## STATE MARKERS TO BE REMOVED U. S. HIGHWAYS

### First Appropriation is Made For Preliminary Work On Highway East

At a meeting of the State Highway commission at Austin recently, an appropriation was made for \$1,440 for preliminary engineering on highway 5 from Clarendon to the Hall county line. This has reference to blue prints, etc., and means that the contract is to be let soon.

Wage increases were ordered for three classes of skilled labor on highway construction. Structural iron workers and carpenters were raised from 75 cents an hour to \$1 an hour, and painters from 70 to 75 cents an hour. A scale of 30 cents an hour is made for common labor.

Removal of state highway markers from federal designated highways was ordered. Only the shields giving federal numbers will remain just as soon as the change can be made. In that case, Highway 5 will become merely 370, that being the federal designation. This change has been made in a number of states and is said to have removed a cause for confusion as well as the expense of a duplicate of markers.

Marvin Jones announces that an agreement for drouth relief has been reached with the federal government, and that of the eight and a half million dollars the Panhandle should get at least two and a half million for highway construction. The agreement between federal and state agencies was announced Wednesday.

## Donley County Teachers Will Meet at Hedley

Supt. S. R. Steele announces a meeting of the school teachers of the county at Hedley Saturday of this week from 9 a. m. to 1 p. m.

This is the second meeting of the year, the first being held in Clarendon.

A report of the National Teacher Convention at Cleveland will be made by Supt. H. T. Burton of Clarendon, who was in attendance there.

Sid Thomas, principal of the Ashtola school will give a report on the educational rally at Canyon recently.

The talks will be followed by a round table discussion under the direction of Supt. Steele who will preside at the deliberations at this meeting.

Lunch will be served at the noon hour by the Home Ec. department of the Hedley High School.

## Junior Art Club Sponsors Mexican Glass Exhibit

Something new as well as inexpensive is the artistic glassware exhibit of Mexican manufacture that is being sponsored by the Junior Les Beaux Arts Club at the home of Mrs. J. W. Evans Saturday afternoon of this week from 3 to 6 o'clock.

Those who have in mind the cruder pottery of which we see so much, will be due a surprise at the wonderful shades of jade, amber, amethyst, etc. This may be your only opportunity to see the finer grade of Mexican handicraft. The public is cordially invited to visit the exhibit.

The ladies will enjoy the Mexican tea, also the opportunity to purchase these glassware specimens at a very nominal price.

## Nolan Wood Case Remanded For New Hearing

Nolan C. Wood charged with drunkenness was tried in county court here in July of last year. A hung jury of three to three resulted. The case was again tried in August and the defendant was found guilty and his punishment assessed at \$5 and costs.

The case was appealed and judgment of the county court affirmed by the court of criminal appeals in February of this year. A motion for a rehearing was filed and the criminal appeals court reversed and remanded the case back to Donley county last week.

## CITY DADS TAKE DRASTIC STEP TO SAVE TAXPAYERS

### Changes in Personnel Will Be Made With Other New Plans May 1st

At a meeting of the Mayor and Commissioners H. C. Brumley and Tom F. Connally held Tuesday, a number of drastic changes were mapped out in what they feel is their duty to protect the taxpayers. The new commissioners made the changes in regard to personal employees, but the Mayor joined with them on a reduction of water rates.

The new water rate taking effect May 1st lowers the minimum thus affecting the small water user. The next two brackets catch those who have gardens and flower yards and offer an extra inducement to those who want to beautify as well as "betterfy."

The new rates: 1st 2,000 gallons will cost a dollar. That means that you will pay a minimum price of a dollar per month up to the 2,000 gallons used. The next 3,000 gallons used will cost 30c a thousand; the next 25,000 comes at 20c a thousand; the next 50,000 will cost 15c and the next 80,000 and upwards will cost only 12½ cents a thousand gallons.

In an effort to economize, as the commissioners each announce, the services of several employees will be dispensed with after the first of May. These include A. G. Lane who has been a city employee for about twelve years, and Stanley Carlile who has been on the job about fifteen years. The duties of these men has been varied and includes sewer and water, street and other work. Miss Katherine Cole will no longer be in the city office as assistant. City Marshall T. M. Pyle, after a service of twelve years in that office, will seek other fields due to economic demands.

The Commissioners have employed F. Leck Goldston as city marshal, meter reader, tractor operator, and who will look after sewer and water system repairs and changes. In other words, Goldston will perform the duties of Lane, Carlile and Pyle so far as possible.

Mr. Goldston has been a citizen of Clarendon for a long number of years, was with the Shamburger lumber yard for several years, but for the past three years has been employed by the highway department.

After the session Tuesday, the following will be the salaries that will prevail after May 1st: Mayor W. P. Cagle will receive \$25 per month; each commissioner \$25; Mrs. Mae Shaver as secretary and bookkeeper will receive \$75 per month. Leck Goldston will receive \$90 a month after he gets on the job May 1st.

J. H. Casey will continue as water engineer in charge of the pumping plant at a salary of \$75 a month. Carl Bennett will get \$65 a month as keeper of the fire engine, driving to fires, etc.

The City will pay \$18 a month on the salary of J. A. Kutch as night watchman, and \$16.20 a month on the salary of O. S. Anderson for trash hauling. Merchants and citizens make up the remainder of the salaries of the night watchman and trash hauler. James Trent will receive \$20 per month for looking after the emergency water pump that is used in case of a serious fire calling for extra water.

"Changes made this week in the City's affairs will effect a saving of about \$250 a month," Mr. Connally states.

## Buntins Make Trip Back To Kentucky

Messrs. P. A. Buntin and son Fred left here Tuesday for Childress from which point they will accompany the body of R. L. Hawkins back to Lawrenceburg, Kentucky, for burial.

Mr. Hawkins, a resident of Childress for thirty-five years, and a nephew of the elder Mr. Buntin, is also a native of Lawrenceburg. They will be accompanied by Mrs. Hawkins from Childress.

## BEGINNING TO FEEL IT COMING

## CLARENDON MAY SECURE CHEAPER GAS RATES SOON

### Franchise Proposal Expected To be Submitted City Fathers Today

Thursday last Bert Smith, representing the Smith Brothers refinery near McLean, met with the City Commissioners and a committee of the Chamber of Commerce for the purpose of discussing the possibility of piping gas from the refinery to Clarendon.

In discussing the matter, Mr. Smith stated that the firm was forced to find a market for the gas after the gasoline was removed, or else pump the gas back into the earth to prevent waste and comply with the state law.

He also called attention to the fact that in addition to an unlimited supply of gas, the firm had piping and a ditching machine ready to perform that much of the proposed project.

When he proposed a 45 cent gas rate as a maximum, and a much lower price as a minimum, the matter appealed to the gentlemen with whom he was in consultation.

The refinery people were asked to submit a franchise copy for consideration, and this matter will be taken up possibly today or tomorrow according to Mr. Connally's statement this morning. The City Commission is ready to consider the matter just as soon as the Smith brothers can submit their proposition.

## Hayter Mercantile Building On Highway 370

W. T. Hayter is erecting a large mercantile building on his farm adjoining highway 370, formerly Highway 5, on his farm near the Martin school west of town.

The building will be of the stucco type, modern in appointments and a stock of general merchandise will be kept according to information received this week. A filling or service station will be a part of the complement that is expected to induce the journeymen along Donley's newest highway to stop and partake of the scenery and bargains at one and the same time. Will he have a camp ground? Not just yet.

## FOR REPRESENTATIVE

The above photo is a good likeness of Eugene Worley of Shamrock, aged 25 and a candidate as representative from this district. His announcement appears in a lengthy article in this issue of the Leader giving information about his qualifications, views and what he proposes to do if elected.

## Cantaloupe Meeting Will Be Held Tuesday

Due to their inability to transact the business intended at a meeting announced for Tuesday of this week, a meeting has been called for those interested in cantaloupe growing at Lelia Lake next Tuesday night—the 24th.

Plans will be made and contracts signed at this meeting, it is said. Those who have not already done so, will have an opportunity to secure the variety of melon adopted for the market in this section.

## Allred Speaks This Evening

Attorney General James V. Allred will make the second speech of his campaign for governor over radio station WBAP of Ft. Worth this evening at 8 o'clock.

His headquarters has not announced his subject, but it is said he will "project a new issue into the governor's race" in this talk. Tune in on 800 kilocycles.

## DONLEY COUNTY PUPILS WINNERS IN PAMPA MEET

### District 2 League Meet Held At Pampa Friday-Saturday Last Week

Clarendon and Panhandle High tied for second in literary prowess with 30 points each, Borger being third with 25. Pampa and a dozen other schools had 15 each.

George Chamberlain and Robert Nichols placed second in the debating, they going against the Shamrock team of Floyd and Henry Holmes.

Beatrice Gorman of Clarendon placed 1st in essay writing, class A.

In the athletic events, Jones of Hedley tied Maudlin of White Deer for second place in individual scoring honors with eight points each. Bill Dunaway of Pampa placed third with one-half point ahead of Word of Clarendon.

Clarendon took several honors. Behrens 1st in discus throw without little or any opposition.

Meador of Hudgins took the 100 yard dash—Jones of Hedley 1st.

120 yard high hurdles—Word of Clarendon, 2nd.

880 yard dash—Word of Clarendon, 3rd.

440 yard dash—Holtzclaw of Clarendon, 3rd.

Shot put—Behrens of Clarendon, 1st.

220 yard low hurdles—Word of Clarendon, 3rd.

High jump—Adams of Clarendon tied for 3rd place. Height 6 ft.

220 yard dash—Jones of Hedley, 2nd.

100 yard dash in pentathlon event, Meador of Hudgins 1st.

Other winnings may have been made and should have been included with this list. Athletic instructor.

## Panhandle Pastor to Preach At Baptist Church Sun.

The Leader is requested to announce that Rev. J. W. Weathers of Panhandle will preach at the First Baptist church here at both morning and evening services Sunday, April 22nd.

The public is cordially invited to be present to hear one of the best preachers of the Panhandle.

## FORMER JUDGE DIES SATURDAY AT HOME HERE

### Had a Colorful Career As One of the Panhandle's Oldest Politicians

Few men have been able to face the vicissitudes of life with that grim determination to overcome all handicaps as did James John Alexander who passed away at his home here at 11:30 Saturday night.

