## PANHANDLE CONSERVATION ASS'N. TO ASK \$25,000 LOBBY FUND OF STATE

### Efforts of Counties in Raising \$10,000 Lobby Fund Blocked When Found Law Would Not Permit Spending Money Outside of County

A committee including Judge Wilson Cowan of Dalhart, Dan Ethridge of Friona, W. A. Warren of Canyon, J. R. Porter of Clarendon, Judge Noel McDade of Dumas and Pete Smith of Plainview were appointed to draft a bill asking the state to contribute \$25,000 toward lobbying a bill through congress to aid soil and water conservation in the Panhandle at a meeting held in Amarillo Thursday.

Senator Clint C. Small stated that "he could and would put the bill through at Austin," according to a newspaper statement.

It is planned that the bill give conservation authority similar to the Colorado River Authority of Coleman county.

The Association plans to send Carl Hinton, secretary of the Amarillo Chamber of Commerce, who was named executive secretary of the new organization, to Washington to confer with government officials on obtaining federal assistance.

Previously, \$10,000 had been asked of 32 Panhandle counties to defray the expenses of Mr. Hinton. Donley county's share was assessed at \$150. The county commissioners of Donley county turned down the request when advised by county attorney R. Y. King that "money owned by the taxpayers of Donley county could not be spent on private projects, or for any reason outside the county."

The Clarendon Chamber of Commerce endorsed the Panhandle Conservation Association at a recent meeting of the Board, it is said. The body recommended as a suggested location a point on Carroll creek near the Country Club, on land owned by J. R. Porter known as the McAdams farm. The creek is spring fed, and never has been dry since the first whites came to this section.

## Renowned Fossil Collector Visits In Clarendon Home

B. H. Beane, mayor of Le Grand, Iowa, and nationally known collector of fossil crinoids, was a visitor here recently at the W. M. Pickering home in the Naylor community.

Dr. Beane, who is an Iowa farmer, received an honorary degree of Doctor of Science from Penn State College several years ago for outstanding research and discoveries in the field of marine fossils.

He discovered the Le Grand quarries and scientist and geologist flocked to the pits from all over the country. The doctor found and discovered more than 50 new species.

The "Pan American Geologist" states that Dr. Beane's collection is one of the most remarkable private collections in the world.

## Cream Separator Flies Apart Fatally Injuring Ike James Near Groom

Lloyd Nelson (Ike) James, 18, son of Mr. and Mrs. Berry James residing near Groom, was fatally injured about 8:30 Monday morning. He was operating a cream separator, propelled by electricity, when it is believed a main bearing gave way causing the machine to break into pieces.

One of the many shrapnel-like slugs struck the youth on the left side of his chest and face tearing away a portion of his body to the top of his head.

He was rushed to a Pampa hospital where he maintained consciousness until ether was administered. He expired about 2 p. m. Monday.

Gaping holes were left in the walls and ceiling of the room by

## County Farmers To Discuss Program

### Opinions of Long Time Program Are Sought By County Wide Meetings

With the purpose of letting the farmers express their ideas of "what sort of a farm program they want for the years to come," county-wide meetings have been scheduled by County Agent H. M. Breedlove for this and next weeks.

"The New 1937 farm program is not ready to be released yet but will be forthcoming sometime in February," Breedlove said, and these meetings now being held are not connected with this year's program.

A farm plan sheet, arranged by W. E. Morgan, Extension Economist, will be used by farmers attending the meeting. The information requested on this sheet is intended to assist the county planning committee in making certain recommendations relating to a long time land-use program for the county.

The questions of the sheet refer only to the farming units operated by the one filling out the sheet. Inasmuch as the changes in land use recommended by individual producers for adoption on the farms operated by them will determine in large measure the nature of the county, producers are urged to exercise reasonable care when filling in the information requested.

The schedule released by Breedlove is as follows:

Giles—Wednesday, 20th, 4 p. m. at school house.

Hedley—Wednesday, 20th, 7:30 p. m. at school house.

Midway—Thursday, 21st, 4 p. m. at school house.

Lelia Lake—Thursday, 21st 7:30 p. m. at school house.

Jericho—Friday, 22nd, 4 p. m. at school house.

Goldston—Friday, 22nd, 7:30 pm. at school house.

Ashtola—Monday, 25th, 4 p. m. at school house.

Hudgins—Monday, 25th, 7:30 p. m. at school house.

Skillet—Tuesday, 26th, 4 p. m. at school house.

Whitefish—Tuesday, 26th, 7:30 p. m. at school house.

Clarendon—Wednesday, 27th, 4 p. m. at court house.

McKnight—Wednesday, 27, 7:30 p. m. at school house.

Mr. and Mrs. Douglas F. Wadsworth went to Ft. Worth Tuesday night where Mr. Wadsworth will have his tonsils removed.

## SCHOOL FINANCES BECOMING ACUTE

### Taxpayers to Say if Our Schools to Continue The Term

The local school board is in a dilemma relative to the raising of funds to continue the Clarendon schools. The need is rapidly becoming imperative that something be done.

On page two of this issue of the Leader the School Board goes into the matter thoroughly in an advertisement setting forth the exact status of the situation.

Attention is being called to the fact that penalties will begin after the first of the month. It is further shown that our schools will be forced to close after February if something is not done toward securing funds.

Naturally, the Board looks to the taxpayers. Thousands of dollars of delinquent tax money is past due. Several thousand dollars is now due on 1936 taxes.

It is generally agreed that if the schools close, credits will be lost and the school reputation of Clarendon be impaired for years to come. All those who owe taxes are urged to pay them as quickly as possible. Turn to page two and read the explanation under the heading "Clarendon Schools Are Going to Keep Open," then do your dead level best.

## Bronchos Drop Slow Game To Hedley Wednesday

Having dropped the first game of the county race to the Clarendon High School Bronchos here last Friday night by 15 to 13, the Hedley Owls evened the count in a slow battle at the Hedley High School gym last night by scoring a 19 to 13 win.

Taking the lead in the first quarter 7 to 2, the Owls went on to out point the Broncho club, in a fouling bee, and finished the bout without ever being in danger. Only two field goals were rung up by Clarendon for the entire game; Cooke got one in the second quarter and Cornell snarred a two-pointer in the last frame.

Hedley was credited with five counters from the court. Messer got 2, and Milner, McPherson and Johnson one each.

The starting line-ups: Clarendon, Butler, Cooke, Grady, Cornell and Rolis; Hedley, Thomas, Johnson McPherson, Messer and Adamson.

Substitutes for Clarendon were Holtzclaw, Hickman and Kyle; Hedley, Edwards and Milner.

## High School Girls Win Second Cage Go From Hedley

The Clarendon High School girls' basketball team made a clean sweep of the Hedley games when they added number two at the Hedley High School gym last night by a 26 to 17 count.

Getting off to a slow start and trailing by 9 to 4 at the end of the first quarter, the Clarendon club nosed ahead, 13 to 11 by half time. Running their lead to 20 to 15 at the close of the third frame, it was all over as far as Hedley was concerned, and the girls breezed under the finish line well ahead.

