## GAS FRANCHISE GIVEN FAVORABLE CONSIDERATION

### City Commission And Smith Brothers Reach Agreement; Work to Begin in 90 Days

At a meeting of the City Commissioners this forenoon with representatives of the Smith Brothers, terms of a gas franchise for supplying Clarendon were finally agreed upon, work to begin within 90 days.

The rates agreed upon are 50 cents per 1000 cubic feet for domestic use; not to exceed 25 cents for manufacturing plants and others using gas in large quantities; 12½ cents for schools, churches, hospital, courthouse and city hall. A reduction of 10 percent will be allowed on domestic bills if paid by the 10th of the month after they become due.

Arrangements are being made by Smith Brothers to supply Lelia Lake, Hedley, Giles, Memphis, Estelline and Childress, it is said. Representatives from those towns have already made proposals for gas service.

The gas supply will come from the refinery plants of the company northeast of McLean. In addition to the present supply, a well gauging ten thousand barrels of oil with a strong gas flow is said to have been brought in by the Smith Brothers company during the past few days on a 160-acre block which will permit the company thirty- to 40-off-set wells.

## GRADUATES TO HEAR DR. WEBB SUNDAY EVENING

### Baccalaureate Sermon And Program to be Given At Methodist Church

The one big event in the school experience of the average pupil is the baccalaureate sermon. The graduates are fortunate this year to have the privilege of hearing Dr. O. K. Webb, pastor of the First Baptist church of Memphis.

Mrs. J. L. McMurtry will direct the choir, and Miss Delphia Bones is organist in the presentation of the following program which will begin at 8 p. m. at the Methodist church Sunday:

Processional—"War March of the Priests"—Mendelssohn. Doxology—Congregation. Invocation—Rev. R. S. McKee. Anthem—"Dawns The New Day"—Holton. Scripture Reading—Rev. W. E. Ferrell.

Hymn No. 2. Announcements—H. T. Burton. Offertory—"June-Twilight"—Bennett. Sermon—Rev. O. K. Webb. Hymn No. 180. Benediction—Rev. O. K. Webb. Recessional—March from "Scipio"—Haendel.

Roy Clayton and Sloan Baker made a trip through the Smith Bros. oil field Wednesday taking a look at their 10,000 barrel well brought in recently northeast of McLean. They also visited at Wheeler with the county superintendent of schools.

After more than a month's "lay-off", relief work was again resumed in Donley county last Friday. The majority of the projects that are being worked at this time are improvements on county roads. The new program is not a work program but strictly relief, and only those persons who are relief subjects and are able to work will be employed. The work is replacing the direct relief that has been given during the month of unemployment, and it is contemplated that payment will be made in kind only for the time being. No cash will be available for payrolls at this time. Direct relief will continue as in the past for those who are needy and are unable to work.

## \* CWA BULLETIN \*

After more than a month's "lay-off", relief work was again resumed in Donley county last Friday. The majority of the projects that are being worked at this time are improvements on county roads. The new program is not a work program but strictly relief, and only those persons who are relief subjects and are able to work will be employed. The work is replacing the direct relief that has been given during the month of unemployment, and it is contemplated that payment will be made in kind only for the time being. No cash will be available for payrolls at this time. Direct relief will continue as in the past for those who are needy and are unable to work.

## Band Program to Observe Music Week

The director of the Clarendon band, Gus E. Stephenson, announces that a free band concert will be given at the Pastime theatre at 4 p. m. next Sunday. Mr. Mulkey kindly contributing the use of the building.

There will be no admission charge and the public is cordially invited to enjoy this program especially arranged to observe Music Week.

## SCHOOL CLOSING PROGRAMS BEGIN HERE THIS WEEK

### Forty-Two Will Graduate From High School This Year

Senior class night will be duly observed with an appropriate program to be presented at the College Auditorium Friday night of this week, beginning at 8 o'clock.

Those to receive diplomas this term are Margaret Blackwell, Lovie Beavers, Emma Ruth Burkett, Marie Darnell, Nellie Grady, Melba Johnson, Christine Lamkin, La Verne Lott, Ruby Lee Mason, Rosa Lee Grady, Evelyn Murphey, Lucy McMahan, Mary Francis Powell, Gladys Salmon, Ruby Dell Scoggins, Mary Smith, Wilma Dee Smith, Marie Underwood, Isabel Wright, and,

Wylie Buchanan, George Chamberlain, Arthur Chase, Kennedy Davis, George Wayne Estlack, Walter Garmon, Laverne Goldston, J. D. Holtzclaw, Jack Latson, J. M. Lumas, T. J. Mann, Lloyd Martin, Chester Mayo, David McCleskey, Harry McCracken, John McMahan, Robert Nichols, Bert Skipper, Raymond Tidwell, Bill Walker, O. C. Watson, Jr., Asa Yates, Elery Watson.

Senior night program: March—Mrs. Elizabeth Powell. Welcome Address—David McCleskey.

Class History—Margaret Blackwell.

Piano Solo—Arthur Chase. Class Prophecy—Lovie Beavers. Reading—Wilma D. Smith.

Class Will—George Chamberlain. Presentation of Key to Juniors—Senior Class President, O. C. Watson, Jr.

Response—Junior Class President, Lawrence Whitlock. Choruses—Class.

Choruses directed by Mrs. Elizabeth Powell, assisted by Miss Eloise Roach.

Graduation exercises will be held on Friday evening of next week, the 18th, at the Methodist church, at which time diplomas will be presented by O. C. Watson, vice-president of the school board.

Program for graduation exercises:

Processional Marche Celebre—F. R. Lachner.

Invocation—Rev. E. B. Bowen. Piano Solo—Arthur Chase.

Salutatory—Emma Ruth Burkett.

Trumpet Solo—Billy Walker. Valedictory—LaVerne Lott.

Address—S. M. Braswell. Presentation of Diplomas—O. C. Watson.

Benediction—Rev. R. S. McKee. Recessional Grand March—Johnson.

Miss Delphia Bones at the organ.

About fifty will graduate from the Junior High this term. The exercises will be held at 10 a. m. on May 18th. The program is as follows:

Processional March—Selected. Dorothy Kerbow

Invocation—Rev. W. E. Ferrell. Salutatory—Welcome Address. William Sullivan

Class Song—"Boosting Our Junior High"—Class.

Valedictory—Jeanne McDonald. Address—Rev. Robt. S. McKee.

Presentation of Medal of Sons of The American Revolution—W. H. Patrick.

Presentation of Jenkins Medal—R. E. Drennan.

Presentation of 1926 Book Club Prizes.

Presentation of Diplomas—R. E. Drennan.

Benediction—Rev. W. E. Ferrell.

Recessional—Class.

## SEASON OPENS

## INFANT DIES ON WAY TO AMARILLO MONDAY MORNING

### Death Ends Quest For Aid At Washburn in Rush For Medical Help

All Clarendon was made sad Monday when it became known that little Jackie Ann, aged six months, daughter of Mr. and Mrs. Joe Bownds had passed away.

The little one had been ill during Sunday night and a physician was in constant attendance. Early Monday morning the parents were advised that medical apparatus not to be had here was necessary, and the journey to Amarillo was immediately begun.

With the parents and their babe went the grandparents, Mr. and Mrs. C. E. (Jack) Killough, and the family physician. The infant was in a critical condition by the time the party reached Claude, and expired about the time they reached Washburn.

The sorrowful journey was made back to Clarendon where relatives and friends did everything possible to relieve the minds of the distressed parents, who were grief-stricken in their sudden loss of their loved one.

Rev. F. N. Allen of Lelia Lake conducted the funeral services at the First Baptist church here at 3 p. m. Tuesday, the Buntin mortuary being in charge of arrangements.

In speaking of the sad occurrence Tuesday evening, Mr. Buntin stated that he never before saw so many beautiful flowers at the funeral of an infant. Expressions of the deepest sorrow are commonly heard on the streets since. The Leader joins with these friends in extending to the bereaved parents deepest sympathy.

## Passenger Train Roof Let Rain Through

While going to Lubbock recently, W. P. Cagle was forced to move several times changing his position in the cab car from "drip-to-drip" to avoid getting wet. It was a mere 7-inch rain, and he thinks possibly a small amount of hail had something to do with the frontier aspect of the weather on the inside of the coach.

## COTTON MONEY MAY BE EXPECTED AFTER JUNE 1ST

### County Cotton Board Speeds Up Acreage Cut Contracts This Week

Some delay in the payment of acreage reduction is naturally to be expected due to the time necessary in making reduction corrections by the county board. Donley was "long" better than four thousand bales according to federal estimates. This requirement necessitated a "rehashing" of the cotton acreage reduction deal and entailed no end of extra work for a tedious nature for the county board.

Just as soon as the contracts are completed, they will be sent the State Cotton Review Board at Texas A & M College. The writing of benefit checks begins just as soon as the state board certifies the contracts to the Washington office.

The bulk of the counties will probably be approved by the middle of the month, but the work is expected to reach the dead line limit of June 1st in some instances.

## Floyd V. Studer Lectures On First Inhabitants

A very appreciative audience that comfortably filled the Club Room listened to a lecture by Mr. Studer Wednesday afternoon. He spoke for about two hours first mentioning the Panhandle-Plains Museum at Canyon, and Palo Duro Canyon Park.

The speaker related much of the work among historic Indian ruins of the Panhandle where habits and customs of the ancient race prove an interesting study. Much of the exhibit, or practically all of the ancient Indian exhibit at the Museum is directly due to the interest and devoted labors of Mr. Studer.

W. H. Patrick spoke of the work of Mr. Studer at the close of the lecture, and paid him many compliments for the time, money and energy which he has and is now contributing to the Museum of which Mr. Patrick is a director, and who has given unstintedly of his means in its support. Mr. Studer's visit was sponsored by the Junior Le Beau Arts Club.

