County Bond Drive Far Behind Quota

Donley County citizens are today confronted with the plain fact - - that we are drastically behind with our war bond quota. Figures released by county chairman, J. R. Porter, showed that according to tabulation last Friday, only \$109,932.50 had been purchased. This leaves only \$350,567.50 to be raised the last two days of the drive.

There is no need for us to tell you why this money is needed, but we are reminded every day, day in and day out, night in and night out, that our boys are giving their lives on the battle front - - giving their freedom of civilian life in Army camps, giving beyond call, because they want you, their loved ones and friends, to have freedom.

You are not asked to give your money like they are asked to give their lives - - you are asked only to lend your money in order that they, our boys, can have the equipment that they need to whip the Axis.

This drive was not intended to take in just the fellows with a large bank roll, but to include you, Mr. business man, clerk, farmer, rancher and laborer. It will take the most that anyone will lend to help put us over our quota or at this point even get us over the half way mark.

There will be a time later on down the line when these bonds will come in handy. There will be things you will want and some things that you will need - - and you will have the money to pay for these things if you lend your money to Uncle Sam - - to back up our boys.

Let's make Friday and Saturday, October 1st and 2nd, Boom days in Clarendon for Bonds.

Game Fish Arrive To Stock Lakes

According to County Agent H. M. Breedlove the first shipment of fish in the fall delivery arrived Tuesday, Sept. 28th. The shipment of fish totaled 29,850. They were distributed to the following ranchers and farmers in Donley County:

All three of the Taylor lakes at Lelia Lake received 12,000 bream, 6,000 bass, and 2,000 channel cat; Johnston Lake of Lelia Lake received 1,500 bass, 2,000 bream and 500 channel cat; Country Club of Clarendon received 500 channel cat; Frank White Jr., 150 bass, 1,000 bream; M. G. Cottingham for the creek at Lelia Lake received 300 channel cat; Ed Gerner for the creek east of Lelia Lake, 300 channel cat and the Rowe Ranch received 500 bass, 2,000 bream and 100 channel cat.

Mrs. Laura Taylor and Joe Johnston have stated that their lakes will be closed to the public for a period of one year so that the fish put in the lakes will go unmolested and stock the lakes. One year from now the fish will give the fishermen of Donley County plenty of sport the county agent stated.

The other lakes that have been stocked are private lakes and not open to the public. Lakes stocked with game fish will be under the supervision of the local game warden who will see that all persons conform with the laws on fishing for game fish.

Breedlove stated that another shipment of fish is expected in October and they will go to L. T. Shelton, F. A. Finch, T. J. Despain, and Arthur Howard.

All persons fishing in any lakes that have been stocked with these fish are asked to cooperate and help to protect them.

The fish were sent to Donley County by the Federal Hatcheries of Lawton, Okla. on the request of the County Agent.

Mr. J. K. Morton spent the week end with his son and daughter in Amarillo. Mrs. Morton and Pfc. James K. Morton, wife and son returned home with him.

VICTORY BOOK COPIES READY OCTOBER 9

Your Victory Books, containing pictures of Donley County Service men and women, will be ready Saturday, October 9th. The book will have 72 pages, and will have approximately 560 pictures of Service men and women. The book will be something that you will treasure more and more as the years roll by. Its pages will bring to you faces of loved ones and friends who are making history that will echo down through the corridors of time.

The Victory Edition in the Leader will come out the week of October 14th.

FFA Youths Start Lambs On Feed For Spring Show

Clarendon F.F.A. youths started their lamb feeding projects for the spring show of 1944 this week when a group of Rambouillet lambs purchased from the registered flock of Luther Lowry and Ed Rogers at Claude, were distributed to a number of the boys. Sam Lowry and Bobby Brown are feeding a group of three each. Daz and Jerry Morgan, Billy Armstrong, Gene Adams, Billy Chilton, and Jimmie Dean Howze are feeding from one to two lambs each.

These youths will feed their lambs a home grown ration of grain, roughage, and protein concentrates and exhibit them in the spring show here next March.

Clarence Mays is at Amarillo working at Pantex.

MR. and MRS. H. M. STEWART

Celebrate 50th Wedding Anniversary

Mr. and Mrs. H. M. Stewart of the Goldston community celebrated their 50th wedding anniversary Friday evening September 24th when all their children except one, came in to enjoy the occasion with them.

Mr. and Mrs. Stewart have been residents of Donley County since 1906, moving here at that time from Lamar County, Texas. Mr. Stewart has been a prominent farmer here during that time.

The Stewart family consists of four girls and three boys. Stanley Stewart who lives at Modesto, California, was the only one unable to be here for the occasion.

The dining room was beautifully decorated with bouquets of baby breath and dahlias. In the center of the table was a lovely wedding cake bearing a bride and groom.

Those present to enjoy the occasion and honor Mr. and Mrs. Stewart were Mr. and Mrs. Dick Eichelberger, Mr. and Mrs. Al Dever, Mr. and Mrs. Neely Hudson and Dwayne, Mr. and Mrs. Roy Stewart and Gilbert, Mr. and Mrs. Howard Stewart, Karilyn, Marilyn and Wesley Mac, all of Clarendon; Mr. and Mrs. Nath Helton and Nancy Bonice of Groom.

Appropriate music was furnished throughout the afternoon by Mrs. Dick Eichelberger.

STATE, COUNTY AND SCHOOL TAX-PAYING TIME HERE AGAIN

State, County and school tax-paying time is here again. Current taxes can be paid after Oct. 1. Taxes paid during October will be discounted 3 per cent for promptness.

Mrs. A. L. Chase has returned home from a visit with her daughter and family, Mr. and Mrs. Keith Stegall at Kings Mill.

RAIN COMES IN TIME TO HELP SMALL GRAIN AND GRASS

The rain that everyone has been looking forward to for the past 60 days, finally came early Wednesday morning when the greater portion of the county received from a quarter to an inch and a half of moisture.

The moisture will possibly damage the cotton crop to some degree but came in time to help small grain and pasture grass as well as allowing enough moisture for wheat planting.

Bronchos To Play Lefors Pirates Friday Night

Head coach H. M. Breedlove announced this week that the Clarendon High School Bronchos would venture over to Lefors Friday night to tangle with the Pirate club.

This is the first practice game for the Bronchos as they have only been re-organized and out for practice about two weeks.

All of the boys are green at the game but are expected to make a determined effort to buck it out with the Pirates.

The probable starting line-up for the game will be Holland, I. E.; Jordan, I. T.; Lovell, I. G.; Ray, C.; Bromley, R. G.; Mann, R. T.; Bentley, R. E.; Adams, Q.; Carlie, full; Beard, I. H.; and Morgan, R. H.

Friday Morning Set For Swine Show

FARMERS URGED TO MARKET TURKEYS NOW

Farmers are urged to market their turkeys as soon as possible so that the American Armed Forces overseas can have typical Thanksgiving and Christmas dinners. In a joint statement, Maj. Gen. E. B. Gregory, Quartermaster General, and Marvin Jones, War Food Administrator, appealed to farmers to "go over your turkey flocks carefully now with a view to offering as many as possible for sale to the government. Send them to your processor as early as possible. If you don't know where to market them, contact your nearest war board office.

The fall Swine Show promises to be a big event for the F.F.A. and 4-H Club Boys, says County Agent H. M. Breedlove. Approximately 100 head of swine will be on exhibit by the Club Boys at this show to be held Friday, Oct. 1st in Clarendon.

