THE VOTERS DEMAND IT.

Voters over Texas are demanding positive statements as to the views of the candidates, and if they held such views before offering for office.

MORE FAVORABLE HIGHWAY OFFER COMING

According to an announcement credited to W. J. Van London, State Highway Department engineer of Amarillo, several counties of the Panhandle including Donley, are going to be asked to consider a new highway offer.

The new offer is said to include one requirement, and that is that the county furnish the right-of-way only. The state is to complete grade and drainage, caliche and asphalt topping complete.

The former offer required the purchase of the right-of-way including the fencing, and a pledge to pay for a third of the cost of grade and drainage. The new offer will be worth at least \$80,000 more to the county as compared to the other.

The location of the highway will have a lot to do with the people accepting the offer, along with other considerations.

Peaches No Total Failure In Donley County

The Leader family enjoyed a generous sample of fine peaches the last of the week coming as a gift from Mrs. S. W. Butler who with her husband, are well known truck growers a mile east of town.

While the crop is not heavy, the trees are fairly well loaded and have no doubt been canned by this time as they were fully ripe the last of the week.

Large peach trees showing age are carrying a good crop at the W. A. Carroll home just south of Lelia. Apricots and other varieties near these trees failed to get past the last frost.

It is possible that variety has something to do with both of the above peach crops since one is in a valley, and the other out on the table land. The fruit bears a close resemblance but the name of the variety is unknown.

Legion to Elect Officers Tuesday Evening

Nathan Cox, commander of the local Legion Post, asks the Leader to announce that an election of officers for the next semi-annual term will be held next Tuesday evening at the Legion Hall.

All members are urged to be present. Ice cream and cake will be served the members and other inducements will be offered those who wish to spend a pleasant evening with the veterans.

Hudgins Invites Candidates Out Friday Night

On Friday night of July 8th, the citizens of the Hudgins community will entertain a candidate rally similar to the other communities.

The ladies will sell pies, the funds from which will be spent in the purchase of a lighting system for the school, and for song books. The entire public is cordially invited to be present.

Minister's Family Views Scenic New Mexico

Rev. and Mrs. B. N. Shepherd and daughter, Miss Gertrude returned the last of the week from an extended vacation trip over the scenic routes of New Mexico. They visited Eagle Nest dam and spent some time later in Santa Fe.

Besides the wonders of the museum and art exhibit at Santa Fe, a trip was made into Rita de los Frijoles (little river of the beans) where they saw the ancient cliff dwellings and communal ruins of a lost race.

They were accompanied by Miss Fincher and Miss Curry, teachers of the Whitefish school, who also enjoyed the outing immensely.

Clarendon Band To Visit Memphis Friday

According to Gus B. Stevenson director of the band, the boys will leave here at 6 p. m. Friday and go to Memphis for a concert. After the visit to Memphis, the boys will return to the Smith schoolhouse to play for the gathering at the political rally.

The ladies of the Home Demonstration club will serve ice cream and cake at the rally.

All the band boys are requested to be at the band hall promptly that the start may be made at 6 o'clock without delay.

HEDLEY SHOWS CANDIDATES BIG TIME AT RALLY

Audience Gathers In Big School Auditorium To Hear 26 Speeches

Rev. E. V. Hendricks graciously presided as master of ceremonies at the rally at Hedley Friday night after being urged by his many friends as well as being the unanimous choice of the candidates.

His opening remarks were to the point in a short address of possibly five minutes when he, among many other valuable suggestions, mentioned the fact that candidates would have to live neighbors after the campaign, and that they should be very guarded in their conduct and what they said impressing upon them that "courtesy is one of the most valuable articles that may be had without cost."

The Clarendon band under the direction of Gus B. Stevenson rendered a number of airs and returned home before the speaking began.

Rev. Hendricks deviated from the custom followed in other places by beginning at the bottom of the list giving the candidates for commissioner first chance at the rostrum. Twenty-six speakers presented their claims for office during the evening.

Mrs. J. D. Stocking of Clarendon very ably represented Mrs. Phoebe K. Warner of Claude, candidate for Congressman-at-Large. Her talk was based upon the qualifications of her favorite candidate in which she informed her listeners of the many good deeds credited to Mrs. Warner during her long residence in the Panhandle.

Miss Puryear represented her father who is a candidate for representative and who was detained through illness. Miss Puryear's address was declared better than any heard from her father, and he is a most impressive speaker. Miss Puryear is a graduate of the Oklahoma state university and a successful school teacher having been a member of some of the faculties of the larger schools of western Oklahoma the past five years.

The ladies of the Parent-Teacher association served ice cream and cake. The beautiful quilt contributed by the Hedley Rural club was awarded to Miss Fern Cauthen who presented it in return to the Parent-Teachers.

M. W. Mosley auctioned the quilt to the highest bidder, it finally going to W. A. Armstrong on a five dollar bid following spirited bidding on the part of the bevy of candidates seated on the rostrum.

The crowd was somewhat limited due to a threatening cloud, but what they lacked in number was made up in enthusiasm, and at no other place did the candidates receive a warmer welcome, or were shown more genuine neighborly courtesy.

Grocery Stores to Close All Day July 4th

According to an agreement entered into some months ago, local grocers state that their places of business will be closed all day next Monday in observance of the national holiday.

COWBOY REUNION TO BE HELD HERE JULY 4TH & 5TH

Entrants Limited to Trade Territory And All The Professionals Barred

Wild stock is being rounded up for the third annual cowboy reunion and rodeo stunts to be pulled off here July 4th and 5th. The boys in charge say they want to make it better than anything ever before attempted.

The show starts at 1 p. m. on each of the days.

The events for which arrangements have been made includes calf roping, goat roping, wild cow milking, steer riding, steer break-a-way roping, bronc riding, horse races, steer bull dogging.

The younger set will have a chance at prizes in "kid pony races and sack races.

Prizes are being offered in each of the events. Entrance fees will be split three ways. A large number of prizes will be offered from contributions of merchants of the town. This makes the proposition very attractive to those who are to enter.

Entrants will be limited to those residing in the trade territory only. All professionals, even of the trade territory, will be barred from competing for any of the prizes.

The Clarendon Chamber of Commerce is offering a prize of a \$10 Stetson hat to the best all-around cowboy to develop such a reputation with the judges during the two-day event.

The show will be held west of town. The main entrance will be found at the southwest corner of the golf course.

Lloyd Shelton of near Ashtola, and Cleo Norwood of Goodnight, both stockmen and cow punchers, are sponsoring this celebration. Information may be had from the either of these men.

Dr. Oscar Jenkins' Name Added to Silver Cup

Seventeen entries were made in to the Cornwallis domino tournament at the Legion hall Monday evening.

Dr. Jenkins won ten out of eleven heats with the famous artists taking on Joe Bownds in the finals beating him the best two out of three.