The line-up for Clarendon was Ryan, Grady, Thompson, Rolis, Nichols and O'Neil; substitutes were Teat, and Warren.

Hedley starters were Abernathy, Watt, Stone, Edwards, Monroe Adamson. Substitutes included Davis, Pickett and Killingsworth.

## Ashtola Gin Manager Goes To Lubbock Job

Manager of the Ashtola gin for a long number of years, Louie B. Merrell has accepted a similar position with a gin at Lubbock. He has moved his family to that point. Mr. Merrell will be back on the job at Ashtola this fall, he stated.

## Brother of Mrs. Kemp Dies At Austin Sunday

Mr. and Mrs. G. G. Kemp were called to Austin Sunday morning due to the serious illness of her brother, Charles Lightsey. He passed away there Sunday night.

## PIONEER MOTHER PASSES SATURDAY

### Came to Clay County In 1888 And Gray County In 1908

Following a short illness, death came to Mrs. M. S. Hommel at her home here almost suddenly about 4 p. m. Saturday, just at a time when relatives saw improvement in her condition.

Funeral services were conducted at the local Methodist church 2:30 Monday by her former pastor, Rev. B. J. Osborn, now of Hedley, and Rev. E. D. Landreth, pastor here.

In addition to the songs sung by the choir, Messrs. Wilson Blakeney and William Barnes, former neighbors of Alanreed, sang "Home and Mother" most beautifully, as a special tribute to the deceased and her loved ones.

Attending the casket were per-

MRS. M. S. HOMMEL

sonal friends of the family. They were Olin Castleberry, Walter Clifford, J. C. Estlack, Clyde Gilbert, Chas. G. Speed and Eugene H. Noland. The Buntin mortuary had charge of arrangement, and interment was made in Citizens cemetery.

Daughters surviving are Mrs. W. E. Kennedy, McLean; Mrs. Chas. Barnes, Ponca City, Okla.; Miss Alice Hommel, Dallas; Mrs. Annie Smith, Clarendon. Sons are Chauncy G. of Dallas; W. Ollie and Frank J. Hommel of Clarendon. Husband, O. P. Hommel of Cove, Arkansas.

Her brothers are William and J. B. Welch of Pleasantville, Ky. Fifteen grandchildren and three great grandchildren survive.

Mrs. Hommel, a native of Kentucky, soon after her marriage in 1887, made her home a few miles southwest of Bellevue. The family resided there until 1908 when the home was established near Alanreed, Gray county.

For the past few years she had spent her time visiting among her children. During the past few months she had been here with a daughter who is ill, and it was at her home here that she passed away at the age of 71 years, two months and twenty-six days.

## Rep. George Moffett Goes To Austin Monday

Here over the week end attending to business in connection with the Clarendon Motor company of which he is now owner, Rep. Geo. Moffett left Monday night Austin bound.

Rep. Moffett has a number of important legislative matters in mind of interest to his constituents, and the Texas people in general, and much will be heard from him this session.

## Lewis Buys 500 Head Cattle For Mill Irons

### Lewis Buys 500 Head of Cattle For Mill Iron

Five hundred head of cows were recently purchased by W. J. Lewis from Julian Bivins and will be turned in on the Mill Iron Ranch in Hall county, W. J. Lewis Jr. said last week.

The cattle were to be shipped Monday from Channing and will be unloaded at Tampico, Texas.

## Chevrolet Company Changes Management

### New Manager Has Had Nine Years of Chevrolet Experience

Closely connected with the sales department of the Ross Chevrolet company of Allen, Oklahoma for a number of years, amply qualifies W. W. Noblet for the position of manager of the Clarendon Motor Company here.

Mr. Noblet has studied the auto agency business from many angles. Believing that satisfied customers are necessary in building a business, it will be his policy to render every service possible to the satisfaction of patrons of the company under his management.

With Mr. Noblet came Mr. Alvin Bailey, auto salesman who formerly held a similar position with the Ross Chevrolet company at Allen, Oklahoma.

Both of these gentlemen are married and have established their homes in Clarendon where they will be welcomed by the best people of the best town in the Panhandle.

## Oil Explorations Become Active In Hutchinson

More holes are being drilled, and more oil found in Hutchinson county now than for several years. W. B. Haile, who owns a large acreage up there, reports 23 producing wells on his holdings at this time.

Mr. and Mrs. Haile and Mr. and Mrs. John T. Sims visited in that section Wednesday of this week.

## Pension Investigators Are Here Over the Week

A large crowd of elderly people have been in daily attendance at the courthouse this week. Under the new law, re-investigations are necessary.

Mrs. Eddith McSwain has been here since Monday. Wednesday, district supervisor J. S. Fischer arrived. With him are Mrs. Floyd Cooper and C. L. Alexander.

Every effort is being made to adjust matters in all fairness, and that as quickly as possible.

## CHAMBER OF COMMERCE EXPECTS RECORD CROWD AT ANNUAL BANQUET

### Jake Tarter, Wheeler County Agent Will Be the Principal Speaker For the Evening; Directors Will Be Elected And Winners In Christmas Lighting Contest Announced

Approximately 200 persons are expected to attend the annual Chamber of Commerce banquet which will be held at the First Christian Church here, Monday night, January 25, at 7 o'clock.

J. M. Hill, secretary, estimated this number Saturday, saying the Chamber was preparing for the most successful gathering in several years.

The increase in attendance is expected from the "farmer invitation" plan, Hill said, which gives each member, of both the Lions Club and the Chamber of Commerce, permission to invite one farmer.

Jake Tarter, Wheeler County Agent, has been selected as principal speaker. "His talk has been selected along constructive as well as entertaining lines," Hill stated, adding that Tarter was the oldest

## COUNTY COURT JURIES VOTE NOT GUILTY IN TWO CASES HERE MONDAY

### Johnnie Campbell And D. B. Hood Acquitted On Charges Of Selling And Possessing Intoxicating Liquor

## Press Board To Arrange Program

### Annual Convention Date Will Be Set in Meeting January 23rd in Amarillo

Members of the board of the Panhandle Press Association are called to meet at the Herring hotel in Amarillo January 23 at 2 p. m. for the purpose of formulating a program and setting a date for the annual convention.

This Association, the largest regional press association known, holds annual sessions of two days in the early spring, and one day at the Tri-State Fair each year.

J. C. Estlack, Donley County Leader, is president; Albert Cooper, Shamrock Daily Texan, is vice president; Clyde Warwick, Canyon News, is secretary. Other members of the board are Jess Mitchell, Muleshoe Journal; F. P. Engleman, Tulsa Herald; Douglas Meador, Matador Tribune.

The coming annual convention will be the 27th since organization. For the past several years, the Association has met in Amarillo because of the adequate hotel facilities for taking care of the large number who are in annual attendance.

## Griggs Celebrates Sixty-First Birthday Sunday

Fleeting time clicked off the 61st year for C. E. Griggs Sunday. He was given a dinner at the home of his daughter, Dr. and Mrs. C. W. Galloway.

