COMPLETE PLANS ANNUAL BANQUET OF FATHERS-SONS

Every Man is Requested To Bring a Boy, His Own Or Some Other's

In speaking with the father of the Father-Son movement here this week, Dr. B. L. Jenkins refused to throw any further light on the program that has been arranged for the banquet of the 17th.

When pressed for information, the doctor would only say, "this will be entirely different, come and see it." That statement is calculated to arouse the curiosity of any one. The doctor means just what he says, and nothing else—it will be different.

The present officers includes Dr. B. L. Jenkins as president, Frank White Jr., vice president with Elba Ballew, Wilford Andis, Tom F. Connally and James Smith making up the remainder of the Board of Directors.

"The menu, good one as usual, has been agreed upon. The program has been made, and we feel sure there will be ground out much grist for your entertainment and interest next Thursday evening. IT WILL BE DIFFERENT. So buy your tickets early that we may know as soon as possible just how many turkeys to dress and many other good things to prepare for that banquet.

As has always been the custom we ask all who know a boy whose father is dead or out of town to give the name of such boy to the committee. We assure you a "father" will be found, for the evening, for that boy. And to such "emergency fathers" we ask you to report to the committee if you will take on a "buddy" for that evening. Don't delay this all important matter, but see us NOW. Let's make this one the best ever. Tickets will be on sale at the three drug stores.

Committee: Tom F. Connally, Frank White Jr., Elba Ballew, Snooks Andis, James Smith, B. L. Jenkins."

RAILROAD MEN ARE HERE FRIDAY FOR ROAD MEET

Shipping Corral Continue To Hold Up Construction Of Highway

The least expected always happens, and in highway construction at this time across Donley county, the shipping pens at Ashtola, sixteen miles west of Clarendon appears to be the chief bone of contention.

In a meeting here Friday held in the directors room of the Donley County State bank, the Denver railroad was represented by general manager J. D. Ferrington, assistant superintendent J. W. Mode and M. A. Stainer who is an engineer of the maintenance of way department.

Meeting with the officials were Judge J. J. Alexander and county commissioners J. Less Hawkins, Sid E. Harris and Roy Beverly. A. L. Chase, Sam Braswell Sr. and Homer Mulkey met with them in an advisory capacity.

Reports have it that the railroad people are willing to move the shipping pens and build a spur to them if the county will pay them \$6,000 toward the cost of making such a change.

This arrangement relative to the cost does not coincide with the views of the County Judge and the Commissioners, who are reported to favor making an elbow around the pens since the pens are on railroad right-of-way.

The J. A. ranch interests are said to look upon the removal of the pens and the spur track with more favor than the "elbow" plan which would force them to drive cattle across the highway. The cattle are said to be unused to both highways and autos and would likely be troublesome when they arrived near the shipping point.

County Judge Alexander states that the county can afford to pay

CLARENDON IS BACKING HOME FOOTBALL TEAM

Bronchos to Play Memphis Cyclones Afternoon Of Armistice Day

The stage is all set for the biggest football game of the season, as is the case each season when the Clarendon Bronchos and the Memphis Cyclones battle for honors of the district.

In addition to being the biggest game of the season, the Bronchos will face the biggest crowd of the season at Memphis Friday. Legion Posts of both towns will hold a joint service in the forenoon and attend the ball game in the afternoon.

Legion boys thirty strong to the side will each police their own town crowds that nothing be said or done that will mar the feelings of the most fastidious. It will be a he-man battle for honors with every player a real sport.

Both teams are being carefully coached for the big event. Hutton and Stocking are leaving nothing undone to enable the Bronchos to merit the confidence of the Pep Squad and their hundreds of backers who will accompany them down for the big event.

And say, that Pep Squad is some squad! Majorie White is captain for the girls, and Price Whitlock is captain for the boys. And how they can yell! If encouragement will have any effect, the Bronchos are as good as winners right now.

The merchants and a large number of individuals voice the popularity of the local team this week in a page ad in this issue. They also pay tribute to the Legion boys in remembrance of Armistice Day. It is said that almost all of Clarendon will see the game Friday. Only 75 cents for adults and 35 cents for children. Your local Legion post will share in the receipts. Help the Legion and Bronchos with your presence.

Latest Returns Indicate Greater Landslide

Election reports at 8 p. m. Wednesday indicate that Hoover's vote has dwindled. Instead of eight states, he carried only four—Main, New Hampshire, Vermont and Connecticut, with Pennsylvania in the doubtful column.

Such stalwart leaders in Republican ranks as Smoot, Moses and Watson have gone down to defeat latest advices show. It was Senator Moses of New Hampshire who last year referred to western senators as "wild jackasses."

Mrs. P. L. Chamberlain and Miss Mae Bennett were Amarillo shoppers Monday.

Clarendon Business Houses Will Close Friday

In proper observance of Armistice Day, all the business firms of Clarendon will be closed the greater part of the day Friday, and many of them will not open on that day at all.

Quite a large number will join the crowd going to Memphis for the Legion and football celebrations. Many others have announced their intention to make hunting trips, while others will visit in nearby sections.

Government Cotton Estimate Higher Than Last Month

The government cotton estimate issued at noon today totaled 11,947,700 bales as against 11,225,000 a month ago. Prices dropped around a dollar and a half a bale on the strength of this report.

