LOCAL DENTIST DIES SUDDENLY SUNDAY MORNING

Native of Michigan, Had Resided in Texas For Twenty-Two Years

Gloom spread over Clarendon early Sunday morning when it became known that Dr. J. G. Sherman, well known dentist, had suddenly passed away about 1:30 that morning. He had been ill most of the week suffering from indigestion. He arose a few minutes before his death and passed to the bathroom of his home. Mrs. Sherman heard him fall, and upon investigation, found that he had suddenly expired.

Besides his wife, he is survived by a son, Kenneth, aged eighteen.

Dr. Sherman was born at Harbor Springs, Michigan June 20, 1882. His mother dying when he was less than two years of age, he was reared by a grandmother and uncle, with whom he resided until he had completed high school.

He, in company with an uncle, moved to Lincoln, Nebraska where he graduated from a dental college. He came to Texas in 1911, locating at Vernon where he and Mrs. Sherman were married in 1912. There he continued to practice his profession until 1927 when the family home was established in Clarendon.

Since moving here, the members of the family have been prominently identified with the worthwhile community uplift and improvements, socially and in the Methodist church of which they were members.

Dr. Sherman was a skilled practitioner, liberal in helping the unfortunate, and in his practice here made friends over a wide section. Because of his many good traits of character, he will be sadly missed socially and professionally.

Rev. E. B. Bowen, pastor of the First Methodist church had charge of the funeral services conducted at the family home at 4 o'clock Monday afternoon, in which he was assisted by Rev. Robt. S. McKee, pastor of the First Presbyterian church, and Rev. M. M. Weavers, presiding elder of this district.

Those attending the casket were F. L. Bourland, J. T. Patman, W. M. Patman, Joe Goldston, Harry Ruddell and W. R. Holder. Interment was made in Citizens cemetery here.

City Dads Raise Salaries Following Depression

Along about the time when it looked like Andy Mellon had the whole thing and gone with it, the city dads reduced salaries. Now that the depression has passed, the commissioners have voted themselves a \$5 raise back to the \$25 a month basis. The Honorable Mayor gets a raise and is now drawing \$75 a month.

The Parker condemnation suit covering the old J. A. ranch house on the west part of town has been appealed from a decision in the city court to that of the county court.

RECREATIONAL BUILDING PLAN LOOKS FEASIBLE

Building Funds Available For Construction One County Unit

In discussing the matter of a county building for a recreational center here, Sloan Baker was assured by school authorities at Austin that such a project would meet with their approval. He was advised that funds were now available if the ground was provided in such size as to afford a campus for school requirements.

These requirements are that outdoor games of all kinds must be provided since the building would be the property of the county schools.

The general plans for the interior of the building would include a swimming pool, ball court, auditorium, library, etc. commensurate with the needs of the county scholastics at present, and allowing for a larger number in the future.

The construction of a county recreational center at no cost to the citizens of this county naturally meets with popular approval. At this time the idea is finding more favor among the rural schools than elsewhere.

It has been pointed out that Ashtola and Leita are planning such a building at each place, but could not secure funds for the construction of a building as would meet all needs or requirements. A centralized building could be made possible at this time if sufficient interest is shown, according to Sloan Baker, county school superintendent.

It has been suggested that a building of this kind would meet the requirements of all the rural schools of the county, bringing them together in friendly rivalry for the various contests. It would also bring one or more large crowds to Clarendon each week of the school term. Local business men are said to heartily endorse the project and action on the matter is expected within the near future.

Chamberlain Pie Supper On Friday Night

On Friday night of this week, the 15th, the Chamberlain community will sponsor a pie supper for the benefit of the athletic fund.

Beauty contests will be a big feature of the show with plenty of prizes to be given.

Music will be of the "stringed" variety and plenty of it. County officers are to be present. What for? This is the big mystery. The entire public is invited.

Colored School To Benefit From C W A Allotment

The department for colored schools under the C W A at Austin has asked Superintendent Sloan Baker to assist the local colored in securing needed improvements.

The grounds are to be improved by caliche topping. Stucco the building, provide sanitary toilet

2 NEW MEMBERS ARE APPOINTED RELIEF BOARD

County Commissioners Give Sheriff Raise of Salary At Friday's Session

At a meeting of the County Commissioners Friday, John Hermsmeyster of Jericho, and W. M. Pickering of Midway were appointed to the County Relief Board. They will succeed Odos Caraway and G. L. Boykin, both of whom resigned recently.

Mr. Caraway could not serve on the Relief Board as a member longer because of the fact that he is County Administrator for the Board. Mr. Boykin resigned to accept a paymaster position under the Board.