With Mr. Griggs came Mrs. Griggs and his sister, Mrs. Dora Hankins of Skiatook, Okla. Friends especially invited in for the affair included Mr. and Mrs. Dave Johnson, Mr. and Mrs. O. W. Latson, Mr. and Mrs. Fred Buntin and daughter Phoebe Ann, Mrs. W. T. Clifford.

Two county court juries, Monday, brought in verdicts of not guilty in the respective trials of Johnnie Campbell and D. B. Hood on charges of sale and possession of intoxicating liquor.

The juries were out of the court room only a few minutes in both cases.

Campbell's trial was called about 10 o'clock in the morning and consumed most of the day, while Hood's was tried in less than four hours.

In the Campbell case, the state attempted to show that the defendant had sold a pint of whiskey to B. E. Conant, State Liquor Control Board agent, who was called to the stand as the first witness.

Conant testified that on the evening of December 21, (Monday) 1936, he bought a pint flask from Campbell at the defendant's home shortly after sundown.

The second and final witness for the state was County Clerk, W. G. Word, who was called to read the record of the local option election in March, 1904, which the state contended was still in force.

Called as first witness for the defense, Glenn Palmer, son-in-law of Campbell stated that at the time of the alleged sale he was employed in Amarillo. He swore that Campbell came to his home early Sunday morning, December 20, and was there periodically until Tuesday afternoon. He quoted Campbell as telling him that he was there to meet his (Campbell's) wife and to sell a "hoist." He said that the defendant was planning to sell his wrecking shop equipment in Clarendon and moving to Corpus Christi.

Alfred Hatley, also Campbell's son-in-law, testified that he and his wife were at the Campbell home, here, during the time questioned and that Campbell left for Amarillo late Saturday night and (See COUNTY Page 8)

## More Donley County Youths Enter Army Service

The latest to enter Uncle Sam's army service from this county are Clarence F. Sharp, Robert D. Cordray of Hedley, and Joseph S. Reynolds of Lelia Lake.

These young men were sent to Ft. Frances E. Warren, Wyoming. A number of other Donley county boys are stationed at that fort.

## GROCERY-MARKET OPENING MONDAY

### Well Known Grocer Enters Business Again With New Stock

It was in 1908 that Buel Sanford came to Clarendon. For 12 years he was employed by other firms. In 1920 he formed a partnership with E. P. Shelton, and that partnership continued until about the close of 1936.

This week Mr. Sanford announces the opening of his individual business in the building formerly occupied by the City Grocery. A complete new stock of groceries is available to his patrons. Vegetables and fruits in season will be kept. "I am compelled to operate on a cash basis to enable me to sell at the lowest price possible in the day of advancing prices," Mr. Sanford stated Wednesday.

J. M. Baxter, in the meat market line here since 1930, has opened a meat market in the same store. With him will be associated his son Joe of Iowa Park. A complete line of fresh and cured meats will be kept for the convenience of their trade.

## Legion Auxiliary To Meet January 25th

The American Legion Auxiliary will meet at 3 p. m. January 25th. Plans will be completed at this meeting for entertaining members of the Legion at the Club Rooms at 7:30 p. m., January the 28th.

**AND THEIR GALL BUSTED!**

Newspaper men for ages have been credited with two things. First, he scored as a booster. Second, he is alleged to score as a financial idiot.

The Texas State Manufacturers' Association apparently takes both as accepted facts. The timidity of Texas manufacturers has been commented upon by many publishers as being somewhat akin to a tragedy. The secrecy by which our infant industries hoped to sweep the state might have been based on ethics. There is no secret about it today. The bashful attitude has been succeeded by gall. Their gall has burst all over the publishing fraternity of the state.

But they propose to have their cause pleaded free of charge. No other than Porter A. Whaley, long connected with chamber of commerce activities in this state, is in charge of the free advertising bureau. Porter is supposed to get the job done with picture mats and copious supplies of reading matter, both of which are expected by the manufacturers of the state to arouse prejudice and get the cash.

"America is counting on the sons of the men who defended the Alamo and fought with Sam Houston to regain the sulphur markets it lost nearly six years ago to foreign nations," we read in the last bombast mailed out asking for free space, free service and anything else the sulphur trust may get.

"Texas boys who have made good are in the forefront of this battle," is another statement calculated to arouse prejudice and patriotism within the "ignorant" minds of the newspaper fraternity.

Here is a fine line of advertising. It's all fixed up to get the job done. It cost a lot of money. But the important point was overlooked. Unless the newspapers print these appeals, it will continue to be a secret. Publishers ask only a fair rate for their services. On the other hand, publishers pay for all they get from the manufacturers, you know.

**Chevrolet Workmen Protest Unionizing**

Detroit, Jan. 18.—More than 9,000 men, virtually the entire personnel of the Chevrolet Gear and Axle Division of General Motors Corporation, staged a demonstration in Detroit last week against the strikes which have shut down General Motors plants and caused enforced idleness to more than 135,000 workers.

The Detroit demonstration occurred at the main plant of Chevrolet's four units on Holbrook ave. at St. Aubin.

There has been no strike in these Detroit units of Chevrolet. But the units, devoted to the manufacture of gears, axles, steel wheels, and knee action mechanism, are key suppliers of these automotive parts to ten assembly plants, and the sit down strikes in other plants have stopped all operations here.

It is estimated that more than 90% of the men in the plants are eager to return to their jobs.

The employees assembled last week to receive their pay checks, their last pay until the resumption of operations.

While waiting for the paymaster's staff, the men held mass meetings in the four cafeterias of the Division and appointed a committee to express their opposition to the strikers and those causing their enforced idleness.

Appointing an employees' committee, headed by Arthur Evans and George Gilbert, workers in the plant, the groups voted to publicize their opposition to the strike through personal telegrams to Gov. Frank Murphy of Michigan and President Roosevelt. After the meetings, the four groups assembled in front of the main plant for a mass demonstration of protest under banners with the legends: "We don't want a strike," "We want our jobs back," "We object to minority rule," and "No labor dictators for us."

Mr. and Mrs. A. E. Baley and daughter, Helen, were Amarillo visitors Saturday.

**Industry, Merit Recognized In Modern Schools**

Exactly 55 per cent of the entire student body at The University of Texas, or four thousand, six hundred and four students, earned all or part of their expenses for the 1935-36 session, according to the registrar's report for last year, just issued. These young men and young women either worked while going to school or earned before entering the University at least a portion of the funds necessary for their year's schooling.

The largest percentage of working students were men, 69.1 per cent of them, or 3, 913, earning all or part of their expenses. A total of 691 women, or 25.6 per cent, likewise worked their way through school.

Of both men and women students, nearly half of the working group supported themselves entirely. A total of 1,926 men and 312 women earned all of their 1935-36 expenses.

Students in the Medical Branch of the University, located at Galveston, also contributed to their own support, 47 of them, or 13.1 per cent, earning all their expenses, and 113, or 31.6 per cent, contributing a portion of their school expenses by their own effort.

