Dill enjoys car riding, and especially when she goes to Jericho to see a ball game. —Virginia Harris can't get her tickled box turned over since she can't hear Odell make his slight remarks at school. —Minnie Golluhue caught the fastest thing that came by going to Amarillo. —Lenora Clemmons spends most of her time running around to get dances. —Ailene Rhodes tries to be a god dancer in Jewel's pink georgette dress. —Laverne Riskey purchased a permanent wave, which makes her even more pretty than she was before. —Velma Morgan likes to pass the store and generally looks up east as she passes. —Louise Seago likes to have her hair set up at Bolles and likes to go back by Parkers for tomato plants. —Lucille Walling grieves a great deal because she can't get the boy she loves. Juanita Walling doesn't seem to believe several things she hears about a certain person. —Vodie Clemmons is missed very greatly by the Goldston ball club since he is away. —Charles Dyer just simply hates long tongue people. —Odell Dyer has the blues so bad that his eyes have absolutely turned blue instead of brown. —Carl Dill is doing his best to win Ailene but he is not getting along so well. —We hope him a speedy recovery. —J. D. Hendrix seems to be going crazy. —Granville McAnear draws the girls attention by going to town with greasy pants on. —Leonidas Elmore has become a real "gum chewer." —Wallace Bolles is jealous of a boy from "Chamberlain" over Louise. —Eldon Dyer is rejoicing over a motor cycle ride he took Sunday. —Ruth Rhodes is getting pretty. —Geraldine Hall would like to go somewhere. —Bessie Golluhue likes to see plays entitled "Ghost Chaser". —Mary Earthmon weeps over Hermon. —Julia Earthmon is a cute little "mutt", so we heard. —Alpha Bolles likes brunettes. —Lola Bolles smiles to much. We've begun to suspect ??? —I. B. Clemmons don't like for girls to sit in front of him. —Raymond Clemmons laughs too much. —L. D. Wade does not want Wallace to kick him a pass. —Bonnie Wade had rather see Juanita happy than himself. —J. D. Hahn likes flowers

Visiting
Miss Irene Rhodes spent Saturday night with Lenora Clemmons. Mr. and Mrs. W. H. Morgan ate dinner with Mr. and Mrs. Jordan Sunday. Brother Andy Campbell spent Saturday night with Mr. and Mrs. Morgan, and filled his regular appointment Sunday morning. He enjoyed a real dinner at Mr. and Mrs. L. H. Earthmon. Miss Louise Seago and Miss Velma Morgan took dinner with Miss Hazel Dyer Sunday. Miss Alpha Bolles spent Friday night with Miss Velma Morgan.

Happenings
Mr. and Mrs. L. H. Earthmon were visitors in Clarendon Sunday evening. The Chamberlain Young People brought a play up here Friday night. "The Ghost Chaser." There was a large crowd present and we enjoyed it very much. We tried to show our best attention, and were pleased with the way the play worked out. We enjoyed Mr. Millsap's talk and we heartily invite these Chamberlain folks back again. We enjoy having people like them in our community, and every one from other places are invited also. Sunday School was attended Sunday by a large crowd. We invite everyone to come out at 2:30 p. m. and take part in our Sunday School.

Mistaken
We wish at this time to express our thoughts toward the mistake made in the Goldston News of last week. As we saw in the paper, a "party" in the John Clemmons home was enjoyed by quite a few, and it was a dance. All who were present enjoyed dancing. We wish to correct the mistake for fear it would cause hard feelings in the community.

Goldston Ball Club
Goldston met Chamberlain with a smashing defeat in Clarendon June 4. The score stood 5 and 3 in Goldston's favor. Then Monday evening June 7, Chamberlain called out to Goldston at 1:30 p. m. and told our club they were coming out to play ball. Did they come? Yes, they came and talk about "a beating." Chamberlain got it. Goldston beat them so badly they did not even know they were playing. When Chamberlain told our manager, Mr. L. H. Earthmon, that they were coming, news spread like lightning, and these wild cats were raring to go at a minutes notice. Our lineup was, two Seago boys, Parker, Fitzgerald two Helm boys, Hunt, Conner and Stewart. This was not our regular lineup, but "my gracious" if "they" can do this what can our regular team do to Chamberlain? The score was 14 to 1.