Having received first honors in this galaxy of warriors, the Doctor will have his name added as fourth place on the cup along with G. L. Boykin, G. C. Jones and Johnny Baird, champions at previous tournaments.

EXPENSE ITEMS OF CANDIDATES SHOW ECONOMY

Thirty-Six Candidates For County And Precinct Offices File Accounts

Monday was the last day for candidates to file their first statements of expense accounts with the county clerk as required by the primary law of the state. Second statements of expense accounts must be filed between July 10th and 14th inclusive.

Expense accounts filed is as follows: W. G. Word, \$62.25; Sloan Baker, \$70.95; Marvin Smith, \$80.80; S. W. Lowe, \$50; M. W. Mosley, \$162.30; Mrs. R. Wilkerson, \$62.75; J. C. Estlack, \$18.75; Hugh Brown, \$37.34; J. C. Swinburne, \$50.78; A. H. Baker, \$74.73; Guy Pierce, \$47.50; J. B. Millsap, \$63.59; Walker Lane, \$51.75; J. J. Alexander, \$38.50; R. Y. King, \$51.42; Mrs. Nora McMurtry, \$55.50; J. R. Dillard, \$46.70; W. A. Armstrong, \$44.71; Mrs. Linnie Cauthen, \$53.95; A. N. Wood, \$57; Mrs. Bessie Smith, \$85.75.

W. P. Chamberlain, \$13.98; Henry Williams, \$22.25; G. W. Beck, \$29.50; Roy Beverly, \$28.80; J. H. Hurn, \$18.50; W. C. Bridges, \$14.50; J. Less Hawkins, \$14.50; G. A. Anderson, \$21.25; C. J. Talley, \$13; W. A. Poovey, \$10.60; Walter Hutchins, \$11.25; Sid E. Harris, \$20.

Hubert P. Day included cost to get on ballot and had a total of \$6.40; Leon O. Lewis did the same and spent \$3.90. Judge Stroud of Hedley spent a total of \$5.

H. B. Hill Candidate For Representative Mr. Hill spoke at the political rally at Ashtola Tuesday night.

LARGE NUMBER CANDIDATES IN ASHTOLA RALLY

Ladies Find Ready Market For Pies Preceding The Speaking Hour

A large representative crowd gathered at Ashtola for the political rally Tuesday night, though a number were prevented from being present by reason of the rush of farm work of replanting after disastrous rain and hail of the preceding week.

M. W. Mosley was selected as chairman of the affair and announced that county candidates should make three-minute talks and those from outside the county five-minute addresses.

This arrangement enabled the people to return to their homes at an early hour which they appreciated during the rush season of farm work.

Those speaking from outside the county were Judge Edward Brown and Judge R. H. Templeton, candidates for district judgeship. Also H. B. Hill and Richard Wischkaemper who are both candidates for representative from this district. John M. Deaver, candidate for district attorney was represented by a party from Memphis who did not speak, merely passing out cards and talking to individuals.

All of the county candidates were present with the exception of Mr. Hugh Brown who was detained on account of illness.

All of the candidates for the office of county commissioner from that precinct were present and spoke in turn. They were C. J. Talley, Walter Hutchins, W. A. Poovey and Sid E. Harris.

Gus B. Stevenson had his Clarendon band boys out to enliven the folks before the speaking began. Everyone was made to feel welcome and neighbors enjoyed a wholesome visit with the candidates and each other.

Naylor Invites Candidates Out July 4th

Mrs. W. M. Pickering announces through the Leader that the Naylor community will entertain the candidates and their friends at the school house July 4th. The crowd is expected to gather early around five o'clock for games and speaking that is to follow.

Ice cream and cake will be sold by the ladies to raise a fund which will be spent in sending a 4-H club girl to the Short Course at College Station.

The Hitch-Hiker!

FOURTH OF JULY PROCLAMATION

Whereas it is very important that the whole United States of America observe and revere July 4th—for on this day the Representatives of the Colonies met and signed the Declaration of Independence which finally freed this country from the British yoke.

Therefore we, as red blooded Americans should all observe this day as a sacred holiday and remember that it was George Washington, Thomas Jefferson, Benjamin Franklin, John Adams and others that won the victory for the American Colonies.

Now, Therefore, I as Mayor of the City of Clarendon do hereby proclaim July 4th 1932 as a legal holiday and request our citizens to erect the American flag all over the City, and celebrate this day in an old fashioned way.

W. P. CAGLE, Mayor

A. W. Simpson Purchases Borron Home Here

During all these times when business was not what it should be, A. W. Simpson of the Simpson mill and feed firm, has steadfastly refused to "take the count" but has maintained that attitude of belief that we were soon to take a turn for the better.

This week Mr. Simpson proved his faith in the future of our section by investing in a home here by purchasing the beautiful residence of Mr. and Mrs. W. Z. Borron in the southwest part of town. The poultry houses were included in the deal.

Mr. Borron will move to his farm west of Jericho just as soon as he can get possession. No family in Donley county stands higher in the estimation of their friends who will regret to see them move from Clarendon.

Smith Community H. D. Club Will Entertain

All candidates are invited to be present at a political rally at the Smith school building near Memphis on Friday evening, July 1st at 7:30.

Ice cream and cake will be served by the ladies of the Home Demonstration club. Plenty of good music will also be provided. Remember the date, Friday evening of this week.

Martin Ladies to Sponsor Ice Cream Social

The members of the Home Demonstration club of the Martin community invite the candidates and the general public to an ice cream and cake affair at their teacherage on Thursday evening, July 7th, at 7:30.

Plenty of music will be provided and a gathering of the community is promised 100 percent strong. The funds will be used to send a delegate to the Short Course at A & M.

Lady Offers Orphan Girl Home in Country

While in the Leader office Wednesday, Mrs. A. H. Bowling stated that she would be glad to give an orphan girl a home. She wants a girl about 16 or 17 years of age, and one whose parents are not living. She will give the right kind of a girl every opportunity to become one of the family.

Mr. Bowling brought up a bunch of hogs which he sold here. These good citizens live in the Windy Valley community and get their mail out of Hedley being located on Route Number 2. They own extensive farm interests and take an active interest in church and school affairs of their community.

Lady Grows Fine Turkeys In Chamberlain Community

Starting out with ten turkey hens and a gobbler, Mrs. A. O. Hott now has one hundred and thirty-four young turkeys well along past the age when the loss is heaviest.

Farm production is brought up to its best on the Hott farm, Mr. Hott producing a diversified line with the help of the children who take an active interest in their work, while Mrs. Hott looks after her poultry and canning.

VEXATIONS OF ROTARIANS TOLD FOR PLEASURE

Wit And Pathos Are Mixed In Several Talks That Please Members

Dr. Oscar L. Jenkins vice president and president elect, presided during the luncheon hour of the Rotary club Friday at the Clarendon Hotel, the president being tardy due to "fixing flats" on the highway for ladies.