The salary of Sheriff Guy Pierce was raised fifty dollars per month. The jail is empty and there is no other source of revenue for that office. Fees from the district court session are said to have been practically nothing so far as the sheriff's office was concerned.

When the Commissioners met Monday, payment of \$22.20 each was authorized to be paid W. K. Davis and J. A. Meader. This money is to be paid for land occupied by a county road, the order being passed in August. The land was valued at \$10 an acre.

An order was passed to give T. H. Peebles the fencing on the south side of the Denver across the Peebles farm to reimburse him for having to fence the south side of the right-of-way on new route of Highway 5 across his place east of town. He is said to have accepted the fencing in lieu of any further claims or damages.

Nature Playing Pranks With Fruit Trees Here

Up until about a week ago, cotton was putting on squares due to the extremely warm fall. The freezes of the past few days have stopped the cotton growing for 1933.

R. I. McGowan and others have mentioned the fact that peach, plum and other fruit trees are preparing to blossom, buds swelling almost to the bursting point now. Last Saturday was the hottest December day in 43 years, registering 80 at 1:30.

Odd Fellows Have Jubilee Monday Night

What was planned as a real "home coming" of the Odd Fellows at their local hall Monday night exceeded the expectations of leading members who had worked faithfully for the success of the affair.

Rev. W. E. Ferrell, pastor of the First Christian church entertained for half an hour with "black magic." Music by a string band was an enjoyable feature. The feast was spread on improvised tables and pictured all the bounteous products of Donley county, and then some from other places.

The minister was again called upon to supply for the District Deputy who failed to put in his appearance due to unavoidable circumstances at the last moment. A large crowd was present including a number of ladies who served the eats and otherwise helped to make it a pleasant evening long to be remembered.

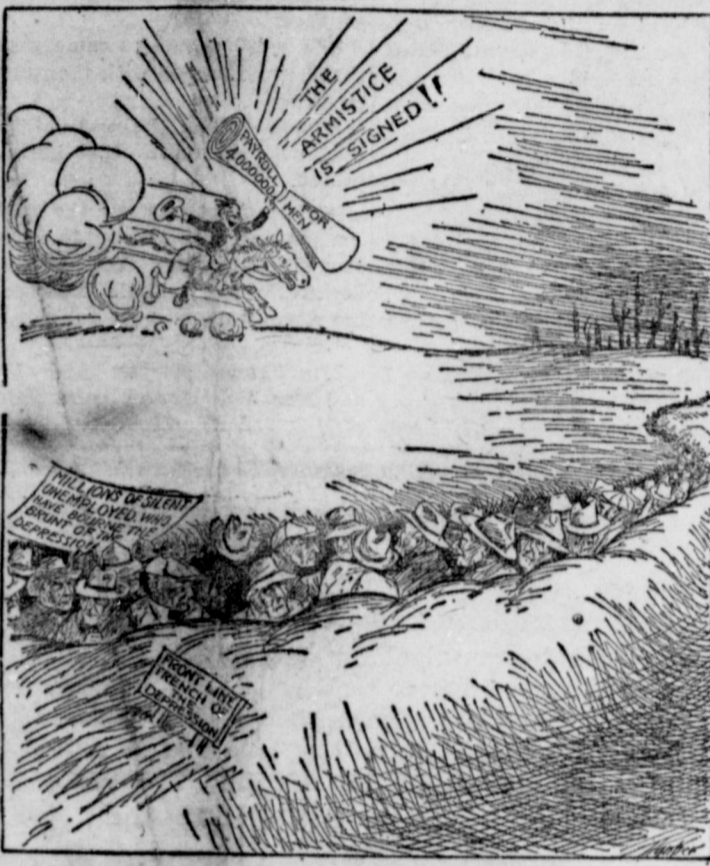

Hutton Accepts a Position With Government

John G. Hutton, for several years a teacher in the Junior College here, has accepted a position with the government at Washington and will leave today for that place.

He will be employed in the department known as the Agricultural Adjustment Administration. He held a position there some three years ago, being employed in the Census Bureau.

and paint the interior of the school building and varnish the desks. Shades for the west windows also will be requested in seeking an allotment of funds.

Lions Benefit Minstrel Gets Out a Full House

The minstrel given at the Pastime Friday night by the Lions club for the benefit of the crippled children's fund played to a packed house. The whole show was far better than that of a year ago. Many surprising features captivated the crowd.

Several local people assisted the members of the Club in putting it over. The Parent-Teacher association of Hedley is to sponsor an appearance of this minstrel troupe there in the near future.

The crippled children's fund of the Club was the recipient of approximately \$136.65 as a result of the minstrel show.