A native of Cass county, Texas, born on June 6, 1870, his family moved to Dallas county, later to Tarrant and finally made Hall county the family home in 1889. It was there that he met and married Miss Jennie Roberts in 1891, the wife who survives him.

The family came to Donley in 1899 where he early took an active part in the development of the county. During his residency of thirty-three years, he devoted a portion of his time to farming interests, owning one of the best farms in the county at his death.

His affable disposition caused him to make friends readily. He took an active interest in public affairs and was talented with the requisites that made of him a natural politician, a politician of the old school. He often boasted that he was "a brass collar democrat" following his party wherever the leaders directed.

He served this county as county and district clerk from 1913 to 1918. He engaged in abstract work during the interim, but again feeling the urge to enter politics, he was elected county judge in 1928 and served two terms.

He never regarded his political enemies as his personal enemies. On the political field he asked no quarter and gave none. He faced defeat with the good graces of a gentle man. In his every race he enjoyed the confidence of a large following from all sections of the county who were ready to give him any office to which he might aspire.

In addition to his widow, he is survived by four sons. They are H. G., B. R. and W. C. all of Ft. Worth, and T. C. who resides on the Alexander homestead northeast of town, the wives of these sons and eight grandchildren. His sisters are Mrs. Mattie Kennon and Mrs. Minnie Derr of Memphis, Mrs. Maude Arnold of Amarillo, Mrs. Emma Charles and Mrs. Teresa Rodgers of Canyon.

He became a member of the Baptist church at Memphis at the age of nineteen. His funeral services were conducted here at the First Baptist church by Rev. B. N. Shepherd at 4 p. m. Sunday, the Odd Fellow lodge being in charge of the services at the cemetery, and the Buntin Mortuary in charge of arrangements.

## Floyd V. Studer to Lecture Here May 9th

A lecture will be given here Wednesday, May 9th by Prof. Floyd V. Studer under the auspices of the Junior Les Beaux Arts Club.

Mr. Studer is nationally known as one of the leading archaeologists and paleontologists of the southwest. No other scientist has a more intimate knowledge of the southwest, and especially the Panhandle of Texas than he. He makes his home in Amarillo. Much of the collection of prehistoric fossils now on exhibit at the Panhandle-Plains museum at Canyon is due to his untiring efforts and skill.

## Magic Dates And Numbers Do Not Mean Anything

Despite the much mooted question regarding "13," T. M. Hoggard of Goldston does not take much stock in "hoodoos" or any semblance of witchcraft mysteries.

Friday while hobbling around minus a foot lost in the Goldston gin just six months before, he recounted the fact that the foot was lost on Friday, the 13th while ginning the 13th bale of cotton.

tors failed to turn in any report, and the above is taken from the Pampa Daily News in the absence of any other source of information.

## 1ST TRADES DAY CELEBRATION HAS BIG CROWD HERE

### People From Over Big Trade Territory Attend Profit Sharing Opening

A large crowd gathered on the street in front of the City Hall Wednesday at 2 p. m. to witness the first big event in the Trades Day program. The crowd was made up of citizens from Goodnight, Brice, Groom, McLean and other more distant points as well as the communities nearer Clarendon.

One especially noticeable feature of the affair was the fact that the majority of those present were from out of town, and practically all of those sharing in the Trades Day profits were from a distance.

Merchants who had prepared for the big day by advertising their stocks, shared in a good run of business. Quite a number were seen to have advertisements cut from the columns of the Leader using such advertisements as references from which to make purchases.

Musicians from the orchestra playing with Brunk's show here at this time joined with the Clarendon band directed by Gus B. Stephenson, giving the public a musical treat seldom enjoyed on an occasion like this.

Hilarity and good will marked the demeanor of the crowd. Good rains had fallen and bargains were to be had giving the people an old-time jubilant spirit in which they entered with enthusiasm. An even larger crowd is expected on next Trades Day one month later.

## Emmons L. Kennedy Buried At Ft. Worth Monday

Following a lengthy illness, said to have been due to Bright's disease, Mr. Kennedy passed away at the family home Sunday afternoon. He is survived by his widow and one son, Alvin, who makes his home with his mother.

Mr. Kennedy was an honored citizen of Lelia Lake for some thirty years before moving to Ft. Worth recently where he had purchased a beautiful farm home near that city.

Rev. E. H. Kennedy and Will Kennedy of Lelia and Tom Kennedy of Clarendon are brothers. Miss Moody Kennedy of Lelia is a sister. He also has a number of other relatives in this section.

The Leader joins with the friends of the family in expressing sympathy at this time and regret at the passing of a good husband and father and citizen.

## Benefit Play at Pastime For Club Women

The Texas Federation of Women's Clubs and the Motion Picture industry of the state are sponsoring "Woman's Day in Texas."

Mr. Mulkey is giving a benefit performance of "Hips, Hips, Hooray" matinee and night Thursday, April 26th and a generous part of the proceeds will go toward the payment of the debt on Headquarters Permanent at Austin, the home of the Texas Federation.

Patronage on this day will be greatly appreciated by members of Clarendon's Federated clubs, who are hoping to be of help in liquidating this debt.

Tickets will be sold by the ladies also at the Bon Ton and The Nook, at the usual price of ten and twenty-five cents.

Remember the date—Thursday, April the twenty-sixth—afternoon and evening.

## Donley County Blessed With Good Rains Past Week

About three quarters of an inch of rain has fallen in Clarendon the past few days. In some parts of the county the fall amounted to a flood, and especially in the section northeast and east of Goldston.

The entire county has been covered to the extent that planting and regular farm work may go forward without any further hindrance. Grass is springing up and stockmen are jubilant over the prospects of early stock shipments.

BUSY, BUSTLING BROWNFIELD.

Col. Jack Stricklin, he of astute mind and great financing ability as a publisher of the Herald of Brownfield, gives front page notice to the cock-eyed world that a bank of his busy burg is advertising for loans. Shades of Alexander Hamilton!

Quoting McDuffie of the First National of his city, Col. Jack proclaims the fact that farmers may secure loans through the local bank much quicker than from a governmental agency, all of which is probably true. The fact that his government is making inroads into his lending territory, has spurred Mr. McDuffie to greater zeal.

ARMING FOR ACTION.

Randall's county commissioners have voted to arm their sheriff not only with a bullet proof windshield for his auto, but included in the list an order for a machine gun. Our reporter of the circumstance does not say whether they fear Bonnie Parker, or merely took action after a gullible citizen was fleeced out of \$50 by a roving band of Gypsies when they "performed magic" over his money.

More than one man's money has magically disappeared, and not altogether through the machinations of Gypsy women either. Man through the ages has been prone to fall for feminine tactics—a kind of hypnotic spell as it were. This Tulia gentleman was no doubt awed by gaudy colors and 'sweet nothings' couched in lisping words when the gaily be-decked women sought favor at his hands. On the other hand, a man is a mighty poor sport who will complain to the law for protection after falling a victim to the wiles of four women when one is usually plenty able to handle him. To be convinced of the fallacy of a bigmatic mind is cheap at fifty dollars.

PANHANDLE'S PREHISTORIC ASSETS.

The directors of the Panhandle-Plains Historical Society took a forward step at the last meeting in authorizing Floyd V. Studer to continue his collection of prehistoric fossils and other valuable assets for the museum at Canyon.

The Panhandle offers the richest field for variety in paleontological subjects. Remains of numerous animals extinct for ages, perhaps millions of years, are ours right here, one of the richest fields of all being in Donley county.

Fossilized specimens of the mammoth, elephant, several varieties of horses no larger than a jackrabbit, crocodile, camel of two species, rhinoceros of both one and two horned species and a great many others are to be had in the Panhandle.

Meteorites that have fallen in recent ages abound on the plains. Some below the Cap Rock indicate to have fallen in the sea that covered this area some fifty thousand years ago since they are imbedded among crustaceae of that age.

These specimens added to the museum will make it more valuable than any other museum of the world in this respect. Scientists from several nations visited the small collection at Canyon the past year pronouncing it one of the best, and this is but a mere beginning of the valuable asset that may be collected during the next few years before the better specimens are removed to museums of other states and nations.

THAT SPIRIT OF CHIVALRY.

Not that there has been a great deal said about women's rights the past fifty years, or enough said to become bore-some, the women folks are crashing the front pages now with a vim or resounding whack that begets somber thought from the so-called "head of the house" of former years.

Being shot by his wife down at Vernon in 1932, a citizen of that town failed to secure any balm for his wounds in court when his spouse was liberated to continue, perhaps, her newly acquired authority for asserting her rights with a sixshooter. He was left a cripple for life.

In November of 1933, this same bozo took a crack at the 'little woman' wounding her in the leg. What did the court do in his case? Believe it or not, the jury gave him a five-year sentence in the pen. This would indicate that some forms of indoor sports are precarious—at least so far as the humble men of today are concerned.

Then along about the same time we read where Miss Olga Kennedy Juniger of the State Fire Department, is inspecting fire risks in west Texas.

Men have tried for several centuries to hold their own with the alleged weaker sex, but he is slipping faster today than ever before. It may reach the point to where he may be inspected by a woman after being shot by a woman, all of which lends little encouragement to those who still rebel against "woman's rights" as we have experienced that form of propaganda for many years.

John Doe Plans Out A New Farm System

Ever since last January when John Doe, West Texas cotton farmer, signed a contract with the Government to reduce his cotton acreage he has been figuring on how to best shift his farm system to meet the new conditions.

John has a 120-acre farm on which he has been growing 60 acres of cotton the past few years. In addition he has had 35 acres of grain sorghum, 10 acres of sorghum hay, 10 acres of native pasture, and 5 acres in the farmstead for house, barn, lots and garden.

He has contracted with the Secretary of Agriculture to take 24 acres out of cotton production, leaving him 36 acres for this crop this year. How shall he use the remaining 84 acres?

With the help of the county agent he has worked out a farming plan which he thinks will help him a lot this year. The new plan will give him a better living at home than he has had before, and let him terrace his entire farm without interference with the crops.

He has found that the 45 acres in feed crops is enough for a home living if he works it right. He does

not need any of the 24 acres rented to the Government to make this living at home. He cannot, therefore, plant feed on that land if he complies with his contract. He doesn't want to plant crops that he can't harvest. He knows he ought to sow some clover or other cover crop and plow it under, but hesitates to go to that expense.

