City Commissioners Seek To Lessen Gas Explosion Chances

Will Inspect Extension And Repair Jobs; Citizens Are Asked to Co-operate

Prompted by the New London school disaster, the city commissioners voted this week to furnish free inspection to any home or business house which desires this service.

Attention of the commissioners has been called to the fact that there have been several jobs of gas plumbing done that does not meet with the requirements of the gas ordinance, according to T. M. Pyle. Pyle pointed out that the ordinance calls for inspection of all gas extension and repair jobs before the gas is turned on.

"We will appreciate it if the public will co-operate by insisting on having all repair and extension jobs inspected by the city inspector," the commission stated. "This should prevent gas explosions and fires."

In the future no charge will be made for repair or extension inspections.

Grandjury Releases Report; Advise Repairs For Jail And Courthouse

Recessing Wednesday afternoon the District Court grandjury submitted the following report, in substance:

We have been in session for three days; have examined many witnesses and have found bills of indictment in all cases where we deemed the evidence sufficient to warrant a conviction. We have heretofore returned into open court 10 bills of indictment; nine felony bills and one misdemeanor.

We have examined the county jail and the courthouse and have found that the jail seems to be almost beyond repair and requires that the commissioners court should begin considering seriously the advisability of either erecting a safe and secure jail or repairing the present structure should they find same feasible. We learn that the cupola of the courthouse is becoming insecure and that same should be inspected and placed in such condition, if necessary, that same will not be a hazard.

Rites For Hall County Civil War Veteran

Memphis, March 24—Funeral services for J. W. Wells, 92, last survivor of Confederate Veterans in Hall County, were held at the First Methodist Church Sunday afternoon.

Mr. Wells was a long time resident of Hall County and was the father of J. C. Wells, Publisher of The Memphis Democrat.

Born in Tippah County Miss. in 1844, he served in the 23rd Regiment, Mississippi Infantry, Adams Brigade, during the Civil War. He was married to Miss Mary Madden at Tishomingo in 1886 and moved to Texas in 1895. He came to Hall County in 1904.

Brother D. W. Clampitt Dies Monday in South Dakota

Mr. Clampitt received a wire Tuesday informing him of the death of his only brother, George Clampitt, aged 81, at Mitchell, South Dakota.

The wire stated that interment would be made at "Fonda," and Mr. Clampitt was unable to locate the place on a map or get information as to location. For that reason he did not attend the last rites.

Methodist Choir To Present Cantata

Invited Singers Will Assist With Annual Program At Church

The Methodist Church will present the Annual Easter Cantata Sunday evening at 7:30, it has been announced.

"The King Eternal" has been selected by the Choir for the presentation. Several invited singers will be present.

The program will begin with "Thus saith the Lord, behold I will do marvels," by the bass section. This is followed by the moving chorus, "Great and Marvelous." The events of Jesus' life from his labors to Jerusalem, his betrayal, suffering, death and resurrection, are portrayed by the choir.

The program includes solos by Mesdames W. G. Word, E. D. Landreth, J. L. McMurtry, J. H. Howze and Lalar Wilkerson. Duets are to be sung by Misses Alma Averitt, Louise Smith; Messrs. Clyde Hudson, Sam Braswell, Mrs. H. R. Kerbow, accompanist.

DONLEY COUNTY LEADS PANHANDLE WITH 75 PIT SILOS

Local Farmers Are Fast Convinced of Importance

With 75, Donley is leading all other Panhandle counties in trench silo building, according to statistics compiled for the Farm and Ranch Magazine.

Local farmers are fast becoming convinced of the value of trench silos, County Agent H. M. Breedlove said. Recent experiments show silage, a substitute for green pasture, is greatly beneficial to dairy herds.

Trench silos also give the farmer adequate storage for over abundant corn and grain sorghums during a good production year, to be used in years of shortage.

Following is the list of pit silos throughout the Panhandle:

Donley	1140	73
Dallam	709	13
Sherman	412	2
Hansford	470	0
Ochiltree	685	17
Lipscomb	647	17
Hartley	518	2
Moore	287	4

Judge Moss Orders Special Venire of 100 Names In Leisburg Murder Trial

A special venire of 100 names was ordered drawn by District Judge, A. S. Moss from which to choose the jury for the trial of O. D. Liesburg, who is charged in connection with the death of R. A. Cox, farmer.

Cox's first trial in the 1935 fall term of District court, resulted in a hung jury. It has been postponed since that time.

Cox allegedly died of knife wounds inflicted by Liesburg in an altercation on a downtown street.

School Children See American Legion Safety Picture

Over 500 Clarendon school children attended a picture devoted to the safety of operating automobiles, at the Pastime Theatre Tuesday morning.

The show was secured by the local post of The American Legion and was produced with the co-operation of the Palmer Motor Company.

The picture, and accompanying lecture, explained automobile accidents, their cause and steps in prevention being taken by cities.

School Explosion Pictures Friday At Pastime

Ever ready to oblige his patrons, Mr. Mulkey has secured some 500 feet of pictures of the New London school explosion to be shown matinee and night Friday, March 26th.

This is a picture you can never forget. Texas' most lasting lesson in safety.

FFA Boys To Enter Judging Contests

Clarendon Boys Will Enter Poultry and Dairy Meet At Whitewater Sat.

Poultry and dairy judging teams from the FFA boys' training class of the vocational agriculture department of the high school here will compete in the Whitewater vocational judging contest there Saturday at 10 a. m.

The announcement was made by their instructor, J. R. Gilham, who is very enthusiastic in aiding boys under his charge.

The poultry judging team members are Donald Harlan, Ray Palmer, Claude McGowen, Max Wilson, Eugene Putman, Homer Speed.

Members of the dairy judging team are Rayburn Smith, Jr., Warren Hardin, Jack Reeves, Jack Robinson, Frank Mahaffey, Tick Barbee.

Some 150 boys from ten counties will enter the contest. Silver cups will be presented winning teams in each contest.

Was It a Mere Coincidence?

Last Thursday morning the city officials, Denzel Davis, manager of the gas company, and others interested, met at the City Hall.

The meeting at 10:30 was to discuss certain alleged gas leak risks in the city. At 3:30 that same afternoon, the horrible explosion occurred in the New London school taking a toll of some 450 lives.

Many are of the opinion that this gas question up the same day was more than a coincidence. What do you think?

LONDON DISASTER WORST IN HISTORY

The London schoolhouse explosion appeared Thursday to be the worst disaster involving mainly children in modern times.

At the Collinwood School at Cleveland, March 4, 1908, an explosion killed 174.

Seventy-seven children were suffocated in a panic when fire broke out Jan. 9, 1927, in the Laurier Palace Theater in Montreal.

In a Cleveland, S. C., school fire on May 17, 1923, seventy-seven were killed.

An unknown number of children was among 800 killed in a circus and theater fire in St. Petersburg, Russia, in 1836.

More recent tragedies involving children were:

June 1, 1934—Forty primary school children killed and fifty injured when a hurricane destroyed a school near Nanchang, China.

May 9, 1935—A leafy excursion boat, manned by one adult, keeled over in the Psol River, near Kharhoff, Russia, drowning twenty eight children. Thirty swam ashore.

June 15, 1936—Twenty children and mothers died in a movie fire in Hyderabad, India.

March 13, 1936—Twenty-three children and women killed in a fireworks factory explosion near Macao, China.

Dec. 15, 1933—A train crowded with children returning from school crashed into another in Poznan, Poland, killing eleven and injuring eighty.

June 29, 1935—A children's excursion bus was wrecked at Moncalvo, Italy; seven killed, 120 hurt.