**Rare 1913 Nickel Brings \$50 To Childless Man**

Childress, Jan. 13. (N)—Just as he started to insert a nickel in a phonograph machine at a local cafe, Gerald Phipps noticed that it was smaller than several others he had in his hand.

The coin proved to be a 1913 Liberty head nickel, of which only 20 were coined before the government changed to buffalo nickels. These few nickels are objects of search by coin collectors and have a value of nearly \$50.

Phipps, an employee of the West Texas Utilities Company, has watched every nickel that came in his possession in the last 10 years in hopes of finding one of these, he said.

Mr. and Mrs. J. T. Sims were in Amarillo Monday.

**717 Confederate Veterans All That Are Left in Texas**

**3,748 Are All That Survive Anywhere of 600,000 Men That Fought**

The ranks of Confederate veterans are gradually thinning out and, according to a compilation of pension rolls and rosters of Confederate Homes by States by Major Edmond R. Wiles, past commander in chief, U. C. V., of Little Rock, Ark., the total number of veterans living January 1, 1937, was 3,748 and widows 27,783.

In Texas there are 717 veterans living and 5,427 widows.

The youngest living Confederate veteran is 88 years old, Major Wiles said. This means that he must have joined the Confederate forces at the age of 15 in 1865, the last year of the civil war. The oldest veteran is 107, as shown by the records of the registration committee at the forty-sixth reunion held at Shreveport June 9, 1936.

The 3,748 veterans still living represent the remnant of the great armies of the South in which there were enlisted during the four years of the war 600,000 men compared with a total enlistment of 2,778,304 in the Northern army.

From the most reliable data available, Major Wiles estimated that there are approximately 9,000 Union veterans living.

"This indicates that the death rate has been considerably heavier in the ranks of the veterans of the North than those of the South, the ratio now being around 2 1/2 to 1," Major Wiles said. "The death rate of Confederate veterans has increased from approximately 18 per cent in 1931, when I completed the first census, to approximately 22 per cent in 1936. It will increase, of course, as the years pass. Therefore 1942, it is sad to contemplate, will mark the passing from the scene of action of all but a small number of the hosts who made history.

"There is possibility that a few veterans may attain the age of 100 in which event 1948 will mark the

passing of the last man who fought.

The forty-seventh Confederate reunion to be held in Jackson, Miss., in 1937, on invitation of the State, in all probability will be the last held in the South. This is fitting, Major Wiles said, as the second reunion following the organization of the United Confederate Veterans at Chattanooga, Tenn., in 1889, was held at Jackson, Miss., June 8, 1890, making a total of three reunions held in the State—1890, 1930 and the last, 1937.

"It is fitting and proper that the seventy-fifth anniversary of the Battle of Gettysburg, the high point of the Confederacy and the greatest battle of modern times,

should be commemorated in a proper manner by holding it there on July 4, 1938, a joint reunion of the Blue and the Gray, which unquestionably will witness the last encampment of the Grand Army of the Republic and the last of those most colorful and unusual events, held annually in the South, the Confederate reunions," Major Wiles said.

Mrs. Eva Atteberry returned to Clarendon Thursday after a visit in Borger.

Mr. and Mrs. C. C. Haile were here Saturday for a visit with Mr. and Mrs. W. B. Haile. They accompanied Mr. and Mrs. Haile to Hutchinson County Sunday.

**Beware The Cough From a common cold That Hangs On**

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Creomulsion not only contains the soothing elements common to many remedies; such as, Syrup of White Pine Compound with Tar, fluid extract of Licorice Root, fluid extract of Wild Cherry and Menthol, but also has fluid extract of Ipecac for its powerful phlegm loosening effect, fluid extract of Cascara for its mild laxative effect and, most important of all, Beechwood Creosote is perfectly blended with all of these to reach the source of the trouble from the inside. Creomulsion can be taken frequently and continuously by adults and children with remarkable results.

Thousands of doctors use Creomulsion in their own families as well as in their practice knowing how Creomulsion aids nature to soothe the inflamed membranes and

heal the irritated tissues as the germ-laden phlegm is loosened and expelled. Druggists also know the effectiveness of Beechwood Creosote and they rank Creomulsion top for coughs because you get a real dose of Creosote in Creomulsion, emulsified so that it is palatable, digestible and potent for going to the very seat of the trouble. Creomulsion is guaranteed satisfactory in the treatment of coughs, chest colds and bronchial irritations and especially those stubborn ones that start with a common cold and hang on for dreadful days and nights thereafter. Even if other remedies have failed, your druggist is authorized to guarantee Creomulsion and to refund every cent of your money if you are not satisfied with results from the very first bottle. Don't worry through another sleepless night—phone or go get a bottle of Creomulsion right now. \* (Adv.)

**Clarendon Schools Are Going to Keep Open**

We, the members of the school board were elected to carry on your schools—our schools—and we are faced with the necessity of providing funds to do the job. Under the law we have levied sufficient taxes to pay all costs, and now your part is to pay your taxes. You owe it to yourself and you owe it to the great majority of people living in the Clarendon Independent School District who have paid and are paying their school taxes, and who demand from this board that our schools run the full nine months period.

**\$43,000 DELINQUENT TAXES DUE**

Besides the current 1936 taxes due by January 31st, there are \$43,000 delinquent taxes due the school. The board has tried by every fair means to collect this tax money, and have seen all local means fail. There is not enough money in sight to more than carry the schools through February. The schools must run, so we have decided to place the collection of delinquent taxes in the hands of an outside collection agency, who will have no local friendships or ties to hamper them in the task.

**PENALTIES AFTER JANUARY 31st.**

In years past we have been lenient in the matter of penalties provided by law, as a help to our people facing the hard financial situation. We cannot longer pass these penalties by and be fair to those who are paying their taxes. The properties of the district stand for the taxes lawfully assessed and all penalties added for delinquencies.

**PAY YOUR TAXES BEFORE FEBRUARY 1st TO AVOID PENALTIES** Remember, that penalties on 1936 unpaid taxes are added at the rate of one per cent per month, until July 1, 1937, when the penalty is increased to eight percent and interest charges at the rate of one-half percent per month are added.

**WE ARE FACING OUR RESPONSIBILITY** and Ask YOU to Face Yours Our school system is the greatest asset we have in the Clarendon school district. If our schools suffer, our Junior College will fall along with it. The education of our children NOW at their tender age is a matter we cannot shift to some other day. The law is plain as to the duties of the school board. We have decided to face the issue, as any other elected board must do. The property here must bear the load.

We thank you heartily for all co-operation in years past and gone, and we solicit your early meeting of all obligations due the district. If there was any easier way out to carry on our schools we would use it. Arrange to pay your current and delinquent taxes before penalty date and give evidence of your deep interest in the children of this district.

**TEMPLE OF TRUTH**  
 By the Apostle  
 \*\*\*\*\*

Out at the Martin school the folks decided to build a bus garage, and did. The job was practically completed in one day. That's team work. That spirit spells success and content in any community.