Rain And Hail
It was a pitiful shame the way the hail and rain mopped up the crops, gardens and orchards here Sunday evening from 4:45 until 5:15. We have nothing left in our community but water and washed away fields. But the farmers out here have a way of taking things with a smile when troubles come their way, so they are willing to get more seed and try again. We feel sure that we had our share of hard luck this year so now maybe the tide will turn and we can again see all our citizens in their fields healthy and happy as they were before the down fall.

Sports
The dancers enjoyed a dance in the Johnnie Hall home Saturday night. With good music and good

Real Witness

While they made a big-to-do at Conroe, Texas, at the murder trial of Durrell Kendall for the killing of two show people, about a parrot which was supposed to have witnessed the murders, they discovered the real parrot witness in Houston, Texas. Here he is. The district attorney brought a parrot to court and locked him in an adjacent room, where he squawked all day, but the bird was not "put on the stand," and Kendall was acquitted of the murders which occurred at New Caney.

dancers we seem to make them clean dances. The girls are planning on going swimming some time this week. Now talk about a bunch of swimmers, "we've got them." A gang of boys gathered around the store Sunday to enjoy rides on a motorcycle brought out here by Loyd and Jack Robinson of Dallas. These boys used to live in our community and we are glad to have them back visiting us. It brings back old times. They have been visiting the Dyer boys.

Visiting
Miss Irene Rhodes spent Saturday night with Lenora Clemmons. Mr. and Mrs. W. H. Morgan ate dinner with Mr. and Mrs. Jordan Sunday. Brother Andy Campbell spent Saturday night with Mr. and Mrs. Morgan, and filled his regular appointment Sunday morning. He enjoyed a real dinner at Mr. and Mrs. L. H. Earthmon. Miss Louise Seago and Miss Velma Morgan took dinner with Miss Hazel Dyer Sunday. Miss Alpha Bolles spent Friday night with Miss Velma Morgan.

We enjoyed Mr. Millsap's talk and we heartily invite these Chamberlain folks back again. We enjoy having people like them in our community, and every one from other places are invited also. Sunday School was attended Sunday by a large crowd. We invite everyone to come out at 2:30 p. m. and take part in our Sunday School.

NAYLOR
Friday June 3rd at Hollis, Oklahoma, Miss Rachel Tidrow became the bride of Mr. Dee Crites.

The bride is the oldest daughter of Mr. and Mrs. A. E. Tidrow. She has grown from childhood among us all love her for her many virtues. She was graduated from the Memphis high school in '28 and studied two years at Canyon having taught the last two years at Windy Valley.

Mr. Crites is a prosperous young farmer of Lelia Lake, a young man of sterling qualities. Mr. and Mrs. Crites will be at home to their many friends near Lelia Lake. Party at A. E. Tidrow home Saturday nite in honor of the newly-weds.

Naylor enjoyed a grand singing Sunday afternoon. Many visiting singers were here.

Mr. and Mrs. Jimmy Baker of Martin visited friends and relatives Sunday.

Mrs. Nora McMurry of Clarendon attended the singing Sunday

Summer Styles Easy for Woman Who Knows Simple Secret of Big Wardrobe

It is easier than ever this summer to dress attractively, and with charm. Fashions never have been so becoming to women of whatever age. Not in many years have fabrics and garments been so low-priced. And, to cap the climax, manufacturers have made it easy for women to keep their pretty, economical wardrobes fresh and clean.

"Lots and lots of cottons" feature the fashions, according to a country-wide radio broadcast by Amos Parrish, nationally known style expert, which is declared by the American washing machine manufacturers' association to be "good news for millions of women."

"When a woman has a household washer, owning a variety of pretty summer clothes and keeping them spic-and-span is no problem to her," says the association. "She can wash dresses clean economically and almost instantly in her machine and have them ready for wear again with a brief pressing."

Black-and-white checked gingham makes the clever daytime frock shown. Gingham of any kind are "very good" this year. Cord-weave cotton in red and white stripes forms the smart goll ensemble illustrated. Under the jacket is a little blouse of white cotton broadcloth.