All swine are to be in the pens at the Bert Mayfield hog pens near the Consumers Co-op. by 8:30 in the morning of the show.

4-H club boys will exhibit gilts farrowed by the sows given them by the Sears Roebuck & Co. The top gilt and the top male will be sent to Amarillo on October 9th to compete for the registered Jersey heifers to be given at the district show by Sears Roebuck & Co.

A special feature of the show will be an exhibit of the duroc, Poland China, chester white, boars owned by the Clarendon F. F. A., that sired the barrows to be shown in the annual event. The local youths have added materially to the advancement of good swine in the county through the purchase of outstanding males, and standing them for public service.

Leon Ranson, County Agent of Armstrong County will place the swine for the show, and after the show the swine will be sold at auction in the order in which they place in the show. Business men and citizens of Donley County will buy the swine and pay the boys a premium for them. No premiums will be given on the placing of the hogs but the boys will receive their money in the order in which they sell in the auction.

All people are invited to come to the show and look over the livestock exhibits that have been fitted for the show by the boys. Don't forget that the show opens at 8:30 this Friday morning.

Red Cross Asks For Needed Equipment

The Camp and Hospital Committee of the American Red Cross met in the Red Cross Room at the City Hall and officially opened a drive to provide a DAY ROOM for the guards located at the McLean Internment Camp. The Committee had visited the Internment camp previous to the meeting and had seen how great was the need of a recreation room.

The Army provides no recreation room, but the camp will use an empty mess hall, which is now void of all furnishings. The American Red Cross has furnished some of these rooms and will furnish more in the camps at Amarillo, Dalhart and Pampa; rooms are also to be furnished at the Internment camps at McLean and Hereford.

After the visit at the McLean Internment camp, the committee decided that because the need was so great, and this camp was so

near Donley County, it would be well to furnish a Day Room for the 500 guards stationed there.

A Day Room, according to Co-Chairmen, Mrs. E. S. Ballew and Mr. Jno. C. Knorpp, is a living room for the soldiers, a place for the soldiers to relax and spend his off-duty hours.

The American Red Cross asks you to look in your attic, basement or storeroom and donate any unusable piece of furniture, whether it be chair, divan, book case, rug, lamp, card table, foot stool, ash tray, picture, drapes or any other thing. Perhaps you have an extra radio, victrola, or other musical instrument. If you have anything to give even though it may be in need of minor repairs, please contact by phone or mail, Mrs. E. S. Ballew, Mr. Jno. C. Knorpp or Mrs. Walker Lane.

RATION NEWS

By PEPPY BLOCKER
Community Service Member
Effective October 1, eligibility for new passenger car tires will be restricted to persons having a total allowed mileage of 601 or more miles per month. This action, according to a statement from the local Rationing Office, is taken as a temporary measure and is intended to reduce the demand for Grade I tires until such time as the production of synthetic tires is of a sufficient volume to warrant a return to the present eligibility provisions.

Shoe stamp No. 18 will be valid for one pair of shoes through October 31st.

Red stamps X, Y, and Z in War Ration Book II and "A" and "B" Brown stamps in War Ration Book III will expire Saturday, October 2nd. Brown stamp "C" became valid on September 26 and "D" will become valid October 3.

Blue stamps U, V, and W expire October 20.

Hedley Lions Sell \$6,000 At Bond Rally

The bond rally held at the Hedley school auditorium last Friday night and sponsored by the Hedley Lions Club, was considered a success according to the size of the turnout for the rally. \$6,000 in Bonds was sold to those who came out to help in the drive and enjoy the music of Mack Graham and his band of Memphis, and the quartette consisting of R. W. Alwine, C. O. Hill, Mrs. Joe Crawford and Bud Hefner.

The Club is doing a mighty fine job down Hedley way in helping to put over the county quota.

PLOESTI RAID

Brig. Gen. Uzal G. Ent, Commanding General of the Ninth Bomber Command which bombed the Ploesti oil refineries in Rumania on August 1, stated on his return to the United States that the Army Ordnance contribution to this spectacular raid was "truly magnificent."

According to a memorandum received to-day by Lt. Col. R. M. Bacher, commanding Pantex Ordnance Plant, near Amarillo, Texas, the skip bombing technique, first developed by Col. S. P. Huff of the Ordnance Department, Army Service Forces, in cooperation with the Army Air Forces, again proved its superb value against ground targets in the Ploesti area.

So far as the Axis is concerned, Ploesti was another Bismarck Sea battle. In the latter engagement, the Japs lost 12 transports and 10 warships.

"Our B-24 bombers," General Ent declared, "approached the Ploesti target area at tree-top level. We did this in order to get under Axis radio detector systems and to duck Nazi 88-mm. anti-aircraft guns. We then climbed to 200 or 250 feet, in order to escape the smoke-stacks, and released our bombs broadside on each specific target. The 60 barrage balloons didn't cause us any trouble. Our job was to get the bombs planted squarely inside each target. Immediately after we released our bomb loads, we dropped down again to tree-top level.

Romana Americana refinery. I deeply regret that we didn't smack the No. 1 target on our list.

"The Ordnance-Air Forces skip bombing technique severely damaged or destroyed 42 percent of the total capacity of Ploesti—the most modern and efficient refineries—leaving only ancient or obsolete equipment.

"Our Ordnance machine guns and cannon knocked down 51 Nazi fighter planes.

"This battle over Rumania was a decided contribution to the cause of the United Nations—and particularly Russia. I think it can be demonstrated that failure to secure petroleum for Nazi mechanized equipment from Ploesti during the week of August 1 was an important contributing factor to German withdrawals on the Russian front.

"I should also like to pay particular tribute to the Ordnance Department for the wonderful time-delay fuzes we used on this raid. They worked like a charm. Our Ordnance bombs had special anti-handling devices that must have kept the Axis nervously on their toes for quite a while. I remember one press release to the effect that Ordnance eggs were still exploding on August 3—two days after the raid.

"I regard this Ploesti raid as the greatest single achievement of any air force in this war—thanks to Army Ordnance and the cool heroism of our Liberator bomber crews."

Sweet Potatoes Coming In

This season's bumper crop of sweet potatoes means there will be plenty for all. Texas alone is expected to produce 7,200,000 bushels.

The next step is for producers and homemakers who buy food to assure that none is wasted. Sweet potatoes are unrated, high in food value, and popular because they taste good and can be served attractively. Hazel Phipps, specialist in food preparation, for the A&M College Extension Service, points out.

Sweet potatoes are a good source of energy, the specialist says. And in addition, they contain four vitamins, including thia-

min and riboflavin. In the nutritional line-up, they rank along with carrots, although they are superior in Vitamin A to carrots. Sweet potatoes also are a fair source of iron and phosphorus and contain some calcium.

The best way to retain most of the food value in sweet potatoes is to bake them in their own jackets, and it is possible to use the leftovers in souffles, pies, and croquettes. Fried or scalloped sweet potatoes also can be found in the cookbook, for this is a versatile vegetable.

For smooth baking, rub a little fat on the potato skins, and place them in a moderate oven. Before they are taken out, you may prefer to cut some crisscross gashes in the skin, then squeeze the potato until some of the soft inside pops out. Butter or other fat makes good seasoning.

Farmers Asked To Continue Good Farming

Produce more wheat but not at the expense of sound farming was the message sent to Texas' 40,000 wheat farmers this week by B. F. Vance, administrative officer of the AAA in Texas.

Citing years of conservative work in which farmers have rebuilt their soils, he said they could easily meet next year's 5-million acre goal while continuing sound soil management.