\$2,000 for the removal of the pens provided the railroad people will deed the county fifty feet of right-of-way at any point in the county where the highway touches the railroad right-of-way, except in either of the towns. He suggested this plan and the matter was taken under advisement. The Judge is of the opinion that some concrete plan must be agreed upon before the County Commissioners will have any material upon which to take action.

Hooray! Another Armistice!

SEVERAL MAKE HUMANE TALKS AT LIONS CLUB

Special Musical Numbers Add To Charm of Interesting Program Tuesday

O. C. Watson made an educational address to the Lions club during their luncheon hour Tuesday in which he praised the organization for efforts to maintain the morale of the people.

W. H. Patrick made an impromptu talk on several subjects insisting that every citizen should cast his or her ballot that day. He spoke of conditions of Europe and compared them to the more favorable conditions in America.

J. T. Patman generally summed up the remarks of the preceding speakers and reported on the humanitarian efforts of the Club in behalf of the small Whittington child which had been taken to the Amarillo doctor the third time in an effort to remedy a crippled condition.

Music was furnished by Elmer Palmer, Hubert Reavis and Rhodin Chase.

Guests of the Club were Miss Frances Benton who as director of the "Blue Bonnet" play emphasized the special features of the presentation and what might be expected in the way of pleasant features. Other guests were Mrs. Penelope Blocker Ellis and Mrs. Ira Merchant.

MRS. MIRIAM A. FERGUSON

Mrs. Ferguson is reported to be carrying the state by a big majority over her Republican opponent, Hon. Orville Bullington. Mrs. Ferguson will begin serving her state as governor for the second time after January 1st.

Windy Valley School Will Present Program

The pupils, teachers and patrons of the Windy Valley school are to present a play, "The Womanless Wedding", at the school building Friday evening at 7:30. A small admission charge will be made.

Gifts will be presented following the play. Arrangements have been made for plenty of music and a fine evening of entertainment is promised all those who can make it convenient to be present.

The proceeds of the play will be used to help pay for the light system installed at the school a few months ago.

Goldston Carnival Makes Big Hit With Public

The Goldston community staged one of the most successful community features in the way of entertainment Saturday night that has been seen there for many months. A monster crowd is said to have been present.

The proceeds amounted to \$50.90 This sum will be expended for song books that are so necessary in the school, and for the community gatherings when church services and Sunday school are held.

Young Ladies Appear Friday In Musical Program

President O. L. Jenkins again took occasion to stir up interest at the Rotary luncheon Friday noon by giving an account of the Hickman Price lecture at the Methodist church the night before, the lecture being sponsored by the Rotary club.

Not content with his elucidation, Judge A. T. Cole spoke interestingly of the many thoughts of Russia regime brought out by the lecturer. His talk was further supplemented by that of Dr. B. L. Jenkins who mentioned a number of points overlooked or not touched upon by either of the other speakers.

Misses Carol Holder and Jean Bourland appeared in a number of duets with Miss Rhoda Wiedman at the piano. This exhibition of skill on the part of the three young ladies was especially appreciated by the Club as was evidenced by the applause.

No program was announced for Friday of this week due to the fact that District Governor Andy Anderson will be present. All the time possible will be given the Governor who is an interesting speaker and well versed in Rotary principles.

Guest extraordinary was little Miss Margaret Jenkins, daughter of the president whose winning ways and pleasant face is ever welcome on the Club's guest list.

P-T. SPONSORS BIGGEST EVENT OF THE SEASON

To Present Play Two Nights At College Auditorium Monday and Tuesday

The presentation of "Miss Blue Bonnet" at the College Auditorium next Monday and Tuesday evenings at 8 o'clock, is said to be the biggest event of the season. The play is a three act musical comedy directed by Miss Francis Benton, a professional director.

The play is being sponsored by the Parent-Teacher association for the special benefit of the young people and the school children, the play being especially designed to provide clean, wholesome amusement. It also affords an excellent opportunity for the development and training of local talent and the stimulation of the community spirit.

One of the many reasons for presenting this play is said to be in order to give the young people the advantage of receiving training under the direction of an expert director since there is no musical director in our public schools this year, operettas are out of the question.

The production company takes care of the royalty, costumes and a greater part of the expense of advertising, thus leaving the major portion of the proceeds with the local organization.

"Miss Blue Bonnet" has a very cast, assisted by snappy choruses with colorful costumes. A number of small children will appear in attractive dancing.

The cast of characters: Dr. Evans—R. E. Drennan Mrs. Evans—Mrs. O. T. Smith Magnolia—Nettie Sims Burton Hills—Elbert Bowen Hickory Stout—Dick Cooke Minerva—Miss Elon Aiken Jonie Bell—Mrs. Kerny Lane Una—Penelope Blocker Ellis Kate—Pauline Fox Susie—Vada Waldron Sally—Pauline Clark Wes Evans—James Smith Thad Penny—Henry Wilder Don't forget the date. "Miss Blue Bonnet" will be presented on each of the two evenings next week, Monday and Tuesday at 8 p. m., November 14 and 15th.

Mrs. Willie Goldston of Amarillo visited relatives here over the week end.

Mr. and Mrs. H. C. Shaw and son H. C. of Windy Valley were Clarendon shoppers Monday.