May 5, 1934—Seven children killed and twenty injured as Stuttgart (Germany) school collapses.

Clarendon School To Elect Trustees April 3rd

Notices for the election of two trustees for the Clarendon Independent school have been posted with the date set for Saturday, April 3.

Two places are open with the expired terms of O. C. Watson and E. P. Shelton.

H. J. Eddington, T. F. Connally and W. M. Patman will be in charge of the election.

Raymond Wilson To Head Lelia Lake School

Raymond Wilson, for the past three years principal, has been named to succeed B. F. Kirk as superintendent of the Lelia Lake High School, it was announced recently.

Mr. Wilson was formerly principal of the Cross Roads School in Collingsworth County and received his B. A. degree from Texas Tech.

Boys Play Truant From Death In New London School Blast

OVERTON, March 24—Three boys of New London stayed away from classes Thursday afternoon and played truant from death when the ceiling of the school crashed down on their empty desks. The three, Elmer Leo Marsden, Luther McClure, and Thurman Honeycutt missed school to attend a fat stock show.

Baptist Convention Attendance Breaks All Records Here Wed.

Explosion Victims Have Relations In Clarendon

The explosion which wrecked the New London school building last Thursday, claiming the lives of between 400 and 450 children and teachers, brought sorrow to Donley County families, it was revealed this week.

Miss Matti Queen Price, music teacher was one of the dead instructors. She was a cousin of Mrs. Olin Bain of Clarendon. Otto Arnold, cousin of W. B. Mayfield, lost a son in the horrible blast.

It was at first feared that Mrs. Carter Moore, cousin of Mrs. Major Hudson, was among the victims. Mrs. Moore, instructor of home economics was in that department which was only slightly damaged.

Relations of Glen Rieger, Elbert and Dick Jarrell, were in the vicinity but not near the school.

Seven Hundred And Sixty Eight Donley Automobiles Yet To Be Registered

With only seven more days before the deadline, approximately 768 automobiles must be registered in Donley County, according to deputy tax collector Glenn Churchman, who said Wednesday that only 402 passenger, 38 farm and 18 commercial tags had been issued.

License plates last year reached about 1,200, he said.

All cars must be registered by April 1 to avoid a penalty, he stated.

Home Demonstration Ladies To Hold Sale Saturday

Announcement is made that the Clarendon H. D. Club ladies will hold a miscellaneous sale next Saturday, beginning at 11 a. m. The sale will be held in the vacant store building second door south of the Mellinger & Rosenwasser store.

In addition to a variety of kitchen and table utensils and wares, the ladies will serve coffee, pie and sandwiches. A beautiful quilt will be given away during the afternoon.

The proceeds of the sale will go toward maintaining the city-county library in the City Hall.

Hedley Young Ladies Are On College Honor Roll

Misses Martha Sue Noel and Doris Tinsley won places on the honor roll of Texas State College for women at Denton the past semester due to high scholastic attainments.

This distinction came to 329 out of an enrollment of 2,400. A special "Honors" day was held at the College March 11th.

PLAY AT CHRISTIAN CHURCH TO DEPICT EASTER AND TRIAL OF SAVIOR SUNDAY

"Release", rated as one of the most gripping church plays ever produced, will be presented at the First Christian Church here Sunday evening at 7:30, under the direction of Mrs. Frank White, Jr.

Based on biblical history, the production contains all the heart throbs, suspense, tears and thrills of a theatrical production.

Revealing the characters of the two thieves, that were crucified with Jesus, and the attitude of Bar-Abbas, when he was, when he was released and Jesus crucified in his place, the plot is taken from Jewish historians, one of whom is well known, Josephus, who lived from 37 to 96 A. D.

The scene is laid in a dungeon with three thieves chained to stocks in the form of crosses. Just outside in Pilate's court. The play rapidly progresses from this point with visitors to the dungeon to the trial of Jesus of Nazareth and the climax.

R. E. Austin, Minister, in discussing the play said, "I venture

Farmers Must Sign Contracts Now

Announcement was made Wednesday by county agent H. M. Breedlove that the time for signing farm work sheets was drawing to a close. All farmers who expect to share in the advantages of the farm program are urged to attend to the matter at once.

Darbison Indicted For Murder Wed.

Grand Jury Finds Bill Against Borgeran For Death of S. S. Davis

A district court grandjury here yesterday indicted Roy T. Darbison for murder in connection with the death of S. S. (Shake) Davis of Memphis who was killed in an automobile accident near Clarendon on January 27. His bond was set at \$3,000 by Judge A. S. Moss.

The grandjury failed to report on Ted Means who was with Darbison at the time of the fatal accident.

Another indictment of driving while intoxicated was returned against Darbison.

Darbison pleaded not guilty in a preliminary hearing on Feb. 28th, and has been held in the local jail since that time, in lieu of a \$2,000 bond. Means posted bond in a similar amount a few days after the hearing.

Davis, a salesman for the Waple-Platter Grocery, was fatally injured when his car overturned three times after a collision with the automobile in which Darbison and Means were riding near Clarendon on Highway 5.

Darbison's case has been set for Monday, April 5.

Grand Jury Indicts Nine On Felony Charges

Nine felony bills were returned by the district court jury which adjourned Wednesday afternoon after a three day session.

The bills and the amount of bond fixed by Judge A. S. Moss are as follows:

Frank Hall, forgery, \$750; Junus Rowe, theft, \$1,000; Cleon Alee, theft, \$1,000; Johnnie Murphy, car theft, \$1,000; O. H. Williams, child desertion, \$1,000; G. K. Laneir, driving while intoxicated, \$1,000; Gordon Camper, swindling on a worthless check, \$1,500; R. T. Darbison, murder, \$3,000; R. T. Darbison, driving while drunk, \$1,000.

Three hundred and fifty-nine Baptist registered here Wednesday for the two-day convention of the B. T. U. and Sunday School of District 10. Five associations, including Canadian, Trans Canadian, North Fork, Palo Duro and Panhandle were represented.

W. S. Savage of Amarillo, District B. T. U. President presided yesterday and R. A. Springer, Educational Director of the First Baptist Church in Amarillo was in charge of the meeting today.

Dr. Howard Williams of Amarillo, Dr. R. C. Campbell, State Missionary Secretary of Dallas; W. J. Lites of the State Sunday School department in Dallas were the principal speakers.

At the business meeting, Pampa was chosen to be host for the convention in 1938. Dates were set for March 24 and 25th.

Officers for the ensuing year were elected last night. They were R. A. Springer, Amarillo, Sunday School president; Rev. W. A. Fite, Canadian, Sunday School vice president; W. S. Savage, President of the B. T. U. and J. W. Mason, Memphis, vice president.

A committee was appointed to work out plans for the coordination of the Womens Missionary Society, the Sunday School and the B. T. U. for the next convention.

The attendance here was one of the largest on record, officials said, and some were of the opinion that the all-time record was made.

Charles John Parke Buried Here Monday

Died In Wichita Falls Hospital After Long Illness

Simple funeral services were held at the Episcopal Church here Monday afternoon at 2 o'clock for Charles John Parke, former JA ranch cowboy, ranchman, commission agent and member of a noted Irish family. Rev. Newton C. Smith officiated.

Parke, one time socially prominent in Clarendon, died alone in a Wichita Falls hospital last Monday, the victim of a long illness.

Fallbearers were Charlie Johnson, Mitch Bell, St. Johnson, C. D. Murphy, Joe Horn and Will Davis.

Burial was in the citizens cemetery with Buntin Funeral Home in charge.

FROZEN ASSETS THAWING OUT.

Doors locked on 40 billion dollars when the nation's banks were closed by Presidential proclamation March 6, 1933.