## WALTER D. CLINE WILL SPEAK TO COLLEGE GRADS.

### Municipal Junior College Commencement is Set For May 17th

Ten graduates of the Junior College will be handed their diplomas here Thursday night of next week. The exercises will be held in the College Auditorium. Those to receive diplomas this year are Fred Bourland, Luree Burson, Oleta Camp, George Winston McCleskey, Gertrude Mae Shepherd, Frances Adaline Smith, Isla Frances Smith, Guy Mike Stricklin, Charles A. Walker, William G. Word, Jr.

The following is an outline of the program:

Processional, Lights Out—E. E. McCoy.

Mrs. Simmons Powell. Invocation—Rev. Robert S. McKee.

Violin, Fantasie—Keler Bela. Mrs. G. L. Boykin

Introduction of Speaker—Mr. Sam M. Braswell.

Address—Hon. Walter D. Cline. Voice, a My Heart is Singing—G. Sans-Souci.

b. Canoe Song—Lieurance Miss Anna Moores

Presentation of Class—Dean W. A. Clark, Jr.

Awarding of Diplomas—Mr. F. E. Chamberlain.

Remarks—William G. Word, Jr. Recessional, Stars and Stripes Forever—Sousa.

Mrs. Simmons Powell Accompanist. Mrs. Allen J. Bryan

## Hubert Reavis Breaks State Record in Athletic Event

Attending the Texas Junior College track meet at Waco, Hubert Reavis set a new standard for the boys to shoot at when he made the low hurdles in 25.8, thus setting a new record for Junior colleges in Texas. He also won first in high hurdles. Sixteen colleges entered the contest.

Hubert greatly appreciates the fact that business men of the town made it possible for him to make the meet. He is a son of Rev. and Mrs. L. A. Reavis of Clarendon.

## PUBLISHERS OF PANHANDLE HOLD ANNUAL SESSION

### Donley County Publisher Is Elected Secretary For Coming Year

Davis M. Warren, publisher of the Panhandle Herald was elevated from vice-president to that of president at the close of the sessions Saturday. John L. McCarty of the Dalhart Texan was elected vice-president, and J. C. Estlack, publisher of the Donley County Leader, was elected secretary. Fred A. Story of the Childress News and Frank P. Engleman, publisher of the Tulia Herald were elected to the directorate board.

The publishers were guests of the Chamber of Commerce, Amarillo Globe-News and Herring Hotel and banquets and luncheons, the Globe-News serving a barbecue at the fair grounds Saturday noon complimentary to the printing fraternity.

One notable feature by way of entertainment was a motorcade trip to the Palo Duro Canyon national park. An immense lot of work has been done in the big canyon in preparing excellent highways. Buildings are now being constructed of native stone on a high prominence giving a view of the canyon for miles.

During the session a telegram was received from Congressman Marvin Jones assuring the convention that, in his opinion, no obstacles remained to retard highway construction in this section.

In the first annual association contests, in which not all entrants had competitors, the following awards were announced: Best ad up to half page, Clarendon News; best ad over half page, Clarendon News; best group of letterheads, Pampa Daily News job printing department, Hol Wagner, foreman; best news-story, Albert H. Law, Dalhart; best editorial, C. E. Clark Childress Index; community service, Dalhart Texan.

Before adjournment, the editors addressed a telegram to President Roosevelt, pledging their support of the newspaper code, but suggesting that "the Government cease its competition by discontinuing the printing of envelopes for our customers."

## Donley County Stone Axe Goes to P-P Museum

The only stone axe of its kind yet to be found in the Panhandle will enrich the exhibits of the Panhandle-Plains Museum, the artifact being contributed through Floyd V. Studer at Clarendon Wednesday.

The ancient relic of a civilization very remote according to Mr. Studer, was found by George Wayne Estlack in the bed of Troublesome Canyon, six miles southwest of Clarendon while on a picnic party recently.

## Mothers Day Program For Next Sunday

The Junior Choir of the Methodist church will have charge of the Mothers Day Service at 11 a. m. Sunday morning at the Methodist church.

A special program of music featuring a series of tableaux of mothers of several nations with their children will be presented.

While the announcement here is brief, this is one of the very best programs of the month and well worth seeing. Those who avail themselves of the opportunity will be pleased with the effort put forth by those taking part in the tableaux.

## Beer Petition Being Passed Around by Local Man

Fred Hardie, better known as the "Mayor of Sully Street," is circulating a petition that will ask the County Commissioners to call an election to determine the status of beer sales of the 3.2 variety in the Clarendon precinct, at present under the Dean law.

The petition asks that the election be held at the time of the first primary in July to avoid unnecessary expense.

## EIGHT CARS TO BRING BUSINESS MEN SATURDAY

### Annual Tour Dallas Business Men to Reach Here at 7:30 Saturday Morning

Arrangements are being made by the local Chamber of Commerce to properly welcome the visitors upon their arrival, and to see that contacts are made with local business men where desired.

The visitors will be greeted by a band of 30 pieces directed by Gus B. Stephenson. President Joe Goldston of the Chamber of Commerce is chairman of the welcoming committee. The other members are Secretary G. L. Boykin and Sam Braswell. City Commissioner Tom F. Connally will deliver the address of welcome.

The special train of eight coaches will include a baggage car, tourist pullman, dining car, club lounge car, and three standard pullmans, and an observation car.

Radios, shower bath and other conveniences including conditioned air ventilation will be provided. Telephonic connection will be made in towns where lay-over for any length of time is made.

This is the regular annual trip made each season by Dallas business men, and is sponsored by the Dallas Chamber of Commerce. The stop in Clarendon will be for one hour—7:30 to 8:30 a. m. next Saturday, the 12th.

## HIGHWAY WORK MAY BE RESUMED IN DONLEY SOON

### Federal Grant of \$750,000 Is Made to Further Texas Road Relief

An additional grant of \$750,000 was made this week by the federal relief administration for emergency highway construction relief in Texas. This sum was made available by administrator Hopkins to cover additional costs of materials not provided for in former allotments, following a conference with Congressman Marvin Jones and Senator Connally.

As the situation now stands, the relief administration will furnish all labor costs, on a matching basis with federal and state relief money, and the PWA will supply the materials cost.

Miss Marie Dresden, director of Texas unemployment relief, states that highway construction will begin in several Texas counties, designations to be made just as soon as the state board meets.

Attention is being called to the unfinished portions of the highway through Donley county, and it is hoped that this stretch of highway will be included in the designations soon to be made.

## Mrs. Holland Recovering From Critical Illness

Relatives and friends are today more hopeful for the recovery of Mrs. Joe Holland Sr. who has been critically ill for several days.

Her condition today is said to indicate quite a bit of improvement over the past two days. She is the mother of Joe and Lee Holland of the firm of Holland Brothers.

## Trades Day Next Wednesday

Clarendon merchants will observe their second Trades Day here next Wednesday, the 16th. This is the big day for the folks who make purchases in Clarendon.

A large crowd was present for the Trades Day a month ago and were well pleased with the manner in which the profit-sharing was handled. Circulars have been distributed over the trade territory giving the information that the postal authorities will not permit published in a newspaper.

BOOTLEGGERS HOGGING IT.

Before, during and after prohibition, bootleggers of the many forms of booze operated in Chicago practically unmolested. Now a new variety of bootlegging has sprung up. Federal men have discovered an organized gang of pork bootleggers who escape the government tax and chisel in on the packing house prices.

GETS DEATH FOR VIOLATING CODE.

Mrs. Ila B. Taylor, convicted at Lexington, Kentucky last week on a murder charge was given a life sentence in the reformatory. Mrs. Taylor hired a negro for \$50 to do the actual killing. In commenting upon the matter, a Kentucky exchange says that the negro was given the death penalty for violating the code. The regular fee for killing husbands in that state being \$500, the negro was nothing more than a chiseler.

DISCOURAGING CRIMINALS.

Just about the time the federal government steps in to offer big rewards for the capture of criminals classified as "public enemy or habitual," the authorities at the Joliet, Illinois prison bars "lingering kissing" believing that dope is passed to prisoners in this manner. Perhaps this accounts for the fact that two guests of that prison recently went out through the sewer into the Mississippi river, preferring the sewer route to halitosis.

MIGHT HAVE BEEN JOINT SNAKE.

Citizens in the vicinity of the Bradford farm six miles out of Brownfield, are unable to account for a strange incident, according to the Herald. Col. Jack Stricklin states that a man on that farm repairing fence left his wire stretcher on the job while he went to dinner. When he returned, the links of the chain had been broken and rewelded. The possibility of lightning figuring in the strange occurrence was abandoned when it was noted that no clouds were present and no thunder heard. It is barely possible that a Gila monster in an absent-minded moment chewed up the chain which was afterward connected back again by a joint snake. They claim to have both down there as they claim to have everything else pretty much like Amarillo lays claim to everything in the Panhandle proper.

PANHANDLE PRESS CONVENTION.

In entertaining the Panhandle publishers Friday and Saturday, Amarillo again does herself proud, nothing being left undone to show the visitors every courtesy. One remarkable feature of the plans that appealed to us being the fact that printers, publishers and business men of the metropolis cooperated. Nobody laid down on the job day or night. When the time came to select a meeting place for 1935, Amarillo invited the press back. The invitation was accepted unanimously. In an effort to show our appreciation of the courtesies extended us, Amarillo will get a whole lot of well deserved publicity during the year. As a matter of fact, Amarillo is booster for more projects of an unselfish nature designed to benefit the entire Panhandle and southwest, than any other town or city in the nation adjacent to any undeveloped territory. Instance Tri-State Fair, Panhandle-Plains Museum, Palo Duro National Park and highways over which the nation may reach them with the least possible trouble and expense.

CANDIDATE GETS UNCLE JACK'S GOAT.

Down at Groesbeck Jack R. Hawkins publishes a weekly above the average in which he caters to everything and everybody when he thinks it worth while. Through the years he gave publicity to each candidate alike, and among them is one Ross Hardin. After accepting favors from the Groesbeck Journal, and enjoying columns of publicity in that publication, Hardin makes the following statement that riles friend Hawkins:

"I've been getting that paper for four years and have never yet found anything in it worth reading."