DEMOCRATS WILL HAVE FULL SWAY AFTER MARCH 4

Roosevelt Apparently Wins 41 Out of 48 States In Democratic Landslide

From the earliest returns of the election coming in early Tuesday afternoon, it was apparent that the nation had taken notice of a desire for a change in administration. When seven o'clock arrived, a Democratic landslide was evident. By midnight it was a foregone conclusion that the Democrats had captured both houses of congress as well as the offices of president and vice president. Latest returns today (Wednesday) give Hoover Idaho, Michigan, Pennsylvania Maine, Vermont, New Hampshire.

County returns from twelve boxes in at 2 p. m. today give Bullington 850 and Mrs. Ferguson 771. Clarendon gave Bullington 565 on complete returns and Mrs. Ferguson 366. It is evident that Bullington failed to carry the Sterling vote solidly, but it is also a fact that he carried Donley County.

Mrs. Ferguson carried Giles solidly. Hedley gave Bullington 115 and Mrs. Ferguson 161. She carried the heaviest vote in the rural districts. At 3 p. m. today, Mrs. Ferguson was carrying the state by a majority of 175,000.

All election returns are coming in slowly and much of the radio reports is purely guesswork. Kansas nominated a Republican governor and yet the state went for Roosevelt. In that state, John R. Brinkley, independent, was running third.

California, nominally Republican and the home of Hoover, went for Roosevelt two to one according to radio reports. Hiram Johnson and W. G. McAdoo were given the senate votes from that state. Rev. Bob Shuler, running on a prohibition platform, is said to have run third in a three cornered race.

Memphis City Council Makes New Gas Rates

The City Council of Memphis has passed a new ordinance to take immediate effect that will materially reduce the natural gas rates there. This action was taken last week.

The new rates, the first 25,000 feet at 40 cents per thousand; the next 75,000 feet per month at 26 cents; the next 100,000 at 20 cents; the next 300,000 feet at 16 cents per thousand.

Domestic rates are also materially reduced, but have not been announced.

Mrs. Chas. H. Dean of Dimmit is visiting her parents, Mr. and Mrs. C. M. Lane.

Clarendon Boy Wins Honor at John Hopkins University

Hobart (Ebe) Stocking, youngest son of Mrs. J. D. Stocking of this city has just been awarded a Scholarship in the Faculty of Philosophy at Johns Hopkins University, Baltimore. Young Stocking who is enrolled in the department of Geology will receive the Ph.D. degree next year.

Specializing in the field of Oil Geology it will be remembered that Mr. Stocking worked as a geologist with the Sinclair Exploring Company in West Africa two years ago. He resigned that position to return to America to complete his studies in Baltimore. As a student in Johns Hopkins he has gained considerable distinction in scholarship and it was in recognition of splendid work that the honor was conferred.

Sloan Baker's Name Left Off Official Ballot

Through a mistake of the printer, the name of Sloan Baker did not appear on the printed ballots in Tuesday's election.

When the error was discovered, phone messages were sent each of the polling places in the county asking that Mr. Baker's name be written on the ballot in the democratic column where it rightly belonged.

DISTRICT COURT DOCKET CLEARED HERE TUESDAY

Grand Jury Will Convene In Final Session Thursday Of This Week

With the disposal of the cases up for trial Tuesday, the criminal court docket was cleared with the possible exception of one case that may be up for trial next Monday.

Two individuals were cleared of charges hanging over from the last term this week. The three charges of extortion against Judge J. J. Alexander were dismissed upon motion of the district attorney. It will be recalled that the Judge was tried on one charge the last term of court and the jury was unable to agree on a verdict.

The other case dismissed at the request of the District Attorney was that of Roy Wilson who was given a three year sentence on a charge of arson two years ago. The case came back after an appeal to the higher courts.

Other cases tried or otherwise disposed of this term are: State vs J. H. Bennett, burglary charge, plea of guilty and three year sentence given and suspended.

State vs Jimmy Walker, forgery, charge dismissed at request of district attorney. State vs Walter Alexander colored, jury trial and sentence of three and a half years which was suspended. He was charged with transportation of liquor. State vs Tom Brown, burglary charge in connection with lumber yard at Hedley, acquitted. State vs Clyde Moss, charge of burglary, acquitted on instructed verdict.

Barney Rutledge was given a two year suspended sentence on a guilty plea of possession of liquor. Similar charge against Roy Briscoe in a companion case, charge was withdrawn upon request of district attorney after the boy of 17 years had pleaded guilty. No evidence was introduced to show that he had anything to do with a transaction that would merit either a charge or indictment.

FREE GIFTS ARE GIVEN CUSTOMERS HERE SATURDAY

Clarendon Merchants Thank Their Customers in Way That Means Something

The largest Saturday crowd of the year was in town Saturday for the gift awards that were announced some time ago. In the awards, Mrs. W. A. Land received first place of a basket of groceries. Mrs. B. G. Smith had the honor of second place and was given a set of dishes. Lane, small son of Carl V. Adams was lucky for third place and took home a pressure cooker.

It was noted that purchases were many from the amount of bundles being carried from the stores to autos parked at the curb. Grocery stores did a big business and have been increasing their sales all fall due to the exceptionally low prices. Clarendon known as the highest grocery town in west Texas a few years ago, now takes first rank among those offering the best bargains.

Customers from as far away as fifty miles were seen here Saturday. Groom folks came over and one car from Turkey was on the street, the occupants having made local purchases as was seen by the bundles aboard as they were leaving town.

Clarendon merchants are building a better trade territory by offering dependable goods at a cheaper price. The territorial lines are widening if one may judge by the distance customers travel to get here. In fact no town in West Texas today has better bargains to offer in all lines than Clarendon.

