Newspaper Auditor and His Slayer

W. R. RYALS

How A. J. McGuerty, newspaper auditor for the Audit Bureau of Circulation met death by his own gun in the hand of W. R. Ryals, has been told in Ryals' confession to Ft. Worth police. Ryals killed McGuerty near Ft. Worth, put the body in McGuerty's car, drove to Galveston and buried the body beneath a cottage on the beach. Ryals robbed McGuerty of \$2.13.

FLOWER SHOW IS BOWER OF BEAUTY DISPLAYED SAT.

Exceeds Previous Efforts in Range of Variety and Quality Growth

The flower exhibit Saturday sponsored by the ladies of the Les Beaux Art club broke all previous records as to quantity, quality and variety and established a precedent that will be difficult to maintain through the years in their annual showings.

Dahlias in a wide range of seasonable flowers were a favorite variety with many new varieties never before shown. More than a hundred varieties in all graced the Club Room that far exceeded the expectations of the hundreds of visitors and the ladies responsible for this worthy object in fostering more love for the beautiful.

Dozens drew inspiration from this wonderful showing and went home more determined than ever to break new records next season in Clarendon's most valuable annual affair for public improvement.

The prize winners:
Dahlias—Mrs. W. O. Hommel first; Mrs. F. Wiedman, second; Mrs. J. T. Patman, blue ribbon; Mesdames W. O. Hommel, F. Wiedman, J. T. Patman, and Miss Frances McMurtry, red ribbons. Single dahlias—Mrs. Oscar Jenkins, blue and red ribbons.

Sims Parent-Teachers Will Meet Tuesday

The Sims Parent-Teacher Association will meet in the South Ward building Tuesday, October 11th at 3 p. m.

Pupils of the 5th grade will present a short play on "Fire Prevention."

The rhythm band under the direction of Mrs. Elizabeth Powell will make their first appearance at this time.

Mrs. U. J. Boston will give a talk on "Growing Into Life." All members and patrons of the school are urged to attend.

Twenty Babies Born During September; One Set Twins

Twenty births was the record for Donley county if the doctors turned in certificates for each. Eleven of them are boys. Mr. and Mrs. Donley Hall of Hedley announce the only twins, both boys.

The others reporting sons are Messrs. and Mesdames W. A. Morrison, A. M. Hatfield, Edgar Farr, Ben Campbell, Leonard Parker, C. V. Durant, F. Q. Davis, S. J. Owens, J. H. Matthews.

Girls were born to Messrs. and Mesdames J. S. Baker Jr., Roy P. Sisson, L. A. Wall, D. R. Erskin, J. A. Eppers, K. Davis, J. F. Hill, M. F. Quisenberry, Walter Bozeman.

Christian Church to Hold Roll Call Banquet Next Week

The First Christian Church announces that they will hold a "Roll Call Banquet" in the basement of the church next Wednesday night. The banquet is in honor of the new members who came into the church during the past few months, and the Roll call is for the benefit of all of the members. Special efforts are being made to have every member of the church present or accounted for. A special program is being arranged, and the pastor, Rev. W. E. Ferrell is going to deliver an address on the subject, "Roll Call." The banquet will be of the "Dutch Treat" type every person bringing a box, basket or covered dish and "all hands" eating together.

Large Congregation Honors Rev. Ingram Sunday

As announced in the Leader last week, a special service was held at the First Baptist church Sunday afternoon in honor of Rev. C. B. Ingram's 80th birthday. On previous occasions, these annual affairs had been held at the Methodist church.

Excellent talks were made by the pastor, Rev. Shepherd, Rev. L. A. Reavis, W. T. Hayter, J. H. Hurn, W. A. Armstrong and several ladies, each of whom spoke kindly of the aged minister paying him special tribute for his noble deeds and many accomplishments in the ministry.

BRONCHOS GET START ON SEASONS RECORD SATURDAY

Team Shows Good Results From Careful Training In First Game of Season

A chilling sandstorm from the north here Monday evening failed to stop the Clarendon Bronchos from piling up a 28-0 score against the fighting Quitaque Panthers from the Cap Rock roughs.

The Bronchos by virtue of such a smashing victory for their first game of the season, have sent out a challenge to other opponents for a strong bid for all-district honors.

The game was played brilliantly in places, but most of the time the two teams lacked the spirit of cooperation and the game appeared sluggish.

The entire game was played in Quitaque territory and not even once did the Panthers threaten the Broncho goal line.

Several thrilling plays were made during the game with Hudson and Andis starting for Clarendon and Graham for Quitaque. The Bronchos displayed plenty of fight and the mentors, Hutton, and Stocking gave all the boys a chance to show what they could do about tackling and carrying the pig skin.

Altogether Clarendon made four touchdowns, two points on passes after touchdowns and two points when they registered a safety, making a total of 28 points. Two of the touchdowns were made by Hudson, one by Andis and one by Whitlock. Clarendon registered 12 first downs to Quitaque's 7.

Last year the Bronchos fought their way into the finals, only to be defeated by a powerful Masonic Home team from Ft. Worth. This year, however, the Masonic team has been placed in Class A and the Bronchos have made a fine start toward another victorious march through the realm of the gridirons.

Ladies Ask Commissioners For Another H D Agent

Petitions are being circulated in the Ashtola community which are to be presented to the County Commissioners asking them to employ a Home Demonstration agent for Donley county.

The services of Miss Martha Buttrill were dispensed with the first of the month as a matter of economy, it is said. Miss Buttrill has the general reputation of being the most successful H D agent ever in the county H D work here

HIGHWAY MATTER WILL BE REVIVED HERE THIS WEEK

Kinks in Routing of Roadbed To be Ironed Out Quickly By Interested Officials

It is stated that appropriations have already been made by the State Highway Commission for survey and construction of grade and drainage of highway work on No. 5 through Donley county.

The surveying crew working through Armstrong county is expected to complete the work there the coming week.