His farm needs terracing and the county agent has shown him a neat way of doing it at his leisure this year through a proper use of contracted acres. The plan is to lay out the entire terrace system and to plant all the land except strips 30 feet wide or more along the terraces. This is a form of strip cropping. The contracted acres will be along the terrace tops and will be left bare, but the crops on either side will prevent blowing. The lines have been run this spring but the terraces may be built anytime during the season.

The way John gets his 24 contracted acres on terrace tops is this: 24 acres times 42,560 square feet per acre gives 1,045,440 square feet to take out of production. Dividing by 30 feet, the average width of bare strip along each terrace top, gives a total of 34,850 feet or 11,616 linear yards of ter-

aces that will be required to occupy a total of 24 acres. John simply measures the total length of his terrace lines. If he has more than 11,616 yards he can plant on part of them; if he has less than 11,616 yards he will probably widen the bare strips enough to get his 24 acres.

His cropping system this year will be 36 acres of cotton; 23 acres of grain sorghum; 10 acres of sorghum hay; 10 acres of temporary pasture (sudan grass this summer, small grains next fall and winter); 2 acres of potatoes, beans, melons and cane for syrup; 10 acres in pasture; a large garden and a home fruit plot in the 5-acre farmstead; and 24 acres along bare terrace tops. Early next fall he will probably seed small grains on the bare strips to prevent winter blowing.

This live-a-home system John got from studying Extension Service plans, and is convinced that with the help of his wife in following it the five members of the Doe

family can just about produce their own home needs for food. It would cost them about \$600 to buy this food in the stores.

John is figuring on putting in a few hundred feet of home-made concrete tile to sub-irrigate part of the garden and to start an orchard in the fall.

This is only one way of shifting 1934 cotton farming to meet the new conditions. County agents are

ready to help farmers develop farm demonstrations in readjustment, and home demonstration agents can help in planning and using the home food supply.

Mr. and Mrs. Tom Kennedy were in Ft. Worth Monday to attend the funeral service of his brother Emmons L. Kennedy who died Sunday.

around lights at night and resembles a wasp. Our bugologists tell us that the proper name for this insect is blastophagus, which is hard on poets to say the least of it. But they are the pollinators our fruit and flowers—the blastophagus, not the poets. Like the poet, he persists in free access to mortals and protests in a manner that speeds his victim when pinched inside a shirt collar.

Those seized with poetic frenzy at this time of the year are in a manner helpless. They attack unconsciously without malice aforethought. This lady authorizing the publication of 14 'pomes' has her mind fully made up not to fear to try, her's not to sit and cry—her's only to do or die.

Fat women are said to lose their appeal should they begin from a slim state and gradually come to a sphere of avoirdupois. In other words, become hefty. Properly armed, they have persuasive appeal being regarded in the Amazon class by the men inclined to become frightened at gestures of battle. Really, she does not look so helpless as the frailer sisters, most of them laugh more and have a better disposition. We make these suggestions under duress and in self defense. Nature will have to take its course from here out.

Mrs. Lena Dilli, I want to thank you for that excellent home made cream cheese. It has all the flavor that one could wish. Am sorry not to have been in the office when you brought it so that I could thank you personally. Anyway, thanks a lot.

My old friend C. J. Talley is rapidly recovering from his ailments by drinking the 'ooze' of boiled grape vine roots. Since taking it for two weeks, he has developed a mania for climbing trees. In fact he thinks seriously of going to east Texas where he can find taller trees to do his climbing. He has all the bark rubbed off the shade trees in the Martin community, according to a neighbor who does not think any too much

of the 'after effects' of the remedy.

Will C. McDonald has been a tenant on the Bennet-Sims farm near the river for about 12 years. That's some record, and if there is another such combination lasting over a longer period in the county, please let me know.

A queer incident was reported this week. A lady residing some ten miles from town placed her weekly wash in a container and came to town in a jitney. The road was extra rough like most of them are. The clothing jostled in that large can all the round trip of about 20 miles. When she got home, she rinsed out the clothing and hung them out clean. The agitation of the water in the jitney washed the clothing. It might have been Hugh Riley that handed in this story. If not, it was Nels Robinson.

Speaking of cranky men, there is a man in this town who was heard to remark: "I'm going home to dinner. If the old lady has it ready, blamed if I eat a bite. If she ain't got it ready, I'll raise the devil."

There is nothing that will relieve grief quicker after a death than a fair sized life insurance policy that her folks didn't know she had.

Remember way back when women had babies, nursed them and never looked into a government bulletin to find out when the kid was hungry?

Most of the time the Apostle ought to be a listener instead of talker. It looks like a young war ahead and it ain't politics either. If the sky falls, there will be plenty said in this column next week.

Some folks are never interested in a neighbor until they get arrested.

The College Hill Widow says she saw a girl with a freckled face get her face lifted so high at a beauty parlor that the girl saw spots before her eyes.

Farming down east is booming. One brother has his sign painted, the hot dog stand rebuilt with melon racks, and will fill up the gas tanks next week.

Some people give you impertinence, but the telephone company charges you for it.

Many a man wanders off suffering from 'amnesia' while his wife stays at home suffering from magnesia. (Flash from the gyp belt.)

There's nothing quite so silly as other people's views. Taken from a real hill-billy, Or any one you choose.

After reading about the progress of their profession when the doctors met in Amarillo last week, I've about made up my mind that the day will come when we will turn into a gray mule or something and won't have to go to hell.

Mrs. J. T. Patman, who has been visiting her daughter, Mrs. Bill Price, and Jim Patman at Pleasanton, Kansas, returned home the first of the week.

W. P. and J. L. McMurray of Lakeview were here Wednesday on business. They lived on the Tenneyhill place in what is now the McDowell ranch some 30 years ago.

Scotty Reneau, after an absence of some months, is again in Clarendon.

W. T. Johnson, for many years a blacksmith in Clarendon, has again returned to make his home here. Mrs. Johnson passed away more than a year ago.

GOLDSTON

Brother Lackey filled his regular appointment here Sunday and Sunday night.

The eight year old son of Mr. and Mrs. Hon is dangerously ill at this writing.

The literary society rendered a good program Friday night of last week.

Several from here attended the funeral of Mr. Kuntz and Judge Alexander at Clarendon Sunday evening.

Mr. Alex Hatley visited Saturday and Sunday in the home of his brother M. W. Hatley.

At a midweek called conference the Baptist church of Goldston called Rev. Lee Vaughn to serve as pastor for the remaining association year ending Sept. first.

Mr. Haggard was soft peddling all day Friday the 13th that day being exactly six months since he lost his foot while working at the gin. The accident happened on Friday the thirteenth, and while they were ginning on the 13th bale. Mr. Haggard is not superstitious, yet he is a wee-bit like the old darkey passing through the cemetery at a late hour in the night stepping lightly and whistling to keep up courage.

Mrs. Jim Pharr of Clarendon was a guest in the Ed Wheeler home for the week-end.

Mr. Peden of Sunnyview moved last week to the Davis farm in this community.

BRICE  
(Velma Lemmons)

There was a very good attendance at Sunday school Sunday and we hope that our crowds will be larger each Sunday.

We are very glad to report that our measles are most gone with the exception of a few cases. Those who now have them are getting along just fine.

We are very sorry to report that Mr. Shepherd's little son, Scott, is in the hospital at Clarendon. He has had an operation but we hope that he will soon be back home. Mr. and Mrs. Mitchel spent Sunday with Mr. and Mrs. A. P. Todd.

There was a ball tournament at Lakeview Saturday. Most of the pupils of the Brice school attended it. The junior boys and girls played ball. All of them seemed to have a very good time.

Mr. and Mrs. Collie spent Sunday afternoon with Mr. and Mrs. J. W. Chappell.

Mr. and Mrs. E. F. Lemons, Mr. Merle Lemons and wife, were visitors in the Todd home Sunday afternoon.

Mr. and Mrs. Zack Salmon entertained the young folks with a party Saturday night.

Some of the school pupils will give a play Thursday night, April the 19th. The name of the play is "Beaten Paths" and we are looking forward to see some fun. It will be a three act play.

Sunday afternoon is the singing day at Brice and we invite all visitors to be with us. It has been announced that there will be some quartettes from other places to be with us and we hope to have one more good singing.

Mr. and Mrs. R. C. Holley spent the week end with homefolks at Ashtola.

Mrs. McCrary spent Friday afternoon with Mrs. W. H. Lemons.

The Club ladies will meet with Mrs. J. W. Hatley Friday. They met with Mrs. Glass two weeks ago and everybody drew a Polly Anna. The first Friday in May we will present our Polly Annas with a little gift and everyone is looking forward to that day.

BOBBIT LAUDS ALLRED

(From Cuero Record)

From Attorney General Robert Lee Bobbit of Laredo, defeated in 1930 by James V. Allred, came a tip today for candidates opposing Allred in the race for Governor.

"Get up your windshields and put on the blinders, because as he goes down the cinder path there is going to be a lot of Texas dust raised in every direction.

"I have been reminded that I should have more against General Allred, personally and politically,

than anybody in this State because he defeated me for Attorney General. This does not happen to be true. The people of our State are more deeply interested in their government and those who administer it than ever before, and I believe they are going to support those candidates who stand for sound principles and sane policies, rather than on minor matters as partisan politics or personal issues."

**1922 BRIDGE CLUB**  
Mrs. John Sims entertained the 1922 Bridge Club at her home Tuesday with a lovely 2-course luncheon. The ladies were seated at the large table which was very attractive with a large bowl of lilacs for center piece.

Games of bridge were played. Mrs. Caraway was awarded high score prize for club. Mrs. Claud Parsons High score prize for guest. Mrs. Cooke won consolation.

Guest present were Mrs. Claud Parsons of Oklahoma City, Mmes. Sam Dyer, Seldon Bagby, Phillip Gentry, Meridith Gentry. Club members present, Mmes. W. H. Cooke, A. R. Letts, Odos Caraway, L. S. Bagby, T. H. Ellis, L. L. Swan, Sella Gentry.

**MRS. C. R. SKINNER ENTERTAINS**  
The members of the Friendship club were royally entertained by Mrs. Skinner at her home Tuesday in a social and all day meeting.

The white and pink color scheme was used also tulips and baby-breath were used for decorations. A lovely luncheon served buffet style was enjoyed at the noon hour.