"Through wise land use we can get a big wheat crop next year and be all set to come back with another big crop the following year," he said.

He explained that although in-

creased wheat acreage is being called for, special importance should be given to other war crops such as flax, dry beans and peas, potatoes and feed crops in areas where these crops are adapted.

Explaining why increases in wheat acreage needed for 1944, Vance said that during the last 12 months about one-third of last year's crop had been fed to livestock, that the use of wheat for synthetic rubber and explosives has increased to 150-million bushels per year, and that additional millions of bushels of wheat will be needed to feed Europe in the future.

Under the 1944 program, the national wheat acreage has been increased to 68-million acres compared to 54-million acres planted this year. Texas farmers planted 3,416,674 acres for harvest during 1943.

Have a Coca-Cola = Welcome, Short-Snorter

...or how to bring folks closer together

When short-snorters (trans-ocean flyers) meet and compare their autographed dollar bills, the invitation *Have a "Coke"* is fairly sure to follow. In three short words people strike the spark of comradeship. From the family fireside to far-flung fronts, Coca-Cola stands for the pause that refreshes—has become a symbol of those who see things in a friendly light.

It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".

THE TEMPLE OF TRUTH
By the Apostle

FORGOTTEN FOLKS.
When the prison gates clang behind the victim, so often that victim is forgotten by everyone. It should not be by any means. If

Christianity means anything—and it does—these misguided folks under a false conception who break into prison, should be helped up rather than kicked down. The prisoners of New York state have made war goods beyond the value of ten millions of dollars. In Maryland the inmates of state prisons repair an average of 2,000 pairs of soldier shoes per week. In Massachusetts, the women prisoners

have produced more than \$4,000 of war goods per prisoner the past year. And on and on in the prisons of other states are loyal citizens who have not forgotten their country. These so-called convicts are better citizens than the childers and war contract robbers on the outside.

COMMON YAHOOOS.
There are folks that I do not

like to have with me on trips. They cater to the socially prominent they meet and ignore my friends. The socially prominent never mention them, and my friends never forget them.

SLAMMERS.
It's the old inferiority complex that causes some folks to slam doors or to dress in an outlandish manner to attract attention.

DETESTABLES.
"I like to meet people. In fact there are only two kinds that I really detest," says Blue Bug Bessie, "but I simply can't stand climbers and bores."

TRYING.
These are the times that try men's soles. Or anyone's else for that matter, on sidewalk or in the home. The shoe repair men have a leather half sole ration too.

HUDGINS
Mrs. S. M. Harp

There was the usual crowd out for Sunday school and singing Sunday.

Bro. Pater preached at the morning hour.

Mr. and Mrs. L. C. Tims and Clyde took Sunday dinner in the John Perdue home.

N. M. McGlone and Mr. Harre motored to Bray Sunday.

Mr. and Mrs. John Fowlkes and family of Naylor visited in this community Sunday afternoon.

Thomas Haire is visiting his Grandmother at this writing.

T. E. Perdue of Amarillo spent Saturday night in the John Perdue home.

Ben Talley spent Saturday nite with Mr. and Mrs. Alton Webb.

Jerry Perdue spent Sunday with Artie Lee Haire.

Junior Mann spent Saturday with Bill Perdue.

J. L. Talley motored to Pampa Sunday.

Those to take Sunday dinner in the J. L. Talley home were: Mr. and Mrs. Jim Awfil and Mary Rae, Mr. and Mrs. Alton Webb, Bill Perdue, Dan Tims, Junior Mann, Sidney Harp, Elois and Earma Lee Elliott, Mary Nell Perdue and Velma Tims.

Mr. and Mrs. Tom Mooring and children spent Saturday night with his mother at Plainview.

N. M. McGlone called in the Harp home Sunday afternoon.

THE STATE OF TEXAS
TO Louida Hubenthal Tully, Defendant, Greeting:
You are hereby commanded to appear before the Honorable 100th District Court of Donley County at the Court House thereof, in Clarendon, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 15th day of November A. D. 1943, then and there to answer Plaintiff's Petition filed in said Court, on the 27th day of September A. D. 1943, in this cause, numbered 2214 on the docket of said court and styled Wilbern Tully Plaintiff, vs. Louida Hubenthal Tully Defendant.

A brief statement of the nature of this suit is as follows, to wit: Suit for Divorce because of cruel treatment as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Clarendon, Texas this 28th day of September A. D. 1943.

Attest:
HELEN WIEDMAN

BOTTOM OF IT.
There can be no organized crime without some "respectable" person or group back of it. Had you noticed that every time they unearth a crime gang that there is a tie-in with prominent folks?

HISTORY.
Saw a pair hanging on a gate Sunday. It brought back happy memories. In my young days gates took a lot of punishment. Front gates and moonlight often brought a fellow around to asking the all-important question. Gates often heard tragic words. What a lot those old gates could have told!

CALAMITIES.
Sterling silver roasting ear holders are selling at half price in a certain jewelry house in the Panhandle just now. Ration points and dry weather each have had a bad effect on sales of holders.

CONSOLATION.
A thing you learn as you journey through life is that some "friends," when they learn they can't use you, desert you, which is quite a relief.

THE SHOOTER.
Having an aim in life is not all there is to it. You have to pull the trigger.

FOCAL POINT.
When man's troubles finally come to a head it is generally baldness or dandruff.

PERPETUAL.
When a fellow finishes a quart, his first ambition is to start a quartet.

EXPECTANT.
First they said all pre-Pearl Harbor fathers would have to get into the service. Then out came some big-wig stating that it was all a mistake. The idea has been kicked around the nation so much that all of the fathers have become expectant.

WITH OUR ARMED FORCES

The following letter was written by Ens. R. W. Bingham to his parents, Mr. and Mrs. R. C. Bingham. Ens. Bingham is on ship duty somewhere with the fleet.

Sept. 15, 1943

Dearest Mom and Pop,

I am fine. I have received only one letter from you. Come on—keep them coming. You have something to write about; I have not.

I had liberty yesterday so I went over on the beach for awhile, swimming. Then I went over to the club and met up with several officers that I came over with. I had one of them over for dinner and movies last night.

There are several fellows on here from Texas. One from Denison, Ft. Worth and I don't know where the others are from.

Say don't ever use any of that V-Mail stuff. I don't like my letters dehydrated. Besides the others came just as fast or faster, if mailed Air-Mail.

Sept. 28 is Dale's birthday. I sent mother N. Min \$15 to buy a present with. Boy I sure couldn't buy it (anything) out here.

Mom I don't know whether I told you or not. But as much as I would really appreciate eats, etc., don't send anything like that, for it would only spoil in coming and we have a regular drug store and clothing store on board.

Well I'm as far as I can go without violating censorship so bye for now. I miss all of you very much, but I keep that off mind as much as possible. Don't worry about me and please don't be angry with me for not writing very much, for I'm sure you understand the situation.

Give everyone my regards. I'm going to write Juanita before long.

I'm enclosing a paper you might enjoy.

Your loving son,
Bing.

Please write often.

KILL KARE KNEEDLE KLUB

The Kill Kare Needle Klub met Thursday afternoon, Sept. 23, in the home of Mrs. W. A. Land. A large bowl of fresh fall flowers added to the beauty of the occasion.

By way of entertainment, a number of those present gathered around the piano, which was played by Mrs. W. B. Sims, and sang beautiful songs. Mrs. Lon Rundell also played a few numbers.