D. R. Davis reported that Rotarian signs had been placed on the highways leading into Clarendon. The Club also has Rotary emblems on the banquet room door at the hotel, and one above the door of the room furnished by the Club at the Adair hospital.

Judge A. T. Cole had charge of the program choosing as his subject "The Vexations in my Business."

Each member was called upon to relate the most serious vexations found in their various classifications.

F. E. Chamberlain related experiences over twenty-five years as a banker after which no other member had any desire to enter his field of endeavor. D. R. Davis had no serious troubles as manager of the gas business, preferring to let them take care of themselves, as he stated.

C. C. Powell declared that "he had no business worries because he had no business." His talk was along humorous lines mixing in a few "vexes" in his insurance business experiences.

Dr. B. L. Jenkins related the sad experiences of a physician in being called too late, and J. C. Estlack illustrated some of the trials of the newspaper game.

Dr. Oscar L. Jenkins mixed humor with his talk speaking of the brighter side of the experiences of the physician. Cecil Alexander had few worries and seemed content to wait for business to return in the abstract line while collecting taxes for the School Board.

Arch Dyer related the woes of the baker and restaurant man and was later elected secretary of the Club as punishment from his unsympathetic fellows. He succeeds Robert S. Cope who is making his residence temporarily at Childress.

Miss Rhoda Wiedman, Rotary Ann of the Club, explained the arts and sciences of selling dresses best suited to her customers and the vexations that might some time be encountered in making a sale most profitable to the purchaser.

Dr. J. W. Evans was excused of having "aired" his views recently on the same line of thought to be brought out at this meeting. On a former occasion, he produced plenty of amusement in acting out in dramatic fashion woes of the profession of a dentist.

Zone Sunday School Picnic At Lelia Lake July 4th

Next Monday evening at 7 o'clock, at Lelia Lake, the Donley county zone Sunday school and B. T. S. will meet for a picnic. This meeting will be held instead of the regular meeting on the first Sunday of each month. A full evening of fun is being planned.

Changing Order.

Twenty years ago, passengers often missed the trains. Now the trains miss the passengers.

Richly Nuisances.

A newspaper published at Gallatin, Missouri complains that the idle rich loaf in front of the stores and spit gobs of tobacco on the sidewalks, which is later tracked into the stores.

18th Amendment.

The vote on the prohibition referendum the 23rd of July does not mean a change, but merely expresses the opinion of the voters. Possibly Texas is just as dry as ever, but nothing but the referendum will bring out the status of opinion.

Pesky Candidates.

A Carolina publication complains that chicken pox and itch has been scattered among the children caused from the ancient habit of candidates kissing them. In Texas the candidates pass out rubber balloons and chewing gum instead which is some improvement and far less destructive.

Baby Bunting.

Federal land banks seem to think that citizens of this section should meet payments promptly simply because the women folks canned plenty of food products last season, and thus affected a big saving in living expenses.

The truth of the matter is that cash is just as scarce now as one year ago and scarcer than two years ago. We will still have plenty to eat a year from now, but we may be dressed in rabbit skins.

Benevolent Uncle Sam.

Without the paternal assistance (?) of Uncle Sam's department manager, the newspaper fraternity would be in a sad plight.

The various Federal departments expect the newspapers to give free publicity to everything they send them, and then refuse to spend a dime's worth of advertising money with the newspapers and add insult to injury by competing with the printers by turning out jobs at less than cost.

The Leader this week is in receipt of a circular from the revenue department asking us to print a schedule of the new and infamous tax schedule "free" since the same department is piling up an increase of postage against the newspapers amounting to an increase of 46 percent on newspaper postage.

In other words, the same governmental agency that is asking for free space in this instance, will double tax us for mailing it out.

Pa Hinkle-KGRS.

Recently a radio announcer of KGRS of Amarillo known to the public as "Pa Hinkle," took the writer to task for opposing the highway issue that was causing so much concern in this county last month.

The writer did not oppose good roads, but he did oppose the highway proposition because it was unfair to Hedley and a few other sections, and further that the fact that Donley county was to pay for a "third of the cost of grade and drainage" was omitted from the statement on the petition circulated, and such petitions were therefore misleading.

A down-state daily is authority for a statement on the part of a member of the Highway Commission to the effect that Donley county will be offered a better proposition than before. This offer is said to omit the third cost of grade and drainage, and will have added a "hard surface finish to boot."

If the second offer becomes a fact, then the county will have gained values in highway construction worth at least \$80,000. Now we wonder if "Pa Hinkle" will give

the writer credit for having affected that saving since he was charged with blocking the former offer that was not and could not be considered by 75 percent or more of the citizens of the county after the facts were broadcast through the Donley County Leader.

Timley Tots of Thomas.

Thomas T. Waggoner, astute editor of the Claude News takes a fling at this writer in calling his hand on his position on highway matters. Thomas wants the taxpayers of Donley county to furnish him a paved highway so that he can use it about once a month bringing his wife down to visit her people.

Highway boosters are about that logical in their arguments all over the state. Selfishness as entered into the highway construction from two angles. Those who want something done at the expense of the taxpayers for their personal gain, and those who might reap a small "lobby fee" for putting the deal over—all at the expense of taxpayers, many of whom are farmers growing three cent cotton and twenty-eight cent wheat.

Taxpayers are again asked to pay for a highway that is routed through the section to the detriment and against the wishes of the very people who are expected to pay the bill.

Tom, when you speak of our county getting something for nothing, it might be well to tell you that the highway department has nothing to give. The funds held by that bureau is tax money belonging to the people. They should let

Donley county have enough of her tax money back at this time to build a highway and pave it.

If the taxpayers of Donley county want to spend money for a right-of-way, that is their business. When these same taxpayers think of 3c cotton, 15c corn, 28c wheat, 8c oats, 9c cream, 6c eggs and hogs selling at less than 3c, what in thunder are they going to use for money to buy a car and gas to use on any form of highway? If he can pay his back taxes and make the grade on the above schedule of prices for his products, that is his business but he ceases to be a farmer—he's a genius.

As a matter of fact Tom, you know as well as I know that the highway department is going to pave the highways in the near future and put them where they choose just as they have done for the past three years. The "high collars" down the state want a paved streak to the mountain resorts and they are getting tired waiting on us to pave it for them. Let those who use the highways pay for them with a gasoline tax just as they do in other states where the people have not been "boned" off their farms.

Since when did you put over a highway issue in your county of Armstrong?

Choose Carefully.

Just because this is a depression year, it behooves the voter to use more than ordinary care in the selection of candidates for county and state officers.

While jobs are scarce, a great many are in the various races merely because they want a job and have no special fitness for the position to which they aspire.

Then there are a few who are out simply to grab off a fat salary that has not been reduced since the depression though the taxpayers have been pressed to get enough together to pay taxes. Some few have paid in full, but more than half have not.

Right in Donley county, 48 percent of the people paid 58 percent of the taxes for 1931. A large number of this 48 percent will not pay taxes this coming year unless times change considerably.