That is a fair sample of the opinion of these candidates who flood our mail every day with their cheap publicity stuff expecting the publishers to spend good money getting their dope across to the public. More than half of some of it is bare-faced lies at best, and some of the charges are an insult to any man of intelligence. After all is said and done for these professional moochers, they do not appreciate it and on the hand regard the publisher as a natural born dam fool—which he is. That last statement includes ourselves because we have all been guilty in the past.

CHLOROSIS OF PLANTS IN TEXAS

The yellowing or loss of color in leaves of some plants in your garden or some of your ornamentals or orchard trees or even on spots of your field crops is probably a condition called chlorosis, resulting from a nutritional disturbance. Chlorosis is different from the common plant diseases that are caused by fungi or bacteria and can not be successfully treated by the methods used for those diseases. It does not spread from plant to plant and while the yellowing plants are often found in groups, that is because the soil area, either contains too much or too little of any of several mineral substances. Research workers at the Texas Experiment Station state that the most common cause of chlorosis is an excess of lime in certain soils which prevents the iron in the soil from being available to the plant. Other causes include the deficiency of potash or nitrogen, excess of alkali, or defective condition of the roots or of the whole tree. Chlorosis becomes apparent when the production of green chlorophyll or coloring matter in the leaves has been disturbed. These chlorophyll bodies when acted upon by sunlight manufacture the feed for the nourishment of the plant and the production of these chlorophyll bodies depends upon the availability of nitrogen, magnesium and iron. There are two methods of attacking chlorosis, (1) the actual mechanical application of iron into or on the plant and (2) soil treatment to render the iron already in the soil available to the plant.

Under Texas conditions most chlorotic plants will respond to treatment of the soil with iron sulphate (copperas). The best application is 1 part copperas to from 1 to 5 parts super phosphate or manure applied in holes a foot deep and 1 inch in diameter filling each hole. These holes are scattered around the plant from a few inches in the case of small plants to 3 to 6 feet in the case of trees, the number of holes varying with the size of the plant. Usually about 1 pound of copperas for each inch in diameter of the tree trunk is sufficient. In the case of roses or other shrubs four holes a foot away from the plant should be sufficient.

Sulphur and manure supplemented by iron sulphate may also be effective in correcting the soil conditions that cause iron starvation. Pulverized sulphur with manure should be worked into the top soil about the plant and allowed to undergo oxidation for several months after which the iron sulphate-super phosphate mixture is applied. Such a treatment will ordinarily remove the need for spraying.

Treatment of the plants with iron is quite successful. A generous spraying of the leaves, leaving no spots unsprayed, with a solution of 1 pound of copperas to 3 or 4 gallons of water will furnish the leaves with iron and cause them to take on a green color. When the foliage is tender this may be too strong. Tender citrus foliage was injured by a 1 per cent solution but a 25 per cent solution was effective and did not harm the foliage. Only the leaves touched by the spray will be restored therefore a good job must be done. Foliage appearing after the application may continue to be chlorotic unless spraying is repeated or the soil treated or iron is supplied to the plant. In treating trees a 3-8 inch hole is bored 3/4 inch deep into the trunk or limbs and either iron citrate or iron phosphate should be inserted in these. These iron salts in the form of flaky crystals can be obtained at any drug store and should be ground into a powder and inserted into the plant. They are not poisonous. Copperas should not be used in this type of treatment. For small trees a single hole will usually be sufficient. For larger trees two or more injections should be made and holes spaced around the trunk at intervals of about 3 inches. When the hole is filled with the iron citrate or phosphate it should be sealed over with a protective wax of some sort. Some workers recommend driving ordinary iron finishing nails a dozen or so, into the trunk of trees affected with chlorosis being careful not to injure the bark unnecessarily, using a nail set to drive the head of nail beyond the bark. The iron supplied to the trees by these nails is more slowly available than the powdered forms but has been found effective.

J. C. Doherty of Hedley made a business trip to Pampa Monday stopping over here on his return.

Hon. Philip Wolfe of Pampa and a candidate for the legislature, mixed with the voters of this section Monday.

As Webster Saw It Then

In this day of political unrest it behooves us to read and re-read this cogent passage from Daniel Webster's Speech at the Centennial Anniversary of Washington's Birth:

"Other misfortunes may be borne, or their effects overcome. If disastrous wars should sweep our commerce from the ocean, another generation may renew it; if it exhaust our treasury, future industry may replenish it; if it desolate and lay waste our fields, still, under a new cultivation, they will grow green again, and ripen to future harvests. It were but a trifle even if the walls of yonder Capital were to crumble, if its lofty pillars should fall, and its gorgeous decalorations be all covered by the dust of the valley. All these may be rebuilt. But who shall reconstruct the fabric of demolished government. Who shall rear again the well-proportioned columns of constitutional liberty. Who shall frame together the skilful architecture which unites national sovereignty with State rights, individual security, and Public prosperity? No, if

these columns fall, they will be raised not again. Like the Coliseum and the Parthenon, they will be destined to a mournful and a melancholy immortality. Bitterer tears, however, will flow over them than were ever shed over the monuments of Roman or Grecian art; for they will be the monuments of a more glorious edifice than Greece or Rome ever saw, the edifice of constitutional American liberty."

W. J. Fitzsimons.

JAILED FOR PRICE CUTTING

From the viewpoint of critics, the supreme commentary on the new economic regime in the United States has arrived: A man in New Jersey has been sent to jail for a nickel he did not take. Jacob Maged, a Jersey City tailor, spent three days in durance for pressing a suit of clothes for 35 cents when the cleaners and dyers' code set a minimum of 40 cents.

Mr. and Mrs. Dick Thomas and children of Dimmitt visited relatives and friends here over the week end.

The infant daughter of Mr. and Mrs. Eugene Estlack, badly burned about the head last week when she fell into a steamer of boiling water, is improving nicely with a possibility that her hair will resume a natural growth.

Orville Doherty of Hedley had business in Clarendon Monday.

A NEW BUSINESS ERA

In this day of complete change, the man who is alert and watchful for new opportunities, as well as new dangers, is the one who will profit from the new conditions.

We are undoubtedly arriving at a period of re-viving business, and this bank recognizes the fact that the welfare of its institution is closely identified with the welfare of its customers. It is now more thoroughly necessary than ever before for people to identify themselves with a strong conservatively-managed bank with ample resources.

TEMPLE OF TRUTH  
By the Apostle

Remembering our childhood days on the farm, Stall & Curry in the insurance business in Wellington sought to make a clean-up this year.

Bachelor Bill says the average bachelor thinks that the average woman is given to small talk in large quantities.

Perhaps the Oklahoma man who

was arrested at Shamrock Friday for stealing home made soap from Mrs. Lee Roberson of Magic City merely wanted to go back home and help Gov. Murray clean up his state. Or perhaps it was against the code.

That fountain pen swiped recently during the banquet at the Antro hotel has not been returned to me yet though four professional men know the professional man who swiped it. He ought to mail it to Mr. Taylor if he has not reformed to the extent of taking it to him in person and apologizing for being a petty thief. Mr. Taylor paid for my new pen and he did it because he had borrowed mine. Yes, the party who got the pen was presumed to be respectable enough to be invited to the banquet. It begins to look like we will comply with a bunch of requests and print his name in bold black type on our front page with a black border around it omitting any comment.

A Hollywood publisher is sore because the dailies failed to print a picture of Maxine Elliott and her pet monkey after the varmint bit her on the leg. It's a wonder they did not at least publish a picture of

the leg. The monkey's name was kiki. Really an enlarged picture of the wound should have been given a spread, and the failure of the publishers to do so is nothing short of journalistic cruelty. People want to know more about girls who live in villas with pet monkeys, how, when and where they bite and how often.

Now that the cavalry has been dehorned and motorized, will the women folks be as crazy about a greasy uniform without a saber and only a wrench in the hip pocket as they always have been over a clean uniform spic and span and a two foot butcher knife hanging down the old boy's leg? Imagine a daffy gal spending an evening in the moonlight listening to a discussion of motors, piston rings and gears!

Coming down on the train Saturday night a part of a conversation of a young couple on the next seat went something like this: "You are my quivering poppy of the wind-blown plains of the golden west." She liked it because she came right back with, "you are my infinite—my diamond in the rough that needs the polish of love, etc. etc." for 39 miles.

That's all bunk about not being able to fool the younger generation. Saturday when a woman tripped down an Amarillo street with a new Breton sailor she was taken for a senior dressed for a freak parade.

The College Hill widow says that her neighbor who can't bore her way into society with a gimlet claims that vamps don't break up homes—it's the women who play bridge.

Speaking of Humane Societies, a Colorado exchange tells about a man being chased up a bee-tree by a bear. The man sat down on the bee hole until the bees got mad. Now he makes the Humane Society furnish him a cushion.

Perhaps if we gave more praise to those who help us, and not take up all the time abusing those who wrong us, we would be better off.

The trouble with many politicians is that they know too much

for their benefit, and not enough for the public good.

Look out, folks. A poem is coming on - - - Sing a song of politics, A bottle full of rye, Four and twenty candidates Looking round for pie. When the pie is opened, Those birds begin to sing, You and I, who pay for pie, Aught to eat the thing.

And "way back yonder" in the autograph album days - - - "Peruse these simple rhymes, If ever you read any, And think of me sometimes, Among the many."

Women may be wobbly in throwing a rock, but they can shoot straight. Being shot by his wife these days has gotten so common that it is a disgrace to any man because they invariably take her to the courthouse for a trial before turning her loose.

If we are to judge of their past by the way some grouchy faces look at present, some people have had a hell-of-a-time in the past.

Those of you who like flowers and trees should read the article in this issue on "Chlorosis," the condition that causes your plants to turn yellow. The remedy is given, one which the writer has found to be the most effective, if you care for further proof of the value of the advice given.