The way some folks get mixed up after telling a lie, you would think they had been born in an egg beater.

Carr Buncle says brushes and mops are not made out of scrub oak.

**Facts—**  
 Did you ever see a man carrying a billboard under his arm? No! Did you ever see a handbill lying on a reading table? No! Did you ever see the picture of the new dress or suit that you plan to buy come into your home over the

radio? No! Did you ever see a live newspaper like this one thrown into the wastebasket before it was read? No!

People now-a-days pay their hard earned money to get the news—and to get the news of business—advertising.

**Prejudice Defined:**

"Prejudice is pre-judgment, opinion without thought, conclusion without evidence, determination without investigation, condemnation without a trial.

The word Prejudice is the black sheep, the outcast, the repulsive degenerate of the Royal Family of WORDS.

Prejudice is the mockery of justice, the thief of reputation; it found the fagots, lighted the fires of martyrdom all around the world. It stoned Stephen, imprisoned Paul, cast Daniel in the Lion's den. Bathed Gethsemane in tears, wove the crown of Thorns, reared the cross, and crucified the Messenger of God.

**Convenience:**

Dick Cooke collects facts "here and there" every week for the convenience of the readers of the Leader. It may not be found on the same page every week, but it will be found some place. Look for it—the latest news boiled down.

**Ignorance:**

Doctors advise against kissing until the flu epidemic is passed.

**Genius Wanted:**

The cry goes out for some gen-

ius to invent a fuel for the school buses that may be purchased with delinquent taxes. Supt. Kavanaugh is author of that thought.

**Calumet and Tack:**

Calumet baking powder "raised" Old Tack right up and sat him down in the midst of millions about 4:10 Sunday afternoon. Old Tack did himself proud in telling the folks about Mothersinlaw Day without boasting one bit. "Rah for Tack! He was in New York's Radio City at the time he made the talk of a few minutes. His was a far more interesting subject than some of the others. Three Texans talked on the program that hour. Texas thus is ahead of anything, and Old Tack is leading them just as he did that football affair at Abilene.

**Ingenuity:**

Major W. W. Buck out at the Myers bull ranch in commenting on the crow epidemic here now and never before known, says that back in the piney woods where he grew up, folks killed the crows by pulling horse hair through grains of corn and allowing the crows to eat the grains. The Major says the crows kill themselves when they cut their throats scratching at the horse hair in their goozles. Not being up on crowology, and not being a piney-wooder, he may be right. In a section where borers caused maize to take the place of corn, and tractors took the place of horses, the remedy is going to be mighty hard to find in old Donley.

**Clarendon Methodists Attend Amarillo Rally**

Clarendon Methodist attended the Conference-wide rally, held at the Polk Street Methodist Church in Amarillo, Tuesday January 19, in connection with the Bishop's crusade which is a program of preaching throughout the Church. The meeting was one of about thirty gatherings planned for key cities in the Southwest.

icipated in the program and was in Clarendon Sunday afternoon for an address at the Methodist Church relative to the rally. Dr. Boaz spoke to a large congregation at the 5 o'clock Vesper service, relating his experience in the mission fields of the Orient.

Rev. E. D. Landreth, of the local Church, explained that the Bishop's Crusade was being carried on for the purpose of reviving mission and spiritual interest.

At the Amarillo meeting from Clarendon were Rev. and Mrs. E. D. Landreth, Dr. and Mrs. T. S. Barcus, Mr. and Mrs. Sam Braswell, Mr. and Mrs. J. R. Bulls, D. R. Davis, T. F. Connally, Mrs. Dave Johnson and Mrs. W. T. Clifford.

Mr. and Mrs. R. E. Drennan and Ethelyn were in Amarillo Sat.

**HERE AND THERE**

**HERE**—Payments to needy old aged in Donley County for the month of December totaled \$2,246.00 according to a commission report from Austin. One hundred and thirty one applicants were included in this amount.

**HERE**—The 1937 farm program will be released sometime in February, it is expected by County Agent H. M. Breedlove. Signing of work sheets will begin about that time, he said. The program will be virtually the same as last year.

**THERE**—In a statement last week, Governor Allred said he might go to Washington soon to urge President Roosevelt to grant \$15,000,000 federal funds for WPA works in Texas.

**HERE**—Dark skinned Albert (Marble Eye) Boyd will not have to face the bar of justice tomorrow. Boy's case—the fourth liquor trial scheduled for this week—was continued until the February term of court because of sickness.

**THERE**—"A kiss or two on the side can't do much harm," Dr. Ralph Rendricks, city health commissioner of Spokane, Wash., said after advising against the practice of kissing by adults as well as babies. His prescription also included old fashioned long "Undies."

**HERE**—R. E. Drennan said last week that plans were underway to form volleyball teams composed of business and professional men. Games, "for exercise" would be played weekly at the Junior High School gym, he said.

**HERE**—Refinanced bonds, totaling \$51,000 were mailed by the city this week. The bonds were here as part of a transaction which, according to commissioners, will reduce the City's indebtedness \$25,710 over a period of several years.

Ten thousand dollars worth of their own long time bonds were recently purchased by the city, and interest on the \$51,000 set were reduced from 6 per cent to 4 1/2 per cent.

**THERE**—Chaperoned by police, 2,500 WPA workers, last week, marched from the White House to Capitol Hill, in Washington, chanting a demand for more relief jobs at higher pay.

**HERE**—Personal note to Joe Goldston, Edwin Eanes, Sam Dyer et al. The Port Worth and Denver water tank was dismantled and moved from the "coal chutes" Saturday morning and the 188 staves were assembled in one day. With a capacity of 100,000 gallons the tank will be filled from city wells within two weeks. Railroad officials estimated the tank has been in Clarendon over 35 years.

**HERE**—George W. Kavanaugh, H. T. Burton, R. E. Drennan, McHenry Lane, B. F. Kirk and Mr. Payne attended the Panhandle Superintendent meeting at Amarillo Saturday. Approximately 150 superintendents from over the Panhandle were there. Mr. Lane attended a meeting of principals in the interest of forming a similar organization.

**HERE**—Sport fans of Clarendon are overlooking exciting basketball contests at the Junior High School gym every week. Coach C. C. Jones is putting one of the strongest teams in several years on the court. Admission prices are small.

**THERE**—A washing machine engine for power; an apple box coaster wagon chassis; a pint fruit-jar for a gasoline tank and a cardboard motor hood went into a makeshift toy automobile that travels 12 miles an hour perfected by a young Cleburne inventor.

**HERE**—Mr. and Mrs. Foster Peterson of Amarillo were in Clarendon Saturday. Peterson is on the city desk of the Amarillo News and Mrs. Peterson was formerly Pauline Munsey of this city.

**THERE**—An insurance company, working under the theory that only three out of every 100,000 persons reach 95 years of age, and that those three die at 96, recently mailed a \$1,000 check to a 96 year old woman who is alive and in perfect health.