District engineer W. J. Van London of the highway department, Clinton Henry representing the J A ranch interests and Judge McCoy of Ft. Worth representing the Denver railway interests, are expected to meet here Friday of this week.

These men are to reach a definite understanding regarding the routing of the highway over much of the lands from Clarendon to the west county line. The Ashtola stock pens presents a problem because if moved south, a spur-track would necessarily have to be constructed across the highway.

Matters will be rushed to enable the surveying crew to get into Donley county the coming week. Actual construction may begin within sixty days, is the latest information from those in authority.

J. A. Warren and wife were in Amarillo Friday over Sunday with Mr. Warren's sister, Mrs. H. Lott, who is quite ill. Mr. Lott left with her Saturday evening for El Paso for examination and care in a sanitarium there.

BRONCHOS AND CLAUDE MUSTANGS GAME IS FRIDAY

Teams Meet For First Time In Two Years; Both Are Well Trained

The Mexican mustangs of the Plains in her wild and woolly days had nothing on the Bronchos and Mustangs that are to meet in mortal combat for range supremacy here Friday afternoon.

Fresh from their first season's victory of last Monday when they defeated Quitaque by a score of 2 to 0, the Bronchos are eager to meet the wily Mustangs whom they defeated two years ago. It will be a hot game.

The probable line up will be selected from the following players: Ends, Martin, Easterling, Watson, Jackson, Tidwell, Tackles, Cook, B. Greene, Wood, O'Neal, Goodson, Guards, Clemmens, Mann, Gorman, Johnston, Haile. Centers: Watters, McMahan. Backs: Andis, McCrary, Hudson, P. Greene, Bolls, Holtzclaw, E. Watson, Word, Davis, Whitlock.

Game will be called at 3:30 p. m.

Gordon Elmore Dies From Gun Shot Wounds

Funeral services were conducted at Pilot Point Tuesday for Gordon Elmore, son of Frank Elmore of Goldston, and a brother of Mrs. Monty Garrison.

The young man died from the accidental discharge of a shotgun, the wound being inflicted while hunting ten days prior to his death. Friends of these good citizens will be grieved to learn of their misfortune.

FIRE PREVENTION PROCLAMATION

Whereas the State Fire Marshal of Texas has requested me to proclaim fire prevention week beginning October 9th to October 15th, 1932. And it is very important that we as citizens do our dead level best to prevent the burning of property in our City. In 1931 we lost in Texas 368 lives, besides the destruction of millions of dollars in property.

Now, Therefore, I, as Mayor of the City of Clarendon, Texas, do hereby proclaim October 9th to October 15th, 1932, as Fire Prevention Week, and respectfully ask all our citizens to talk Fire Prevention. And I earnestly request our ministers and school teachers to talk fire prevention to the churches and schools of our City.

Respectfully,
W. P. CAGLE,
Mayor, City of Clarendon.

WEATHER TRIMS DOWN COTTON TO LOW ESTIMATE

Rain, Wind And Hail Take Heavy Toll Over Much Of The State

Conservative estimates of cotton producers in Donley county show the crop to have depreciated 10 to 20 percent since the frost of Tuesday night which followed a period of rain, hail and wind.

Practically the same conditions prevail over most of the cotton producing area of west Texas.

Rain and hail has reduced the crop more than 20 percent in Jones, Nolan, Brown, Mitchell, Floyd, Crosby, Haskell counties. Counties bordering on Red River have suffered likewise.

Private estimates of cotton buyers in New York Tuesday placed the American crop at 10,700,000 at the highest. Some placed it at even lower. A month ago, the lowest estimate was around twelve million bales.

Stinson Gets Twenty-Five Years At Memphis

Clarence Stinson, wounded in the leg when captured near Quitaque some weeks ago, was given 25 years by a jury at Memphis Friday for complicity in the Lakeview bank robbery last May.

Claude Davis and Joe Edwards, who are alleged to have made their escape at the time of the shooting between suspects and officers, were picked up in Arkansas last week and will be returned to Memphis.

The last two are also wanted for investigation in connection with the robbery of the Seagraver bank early in the spring.

The three are alleged to have robbed stores at Quitaque besides stealing autos in which to transport their loot. A stolen car was taken when Stinson was captured.

Martin School Building Is Nearing Completion

Seats for the new brick school building are expected to arrive this week. This is said to be the only thing lacking in making this one of the most complete school structures in the county.

The main building contains three large rooms. The basement is especially fitted as an auditorium and will become the community center for church and entertainment features. The citizens are especially proud of the building some of them claiming that the contractor gave them an even better job than agreed.

Pickering Markets Potatoes In Amarillo Again

One of the most successful sweet potato growers in Donley county is W. M. Pickering who resides northeast of town in the valley of Salt Fork.

His production is up to the standard and he is again resorting to the same tactics of marketing by harvesting the potatoes and selling them by the truck load in Amarillo as he has for a number of years. He makes several trips each week.

Mr. Pickering has little time for loafing since he has a number of projects from which to draw an income, whether it be meat, grain or vegetables, he has it most any part of the year.

MERCHANTS BID FOR SALES WITH PROFIT SHARING

First Big Event Named On Saturday, November 5th; Big Crowd Expected

Practically every merchant in Clarendon has joined the Trade League offering customers special inducements to do their buying here.

The first big event will be held in front of the City Hall on Saturday, November 5th. The biggest event of all will be held at the same place December 24th, Christmas Eve.

Clarendon merchants have made special arrangements in which seasonable goods will be offered under a plan that will be specially attractive to the purchaser. Ask either of the merchants to explain the plan, or read the posters on the windows.

DONLEY COUNTY VALUATIONS DROP BELOW LAST YEAR

County Tax Rate is Reduced From Seventy-Five Cents To Sixty-Two Cents

The assessed valuation for tax purposes in Donley county for the year 1931 amounted to \$7,432,561. The assessed valuations for 1932 according to the records of county assessor W. A. Armstrong is \$6,890,850.