George Autry, manager of the printing department of the Russell printing plant and stationery store in Amarillo, is a printer first because he began back in 1917 working in the plant of the writer in New Mexico, and an artist because he has natural ability. Several young men have been in my employ, and they are regarded as personal friends with the title of "step sons." George is married, has one of the sweetest women one ever met, and two interesting youngsters—Margaret Louise and King George III. A pair to tie to and contrary to modern customs, each respect parental authority. It's a sensible couple that starts in on a sensible basis of rearing little folks. They have a nice home out on the west side and are happy with the missus keeping house and George working for Horace Russell and making his part of the firm hum with prosperity where business has been scant for the past three years in the average printing plant.

A Dalhart girl said to have taken an alum water bath to protect her complexion against the awful sand storms, didn't do so well. Every time she batted an eye, her mouth flew open. When she raised her arms, her toes curled up. Girls, be careful.

pils received reading certificates last Monday. These certificates were issued by the State Department of Education to Reba Booles, Johnnie Rhodes, and Vivian Zeazy for having read twenty books from the approved list. We have several other pupils who are rapidly completing requirements for certificates. In the last four school years, the pupils of this school have received twelve of these reading certificates. We feel as if the pupils are using their leisure time in a profitable manner. After all that is one of the functions of a school. We had our long talked of, long waited for, and long prepared for VISITING DAY. We are glad that quite a number of the Patrons come out to see the work that was displayed by the pupils. We hope that you will visit school anytime that you feel like it. We were supposed to play the Lella Lake school boys in baseball last Friday but for some unexplained reason they failed to come, and the Friday before that they failed to show up. We guess that they are a little discouraged since we beat them in the opening on their own diamond.

ASHTOLA SCHOOL NEWS

THE LOG OF A PIRATE
The Senior Class of '34 celebrated "Senior Day" with a trip to Dripping Springs. The class accompanied by Mr. and Mrs. Thomas set forth early Monday morning and arrived shortly before noon. A very appetizing lunch had been prepared by the girls, and ice lemonade was furnished by the boys. Everyone reached home in the evening tired and happy, but whole, which is remarkable considering some of the dare-devil stunts that were pulled, such as swinging from the high bluffs on a rope, and staging several wrestling matches. We hope that Foster Gregg suffers no ill effects from falling into the water, and that Willard Cooke isn't much the worse because of his fishing experience.
The Senior play had to be postponed last Friday due to the illness of Tendal Gregg, one of the char-

acters. It will be presented Friday evening May 11th instead, and we extend a cordial invitation to everyone to be present.

After the completion of the six-weeks exams, the valedictorian and salutatorian for this year was decided upon. Viola Barker, having the highest average for the year was easily valedictorian, and Keith Swinburne was salutatorian. Others deserving honorable mention because of their work this year are D. W. Tomlinson and Athlyn Drennen. Athlyn having completed three years work in two.

The Pirates are to meet Goodnight in a baseball game Wednesday afternoon on the Pirates home diamond. The team is rounding into a baseball club that is a credit to the school and to the community. We are now standing 500, having lost two games to Goldston and won from Hedley and Goodnight,

but are hoping to bring up our percentage this week. The Pirates appreciate the support of the community along this line of endeavor, and will strive to give spectators a worth while exhibition. We wish to take this opportunity of thanking Mr. Poovey for permitting us the use of his pasture as a ball diamond.

Las Piratas met Tuesday at the home of Lodema Mason, for their regular night meeting. Eileen Rhodes was initiated at that time.

Editor and publisher Thos T. Waggoner and family of Claude were down Sunday visiting with his wife's relatives, Mr. and Mrs. F. L. Behrens.

Mr. and Mrs. Hugh Brown left Saturday to visit relatives and friends at Ft. Worth, Garland and other points for the benefit of Mrs. Brown's health.

**FLOYD V. STUDER LECTURES TO CLUB**  
The Junior Les Beaux Arts Club had as their guests at the Club Rooms Wednesday, the five federated clubs of Clarendon.

Mr. Floyd Studer interestingly spoke upon the Panhandle Indian and archaeology. Dean W. A. Clark introduced the speaker. After a brief discussion of the Panhandle Plains Museum and of its purpose,

Mr. Studer gave an interesting discussion of the Indian, his dwelling, his habits, and his civilization. The primary purpose of Mr. Studer's lecture was to show that the Indian was not savage as he is so often called. In developing this thought, he compared the Indian to the modern American in such ways as the Indian agriculture with modern farming, the Indian smoke signals with the modern

radio minus the static, and the sincerity of the Indian religion.

After Mr. Studer's lecture, refreshments were served to seventy guests by the hostesses, Misses Jean Bourland, Joyce Link, Carroll Holder, and Joella Stewart.

**CLARENDON H. D. CLUB**  
Mrs. John Lott entertained the Clarendon H. D. Club at her home Friday afternoon.

After a short business meeting, the ladies enjoyed pleasant conversation and sewing until Mrs. Lott served an ice course refreshment to afternoon guests, Mmes. J. T. Warren, W. T. Hayter, Will Lott, Miss Lucille Wright. Club members, Mmes. Anderson, A. H. Baker, Broun, Brady, Clark, Chase, Crabtree, Estlack, Fink, Gamblin, Hahn Hudson, McDowell, Mosley, Edd Speed, Schull, Miss Fannie Perry.

**FRIDAY NITE BRIDGE CLUB**  
Mrs. B. F. Kirtley in her charming way entertained the Nite Bridge Club at her home Friday night with a lovely dinner party.

In the games of bridge, Mrs. Powell was awarded high score prize. Those present were Messrs. and Mesdames Simmon Powell, Edd Teer, Earl Alexander, Frank Stocking, Mr. and Mrs. Kirtley, hosts.

**1912 NEEDLE CLUB**  
The members and guest of the 1912 Needle Club spent a very pleasant afternoon at the home of Mrs. J. T. Patman Thursday when

she was hostess to the Club. Hand work and visiting were the main diversions of the afternoon.

A lovely 2-course luncheon was served to guests, Mmes. Geo. Ryan, T. H. Ellis, Bill Price.

Members, Mmes. Sella Gentry, J. H. Baird, Annie Hall, A. A. Mayes, A. L. Chase, R. A. Chamberlain, Crockett Taylor, B. L. Jenkins.

**WIN ONE S. S. CLASS**  
The home of Mrs. J. R. Bartlett was beautifully decorated with spring flowers Monday afternoon where the Win One S. S. Class of the Methodist church was entertained. Mmes. B. L. Jenkins, Brown, Kutch, and Bartlett were hostesses. Mrs. J. T. Patman, the teacher of the class, received a beautiful handkerchief shower from the class.

Contest games were also played. A lovely refreshment was served to 27 members.

**CHRISTIAN AID SOCIETY**

Mrs. C. L. Knight entertained the Christian Aid at her home Wednesday afternoon. Mrs. W. T. Hayter, pres. called the house to order at 3 o'clock. Mrs. Ferrell opened the meeting with prayer. After a short business session, the ladies voted to have a Saturday Market at the M System grocery store. The president turned the devotional over to Mrs. McAdams. Lesson, 7th chapter of Hebrews.

The hostess served a delicious plate lunch to 8 members. Meeting dismissed with Lord's prayer.

**JUNIOR CHOIR PARTY**

The Win One S. S. Class entertained the Junior Choir Monday evening at the home of C. C. Powell with a weiner roast. After the weiner were roasted and marshmallows were toasted and all had feasted, out door games were played until late. About 43 were present.

**BRIDGE PARTY**

Miss Maxine Mann delightfully entertained a few of her friends Monday nite. Bridge and forty-two and other games were played. Then refreshments were served to Miss Pegg Oliver, Ruby Sims, Sue Allred, Doris Wood, Jackie Cooper, Frances Allen, Duella Smith and Miss Maxine Mann, hostess.

And to Messrs. Ben and Bill Thompson, Mack Carter, Pete Mcadoo, Ernest Harp, Jack Winston, E. J. Russell and Bob Mann.

Floyd Howard and Family  
Arthur Howard and Family

## GOODYEAR G-3 WHIPS TREAD WEAR PROBLEM

**Speedier Cars, Quicker Stops Make New Demands On Tire Equipment**

"The modern automobile is responsible for the greatest tire our company has ever made," declared Mr. Joe Holland, local dealer for The Goodyear Tire & Rubber Co.

"Present day cars with their greater speed, faster getaway and more powerful brakes for quick stops have produced a problem in the tire wear which has been solved by Goodyear engineers in the newly introduced G-3 tire," he asserted.

"With the advent of smaller wheel diameters, high speed motors and powerful four-wheel brakes, tread wear became more of a problem—a problem immediately tackled by the company's engineers and research men. At once they started work on a new tire that would defeat these conditions and our new G-3 is the answer.

"Many designs and compounds were created only to be thrown away, but finally one bearing the factory number 'G-3' was found to stand up under the grueling tests. One of the tests consisted of running the tire against sharp granite grit and resistance of the G-3 to this abrasion was found to be far greater than designs previously tested.

"Test cars then tried the G-3 for months—speeding up to 60 miles per hour, jamming on brakes. Cars and brakes wore out—but the G-3 stood up and kept on standing up! "The new tire, with its flatter tread, longer non-skid design wear, slower 'heel and toe' wear and greater safety with more non-skid blocks on the tread, has met and whipped the problem presented by the modern car," Mr. Holland concluded.

## NOTICE DELINQUENT TAX PAYER

The City of Clarendon has some obligations falling due in the near future.

We do not want to be unduly persistent but we want to assist all delinquents in meeting their past due taxes.

In order to assist you, and to enable the City to meet her obligations, we are going to remit all Interest and Penalties on all taxes paid on or before July 15th, 1934.

If you can't pay in full we will accept partial payments.

The City Commission.