CRIPPLED GIRL DIES AT DALLAS HOSPITAL MONDAY

Funeral Services Conducted At Baptist Church Here Wednesday Afternoon

Rev. B. N. Shepherd conducted the funeral services Wednesday afternoon for Billie Laverne, daughter of Mr. and Mrs. M. C. Rampey who reside in the Chamberlain community.

She was accompanied to the Shriners hospital at Dallas Sunday by her mother after she had been ill for more than a week. She passed away near noon Monday and the body was returned here Wednesday morning.

Billie Laverne several months ago became a charge of the local Lions club and was sent to the Shriner hospital several times for treatment. She had fallen a victim of infantile paralysis when a mere child. Her improvement had been steady over the several months, and her death at this time will be a shock to friends as well as relatives. She was in her early teens at the time of death.

Her life was an inspiration in the sense that she never gave up. Always looking forward to the brighter days that she felt sure were to come to her, when she overcame her handicap, she made plans for the future. She was of a kind disposition though her misfortune caused her to suffer pain apparent beyond the endurance of an adult at times. Her parents have the consolation of knowing that the Great Physician is caring for her now, and that her spirit dwells on high.

All that skill and loving hands could do were of no avail. Those who befriended her are glad today to have added the joys of expectancy to the young life of one who keenly appreciated every consideration. The Leader family joins with the friends of the family in extending to them sincerest sympathy.

Clarendon Woman Suddenly Dies Near McLean

Funeral services were conducted here Saturday for Mrs. Ernest Naylor, aged 31, who died suddenly Thursday near McLean while being brought from Oklahoma City to Clarendon by her husband, Rev. E. B. Bowen had charge of the funeral services.

Mrs. Naylor had been in ill health for some time, but it was believed that she had recovered sufficiently to be brought here where her husband's relatives reside, and where he grew to manhood.

She leaves two children, Alfred and Billie Joe besides her husband. Her parents are Mr. and Mrs. J. B. Chambers of Melrose, N. M. She has a sister, Mrs. D. E. Berry of Tucumcari, N. M. and a brother, J. C. Chambers residing at Eldorado Springs, Mo.

County School Men Attend Childress Meet

Among those to attend the 12 county district school meeting at Childress Monday were W. A. Poovey of Ashtola, president of the Donley County school board, and G. G. Reeves of Chamberlain, president of the County Teacher-Trustee association.

A large attendance listened attentively to school matters, especially talks made with reference to CWA money allotments for rural schools, and impending legislation.

Hedley Grade School Holds Carnival Tuesday Night

Those from here taking a part in the program were Clarendon Band and orchestra, Soloist Rhodin Chase piano, Hubert Reavis Clarinet, Gus B. Stephenson trumpet, Mr. Perkins whistler. Mrs. Elizabeth Powell and Rhodin Chase piano accompanists.

Mrs. John M. Bass and Miss Rosalyn Bass presented a musical reading.

A German band and brass quartet was selected from the band members presenting a group of numbers.

The school staged a carnival and charged a small admission fee, the proceeds going to the grade school.

The Clarendon band and orchestra will present a musical program at Goldston Friday night of this week, and at Chamberlain one night next week, according to the instructor, Mr. Gus B. Stephenson.

Jail Prisoners Will Have No Christmas

Unless matters take a change, the prisoners in the county jail will have no Christmas this time for the simple reason that Sheriff Pierce has no prisoners.

The jail has been empty for the past three weeks. This is the first time the jail has been empty for about eight months.

SCHOOL SOCIETY TO PRESENT PLAY MONDAY EVENING

Comedy Play in Three Acts Will be Social Event Of Alpha Delta Psi

The Alpha Delta Psi Literary Society of Clarendon College will present its annual play at the College auditorium on December 18. The title of this brilliant three-act comedy is "Co-Ed Conspiracy." Miss Lorraine Patrick is directing the play, and she promises a product that the people of Clarendon and vicinity will want to see.

The plot concerns a popular college girl who gains extra spending money selling dates to her unfortunate wallflower friends. How she persuades her retinue of admirers to give the unpopular coeds a tumble involves many comical situations. When the boys find they have been hooked as a "string of suckers," they carry out a plan for desperate revenge. Many interesting sub-plots are introduced, interspersed with appealing humor throughout the play. The characters appearing are:

Helen Rodgers, Delphia Bones, Wanda Mayfield, Virginia Wisdom, Elizabeth Dunn, Virgie Skinner, Wylie Buchanan, F. L. Ehrens, Harold Phelps, Delbert Linder, Bob Goodson, and Kenneth Brown.

Everyone is invited to attend this play in order to gain a lot of amusement as well as to benefit a worthy society of college students.