The county rate in 1931 was seventy-five cents. In 1932 it is sixty-two. The state rate in '31 was seventy-four, and this year it is sixty-nine.

The number of horses and mules against which taxes were assessed this year amounts to 4,465. The number of cattle also shows a loss over other years, it being 18,967 this year.

Only one lone jackass appears on the rolls despite the fact that good work mules are getting higher every month. Some spans of ordinary 15 hand work mules have sold for as much as \$225 this summer.

Donley county never was considered as a sheep country. This year the assessor discovered only 1,895 head. Hogs are also scarcer than they were in the early twenties, but more than last year. The number located this year for tax purposes was 1,198 head.

Donley county boasts of some of the best bred dogs in the nation. Police, collie and sheppard being favorite breeds, but spitz, terriers and bird dogs are also on the list. While this is true, only one owner thought enough of his dog to get him on the tax roll.

Gas engines are in the majority, but the assessor managed to find thirty-nine steam engines in the county. These are mostly of the gin type.

Bank property assessed totals \$27,500. Money and notes of individuals makes up a total of \$70,750.

The biggest taxpayers are the railroads, pipe lines and telegraph and telephone lines.

The railroads pay taxes on a valuation of \$1,096,080. This includes both the Denver and the Rock Island lines. Pipe lines, telegraph and telephone lines pay on \$479,580. These corporations pay their taxes promptly and early in the season. The Denver paid school taxes promptly when requested the past season that the Clarendon school might pay teachers. The tax amounted to almost \$1,200.

Sheriff Captures One of Trio Charged With Theft

Sheriff Pierce brought a colored man down from Pampa Sunday who is charged with implication in the theft of about one hundred and twenty chickens from Tom Kennedy some months back.

This fellow is one of three charged with the offense, and the others will be brought here if the accused gives the same information to the grand jury that he gave the sheriff.

No Depression For Will.

In order to remain funny right on through any and all calamities, is another feat credited to Will Rogers who continues to make pictures at the rate of \$125,000 per. We still maintain that Rogers would make an ideal president because he could fool the people into prosperity—they can't be forced to accept it for any length of time.

Boy, Howdy!

The following ebullition is the terse opinion of our bucolic ramrod and friend, Col. Jack Stricklin of the Terry County Herald down at Brownfield:

The Snyder Signal last week accused a lot of the Sterling papers of putting on the soft pedal since the election was over. As for the Herald, it was always willing to fight until knocked down senseless, but it never did have enough Irish in it to keep on chewing the rag until thrown out into the gutter and the hogs called to do the rest.

Pilfering The Public.

A correspondent in the Dallas News recently said: "The net profits derived from the operation of a single East Texas oil pool exceeds the net profits derived from the operation of all the gold, silver and diamond mines of the world, and yet Texas is in the financial and political grip of the most notorious band of financial vanditti that ever held political sway in violation of government and law."

If these conditions be found true, Texas ought to enlarge her penitentiary facilities, and then fill it up with state officials responsible for such high-jacking of her citizenry.

Home Employment.

Several are making inquiry to the custom of employing home labor on the highway work as was the practice in Potter and other counties. Donley county citizens may rest assured that the County Commissioners will do everything possible to cinch the labor problem for the home people.

It would not be a bad idea to go even farther by saying that teams should be used as far as possible instead of machinery. This will create a market for feed stuff produced at home as well as giving team owners a job.

The details have not been worked out completely as yet, but every important item of interest to the citizens of the county will be carefully looked after by the commissioners.

It is to be further hoped that the contractors will see fit to purchase oil, gas and food supplies from merchants within the county. This has not been done in some counties by any means, and it means a lot to the home people as well as the home merchant. In other words, the citizens of Donley county deserve to get every dollar out of the highway construction legitimately possible.

False Accusations.

John Esten Cooke, ardent Sterling supporter in the recent campaign, sums up the illegal voting charges of the Sterling forces as something humorous when he looked over the list of "illegal" voters from his home town.

Mr. Cooke sums up the matter editorially in his Rockdale Reporter:

The names from Milam county as published were all taken from the Cameron and Thorndale voting box lists, there being several hundred of them. One could not read the list without a smile. To see the names of such rock-ribbed Democrats and honored citizens as Col.

Tom S. Henderson, for instance, as an "illegal" voter, is really funny. Other prominent Cameron citizens listed included George Banzhaf, J. C. Martin, J. K. Freeman, J. C. Joseph, W. H. Triggs, W. M. Cobb, C. W. Lawrence and many others, the very mention of whose names in such connection would be serious if it were not so ridiculous. Just what Governor Sterling and his political advisers hope to gain by such tactics is more than Reporterman can understand.

Similar reports from other sections of the state would tend to cause those standing on the side lines to look upon the "illegal" vote charge with disfavor, if not disgust.

Viewed From Afar.

An Englishman visiting America the past summer is said to have made a careful study of our affairs, methods and management. When he returned home, he gave the Manchester Guardian, a leading daily, is honest opinion.

He said, "Spending and not saving is a national trait. Food is wasted, time, effort, practically everything. God has been good to the American people. The result is wastefulness to a criminal extent. The American regards thrift in the light of a shortcoming; to him it borders on penuriousness; he cannot bear to be regarded as stingy. He has an instinctive dislike for the word economy, let alone the practice of it."

If present conditions prevail another year, perhaps that Englishman visiting our nation, would find a changed condition. The depression has taught us much. As we recover, we will purchase heavily of necessities, but few of the luxuries. After we have fully recovered, we will likely resort to the same old American custom of buying everything possible even if we have to do it on the installment plan. The habits of a nation cannot be changed in one generation.

Counting Our Blessings.

A philosopher has said: "Man can make a garden out of a desert, and a desert out of a garden."

This means that the struggle to make a garden out of a desert brings out of men the best there is in them.

With the result achieved, the serpent of discontent enters the garden, and what has been attained by so much sacrifice and labor, may be lost by a lack of appreciation of what has already been accomplished.