Games were played in the afternoon, also visiting was enjoyed. Mrs. Frank White visited the club in the late afternoon. Those present were hostess, Mrs. Skinner, Mmes. M. T. Crabtree, J. A. Tomb, H. Tyree, Eva Womack, W. T. Hayter, J. L. Allison, J. E. Mongole J. D. Stocking.

**LOYAL WORKERS UNION**  
Program for April 22, 1934.  
Inward or Outward  
Leader—Mrs. Holtzclaw.  
Religion according to Christ—Mrs. Reed.  
Giving Should be an act of Worship—Mrs. Deal.  
Prayer should be Communion with God—Mrs. Warren.  
Fasting should result from an Inward state of Heart—Mr. Ray.

**AMERICAN LEGION AUXILIARY**  
The American Legion Auxiliary met at the Club Room Monday afternoon in a business meeting, second vice president, Mrs. Fink presided. Seven members were present.

The Auxiliary voted to take up the Jelly making plan.

**KILL KARE KNEEDLE KLUB**  
The members of the Kill Kare Kneedle Klub met at the home of Mrs. F. O. Wood Thursday afternoon. The rooms were lavishly decorated with house plants. The afternoon was spent in stitching, chatting and late afternoon eating.

Mrs. Wood served a lovely refreshment to club members, Mmes. Joe Chuck, H. C. Brumley, Eva Draffin, W. A. Land, W. A. Massie, M. W. Mosley, W. B. Sims, M. L. Stricklin, Cap Lane, Misses Ida and Etta Harned and guest Mrs. Homer Taylor.

**ENTERTAIN WITH "42" PARTY**  
Games of 42 were enjoyed Thursday evening at the home of Mr. and Mrs. Van Kennedy. At the games a lovely ice course refreshment was served to guest present, Mr. and Mrs. Carl Peabody, Misses Gwendolyn Couch and Rosalyn Bass. Club members, Messrs. and Mesdames Joe Bownds, Ralph Andis, Rhea Couch, Frank Heath, Marvin Warren and hosts, Mr. and Mrs. Kennedy.

**PATHFINDER CLUB**  
Mesdames H. T. Burton, J. W. Evans, R. L. Bigger, Sam Braswell were hostesses at a meeting held at the Club Room Friday.

The program topic was "A day with English heroines." Mrs. Fred Buntin represented "Portia" from "A Merchant of Venice"; Mrs. Fred W. Rathjen represented "Highland Mary" from Burns. "Becky Sharp" from Vanity Fair found representation in Mrs. U. J. Boston.

Mrs. C. T. McMurtry represented "Maggie Tulliver" from "Mill on the Floss"; Mrs. E. P. Shelton "Lady of the Lake" from Scott; Miss Marie Thornton portrayed "Lady of Shalott" (Tennyson).

Chorus on this program represented Mesdames J. L. McMurtry, Tom Goldston, Eva Draffin, W. A. Clark Jr., Sam Braswell.

**CLARENDON H. D. CLUB**  
The Clarendon Home Demonstration club will meet at the home of Mrs. John Clark, Friday April 20th.

**BLUE BONNET BRIDGE CLUB**  
Mrs. Odie Caraway charmingly entertained the members and guest of the Blue Bonnet Bridge Club at her home Thursday afternoon.

The tables were centered with a large bowl of lilacs and little lavender nut cups were also used, making the tables very attractive.

Mrs. Letts was awarded high score prize for club. Mrs. Chase was given guest prize for high score. After the games, Mrs. Caraway served a lovely salad course plate to guests present, Mmes. A. L. Chase, Sella Gentry, L. S. Bagby, Eva Rhodes. Club members, Mmes. Bigger, Fred Chamberlain, Jim McMurtry, Chas. McMurtry, W. H. Patrick, Geo. Ryan, A. R. Letts, C. G. Stricklin.

**SURPRISE WEDDING**  
Mr. and Mrs. F. B. Thomas announce the marriage of their daughter, Miss Reaetta to Bill Carroll, they having been secretly married since July 9, 1933. They were married at Clovis, N. M., at which time they were accompanied by Miss Ruth Hartzog.

**CARD OF THANKS**  
We take this means of expressing our sincere thanks and appreciation for the many deeds of kindness shown us during the illness and death of our beloved wife, mother, sister, and daughter.

Mr. J. C. Drennan  
Thell Drennan  
Glenn Drennan  
Athlyn Drennan  
Mr. and Mrs. Ted Price and Family

Mrs. Scoggins  
Mr. Ben Scoggins

Mrs. Baker of Pampa visited her parents, Mr. and Mrs. W. A. Davis.

Mrs. Jimmie Rawling and children of Miami visited her mother, Mrs. SoRelle Sunday.

Mrs. Bill Bently of McLean is staying with her brothers, Jack and Bill Latson while their mother, Mrs. Latson is visiting at Post City.

## CHURCHES

**ST. JOHN BAPTIST CHURCH**  
Rev. L. L. Swan, Rector.  
Services for "the Third Sunday after Easter"—(April 22nd)  
At the eleven o'clock services, the Rt. Rev. E. Cecil Seaman, D. D. Bishop of the Missionary District of North Texas, will preach, administer the Holy Communion and confer the Apostolic rite of Confirmation.

He wishes to meet with the Mission Committee and also the Church School, when every member is urged to be present.

A cordial invitation is extended to all to attend this service. Come and bring your friends.

Sermon subject: "Lights that Shine."  
Intermediate Y. P. Society, 6:30 p. m.  
Evening Bible Lesson—7:30 p. m.  
Read Revelation 13.  
Womans Auxiliary Inspirational Meeting, Wednesday 3 p. m. The program will be in charge of Mrs. W. M. Montgomery.

Annual Congregational Meeting and Supper, tomorrow (Friday) April 20th at 7:30 p. m.

## Chevrolet Sales Indicate Rapid Recovery

Chevrolet dealers during the month of March delivered at retail a total of 97,194 units, according to William E. Holler, general sales manager of Chevrolet Motor Company.

This compares with retail deliveries in March a year ago of 41,093 units, or more than 236 percent of the 1933 March figure. This is the largest March retail sales reported since March in 1930, Mr. Holler said.

Sales during the month just past bring the total for the first quarter of this year up to 177,271 units as compared to 124,674 units in the first three months of 1933, making the period 142 percent of the 1933 quarter.

Large gains in retail deliveries of commercial cars and trucks are also reported by Mr. Holler. Deliveries by dealers in March were more than three times those of March a year ago, amounting to 25,974 commercial cars and trucks and bringing the total for the first quarter of this year up to 59,312. First quarter sales in the commercial field were more than double those of the same period in 1933, Mr. Holler pointed out, and established a record first-quarter figure unequalled in five years.

## T. M. Pyle Expresses His Appreciation

I wish to express my thanks and sincere appreciation for the splendid cooperation extended me during my twelve years administration as your city Marshal. At all times I have tried to preserve order in a peaceable manner and am duly grateful to a citizenship that has always been considerate and helpful.

It has been a pleasure to serve you in an official capacity, and my connection with the city hall and the various commissioners under whom I have worked have proven an agreeable relation.

In being relieved from my duties I bear no ill will to any one and wish for the new city commissioners and their administration a full measure of success.

Let us all pull together for good city government and an economic administration of municipal affairs.

T. M. Pyle.

Mr. and Mrs. P. J. Van Zant of Post spent the week end with relatives here.

Mr. and Mrs. W. H. Patrick and Miss Katherine attended the regular Historical Society meeting at Canyon, Friday.

Mr. O. W. Latson and daughter, Mrs. Wynn Collier of Post visited Mrs. Latson Sunday. Mrs. Latson accompanied them home.

## BRUNK'S PLAYING TO LARGE CROWDS DURING THIS WEEK

### "The House of Fear" and Big Jamboree, "How Hearts Are Broken" Merchant's Matinee

Fred G. Brunk's Comedians have been playing to a large house all week on the old school grounds, and much appreciation has been shown by the patrons of the show.

The high class plays and the fine people composing the company assure many friends in Clarendon and the surrounding country. Plays are not only well selected, but those taking the different parts are real artists, which is evidence that Mr. Brunk endeavors to give the people high class entertainment.

The vaudeville acts are all above the average, and are all well received by the large audiences. Among the features are the Wolf Twins and Irene, who are a whole show in themselves. There are others with the company that come on for specialties, and they are all good.

Otto Chick and his orchestra furnishes music before and during the show, and that is by no means the most unimportant feature of the show.

Thursday night a big double show will be given for the price of one—"The House of Fear" and the Big Jamboree.

Friday night of this week is family night at Brunk's tent theatre, and the whole family are admitted at the general admission door for only 30 cents. The play Friday night is that old time classic, "How Hearts Are Broken."

Saturday afternoon there is a merchant's matinee, starting at 3:00 o'clock, "Sugar Daddy," and tickets for this afternoon show can be secured from any of the merchants who are advertising at the tent theatre. Don't forget to ask for these tickets. There will be plenty of tickets with the merchants who are advertising at the show. Just go in and get one for each member of the family.

Brunk's will close the week's engagement Saturday night with "Mother 'O Mine", and Brunk's pride themselves on this play, one of the best they present.

## Panhandle - Plains Historical Society Met Friday

Canyon, Texas, April 14.—The Panhandle-Plains Historical Society in its annual meeting yesterday chose the same officers to serve for the coming year that had served during the past.

H. E. Hoover of Canadian is president, W. H. Patrick of Clarendon and Dr. J. A. Hill of Canyon are vice-presidents, L. F. Sheffy of Canyon is secretary and W. L. Vaughan of Canyon is treasurer.

Reports for the past year disclosed that the society had received \$921.16 and had spent \$885.98. The balance on hand, \$35.18, was a delight to the members who on their last annual meeting learned that the Society had 34c in the bank.

R. C. Crane of Sweetwater, president of the West Texas Historical Society, was the principal speaker of the afternoon session. His address dealt with serious and humorous incidents connected with the organization of West Texas counties.

Newspaper men were featured on the banquet program. Herbert Hilburn, editor of the Plainview Herald, being toastmaster and Ray H. Nichols, editor of the Vernon Record, principal speaker. Others appearing on the banquet program were: Judge Hoover, J. M. Russell of Amarillo and Judge L. Gough of Amarillo. Mexican music by Senorita Maria Flores and Senor Jose Ramos was a feature of the banquet.