A few days later doors opened on 36 of those billions. But four billions remained locked behind the doors of 4,000 banks that did not open—billions apparently lost to their owners.

Today, four years later, three out of those four "lost" billions have been recovered. Only one billion remains locked up in banks closed by the moratorium.

An average depositor in one of the banks that did not open on March 14 or 15, 1933, has received back 75 cents on each dollar of his deposits. This return, if official estimates materialize, will rise further.

PAGE KING MIDAS, BOYS!

There are more bureaus in governmental affairs than ever before. There are more committees than ever before. There are more political officeholders than ever before.

While all this is going on, there are less and less producers than ever before. There is less and less farm producing area due to wind and water erosion. There is less and less taxpayers than ever before in proportion to the population.

What are we coming to? Nobody knows except God himself; he might hazard a guess. It looks like a mighty good time to arouse old King Midas and a carload of magic wands. And we have been traveling this direction since the fourteenth stripe was added to the national flag.

Better Prices Ahead!

The general outlook is for higher prices in all lines, but not a boom. Cream, the weekly farm pay check, is most sure to go much higher. Excess stock stales will mean more money. Farm products in general are due to be much higher this season.

As conditions improve, it is a good plan to save. Create a bank account against that day of need.

WOULD BAN DENTAL ADS

"Dentists would be prevented from advertising in newspapers and on signs if a measure listed on the Senate's calendar becomes a law," declares an exchange coming to our desk, and its observations of such a proposed law are heartily concurred in by The News.

"Dentists would be prevented from advertising in newspapers and on signs if a measure listed on the Senate's calendar becomes law.

"The measure by Senator Clint Small putting a ban on advertising by Texas dentists, was reported to the Senate with a recommendation that it pass.

"Coupled with the anti-advertising bill is another which would permit the state dental board to revoke the license of any dentist found engaging in unethical practices.

"Is there any reason under the sun why the dentist or any other business or profession should be picked out and made the target of discriminatory legislation—if the dry goods man or the grocer or any other businessman has the right to take steps—advertise—to assist him in making a living, then why should the dentist be told to hide behind closed doors and not let anyone know he has to eat and wear clothes like any other man—if a suit of clothes is no worse by being advertised than why should the advertising of false teeth make them any worse? If advertising in no way hinders or hampers the service of a prescription druggist, then why should it hinder or hamper the service of a dentist? This proposed law is not only a violation of constitutional rights but is an outrageous attack on the dental profession. It tries to leave in the mind of the public the idea that a dentist who advertises is "cheap"—a "quack"—inferior in knowledge and ability to other members of his profession.

"The day is long since past and gone when the maker of the best mouse trap will find a trail leading to his door. Today's world is swift—fast moving—modern—and the builder of that mouse trap must get on the housetops and let folks know about it.

"Senator Clint Small who proposed the bill in the Senate would himself be unknown if it were not for advertising. As a matter of fact, we remember when he used the advertising columns of Texas newspapers freely in an effort to be elected governor of this state. Why should the advantages of publicity be made available to him and refused to members of the dental profession?

"As for the bill introduced by Senator Manley Head which would permit the State Dental Board to revoke the license of any dentist found engaging in any unethical practices—Who is to be the interpreter as to what is unethical? Do they not say that advertising—for a dentist is unethical? What is this but a subterfuge to give to a "Clique" the powers, through political maneuvering, to crush their more energetic competitors and even remove them through revocation of license from the field of operation?

"This bill, if passed, would be an absolute violation of section 19 of the bill of rights under the Texas Constitution which reads, No citizen of this State shall be deprived of life, liberty, property, privileges or immunities, or in any manner disfranchised, except by the due course of the law of the land."

"It is also a direct violation of section 8 of that same bill of rights in which liberty of speech and press are guaranteed.

"Most people believe that the guarantee of freedom of the press refers to a right assured to newspaper owners. Such a belief is totally erroneous.

"It is a right belonging to each and every American citizen to express in writing or printing his views and opinions on any matter, subject to being responsible for any injury thereby done to others.

"It is the companion right to that of freedom of speech."

TEMPLE OF TRUTH
 By the Apostle

This is a great section—this Panhandle. We have spring all winter, then have winter all spring.

Did you read that article, "Only a School Teacher" on page Two of the Leader last week? If not, look it over in our issue of March 18th. Every teacher, trustee and patron should read that article. We need more folks "for" something. There is already too many "against" most everything.

Have you ever read the fifth paragraph from the top in the "Masthead?" The masthead is that preamble of a publication giving the names of the parties who own, edit and manage the sheet, in case you don't know.

We ought to have signs on every eastern highway. As a sample, the copy could read like this:

Follow the lure of the pure, fresh air to insectless and malaria-free county of Donley in the Texas Panhandle. Drive leisurely over her new highways that stretch out like ribbons over plains and undulating valleys and scenic canyons.

Browse in the most diversified farming section of northwest Texas. Dream in the historic hall of the Donley County Museum whose specimen exhibits date from millions of years ago down to the settling of the Panhandle by the white race. Meet the most hospitable and law-abiding people on earth. If you like what we have to offer, and can become one of us, settle down and keep staying.

By golly that would jar them! A lot of folks would come out to see the biggest liar in the world, find the statements true and just "settle down" here and help enjoy and develop old Donley county.

Poke Jarrel's uncle Idus down at Splittlip died Sunday. Uncle Idus had a long nose from poking it into everybody's business. He kept a racket going in the church and school. His long-nosed tactics made neighbors fight. Finally the flu got him down in bed. The flu didn't kill Uncle Idus. No sir! He was lying in bed Sunday kinda lonesome like and suddenly flopped over. His long nose got hung in his ear. About that time he sneezed and blew his brains out. His wife and three other people attended the funeral. The three other people was the preacher and the two grave diggers.

The most asinine specimens of Homo Sapiens outside a zoo is made of alleged radio comedians. Don't they have fun laughing at their supposed jokes—or ain't it?

Relatives are often considered a pest, but not ancestors. Take, for instance, Bob Rankin, district highway foreman here. Bob wears a double watch chain brought from Germany by a relative of

Mrs. Rankin over 100 years ago. Bob says it is all that kept him from wearing a hame string in his rough line of work where his chain frequently catches upon the machinery.

Not many years ago a Hillsboro boy was working his way through school. Later he worked his way through the State University. Later he became a member of the legislature from Hill county. Last week Gov. Jimmie Allred appointed Dero D. Cowley to the position of his private secretary to succeed Pat Moreland who was appointed to a place on the Unemployment Compensation Commission. Governor Jimmie never overlooks helping the young folks who were willing to help themselves. The Governor worked his way through school, too.

Fifty years ago, or thereabouts, a "coffee clatch" was a great social event among the elite. Now by golly just what is a "coffee clatch?"

When some bozo makes bad news, and it breaks into print, it is all right for the bozo to knock the newspaper provided the newspaper is too big to knock back.

Hastoon Yazzie says "If employment returns, there is strikes. But if employment does not return, there is revolution. It's just hell either way."

Shaving soap advertisement reads: "Cooties love the roughest places. Cuties love the smoothest faces."

In listening to a radio advertising harrangue for an hour, one would think the "eat, drink, smoke and "take" manufacturers could hog-tie the hand of fate and suspend doomsday entirely.

In displaying nature's gifts to the public, mammon often throttles the intention of the highway department with unsightly billboards. How many cars stop to let the occupants read a blamed billboard anyhow?

A negro woman, after reading Luke 19:8, sent a family four towels. She was employed by the family 20 years before she "got religion." Read it.

A lot of men spend most of a lifetime seeking enough power to penalize somebody who displeases them.