It is well that we should give thought of the wrongs and abuses of our social and governmental order, but it is also essential that we should give thought to the advantages and opportunities of our social and governmental heritage.

Perfection in either is not to be expected so long as men and women who go to make up a national or social order fall short of perfection. If we will take a good look within ourselves, we may be able to discover reasons why we have not yet arrived at the New Jerusalem.

When we survey history and look about the world of affairs of today, we Americans will find many reasons to be thankful that we live in the age and in the land in which we have been born. Things are not perfect as a matter of course, but they are so much better than in a majority of sections, that we ought to count our blessings, thank God and take courage.

Mr. and Mrs. W. D. Mabry of the Giles country were Clarendon visitors Monday.

With Our Exchanges

Name 'Em, Brother, Name 'Em! Hardly a week passes but some paper steals one of the News editorials and uses it as their own.

In reality this is a compliment to the News.

But, on the other hand, it is against all newspaper etiquette to use articles without giving proper credit. But when a brother publisher cannot produce an editorial, and has to borrow them and use them without credit it perhaps gives him standing with his readers.

So go ahead, brother, and steal the News brain storms, and claim them as your own.

Now steal this, darn you! —Portales Valley News.

AGAINST THE PROPOSAL

The News wants to make its position clear as to the proposed constitutional amendment, to be voted on in November, which would permit the Legislature issue bonds in the sum of \$3,000,000 for the purpose of financing a centennial celebration. The News is against the plan and will oppose it until the polls are closed. The News believes the people of Texas should celebrate the 100th anniversary of the independence of the State, but does not believe the people should be taxed for three million in bonds to boost some city. The News advises its readers to vote against the proposed amendment in November.

terian church at Newport for the past 50 years, has notified the church that on account of age and declining health he will be forced to discontinue his service as pastor of the church at the close of this Presbyterian year, which will be after the meeting of Gregory Presbytery, which convenes at Bowie Thursday evening, Sept. 29. Rev. Walker became the pastor of the church here in his early ministry when a young man and has preached continuously for Newport people since. In his statement to the church he says, "I am taking this action with a degree of sadness, after having preached at Newport so long, but I cannot go on always and I am not able to forget that I am 71 years of age." During his long ministerial work at Newport he has perhaps conducted more funeral services and performed more marriages (ceremonies than all the other preachers combined who have preached during that time and possibly more than any other minister in Clay county. On many occasions he has united in marriage sons and daughters of parents that he married many years ago. When in the pulpit his sermons were always interesting and inspiring, holding the closest attention of his hearers, and his resignation will be received by all Newport people with sadness and regret.

An Explanation

In giving an account of the cause of the death of Mr. Harry Piercy in our last issue, it was not alleged that he took his own life because that had not been established as a fact. The cause of his

death alone was given.

Two bottles are said to have been arranged near, one containing medicine from which he is said to have been taking a medicine, and the other containing lysol. It is possible that he could have made the same mistake which thousands of others have made in times past. We preferred to give him the benefit of the doubt under the circumstances.

What Is the Texas C-E-N-T-E-N-N-I-A-L? Q. What does the word Centennial mean? A. Webster's Dictionary defines the word Centennial as: "A 100th anniversary or its celebration." Q. Why the movement to celebrate it in 1936? A. 1936 marks the 100th anniversary of the actual gaining of Texas Independence and the formation of an Independent Republic. In other words, 1936 will be the 100th birthday of Texas. Q. What will it mean to Texas? A. The celebration of the Texas Centennial offers the greatest opportunity that Texas has ever known. It is certainly patriotically mandatory upon us to make this public recognition. From an economic standpoint, twenty-five years' growth can be brought to the State within five years. Q. What State in the Union has a more brilliant history than Texas? A. Though a few states closely rival the colorful history of Texas, there is certainly no state which has a more brilliant or inspiring history than our own dear State. Have you heard the powder song? It goes like this—"Let's take it over Dear."

Then there is the Scotchman who found a set of false teeth, then went home and knocked out the old lady's teeth so she could make use of 'em.

Attempt to Burn Corsicana Sun Plant

Here is the building of the Corsicana Sun, upon which attempted arson was thwarted. Carlton Gunter, reporter, discovered the floor saturated with gasoline when he returned to the building at night, and he extinguished a burning fuse. A man ran when Gunter entered the building. Lowry Martin, president of the Texas Press association, and well known throughout the state, is editor of the Sun.

The "Bridge of Sighs" has been located in Scotland—it's a toll bridge.

A local man returning from Amarillo recently stopped beside a car where a man was diligently using a shovel. "Stuck in the mud, mister?", he called out. "No, my engine died and I'm digging a grave for it," he replied.

Notice in the papers this week that Rev. W. J. Walker of Vashti, Texas has retired from the ministry after 50 years of service. He served the Cumberland Presbyterians well and faithfully as did his father for a longer period, and no better man ever lived. He hooked up the Apostle and the GW over 25 years ago, but then we hope the others did not fight as much as we did—a quarter of a century of scrapping is some scrap.

As to 'SWAPPING HORSES'

Since Republican leadership has wavered and collapsed now in the middle of the worst depression in the country's history, don't you welcome a new leadership -- courageous and able --- that is offered you by the Democratic party? Isn't it time to swap Parties when one Party fails you?

The Democratic Party offers as its candidate for president Franklin D. Roosevelt, a tried, experienced executive. Though his vision is far-seeing, his heart is near to the people's needs. He serves no special interests, he fears no powerful politicians. You can trust his ability, his sound judgment, his wise and liberal statesmanship to bring you safely through the eddies of Republican blunders to better times ahead.

GOODWILL CLUB
 Mrs. T. D. Nored entertained the members of this club at her home Thursday afternoon with a busy program for these industrious homemakers.

The hostess had a quilt ready which was readily completed by a number of the ladies while others diligently plied their skill to fancy needle work.