6 RURAL SCHOOL PROJECTS MEET STATE APPROVAL

Superintendent Baker Gets Approval on Recent Visit To Austin

Donley county set a precedent in securing the first rural school aid under the CWA in the state, due to the energies of Sloan Baker, county superintendent of schools. To date, six rural schools of the county have approved projects, McKnight being the first in the state.

Mr. Baker was a speaker at the 12-county district school meet at Childress Monday at which time he explained the methods by which aid could be secured for rural schools. Mr. Baker's Austin trip was made at the request of the District Superintendent for the purpose of getting first-hand information.

Allotments approved to date include McKnight which gets \$478. Jericho will get \$1000.10. Bray was allotted \$896.00. Smith gets \$353.45. Ashtola has an approval of \$452.00, and will apply for more on another project, it is said. Hudgins asked for \$156.00 and was allotted \$512.00. It was the opinion of the state office that the cost of the project had been underestimated as to the labor expense.

Teachers securing employment under the teacher-relief act are Miss Cleo Brown who becomes librarian here in the local schools. Earl Jones is employed as instructor of manual training and carpentry at Hedley. Miss Nova Cook is employed in the county school superintendent's office at the courthouse. Miss Virginia Wisdom becomes school clerk in the high school here.

Cutter Cows to be Butchered By Pinkney at Amarillo

County agent T. R. Broun has received instructions of a cow allotment of 57 head for Wednesday, December 27, and 16 head on the following day.

These cows are to be canned by the Pinkney packing company at Amarillo and the meat distributed to the poor under government supervision.

Those selling cows under this plan must get permits from the county agent, and the stock must meet all requirements.

Mrs. Paul Shelton and daughter were Amarillo visitors Saturday.

GRADING BEGUN ON HIGHWAY 5 NEAR ASHTOLA

McKnight Construction Gang Consists of Fifty Men At Present

So far as possible, all labor will be employed in this county on highway and other projects. Fifty men are now at work on Highway 5 west of Ashtola where about a half mile of grade has been thrown up the past week. No more men will be required for the present, it is announced at the local CWA office.

Work is in progress in bridging Turkey creek east of Goldston.

Graveling of Highway 66 continues, about three-fourths of the surface having been completed according to reports Tuesday.

An allotment of \$800 has been made under CWA for lateral road improvements in each of the precincts of the county. Work on roads in No. 1 near Sunnyview at this time. Work in the other precincts has not begun so far as can be learned, except that Sid Harris has a small crew at work south of Ashtola, in Precinct 2.

CHARITY SOCIAL GOLDSTON SCHOOL FRIDAY EVENING

Clarendon Band to Furnish Music. Many Features To Appear on Program

Merchants of Clarendon were liberal in their contributions Monday toward helping along the charity drive at Goldston school Friday night of this week. Messrs. Veazey and Millsap were here gathering up worth while prizes.

Preachers of the four denominations will be expected to be present. They are Rev. Robt. S. McKee of the Presbyterians, Rev. B. N. Shepherd of the Baptists, Rev. W. E. Ferrell of the Christians, and Rev. W. T. Lackey of the Methodists. Each of these ministers preach out there at stated intervals.

The Clarendon band will be on hand to dispense band and orchestra music according to Gus E. Stevenson, the director. The Goldston quartet will sing a number of new songs never heard before by any crowd here. Other features will appear on the program.

A pie social and box supper will be the big feature of the evening. Bids are expected to be liberal as the funds go toward helping the orphanages of the various churches represented above.

Revenue Officers Checkup On Hog Killings

At this time revenue officers are said to be making investigations in the Panhandle with reference to hog growers selling meat without paying a "process tax."

Those wishing to dispose of meat under the new law, may get all the information needed from the county agent, T. R. Broun, at the City Hall.

Bargains Galore

The Leader comes to you this week chock full of bargains. Christmas gift suggestions are in profusion with prices to suit every purse. You will find articles to suit any fancy. Grocery, drygoods and furniture stores offer you every inducement to make this a practical gift-giving Christmas long to be remembered.

Don't forget that prices now are cheaper than they will be again for months and perhaps years. Buy now while you can buy at the lower prices. Take the lists from the Leader and make out your list. Visit the stores and inspect their wares. You will be surprised at the offerings of the stores advertising in the Leader this week.

CHRISTMAS PROCLAMATION

WHEREAS about 1933 years ago the Saviour of the world was born in Bethlehem of Judea. The heavenly host sang his praises to the shepherds of the hills, and said "Fear not for behold I bring you good tidings of great joy, for unto you is born this day a Saviour, which is Christ the Lord." The wise men from the East paid the young child a visit of adoration, and praised God for his loving kindness. Saint John said of Jesus "Behold the Lamb of God that taketh away the sins of the world."

And whereas all Christian people throughout the world have honored Him by celebrating His birthday, and we would as followers of the Lord revere His holy name until we shall be no more.