More than 200 people who attended the meeting were surprised to hear from Floyd V. Studer that the museum contains the largest collection of meteorites in Texas and that the Panhandle Plains Historical Society is known all over the United States for the excellence of its work in the fields of archaeology and paleontology.

Mr. Studer, who is curator of

these two subjects, called attention to the fact that the outstanding scientists of these fields have made repeated visits to the museum during the past year, the most recent having been that of Warren K. Moorehead, dean of American Archaeologists. Studer showed that a great amount of work had been accomplished at no financial cost to the society, and called attention to the fact that an archaeological conference will be held in Canyon soon.

The historical society voted to make all past presidents ex-officio members of the Board of Directors, and T. D. Hobart of Pampa, who was the president of the organization during the building of the \$50,000 museum was first to take the office of honor. He was enthusiastically cheered when he thanked the members for their action.

The nominating committee of the society named R. P. Smyth of Plainview, J. A. Hill of Canyon and H. E. Hoover of Canadian for places on the board of directors. Mr. Hill and Mr. Hoover succeed themselves.

L. F. Sheffy, secretary of the Society, reported that 29,628 visitors have registered in the museum since April 14, 1933, and that the greatest day since that date was Sunday, April 8, when 757 names were added to the register.

Other additions mentioned by Professor Sheffy were the addition of 8 show cases to the equipment,

and the acquisition of two mural paintings, which came through Federal aid to the artists, Ben Carlton Mead of Amarillo and Harold Bugbee of Clarendon. These pictures will be hung within a short time, Mr. Sheffy said. The work of Dr. Angie Debo, who has been in charge of the museum since last September was highly commended by Mr. Sheffy.

Plans for the coming year include a widespread drive for membership.

Mrs. W. H. Price and daughter Shirley of Pleasanton, Kansas are here for a visit with her parents, Mr. and Mrs. J. T. Patman.

Mr. and Mrs. T. D. Nored and Mrs. Eula Cox, Mrs. Margaret Goodner and son Tommie and Miss Fannie Perry were Amarillo visitors Saturday.

**Oil of Salt**  
When quick action is necessary for burns, sunburn, cuts, scalds, and bruises, Oil of Salt is wonderful. And what relief for sore, tired, aching, itching feet—and torturing Athlete's Foot. "WALK A BLOCK AND SAVE MONEY"

3rd Door North Stocking's Drug Store

Eugene Worley of Shamrock For Representative

To the Voters of the 122nd. Legislative District: In announcing my candidacy for the office of State Representative from this district I pledge first, my undivided interest to matters which pertain to the welfare of this district. Regardless of what other sections of the State do or attempt to do, my primary interest shall be devoted to the four counties which I represent, Donley, Gray, Collingsworth, and Wheeler.

As a member of the Legislature it is my purpose to advocate the enactment of such laws as will protect and preserve the oil and gas reserves of the Panhandle from wasteful and unlawful exploitation. If our schools suffer from lack of maintenance or finances, my efforts shall be to obtain the same finances and modern facilities that exist in other sections of the State whose Representatives have been more alert for the welfare of their constituents.

Half of my twenty-five years have been spent in this district, and I feel familiar with all the needs and desires of the people

who reside here. At the present I am studying law in the University of Texas. I was employed during the Forty-Second Legislature as clerk on Constitutional Amendments, Judicial Districts, and other committees, during which time I took advantage of the opportunity to learn at first hand the methods and mechanics of law-making. I therefore feel well qualified to represent my district and protect its interests on the floor of the House.

My platform has few definite planks, pledging simply that I am for the most economical, yet efficient system of government possible; I am opposed to any sales tax levied upon the necessities of life; I am opposed to the issuance of any more State bonds except 'bread bonds'; I am as strongly opposed to careless and unwise legislation as I am for wise and prudent legislation; I am for, first and last, those things which will, in any manner be beneficial to the majority of the people in my district.

I shall be unable to make a personal campaign until the beginning of June because of law examinations at that time; I therefore earnestly request that you give my candidacy your serious thought and consideration. Frankly, I hope to be the next Representative from this district and work my best for its welfare when elected. Any support and all the support you can give me will be deeply appreciated.

Looking forward with pleasure to meeting each of you individually within the near future, and inviting correspondence from you at this time, I am

Sincerely yours, Eugene Worley, Box 1927, University Station, Austin, Texas

Mrs. C. A. Burton and Mrs. W. A. Clark attended the district Library meeting at Amarillo Sat.

Misses Pauline Clark and Pauline Fox and Cleo Brown were Amarillo shoppers Saturday.

Donley County Leader \$1.50 a year

CITY OF CLARENDON BALANCE SHEET

Table with columns for Assets and Liabilities. Assets include Capital Assets (Realizable and Unrealizable), Equipment, Cash & Receivables, and Liabilities (Bonds and Warrants Payable, Water Meter Deposits, Depreciation Reserves, Capital and Revenue Surplus). Total Assets: \$470,816.06. Total Liabilities: \$470,816.06.

We hereby certify that we have audited the accounts of the City of Clarendon for the fiscal year ended March 31, 1934, and the foregoing balance sheet in our opinion is true and correct and sets forth the financial condition of the City as of the closing date heretofore mentioned.

DEMPSEY A. WINN AND COMPANY, By Dempsey A. Winn, Certified Public Accountant.

Interesting and instructive address. He emphasized the fact that we are gathering material for a life's story and this story is either good or bad. We feel grateful to Judge Lowe for giving us part of his time and we hope to have him with us again some time. Our disclaimer, Junior Spier, did not qualify at the district meet. Luck to you Junior, we are proud

GOLDSTON SCHOOL NEWS

We are sorry to report that Miss Potter is not able to be at school this week. We hope that she will be able to resume her duties in the near future. At the chapel period last Monday Judge Lowe gave us a very in-

The base ball team is rapidly getting into form. We were expecting a game last week with Ashola but conditions were such that our plans did not materialize. The seventh grade pupils are rapidly completing their requirements for reading certificates. It is believed that at least three-fourths of the class will receive certificates. In looking over the list of books that the pupils have read we find that they have been reading a variety of good literature. That is one more way of teaching the pupils how to use their leisure time in a profitable manner. We have evidences that the pupils are not reading merely for some visible reward, because most of them have read more than the required number of books. The seventh grade is smaller than usual this year, because several of the pupils have moved out of the community. Although the grade is smaller than usual, we are planning to have graduating exercises as has been the custom.

Large Crowd Sees Spooky Play Friday Night

The Fairview Literary Society put on one of their very best plays Friday night to what is said to have been the biggest attendance yet. 'Spooky Tavern' was the name of the three-act play sponsored by Morris Morrison and Clifton Adams in which they were given valuable assistance by Miss Mary Morrison.

No admittance fee was charged but popcorn and candy was sold to get means for the purchase of paraphernalia to more properly put on plays in the future.

Music was supplied by a stringed band in which Aycock, Joe David and Griffin more than pleased the crowd with ancient and modern numbers.

CARD OF THANKS

We extend our sincere and grateful thanks to those friends and neighbors who so willingly and untrudgingly aided and consoled us in the recent loss of our mother. We are truly thankful, also, for the flowers, the many acts of kindness, and above all, the spirit in which these were rendered. May His blessings abound with you all, and may you be spared, if possible, such sorrow.

R. P. Fryar and family, N. L. Fryar and family, Mrs. J. B. Reynolds and Family, Mrs. P. M. Cruse and Family.

John H. Bryce, father of Mrs. Harlow Stephenson of this city, died at Turkey Tuesday.

CHAMBERLAIN SCHOOL NEWS

Seventh Grade News: We are getting along pretty good in school. We are almost through with our government and nearly through our speller.

We have had a pretty good rain, and it sure helps for the ground that crops are to be planted in.

We have taken another six weeks exam. Most of them made pretty good.

HONOR ROLL

- 4th Grade—Homer Hardin, 92. 6th Grade—Frances Hott, 92. 7th Grade—June Harrison, 91. 10th Grade—Rose Ada Reid, 90. Wilfred Hott, 92. Second Honor Roll: 4th Grade—Rex Moore, 84. 5th Grade—Della Mae Heathington, 89; Mary Dell Heathington 88. George Moore, 88; W. H. Nelson, 86; Billie Rippetoe, 86; Carrel Donham 80; True Barbee, 80. 7th Grade—Mary Kaytherm Hardin, 89; Carl Webb, 88; Rose Donham, 87; Jasper Rippetoe, 87; Jack Reeves, 84; Floyd Guthrie 81. 9th Grade—Jimmie Estes, 85; Bobby Wilson, 85; Anne M. Hardon, 85. 10th Grade—Vernon Reid, 83; Robert Hott, 83; J. B. Duckett, 81. Sixth Grade News

We have had a good bit of rainy weather this week. In the sixth grade we have been making note books in geography.

We were sorry to hear about Carrel Rippetoe getting kicked by a horse. He was taken to the hospital Saturday and brought home Sunday evening. He is doing fine now.

Mr. and Mrs. Harry Hartzog spent Thursday night with Mr. and Mrs. T. C. Isham.

Mrs. Della Tracy is visiting her son at Miami.

James Heathington spent Saturday night and Sunday with Jasper Rippetoe.

James Earl Hott spent Sunday with David and Ray Isham.

EDGAR E. WITT

Candidate for Governor

After his broadcast talk Mr. Witt, just finishing a ten-day trip through the lower Rio Grande valley, will set out for two weeks in East Texas, but will not begin his actual campaign stumping earlier than the first of May. Unhurried by the haste with which impetuous opponents have issued their platforms, this executive is studying first-hand the needs of every section of the State before final decision on imminent problems in State affairs. His conservative appeal to voters who see the need this year for a business-like and progressive administration, will be made on the offer of "government without factionalism."

HEDLEY

Rev. and Mrs. A. V. Hendrix and children and O. R. Culwell attended the Methodist revival in Clarendon one night last week.

Cecil Cooper was taken with appendicitis Sunday night and was rushed to St. Anthony hospital Monday.

Mrs. Dell Cooper was taken to Adair hospital in Clarendon last week.

Harold Adamson and Ray Culwell went to Amarillo Sunday.

Mr. Tom McDougal and Miss Irene Eppers were quietly married at Hollis, Okla. Thursday.