A lovely refreshment was served to Mesdames H. J. Shoffitt, Blanche Odum, Don Martin, Melvin Cook, Si Johnson, Will Johnson, Lucian Bones, O. F. Russell, A. O. Yates, L. D. Carlile and the hostess, Mrs. T. D. Nored.

Guests of the Club were Mesdames J. S. Starks, Johnny Rex McClellan, Geo. Green, Claude McGowan.

Mrs. Odum will entertain at the next meeting, October 13th.

SURPRISE BIRTHDAY PARTY

The ladies of the First Christian Church surprised Mrs. W. E. Ferrell last Monday night, by staging a surprise birthday party for her. They met at the church and about seven thirty they arrived at the parsonage and started things off in fine shape. After spending an hour or so of merry making and "gossiping", Mrs. C. R. Skinner called the house to order and presented Mrs. Ferrell with a "Birthday present" which the friends had secured for her. Later in the evening, the second surprise was sprung, when the "surprising" party brought in several cakes and ice cream and all were served with a generous helping.

CELEBRATE BIRTHDAYS

Saturday, Mrs. Kate Rathjen asked a number of her friends in to celebrate her birthday, and that of Mr. C. R. Skinner's 80th natal date.

The guests arrived about 3:30 and soon the conversation was lively with carious accounts and early experiences in Clarendon.

The hostess was presented with many beautiful flowers and lovely gifts and many kind wishes for her birthday.

A refreshment course was served to Mr. and Mrs. C. R. Skinner, Mrs. Julia Bromley, Mrs. D. W. Clappitt, Mrs. R. J. Dillard, Mrs. Frank White, Mrs. A. Y. Burkett, Mrs. McMillan, Mrs. Wm. Terrell, Mrs. A. O. Bauer, and the hostess, Mrs. Kate Rathjen.

McDOWELL CLUB

The McDowell Club's monthly program will be presented at the Club Room Saturday evening at 7:30.

1926 BOOK CLUB

Members of this Club met at the Ladies Club Room Tuesday afternoon, Odel Ozier and Edgar Mae Mongole hostesses. Vases of garden flowers were used for decoration.

The program subject, "The Mud Lark" written by Arthur Stringer.

Hazel Dillard, leader. Edna Boykin gave a summary of the book.

Invited guests were Mrs. Louie B. Merrell of Ashtola and Misses Anna Moores and Mildred Martin. Lovely refreshments were served by the hostesses.

BIRTHDAY PARTY

Thursday was a great day for Florence Boyd, the occasion being her 12th birthday. She received gifts from her mother and grandparents during the day. Upon returning from school in the afternoon, a number of little friends came to surprise her with further favors.

Games were played until late when refreshments were served to Rosalee Ellis, Lettie Wardlow, Elcie Mae Ellis, Amos Lynn Barnes, Harold Ellis, Francis Griffin, and the honoree, Florence Boyd. All departed tired but happy and wishing her many more such happy birthdays.

H. D. CLUB

The Clarendon H. D. Club will meet with Mrs. A. L. Chase Friday afternoon. All members are urged to be present as important plans are to be discussed.

KILL KARE KNEEDLE

Mrs. Van Kennedy entertained this club at her home Thursday afternoon. The guest rooms were beautiful with an array of dahlias and other garden flowers.

A pleasant afternoon was spent in needle work and conversation at the close of which a lovely salad course, with yellow colors predominating, was served to the following:

ing afternoon guests: Mesdames Will Kennedy, C. W. Gallaway, Dave Johnson, T. Couch, Joe Goldston, and members, Mesdames W. B. Sims, Eva Draffen, H. C. Bromley, M. L. Stricklin, S. W. Lowe, W. A. Massie, Bill Greene.

CELEBRATE THIRD ANNIVERSARY

Mr. and Mrs. Chas. F. Carlson celebrated their third wedding anniversary Thursday with a sumptuous dinner.

Honor guests were Mr. and Mrs. Ed Carlson, grandmother Olson, Mrs. A. B. Walters of Oklahoma.

FRIDAY AFTERNOON BRIDGE

Members of this Club were entertained Friday afternoon with Mrs. P. B. Gentry as hostess, the meeting being held at her home. Two tables of contract bridge were played.

At the conclusion of the games, a delicious refreshment was served to Mesdames W. S. Bagby, M. P. Gentry, Sam Dyer, Ira Merchant, Misses Lorraine Patrick and Mary Cooke, and to Mrs. J. E. Teer and Mrs. J. H. Morris, who were guests of the Club.

Miss Margaret Milam of Memphis spent the week end here with Mrs. Ed Teer.

PLEASANT VALLEY

The rains of the past week have delayed cotton picking.

Mr. and Mrs. Aubrey Thompson of Clarendon visited in the Parmer Thompson home Sunday.

The patrons and school pupils of the community enjoyed a social at the school house Friday night.

Mr. and Mrs. Elmer Drennon and daughter were visitors in the John Potter home Sunday.

Mr. and Mrs. John Goldston and children were dinner guests in the A. M. Lanham home of Sunnyview Sunday.

Miss Nan Potter is confined to her bed with intestinal flu. Friends hope for her a speedy recovery.

A very large crowd of people from this community attended the dance at Mr. and Mrs. Jiggs Mosley's at Hedley Saturday night.

Mr. and Mrs. Jeff Aduddle of Brice, Mr. and Mrs. Jack Bailey and children visited in the Edward Wheeler home Sunday.

Mr. and Mrs. Joe Baum of McLean spent Tuesday night with her sister, Mr. and Mrs. Bill Meaders. They were enroute to Ford county where Mrs. Baum will visit awhile before going on to Galaskee where they will spend the winter.

MARTIN

The slow rains that have been falling for the past week have been beneficial to late feed and turnip patches.

Mr. and Mrs. Noel Harvey entertained the young people Sat. night with a party. A large crowd was present and all reported a good time.