Love may be blind, but marriage is a cracker-jack eye surgeon.

"The man who borrows trouble, is on a dangerous track. He can't find any one to take it. When he wants to pay it back."

If our officials keep in increasing taxes, the stars and bars will have to be changed to the "Skull and Cross bones."

The cow pasture pool boys are elated over the prospects of inventor Jim Heckman producing a golf ball that will whistle when it gets lost.

Short dresses coming back into fashion just now are said to be ideal for getting up stairs. They get up "stares" alright.

This sit down strike business may turn out to be a fine thing after all. If those foreign women stage a sit down strike, it may postpone wars.

Member way back when every family had from one to a half dozen dogs and ten o'clock was bedtime for every member of the family? That was the rule except during the periods that the itinerant medicine vendor happened into the community. Member that shrewd old duck? Torch lights, minstrel show and stringed music lulled the shekels from the duped. It often became necessary for the shrewd "doctor" to throw a scare into the crowd. How they bit when that happened! Every one was assured of getting well of most anything. Ailments were no barrier against his remedy—one that cured all. After he left, and the "medicine" played out, the folks just had to die until he got back next season.

The smaller beasts fear the tiger, the tiger fears the lion, but every earth-living creature of the African jungle, humans included, flees before the driver ant, which, coming in swarms of millions, devours everything on which it alights, even pythons and elephants.

THE WORLD vs. THE CHURCH

Article II
Since the Church was established, there has been no such thing as a saved person out of the church because it is salvation from Alien sins that separates men from the condemned world, and it is the separation (those who are separated) that constitute the church. For that reason all the saved are in the church—they form the church. The idea therefore, that men must first be saved and then join the church, is wholly contrary to the New Testament. No saved person or Child of God ever joined the church in New Testament times, nor can one do so today; you possibly ask, "how then may one enter the church?" The answer is:

By Being Born Again

In (I Tim. 3:15), Paul referred to the church as the "household of God." This term simply means family. The church then is the family of God, and as such includes all the children of God. The church is the exact equal and sum total of God's family. It could not include less nor more than the number of God's children and still be the family or "household" of God; for God's children form His family and that family is the church. Now, it is dear to every one, that whatever puts a man into the family of God essentially puts him into the church, which is His family. Jesus told Nicodemus that one could become a child of God "except he be born again." (John 3:5) The New Birth then adds each member to the church; and since the new birth is exclusively the work of God, it essentially follows that all persons added to the church are added by God Himself: "And the Lord Added to the church daily such as should be saved." (Acts 2:47)

There are only two kingdoms: the world and the church. In which one are you? If you yield to the Lord in obedience (Heb. 5:8,9) to his commands you thus being born anew will be added by the hand of God to the Bible Church the one that Jesus built.

Seven Youths Signed For CC Camp Training

The seven youths who have signed up for the next enrollment of CCC training, are James E. Sims and Milton E. Foster of Giles; Charles A. Sims of Hedley and Farris A. Dozier, Jack L. Harris, Wilburn McDonald, Gene A. Rowe all of Clarendon.

he next enrollment period has been set at April 1st to the 20th. Those wishing to take advantage of the opportunity, and are eligible, should see Henry Tatum at the Denver Hotel building at once.

Aside from the training received, each individual is paid \$25. per month for the benefit of the family at home.

Mail Carrier Faces Charge Of Postoffice Robbery

PAMPA, March 24.—H. G. Guill, 31, Star Route mail carrier, is being held in the Gray county jail, awaiting arraignment on a federal charge of burglarizing the Alandre postoffice of \$30 in cash.

The burglary occurred Monday noon when Mrs. Amy Bell, assistant postmaster, was out for lunch. Entrance to the inside office was gained by climbing over the top of the cage.

Guill was arrested by Deputy Sheriff Jess Hatcher, and Olaf Baldwin, United States postal inspector.

Large Cotton Crop Forecast For 1937

At least 16,000,000 bales of cotton will be produced in 1937, southern cotton authorities expect.

Basing their opinion on the fact that farmers are not compelled to reduce acreage and will revert to their old tactics and plant large tracts with the current high price. "This condition is being fostered by those who are in opposition to acreage reduction but who wish to see a large crop each year, as their money comes from the number of bales handled throughout the year," the authorities said.

Dr. C. W. Gallaway left today for an indefinite visit with his mother and brother in Hot Springs, N. M.

Mrs. J. T. Wilson of Alandreed has returned to make her home in Clarendon. She and a daughter, Mrs. Rector, are at home in the Wilson residence, the former home.

Panhandle Chosen Convention City At Meeting Here

Approximately 150 Delegates Are At Interpost Gathering Here Tuesday Night

Panhandle was chosen as the site for the spring convention of the 18th District of The American Legion and Legion Auxiliary, by approximately 150 delegates from surrounding towns at the interpost meeting here Thursday night.

The meeting here was also in celebration of the 18th birthday of the Legion, and the local auxiliary presented the unit with a birthday cake and a plaque.

District Commander Lou Roberts of Borger was in charge of the district program and Mrs. Guy E. Clay of Wellington, 18th District president, was in charge of the Auxiliary program.

H. T. Burton, first commander of the local post after the reorganization, was master of ceremonies, and R. W. Moore, present commander presided.

Wellington was presented an award for having the most new members for the last month. Amarillo was the largest represented at the meeting. Other towns with delegates were Happy, Wellington, Shamrock, Panhandle, Herford, Borger and Dalhart.

Following the business session, a program was given and dinner served.

The next inter-post meeting place will be announced later, R. W. Moore said, adding that dates for the convention would be set for the later part of May or the first of April.

Memorial Plans To Honor Victims Of School Explosion

Free Will Offerings From Citizens to Make Tragic Lesson Lasting

Announcement was made today by Governor James V. Allred of the formation of the New London School Memorial Committee composed of Mrs. M. A. Taylor of Bon-

ham, President of the Texas Congress of Parents and Teachers; Drury M. Phillips of Huntsville, Commander of the American Legion of Texas; George Clarke of Austin, to represent the Governor; Mrs. Fay Beidleman, President, New London Parent-Teacher Association; and Mrs. H. R. Whittington, President, Rusk County Council of Parent-Teacher Association.

Contributions may be mailed directly to the New London Memorial Committee in care of the Governor's Office in Austin. The Committee appointed by the Govern-

will handle funds received for this memorial.

Mr. Phillips has already asked commanders of legion posts throughout the state to begin their activities immediately.

"Hundreds of letters and telegrams have been sent to me," the Governor said, "asking information as to where contributions might be made for the purpose of erecting a suitable memorial to the memory of the school children and their teachers. I have determined upon this state committee as the proper central organization for the handling of these funds. I appreciate deeply the proffered services of the State Parent-Teacher Associations and the American Legion in this connection.

"I think it only proper that the voluntary contributions from the citizens of a stricken state and nation be accepted for this purpose. The horrible catastrophe touched not only the families and immediate friends of the victims, but has reached out and shocked every home in America. Everyone has felt a sense of personal grief and has mourned with the bereaved parents.

"The State Memorial Committee will not conduct a drive for funds but will have an organization set-up in every town through the Parent-Teacher Council and the American Legion posts. These organizations will be available to those who wish to contribute any donation, small or large, as their expression of sympathy.

"The memorial will serve a twofold purpose as a tribute to the passing of those boys and girls in the full flush of inspirational youth and as a perpetual resolve that no such disaster shall ever again be visited upon any community in Texas."

Tennis Champions For City Schools Announced Monday

Neal Thompson One Of Favorites Dropped In Playoff After Upset

All inter-school tennis competition was completed this week after hard battles for three places in each division.