## MAKES YOU LOSE UNHEALTHY FAT

A young woman of Norwich, Conn., writes: "I lost 16 lbs. with my first bottle of Kruschen. Being on night duty it was hard to sleep days but now since I am taking Kruschen I sleep plenty, eat as usual and lose fat, too."

To take off fat—take one half teaspoonful of Kruschen Salts in a glass of hot water in the morning before breakfast—one bottle that lasts 4 weeks costs but little—get it at Douglas & Goldston or any drugstore in America. If this first bottle fails to convince you this is the SAFE and HARMLESS way to lose fat—your money gladly returned.

Don't accept anything but Kruschen because you must reduce safely.

**CARD OF THANKS**

May we take this means of expressing our deepest appreciation to our many friends and neighbors for the kind deeds and words of consolation given us during the illness and death of our Darling Baby and Grand Baby, Jackie Ann. May God's richest blessings be upon each and everyone of you is our prayer.

Mr. and Mrs. Joe Bownds  
Mr. and Mrs. C. E. Killough  
Mr. John Bownds

Mr. and Mrs. J. R. Henry and Mrs. Steele of Pampa were guests of Mrs. J. B. Baird Wednesday.

**HEDLEY**  
\* \* \* \* \*

The Singing Convention met in the school auditorium Sunday morning at 10 o'clock and went over in a great way.

The great auditorium was packed and many people standing. The program was splendid, the singing, we will say "was great." People came in the morning and stayed until the last song and benediction, thereby showing they really enjoyed the fine music and song. A splendid dinner was spread on a long table in front of the building and many enjoyed it and the sweet association of friends and neighbors.

The surrounding communities and towns that were represented were Bray, McKnight, Ring, Wellington, people over the county, Memphis, Newlin, Amarillo, Brice,

Ice cream and cake were plentiful and the ladies of the Club took in something over \$20.00. Three cakes were sold to the highest bidder, one brought \$1.00. A very enjoyable social time was spent.

Gene and Roberta Whiteside have been quite sick with the measles.

Rev. Swan will leave Thursday evening to attend the Bishop's "Council of Advice" to convene at St. Stephens Church, Sweetwater, Friday, May 11th to consider important business.

## CITY GROCERY AND MARKET

NOTHING BUT THE BEST

**TIRE PERFORMANCE SHOWS LEADERSHIP**

According to Hommel Bros., local Firestone dealers, the new Firestone High Speed Tire for 1934 is the last word in tire construction—it is the greatest tire Firestone ever built.

"In no product today is there wider performance difference than in the various makes of tires at high speeds," Mr. Mommel said. "No other product is more vital for safety of motorists. The 500-Mile Race of past years at the Indianapolis Speedway was recognized as a race of tires. To keep the tread on the body of the tire was the greatest problem due to the terrific strain and the heat generated by internal friction at high speeds. Gum-Dipping was the answer of Firestone engineers.

"In the recent series of stock car and road races in California, Firestone Tires have always been on the winning cars. They are the same kind of tires the motorist purchases from his local dealer. All the great racing drivers are familiar with occasions when a driver using another make of tires had to slow up or stop at the pits for a tire change on account of tread separation. The thicker the tread the more heat it holds in the tire—unless the body construction

guards against internal friction heat.

"Gum-Dipping the high stretch cords gives the adhesion which welds the tire into one strong unit. This made it possible for Firestone to develop the first successful balloon tire in 1923, and has made possible other developments which have brought leadership based on performance. With the amazing advancement of tire safety and mileage, Firestone has always sought efficient production so that the motorist would pay no premium."

**Anniversary of Methodist Sunday School**

A special program was arranged at the church Sunday in observance of the 44th anniversary of the Methodist Sunday school. Mr. P. A. Buntin was the only charter member present.

Mr. Buntin gave a bit of history of the organization, and Mrs. C. A. Burton gave an account of the various developments in the work through the years.

Little Miss Phyllis Ray Ingram, youngest member of the Sunday school at this time presented Mr. Buntin the oldest member, with a basket of flowers.

Donley County Leader, \$1.50 a year

**Civil Service Examinations**

The United States Civil Service Commission has announced open competitive examinations as follows:

Supervisor of Secondary Education, \$4,600 a year, less \$400 a year for quarters, fuel, and light, Indian Field Service, Department of the Interior.

Associate Public Health Nursing Analyst, \$3,200 a year, Public Health Service, Treasury Department.

The salaries given above are subject to a deduction of not to exceed 10 percent until June 30, 1934, and of not to exceed 5 percent during the fiscal year ending June 30, 1935, as a measure of economy, and also to a deduction of 3 1/2 percent toward a retirement annuity.

Full information may be obtained from Miss Norma Rhode, Secretary of the United States Civil Service Board of Examiners, at the post office or customhouse, in this city.

G. W. Antrobus left Wednesday night for Ft. Worth. He will not return until after the Southern Baptist Convention meets the last of the week.

Dr. Geo. Stocking of Washington D. C., spent the week end with his mother, Mrs. J. D. Stocking. Sunday Mrs. J. D. Stocking and Mr. and Mrs. Jerome Stocking motored over to Borger with Dr. Geo. where he left by airplane for his home.

**COUNTY SCHOOL NEWS**

By Sloan Baker  
County Supt. Schools

The Donley County Board of Trustees will attend the Educational Rally at Paducah May 19th. Classification of all schools will be considered by the County Board in session May 26th at ten a. m. in the District Court Room. All trustees of the county and the principals are urged to attend both meetings. Paducah program follows:

An Educational Conference will be held at the High School Auditorium in Paducah, May 19, 1934. Program—10 a. m.

Invocation—Rev. J. E. Billington  
Welcome—Supt. C. E. Jackson.  
Music—Paducah Glee Club.  
Texas Educational Program—Dr. L. A. Woods, State Superintendent.

**Moved to Bennet-Sims Farm When Heck Was Pup**

Just how long that has been is better told by O. L. Wilkinson, tenant on one of the Bennet-Sims farms near Kelly creek. He moved out there almost seventeen years ago.

Near him resides Will C. McDonald who has been on a farm owned by John T. Sims for fourteen years. Both men rate high and the owners of the farms appreciate dealing with good men to the extent of keeping them on through the years. Anybody beat that 17 year record?

Sunday with friends in Childress. Mrs. B. J. Leathers has spent the past few days with her mother of Childress who is seriously ill.

Home and Garden Club met in the home of Mrs. M. G. Cottingham last Tuesday afternoon. At the close of the meeting, ice cream and cake was served to those present.

The intermediate Sunday school class of the First Baptist Church and their guests were entertained by the teacher, Mrs. C. W. Martin Saturday evening in the home of Mr. and Mrs. D. M. Cook. After playing many indoor games refreshments of cream and cake was served to the youngsters.

(Delayed from last week)  
Members of the Home Makers Class of the First Baptist Church of Lelia Lake were royally entertained by Mrs. D. W. Tomlinson in her home at Ashtola Thursday in a social and all day meeting.

A covered dish luncheon served buffet style was enjoyed at the lunch hour. The election of officers was in order and those elected were Mrs. Sally Noble, teacher; Mrs. Ora Aten, pres.; Mrs. Cecil Cook, vice-pres.; Mrs. Fannie Jones, sec.; Mrs. Nora Leathers, reporter; after which adjournment and wishing they could meet with Mrs. Tomlinson quite often.

Those present for the pleasant day besides those mentioned above, were Mrs. C. L. Lewis, Mrs. Clark Cook, Mrs. Bertha Gerner, Mrs. Annie Leathers, Miss Thelma Cook and Mrs. Lillie Knox of Ashtola. Mrs. Knox and Mrs. Tomlinson were former members of this class.

**MARTIN**  
(Polly Sowell)  
Sunday school was held at the usual hour Sunday with a larger attendance than we have had for a good while.

Next Sunday Bro. Williams will fill his regular appointment. Let us all try to be there.

Singing was well attended Sunday night.

There were several from this community that attended the singing convention at Hedley last Sunday.

Mr. G. C. Spier had the misfortune of losing one of his good work mules last week.

The farmers of this community are very busy now planting since the good rain of last week.

There will be an old time WasherPitching Tournament at the Martin school house Friday afternoon. Prizes will be awarded to the winners. Everyone in the county has an invitation to come. Be sure and bring your washers.

Mrs. R. T. Moore who has been visiting her sister and family, Mr. and Mrs. Dave Patterson returned Monday to her home at Kennedy Texas.

Miss Onata Hayter returned home Sunday from Dallas where she has been visiting relatives.

Mrs. Harry Hartzog spent the latter part of the week at Brice with Mr. and Mrs. C. K. Killough.

Mr. and Mrs. Noel Harvey and son from Petersburg were here a few days last week visiting relatives and greeting their many friends.

Mrs. Arnold Porter from Sunray Texas is visiting this week in the home of Mr. and Mrs. Walter Morrow.

Mr. and Mrs. Will Barker spent Sunday with Mr. and Mrs. Claude Easterling.

Mr. and Mrs. Clyde Easterling and family spent Sunday with Mr. and Mrs. E. L. Moore.

Mr. and Mrs. M. S. Kavanaugh Allen Kavanaugh and Mary Herriage from Shamrock spent the week end with Mr. G. W. Kavanaugh and family.

Mr. J. E. Baker spent Sunday with Mr. and Mrs. J. A. Pool.

The school year is again drawing to a close. The main thing on most everyone's mind at present, is studying in order to make a good passing grade for the end of school. We all enjoy looking back over the past school years and the year almost gone and think of the good things that have happened and forget the bad. There is of course, past special occasions on which we spend much time of, while there are occasions that we give little thought, but I am sure no one would like to have left any of them out of his or her life.

The time is drawing near for commencement. This means much to many, especially the seniors. We

use the word commencement in preference to the word graduation because when we finish high school we are really just commencing to do our duty in life. Although we have only four seniors this year, we are very proud to say that at least four of that group are starting out in life. Some of them plan to go to college, some are unable to do so, while some intend to take up farming as their vocation. Those of us who are not fortunate enough, or those who have not reached the senior year, plan to do various things throughout the summer to occupy their minds until time comes next year to work toward commencement.