After the usual hour of needle work and conversation, a delicious plate lunch was served to guests, Mrs. W. R. Silvey, Mrs. Joe Goldston and Mrs. Bill Bromley, and to members, Mmes. J. R. Bartlett, H. C. Brumley, R. R. Dawkins, Eva Draffin, R. A. Hay, G. C. Heath, Cap Lane, H. Mulkey, W. A. Massie, Lon Rundell, W. B. Sims, and the hostesses, Mrs. M. W. Mosley and Mrs. W. A. Land.

MOTHERS STUDY CLUB

The Mothers Club opened their fall session with a meeting in the home of Mrs. Alfred Estlack Tuesday afternoon. Mrs. Bill Riney assisted Mrs. Estlack as hostess.

Mrs. Estlack, president, presided at the business meeting. It was voted that the Club would not have books printed this year but use type written pamphlets instead.

Five names were presented the Club to be voted upon next meeting for membership.

Refreshments were served to members, Mmes. Mike Thornberry, Alvin Landers, Geo. W. Estlack, R. Y. King, Wendell Smith, Fontayne Elmore, Bryan Armstrong, Bill Riney, Alfred Estlack. The next meeting will be Oct. 12th with Mrs. Fontayne Elmore.

PATHFINDER CLUB

The Pathfinder Club will meet October 8th in the Parlor at the Methodist Church for book review.

REMEMBER PEARL HARBOR - BUY DEFENSE BONDS

GARDEN CLUB

In the home of Mrs. C. D. McDowell, with Mesdames J. H. Howze and U. J. Boston co-hostesses, the Garden Club met in regular session Monday afternoon. The entertaining rooms were beautifully decorated with bowls of dahlias and marigolds.

Mrs. John Goldston president, presided over the business meeting and the following officers were elected for the ensuing year: Mrs. Frank Phelan, president; Mrs. Walker Lane, Vice president; Mrs. Walter Taylor, Secretary-Treasurer.

The program leader, Mrs. Phelan gave an interesting talk on trees.

Mesdames Chase and Blocker presented attractive arrangements of fruit and vegetables. Very bewitching and amusing were the Victory Garden hats displayed by Mrs. Bill Bromley.

A dainty refreshment plate was served to one guest, Mrs. Hanna and the following members: Mesdames Lena Antrobus, H. C. Brumley, Bill Bromley, J. H. Blocker, A. L. Chase, John Goldston, Joe Goldston, J. H. Howze, Walker Lane, Walter Taylor, Frank Phelan, O. C. Watson and Miss Katie Meaders.

BRIDGE-DINNER PARTY

Mrs. C. T. McMurtry entertained with a lovely Dinner-Bridge party at her home in west Clarendon Saturday night, complimenting her guest, Mr. and Mrs. Ralph Collinson and Mr. and Mrs. Holdenbrink of Farrington, Wyoming. Beautiful roses and gladioli were used for decorations.

Games of contract bridge were played at 4 tables.

Those present were honorees, Mr. and Mrs. Collinson and Mr. and Mrs. Holdenbrink, Mr. and Mrs. J. L. McMurtry, Mr. and Mrs. John Blocker, Mr. and Mrs. Odus Caraway, Mr. and Mrs. Allen Jefferies, Mrs. Ruth Kennedy, Miss Anna Moores, Will J. Lewis and Mr. and Mrs. C. T. McMurtry.

ENTERTAIN WITH BUFFET DINNER

Mr. and Mrs. J. F. Blocker entertained with a Buffet dinner Sunday evening at 7:45 honoring Mr. and Mrs. Ralph Collinson and Mr. and Mrs. Will Holdenbrink of Torrington, Wyoming.

Guests were Mr. and Mrs. Ralph Collinson, Mr. and Mrs. Will Holdenbrink, Mr. and Mrs. C. T. McMurtry, Mr. and Mrs. J. L. McMurtry, Mr. and Mrs. Odus Caraway, Mr. and Mrs. U. J. Boston, Mr. Will Lewis, Miss Anna Moores and hosts Mr. and Mrs. John Blocker and Mrs. Johnnie Blocker Jr.

PATHFINDER CLUB

The meeting of Pathfinder Club in the home of Mrs. Lena Antrobus, Friday afternoon, opened the new club year. The meeting was called to order by the out-going president, Mrs. J. H. Howze, who took care of old business for the club. Mrs. Van Kennedy read the history for the past year. Mrs. Lee Holland reported the meeting of the Federation of Women's Clubs which met late in the spring.

After being installed as the new president, Mrs. Van Kennedy conducted the business. Mrs. Ted Hess, Miss Fay McCarty, and Mrs. O. D. Lowry were voted in as new members.

Mrs. J. L. McMurtry told of the very great need for a reading room for our soldiers on guard at the prison camp at McLean, asking for furniture and decorations to give the now quite bare room a home-like appearance.

The program for the afternoon was a panel discussion of Peace and Post War Planning, led by Mrs. R. Y. King, assisted by Mrs. Walker Lane and Mrs. C. A. Burton.

Dainty refreshments were served by the hostesses to one guest, Mrs. M. E. Hanna and to twenty-one members.

KOONTZ-MOFFETT

Miss Oleta Koontz, daughter of Mrs. U. Z. Koontz, became the bride of Cpl. Curtis Willard Moffett, son of Mr. and Mrs. J. W. Moffett of Clarendon. The ceremony took place at the home of Bro. M. F. Manchester, minister of the Clarendon Church of Christ, on September 21, 1943.

Cpl. Moffett is stationed at Ft. Jackson, S. C. He returned to his post on September 27.

1937 BRIDGE CLUB

This Club met in the home of Mr. and Mrs. John Gillham Tuesday night. The house was attractively decorated with dahlias.

At the 3 tables of bridge, Mr. and Mrs. Alvin Landers won high score and Mr. and Mrs. D. Lowery, low.

Refreshments were served to Mr. and Mrs. Alvin Landers, Mr. and Mrs. Leamon Wallace, Mr. and Mrs. D. Lowery, Mr. and Mrs. G. W. Estlack, Mr. and Mrs. A. B. Turner and hosts, Mr. and Mrs. John Gillham.

Church News

ASSEMBLY OF GOD CHURCH

EPISCOPAL CHURCH OF ST. JOHN BAPTIST
Rev. Frank H. Hutchins, M. A., Clergyman
Mr. Walter B. Knorrp, Lay Reader

FIRST CHRISTIAN CHURCH
L. Guy Ament, Pastor

Next Sunday is the day you are expected to be in the worship Sermon and the communion at 11 a. m. You will be there to honor the Lord and show Him your faithfulness. All are wanted and the Church cordially invites all. As a member make it your mission to invite others. Bible school convenes at 10 a. m. There is a class for every one. The Men's class meets at 10 a. m. in a room for the class. If you are not in a men's class we invite you here.

Bible study and devotions next Wednesday night at 8 o'clock. You are needed and wanted to be with us in the study.

Next Wednesday the Missionary

Society meets with Mrs. Percival and Mrs. Hurst is leader. All the ladies are invited.

Eligibles Urged to Join WAVES

Storekeeper, yeoman, recruiting specialist and many other ratings are open at the present time for those who can qualify in the ranks of the women's auxiliary to the Navy, better known as the WAVES.

But the time is short, the need is acute and applicants should investigate TODAY—not tomorrow. Thousands of the trained men who now are holding shore jobs are urgently needed at sea, and unless women take their places they will have to remain on their present jobs.