Bud Smith from Wardville, Oklahoma is visiting his uncle, J. L. Cobbs of Clarendon.

West Texas Press Association

Household Changes.

Another thing the folks found out during the campaign was that bologna and baloney are not the same. You have to chew bologna before you can swallow it.

Swapping About.

We never hear these so-called radio crooners on the ether without thinking that there ought to be some way to turn the ether on the crooners.

Worst Diseases.

If we are to believe what we heard over the radio during the recent campaign, the six worst diseases affecting us now might be summed up as radicalism, socialism, Bolshevism, communism, anarchism and rheumatism.

Krumbling Things.

The farmer who brings 60 pounds of shelled corn to town now and gets 18 cents for it, pays 11 cents for a half pound of krumbled breakfast food in a box. Do you wonder that our national backbone is krumbling?

Political Freaks.

Nemah county, Kansas has reduced their county governmental expense from \$388,459.09 in 1928 to \$158,069.48 in 1931. It is said to be much less this season. Must be trying to cast reflection upon the intelligence (?) of the nation.

Hockley County Cans.

As a means of helping the needy to help themselves, Hockley county, of which Leland is the county seat, purchased 50,000 tin cans which were distributed among the responsible citizens of the county unable to make purchase individually.

One third of the canned products is being returned to the county to pay for the two thirds of the number of cans used. This method was employed first in Dickens county last season. A number of West Texas counties used the method this season, which is said to work out to good advantage.

Idaho Spuds.

At Blackfoot, Idaho the best Irish potatoes in the world are grown when size and quality are considered. The spuds are harvested with improved machinery and stored in cellars that will withstand 50 degrees below zero, along the railway tracks.

The spuds are loaded from the cellars into a car by means of an electrical crane, three men being enabled to load a car in forty minutes. The price paid for them at this time is 25 cents a hundred. It costs 40 cents a hundred to produce them, and load them on the car. Are Idaho farmers as well off as Texas cotton growers? We think not when we consider the expense of taking stock through the winter there as compared to the balmy climate of the old Lone Star state.

Teaching The Yankee.

Miss Kerrick Warner, daughter of Mrs. Phoebe K. Warner of Claude is teaching New England women how to furnish a home, arrange their household effects and plan their meals to the greatest economical advantage.

As an employee of a New Haven, Connecticut furniture house, she conducts cooking schools and various kitchen demonstrations. She also contacts the home economic classes of the public schools.

She makes lectures, visits women's clubs and conducts field trips for the schools and clubs, and withal, is a very busy young lady. She has made a decided success of

her work—this young lady of the plains among the alleged culture of the east.

Miss Warner received her training in C. I. A. of Denton, Colorado University at Boulder, and Chicago Art Institute. Even with all that, can you feature those eastern people drawing talent from the plains of West Texas?

The Public and Economy.

Every citizen is a stockholder in the business termed government. If the business is run efficiently and economically the citizen profits. If not, he loses money.

It is unfortunate that as a rule government units are far from being fully efficient. Waste, duplication of effort and old time methods are an unnamed but important item on the tax bill.

Should the stockholders and directors of industrial corporations be as lax as the average citizen is when it comes to government, most of our greatest industrial organizations would be bankrupt.

From the beginning of society, taxes have always been an outstanding subject for discussion. But few people are willing to study the administration of government, check up on the efficiency of employees and elected officials, investigate bond issues and debts, and express themselves clearly on matters which make up our tax burden.

Some units of our government have proved steadily more costly in execution in the past few years and we place the blame at the wrong place. We can eliminate this waste if we will go about it in the right manner and with a determined effort. Use more care in the selection of the men whom we select to represent our locality in national and state legislation—men whom we know will be fearless and impartial in enacting laws that will bring about the needed changes.

Our Public Schools.

It has become a generally accepted fact that the best teaching is not done out of a book, but from

life itself. With this view many will agree, because teaching methods have changed within comparatively recent years. The products of the public schools are being measured more by their general knowledge than by their ability to read and write, and solve difficult mathematical problems.

But teaching methods are still far from being on a uniform basis. They vary in proportion to the number of teachers in the school as each has his or her own ideas regarding the methods to be employed.

Recently a school magazine asked twenty well known educators in widely separated sections of the nation what should be taught in the public schools. None of the replies were in exact agreement, though each agreed that character was of prime importance.

The old-fashioned school teacher emphasized character training to the nth degree. How many remember the old copy book admonition that "The purest treasure that mortal time affords, is spotless reputation?"

There is an apparent effort on the part of older teachers in the higher schools of the state discriminating against the younger teacher seeking advancement. In many respects some of our curriculums have become "fossilized" through political action where teachers hold positions through "pull" rather than merit.

Teachers' associations are handicapped by political propaganda and selfish interests upon the part of leaders. This same political influence is often extended to the actions of a text book purchasing committee that is never "cock-sure" about any text that is adopted. Often a text is discarded after a trial of a few weeks. Some of the texts are biased and misleading as was evidenced by an adopted geography text within recent months that described West Texas as a desert

largely inhabited by "horned toads and rattle snakes."

INSULL'S OPERATING COMPANIES

Abilene Morning News.

Samuel and Martin Insull's unpardonable sin was in running out from the consequences. They cannot be forgiven that. But whatever may be said of the Insull's they never run out on West Texas. Out here the most significant counter picture to the vast and reverberating fall of their house of holding company cards is the going condition of the operating companies that were the real heart of the structure.