The Nazarene Revival closed Sunday night with several professions. A number of people from Memphis and other places attended the meeting at different times. The church was built up.

Mr. John Edwards was in Amarillo Monday.

Mrs. Mattie Killian moved back to Hedley a few days ago from Amarillo to take care of her mother who has been ill for some time.

Mrs. Frank Simmons returned a few days ago from Kansas City where she has been visiting for some time. Her daughter, Mrs. T. M. Garrett returned home with her.

MARTIN (Polly Sowell)

Sunday school was held at the usual hour Sunday morning with an increase. We still hope to see more out next Sunday.

There was singing Sunday night with a large crowd present. We were glad to have with us Mr. and Mrs. Earthman and children of Clarendon.

There will be singing next Sunday night. Some of the leaders from Clarendon are asked to be with us. Everyone is invited to come and help with the singing.

The people of this community are rejoicing over the good rain which fell last night (Monday night).

Little Kitty Ruth Bailey and Ralph Morrow are the latest victims of the Chicken pox.

Margaret Sue Easterling, Curtis Jones, Lamar Mason have the measles.

Mr. Clyde Barker who has been quite ill with the Diphtheria is improving at this writing.

Mrs. J. A. Sowell, Mrs. J. D. Wood, Mrs. J. A. Pool, who were reported on the sick list last week are improving at this writing.

There has been several cases of sore throat around here.

Earl Shannon is improving at his home and able to be up and around the place.

Mr. and Mrs. L. H. Earthman and children were supper guest of Mr. and Mrs. Oscar Kempson.

Mr. and Mrs. Clyde Easterling and children, Bro. and Mrs. J. S. Powell spent Sunday with Mr. and Mrs. Claude Easterling.

Mr. and Mrs. George Bulman and children spent Sunday with the lady's parents, Mr. and Mrs. J. F. Cannon. The many friends of Mr. Cannon will be sorry to hear that he is suffering with heart trouble.

Mr. and Mrs. C. T. McClintney and family of Clarendon spent Sunday with Mr. and Mrs. Wes Sullivan.

Mr. and Mrs. George Kavanaugh and daughter Patsy spent Sunday afternoon at Shamrock visiting Mr. Kavanaugh's brother Allen Kavanaugh.

Mr. and Mrs. Byron Owens and children of Clarendon spent Sunday with the lady's parents, Mr. and Mrs. A. J. Sibley.

Mrs. R. T. Moore and son and Mrs. Dave Patterson spent Monday afternoon with Mrs. J. A. Sowell.

Mr. and Mrs. Kenneth Fink of Childress visited his mother, Mrs. Fink Sunday.

Joe Humphrey Sr. is putting on a new roof at his home near the courthouse.

Mr. and Mrs. Cub C. Hedgpeth and children and Mr. and Mrs. O. N. Hedgpeth visited Sunday with Mr. and Mrs. T. S. Brown and family of Bushland.

**Oh, This World!**  
 "Oh, I am so tired of living," groaned an old man whose name was Mr. Dictionary. "This world is so tiresome. Everybody hates me and throws me around just trying to kill me! My pages are wrinkled, torn, or folded back, and every-time anyone gets a chance, they tear one of my pages."  
 The old man whom you have just heard speaking, was talking

to a teacher's grade-book. The grade-book was handled only by the teacher and did not know ill-care.  
 "But," said the grade-book, "think why you are here. Think of the valuable things you own. Educated people have learned many things from you. In time of need they consult you. Think not of the bad things but always of the good things if you would be happy."

### TUNE UP YOUR CAR FOR SUMMER!

Now that motoring weather is really on the way, bring in that car and let us tune it up for greater power, more pick-up, more speed - - - Our shop is fully equipped to do complete repairing and overhauling of any kind. With every necessary tool and machine, and a staff of fully trained, competent and experienced mechanics, our work is fully guaranteed. Let us estimate on your car.

## Noland's Garage

"Yes," wailed Mr. Dictionary, "that is true, but why can't I have a new cover? My cover has always been brown. The most I ever weighed in all my life of ten years was twenty pounds, and I am steadily losing weight from bad treatment."

"Your cover is indeed worn, yet it is still pretty. Dictionaries are not supposed to weigh much, but as for the ill-treatment, I don't know what to do."

"Oh, why did they make me a dictionary?" cried Mr. Dictionary, and he is still crying. That is why he looks so sad. Perhaps you will take a hint, and after this always treat Mr. Dictionary better.

### Outstanding Students

Say! You ought to hear how proud Lelia Lake is of their school students. Who wouldn't be with such a group? They are not only good in athletics, but also in their studies.

The Seniors most outstanding student is Ruth Davis who is very good in all kinds of sports as well as in her studies. Who will take her place next year?

But, oh boy, aren't we proud of our Juniors. Won't they be keen Seniors for 35!

The Juniors have many representatives both athletic and literary. They were represented in tennis by Rubye (doubles) and Margetta Cruse (singles). Both are also very good in volley ball and basketball.

We are indeed proud of our boy athletes. James Reynolds represented our school at Pampa for high jumping. Out of all the counties there were eight chosen for the finals, James being among them. We are glad to know that he won third place.

Billie Howard another Junior boy is also a great athlete. He represented our school at the county meet for shot-put. He is also a very good basketball player.

Saving the best to the last, we must say that we are indeed proud of Virginia Williams, our best English student. Much to her honor she was presented a Gorgas medal Friday evening for having written the best essay out of six contestants.

The Sophomores certainly are a very industrious class.

In athletics they were represented by Morris Finch and Tommie Allen. Morris Finch got to go to Pampa.

We are very proud of Marie Howard and Bernice Self for winning in spelling. Bernice Self had a hundred per cent paper. Very good girls!

The Sophomores also had two declaimers. Lanelle Lewis Jr. won first place in declamation at Clarendon therefore getting to go to Pampa. Edie Admire (Sr.) girl won third place at Clarendon.

The Freshmen certainly are a good class despite grumbling about getting up Science experiments. They are all little but loud. They will put out winning teams in years to come.

Emma Lee Penniger is very good in both volley and basketball.

Millard Cruse is also a very good athlete. He won third in Jr. high jump. But you ought to see him play tennis and basketball. He may be little but he is certainly a good Freshman representative.

The Freshmen are also very studious. Laura Mae Gerner being the best student and Jane Williams the neatest students.

So, everybody, don't you think we have some group to be proud of?

—oOo—

### Boys Athletic Report

We have a good number of boys out for baseball now. We have some good material. The boys that will probably be the starting nine are Wallace Grimsley, c; James Reynolds, p; Tommie Allen, 1b; Millard Cruse, 2b; J. T. Floyd, ss; Morris Finch 3b; Gleason Woods, rf; Winston Nippert, cf; R. Sanders, lf. There are several of the other boys that are doing good.

We will probably play a few games before school is out. We will be glad to meet any of the county school teams.

James Reynolds and Morris Finch went to Pampa Friday and Saturday. They did well in the preliminaries, but seem to have failed in the finals. James Reynolds won third place in high jump. Morris of course reports he would have done better if a big Persian cat had not interfered with his sleep Friday night.

If nothing comes up in the way James Reynolds and Morris Finch will go to Denton where they can compete with their own class.

—oOo—

### Our Seniors

Ruth Davis, the only girl among the Seniors of 1934, is a very charming, all around school girl.

As we all know, her hobby is basketball and she is also very fond of tennis. This year she and

Rubye won second place in tennis doubles at Interscholastic League Meet. Indeed we are very proud of her skill in athletics, but no less proud of her literary ability.

We would hate to be without her at school, but oh, what would those Senior boys do if it were not for Ruth to keep 'em straight.

Elbert Bain, the wittiest of the Class, is very industrious. Most every time one looks at him he is bending studiously over his desk—but we wonder if he is studying all the time, because he is very mischievous!

Oh, can he argue! And how! One should visit our Economics class and listen to this brilliant senior argue and fuss.

William Hardin has certainly learned to write this year for he has had plenty of practice writing "I will not talk, etc." for Mr. Cooper. We think he should be able to write a beautiful hand by now. In spite of his habit of talking he is a good student.

He is very inquisitive, especially in Economics class, and at the present he is trying to find out if a ton of lead weighs more than a ton of feathers.

Last, but not least, is E. J. Myers the best boy tennis player in high school. Tennis seems to be his best pastime and hobby these days.

He is an average student in all of his studies. Sometimes we wonder if he wouldn't get along better if he did not stay out so late at night? !!

—oOo—

### First Grade

The pupils in Miss LaFon's room have been working on some health booklets the last few weeks. The name of these booklets are "Why I am Healthy." Each day a page is added to the booklet. A health story is told to the pupils, then a sheet is prepared for the booklet, in relation to the story told. The pages prepared thus far include lessons on "Sunshine and Fresh Air," "Keeping Clean," "Eating Wholesome foods" (Fruits, Vegetables) Lessons on "Milk" and its importance to growth. Several pupils have been bringing jars of milk to school each day. An extra credit is added to the pupils health grade when this is done. Several health posters have been made and put up in the room.

This health project has proved quite interesting to the pupils and each one takes particular pains to try and have his booklet the neatest and best.

—oOo—

### Summer Plans

Mr. Cooper, wife and son Lyle are planning a trip through the western part of the United States this summer. Last summer they made a trip through the east, visiting New Orleans, Washington, D. C., New York, Quebec, Chicago, and Minneapolis. This year they will duplicate the trip through the west. They will return next fall in time for school, Mr. Cooper having been elected principal of the Chamberlain school.

Miss Taylor is planning to spend the summer attending school at Canyon.

Miss Garland will attend school in Canyon the last six weeks of her vacation.

Miss Hamm says she has not fully made up her mind about what she is going to do but she will probably attend school a part of the time.

Miss Hill says she is going to spend the summer at home helping her mother. We don't know what, but we hope she has an enjoyable vacation.

Miss LaFon is planning to spend the summer in Canyon attending West Texas State Teachers College. She is planning to take several special courses in the teaching of primary work. This is the fifth year of teaching experience for Miss LaFon. She is going to be our primary teacher again next year.

Mr. and Mrs. Thomasson have not made any definite plans yet, but they will probably attend school at Texas Tech where Mr. Thomasson is working on his Master's Degree.