WAVES do all types of office work at Navy and Coast Guard bases throughout the continental United States. They also are needed to fill jobs in radio, communications, photography.

Women between the ages of 20 and 35 with at least two years of high school or business college are eligible for enlistment in the WAVES. And advancements are rapid.

Under a revised ruling, WAVES are permitted to marry a man in the Navy, following their training course. The physical examination is a "breeze" for any woman in good health.

Any Navy recruiting station or sub-station will accept applications for the WAVES. The main office is located in 1530 Allen building, Dallas, while substations are found in Fort Worth, Waco, Abilene, Amarillo.

Mrs. J. R. Bartlett went to Memphis Monday to be with her mother, Mrs. Swift who is in the hospital there.

Mr. and Mrs. Floyd Keener of Vernon visited relatives in Clarendon Sunday.

J. C. Sneed of Cooper, Texas is visiting his sister, Mrs. Will Ragsdale.

Mrs. J. O. Quattlebaum Jr. and daughter Patti spent the weekend visiting relatives at Amarillo.

Mrs. Eimer Logsdon and a friend, Mrs. Burton Field of Olesia and Mrs. Red McCrary are visiting their sister, Mrs. Hattie Palmer this week.

J. B. Bourland and daughter, Mary Kate of Pampa were guests of Mr. and Mrs. F. L. Bourland Tuesday.

Mr. and Mrs. Frank Whitlock, and Mr. and Mrs. Lawrence Whitlock and son Larry Tom visited Mr. and Mrs. Clarence Whitlock and Price Whitlock at Lubbock Sunday.

Mrs. M. W. Mosley of Hedley has returned home after a two weeks visit with her son and family, Mr. and Mrs. Raymond (Jiggs) Mosley at Cisco, Texas.

Inventory On Food

That four-letter word "food" means a lot more to the average person than it did two years ago. Food specialists of the A&M College Extension Service cite numerous instances to prove that the masses of people have changed their attitudes and actions because of war-time conditions. These conditions include increased demands for food, effects of the national nutrition program, rationing of many foods and scarcity and poor distribution of others, unfavorable relationships between production costs and market prices, relatively high retail prices of food, along with educational programs. These factors have combined to increase substantially the families planting Victory gardens, the food specialists say. About 90 per cent of the farms and ranches and 50 per cent of the village, town and city homes in Texas benefitted from gardening this year. Another result has been the increase in poultry numbers by about one-third. Many village, town, and city families now have small backyard poultry flocks. Further expansion seems inadvisable in view of the current feed shortage. A short fruit crop created a strong demand for fruits this year, with an accompanying increase in the cooperative buying of fruits. County home demonstration agents in 42 counties have reported that 6,292 families canned about 136,000 pints of pineapple products worth \$27,000 in money and more than two and one-half million blue ration points. A gigantic promotional and educational program on safe methods of food preservation is expected to result in the conservation of more than 100 million containers of food in Texas during 1943.

Production Corps Volunteers Make Millions Of Red Cross Garments

Women volunteers in the Volunteer Special Services of the American Red Cross of which there are more than 3,000,000 are making one of the greatest contributions to the war effort. Since Pearl Harbor they have turned out 517,000,000 surgical dressings for the Army and Navy and other armed forces of the United Nations; 3,962,362 knitted and other garments for able-bodied members of the armed forces; 1,505,875 hospital garments for hospitalized members of the armed forces and hundreds of thousands of layettes and millions of garments distributed in foreign relief work. These women volunteers worked nearly a billion hours during the past fiscal year. (American Red Cross for the Office of War Information)

Mr. and Mrs. Ralph Collinson and Mr. and Mrs. Will Holkenbrick of Farrington, Wyoming visited in the C. T. McMurtry home the week end. Mr. and Mrs. Holkenbrick left Monday for Okla. City.

Mr. and Mrs. Bryan Armstrong and family visited in Hedley Sun.

Mrs. A. D. Blanton is confined to her bed with heart ailment.

Mr. and Mrs. Ed Speed and daughter Betty Ann and Edwin Blair were Amarillo shoppers Sat.

Ed Hodges was a visitor in the J. D. Wood home Sunday.

Mr. and Mrs. Johnny Beard and sons and Mr. and Mrs. Sonny Beard attended the funeral of Mrs. Beard's sister's husband, W. A. (Bob) Roberts at Wichita Falls Sunday. He had been ill for two months.

Mrs. Grace Bryson from St. Louis, representing Mid-Western Area of the Red Cross, has been in Clarendon this week meeting with the various Red Cross meetings.

J. D. Wood was in Amarillo Monday on business.

Ed Hodges, Mrs. J. D. Wood and children were visitors in the Buck Roberts home Sunday afternoon.

Edwin Lee Usrey who has been in Pearl Harbor 15 months in the Medical Corps of the Navy, has been transferred into the Naval Air Corps and will be stationed at Kansas City. He visited his parents last week.

A. G. Lane Sr. is working at Pantex in Amarillo.

Friends of Mrs. C. R. Skinner will be glad to know that she is much better and probably will be brought home in a few days from the Clarendon Clinic.

Mr. and Mrs. Houston Miller of Canadian spent Sunday night in Clarendon.

Mr. and Mrs. W. E. Betts of Clovis, N. M. visited his sister, Mrs. C. A. Burton the week end.

B. C. Antrobus was in Amarillo Saturday on business.

Mrs. C. B. Morris left Wednesday to visit a few days with her daughter and husband, Mr. and Mrs. Horace Green at Grand Prairie.

Mrs. Millard Word is at Canyon to be with her father, Dr. Ingham who is seriously ill.

Mr. and Mrs. Ralph Andis are in Dallas on business this week.

Roy Skinner will leave Thursday night for his home at Denver, Colo. He has been with his mother, Mrs. C. R. Skinner who has been quite ill, but much better at this time.

Mr. and Mrs. Wynn Collier and family of Tahoka visited relatives here Sunday.

Mrs. Bill Bromley has had for her guest, her mother Mrs. M. W. Mosley of Hedley, the past week.

Cotton Prices of The Future

The exact future of cotton price movements is unpredictable, but it does seem certain that prices will not follow the pattern set during World War I. Dr. A. B. Cox, University of Texas professor and world authority on cotton marketing, has declared.

During the latter part of the first World War, cotton prices were high, but went into a decline immediately after the Armistice, then picked up again during the post-war boom. But they dropped precipitously in the first depression year, Dr. Cox pointed out.

Despite many similar conditions now, it seems improbable that such a pattern will be followed when this war ends, Dr. Cox said. European nations will be eager for cotton, since they have produced none of their own and their mills have been idle since war began.

Furthermore, the United States no longer produces more than half the world's cotton supply, American prices are high in comparison to the world price, and the federal policy of supporting farm commodity prices with loans seems likely to be continued, Dr. Cox explained. All these factors will affect future cotton prices.

CIVIL SERVICE ANNOUNCEMENT

Applications for social scientists and historical specialist will be accepted until October 4, 1943, Elmer G. Hayes, local civil service secretary, said today.