Mr. and Mrs. Virgil Jordan gave a birthday dinner Sunday in honor of Mr. Virgil Jordan, Claude Easterling, Fred Easterling and Turnbow birthdays. Those present to enjoy this day were: Mr. and Mrs. J. H. Easterling and children and Earl Easterling from Goodnight, Mr. and Mrs. O. D. Hearn and children, Guy Sibley, Lois and Margaret Lafon, Errest and Ozier Fulton and Mr. and Mrs. Claude Easterling.

Mr. and Mrs. Lee Moore and children spent Sunday at Pleasant Valley visiting relatives.

Mr. and Mrs. Vernon Lyle and Mr. and Mrs. Frank Lyle of Clarendon spent Sunday with Mr. and Mrs. Charlie Hearn.

Bro. and Mrs. J. G. Powell spent Sunday with Mr. and Mrs. Alvin Pittman.

Mrs. J. A. Pool is visiting at Borger with her daughter, Mr. and Mrs. Herman Patterson.

Lady is Taken to State Hospital at Wichita

Mrs. Tom Crowe of the Giles community was given a sanity hearing here Monday, and was adjudged insane.

She was taken to the state hospital at Wichita Falls. Mrs. Crowe has been in failing health for some time. She has an infant of ten months. The many friends of the family will regret to learn of their misfortune, they being among the most highly respected residents of that section and among the oldest settlers.

A number of farmers up on the plains are cutting their second crop of black amber cane from one planting. This season happens, but the heavy rains the past six weeks, made it possible. Mowing machines are being used on the second crop as it is too short for a row binder.

LOST 20 lbs. of FAT IN JUST 4 WEEKS

Mrs. Mae West of St. Louis, Mo., writes: "I'm only 28 yrs. old and weighed 170 lbs. until taking one box of your Kruschen Salts just 4 weeks ago. I now weigh 150 lbs. I also have more energy and furthermore I've never had a hungry moment."

Fat folks should take one half teaspoonful of Kruschen Salts in a glass of hot water in the morning before breakfast—it's the SAFE, harmless way to reduce as tens of thousands of men and women know.

For your health's sake ask for and get Kruschen at any drug store—the cost for a bottle that lasts 4 weeks is but a trifle and if after the first bottle you are not joyfully satisfied with results—money back.

ANIMAL CIRCUS TO VISIT PAMPA

Cantankerous tigers, lions gifted with marvelous bass voices, pernicious pumas, polar bears, and herds of ponderous pachyderms, clowns and stars bespangled—all these, together with bands and calliopes, sideshows, and hundreds of blooded track and ring steeds, are coming to Pampa for the Great Hagenbeck-Wallace Circus, one of the largest in the world, is scheduled for afternoon and night performances on Thursday, Oct. 6th.

This celebrated show, always to the fore with new and thrilling features, has this season, outdone itself in the line-up of its 1932 program. It isn't merely the same old round of the same old acts and displays, but, all new, novel, extremely thrilling and colorful. It abounds with names that are warp and woof of spangleland—the greatest array of circus stars ever presented under the famed Hagenbeck-Wallace banners.

Clyde Beatty, youthful subjugator, who is called the world's most fearless wild animal trainer, heads the list of thrillers. Alone, and single-handed, he enters the great steel arena containing a mixed group of wild and ferocious lions and tigers. Thirty-four of the most savage beasts on earth.

Other equally prominent highlights will include Poodles Hanneford, greatest of riding comiques, and his noted family of equestrian; the Cronin Sisters, and the Wingert Trio, aerialists; the famous Hagenbeck-Wallace herds of performing pachyderms; the MacFarlan educated equines; groups of iron-jaw aerialists in thrilling displays, and scores of amazing track offerings.

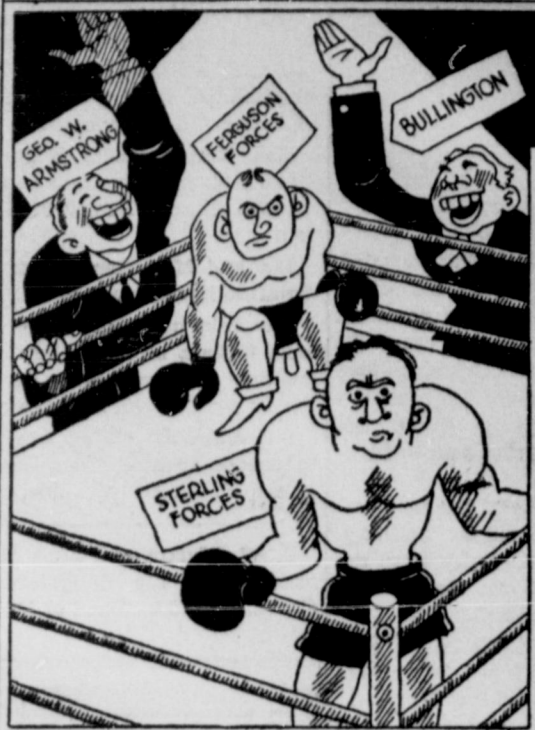

In the maze of aerial displays, the Clarkonians, and the Siegrist troupes will astound with their breathtaking mid-air somersaulting in the extreme heights of the big top.

Riding acts, acrobatic, and almost countless ground acts will vie with wild animal, the horse, and novelty numbers in the great oval arena with its three rings, spacious stages, and steel-barred presentation dens.

At the rate of \$1.00 a year, the Leader costs you less than 2 cents a week. There is no other publication of the same quality being offered at such a fair price. (Due to excessive postage, we are forced to charge \$2 a year for the Leader beyond the second postal zone.)

Looking at Texas

New features are being added to make the Leader even better this winter. New pictures every week in connection with state news. This costs us quite a sum, but we want our readers to have the best weekly published, and will not quibble over any ordinary expense to do it.