### GOLDSTON SCHOOL NEWS

(Carried over from last week)  
 The school pupils enjoyed the chapel program Monday morning, which was given by Mrs. Smith's room. Mr. Gatewood also presented the ribbons which were won at the County League meet.

The Goldston boys played baseball with the Ashtola boys at Ashtola last Thursday afternoon. The Goldston boys won with the score 22-9. We are ready to welcome the Ashtola boys here Friday afternoon.

We are very sorry to report that Miss Potter is still unable to fill her place in the school room. We hope she will be able to be with us

soon.  
 We are very proud that our school won 72½ points in the county League meet although we did not enter in track meet. We won all of our points in literary events, except ten points which was won by the Jr. boys and girls in play ground ball.

### What Would Happen If—

Lamar Stewart failed to make A on Algebra?  
 Wallace Bolles came to school every day?

Earl Parker was called "Wart"?  
 Harrold Harris said, "I don't know"?

Harrold Simmons couldn't make "wise cracks"?  
 Cleon Allee couldn't blush?

Sellkirk McAnear couldn't look at the girls?

Vera Mae Allee couldn't smile.  
 Johnnie Stewart couldn't come to school?

James McAnear talked in school.  
 Raymond Clemmons didn't know his Arithmetic?

J. D. Hahn winked at a girl?  
 Geraldine Hall couldn't talk to "Boots"?

Joseph Stewart had to sit by a girl?  
 I. B. Clemmons couldn't play baseball?

Ellen Veazey didn't wear her glasses?  
 Billy McAdams couldn't ride a horse to school?

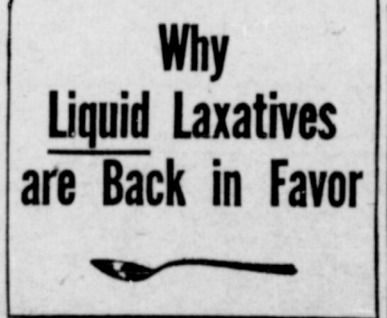

Ruth Rhodes couldn't play ball?  
 L. D. Wade could start his car?

Granville McAnear were to quit school?  
 J. D. Hendrix lived near school?  
 Carl Dilli studied at night?

Allene Rhodes could sing a song.  
 And what would Mr. Gatewood do if we didn't know our lessons?

### HONOR ROLL

- First Honor Roll
- Ninth Grade—Johnnie Stewart 93; J. D. Hahn, 90.
- Eighth Grade—Lamar Stewart 95.

The public is fast returning to the use of liquid laxatives. People have learned that the right dose of a properly prepared liquid laxative will bring a perfect movement without any discomfort at the time, or after.

The dose of a liquid laxative can be varied to suit the needs of the individual. The action can thus be regulated. A child is easily given the right dose. And mild liquid laxatives do not irritate the kidneys.

Doctors are generally agreed that senna is a natural laxative. It does not drain the system like the cathartics that leave you so thirsty. Dr. Caldwell's Syrup Pepsin is a liquid laxative which relies on senna for its laxative action. It gently helps the average person's bowels back to regularity.

You can always get Dr. Caldwell's Syrup Pepsin at any drug store, ready for use. Member N. R. A.

Seventh Grade—Lorene Rey-nolds 91; Reba Bolles 90; Viola Clemmons, 90.  
 Sixth Grade—Odell Davis, 92; Leroy Hendrix, 90.

# Our Weekly CHURCH CHAT

W. E. FERRELL  
Minister First Christian Church

"What is a Christian?"

Often we hear the question asked, "What is a Christian?" It is to help you answer this question that we are writing this chat.

A Christian, according to the New Testament is one who, having heard the gospel, believes in Christ, repents, and is baptized into Christ's name, rising to walk in newness of life. A Christian occupies a lofty position in Christ. The Apostle Paul terms it "the high calling." To the Christian, the Lord Jesus Christ is the perfect Exemplar and His words, laws and commandments are above all other words, laws or commandments.

In becoming a Christian one becomes a member of the body of

Christ, the Church. It is impossible to be a Christian and not be a member of the Church. We often hear people say they are Christians but are not affiliated with the church. We hear people speak of others who are Christians, and are not church members. This cannot be. A Christian is a church member, and a member of the Church is a Christian. It is not enough to desire to be a Christian or Church member, one must put into practice the teachings of Christ and obey His commands. It is not enough for a foreigner to desire citizenship with the United States. He must come into this country, live here, obey the laws and be naturalized. It is not enough for a man to desire to wed the woman of his choice. He must follow his desires by securing a permit or license and having the ceremony performed. There are but two classes of people according to the Bible, the righteous and the unrighteous, the saint and sinner, the Christian and the unbeliever. To become a Christian one must desire to become a citizen of God's Kingdom,

the church, and then obey the laws of that kingdom and be naturalized.

A Christian is called upon to refrain from evil and actively engage himself in service for Christ. Such a life cannot be lived without encountering opposition and experiencing many trials, yet the true Christian is undaunted amid the fiercest conflict. How can a person claim to be a Christian, when he uses all of his time and talent for the things of the world and never renders service according to Christ's commands or plans?

## SUNNY VIEW

(Mrs. A. M. Lanham)  
Mrs. J. O. Thompson, Mrs. Doc Thompson, Mrs. Livia Craft and children called in the Lanham home Tuesday.

Mrs. Brame is at Goldston with her daughter, Mrs. Roy Morgan, who is ill.

Quite a few have been on the sick list this past week but all seem to be improving at this writing.

\*\*\*\*\*

## NAYLOR

(Mrs. R. Bowlin)

\*\*\*\*\*

The play "Spooky Tavern" presented by the Literary Society and sponsored by Clifton Adams, Morris Morrison and Miss Mary Morrison was much enjoyed and well put over Friday night. The house was far too small to accommodate the large crowd.

Mr. and Mrs. Walter Scott entertained at dinner Sunday, Mr. and Mrs. A. O. Hefner, also Mr. and Mrs. Ray Hefner of Gilbert ranch.

Mr. and Mrs. Lewis Fields and sons of Amarillo spent Sunday with Mrs. Fields' sisters, Misses Minnie, Lou and Ava Naylor.

Clifton Adams spent Saturday night and Sunday with Lesley Pickering.

Mr. and Mrs. Ray Hefner of Gilbert ranch spent Saturday night with Ray's parents, Mr. and Mrs. A. O. Hefner.

Many of our folks attended the funeral of J. J. Alexander at Clarendon Sunday afternoon late.

Mr. and Mrs. Rich Bowlin spent Sunday with Mrs. J. D. Stocking at Clarendon.

Mr. and Mrs. Ray Hefner of Gilbert Ranch also Mr. and Mrs. Eugene Estlack and baby visited Sunday afternoon with Mr. and Mrs. Edwin Eanes.

Mr. and Mrs. J. W. Carnes and daughters of Shamrock spent Sunday with Mr. and Mrs. A. E. Tidrow, J. W. and Mrs. Tidrow are brother and sister.

Mr. and Mrs. Tommy Bain had for Sunday dinner guests, Mrs. Bain's parents, Mr. and Mrs. J. W. Mann also Rev. Charley Williams. Bro. Williams filled his appointment Sunday.

Miss Mildred Tunnell of Clarendon spent Sunday with Miss Fanny Naylor.

Miss Mary Morrison is spending this week with her brother in Hall county.

\*\*\*\*\*

## MIDWAY

(Mrs. John Goldston)

\*\*\*\*\*

Mrs. Slayton Mahaffey and Miss Mattie Rhodes visited the sick, Miss Nan Potter and Kenneth Stone who has a broken leg, last Monday.

Mr. and Mrs. Ernest Davis from South Plains visited relatives here over the week end.

The people of our community are grieved over the death of Mr. W. Z. Koontz, who passed away Friday morning in the St. Anthony Hospital in Amarillo after an illness of three weeks. Funeral services were conducted at the Methodist church in Clarendon Sunday afternoon at two o'clock by Rev. Bowen. The Buntin Mortuary had charge of the funeral arrangements. Interment was made in the cemetery at Clarendon.

Mr. W. Z. Koontz was born in Illinois, moved to Texas in 1916. He moved to Midway community a year ago from Brice. He is survived by his wife and seven children at home and two married, Mrs. S. L. Swinney of Windy Valley and Lenard Koontz of Hedley, also five children by his first marriage, four of whom were with him at the last.

Mr. and Mrs. W. J. Tidwell, Mr. H. A. Koontz of Ft. Smith, Ark., and I. B. Koontz of Poetaw, Okla. Mr. Koontz joined the Methodist church when nineteen years of age and lived a consistent christian life since. His going is a loss to our community. We extend our sympathy to the family.

Mr. and Mrs. Jiggs Mosley and boys visited her parents, Mr. and Mrs. Hugh Riley Sunday.

Mr. and Mrs. Ed Wheeler of Goldston spent Saturday and Sunday in the Koontz home.

Mr. and Mrs. J. A. Meaders and Miss Katie Meaders returned home Friday from a trip to Atlanta, Ga. where they visited relatives. Mrs. Meaders visited her mother who is eighty-nine years old.

Mr. and Mrs. Williams enjoyed a visit from his mother, Mrs. Williams of Goodnight Sunday.

On account of the funeral of Mr. Koontz Sunday we did not have Sunday school or church but we hope everyone will come out next Sunday and have a crowd.

Miss Nan Potter who has been sick the past six weeks is improving slowly. Miss Bertie and Nuva and Ralph Stewart, Mr. and Mrs. Fred Patching and Elizabeth Dunn visited Miss Nan Potter Sunday.

P. O. Tompson has been sick the past week but is improving.

Cecil Ray spent Saturday night with LaVerne Goldston.

Pat Longan and Nelce Roberson made a trip to Claude Monday.

Mr. and Mrs. Thomas visited Miss Nan Potter Sunday.

Mrs. Lamberson returned from Bard, Texas where she has been

visiting her sister, the past three weeks.

Mrs. Williams of Bowie has been visiting her daughter, Mrs. J. T. Lamberson.

## Home Town Speaking Contest At San Angelo

San Angelo, April 12.—An invitation to each of the two hundred and fifty high schools in West Texas to enter a participant in My Home Town Speaking Contest at the Sixteenth Annual Convention of the West Texas Chamber of Commerce, San Angelo, May 14, 15, and 16 has been extended by C. M. Caldwell, Abilene, Chairman of the Contest Committee.