**The Jolly Juniors**  
 Did the Juniors have some fun last Tuesday while the Seniors were gone? Yes, I say we did. We came to school last Tuesday morning and found our books all mixed up. The Seniors were afraid of something for they hid all their books. Just ask the Seniors what we did to their desks. I'm sure they will tell you. The Sophomores were for the Seniors which made it hard on us, nevertheless, we had lots of fun during the day. The Junior boys took rocks and spelled Juniors over on the highway. Then they painted the rocks white. It is still there. Maybe the Seniors haven't seen it yet. The next morning the Seniors came to school and found two Junior flags still waving although they suffered all the rain.

This school term is about to an end. The Juniors and the rest will miss the four Seniors. We hope next year that there will be a larger class of Seniors.

**A Surprise Shower**  
 What a grand surprise Mr. and Mrs. Thomasson received last Friday morning about nine o'clock! Just to show Mr. and Mrs. Thomasson how much they have been appreciated in Lelia Lake High School and how much they will be missed, the student body gave Mr. and Mrs. Thomasson a handkerchief shower.

With the help of Miss Hill and Mr. Cooper the shower was arranged very quietly, so as not to arouse the suspicions of Mr. and Mrs. Thomasson. Therefore the surprise shower was in every way a success.

**Boy's Athletics**  
 Wal' folks, another school term has just about passed out. Most of us will be back again next term to defend the Zebra's titles.

This term has proven more successful than the last one for the Zebras. We improved our records very much, although we should have done better.

Some of the most outstanding games of basketball the past term were with Goodnight, Lakeview and the Hedley All-Stars, all of them being Class A teams. We were defeated by Lakeview and Goodnight by a small margin and defeated Hedley by one point. We were in fine shape that night and anyone knows that will go a long way with a player.

We also had a very good track and field record this term. As this was some of the boy's first appearance on the field we expect them to have a better showing next term. We are expecting to have a good team next term. Our old team, Floyd, Finch, Allen, Howard and Reynolds are coming back to it next term with a greater endeavor than ever. We're going to make somebody step, "and so quick" that they'll never know anything about it.

Being as this May weather is here and it is so pretty and warm, the old swimming hole is calling for us. We're off now, for we have the "Swimming Hole Blues." My name is Jones, I'm one of the Jones boys.

—Bashful.  
 —oOo—  
**Wise Sayings From Wise People**  
 If you would only listen you would hear the following by-words:  
 Rubye Jones—Gee Whiz!  
 Margaret Gerner—Gee Whiz!  
 Ruth Davis—Aw shucks!  
 Bernice Self—Aw Heck!  
 Fern Martin—Sez you!  
 Billie Admire—Super Gop 'tisous  
 Juanita Jones—Oh, baby!  
 Inez Woods—Good gosh!  
 Virginia Williams—Gra-shus!  
 Francis Johnson—Oh, yeah!  
 Bobby Leathers—Darn!  
 Margaretta Cruse—For Garden Seed!  
 Morris Finch—Goodnight!  
 Moody, Aten—Golly!  
 Lanelle Lewis—You're telling me  
 Miss Hill—All right get quiet!  
 Vernelle Leathers—Good-ness!  
 James Reynolds—Aw!  
 Beatrice Hardin—Yeah!

Gevena Roberson—Oh, you know Lorene Brown—Where?  
 Lottye Mae Holland—Now!  
 —oOo—  
**Locals**  
 Laura Mae Gerner spent Saturday night with Mary Jane Cook. Jessie J. Tomlinson spent the week end with Mary Jane Cook. Miss Hamm spent Saturday nite and Sunday at Ashtola. Leota McKee spent the week end at Ashtola. Margaret Gerner spent Saturday nite and Sunday with Rubye Jones. Lanelle Lewis spent Sunday with Billy Admire. Mavis Wiggins spent Sunday with Marie Howard. Margetta Cruse, Lorene Brown, Inez Woods, Geneva Robinson and Ora Johnson and Fern Martin spent Sunday with Marie Howard. Tommie Allen spent the week end with D. W. Tomlinson of Ashtola.

—oOo—  
**Note of Thanks**  
 One of the most delightful surprises which have come to us lately was the handkerchief shower on last Thursday. We wish to again thank all the boys and girls who so remembered us. We appreciate the gifts themselves, but more we appreciate the friendship and thoughtfulness which prompted you. We shall always remember you as dear friends who made our stay in Lelia more pleasant.

Mr. and Mrs. W. V. Thomasson  
 —oOo—  
**Senior Day**  
 And what a day! We'll never forget it. We had some experiences that few Seniors have had the opportunity of experiencing.

On Tuesday, May 1st, we, the Seniors, accompanied by Miss Lafon our sponsor, left Lelia Lake. We arrived at the Palo Duro State Park about 10 o'clock and such sights as we did see! The first thing we saw was the CCC camp on the rim of the canyon. After much winding, we soon found ourselves on the floor of the canyon. The formations of all kinds which were of varied shapes and colors were quite beautiful and certainly very interesting. It is hard to believe that such rare beauty can be found in the Panhandle and so near home. We took snapshots all along the canyon throughout the day.

William and Elbert developed a ravenous appetite quite early in the day, but their pleadings were ignored until 12:00 o'clock. We spread our lunch in a nice grassy spot under some large trees. By this time everyone's appetite was sharp so it was soon devoured.

We climbed out of the canyon soon after lunch and arrived at the Historical Museum at 2:00 o'clock. We lingered here for an hour as this proved quite interesting, as most of the contents were relics of the Panhandle.

We left Canyon for Amarillo. We went to the Paramount Theatre and saw George Raft in "The Trumpet Blows."

We started home at 6 o'clock, expecting to be there in a short while, little knowing that a regular flood had come on down the way. The farther we came, the harder it rained, until finally the car was "drowned out" in a "river" that happened to be right in the middle of the road. We finally, after many hours arrived in Clarendon. A water soaked bunch with our spirits a little dampened too. But the trip was worth the price, for I'm sure there were no regrets.

\* \* \* \* \*  
**\* CHAMBERLAIN \*  
 \* SCHOOL NEWS \***  
 \* \* \* \* \*  
 Chamberlain got plenty of rain last week. Carrel Rippeto who was kicked by a horse has started back to school. Max Wilson spent Thursday nite with Joe Frank Heathington. The Chamberlain community enjoyed a play Friday night of last week. Bethel put it on and the

name of it was "The Wild Man from Borneo."  
 Mary Kathryn Harden and Jaunita Estes spent Sunday with Frances Holt.  
 The Sunday school of this community is presenting a Mother's Day program, May 13, 1934.  
 Mr. R. W. Fowlkes' father passed away May 2, 1934. He lives at Post, Texas. Mr. Fowlkes mother passed away a few weeks ago.  
**Fifth Grade News**  
 There are nine fifth grade pupils Mary Dell Heathington, Della Mae Heathington, Alma Green, Carrel Donham, True Barbee, Billie Rippeto and George Moore.  
 Mary Dell Heathington has a new baby sister that was born May 2, 1934.  
 The fifth grade are taking arithmetic with the sixth grade pupils. Annie Rippeto stayed all night with Della Mae Heathington Monday night.

**Seventh Grade News**  
 The seventh grade pupils are getting along fine in all grades. We have taken half of the English test given by the state and we will take the rest Tuesday.  
 In Arithmetic we are taking the review problems. We are nearly through. In reading we are having a contest. On one side Mary K. Hardin is captain and the ones on her side are Carl Webb, Jack Reeves, Floyd Guthrie, and J. H. Green. On the other side Juanita Estes is captain and the ones on her side are Max Wilson, Jasper Rippeto and June Harrison.  
 We like six pages being through with our spelling. We hope to get through and review some.

This Friday the ninth and tenth grades and a few other pupils will entertain the school with a play. The name of it is "Waitin' for Sun-Up". The people of the community

and any one else who wish are invited. It is a one act play.  
 Our school will not turn out until June 8, 1934.

## OPPORTUNITY

If an opportunity is now afforded you to buy Life Insurance, why not act while that great asset is yours?

Many people who would like to have good, Old Line, Legal Reserve Insurance do not have that opportunity now, because of ill health, old age, or other reasons, and are compelled to buy any kind they can get.

Remember, your dollars will not always buy Life Insurance, for your money must be accompanied by good health, so if you lose that, then you lose both.

SEE US TODAY

If it is a Standard Life Insurance Contract, We Write It.

## Our Weekly CHURCH CHAT

W. E. FERRELL  
Minister First Christian Church

### "Knowing God Through Mother"

An old minister wrote in his ninetieth year something like this: "God came to me first in my mother. He could not have come to me in any other way to bless me, so he put his love and tenderness and purity and grace and sweetness into my mother, and she revealed it to me. After a while I began to know God in other ways, learning to trust him and to lean upon him. Now in my old age my mother is gone, but God remains; and what my mother was to me in infancy, God is to me in my old age." (Extract from a letter written by Dr. J. R. Miller)

No doubt there is much in our present day life that is superficial and unnecessary. Many of the things that we think are vital, might be cast aside without any sense of loss. But this is not so with a good mother. In our onward march we will cast off some things as useless because we outgrow them. Not so with a good mother. She will remain. Great offices are legion in number, but not one is greater than the place occupied by a good mother. The life and influence of a good mother lives on and on many years after she has departed.

Many are the people that have caught their first glimpse of God, through and by mother's life and influence. From early childhood, it

is generally mother that tried to present the simple lessons and pictures of God to her children. When mother shows by her action that she believes in God, trusts Him and strives to serve Him daily it will have an influence upon the children. On the other hand when mother and father are both careless and indifferent toward God and the church, we cannot expect anything but that the children will grow up with but little respect for religious activities.