Mail or bring your subscriptions to the Leader office at once. This rate of \$1.00 a year is for a limited time, and those in arrears at the expiration of the offer, will be dropped from the list. We would dislike to drop even a single name, but we have carried a load for two years, and must collect up this fall.

Our Weekly CHURCH CHAT

W. E. FERRELL
Minister First Christian Church

"Lustrous Christians."
Text, Matt. 5:14.
Near the mouth of the Thames there is a channel through which a-going steamers can only be piloted with great skill and there is a church on the shore and on the church tower a flagstaff. During a storm, this flagstaff was blown down. The church officers consulted as to whether they should put the flagstaff up or not. They decided not to do so.

Within two weeks a government messenger requested to see the church officials. He said: "That for years that flagstaff had been one of the marks by which pilots took bearings and we cannot do without it." "The piloting of the Thames is impossible without it." The flagstaff was replaced.
The church and its members never realized that other people, precious lives and rich cargoes

were shaping their courses by their silent witness. You do not know who is shaping his or her course to heaven or hell, by your life and actions.

Jesus said, "You are the light of the world." This old world is dark, filled with moral darkness, gloom, ignorance, sin, death and destruction.

Believers in Christ and His workers are real light, to assist people in steering for the "haven of rest." How shines your light?

Our duty has been defined, we must be lustrous Christians, holding forth the word of life. "Let your light so shine before men that they may see your good works and glorify your Father which is in heaven."

God is interested in you and desires that you enjoy the greatest blessing that He can offer. His "Word" is filled with precious promises, things that he has prepared for His children. He likes for them to be prosperous, and has given rules by which we may enjoy material, physical and spiritual prosperity. Sunday morning our subject will be "SOUL PROSPERITY." God also knew from the beginning that Satan would try to rob men of their rightful possessions so he sounds warnings to assist you in protecting your own, therefore Sunday night we will bring a message on: "Perilous Enticements." Both of these lessons will help you to keep your light burning. If you are interested arrange to be with us.

AUTO REPAIR COSTS

There was a time when the auto owner looked upon repairs with somewhat of a dread. That was some time back. Costs for repair work have come down along with the prices of other things.

Often a small repair will save you a lot of trouble. No matter what make of car you are driving, we can make the necessary repairs at a very reasonable charge.

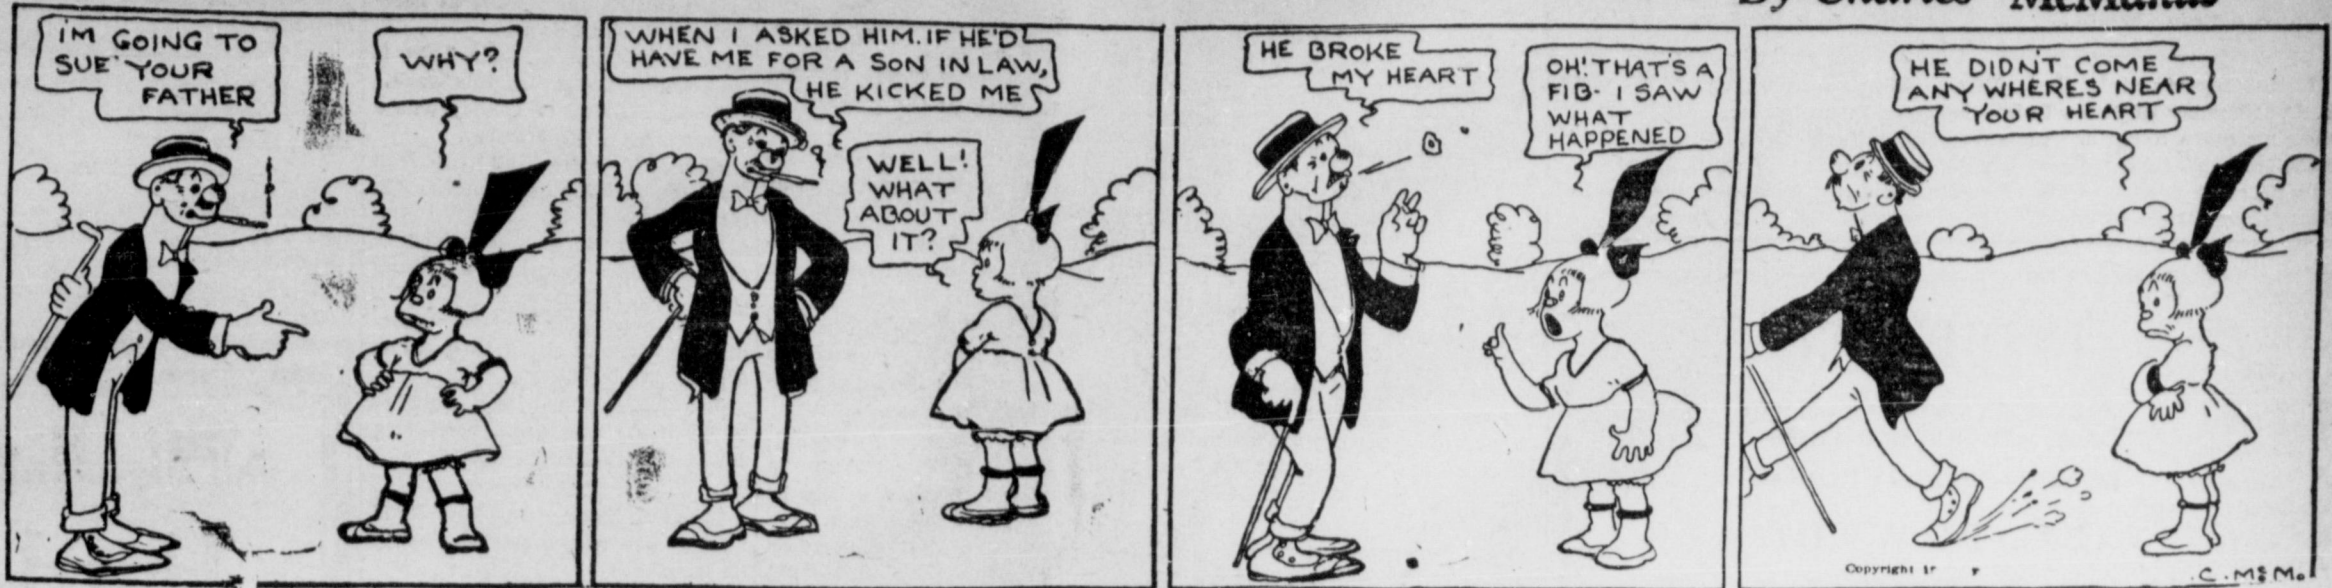

It will cost you nothing to find out. Drive in and let us make an estimate.