And now I, as Mayor of the City of Clarendon, Texas, respectfully request the citizens as a whole to observe December 25, 1933, as a holiday and thank God from whom blessings flow.

W. P. CAGLE, Mayor.

Best: Mae Shaver, Secretary.

GOVERNMENT RED TAPE.

Those who are becoming disgusted with the government red tape hampering the CWA program, should recall that "heroes" of the Spanish-American war are still getting medals for bravery 35 years after the war closed.

AMBIGUOUS LANGUAGE.

A south Texas man found to have two legal wives, was charged with being a bigamist. It was later found that he had three wives instead of two, which under ordinary rules, would classify him as a "pigamist," since he appears to be hoggish.

UTILIZING NATIVE PRODUCTS.

Ray V. Davis, formerly a photographer of Amarillo but more recently of Carlsbad, is making a fortune out of tinted moss pictures for which he and associates hold patent rights. He utilizes the moss from mountain caves rather than from the backs of those who have lost their fortunes buying alkali farm lands in the Pecos valley.

THE SPIRIT OF CHRISTMAS.

"It isn't the gift that matters, but the love with the gift that goes with it," will be just as true this Christmas as ever before—perhaps more. Gifts in the right place will mean more now. There has been a lot of talk about gifts being much higher this Christmas than for several years, but it is not true in every sense. A number of merchants made purchases before the rise in prices. They are content to be satisfied with a reasonable profit. Most of the stocks are necessities, the best gifts of all. Buy early and help the clerks through a wearisome period of hard work.

POLITICAL ANNOUNCEMENTS.

Newspapers are already announcing the fact that all political announcements must be paid for when the announcement is made. In other words, "cash on the barrel head" will be the general rule during the next campaign.

In keeping with the other papers, the Leader will adhere strictly to the cash plan this time without regard to the standing of the individual. No favors will be shown any one on any political printing of cards, announcements, etc. Candidates should bear this in mind.

On the other hand, we are providing you a medium by which you can reach practically every voter in the county. This is worth something, but it cannot be maintained on a credit. A schedule of reasonable charges will be announced in time to give any candidate all the information necessary.

DALLAS JOURNAL AND LYNCHING.

In discussing the lynching of a negro at Kountze, Texas recently after he had criminally assaulted and murdered a wife and mother, the Dallas Journal says:

"Debase your imagination to what you suppose to be the lowest level of the jungle's vilest and beastliest people—and see if you can think of conduct farther from civilization, farther from sanity, farther from decency than that which the dispatch sets forth." The dispatch referred to described the lynching of the negro.

Mob law is the direct product of the breaking down of the laws designed to protect mothers, wives and daughters. In Scotsboro, Alabama we have an illustration. Two negroes raped two white women more than two years ago. After being given the death penalty for the second time in two trials over a period of more than two years, the cases are now on appeal to the higher court.

An enraged people without legal protection can only resort to the rule of the jungle. That we should have laws that really protect, or at least punish without delay, is the conclusion of every right-thinking citizen. Since we apparently have no such protection, the mob steps in to wreak vengeance.

The screams of the ravished daughters of the nation has placed the rapist in the lowest rank of the beast kingdom. They deserve no more consideration than a beast. Until such time as we may have adequate laws, and a rigid enforcement of such laws without technical delays, we may expect mob

A FOOTBALL PLAYER BEFORE A GAME

(By Herman Gattis)

It was after practice Thursday that the coach went to see Tom, the star fullback for the Benton team, about the game with Smithville.

Tom was in his room over the garage when the coach came in.

"Well, how are you getting along with the studies, Tom?" said the coach.

"Fine," said Tom. "I will make high enough grades to play in the game with Smithville."

"If you pass the test, you mean," said the coach. You have got to study hard on that English test, for if you fail, it will mean defeat for dear old Benton."

"Yes, I know," said Tom, "but why can't the boys get in there and fight without me?"

"You are the captain," said the coach.

"Yes, but if I fail that test," Tom said, "You could send Jack in my place."

"No, I could not. Jack does not play clean football."

"Well, I will try as hard as I can," said Tom.

"I must go now but study hard,

for the test is tomorrow, you know." The coach went out, Tom kept studying till 10 o'clock, and then went to bed with the game and the test running through his head.

Friday, they scrimmaged some, and the coach gave them a long talk. Tom said that he thought that he had passed the test, and the whole college was waiting to see if he had passed.

Tom went to work at the garage that night early. On the telephone post across the street was a sign which read, "Benton vs Smithville, Saturday, 2 o'clock, Benton Field."

That night Tom went to bed with the signals running through his head.

The next morning came news that he had passed with the grade of 75.