That being the case, the voter is faced with a more difficult problem than in average years. Selecting those who will consider the interests of the taxpayers will likely be given a great deal of consideration.

LIFE IN THE RAW

Here is one of the Warden's stories that sorta tugged at my heartstrings:

In Sing Sing's visiting room, one sees life throb in the raw. We had a quiet, well-behaved prisoner serving ten years. He had just completed his second year. He was married. His child, a son, was a little over a year old when he was "sent up". In the two years his mail had been regular, but his wife never came to see him. She could not leave the child, she explained in her letters. He understood and never complained.

Finally news arrived that she was coming and bringing the child, now three years old.

He was a changed man; he joked and laughed with the other prisoners; he prepared clean linen and pressed his trousers. On the morning of the visit the barber took particular pains with him. Officers and prisoners in the shop were interested. Everyone knew that it was his first visit since his arrival.

The prisoner waited eagerly for the call. At last it came. "Don't hurry back," the keeper said, "take all the time you want. Have a pleasant visit." He could have more than the allotted hour. He went forth, smiling.

Ten minutes later he was back. Face pale and drawn. Without a word he sat down at his table, bowed his face in his hands. The officer approached him. "What's the trouble, Joe?"

No answer. A full hour he sat thus. No one could make it out. He did not answer the call for lunch. Left alone with the dejected man, the officer questioned him again.

"Yes, the wife came," he said at last, "and the boy, too. I hardly knew the child. He was shy. I called him. 'Come to your papa,' I said. He looked at me, then at his mother. She pushed him to me. The boy held back. Then suddenly he looked up at his mother and said, 'But, mamma, my papa is home!'"

Home Ownership Threatened

The delinquent tax list this year reflects a very serious situation. It tells of the mounting taxes that have become almost unbearable, and have disheartened many a property owner.

This list, while greatly increased because of the depression, has been brought to high point by the burdensome cost of municipal, county

and state government. These three agencies have placed a burden upon the humble home and the farm that is fast disheartening those who till the soil, and who, through the years of toil, acquire a little home that they called their own. It was free of mortgage until on tax after another made it more advantageous to rent than to own.

Taxes in Texas must be reduced. We must cut our cloth to meet conditions as they are. We must forego a great many things. People have had to give up what might be termed essentials in normal times and in numerous instances are forced to forego some things that are absolutely necessary.

With taxes reaching a point where they confiscate rather than preserve it jeopardizes the welfare of the entire state. When the owner of a piece of property cannot pay his taxes, and it falls back upon the county as it has in many instances, it means that neighboring parcels of land must help make up the deficit.

Another Tax In Postage

The financial committee has approved the three cent first-class postage rate, thereby inflicting another after-war hardship upon the American people, if Congress decides to approve the measure. Both the Senate and House committees have approved the new rate. By the additional one cent it is estimated that \$134,000,000 of increased revenue will be provided all coming out of the pockets of the American people, and a special hardship at this time upon industry, which of necessity must circulate the country if it is to stay in business.

Here are some important figures Last year members of Congress mailed free of charge under their franking privilege 33,413,032 pieces of mail, and it cost the postoffice department \$727.67 to handle this load of congressional records, public documents and congressmen's speeches. This is only a small phase of it. In all last year the government handled 789,576,165 pieces of mail free and paid for this in transportation and other charges \$11,575,837 and this all in one year.

If the government wants to cur-

tail, here is an opportunity. Remember that all of this mail matter had to be printed, also at the expense of the government. If the post office department were out of Washington the postal department would be on a prosperous basis and a great deal of unnecessary mail matter would be eliminated and costs proportionately decreased.

Not a single piece of free matter should be mailed out of Washington and the purchasing department should hold each department accountable for its postage expenditures. That is the way to eliminate waste and a sure way for reducing the cost of government operation.

RAIL TRANSPORTATION IS EFFICIENT AND ECONOMICAL

● THE RAILROAD is the most efficient and the most economical transportation agency the human mind has ever devised.

The ability of commercial trucks to operate with various charges for their services has been because they are not required to carry all kinds and classes of freight. The truck can choose its freight and is privileged to reject that which it cannot handle, either because it is not equipped for such heavy service or the rates are too low, to be profitable. The railroad CANNOT DISCRIMINATE but must accept all freight offered it.

In 1930 the shippers of Texas paid the railroads \$225,223,142 in freight charges. If the same volume and character of traffic had been carried by trucks it would have cost the shippers, according to the best available data on trucking costs, \$900,000,000, or four times as much.

What will be the effect on the shippers of Texas if only the traffic which the trucks cannot handle is left to the railroads? If traffic paying the higher rate is taken from the railroads by the trucks, it will be necessary for the rail carriers to increase their rates on the low grade traffic or go out of business. The total transportation bill will be greatly increased.

The railroad rate structure is a composite designed for the purpose of enabling the free movement of ALL ARTICLES OF COMMERCE, making it possible to bring even the cheapest commodities into general use and distribution. Were it not for the low rates made available by the railroads on many low grade commodities and raw materials, their distribution and use would be impossible and all commerce and industry would be seriously affected.

● THE RAILROADS CANNOT SUBSIST ON LOW GRADE TRAFFIC ALONE.

TEMPLE OF TRUTH
By the Apostle

The latest scheme for making easy money is being worked in some towns of the Panhandle just now when a man goes in a store and makes a small purchase giving a \$10 bill in payment. Soon after his purchase, a woman bobs up making a small purchase and offers a \$1 bill. After a few minutes she returns to the store in excitement and grief telling the clerk that since she counted her money, she discovers that she must have paid him with a \$10 bill instead of a \$1 bill. The clerk is slow to take hold and the woman tells him that she wrote her phone number on the \$10 bill, and that if he will kindly look in his till, he may find the \$10 bill with the number written in ink. No sooner does the clerk look until he finds the bill as described, gives the woman the correct change and all is well until he discovers that the man gave him the marked bill at the start. Just another slick way to get by.

700 tons of buffalo bones were shipped from Albany, Texas this month 50 years ago says the Albany News. It was necessary to slaughter the buffalo to force the Indians to move out when their food supply was cut off.

Half the women in Donley county are canning snap beans to "beat the band." They are going to have to save the day one more season, or until John can get a half way decent price for his field products. Do you suppose the sleek-fed politicians at the national convention this month at Chicago ever gives the interests of the working class a single thought?

Jim Heckman was in today to say that yo yos are coming back stronger than ever. In fact his yo yo motor power operating his bicycle, has encouraged him to begin the manufacture of large models for airplanes. He predicts that within 6 months every one will be flying and nobody autoing.

A sign in a Wichita Falls colored grocery reads—"Kwitting the credik bizness until I gets my outs in."

The Panhandle is badly in need of a wheat umpire when the Amarillo News talks a bumper crop while the Perryton Herald tells us it will be only half.