Thanks to the convenience of the electrical washer, which 8,800,000 women already are using, and to fashions as pretty and economical as these, American women are the most attractively dressed in the world.

afternoon.
Miss Helen Marie Northcutt of Wichita Falls is the house guest of Mr. and Mrs. Perry Tunnell she being a niece of Mrs. Tunnell.

Mr. and Mrs. M. W. Mosley and little grandson, J. V. Mosley of Clarendon were out Sunday afternoon, and enjoyed the singing.

Mr. and Mrs. H. L. Whitfield and children of Hedley visited in the home of Mr. and Mrs. Rich Bowlin.

The rain Friday night did much damage to the pie supper. The crowd was small, but all the pies were sold and the needed funds were raised.

night.
Quite a number of ladies com-

Mr. McClure of Hedley made an excellent talk on the Sunday School lesson Sunday afternoon. There was 57 present.

Mrs. Jewell McCaskill is attending summer school at Canyon.

We had a big rain Sunday benefiting gardens and crops.

Mr. and Mrs. H. W. Stogner entertained with a party Saturday

pleted the quilt at Mrs. N. R. Simmons which they had pieced previously and expect to sell to help for the school lights.

Miss Hazel Cole is attending school in Canyon.

Miss Rachel Tidrow, popular school teacher here two terms, was married to Dee Crites of Lelia Thursday night. We wish them much happiness.

Mrs. Tressie Mantooth of McLean spent the past week with her father, J. D. Pope and family.

Leo Paulk, Alfred Bowling, Ruby and Lella Ruth Buchanan, Ethel Skinner, Jo Nelle Stogner were the members of Miss Inez Skinner's Sunday school class to accompany her on a picnic on Gerner creek. Visitors from other classes with them were Melvin Skinner and Ray Paulk.

Notice of Trustee's Sale
WHEREAS, On the 10th day of September, 1922 Richmond Bowlin and Sallie E. Bowlin executed a deed of trust conveying to T. G. Oldham a trustee, the real estate herein described, to secure Oldham Investment Co. in the payment of a debt therein described said deed of trust being recorded in Vol. 11 Page 130 in the deed of trust records of Donley County, Texas; and

WHEREAS, Default has occurred in the payment of said indebtedness and the same is now wholly due, and the owner and holder of said debt has requested the undersigned to sell said property to satisfy said indebtedness:

NOW, THEREFORE, Notice is Hereby Given That on Tuesday, the Fifth day of July, 1932, between ten o'clock A. M. and four o'clock P. M. I will sell said real estate at the door of the County Court House in Donley County, Texas, to the highest bidder for cash.

Said real estate is described as follows: In the County of Donley, State of Texas: Part of the West half of Section No. 16, Block C-9, Patented to Alfred Rowe and described by metes and bounds as follows:

BEGINNING at a stake in the West line of said Section No. 16, Block C-9, 297 varas South of the Northwest corner of same;

THENCE South with the West line of said Section 297 varas to a stake;
THENCE East 950 varas to a stake;
THENCE North 297 varas to a stake;
THENCE West 950 varas to the place of beginning, containing 50 acres of land;

Witness my hand this 3rd day of June, 1932.

T. G. Oldham, Trustee.

THAT WEEKLY PAY CHECK

At this time of the year nothing helps our farmer friends so much as the weekly pay check. Cream may not be selling at what it should, but that small sum received is a good side line.

Cream and poultry and egg sales summed up at the end of the year may be made quite an item in furnishing your home needs.

Eggs! Eggs! EGGS!!!

Quite a number of our farmer friends have requested us to renew the egg campaign at this time that they might get even with the Leader on subscription.

This campaign will be limited as to time. Eight dozen eggs pays for a new or renewal subscription limited to one year.

Subscriptions outside the county due to a high postage rate, may be paid for with 12 dozen eggs.

Only fresh hen eggs will be accepted as we can dispose of no other kind.

Bring in your eggs any time. This offer is made to egg producers only.

If you are behind on your subscription, take advantage of this offer right now before the offer is withdrawn.

Stronger Than He Was at Twenty

FIFTY-FIVE years old, and still going strong!