**HERE**—The trial of Arthur Campbell on a liquor charge, was dismissed Tuesday after a motion by the State asserting that important witnesses had moved out of Texas.

**THERE**—The Childress Chamber of Commerce is launching a project to locate and sell, at cost, cottonseed to be planted by Childress County farmers next season. The undertaking is estimated to involve \$25,000 to \$40,000 in seed purchases.

**HERE**—Three hundred and forty-eight poll taxes have been paid in Donley County, according to deputy Glenn Churchman. Last year 1,831 was paid through January with over 2,200 for the full year. This year's January payments total 152.

**HERE**—Mr. and Mrs. L. N. Moore are the parents of a girl, Loy Dean, born Saturday night, January 16.

**HERE**—Applicants for old age pensions are being interviewed this week by C. L. Alexander and Mrs. Eddith McSwain, investigators from Amarillo.

**THERE**—With 1936 farm payments yet to arrive, one fight over the division of one of the checks has already occurred in Childress county. The landowner and the renter failed to agree as to the division and the renter filed a charge of abusive language against the landlord in justice court.

The influence of the life of this sainted mother shines like the light of the sun brightening the pathway of hope for those left behind who look toward "The hills from whence cometh our help."

In closing this tribute as one who knew this good woman almost a half century, this poem aptly portrays:

"Love is stronger than death;  
His lilies live  
White on the blackest pall that  
Death can spread;  
His songs to nights of fear  
Faith's radiance give,  
His garlands grace with life  
The sleeping dead."

**MRS. M. S. HOMMEL**

Accepting the Master's words that He is the resurrection and the life and that whosoever believeth on Him shall never die, Mrs. Hommel was enabled to live a long life of personal sacrifice, endure grief and disappointment as few mothers ever did. She put her faith in the Gospel and gave her life to Jesus Christ early in life. Her daily life was a shining embodiment of the Master's promise that whosoever will may share in the everlasting happiness in the next life.

She sought out the place where she was needed most, and finally, in the closing days of her eventful seventy-one years, she was faithfully rendering service and with all her strength and love, was ministering to a daughter who was ill.

Her cheerful, helpful life, her devotion to her family and kindness to everybody will linger long as a fragrant memory of a soul martyred in the service of human suffering and sadness. The gratitude of her loved ones brought into her life the sunshine of hope and cheer.

Her life was gentle, but like the still waters, it was deep. In her heart of hearts she carried those she loved, and her hand was never weary, her step never failed in caring for and ministering to those who were in any way dependent upon her. She was a devoted wife, a loving mother and cheerfully gave her life to the building of happiness for those near and dear to her.

For almost a half century she endured the hardships and privations of pioneer life. First in the early settlement of Clay county in 1888, and in Gray county in 1908. She accepted the decree of fate and made the most of her surroundings. Her faith in Him gave her strength to overcome life's hardships.

# Clarendon Grain Company To Bring Hollywood Film Epic To Clarendon

**"The Blacksmith's Gift", Starring Monte Blue, To Be Shown at The Cozy Theatre, Friday, Jan. 29, As Part of John Deere Centennial Celebration**

On "Blacksmith's Gift," a historic epic of American agriculture, years ago, will be one of the leading features of an all day house which C. W. Bennett, John Deere dealer, will hold at Cozy Theatre, Friday, Jan. 29, beginning at 10:30 a. m. This thrilling picture was produced in Hollywood with a large cast of well-known actors, featur-

ing Monte Blue and that outstanding comedian of "The Trail of the Lonesome Pine," Fuzzy Knight. The supporting cast includes Arthur Aylesworth, Otis Harlan, Anne Hovey, John Marlowe, Claire McDowell, and many others. The story is a stirring episode in the early settlement of the Mississippi valley; it tells of a grave problem confronting the early settlers, and how that problem was solved by John Deere, the young Vermont blacksmith, making pos-

sible a new era of progress in American agriculture. Many touching scenes occur in the unfolding of the gripping drama, and the talkative Fuzzy Knight, as the jovial village hanger-on keeps up a continual flow of comedy which makes the picture top-rate entertainment. Three other pictures will be shown in addition to the feature presentation, including "From One Anvil," a sequel to "The Blacksmith's Gift," a short news reel

showing new developments in agricultural equipment, and "Her Husband's Choice," a sequel to "Sheppard & Son" which was shown last year.

In the homelike atmosphere of "Her Husband's Choice," things happen as they do in every family. There you will meet again old friends of former years—Mr. and Mrs. Sheppard; their son, Dick; their daughter, Phyllis; her soon-to-be-husband, George Barkley, and Jim Brady. It is the story of a modern farm boy and girl as they make plans for their own farm—and how they become owners of a tractor in an unusual way. "Her Husband's Choice" is packed with entertainment, but more, it is an education in modern farming methods.

The program of the day, however, is by no means confined to entertainment features. Interspersed there will be talks and demonstrations of a highly educational nature, and the Clarendon Grain Co. extends a cordial invitation to every farmer in this area to be present for this day of pleasure and profit.

Mr. Bennett extends a special invitation to all farm boys. "Our program has been designed for the boys as well as their fathers," he said, "and I promise that the day will be one that they will never forget."

Plans are being made to make this open house one of the big events of the year in this community, and farm families from many neighborhoods will have an opportunity to get acquainted there and exchange ideas and experiences in their own farming operations. Dozens of new ideas will be presented during the day which will be valuable to everyone present.

The local Centennial day is a part of the National John Deere Centennial celebration; for it was in 1837, just 100 years ago, that John Deere made his first steel plow.

## SCHOOL NOTES

By Geo. W. Kavanaugh  
Mr. Gunstream has accepted our invitation to be at Clarendon next Saturday. He will be the outstanding speaker at the noon session of our Trustee and Teacher Meeting which will be held in the Clarendon Junior High School Auditorium. I am sure he will give us some helpful information pertaining to problems of bus transportation.

Donley County was well represented in Amarillo at the Panhandle Teachers Association last Saturday. We can truthfully boast of the fact that we have a group of teachers who show a keen interest in any kind of organization that serves to promote the efficiency of our schools.

A young man came in the office last week and expressed his desire to become a school teacher. I asked him why he thought he would like the teaching profession. "I don't think I would especially like that type of work, but it seems to me that it is the easiest way I know to make a living," was his reply. The old expression, "Thar is gold in them thar mountains," may be true, but the kind of mountains you dig into in school work yields everything but gold.

Mrs. Kavanaugh and Mr. Gunstream were classmates in Junior College in Greenville, Texas fourteen years ago. My, my, isn't it wonderful what education and cosmetics will do?

I am spending most of my time on the books in the office and hope to be able to announce the financial condition of our schools next Saturday. Any public announcements will include the county at large. Any individual who is interested in any particular district may obtain such information at the office.

"WANTED"—A fuel saver that will run schools and busses on delinquent taxes.