In the senior boys group, Billie Cooke will play singles, and Jesse Cornell and Junior Swift doubles, in the county meet here Friday.

Senior girls are Edith Shelton, singles, and Frances Grady and Joan Thompson doubles.

Billy Ralph Headrick will play junior singles and Ben Hill Jr. and Fred Chamberlain, doubles. Billie Lou Gilbert will be the girls singles player.

While close, most matches ran true to form with the exception of the senior boys muddle. Neal Thompson and Billie Cooke favorites, lost early matches that necessitated a playoff for the third place. In the extra tilt, Cooke eliminated Thompson 6-4 and 6-1 in straight sets.

Local Track-Field Men Set For Meet

Expect Their Share of Honors In Meet Saturday

Clarendon High School track and field men polished off their training period this week and seem confident of grabbing their share of county honors in the county meet here Saturday.

Robinson, Cornell, Grady and Watters were heaving the shot for good footage while Holtzclaw and Jay showed class in sailing the discus. Robinson also takes his turn with the disk.

In the track department, Cornell, Hillman and Holtzclaw are the low hurdlers. Rolls is the only high hurdler entered.

Grady, Baxter, and Hillman carry the brunt of the 100-yard dash with Grady, Baxter and McGowen sprinting the 220. Baxter and McGowen also compete in the 440.

Butler and Jay are the 1-2 mile speedsters and McClenney carries the school banner alone in the mile. Butler takes the broad jump solo but is aided on the high jump by Grady.

Mrs. Harry Blair visited in Vernon Wednesday.

W. Z. Borron and son Dean, prominent wheat growers of the Groom country were here Tues.

Mr. and Mrs. C. T. McMurtry spent several days the past week in Amarillo visiting their children.

No Red Cross Call For School Disaster

Over-Plus to Flood Relief Is Ample to Care for Victims Of East Texas Explosion

Mr. A. H. Baker, chairman of the Donley county chapter of the Red Cross received notice from St. Louis headquarters Monday that there would be no necessity for a call for funds to take care of the needs arising from the school explosion at New London. Wm. M. Baxter, Jr. manager of the St. Louis office of the Red Cross wrote:

In view of the recent generous response to the Ohio and Mississippi Flood relief appeal, no special appeal will be made for this disaster. The National Red Cross will provide the funds needed for relief purposes. It is not intended to deny those wishing to contribute to this disaster the privilege of doing so.

FORMER CHARGES OF NEW YORK ORPHANAGE MEET AFTER 32 YEARS

Thirtytwo years ago, a number of small boy residents of the Brace Memorial home in New York City were sent to Texas. One was adopted by the Allen family in Ellis county. Later he became sheriff of Wichita county, for Pat Allen had grown to manhood.

Last year there appeared in a Wichita Falls paper a statement to the effect that Pat Allen was going back to New York City to attempt to find some of his people.

Andrew Jay, who also happened to be one of those Brace Memorial home boys coming to Texas also in 1905, read that statement. He wrote Pat Allen directing him to where he could likely get information when he got to New York City.

Andrew Jay of Clarendon, was adopted by a Quannah family, the family here often paying a visit to those people.

Last Thursday Andrew Jay paid Pat Allen a visit in Wichita Falls, the first in 32 years, though neither of them recognized or remembered the other. They had many interesting matters to discuss about their childhood days.

No, Pat Allen failed to locate any of his people back there, but came back to Texas and his job as sheriff better satisfied.

Old Tascosa Pioneer Dies At Ranch Home

DALHART, March 24.—Mrs. Cruz Trujillo, pioneer settler of old Tascosa, died at her ranch home 15 miles west of Channing Tuesday. Funeral services were held at the Channing Catholic Church.

She was a descendant of a well known Mexican ranching family which pioneered in this and the Taos, N. M., region.

THE CAR THAT WE SERVICE REGULARLY STANDS OUT ON THE ROAD

A car is as good as the attention you give it. If you want your car to look like a new car and act with new car spirit, drive in here regularly for service. There are many things we do to keep cars new and out of the repair shop—see that they are well lubricated, that the tires are properly inflated and check the battery, water system and ignition. No wonder the cars we service regularly stand out on the road—they've got pep and life because they're well cared for! We would like to see you drive in at least two or three times a week. If you're wise you will!

MacMurray, Lombard Together In Third Film Picture, "Swing High, Swing Low"

Carole Lombard and Fred MacMurray, the romantic team of "Hands Across the Table," and "A Princess Comes Across," are together again in "Swing High, Swing Low," a romance with music which opens on Wednesday, March 31st at the Pastime Theatre.

"Swing High, Swing Low" is the story of night club life in Panama and New York. Miss Lombard plays the role of an entertainer in a Panama cabaret who makes a famous musician out of MacMurray, who has been very much on the loose in the canal port. This role gives Miss Lombard an opportunity to sing and dance, the first time she exhibits her talents in these fields, and MacMurray plays the trumpet, also for the first time in pictures.

The cast also includes glamorous Dorothy Lamour, the beauty who captivated America in her first screen appearance, "The Jungle Princess." She plays the role of

"the other woman," with whom MacMurray falls in love.

Miss Lamour, who was famous as a radio singer before her entry into pictures, also sings and dances in "Swing High, Swing Low." Charles Butterworth, Jean Dixon, Harvey Stephens and other well-known feature players complete the cast.

"Swing High, Swing Low," was directed by Mitchell Leisen, who directed "The Big Broadcast of 1937" and other outstanding musical films. Its music was written by Ralph Rainger and Leo Robin, and Sam Coslow and Al Siegel.

In making a trip to Matador Friday, G. D. Shelley, local telephone lineman stated that sand had drifted into the highway between Turkey and Matador until teams were required to pull autos through.

Donley County Leader, \$1.50 a year

Fred MacMurray swings it on the trumpet—and Carole Lombard, nestled in his arms, sings it - - - "A Call to Arms," hit tune from the new Lombard-MacMurray film, "Swing High, Swing Low," opening Wednesday at the Pastime Theatre.

Mrs. John Wade
Mrs. Lovella Wade of Edcouch, Texas passed away at 12:45 Monday, March 15th after a lingering illness.

Mrs. Wade was born April 26th, 1872 in Mulberry, Tenn.; moved to Texas with her parents in childhood. She was married to John Andrew Wade in 1890 in Hill Co., Texas. To this union were born seven children, four sons and three daughters of whom 3 sons are living. Mrs. Wade was Miss Lovella Luttrell before her marriage.

She professed religion in early life and united with the Baptist church. After moving to Edcouch, she became one of the charter members of the church at that place.

She was at one time president of the womans missionary society, a Sunday school teacher and B. Y. P. U. leader.

Among those who mourn the passing of "Mother Wade" as she is lovingly called in her community, are her husband, John Wade, her sons, J. R. and Raymond of Edcouch and V. F. of Hedley.

Also a sister, Mrs. Virginia Hamblin of Amarillo, three brothers, W. J. Luttrell of Hedley, R. F. of Floydada, and C. N. Luttrell of Oklahoma City.

Nine grandchildren and a lost of friends and neighbors.

Her funeral service was held Tuesday afternoon, March 16th at the Stotler Mortuary in Mercedes, Texas.

Mrs. Wade came to Donley Co. in an early day, lived near Hedley for several years, then moved to the Rio Grande valley where she remained until the time of her death.

Mr. and Mrs. Horace Cooper returned from Sunset, Texas where they have been visiting for the past two weeks.

Mr. and Mrs. A. G. Culwell and son Raymond of Altus, Okla. visited Sunday in the home of his brother and family here.