During this deluge of Insull news—all about Martin in the \$20-a-week boarding house, Samuel's flight to Paris to Florence to Athens, Martin in jail, of Samuel the expatriate and fugitive—it is well to remember that the brothers dreamed of dependable electricity in small towns, on the farm; and that the West Texas Utilities company remains, with the other operating units, to fulfill the dream. West Texas is not willing to put that company on the spot for offenses of which it was ignorant.

It has not missed on the promise to pay, a few weeks ago distributing \$117,000 in hard coin of the realm to its holders of \$6 preferred stock of whom 2,000 are West Texans. Last year it paid

taxes amounting to \$1,160 per day and salaries and wages of \$3,000 per day.

More can be said. The West Texas Utilities company has, every year, spent more money in the development and expansion of its properties than it has received in profits from their operation. In efficiency and good conduct it is one of West Texas finest assets. Last week its operation, viewed for the first time, won the admiration of two hard headed business men from Chicago, the receivers of the middle West Texas Utilities company, Messrs. Hurley and McCulloch. Those gentlemen issued an enthusiastic statement in which however, they only said what the West Texan already knows.

The News pays it this tribute because, in the present emergency its personal have taken their medicine without complaint or whimper. Not one, from the president down to the porter in the general offices has asked this newspaper, or any newspaper, to "go easy" or "give us a break."

The Fiddler is Always Paid

In all lands wailing voices, strident voices, indignant voices are beseeching governments to reduce taxes. Business, crippled by lean years, looks askance at the tax rolls and asks for relief. It is not an inappropriate time for friends of peace to remind the marts of the world that in many and devious ways the burden of taxation is heavily ballasted with debts incurred during the World War, debts contracted because of suspicions generated by the World War, obligations arising out of the human miseries spawned by the World War.

The Golcondas of wealth blasted into junk on the battlefields are among the least of the items that appear on Mar's ledger. The account books of modern war cannot be closed at the signing of an armistice, nor ten years later, nor fifty. Not until the last wounded

survivor and his dependents have passed on can auditors accurately determine what incoin of the realm a war has cost.

The late Alfred Bernhard Nobel, creator of the Nobel peace prizes, thought that in developing destructive explosives he was helping make war so horrible that men no longer dare to engage in it. The World War proves he was wrong. Nobel was an idealist; he should have been an economist. He would have been on a much sounder line of reasoning had he supposed that the dogs of war would be held in permanent leash only when it became too expensive to loose them. —Rotary Magazine

. . . . in Contrasts

The above scene is a graphic representation of the homes of two housewives—just before guests arrive for the evening meal. The woman at the left has been working in a hot kitchen all afternoon . . . nothing has gone off well . . . she is nervous, tired, irritable . . . and looks it. But the modern home-manager at the right is cool, fresh, lovely and unhurried. She has been away from home all afternoon, yet is ready to take a delicious, savory and attractive meal from her oven. Her meal will be an unqualified success . . . the success of the other housewife's dinner-party is extremely doubtful.

The difference is that the modern home-manager, at the right, has an Electric Range. . . The other housewife still cooks by old-fashioned methods!

You, too, should profit by the many advantages and superiorities of modern Electric Cookery. With one of the new General Electric Hotpoint Ranges in your kitchen you'll save money, work, time and food. You'll serve better, more healthful and more attractive meals. You'll be happy, cheerful and energetic. Take advantage of special prices and terms . . . TODAY! See one of our salesmen NOW. JUNIOR DANCE HELD FRIDAY NIGHT

The Juniors enjoyed a dance Friday night at the Parish House. While many of the boys and girls danced to the beautiful music furnished by Rhodin Chase and Hubert Reavis, others enjoyed themselves by playing bridge, 42 and other games.

Some of the "graders" invited seniors, sophomors and freshmen. After the last bit of music had faded away, everyone declared they had had an enjoyable time.

ENTERTAIN WITH DINNER BRIDGE PARTY

Mr. and Mrs. Kelly Chamberlain entertained with a dinner bridge party Monday evening, a lovely dinner being served preceding the games.

Mrs. Tom Bugbee received high score prize.

Guests were Mr. and Mrs. Tom Bugbee of Goodnight, Mr. and Mrs. Montgomery of Pasadena, California, Mr. and Mrs. Ira Merchant, Mr. and Mrs. Carroll Knopp, Mr. and Mrs. P. L. Chamberlain.

MOTHERS' CLUB

Mrs. Richard Wilkerson was hostess to the members of the Mothers' Club in a meeting held in the Club Room Friday afternoon. Mrs. Will C. McDonald was leader opening the discussion with the subject of Child Psychology 9 and 10th Chapters.

Mrs. Vestal Mosley spoke on the subject of "Psychology of the school age child."

"What nice good habits" was ably discussed by Mrs. Frank Heath.

Margaret and Lolar Bell Wilkerson contributed to the musical portion of the program.

Mrs. Bill C. Bromley will be hostess to the Club at a meeting to be held November 15th.

Refreshments were served by the hostess, Mrs. Wilkerson.

PATHFINDER CLUB

The Pathfinder Club will meet Friday evening in the Ladies' Club Room at 8 o'clock. The change in time of meeting was made due to the football game Friday afternoon at Memphis.

SIMS P-T A.