A good mother is not only a check to keep us from evil, but she is also a challenge. A true mother challenges us to enter into the riches of life. She wants her children to be an honor, but above all a good mother wants her children to know her Lord and Master. Mothers, are you a good mother, leading your children to God and heaven?

### MIDWAY

(Mrs. John Goldston)

Mr. Edd Meaders of Wellington spent Friday night and Saturday with Mr. and Mrs. Bill Meaders, and Saturday night and Sunday with his brother, Mr. J. A. Meader and family.

Mr. and Mrs. Porter Arnold and family Mr. and Mrs. Bill Meader attended the Donley County Singing Convention at Hedley, Sunday.

Mrs. John Lott and Mrs. S. W. Lamberson accompanied Mrs. Williams and Mr. and Mrs. J. T. Lamberson and daughter to Bowie Sunday. Mr. and Mrs. Lamberson are going to be there a month.

Mr. and Mrs. J. C. Longan spent Wednesday in the John Potter home.

Mr. and Mrs. Hubert Johnson and Mr. and Mrs. Barnard of Clarendon fished at Johnson's lake at Lelia Lake.

Mr. and Mrs. Milt Allen and Mrs. Elmer Palmer and James Wesley of Clarendon were dinner guests in the Hugh Riley home.

Mr. and Mrs. Henry Riley and Mattie Helen of Shamrock spent Saturday night and Sunday with Mr. and Mrs. W. K. Davis.

Mrs. Stone accompanied Miss Kattie Meaders to Amarillo Tuesday.

Mrs. Corbin and Miss Ruth called in the John Potter home Saturday afternoon.

Mr. and Mrs. Swinney of Windy Valley and Mrs. Hall visited with Mrs. Kooztz and family Sunday.

Miss Grace Morris of Naylor is visiting with Mrs. Porter Arnold.

Mr. and Mrs. Romeo Derreck and family spent Sunday with Mr. and Mrs. P. O. Thompson.

Mr. and Mrs. J. C. Longan and Charles Longan called in the Zeb Morris home Sunday afternoon.

Mr. Mace Trout and Bill Harden went to Childress Lake Saturday fishing. They were joined by their families Sunday.

The candidate speaking was well attended Thursday night.

A large crowd attended singing Sunday night. We were very glad to have so many visitors with us and invite them back again. The quartet numbers were especially enjoyed by everyone.

The Donley County Singing Convention will meet here the first Sunday afternoon in June. Everyone is invited to come.

Mr. and Mrs. McBride of McKnight spent Tuesday with Mr. and Mrs. W. C. Holland.

Mr. and Mrs. John Naylor took dinner with his parents, Mr. and Mrs. T. L. Naylor Sunday. In the afternoon they all visited with Misses Minnie and Lou Naylor.

Mr. Hefner and Lloyd and Rev. Lackey called on Mr. and Mrs. John Chamberlain Sunday afternoon.

Mr. Gorman and Clarence have moved to the T. L. Naylor place to help Mr. Naylor.

Mrs. A. A. Pierce and Mrs. John Chamberlain visited Mrs. Nelse Robinson Friday afternoon.

### WINDY VALLEY

(Inez Skinner)

Bro. Williams of Ashtola has accepted the call as pastor of the Baptist church here. He preached Sunday morning and night. He will preach on the 4th Sunday.

Mrs. W. H. Buchanan of Clarendon visited her children here over the week end.

Misses Essie and Ila Ray were among those to enjoy the surprise birthday dinner of Mrs. W. V. O'Neal at her home in Hudgins community Sunday.

Mrs. O. S. Lyons returned home Thursday night after several weeks visit with relatives at Graham.

Mr. and Mrs. Walter Johnson of near Hedley visited Mr. and Mrs. Clyde Johnson a few days last week.

Mrs. Harvey Shaw visited Mrs. H. W. Stogner last Monday.

Mr. and Mrs. Robert Dillard and sons spent the week end with relatives in Clarendon.

There will be a Mother's Day program at the school house Sunday afternoon at 3 o'clock after which Bro. Skoggs of Quail will preach. Everybody invited. The program is as follows:

Duet, Mother always cares for you—Oecia Black and Mildred Simmons.

Tired Mother—Dorris Giles.  
Nobody knows but Mother—Louise Skinner.

Mother dear—Ara Paulk.  
Song—If I could hear my Mother pray again—Lenny and Dorris Giles, Virgie Skinner and Kay Paulk.

Mother reads to me—Oliver Drake.  
Mother in the Garden—Jemy Nichols.

Memory of Mother—Ethel Skinner.  
Mother—Mary Ruth Walker.

Presentation of bouquets—Ara Paulk, Dorothy Walker, Louise Skinner.

Prayer—H. W. Stogner.

\*\*\*\*\*  
**NAYLOR**  
(Mrs. R. Bowlin)  
\*\*\*\*\*  
Rain, Rain and a roaring Lake Creek.  
The young folks enjoyed a party Saturday nite at the home of Mr. and Mrs. Pitman.  
Bro. Lackey was with us Sunday preaching both morning and

nite. He and Mrs. Lackey were dinner guests in the home of Mr. and Mrs. A. O. Hefner.  
Mr. and Mrs. A. E. Tidrow entertained at dinner Sunday. Those present were Mr. and Mrs. Printice Hurst, Miss Mildred Tunnell of Clarendon, Mr. and Mrs. Dee Crites of Chamberlain, Miss Fanny Naylor, Doris Espy and Leroy Tidrow.  
Mr. and Mrs. F. G. Crofford had as week end guests the lady's uncle

and family, Mr. and Mrs. J. W. Williams and daughter of Phoenix, Arizona, also her grandmother, Mrs. W. S. Williams of Wellington.  
Mr. and Mrs. P. A. Barton of Clarendon spent Sunday with Mr. and Mrs. T. B. Downing.  
Sidney K. Beach of Hedley is spending this week with his grandparents, Mr. and Mrs. R. Bowlin.  
Quite a number of Naylor people attended the all day singing Sun-

day at Hedley.  
Mr. and Mrs. Tommy Bain spent Sunday with the lady's parents, Mr. and Mrs. J. W. Mann.  
Mr. and Mrs. Edwin Eanes were dinner guests of Mr. and Mrs. E. H. Estlack Sunday.  
Mr. and Mrs. J. C. Estlack of Clarendon and Miss Callie Sherwood of Shamrock visited Sunday afternoon with Mr. and Mrs. E. H. Estlack.

# Firestone LEADERSHIP

"The Ultimate Test of Leadership is Performance"

FIRESTONE maintains its leadership in tire development by producing a new tire for 1934 with a wider tread, flatter contour, deeper non-skid, greater thickness, and more and tougher rubber, which gives greater non-skid safety, more traction, greater blowout protection, and more than 50% longer non-skid mileage.

These achievements are made practical by the Firestone patented process of Gum-Dipping, providing greater adhesion between the plies of the high stretch cords and between the Gum-Dipped body of the tire and the tough, massive non-skid tread. It also provides greater strength, longer flexing life, and greater protection against blowouts.

Gum-Dipping made it possible for Firestone to design, develop and put on the market the first successful balloon tire in 1923. This tire was the pattern used by all others and completely revolutionized the tire industry and set new standards for the automobile industry.

For fourteen years leading race drivers have driven to victory on Firestone tires, built with Gum-Dipped high stretch cords. They have trusted their lives to Firestone Leadership—as they know that the patented Firestone construction features provide them with greater safety—longer mileage—and greater blowout protection.

Drive in today and replace your smooth, thin, dangerous tires with the new Firestone High Speed Tires for 1934.

Listen to Lawrence Tibbett or Richard Crooks and Harvey Firestone, Jr., every Monday night—N. B. C. Network

### The NEW Firestone AIR BALLOON for 1934

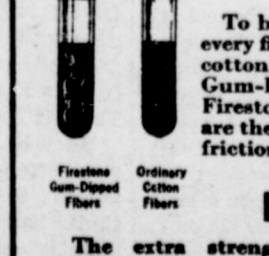

The new Firestone Air Balloon for 1934 embodies all the improvements in the new Firestone High Speed Tire. The lower air pressure provides maximum traction and riding comfort. Gum-Dipping safety-locks the cords, providing 30 to 40% greater deflection and blowout protection.

Get 1935 low swung style by equipping your car today with these new tires and wheels in colors to match your car. **FREE TRIAL ON YOUR CAR.**

Firestone Tires are Track Tested on the greatest proving ground in the world—The Indianapolis Speedway.

Firestone Tires are ROAD TESTED on the average feet of Firestone cars, day and night every day in the year, over all kinds of roads and highways.

**THE ADHESION TEST**  
Note how the rubber in a Firestone tire clings to the high stretch cords. This greater adhesion is made possible by Gum-Dipping which soaks the cords in liquid rubber and saturates and coats the millions of fibers inside the cords.

**THE ACID TEST**  
To be positive that rubber penetrates every cord and coats every fiber, a solution of sulphuric acid which quickly destroys cotton but not rubber, is shown in test tubes with Firestone Gum-Dipped fibers and fibers from any other tire made. Firestone Gum-Dipped fibers withstand the acid because they are the only fibers that are insulated with rubber, minimizing friction and heat, the deadly enemy of their life.

**ROAD AND TRACK TEST**  
The extra strength—longer wear—greater traction—more non-skid safety—and greater blowout protection of Firestone High Speed tires are the results of the most severe road and track tests. These have made possible the outstanding world records on road and track.

See these new Firestone High Speed Tires made at the Firestone Factory and Exhibition Building at "A Century of Progress"—Opening May 26

# HOMMEL'S ONE STOP SERVICE STATION

## WARNING to EXPECTANT MOTHERS

If you have ever been a patient in any hospital, you are probably familiar with the advantages of a liquid laxative.

Doctors know the value of the laxative whose dose can be measured, and whose action can thus be controlled to suit your individual need.