Do you want the secret of such vitality? It isn't what you eat, or any tonic you take. It's something anyone can do—something you can start today and see results in a week! All you do is give your vital organs the right stimulant.

A famous doctor discovered the way to stimulate a sluggish system to new energy. It brings fresh vigor to every organ. Being a physician's prescription, it's quite harmless. Tell your druggist you want a bottle of Dr. Caldwell's syrup pepsin. Get the benefit of its fresh laxative herbs, active senna, and that pure pepsin. Get that lazy liver to work, those stagnant bowels into action. Get rid of waste matter that is slow

poison so long as it is permitted to remain in the system.

The new energy men and women feel before one bottle of Dr. Caldwell's syrup pepsin has been used up is proof of how much the system needs this help.

Get a bottle of this delicious syrup and let it end that constant worry about the condition of the bowels. Spare the children those bilious days that make them miserable. Save your household from the use of cathartics which lead to chronic constipation. And guard against auto-intoxication as you grow older.

Dr. Caldwell's syrup pepsin is such a well known preparation you can get it wherever drugs are sold and it isn't expensive.

SUNNYVIEW

One of the hardest rains of the year fell Sunday afternoon here. The wind did no damage right here but some crops were covered and will have to be planted later. Hail damaged other sections near as Goldston and Jericho. Mrs. Hubert Day, who was in the hospital and underwent an operation two weeks ago is home and doing nicely.

Mr. and Mrs. Quinn Aten of Lake and her mother, Mrs. Watson of Memphis visited with Mr. and Mrs. Sam Roberts Saturday night.

Mr. and Mrs. Hugh Riley and family, Mr. and Mrs. Hal Riley,

Mr. and Mrs. W. K. Davis and family and Mr. and Mrs. Roy Wilson visited with Mr. and Mrs. Milt Allen Sunday.

Mr. and Mrs. Roy Wilson were dinner guests of Miss Eula Haley and Mrs. Paul Smith Friday.

Mr. and Mrs. Elmo Bragg of New Mexico spent Thursday night with her sister, Mr. and Mrs. Nelson Riley. Mr. Riley returned home with them for a stay of two weeks where he hopes his health may be benefitted.

Mr. and Mrs. Grady Wallace and children of Los Angeles visited here with her sister, Mr. and Mrs. Frank Newton and Mr. and Mrs. Homer Newton for the past ten days.

Miss Mildred Brame is spending this week with her sister, Mrs. Sam Dale of Goldston.

Mrs. Sallie Haley and daughter, Miss Thira of Clarendon spent Sunday with Miss Eula Haley and Mr. and Mrs. Paul Smith.

Mrs. Heckle Starks attended the meeting of the Presbyterian Auxiliary at Happy last Wednesday. The meeting was enjoyed by a large number of delegates, and good inspirational talks were made by learned and well posted members, all voted to make Amarillo their permanent meeting place annually.

SMITH

Mrs. Mary Richerson is very ill at present. We hope for her a speedy recovery.

The close of school plays will be given Friday night. The public is cordially invited.

Those to spend Sunday in the George Jackson home were, Mr. and Mrs. Frank Jackson, Mr. and Mrs. Harris and family, Mr. and Mrs. Robert Jackson, Mr. and Mrs. Gardenhire of Lakeview and O. B. Smith.

Monroe Jackson spent Saturday night and Sunday with Chester Grimes.

Mr. Sloan Baker and son Sloan Hugh visited in Hedley and Clarendon Saturday.

The young people enjoyed a party at Mr. and Mrs. Ward's Saturday night.

Mr. and Mrs. M. A. Beasley and

When BABIES are Upset

BABYs and ailments seem twice as serious at night. A sudden cry may mean colic. Or a sudden attack of diarrhea. How would you meet this emergency—tonight? Have you a bottle of Castoria ready?

For the protection of your wee one—for your own peace of mind—keep this old, reliable preparation always on hand. But don't keep it just for emergencies; let it be an everyday aid. Its gentle influence will ease and soothe the infant who cannot sleep. Its mild regulation will help an older child whose tongue is coated because of sluggish bowels. All druggists have Castoria.

AMERICANS DRINK MOST COFFEE

(C) Publishers Photo Service Hand-Picking Coffee in Colombia, Producer of the World's Finest Coffee.