The members of the Sims P-T A. were pleased with the large number present for the regular meeting Thursday afternoon. A very delightful program of Nursery Rhymes was presented. Miss Pauline Fox with her group of fifteen small children made a very realistic Mother Goose. Features of the Mother Goose playette were songs sung by Manley Bryan and Jim Boykin.

A lovely trio was sung by Mrs. O. T. Smith, Mrs. J. L. McMurtry and Mrs. R. Wilkerson.

Mrs. Fred Rathjen gave a very interesting discussion of "Children of Pre-School Age."

As a result of the membership drive which has just been concluded the Sims P-T A. now has fifty-eight members. Everyone interested in children and their welfare is urged to join the P-T A. and assist in the splendid work that it is doing.

MRS. ALEXANDER ENTERTAINS

Mrs. Earl Alexander entertained with a one o'clock luncheon at her home Tuesday. After a delightful two course luncheon, two tables of contract bridge were played. Mrs. Meade Haile received high score prize.

Those playing, Mesdames Chas. Trent, Kelly Chamberlain, Meade Haile, Carrol Knopp, Frank Stocking, Park Chamberlain, and Miss Mary Cooke.

CLARENDON H D CLUB

The Clarendon Home Demonstration club met at the home of Mrs. Eddington Friday afternoon.

Mrs. Fink, president presided over the business session. Roll calls answered by the quotation I like best from club book.

Program—Christmas cooking.

Demonstration—Plum pudding. Mrs. Fink assisted by Mrs. C. D. McDowell.

A delightful refreshment plate was served by the hostess, Mrs. Eddington to Mesdames Clark, Fink, Baker, Estlack, Chase, Lawler, Hudson, Ralph Grady, Lester Schull, McDowell, Brady, Van Eaton, Spitzer, Benson.

The club will meet at the home of Mrs. Lester Schull Friday, Nov. 18th at 2 p. m.

1912 NEEDLE CLUB

The 1912 Needle club met at the home of Mrs. Minnie Dyer Thursday afternoon. Beautiful yard flowers such as roses and dahlias were used for decorations.

Fancy needle work and conversation was the feature of the afternoon.

The hostess, Mrs. Dyer served a lovely plate luncheon to the following: Invited guests Mesdames James Trent, T. H. Ellis and daughter Maxine, Seldon Bagby and to members, Mesdames L. S. Bagby, W. H. Martin, R. A. Chamberlain, A. L. Chase, Homer Glascoe, A. R. Letts, Crockett Taylor, Sella Gentry, J. B. Baird, Hall, B. L. Jenkins and A. A. Mayes.

CELEBRATES HER 8th BIRTHDAY

Little Miss Geraldine Clayton celebrated her eighth birthday at her home with a Halloween party Monday afternoon.

Jack O' Lanterns and Halloween colors of orange and black greeted the kiddies on arrival.

While refreshments were being served they were visited by the old Witch, much to the delight and surprise of the children.

The guests for the afternoon were Nelda Sue Burton, Marilyn Sawyer, Bobby Jo Lafon, Bacil Kirtley, Billy Thornberry, Garland Osborn of Ft. Worth and the little hostess, Geraldine Clayton.

CORDER-BEACH

Miss Dollie Corder and Mr. Cecil Beach were quietly married at 7:30 o'clock Saturday evening at Memphis at Methodist personage by Rev. Fuller. Mr. and Mrs. Bill Gaither, niece of the bride being the only attendants.

Mrs. Beach moved to Donley county a number of years ago with her parents and has resided in the Pleasant Valley community most of the time since. She has been an employe of the Little Mercantile Co. for the past seven years and because of her pleasant disposition and long residence her friends are numbered by her acquaintances.

Mr. Beach has been associated with his father and brothers in the Texas Service Station for the past several years, where he has made many friends.

Mr. and Mrs. Beach are at home at their apartment in the Latson building.

Safe Pleasant Way TO LOSE FAT

How would you like to lose 15 pounds of fat in a month and at the same time increase your energy and improve your health?

How would you like to lose your double chin and your too prominent hips and at the same time make your skin so clean and clear that it will compel admiration?

Get on the scales today and see how much you weigh—then get a bottle of Kruschen Salts which will last you for 4 weeks and costs but a trifle. Take one-half teaspoonful in a glass of hot water before breakfast every morning—cut down on pastry and fatty meats—go light on potatoes, butter, cream and sugar—and when you have finished the contents of this first bottle weigh yourself again.

Now you will know the pleasant way to lose unsightly fat and you'll also know that the 6 salts of Kruschen have presented you with glorious health.

But be sure for your health's sake that you ask for and get Kruschen Salts. Get them at any drugstore in the world and if the results one bottle brings do not delight you—do not joyfully satisfy you—why money back.

CHEVROLET WILL ANNOUNCE A NEW MODEL NEXT WEEK

Detroit, Mich., Nov. 12—That a radically new line of Chevrolet passenger cars would be introduced next month was made known officially here today by W. S. Knudsen, president and general manager of the Chevrolet Motor Company.

The new series will be the fifth annual Chevrolet model to employ a six cylinder engine, the first volume Chevrolet Six having been announced in November, 1928. Since that time, building sixes exclusively, the company manufactured nearly 3,000,000 units.

A longer wheelbase, extensive changes in body design, and a "price which takes account of today's incomes" are promised in the 1933 car. The extended wheelbase, coupled with many improvements in the body, in performance, economy, power, safety and other factors, indicate a model much improved over the present line, and set at rest rumors current in trade circles that the new Chevrolet

would be a "stripped" model designed to meet the bare needs of transportation.