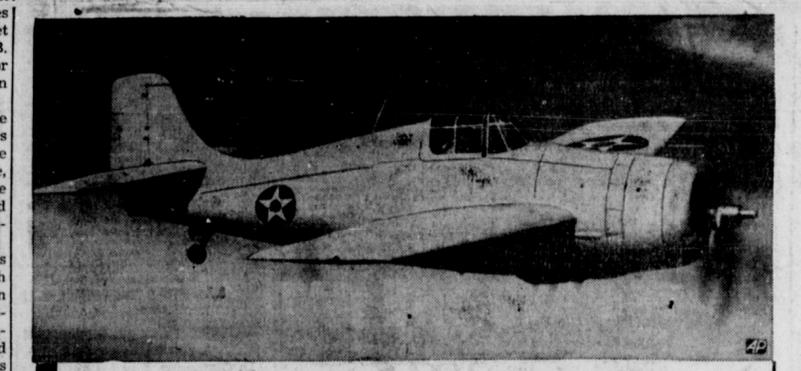

"Young women may continue to apply for student nurse, appointment in St. Elizabeth Hospital, Washington, D. C., where they will receive subsistence, quarters laundry and medical attention, in addition to salary," Mr. Hayes said.

Applicants must be at least 17 years old and pass a written examination.

Applications for both of these federal jobs may be secured at any first or second class post office and should be filed immediately with the U. S. Civil Service Commission, Washington, 25, D. C.

J. D. Thomas and son, Mr. and Mrs. Oscar Thomas were joined at Childress by his daughter, Mrs. Fred Reid and attended the funeral of W. A. Roberts at Wichita Falls, Sunday.

Mr. and Mrs. Benton Moreman of Groom were guests of Mr. and Mrs. Sam Lowe Sunday.

Mrs. Johnnie Line left Sunday night for Channing after spending the week end with her daughter, Sherry and parents, Mr. and Mrs. John Stewart.

The Junior Sunday school class and Young Married Peoples Sunday school class enjoyed a wiener roast and ice cream supper at the school house Saturday night.

Mr. and Mrs. Haskell Hay and son spent Sunday evening with Mr. and Mrs. Walter Lowe of Clarendon.

Daphne Roberson spent Saturday night with Wilma Smith.

Mr. and Mrs. Shields of Lelia Lake spent Sunday with their son and family, Mr. and Mrs. Lester Shields.

Mrs. Joe Dilli and Wynelle, Mr. and Mrs. Murphy Brock and Mr. and Mrs. Edd Mooring and family visited in the John Stewart home Sunday evening.

Mr. and Mrs. H. C. Smith and family were dinner guests in the Roy Roberson home Sunday.

Mrs. Kathleen Yankie who is now staying with her mother, Mrs. Wilson Gray, spent Saturday night and Sunday with Miss Kidd of the Clinic staff.

Mr. and Mrs. Neely Hudson and son Dwayne and Mr. and Mrs. H. M. Stewart spent Sunday evening with their brother and son, Mr. and Mrs. Howard Stewart and family.

Mr. and Mrs. Melvin Viel spent Sunday with her parents, Mr. and Mrs. Carl Naylor of Midway.

Mr. and Mrs. Wilson Gray and Billie Smith spent Sunday in the Joe Dilli home.

Lee Morrison and Ruby Lee of Clarendon and Mr. and Mrs. Houston Allen and family of Pampa visited in the Roy Roberson home awhile Sunday evening.

CIVIL SERVICE ANNOUNCEMENT

The position of accountant, \$3200 a year, with the Dallas regional OPA office will be filled with one of the top men on a list of eligibles resulting from the current civil service examination for this specific OPA post, Elmer G. Hayes, local civil service secretary, announced today.

Men with four years of experience in accounting or auditing involving difficult and important tasks of a responsible nature will meet the minimum qualifications for the position, according to information received by Mr. Hayes.

"The accountant performs independent accounting audits and investigations of records of various industries and businesses, reports the findings, and recommends the action to be taken," Mr. Hayes said.

Applicants will be rated on the basis of their experience rather than upon a written examination.

Persons not engaged in war work of equal skill and interested in this federal employment should secure an application form at any first or second class post office and file it on or before October 5, 1943 with the director, 10th civil service region, 210 S. Harwood St., Dallas, Texas.

Federal appointments are made in accordance with War Manpower Commission rules.

SEE THIS BOMB BARBER POLE?—Here is a characteristic scene at the Warhawk Barber Shop on an island base somewhere in the South Pacific. It affords tonsorial service for an entire Army Air Force squadron. The barber is Corporal George Longfellow, R. D. 1, St. Joseph, Michigan. His customer is Corporal Robert W. Morgan, Los Angeles, California. A bomb, properly painted, serves as an attractive sign in front of the shop.

On Preparing Dried Food

Many Texas rural families dried foods this year for the first time and have had little experience in the preparation of dehydrated fruits and vegetables.

While they will not equal in flavor, texture, or appearance the quality of cooked fresh vegetables, they are quite satisfactory if properly prepared and seasoned. The yield of prepared dried products varies, but usually one cup of dried vegetables will serve from four to six people, according to Hazel Phipps, specialist in food preparation for the A&M College Extension Service.

In preparing dehydrated vegetables, here are some principles to follow:

Soak the dried vegetables in hot water just long enough to plump them, and cook them in the water in which they are soaked. Thirty minutes to one hour usually is sufficient for this "refreshing" period.

Some dehydrated vegetables, such as leafy ones or those powdered or shredded, may be cooked without soaking. Drop these into hot water, seasoned with salt, and simmer until tender.

Use a small amount of water—not quite enough to cover the

vegetable.

Simmer rather than boil vegetables. Cook them only until tender—not until they are mushy. Use any left over cooking water.

Increase the taste of dehydrated vegetables with interesting seasonings such as strips of ham or bacon, garlic, basil, sliced onions, and tomato sauce as well as the more familiar seasonings—butter and milk.

Negro Farmers Grow Large Melon Crops

Texas Negro farmers have set some challenging records in melon growing this year.

According to a survey by Dr. E. B. Evans of Prairie View State College, state leader of Negro Extension work, at least two east Texas farmers profited handsomely by producing sizeable crops of the tasty fruit. Neeman Taylor of the Hallsville community, Harrison County, sold \$1,200 worth of watermelons and cantaloupes as they lay in the field. At the same time he refused \$700 for a seven acre plot of melons, peddling them instead at a better price, Dr. Evans reports. Taylor practiced flat cultivation and pruning.

Mike Coleman, experienced watermelon grower of Waller County, this year expanded his operations to Liberty County. He took over 25 acres of sandy loam

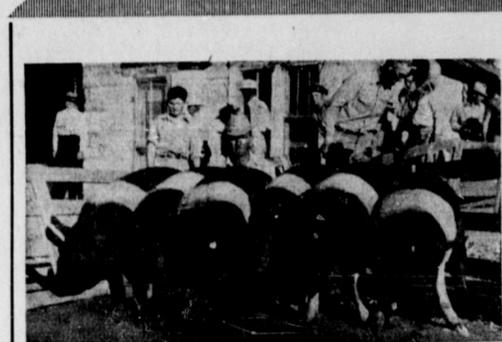

soil which had been abandoned as too poor for profitable use and planted it to watermelons. During the ripening period truckers paid Coleman \$635 for melons in the field, but the bulk of the crop went out in carload shipments. A shipment of 1,000 to Orange, averaging 3 pounds, brought three cents a pound. The Negro county agricultural agent obtained the cooperation of the Liberty Chamber of Commerce in getting box cars set at Hardin to expedite marketing of the melons.

As a supplementary enterprise Coleman bought 25 pigs and is feeding them on waste melons.

Dr. Evans comments that the successful demonstration forecasts larger production of watermelons in Liberty County with consequent increase in farm income.

Miss Mamie Barker who is in the Memphis hospital is said to be improving.

Mrs. Ozell Pope of Berger visited her baby and mother, Mrs. Charlie Young last Saturday.