The Junior play staged at the Hedley school building Monday night was a success. A large crowd saw the play which was splendidly rendered.

Edgar and Mildred Culwell of Amarillo visited homefolks Sunday. Miss Mildred who is ill remained at home for a few days.

Dr. and Mrs. Webb returned home Sunday with their son Max who has been under treatment for several weeks in Ft. Worth. He is reported improving.

Mr. and Mrs. Carl Dickson of Amarillo visited the latter's father Monday.

Mrs. J. B. Masterson is visiting in Ardmore, Okla.

***** * GOLDSTON * * SCHOOL NEWS * *****

Everyone is inclined to be happy this bright day. The sun is shining brightly even though it's a little chilly. Thoughts of the tournament are still prevalent which probably adds a little more to the brightness of the day. There were defeats as well as victories made Saturday.

Goldston junior girls defeated the Midway junior girls in one of the most exciting games of the tournament to take first honors in that division. It must have been Goldston's lucky day for one point lead gave another victory to our boys in a game with Midway seniors. We hated to lose to Giles in the boys' games, but they just had us outclassed. We were glad to win as many games as we did.

We have only a few days left for Interscholastic League activities. Great improvement is shown in the various contests and we are looking forward to the county meet. We will miss the choral singing practice if it is not continued after the meet. We have some good singers and enjoy hearing them sing even though some do think the songs juvenile.

Mr. and Mrs. Walter Tucker and family visited in Memphis Sunday.

Mr. N. L. Jones visited Mr. and Mrs. Jean Hester and family.

Hall County To Seek New Canyon Road

MEMPHIS, March 24.—A later-al road extension from Mulberry creek to the Palo Duro Canyon which would form the first step in the completion of the scenic route from Memphis through the canyons to the Goodnight trail, was the suggestion of a special highway committee, which met recently.

The committee was appointed by the commissioners court at a highway meeting.

Mother Shipton, early in the 15th century, predicted modern steamships, trains and airplanes, telegraph, radio, automobiles and submarine travel. The good woman went sadly astray on one point, however; she predicted the "end of the world in 1881!"

Oldest Hall County Citizen Is Honored

Memphis, March 24—Mrs. Carrie N. Duke, the oldest citizen of Hall County, was honored on her 96th birthday with a dinner given by Mrs. A. E. Thomas.

Mrs. Duke is one of the first settlers of Hall County and has lived in Memphis for 27 years.

BEEES—GREAT AND SMALL

The "Apis Florida," and East Indian bee, is the smallest honeybee in the world. The honeycombs it builds are 2 inches square and the cells the size of pinheads. India, however, has a bee as big as our field cricket. It builds combs 6 to 7 feet long and 4 feet wide which, when full, weigh from 300 to 400 pounds.

S. G. Adamson of Hedley was in the county seat Monday.

PUBLIC INTEREST DEMANDS FAIR PLAY!

Texas now has good state laws for the regulation—in the public interest—of all transportation. These laws are helping to stabilize transportation, and all business and industry that has to use transportation. These laws are helping to reduce the terrible accident toll on your highways. They are helping to conserve your investment in your highways.

Regulation of transportation in the United States has been developed over a period of fifty years. Reasonable regulation is admitted to be both advisable and necessary in the public interest.

Strict regulation of one form of transportation and the lessening of regulation of any other form is unfair and un-American, and can only result in crippling that part of your transportation facilities which is handicapped—

without any resulting benefit to the people of Texas.

Texas railroads obey the rules of the game,—those imposed by the agencies of government and those taken on voluntarily in the interest of public safety.

Texas railroads are spending this year, large sums of money for new and modern equipment—locomotives, freight and passenger cars, improved rail and roadbed facilities, and are expediting freight and passenger schedules to meet growing public demands. All of this is being done in the interest of improved service to the public and at the lowest rates in twenty years.

All the railroads of Texas are asking—have ever asked—is a FAIR DEAL in a fair field.

AT THE FIRST BAPTIST CHURCH

J. Perry King, Pastor

There is Always Worship Fellowship :: Service
Next Sunday, March 28, will be Easter, and we are expressing the hope that every person in our city shall avail themselves with the opportunity of worship. If you have not submitted yourselves to the Lion of The Tribe of Judah in whose memory this day is observed won't you do so next Lord's Day? He is the hope of our Resurrection. He is the hope of our eternal bliss. All other efforts will fail. Resort to the one who has conquered the grave. Place your trust in him. You can follow him and fear no danger of what lies out beyond.
What you believe about the observance of the Resurrection of our Lord will not change the greatness of the doctrine. On this one fact hinges the hope of the entire world. If Christ be not raised then we are of all people most miserable. Our hope is vain, our preaching is vain, all is vain, and our efforts at a nobler life in this world and the world to come will come to naught. What a blessed privilege it is to call attention to and observe in a special way the fact upon which all Christianity is based. The big thought uppermost in all of our minds next Lord's Day should be the Resurrection of our Lord, and the hope of our own resurrection at the last day.
Regular services Sunday at the Baptist Church morning and evening.

Editor: Margaret Perkins
REPORTERS
Lena Pearl Childress
Eva Tims
Leon Painter
Mr. and Mrs. John Nash of this community are the proud parents of a seven pound baby girl, Nancy Jane, who arrived Saturday, March 20th.
Mr. and Mrs. Travis Bland have moved to the J. W. Bland place, five miles north-east of Hedley, where they will make their home for the next year.
Mr. and Mrs. A. P. Childress spent the weekend in Memphis.
The Giles basketball girls won over Hedley basketball girls Thursday. The scores were 15 to 12 in Giles' favor.
Mr. and Mrs. Bob Myries spent the week end with Mr. and Mrs. A. C. Tims.
The Donley County Rural Basketball tournament was held at Lelai Lake Friday and Saturday the 19th and 20th, of this month. The tournament proved to be a great success and much enthusiasm was shown throughout the tournament.
Giles won two first places. The other two championships were taken by Goldston and Midway. This year is seven straight for our Junior boys and two for our Senior Boys.
Giles girls beginning their first year of basketball turned in some nice games.
We forfeited to Goldston thru ineligibility. We feel that we forfeited to a good team, in fact we felt two good teams in the finals. So we say good luck to both Goldston and Midway and better luck to us next year.
Pennants, made up in the winning colors, will be awarded the winners.
Now let us all look forward to a calm Friday and Saturday of this week, or could we have a county meet without sand.
The Giles basketball teams have been invited to a banquet at Midway Friday night which they are looking forward to with great pleasure.

J. W. Smithey, laid up with the flu last week, was able to resume his run on the Silvertown mail line Tuesday.

AT FIRST METHODIST CHURCH

E. D. Landreth, pastor
Services 10:50 a.m. and 5 p.m.

Easter Sunday morning will mark the close of the Revival services at the First Methodist Church. The sermon will be preached by the pastor on the theme "The Living Christ in a Modern World." The morning services will begin at 10:00 o'clock and at 11 o'clock the pastor will baptize infants that are presented for holy baptism. All who wish to dedicate their babies in holy baptism are invited to be present before eleven o'clock. At the close of the service, members will be received into the Church. A goal of fifty new members has been set and at this writing, (Tuesday noon) twenty nine have already given their names for membership. The organist and choir will render beautiful Easter music that will enhance the morning worship. We expect a great crowd at Sunday School and at all the services of the day.
May it be a day of joyful worship for all the Churches, and for all Christian people everywhere.
Friday of this week is Good Friday, the day of the crucifixion of Christ. This day is so sacred that none of us should be willing to let the day pass without worshipping Him. Surely there will be a great host of people who wish to show adequately our appreciation of what Christ has done for us on the Cross. Therefore it is planned that Friday evening a service will be held in connection with the Methodist Revival for the families and individuals of the community. Let the families come and sit together. Let every man join his family in worship on this sacred evening. Fathers and mothers, and children worshipping in the house of the Lord in thanksgiving or the sacrifice of Christ.
E. D. Landreth.