CHICAGO—The average American citizen is drinking more coffee today than at any time in the history of the United States.

This fact is disclosed in statistics just released, which reveal that coffee imports into this country in 1931 totaled 1,742,521.000 pounds, equivalent to 14.2 pounds per capita, the highest figure for American consumption on record.

For many years this country has led all other nations in the quantity of its coffee imports, but its per capita consumption during the last decade has ranked fifth, being exceeded by Denmark, Sweden, Norway and Cuba. Per capita consumption in this country, however, has shown a steady increase, amounting to approximately 47 per cent since 1913, and it now almost equals that of the other countries mentioned, in which it has in no instance advanced more than 30 per cent during the same period.

From these figures it is evident that

the United States soon will become the leading per capita coffee consuming nation in the world.

A number of reasons are responsible for this extraordinary increase in per capita consumption in the United States: improved methods of preparation and distribution in this country, as well as the increased care in the growing and harvesting of coffee in some of the leading producing countries. Another factor is doubtless to be found in the widening popularity of the after-dinner demi-tasse in American homes and hotels.

Practically all of the coffee consumed in this country is grown in South America. More than 35 per cent of the money spent for coffee by the United States in 1931 went to buy the fine grades produced in the Republic of Colombia, the second largest coffee-growing country in the world. The United States consumes more than 90 per cent of Colombia's annual crop.

Miss Ara Faye Womack of Harrel chapel attended the play Friday night.

The play "No Account David" was given to a large and appreciative audience Friday night.

The cast of characters were Mrs. Golden (Gran); Miss Mildred Baker; Ned Golden (Gran's Grandson); O. B. Smith; Sheriff Barns (who did his duty); Bill Maddox; Bill

(a small boy witness); Sloan Hugh Baker; Chum Zona (a vaudeville player); Holbert Harris; Mrs. Mattie Zona (also a vaudeville player); Mrs. Sloan Baker; Zelta Zona (their daughter); Lou Harris; Mr.

Coolie (who held the mortgage); Chester Grimes.

While going home from the play Friday night, Johnnie Alexander's car became stalled in the creek bed where it was hit by a head rise and swept down stream. Johnnie was also carried down stream until he caught hold of the bridge, and got out. The car was badly damaged.

Several had to spend the night at the school house on account of the storm. Some stayed at neighbors houses all night but everyone has lived over it and seems none the worse for having had such an

experience. Mr. and Mrs. Cecil Alexander of Clarendon visited Mr. and Mrs. Byron Alexander Saturday.

Mr. and Mrs. Seth Thompson and Mrs. Clyde Reed of Memphis attended the play.

Mrs. George's daughter and husband are visiting here from Fort Worth.

PLEASANT VALLEY

Mr. and Mrs. Rogers of McLean and Mrs. Bill Meaders and Derell Meaders visited with relatives at Crowell last week.

Mrs. Whit Calcote Buried Here Saturday

Mrs. Calcote died in a Ft. Worth hospital Thursday, June the 2nd a few hours after a major operation made as a last resort to save her life following a long illness.

She was Ethel Gertrude Wallace, daughter of Mr. and Mrs. A. L. Wallace of near Ashtola and was born in Wise county October 5, 1906.

The family moved to Ashtola in 1925 where she married Whit Calcote July 11, 1926. To this union one daughter, Lora Gertrude now aged 3 years, was born.

She was converted at the age of twelve and united with the Methodist church at Ashtola in 1924 living a faithful Christian life to death.

Besides her parents, husband and daughter named above, she is survived by the following sisters: Mrs. A. L. Mace of Lelia Lake; Mrs. M. E. Colwell and Mrs. Raymond Slater, both of Ashtola; one brother, Leo Wallace also of Ashtola.