This contest is open to bona fide high school students of West Tex-

as, one from each town. Each contestant is required to prepare an original speech about his home town not more than five minutes long. Three preliminary contests will be conducted at San Angelo, and the two best speakers selected at each, the six to enter the finals before the closing session of the convention to compete for the Thos. Etheridge loving cup, cash awards, and a choice of scholarships in a number of institutions of higher learning in Texas.

Already Amarillo and Burkburnett have advised conventions headquarters here that they will have contestants.

Sam Darden left Friday to resume his work at Boulder dam near Boulder City, Nevada.

## Wonders of Science and Invention

**OVER 400 PICTURES**

Told In Simple Language

Would you like to keep posted on all the new developments in this remarkable world of ours? The new inventions—the latest Scientific Discoveries—the amazing Engineering Feats—the progress made in Aviation—Radio—Electricity—Chemistry—Physics—Photography, etc.? These and many other fascinating subjects are brought to you each month through the pages of POPULAR MECHANICS MAGAZINE.

**Something for Everyone!**

Special departments are devoted to the home craftsman and practical shopman. The radio enthusiast has a large section filled with news and helpful information on construction and maintenance of both transmitting and receiving sets. For the housewife, there are scores of hints to lighten her daily tasks. . . It's the one magazine everyone in your family will enjoy.

# Wake Up Your Liver Bile —Without Calomel

And You'll Jump Out of Bed in the Morning Rin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a load of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist a substitute. 25c at all stores. © 1931, C. M. Co.

## "Nerves" NERVINE "Nerves"

Dr. Miles NERVINE

"Did the work" says Miss Glivar

WHY DON'T YOU TRY IT?

After more than three months of suffering from a nervous ailment, Miss Glivar used Dr. Miles NERVINE which gave her such splendid results that she wrote us an enthusiastic letter.

If you suffer from "Nerves." If you lie awake nights, start at sudden noises, tire easily, are cranky, blue and fidgety, your nerves are probably out of order.

Quiet and relax them with the same medicine that "did the work" for this Colorado girl.

Whether your "Nerves" have troubled you for hours or for years, you'll find this time-tested remedy effective.

At Drug Stores 25c and \$1.00.

DR. MILES' NERVINE LIQUID

## THE MILLING SANATORIUM

MINERAL WELLS, TEXAS

There is no better advertisement for a curative institution than the grateful appreciation expressed by cured patients. Here is one testimonial among hundreds that we have on file. Write for booklet.

"This is to certify that I, Hugh Denby, of Kress, Texas, Route 1, came to Dr. H. H. Milling at the Milling Sanatorium for treatments for my knee and leg. My leg was drawn up to my body; my knee was stiff and swollen, and I could not sleep at night unless I was full of dope. I tried all kinds of things, and several doctors; all the time got worse. I heard of Dr. H. H. Milling at Mineral Wells, Texas, and decided to give him a trial. I stayed five weeks and am now a well man. Can walk and use my leg and knee as well as I ever could. If you want to get well, go see Dr. H. H. Milling at Mineral Wells, Texas."

HUGH DENBY.

J. R. Bain Announces Again For Sheriff's Office

The Leader is authorized to carry the announcement of J. R. (Dick) Bain for the office of sheriff of Donley county at this time. He has been a resident of Donley county for the past 34 years, and needs no introduction.

It will be recalled that he made the race for this office four years ago, losing in the first primary by a narrow margin of 86 votes, and making a creditable showing in the second primary. After his defeat, he continued a resident of Clarendon engaging in the service station business.

In the absence of any statement for publication from Mr. Bain, the Leader is reprinting his "card of thanks" as printed in this publication in the issue of August 26, 1930. Here is the statement below.

"Permit me to take this means of thanking the loyal friends who gave me their support in the primary Saturday. I am also thankful for the many favors and kind consideration shown me during the campaign. I am for the upbuilding of the interests of the good citizens of this county, and hold no hard

feelings against any one because of my failure of election. It shall always be my pleasure to serve you in any manner possible, either as an elected official or as a private citizen.

In looking back on this campaign, I find much pleasure in the fact that I conducted a clean campaign that in no wise reflected upon the integrity of any one. As you know, I have lived among you as a neighbor for many years in the past, and I expect to continue my residence here where I can be found so that I can make amends if any errors have been committed."

This is Mr. Bain's attitude when he met with defeat. He comes back four years later asking for the consideration of the voters of Donley county for the same office believing that he can render the service at this time that he could then.

Mrs. Chas. Baldwin of Lamesa visited in the Mac Bourland home Tuesday night. Miss Lotta Bourland left Wednesday morning with Mrs. Baldwin for Lamesa where she will visit her sister, Mrs. C. A. Baldwin.

PUBLIC NOTICE

To the Tax Payers of Clarendon:

At the last City election you went to the ballot box, and by your vote said, you wanted a NEW DEAL, and a cut in the operating expenses of the City, also a lower tax rate and a lower water rate. We accepted the offices you gave us, and promised an honest effort to accomplish some of these savings.

In our first efforts to reduce operating expenses, we have made some heavy cuts, and perhaps they do not look good to you, but we are asking that you be patient with us, until our plans have been given a fair trial. Please do not render your verdict until the evidence is all in. Elsewhere in this issue, you will find the new scale of Water rates, also the salaries to be paid.

We are forced to make these reductions, and contemplating still further reductions in other lines, because we have such a heavy Bonded indebtedness that to meet the Interest and sinking fund will require very rigid economy in every department of the City. The City now owes in Bonds and Warrants \$280,650.00, and we must make a sufficient valuation and levy to raise Interest and sinking fund of \$25,831.00 as per the Auditors report as of April 1st, 1934. Our valuation last year in round numbers was: \$1,850,000.00 so you can readily see it will take almost a full levy on this valuation to raise the amount necessary, \$25,831.00.

This past year the total receipts from all sources was \$33,854.92 Total Expenses of operation \$16,415.86

Total net amount money received all sources 1933 \$17,439.06

DISBURSEMENTS

Paid Interest on Bonds and Warrants \$15,152.34 Paid amt. retire bonds and warrants 6,350.00

Total aid out, above fund \$21,502.34 Total receipts all sources, as above \$17,439.06

Disbursements above receipts \$ 4,063.28 These figures are taken from the City records, and we believe to be correct.

We ask your patience and cooperation in making sufficient reductions in operation to meet the requirements of the City. The City Commission.

Former Childress Publisher Suffers Stroke

L. E. Haskett, well known citizen of Childress and the Panhandle, and for many years a publisher of that city, suffered his second paralytic stroke within a year at his home there Tuesday night.

Though in failing health for several months, his condition is not regarded as serious, it is said.

Mr. and Mrs. Warren Kennedy of Wichita Falls spent the week end with some folks.

Lady Contests For Honors In Egg Contest

Last week an account of an egg .6 1/2 x 7 3/4 inches was given in the Leader, V. R. Jordan being the owner of the Rhode Island hen that produced the product that neared ostrich dimensions.

This week Mrs. E. M. Ozier comes forward and substantiates her claim by sending to the Leader office an egg produced by a white leghorn that measures 6 1/2 x 8 inches, this one besting the record of the Jordan egg by a quarter of an inch measured over the ends.

Mrs. Ozier says that she frequently finds these eggs of copious dimensions in her poultry yard of white leghorns. Now it is up to Mr. Jordan or some one else to beat the new record established by the "little white hen" of old Donley county.

Local Plant Producer Adds Flowers This Season

After working some two years in the Bruce nursery near Alanreed, C. C. May came to Clarendon and established a vegetable plant farm in a small way last year in the southeast edge of town.

His efforts met with success to the extent that he is going in for expansion of trade territory this season. He is adding flowers in a limited number to his vegetable plant list this season. His advertisement appears in the Classified Column of this issue of the Leader, giving a list of what he has to offer, and the prices of each.

Donley County Leader \$1.50 a year

Hedgpeh Owns Menagerie Producing Hen

The hens of Donley county have a contest all their own. Most of the notoriety to date has been confined to "size" of the egg produced, one mentioned in another article besting that of last week.

Mr. O. N. Hedgpeh brought in a Rhode Island hen egg Wednesday that appears to have the other pullets backed off the map. She could not enlarge on the size, so she produced the first specimen for a zoo.

This brown egg at the smaller end has a "snake" in relief coiled around the small point, the head of the snake appearing plainly. Now who can best this man with the zoo factory?

Mrs. J. C. Drennon Buried Here Tuesday

Elder Bainster of the Church of Christ at Memphis conducted the funeral service at the school auditorium at Ashtola Tuesday afternoon for Mrs. Drennon, the Buntin mortuary having charge of arrangements. Interment was had in the Citizens cemetery here.

She is survived by her husband J. C. Drennon, a merchant of Ashtola for many years, and the following children: Mrs. Ted Price of Electra, Athlyn at home. Two sons, Thell of Electra and Glenn who is a school boy.

Mrs. Drennon was a niece of John Potter, and a native of Parker county, Texas where she was born August 1, 1884. She is said to have been in failing health for some time due to a stroke of paralysis some weeks ago.

U. G. Koontz Passes Away Friday Morning

Following an illness of more than three weeks, Mr. Koontz died in an Amarillo hospital Friday and was buried here Sunday afternoon. Rev. E. B. Bowen, pastor of the First Methodist church conducted the services at the church. The Buntin mortuary had charge of arrangements.

Mr. Koontz was a native of Illinois coming to Texas in 1916, and to the Midway community near a year ago from Brice. He is survived by his widow and fourteen children, seven of them by a former marriage.

Children of his former marriage with him in his last illness were Mrs. W. J. Tidwell and husband of Ft. Smith, Arkansas; Mrs. Barnard and husband, H. A. and I. B. Koontz of Porteau, Okla.

Donley Produced a Bumper Cotton Crop in 1933

Despite the plow-up campaign of the government, Donley county produced more cotton in 1933 than in the preceding year by almost five thousand bales.

The record total for 1932 was 14,685. The total of 1933 was 18,353 bales. All, or practically all, of the cotton growers have signed up the reduction contracts for 1934.

Those to attend the District Federation of women's clubs at Amarillo this week were Mrs. James Trent, Mrs. U. J. Boston, Mrs. Tom Goldston and Mrs. Lank Thornberry.