WE WISH TO

Congratulate

OUR

F. F. A. & 4-H BOYS

ON THEIR ANNUAL

Fall Swine Show

Our army and civilians will never go hungry as long as there are people like these boys. They are doing a fine job of feeding, and receiving a knowledge that will be a great benefit to our community in future years.

We also want to remember our boys on the battle front . . . and remind everyone to buy an extra Bond this week.

MRS. ROOSEVELT AND HER RECENT TRIP

An exchange carries a story criticizing Mrs. Roosevelt for going to New Zealand to visit her son, Lt. Col. Jas. Roosevelt. It so happens that Lt. Col. Roosevelt was with the American landing force in the Aleutian islands and returned to this country while his mother was making her trip to New Zealand and Australia. They were thousands of miles apart, but evidently that does not make any difference to those editors who are forever picking flaws with the administration and get their daily dose of stuff that produces mental

gripe from the Chicago Tribune. The four Roosevelt boys are doing their bit in the armed forces and at least three of them have been in the fighting area a great deal of the time. Their mother has given thousands of dollars to war relief and various charities from money she has earned by writing a daily newspaper column and giving talks. Their father is carrying a heavy load and doing a mighty good job as commander-in-chief of the war effort despite snipers of small and large calibre.

Mr. and Mrs. Roy Land and family of Amarillo visited relatives here Sunday.

Bombs for Immediate Delivery

STACKED IN A "BOMB BANK" at an R.A.F. airfield in Britain, here are pictured some of the actual missiles which were among the 9,000 tons recently dropped in the devastating series of raids on the Nazi U-boat building base of Hamburg. The armorers have the job of moving all these huge bombs to the Lancasters, Stirlings and Halifaxes dispersed around the field and there loading them up for rapid delivery. This "bank" is never out of "funds."

**NUMBER 1
Car Conservation Step
Prepare For Winter**

Right now, at this time of the year, the most important step you can take to care for your car for your country, is to let us completely prepare it for winter driving conditions. Cold weather, the sort of weather that slows down oil flow, hardens gear oils and freezes unprotected radiators, will soon be with us. And that kind of weather can mean serious trouble for your car unless you're properly prepared.

That's where we come in. We can ready your car for winter, quickly, thoroughly and with our dependable Phillips 66 products.

Don't delay - - - drive in today

OLIN BAIN
YOUR PHILLIPS SERVICE WARDEN

Farmers Back The Attack

"The record of the American farmer on the home front will match that of his sons on the battlefield—and that is the greatest compliment I can pay," Marvin Jones, War Food Administrator said.

"The American farmer was on the offensive before the war started. He had produced more food in 1938 than in any previous year in our history. In 1939, he produced even more, and still more in 1940. At the time of Pearl Harbor in 1941, the 1940 record had been broken.

Jones pointed out that the American farmer was already in action at his battle station when Pearl Harbor was attacked. The nation's warehouses were filled with the largest reserve supplies of food in our history.

When war was declared, the farmer did even better. In 1942, in the face of farm labor and machinery shortages, he beat the record of 1941 by a full ten percent. "And this year, the American farmer's answer to the increasing difficulties was to plant ten million more acres than last year, to milk more cows, to raise more pigs and to feed more cattle than ever before, in his determination to 'Back the Attack,'" Administrator Jones said.

"The September crop report indicates near record yields on the largest acreage in ten years, and including meat production, the largest food production of any year in our history—breaking all previous records once more, for the sixth consecutive year.

"Nor is that all. Our program for next year calls for still greater food production. We expect to get that production on a voluntary basis. We will tell the farmer what is needed, help him get the labor and machinery needed, and give him prices that will see him through—then depend on him to do the rest. I know that he will do his part and 'Back the Attack.'"

U. S. CASUALTIES TO DATE 105,205

Announced casualties of the United States Armed Forces from the outbreak of the war to date (whose next of kin have been notified) total 105,205, according to War and Navy Department reports. This total includes: dead, 20,104; wounded, 28,226; missing, 32,905; prisoners of war, 23,970.

The Rock of Ages Co. of Barre, Vermont, former makers of tombstones, are now manufacturing precision gages for the Army Ordnance Department.

More Terraces For Texas

Because farmers need to use every practice that has been proved to conserve soil fertility and increase farm production, B. F. Vance, State AAA administrative officer, is asking county AAA forces to cooperate with county agents, soil conservation service technicians, and local vocational teachers, in organizing terracing programs in all of the hill counties of the State.

Under the 1943 AAA farm program farmers can earn 80 cents per 100 linear feet of standard terrace established. Last year Texas farmers built 109,927,000 feet of approved terraces to conserve soil and moisture and earned \$824,407 in payments for carrying out this practice, Mr. Vance said. The goal for 1943 is 150,000,000 feet.

Soil conservationists say the correct construction of terraces with proper outlets is one of the first and most important steps to take to prevent erosion and to conserve soil and moisture on cultivated rolling lands.

Terraces serve to collect and retard the flow of water off the land. The grade of the terrace causes the water to move more slowly, giving it more time to soak into the soil.

The State AAA Committee can make terracing available to farmers of any county as conservation assistance upon proper application to the county AAA committee for this service, Mr. Vance said.

In counties where terracing has been approved as conservation service, local farmers can get terrace lines run and terraces constructed and have the cost deducted from the soil-building payments they earn, Mr. Vance stated.

Fire Prevention Week, Oct. 3-9th

Every city and community should take advantage of the publicity afforded by Fire Prevention Week (Oct. 3-9) to make a thorough examination of every building for possible fire hazards, R. B. Roaper, president of the Texas Safety Association, believes.

Roaper pointed out that despite rigid fire inspections, tragedies such as the recent Houston hotel fire which claimed over 50 lives still happen. He urged municipalities to take time out from the fast pace of living caused by the war to see that as many lives on this side of the ocean as possible can be saved.

The safety head explained that public interest in fire prevention at its height, during Fire Prevention Week, and believes that civic clubs or other interested groups will be able to get more cooperation than in a state-wide cleanup than at any other time.

"We should turn our attention not only to schools, theatres, and

public buildings, but to our own homes," he declared. He pointed out that the public places in most cities are watched by fire officials, but the home safety angle is up to the families themselves.

Roaper reminds that last year 8,000 persons in the United States lost their lives due to burns, for a death rate of 6.3 per 100,000 population.

PRE-INDUCTION TRAINING FOR BOYS THIS FALL

More than one million 16 and 17 year-old boys will be enrolled in voluntary civilian pre-induction training courses in the nation's schools this fall, according to the War Department. Representing an enrollment of more than half of all the physically able boys at these age levels, the students are taking courses that will prepare them for more effective service in the armed forces. Officers at army reception centers record all pre-induction training on the soldier's permanent record card. This training is taken into consideration in making assignments to further training and army jobs.

Test Anti-Freeze Before Re-Using

Owners and operators of all types of motor vehicles who plan to use again this winter anti-freeze saved over from last winter are urged by the Office of Defense Transportation to have the liquid tested before putting it into the radiator to make certain that:

1. It is not of a harmful oil or salt (corrosive) type.
2. Its anti-freeze strength is not impaired.
3. It contains sufficient acid and rust inhibitor.

W. J. Cumming, Chief of the Vehicle Maintenance Division of ODT's Division of Motor Transport, points out that anti-freezes of the deleterious salt or oil type should not be used or re-used; if saved over from last winter they should be discarded.