Mr. Chappman, who is director and supervisor of Adult Education, was visiting some of the classes in

Clarendon this week. These classes are conducted in the teachers homes without expense to anyone who wishes to attend. Mr. Chappman pointed out the major necessities of promoting Adult Education and expressed his sincere desire for more of the adults to take advantage of this opportunity. I shall announce the names of these teachers and the subjects taught in the papers next week. Mr. Chappman's motto, "You are never too old to learn."

## Mark Huselby Buried Sunday At Old Mobeetie

The procession is said to have been two miles long that followed Mr. Huselby's body to the cemetery Sunday when the closing chapter came to the life of a man who had figured in that section's progress since 1874.

In the beginning, Huselby supplied the soldiers of the old fort with produce. He died owning large bodies of land in Wheeler and Gray counties.

A prominent man in recounting his experiences of a visit recently, stressed the fact that his hosts served "red gravy." It's a homely expression, but a hot biscuit sopped in red ham gravy these cold mornings is something to talk about.

And we have just that kind of HAM, too. Then if you prefer, how about our quality country sausage. That is another point often discussed around the family table.

Oh yes, we keep that Prime Baby Beef always. In fact if it's meat, we have it. And don't forget the trimmings that go with meat. We have that too.

# NOTICE Taxpayers

Your 1936 TAXES are now due and must be paid before the first day of February, 1937, to avoid penalty.

Both men and women are required to pay their poll tax. Unpaid poll taxes are a lien upon any real or personal property you may own, or come into possession of. \$1.00 of each poll tax is allotted to the school of the precinct where paid.

Those who are 60 years of age or more are not required to have an exemption to vote; those who have moved into the county since January 1, 1936, are required to have an exemption; those who have become 21 years of age since January 1, 1936, or will become of age during 1937 are required to secure an exemption certificate during January, 1937, before they may vote in any of the elections during the year; no charge is made for these exemptions.

1937 automobile license fees cannot be paid before February 1st, 1937, but must be paid between February 1st and April 1st, 1937.

## Joe E. Brown As Polo Pretender To Be Shown At Pastime

Your old friend, Joe E. Brown, gallops into the Pastime Theatre on January 24-25th in the latest and laffiest of all his Warner Bros. starring vehicles, "Polo Joe."

He plays the role of Joe Bolton, an American youth who, after several years in China, returns home with a solemn-visaged valet—and an unbounded supply of tall tales. He returns to the arms of his adoring, gushing and disgustingly rich Aunt Minnie—who is a member of an extremely swanky polo-playing colony.

Joe at once falls violently in love with pretty Mary Hilton, a neighbor, who recognizes no hero but a polo-playing hero. Joe and his valet discuss the case in hand and decide that Joe must pose as a wow at polo. After that, he brags so much about his skill that he is finally shamed into becoming an active member of the local polo club.

To get him out of his fix, the valet with more enthusiasm than judgment, hires a couple of thugs to kidnap Joe before the game.

Their plans are overheard by the rival for Mary Hilton's hand, who relays the information to Mary's father.

Joe is forced into the big game of the season.

After a number of dumb plays which weaken the faith of everyone but the girl—Joe about-faces and makes a series of such brilliant ones that he wins both the game and the girl. But see Joe in action!

Carol Hughes, who made such a hit with Joe in "Earthworm Tractors," is delightful as the pretty polo enthusiast. "Skeets" Gallagher does the dead-pan valet with gusto. Gordon Elliott is Joe's rival and Joseph King is Mary's country-gentleman pa. David Newell is her brother, Olive Tell her mother—and Fay Holden is Joe's effusive Aunt Minnie. George E. Stone and Charles Foy are effective as the comical crooks.

As an added attraction Joe throws in some unique tricks and for good measure sings a Chinese song.

**There is Always Worship Fellowship :: Service**

Where do you seek to find a solution of the problems of life? A mother was heard to say, oh! I wish I knew where to find a solution of this problem. Her seventh grade son said why do you not look in the back of the book? He was accustomed to finding the answers to his problems in that way. But after one grows up and the duties and responsibilities of life confront him the answers to the problems are not found so easily. Almost every day one can hear somebody say, I wish I knew what to do about this. There is a Teacher who can tell you, and there is a Book in which the answer is given. The teacher is God, and the book is the Bible. A man who is known as the wisest person that ever lived said, "Let us hear the conclusion of the whole matter: Fear God, and do service for him: for this is the whole duty of man." There is no

place to go that is quite as helpful as the preaching service of your church. There is no study that is more delightful than that of the Bible. Be in your place next Lord's Day at the preaching service, and the Bible school, and Training service of your church, and note the wholesome influence that will result therefrom. You will be delighted beyond your most extravagant expectations.

Regular services Sunday at the Baptist Church. We believe there will be a mutual blessing for all who will come.

**AT FIRST METHODIST CHURCH**

E. D. Landreth, pastor  
Services 10:50 a.m. and 5 p.m.  
The pastor will preach at both the services Sunday. The Church

school will open in departments at 9:45 with a class to meet the needs of any who attend. Three Sundays of the new year have gone, almost a month. May we ask ourselves how we are getting on spiritually? What is your percentage up to now on church and Sunday school attendance? If this percentage is not what we would like it to be, then it is time next Sunday to start improvement. There are too many of our fathers and mothers in this community who are paying too little attention to the things of God. Let us see more of you at the churches Sunday. You will find a hearty welcome and a helpful service at the Methodist Church.

You can settle that most fairly on your own home grounds after you both have your chance at these latest simple rules, which automotive authorities approve today:

First be sure the garage doors hold open against any Winter wind! . . . your protection from fumes

Before touching the starter or ignition switch, step on clutch pedal and keep it down

Open hand-throttle about one-third

Now pull choke out full (unless your car has automatic choke)

With ignition switch still off (except startix-type) operate your starter, until your engine has made 2 or 3 revolutions

While starter is turning, switch on the ignition, being ready to release starter so that it has no chance of retarding the engine after explosions begin!

People have asked whether the advice we are printing about correct Winter starting doesn't help all gasolines. Yes, but anything you can do with them doesn't bring them up to Special Winter Blend Conoco Bronze. We are not afraid of that. Continental Oil Company

## Donley And Armstrong Counties WPA Tax Survey Is Consolidated Monday

Assistant District Supervisor Says Approximately 5,000 Untaxed Acres Representing \$35,000 Found

In accordance with the cut of all government works, the WPA Tax survey, last week, announced the consolidation of Donley and Armstrong counties under the management of R. E. Miller of Claude. A. H. Baker, former Donley manager, was relieved Monday.

James Bowen, of Amarillo, assistant district supervisor of the project, was in Clarendon Thursday and said the change was necessary to cut the quota of non-certified (non-relief) employees to within the 10 per cent allowed in this 20-county district.

Only seven non-certified employ-

ees remain in the district, he stated. Bowen praised Baker for his valuable services and expressed regret at the termination of his work. "This re-arrangement has absolutely nothing to do with competence," Bowen stressed.

Asked for a statement concerning the accomplishments of the tax survey in this county, Bowen replied that over 5,000 untaxed acres of land, representing an assessment valuation of \$35,000 and approximately \$1,110,000 of unassessed land improvements, have been found here.