From an economic standpoint, the Chevrolet announcement has national significance in that the company leads all other manufacturers in the largest industry in the world. This is one of the major contributions made by any American company this year to national betterment in terms of employment and materials consumption.

Nearly 50,000 of the new 1933 series valued in excess of \$20,000, 000, will be required for dealers' announcement purposes alone, and the manufacture of at least that number is assured within the next few weeks.

"A COMMON PAPER FOR COMMON PEOPLE"

Our Weekly CHURCH CHAT

W. E. FERRELL
Minister First Christian Church

"HEARERS"

Good hearers are as necessary as good preachers. "We ought to give the more earnest heed to the things that were heard, lest haply we drift away from them" (Heb. 2:1). "Let the words of Christ dwell in you richly in all wisdom," (Col. 3:16).

There are important duties enjoined upon hearers. They should discriminate between truth and error. Our Lord said: "Take heed what ye hear" (Mark 4:24). Paul said: "But though we or an angel from heaven, should preach unto you any gospel other than that which we preached unto you, let him be anathema" (Gal. 1:8,9). By comparing what men hear with what they read (in God Word) they can judge whether it is the gospel or another. In political matters, few are so gullible as to believe all they hear, yet in religion men will, without question, accept as orthodox the word of any preacher.

Hearers must also cultivate the proper manner of hearing. Luke gives the utterance above referred to as, "Take heed how ye hear" (Luke 8:18). Beware of critical hearing, of occupying the "chair of the scorners"; sitting rather as a magistrate, than a criminal. Where ever there is a Paul to preach there will be a Tertullus to find fault. Hearers should not look so much to the vessel as to the price-less treasure it contains.

Inattention should be guarded against. Men are wide awake enough in business but drowsy in religion. They never fall to sleep over their meals but nod and slumber when the bread of life is being broken for hungry souls. Men should not be half-day hearers. "Once-ers" are not a great help to the cause of Christ. They put ease before religion; fleshly desires before the spiritual work of the church. Lastly, care must be taken, lest men should be mere hearers and not "doers of the word" (James 1:22).

Great rewards are promised to those who hear and obey God's Word, and next Sunday morning our subject will be: "Hold Fast Thy Crown." This will be a very interesting message. Sunday night our subject will be: "The Eye of Truth." A lesson on the watchfulness of God.

Donley County Leader, \$1.50 a year

DOES TRAINING PAY?

Business concerns realize that it is always profitable to employ the very best trained office help. Which class is to be employed at a time like this? The one best trained for the business office will be sure of a job and will draw the best salary. The man or woman who STAYS on the pay roll and enjoys the increase of salary and promotion is the one who is PREPARED.

Specialized business training will lift anyone above the masses. Ability is nothing more than the average brain SPECIALLY PREPARED. Such training is necessary to success in this age of business specialization. Trained Brains are at a premium—there are plenty of men and women for the ordinary job that pays an ordinary salary, but the demand for high-priced—for big jobs—is always greater than the supply. This is proven by the records of Tyler Commercial College Employment Department.

Do you realize that you can place yourself in demand by the business man in a few months' time? You can do this by enrolling at once in the largest business training institution in America at Tyler—Tyler Commercial College—with a faculty of over twenty specialized teachers, all modern office equipment, using their own famous systems. Prepare in Complete General Business, Junior and Senior Accounting, Private Secretarial, General Banking, Penmanship, General Railroad, General Civil Service, General Cotton, Classing, Shorthand, Bookkeeping, Radio—and let the Employment Department place you in a good position. You can complete the course within from four to seven months, which is in less time and at less cost than any other school.

Fill out the coupon below and send for the large book, "Achieving Success in Business." This book is free and will help you to business success. Send for it now. (We have no branch schools anywhere.)

Everyone Likes to Use AMARYLLIS FLOUR

It's fun getting bakings that everybody will praise, and when you put your best efforts into a baking, you want to be sure you are using the best ingredients. Amaryllis Flour is expertly milled, given rigid chemical tests, and also tested by actual bakings. It's proven dependable in a kitchen just like yours where samples are continually baked into pies, cakes, and breads. This is the final baking test that proves Amaryllis always dependable. No wonder women find Amaryllis Flour so satisfactory for cakes, cookies, pies and pastries, as well as for breads and biscuits—no wonder they keep using Amaryllis once they have tried it!

There are times when all look for something solid upon which to base a renewal of faith in life - - - in men! We are passing through such a chaos. November 11th is a day, set apart, in honor of the unselfish - - - loyal - - - devotion of men in a time of need. It is our sacred duty to honor the memories of our preservers. In our observance of this day may we acquit in our own hearts, some part of their - - - they live again in our renewal of courage. While we vacillate - - - not knowing whence the trend of events may lead - - - let us remember there is but one road to travel - - - Forward! - - - Onward! - - - through that way alone lies Honor.

BRONCHOS BEAT CYCLONES!

THE

Whether on the field of battle, or upon the field of sports, the American knows nothing but to go in to win. While our representatives fight for football honors at Memphis Friday, those whose names are represented here want you to know that they are backing you for victory, believe in you and your ability to maintain Clarendon's historic football history and the wonderful record of the Broncho team.

Dr. and Mrs. Hendricks and Miss Zoe Bevers of Hereford were guests in the Rev. Bevers home here over the week end.