It's no disgrace to be short of cash these days, in fact it's stylish.

A Tyler girl wrote a beautiful theme on roses and a nursery gave her a free trip to Dallas and back. She wrote another beautiful theme on Fords, but old Henry haint sent her any jitney yet.

An Amarillo girl was married several months before her parents found it out. When they did, there was some "cuttin' up" done until the young lady told them she placed her marriage license in the Bible, and had they read the good book as they should, they would have found out all about her affairs.

If more people took more interest in their town and county affairs, there would be less useless spending. When an official receives no advice, gets no kicks, accumulates no criticism, he naturally thinks he is doing the right thing and keeps on spending money that belongs to the public that should be saved.

Since the GW went east to visit her brotherinlaw who was kicked in the face by a mule's family, the old Apostle has received three peaches, two pies and cake from friends who recognized the need, two of whom were widows. Who'll be next?

Hot zikity! A message by grapevine wireless just fell in here telling about Em Hughes about to have corn on the cob in less than two weeks. W. A. Hughes of Cham berlain, we want two dozen for the first meal.

Of much interest to the people of this community is the announcement of the marriage of Mr. Richard Roberts to Miss Margurite Keys of Amarillo, which was solemnized Friday June 17th at the Polk Street Methodist church, Amarillo, Texas. Rev. Keys, Pastor of Polk Street M. E. church, and father of the bride, reading the marriage vows in the presence of friends of both parties.

Mrs. Roberts is the only daughter of Rev. and Mrs. Keys was a student of S. M. U. and was very popular with the young folks as well as with older folks where she lives. Mr. Roberts is the youngest son of Mrs. J. H. Roberts of Amarillo, Texas. He was born and reared almost to manhood in this community, moving to Amarillo some 6 or 7 years ago where he is held in the highest esteem by all who know him. He is very energetic and has held a fine position in the Santa Fe building for several years. The happy couple left immediately for California where they will spend a week's honey moon vacation after which they will be home to their many friends on Van Buren St., Amarillo, Tex.

Prospects for a good crop of feed and food products at this time are most encouraging. There is every evidence that our citizens recognize the importance of "living at home" by producing more of life's necessities on the farm.

Feed for the stock and foods prepared and stored for future use is the best idea for protection against want.

Wake Up Your Liver Bile —Without Calomel

And You'll Jump Out of Bed in the Morning Rinin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up."

They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at all stores. © 1931, C. M. Co.

BUGBEE-CRAVEN
Mr. and Mrs. Thomas E. Bugbee left Saturday night on a motor trip to Colorado after their marriage in a beautiful candle light ceremony at the TV ranch home of the bride's parents, Mr. and Mrs. W. H. Craven.

She was Miss Annie Elizabeth Craven before her wedding, which was solemnized in a setting of ferns, tallisman roses and lighted candles.

To the strain of the Lohengrin wedding march played by her cousin, Miss Lois Sager, the bride entered the living room with her father, preceded by her only attendant, Miss Mary Kate Hearne of Seattle.

They were met by the groom and his best man, his cousin, Carroll Knorpp of Clarendon. The double ring service was impressively read by the Rev. Garland Shell, Presbyterian minister.

Miss Craven was lovely in her mother's wedding gown of ivory taffeta and old lace. Her bouquet was of Joan of Hill roses and lilies of the valley, and she carried a lace handkerchief that belonged to her grandmother Craven. Over her train fell a long eggshell tulle veile caught with orange blossom buds.

Miss Hearne, the grooms cousin and the bride's roommate at Mills College, was stately in aquamarine triple ply chiffon. She carried Columbia roses.

The bride's mother wore white angel-skin lace with a corsage of Gardenias. Mrs. Bugbee, mother of the groom, was gowned in powder blue crepe and also wore gardenias.

After the ceremony, congratulations were extended by relatives who had motored from Washington, California, Illinois and nearby states to be the only guests at the wedding.

A buffet supper was served from a beautifully appointed table centered by the bride's cake which was decorated in sweethearts roses and baby's breath.

Two of Mr. Bugbee's sisters, Misses Ethel and Betty Bugbee of Long Beach, California; his cousins, Mrs. Carroll Knorpp and Miss Lorraine Patrick of Clarendon, with two aunts of the bride, Mrs. George Sager of Quanah and Mrs. Emory Sager, presided in the dining room.

The handsome array of wedding gifts was arranged on tables set among floor baskets of galdiola.

Mr. and Mrs. Bugbee left in a shower of rose petals on their wedding trip. Later they will make their home at the 7-4 ranch in

Armstrong county.

Guests at the wedding were Mrs. Mary C. Bugbee, Misses Ethel and Betty Bugbee of Long Beach, John S. Bugbee of Clarendon, Mr. and Mrs. George Cook of Pebble Beach, California; Mr. and Mrs. H. G. Officer, and Helen Violet Officer of Tulsa, Oklahoma; Mr. and Mrs. Wesley Knorpp, John C. Knorpp and Walter Knorpp of Long Beach, Mr. and Mrs. Carroll Knorpp of Clarendon; Mr. and Mrs. W. H. Patrick, Misses Kathryn, Lorraine and Elgin Patrick of Clarendon; Harold Bugbee, Mrs. R. L. Hearne and Miss Mary Kate Hearne of Seattle; Mr. and Mrs. Alfred Craven of Elgin, Illinois; Edward Hosking, Long eBach; George J. Carroll, George B. Carroll, and Joseph Carroll of Gainsville; Mrs. W. H. Martin of Clarendon; Mr. and Mrs. George A. Sager of Quanah; Mr. and Mrs. Emory H. Sager, Miss Lois Sager and Billie Sager, Mr. and Mrs. Arthur Miller and the Rev. and Mrs. Garland Shell.

CAMP FIRE GIRLS HAVE BENEFIT BRIDGE

The Camp Fire Girls had a benefit bridge party in the J. W. Morrison home Monday afternoon. The funds go to pay for their camping trips.

GOODWILL CLUB

The members of this club met in the home of Mrs. Lucian Bones Thursday afternoon. Fancy needle work and the discussion of putting on a play were the main events of the afternoon.

Lovely refreshments were served to members; Mesdames Fred Russell, Henry Shoffitt, Don Martin, Blanche Odom, A. O. Yates, St. Johnson, L. D. Carlile, Nash Blasingame. Guests, Mesdames M. E. Johnson, L. F. Bones honored guest, Misses Ruth Crawford of Amarillo, Eleanor Morris, Wayne Gorman.

There will be another meeting this week to decide about the play.

Miss Kidd of Hedley and Mrs. Johnston and daughter from Naylor visited with Mrs. Clarence Pipes last week.

LAWN PARTY

Members of the Senior B. Y. P. U. and some of their friends enjoyed a lawn party at the home of Miss Ruth Thompson Monday evening, June 27th.