With the addition of acid and rust inhibitor as needed, permanent type anti-freeze (the ethylene-glycol type) can be re-used safely as long as they have the required anti-freeze strength. They can be easily tested with a standard tester and if found weak in active anti-freeze, ethylene-glycol to give the required anti-freeze strength should be added.

Since time and use expend the strength of acid and rust inhibitor

Dr. Keith S. Lowell
GENERAL PRACTICE
AND SURGERY

Offices in Goldston Bldg.
Office Phone 128
Residence Phone 174

tors in permanent type anti-freeze, fresh inhibitor should be added if litmus paper inserted in the solution turns pink or red, or if the solution looks rusty.

This can be checked by allowing a sample of the solution to stand over night in a clear glass container. If the solution is suitable for use, it will clear up practically water-white, or with at least a trace of the original solution's color. Acid and rust inhibitor does not increase anti-freeze strength.

Cumming emphasizes that in adding new anti-freeze to any type of used anti-freeze, the motorist should not mix alcohol and ethylene-glycol, since mixtures of these cannot be correctly tested with standard anti-freeze testers. He added that wherever possible it is advisable, when adding inhibitor or active anti-freeze, to use new materials of the same brand as the original and to follow carefully the manufacturer's instructions on the container.

CUT EXPECTED IN SHOE RATION

The new shoe stamp, No. 1 on the "Airplane" sheet in War Ration Book Three, which becomes valid November 1, probably will have to last six months, OPA has announced. At the same time OPA said that stamp 18, originally scheduled to expire October 31, is extended indefinitely and will overlap the next stamp. OPA's present plan is to eliminate expiration dates on shoe stamps and to make new stamps valid as soon as supplies warrant. This enables a person to save shoe stamps until shoes are needed.

Mrs. S. T. Low and daughter, Mrs. Herbert Unger of Electra are visiting in the home of the former's brother, Mr. and Mrs. W. D. Kidd and family.

Ration Reminder

SUGAR—Stamp 14 became valid August 16, expires Nov. 1st. No. 15 and 16, for canning, good for five pounds each through October 31.

SHOES—Stamp No. 18 good for 1 pair. Validity has been extended indefinitely.

MEATS, Fats—Red stamps X, Y and Z good through October 2. Brown stamps A and B good through October 2. Brown stamp C good through October 30. Brown stamp D becomes good October 3 and remains good through October 30th.

PROCESSED FOODS—Blue stamps U, V and W expire Oct. 20. **STOVES**—Consumer purchases of rationed stoves must be made with a certificate obtained at local war price and rationing boards.

GASOLINE—A-8 coupons became valid September 22nd.

TIRE INSPECTION—"A" book holders must have second official inspection by September 30; "B" book holders, third inspection by October 31; and "C" book holders, third inspection by August 31; "T" book holders, second inspection within 6 months of last date of inspection or every 5,000 miles, whichever comes first.

RATION BOOK FOUR TO BE ISSUED SOON

War Ration Book Four, which will last approximately two years, will be issued to more than 120 million persons through school-house distributions during the last 10 days of October. OPA has announced. The book combines point and unit stamps. It has eight pages containing 384 stamps, printed in blue, red, green and black.

Seventeen Year Old Men Quick To Learn

In recent aviation cadet procurement campaigns an ever increasing enthusiasm has been found among 17 year old high school students for flying or other types of air crew training, according to Lieutenant Colonel Marvin B. Durette, commander of the West Texas Recruiting and Induction District.

Colonel Durette states that it has been generally proven that younger boys, while still students in high schools, have greater aptitude toward qualifying as aviation cadets than some of the older boys, who have been away from their studies for quite some time.

It is the opinion of many of the flying personnel that young men going into air crew training immediately after graduation from high school do not have time to lose their ability to study; therefore, their ability to grasp problems confronting cadets is much better than the older men who have had time to lose a great deal of their ability to study.

Army officials state that thousands of young men are needed to man the ever increasing number of planes being turned out by American production lines. In a recent press release it was pointed out that 10,000 planes of one type alone have been produced since America's all out war effort. Trained crew members must be trained to put these planes into battle.

Young men interested in securing full particulars on aviation cadet training should contact the U. S. Army Recruiting Office in Lubbock, or the Cadet Examining Board at the nearest U. S. Army Air Field.

TO BE HOME ON FURLOUGH

Word was received Wednesday that Sgt. Chester Williams of Wake Forest, N. Carolina would be home this week end on a furlough to visit his parents, Mr. and Mrs. Henry Williams and other relatives.

NOW IN ENGLAND

Word comes that Lieut. Mildred Martin of the WACs is now in England. Lieut. Martin states that everything is pretty there and that she is very happy and likes her work fine.

VISIT IN COLORADO

Mrs. Dello Smith and children Frankie and S. J. have been visiting Mrs. Smith's sister and family, Mrs. T. H. Cady at Pueblo, Colo. Mrs. Cady's father and mother, Mr. and Mrs. S. J. Braddock of Memphis and brother Odo also visited with her. All enjoyed their trip fine. They report a wonderful hay and corn crop in Colorado, and all kinds of vegetables.

RED CROSS VOLUNTEER SERVICE

Mrs. M. L. Sims turned in one quilt and four afagans made by the following ladies of the Giles Pioneer Club: Mrs. Tom Bailey, Mrs. E. M. Glass, Mrs. Fred Watt, Mrs. Arthur Ranson, Mrs. E. H. Watt, and Mrs. M. L. Sims. This community, although they are all busy women on their farms, have done a splendid amount of work for the Red Cross.

The Patriot Club, composed of young girls nine and ten years old, met Saturday afternoon at the home of Margaret Mosely. The following group made 25 cards of thread, which go in the Soldier's Kits: Alice Elaine McCrary, Mary Edna Elmore, Shirley Ruth Brumley, Margaret Mosely, Jo Ann Ritter, Ruth Lanelle Bentley, Laverne Morris, Doris Knorpp, Nellie John Heathington. This group have decided to work for the Red Cross at their meetings every Saturday afternoon.

NEW ARRIVAL

Mr. and Mrs. Homer Estlack of Kadane Corner, announce the arrival of Donna Jane, who came to make her home with them September 23rd. The little lady weighs 6½ lbs. She is a granddaughter of Mr. and Mrs. J. C. Estlack.

Miss Mable Mongole of Alanreed is at home for three weeks while her school is out for cotton picking.

Mrs. Dorothea Logsdon and Mrs. Fields of Odessa are visiting Mrs. Logsdon's mother, Mrs. H. L. Riley, this week.

Mr. and Mrs. Will Patman took their son Ardis to Canyon Sunday where he will resume his teaching at West Texas Teachers College.

WE ARE PROUD of OUR BOYS---

● THOSE HERE ON THE HOME FRONT

Therefore we wish to congratulate our F.F.A. and 4-H boys here at home for their outstanding achievement in stock raising and fully endorse their annual Fall Pig Show, Friday, October 1st.

● AND THOSE ON THE BATTLEFRONT

At this time, the gratitude that we can show them is by buying ---

More War Bonds

Our 3rd War Loan Drive ends October 2nd. We must try to raise our Quota and not let our boys down. They are depending on your \$25 or larger bond to help bring them home. Do your part NOW!

Pastime Theatre

WE WISH TO CONGRATULATE

Our F. F. A. and 4-H club boys on their fall pig show to be held here tomorrow. They are doing a mighty fine job of feeding and receiving knowledge as stock raisers that will benefit you and me as well as these boys in future years.