Odd Texas STICKS STAHALA

How many of the parents would be willing for their children to attend a school of the same type that existed a generation ago. That is what may happen if the present perils of our educational system are not successfully combated.

Our public schools, from the kindergarten through the university must continue to be the instrument used by the nation for perpetuating and for improving our society. Our faith in public education has been justified. Still greater tasks lie ahead. The forces of ignorance, superstition and social injustices always remain to be conquered. Enjoying the confidence and good will of our people, the public schools may be counted upon to make an ever increasing contribution to the welfare of the nation.

—George D. Strayer, Columbia University.

Mrs. Cannon, sister of Mrs. A. E. Tidrow, passed away at Childress

HOW MUCH is a dollar?

Dave Harum said, "When you get hold of ten dollars get it into you or onto you as soon as you can, for there ain't no pocket in a shroud and you're a long time dead."

If you had nothing but money you would be poor indeed. It is the things for which you can exchange the money you earn that set the standards of your living comforts and conveniences.

Many things contribute to the distance a dollar will go, but the greatest agent in "value received" is Advertising.

The advertisements in this paper tell you about the best grades of merchandise. They tell you where they can be had and for how much.

They tell you of the new things that manufacturers are producing to make your dollars of real worth to you in greater comforts, better living, more enjoyment.

Read the advertisements. Take time to save time. Take trouble to save trouble. Read to save walking. Search the ads to save searching the stores. And to make the dollar go farther.

MOST MERCHANTS WHO HAVE SOMETHING REALLY GOOD TO OFFER YOU WILL TELL YOU ABOUT IT IN THE LEADER.

Chas. M. Lowery Elevated To Managership

Recognizing well deserved merit, the West Texas Utilities company recently promoted Chas. M. Lowery from the managership of their office at Hedley to that of Wellington. He has moved his family to the latter place and assumed his new duties. Mr. Lowery has a large number of friends in Donley county who will be pleased to learn of his good fortune.

Roy Kutch, another Clarendon boy, has been placed in charge of the Utilities property as manager at Hedley. Roy has been at Quitaque and other places in the employ of the company for a number of years and it is but a matter of time when he, too, will be promoted.

Donley's Largest Family Lives Near Bray

Teddy Roosevelt would have been pleased to know the parents of eighteen children in any county. Donley county can boast of just such a record, though only sixteen of them are now living.

The parents Mr. and Mrs. J. F. Hill, are proud of their last born, a girl who came September 8th making the eighteenth. The father is forty-nine and the mother forty-seven. They originally came from Alabama.

Dr. G. W. Stocking Will Speak at Convention

Dr. G. W. Stocking of Austin, Texas, who recently returned to the states after an absence of eight months in old Mexico where he made a special study of the economic conditions of that nation, will be one of the speakers on the program of the Texas division of the American Association of University Women which convenes in Corpus Christi October 27-29th.

Dr. Stocking's subject for discussion will be "International Relationship." He has visited and made a special study of economic conditions in practically every civilized nation.

SAFETY FIRST

THE PUBLIC should be prudent in seeking relief from pain. Take nothing which does not have the approval of the medical profession.

BAYER ASPIRIN will never do you any harm, and almost always brings the desired relief. But remember that the high medical endorsement given Bayer Aspirin does not apply to all tablets for relief of pain.

THE DOCTOR is careful to specify Bayer Aspirin for these important reasons:

It has no injurious ingredients. No coarse particles to irritate throat or stomach. Nothing to upset the system. Not even any disagreeable taste. The Bayer process insures a pure, uniform product.

INSIST on the tablet you know to be safe. And the one that has speed. Bayer tablets dissolve so quickly, you get immediate relief from your headache, neuralgia, or other pain.

Mother of 7—Still Young

THE woman who gives her organs the right stimulant need not worry about growing old.

Her system doesn't stagnate; her face doesn't age. She has the health and "pep" that come from a lively liver and strong, active bowels.

When you're sluggish and the system needs help, don't take a lot of "patent medicines." There's a famous doctor's prescription for just such cases, and every druggist keeps this standard preparation. It is made from fresh laxative herbs, active senna, and pure pepsin. Just ask for Dr. Caldwell's syrup pepsin. Take a little every day or so, until every organ in your body feels the big improvement.

The next time you have a bilious headache, or feel all bound-up, take this delicious syrup instead of the

usual cathartic. You'll be rid of all that poisonous waste, and you haven't weakened the bowels. You'll have a better appetite, and feel better in every way. The constant use of cathartics is often the cause of a sallow complexion and lines in the face. And so unnecessary!

Would you like to break yourself of the cathartic habit? At the same time building health and vigor that protects you from frequent sick spells, headaches, and colds? Get a big bottle of Dr. Caldwell's syrup pepsin today. Use often enough to avoid those attacks of constipation. When you feel weak and run-down or a coated tongue or bad breath warns you the bowels need to be stimulated. Give it to children instead of strong laxatives that sap their strength. It isn't expensive.

All Signs Indicate a - - - Hard Winter

We are better prepared to help you in your heating problems than ever. We strongly recommend circulating heaters, for even, economical and healthful heat. If you want to change over your stoves, or want them adjusted and cleaned give us a ring and an experienced man will call and inspect them.