The program of the party enacted the days in the early history of our nation. First came the seeking of fortunes in the new land. Uneasy days before the war for independence were pictured in the game "bomb". The succeeding events came thick and fast, with the battle of the flags, blockade running, cannon firing, secret mes-

sages, scouting, climaxing with the battle of the nations. Then one by one, a number of the states were ushered into the Union. The victory and the formation of the new nation was celebrated by the serving of simple refreshments to Misses Althea Jones, Delia Barns, Edna Blair, Gladys Jones, Paralee Ticer, Gladys Salmon, Dorothy Keener, Afton Lusk, Maye Dever, Lola Barns, Jessie Cook, Sara Thompson, Agnes Oakley, Theima Reed, Virginia Scivally, Onnie Oakley, Ruth Thompson, Mrs. E. A. Thompson, Messrs. Lloyd Johnson, Jim Myers, Sterling Golladay, Frank Holtzclaw, David Jones, Harold Phelps, Earl Shodle, Verna Lusk, Carrol Holtzclaw, J. D. Holtzclaw, Weldon Harkness, Hugh Phelps, and George McCleskey.

KILL KARE KNEEDLE KLUB

Mrs. W. A. Land was hostess to the Kill Kare Kneedle Klub Thursday afternoon. The house was beautifully decorated with gladiola.

After a jolly afternoon of conversation and needle work, refreshments of ice cream and cake was served to members Mesdames Harry Brumley, Eva Draffin, Leck Goldston, Van Kennedy, Sam Lowe, W. A. Massie, George McCleskey, M. W. Mosley, Buel Sanford, W. D. Sims, W. C. Stewart, M. L. Stricklin, F. O. Wood, and guests Mesdames Frank Whitlock, Clarence Whitlock, and her mother, O. Barnes of Amarillo, M. C. Reid, Ed Speed, Marvin Land, and hostess Mrs. W. A. Land.

Judge Bishop Announces Withdrawal From Race

Due to a lack of time in which to cover the large district, Judge Henry S. Bishop has announced his withdrawal from the congressional race against Marvin Jones. Judge Bishop is a candidate to succeed himself as district judge of the Amarillo district, a position he has held since that district was severed from Donley county.

Rev. C. B. Ingram Makes June Report

The Leader is requested to print the June report of Rev. C. B. Ingram showing how his time has been spent and the results.

He preached 58 times during the month to a total of 280 people. During the same time, he visited 114. Professions resulting from his efforts total 70 for the month. He was assisted in a week's meeting at the Watkins school house by Rev. E. V. Hendricks, pastor of the Methodist church of Hedley. Fourteen professions resulted from this revival.

Bro. Ingram states that his Presiding Elder accused him of preaching just for the money he got when he totaled up for the month and found he had received \$2.45.

Christian Ladies Aid Has Election of Officers

At a meeting of the Ladies Aid of the First Christian Church held at the home of Rev. and Mrs. W. E. Ferrell Wednesday, officers elected as follows: president, Mrs. W. E. Ferrell; vice president, Mrs. Frank White, Sr.; secretary-reporter, Mrs. R. E. Paxson; treasurer, Mrs. G. A. Anderson.

Mrs. Ferrell led in the devotional service at this meeting, the lesson being taken from the 4th Chapter of First Corinthians. Twelve members were present.

In relinquishing her position to Mrs. Paxson, Mrs. F. C. Johnson ceases to be reporter of the Aid after a faithful service of fourteen years. Personal reasons compelled her to decline requests to serve in that capacity longer.

Kindly Disposed Citizens Help Needy Family

Friends of the A. B. Johnson fam on family went among citizens on the streets and in the stores Friday giving every one an opportunity to contribute to a fund for the assistance of Mr. and Mrs. Johnson who lost their housekeeping effects in a fire in the northeast part of

town the week before.

The parents are very grateful to those who circulated the signature sheet and collected \$28.90, also the large number who contributed of their mite out of the fullness of their hearts for those who had so little before the fire, nothing afterwards, and no job.

This Baby has a secret which every mother should know!

If you could see this adorable youngster in real life, you'd be attracted immediately to the exquisite texture of her skin... Smooth as the velvet-rose petal, it is the pink of perfection—and very kissable!

What is her secret? It's as simple as A-B-C. Or perhaps, we should say "Z. B. T." For that is the name of the pure, smooth, snowy-white powder which rains down every day on her precious little body... Z. B. T. Baby Talcum!

Her doctor told her nurse, and her nurse told her mother that Z. B. T. is the very best health and beauty treatment for an infant's delicate skin. If you should ask your doctor, he'd say that this very same Z. B. T. is perfect for grown-ups, too!

Your druggist or chain store sells Z. B. T. in three sizes—50c, 25c and 10c. *Reject substitutes!* Get a can of Z. B. T. today and test it yourself. Or, if you prefer, mail the coupon with 4 cents to cover postage and we will gladly send you a full-size "Junior" can.

Just Naturally Unlucky
Around July 4th

Having happened to accidents around July 4th every year for several years, Hubert Brown had about made up his mind that 1932 was to be an exception until Sunday.

While riding a horse on the J A ranch Sunday afternoon, the horse slipped, and though Hubert cleared himself of the horse, he fell in such a manner as to break his collar bone. He is recuperating at the home of his father, Mr. Hugh Brown in Clarendon.

"William Edward" is the name of the third assistant of G. L. Boykin in his official duties. He arrived Monday weighing nine pounds. Mr. and Mrs. Boykin are receiving the congratulations of their friends over their possession of three promising boys.

Cost of Dresses in Exhibit Here Recently

During the recent dress contest held in Clarendon in which all of the H. D. clubs of the county shared a part, many interesting points were brought out. The following information is handed the Leader by the county H. D. agent, Miss Martha Buttrill:

Cost of 108 garments, \$81.98; average cost per garment, 75 cents time required in their making, 546 hours; average time per garment, 5 hours; estimated value, \$291.35; saving, \$209.37.

Children's garments on exhibit numbered 23; total cost, \$9.42; cost per garment, 41 cents; time required in their making, 92 hours and an average of 4 hours each; estimated value, \$36.15; savings effected, \$26.73.

Highway Lobbyist Receives Sentence at Dallas

After a trial in Federal court at Dallas, Thomas Y. Pickett of Gray county, was given a 3 months jail sentence and fined \$5,000 for evading income tax in '28 and '29. Government testimony showed him to have received \$112,000 from the road contracting firm of W. L. Pearson of Houston in connection with a highway bond election in Hutchinson county.

There was a good attendance at Sunday School Sunday morning.

Mr. and Mrs. Yates of Clarendon, Girtrude Dingler and Elsie aMy called in the Hughes home Sunday afternoon.

The young peoples' class of the Sunday School were entertained at the school house Monday evening. Refreshments were served. There were singing, reading and story telling and every one reports a nice time.