Mr. and Mrs. Sid Powell and daughter spent Sunday in Good-night.
The Ashtola Needle Club assembled in the home of Mrs. W. A. Poovey with Mrs. John Dial as hostess Wednesday afternoon, March 17. After a short business meeting, Mrs. Frances Brown gave a very interesting demonstration on weaving. Delicious refreshments were served to the following ladies, Mrs. Frances Brown, Mrs. B. L. Collier, Mrs. Hubert Rhoades, Mrs. J. R. Brandon, Mrs. Van Knox, Mrs. Slaton Mahaffey, Mrs. H. W. Lovell, Mrs. W. A. Poovey, Mrs. W. P. Holley, Mrs. R. L. Mason, Mrs. Dick Tomlinson and the hostess, Mrs. John Dial.
James Dickerson suffered the loss of a finger Saturday morning when he fell from the windmill and caught his finger on the tower.
Mr. and Mrs. V. S. Knox and family spent Sunday in Lelia Lake.

MIDWAY SCHOOL NEWS

Athletics
Everyone feels as if a new leaf has been turned this week end with the ending of basketball and beginning of league work, track, tennis and playground ball. The tournament was very exciting and the Midway Senior Girls won county championship. Mr. Millsap has coached seven teams to win county championships in this county. Everyone was wondering if it would be Midway Sr. boys and Jr. girls or Goldston Sr. boys and Jr. girls to win the title since they tied for championship. The boys played three extra periods and Goldston won by one point off a foul. The same happened to the Jr. girls game. Then Giles Senior boys won over Goldston boys and that passed the championship places around leaving one with Midway, one with Giles and one with Goldston. We congratulate the other teams and know they feel as elated over the turn-out as we do.
Literary Society
There was a short meeting of the Literary Society Thursday night before the play started. A new secretary was elected, Mrs. John Naylor. At the last meeting last year Mrs. Nels Robinson was elected president and Mrs. J. B. Millsap vice-president. Let's hear more from the Society and have more meetings.
Entertainment
The play "Goin' Modern" was presented by the pupils and teachers last Thursday night and a good crowd attended. We hope the "Modern" shock, (esp. Mr. Millsap in a bathing suit) wasn't too much since the idea was to tame modern children and learn to "Be Yourself."

We wish to thank everyone who loaned us stage property for the play. We would like to have kept Mrs. J. C. Longan's rocker for all time use.
Mr. and Mrs. Millsap and Miss Harlan served the play characters twice last week after practice. First with candy and pop corn and next with ice cream.
Miss Lopez Whitt, principal of Sunnyview school attended the play here Thursday night.
When we read of the disaster of the New London school it makes us ashamed to fuss at such trivial things at school, for those people have real worries and we surely sympathize with them.

WILL PUBLISH BOOK OF "OLD TRAILS" POETRY

An attempt to collect the work of southwestern poets and to preserve the traditions of this region of "Old Trails," the Santa Fe, Chisholm, Dodge, Shreveport, Shawnee, Goodnight-Loving and others, is being sponsored by Mrs. Albert G. Clark of Campo, Colo., and Mrs. Gladys Clifton of Boise City, Okla.
The collection will be published as an anthology called "Old Trails" June 30 being set as the deadline for contributions.
The sponsors state they will publish any good poetry but prefer that of southwestern interest especially and suggest such subjects as Roundups, Trail Herds, etc., as well as sod-breaking and early settlement. Modern western subjects will also be acceptable, but lengthy poems are discouraged. Good amateur as well as professional work is invited.
Prospective contributors should apply to Mrs. Gladys Clifton, Boise City, for particulars.

SHORT STAPLE COTTON PENALTY IS REPORTED

MEMPHIS, March 21.—Due to loss of foreign markets, short staple cotton now being marketed here is being penalized about \$15 a bale, according to local buyers.
The future demand for short staple cotton is very unpromising according to ginners and cotton men. Farmers are being urged to obtain seed for better lint turnout and for longer staple.

COMPLETION OF CLARENDON-JERICO HIGHWAY ASSURED BY MEREDITH

Completion of Highway 88 from Clarendon to Jericho was assured this week, according to a letter from A. A. Meredith, WPA Director, to G. G. Reeves, County Commissioner. The Right-of-way will follow the present highway to within a few miles of Jericho where a gradual curve will angle into town.

All dangerous curves will be eliminated.

Present labor and equipment being used on the four miles of river road now under construction, will be continued on the 18-miles. Meredith's letter followed a lengthy conference in Amarillo with Reeves and J. H. Hermesmeyer.

Road work from the city limits of Clarendon south for 6.2 miles has been surveyed and tentatively approved, Meredith said. This project was set up but funds were cancelled, at the suggestion of the

county committee, to complete the school job. Work on this stretch will begin pending available labor.

Concerning the Clarendon-Jericho project, Meredith's letter said in part:

"Highway 88 north of Clarendon has a unit set up of 4-miles, which will not be completed for perhaps the next 30 or 60 days, and then they have the balance of Highway 88 to Jericho, which is approximately 18-miles to work. Highway engineer, Van London, informed me that based upon the amount of equipment the Highway Department is to furnish on the job, the men can be worked anywhere from 6-months to a year on this piece of road. This will definitely dispose of all the labor in Clarendon or the northern part of Donley County for a good long time."

HERE AND THERE

By Dick Cooke

HERE—At an unnamed figure the 22,000 acre Chenault ranch near here was sold this week to Howell Smith of Wichita Falls and S. W. Richardson of Fort Worth. Owned by J. J. Perkins of Wichita Falls, for the past few years, 1,100 head of cattle were on the range.

THERE—A calf with two tails growing from its forehead is owned by J. L. Barnett of Shamrock, The Shamrock Daily Texan reported recently. The "tails" are some four or five inches long, according to the report, and are attached to the head between the calf's ears.

HERE—James Dickerson, about 7 years old, lost a finger Saturday while playing on a windmill. Wedging between the pipe and sucker rod, the finger was stripped to the bone and the last joint was torn loose, attending physicians said. James is the son of Mr. and Mrs. W. A. Dickerson of the Chenault ranch.

THERE—Dropping 30-feet from the tower of a windmill, J. I. Rooney, 51, of Stratford suffered a head injury and was admitted to an Amarillo hospital where his condition, Wednesday, was reported unchanged.

HERE—Mayor John T. Sims left yesterday for Mineral Wells where he will spend a week or 10-days.

THERE—A 13-year old Waco girl died recently as a result of injuries received when she was hit by a truck more than seven years ago. During the seven years, the child has undergone 23 major operations.

HERE—Sheriff Guy Pierce said today that business firms are being watched which allow habitual drinking. Evidence has been secured in a number of incidents, he stated, and unless this practice is stopped, the places will be closed on a court order.

HERE—One department of the first grade of the local school was dismissed this week as a precautionary measure against diphtheria. One child, who had attended school last Thursday, was reported ill with the disease that night. No new cases have been reported and the local health officer said today that the danger period was almost over.

THERE—An Ohio grandjury recently recommended segregation of houses of ill fame for the moral protection of children; licensing of gambling houses, or new laws to make them a felony, and more politeness on the part of public servants.

HERE—Dr. Oscar Jenkins attended the Dallas Southern Medical Clinic Society's four-day meeting in Dallas last week. The group met Monday, Tuesday, Wednesday and Thursday.