### Peabody Family in Reunion Saturday Night

A big feast and games entertained a large number of relatives of the Peabody "clan" at the home of Mr. and Mrs. Clarence Peabody near here Saturday night.

Among those who were present were Mr. and Mrs. Clayton Peabody and children of McLean, Mr. and Mrs. Carl Peabody, Mr. and Mrs. Asa Peabody and children, Mr. and Mrs. Marvin Peabody, Mr. and Mrs. Noel Harvey and children, Mr. and Mrs. S. A. Pierce, Mrs. Guy Pierce and children, Mr. and Mrs. Glenn Atkins of Clarendon, and Mr. and Mrs. Curley Hall and children of Groom.

And Mr. and Mrs. Jim Cannon and children, Curtis Jones, Raymond Cannon, David Peabody.

Mr. and Mrs. Hugh Curry of Amarillo announce the birth of a daughter the 18th. Mrs. Curry will be remembered as Roberta LaFon.

rolls, and including approximately 12,000 acres of this county's land lying so close to adjacent county lines that taxes are paid in the other counties, should greatly reduce taxes when recorded," he pointed out.

"The survey also classified land according to its worth and improvements," Bowen stated. "When completed, if a good system is used by the county, records will be available for the tax collector-assessor to justly assess every part of land in the county."

Under the present system, it is impossible for the tax collector to estimate the values of land over the county.

"This by no means is any fault of the local tax officers, Bowen stresses, "but rather dates back to the early day surveyors who laid out land by tying a white rag to the wheel of a wagon and counting the revolutions."

Bowen estimated that the work in this county should be completed in about 4 or 5 months.

### Relatives and Friends Here To Attend Last Rites

A large number of friends and relatives were here Monday to pay last tribute to the memory of Mrs. M. S. Hommel, and attended the funeral services at the Methodist church.

Those from Alanreed, the former home of Mrs. Hommel were Mr. and Mrs. Wilson Blakney, Wilson Pauline Blakney, Mr. and Mrs. Rufus Kennedy, Mr. and Mrs. Enloe Crisp, William Barnes, Fannie Rector, Mrs. J. T. Wilson, Mr. and Mrs. Hubert Greene, Miss Winnie Faye Greene, Mrs. Jarrett Wilson, Mr. and Mrs. R. H. Thomas and children, Mrs. Vick Barnes.

Those from McLean were Milton Kennedy, Mr. Bush, Mr. and Mrs. Dewey Wood, Mrs. A. B. Wood, Mr. and Mrs. W. E. Kennedy, Miss Margaret Kennedy, Steve Kennedy. Others attending were Frank Kennedy, Arlington; Mr. and Mrs. J. E. Sammons, Plainview; Mrs. Gladys Hemphill, Amarillo; Mr. and Mrs. Sid Stone, Pampa; Miss Alice Hommel, C. G. Hommel of Dallas.

Mr. and Mrs. H. T. Burton were in Amarillo Saturday.

J. L. McMurtry left Friday to spend some time in the Desert Sanitarium at Tucson, Arizona.

### COUNTY

did not return until Tuesday. He said that he could remember no one coming to the Campbell home on Monday night.

Helen Palmer, 18 year old bride of Glenn Palmer, and Mrs. Alfred Hatley, substantiated their husbands' testimony on the stand.

Pete Corbin, local farmer, asserted that he was in Amarillo from Monday until Thursday and had seen and talked with Campbell Monday afternoon and again on Tuesday. He fixed the time at about 4 o'clock.

Hatley was recalled to the stand to testify as to the speed of Campbell's car. The defense endeavored to show that it would have been impossible for Campbell to drive to Clarendon Monday night and return to Amarillo between the hours sworn to by witnesses.

Campbell's testimony was largely reiteration of other witnesses. The case went to the jury at 2:50 p. m. and a verdict in favor of the defendant was returned at 3:35.

In the trial of D. B. Hood, on a charge of possession of intoxicating liquor, Sheriff Guy Pierce was first called to the stand and stated that on September 19 he was going to the Hood home in the search of a man named Payne. He said he had a warrant for Payne's arrest and had reason to believe that he was at the Hood home. Before leaving, he asserted, he saw W. T. O'Neil, State Liquor Control Board man, and asked O'Neil if he would like to go with him. Pierce said that he asked Mrs. Hood's permission to look around the house and she consented. He stated that while O'Neil was looking in a room, he (O'Neil) discovered two pints and three half pints of whiskey.

O'Neil's testimony was largely the same.

Mrs. Hood was the star witness for the defense. The aged, infirm little woman swore that she had been in ill health for some years and that the whiskey was strictly for medical purposes. She said that she had had 28 teeth extracted recently and that a Childress dentist had advised the use of aspirin and whiskey to ease the pain. She held it in her mouth she said.

She further stated that both she and her husband had been afflicted with rheumatism and they also used the whiskey for that.

On the stand in his own behalf, Hood admitted that he had kept whiskey for several years, but denied ever selling it. He said he had bought the whiskey in Amarillo the night before O'Neil had discovered it and that it was to be used strictly as medicine.

R. Y. King, in his plea to the jury after both the state and defense had rested, said in part:

"There is no one in this town that would rather see justice done than myself. Your duty, gentlemen, is to decide whether the whiskey was possessed for sale, or whether it was possessed for medical purposes. I ask you to give the defendant the benefit of the doubt. I am sure that both Mr. and Mrs. Hood are in need of medical treatment. It would indeed be a shame to condemn them if there is a reasonable doubt in your minds. Therefore, for the first time since I have been County Attorney, I am asking a jury, if you do find Mr. Hood guilty, to make the punishment the minimum of the law."

## Clarendon Quints Win From Hedley

Boys Victory Close As Girls Have Easy Win

The Clarendon High School boys and girls took a twin bill from Hedley teams at the Junior High School Gymnasium here Friday night by a score of 15 to 13 and 34 to 13 respectively.

The final quarter of the boys tilt made a bargain for the cash customers when the Bronchos ended two points ahead after trailing in the last few seconds of play.

With four and one half minutes to go and the count knotted at 10 all, Cooke dropped one through the net to put the Ponies out in front by two points. Hedley picked up one when Thomas' free throw was good, after Cornell's foul, and went back into the lead when McPherson rang the hoop.

With the game time dwindled to less than a minute and a half, diminutive Gene Butler jumped into the hero role by tossing in a foul pitch, to tie the game, and then got off a beautiful field shot for the 15th point and the game, just as the final whistle blew.

The local girls virtually walked off with their tussle. Ringing up a 15 to 2 lead in the first quarter they ran the count to 24 to 4 by half-time, 30 to 11 at the three fourths mark and then coasted to a 34 to 13 victory.

Frances Grady was high scorer, with 16 points, while Kathleen Ryan was second for Clarendon with 9.

Starting line-up for Clarendon, Thompson, Teat, Ryan, Grady, Roils, O'Neil.

Substitutes were Kerbow, Nichols, Warren and R. Ryan.