The spread of Gen. Green in this section would make Sherman's march through Georgia look like thirty cents. But with a few days sunshine the farmers will have the situation well in hand. We should not fuss about a little rain; we just can't make a crop without it, we tried that in 1927.

Miss Lucille Yates of Clarendon spent the week end in the home of her friends Gelema and Loma Ayer.

Mr. Ayers says Truman Faulks or some of his neighbors has left their fence down and all their weeds are trying to get into his field.

Mr. Bartain and family of Amarillo are visiting in the home of his father-in-law, Mr. Brazill. We would not mind having all our inlaws visit with us just now, that is if they were apt with a goose neck.

The mothers of this community are having an awful hard time to keep their babies looking their best for about the time she gets settled down to her work after a candidate has complimented her offspring, another office seeker is at the door telling her she has a most beautiful baby and that it is the

Miss Bertie Stewart of Goldston is visiting in the home of her sister, Mrs. Neely Hudson.

The Democrats are having a hair pulling in Chicago which will end in a love feast, when they nominate the next president. This meeting must be grating in the nerves of Mr. Hoover who has slipped away for a week of quiet fishing. Herby could have prolonged that fishing trip and dropped a hook in "Salt Creek" as he cruises up that briny stream in November.

Mrs. W. A. Hughes received a message from her sister at Tucumcari stating she had been successful in a newspaper contest, winning a trip by airplane to California, but she said sis is not much for highflying and accepted some money instead.

Mrs. C. E. Davis and daughter of Dallas are spending this week with her sister, Mr. and Mrs. C. E. Miller.

MELLOWED 80 MILLION YEARS

While brutes grew coats of mail in OKLAHOMA

MILLIONS of years ago Nature buried in Oklahoma certain priceless complex chemical compounds. Ages went by—long ages which saw the rise and fall of life in strange forms. And little by little, heat and pressure began to have its effect. Cambro-Ordovician crude oil was in the making!

Today the drills of Sinclair oil men have bitten deep into the soil of Oklahoma and tapped this treasure trove. Piped to the great Sinclair refineries and carefully refined and blended, Cambro-Ordovician crude oil becomes Sinclair Opaline Motor Oil, a product resulting from man's exhaustive care and Nature's 80 million years of priceless treatment.

Man's part in producing Opaline is all-important. In order that you shall have full value for your money, Sinclair not only de-waxes Opaline—it goes

one step further and removes the non-lubricating petroleum jelly by chilling the oil down to as low as 60° F. below zero. An extra step taken by few refiners besides Sinclair!

Have the nearest Sinclair dealer change your oil to Sinclair Opaline according to the Sinclair Law of Lubrication Index. Notice how quietly your engine runs. Then, at the next draining period examine the used Opaline. Observe how it still holds its rich lubricating body—how little oil has been used up!

REMEMBER: Sinclair offers you your choice—Sinclair Opaline, made from the oldest Mid-continent crudes, or Sinclair Pennsylvania, made from the costliest Pennsylvania grade crude.

"ETERNAL LIFE"

There appears to have always existed a universal feeling life does end when the body is placed in the grave. Apart from nature's resurrection from its winter grave, the wondrous transformations of insect life, and many other striking analogies, there is among all people a natural craving for and expectation of a future life. There is with all an instinctive feeling that this life is not enough; a sense of incompleteness; a longing for a second and a higher and larger life. Right thinking men believe that God has not created such hopes to blight them; they desire to look behind the veil, to know what is the real goal of life and what is yet to be.

The Bible does not leave man in doubt. It tells of the Lord Jesus Christ, "who abolished death and brought life and incorruption to light, through the gospel" (II Tim 1:10). It clearly teaches that life will not remain as it is now; that it is probationary, a training-ground, an apprenticeship, and the perfected life and work will be expected beyond the veil.

This glorious hope is a strong incentive to right thinking and conduct. It gives true estimates of the position we occupy in the universe; it imparts a strong sense of duty, and leads men to make the necessary preparations for the larger life, lest neglect be found irretrievable, to be followed by the endless consequences of torment and punishment. There is that something; the soul of man, that will never die. It was created to live forever and it will exist throughout the countless cycles of time either in place of eternal happiness or the place of everlasting punishment, (Matt. 25:46).

To help you with the problem of preparing for the future life God has revealed His will and laws to us in the Bible. To further assist you He caused "the church" to be established as a great price, to proclaim His plan. Sunday morning, we will bring a message on "Our Obligations to God and Man" Sunday night our subject will be: "Why the Wicked are Spared for a Season." These sermons will help you to meet the problems of life and to prepare you for the life to come. Try to be present and study with us, these lessons.

W. E. Ferrell, Minister, First Christian Church, Clarendon, Tex.

THE JACKASS AND THE VOTER WHICH IS THE WISER?

A gentleman of Rincon, N. M. in a recent issue of the El Paso Herald Post just about proves that the average voter hasn't as much sense as a jackass.

He put the proposition up to you in serious questions. Read this and see if he is not just about right.

Would a jackass starve because he stands up to his belly in grass? No! You're right.

Would a monkey starve because he was surrounded by too many coconuts? No! Fine.

Would a bedbug starve because there are too many lumberjacks in his bunk? No! Correct.

Would a worm starve because the apple he occupies is too big for him? No! Correct.

You are getting better. Keep going.

Would free and independent American citizens starve because they have raised too much to eat? Sure! They are doing it right now. Right again.

Now can you tell me the difference between a jackass, monkey, bedbug, worm and a free born American citizen? Now I am afraid you will get this one wrong so let me answer it for you.

The difference is that all the rest don't vote for starvation, whereas, the free and independent American citizens can and does.

Now let me quote a little from the Declaration of Independence, or words to that effect. It says, "When you see a wrong condition, it is not only your privilege but it is your duty as a patriot and loyal American citizen to speak out, regardless of any person, party or consequence."

And this from Abe Lincoln: This country and its institutions belong to the people who inhabit it and when they grow weary of their form of government they may exercise their constitutional rights to change it. Now if a person gets up on the streets of your fine city and should quote those parts of the Declaration of Independence, and the sayings of our great Lincoln, he

would land in jail in 10 minutes, and you citizens would shout to the top of your voices, "Jail that bolshevik; we don't want any of that communism or socialism around here; deport him."

Now, remember, you get just what you vote for.

HOME MARKETS-----

Prices of products produced on the farm at this time are not what we would like for them to be, or what they should be.

Poultry and cream prices are low, but the weekly pay check from either or both sources, will help.

When we have learned more economy by producing more of our needs at home, we will be in a position to protect ourselves against distress that surely follows the one crop idea.

EDITORIAL

There is still an unsettled question in the minds of tire dealers, as to how the U. S. excise tax will be applied on tires and tubes. Frankly, it is: Whether the tax applies on tires manufactured after midnight, June 20th, or whether the tax applies to all tires, regardless of when manufactured, but sold to the ultimate consumer after date of June 20.