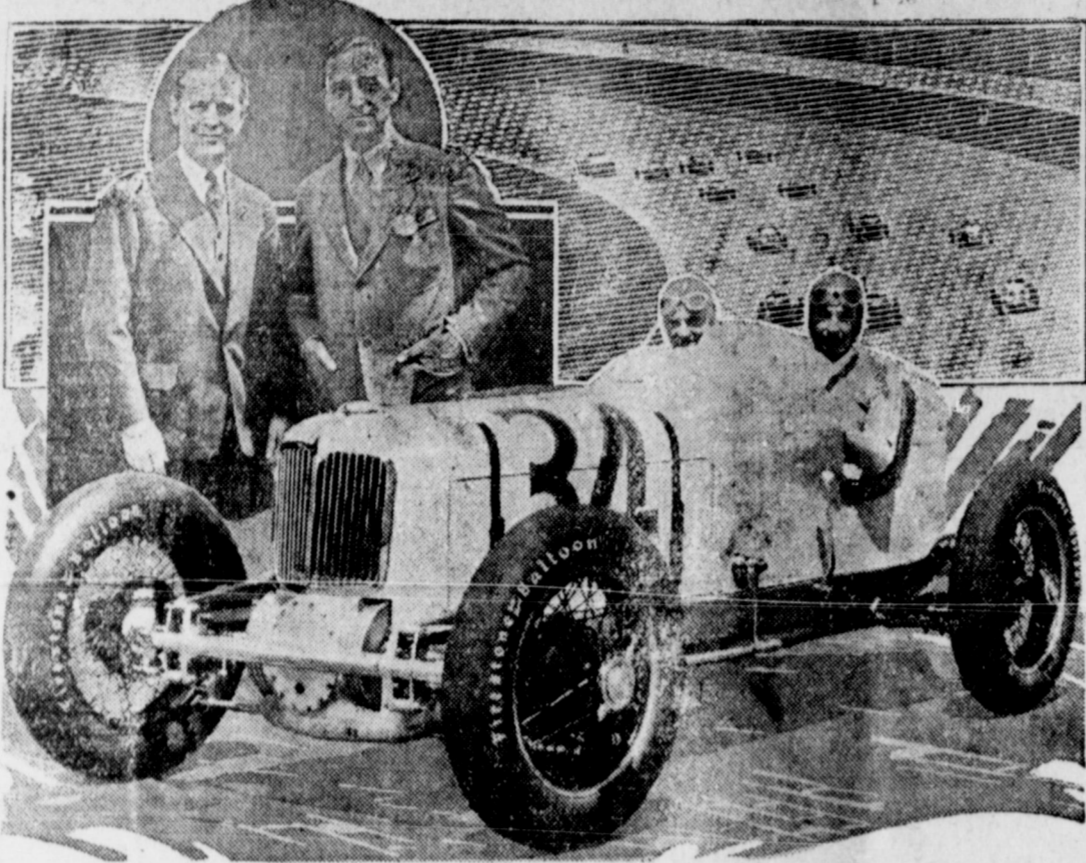

Funeral services were conducted by Rev. L. A. Reavis Saturday at the A. L. Wallace home near Ashtola, and interment made in the Citizens cemetery of Clarendon.

Seldom does one hear of such faithful neighborly kindness and christian acts as was shown the stricken family when those near them asked to contribute toward sending the sick lady to the hospital. Many other deeds of kindness were shown during her long illness. Flowers were hers before and after death given with sincere devotion to a stricken friend and neighbor worthy of every consideration. To have lived and merited this consideration is the greatest tribute to be paid to one.

Mrs. Iba Vallentine of Dallas, with her son and daughter, paid a visit to her brother, S. B. Arnold Thursday on their way to Denver.

Her many friends will learn with much regret that Mrs. Mitch Bell is very ill at the Bell ranch home near Antelope Flat.

Record Race Victor Thanks Firestone

Upper left, Harvey S. Firestone, Jr., referee of the race, and Edsel Ford, pacemaker on the first lap. Lower, Fred Frame, the winner, and Jerry Hauck, riding mechanic, in the car they drove to victory.