At one o'clock he was at the field with the news that he had passed.

At two o'clock he and the other ten players were ready to fight. They lined up for the kick to Smithville, the whistle blew and the game was on.

WHY GET UP NIGHTS?

Lax the Bladder With Juniper Oil, Buchu, Etc.

Drive out the impurities and excess acids that cause irritation, burning and frequent desire. Juniper oil is pleasant to take in the form of BUKETS, the bladder laxative, also containing Buchu leaves etc. Works on the bladder similar to castor oil on the bowels. Get a 25c box from any drug store. After four days if not relieved of 'getting up nights' go back and get your money. If you are bothered with backache or leg pains caused from bladder disorders you are bound to feel better after this cleansing and you get your regular sleep.

KILL KARE KNEEDLE KLUB

Mrs. W. A. Massie was the delightful hostess to the Kill Kare Kneedle Klub Thursday Dec. 7 at her home. The entertaining rooms were decorated with a profusion of beautiful flowers and the display of beautiful needle work of both old and new was enjoyed by all. The making of Christmas gifts and needle work occupied the afternoon. An elaborate luncheon was served to Meses. M. T. Pyle, C. R. Skinner, Van Kennedy, James Headrick, J. D. Swift, Club members, Meses. H. C. Brumley, Joe Cluck, Eva Draffin, W. A. Land, Homer Mulkey, W. B. Sims, F. O. Wood, J. R. Bartlett, Buel Sanford, Misses Ida and Etta Har-

ned, hostess, Mrs. Massie.

The next meeting of this club will be a Christmas party at the home of Mrs. W. C. Stewart, on the evening of December 28 with the husbands of the club members as guest. Games of 42 and the Christmas feed will be the diversion of the evening.

FRIENDSHIP CLUB HAS ALL DAY MEETING

Mrs. A. T. Miller in her charming way welcomed the Friendship club to her home Tuesday when the club met for their annual turkey dinner. The real turkey dinner was served at small tables which were very beautifully decorated with flowers and place cards. The

club is five years old and there has never been one withdrawal.

Needle work and visiting were enjoyed throughout the afternoon. Those present were Meses. Cap Morris and Garrison. Club members, Meses. W. T. Hayter, C. R. Skinner, J. G. Teal, J. L. Allison, J. A. Meaders, M. T. Crabtree, H. Tyree, J. E. Mongole, J. H. Harris, J. D. Stocking, W. R. Rowland, L. Ballew, J. A. Tomb, C. E. Lindsey, M. E. Thornton, Eva Womack, A. T. Miller, Miss Katie Meaders.

CHAMBERLAIN H. D. CLUB

The Chamberlain Home Demonstration Club met with Mrs. Lloyd Reid Thursday, Dec. 7, with twelve members and two visitors present.

The time was spent in quilting, until a late hour the Christmas box was opened and each woman present, drew a gift. Delicious refreshments were served. Next meeting with Mrs. Harley Skinner the first Thursday in January. —Reporter.

BETROTHAL ANNOUNCED

The betrothal of Miss Elizabeth King, daughter of Mrs. J. Carter King of Albany, to Dr. J. W. Youngblood, son of Mr. and Mrs. W. H. Youngblood, has been announced. The marriage will be on December 31st.

This is Wade's fourth year in the medical school at Baylor University at Dallas. The many friends of the family here have been keeping up with the progress of the former Clarendon school boy who has been diligently fitting himself for a useful profession, and will be especially pleased to learn of his marriage at this time.

MRS. FOREST SAWYER ENTERTAINS

Mrs. Forest Sawyer entertained the Thursday afternoon Bridge Club at her home Thursday afternoon with two tables of bridge.

The Christmas motif was used in the tallies. Mrs. Taylor won high score.

A lovely salad course refreshment was served to Meses. Forest Taylor, Chas. Trent, B. F. Kirtley, Frank Stocking, Misses Lotta Bourland, Mildred Martin, Guests, Mrs. Sam Dyer and Mrs. Clyde Price.

GOOD WILL CLUB

Mrs. Sam Dale entertained the Good Will club at her home near Goldston Thursday afternoon. At the business session plans were made to have a Christmas tree and party at the home of Mrs. Cook's the evening of Friday Dec. 22nd. Lovely refreshments were served to Meses. St. Johnson, Joe Carlile, T. R. Rodgers, A. O. Yates, Melvin Cook, Claude Gambin, Fred Russell, Stephenson, Wilson Grey, H. L. Brady, L. D. Carlile, Mrs. Dale, hostess.

1912 NEEDLE CLUB

The members of the 1912 Needle club were delightfully entertained Thursday afternoon by Mrs. L. S. Bagby at her home.

The usual fancy needle work and pleasant conversation made the diversion for the afternoon.