The public, too, is fast returning to the use of liquid laxatives. People have now learned that a properly prepared liquid laxative brings a perfect movement without discomfort at the time, or after. Dr. Caldwell's long experience with mothers and babies, and his remarkable record of nearly three thousand births without the loss of one mother or child, should give anybody complete confidence in any prescription which he wrote!

But most important of all, a gentle liquid laxative does not cause bowel strain to the most delicate system, and this is of the utmost importance to expectant mothers and to every child.

Expectant mothers are urged to try gentle regulation of bowels with Dr. Caldwell's Syrup Pepsin. It is a delightful tasting laxative of fresh herbs, pure pepsin and active senna. Not a single mineral drug; nothing to cause strain or irritate the kidneys.

Dr. Caldwell's Syrup Pepsin is an approved preparation and kept ready for use by all druggists.

## Your nice things CLEANED

Ladies who take pride in the quality when purchasing garments, also take pride in their appearance when returned from the cleaners.

In cleaning the finer fabrics, skill and improved machinery is necessary for best results. Expensive garments should be trusted only to experienced cleaners to avoid damage. The cost is the same in either instance.

Now in our own building—Next door to Caraway's Cafe

Mother in the Garden—Jemy Nichols.  
Memory of Mother—Ethel Skinner.  
Mother—Mary Ruth Walker.  
Presentation of bouquets—Ara Paulk, Dorothy Walker, Louise Skinner.  
Prayer—H. W. Stogner.

**Midway Gets Next Meeting Donley County Singers**

President Alewine presided at the Donley County Singing Convention held at the High School auditorium at Hedley in an all-day session.

Special numbers were contributed by visitors as well as home county talent. This feature in addition to the regular program made of this one of the very best conventions yet to be held.

Midway, about 15 miles north-east of Clarendon was awarded the next meeting. This is the school building of the consolidated districts of recent date and the building is a credit to any community. No announcement has been made as to whether it will be an all-day meeting, though it is likely to be due to the distance many have to come to attend.

Judge J. R. Porter and Presiding Elder M. M. Beavers returned the last of the week from attending the general conference of the Methodist church at Jackson, Miss.

**City Stock Pound Becomes Active Again**

For many months the enforcement of the stock law in Clarendon has been ignored for the reason that people could not pay their stock out of the pound, and the City was forced to feed and care for them.

It is believed that now it is no longer necessary to permit stock to run at large, and the law will and is being enforced, it is said. Do not tie stock where they may get to the road or highway. You are subject to a fine if you do. A chain or rope across a traveled road may cause a serious accident.

S. B. Kutch is poundmaster. If you stake out an animal, see that it is tied securely. If it gets loose, you will find it at the pound and that means a fee must be paid to get it out.

Hugh Hammon who has been visiting his aunt, Mrs. F. C. Johnson the past 3 weeks returned to his home at Wichita Falls Tuesday.

**Legislative Candidate**

**PHILIP WOLFE**

Philip Wolfe, Pampa attorney of Pampa, Texas, has announced for the Democratic nomination of representative of the 122nd legislative district of Texas. His announcement follows:

I hereby announce my candidacy for the office of representative for the 122nd legislative district of Texas composed of Collingsworth, Donley, Wheeler and Gray Counties. In so doing, I am fully aware of the importance and the exacting duties of the office. In announcing my candidacy will say:

I was born in Van Zant County of Texas, have lived in Texas all my life, am forty-six years old, am married, I received my Law Degree from the Cumberland University of Lebanon, Tennessee, I have had several years experience as practicing attorney, I am a home owner and tax payer in Gray County, Texas.

When elected I will immediately introduce a bill to reduce annual license on Automobiles to \$5.00. Automobiles over 5 years old to \$2.50.

Trusting that I may have the pleasure of meeting each voter personally throughout the district between now and the July Primary, I beg to remain,

Yours respectfully,  
Philip Wolfe

**Animated Discussion Held At Whitefish School**

A meeting that bordered on a breach of the peace, and threatened serenity with assault, was held at the Whitefish school in the north end of the county Monday night.

The bone of contention is alleged to have been a strong desire on the part of the Alanreed superintendent of schools to secure the pupils of the Whitefish school above the 7th grade. When Gordon Thomas of the Whitefish school had his say, the bone was about picked clean.

In the beginning the trustees of Whitefish did not know what it was "all about" but soon got an angle to the situation that was not altogether satisfactory to their way of thinking. The next meeting will be held next Monday night at which Sloan Baker, county superintendent will be present.

**Small Boy Suffers Severe Injuries at Hedley**

Dewane, a buxom lad of two years and a son of Mr. and Mrs. D. W. Thompson of Hedley, sustained painful injuries when he fell through the scuttle hole into the basement of the home Monday morning.

The youngster landed in the middle of about one hundred and fifty fruit jars. One broke and cut a deep gash across the forehead at the base of the nose, thought at first to have fractured the skull. The left eye was badly bruised.

He was brought to Adair hospital where a surgeon assured the parents that no fracture of the skull had been sustained. He's mighty lucky to be able to travel when one looks at the wreck he made of himself.

**Dr. George Stocking Visits Here Past Week**

Flying down from Washington the last of the week to make a personal investigation, and to preside at oil field hearings, Dr. Stocking took advantage of the opportunity to visit his mother, Mrs. J. D. Stocking, and other relatives and friends in Clarendon.

Dr. Stocking is a member of the National Petroleum Labor Policy Board of the federal government at this time. He is on leave of absence from the State University where he occupies the chair of economic geology. During the past few months, he has had the advantage of study in the laboratories of the Rockefeller foundation and other corporations.

- Bobby Boston
- A La Bien Aine..... Shult
- Bobby Leathers
- Trumpet Trio
- Edward Blair Ozler, Clarence
- Pipes and Jack Stephenson.
- Accompanists—Mrs. Richard Wilkerson and Mrs. Rayburn Smith.

**County Commissioners Buy Sheriff Machine Gun**

Petitions bearing more than five hundred names requesting the purchase of a machine gun for the sheriff were presented to the County Commissioners here Friday. A petition was circulated here and at Hedley by Sheriff Pierce. T. C. Johnson secured signers at Giles, Elsie Gregg at Ashtola and A. B. Bynum at Lella Lake.

A Thompson sub-machine gun was purchased after a demonstration by a salesman. The gun has one 50-shot drum and four 20-shot clips and a firing speed of 600 shots a minute. The gun cost \$255.

**Wheat Growers Disappointed In Reduction Price**

In signing up for wheat reduction, growers of Donley county contracted a reduction of \$13,985.80 in estimated value. It appears now that the governmental authorities think this too high.

The County Wheat Board has been notified that a reduction of approximately 25-percent has been made by the government. The money is ready, and those willing to sign a receipt and accept the reduction may be paid any time. The county wheat board or committee had nothing to do with the reduction whatever, it being beyond their authority to add to or take from.

**Clarendon Band Concert For Music Week**

The Clarendon High School Band's contribution to the observance of Music Week will be a concert to be given Sunday, May 13th at 4:00 p. m. in the Pastime Theatre. There will be no charge and the public is requested to attend.

Specialty numbers for the program will include instrumental solos as well as combinations of the various instruments. Featured on the band concert will be "Gala Night," an overture, "Ching Bing Boom," a mythical musical comedy "Bravura," a march and "Trombone Blues," a smear.

**Memphis Weekly Democrat Goes Daily Sunday**

Presenting a metropolitan appearance, the Memphis Democrat was changed from a weekly to a daily with the issue of Sunday. Forty pages brim full of advertising well balanced with a choice variety of reading matter designed to appeal to any member of the family, the Democrat employees are receiving the congratulations of a large number of appreciative readers.

Lyman E. Robbins, for several years connected with the Democrat in the capacity of advertising manager, and who received training on the Amarillo Globe-News, is publisher of the new daily. Adrian Odom, a son of Dr. and Mrs. Odom of Memphis, and who has had a varied experience on the Globe-News and other publications, is city editor. M. G. Ray, long in the employ of the Democrat, and especially skilled in the mechanical work of a newspaper, is foreman of the publication.

Dr. A. M. Watkins, chiropractor, formerly located here years ago, is now at Gilmer, Texas. His father is located at Healdton, Okla.

P. A. Buntin and son Fred returned from Kentucky Saturday night. They report a wonderful time visiting, and especially the elder Mr. Buntin who is a native of that state. Fred is a native of Clarendon.

**SCOUTING**

The Scouts of Clarendon have prepared a Mother's Day Program to be held at the Baptist Church May 11th at seven thirty o'clock. Not only Scouting but a large number of things owe their success to the Mothers of America. It has been suggested before but it would be appreciated by your mother if you would buy her a miniature pin of your highest rank.

Troop 37 has new patrol leaders and the new boys are doing fine. It is a good deal harder to keep seven more in line than it is to do so yourself. The test of whether the patrol leader can handle his group comes when there is an opportunity for group demonstration. If all the patrol turns out and you can keep the wise guys quite then you are making a patrol leader. A real patrol leader is a good scout plus confidence and cooperation. One of the new patrol leaders has decided that his patrol will raise and lower the flags on aMin Street during Flag Day. The merchants, those approached, do not object.

**Lady Fire Inspector Here For Tests Tuesday**

Pupil fire drill demonstrations were made Tuesday during inspection by Miss Olga Juniger at each of the schools.

Supt. H. T. Burton, Dean Clark of the College and Principal Drennon of the Junior High and South Ward schools were highly complimented by the inspector of the efficient manner in which fire safety methods have been developed in our schools.

Donley County Leader \$1.50 a year

**Dance Saturday Night At Opera House**

Homer Taylor, local tap drum artist, Mrs. Hunter and Dick Bell of the J. A. ranch will furnish music for the dance at the Opera House Saturday night.

This Trio has furnished music for the Saturday night crowds before and will be welcomed back by many of their friends again.

Jimmie Redmond and his recording orchestra will be here again Wednesday night, May 16th. Large crowds have been attending and every one reports a good time.