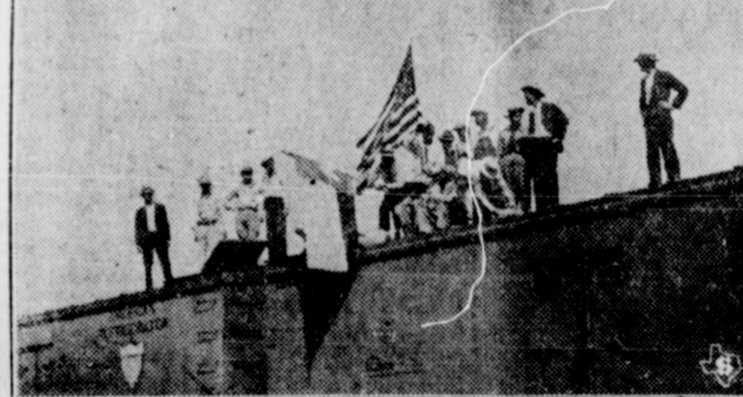

Men, automobiles and tires set amazing new records of speed and endurance in this year's 500-mile international race on the Indianapolis Motor Speedway. Giving a splendid exhibition of cool and steady driving, Fred Frame, veteran of many races, won the event in record-breaking time. With an admiring throng milling around him after his sensational victory, one of the first things Frame did was to send the following telegram to Harvey S. Firestone, pioneer tire manufacturer:

"I want to congratulate you and thank you on the wonderful performance of Firestone tires

which helped me win the Indianapolis 500-mile race today without tire trouble, setting a new record of more than 104 miles an hour for the 500 miles."

The race throughout was a remarkable Firestone triumph. Every car to finish was equipped with Firestone Tires. The first four broke the former record of 101.13 miles an hour made by Peter De Paolo in 1925. In all the history of the famous motor race there has never been a more severe test of tires and never a finer demonstration of their qualities than was furnished this year. It was the thirteenth consecutive victory for Firestone.

Some of Texas' Bonus Army

Here are two of the scenes which were enacted all over Texas during the past week, as veterans of Texas assembled at railroad yards for their trek to Washington in an effort to get the soldiers' bonus paid. The picture at the top was taken at Houston, while the one below, from Texarkana, shows the American and Texas flags carried by the veterans.

Plains Wheat Crop Shows Light Production

If the supply and demand has anything to do with the price, and the Panhandle wheat production cuts any figure, wheat should be around a dollar this harvest or soon after.

Reliable reports from the Hereford country is to the effect that wheat will make from two to ten bushels to the acre over most of the country.

The greater wheat belt north of Amarillo and south to Tulla is very spotted. Much of the land sown to wheat is being put into row crops at this time. Some favored sections on the north plains will make an average yield, it is said.

Pleasant Vacation is Spent In Southwest

Mrs. W. C. Jones and daughter Althea, and Mr. and Mrs. Earl Jones returned Saturday from a visit of two weeks with Mrs. Jones sister, Mrs. George Palmer at Santa Anna, Texas.

While there they, with Mrs. Palmer, visited B. F. Shown, a brother of Mesdames Palmer and Jones at Hamilton. The youngest brother, J. V. Shown and wife of Dallas met with them on Sunday, also a niece and family of Stephenville.

Ferguson Will Speak At Amarillo June 16th

Lee P. Pierson, campaign manager for the Fergusons at Amarillo requests the Leader to announce that a Ferguson rally will be held in Amarillo on June 16th.

James E. Ferguson will speak at the City Auditorium at 8 p. m. in the evening. He announces that special seating accommodations will be made to take care of any crowd that might be present.

Mrs. U. J. Boston visited friends in Pampa Thursday.

Mr. and Mrs. Marion Williams of Roswell were guests of Mrs. Mollie Gray Monday.

Joe Noble, Mike Baird and Benton Smith made a business trip to the Silverton country Monday.

Mrs. W. T. Smith and Miss Joyce Smith are visiting relatives in Springfield, Colo.

Mr. and Mrs. Earl Jones have returned to Canyon where they are attending the teacher's training school.

Mrs. Zevilla Lynn of Amarillo is visiting her parents, Mr. and Mrs. S. A. Pierce and other relatives and friends here this week.

Sinclair Fly Testing Is Made on Fly Farm

The Sinclair Refining Company "fly farm" in East Chicago, Indiana, is one of the most interesting places of its kind in the world. It is here that Sinclair raises more than a million flies and other household insects yearly for the purpose of testing and maintaining the high degree of killing power in Sinclair P. D. insect spray.