Dainty refreshments were served to Meses. D. O. Stallings, L. L. Swan, Walter Taylor, Gattis, Evans, W. A. Clark and Miss Mary Howren. Club members, Meses. B. L. Jenkins, Anna Hall, Jim Patman, A. L. Chase, A. A. Mayes, Crocket Taylor, A. R. Letts, R. A. Chamberlain.

BUFFETT SUPPER

The Lion club dicertors and wives were hostess to the Minstrel cast and their wives and sweeties Friday evening after the Minstrel at the home of T. D. Nored when they entertained with a Buffett supper. Minstrel songs were sung, funny jokes were told and a general good time was had by all.

RECITAL AT CLUB ROOM

Mrs. G. L. Boykin and Mrs. Ralph Kerbow will give a piano and violin solo recital Sunday afternoon at 3 o'clock at the Club Room. Every one is invited to come.

Letters to Santa Claus

Bellevue, Texas
December 12, 1933

Dear Santa:
I am the little cripple girl, who wrote you one time before from Bellevue in Clay County. I am still having a nice time. This year I want some Tinker Toys, so when little boys come to see me, they can build things for me to look at. I know this isn't right for me to write and tell the Clarendon children's Old Santa what I want, but maybe my good Uncle will send the paper to Santa at Bellevue.
With lots of love,
Sarah Kathryn Hodges.

Clarendon, Tex.
Route 1.

Dear Santa Claus:

Subjects Concerning School Work

In school all the students should be honest on examinations as well as on daily papers. Cheating on exam papers never gets a student anywhere. He may make a passing grade all right, but some day the student may regret it. That is not earning a grade fairly and squarely as all good sports do. When a student is not passing or is afraid he cannot pass, he should study harder or even fail, before he should cheat.

All pupils in school should at least attain a high school education. When students finish school and start applying for jobs, they find that a high school and even a college education is required for the simplest of jobs. In the higher positions, most usually a college education is required. The students will observe that those who have the best positions and salaries are

the higher educated persons. Therefore most of us have come to the conclusion that an education higher than high school is very desirable.

We all want to commend all the teachers of our school who are sincerely and successfully trying to do good teaching.

Seniors

You probably haven't heard from the seniors in quite awhile, but they are still here just the same.

We are now getting up a play which is really going to be worth while. Every body watch for the announcement and be sure to come

If you don't think that we are really becoming foreigners in a hurry just drop in on us about 2:15 some day while we are studying "El Capitan Veneno" in Spanish and you will change your mind.

Well I suppose that will do for this time. We can't afford to tell too much about ourselves.

The Snappy Juniors

The Juniors we believe is the most important class in school. They hold more offices and have more basketball players than any other class in school. The Junior class have the following officers:

Editor-in-Chief—Ruby Jones.
 Assistant Editor—Virginia Williams.
 Boy's Athletic Reporter—D. W. Tomlinson.
 Girls yell leader—Margaret Gerner.
 Assistant leader—Ruby Jones.
 Captain of girls Ball—Margaret Gerner.
 Assistant aCaptain—Ruby Jones
 Assistant Snaps yell leader—D. W. Tomlinson.

Four girls who play on the first team in basketball and two substitutes, Margaret Gerner, Ruby Jones, Margaretta Cruse, Lorene Brown, Inez Wood and Geneva Robertson; also have five boys that play on the boys basketball team, D. W. Tomlinson, Pat Stebbins, James Reynolds, Morris Finch and Billie Howard.

Don't you think we have something to be proud of? No matter what you think about it we are real proud of every one of them. There are eighteen in the Junior class. We are sure after you sleep over it you would be proud of them also.

Hi-Freshie

Hooray for us! Hooray for us! The "Freshies" have organized at last! Boom! Bang! Whack! My, you never heard such noise as there was when the Freshmen met without a teacher to corral them. After much yelling, nominating, and voting, the gentleman of the class, Millard Cruse was elected president. The Freshmen were so hungry that they wouldn't elect any more officers and could barely wait until our president appointed Warren Hardin and Richard Davis as our social committee and Laura Mae Gerner and Jane Williams as our refreshment committee. Then our president decided to have Rosie Lee Green and Erma Lee Penninger as our games committee. At this minute all the Freshies ran out of the room and down the stairs. So ended the first Freshmen meeting.

The Lelia Lake ball girls went to Clarendon Thursday afternoon to play Junior High in a game of basketball.

Being as the girls had gotten beat so bad at Hedley and Goodnight they played their hardest. The girls were suited out and were ready to fight by four o'clock.