Mr. and Mrs. L. D. Perry and family of Amarillo visited his mother, Mrs. Perry and Miss Fanny here Sunday.

Mr. and Mrs. Thornberry of Goodnight visited his sister and husband, Mr. and Mrs. A. T. Stevenson here over the week end.

Mrs. Clarence Veironemus and small daughter, Bettie Rose, is visiting her parents, Mr. and Mrs. Odos Caraway.

Goodrich Infant is Buried Here Saturday

Death resulting from pneumonia, the infant of three weeks of Mr. and Mrs. L. D. Goodrich was buried here Saturday, Rev. B. N. Shepherd of the First Baptist Church conducting the services. The parents reside at Lelia Lake to which place they moved from Shamrock the past week. Mr. Goodrich is in the drug business, a new line for Lelia. Among new acquaintances, a large number of sympathetic neighbors did everything possible to make lighter the burden of grief, and a large number were present at the cemetery following the services at the church.

Historical Museum Building Cornerstone is Laid

More than two thousand people were present at Canyon Saturday when the cornerstone of the Panhandle-Plains museum building was laid with Masonic ceremonies at 10 a. m. This ends a noble effort on the part of Panhandle people over a ten year period and other ages.

In the cornerstone was sealed a buffalo horn, copies of newspapers of the Panhandle bulletins of the West Texas State Teachers college, copies of the speeches made at the laying of the stone and coins.

Bullington Speaks Monday Morning at Pastime

A crowd that comfortably filled the Pastime theatre heard Orville Bullington, republican candidate for the governorship speak at 11 o'clock Monday morning on his return to Wichita Falls. He was introduced by Tom F. Connally.

Mr. Bullington made a close canvas of the towns of the Panhandle the last week of the campaign, speaking in practically every town of any size.

J. W. Gatewood of McKnight was over Monday on a matter of business.

Mr. and Mrs. Pierle and daughters, Elmer Margaret and Ida Martha, and Mr. Parson of Canyon were guests of Mrs. O. L. Fink and Kenneth Fink Sunday.

Holland Filling Station Offers New Service

As will be noted in this issue of the Leader, the Holland Brothers filling station is offering the new Magnolia 7 point service to their many friends and customers of this trade territory.

"A cure for every case before it becomes a case," is the idea of this 7 point service which is explained in the advertisement. Auto owners have begun to realize that the cheapest oil, gas and greases are not always the best to buy. That does not mean that this station is charging an exorbitant price, but it does mean that the Magnolia company has made a special study of car needs, and is now ready to supply them through their local dealer.

Mrs. O. H. Wilson Observes Her 77th Birthday

A very happy occasion was that of Sunday when a number of friends celebrated the 77th birthday of Mrs. O. H. Wilson at the home of her daughter and husband, Mr. and Mrs. Jimmy Moore in west Clarendon.

A dinner was served with a lovely birthday cake of 77 candles arranged as the table centerpiece.

Those present were the honoree, Mrs. O. H. Wilson and Mr. and Mrs. Jimmy Moore, Mr. and Mrs. J. F. Cannon, Mr. and Mrs. Carl Peabody and Erietta, Jim Cannon and sons Eli and Robert, Mr. and Mrs. J. M. Cannon and daughters Nell Ruth, Nada Lou and Jane. Mrs. A. C. Hyatt and son Carl, and Miss Clara White of Falls. Mesdames Hyatt and Cannon are daughters of the honoree, and Miss White a granddaughter.

Those calling in the afternoon were Mr. and Mrs. Sam Cannon and son Leo of Vernon, Mrs. Linnie Cauthen and daughters, Ruth, Hulda Joe, Mrs. Ben Buck, Mrs. U. Z. Patterson and Mr. and Mrs. Loyd Moreland and family.

Mrs. W. B. Ayers of Windy Valley spent the day Monday with Mrs. Lonnie Hahn.

James Smith is Found Dead Friday Morning

James Smith, aged 59 years, highly respected citizen residing south of Ashtola, was found dead in the barn lot early Friday morning. Funeral services were conducted by Revs. Jones and Robt. S. McKee at the home of a sister of the deceased, Mrs. W. M. Montgomery in Clarendon Saturday.

The family returned home late Thursday and missed Mr. Smith but thought nothing of the matter since he was believed to be visiting relatives in Clarendon. His body was discovered early the next morning as stated above. Death had come to him suddenly from what is believed to be heart failure.

Mr. Smith came to Donley county in 1891, and except for a short time spent on his farm near Canyon, had resided here since. He is survived by his wife, Mrs. Vera Smith, and three sons who are Kay, Kedron and Lester. His sisters are Mrs. W. M. Montgomery of Clarendon and Mrs. W. H. McLaughlin of Wellington.

Mother of Clarence Piercy Dies at Weatherford

Mrs. Ell M. Piercy, aged 77 and the mother of Clarence Piercy on the J A ranch, was buried at Weatherford Thursday.

Mrs. Piercy had been a resident of Weatherford for fifty years. Surviving her besides her husband are Van Piercy of Belton; Mrs.

Dave Gray of Pleasanton; Will Piercy of Weatherford; Mrs. Guy Stewart of Mansfield and Clarence Piercy of Clarendon.

Odos Caraway and Fred Rathjen had business in Abilene Friday.

Miss Helen Martin, member of the public school faculty at Pampa, visited home folks over the week end in the J. W. Martin home