Flies are the principal product of the "farm" since the raising of flies can be more easily standardized and controlled. Moreover, the healthy, husky fly in the prime of life offers as much, or more, resistance to insecticide than any other household insect.

A visitor entering the main building on the Sinclair fly farm sees first a sizable refrigerator in the cool recesses of which are stored away pounds and pounds of yeast, quarts and quarts of milk, meat broth and other dainties on which Sinclair scientists have found that a fly thrives best. Passing into the "insectary" beyond, the observer comes upon rows and rows of breeding jars and rearing cages all kept at the summery temperature which any fly would freely recommend to a friend. Not all of these contain flies, to be sure. Some of them hold such unmentionables as bedbugs and cockroaches for special experimental purposes—of which more some other time.

The tests are carried on in ten flights of 100 flies each; that is, 100 flies are released in the death chamber—the correct quantity of P. D. is sprayed in—the dead and the near-dead are picked up and counted—100 more flies are released, and the operation is repeated—ten times in all. Any fly which is not absolutely "downed" by the P. D. spray—that is, any fly which is still clinging to the walls of the death chamber—is carefully borne away and given every opportunity to revive, even to the point of being offered cinnamon buns, for which it has been discovered, an ailing fly has an especial craving and on which he is likely to recover his lost vigor.

Dr. Stephen Smith of Panhandle was in town Monday.

Tax on Checks in Effect After June 21st

Beginning with June 21st, a war time tax measure will be brought forcibly to the attention of those who "pay by check" in the good old custom of having a receipt.

That portion of the new tax law enacted the past week by our national lawmakers reads as follows: "There is hereby imposed a tax of 2c upon each of the following instruments, made or drawn on and after the 15th day after the enactment of this act and before July 1, 1934: Checks, drafts or orders for the payment of money, drawn on any bank, banker or trust company; such tax to be paid by the maker or drawer."

This check tax is due alone to our national lawmakers, and is not due to the wishes of any banker. In fact it means a lot of extra work for bank employees, and in many instances will create the impression that the banker is trying to impose an extra burden on his customers when such is not the case at all.

Miss Frances Arnold is visiting her sister, Mrs. H. W. Raney at Albuquerque.

Mrs. Bob Younger and children of Amarillo are visiting her parents, Mr. and Mrs. W. H. Martin.

C. M. Voss of Post attended the Collier-Latson wedding Sunday.

Mr. and Mrs. Bill Bentley of McLean were guests for the Collier-Latson wedding.

Taxpayers Get Information From Collector

M. W. Mosley, tax collector for Donley county, has asked the Leader to explain that those making what is known as the "split" tax payments this year, that they have until June 30th inclusive in which to make the second payment.

Mr. Mosley states that there has been some confusion due to the lack of a proper understanding of the new law, and that some have been under the impression that June 1st was the last date on which payment could be made. The last date is June 30th.

Mr. and Mrs. Carroll Knorpp are at home to their friends in the Blocker home.

Mr. and Mrs. W. H. Martin spent the past week visiting friend in Amarillo.

Mr. and Mrs. J. M. Williams of Roswell were guests of Mr. and Mrs. John Clark Friday.

Mrs. Collier and Miss Lucille Collier, mother and sister of Mr. Wynn Collier of Post, were here for the wedding.

Herbert Carlson is recovering nicely from an appendix operation at Adair hospital Monday morning.

Joe Noble of Amarillo visited his father and friends here Monday.

Mrs. M. M. Noble and daughter, Peggy, visited Mr. Noble on the ranch over the week end.

Goldston Closes Season For Stu Foots

The Chamberlain Stu Foots motored as a surprise out to Goldston at 3:00 o'clock Monday evening expecting to crash these Wild Cats down below sea level. When news came that Chamberlain was ready for us, these boys showed them that Chamberlain was not the only fish in the sea.

Roy Stewart pitched and saved his arm at that. At times the balls would just be pitched over the plate and still those boys would stand up and fan at them like flies. This will probably close the season for the Stu Foots as we have beat their ears down twice. The scores being 14 to 1 Monday. Goldston has now disbanded until after harvest, and when we reorganized. "Just watch us go."

—Goldston News Reporters

Miss Helen Cook is a student of the teacher training school at Canyon, having entered there this week.