Clarendon made the first goal which the girls didn't like at all. So then the fight started. It was pretty tough for the first quarter, when it came out five to six in favor of Junior High. This didn't look so good to Lelia, so they went into the game with full force. All players played their place and did their best to score. At the half of the game the score was nine to seventeen in Lelia's favor. This was the first time for our girls to be in the lead at half. So the next quarter Margaret Gerner and Maxine Tomlinson showed us how they could pitch goals. The girls were really aiming for victory, but without our guards, Margetta Cruse and Inez Wood, and centers Ruby Jones and Lanelle Lewis we would have been "sunk". Our substitutes Lorene Brown, and Geneva Robertson also did their part to help. Well we can't remember anything further but the final score was 32 to 11 in Lelia's favor.

Boys Basketball

On Tuesday of last week, Coach Cooper took his second string to Clarendon where they met Martin. Cooper put two boys on the team who had never played or worked out. They were H. R. King and Edward McDaniel. They got in there and fought and played some real ball. When the final whistle blew, Lelia was ahead with a score of 44-8.

After the game, the first team played against a Clarendon team. They were also victorious.

On Wednesday nite the first team met Ashtola on Clarendon's court.

The Zebra's did not have their old form and could not make goals very good. When the game was over, the score was 8-12 in Ashtola's favor.

Mr. and Mrs. Collins of Amarillo attended the funeral of Dr. Sherman Monday.

Mrs. M. W. Mosley underwent a minor operation at Adair hospital Monday. She is improving satisfactorily.

Our Weekly CHURCH CHAT

W. E. FERRELL
 Minister First Christian Church

"Christ the Saviour"

Text: "And thou shall call his name Jesus: for he shall save his people from their sins." Matt. 1:21.
 At this season of the year our minds more or less are occupied with thought of Christmas and the birth of the Saviour of man-kind. There are always important lessons to consider concerning Christ and this week we are setting for a few of them, and hope they will enable you to enjoy the Christmas spirit in a better way.

JESUS IS AN OMNIPOTENT SAVIOUR. God never provides a cause unequal to the effect. Christ's all sufficiently is presumptive from the fact of the infinite wisdom and goodness of God, who never provides a cause unequal to the effect, or a Saviour unequal to the needs. The world's greatest need was a Saviour that would save from sin, and the Scriptures tell us that Christ, "Is able to save to the uttermost those who come to God by Him."

JESUS IS A WILLING SAVIOUR. He came to seek and to save the lost. He is glad to save. He is not a refuser, but a Saviour. "This name Jesus," said St. Bernard, "It is honey in the mouth, harmony in the ear, and melody in the heart." "This name Jesus," said St. Anselm, "It is a name to comfort the sinners when they call upon him. Jesus is a willing Saviour, "He came unto His own, but His own received Him not." He wept over the city of Jerusalem because they would not be saved by Him.

JESUS IS A LIVING SAVIOUR. He is not in Calvary's tomb. He is alive and reigning in love. No one who calls to Him for redemption speaks to dead or deaf ears. "He ever liveth to make intercessions for us."

HE IS A PRESENT SAVIOUR. He is not distant. He is not off somewhere in the skies. He is at hand when our needs come. He promises to abide.

HE IS A PERSONAL SAVIOUR. He knows us, loves us, is touched with a feeling of our infirmities. He is our personal Saviour.

HE IS A SYMPATHIZER SAVIOUR. He realizes our needs and cares. He saves from sin, from their guilt, their power, their penalty. He saves eternally.

Sunday we bring to you two messages on the work of the Saviour of men. At the morning hour, "Bringing in the Sheaves," and in the evening, "When the Oil Flows."

WARNING to EXPECTANT MOTHERS

If you have ever been a patient in any hospital, you are probably familiar with the advantages of a liquid laxative.

All doctors know the value of the laxative whose dose can be measured, and whose action can be controlled.

The public, too, is fast returning to the use of liquid laxatives. People have now learned that a properly prepared liquid laxative brings a perfect movement without discomfort at the time, or after. Dr. Caldwell's long experience with mothers and babies, and his remarkable record of nearly three thousand births without the loss of one mother or child, should give anybody complete confidence in any prescription which he wrote!

But most important of all, a gentle liquid laxative does not cause bowel strain to the most delicate system, and this is of the utmost importance to expectant mothers and to every child.

Expectant mothers are urged to try gentle regulation of bowels with Dr. Caldwell's Syrup Pepsin. It is a delightful tasting laxative of delightful action, made of fresh herbs, pure pepsin and active senna. Not a single mineral drug to be absorbed by the system, or irritate the kidneys.

Dr. Caldwell's Syrup Pepsin is an approved preparation and kept ready for use by all druggists.

COLOR means a great deal to young ladies of every age. And slippers can be in the highest shades or the most delicate of pastels. Give her slippers for Christmas.