Now, Firestone dealers will meet any tax competition that may become necessary, even though we, Firestone dealers, must pay the tax for you, the purchaser, on each Firestone tire or tube you now buy.

Until we are positive that the tax is effective on our present stock acquired before June 20th, we offer you all Firestone tires and tubes TAX FREE. If we find we are mistaken we will gladly pay the U. S. excise tax on each Firestone tire or tube bought from us.

We reserve the right to change the prices quoted in this advertisement, at any time when we may become informed that the tax is not operative as we interpret.

We urge you to drive in as soon as possible, that you may save this additional cost on tires and tubes. If we are wrong, it is your gain and we won't complain.

GOLF TOURNEY WILL BEGIN HERE SUNDAY MORNING

Players From Sixteen Towns Are Expected to Enter Two Day Contest

Arrangements are practically complete for the Annual Invitational Golf Tournament to be held over the Hillcroft course July 3rd and 4th. Invitations have been mailed to clubs all over the Panhandle and the response indicates the largest field of choice golfers ever to participate in the annual event.

Officials declare that the beautiful Hillcroft course is in the best condition of its history. The greens have recently been resanded, the fairways mowed, and the traps and bunkers made more inviting to the strayed shots. Appropriate decorations will be placed about the course to lend air to the holiday spirit. Those in charge declare that no minor details will be overlooked to make the play as fast as ever witnessed over a Panhandle course.

The prize list, totaling more than \$100 in value, has been completed and is now on display at Douglas-Goldston drug store. The major prize, a beautiful all-leather golf bag, was donated by the Chamber of Commerce and will be presented to the winner of the championship flight. Other prizes in the list include many useful articles to the winners.

More than a score of out-of-town players have practiced over the local course this week and many others are expected for practice before the match play begins Sunday morning. Several sub-par rounds have been reported and many other sensational scores are expected from other well known stars. The competition this year promises to be as fast as ever seen in a West Texas tournament.

Clarendon is preparing to entertain more than 100 golfers during the Independence Holidays. Reports indicating a large crowd has been received from Hereford, Amarillo, Borger, Pampa, Shamrock, Wellington, Memphis, Childress, Estelline, and Hedley. Other players are expected from McLean, Canyon, Tulia, Quitaque, Turkey, Quanah, and other places.

The match play begins promptly at 7:00 o'clock Sunday morning, July 3rd.

Miss Melba Miller of Wichita Falls is visiting relatives in Clarendon.

Miss Ruth Crawford of Amarillo is visiting in the Lucian Bones home.

L. L. Cantelou Passed Away Wednesday Morning

Clarendon lost another of her oldest pioneers in the death of Mr. Cantelou Wednesday morning. He had been an invalid for more than 18 months, at which time he suffered a stroke of paralysis.

He came to Clarendon in 1884 and has been identified with various business interests up until a few years ago when he was forced to retire due to advance age, though he retained his business property, now occupied by the McElvany tire store.

Besides his widow, he is survived by Mrs. Grover Herndon at the Denver hotel, who is his only child. He has other relatives at Claude and Amarillo.

Services will be conducted by Rev. W. E. Ferrell at the First Christian church, of which he was a member, at 2 p. m. today.

D. P. Ross, for many years a leading merchant of Clarendon in the early days, is reported critically ill at his home in Amarillo.

Methodist Church Program Sunday Evening

A very interesting and unusual program was rendered at the evening hour at the Methodist church Sunday June 26th.

"Memories" was the thought around which the various numbers were arranged.

After two hymns by the congregation, Miss D'Laurel Beville gave a cutting from "The Last Word" by Henry Van Dyke.

This was followed by an instrumental duo with Mrs. J. L. McMurtry at the piano and Rhodin Chase at the organ.

The closing number was a very impressive playlet entitled "Memories". The leading role was carried by Rayburn Smith who represented the man who had sought pleasure and financial gain while his home life crumbled and his soul starved.

Other characters were: Tom F. Connally, Lester Boykin, Henry Toomb, Mrs. U. J. Boston, Mrs. Rayburn Smith and Miss Nova Cook.

Funeral of Little Girl Held at Hedley

Ava Nell, aged 11 and the daughter of Mr. and Mrs. Tony Jackson of Hedley, passed away here Tuesday. The body was returned to Hedley where Rev. E. V. Hendricks, pastor of the Methodist church conducted the funeral services Wednesday.

The little girl was brought here for an operation for appendicitis, but the case was too far advanced for her surgeon to save her life. Mr. Jackson has been selling hand made w. low furniture about town the past week while his little daughter was confined in the hospital.

Rainfall at Lelia Lake late Wednesday afternoon bordered upon a deluge doing quite a bit of damage to crops by washing. Some hail fell through the section where the B. J. Leathers farm is located.

Clarence Peabody, who was seriously ill several days at Adair hospital, has recovered sufficiently to be taken home according to information today.

Sunnyview Community Grows Melons of Quality

Visitors to the W. F. Davis home in the Sunnyview community may see one of the best melon prospects in many years. The Sunnyview section has been made famous for melons over three states by Frank Hardin, veteran melon grower, though not a veteran by any means himself.

Mr. Davis is assisted by his son G. D. Davis. These industrious farmers have twenty acres of as fine looking water melons as ever grown in Donley county. Their 15 acres of canteloupes will soon be ready for market.

Major Hudson Grows Fine Garden Products

Among the finest specimens of garden stuff ever brought to the Leader office was that of this week when Major Hudson came in to show what could be done in a back yard garden in town.

His ripe tomatoes are of the Earliana variety planted on the 10th of March from the Jones plant farm north of town. The fruit is extra large, of fine shape, color and flavor.

His onions are of the chrysal wax variety, uniform and of large size being well shaped of a flat type like those commanding the best market prices. He also has sweet peppers and many other varieties of garden stuff for use now.

Carl Adams Grows First Ripe Tomatoes

From all appearances, Carl B. Adams, former oil well driller and long time in the employ of Hommel brothers, has turned his attention to a lucrative pastime at odd moments and made a howling success of his efforts.

Mr. Adams reports ripe tomatoes in his garden, plenty of large cucumbers, beets, beans and such other vegetables as are commonly grown in Donley county which is among the best garden spots in West Texas. He resides in the southwestern part of town.

Mrs. Dewey Wood President New H. D. Club

The ladies of the Skillet community have organized a Home Demonstration club with Mrs. Dewey Wood as president; Mrs. H. Billingslea, vice-president; Mrs. C. A. Gatlin, secretary and treasurer.

The organization was perfected Thursday with eleven members on the roll according to a statement of Miss Martha Buttrill, county H. D. agent.

Mrs. Wesley Knorpp who has been visiting here left Monday for Battle Creek, Michigan where she will visit her mother. Her sons John C. and Walter will spend this summer in Clarendon.

Mrs. Will F. Dubbs, who recently underwent a major operation at St. Anthony hospital in Amarillo, is reported as improving nicely.