HERE—Although unofficial, Ted Means who was with Roy Darbison when the car wreck occurred that claimed the life of Shake Davis, will probably face misdemeanor charges in county court.

HERE—A visit to the county jail this week revealed that Darbison, who has been confined for over 50-days, paces the run-around throughout the night and catnaps throughout the day.

HERE—Returning from Austin last week, George W. Kavanaugh, county superintendent, announced that Martin school would secure approximately \$500 in state aid lost through an error. Kavanaugh also said he attached Ashtola to the "Old Glory" Bill which if passed by the senate, would refund \$6,000 on the recently burned school.

THERE—Officials of a Virginia bank were puzzled at a request of a loan of \$100 or \$125 on two \$100 bills. The seeker explaining that if he changed the bills he would probably spend the entire amount, departed after arranging to pay 6 per cent on his loan while collecting 2½ per cent on his \$200.

HERE—Ellen Collins, 71, broke her hip in a fall at the home of W. T. Fincher, last week.

THERE—To a Richmond Virginia funeral parlor probably goes the honor of the endurance record of holding a corpse. The unidentified body has rested in the parlor for 14-years after it was found swinging by a rope from the rafters in a box car.

HERE—The Ashtola depot was robbed this morning of a portable typewriter, deputy sheriff, Guy Wright said. Access to the building was gained by breaking the lock on the door. Other losses were not listed this morning.

HERE—Clyde Douglas is walking with the use of a cane this week as the result of a strong gust of wind, Tuesday, indirectly breaking the arch in his right foot. A strong gust tore loose a \$75 neon sign at the corner of the Douglas and Goldston building. After aiding in the rescue work, Douglas jumped from the ladder and received the painful injury. Incidentally the sign was also badly damaged.

THERE—Fifty arrests have been made recently to break the Nationwide eye doctor racket, although much is yet to be done in running down the swindlers. An estimated amount of \$1,000,000 has been collected from unsuspecting victims on operations.

Warning Issued To Dog Owners

R. T. Brown said yesterday that dog owners are being warned that tags must be purchased before April 1. All dogs not tagged are considered strays and can be killed, he said.

Brown said that he had killed approximately 400 dogs within the last two years.

The tax is only \$1. Brown stated. He also said he had received many complaints about chickens "running loose." This is a violation of a city ordinance, he asserted, and must be stopped.

Prominent Groom Farmer And Stockman Dies

N. A. Sneed, 82, prominent farmer and stockman of Groom, died at his home at 10:15 Tuesday morning. Funeral services were held at 3 o'clock yesterday at the Groom Methodist Church. Rev. Ray Lee officiated.

Mr. Sneed is survived by his wife, three daughters, Mrs. Blanche Harris of Joplin, Mo., Mrs. S. K. Roach and Mrs. Benton Moreman of Groom; two sons Paul P. Sneed of Dallas and Van Earl Sneed of Waka, Texas, nine grandchildren and three great grandchildren.

Pioneer Clarendon Resident Dies in Oklahoma

Funeral services were conducted at Clinton, Oklahoma Thursday for Mrs. Wm. H. Clarke, who passed away the day preceding after a short illness.

Mrs. Clarke was a resident of Clarendon many years ago, and had a wide acquaintance among the pioneer residents here. She is the mother of Mrs. Ernest M. Hott, formerly of the Chamberlain community, now a resident of Portales, N. M. Mr. and Mrs. Hott attended the funeral service.

Two Fires Here Today Cause Small Damage

Two fires of negligible damage were reported here this morning. The first about 6 o'clock was caused by a wire shortage in the ceiling of the Huffman bakery. The metal ceiling was heated red hot by the wire and Coley Huffman turned in the alarm as a precautionary measure.

The second was a small blaze in an automobile driven by C. B. Roberts. The car was parked in front of the Lowe Grocery and was also caused by a short circuit. The fire department was called but the blaze was extinguished before their arrival.

J. M. Hill, Clarendon C-C Secretary Resigns

J. M. Hill, for the past three years secretary-treasurer of the Clarendon Chamber of Commerce, resigned this week to accept a position as instructor of vocational agriculture in the Tulla High school.

J. R. Gilham, instructor in the Miami High school will succeed Hill here. He assumed his duties Monday. Besides his connection with the chamber of commerce, Mr. Gilham will instruct vocational agriculture in the local high school.

Mr. Gilham, a native of Armstrong county, attended school at Canyon and received his Master's degree from A&M College. He was principal of the Carey school in Childress county and coached the state champion basketball team.

His Miami boys won money on six of seven calves at the recent Amarillo fat stock show, the best record in that class. He resigned the principalship of the Miami school and directorate of vocational agriculture to come to Clarendon.

Guy Kerbow Is Identified With Pampa Hardware

There was a place to be filled in the Pampa Hardware & Implement company. Guy Kerbow was offered the place, and accepted. He has been identified with that line of work practically since early boyhood. For many years he was a hardware salesman on the road.

Guy Kerbow is one fellow who lives in the realm of "where the skies are not cloudy all day," if ever one did. Honest, energetic, skilled in many lines, Clarendon lost a good man. Pampa and the hardware firm will be proud to number him and his good family among her citizens.

Dave McCleskey has accepted a position with the Clarendon Hardware since Guy left. Dave is a fine young man. May he strive to become as skilled as the fellow who just left. Ralph Kerbow is manager. Another one of the "Kerbow boys," and an honor to the memory of his father, that prince of fellows, Mr. H. C. Kerbow.

Schools Will Be Tested For Gas Leaks But Will Not Close, Burton Says

H. T. Burton, superintendent, spiked the rumor today that city schools would be closed for a gas inspection, but said tests would probably be made, for leaks, over the week-end.

The inspection may be conducted Friday and Saturday as school will be closed for the Interscholastic League Meet, he stated.

D. R. Davis, manager of the local gas company said last night that all school buildings were thoroughly tested each fall before connections were made.

Farmers Exchange Grocery Robbed Tuesday Night

The incident may be a bit confusing because of a similarity of names. The robbed grocery is located in Estelline instead of Clarendon.

A truck was backed up to the door of the Estelline firm some time during Tuesday night and the safe loaded into the truck. Along with it was taken nine hundred pounds of sugar, several cartons of cigarettes, several cases of 'shortening' as well as a variety of smaller amounts of goods.

The officers believed that a clew had been found today.

Ray Moreman of Hedley was in Memphis last Thursday.

Last Rites For J. E. Vinson Held Here Tuesday

Funeral services for James E. Vinson, 70, who died at his home on East First Street here Sunday afternoon about 6 o'clock, were held at the First Christian Church Tuesday afternoon at 2:15. Rev. R. E. Austin, assisted by Rev. J. Perry King, read the ceremony.

Born in Georgia, March 5, 1867, Mr. Vinson came to Texas in 1910. He was a member of the Odd Fellows Lodge for about 40-years.

Burial was in the citizens cemetery with Buntin Funeral Home in charge.

Only Three Civil Cases Heard In District Court

The first week in District Court was exceptionally light and would probably be recessed Wednesday night until Monday morning. District Judge A. S. Moss announced.

Set aside for civil cases, only three had been disposed by yesterday afternoon. They were Mary Hill vs. O. C. Hill, divorce, granted; Foxworth-Galbraith Lumber Company vs. Mrs. Janice Espey, try title, granted in favor of the plaintiff; G. W. Antrobus vs. Forcloser, verdict in favor of plaintiff.

Mr. and Mrs. W. W. Noblett were in Oklahoma City last Thursday and Friday. Mr. Noblett attended a sales meeting of the Chevrolet Co.
